## Santa Fe Closes Area Agencies

The Railroad Commission of Texas has granted Santa Fe Railway authority to make Lubbock a regional freight office (RFO) and close the agencies at Abernathy, Anton-Shallowater, Brownfield, Lamesa, Levelland, Littlefield, Lorenzo-Ralls-Crosbyton, Muleshoe, Seagraves, Slaton, Snyder, Sudan and Tahoka and consolidate their work at the RFO. Implementation will commence Jan. 31.

Santa Fe will serve these areas through a regional freight office in Lubbock.

The Lubbock RFO will have jurisdiction over all operating and accounting functions for shippers in the affected area. Slaton will become a regional yard office (RYO) with jurisdiction over operating functions and train handling and will report to the Lubbock RFO.

Sam Phillips, supervisory agent-at Lubbock, has been named manager of the RFO.

The Lubbock RFO is open 24 hours a day, seven days a week, while the other offices are open a limited

number of hours. Customers in the affected area may call a toll-free number, 1-800-692-4254, for assistance.

"The change is designed to improve service to Santa Fe customers," D.P. Valentine, general manager-Western Lines, Amarillo, said. The implementation of a systemwide computer system has made the RFO concept feasible. Improvement in service will come through the combined use of computers and around-the-clock personnel at the Lubbock office," he

explained.

"The Lubbock RFO has direct access to Santa Fe's central processing unit at Topeka, Kans. This will enable the customer service representative to respond quickly to customers' needs," Valentine said.

The railroad has already made the shift to regional offices in California, Kansas and parts of Texas and is in the process of creating regional freight offices across the railroad's 13-state system.

The Commission made no decision on the Santa Fe request to dismantle the depot building at all the discontinued sites, except Slaton, until proposals from local citizens are resolved.

Floydada will receive a check for \$3,217 this period, down 11 percent.

Lockney will receive a check for \$1,730 this period, up a whopping 27 percent over last year.

Crosbyton will receive a check for \$1,513, up 40 percent. Ralls will be rebated \$2,319, up 5 percent over last year at this time.

The City and MTA sales taxes are collected along with the state sales tax by merchants and rebated monthly to the cities in which they are collected by the Comptroller.

100 percent decrease compared to last year at this time. Edmonson will not receive a January check as well.

Plainview was down 22 percent in sales tax rebated to that town this period.

Tulia, which is in Swisher County, will receive a check for \$5,120 this period, a 4 percent increase over 1982.

As for Lubbock County towns, Idalou will be rebated \$1,411 this period, an incredible 64 percent increase compared to 1982.

New Deal will not receive a check this month.

## January Rebates Up For Abernathy And Most Area Towns

State Comptroller Bob Bullock Thursday sent \$32 million to nearly 1,000 Texas Cities as their share of the one percent city sales tax for January.

"These payments are down 7.7 percent from last January's checks," Bullock pointed out. "Collections are down in every major city in the state except Austin. It is this trend that led me to reduce my estimate of available state revenue and it's affecting the finances of Texas cities even more drastically than the finances of the state," Bullock said.

Citing depression in the Texas oil

industry and the repeated devaluation of the Mexican peso, Bullock dropped his estimate of available state revenues by \$1.5 billion dollars this week.

Abernathy will receive a check for \$2,156 for January, a 9.03 percent increase, compared to January of 1982, when Abernathy had only been rebated \$1,978.

City sales tax rebates for other Hale County towns are as follows:

Hale Center will receive \$519 this period, up 49 percent over 1982.

Petersburg will not receive a check this period, which is an incredible

## Kori Heard In Several TV Shows

Former Abernathian Kori Heard has been involved in a lot of action on the TV screen lately and has had a great time doing it.

Kori is Abernathy's own TV star as she left Abernathy for California to

persue a career in modeling and acting.

Kori visited her parents, Mr. and Mrs. Perry Heard, recently for two weeks and shared some of her experiences in Hollywood with the Review while in town.

### TV Roles

Kori has had the opportunity to be in several TV shows lately playing small parts. In the TV show "T.J. Hooker", which aired the first week of January, she played football in one scene and a police academy cadet in another scene.

In the TV series "Happy Days", Kori was in a scene in which she enters in front of "Fonzie" (Henry Winkler) in Al's Diner. She was also in a scene featuring a party for "Joni" and "Chachi". This show was also aired in early January. She met Henry Winkler, Scott Bao and others on the cast.

She was on an episode of "Fantasy Island" recently. Kori played a background part in one of the latest episodes in which she was walking out of a house with a date. She met professional actors Steve Allen, Jane Meadows and Justin Henry, who were

in this episode of "Fantasy Island".

Kori also performed in a segment which will be aired on M-TV, which is a TV channel which features popular groups performing their latest songs. She played a waitress in a bar and got to serve Lubbock's own country and western star, Joe Ely. Ely was performing one of his latest hits for M-TV. Following the taping, Kori accompanied Ely to one of the most famous night spots in Hollywood, "The Lingerie Club". Steve Moss, of Lubbock, also went with them. Kori stated that it was an extremely unique club unlike any she had ever seen before. She said Ely is a quite, shy person and did not even prefer to dance at the club.

Kori has probably had the most fun being in "Malibu", which is a TV mini-series which might become a non-prime time soap. She was in several scenes in which she played tennis, and one scene at a cafe. Kori stated that she was most impressed with James Coburn, one of the stars who performed in "Malibu".

### Other Stars Kori Has Met

Kori has had the opportunity to meet several stars. Some of them are Sonny Bono, O.J. Simpson, Robert

Wagner, Dick Van Patten, Mat Dillon, Eric Estrada and Patrick Duffy of "Dallas". Burt Reynolds' secretary and Pat Boone go to the same Baptist Church she attends.

Her motivation for acting on TV is simply because she loves to. Money is not that big of a motivating factor for Kori, but she did state that it would be nice to get bigger parts in TV shows. TV bit parts and background parts pay anywhere from \$80 to \$100 a day, depending on what the part is.

### Future Endeavors

In the future, Kori wants to do commercials, take some acting lessons, and in the end, get on with a modeling agency. She is also striving to get all the experience she can with bit parts in order to build up her portfolio. Kori hopes that the more parts she plays and experience she gets will enable her to land bigger roles in other shows.

Kori stated that Hollywood is a strange place with lots of different people. "Even people in Hollywood call it Hollyweird", Kori said.

Kori ended by saying that she is having a great time acting for now, but she has a deep-down desire to finish college sometime in the future.

## School Guidance Center Provides Applications For Various Education Programs

The Guidance Center at Abernathy Public Schools provides information and applications for several programs. Some of these programs are the College Level Examination Program (CLEP), school financial aid and college entrance information.

### COLLEGE LEVEL EXAMINATION PROGRAM

The College Level Examination

Program (CLEP) may be for you if you: have done college-level work outside college, want to save time and money, or if you need to demonstrate what you know.

Thousands of men and women of all ages have earned college credit and satisfied college equivalency requirements for a license or certificate or job advancement by taking CLEP tests. CLEP tests are given the third week of

every month.

For more information concerning CLEP examinations, see or call the guidance center at Abernathy Public Schools, 298-2563

### FINANCIAL AID

Parents and students who are seeking financial aid for the 1983-84 college year, should begin the application process. Application forms and related information are available through the guidance center at Abernathy High School.

Parents of college students must show financial need in order to be eligible for federal grants. The 1982

income tax figures are used to determine eligibility. For further information call or come by the counselor's offices.

### COLLEGE ENTRANCE 1983

Students who plan to enter higher education in 1983 should make application for admission, reserve dormitory rooms, and make other arrangements for entering the college of their choice now.

Information concerning any of the above procedures may be obtained from the guidance center at Abernathy High School.

## Grandparents' Brag Pages To Be Featured In Valentine Edition

Grandmothers and grandfathers will again be given an opportunity to show off their grandchildren in a special Valentine feature in the Abernathy Weekly Review.

Grandparents (or parents) who would like their "pride and joy" to be featured in a Valentine heart are asked to bring a photo and necessary information (child's name and age, parents' name and address, and grandparents' name and address), to our office before Monday, February 7th. The charge is \$8.00 to pay for photo reproduction and a portion of the space.

Black and white photos allow better

reproduction, although color photos can be used.

The sweethearts are to be featured in the Thursday, February 10 issue of the Review. Valentines Day is the following Monday, February 14.

### Junior Basketball

There will be a meeting to organize this year's junior basketball season Thursday, February 10 at 7:30 p.m. in City Hall. If you are interested in your child's Junior Basketball Program, please attend. It will not be necessary for the players to be present at this meeting.

## City Seeking Treatment Permit

The City of Abernathy has applied to the Texas Water Commission for an amended permit authorizing the improvement of their existing treatment system and to reduce the amount of sewage used for irrigation from its plant in Hale County.

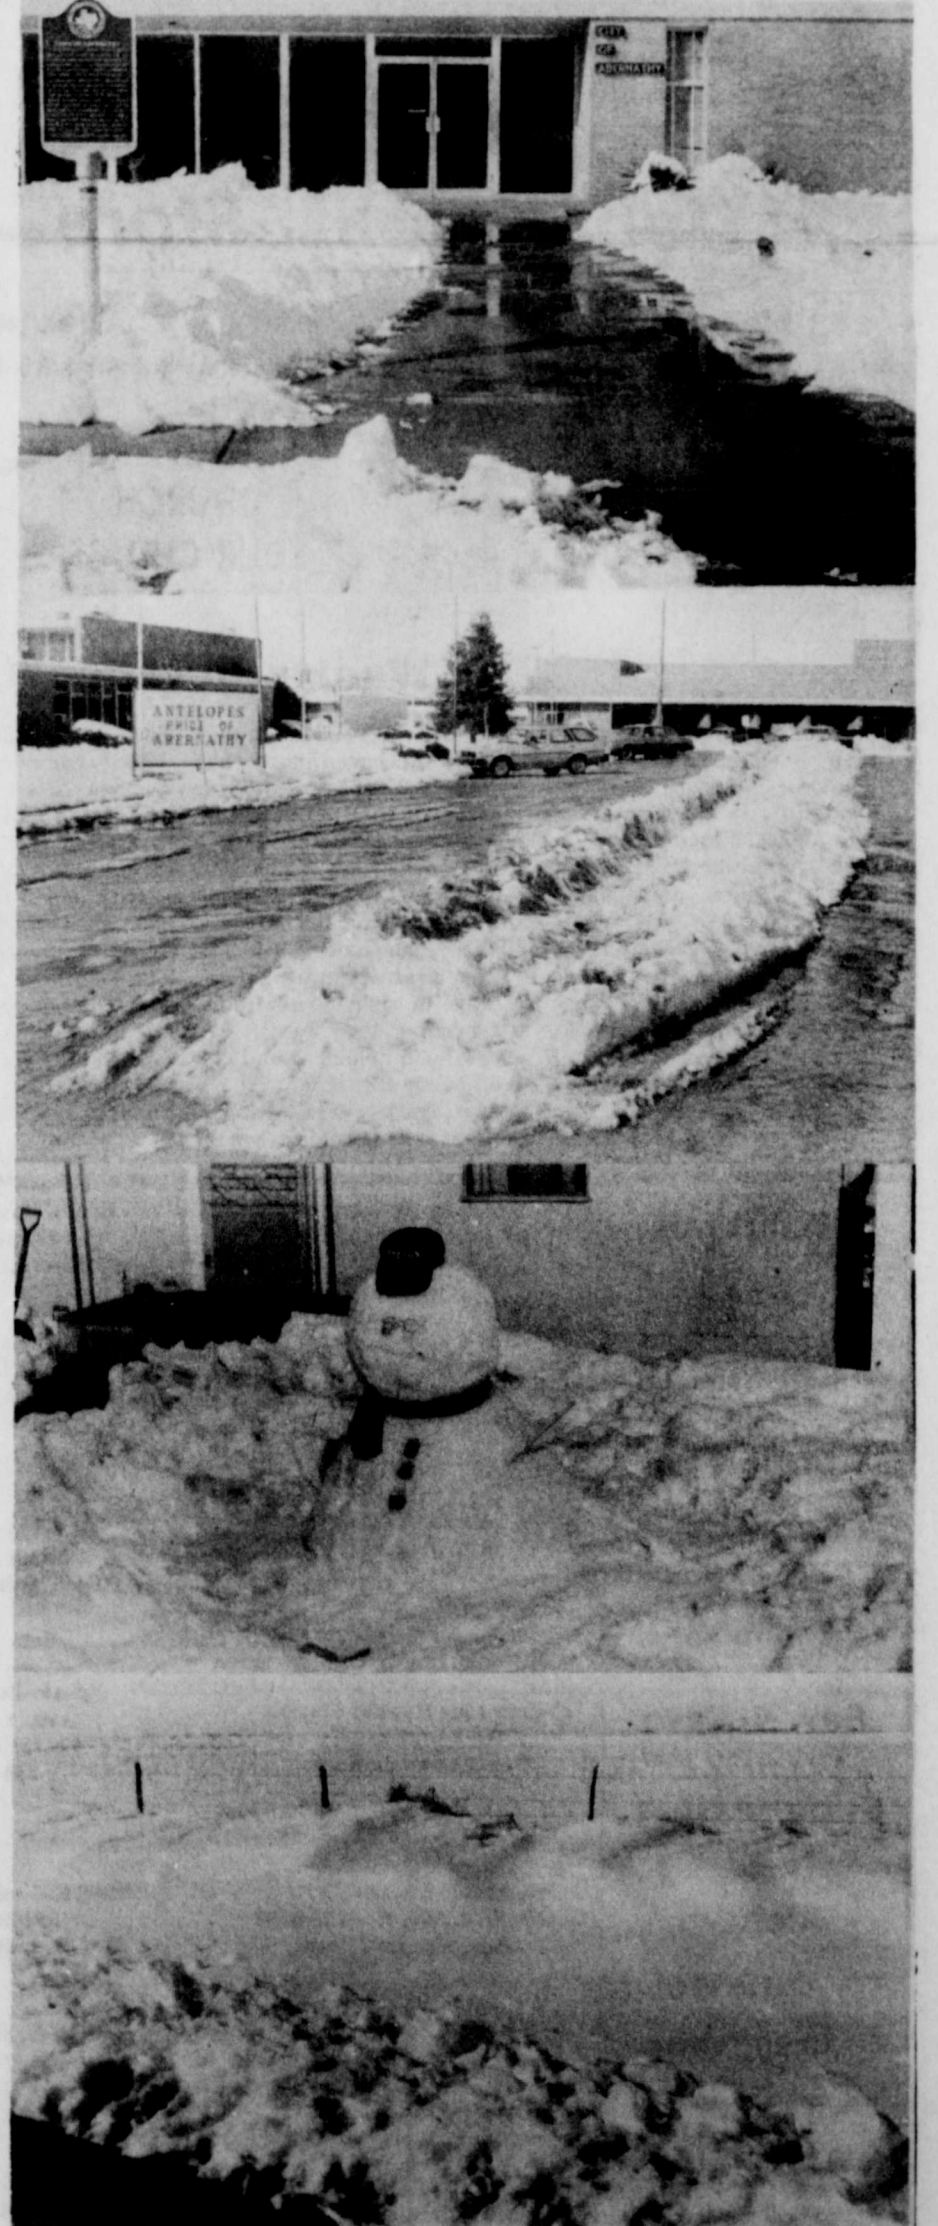

The discharge will decrease from 400,000 to 380,000 gallons per day. The effluent quality is to be specified as a reduction in the biochemical oxygen demand by 50 percent, or more rather than 20 milligrams per

liter for biochemical oxygen demand and total suspended solids.

The effluent will be used to irrigate 180 acres, and application rates cannot exceed 3.25 acre-feet per acre year.

The plant and land are in the drainage area of Black Water Draw, part of the Brazos River system.

The plant is northeast of Abernathy, approximately 1.5 miles north and 0.2 miles east of the intersection of Interstate 27 and FM 2060.

IT IS GOOD that Gov. Mark White is standing behind his campaign promise of making education a priority. He is doing so by calling for a state-wide teacher pay hike that will amount to an average increase of 5.5 percent in teacher salaries.

Teachers should get more than what they do. I have learned from my mother and sister, both former teachers, that teaching is not an easy profession and that it takes a great deal of time, work and patience.

Texas supposedly ranks in the bottom half of the nation in what it pays its teachers. Teachers just starting out will make only \$11 thousand their first year, if that much.

We hope this teacher pay hike legislation will pass. Education is too important to be neglected in any area.

1983 WILL GO DOWN in history as a wet cold winter. Thus far this year,

Abernathy has received approximately 31 inches of snow. It has only amounted to almost 3 inches of moisture, but in January of 1981 we only had .23 inches of moisture and in January of 1982 only .07 inches of moisture. So we are way above what we usually get in January.

We have heard several people say that the weather pattern coincides with the Farmer's Almanac this year. The Farmer's Almanac has predicted all of the snow storms this year and almost on the exact dates they occurred. If the almanac is accurate, we are supposed to get a major snow storm this weekend. Hope it is wrong this time.

WE MAY COMPLAIN about the heat in the summer, but at least we don't have to shovel it. The Mayes Patch

## 1935 Study Club Meets

Ice, slush and snow, piled high in the streets, was forgotten when Mrs. John Hale hosted the 1935 Study Club Thursday afternoon, January 27th, in her home, 1211 First Street, Abernathy.

Continuing the study of "The Mediterranean Countries", Mrs. Hale shared her memories of a tour of Greece. She showed colorful slides as she described the country, the people, the customs and their foods.

She showed purchases she had made in Greece, including her beautiful Grecian dress.

Baklara, a delicious Greek cake baked by the hostess, was served to the following members: Mesdames Jack Jackson, Arno Struve, Owen Benn, E.A. Houston, Ralph Davis, Jack Hackler, Robert Carter, F.B. Lovelace and the hostess, Mrs. Hale.

The February 10th meeting will be hosted by Mrs. Calvin Tucker.

## THOSE TO REMEMBER

Mary Daugherty is ill at home.

Bea Daniels, Dan Wright's sister, is in Central Plains Hospital at Plainview.

Nelda Tullis is at home.

Bryon Phillips, Joe and Jerry Dell's grandson, had surgery in Methodist Hospital last Thursday. He returned home Saturday and is doing fine.

## Methodist Church Directory Pictures To Be Taken

Sign-up time is now for families of the First United Methodist Church in Abernathy who wish to have their picture in the new Methodist Church Directory.

The pictures for the directory will be taken February 3 and 4, which is next Thursday and Friday. The pictures will be taken in 15 minute intervals from 3-8 p.m. on these two days.

## Reception For Presleys' Re-Scheduled

The 50th Wedding Anniversary Reception for R.D. and Minnie V. Presley has been re-scheduled for Sunday, February 6 from two to four o'clock in the afternoon in fellowship hall of the First Baptist Church in Abernathy.

## ATTEND THE CHURCH OF YOUR CHOICE

### Weekly Devotional

Love is not love if your love is dependent upon what happens to you or what others do. Commitment is not commitment if your commitment depends upon anything other than the commitment you have made. Listen to Job after he lost all his possessions and his children. He said, "The Lord gave, and the Lord has taken away; blessed be the name of the Lord" (Job 1:21)

kind of the Chaldeans, decided to have Shadrach, Mechach, and Abednego cast into the fiery furnace because they worshiped the true God instead of an idol he had set up, their commitment to God did not change. They said, "If it be so, our God whom we serve is able to deliver us from the burning fiery furnace, and He will deliver us out of your hand. But if not, be it known unto you O King, that we will not serve your

Gods." (Dan. 3:17-18).

Job's commitment to God was not based upon God's protecting him from all harm and evil, nor did the three Hebrew men base their commitment to God upon His delivering them from the furnace of fire. All four of these men based their commitment upon the commitment itself and not what they expected to get from it. How about your commitments?

# Lady Lopes Place Second In First Round Of District Play

The Lady Lopes placed second behind Littlefield in the first round of District play, which ended last week.

The Littlefield fems, 5-0 in District following the first round, (which includes the first five District games),

placed first in the first round with a perfect record.

The Lady Lopes placed second losing only to Littlefield. They have a near-perfect 4-1 record for the first round.

**Lady Lopes Lose**

The Lady Lopes, as well as the Littlefield fems, were undefeated when they met here Tuesday, January 22. Littlefield edged the Lady Lopes by the slim margin of 63-58.

The Lady Lopes were in control of this game the first

half. The score was tied at 12-12 in the first quarter. The Lady Lopes took an 11 point lead in the second quarter, out-scoring Littlefield 23-12, to take a 35-24 halftime lead.

In the third quarter, everything went wrong for

the Lady Lopes as they had trouble putting points on the board. They were out-scored 21-2 by Littlefield this quarter and Littlefield took a 45-37 lead.

The Lady Lopes tried to make a come-back in the fourth quarter scoring 21 points to Littlefield's 18, but it was too late and the Lope fems were handed their first District defeat, 58-63.

Stacey Kelley was the leading scorer with 18 points followed by Vicky McKenzie with 15 and Kathie Ellis 10.

31-10 at halftime.

The second half was all Lady Lopes. They continued to apply pressure out-scoring Muleshoe 16-4 in the third period and 15-6 in the fourth to end an incredible performance, 62-20.

Leading scorers were Vicky McKenzie with 15, Johnna Harrell 14 and Regina Powell 10.

25-22 at halftime.

The Lope fems extended their lead 2 more points in the third quarter by scoring 14 points, while holding Friona to 12 to lead 39-34.

The Lady Lopes exploded

in the fourth quarter scoring 23 points, while allowing Friona only 13 to cap a 62-47 victory.

The Lady Lopes played Dimmitt Saturday and will take on Tulia Friday there.

# Antelopes Place Second Behind Dimmitt In First Round

The Abernathy Antelopes placed second behind Dimmitt in the first round of District play, which ended last week.

Dimmitt, 5-0 in the first round of District, handed the Lopes their only defeat of the first round. The Lopes ended the first round with a record of 4-1.

game, scored 14. And Sammy Galloway, averaging 13.4 points per game, scored 11 points in the Littlefield game. These four players have been the leading scorers all year.

**Lopes Stomp Muleshoe**

points, while holding Friona to only 10 to lead 65-32.

With the game in the bag, the Lopes still out-scored Friona 19-18 in the fourth quarter to win 84-50.

Sammy Galloway was the leading scorer this time with 18 points, followed by Ed Teal with 16, Chester Co-

oper 10, Larry Perkins 10, and Scott Furgeson 10. Furgeson scored all 10 of his points in the fourth quarter.

The Antelopes began the second round of District with Dimmitt last Saturday. They will play Tulia Friday at Tulia.

## Lady Lopes Crush Muleshoe

The Lady Lopes had no mercy on the Muleshoe fems last Thursday as they crushed Muleshoe 62-20, not allowing Muleshoe to even come close the entire game.

The Lady Lopes jumped out to an 8 point lead, 14-6 in the first quarter. They extended their lead in the second quarter by scoring 17 more points, while allowing Muleshoe only 4, to lead

## Lady Lopes Too Much For Friona

The Lady Lopes played their third game in four days last Friday when they ended the week with Friona here.

The Lady Lopes won this game handily 62-47 to give them an overall District record of 5-1 and a record of 1-0 in the second round of District. On the year, the Lady Lopes sport a winning 18-6 record.

It took the Lope fems half a game to get warmed up against Friona. They out-scored Friona 11-10 in the first quarter and 14-12 in the second quarter to lead

The Abernathy Antelopes took on Muleshoe in their second game last week. The Lopes stomped Muleshoe 60-42 last Thursday at Muleshoe.

Ed Teal and Sammy Galloway were the leading scorers with 16 points each. Cletus Irlbeck contributed 11.

The Lopes led all the way. They out-scored Muleshoe 17-10 in the first quarter and 14-8 in the second quarter to gain a 31-18 halftime lead.

Muleshoe attempted to come back in the third quarter out-scoring Abernathy 14-10, but the Lopes came back to insure their victory by out-scoring Muleshoe 19-10, in the fourth quarter, to win 60-42.

**Lopes Pick On Friona**

In their third game last week, played Friday here, the Antelopes picked on Friona 84-50 to finish the first round of District play with a 4-1 record.

The Lopes charged out to take a 21-9 first quarter lead. They added another 23 points in the second quarter to lead 44-21 at halftime.

The Lopes continued to pound Friona in the third quarter scoring 21 more

## Lopes Defeat Littlefield

The Antelopes took on Littlefield last Tuesday night here, they defeated Littlefield by 9 points, 79-70.

The Lopes did not defeat Littlefield easily. The Lopes out-scored Littlefield 19-16 in the first quarter and 17-14 in the second to take a 36-30 halftime lead. But the Lopes could not sit on their 6 point lead going into the second half.

In the third quarter, the two teams battled to a 19-19 tie and the Lopes remained on top by 6 points, 55-49.

The Lopes sealed their victory by scoring the game high of 24 points, while allowing Littlefield only 21 points to win 79-70.

Ed Teal, who has been averaging 18.2 points per game, scored 27 points in this game. Larry Perkins who has been averaging 14.5 points per game, scored 12. Cletus Irlbeck, averaging 10.6 points per

## Banker Advises Farmers To Be Smart Shoppers

"Farmers who survive 1983 will be ones who cut corners without cutting their jugular," says a leading South Plains agricultural banker.

In speculating on how South Plains farmers can offset high interest rates and depressed crop prices, Mr. George Morris, vice president and senior agricultural lending officer for First National Bank of Lubbock, stresses, "Only producers who find ways to save on production expense and not put their yields in jeopardy will succeed in making a profit for the coming year."

"The successful farmer has become a real bargain shopper by tracking down

true discounts and sales," he says.

Mr. Morris encourages agricultural clients of First National Bank to seek out finance waiver programs, early payment discounts and other money-saving deals now being offered in the agricultural marketplace.

"Something like a 10 percent discount on good quality seed now being offered by some seed dealers can give the farmer a real price break on a product he's going to have to buy if he farms at all," he says.

He emphasizes that, "farmers operating on borrowed money must carefully weigh the savings offered by the sellers against the

interest to be paid on borrowed money.

"For example, if the savings offered by the farm supplier is big enough to offset the additional interest you might pay by buying early, than it's a good deal," he says. "But if the interest costs you more than you save, it's a bad deal."

Mr. Morris concludes, "There's no doubt we'll lose some farmers in the coming years unless there's a big turnaround somewhere. But in the meantime smart farming will mean smart shopping."

Laney, a native of Hale Center, represents House District 85, which is composed of Hale, Bailey, Castro, Lamb, Parmer and Swisher counties.

He is now considered one of the more influential state representatives in the house.

### Pete Laney Named Chairman

State Representative Pete Laney of Hale Center, has been named chairman of the House State Affairs Committee in Austin by Speaker

Gib Lewis. Laney also was appointed to the House Administration Committee which he chaired in the previous legislature.

## Conservation Tillage Seminar Feb. 9-10 At Hereford

High Plains farmers are invited to attend a Conservation Tillage Seminar at Hereford, February 9-10.

Bob Arhelger, district conservationist for the USDA Soil Conservation Service at Lubbock, said the meeting will be held at the

Bull Barn in Hereford starting at 9:00 a.m. both days. Attendance is free.

The meeting will feature conservation tillage farmers as well as other speakers. Several kinds of conservation tillage equipment will also be on display.

On the afternoon of February 10, there will be a demonstration of conservation tillage on a farm near Hereford.

The seminar is sponsored by the Tierra Blanca Soil and Water Conservation District, the Golden Spread Chapter of the Soil Conservation Society of America, the USDA Agricultural Research Service, and the Soil Conservation Service.

### Reception For Wynon Mayes

A reception for Wynon Mayes, sponsored by the Hale County Extension Homemakers Clubs, will be held Sunday, February 13 from 2 to 4 p.m. at City National Bank in Plainview.

Wynon Mayes is being recognized for the time and work she has contributed to Hale County Extension programs.

## Heavy Snows Not Amounting To Much Moisture

Southern High Plains farmers looking at the recent heavy snows and planning this year's farm operations or deciding whether or not to join the PIK program assuming good soil moisture conditions, better take a second look.

Mike Risinger, a soil scientist with the SCS in Lubbock, is working with the High Plains Water District to establish a large network of soil moisture monitoring sites over the 15 county area. At each site, aluminum tubes are set to a 7 foot depth and moisture readings are made with a neutron source. The data is used to compile annual pre-plant soil moisture deficit maps for the area.

Measurements made in Bailey, Cochran, Hale, Lamb, Lubbock and Lynn Counties during the first three weeks in December before the heavy snowfalls indicated subsoil moisture is again below average due to the shortage of fall rains. National Weather Service records at Lubbock show only 3.6 inches of total precipitation were received for August, September and October of 1982, as compared to the 72 year average of 6.6 inches for the same period.

But a re-check of eight typical sites in Lubbock County made on January 17 after the holiday snowstorms, to identify any change in soil moisture due to the heavy snow, showed NO significant increase. Preliminary indications are that the area's subsoil moisture is still below average.

Ken Wigner, National Weather Service meteorologist at Lubbock explained the conditions. "The 10.7 inches of snow that fell at Lubbock airport between December 26 and January 1 contained a precipitation equivalent of only 1.12 inches. In addition, adverse conditions of low humidity, low temperatures and surface winds extended the time of snow thawing and allowed most of it to evaporate from the top

surface and be lost into the atmosphere rather than melt into the ground." These conditions set a 14 day record for snow on the ground in Lubbock.

Ken reports that the January 20-21 snowstorm dumped a total of 16.9 inches, but this contained a precipitation equivalent of only 1.64 inches of moisture. He observed there are currently no rapid losses of moisture to the atmosphere.

therefore a large portion of

this snow's moisture may filter into the surface. But he cautioned, "Traditionally, these kinds of snows do not add much to the soil moisture even though they are at record levels. We

just don't see much improvement in deep soil moisture from any kind of precipitation during the winter."

LUBBOCK, Friday, January 28, 1983

Contrary to what was thought earlier it now appears that cotton producers enrolling in the payment-in-kind (PIK) program before the March 11 final sign-up date do not immediately lose control of any cotton they may have under loan.

In answer to a direct question, Charles Cunningham, Washington ASCS cotton analyst, at a PIK meeting in Memphis, Tennessee January 19 is quoted as saying "March 11 is the magic date. It doesn't matter when a producer signs up. March 11 is when he must commit to CCC the number of pounds equal to his PIK entitlement."

This is only one of many details important to the farmer's decision-making process that continue to filter down from Washington as producers, merchants and even the Internal Revenue Service pose questions concerning what may be the most compli-

cated government farm program ever.

When the PIK program was first announced, more than one producer's first thought was that he'd better sell his loan equities for whatever they might bring before enrolling. And some no doubt acted on that thought before considering the full impact of the decision.

Cunningham also pointed out in the Memphis meeting that the producer who signs up for the program and has no cotton of his own "is going to be at a disadvantage," because it may be some time before he knows the quality and/or location of the PIK cotton he will receive. This will put him at a marketing disadvantage as opposed to loan holders who will have that information when contracts are finalized March 11.

And, Cunningham added, if the producer has no loan, he will be getting 1980 or 1981 cotton out of CCC inventory.

### Movie Review

The movie review for this week covers "The Toy," starring Richard Pryor, who portrays an out-of-work journalist who gets work as a janitor in the toy department of a department store. And who owns it? There is

no doubt, it's Jackie Gleason that makes the movie and what an interesting part he plays. "The Toy" is a wonderfully funny movie with a mixture of comedy and human drama. Mr. Pryor is hired to be Gleason's son's "toy". This movie is truly a must for movie-goers.

### ANSWER TO THE RIDDLE

Folks, I'm sorry that the answer to the riddle was not in last week's paper. I understand it caused a lot of commotion, and I received a few calls about its' absence. At least I now know there are a few people who read the New Deal section. Here is the answer written in poem from Dora Hobbs, a New Deal resident, who loves to write poetry.

I've read your riddle over and over  
As everyone can see  
But when I read it once again  
The answer came to me.  
When it was born it had no soul  
No hands or feet as we...  
I'm sure it will not go to heaven  
And neither go to hell.  
It did obey the law of God  
We read it in His word.  
He told this thing to swallow a man  
As we've often read and heard.  
It has no land to call it's own  
And it is never free,  
It's running from the fishing poles  
Down in the deep blue sea.  
Yet for three days it had a soul  
As everyone must know,  
While Jonah lay inside of him  
Down in the sea below.  
I think my answer must be right  
We all have heard the tale  
I think it is a GREAT BIG FISH  
We often call the WHALE!!

**A FEW PEOPLE** were concerned about the light referred to in the riddle. They use whale oil to make the oil for their lights in some places of the world.

**HAPPY BIRTHDAY TO:** John Ford, Brent Styles, Charlotte Williamson, Dixie Crosby, Jean Kveton, Ann Olguin, Dennis Rylant, John Attebury, Betty Edwards, Barbara Howell, Gene Davis, and Larry Stephenson.

**IN THE HOSPITAL:** Gene Emery is still in St. Mary's Hospital.

**BIRTHS**

Mr. and Mrs. Jesus Castro of New Deal, are proud to announce the birth of a daughter, weighing 7 pounds and 15 ounces, born at 1:34 a.m. Monday at Lubbock General Hospital.

More people than ever before may be reading weekly newspapers this year. Total weekly circulation tops 45 million.

### REMEMBER WHEN:

The 1965-1966 Football team had a record of 6-4. One member of the Lion team made All-District. All South Plains, South Plains Dream Team and All State. **DO YOU REMEMBER WHO HE WAS?**

The LION TEAM that year was: Quarterback-Gary Winningham, Halfbacks-Sammy Darty, Dwayne Agnew, Tommy Haggard, Curtis Wilson, and Jerry Cooley; fullbacks-Mike Heald; Linebacker-Wayne Price; Ends-Lawson Smith, Wade Thackery, Gary Justice, Gary Hamilton, Terry Martin, Ronnie Agnew, and L.J. Bradley; Guards-Dennis Haggard, Gary Rieken, David Nuss, Jim Speer and Don Voles; Tackles-Larry Bigham and Billy Mitchell; Centers-Robert Davis and Charles Hamilton.

Which player made All District, etc? Answer next week.

**HAPPY ANNIVERSARY TO:** Mr. and Mrs. John McNew, Mr. and Mrs. Henry Atkinson and Mr. and Mrs. Paul Williams.

### EVENTS THIS WEEK IN LION COUNTRY:

**FRIDAY, Feb. 4th....** Varsity Boys and Girls Basketball game at Shallowater, also JV Boys.

**MONDAY, FEB. 7th....** Lions Club Meeting.

**TUESDAY, FEB. 8th....** Varsity Boys and Girls, JV Girls play basketball at O'Donnell.

neighbors, and you could be in the wilderness.

You could almost see a dog team and sled pulling up to an igloo out in one of these large fields covered with snow. Even a trip to the trash can out behind the house becomes an experience for me. Trudging through snow up to my boot tops (which are 12 to 14 inches high), through drifts higher than by boot tops, and then seeing all of those strange animal footprints out around the trash barrels. One could imagine all kinds of strange wolves invading the barrels in search of food. There is one set of prints coming from the field back west that are big and deep like maybe "BIG FOOT" might have made them.

No wonder our German Shepherd barks a lot at night He is confined to our back yard and knows those strange creatures are out there somewhere.

The nights are so pretty and still. I would stand on my front porch and just breath in the wonder of it all. Even North University Ave., which has so much traffic, was quiet. In the calmness of the night, you could almost hear God whisper, "BE STILL AND KNOW THAT I AM GOD".

**"SPEC members have saved over \$6,000,000 since 1975."**

Over the past few years, the cost of almost everything has doubled, even tripled in some cases. And that includes the wholesale cost of electricity.

But at South Plains Electric Cooperative, we're happy to report our member owners have saved over \$6,000,000.00 with the wholesale power contract negotiated by management in 1972.

What this means is that while SPEC members were saving money, their counterparts in the cities and towns with municipal electric companies were spending more money to run their homes and do their work.

Electricity makes life easier, safer and more comfortable. And it's still a bargain...at South Plains Electric Cooperative, bringing you the "Economic Facts of Light."

# Ray Ortiz Named To LCC Dean's List

Ray Ortiz of Abernathy, is among 121 students named to the Dean's List at Lubbock Christian College for the Fall 1982 semester. To make the Dean's List, a student must compile at least a 3.50 grade point average. Forty-four compiled a perfect 4.0 GPA. Ray is the proud son of Mr. and Mrs. Ray Ortiz, Sr. of Abernathy. He is a member of the social club Alpha Chi Delta. The purpose of Lubbock Christian College is to provide relevant academic educational opportunities in a Christian environment. The Bible is accepted as God's revealed will and taught as an academic subject. In addition to its Bible Department, LCC is well known for its Teacher Education Department; Business Administration Department, which is rapidly advancing into the area of computer technology; the sciences, especially Pre-Medical, Pre-Dental and Pre-Engineering; and Social Work. Also, students in Free Enterprise have won numerous awards the past two years for spreading the knowledge of free enterprise to public-school age students. Newly-appointed (July 31, 1982) President Dr. Steven Lemley has initiated a four-point approach whereby he wants students to find themselves, find their futures, find life-long friends and God.

**TV Glasses**

What? Wear Glasses to watch TV? Can't I use my reading glasses? "Yes" to the first question; but "No" to the second. Some people, often when they pass the 50-year mark, can benefit by wearing glasses when they watch television. Reading glasses won't help. If you have trouble in seeing at this distance, especially for long periods of time, you should have your eyes examined. If your eyes tend to water or you feel any kind of eye strain when watching television, your eyes need help. Why let eye discomfort take some of the pleasure from watching your favorite shows?

Reading glasses are for reading, for seeing the printed word close up, comfortably. Your TV screen is a lot farther away from your face than a book or magazine would be. Reading glasses may only increase the strain. Some people can benefit from wearing glasses only when they watch TV. It's worth checking out with your eye doctor.

## Home Economics Students Salute National FHA/HERO Week

Future Homemakers of America, an affiliated chapter, will join 12,500 other chapters in a Nation-wide celebration of FHA/HERO week February 7-11.

This week the FHA/HERO members of Abernathy High School have an opportunity to show how their background in home economics and participation in Future Homemakers of America will help prepare them for the future.

FHA/HERO invites you to come and join them at

the Antelope Inn Thursday, February 10, between 9:30 a.m. - 4:00 p.m. for Health Fair. They have planned booths, displays and demonstrations with information on the following:

Youth against cancer, smoking, dipping and chewing.

Blood pressure checks by EMS, and information from American Heart Association.

Super Snacking and good nutrition.

Healthy Babies Chance or Choice from March of Dimes.

Aerobic Exercise, student demonstrations.

Child abuse.

### Abernathy Students Attending Texas Tech On Scholarships

Twenty-five students are attending Texas Tech University this year on \$1,000 Texas Interscholastic League Foundation Scholarship.

These students were awarded the scholarships on the basis of their previous high school literary and academic competition at the University Interscholastic League state meet.

Handling school stress. The Future Homemakers of America is a National vocational student organization with two kinds of chapters, FHA and HERO.

FHA chapter emphasizes consumer homemaking education. HERO chapters emphasize home economics related occupations.

Charles Bowen, Director of Guidance and Federal Programs for the Abernathy School District, was in Austin last week attending the annual School Administrators Advisory Conference on Education.

Bowen attended several sessions concerning school administration procedures.

While in Vernon, the Bells also visited other friends and relatives.

Some of these were: Secondary Vocational Education-Program Application and Monitoring; Texas School Finance Recommendations for the 1983-85 Biennium; Curriculum Revision House Bill 246 Update; Employment Contracts; Evaluating Programs Funded by E.C.I.A. (Education Consolidation and Improvement Act-Federal Funded Programs).

Approximately 2,000 Texas Public School Administrators were in attendance.

### JV Fems Lose Close One To Friona

The JV fems lost a close one to Friona last Friday here. Friona edged the JV fems 34-29.

Friona took the lead in the first quarter 10-6. They added another 6 points in

the second quarter, while holding Abernathy to only 2 points, to go ahead 16-8 at halftime.

The JV Lope fems fought back in the fourth quarter to tie Friona 8-8, but remained

behind by 8 points, 16-24. The Lope fems came back to out-score Friona 13-10 in the fourth quarter, but it was not enough to catch

Friona and they lost 29-34. Su-an George was the leading scorer for the JV fems with 12 points.

The JV fems have a winning record of 10-5 thus far on the year.

### JV Lopes Rip Friona

The JV Lopes ripped Friona 55-40 last Friday night here to improve their winning record to 12-5.

The JV Lopes led all the way, out-scoring Friona 18-12 in the first quarter and 10-8 in the second, to go ahead 28-20 at halftime. The JV Lopes were able

to control the entire second half as well scoring 12 points in the third quarter and 15 in the fourth to win handily 55-40.

Leading the JV Lopes in the scoring department were Lonnie Teal with 16 points followed by Ross Bennett with 10.

#### Letter

#### To The Editor

Dear Editor: To all the farmers and others who so graciously helped with the snow removal, I want to use your paper to express a hearty thank you.

I have never seen or experienced a greater expression of neighborliness than during these difficult days, as the farmers brought their tractors and furnished their own fuel and time to help with the task that the cities or county employees could not have possibly done alone.

The first few days we were kept busy answering distress calls of various nature. At least two areas were without electricity and service trucks could not reach the trouble spots.

We received three calls of

illness, in which people needed to reach their doctors, as well as several calls from people who have heart problems. We received calls from several elderly households as well. We gave special consideration to the several nurses who live in the rural area.

Also, I want to express appreciation for the patience and understanding that most of you showed during the past days. We realize that some of you sat stranded at home for several days before we could get to you. But wasn't it pretty and wasn't the moisture great?

Henry Rieff  
Hale County Commissioner

Dear Editor: I am writing in hopes that you'll be willing and able to help me.

I have been here a year now. During this period of

time, I haven't had any contact with anyone on the outside because my family, and so-called friends, have all deserted me.

I am asking of you to please place a small ad in the Review for me requesting communication with sincere people who wouldn't mind writing to help ease this emptiness within my life.

I make \$18 a month state-pay and I am willing to pay for your services. Any help you are able and willing to give will be greatly appreciated.

Thank you!

Cordially,
