## Lady Lopes Win District Championship Third Year In A Row

The Abernathy Lady Lopes captured their third District title in a row by defeating Littlefield Monday night handily 61-45. Last year the Lady Lopes won District hands-down with a perfect 10-0 record.

Littlefield won the first round of District, 5-0, but the Lady Lopes came back to take the second round, 5-0. This put the Lady Lopes in a playoff game with Littlefield Monday night at Levelland, and the Lope fems proved who should represent District 2-AAA in first place.

A large crowd from Abernathy attended the game. In fact, Abernathy had a lot more fans than Littlefield rooting for them.

The Lady Lopes had defeated Littlefield just last Friday and this was their second time to defeat Littlefield

The Lopes fems took the lead early out-scoring Littlefield 12-6 in the first quarter, and overwhelmingly downing Littlefield 19-4 in the second quarter, to take a 31-10 halftime lead.

The Lady Lopes were completley in control of this game adding 14 points in the third quarter and 16 in the fourth, to win easily 61-45. It was a one-sided match-up.

Vicky McKenzie and ReGina Powell shared top honors in the scoring department with 12 points each. Phoebe Dunn was next highest with

The Lady Lopes hit 19 of 32 free throws (59 percent), compared to Littlefield hitting 15 of 27 free throws (55 percent). The Lope fems were tough in the rebounding department with 40 on the night. They also hit 21 of 43 field shots for a 48 percent

The win gives the Lady Lopes an overall District record of 10-1 and they will advance to Bi-District, which will be played this Friday at the Amarillo Civic Center at 6:30 p.m. Abernathy fans will sit on the west side of the

#### **Lady Lopes To Meet Perryton** In Bi-District Tilt

The Lady Lopes will take on Perryton, second place winner of District 1-AAA after having defeated Spearman Tuesday night, in the Bi-District playoff game. The game will be this Friday at the Amarillo Civic Center at 6:30 p.m. Abernathy fans will sit on the west side of the stadium.

Coach Larry Steele stated Wednesday morning that anything can happen in the playoffs, but he feels confident that the Lady Lopes can beat Perryton. "Perryton is tall. They are going to

be tough inside because of their height. Their three tallest girls are 6-1, 5-10 and 5-9," Larry said. Steele also stated that "we have

been playing better as a team than we have played all year. We are passing the ball well and all the team members are working together as a team. They are a more cohesive group than they were at the first of the year," Steele ended.

If the Lady Lopes defeat Perryton, they will play the winner between Lockney and Lubbock Cooper at Area.

# Council Sets April 2 For City Election

The Abernathy City Council met ncil did not think that there has ever Monday night at 7:30 p.m. in the small City Hall meeting room. Visitors present were members of school teacher Ann Hannel's 8th grade American History Class.

Approximately 35 8th grade studnts were seated in the meeting room to observe how the City Council conducts city business at these meetings.

Mayor Pete Thompson called the meeting to order. Minutes of the January 10 Council meeting were reviewed and approved.

Thompson introduced the 8th grade class to each of the four Council members present. Harold Stillwell was not able to attend the meeting.

#### City Election Date Approved

The City Council approved April 2 as the date for the City election this year, which will once again be held in conjunction with the school election on the same date and at the same polling plae, the Community Center.

Dates to file to run for a position on the City Council began January 31 and will continue through March 2, March 2 being 30 days prior to the election

Two Council positions will become vacant, as the two year terms of A.C. Harris and Hoppy Toler will expire this year. Mayor Pete Thompson's term also expires this year. The Council appointed Zelma Hale

as Election Judge and Teresa Marez as the Alternate Election Judge. One of the 8th grade students asked

#### Santa Fe Depot Discussed

Pete Thompson explained the Depot situation to the 8th graders before discussing this topic with the Council. Thompson encouraged City Council members to attend the City-wide Depot meeting, which will be held Monday at 7:30 p.m. in the Commu-

nity Center. Councilman Hoppy Toler explained to the other Council members that if the City could administer the Depot, there would be no need to get it incorporated as a separate facility. It would also allow the Depot and property it will be located on to be tax exempt. Toler also stated that the Depot would not be a burden to the City because 90 percent of the funds needed to maintain it will be supplied by the South Plains Assoiciation of Governments, (SPAG), if certain

requirements are met. The Council discussed acquiring the Depot as a City facility, but no action was made pending the City-wide Depot meeting this Monday.

#### **Delinquent Water and** Sewage Accounts

Delinquent city water and sewage accounts totalling \$1,138 was brought to the attention of the Council. These accounts were delinquent from 1982 and were written-off in December of 1982. They also decided to write-off another \$106 in water and sewage if there had ever been a woman accounts which have become delinappointed City Councilman. The Couquent since January 1, 1983.

The City Manager was allowed to begin advertising for an aerial spraying contact for the summer of 1983. This year the City will provide whoever gets the bid an optional two year contract at the same price, as this is what other cities have been known to do.

#### Street Seal Coating Bids

The City Manager will advertise for street seal coating bids. The City budgetted \$34,000 for seal coating this year, will pay for about 45,000 square yards of pavement patching and seal coating. The Council also discussed borrowing some funds from another city account to use on street repairs, if the need arises. The city could not foresee the rough winter weather this year and it is thought that there will not be enough funds in the city seal coating fund to repair all

Gary Grisham, son of Mr. and Mrs. Harvey Grisham, won third place in the 8th grade division with his topic, "How War Weapons Have Changed Since 1750"

Laura Phillips, daughter of Mr. and Mrs. Gary Phillips, won first place in the 8th division with her topic, "How Farming Techniques Have Changed Since 1750."

The contest was sponsored by the Mary Baines McCoy DAR Chapter in Plainview, they sent invitations to 32 school districts and 5th through 8th graders competed. The DAR Chapter holds this Historical Essay Contest Every year to promote patriotism among students.

History teacher Ann Hannel encouraged her 8th grade history class to participate on a voluntary basis and 14

class members wrote essays. Out of the 32 school districts who competed, Laura and Gary won first and third, respectively, out of 85 other 8th graders who wrote essays for the contest. "This was a great accomplishment for these history students,"

## **School Board Observes Plans** For New Ag Center

The Abernathy School Board met Monday, February 7 at 7 p.m. to discuss several business items, one of which was to make plans for the proposed Vocational Building.

Coda Stephenson, a representative from BGR Architects of Lubbock, was present to explain the latest revision in the floor plan of the Ag Center.

The proposed structure will be 13,400 square feet. The outer structure will be a standard metal building that will reach 16 feet high. It is projected that the metal building and foundation alone will cost \$130 thousand.

An 80 ft by 120 ft. shell, which would extend from the north end of the building, is also being proposed as

a show barn area. The 9,600 square foot area would be a huge open area with just walls and a roof. Projected cost of this addition is \$40 thousand.

Stephenson stated that it will take six weeks to finish the construction documents, which would be April 1. Builders might be able to start constructing the Vocational Buliding as soon as April 19, if everything goes right. It is projected that it would take 180-200 days to build it.

The projected cost of the entire project is \$400 to \$450 thousand, but could go as high as \$600 thousand, depending on how many of the optional facilities are added to the plan by the school board.

#### Other Business

The school board election will be

held April 2. March 2 is the final date for those who wish to file application for the school board election. Absentee voting will begin March 14 and end March 29.

The Election Judge will be Lelland Phillips and the Alternate Election Judge-Dan Ward. Terms for place 1, held by Laurin

The substitute teacher pay scale was increased from \$25 per day to \$30.50 a day. Teachers who substitute more than five consecutive days will get an additional \$5 a day, for each day they tack on after five in a row for the same teacher. Speck Cox mentioned that he hoped that there could be some kind of way to insure substitute teachers that adequate lesson plans will be made before they arrive. He stated that he has heard complaints from substitute teachers about not getting adequate lesson plans to keep students busy during the time they are

substituting. The board agreed to a request made by Kathy Jupton, Lubbock County Easter Seal Campaign Director, that our student council students can conduct a fund raising project for Easter Seals, but only if the student council wants to

The board agreed to release securities amounting to \$50 thousand from the bank.

The Extended Day Program was discussed. This is a program that would allow students an optional period (a 7th period), that would provide an extra credit opportunity for students. Charles Bowen stated that this would be a good program because it would help those students who need or require more hours of learning, to further their education interests. The School Board decided that they needed more information on this program before they could seriously discuss it.

The school has application blanks for board members interested in running for an opening on the Education Service Center Board of Directors. Dan Howard is the board member who's term will expire on the

February 28 will be a snow make-up day. This day had originally been set aside as an inservice day for teachers. This inservice day might be made up on a Saturday.

been collected. In executive session, the School Administrator's contracts were discus-

sed. The board went back into open session and renewed the contracts.

## JV Lopes Defeat Muleshoe, **Lose To Littlefield**

The JV Lopes defeated Muleshoe last week, but lost to Littlefield.

Last Tuesday, the JV Lopes took on Muleshoe in a thriller in which the Lopes won by 1 point, 47-46.

It all started in the first quarter with the JV Lopes taking the lead 10-4. Muleshoe came back to out-score the Lopes 11-9 in the second quarter, but the Lopes remained on top 19-15 at halftime.

Muleshoe took control in the third quarter out-scoring the JV Lopes 15-10, taking a

30-29 lead. The teams battled it out in the final period. With very little time left in the game, Muleshoe was on top 46-45, when Ross Bennet jumped up and tip the ball into the basket for the winning score, and the JV Lopes won 47-46.

Lonnie Teal was the leading scorer with 18 points. Ross Bennett contributed 11 and Harold Miller 10.

JV Lopes Lose To Littlefield

The JV Lopes lost to Littlefield 55-67 last Friday there. It was not an easy victory

for Littlefield. The JV Lopes took the lead first 14-13, but by halftime, Littlefield had moved on top 31-25.

Littlfield increased their lead by 4 more points, 45-35 by the end of the third quarter. Both teams scored high in the final period. The JV Lopes scored 20 more to Littlefield's 22, and Littlefield won 67-55.

## 8th Finish Season **On Winning Note**

It was the final game of the season for the 8th Lopes iast Monday, February when they took on Littlefield

The 8th Lopes defeated Littlefield 52-34 to prevent Littlefield from winning District. Thus the champion-

ship was given to Tulia. The 8th Lopes led early, out-scoring Littlefield 9-4 in the first quarter. They added another incredible 21 points in the second quarter, while holding Littlefield to only 17, to go ahead 30-21 at halftime.

The 8th Lopes remained tough throughout the second half, out-scoring Little- 8-7 record.

field 13-6 in the third quarter and 9-7 in the fourth, to win 52-34.

Kevin Harbin was the leading scorer with 11 points, followed by Rowdy Powell close behind with 10, and Chuck Thompson had 7. 8th grade coach John Rodriquez stated that he was very proud of the team's performance against Littlefield. "This was our best game of the year. The boys just completely out-hustled Littlefield."

The 8th Lopes finished their season, batting better than 500, with an overall

## **Littlefield Too Much For** Freshman Lopes

39-36.

Littlefield was too much for the freshman Lopes February 7 here. It was the fianl game of

the season for the 9th Lopes and Littlefield took the victory, 57-49. The game could have

gone either way up to the final minutes. Littlefield went on top in the first quarter 14-9, but the 9th Lopes rebounded quickly in the second quarter, outscoring Littlefield 15-8 to go ahead 24-22 at halftime.

The freshman Lopes continued to apply pressure. both offensively and defensively, in the third quarter. They socred 15 points, while

holding Littlefield to 14, to increase their lead by 3,

In the final period, Littlefield rallied to score their game high of 21 points, while doing an incredible job to keep the 9th Lopes from scoring only 10 points, and Littlefield won 57-49.

Billy Cooper netted the most points for the 9th Lopes with 21. Dan Evans and Jim Bob Carver each contributed 10 points.

This was the final game of the season for the freshman Lopes. They ended up with an even 6-6 win-loss record and a 5-3 District record.

#### 8th Girls Fall To Littlefield

The 8th girls fell to Littlefield 33-47 February 7 at Littlefield.

It was the 8th girls last game of the season. They ended up with a winning record of 8-7 overall and 3-4 in District.

It started out to be a very close game. The 8th girls went ahead 8-7 in the first quarter. Both teams scored 11 points in the second quarter and the 8th girls maintained their 1 point

lead at halftime, 19-18.

Littlefield got loose in the third quarter out-scoring the 8th girls 13-8. They remained tough in the final period scoring 16 more points, while holding the 8th fems to 6. Littlefield ran out the clock, at this point, to win 47-33.

Sharmin Toler was the leading scorer for the 8th fems with 10 points, followed by Mikki Webb with 6 and Sandy Garcia 6.

#### 7th Lopes Edged By Littlefield

The 7th Lopes were edged by Littlefield 30-33 Monday, February 7 here.

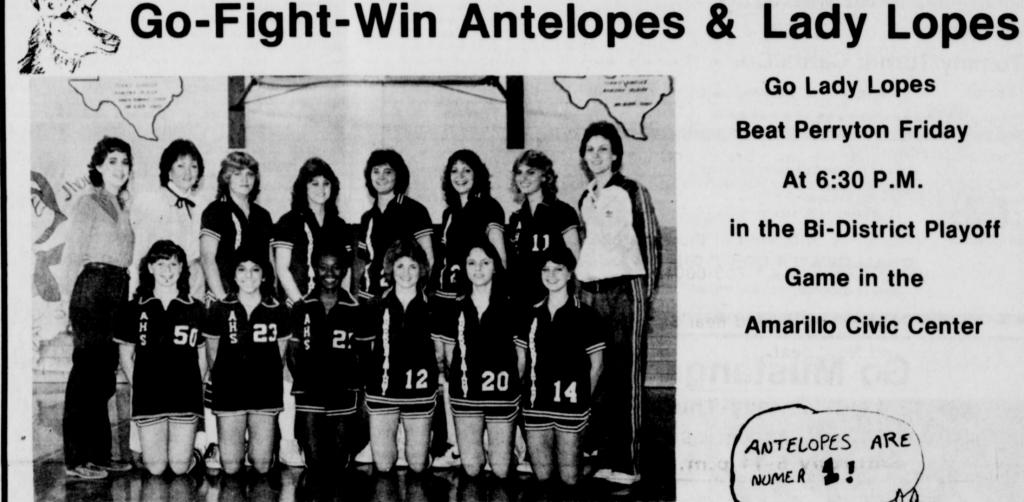

It was a close game all the way for the 7th Lopes. They came out to overpower Littlefield in the first quarter 6-3. Littlefield outscored the 7th Lopes 10-8 in the second quarter, but the Lopes held a 1 point lead at halftime, 14-13.

Littlefield rallied in the third quarter scoring their game high of 14 points, while holding the Lopes to 6, to go ahead 27-20.

Down by 7 points, the 7th Lopes made a great attempt to come back, out-scoring Littlefield 10-6, to draw within 3 points of Littlefield. But time ran out and the Lopes lost this close battle,

Pete Garcia was the leading scorer with 12 points. He has been the overall leading scorer this year. Irvin Dunn had 8 points and Flint Bigham 4.

The 7th Lopes have a winning 7-4 record.

# To The Editor

Dear Fellow Farm Editor, I have been asked to help with publicity on the Panhandle Beef Parade, the first of what we hope will be an annual heifer and steer show and educational pro-

gram for FFA and 4-H'ers

throughout the state. You will notice on the enclosed release that the contest won't be held until June. While this is six months away, we are trying to get the word out about this new show since now is the time for kids to buy and start feeding their contest

Why another stock show? There are only a very few heifer shows in the state. While we hope to have entrants statewide, we also want to give kids in this region a chance to show without having to travel hundreds of miles. Also. we are trying to have something extra by offering participants a chance to learn from specialists and authorities in various phases of the industry.

As soon as registration information and other details are available, I will pass those along in another release.

Something very fishy will be occurring February 19 and 20 at the University Center on the Texas Tech campus as TTU hosts the Bass Fishing Institute (BFI) in Lubbock, Anglers from Texas and surrounding states will attempt to catch their limit, in practical knowledge that is, without wetting a line

The Bass Fishing Institute, a two-day program orginated by Indiana State University, attempts to present all the known facts and theories of bass fishing to the students in an understandable and useful manner.

Where else can a man, woman or child receive such attention from the most knowledgeable fishermen of all-time? Youth attend free with a full-paying adult and spouses are half-price.

Register by contacting the Division of Continuing Education, Box 4110, Texas Tech University, Lubbock 79409 or phone (806) 742-2354.

#### A NEW VERSION OF A VERY OLD BOOK

A new, simplified "common sense" New Testament has just been released by a firm in Dallas which believes that the Scriptures ought to be understood by everyone. It is simply called "The Simple English Bible" (SEB). This latest non-traditional version, which took eight years to complete, is down-to-earth Bible which was translated from the original Greek text. More than 1500 Biblical scholars, theologians, language experts, and Bible teachers from various religious backgrounds were involved, particularly during the last three years of testing. It is not different in what it says, but in how it says it. Using a vocabulary of only 3,000 words, it delivers a powerful message in everyday language that communicates clearly, that is easy to read and simple to understand.

To handle the early demand, a national toll-free number (1-800-343-2520) has been set up. However, they also plan to market the new Bible on late-night TV, through direct mail, and by a national sales force.

The Simple English Bible can be ordered from: International Bible Publishing Company, 2725 Valley View Lane, Dallas, Texas 75234, or from their other offices in Hartford, Connecticut and Nashville, Tennessee. Prices range from \$6.00 to \$20.00. A complete set of 12 cassettes is available for \$35.00.

#### PHOTOGRAPHS OF 75 TRIBES ON DISPLAY

# **Antelopes Win Three District**

# Games Back-To-Back

The fighting Abernathy Antelopes won three games almost back-to-back last week as they defeated Tulia Monday, Muleshoe Tuesday and Littlefield Friday to almost wrap up the second round of District play.

The Antelopes have lost only to Dimmitt in both rounds. They finished the first round 4-1 and were 3-1 in the second round, following the Littlefield game Friday. Their overall District record is 7-2 and season record 22-8.

#### Lopes Overwhelm Tulia

Last Monday, the Antelopes overwhelmed the Tulia Hornets by defeating them 97-75.

It was a high-scoring

the Lopes were hot. They out-scored Tulia 30-20 in the opening period and 24-20 in the second quarter, to lead 54-40 at halftime.

The Lopes rallied in the third quarter to score 24 more points, while allowing Tulia only 15, and they led by 23 points, 78-55.

The Lopes added another 19 points in the final period to polish off Tulia 97-75.

Highlights of the game, which really got the crowd going, were 2 slam-dunks in the first quarter, 1 by Sammy Galloway and 1 by Allen Lester. In the second quarter, Sammy slammed another one in, calming the Tulia players and their fans.

Sammy Galloway gave a command performance scoring 27 points. Allen Lester game for both teams, but scored 18 points, Ed Teal 16

and Larry Perkins 10.

#### Lopes Squeak by Muleshoe

The Antelopes must have been tired when thy took on Muleshoe her last Tuesday. They had played Dimmitt Saturday, Tulia Monday, and this was their third game in four days.

Muleshoe also played the Lopes a tough game. They went ahead of the Lopes

18-13 in the first quarter, but the Lopes came back to out-score Muleshoe 18-16 in the second quarter. Muleshoe remained on top by 3 points, 34-31, at halftime.

the third quarter out-scoring Muleshoe 16-12 to take a 1 point lead, 47-46.

With time running out, Cletus Irlbeck took a chance and went for a field goal from about the free throw line. The attempt was good and the Lopes gained a 1 point lead 53-52.

Muleshoe got the ball, hurried down the court, threw the ball and it just did slip off the rim of the basket. Ed Teal got the rebound and was shortly fouled thereafter. He added

1 more point to give the Lady Lopes Defeat Tulia, Muleshoe

# **And Littlefield To Win Second Round**

The Abernathy Lady Lopes completed their district schedule excluding a District playoff game, by defeating Tulia, Muleshoe and Littlefield last week.

The Lady Lopes won the second round of District with a perfect 5-0 record. They have a District record of 9-1 and an overall season record of 22-6.

#### Lope Fems Defeat Tulia

The Lope fems defeated Tulia a second time in District play February 7. there, by 9 points, 48-39.
