"IN THE PALM OF THE PLAINS" Volume 62, No. 16 THURSDAY, MARCH 3, 1983 [SERVING HALE, LUBBOCK COUNTIES] U.S.P.S. NO. 003-340

Abernathy Stock Show To Kick-Off Tuesday At Lubbock

The annual Abernathy Stock Show will be held this Tuesday and Wednesday at the South Plains Fair Grounds. The show will be held in the swine barn, located on the east side of the fair grounds.

This year the Abernathy Project Show has been dedicated to Mr. and Mrs. Donald Huffaker.

Approximately 183 lambs, pigs and steers will be in the show this year, according to School Ag Instructor Gerald Kelley and 4-H sponsor Mrs. Jim Carver.

Kelley stated that FFA has 60 lambs, 40 pigs and 1 steer entered in the show. Mrs. Carver reported that 4-H has 30 lambs 45 pigs and 7 steers entered. These numbers will vary

slightly as animals are added or pulled from the show before Tuesday.

Stock show events will kick-off Tuesday, March 8 with weigh-in of projects beginning at 10 a.m. Animals will need to be in place by 6 p.m.

The show will be held Wednesday and will begin at 10 a.m. Judging will be held in the following order: market hogs, lambs, then steers.

Judges for this years events will be Mr. Ronnie Dennis, Vocational Agriculture Advisor for the Kress Independent School District. Mr. Dennis will judge the Swine Show. Dr. John Dillingham, Assistant Professor of Agriculture Education and Agriculture Engineering, College of Agricultural Sciences, Texas Tech University,

Lubbock, Texas will judge the Lamb and Steer Shows. Both of these gentlemen have had vast experience in livestock judging events.

The Abernathy Young Farmers will have the concession stand going and proceeds from concessions will go toward the Young Farmers Scholarship program for Abernathy graduates involved in the ag field.

Everyone is cordially invited to come and watch the youngsters exhibit their animals. Immediately following the swine judging, the PeeWee Show will be held. This allows youngsters age 5-8 to exhibit and older friends pig. This is very enjoyable.

4-H and FFA students involved in the project show will be excused from school Tuesday and Wednesday.

Good Luck

Melissa Hagstrom Awarded Japan-U.S. Senate Scholarship

U.S. Senator John Tower (R-Texas) announced today that a junior at Abernathy High School in Abernathy has been awarded the Japan-U.S. Senate Scholarship for 1983. The program includes a two-month stay in Japan with a Japanese family.

Melissa L. Hagstrom, daughter of Mr. and Mrs. Jerry Hagstrom, is one of the 100 winners in the 1983 Scholarship Program. Prior to her departure for Japan in June, Miss Hagstrom will come to Washington to meet with the Senator and attend a reception at the Japanese Embassy.

"Miss Hagstrom competed with outstanding students from across the state to achieve this honor," Tower said in making the announcement. "It is an accomplishment that should make her family, school and community very proud."

Funded by the Government of Japan, the Japan-U.S. Senate Scholarship Program allows each U.S. Senator to name an outstanding high school junior to spend the summer in Japan as a "member" of a Japanese family under Youth for Understanding's student exchange program. Youth for Understanding, a non-profit

international student exchange organization, is responsible for administering this unique intercultural exchange.

A member of the National Honor Society and the Future Farmers of America, Miss Hagstrom has three times been named the Best District Actress. She has also won State honors in FFA speaking contests. Active as the High School Band Secretary and Drum Major, she has been a member of the All Region Band.

Competition for the scholarship began last fall when every high school in Texas was invited to submit the names of their top students to be considered for the program. The top 12 students from the state were then chosen by the Admissions Committee at Youth for Understanding. The 12 semifinalists were then interviewed by a state selection committee which recommended the two winners.

High School Students who are interested in applying for the 1984 program should call Youth for Understanding toll free at 800-424-3691.

Now serving his fourth term, Senator Tower is Chairman of the Armed Services Committee and is also

a member of the Budget Committee and the Banking, Housing and Urban Affairs Committee. He is also chairman of the Senate Republican Policy Committee and now ranks second in seniority among GOP members of the Senate.

Melissa Hagstrom

Jr. Class To Present "Pick A Dilly"

The Junior Class of Abernathy High School will present "Pick A Dilly," a three act farce by Jay Tobias, Thursday, March 3, at 7 p.m. The play centers around a fortune left by a relative and the antics of the heirs as they try to out-wit each other for the money.

The play is under the direction of Mrs. Marilyn Ater. The cast includes: Randy Houston, Randal Stillwell,

Russell Shuey, Tony Ortiz, Mark Bell, Ruben Garcia, Ted Beard, Susan George, Jan Rawlings, Amy Boyles, Kathy Valdez, Bilinda Scott, Terri Gist, Fran Salitros, ReGina Powell and Melissa Hagstrom.

Immediately following the evening performance, there will be a picnic supper in the school cafeteria. Individual slices as well as whole pies will be sold.

Three Incumbents File For Elections

As of Wednesday morning, three incumbents had filed for the school-city election to be held April 2. The deadline to file was 5 p.m. Wednesday so this may not be a complete list of the candidates.

Filing for the School Board election were incumbents Bud Rhodes, place 3, and Laurin Prather, place 1.

Filing for the City Council election was incumbent A.C. Harris. Hoppy Toler, who has served on the City Council for the past six years, has decided not to run for another term.

Filing for his place on the Council was Gary Grant.

Any others who filed, following the publication of this paper, will be listed next week.

Antelopes Win Area

The Abernathy Antelopes were again victorious this past Tuesday night as they defeated Idalou easily 69-39 to win the Area Championship.

The Lopes had already defeated Idalou twice this year 71-44 and 57-41, but Idalou had improved since then. It didn't show it in the score, but the Antelopes have improved that much more.

First Half

The Lopes utilized their half-court press well in the first quarter scoring 13 points to Idalou's 8. Idalou was hanging tough and would not let the Lopes get too far ahead. The Lopes out-scored Idalou 19-15 in the second quarter to take a 32-23 halftime lead.

Second Half

Idalou fought back in the third quarter to try to stay in the game, and they did by holding the Lopes to 10

points, while scoring 8, and the Lopes still led comfortably 42-31.

The Antelopes exploded in the fourth period as they loosened up and had their best quarter of the game. They added 27 points, while allowing Idalou only 8, to extend their lead 30 points and win 69-39.

Ed Teal, who has been averaging 19 points per game, was the leading scorer with 20 points. Cletus Irlbeck and Sammy Galloway each had 15 points, and Allen Lester 6.

The Lopes were accurate in the free throw department hitting 17 of 27 for a 64 percent average. In field shots, the Lopes hit 25 of 61 throws for a 41 percent average on the night.

Coach's Comments

Coach Carl Irlbeck was very pleased with the Area victory and is excited about Regional this weekend. "I am very proud of the boys for their outstanding performance Tuesday. Id-

alou had improved, but our team stayed out of foul trouble and used the half-court defense well against Idalou," Irlbeck said.

Regional Play-offs Next

The Regional Tourney will be held this weekend at the Lubbock Coliseum. The Antelopes will play Ballinger in the first round at 3 p.m. Friday.

Coach Irlbeck stated that Ballinger likes to run and shoot. "They really emphasize the press, so we will have to utilize our half-court defense even stronger," Irlbeck said. Ballinger's tallest player is 6'2". "Ballinger will be about the size of Perryton, as far as their height and player strength goes," Irlbeck said. He also added "We will beat them if we have a fair to good game Friday."

The Lopes would take on the winner of the Dimmitt-Canufillo game Saturday if they win their first round

ACCEPTING THE BI-DISTRICT TROPHY was Coach Carl Irlbeck and members of the Abernathy Antelope basketball team. The Antelopes won the Area Championship Tuesday night. (Review Photo)

"We confess our little faults only to persuade others that we have no great ones." La Rochefoucauld

ON THE COUNTY LINE

BY KEITH TOOLEY

CONGRATULATIONS to the Lady Lopes on a fine season. You gave us a lot of fun and exciting games to watch and you gave each one 100 percent. Winning Bi-District is a great accomplishment and the entire community is proud of your performance this year.

Also congratulations to the Antelopes and good luck in the playoff games to come. If it comes down to Dimmitt, we know that the Lopes will give it their best and we hope to see them in Austin for the State Tourney.

IF ANYONE IS INTERESTED in seeing a draft of the 1983 Texas Water Plan, I just received one Friday and it is in my office. Seeing as how the draft is about 2 inches thick, it will probably not be read by many editors or anyone else who gets a copy. It probably won't make the best sellers list as well.

I would prefer a brief one page synopsis of what it says rather than actually getting a copy of the entire plan. But I will see if I can find out what they are going to do about water for this part of Texas, if I can find it in

this huge volume.

WITH INCOME TAX TIME nearing and people counting the days 'til taxes have to be filed, the following article is most appropriate. Thought you might enjoy reading the tid-bit:

Death and Taxes

Tax his cow, tax his goat.
Tax his pants, tax his coat.
Tax his crops, tax his work.
Tax his tie, tax his shirt
Tax his chew, tax his smoke;
Teach him taxes are no joke
Tax his tractor, tax his mule
Teach him taxes are a rule.
Tax his oil, tax his gas.
Tax him good and let him know
After taxes he has no dough.

If he hollers, tax him more;
Tax him 'til he's good and sore.
Tax his coffin, tax his grave.
Put the sod in which he lays.
Put these words upon his tomb;
"Taxes drove me to my doom."
And after he's gone he can't relax;
They'll still be after Inheritance Tax!

Burglaries

The three burglaries in February occurred at Don's Chevrolet, Jennings Restaurant and Pinson's Pharmacy.

The first burglary of the month occurred at Don's Chevrolet February 8, according to Abernathy police.

The burglary was thought to have taken place over night. Burglars got into the fenced-in car storage lot across from Don's Chevrolet and took three tires and wheels from one pickup, and one off of another. The tires and wheels are valued at \$700, local police reported.

There was no sign of forced entry through the fence around the lot. Jennings' Restaurant was burglarized February 12 at 2 a.m. Local police answered an alarm that had gone off

at the restaurant. Taken in the burglary was 2 1/2 gallons of strawberry ice cream, 5 pounds of hamburger meat and 1 box of hamburger patties. The loss was valued at \$30.

The burglars entered the restaurant by breaking the service window on the north side, and breaking the glass on the inner door, to unlock it from the inside, according to the Abernathy P.D.

The biggest burglary of the month occurred at Pinson Pharmacy February 13 sometime over night.

According to Abernathy Police, the burglars took 21 different kinds of hard drugs, in approximately 39 bottles. The drugs taken are all considered "dangerous drugs" or "hard narcotics", according to police reports. Some of the drugs taken were quaaludes, codeine, demerol, and morphine sulfate.

A spokesman for the Abernathy P.D. stated that this was probably the work of professionals because they knew exactly what drugs they were after, got them quickly, and vanished. The burglars entered Pinson's by breaking out the plate glass window on the west side of the building.

Arrests

Nine arrests were made in Abernathy in February. There were 2 DWI

arrests (misdemeanors), 2 public intoxications, 2 disorderly conducts, 1 simple assault, and 1 felony warrant arrest, according to Abernathy Police reports.

The felony warrant arrest occurred February 5 at 10:30 a.m. when a 20 year old white male, Billy Runnels, of Route 2 Abernathy, was picked up on the felony offense of bond forfeiture, according to local police.

The Lubbock Sheriff's office had a felony warrant for Runnel's arrest for bond forfeiture and the local police department found him in town, an officer stated.

Another arrest occurred this last weekend when Abernathy Police picked up a run-away from the State School at Lubbock. They picked him up north of Abernathy, according to local police.

The arrest for simple assault involved two women who got into a fight in the hallway at grade school February 8 at 4:30 p.m.

According to local police, they arrested a woman who attacked another woman at the school. She was kicking, hitting and scratching the woman she attacked. The fight was the result of a personal conflict, a police officer added.

Two criminal mischief cases are being investigated which occurred at Abernathy High School. During an out-of-town basketball game February

14, the windows were broken out of a 1978 Chevrolet belonging to Jan Rawlings, and a 1977 Toyota belonging to ReGina Powell, according to the Abernathy P.D.

The Abernathy P.D. is also investigating a possible drug exchange at Abernathy Junior High School. An officer stated that a school employee caught one 7th grade Mexican American male selling something to a 7th grade black male February 23 at school.

The Abernathy P.D. reported that the product being sold could possibly be a "controlled substance", but they haven't received the test on it yet. The boy caught selling the substance has been brought to the police department and questioned. The other boy involved will be questioned as well, an officer stated.

Citations-Accidents

Forty citations were issued by the Abernathy Police Department in February. Two minor accidents occurred the entire month.

The more major accident occurred February 13 at 5:41 p.m. when Brian Smith ran into the back of Julie Ann Richerson, both of Abernathy.

Damage to the Chevrolet Conquista, driven by Smith, and the GMC Sierra, driven by Richerson, will exceed \$250, according to a local police officer.

Brazil Missionaries To Speak At Nazarene Church Tuesday

Rev. Robert Collins, missionary from Brazil, will have a missionary program Tuesday, March 8 at 7:30 p.m. at the First Church of the Nazarene, 6th and Ave. E in Abernathy.

Rev. and Mrs. Robert Collins, missionaries in Brazil, South America, are on furlough. This is their fourth furlough since being assigned to Brazil in 1962. Rev. Collins will be holding services among the Churches of the Nazarene.

Rev. and Mrs. Collins were first assigned to Cam-

pinas in 1962, where he was the assistant pastor at the Campinas Central Church, Youth Counselor, and District Youth Director. For the past eight years, Rev. Collins has served as Mission Director. The Collins family also sings together in revivals, weekend meetings and has given concerts.

The missionary service will feature the work of the Church of the Nazarene in Brazil. There will be special emphasis upon church growth and the present challenge which Brazil offers to the Church today.

Rev. Collins was born in Ohio. He received his Bachelor of Arts Degree and Master of Arts Degree from

Olivet Nazarene College in Kankakee, Illinois, and his Bachelor of Divinity Degree from the Nazarene Theological Seminary in Kansas City, Missouri. He also had one year of work at Rio Grande College in Ohio, in the field of Education. Prior to his assignment overseas, Rev. Collins pastored the Church of the Nazarene at Waterloo, Ohio, for two years.

Rev. and Mrs. Collins have two boys: Robert, age 21, and Craig, Age 18, the family will be living in Illinois and Ohio during their furlough year.

The public is invited to attend this program.

Society and Features

Great Society Homemakers Meet

The Abernathy First Methodist Church was the scene of the Great Society Homemakers Association 3rd Monday meeting.

The program was on "Our Responsibility To Our Children".

Two films were shown -

one on the unwed pregnant teenager and the other on the immature vandal.

Those present were: Maybell Glass, Emma Palacios, Alice Pace, Elodia Marez, Juanita Brantly, Olean Mathis and Imogene Suttle.

Suttle attended the Plainview Council where they voted on yearly recommendations.

Evangelists To Sing And Speak At Assembly Of God

The Singing Phillips family will be ministering at the Assembly of God Church in Abernathy, Thursday evening, March 3, at 7:30.

This family has traveled as evangelists for several years, holding revivals all across America. They have appeared on nationally syndicated television talk shows

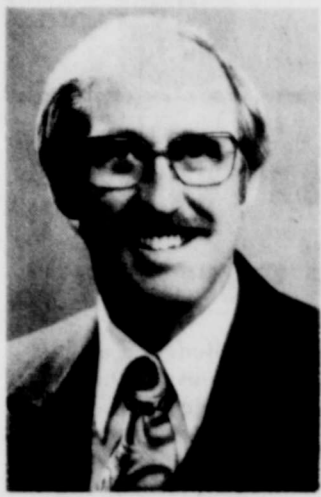

and have always blessed those to whom they minister.

Everyone is invited to come and hear this wonderful family. The Assembly of God Church is located at 1404 Avenue B.

The ancient Greeks tried to make rain by dipping oak branches in water.

The Singing Phillips Family

Rev. Robert Collins

Lewis Patterson Presented "Distinguished Service Award"

Lewis Patterson was recently presented the "Distinguished Service Award" from the Monterey Church of the Nazarene for 40 years of dedicated service to the church. It is the highest honor the Church of the

Nazarene can bestow for lay service to the church.

Since becoming a member of Monterey Church of the Nazarene in April 1978, Lewis has served as the church treasurer, has taught the senior adult Sunday school class, has been a greeter, has ushered, and has contributed hundreds of hours of labor to the church building program.

In addition to his service to the local church, he is active in caring for his fellow man at large, as evidenced by his participation in the volunteer chaplain's program at Methodist Hospital and his community involvement at Abernathy.

Lewis was born and reared in Hale County area. He graduated from Abernathy High School, then after receiving a call to preach, he attended Bethany Nazarene College. In 1945 he

graduated with a diploma and a bride, Violet Lemay, who he married in 1943. He pastored in Texas, Kansas, and Oklahoma for a total of 19 years. Lewis was responsible for three building programs and was instrumental in the fellowship hall addition at Abernathy.

Today, Lewis is employed by the Dept. of Human Resources for the State of Texas as a Hearing Officer, a further evidence of his concern for people.

He has two children, Vivian Cook of Ft. Worth and Weldon of Abernathy who is a student at Texas Tech.

"For over forty years of dedicated service to the Church of the Nazarene we humbly and proudly honor this dedicated man," a spokesman for the church said.

1935 Study Club Meets

Mrs. Owen Benn, President of the 1935 Study Club, presided over the regular business meeting when the club met Thursday afternoon, February 24 in the Abernathy City Library club room.

Mrs. Cal Tucker was hostess and brought the program. She gave information on the country of Turkey, describing its government, people and customs. She shared memories

of her teaching experiences in the military school when Mr. Tucker was stationed in that country.

Delicious refreshments were served during the social hour to the following members, mesdames: J.C. Mills, John Hale, Robert McAlister, Jack Jackson, Hilburn Barrick, Glenn McDonald, F.B. Lovelace, Jack Hackler, Ralph Davis, Owen Benn and Mrs. Cal Tucker.

City Garden Club Day-Out March 10

The City Garden Club will have a luncheon at 12:00 noon for their Day-Out Thursday, March 10 at the 924 Steak House in Abernathy.

The Garden Club is having this luncheon in March and in April will have a book review. Lillie Mae Shipman, Reporter.

Fulfilling Our Purpose In Life

Text: Philippians 2:5 "Let this mind be in you which was also in Christ Jesus."

Paul places a challenge to us concerning our relationship and purpose in life. As we think about this challenge in our text, there are three important questions that demand our honest consideration.

Who are we? In every area of life it is important to know who we are, but nowhere is it as important as it is when we consider our purpose in life. We are creatures made from God. Our spirits are restless until we find communion with him. The clue to finding who we are is not to be found in the world of nature beneath us, but in the world of God above us. When we look to Christ Jesus, we realize who we ought to be.

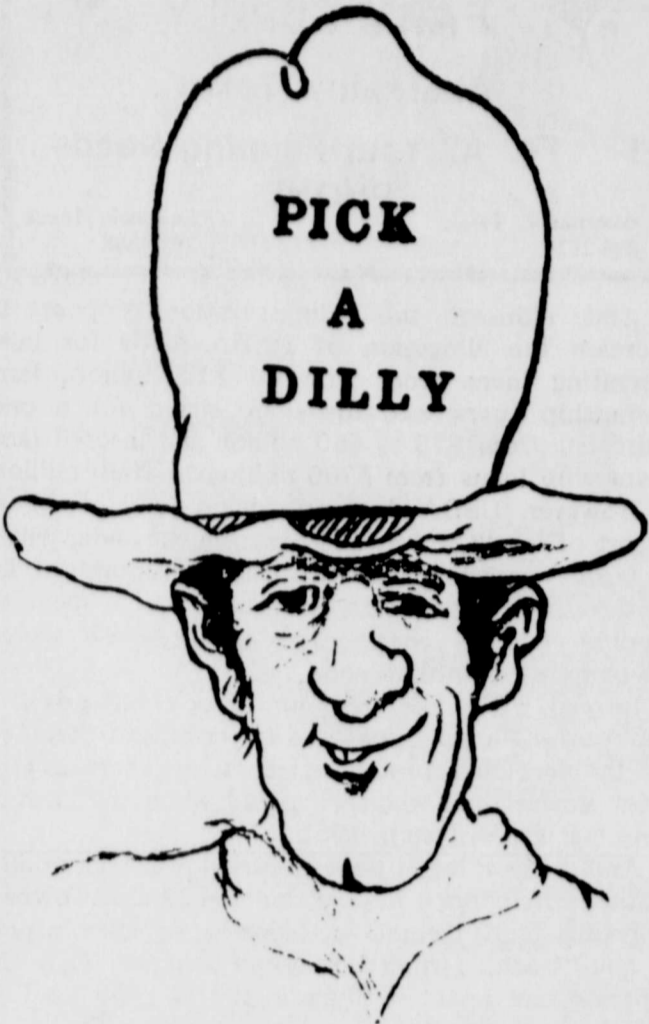

Why are we here? It is easy for us to say we are here to simply occupy space, make a contribution to the world as we pursue our vocation or raise a family. But, we came from God so we are to live for God. God has a purpose and plan for everyone. Our obligation is to listen to Him and find that purpose. We are here to live for God.

Where are we going? Does life have a destination as well as a direction? Where we are going depends on what we do while we are here. We know God's plan for us in eternity. So, if we live for Him here then our destination is heaven.

The major answer to these three questions is this. We came from God - We live for God - We will return to God.

Library Workshop Held Feb. 15-16

The West Texas Library System sponsored a Technical Services Institute on February 15-16 at Midland College, Midland.

The goal of this workshop was to provide the participants with a basis grounding in the practical and theoretical aspects of the acquisition, cataloging and circulation of library materials. The institute touched on both novice levels, to computerized methods of providing technical support for library services in libraries, large and small.

Attending from the Abernathy City County Public Library was Mrs. Evaughn Hackler, librarian.

Many of the first houses in the American colonies were built from bricks used as ballast in the holds of ships.

Webbs And Hardins Win Library Contest

J.D. and Clyde Webb won the "Long Time Local Romances" contest at the Abernathy City-County Library during the month of February. Herbert and Betty Hardin took second place in the contest, which involved naming the couples in wedding pictures displayed at the library. The Webbs guessed all but one couple and the Hardins missed two.

Lelloine Waits and Alice Attebury, library advisory board members, collected

and arranged the display. They included fascinating clues about each couple, such as: Who married the milkman? Which wavy haired young man snatched another guy's girl? Who couldn't remember the guy's name after they met, but loved his green Chevy? Which pair first met in the second grade? Which girl fell for the Aggie uniform? Which smart fellow took advantage of a trip to the dentist?

A Valentine Tea Sunday, February 13, drew at least 43 people who tried their luck at guessing the identities of the good looking guys

and pretty young girls in the wedding pictures. It was more fun than TV serials. If you ever wondered what your neighbors were like in the flower of their romantic youth, this is the place to find out.

The contest ended last month, but the display remains through March with the couples identified. Those featured are: Mr. and Mrs. Fritz Struve, Mr. and Mrs. HB Coggins, Mr. and Mrs. Leland Phillips, Mr. and Mrs. Bryan Phillips, Mr. and Mrs. Gid Adkisson, Mr. and Mrs. James Davis, Mr. and Mrs. Roy Jones, Mr. and Mrs. Urcell Moreland, Mr. and Mrs. W.H. Ragland, Mr. and Mrs. Doyle Oswalt, Mr. and Mrs. Clay Pettit, Mr. and Mrs. Hilburn Barrick, Mr. and Mrs. John Hale, Mr. and Mrs. Harvey Lutrick, Mr. and Mrs. Ralph Davis, Mr. and Mrs. Lewis Spruiell, Mr. and Mrs. Ted Middleton, Mr. and Mrs. Hugh Pettit, Mr. and Mrs. Jack Hackler, Mr. and Mrs. Billy Skipper, Mr. and Mrs. Harold McCune, Mr. and Mrs. J.D. Webb and Mr. and Mrs. Herb Hardin.

68 Books Donated To Library

Recently, Commander (ret.) and Mrs. Frank Zinn of Austin, presented a gift of 68 volumes on various subjects, to the Abernathy City-County Library. The library committee valued this greatly appreciated gift at \$890.

Commander Zinn's career in the Navy took him to many foreign countries and created a desire within him for History, Geography and Culture of the Nations of the world. He would recom-

mend that you visit the library and enjoy some of his books.

Commander Zinn is a friend of Dan Ward of Abernathy and his brother, Bill Ward of Austin.

The sport of skating is at least 1,000 years old.

United Methodist Youth To Sponsor Dinner Sunday

The United Methodist Youth are sponsoring a dinner March 6, after church services, in the fellowship hall. The menu consists of barbecue brisket, beans, potato salad, rolls and cake. Call 298-2240 for call-out orders. 11:30 to 1 p.m. Donations will be accepted

in return for dinner. The UMY are having the dinner so they can go on a snow skiing trip. There are twenty-four youths involved. They will be going to Red River March 17-20.

Come out and eat with the UMY Sunday, March 6 at the Methodist Church.

Girl Scout Cookie Sale A Success

The Abernathy Girl Scouts sold a combined total of 3,228 boxes of cookies this year, netting \$645.60 profit for their troops.

Sharon Shaddens' 2nd grade Brownies sold the most with a total of 116 cases. Lelloine Waits was cookie chairman for that troop.

Rheta Riley's 3rd grade Brownies came in second by selling a total of 72 cases. Cindy Robinson was their cookie chairman.

A well deserved thank you to all the girls and cookie chairmen, and a special thank you to the parents and community for their support.

Girl Scouts To Participate In Caprock Council Saturday

The public is invited to the caprock Council sponsored Girl Scout E.T. (Extra Terrific) Fair, scheduled from 1 p.m. - 4:30 p.m., Saturday, March 5, in the Exhibit Hall of the Lubbock Memorial Civic Center. Approximately one hundred troops from the eight-

een county council will be sharing crafts, skills, games, songs, ceremonies and dramatics with their guests.

Girl Scout Troops 15 and 313 in Abernathy will be participating Lelloine Waits and Sharon Shaddens are the troop's leaders.

This and That
By Helen Wade

Mrs. Otis Pope and her mother, Mrs. Alice Cook, spent a few days last week with their brother and son, Raymond Cook, in Longview. They also visited one of Mrs. Cook's friends in Grandbury.

On their way back to Abernathy, they came by Midland and stayed with their daughter and granddaughter, Mrs. Ray Mac Poague and family.

Mr. and Mrs. M.M.

Bell's great-grandson, Justin, turned two years old Tuesday February 22. His parents, Ronnie and Tricia Pillans, gave a birthday party for him in their home at Buffalo Lake Sunday, February 20, which they attended.

The went to the home of their son and daughter-in-law, Don and Lucy, after attending church at Trinity Church with them. Don sings with the Choir.

The Bell's also visited in the home of Jackie and Dolores Barton in Lubbock. They have been friends a long time.

Carol and Dayton Boyd visited in the home of Dayton's mother in Lubbock Saturday afternoon. Also visiting in Mrs. Boyd's home, was another son of Mexia and a son of Amarillo. Carol and Dayton later ate supper out and attended a movie.

Reita Smith and her sister, Mrs. Sarah Fitzgerald of Floydada, and Mrs. Murlie Castleberry of Sunnymeade, California, returned last week after spending a month visiting relatives in South Carolina, Georgia and Florida.

Among those visiting in the home of Miss Reita Smith last week were Bro. and Mrs. Homer Salley, Mr. and Mrs. Chales Ray Melton and Mr. Ron Keckler of Lubbock; Mr. and Mrs. Lonnie Shoemaker of Boise, Idaho; Mr. Sarah Smith of Floydada; Mrs. Bobbye Rogers of Shallowater; and Mrs. E.E. Odum of Miami, Florida.

FARMERS... Participation in PIK Program Means Higher FCIC Coverage

Farmers who participate in the new 1983 Payment In Kind (PIK) program automatically qualify for higher yield guarantees on their Federal Crop Insurance coverage for wheat, corn, grain sorghum, cotton and rice... at NO ADDITIONAL COST!

Yield guarantees will automatically increase anywhere from 6% to 10% for those who have FCIC crop insurance protection when they sign up for PIK. And, the premium rate stays the same.

If you have not already insured your 1983 crop against natural disasters that can occur during the growing season, you owe it to yourself to get more information on this FCIC production protection plan. Check out the added benefits available when you sign up to participate in PIK by the March 11, 1983 closing date.

For more information on protecting your valuable crop investment, contact:

RCA SelectaVision VideoDisc Player

Watch what you want, when you want—on your own TV—with RCA's SelectaVision® VideoDisc System. RCA VideoDiscs offer the best in movies, concerts, sports, children's shows, plus much more. And the RCA VideoDisc Player brings it all to life—right in your living room. It connects to any TV set, and it's easier to use than an ordinary record player.

- Wide variety of disc programs available from the ever-expanding RCA VideoDisc Catalog.
- Vivid picture quality.
- Convenient front-mounted player controls and easy-loading VideoDiscs make operation simple.
- Visual Search lets you scan backward or forward at about 16 times normal speed to find a favorite scene.
- Up to two hours of entertainment on every disc.

Easier to operate than a record player.

1. Slide sleeve in and remove. 2. Switch lever to "play". Loading the RCA VideoDisc player is simple. Just slide the sleeve into the player, remove the sleeve (the disc is now inside the player), switch the function lever to "play," sit back and enjoy the show.

Nation-Texas To Plant Less Cotton This Year

A producer survey taken by the National Cotton Council in mid-January points to total cotton plantings of about 8.5 million acres this year. Included in the total are 68,000 acres of American Pima cotton.

If the survey results prove to be reasonably indicative of actual plantings, Staff Economist Joseph T. Wyrick said this would mean a 27 percent cutback from last year's 11,499,000 planted acres and a 44 percent reduction from the national cotton acreage base. The survey results were included in a committee report in Phoenix, Arizona Feb. 4 in advance of the Council's annual meeting which opened February 6 at the Hyatt Regency.

The mail questionnaire showed growers in both the Southeast and the Mid-South planned to decrease their

plantings from 1982 by 28 percent. This would put cotton acreage at just under half a million acres in Alabama, Georgia, North Carolina, South Carolina, Florida, and Virginia combined, and at 118 million in Arkansas, Louisiana, Mississippi, Missouri, and Tennessee.

In the Southwest states of Oklahoma and Texas, the survey pointed to planting probabilities of 4.5 million acres, a drop of 29 percent. In the West, grower intentions in Arizona, California, Nevada, and New Mexico suggested cotton plantings at 1.6 million acres, a 20 percent decline.

Wyrick said the survey was taken immediately after the Administration's announcement of a payment-in-kind program and included questions regarding participation in government pro-

grams. Survey forms with cotton bases indicated 96 percent of their acres would be enrolled in the 20 percent acreage reduction program. This same group of farms said 80 percent of their base acreage would also be signed in the PIK program.

"Not surprisingly, a great many producers revealed they did not yet have a full understanding of the program alternatives available to them," the agricultural economist said. "In addition, this year-as compared with last year- much larger number of respondents indicated they had just not decided yet how much to plant."

Wyrick said these responses reflect the uncertainty

that exists in the minds of many producers. As program options for cotton and other crops become better understood, he added, it's quite possible that growers will modify their actual plantings from what the January survey suggests.

The economist said this year's extensive acreage reduction should result in only the best cotton land being planted, and in producers working the land more intensively than they would be able to with a larger acreage. With lower-than-normal acreage abandonment and above-average yields thus indicated, Wyrick said a reasonable estimate for 1983 U.S. cotton production at this time would be about 9.5 million bales.

This year's survey was the second taken by the Council since USDA discontinued its January planting intentions survey. Last year's Council survey missed actual 1982 plantings by only 2 percent.

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

LUBBOCK, Friday, February 25, 1983

The Payment-in-Kind (PIK) program, or "Crop Swap", as President Reagan chose to call it in a national address, is a pretty fair deal, a Hockley County farmer recently said. "But cutting loan levels, freezing target prices and reducing FmHA lending activity in future years as a part of the package would make the whole thing a very poor trade for farmers."

The Administration is advocating loans and target prices in 1984 and 1985 below those mandated by current law, plus a reduction in funding for both FmHA direct and insured farm ownership loans.

Under the Farm Act of 1981 the cotton target price, 76 cents per pound for the current year, is scheduled to rise to 81 cents in 1984 and 86 cents in 1985. The target for wheat, now \$4.30 per bushel, would move to \$4.45 next year and \$4.65 in 1985. The corn target price this year is \$2.86 per bushel and would rise to \$3.03 and \$3.18, respectively, in 1984 and 1985.

Legislation sought by USDA would freeze target prices on each commodity at the 1983 level. USDA claims authority to reduce the 1984 wheat loan rates from \$3.65 to \$3.55 per bushel and the corn loan from \$2.65 to \$2.55 without congressional action. The cotton loan, set by a statutory formula, drops this year from 57.08 cents to 55 cents per pound.

And, although the Administration proposes to increase the allocation of FmHA funds for farm operating loans from \$1.6 to \$1.8 billion, farm ownership guaranteed loans are slated for a one-third cut from \$75 to \$50 million and insured farm ownership loans from \$700 million to \$600 million.

However, USDA does not include any of this as a part of the "Crop Swap" arrangement under which a farmer agrees to take a given percentage of his land out of production in return for a specified amount of the commodity he otherwise would have produced on that land.

Instead, USDA Secretary John Block contends that a freeze on target prices and lower loans is justified by the fact that production costs are increasing at rates slower than was anticipated when the current farm law was written in 1981.

And, in fact, target price freezes, lower commodity loans or reductions in available FmHA farm ownership loan funds cannot, legitimately, be called a part of the "trade" farmers are asked to make. They are separate and apart — things that will apply to PIK program participants and non-participants alike.

But, says Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock, we think the price protection in current farm law should be maintained at full strength, at least until we find out if the slow-down in production cost increases is going to last and until we see whether the projected improvement in the market price of commodities is fact or fiction.

"Following any other course would be tantamount to opening the fortress gates before the first phase of the battle plan is even in operation."

Soil Sampling And Fertilizing Delayed

Heavy snows, wet soils and cold weather has delayed soil sampling for High and South Plains producers.

Soil sampling and fertilizing was also delayed by the government finally establishing the PIK program. Do not let these delays raise your 1983 production cost this year, cautioned Ollie Linder, county Extension agent in Hale County.

"Our farm economics is such that producers can not afford to blindly add fertilizer for the 1983 crop," Linder said. "There is still

time and the laboratories have computerized their reporting systems for faster sample turn around."

The best time for sampling is just before the field is dry enough to handle tractor traffic. Later everyone will be in a dead run to get their land prepared, so be ready to start your PIK production acres on the right foot, he cautioned.

To get a good soil test, a good soil sample is essential. Obtain 10 to 15 samples taken from the surface down to six inches deep. Mix

these samples in a plastic bucket. Then take about two-thirds to three-fourths of a pint of the sample soil and mail to the soil testing laboratory for testing.

Be sure to complete a crop information sheet on each soil sample, notes Linder. This aids the soil chemist to generate a better fertilizer recommendation for your farm.

Information sheets, sample bags for mailing and additional information on soil testing is available at the county Extension office.

Support our youth
Attend the livestock show!
March 8-9
Richard DuBose Insurance

Area. The Lady Lopes and Antelopes both defeated Perryton in Bi-District. This time the Lopes played Perryton at Canyon High School and a good number of Abernathy fans were present to cheer Abernathy on to victory.

First Half

The Abernathy Antelopes looked very polished Friday night as they gave an excellent performance. The Antelopes were very much in control of the entire game. In the first quarter, Ed Teal could not be stopped. Teal put the first 5 points on the board. Larry Perkins was also finding the bucket with ease and he scored the next 7 points in a row. Perkins added 2 more points later in the first period to make his total 9 points in the first quarter alone. Ed Teal added 4

more points, 2 of which came with 2 seconds left in the first quarter. The ball was passed from the sidelines to Teal and he immediately put it into the air, from way out in the field, and the ball popped through the net as the bell sounded to end the first quarter. Teal already had 9 points and the Lopes were on top 20-10.

In the second quarter, Perryton applied more pressure in an attempt to slow the Lopes down in the scoring department. The Lopes were plagued with fouls this quarter, but were still able to out-score Perryton 14-11 to take a 34-21 halftime lead. Teal added 6 more points this quarter.

Second Half

Thus far, the Lopes had prevented Perryton's star player, Clint Allred, from

doing anything. But this had left Chris Smith open to score 9 points in the first half for Perryton.

In the third quarter, Smith added another 10 points to Perryton's score, but Ed Teal, Sammy Galloway, Larry Perkins and Chester Cooper all had a good third quarter.

The highlight of third quarter action came midway through the quarter. Sammy Galloway got the ball two times all alone down court and both times he slam dunked it. Galloway made the two slam dunks one right after the other and he had the fans on their feet and cheering. What had become a laid-back game, suddenly came to life with the slam dunks by Galloway. Perryton fans eased down into their seats.

The Lopes out-scored Perryton 23-18 in the third quarter to take a comfortable 57-39 lead.

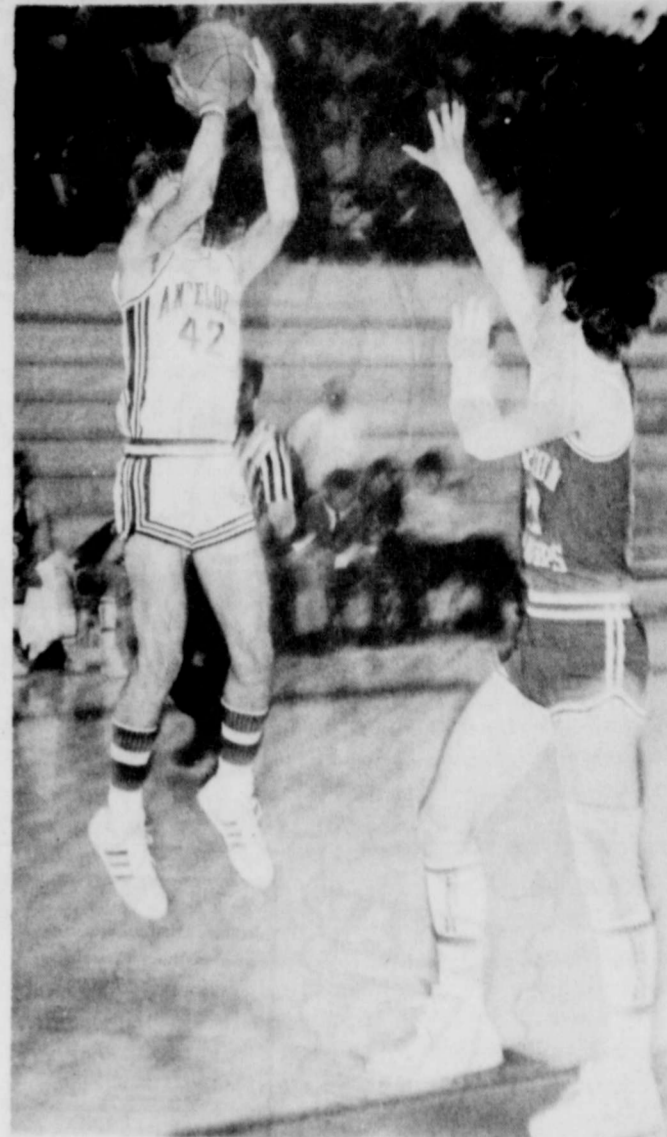

In the final period, all team members got in on the action. Freshman Scott Furgeson made 4 points. Alton Belyeu, Brian Smith, Teal, Perkins, and Cooper all added points to clinch a 74-54 victory for the Lopes.

Leading scorers for the Lopes were Ed Teal with 26 points, Larry Perkins 19 points and Sammy Galloway 10 points.

This was the second consecutive year the Lopes have won Bi-District and they went on to take on Idalou at the Area playoff game at Levelland Tuesday.

Antlers and horns are not the same. Horns grow throughout an animal's life. Antlers are shed every year.

SCOTT FURGESON shoots a field shot against Perryton last week. Furgeson, a Junior, has made several points for Abernathy this year. (Review Photo)

Hurry On Down To The Annual Livestock Show

PEACOCK SHAMROCK

Several Qualify For State At UIL Solo And Ensemble Contest

February 26, twenty AHS band members participated in the annual UIL Solo and Ensemble Contest held at Monterey High School in Lubbock.

The bandsmen chose to play a solo or ensemble. Class I solos and ensembles are the most difficult; Class II and III solos must be memorized on the day of

the contest the person(s) perform for a judge and are given a rating; if the solo or ensemble is a class I and receives a first division, the person(s) qualify to compete

on the state level. The state contest will be held at the end of May on the University of Texas campus in Austin. All of Abernathy's entries were Class I.

Receiving a second division were: Rita Garza and Fran Salitros, flute solos; Patricia Garcia and Ruben Garcia, clarinet solo; Rablo Aguilar, trombone solo; Mike Givens, piano solo;

and Barbara Alvarado, Robert Brantley, Mike Givens and Danny Richerson, saxophone quartet.

Other participants were Angie Attebury and Donna Burgess, piano solos; Bobby Morgan, clarinet solo; and Mark Kitchens, trumpet solo.

Weldon Patterson played all the piano accompaniments.

Also competing on the state level will be Melissa Thompson, twirling solo; and Angie Garcia, Rita Garza, and Melissa Thompson, a twirling trio.

Lakeview Locals

By Mrs. Norman Matthews

Shorty Robertson of Petersburg, was the featured speaker at the mid-week services Wednesday night, February 16 at Lakeview Methodist Church. Other guests at the Wednesday services were: Mrs. Robertson and Mrs. Nave of Petersburg, James Holcomb and Hazel Rike of Lubbock.

Mr. and Mrs. H.N. Meadors visited Mrs. Winnie Brown in Hale Center Nursing Home Monday.

Mrs. William Mayo of Afton, visited her parents, Mr. and Mrs. Lawrence Amerson, Saturday.

Visitors in the home of

Mrs. E.J. Mahagan over the weekend were Mr. and Mrs. Kendall Hill of Ft. Stockton and Mrs. Lucille Dowell of Santa Barbara, California, and Mrs. W.A. Goldston of Littlefield.

Mr. and Mrs. Maynard Agree of Friona, visited her daughter and family, Mr. and Mrs. Neil Barnwell, during the weekend.

Shawn and Brant Nave of Lubbock, spent the weekend with their grandparents, Rev. and Mrs. Jesse Nave, and attended church Sunday at Lakeview Methodist Church.

A.C. Bonahan of Sayer, Oklahoma, are visiting Mr. and Mrs. J.C. Montgomery this week, who is her brother. They visited their sister, Mrs. Clara Dedmond, at Hale Center Nursing Home.

Mr. and Mrs. Jerry Mull

and Mr. and Mrs. J.D. Adams, returned home Saturday from a two week fishing trip to Lake Amistad.

The Romans are not known to have used soap. They used sand and skin scrapers to cleanse themselves.

ABERNATHY ATHLETIC BOOSTER CLUB on the move as they put up posters at the old Ford house supporting the varsity basketball teams. Sixty-Six Butane & Fertilizer

Letter To The Editor

Dear Sir:
Tax called by any other name is still a tax.
An increase in state fees is an increase in state taxes.
Both increases have the same result: more money for the government and less money for the taxpayer.
In a recent news article Lieutenant Governor Hobby was quoted saying "The new buzz word is 'user fees'. It used to be 'revenue enhancement': anything but 'tax'. What difference does it make? It's dollars and we need dollars very badly."
Taxpayers also "need dollars very badly" and we think the buzz word should be "cut spending" rather than "user fees" and "tax".
All Texas Taxpayers better get prepared for more state taxes. When our elected officials start disguising their actions we've had it! Don't be fooled. Those people are going to raise our tax bills unless we taxpayers tell them NOW we won't stand for it.

Yours very truly,

Waggoner Carr
President
Concerned Citizens for Tax Relief

Steel rails used by railroads in the early 20th century often weighed less than 60 pounds per yard. Today they weigh more than 150 pounds per yard.

Abernathy FFA Chapter...An Active Group Of Winners

FFA WELDING CLASS members are pictured welding panels to go on livestock pens. Standing is Shawn Knight and on the floor, from left to right, is Melissa Hagstrom, Brian Smith and Mark Bell. (Review Photo)

AG INSTRUCTORS at Abernathy High School, Scotty Windham and Gerald Kelley, are pictured with the scales they are using all week to weight-in FFA animals prior to the Abernathy Stock Show next Tuesday and Wednesday. (Review Photo)

The Abernathy FFA Chapter is one of the most active and successful group winners in the entire region. The local chapter has gained State and National recognition with their accomplishments in the past.

The Abernathy FFA has won State in Farm Skills five out of the last eight years; qualified a judging team for State the last three out of four years; numerous District and Area officers have come out of the Abernathy Chapter; the last two years the Chapter has received a Superior Rating; and since 1951, 57 Abernathy FFA members have received their Long Star Farmers Degree.

This year, Melissa Hagstrom has been to Fort Worth, Washington and Kansas City and has received numerous cash prizes and scholarships through her involvement in the FFA Public Speaking Contest.

The Abernathy FFA is a progressive and winning chapter. The following is information about the local chapter—the present officers, Committee Chairmen, calendar for the rest of the year, and opportunities available to Vocational Agriculture and FFA students:

tation—Melissa Hagstrom and ReGina Powell; Friut Sales—Mel Parks; 4th of July—Randal Stillwell and Mark Bell; National FFA Week—Gordon Havens, ReGina Powell, Melissa Hagstrom, and Alan Lester; Community Bazar—ReGina Powell; and CVAE Contest—Randal Stillwell and Alan Lester.

MARCH-APRIL FFA CALENDAR

March: Houston Stock Show (Feb. 27-March 6) Houston; Abernathy Stock Show (8-9); Plainview Stock Show (14-17); State Practice Judging Contest (12) College Station; and Tarlton Judging Contest (25).

April: Boys Ranch Judging Contest; Abilene Judging Contest; West Texas Judging Contest (9) Canyon; San Angelo Judging Contest; Texas Tech Area Judging Contest (23) Lubbock; State Judging Contest (30) College Station; and District FFA Convention

(27) Officer Election, Degree Applications, Public Speaking and Talent Contest.

OPPORTUNITIES IN VO AG AND FFA

Numerous Stock Shows: Floyd County, South Plains Fair; State Fair of Texas, San Antonio, Houston, Abernathy and Plainview.

Leadership Development: Contest, Chapter Officer, Committee Appointments, Project Program and Community Activities.

Trips: Field Trips; Contest-Dist., Area, State, Nat.; Conventions-Dist., Area, State, Nat.; Leadership Workshops; John Deere Trip and Stock Shows.

Awards and Scholarships: Chapter Awards, Young Farmer Awards, Sanders Awards, State Awards, Local Scholarships 100.00-300.00, Area and State Scholarships 100.00-6000.00 and Stock Show Awards—Plains Grain, Chris Benn, Showmanship.

IMPROVED ECONOMY LIKELY TO BOOST DEMAND FOR COTTON

Representatives of the industry's seven segments were told this week by a National Cotton Council economist that modest growth of the world economy in 1983-84 is likely to result in better domestic and export demand for cotton.

He said this market improvement, together with a 1983 crop held down by the government's acreage reduction program, could cut the U.S. carryover by more than 2 million bales and bring it down to slightly over 6 million by August 1, 1984.

Dr. Dean Ethridge made the comments in an outlook report to committees preparing for the Council's annual meeting which was

held February 6 in Phoenix.

"The implication of this carryover level is that a second year of supply reduction programs will likely be necessary in 1984 to bring U.S. stocks down to an acceptable level," he stated.

Dr. Ethridge said the balancing of supply and demand will require aggressive selling along with supply adjustment, and a strong effort to preserve the industry's structure while adjustments are being made. This will involve some agonizing policy decisions and serve tests for the industry in the coming year.

The economist pointed out that the serious imbalance in cotton's situation is the result of two consecutive years of worldwide recession and bumper crops. U.S. cotton stocks, which totaled 6.6 million bales at the beginning of the 1982-83 crop year, are expected to be up at least 8.4 million bales when the season ends next July 31. While foreign stocks declined half a million bales during the season, Dr. Ethridge said the U.S. build-up is expected to make world stocks grow from 27.7 million to 29 million.

Emphasizing the potential

THE LOCAL FFA CHAPTER stays busy with many projects all year. In the top photo, Mark Bell, Scotty Windham and Brian Smith display a feeding trough Bell and Smith built. In the second photo, FFA members, from left to right, Ronald Harrell, Cletus Irlbeck, Eugene Crumpler, Allen Lester and Russell Shuey, stand in front of their next project, re-building the engine in this pickup. And in the bottom photo, one of the biggest projects of the year, Mr. Kelley and Russell Shuey prepare lambs for the Abernathy Project show. (Review Photo)

for error in projections for the coming crop year, the economist said the outlook for U.S. stocks to be reduced to about 6.1 million bales is based on a projected production of about 9.5 million bales, with domestic mill use pegged at 5.8 million and exports at 6 million.

1983 Abernathy Project Show Dedicated To Huffakers

The 1983 Abernathy Project Show will be dedicated to Mr. and Mrs. Donald Huffaker. They have been working in different areas of the show for sixteen years and have been loyal supporters for twenty-one years. Donald and Dean have continued to support the Project Show many years after their children graduated from high school.

Donald served as barn superintendent, has helped set up the barn for shows, and has helped clean up the barn when the show was over. As swine leader for the Abernathy 4-H Club, Donald gave much of his time each year going to pig sales to buy pigs, checking the pigs each week, and working with 4-H members and their parents. He was not reimbursed for his time or expenses. He tried to treat all members fairly and equally. Donald worked with the Ag teachers, so the Project Show had a unity of "all for one", not 4-H against FFA.

If you have ever sat by Dean in the bleachers, you find she is interested in each person showing, whether 4-H or FFA. Dean supported Donald while he was swine leader, helping in any way he needed assistance. At the Project Show, Dean was responsible for getting the concession stand organized. She worked with FFA as well as 4-H. She made sure the food was ordered and she co-ordinated the workers, many times working three or four shifts

herself. She has been responsible for many delicious hamburgers being served. The community wants to salute Donald and Dean for the many hours they have given to this community, taking time away from their own children to help others. Their enthusiasm has never slackened. They didn't do this work for their own glory. They did it because they appreciate this community and its people and they want to help keep it a good place to live."

LADY LOPES AGAINST COOPER...Pictured in the left photo is Sarah Miller, attempting to pass to another Lope fem, against Cooper in the Area playoff game. In the right photo, Johnna Harrell shoots for 2 points, in the final minutes of the game, as two Cooper fems crowd her. (Review Photos)

March 12, 13, 19, 20 — 48th Annual Azalea Trail, Houston. Drawing visitors from many states to enjoy beautiful spring blossoms, on view will be the River Oaks Garden Club building and gardens, Bayou Bend House and Gardens, and several private homes and gardens. For tickets and more information: River Oaks Garden Club, 2503T Westheimer, Houston 77098 (713 523-2483).

Panhandle Beef Parade Being Planned

A unique livestock contest which is expected to attract some 300 contestants from throughout Texas is being planned for Plainview June 23-25.

Named the Panhandle Beef Parade, the contest is open to 4-H and FFA members and is for both heifers and steers in all breeds, including a cross-breed classification.

According to current plans, the three-day program will begin on Thursday, June 23, with a barbecue and dance.

Activities for Friday, June 24, include the Beef and Breeds Parade. Leading the parade through downtown Plainview will be beef floats followed by breed floats from various 4-H, FFA and other groups.

Following the parade, steer and heifer weigh-in and measuring will be conducted at the Hale County Agriculture Center in Plainview, site of the contest.

The major thrust of the Panhandle Beef Parade is the educational aspect of the contest, with various training programs beginning

Friday evening. The program will include beef specialists from various colleges along with demonstrations in such areas as grooming, trimming, selecting and feeding beef steers.

Meat specialists are to cut up a beef and demonstrate grading, yield grading and associated activities. Films and reports from the Texas A&M University Steer Symposium also are to be presented.

Actual judging will be on Saturday by two nationally known livestock judges, Joe Lewis and Gene Raymond, both of Kansas. Heifers will show first, on Saturday morning. Breeding animals must be registered, with the crossbred heifer class requiring no registration. The youth entrants must own the heifers they are showing and bring proof of ownership. The heifer show will comply with the national association rules for that particular breed.

A fitting contest will be held about noon Saturday. That will be a junior and senior contest involving each heifer breed in which

Plainview, co-chairmen; and Jan Hamilton of Plainview and Patsy Leath of Stanton, secretaries.

Board members include Tom Hamilton, Bill Quattlebaum, Gary Fleicher, Dr. Larry Karrh, Mr. and Mrs. J.O. Bass III, James Belk and Ronnie Teichleman, all of Plainview; Melvin Chism of Earth; Hiram Begert and Richard Kiker, Allison; Bob Benson, Colorado City; Ricky Stark, Tulia; Jerry Williams, Lockney; Larry Golden, Aiken; Ted Harrison and Spencer Tanksley, Muleshoe; Richard Howard, Abernathy; Dr. John McNeill and George Sell, Amarillo; Mike Thomas, Lubbock; Andy Vestil, Crosbyton; and Tommy Stewman, Maryneal.

breed associations decide to participate. There will be trophies and scholarships given to the winners.

TCCA will sponsor the steer show under TCCA rules for all breeds. The champion will bring at least \$1,000, according to show organizers, and the reserve champion will bring at least \$500.

A non-profit show, all entry fee money will be distributed back to placing animals, with the costs of the program and contest being sponsored by cattlemen and businessmen from throughout Texas.

Executive officers for the contest, the only one of its type in the region, are Vernon Holcomb of Stanton, overall chairman; Ollie Linder and Phil Pinnell, both of

At least 150,000 species of flowering plants are known.

WOLF IRRIGATION

IN SPITE OF CONCERNS about the national debt, government spending and income taxes, for most of us "the economy" begins at home. According to Nancy Granovsky, a family resource management specialist with the Texas Agricultural Extension Service, Texas A&M University System, "the family remains the basic living unit, and the basic economic unit in this country." "In fact," says Granovsky, "recent research indicates that economic status-including poverty status-is largely dependent on changes in family composition such as divorce, marriage or remarriage, the birth of children, children leaving home and widowhood."

Cotton Board Field Rep. Speaks To Lions

"Everyone who has a stake in building markets for U.S. cotton can lend a hand."

This was the message of Cotton Board field representative Curt Wheeler to the Abernathy Lions Club recently.

He urged his audience to encourage support and recognition for the producer-funded Cotton Incorporated program as a way of helping themselves.

"Through greater producer support," he said, "this will allow Cotton Incorporated to do a better job in promoting U.S. cotton to the benefit of not just producers, but everyone in the cotton community."

First, he said that cotton producers have to have markets to compete, in fact that everyone in agriculture and cotton are acutely aware of in today's difficult business climate.

Secondly, he pointed out that Cotton Incorporated has benefited producers in expanding cotton's uses with the consumers and regaining markets once lost to synthetics.

This was supported in his presentation which showed specific gains for cotton in women's apparel, with a 56% gain by weight; men's dress shirts with a 43% gain for cotton; men's slacks with a doubling of cotton's share, and men's

knit sport shirts, with a 35% increase in cotton.

Thirdly the Southland native said that Cotton Incorporated's success in building markets is everyone's success.

"With expanded markets for U.S. Cotton, West Texas producers will be more profitable and productive," he said. "Everyone that has a stake in U.S. Cotton will benefit, too. The ginning industry...the cooperative or merchant industry...the seed crushing industry...the textile industry...the financial industry...agri-business, too."

As Cotton Incorporated's success depends upon pro-

ducer support, Wheeler's final point was to encourage greater support for the producer funded program.

"Cotton Incorporated needs strong producer support to continue aggressive market and product development programs through research and promotion," he explained. "Because everyone in Hale County has such a strong stake in U.S. cotton, it is in everyone's

interest to support the program."

The largest self-help program in agriculture, Cotton Incorporated is funded by producers based upon a per bale assessment which amounts to approximately \$2 per bale. The program is administered by the Cotton Board in Memphis, TN and conducted by Cotton Incorporated.

WTC Dusters WJCAC Champs - Irlbeck And Teal On Squad

The Western Texas College Dusters, 1982-83 champions of the Western Junior College Athletic Conference, will play their first game in the Region 5 tournament at 8 p.m. March 3.

The tournament will be held in the Dorothy Garrett coliseum in Big Spring with the first games on March 2. Clarendon College and Grayson or Cooke College will meet in the 6 p.m. game to open the tournament. The Dusters will play the winner of that game.

This is the first time the Dusters have won the conference title under fifth year coach Joe Cushing, although they tied for the crown

in 1978-79. They have never placed lower than second in the WJCA under Cushing's guidance.

The Dusters ended regular season play with a 25-6 record and were 12-0 in the conference.

Making up the Duster squad this season are Stacy Gaither and Karen Kuykendall of Lubbock, Ramona Irlbeck of Abernathy, Luann Kennedy of Post, Dale Pieper of Roscoe, Mary Nell Clayton of Roby, Sheila Heflin of Portales, N.M., Patricia Beach of Paint Rock, Norma Frazier of Merkel, Vicki Teal of New Deal and Terri Shaffer of Houston.

Abernathy Teachers Attend Teachers State Convention

Mrs. Patty Hall, President, and Mrs. Sharon Kester, Secretary-Treasurer, of the Abernathy Classroom Teachers Association, attended the Texas Classroom Teachers Association State Convention held at the Hyatt Regency in Austin February 18-20.

Mrs. Hall and Mrs. Kester attended computer and leadership workshops and a luncheon at which Gib Lewis, Speaker of the Texas House of Representatives, was the keynote speaker.

Lewis informed the T.C.T.A. delegates, 519 which represented 25,000 Texas teachers, on the following points pertinent to public education:

1. There is a critical teacher shortage in Texas today.
2. In 1974, Texas graduated 16,000 new teachers, but in 1982, only 7,000

teachers graduated from Texas colleges and universities.

3. In 1982, only 12 certified science teachers graduated from Texas universities.

4. The classroom population of Texas will increase by 13% by 1990.

5. The beginning salary in Texas for a classroom teacher is \$11,100, and Governor Mark White plans to try to get that figure increased to \$13,940.

6. Education will be one of the top priority issues of the 1983 Legislative Session.

In conclusion, Lewis said to the TCTA delegates, "Thank you for a job well done. You are the greatest, most skilled brain surgeons known to man. We entrust the minds of our children to you and hope that you can develop the kind of young

COTTON BOARD FIELD REPRESENTATIVE Curtis Wheeler, on the right, is pictured talking to Woody Parker at the Lions Club last Tuesday. Wheeler gave a talk and slideshow about Cotton Board programs presently being carried out and prospective future projects. (Review Photo)

Local 4-H'ers Place At San Antonio Stock Show

Hale County 4-H Club members exhibited steers last week end at the San Antonio Livestock Show, February 12-13.

Lonnie Howard, a 17 year old senior Abernathy 4-H member, did quite well when he exhibited the Champion Chianina steer, according to Tom Conerly, County Extension Agent-Agriculture.

Lonnie, the son of Mr. and Mrs. Richard Howard of Route 2, Abernathy, took the champion banner on Sunday with a 1,160 pound middle weight steer that Richard Howard, his father, sired and raised at home.

The same steer took 1st place honors in the middle weight Chianina Prospect Show at Fredricksburg earlier this past year.

Pepper Dodson, Plainview 4-H, exhibited the 12th place heavy weight Chianina.

The Junior Barrow Show was held Wednesday, February 16. Lisa Pettit, Abernathy 4-H, exhibited the 10th place light weight Crossbred barrow. Also exhibiting barrows were Joan Davis, Mandy Kelley, Matt Kelley, and Beth Windham, all of the Abernathy 4-H Club.

The 4-H Club members were accompanied by their parents, leaders and Extension agent's Conerly and Ollie Linc.

Are you and your family exercising to stay fit? Here's how to make those workouts less work for you. Always invest in easy-care exercise clothes in machine washable and dryable, no-iron fabrics to help prevent "laundry elbow." Coach everyone to drop heavily-soiled sports clothes into a special laundry bag or hamper, away from regular washables.

Choose the right toothbrush for your preschooler and get your youngster off to a healthy start in life.

GUESS WHO? They're not babies anymore. Do you know who these seniors are? If their identity escapes you, watch next week's edition when their names will be revealed.

Track And Tennis Season Here

Spring is almost up on us and with it comes all of the sports associated with Spring. Shallowater High School has already begun. The tennis and golf teams are starting to form.

The start of the tennis season began yesterday, March 2nd, as Shallowater traveled to Idalou for a practice tournament. Also, the track season will begin Saturday, March 5th, as Shallowater goes to a track meet in Seagraves. By Kirk Garner

Methodist Women Meet

The United Methodist Women of Shallowater met Monday evening, February 14th, in the church parlor for a regular meeting. The president, Mrs. Tommy Powe, presided.

The word was, "strength", and each member read a bible passage containing the word. After a brief business meeting, Mrs. Louis McMenamy began a study about the "People of the Pacific Islands." The study touched on the economy, the culture, and the transition from a life on the land and sea to the frustrations of city life.

Mrs. James McMenamy was hostess. Eight members attended. Their next meeting was held February 28th.

Service Center Seeking Part-time Consultants

TUESDAY: Chicken patties and gravy, mashed potatoes, green beans, hot rolls and brownies.

WEDNESDAY: Two tacos (beef and cheese), lettuce and tomatoes, pinto beans and mixed fruit salad.

THURSDAY: Hamburgers, lettuce, tomatoes, pickles and onions, french fries w/catsup and peanut butter cookies.

FRIDAY: barbequed beef, potato salad, baked beans, hot rolls and pineapple chunks.

People once believed that if their palms itched they would receive money.

George Washington - Truly The "Father Of America"

This week we celebrated George Washington's Birthday, or to be more exact, February 21 is the day we formally celebrated the event.

To me, this is a pretty important holiday. George Washington made many contributions to our great nation.

He was our first President. He was the General in command of American troops during the Revolutionary War. Washington helped

Peeking into our senior spotlight for the week we find Steve Williams and Renee Teas just waiting for a chance to be in the limelight.

First on the agenda is Steve Williams, son of Mr. and Mrs. Steve Williams. Steve, a born Lubbockite, works at the Shallowater Texaco where he uses the experience he gets in Ag. Mechanics. Incidentally, Ag. Mechanics is his favorite subject in school.

Steve is a true fan of county and western music and his hobbies are sports, especially football, and hunting. He also likes dating.

Steve's favorite foods are steak and potatoes, pizza and hamburgers. "The A Team" ranks number one with him as far as T.V. shows go. "North Dallas Forty" and "The Exterminator" compete for top positions on his "Great Movies" list.

Steve loves to have a good time (who doesn't) and he believes he has a good attitude about life. He considers playing on the State Quarter-Final football team to be one of his

Senior Spotlight... Steve Williams and Renee Teas

accomplishments. Steve is also an Honor Graduate (congratulations, Steve!)

Steve really enjoys being a senior. "It is just great. I just can't believe I made it." He also says Shallowater is a great school. Steve plans to go to college at South Plains.

Renee Teas

Next in our spotlight for this week is Renee Teas, daughter of Judy Teas.

Renee enjoys her duties as babysitter for Meg Darden. She also enjoys doing counted cross stitch.

Renee listens to any kind of music and her favorite T.V. shows include "Matt Houston", "Dynasty", and "M.A.S.H.". She lists "E.T." and the classic "GIGI" as the movies she

enjoyed most. She also enjoys eating Chinese food and pizza.

Cadet and Government are Renee's top-ranked classes. She is a member of FHA. Though not active in

sports, Renee likes to watch all the games.

Renee considers reaching the towering height of 4'11" to be one of her greatest accomplishments.

Renee's future plans include going to Texas Tech and having fun. By Debi Dirickson.

WORD of GOD

And God said unto Noah, The end of all flesh is come before me; for the earth is filled with violence through them; and behold, I will destroy them with the earth.

Make thee an ark of gopher wood; rooms shalt thou make in the ark, and shalt pitch it within and without with pitch.

Noah and they went into the ark, two and two of all flesh, wherein is the breath of life.

And every living substance was destroyed which was upon the face of the ground, both man, and cattle, and the creeping things, and the fowl of the heaven; and they were destroyed from the earth; and Noah only remained alive, and they that were with him in the ark.

Farm Bureau President Says Farmers Will Survive Economic Crisis

The new president of the Texas Farm Bureau believes the American farmers and ranchers will survive the current economic crisis facing agriculture because, like himself, they share an optimistic attitude about the future.

S.M. True Jr. of Plainview, elected in December at the Texas Farm Bureau convention in Dallas, recalled that he faced three options as a young man just returning home in 1945 after service as a Navy fighter pilot in World War II.

True could have become a civilian pilot, finished his college education at Texas Technological University which he began prior to the war, or followed in his father's footsteps as a farmer in Hale County on the South Plains.

He chose farming, a business which blossomed for him in the succeeding 37 years.

True produces cotton, grain sorghum, soybeans, wheat on his 960-acre farm near Plainview.

A native of Goree in Knox

County, True was one of eight children. The family moved to Hale County in 1933. He graduated from Plainview High School. After returning from World War II, True entered farming. He joined the Texas Farm Bureau in 1952, rising to the ranks of secretary-treasurer, vice president and president of the Hale County Farm Bureau.

True was elected to the TFB Board of Directors in 1975. He served two years as secretary-treasurer and was in his third year as vice president when elected president.

True serves on the Cotton Board, a quasi-government body empowered by Congress to administer the cotton's research and promotion program. He is a member of the boards of directors of Southern Farm Bureau Life and Casualty Insurance companies.

As TFB president, he is president of the Texas Farm Bureau Mutual Insurance Company, Texas Agricultural Marketing and Development Association, Texas Agricultural Service Com-

pany and the TFB Rural Health Association, Inc.

Locally, True serves as chairman of the Hale County Program Building Committee of the Extension Service, secretary of the Hi-Plains Hospital Board of Directors, president of the Hale County Fair Board and as a member of the Plainview Federal Land Bank Association. He is a past member of the Board of Directors of United Farm Industries, a local grain cooperative.

Just as his own farming career has proven highly successful, True believes the future of the family farmer remains promising. True sees the incentive inherent in family farming as a clear advantage over corporate farming operations.

Whereas corporate farm employees merely seek a salary, the family farmer seeks for both a profit and the challenge of outdoing his neighbor, True observed.

The competitiveness of a free enterprise system remains the stimulus for the family farm, True believes. A challenge facing True as he begins office is maintaining Texas Farm Bureau's newly-achieved number one status among state Farm Bureaus with 306,359 member families. TFB reached that plateau in 1982 with a gain of 30,112 member families.

True is married to the former Anna Jean Roberts. They have one son, David, of Dumas, and a young grandson, Blaine. The Trues are active members of the Plainview First United Methodist Church.

The Trues were named Hale County Farm Bureau "Family of the Year" in 1964. True was chosen 1979 "Man of the Year" in agriculture by the Texas County Agents Association.

The severe economic recession and a large cotton textile trade deficit were primary causes of the decline in consumption.

Mill use of all fibers fell to 20.8 million bale-equivalents last year, 12.2 percent below the 1981 level.

COTTON IN LOAN INCREASES: Cotton producers had placed a total of 4,696,101 running bales of 1982-83 upland cotton under the CCC loan program by February 16, according to the U.S. Department of Agriculture. Repayments had been made on 457,179, leaving loans outstanding on 4,238,922 bales.

"We are always getting ready to live but never living."

HAPPY BIRTHDAY TO:

John Otero, Jr., Tammy Williamson, Steve Cooper, Mary Ann Vines, Freda McNew, Marvin Dudley, Debbie Worsham, Betty James, Chuck Thiel, Patti Scarbrough, and Connie Scarbrough.

SCOUTS SPONOR BASKETBALL SHOOTOUT

The New Deal Scouts will sponsor a basketball game between the KLLL Team and the New Deal Coaches in the High School Gym Tuesday, March 8th at 8 p.m. There will be a charge of \$2 for adults and \$1 for students. Concessions will be available, and at halftime of the game, there will be an auction of Homemade Cakes. Everyone plan to attend and help the scouts and support the coaches.

JIMMY ATTEBURY was Mr. New Deal in 1970. He married to the former Sharla Teston and their two children are Gayla and Alicia.

REMEMBER WHEN:

Do you remember when a New Deal Student helped as Master of Ceremonies at the All Sports Banquet and was M.C. at the Jr.-Sr. Banquet? He claims to be the handsomest, smartest, ruggedest, most talented boy that ever graduated from NDHS. (I know the news is suppose to be the truth, but once in a while there is a slip-up!) He was named Mr. New Deal that year (somehow) and Belinda Bigham was named Miss New Deal. He lettered 3 years in football and was named All District Offensive Guard, Honorable Mention All Dist. Linebacker and All South Plains Linebacker. The year was 1975. Also named to the All District Team was Chuck Thiel as Defensive Back, Timmy Attebury as Defensive End, and Clark Agnew, Offensive Back, James Thiel, Noseguard, Freddy Harkey, Tackle, Gregg Ford, Defensive Back, and Rusty Abbe, Tackle, Honorable Mention All-South Plains were Chuck Thiel Quarterback and Defensive Back and Freddy Harkey, Defensive Tackle. Named to the All South Plains Team as Tackle was

By Garnett Wassen

BASIC POSTURE: place left elbow on table and rest cheek in palm of left hand. Not only does this convey the impression of listening intently, but it allows easy use of one finger tip to prop up a heavy eyelid while drawing the lower lid down with another finger. Further, the position of the palm is appropriate in stifling an oncoming yawn.

IF A YAWN cannot be suppressed: either upset a drink or simply drop a lighted cigarette behind the sofa. While on hands and knees during the ensuing excitement, you can safely dispense with the yawn. If one's timing is precise, it is occasionally possible in the circumstance to continue creeping on all fours out of the room.

IN LISTENING to a funny story: keep in mind that it is important to laugh in the right place, particularly if the narrator is your employer. Sometimes the listening employee is so eager to impress his boss he jumps the gun and bursts into guffaws at the first pause in the narrative. His hasty efforts to disguise his laugh as a hacking cough are hardly convincing, and the unfortunate bobble makes him so tense that the next time the boss stops for a breath he goes into even louder gales of laughter. In this situation the listener is rarely able to muster anything better than a watery smile when the punch line actually arrives-joined, perhaps, with some lame remark like, "I certainly have got to remember that one."

THIS WEEK IN LION COUNTRY:

Thursday, Friday & Saturday, March 3-5...Houston Stock Show and Young Farmers Volleyball Tournament.

Saturday, March 5...Boys Track Meet at Idalou.

Monday, March 7...Lions Club-New Deal Clubhouse.

COMING EVENTS

Friday and Saturday, March 11-12...Brownfield Tennis Tournament.

Saturday, March 12...Boys Track Meet at Friona.

March 11 to March 21...SPRING BREAK.

From the 1983 Farmer's Almanac

RECIPE CORNER

Since Strawberry Season is approaching here are sev-

eral Strawberry Recipes:

Strawberry Delight: 1-8oz. pkg. cream cheese, 1 small pkg. frozen strawberries, 2 pkg. dream whip, 1 1/2 cups miniature marshmallows, 1/2 cup chopped nuts, 1/2 cup coconut, optional.

Blend cream cheese and marshmallows. Whip dream whip as directed on pkg. Add to cheese and marshmallows in blender. Add strawberries and nuts. Blend together. Let set awhile in refrigerator.

SCHOOL MENU

March 7-11

Breakfast

MONDAY: Fried Eggs, juice, toast, milk.

TUESDAY: Cinnamon Rice, toast, juice, milk.

WEDNESDAY: Corn flakes, juice, toast, milk.

THURSDAY: Bacon and gravy, hash browns, sliced bread, milk.

FRIDAY: Hot cakes, syrup, juice, butter, milk.

Lunch

MONDAY: Corn dogs, cheese sticks, green beans, tossed salad, peach slices, hot rolls, milk.

SECOND CHOICE: Hamburgers, french fries, lettuce, tomato, onion, pickles, milk.

TUESDAY: Fried fish, macaroni and cheese, tarter sauce, pinto beans, fried orka, fruit cake, whole

Strawberry Pie: 1 cup water, 2 Tbsp corn starch, 3/4 cup sugar, Red food coloring (a few drops), 4 tbsip strawberry jello, Strawberries, fresh, washed and halved, Cool Whip or Whipping Cream, 9 in. pie crust.

Cook until thick; water, cornstarch, sugar and food coloring. Add jello. Cool. Pour over strawberries in pie crust. Let cool outside refrigerator, if possible. After cool, top with cool whip or whipped cream.

wheat rolls, milk.

SECOND CHOICE: Corn dogs, cheese sticks, french fries, tossed salad, milk.

WEDNESDAY: Beef and cheese pizza, buttered corn, tossed salad, fruit cup milk.

SECOND CHOICE: Chickenburgers, french fries, tossed salad, milk.

THURSDAY: Fried chicken and gravy, green peas, creamed potatoes, cherry cake, hot rolls, milk.

SECOND CHOICE: Pizza, french fries, tossed salad, milk.

FRIDAY: Hamburgers, catsup, mustard, salad dressing, french fries, lettuce, tomato, onion, pickles, cookies, buns, milk.

SECOND CHOICE: Fish and cheese burgers, french fries, tossed salad, milk.

COTTON TODAY

A NATIONAL COTTON COUNCIL SERVICE

COTTON USE IMPROVES: To begin the new calendar year, cotton consumption by U.S. mills increased 7.6 percent, rising from a 5-million-bale rate in January, according to the National Cotton Council.

Cotton's share improved appreciably, climbing from 23.3 percent in December to 25.8 percent in January. Total mill fiber consumption dropped to a seasonally

adjusted annual rate of 20.8 million bale-equivalents, 2.8 percent lower than December but 7.6 percent ahead of the year-ago rate.

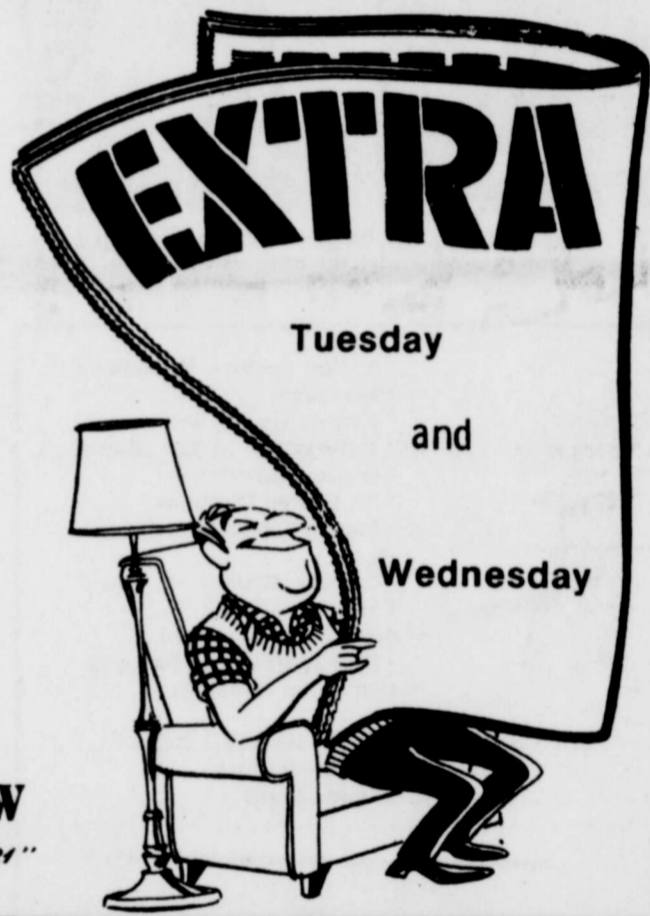

Use of cotton during calendar 1982 totaled 5.2 million 480-pounds bales, down 8.6 percent from the 5.7 million consumed in 1981. However, cotton's share of total fiber use rose from 23.9 percent in 1981 to 24.9 percent in 1982.

City Sales Tax Rebated To Area Towns Up For February

State Comptroller Bob Bullock Monday returned \$114.3 million in local sales tax payments to 974 cities who levy the one-percent city sales tax.

Although the payment is the largest single one returned to cities since the rebates began in 1968, Bullock warned merchants and city officials not to make too much of it.

"Our sales tax goose is still laying golden eggs but they are not growing as fast as they used to," Bullock said. The Comptroller pointed out February allocations, based on sales made in December, are traditionally the biggest of the year.

"Last February we made an allocation that was 16 percent higher than the previous year, which was 16 percent higher than the year before that," Bullock said. "This February, our allocation is only 7.49 percent higher than February 1982. And a good deal of this is because of streamlined procedures we're using to get as much city revenue back to the city that collected it just as soon as possible. If we took out the part of the increase due to processing improvements, the rate of growth over last

February would look even smaller."

Hale County rebates are up 10 percent for the overall county total. This is due to most towns in the county showing increases over 1982.

Abernathy will receive a check for \$9,577, up 27 percent from last year's payments at this time. 1983 rebates to Abernathy to date amount to \$11,733.

Petersburg will be rebated \$4,237 this period, up 15 percent, bringing that city's 1983 total to \$4,237. Petersburg did not receive a rebate check in January.

Hale Center will be rebated \$6,157 for February, a 24 percent increase over 1982 at this time. This will bring that city's 1983 total to \$6,677.

City sales tax rebates for Lubbock County towns are as follows: Edmondson will receive a check for \$413 this period, down 42 percent, bringing that city's total to \$721 thus far for 1983.

New Deal will be rebated \$831, up

45 percent, bringing that city's total to \$831.

Idalou will receive a check for \$5,999 this period, a 30 percent increase, bringing that city's total to \$7,410 for 1983.

Slaton will be rebated \$32,079, a 20 percent increase, bringing that city's total to \$38,863.

Up in Swisher County, Tulia will receive a check for \$20,664, up 35 percent, bringing that city's total to \$25,784.

Happy is up 38 percent and Kress 30 percent this period.

For Floyd County, Floydada will be rebated \$15,640 this period, up 3 percent, bringing that city's total to \$18,858. Lockney is up 22 percent.

The City and MTA sales taxes are collected along with the state sales tax by merchants and rebated monthly to the cities in which they are collected by the Comptroller.

DIRECTOR OF AGING PROGRAMS for the South Plains Association of Governments, Robert V. Marshall, on the left, was at the city-wide meeting concerning the Abernathy Senior Citizens Center held Monday, February 21. On the left, HB Coggin was one of the senior citizens who had a question for Marshall. (Review Photo)

"A GLANCE AT THE PAST"

By Helen Wade

FROM THE ABERNATHY WEEKLY REVIEW DATED FEBRUARY 12, 1959:

Abernathy Hot Rod Club is to meet in the City Hall. Officers are to be elected, and plans for the year's activities will be discussed.

The Home Demonstration Club met February 6 in the City Club house with Mrs. G.D. Clapp as hostess. Mrs. Thomas Conner opened the meeting with a poem. The program and demonstration on "Monty McClevy's Figurama" was given by Mrs. B.L. Farley, guest speaker, assisted by Mrs. S.M. Smith and Mrs. R.G. Loper. Other guests and members attending were Mmes. Emmett Loper, A.N. Johnson, T.A. Brewer, Millard Hancock, Lee Roy Smith, M.M. Bell, R.L. Hall, Thomas Conner, W.F. Wolf, Melvin Johnson,

W.H. Loyd, R. Knight, E.L. Cain, J.B. Herring, Earl Davis, and the hostess. The next regular meeting will be on Friday, February 20, in the City Club House. Mrs. M.M. Bell will serve as hostess. The program will be on "Safety in the Home."

The Abernathy girls basketball team retained its title as queens of the West Texas hardwood last weekend by winning the Hardin-Simmons University Girl's Basketball Tournament at Abilene for the second straight year. The Abernathy girls' concluded the giant 16-team girls' tournament Saturday night by defeating three-time tournament winner Hawley, 70-48, in the championship game before a capacity crowd of about 2,500 spectators in Rose Field House. With the aid of the top five

guards, Billie Houston, Lera Johnson, Paula Apperson, Lesa Habbinga and Carolyn Northcutt, the Abernathy forwards doubled the Hawley team at the end of the first half, holding a 34-17 lead.

The Abernathy School faculty, 1918-1919, was composed of six persons. They were Mrs. Sam Smith, George Ragland (just back from duty in World War I), Mrs. Ola Legg, Mary Evans, Drucilla Shopshire and Mrs. Boyd superintendent.

A group of Hale County land owners and farmers are organizing to oppose the application of 25 Hale County citizens in 64th District Court for an injunction against the commissioners court of Hale County to prevent use of county earth moving machines, bulldozers, trucks, graders and similar equipment for any private purpose, except soil conservation and work of public benefit. Among the leaders in the movement are Tommy Applewhite, L.F. Lowry, Earl Jean Beach, Peyton Barrington, Fred Hubbard,

Oscar Allen, Harmon White, Dick Sturdivant, and others of Cotton Center, where the movement originated.

FROM THE ABERNATHY WEEKLY REVIEW DATED DECEMBER 7, 1972:

Dr. Robert DeLaney, M.D. is returning to Abernathy to re-open his office at 917 Ave. D., here starting Jan. 2.

Two Abernathy boys, Douglas and David Loper, were selected to sing in the All-Regional Choir to be held in Lubbock. There were four Abernathians competing: David, singing baritone, was selected out of 40 others, and Douglas was in competition with 26 others singing tenor. Douglas and David are sponsored by Dovey Barron and Ruth Fulton. The boys are sons of Mr. and Mrs. Mayo Loper.

A daughter, Julie Kathleen, weighing 9 pounds 1 ounce, was born Nov. 28 to Mr. and Mrs. Gary Stalcup. The father is a teacher in the local school.

County Population Growth To Have Severe Impact On County Roads

An anticipated 56.73% growth by the year 2000 in Hale County will have a severe impact on all aspects of the transportation system, Ben Alley, District Engineer, District Five, State Department of Highways and Public Transportation, Lubbock, said today.

"The increase in population will probably bring an increase in vehicles of at least 50 percent—and that is a very conservative estimate," he said.

"When you consider that everything we eat, wear or use has to be transported at one time or another, you

can easily see the fantastic impact that our projected growth will have on our aging transportation system."

Ben Alley went on to note that Texas already has more traffic on many highways than can be handled efficiently.

"The addition of half again as many vehicles, or more, to those streams of traffic clearly underlines the need for enormous programs of improvement and maintenance," he said, adding that all types of trucks and service vehicles will be needed to serve the growing

population, as well as personal automobiles.

"Here in District Five we are looking at an anticipated increase in population from 420,580 to 687,961 in the year 2000. Hale County population is expected to increase from 37,592 to 58,916. That represents an anticipated increase of 63.57% for District Five and an anticipated increase of 56.73% for Hale County, as compared to a 50% increase in population expected statewide. That will be an increase from 14 million to 21 million population statewide.

"We are facing this influx of new Texans with a system that is fast becoming obsolete. We not only need new facilities to provide the road networks for an expanding future, but we desperately need to rebuild and modernize what we have now."

Mr. Alley went on to say that the State Department of Highways and Public Transportation has made a considerable effort to identify what needs to be done and to set priorities for its construction and maintenance projects during the coming years.

"The Department will apply modern planning, construction, maintenance and management techniques in providing for a transportation system that will meet anticipated growth," Mr. Alley concluded.

480, and anything else we can think of to hold or increase our market share while we work stocks down."

Despite cotton's currently difficult situation, Breihan said the cotton industry has some promising things going for it now that it didn't have at this time last year.

Among those cited were: (1) sharply lower inflation and interest rates, (2) improved cotton consumption here and abroad, (3) a large share of the domestic market, and (4) stronger government programs to bolster income and markets.

Breihan completed his term as Council president at the annual meeting and moved to chairman of the Board.

"We have to sell, sell, sell with all our might," he said. "We have to push domestic and overseas promotions, technical services, export credit, payment-in-kind, enhancement of PL-

FREE CLINICS THIS WEEK AT COMMUNITY HOSPITAL

HEALTHLINE clinics continue at Community Hospital of Lubbock as a public service to the Lubbock community. Clinics are held at the hospital, 5301 University Avenue, and are free of charge. Reservations are required. For reservations or information, call Volunteer Services, 795-9301, extension 113.

Tuesday, March 8, from 1 to 3 p.m., Dr. L.R. Hsu will conduct a Urology Clinic. Dr. Hsu will examine men, women, or children having urological problems. Common problems in this area include blood in the urine, frequent or painful urination, and bed-wetting. Dr. Hsu will be glad to discuss any urological problem with his patients.

Thursday, March 3 and March 10, from 1 to 3 p.m., Dr. Gary Raymond will conduct Podiatry Clinics. Dr. Raymond will examine men, women or children having problems with their feet or ankles. Reservations are required for this clinic, also. For reservations or information, call Volunteer Services at 795-9301, extension 113.

Every Wednesday afternoon, from 1 to 3 p.m., a Blood Pressure Screening Clinic is held in the lobby of the hospital. No reservations are required for this clinic. For more information of HEALTHLINE clinics, contact Ann L. Graff at 795-9301, extension 163.

POTTERY CLASSES TO BEGIN MARCH 7

The Mackenzie Terrace Pottery Center, a Parks and Recreation Department program, is now conducting registration for pottery classes. Classes will begin on March 7, 1983.

The Pottery Center, located at 407 E. Broadway, is designed to provide professional services to community aspirants and individual artists in the ceramic arts. The pottery centers' activities and services include class programs, workshops, and provides work space and facilities for individual artists presently without those benefits.

The ceramic classes will meet two times a week for three hours. Each class will last for six weeks.

For additional information, contact the center at 762-6411, extension 2684.

BLACKWOOD BROTHERS TO PRESENT PROGRAM

Due to the snow storm January 22, 1983 the Blackwood Brothers concert was cancelled. They have re-scheduled their program for Friday, March 4 at 8 p.m. in the Municipal Auditorium in Lubbock. Admission is free.

Plainview Art Show Accepting Applicants

The Running Water Draw Arts and Crafts Festival is accepting applications from potential participants. Featuring handcrafted items, the show is set for October 14-16, 1983 at the Hale County Agriculture Center.

Co-sponsored by Plainview Rotary Club and Llano Estacado Museum, the show is in its ninth year. Deadline for application is April 1. Applications are available from director Rob Strong, Llano Estacado Museum, Plainview 79072.

SCHOLARSHIPS AVAILABLE AT MIDLAND COLLEGE

Students wanting to study journalism on the college level are invited to apply for scholarships to Midland College, it was announced this week by Ralph L. Sellmeyer, Allison Professor of Journalism at Midland College.

The scholarships will pay for books, fees and tuition at MC, Sellmeyer said, and are provided through an endowment fund left the school by the James Allison family, former publishers of the Midland Reporter Telegram.

In addition to the Allison scholarships, students may also apply for paid staff positions on the Midland College weekly newspaper and/or magazine (published each semester), and also for the college-work study program. Those who participate in the paid staff and work-study programs can earn much of their room and board cost, the MC journalism instructor said.

Those interested should write for applications to: Ralph L. Sellmeyer, Journalism Department, Midland College, 3600 North Garfield, Midland, Texas 79701. Applications should be received by June 1, 1983.

RECEPTION FOR AREA YOUNG HOMEMAKERS FRIDAY

The Texas Tech University College of Home Economics will be host for a reception for all area Future Homemakers of America (FHA) members March 4.

The reception will be 3-5 p.m. in El Centro in the Home Economics Building. The Texas Tech Raiderettes will perform. Saddle Tramps and Home Economics Recruiters will be hosts and hostesses.

High school students and their teachers will meet and visit with university students and tour home economics facilities.

Teachers and students planning to attend should contact the College of Home Economics. For more information, call 742-3031.

LUNG ASSOCIATION OFFERS LOCAL PROGRAMS

Flexibility and adaptability to fulfill local needs and situations are the outstanding features of the community education programs offered by the American Lung Association of Texas.

Programs are planned for people of all ages with chronic breathing problems and disabilities. Activities include: The Family Asthma Program; Better Living, Better Breathing Clubs; and Freedom From Smoking a self-help guide to independent smoking cessation. For those unable to stop smoking without peer support, new materials have been produced to provide information for use in group sessions.

Anyone wanting information on any of these programs should contact the American Lung Association of Texas at 7701 N. Lamar, Suite 104, Austin, Texas 78752-1008.

DIV. OF CONTINUING EDUCATION CLASSIFIED OFFERED IN MARCH

Classes in photography, film and medical terminology are among the courses offered by Texas Tech University's Division of Continuing Education in March.

"Intermediate Photography" will meet 6:30-9:30 p.m., Thursdays, March 24 through April 21, in Room 110, Mass Communications Building. Instruction will review exposure techniques, lenses and flash and will cover the zone system of exposure, studio techniques of lighting and portraiture as well as astronomical photography. Fee is \$45.

People in professions requiring a knowledge of medical terms may participate in "Medical Terminology," 7-8:30 p.m. Tuesdays and Thursdays, March 22 through April 21. The class will teach a word building system by reviewing anatomy, physiology and the appropriate terms for normal and abnormal body functions. The class meeting in Room 5B200, Texas Tech Health Sciences Center, costs \$45.

"Beginning Conversational French" will meet 7-9 p.m. Tuesdays, March 22 to May 10, in Room 217, Continuing Education-McClellan Hall. Students will learn basic vocabulary, grammar and sentence structure as well as simple conversational phrases. Fee is \$35.

The second session of "Super Saturdays," a program for students with high potential, will begin March 26. Students in grades one through 12 may attend classes including: creative writing, electronics, computers and leadership. Classes meet after school as well as Saturdays and cost \$40 to \$50. Students must be nominated by a parent, teacher, counselor or other qualified adult.

For more information on these and other continuing education classes, contact the Division of Continuing Education, Box 4110, Texas Tech University, Lubbock, Texas 79409, (806) 742-2354 or 742-2353.

LEVELLAND SENIOR CENTER PLANNING SUMMER TOURS

The Hockley County Senior Center in Levelland, Tx. is planning several trips we think you will like.

The first is a 14-day cruise to Alaska and Canada with six ports of interest beginning June 18 - to July 2 on the beautiful 25,000 ton TSS Fairsea. This beautiful craft has every luxury you could wish, including live entertainment every evening with music from the big band era, professional comedians, singers and dancers and different lounges and movie theatres. The food, included in the overall cost, is the best you will find anywhere. You will be treated like royalty on this cruise while seeing the magnificent splendor of Canada and Alaska.

The other tour being completed at this time is a Northeast and Pacific Coastal Tour by charter bus. This tour will take in some of the most beautiful scenic countryside in the United States, going all the way to Victoria, Canada and back down the Washington, Oregon and California Coastline. Inland the route will include Salt Lake City, Yellowstone, Durango, Colo., Las Vegas and many, many other points of interest. This beautiful tour will fill up quickly. It is your preference please get your name on the list early! We will be getting out more information shortly as to price and date of departure.

Send inquiries to Hockley County Senior Citizens 1202 Houston St. 79336 Tel. (806) 894-7642 or 894-9939 and ask for Ruth Warren.

SBA'S "ANSWER DESK" PROVIDES HELP TO SMALL BUSINESS OWNERS

Lubbock, February 24...Have you called SBA's "Answer Desk" yet? According to Philip J. O'Jibway, district director of the local SBA office, "Answer Desk" received some 15,000 calls during its first three months of existence.

Manned by SBA's Office of Advocacy, the "Answer Desk" became operational in October 1982. SBA experts are prepared to handle questions from small business persons needing help or guidance with problems connected with their firm and the U.S. Government.

Interested persons may dial, toll free, 800/368-5855 Monday through Friday from 8:30 a.m. to 6:00 p.m. (EST). During other hours, calls will be handled by a recording device and answered the next business day.

TRANSITION

Mary Humphrey

Services for Mary Helen Humphrey, 67, of 5401 56th St. were at 4 p.m. Thursday in First Baptist Church in Abernathy with the Rev. Lloyd Riddles, pastor, officiating.

Burial was in Abernathy Cemetery under direction of Chambers Funeral Home.

She died at 10:05 p.m. Tuesday in Methodist Hospital after a lengthy illness.

She was a native of Bloomburg and had lived in Lubbock for the past 10 years. She also lived in Lamesa from 1937 to 1950 and in Abernathy until 1966.

She was a substitute school and was a secretary for Thompson Implement Co. in Abernathy.

She was a Baptist.

Survivors include a daughter, Sharon Richardson of Abernathy; two sons, Neal of Arlington and William F. of Lubbock; a sister, Mrs. D.A. Womack of Atlanta; a brother, Raymond Patterson of Stamp, Ark.; eight grandchildren; and a great-grandchild.

Her grandsons served as pallbearers.

Robert Shuey

Services for Robert G. Shuey, 82, of 5502 Fourth Street, were at 2 p.m. Thursday at the Church of Christ in Abernathy with Condy Billingsley, minister, officiating.

Burial was in Abernathy Cemetery under direction of Chambers Funeral Home.

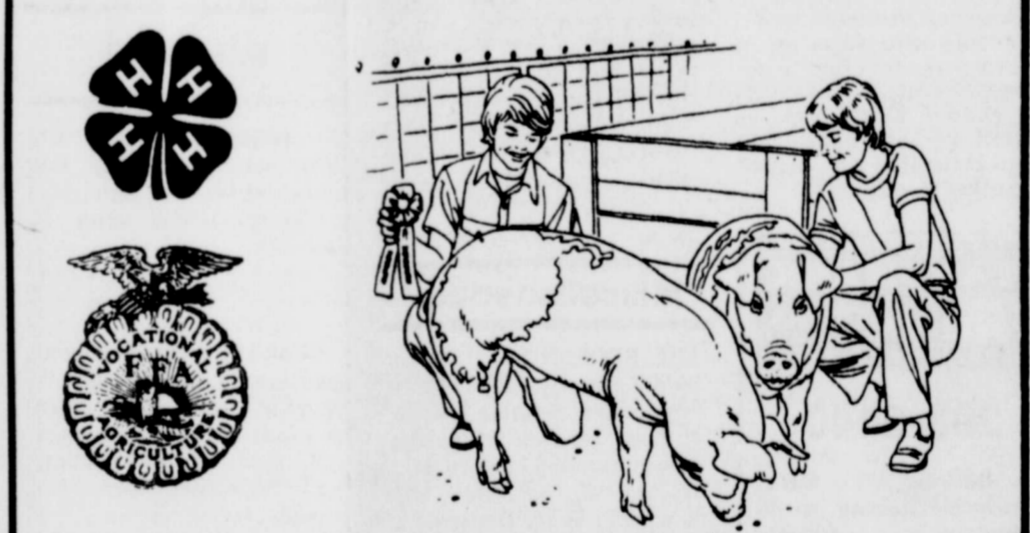

He died at 7:45 p.m. Tuesday in Methodist Hospital after a brief illness.

He was a native of Oklahoma Territory and moved to Hale County in 1926. He had lived in Lubbock since 1979. He was a retired ginmer.

Survivors include four sons, Jimmy of Abernathy, and Kenneth, Barney and Eugene, all of Lubbock; 11 grandchildren; and five great-grandchildren.

He is also survived by four sisters: Julie Taylor, of Carville, Louisiana, Pearl Whitley of Breckenridge; Alpha Kelley of Abernathy; and Maurine Gregg of Floydada.

Pallbearers were elders of the Abernathy Church of Christ.
