## Howard-Davis Take Top Honors At Plainview

Lonnie Howard and Joan Davis took top honors in the steer division at the 48th annual Plainview Stock Show held last week.

Howard's 1,166 pound Maine Anjou and one-quarter Chianina Cross first took champion honors in the light heavy weight class. Then the steer was later pronounced the Grand Champion. Lonnie is the son of Mr. and Mrs. Richard Howard.

Joan Davis showed the Reserve Grand Champion. Joan is the daughter of Mr. and Mrs. Jimmie Davis.

In addition to taking the grand and reserve grand championship honors, the two Abernathy youth also took steer showmanship honors, with Howard finishing first and Miss Davis finishing second.

Dan Evans, Abernathy FFA, son of Mr. and Mrs. Randy Evans, had the Campion Medium Wool Lamb, with

the reserve champion shown by Gilbert Blanco, Abernathy FFA, son of Mr. and Mrs. Lee Blanco.

In the barrow division, Mandy Kelley, an Abernathy 4-H member, showed the Champion Duroc. She is the Daughter of Mr. and Mrs. Gerald Kelley.

Reserve breed champion barrows included: Amy Pettit with her Reserve Champion Hampshire, an FFA member and daughter of Mr. and Mrs.

Thomas Pettit; Susan Stone with her Reserve Champion Other Pure Breeds, an FFA member and the daughter of Mr. and Mrs. A.L. Stone; Beth Windham with her Reserve Champion Cross, a 4-H member and daughter of Mr. and Mrs. Scott Windham.

Holly Shafer won second place for barrow showmanship. She is a 4-H member and the daughter of Mr. and Mrs. Donnie Shafer.

## Abernathy Girls Invitational Track Meet Saturday

The Abernathy Girls Invitational Track Meet will be held this Saturday at Antelope Stadium. Six schools will be competing on the varsity level and

eight on the Jr. High level.

Varsity teams entered in the meet are Littlefield, Muleshoe, Morton, Shallowater, Roosevelt and Abernathy Jr. High teams in the meet are Littlefield, Muleshoe, Morton, Shallowater, Roosevelt, Canyon, Frenship and Abernathy.

## Emergency Sirens To Be Tested

The Abernathy Fire Department will be testing the civil defense sirens the morning of March 25 (Friday).

If the weather is poor that Friday, the sirens will be tested the next day, Saturday, March 26. The weather will need to be pleasant so locals will not really think there is a tornado or threatening weather conditions when the sirens are tested.

## Antelopes Compete At Idalou And Floydada

The Abernathy Antelopes recently competed in the Idalou and the Floydada Track meets.

In the Idalou meet held March 5th, Harold Miller gave the best performance at the meet for Abernathy as he placed 6th in the 200 meter run with a time of 23.9.

At the Floydada meet held March 12, Allen Lester placed 2nd in the high jump with a 6 foot jump. Randy Houston placed 5th in the pole vault with an 11 foot vault. The 400 meter

relay team placed 5th with a time of 46.2. Members of this relay team are Billy Cooper, Chester Cooper, Darrell Young and Harold Miller.

This Friday and Saturday the Antelopes will be competing at the San Angelo Relays. The rest of their schedule for the year is as follows:

Post Relays - April 2  
Abernathy Invitational Relays - April 9  
District Track Meet - April 19

new billing date as shown on your statement. A General Telephone official stated that this move was being taken to expedite customer service in our local service offices.

If you have questions concerning the billing change, please contact your local telephone business office.

## Student Council To Participate In Easter Seal Telethon

Abernathy High School Student Council members will be co-hosting, manning phones, and working in all phases of the Easter Seal Telethon on KCBD Channel 11 Saturday, March 26 through Sunday, March 27. These students can be seen on TV at the telethon from 1 to 2 a.m. Sunday morning manning the phones and helping with the drive.

These students are part of a new program headed by youth group coordinator Chris Graham of Lubbock. The Abernathy Student Council has been working toward helping the disabled through their effort for the Easter Seal Society.

The Student Council will also raise money by working at the concession stands at the Abernathy Track Meet this Saturday. They will need to raise

at least \$250 for Easter Seals in order to participate in the telethon Saturday evening and Sunday.

Local sponsors of this project are Betsy Aldridge and David Lanchart.

## One Of Abernathy's Oldest Businesses Changes Hands

One of Abernathy's oldest businesses has had a change of ownership recently.

Lon's Cleaners (Viv's Place), has been owned and operated by Lon and Vivian Carmickle for the past 35 years, making it one of Abernathy's oldest businesses.

The new owners are Mr. and Mrs. Richard DuBose. The transfer of ownership went into effect January 1, but this story has been held pending the changing of the name of the business from Viv's Place to Billie's.

### From C And H to Viv's Place

The business has gone through a lot of changes the past 35 years. It all started in 1947, when Lon Carmickle and Cotton Hodges decided to go into partnership in the cleaning business. They called their new cleaning business C and H Cleaners and had the partnership for the next two years, 1948 to 1950. At this time, the business was located where Hubbard Insurance is presently located.

In 1950, Lon Carmickle became the sole owner of the business and the name was changed to Lon's Cleaners. The business was moved to its present location. The cleaning business made it through the best and worst of times for the next 19 years. Then, in 1969, Lon decided to include clothing fashions along with cleaning services. He became a retail dealer of the latest clothes fashions and changed the name of the business a third time to Lon's Cleaners and Fashions in 1970.

After 32 years of managing the business, Lon decided to let Vivian take over as manager and it became Viv's Place in 1980. Lon has been retired for the past two years, but his three oil wells in Floyd County, which are the only active wells in Floyd County, have been keeping him busy since then. Lon stated that he enjoyed all those years in the cleaning business. "Material has changed continuously since 1947, this has always kept the cleaning business interesting for me," he said.

Vivian managed the business for the next two years until January of this

year, when it became Billie's.

### New Ownership

Although the business is under new ownership, Billie's will continue to provide the cleaning service, make alterations and will carry the latest fashions in junior and misses sizes.

Billie is the new manager, but Montez Rogers and Vivian Carmickle

are still there to help Billie with their professional expertise in cleaning, fashions, and alterations.

The new hours at Billie's are weekdays from 8 a.m. to 5:30 p.m. and Saturday from 8 a.m. to 4 p.m.

An added feature to Billie's is "Something Special," which is a jewelry and accessories counter with many unique gift items.

**BEEN IN ABERNATHY SOME 35 YEARS...**and one of the oldest businesses in town was Lon's Cleaners - Viv's Place. The store has changed hands and the new owner is Billie DuBose. She is pictured in front of the store in which she calls "Billie's". (Review Photo)

## ON THE COUNTY LINE

BY KEITH TOOLEY

**TOO MUCH RED TAPE?** Ask the folks at the Happy I.S.D. The Happy School District filled out some 50 pages of evaluation forms to apply for \$354 in federal vocational aid. School officials followed the rules for acquiring the funds and set up two special committees to evaluate the high school's family relations class.

Because there is too much red tape when doing anything connected with the government, the Happy School District probably lost on this deal because committee members spent many hours and tied the time of many teachers in doing the evaluation and filling out the papers.

We know that this happens all the time. School administrators, city officials, county officials and even farmers who signed up for PIK have to go through a lot of red tape.

Sure, the most necessary papers should be filled out, but when it is a waste of time and money - as it was at Happy, it makes you wonder if it is worth the trouble.

**WE WILL TRY** to get a complete list of the contributors to the Senior Citizens Center in next weeks paper. Just the names will be printed, not the amounts contributed. Those who did not make their donations to the bank fund or the Chamber of Commerce, might want to give us a call so we can put your name on this list.

**COME ON DOWN** to the Review and buy some Pinus Eldarica (desert pine trees). We have approximately 99 trees for sale at \$3 apiece. This project is sponsored by the Chamber of Commerce and money raised from the tree sale will go to the Senior

Citizens Center. So buy some trees. It will improve the appearance of your home and help the Senior citizens Center get started.

**THANKS TO THE LOCAL** supporters of the Abernathy Project Show and the Plainview Stock Show, both of these shows were a success. Be sure and tell the contributors, buyers and sponsors who made these shows possible and a success that you appreciate them. It is not an easy year for these folks, but they came through as always. Be sure and give them a call and tell them you appreciate them buying or contributing at the sale.

**SENATOR BILL SARPALIUS** deserves a pat on the back for initiating Senator Bill One, which is a DWI bill he has sponsored and worked on for almost two years.

The Senate voted 28-1 for the bill. First offenders can now face jail time from three days to one year and will be fined from \$100 to \$2,000. The second time DWI offender will face a mandatory three days to two years in jail and a fine of \$300 to \$2,000. The third time offender could be sent to jail for five years.

This is a bill that should have been passed a long time ago. In talking to law officials, we find that most DWI offenders have been stopped over and over again. They are punished lightly and return to do it again. One person in Tarrant County was arrested for driving while intoxicated 21 times and never went to jail.

This new bill should put these folks behind bars where they belong. It may save their life and the lives of others.

## Chamber Selling Pine Trees

The Abernathy Chamber of Commerce ordered 100 Pinus Eldarica (desert pine trees) from Arizona Eldarica Corporation in Phoenix, Arizona recently. The tree company, which specializes in desert pine tree seedlings, donated 100 12 inch seedlings to the Chamber of Commerce and sent them last week.

The trees have arrived and the Chamber is selling them for \$3 each. The trees are being sold to raise money to get the Senior Citizens Center started. They can be acquired at the Abernathy Weekly Review and there is no limit on the number that can be purchased.

Everyone is urged to try these hardy new pines. They will improve your home and at the same time you will be making a contribution to the Senior Citizens Center. Call 298-2033 for more information.

## GTE Customer Billing Dates To Change

General Telephone announced today a change in telephone billing dates for customers in Abernathy. This change is being initiated to more efficiently handle customer service in Abernathy.

The date that some customers in Abernathy normally receive their telephone bill was changed as of February, 1983. The date shown on customers' monthly statements will reflect the new billing date. Future telephone bills from General Telephone will be issued on the new date each month. Depending upon your current billing date, your new statement will reflect a short or long bill. A fractional charge or credit will be applied to adjust your account to the

### Methodist Church To Show "The Living Word" Sunday

"The Living Word," a new film produced by World Wide Pictures, will be presented by First United Methodist Church, Abernathy, on March 27, at 6 p.m. The showing is free, and open to the public.

Featuring narration by Billy Graham and Cliff Barrows, the film weaves together Scripture passages, great works of religious art, music, and some of the most stunning color footage ever filmed in the Holy Land. The film touches the heart and mind of the viewer with its relevance to twentieth-century mankind. Rich in visual beauty, and enhanced by a powerful, original, musical score, "The Living Word" brings the pages of the Bible to life in a fresh new way.

The Reverend Tommie Beck, pastor of the First United Methodist Church, is extending an invitation to all to attend. "The Living Word" is an outstanding film for anyone who has unanswered questions about just what the Bible means to us today. The producers of the film feel the real beauty of the production is not so much the color photography, which is truly memorable, but more the clear way in which it explains what the Christian faith really is. God has a plan for us, set in motion at the moment of Creation, and it's still being realized today. The film aims to help each viewer discover that plan, and to see how our lives fit into that plan.

### "Greater Than Gold" To Be Shown At First Baptist Church

"Greater Than Gold" will be shown at the First Baptist Church in Abernathy Sunday, March 27 at 7 p.m.

"Greater Than Gold" is the tender story of Bob Reasoner, a Christian doctor and single parent father who is about to put his Christian values on the line and make one of the toughest decisions in his career. "Greater Than Gold" is also about his teenage daughter B.J. Reasoner, a warm, sincere, and fun loving teenage girl who has been living a life without Jesus Christ. The result being frustration with her father, with her peers and especially her boyfriend, Billy. Evangelical films is proud to tell this

incredible story of how a father and his daughter find hope and healing in their lives.

Through the lives of Bob and B.J. Reasoner, "Greater Than Gold" seeks to be used as a tool for pastors to communicate with their churches. Even though most people agree that communication is essential to a good marriage and family, "Greater Than Gold" goes one step further to show not only how family relation-

ships can go wrong, but how they are healed as well. The story of Bob and his daughter B.J., can be of help and insight to all of us. When our children hurt...we hurt; when they rejoice...we rejoice. Most important of all, the reality of Jesus Christ and the joy of knowing His presence in our lives reminds us that the proof of our faith when tested is even "Greater Than Gold." (1 Peter 1:7)

Everyone is welcome to come and view this film.

### Let Us Take A Good Look

The other night, when I was coming back from a revival, my nose was startled by this strange odor. Soon, this odor prevailed to my lower region to upset my stomach. The Lord gave me these thoughts upon the matter.

This is how sin in peoples' lives is to me. God's word says: "For all have sinned, and come short of the glory of God." (Rom. 3:23). Oh, how we need to see SIN as God sees it! Oh, how we need to see

EVILNESS of sin in our world! For when we do, we will turn to God and ask forgiveness of our sin. We will also want Him to heal others lives in Jesus Christ--for this is the only way to God. (John 14:6)

My prayer is this: "If my people, which are called by name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." (II Chron.

7:14)  
O' Lord make us as you would have us to be in Jesus Christ.

## Texas Highways Need Help

Texas highways are wearing out, and a major effort will have to be mounted to preserve the highway system. That is the message that Lubbock District Engineer Ben Alley stated in Lubbock today.

"We are facing a rapid deterioration of the component roadways in our system," Mr. Alley said. "The average age of Interstate Highways in Texas is over ten years, and the average of Farm-to-Market roads is nearly 20 years, the nominal design life of a highway facility."

To cope with the problem, Mr. Alley said the State Department of Highways and Public Transportation is moving from a construction-oriented organization to one

which focuses on maintenance and preservation. Compounding the problem, he said, is the anticipated 50 percent growth in Texas' population by the year 2000, and the corresponding increase in motor vehicles of all types.

The Lubbock seventeen-county district, District Five, has some 4,856.28 miles of state-maintained highways, Mr. Alley noted. Although some \$83,000,000.00 has been spent on maintaining those highways in recent years, inflation has taken its toll.

"Our first priority of business for the next 20 years will be the maintenance and preservation of the highway system," Mr. Alley said.

## Top Ag Analyst Outlines Policy Alternatives

President Reagan's chief economic analyst for agricultural programs today (March 1) outlined four policy alternatives for dealing with the nation's agricultural crisis, saying "the current level of federal spending for agriculture--more than \$18 billion--can't be sustained because it's about equal to income from agriculture."

Dr. Glenn Nelson, who serves on the President's Council of Economic Advisors, said that the overall economic picture for agricul-

ture "just doesn't look good over the short term" (two years or so) during an address to Texas bankers at Texas A&M University. He offered these policy alternatives:

1. A strong free market orientation. This would be a real "shock treatment and would mean continuing low farm prices which would put pressure on foreign production.
2. Mandatory controls on agricultural production with current or slight increases in prices. Such controls

might serve a purpose for a year or two. While mandatory controls with higher prices would be more favorable, they would mean high costs to the government and have a detrimental effect on exports.

3. Massive export subsidies. These would make our agricultural products cheaper for foreign buyers but again would be costly to our government. They would also mean higher food prices in the U.S. than overseas, and could risk a trade war.
4. Evolution of policy. Developing policy along the way means a continuation of the current PIK (payment-in-kind) program through the 1984-85 crop year as a short-term solution.

"All of these alternatives currently have a 'bad taste' to them, but one or more may be necessary for long-term improvement in agriculture," Nelson said. "We badly need programs in the short-term to bring about long-term improvement."

"How we resolve our current situation will be affected by our policies as well as by world events," Nelson pointed out. "The export market is highly volatile, and we need to be concerned about agricultural production and consumption overseas. Prices affect pro-

duction overseas just as they do in the U.S. higher prices overseas could lead to increased agricultural production.

"Consumption of agricultural products overseas is affected by population growth, prices and economic growth. In the short run, the world economy should continue 'soft,' at least through 1983," Nelson said.

"One of our main thrusts should be to do everything we can to help the world economy to recover," Nelson emphasized. "This means keeping our borders open to exports because a policy of 'protectionism' would jeopardize the agricultural sector."

A second major thrust, according to Nelson, should be a price our agricultural products competitively so that they can be moved abroad. "If we keep our price structure competitive, we should see some pickup in agricultural exports in the next few years," he said.

Some 150 bankers took part in the annual Farm and Ranch Credit Conference sponsored by the Texas Agricultural Extension Service, Texas Agricultural Experiment Station, Texas A&M College of Agriculture and the Texas Bankers Association.

## Livestock Seminar To Be Held In Lubbock Tuesday

Tuesday, March 29, is the date for the seminar entitled "Improving Your Odds With Livestock", sponsored by the Livestock Committee of the Lubbock Chamber of Commerce. This seminar is designed to explore ways that livestock, including cattle, hogs, and sheep, can be

integrated into South Plains farming operations to help supplement annual income.

Registration will begin at 8 a.m. with the program from 9 a.m.-4 p.m. The registration fee is \$10 per person (Bar-B-Que lunch included).

bring to those attending a well rounded program. Everyone is invited to attend.

This event will be held at Lubbock's Memorial Civic Center in rooms 107, 104/105 and 108/109.

Much effort on the part of the livestock committee has been made to select a host of qualified speakers, including producers, specialists and market people, to

**RUSSIA BUYS U.S. COTTON:** For the second week in a row, Russia led export sales of U.S. cotton with a purchase of 88,000 bales. Net sales for the week ended March 10 increased by 193,600 running bales for the marketing year 1982-83.

**COTTON TALKS**

FROM PLAINS COTTON GROWERS, INC.

**LUBBOCK, Friday, March 18, 1983**

A comparison of Commodity Credit Corporation loan values placed on qualities of cotton common to the High Plains, compiled by Plains Cotton Growers, Inc., Lubbock, yielded no surprises.

The 1983 base loan price of 55.20 cents per pound at area warehouses is exactly two cents or 200 points below the comparable 1982 base. There were relatively small grade and staple discount increases and slightly lower micronaire discounts, leaving the physical loan price on predominant High Plains qualities in a range of 140 to about 250 points off

1982 prices.

Greater loan price reductions, ranging to above 300 points, are seen only in lower qualities, such as White Good Ordinaries and Low Middling Spots.

Only cotton grown in 1983 on farms participating in the 20 percent voluntary acreage reduction program will be eligible for the loan, PCG officials note. PCG, working with incomplete figures and assuming no weather complications, now estimates that cotton on the Plains in this category may come from somewhere between 2.7 and 2.9 million planted acres. Cotton received by farmers under the payment-in-kind (PIK) program, roughly figured to be in the neighborhood of 500,000 to 700,000 bales, is excluded from loan eligibility.

More precise calculations of cotton coming to farmers from the PIK program cannot be made until after this writing when the extent of PIK program participation is announced, which USDA says will be on March 22.

## Hance's PIK Bill Passes House

Legislation designed to stimulate participation in the Payment-In-Kind (PIK) program cleared a major hurdle today when a bill introduced by U. S. Rep. Kent Hance, D-Texas, passed on a 401-1 vote. The PIK Tax Treatment

Act of 1983 gives farmers who participated in the program the option of declaring income from their PIK commodity certificates either in the year they receive the certificates or the year they sell the commodity certificates.

"Today's overwhelming vote should assure fast passage in the Senate and I'm sure President Reagan will sign this bill as soon as possible after it passes the Senate," said Hance following the floor vote. "We have moved this bill through the House of Representatives in about a month and I still hope we can get it signed into law before the March 11th sign-up deadline for PIK."

"PIK isn't perfect, but it's the only game in town right now and we need to get as many farmers in the program as possible to cut down on our oversupply problems."

Hance's bill was brought on the floor today under a suspension of the rules, which required a two-thirds majority vote. The bill had been voted out of Hance's tax-writing Ways and Means Committee last week.

Aside from the tax option beneficial to farmers, the bill also contains provisions beneficial to cooperatives plus provisions for agriculture land under the federal estate tax laws.

**THAILAND GETS COTTON CREDIT:** The U.S. Department of Agriculture has announced a \$30 million blended export credit package for Thailand to purchase U.S. cotton and soybeans.

The package covers purchases of 57,000 bales of cotton worth \$20 million, according to the National Cotton Council.

# PROWL

## PROWL CUTS YOUR COSTS.

### NOW \$3.40 REBATE!

Performance makes PROWL the number one choice.

It's no accident that so many cotton producers choose PROWL when it comes to selecting their grass and broadleaf weed herbicide. Some sound reasons should make PROWL your choice.

**PROWL CONTROLS YOUR TOUGHEST GRASSES AND WEEDS.**

Herbicide performance starts with good weed control and PROWL controls some of the toughest weed problems in cotton: pigweed (carelessweed), barnyardgrass, seedling Johnsongrass, Texas and fall panicum and lambsquarters. Additionally, PROWL alone controls eleven other grass and weed problems. You can also use PROWL in combination with Caparol, Cotoran or sequentially with Karmex to broaden your weed control spectrum. (Note pages 10-12)

**PROWL OFFERS OUTSTANDING CROP TOLERANCE.**

You have heard a lot about crop tolerance and witnessed for yourself the effect on cotton some herbicides can have like root pruning or stunting. PROWL is different. Its chemical structure provides for strong, effective weed control without harming young cotton plant root development.

**PROWL offers convenient application options.**

The leader in performance is also the leader in application convenience.

**FALL APPLICATION**... In Arizona, California, Louisiana, New Mexico, Mississippi, Oklahoma and Texas, PROWL is registered for application and incorporation anytime after October 15 (up to 140 days before planting). That's a big advantage since you can put your PROWL down during fall field work on ground designated for cotton in the spring. In other cotton producing states, PROWL gives you a 60 day application option prior to planting.

**GROUND OR AIR**... PROWL provides added convenience because it can be applied by air equipment as well as conventional ground methods.

**WEED AND FEED**... PROWL can be applied in conjunction with your fertility program. It can be used in combination with liquid fertilizers or impregnated on and applied with dry fertilizers.

**PROWL benefits will cost you less.**

That's right, all the benefits PROWL offers won't cost you more. In fact they may cost you less. Check it out. Based on average dealer prices, PROWL costs less than Treflan. You get more from PROWL but you'll pay less.

**PROWL PROVIDES UP TO SEVEN DAYS TO INCORPORATE.**

PROWL gives you incorporation flexibility in your schedule by allowing up to seven days between the time you, or your custom applicator, applies PROWL and when you have to incorporate it. This delay is possible because PROWL is more photostable and less volatile than many herbicides, which means you don't sacrifice weed control effectiveness by letting time pass between the two operations.

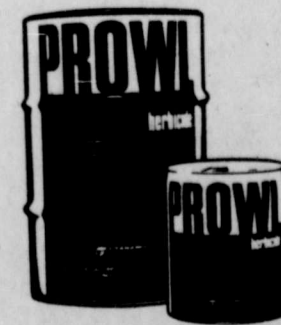

**PROWL WILL NOT CAUSE CARRYOVER PROBLEMS.**

PROWL features a unique selectivity that eliminates carryover problems. That's a big plus if your rotational crops are fall planted wheat or barley. (Note certain restrictions stated on page 14)

**PROWL OFFERS MULTI-CROP VERSATILITY.**

PROWL is registered for use on a number of southern and western grown crops in addition to cotton. Consider the fact that you can use PROWL on soybeans, rice, tobacco, peanuts, sunflowers and corn (on corn, pre-emergence on the surface after planting, early post-emergence, or CULTI-SPRAY™). If you grow these crops, PROWL can help simplify your herbicide purchasing decisions.

### Kappa Kappa Iota Meets

Kappa Kappa Iota, a sorority of women interested in the teaching profession, met Saturday, March 19, at Tara Restaurant. There were thirteen members and two guests, Myrtle Baker and Mary Dallas, in attendance. Wynona Scarbrough and Theresa Mason served as hostesses.

Theresa Mason presided over the business meeting. Kappa Kappa Iota, Alpha Conclave and Beta Conclave had a tea for the State President at the Lubbock Women's Club Saturday, March 12. Members will be notified of the next meeting date by Cindy Lusk.

### "Spring Is Here"

As Spring slowly but surely approaches, peoples' fancies turn to green and growing things. Spring has always been a symbol of the renewal of life. People also seem to come to new life as Spring draws near. It seems that after a winter of bad weather, people are glad to see the Spring season approach.

Spring is the time when mothers put away winter clothes and bring out warm-weather clothes. It is also a

time when amateur gardeners try their hand at trying to make things grow one more time.

Spring is the herald of Summer. Spring is also a fiercely awaited time for students because school ends in May. I guess I am just a Spring person and I would guess that many other people are too, because, let's face it, Spring is great. And on behalf of all nature lovers, I bid welcome to Spring. ### SPS To Patrol Against Crime

Employees of Southwestern Public Service Company under a new program being developed at SPS will help local and area law enforcement officers stop crime.

The program, called "Partners on Patrol," will unleash almost 750 "extra pairs of eyes and ears" against prowlers, burglars, vandals, and other criminals, said Larry Milner, SPS vice president, communicat-

ion and public affairs.

"Southwestern Public Service employees who work outdoors in our communities—such as meter readers, servicemen, line department personnel—will be on the lookout for crime, and be ready to report it," Milner said.

"We're just asking our employees to learn to spot suspicious activity, and to make quick reports to law enforcement agencies," he

said. "The law officers will take care of the suspects. We'll help by being alert for problems."

Milner stressed that SPS employees are not to try to handle a crime situation themselves. "We do not want them to tackle a burglar—just report him."

Milner noted that many SPS employees already are watching out for crimes in progress or for suspicious events, and that in many

SPS communities law enforcement officials and SPS employees already work together closely.

The "Partners on Patrol" program will include training for SPS employees, he said, and will establish that one of the SPS employee responsibilities is to help SPS customers fight crime.

Local office managers in SPS communities in four states (Texas, New Mexico, Oklahoma, and Kansas) have contacted law officers this week to explain the program, offer more co-operation, and establish reporting procedures, Milner said.

"There may be other emergency conditions, such as accidents or fires, which

our people working in the alley and on the streets will notice first," he said. "We know we can be of help."

The "Partners on Patrol" program reflects Southwestern Public Service Company's theme, "You and SPS, partners managing electricity, make the difference," both in name and intention, Milner said. "We want to work with as well as for the people we serve."

Southwestern Public Service Company primarily provides electrical service to a population of more than one million in a 70,000-square-mile area in the Panhandle and South Plains of Texas, eastern and southeastern New Mexico.

FIRST PLACE WINNERS at the volleyball tourney were Randolph's Raiders. They are pictured with their first place trophies, from left to right, Glenda Hutton, Ann Randolph, Cathy Sires, Kay Pair, Colie Muncy, Carla Ayers and Judy Wittie. Not pictured is June Bishop. (Review Photo).

FIRST PLACE MIXED DIVISION WINNERS was Patterson's Team. On the back row, from left to right, is Ray Patterson, Sonnie Campbell, John White and Stacey Hohenberger. On the front row is Brenda Patterson, Carmela Caldwell, Allison Haveman and Debbie Parker. (Review Photo)

THE NEW DEAL YOUNG HOMEMAKERS won second place in the volleyball tourney held at Shallowater recently. Members of the team are pictured with their medals, from left to right, Wydonna Stephenson, Suzanne Hamilton, LaJuan Slaton, Teresa Dunn, Aricka Thiel and Patti Jones. (Review Photo)

## Rowden-Guthery United In Marriage March 15

Tuesday, March 15, at 7:30 in the evening at the First Christian Church in Lubbock, DeLynna Gail Rowden and Timmie Wayne Guthery pledged their wedding vows in a candlelight service.

Parents of the couple are Mr. and Mrs. Douglas Rowden of Shallowater and Mrs. Betty Guthery of Lubbock.

The bride, given in marriage by her father, wore a formal length gown of white organza, fashioned with high Victorian neckline of ruffled chantilly lace, and full length bishop lace sleeves with a very deep cuff, and a ruffle at the wrist. The empire bodice had a sheer see-thru yolk outlined with a ruffle of lace. A double self ruffle topped with scalloped chantilly lace formed the hemline of the skirt and train. The front ruffle extended up the back of the gown, giving a bustle effect. The veil was a Juliet cap of matching lace, holding a lace edged veil of illusion.

The bridal bouquet was a nose-gay made of tiny pink and lilac silk carnations, accented with white baby lillies and white ribbon streamers and attached to the bride's white Bible. For something old, the bride wore a hand painted heart-shaped necklace given to her by her mother when she was four months old. For something new, the bride put a new 1983 penny in her new shoes. Her wedding dress was something borrowed from her sister and she wore a blue garter.

The bride's attendants wore high-wasted, formal

length gowns of polyester in Lista Lilac and Piccato Pink with matching silk flower wreaths in their hair and carried matching silk flower bouquets with ribbon streamers.

Miss Joni Combs, cousin of the bride, served as Maid of Honor, and wore Piccato Pink; Mrs. Rhonda Scoggins, sister of the bride, and Mrs. Jo Evans, sister of the groom served as Matrons of Honor, and wore Listz Lilac; Mrs. Carolyn Mize and Mrs. Denise Rowden served as Bride's Matrons, and wore Listz Lilac; Jennifer Evans niece of the groom, served as Junior Bridesmaid, and wore Listz Lilac; and Tina Scoggins, niece of the groom served as the Flower Girl, and wore Piccato Pink and carried a flower basket of pink and lilac silk flowers.

The groom's attendants were Scott Pace, who served as Best Man, Roy Scoggins and Marshall Evans served as Honor Groomsmen; Tim Mize, Sr. and Larry Rowden served as Groomsmen; Michael Evans, nephew of the groom, served as Junior Groomsman; and Tim Mize, Jr. served as Ring Bearer, and carried a white satin and lace ring pillow, that was hand-made twenty-four years ago for the wedding of the bride's mother, the bride's grandmother.

Miss Dina Beasley, a cousin of the bride, registered guest and served rice bags and wore a lilac floral floor length gown. Candlelighters were Kyle and Kevin Tischler, cousins of the bride, and Jeremy Evans, nephew of the groom. Trent Rowden bro-

Mrs. Timmie Wayne Guthery

ther of the bride, served as Honor Usher and Mike Combs and Nick Dudley, cousins of the bride, served as Ushers.

Neil Pointer, a minister at First Christian Church, performed the double ring wedding ceremony. Mrs. Debbie Martin served as organist, playing "The Love Story Theme", while guests were being seated, and the "The Wedding March". She accompanied Mrs. Dora Potter, who served as soloist. The bride chose "You

Light Up My Life," "Surround Me With Love", and "The Lord's Prayer" for her wedding songs.

The altar was decorated with pink and lilac silk carnation bouquets, with three candelabras, and the unity candle.

The reception was held in the Green Room at the church. The bride's table was covered with a white lace tablecloth over a pink liner and was centered with a bouquet of lilac silk carnations. The wedding cake was a separated three tiered white cake, trimmed with pink and lilac, topped with a white satin bell ornament, with a fountain beneath the cake which was circled with pink and lilac silk carnations. Reception servers for the bride's table was Mrs. Jackie Combs, Mrs. Anita Rowden, and Mrs. Kim Mullins, cousins of the bride. They wore lilac

### GOVERNOR MARK WHITE RECEIVES FIRST 1983 EASTER SEALS

Governor Mark White was presented the first sheet of the 1983 Easter Seals by the 1982 Texas Easter Seal Poster Child, Jaylee Murr. It has always been a tradition with the Texas Easter Seal Society that the Governor of the state of Texas does the honor of opening the annual Easter Seal Appeal in this manner.

The Campaign, which began March 1 and continues through April 30, is highlighted by the National Easter Seal Telethon on March 27, 1983. The Spring Campaign enables the Society and its affiliates to provide therapy, orthopedic equipment, treatment and evaluation to disabled children and adults in Texas. It also helps to fund the Easter Seal Action Line, a toll-free number to call for information and/or assistance.

The Texas Easter Seal Society urges your support and generosity in its 1983 Spring Campaign to meet the needs of Texas communities and their disabled citizens. For further information about Easter Seal services, call the toll-free number 1-800-492-555.

**WALLPAPER AFFORDS**

A number of opportunities for variety in decorating, and there's a wide range of patterns and styles from which to choose, says Dr. Peggy Owens, housing and home furnishings specialist with the Texas Agricultural Extension Service, Texas A&M University System. The type of wallpaper chosen will have an effect on wearability, washability, removability and cost, she adds. Washable wall coverings are made from a variety of materials that range from those that can be wiped clean to those that can be scrubbed. Some of the plastic coated wall coverings can be cleaned with a damp cloth.

**Eight Abernathians On Tech Honor Roll**

More than 2,100 students at Texas Tech University qualified for dean's honor rolls in six colleges during the 1982 fall semester.

To qualify for a dean's honor roll, a student must have a grade point average of 3.5 or more on a 4.0 scale and must have taken at

least 12 semester hours of work.

Students making the dean's list included from Abernathy: Betty R. Albers; Dee A. Attebury, 901 Velray Drive; Micah D. Blalock, 1705 Avenue H; Rhonda J. Blalock, 1705 Avenue H; Jane G. Kveton, Route 2;

Weldon L. Patterson, 505 2nd Place; Mandy M. Thompson, 707 13th; and Shana S. Toler, 611 10th. EDITOR'S NOTE: Many students list Lubbock as their official home address. Consequently, some honor students whose hometowns are elsewhere are listed with Lubbock students.

**Teal And Irlbeck Named To All-Conference Team**

Vickie Teal and Ramona Irlbeck, record-setting members of the Western Texas College women's basketball team, have been named to the All-Conference team for the Western Junior College Athletic Conference.

Coach Joe Cushing was named WJCAC Coach of the Year after taking the team to a school-best 27-7 season record, the conference championship and a berth in the Region V tournament.

Norma Frazier, a 5-9 sophomore from Merkel, was selected for the honorable mention list.

Teal, a 6-1 post from New Deal, was also chosen for the All-Conference team last year. She lead the team in scoring this season with an average of 15.2 points and also in rebounding with a 9.4 average. She was third in the conference in blocked shots and steals this season. Irlbeck, a sophomore point-guard from Abernathy who joined the team this season, averaged 13.6 points, 6.2 assists, and ranked second in the conference in steals with 87.

Both players were among the WJCAC's top freethrow

shooters. Teal ranked second with a .852 percentage while Irlbeck was fourth at .758.

Irlbeck was named to the

All-Region 5 Tournament Team as well. Teal was included on the All-Region V Basketball Team.

## Revival At New Deal First Baptist Church

Revival services will begin Sunday morning, March 27, at the First Baptist Church in New Deal. Evangelist for the services will be C. Melvin Fields of Comanche, Texas, and Paul and Christy Newberry, husband and wife team from Floydada, will lead the music.

Services will begin at 11 a.m. and 7 p.m. Sunday and at noon and 7:30 Monday through Friday. The noon services will begin with a meal and will be dismissed by 1 p.m. The Friday evening service will conclude the meeting and will be high-lighted by a mini-

concert presented by Paul and Christy.

Bro. Fields has served as pastor of churches in New Mexico and Oklahoma as well as numerous churches in Texas. He and "Skipper," his wife, moved to Comanche last fall to begin retirement, but the retirement was short-lived by his recent acceptance of a church in the DeLeon area.

Paul and Christy have been in the Music Evangelism for three years. Paul is a graduate of Wayland University and received a Master of Music degree from Hardin-Simmons University. After attending

Wayland, Christy received her B.A. degree from Hardin-Simmons, and is currently working toward a Master of Arts degree. Paul and Christy are in increasing demand throughout the state.

## PUBLIC NOTICES

### ADVERTISEMENT FOR BIDS FOR STREET IMPROVEMENTS CITY OF ABERNATHY, TEXAS

#### Notice To Bidders

Sealed proposals addressed to the Honorable Mayor and City Council of Abernathy, Texas, will be received at the office of Parkhill, Smith & Cooper, Inc. 4010 Avenue R, Lubbock, Texas, until 2:00 p.m. April 7, 1983 for furnishing all necessary materials, machinery, equipment, superintendence and labor for cleaning and seal coating certain streets for the City of Abernathy, Texas, consisting of approximately 50,000 square yards of "Seal Coating", including other incidental items of work as called for in the specifications.

Bidders must submit a Cashier's Check or Certified Check issued by a bank satisfactory to the Owner, or a Proposal Bond from a reliable Surety Company, payable without recourse to the order of THE CITY OF ABERNATHY, TEXAS, in an amount not less than five percent (5%) of the largest possible bid submitted as a guaranty that the bidder will enter into a contract and execute bonds and guaranty in the forms provided within ten (10) days after notice of award of contract to him. Bids without the required Check or Proposal Bond will not be considered.

The successful bidder will be required to furnish a Performance Bond and a Payment Bond, each in the amount of the contract, written by a responsible Surety Company, authorized to do business in the State of Texas, and satisfactory to the Owner.

All lump sum and unit prices must be stated in both script and figures. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. The Owner reserves the right to reject any or all bids, to waive formalities, and to accept the bid which seems most advantageous to the City's interests.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions under which the work is to be done.

Payment for the work performed on this project will be paid for in cash by the City of Abernathy, Texas.

Attention is called to the provisions of the Acts of the 43rd Legislature of the State of Texas, page 91, Chapter 45, (Article No. 5159A Civil Statutes of 1925) concerning the wage scale and payment of prevailing rates of wages as established by the Owner. Said scale of prevailing minimum rates of wages is set forth in the specifications.

Information for Bidders, proposal forms, plans and specifications are on file at the offices of the City Manager, Abernathy, Texas, and Parkhill, Smith & Cooper, Inc., Engineers-Architects-Planners, 4010 Avenue R, Lubbock, Texas 79412.

Copies of the plans and specifications and contract documents may be secured from Parkhill, Smith & Cooper, Inc., Engineers-Architects-Planners, 4101 Avenue R, Lubbock, Texas 79412.

## Holy Week Services At St. Isidore And Sacred Heart Churches

During Holy Week, March 27 through April 3, the Sacred Heart Church in Petersburg and St. Isidore Church in Abertnathy, will celebrate the following events: Jesus' entry into Jerusalem, His Last Supper with His friends, His Crucifixion, and His Resurrection to New Life. These are the most important events of

Jesus' life. Through the power of His death and resurrection Jesus gives us life.

### SERVICES DURING HOLY WEEK

March 27.-Palm/Passion Sunday: 9 a.m. St. Isidore Church: Blessing of Palms followed by Mass. 10:45 a.m. Sacred Heart

Church: Blessing of Palms followed by Mass.

March 31-Holy Thursday-Mass of the Lord's Supper: 6:15 p.m. Sacred Heart Church: 1) Mass of the Lord's Supper, 2) Institution of the Eucharist and 3) bestowal of the Priesthood. 8:15 p.m. St. Isidore Church: 1) Mass of the Lord's Supper, 2) Washing of feet, 3) Institution of Eucharist and 4) institution of the Priesthood.

April 1-Good Friday-The Passion and The Death of The Lord: Day of Fast and Abstinence. There will be a special collection during the service for Holy Land. 4 p.m. Sacred Heart Church: Liturgy of the Word, 2) Veneration of the Cross, 3) Holy Communion and 4) the Stations of the Cross will follow. 6:30 p.m. St. Isidore Church: 1) Liturgy of the Word, 2) Veneration of the Cross, 3) Holy Communion; 4) Stations of the Cross will be at 6 p.m.

April 2-Holy Saturday-Easter Vigil: 8 p.m. Sacred Heart Church: 1) Service of Light, 2) Liturgy of the Word, 3) Renewal of Baptismal Vows, and 4) Liturgy of the Eucharist. 10:30 p.m. St. Isidore Church: 1) Service of Light, 2) Liturgy of the Word, 3) Renewal of Baptismal Vows, 4) Liturgy of the Eucharist.

April 3-Easter Sunday-The Resurrection of the Lord: 9 a.m. St. Isidore Church: Mass of the Resurrection of the Lord. 10:45 a.m. Sacred Heart Church: Mass of the Resurrection of the Lord.

1. Palm/Passion Sunday begins the Holy Week. When Jesus entered Jerusalem, people gave Him a royal welcome. On this Sunday we receive palms to remember this moment of triumph in Jesus' life, but then we read the story of Jesus' Passion for the first time. This Sunday moves from glory to suffering.

2. Holy Thursday celebrates Jesus' Last Supper with His friends. This Last Supper was a meal celebrating the passover, the Hebrews' escape from slavery in Egypt. At this meal Jesus made bread and wine-the signs of His Body and Blood. This meal was the First Eucharist.

3. Good Friday is the day honoring Jesus' death on the Cross. On this day we read the Passion, honor the Cross, pray for the needs of the whole world, and receive Communion when we celebrate the liturgy.

4. Holy Saturday is the day of waiting for Jesus' Resurrection. This is the holiest night of the year. We gather in church to light the new Easter Candle, to bless water and to baptize new Christians, to listen to the Scripture, and to cele-

## Jill Blalock To Perform In "The Student Prince" This Weekend

"The Student Prince," an operetta by Sigmund Romberg, will be presented by the Texas Tech University Music Theater and Civic Lubbock Inc. at 8:15 p.m. March 25-26 in the Lubbock Memorial Civic Center Theater.

Jill Blalock, a 1982 graduate of Abertnathy High School, is one of the cast members in the operetta. Jill is the daughter of Mr. and Mrs. Hayden Blalock of 1705 Ave. H Abertnathy.

Performed in English, the operetta concerns a young prince who goes to study at a Heidelberg university in the 1860s. Prince Karl Franz falls in love with a young waitress, Kathie, but is forced to leave her when his grandfather dies. As the future king, Karl Franz must marry a princess. The prince returns to Heidelberg and to Kathie for one final visit before he becomes king.

Prince Karl Franz will be played by guest artist Bruce Ford. Ford, a former Texas Tech student, has sung with the Houston Grand Opera, the Texas Opera Theater, the Santa Fe Opera and the Eugene (Oregon) Opera. He has a two-year contract in Wuppertal, Germany, where he will perform in "The

Magic Flute," "Cosi fan Tutte" and "The Abduction from the Seraglio." His

Jill Blalock

most recent performance was a one-act opera, "A Little Nightmare Music," in Carnegie Hall.

The character Kathie will be portrayed by Tamara King, a winner of the Hewitt Vocal Award at Texas Tech.

Texas Tech music Professor John Gillas will direct the production and will play the part of Engel, tutor to the prince.

Cast members include Brian Rosewell as Detleff, Frank Graffeo as Lutz, Conley Cook as Ruder, Scott Creswell as Tarnitz, Kim Claybough as the Princess and Suzy Graham as the

Duchess.

Other cast members include Jill Blalock as Gretchen, Tommy Halpain as Hubert, Chuck Platten as von Asterberg, Mike Demon as Lucas, Bill Combs as von Mark, Mark McNair as Baron von Arnheim, Sandra Nixon as Countess Leydon and Jerry Smith as Toni.

The three girls will be played by Emily Brunson, Michelle Brannon and Carol Oliphant. The four Lackeys (foot servants) will be Ken Lattimore, Danny Ellis, Emmett Arnold and Skip Harless.

Tickets are on sale at the Civic Center Box Office, the Texas Tech University Center Ticket Office and the Hemphill-Wells Box Office at South Plains Mall for \$6 and \$8. Student and senior citizens tickets are \$5 and \$7.

**ALLSUP'S GRADUATES ASSISTANT MANAGER...** Mike Grimsley (left) receives his diploma from Rick Garris, instructor, for successfully completing the Allsup's Assistant Store Manager Training Course. Held at the company's home offices in Clovis, New Mexico, the class is a requirement for all Allsup's assistant managers. According to Garris, "The training prepares individuals for future advancement by teaching them proper food handling, cooked food procedures, store cleanliness and maintenance as well as public relations. It's designed to produce a more professional employee who can better serve the customer and community." Grimsley will return to his store at 512 Avenue D in Abertnathy to assume the duties of assistant manager.

### THIS AND THAT

BY HELEN WADE

Lots of folks were visiting this past week as Abertnathy School was out for spring break. Mr. and Mrs. W.G. Spruiell travelled to Oklahoma to see their daughter and family, Mr. and Mrs. James Miller and sons.

Mr. and Mrs. Jimmy Williams and Mr. and Mrs. Martin Kennedy were in Brownwood for part of the past week. They went fishing while there.

Mr. and Mrs. Ike Bennett were in Corpus Christi for the Managers and Directors Conference for Cooperatives this past week. On their way back home, they stopped by Brownwood and visited the Williams and Kennedys, who were camped there.

We were in Dimmitt and ate dinner with our daughter and son-in-law, Mr. and Mrs. Ron Morgan last week. They got two inches of snow there last week.

Mr. and Mrs. Dayton Boyd were on vacation last week and travelled around central Texas. "The red bud and dogwood trees were in bloom and so pretty," Carol said.
