

City-School Elections Saturday

RAY LUSK RETIRES from the Texas Highway Department, effective April 1, to be replaced by Bob Whisenhunt, left, who has moved to Haskell from Abilene, and will begin his duties on the same day.

Saturday, April 1, voters in all county school districts will go to the polls to elect school trustees. The following listings are on the ballots:

Haskell: to elect three, with Elbert Johnson, Raymond Andrada and Dr. Frank Cadenhead on the ballot.

Weinert: two to be elected, with Floyd Patton and Tom Yates on the ballot.

Corney: three to be elected, with Harold L. Adkisson, J. O. Brothers and Clyde W. Covey on the ballot.

Paint Creek: two to be elected, with Billy Middlebrook, E.

G. Cheek, Walter E. Fischer, Gene Wells and Roddy Kuenstler on the ballot.

Rochester: Herman Williams and Jim Beauchamp are seeking re-election.

Rule: two to be elected, with Sam Turner and Joe Mathis on the ballot.

County School Trustee, Pct. 2: One to be elected, with John A. Mayfield on the ballot, and County Trustee-At-Large: one to be elected, and no name on the ballot. A write-in candidate, Albert Hannsz is requested to be supported by the County School Board.

Wallace Bird and Bobby G. Tidwell.
On Rochester's ballot, three aldermen are to be elected, with Bobby Easterling, D. E.

Easter Music Program Set At First Baptist

The First Baptist Church of Haskell will feature a program of Easter music Sunday at 7:00 p. m. entitled "No Greater Love."

The Biblical story of the life, trial and crucifixion and resurrection of Jesus Christ will be taught.

Adult choirs, with parts sung by the children's choirs, directed by Kenneth Dare, will give the program of music. Solos by Mrs. A. C. Richardson and Mrs. Elbert Johnson will be featured.

A narration will be done by Dr. Troy Culpepper from The Living Bible.

Everyone is invited to attend.

Smari and V. A. Mitchell on the ballot.

Rule's ballot has one running for mayor, L. R. Denton, and two aldermen are to be elected, with Roy Dean Smith and W. G. (Buddy) Bishop on the ballot.

Voters in O'Brien will elect three aldermen. Paul Wissel, Don Whitley and Jerry Johnston are on the ballot.

And voters in the City of Weinert will elect three aldermen, with M. W. Phemister, Tiffin Mayfield and Donald Griffis on the ballot.

It Rained 1.16, And Winds Blew!

Haskell recorded 1.16 inches of rain on March 23, according to Sam Herren, official weather observer, but that's not all the weather news recorded here. About dusk that evening, a "small twister" was reported in the north part of town that, although covering a small area, did a bit of damage.

A 17-foot trailer house, completely furnished, owned by Wayne Phemister at 706 N. 19th street, was completely demolished and pieces of it and its contents were strewn across a wide area of that part of town. A picture window and two other windows in the R. W. Turnbow residence at North Avenue F were caved in, and more damages were reported at Wooten's North Station at 1304 N. Ave. E.

No one was injured at any of these locations in the winds that only lasted for a few minutes, and some hail was reported.

The rainfall, too, was spotted with parts of the south part of the county not receiving any precipitation, and heavier rains reported in the Mattson area. Sagerton received less than 1/2 inch.

This brings Haskell County total rainfall to date to 1.62, still below the normal of 3.09.

But it DID rain enough for Haskell Free Press to run the umbrellas across the masthead, signifying over 1/2 inch of moisture in the county!

Two Retire From THD

Effective April 1, Maintenance Construction Foreman Ray Lusk will retire from the Texas Highway Department after 41 years and four months career with the State. Lusk began his career in 1930 upon graduation from high school, and was in the game department until 1944 when he transferred to the THD. When he began his career, there wasn't a foot of paved road in Haskell County while now some 286 miles of pavement is maintained by the Highway Department.

In commenting on his retirement, Lusk expressed his pride in Haskell County employees who have held the State Safety record here for 27 years and one month. Sixteen people are now employed by the Department in Haskell County.

Also at the beginning of his career, the THD offices were located across the street from Kennedy Lumber Company on the Throckmorton Highway. He made the move to the offices on the Rule Highway in 1940 and more recently, moved into the beautiful new facilities in October of 1970.

He expressed his sincere appreciation to many people in Haskell County who helped in so many ways during times of heavy snows and rains down through the years.

Already off to a good start in retirement, he says he plays some golf, gives a lot of domino lessons, and enjoys fishing.

Also retiring from THD is James O. Adkins, whose effective retirement date was March 16th. He has been employed by Texas Highway Department for 18 years, and was Maintenance Technician II.

New Maintenance Construction Supervisor Bob Whisenhunt and all the employees hosted a retirement party for the two men recently. Both were presented beautiful electric watches, with their names and retirement dates engraved on them.

Whisenhunt and his wife, Sandra, and three-year-old daughter Kelli, have moved here from Abilene, their former home. He will assume his responsibilities with the Texas Highway Department here on April 1.

Frontier Days, Rodeo Set

Most every day now you see horseback riders jogging along the country roads and streets in and near Haskell. It is easy to assume that they are jerking the "kinks" out of old Dobbin and getting him ready for the Frontier Days Celebration and Jaycee Rodeo to be held here the week of May 15th through the 20th. This year's celebration promises to be the most outstanding of any ever staged here with a full week of colorful and exciting entertainment already lined up for the enjoyment of spectators expected to be here to help commemorate the pioneers who settled this part of the Big Country.

The western week of special events will officially begin on Monday night, May 15, at the Barnyard Theatre where the big Frontier Cavalcade will be staged under auspices of the Chamber of Commerce. This star-studded variety show will be presented on a huge stage to be erected in the livestock barn at the fair grounds where seating facilities will be available for several hundred spectators.

Already scheduled to appear on the show are the Country Club Square Dancers with Leon Ivie caller; Clarence Meier and his Melody Makers; Karen Pippin, Miss Hey Day; Pat Harris, Miss Cotton Queen; Miss Beverly Hill from Midwestern University; Charles Dickey from McMurry College, who will be featured on the Hammond Organ in background music and specialty numbers. Several comedy skits and novelty acts will also be on the big 2-hour show which promises a gala night of entertainment for all ages.

On Tuesday night, at the same location, the Frontier Days queen's pageant will be presented on the stage with Mrs. R. A. (Frances) Lane as chairman. Merchants are urged to begin making their selection for a queen entry early as just a few short weeks remain until the opening day. A five dollar entry fee will be charged as in the past for the Queen's Pageant.

On Wednesday night, after

regular church services are over, the cowboy's camp meeting will be held under the big barn which has features reminiscent of the old brush arbor of days gone by.

Thursday at 5:00 p. m. the longest western parade ever presented will wind its way through the streets of Haskell to the accompaniment of lively band music. Already seven colorful riding clubs and sheriff's posse from a wide area have notified officials that they will be here for the parade, chuckwagon supper and opening performance of the rodeo.

It is expected that at least eight or ten additional riding organizations will accept the invitation to be here between now and parade time on May 18.

This year's chuckwagon supper, to be served immediately after the parade, will be prepared by local culinary artists who are adept at cooking over the campfire. C. B. Shelton will serve as chairman of the chuckwagon supper and he advises that enough barbeque and other

tasty entrees will be available for at least six hundred guests and local people.

On Thursday night, the opening performance of the Rice Springs Rodeo will kickoff under auspices of the Haskell Jaycees with Frank Jenkins serving as chairman. Cowboys and cowgirls from several southwestern states are expected to be entered in the various competitive events and a fast-moving and thrilling rodeo will be assured the spectators on all three nights.

All citizens are urged to dress western to add atmosphere to the Frontier Days celebration and also to participate in as many phases of the overall program as possible.

Dakota Farmers Fly-In

'Texans Are The Greatest!'

By CLYDENE COMEDY
"Texas is a clean state—both the farms and the cities", was the consensus of opinion of four North and South Dakota farmers here on the Farmers Union membership Fly-in from their

states. "And Texas people are outstanding in their wonderful, wonderful hospitality," they hastened to add.

They were eloquent in their praise of hosting Farmers Union members, Haskell Coun-

ty citizens as a whole, and especially of Mr. and Mrs. J. R. Perry and Mr. and Mrs. Virgil Sonnemaker who hosted them in their homes during their stay in this part of Texas.

"Never have we witnessed or received such hospitality as we have in Texas!" was the opinion of all four of the personable farmers, voiced by Clifford Gascorgne of Hitheock, S. D.

"It's a great state famous for its hospitality," added Gerit Boltges of Platte, S. D. "To prove it, some 40 farmers from over our two states signed up for the southern tour, and they all wanted to go to Texas, so we had to draw colored tickets, each ticket representing a different state. We four were really the lucky ones," he laughed "and a lot of the losers didn't make the tour simply because they couldn't come to Texas, which does speak well of your reputation for great hospitality."

"We were impressed with the great job Texas farmers are doing in conservation practices for holding the soil, and terrific water conservation practices utilized in everyday farming," emphasized Sheril Doll of New Salem, N. D. (He's really from Hanover, this interviewer found out, but he says

nobody ever has heard of it down here in Texas, so he lists nearby New Salem as his home).

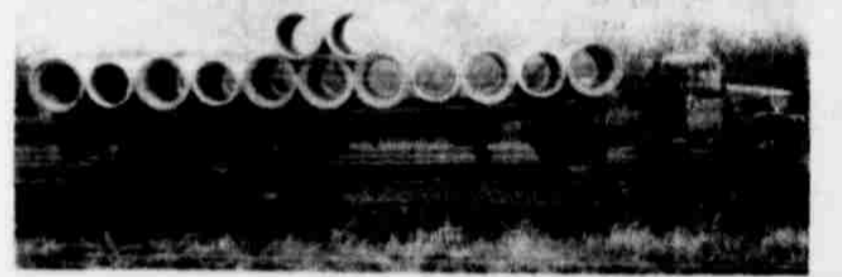

"Terraces in our states are only used in soil conservation practices, and we never use them to collect and hold water, which is such an obviously practical use," observed James Curran. "We are concerned, though," he continued, "every bit as much as Texans are, about the possibility of future water needs of our states, though not as much so as Texas." He informed us that citizens of South Dakota were for the most part opposed to channelization of their waters to the south. Living in the heart of the Big Sioux Basin, he expressed interest in flood damming practices on the Big Sioux river, and using the flood control lakes to store water for future needs in South Dakota.

"We've learned a lot of Texas farming practices that can be put to good use at home," they told us as they left with hosts Willard Mullins and Bud Lane.

And as they walked out our doors, on their way to the airport for the return flight north, they once again assured us, "Texas hospitality is the greatest!"

FARMERS UNION FLY-IN visitors got together with Texas members last week for this picture, before visiting farming operations in the county. They are, l to r, standing: Bud Lane and Buck Bland of Haskell, Gerrit Boltges, Platt, S. D.; Haskell Co. Farmers Union president, Willard Mullins; Sherril Doll, New Salem, N. D.; bottom row: Clifford Gascorgne, Hitheock, S. D.; M. L. McGehee of Wayside, Tex., Farmers Union State Organization Director; and James Curran, Jefferson, S. D.

Bogged Down Truck

The truck pictured above has a load of concrete casing which will be placed under FM Road 1587, southeast from Munday to provide the crossing of the NCTMWA water supply line at a point referred to as 215+05.

The 30-inch casing was purchased from Gifford Hill Pipe Company of Dallas. The driver of the truck, on arrival in Munday at approximately 7:40 a. m. on Friday, March 24, was instructed to contact the Authority's general manager, Pete Beecher to direct him to the site.

The meeting between Pete and the driver was timely, and the procedure of leading the truck to the unloading site was underway.

A little of the much needed rain for the area had come the night before, just enough to make the "light-land" roads very slick. At a low place in the road the Beecher car got through, but when he was on firm ground, Beecher saw the trucker was blinking his lights. Pete went back to help. The truck was hopelessly stuck in the mud. In trying to get around the truck to summon help, Beecher got stuck. Next came a pickup truck load of Latin Americans—they too, got stuck.

Leon Johnson, an employee of the Texas Highway Department arrived on the scene. He summoned the services of a road grader to clear the road and help the truck to the unloading site where the job was finished.

Before leaving, the truck driver commented on how muddy Beecher's car, clothes, and shoes were. "All in a day's work," Beecher replied, "we have been bogged down in so many phases of operation until it has become routine with us."

REMOVE OLD CARS

The Haskell Rotary Club is planning another campaign to remove old cars from the City limits. If you have one on your property, or know of someone who has, call Andy Anderson at home or at Anderson Tire Company, and give him its location.

NOTICE

Offices of the Region 14 Education Service Center in Abilene will be closed on Monday, April 3, and Tuesday, April 4, in observance of the Easter Holiday.

and and Grass Judging Contests held At Stamford Last Thursday

The Haskell FFA Chapter, under the advisement of Duane Ly, participated last Thursday in the 1972 Land Judging Contest. This contest is sponsored annually by the California Creek Soil and Water Conservation District.

Professor Gilly fielded two teams. Team I was composed of Rocky Phemister, Joe Kretzmer, Joe Mickler and Bob Cobb. Team II consisted of Vin O'Keefe, Bill Cox, Royell and Allen Mosler.

Team I scored 683 points out of a possible 1,126 points, while team II scored 676 points. Team II ranked fourth place. Team I did not participate in awards.

The Paint Creek FFA Chapter, Tom Connelly, advisor, fielded two teams in the contest. Team I was made up of Green, Tommy Pritchard, ry Shaw and Alberto Jasso. They scored a total of 724 points, winning a plaque and first place in their trophy case. Team II consisted of Danny Over, David Green and Robert Woods. Their score was 345 points.

FFA Chapters from Anson, Permott, Hawley, Roby and Inford entered teams in the Land Judging Contest. Roby won first and Hawley took second.

High point individuals in Land Judging were awarded medals. First went to Steve Pursley from Roby. Second place was awarded to D. E. Townsend from Hawley. Tommy Pritchard from Paint Creek won third place with Brent Bolding of Stamford placing fourth and Dale Evers of Roby taking fifth place.

Roby and Hawley FFA Chapters entered teams in the Grass Judging Contest. Three of the Roby FFA Chapter team scored perfect scores. Team members identified 26 grasses and judged each grass according to its grazing value, its wildlife value, whether it was annual or perennial, warm or cool season, and a native or introduced species.

Key chains were presented to Ben Hamon, Clyde Pursley and Ronald Pursley of the Roby FFA Chapter for scoring perfect scores. Mike Gestrum was also a team member.

Donald Coats, Rodney Leach, Bobby Vawter and Robert Crabtree of Hawley, composed the Hawley Grass Judging team.

H. Berger Haferman, chairman of the Board of Education, presented the California Grass Judging trophy to the Roby FFA Chapter.

Rochester News

FFA WEEK

Rochester High School this past week was FFA Week and with the help of Mrs. Louise Chambers and the student teacher, Miss Rhonda Casin, the FFA girls celebrated each day.

Monday each class made patches and served in the bays. This day was set aside to honor the FFA.

Tuesday was a very quiet day. Every time a girl talked to a boy she had to give him a ribbon. At the end of the day the boy with the most ribbons was named "Mr. Irresistible." Tony Adkins won the title with eight ribbons.

Wednesday the FFA girls had a picnic in honor of Mrs. Louise Chambers, in the home of Cheri Lynn Townsend. Refreshments were enjoyed, and the girls presented Mrs. Chambers with a gift certificate.

Thursday was a busy day. The shopping in the Freshman class was done by Wendy Williams and Melissa Robinson. The Sophomore class, Laura Peters and Beth Mims, also did their shopping. The Junior class, Mark Pritchard, Pam Speck and Bob Strickland, shopped in the Senior class. Votes of Mr. Tomlin and Mrs. Sherman were cast for the Student Body Officers.

Friday was a busy day. Votes in the Freshman class was Bob Penman and Stan Adkins. In the Sophomore class was Mark Pritchard and Karen Jasso, and the Juniors picked Donald Scott and Lisa Grinstead. The Seniors chose Mike Newberry and Nancy English. The two best dressed students were Karen Jackson and Donald Scott.

BAND CLINIC

March 24, the Rochester Street Band was honored to have several students from Harlingen, Simons in Abilene to come down and visit them. These students helped the band on their pieces.

SENIOR PLAY

The 1972 Senior Play was presented on Thursday night, March 23. There was a good turnout for the two one-act plays.

The first one, "The Gimnick," a one-act comic fantasy by Andrew Burasco, starred Buddy Gauntt, Bud Hicks, Pam Speck, Lonetta Strickland, Mike Newberry and Buddy Mullino.

The second play, "Spartan," a hillbilly comedy in one act by E. P. Conklin, starring Nancy English, Pam Speck, Lonetta Strickland, Paul Strickland, and Gary Sharp.

The Senior class sponsors are Mr. and Mrs. Lowell Freeman. In between acts, Pam Adkins did Edith Ann and Melissa Robinson did Lily Tomlin. The master of ceremonies was Gary Sharp.

JAYTON TRACK MEET

The track team was entered in the Jayton Rolling Plains Track Meet Saturday. The Rochester team, coached by Archie Scott, made 22 points. Johnny Marlain placed first in discus with 133.9 breaking the old record. Johnny also placed second in shotput, 41.9. Paul Strickland placed sixth in broad jump and the 440 yard relay placed sixth.

EASTER HOLIDAYS

Rochester High School will let out school Thursday for the Easter Holidays. It will resume school Tuesday, April 4.

HERE AND THERE

Mr. and Mrs. Bobby O'Neal

THE CRUCIFIXION by Richard Hooker from Taylor's Bible Story Book

THE CRUCIFIXION

As the crowd led Jesus away to his death, Simon of Cyrene, who was just coming into Jerusalem from the country, was forced to follow, carrying Jesus' cross. Great crowds trailed along behind, and many grief-stricken women. Two others, criminals, were led out to be executed with him as a place called "The Skull." There all three were crucified... Jesus on the center cross, and the two criminals on either side. "Father, forgive these people," Jesus said, "for they don't know what they are doing. And the soldiers gambled for his clothing, throwing dice for each piece. The crowd watched. And they laughed and scoffed. "He was so good at helping others," they said, "let's see him save himself if he is really God's Chosen One, the Messiah." The soldiers mocked him, too, by offering him a drink... of sour wine. And they called to him, "If you are the King of the Jews, save yourself!" A signboard was nailed to the cross above him with these words: "This is the King of the Jews." One of the

LUKE 23:26-37 from The Living Bible translation

and children of Abilene spent the weekend with Mr. and Mrs. Virgil Mitchell.

Mr. and Mrs. Guy Marshall were in Hale Center Friday and Saturday. They attended the stock show where their grandchildren, Melody and Steve, showed their calves. They visited also with Mr. and Mrs. Carl Marshall.

Jimmie Alvis of Abilene spent the weekend with Mr. and Mrs. Earl Alvis.

Mr. and Mrs. Ricky Peters of Plainview visited Mr. and Mrs. Lesley Tibbets and family over the weekend.

Mr. and Mrs. J. C. Davis of Nocona, Charles Davis of Dallas, and Mr. and Mrs. Jim Taylor of Abilene spent the weekend with Mr. and Mrs. Archie Scott, Cindy, Donald and Lesley.

Mr. and Mrs. John Lane Ballard of Stillwater, Okla., spent the weekend with Mr. and Mrs. Fletcher Ballard.

- FOR COMMISSIONER, Pct. 3: J. R. Perry (second term)
- FOR COMMISSIONER, Pct. 1: C. A. Thomas, Jr. (second term)

Wooten, Dodson Win In Gun Club Events, Sat., Sun.

Haskell Gun Club Traps was a busy place over the weekend, with shoots on both Saturday and Sunday. Saturday's high, gusty winds didn't deter the shooters getting out, but might have altered their scores slightly.

In the 200 bird singles, Wallace Wooten broke 193 of 200 to place first in Class A competition, while Steven Ellis of Haskell broke 172 of 200 in Class B to take that vent. C. C. Calhoun of Aspermott took Class C with 167 of 200.

Curtis Gallehon of Abilene was second in Class A with 189, followed by Foy Gatewood with 184 and Dick Lindsey of Graham with 177.

Marvin Price of Vernon came in second in Class B with 168. In Sunday's events, the winds remained over West Texas to challenge the shooters, but James Dodson of Graham came out on top of Class C singles with 93 of 100 and Class C dou-

bles with 87 of 100 with Brooks Gallehon in the Handicap with 23 of 25. He won high overall gets, with 271.

Curtis Gallehon won both class A class A doubles with 87x100. Jerry Spring was top singles with 93x100. Helm of Roby took doubles hitting 87x100.

Next scheduled Haskell Gun Club is

Here's steel cord belt strength with polyester cord smoothness, in a great long-wearing tire. Goodyear builds it with two belts of steel cord for long-lasting resistance to impact and penetration. (You wouldn't run over steel drill bits the way we did here—but the demonstration illustrates how tough the steel belts really are.) Then Goodyear makes the long mileage easy to take, with a flexible polyester cord body to soak up the shocks. The brute strength of steel. The road-soothing smoothness of polyester. Both in this superb new tire.

Use Our Rain Check Program: Because of expected heavy demand for Goodyear tires, we may run out of some sizes during this offer. But we will be happy to order your size tire at the advertised price and invoice you a rain check for future delivery at the merchandise.

Indian Tracks

Joe Kretschmer is named Indian of the Week with his track record thus far. He was 3rd in hi-jump at Brady; 6th in the same event at Ballinger; and first in this event at Albany. He also entered the high-jump at the San Angelo meet last Friday and jumped 6' 11" there. No meets through the Easter

holidays, but the team will travel to the Coleman meet April 7. District Track Meet is at Anson on April 13th.

Gholson Groc. To Close April 8

"April 8th will be the last operating day of Gholson's Grocery," said owner Buster Gholson early Tuesday morning, in the offices of the Haskell Free Press. "My father opened Gholson's Grocery here in 1917 on the north side of the square, and I grew up in the business, taking over in 1954. But because of government price ceilings, this has cut down the flexibility of my operation to the point that I will close the doors April 8."

Within 30 days, however, Gholson will open a smaller store, in a different location, that will be a streamlined operation that can be run efficiently on a smaller scale. "We intend to stay in Haskell because we believe it is the best place in the world to live, and to raise children," he said. He also expressed his sincere appreciation to the many, many loyal customers that have been with him down through the years, and invites them all to watch these pages for an announcement of his future opening.

The Gospelites To Entertain

Monday evening, April 3, a special concert will be presented at the First Christian Church. The Gospelites, recording artists from San Jose, Calif., will present a concert of Gospel music beginning at 7:30 p. m. They presented a program at the First Christian Church in February of 1971 and were enthusiastically received. This promises to be an equally enjoyable concert.

The Gospelites, David Brown and Chet Turley, are graduates of San Jose Bible College and have been singing together as a team for the last four years. Each year they tour various parts of the United States, and the current tour will take them as far East as Illinois. The Gospelites have recorded a number of records and have composed several of the songs used in their concerts.

If you enjoy good Gospel music you certainly won't want to miss the concert Monday night. The public is cordially invited.

MISTLETOE KILLS

Did you know the 'beautiful' mistletoe that grows on most trees can kill that tree? True. Even though you may be proud to have some growth on the trees in your yard, you may be destroying the trees you value so highly, by letting it grow. If you want to preserve the tree, good advice is to get rid of the mistletoe. When Christmas comes along, it's easy enough to drive out in the country and harvest the mistletoe you need for decorating, but it isn't so easy to replace a beautiful, full-grown tree.

China Marker pens, general marking crayons, Listo waxy pencils for price marking, available at HASKELL FREE PRESS.

Haskell Livestock Plans Made For Market Report Rural Renewal For 4 Counties

Haskell Livestock Auction reported 703 head of cattle and 153 hogs Saturday afternoon. The market was lower on heavy feeders, steers and heifers. Stocker cattle were selling higher and stronger. Fat cattle were steady; bulls and cows were 50 cents to \$1 higher. Baby calves off mother cows were selling \$100 or more per head. One 55 lb. Hereford bull calf sold \$2.15 per pound, according to market reporter Fred Dalby. Sale results follow:

Bulls: bologna, 30-34; light, 32-43.
Butcher cows: fat 23 to 26.50; canner and cutter, 20-23; old shells, 14-16.

Butcher calves and yearlings: choice, 32-34; good 28-32; standard 25-28.

Feeder steer yearlings: choice, 32-34; good 28-32; standard 25-28.

Feeder steer yearlings: choice, 34-38; good 30-34; common-medium 26-30.

Feeder heifer yearlings: choice 32-34; good 29-32; common-medium 26-29.

Stocker steer yearlings: good and choice, 38-43; common-medium 29-38.

Stocker heifer yearlings: good choice 36-40; common-medium 26-36.

Stocker steer calves: choice, 50-60; good 40-50; common-medium 30-40.

Stocker heifer calves: choice 38-45, good 30-38, common-medium 27-30.

Cows and calves: choice pairs, 326 to 400; good pairs, 225-325; plain pairs, 160-225.

Stocker cows: choice, 230-275 per head; plain, 160-230.

Top on hogs was 22.60, with the bulk of butcher hogs selling from 21.50 to 22.50; sows from 18 to 19.40.

DONATE OLD GLASSES

Haskell Lions Club has issued an appeal for donations of old glasses—both frames and lens—to help in their drive. Glasses may be left at HASKELL FREE PRESS. These are used in aiding those in need of glasses, and is an annual drive sponsored by Lions Clubs all over America.

Too, remember the Lions Club Mop & Broom Sale, April 1!

Electric Coop Charles Stenholm; and Barbara Elliott, Haskell County home demonstration agent.

The steering committee appointed included Troy Culpepper of Haskell, Bill Koon of Stamford, Leonard Malone of Rule, Joe Aalhue of Sager-ton, and E. H. Diers of Old Glory. They will again meet in conference September 16 in Sager-ton's Community Center.

"Visiting Day" At Snyder College

Western Texas College in Snyder is sponsoring "College Visitation Day" on its campus this Friday, March 31. According to Dr. Duane Hood, Director of Student Services-Registrar, this day was selected because of its status either as a holiday or the last day before the Easter break.

Students may come at any time during the day. They should come to the Registrar's Office in the Administration Building. Events will include campus tours, discussions of alternative vocational choices,

discussions of the college transfer program, and individual conferences concerning financial aids, admissions, dormitories, and course selection.

CARD OF THANKS
We want to thank our friends in Rule and Haskell for all the help, cards and letters and flowers while we were in the hospital following the wreck. May God continue to give each one good health. Sincerely, Pauline Webb of Haskell, and Larie Williams of Rule. 13p

Pencils, protractors, rulers, posterboard, MARKS-A-LOT in six colors, all for the school student, available at HASKELL Free Press.

VOTE SATURDAY

Saturday, April 1, the voters of Haskell will go to the polls to elect 3 Councilmen to serve our city for two year terms.

It is practically impossible to see all of the voters in our city in a short period of time so we would like to ask for your consideration and your vote based on the "10 Point Platform" outlined here.

1. **We Believe** the City should have better warehouse and storage space for the city equipment. (Our present facilities are terribly run down and out of date.)
2. **We Believe** more street work needs to be done. We haven't had any sealcoating done to any of our streets in five or six years.
3. **We Believe** that we should have better equipment for our City employees to work with. (We expect miracles of them and give them junk to work with.)
4. **We Believe** our City employees might deserve better salaries. (This was mentioned when we voted the City Sales Tax but they got a very small raise.)
5. **We Believe** that the City Council should be good councilmen all the time rather than just a couple of weeks prior to our elections. (Notice how they are painting the town lately?)
6. **We Believe** that every tax dollar should be spent in such a way that it will benefit the majority of the citizens here in Haskell.
7. **We Believe** every town does need an airport. But no City of our size needs two of them.
8. **We Believe** that the Citizens should be informed of the Sales Tax money received by the City and how it is being spent. (With the last quarter of 1971 in by now, it should be well above \$80,000.00 that the City has received.)
9. **We Believe** that large expenditures by our City, for things that might not benefit everyone in our City should be voted upon by the Citizens.
10. **We Believe** that several of the offices in our City government that are now appointed by the City Council should be changed to elective offices.

We feel that the past performance of our present City Council is a good indication of what to expect in the future. Let's make a change now, while we can, for a better Haskell.

Ask yourself this question: "What has the City of Haskell done for me in the past 6 years to make me proud that I live here."

7 of 10 Classmates Attend Reunion

The Haskell High School graduating class of 1920 — ten in number — held a class reunion during the Haskell Homecoming last October when seven made it back to their old hometown. It took trips from as far away as Saratoga, Calif., Pittsburgh, Pa., and Nashville, Tenn. to get them all together, and they hope to make the next Homecoming, with more members present.

Mrs. Verna Oates Wilson of Haskell, one of the graduates, hosted the reunion in her home.

Attending were Mrs. Lucille Taylor Sherrill, formerly of Pittsburgh, Pa., and now living in Abilene; Mrs. David Maud Cummins Furaplorey, wife of Dr. A. M. Pumphrey of Fort Worth; Hill Oates of Haskell; Cedric Sanders, formerly of the Detroit, Mich. area, now living in Saratoga, Calif.; Mrs. LaVerne Cummins Regen, wife of Dr. E. M. Regen of Nashville, Tenn.; and Ed Sprowls, editor of the Anson paper of Anson, Texas.

Of the three remaining members of this class, Gaines Post, a retired professor of History at Princeton University, Princeton, N. J., now a Haskell resident, was unable to attend; Sam Chitwood was last reported

living in Dallas, could not attend; and Annie Kate Ferguson, passed away about 1944.

The Free Press received a beautiful picture of the reunion class by mail, but was unable to reprint it, because it was in color.

The class has held one other reunion, in June of 1940, a weekend camping trip on the Brazos River. The same number—7—attended.

Hospital Notes

Look Who's New

Mr. and Mrs. David Conner are happy to announce the birth of their son, Albert David Conner, II. He was born March 25, 1972, at 9:03 a. m., weighing 7 pounds and 12 ounces. His delighted sisters are Regina Gaye, 12, and Cheryl Lin, 9. Mr. and Mrs. A. L. Conner of Haskell are the paternal grandparents, maternal grandparents are Mrs. E. L. Underwood of Odessa and Mr. T. H. Gordon of Kilgore.

Admitted

Medical: Minnie M. Brady, Georgia M. Fouts, of Haskell; Lucia Swenson, of Throckmorton; Alma Ray and Katherine Hughes, of Rule; Grace Walker of Munday; F. J. Lowack of Sagerton; G. H. Cobb of Stamford.

Dismissed

Ida L. Roberts, Tom Robert Barnett, Barney L. Ross, Nelda Lane, Lucia Swenson, Faye Stewert.

MRS. BEN MELTON
... formerly Bonnie Dee Hicklin

Melton, Hicklin Vows Read

Wedding rites uniting Bonnie Dee Hicklin, 1727 Waverly, San Antonio, to Ben Melton of Haskell were read March 25, 1972 by the Rev. Max L. Caldwell, educational director, in Manor Baptist Church, in the chapel of that church in San Antonio.

The bride is the daughter of Mrs. Carl L. Hicklin and the late Mr. Hicklin. The groom's parents are Mrs. Bess Melton and Mr. Raymond Melton, both of Haskell.

Fellowship Hall of the church immediately following the ceremony.

The bride is a graduate of Thomas Jefferson High School of San Antonio, and attended San Antonio Jr. College and Howard Payne College.

The groom, a graduate of Haskell High School, attended Cisco Jr. College and Howard

Payne College. He is employed at Haynes Elementary school at Lubbock, where the couple will make their home.

OKLAHOMA VISIT

Mrs. Gene Tonn returned on Monday from a visit in Midwest City, Okla., with Mr. and Mrs. T. J. Charboneau and girls, Lynette and Leslie. She also met her new great-granddaughter, Heather Rae Gleason, new daughter of Lt. and Mrs. Dennis Gleason there. The Gleasons will be moving to N. J. in April where Dennis has a new position upon discharge from the Air Corps.

Enjoyable Reunion By Gene Tonns

Mr. and Mrs. Gene Tonn were in Mesquite Sunday and Monday to visit with the Donald Bowers family, Mrs. Tonns' sons. They then went to see, for the first time in 70 years, two of Gene's cousins in Waco, Mrs. Martha Seeding and daughter, Hilde. Mrs. Seeding took them to see her sister, Mrs. Mary Vardenkumz and daughter, Lucille, who live in the country west of Waco. The three cousins had a delightful time talking about the last time they saw each other, 70 years ago, when all were small children in East Texas. On the return trip, the Tonns had a short visit in Hamilton with Mr. and Mrs. B. F. Cobb, who are former Haskellites. The Cobbs send greetings to their many friends in Haskell. In Abilene, they visited with Gene's sister, Mr. and Mrs. Karl McGregor, and reported on the wonderful visit with their "long-lost" cousins, returning Wednesday night.

The bride, given in marriage by Rev. David Arnette, her brother-in-law, chose an A-line wedding dress featuring an Empire waist, full sleeves with cuffs, with flower trim on the bodice. It was fashioned of dotted swiss over satin, and her shoulder-length veil was held to her head with a cluster of organza flowers. Her bouquet was of yellow rose buds, baby's breath, and stephanotis.

Her attendants were Miss Marsha Lee Hicklin of San Antonio, sister of the bride, as maid of honor, and bridesmaids were Mrs. David E. Arnette of Fort Worth, also her sister, and Mrs. L. V. Ivey of Haskell, sister of the groom. They chose yellow street length dresses fashioned with purple trim at the waistband and cuffs. They carried a bouquet of orchid cushion mums. Cindy Ivy, the bride's niece, was candlelighter, along with Charles Levine of Houston, cousin of the bride. The reception was held in the

The PERSONALITY SHOPPE

Texas Heritage Program Informs Club Of History of Haskell and Courthouse

Friends, this is the way we were in our growing up and in our marrying, and in our living, and in our dying . . . about the government and business forms . . . that's the kind of thing people seem to hand down first of all." This quote from Thornton Wilder's "Our Town" was given by Mrs. R. C. Couch, Jr., president of the Progressive Study Club, before she introduced Mrs. Bailey Toliver, director for the March 23 program, Texas Heritage . . . In Our Town Mrs. Toliver then led the members in the pledge to the Texas flag, and Mrs. Pat Henry led in prayer. Mrs. Toliver then introduced Miss Pat Harris, a participant in Miss Texas Pageant, who sang several selections on the theme of love, concluding with one about man's greatest love, "The Lord Is My Shepherd." She was accompanied by Miss Ellen Walling.

Mrs. Toliver then introduced the special guest speaker, Mrs. Ben Charles Chapman, a native of our town and one well qualified to speak on our heritage. Mrs. Chapman told of the formation of Haskell County—it had been a part of Throckmorton County—after a petition of 159 names—some said the dogs' names had been added to the list as well as people passing

through—was presented to a judge in Throckmorton in November 1854. The county organization was completed in January 1855, and officers were elected and appointed. An early landmark was a huge stack of bleached buffalo bones about where the present courthouse now stands Mrs. Chapman then focused her talk on the courthouses. The first one was on the west side of William Harvey's store located on the north side of the town square. Mr. Harvey was paid \$7.00 rental per month. He agreed to some "fixin's", stripping the cracks, cutting a window in the west wall for light, and laying carpet. Several clerks had office space, and a doctor had living and office quarters in the rear. During the summer of 1855, the first courthouse was erected, a two-story wooden frame building with a cupola and bell tower. This served well until 1891 when a very elegant native stone, three-story building was erected, complete with bell tower and four clock faces. When showing this second picture, Mrs. Chapman pointed out that the bright dome of the tower served as a landmark since it could be seen for many miles just as the stack of buffalo bones had at the earlier period. This attractive building served until 1931 when the present courthouse was constructed.

Progressive Study Club... March 16... for a... in our... Diggs'... a read-... Wilder's... had been... Town"

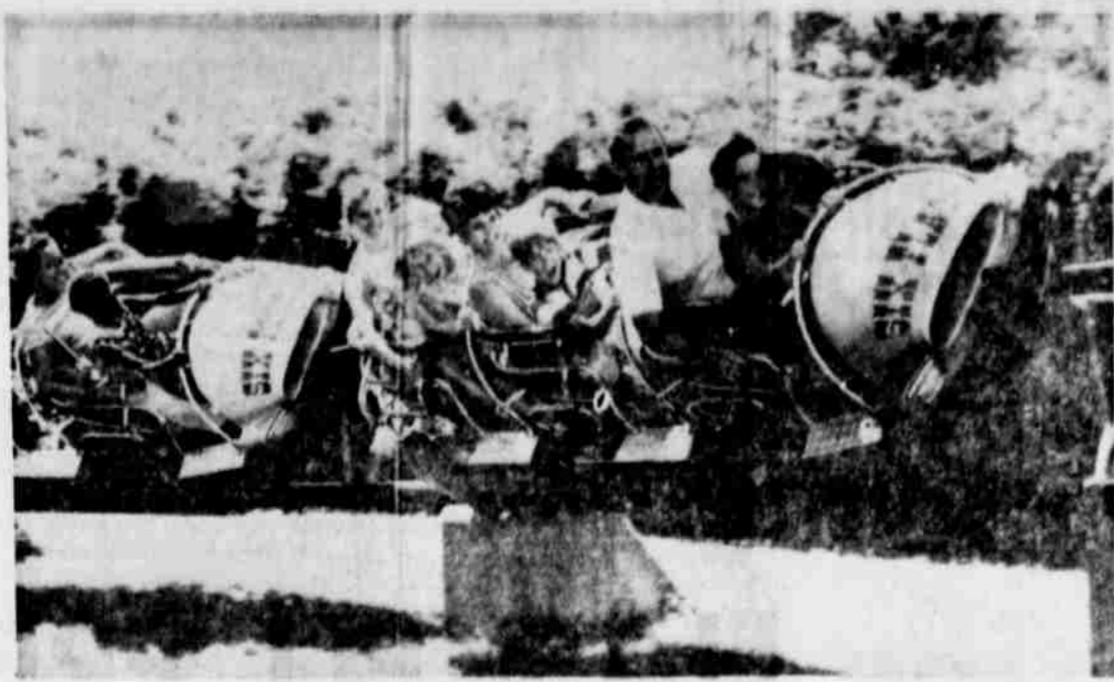

Mr. Don Lamb, Director of the Haskell-Knox Special Education Consortium, spoke to the group on education of students with special needs. In its third year of operation, this comprehensive special education program in our area now serves 150 pupils in a 10-school area.

Mr. Lamb stated the purpose of this program is to meet the need of our children. There are now 26 teachers and instructional personnel, 10 teacher aides, six supporting personnel, one secretary, one speech therapist and one home-bound unit consisting of 2-1/3 teachers, and two vocational instructors employed to serve the Haskell-Knox Education Consortium.

Mrs. R. C. Couch Jr. presided over the meeting; Mrs. Doyle High directed the program and Mmes. Frank Martin, Lee Roy O'Neal and Garvin Foote were hostesses for the meeting.

SIX FLAGS BREATHTAKER—The Big Bend, added to the lineup of rides at SIX FLAGS Over Texas late last season, will be new to most 1972 visitors. The huge ride carries passengers over more than a half mile of curving, spiraling track at speeds up to 50 mph. The ride, introduced to this country by Six Flags, is the fastest entertainment ride in the nation.

OPENS MARCH 25

A TOTAL "NEW LOOK" IN STORE FOR SIX FLAGS VISITORS IN '72

Arlington, Texas—Brilliant new color schemes, subtle design changes and exciting new attractions have given SIX FLAGS Over Texas a new "face" for the 1972 season.

The changes are evident from the moment a guest walks into the Park's entrance mall. There, in the center of a circular pool, sits a new, \$25,000 fountain.

In the popular SIX FLAGS Petting Zoo, major changes have been made. A rock-lined lagoon now borders the area where visitors can pet small animals. In the waters of the lagoon are dozens of Imperial Koi carp which will actually eat from the hands of guests.

And, nearby is a new ride, the Rugged Buggy, designed specially for younger visitors who can hop into their own beach buggy or swamp buggy for a gentle ride.

In the Texas section of the big theme park visitors will find the largest, detailed historical map ever made. The huge map of Texas stands more than

fourteen feet tall. The SIX FLAGS Dolphin Show provides more fun than ever. A comical sea lion and a talented macaw have joined the two dolphins in the 1972 show.

In the Southern Palace Music Hall, a fast-moving production called, "Gotta Sing! Gotta Dance!" features a cast of sixteen entertainers from the nation's college campuses backed by a fourteen-piece pit orchestra.

And, in the Puppet Theatre, Sid and Marty Krofft are presenting "Follies," a colorful show new to the SIX FLAGS audience.

In every corner of the family entertainment center there is a "new look" created during the winter months by Ted Friesen, an environmental artist.

Friesen, the designer of numerous settings for television productions, calls the SIX FLAGS layout "the biggest mural I've ever done." Familiar buildings and rides have taken on a new appearance. The changes are par-

ticularly noticeable in the USA section where the ruler-straight lines of buildings have been erased by a facade of lattice-work and graceful arches.

The Lost Parents Caboose, where youngsters separated from their parents await a happy reunion, has been transformed from a dull, green railway car to a bright red and gold unit from a circus train.

The antique Carousel, once primarily white, has been embellished with glowing hues of red, orange and yellow.

Lines of green accent the Old-South architecture of the Southern Palace Music Hall. The color extends inside with richly-flocked wall covering and a new, green carpet.

In addition to the changes in color and design, many of the young hosts and hostesses who give SIX FLAGS its personality are sporting strikingly different costumes.

For 1972, the statement, "there's something new at SIX FLAGS," doesn't begin to tell the story.

paper and its printing plant on Monday at 4:00 p. m.

Girls making the tour were Kiersta Lane, Emily Cox, Kim Lane, Sharon Turner, Sbarla Drinnon, Terri Adams, Donna Kemp, Laurie Reynolds, D'Anne Burris, Sherri Lynne Adams, Alicia Walker, Roxanna Cindy Baiville, Shelly Jo Long, Camille Klose, Margie Ann Liles and Lynda Burris. They were accompanied by their leader, Mrs. Dale Burris, and assistant leader, Mrs. Abe Turner. They were toured through the

plant by Mrs. Clydene Comedy, editor. They watched the Linotype machine work; saw the pages as they were made up, and viewed the printing presses, casting room, and make-up department.

They also saw a "pig" of metal, but couldn't quite decide how it got its name, since it looked nothing like a pig!

Cancer Society Appreciates Gifts

The following gifts have been made to the Memorial Fund of the American Cancer Society since January 1972:

Mrs. Lois Campbell and Clifford Campbell in memory of W. O. Ervin.

Bill Perry in memory of W. O. Ervin.

Mr. and Mrs. Dennis P. Radliff in memory of Curtis Thornton

Mrs. Nell Russell and family in memory of Mitchel Walker

Mrs. J. M. Glass in memory of Mrs. E. J. Couch.

Mrs. Myrtle Cobb in memory of Mrs. E. J. Couch

Mr. and Mrs. Jack Chapman in memory of Mrs. E. J. Couch

Mr. and Mrs. Buford Cox in memory of Fred Norman.

Mr. and Mrs. Buford Cox in memory of Carl Norman.

Mr. and Mrs. Buford Cox in memory of Cretia Brooks.

Mr. and Mrs. R. W. Herren in memory of Mrs. J. M. Crawford.

Memorial gifts to the American Cancer Society are thoughtful gifts — fitting tributes to those we love so that others might be helped. Your memorial gift will not only do honor to a loved one; it could help provide a gift of life. The American Cancer Crusade starts April 18th. Gifts to the Memorial Fund or to the Annual Crusade fund may be mailed to the Haskell County Unit of the American Cancer Society, Box 42, Haskell, Texas.

Special Session By County Com.

Haskell County Commissioners Court met in special session March 28 with all members present. After minutes of the March 13th meeting were read and approved, they reviewed and accepted as filed, the annual audit for 1971.

A unanimous vote was recorded to set an hourly rate for hourly paid employees at \$1.60 per hour retroactive March 1, 1972. They also voted unanimously to reject Minute Order \$65502 Texas Highway Dept. dated Nov. 5, 1971 pertaining to Farm-to-Market Road in Precinct 2; and voted to advertise for bids on one 1972 truck.

City Council Has Routine Business Meet

Haskell City Council met in regular session Tuesday night with the Mayor and all councilmen present, along with Marvin Collins, Water Superintendent; Joe Williams, City attorney; and James New of Seymour.

Mayor J. Belton Duncan gave the prayer followed by the reading and approval of the minutes.

Bids were opened on a new 5-plane hangar and small terminal building for the City Airport, and low bid went to James New.

A report was given on cutting back the sidewalks on the West side of the square, and work on this will begin in the near future, as well as construction work at the City Airport.

The Council attended other routine business, and adjourned.

C. W. Quattlebaum

Funeral services for Charlie W. Quattlebaum, 78, were held at 11 a. m. Tuesday, March 28, in First Baptist Church of Haskell. Conducting services were Dr. Troy Culpepper, pastor, and Rev. Hubert Segro of Haskell. Burial was in Willow Cemetery under the direction of Holden-McCauley Funeral Home. He died Monday at 11:30 a. m. in Leisure Lodge where he had been for about 6 weeks.

Born Feb. 27, 1894 in Williamson County, he married Buelah Bell Hayes Dec. 20, 1913 in Haskell. He was a retired hardware store clerk.

He was a member of Haskell First Baptist Church, a deacon and a member of the Business Men's Bible Class. He came to Haskell County in 1908 with his parents, the late Mr. and Mrs. P. P. Quattlebaum, and has lived here ever since.

He is survived by the wife of Haskell; two daughters, Mrs. T. B. (Sue) McMeans of Rule, and Mrs. A. H. (Maxine) Caperton of Brownwood; one brother, B. R. of Johnson, Kansas; one sister, Mrs. Eula Orr of Haskell; four grandchildren and two great-grandchildren.

Palbearers were Wallace Cox Sr., Royce Adkins, Buster Gholson, Lee Roy O'Neal, Jimmy Crawford and Jimmy Owens. Honorary palbearers were the deacons of the First Baptist Church.

John Job

Mrs. R. D. Williams of Haskell received word of the death of her father, John Job of Jamestown, N. D., March 22. Funeral services were held on March 27 in Jamestown, for him.

Mrs. Williams left early on Thursday morning, March 23, for North Dakota.

Steinmark's Book Reviewed to Lions

"I Play to Win," by Blacky Sherrard and Freddie Steinmark, the book about Steinmark, the University of Texas football player who lost his leg, and lived his life, to cancer, was beautifully reviewed by Mrs. Carolyn Pippin Tuesday at the noon luncheon meeting of Haskell Lions Club.

She kept her audience enthralled with her review of the views of the youth in his battle against cancer, and told of his fierce desire to win — both on the football field and in life.

Frank Martin gave the invocation. Gene Long led the singing, accompanied by Ellen Walling at the piano. Wallace Cox, Jr. was program chairman for the day, and introduced Mrs. Pippin.

Jr. Garden Club Landscapes Railroad Museum

The Junior Garden Club met Thursday, March 23, at the Depot Museum and planted two Nandinas, given by Mr. and Mrs. Jack Pippin and Mrs. Carrie Williams; and two clumps of pampas grass given by Mr. and Mrs. Viars Felker. Mrs. Wyche assisted by Vickie Daniels and Leisha Solomon demonstrated proper planting and watering methods.

Mrs. Gaston Tidrow, who opens the Museum on Mondays and Thursdays, showed the girls through the Museum. The girls were fascinated by the old cotton sack and scales, and the 100-year-old rock from Albany with the 1836 date of Texas independence from Mexico. Later, the girls picnicked in the park. Hostess for the day was Vickie New. Special guests were Mrs. Jackie Daniels and Kim Daniels.

Bloodmobile Plans Made

An organized and active Haskell County Red Cross Chapter is well on the way to becoming a reality this week. After a preliminary meeting March 21 between hospital officials, a group of interested citizens, and Red Cross officials from both Wichita Falls and Fort Worth, a nominating committee was named.

They met Tuesday morning at 7 a. m. at City Cafe, with a proposed list of both officials, and one- two- and three-year board members.

The Red Cross Chapter must be formed in order that Haskell County can join the Red Cross Red River Bloodmobile organization "Haskell County, to this point, has only a 'walking blood bank,'" explained Hospital Administrator Alfred Turnbow, "which simply means we have a list of names on record at the hospital, with their blood types, that we have permission to call if a patient is in vital need of a transfusion.

Over a long period of years, this list has shortened considerably, due to many causes, and we are in vital need of a constant, ready supply of all types of blood available to us at all times."

The Red River Bloodmobile is the answer to this need. Charles Fodor, division representative of the West Texas Division of Red Cross, explained in the March 21st meeting that Haskell County's fair share Red Cross goal would be only \$1,692.00 this year, and half of whatever funds are collected in a drive would automatically be left in the Haskell County Chapter Fund. This money would be used to supply the needed refreshments and incidentals for the blood-donor drive each visit in Haskell. Perhaps five times a year, the big Bloodmobile truck would come to Haskell County.

On each visit, a total of 70 pints of blood would need to be donated. Not more, and hopefully, not less. This is 4% of the supply needed at the Wichita Falls center at all times, to supply all the hospitals in this district with the vital blood needs.

Under this plan, too, the recipient of the blood does not pay for the blood. This program of Red Cross is the only program it offers where a recipient of their services eventually pays for a part of the program, and it is set up in this manner for the safety and controls to be held at a local level. There is a hospital participation fee charged, but it is much less than the charges for blood transfusions when a county is not a member of the Bloodmobile plan. Too, it is not a requirement that the blood be replaced.

If a friend volunteers to donate blood because of a transfusion you have received, he may voluntarily do so during one of the visits of the Bloodmobile truck to Haskell. Appointments will be set up for each donor during a visit of the truck, so that little time is taken from their day, and so that the staff with the truck can take care of the donors easily and conveniently.

These Blood donor programs are set up by local people, and it is the desire of the Red Cross Red River Bloodmobile program that control of it stay at a local level, with the people organizing to do a job for themselves.

It is a program that has long been needed in Haskell County, and one that will keep a constant supply of every type of blood known, available at our hospital for the needs of our people, at all times.

If you wish to make a donation, make your check out to Haskell County Red Cross, and leave it at Haskell Free Press, or with Troy Swartz at Haskell National Bank.

Under this plan, too, the recipient of the blood does not pay for the blood. Engagement Announced

Mr. and Mrs. Glen Sammons have announced the engagement of their daughter, Tina Diane, to David Michael Newberry, son of Mr. and Mrs. Kenneth Newberry of Rochester.

The bride-elect is a graduate of Haskell High School and is attending Glen & Lottie's School of Beauty in Abilene.

The prospective bridegroom will be a 1972 graduate of Rochester High School and will attend Hardin-Simmons University this fall. The wedding is planned for July 23rd in the home of the bride's parents.

HEART MONITOR FUND

Elsye and Jan Eastland and Eudora Bradley in memory of Ewell Cummings

Total donated to date \$3161.17.

NEWCOMERS

Mr. and Mrs. William Talley and family of California have moved to Haskell and are living at 1108 N. Ave. L.

LEFORS VISITORS

Mrs. Ree Gardner spent a week with her daughter, Mr. and Mrs. Dale Garrett in Lefors, Texas. Her grandson, Allan, had knee surgery and is recovering nicely. Ree Gardner went last Sunday to bring his wife home.

VOTE FOR THE PRESENT CITY COUNCIL MEMBERS They are well qualified men and will continue to keep Haskell progressive. H. V. WOODARD (Pd. Pol. Adv. by H. V. Woodard)

To The Residents Of The City Of Haskell We, the present members of your city government whose terms will expire in April, have served with the best of our ability, trying at all times to do what we think is best for the City of Haskell. We are offering our services for another two year term. We will appreciate your support. CARL ANDERSON Councilman JIMMY BROWNING Councilman RUSTY GHOLSON Councilman BELTON DUNCAN Mayor (Pd. Pol. Adv. by Above Candidates)

Dieting Hints Given To Assure Proper Balance of Basics In Diet

If your clothes budge and wad where they used to hang straight, it may be time to consider weight reduction.

Form-fitting winter fashions made of figure-revealing fabrics have made many people more diet conscious.

"Before beginning any weight reduction program check with your physician," said Mrs. Barbara Elliott, Extension County Home Demonstration Agent.

Following the basic four food guide remains the best way to lose weight safely. Recent data shows that fat makes up only one-third of the total weight lost on starvation diets. The remaining loss comes from muscle.

However, reducing diets that allow the dieter to eat protein and fat but limit carbohydrates cause about two-thirds of the total weight loss to be fat. Muscle tissue makes up only one-third of the total weight loss on this type of diet.

In other words, "the agent explained, "if the total number of pounds lost on both diets were the same, the person on the reduction diet would actually lose more fat tissue and less muscle tissue than the person on the starvation diet."

The dieter should consider other factors than just what foods to eat when losing weight.

Studies on weight reduction show that rats fed only one meal a day had more fat tissue than rats fed throughout the day. This was true even though both groups of rats ate the same kind of food in the same

amounts. Physical exercise plays a part in weight reduction. A person less active than usual needs fewer calories from his food than he would normally require.

"Mental attitude plays a major part in successful weight loss," the agent noted. "A desire to lose weight despite the difficulty involved makes the difference between permanent weight control and temporary weight loss."

Mrs. Elliott suggested that to lose weight while following the basic four food guide, select lower calorie foods from each of the groups. Choose skim milk or buttermilk rather than whole milk from the milk group. From the bread and cereals group enriched breads and whole grain cereals instead of cakes, cookies and donuts.

Remember too, that when selecting fruits, avoid jams, jellies and those canned in heavy syrup. Choose fresh fruits instead. Substitute plain vegetables and tossed salads for french fries and creamed vegetables.

The agent explained that eating three or more smaller meals a day prevents a feeling of excessive fatigue or hunger. Remaining active also helps to burn fat.

"Remember," Mrs. Elliott concluded, "a truly successful diet means permanently changing eating habits so you can maintain a desirable weight."

County Cancer Unit Makes Plans For '72 Crusade

The Haskell County Unit of the American Cancer Society met Monday, March 27, 1972.

Mr. Royce Williams, president, reported 20 Girl Scouts had assembled the material included in the Workers Kits to be used by volunteers in the annual door-to-door crusade beginning April 18. \$4,000.00 is Haskell County's goal this year.

Mrs. Zelma Price reported coat hanger covers, advertising the Crusade, had been delivered to dry cleaners and would be used during the month of April.

Mr. E. O. Morgan of Rule is County Chairman; Mr. Clyde Grice is his assistant.

Community Resident Chairmen are: Mrs. Grady Ellis, O'Brien; Mrs. Grace Hill, Rochester; Glenn Merchant, Paint Creek; Mrs. Tiffen Mayfield, Weinert; Mrs. Alice Lewis, Sagerton; Mrs. Gene Hunter, Haskell; Billy Jack Ray, Haskell, for Civic Clubs; Mrs. Becky Richardson, Haskell, for Women's Clubs; Mrs. Barbara Elliott, Haskell, for Home Demonstration Clubs; Linda Burson for schools in the County.

Mr. Mike Dabbs of Abilene, Field Representative for this District and Mr. Dick Bahr of Austin, District Executive, met with the local unit.

Student News

Alton Lancaster, a senior in Nimitz High School in Irving, was a grand prize winner last week in the science fair projects.

He won in the senior division with a creative project entitled "Cosmology". He discussed the changing patterns and constellations using a cassette player and slide presentation.

He is now eligible for the Dallas Regional Science Fair, slated April 13-16 in Dallas Memorial Auditorium. Alton is the grandson of Mr. and Mrs. Audie Stocks of Haskell.

Oklahoma Well A Wildcat

Dallas, Texas—Lone Star Gas Company has announced that it has completed running electric logs on its E. R. Baden Unit No. 1 well, a wildcat in Beckham County, Okla. This well was bottomed at 30,050 ft., a world record depth. While not conclusive, interpretation of electric surveys failed to indicate a probability of commercial hydrocarbon production. In view of the problems associated with obtaining and evaluating electrical surveys at these record depths, Lone Star is preparing to run a liner to test the Hunton Formation in order to insure conclusive testing. These tests are expected to be completed within three weeks.

CONSERVATION POINTS

YEABY, JR.
Conservationist

room supplements the environment education in a school. As a child learns to give depth to his learning about the dimensions of man's relationship with the environment. Programs often give opportunity for children to learn about the use of water, and air, and the care of them in accord with ecological

principles determine his own fate. Natural resources and ecological systems have specific capabilities and limitations; the rate of natural resource use depends largely on the economy, the population, and the degree of industrial development of a nation. Environmental quality is defined and determined by people within the context of cultural, social, economic, and political values. Each outdoor classroom is an individual project. It must be planned according to the size and shape of the area available and to the topography, climate, geologic features, geographic location, and special resource problems of that site. Although the natural resources are different from one location to another, students can acquire the same basic understanding of soil-water-plant relationships, and the need for intelligent management of all natural resources. I can secure a copy of a Soil Conservation Service bulletin for any teacher or group of teachers interested in developing an outdoor classroom on their school site upon request. The staff members at the Haskell Work Unit will be happy to schedule the necessary time with any school system in Haskell County that might be interested, to assist with developing an outdoor classroom. We hope that, in the future, we of the Haskell SCS can be of assistance to and will be called on to assist teachers present conservation programs in their schools.

HISTORY OF FARMERS UNION

CHARTERED 1902—POINT, RAINS CO., TEXAS
(This is the 13th of 52 articles pertaining to goals and accomplishments since 1902, running every Thursday in the Haskell Free Press.)
1902—Public Law 480—the Agricultural Trade Development and Assistance Act—signed into law. Farmers Union's testimony on this proposal had been entitled "Use Food to Win the Peace", a fact which perhaps suggested the name by which the program later became popularly known—"Food for Peace". Approval of the program climaxed a ten-year effort by NFU's James G. Patton, whose suggestions for planning in 1914, had suggested use of U. S. food surpluses to combat "stomach communism" in the world.
1938—The National Wool Act became law authorizing the use of direct payments to producers to supplement income and to encourage an increase in domestic production, a course supported by National Farmers Union.
1935—Social Security was extended to self-employed farm operators, climaxing and frustrating effort by Farmers Union dating back to 1937, a year after the original Social Security law.
1934—Coverage of farmers under Social Security began, urged by NFU for years, advocated as early as 1936.
1935—National Farmers Union, fighting a threatened cutback in the Federal insurance program urged instead the revitalizing and expansion of the program.
1935—Farmers Union testifies for Watershed Protection and Flood Prevention.
1955—Farmers Union urges measures to ease the freight car shortage.
1956—National Farmers Union opposed before the Interstate Commerce Commission a petition by the railroads for a freight rate increase on agricultural products.
1956—Legislation was adopted creating a special conservation program for the Plains, an action supported by Farmers Union.
1957—Farmers Union asked expansion of the crop insurance program and opposed the effort of Secretary Benson to withdraw the program from counties which suffered repeated losses due to the drought.
1957—NFU testifies against further tightening of money, a policy which was in recessionary effects.

SECTION TWO

THE HASKELL FREE PRESS

HASKELL, TEXAS 79521, THURSDAY, MARCH 30, 1972

NUMBER THIRTEEN

County Farmers Show Increase

Haskell County showed a total of 1,022 farms in the 1969 Census of Agriculture, according to figures released by the U. S. Department of Commerce's Bureau of Census, a part of the Department's Social and Economic Statistics Administration (SESA).

In the last previous Census of Agriculture (1964) the number of farms reported in the county was 941. Of the county's total farms in 1969, 848 are reported as selling \$2,500 or more of agricultural products in the year, as compared with 787 in 1964. The report also shows average farm size in the county was 527.8 acres, and average value of these farms (land and buildings) was \$99,372. Other figures from the report are:

1. Value of all farm products sold in 1969, \$13,670,758; in 1964, \$172,884,500.
2. Value of all crops sold in 1969, \$7,981,373; in 1964, \$10,246,328.
3. Value of all livestock, poultry and their products sold in 1969, \$5,688,385; in 1964, \$2,589,854.

ing used by operators of farms from which agricultural products totaling \$2,500 and over were sold. Including family farms using this type of business structure, four of the county's \$2,500-and-over farms are incorporated.

Men In Service

(10N065840 MO) USS BLUE RIDGE (FHTNC) March 17— Navy Petty Officer Second Class Bobby G. Robinson, husband of the former Miss Cheryl Counts of Rule, Texas, is in the Western Pacific aboard the USS Blue Ridge, an amphibious command ship homeported at San Diego and now operating at a unit of our Seventh Fleet.

Tax Questions ... And Answers

(This column of questions and answers on federal tax matters is provided by the local office of the U. S. Internal Revenue Service and is a public service to taxpayers. The column answers questions most frequently asked by taxpayers.)

- Q) What transportation expenses are deductible that are not business related?
A) You may deduct a charitable contribution unreimbursed out-of-pocket transportation expenses directly attributable to services you render to a charitable organization. If you use your own car, instead of actual expenses you may use the rate of six cents per mile to determine your deductions.

Haskell High Happenings

LUGENE LANE

On Friday, March 24, the Haskell Maidens traveled to Knox City to their first track meet. Many of the girls earned top honors, and the team came home with the trophy for highest points, with 124. The second highest team was Baird with 82.

Long Jump: Debbie Young, 5th; Paula Middleton, 6th. Triple Jump: Margie Kretschmer, 3rd; Debbie Young, 4th. High Jump: Mary Ann Elliott, 2nd; Glenda Chapman, 6th. Shot Put: Helen Mary Cadenhead, 5th. 60 Yard Dash: Debbie Young, 4th. 100 Yard Dash: Debbie Young, 3rd. 220 Yard Dash: Mary Ann Elliott, 1st; Helen Cadenhead, 3rd. 440 Yard Dash: Karen Kroft, 3rd. 880 Yard Run: Lee Ann Toliver, 1st; Ruby Collins, 5th. Sprint Relay: First, Jill Fincher, Mary Ann Elliott, Paula Middleton, Debbie Young.

County Will Miss Vicki Cavender

Miss Vicki Cavender will become Young County Home Demonstration Agent effective April 1. She succeeds Mrs. Sybil Stringer who retired January 31. This announcement is made jointly by Judge Raymon Thompson and the Young County Commissioners' Court and Thelma Wirges, District Home Demonstration Agent.

Miss Cavender has recently completed her training period under the supervision of Mrs. Barbara Elliott, Haskell County Home Demonstration Agent. She also attended New Agents Training at College Station. A native of Dallas, she is a graduate of Bryan Adams High School. She holds a B. S. Degree from NTSU in Denton.

THE STATE OF TEXAS)
COUNTY OF HASKELL)
ORDER AND NOTICE OF ELECTION

I, J. E. JETTON, Mayor of the City of Weinert, Texas, by virtue of the power and authority vested in me by law, do hereby order, that an Election be called in the City of Weinert, Texas, on Saturday, April 1, 1972 that being the first Saturday thereof, for the purpose of electing three (3) Aldermen for a term of two years each.

Rotary Guests Include North Dakota Farmers

An overflow crowd of members and guests were present for the weekly meeting of the Rotary Club at noon, March 23, in the City Cafe. Club president, C. A. Thomas Jr., presided for the luncheon meeting which featured as guest speaker, Bob Harris, District Boy Scout Executive of Sweetwater. Rotarian Abe Turner introduced Mr. Harris who gave a short and informative talk on the scouting program and especially as it pertains to the boys in the Haskell area who are participating in scouting. He stressed the three basic goals of scouting, Character, Citizenship and Fitness, which includes both physical and mental health. He also told his listeners of the planned scout meet to be held at the Haskell Fair Grounds on Saturday, April 15, at which time some 250 area boy scouts are expected to be here to participate in the district program.

Does your hot shower end in the middle of your hot shower?

And, as if that isn't bad enough, you've got three kids and a very irate wife prepared to tar and feather you for using up their hot water. Maybe it's time to move up to a larger gas water heater. Gas water heaters are easy to buy. Easy to install. And they recover hot water up to twice as fast as electric water heaters. Make the decision. You'll stop getting into hot water with your family, and start getting into hot water with your shower.

PIONEER SEEDS Sign of Good Breeding
Pioneer brand grain sorghum varieties have bred-in yield potential to help farmers get the most from their good management even in the face of adverse weather, insects, or plant disease. Also, the genetic inheritance of every Pioneer hybrid is unique. Each variety is bred to bring out the special traits necessary for maximum performance in the area where they are to be grown.

New Signs, Signals And Markings on Texas Hiways

Highway approved changes in traf- signs, sig- markings.

In Texas, the changeover will be gradual, with new signs going up on a replacement basis initially. The manual will become effective June 1, 1972.

Although there will be new symbols, shapes and colors, the majority of the existing signs will remain unchanged.

The new yield right-of-way sign will have a wide red border and white interior and will retain the word "YIELD" in red inside the border.

The new prohibitive signs will all have a red circle with a slash cutting diagonally through the center which will mean "NO NOT" or "NO".

The yellow diamond-shaped signs will still stand for a warning, but some of the symbols showing hazards ahead will be new. For example, the message, "MERGING TRAF- TIC", on a yellow diamond-shaped sign will be replaced by a black arrow being joined by a smaller black line.

There is a major change in the school advance sign and the school crossing sign. These signs will now be pentagon in shape, with the figures of two school children being shown in black on a yellow background.

Red will indicate stop or a prohibition, green will show movement permitted or give directional guidance, blue will signify motorist services, yellow will indicate a general warning, and black on white will be used for regulatory signs such as those for speed limits and for most guide and destination signs.

In addition, orange (a new color in the manual) will convey construction and maintenance warnings.

The new traffic control devices manual also includes major adjustments in the use of color lines for pavement markings.

White broken lane lines will remain on divided, multiple-lane highways such as Interstate Highways. The white broken line will denote that there is more than one lane, but that traffic in all lanes travels in the same direction.

Yellow striping will be used a great deal more than in the past and will denote two-way traffic. The combination of broken and solid yellow stripes will indicate to the motorist what is permitted.

A yellow broken centerline will mark the division of the road where passing is permitted. A solid yellow line to the right of a broken yellow centerline will mean no passing is allowed for traffic in that lane. Double solid yellow lines will denote the center line of an undivided multi-lane highway where no passing is allowed by vehicles in either direction.

FORMER SAGERTON MAN DIES

Funeral services for Harvey Durward Crabtree of Van Horn, were held March 16 in the Church of Christ in Van Horn. Burial was in Van Horn Cemetery.

Born August 3, 1902 in Sagerton, he was raised in the community and married the former Nettie Rogers in O'Brien, Sept. 5, 1920. The family moved to Van Horn in August 1936. Survivors include his widow, Nettie of the home; two sons, Carrol Brooks Crabtree of El Paso and John Harvey Crabtree of Odessa. One daughter, Foy Jean Mosley of Amarillo; two brothers, Scott E. Crabtree of Glean Rose and Region at M. Crabtree of Plainview; one sister, Vivian Crabtree of Louisiana, and 12 grandchildren and eight great-grandchildren. One son preceded him in death, Harold D. Crabtree, on Nov. 13, 1948.

Funeral services for Harvey Durward Crabtree of Van Horn, were held March 16 in the Church of Christ in Van Horn. Burial was in Van Horn Cemetery.

SAGERTON NEWS

MRS. DELBERT LEFEVRE

A sunrise Easter Service is being planned for the community to begin at 6:30 a. m. Easter morning at the Community Park with all faiths taking part. Breakfast will be served following the service with Mrs. Aline Summers in charge. Anyone willing to help should contact her. Everyone is asked to bring bacon and/or eggs.

Following the service and breakfast, Sunday School will be held at the Faith Lutheran Church at 9:15 and at the United Methodist at 9:30. There will be no church services at the United Methodist, but regular services will be at Faith Lutheran at 10:30, with Holy Communion. There will also be Maundy Thursday services at Faith Lutheran at 7:30 p. m., and Good Friday service at 7:30 p. m. on Friday.

A sanctuary lamp in memory of Eddie Kainer was dedicated at the morning service at Faith Lutheran Sunday.

The oldest citizen of our community passed away Sunday morning at the Haskell Hospital. He was Frank Lowack, who would have been 89 soon. Mr. Lowack was active working in his yard and garden until the last few months. Our sympathy goes out to his family.

The Jr. Hi girls of Sagerton 4-H Club heard Vicki Cavender tell about menu planning at their meeting Thursday afternoon of last week. They also entertained their mothers. Lyn Fouts took over the recreational duties and led the group in a game. Jill LeFevre and Linda Rhoades served cookies and punch.

The girls are making plans for their entries in the Haskell County Food Show, April 15, and their educational tour to Abilene April 4. The grade school group held their meeting in their classroom at Rule Elementary School this week and worked on record books under the direction of their leaders, Mrs. Molly Aalbu, Mrs. Billie Kupatt, and Mrs. Doris Lehmann.

The L.O.C. Home Demonstration Club sponsored and were hostesses for the Drivers' Re-education Program given by Patrolman Jim Smith in the Sagerton Auditorium Tuesday night of last week to a large group. Slides were also showed of the before-and-after pictures taken of the clean-up work that has been done in and around Sagerton. It was voted to again hold musicals at the Sagerton Community Center, and W. A. "Cotton" Bell will be in charge.

Birthday guests at August Balzer's birthday March 21st were: Mr. and Mrs. Gus Balzer of Schulenburg, Alice Newton and Mrs. Emma Lammert

was pleased to watch her grandson, Rob Kitley, win the 880.

Peggy Clark, a student at Concordia College in Austin, is home for the Easter holidays with her parents, Mr. and Mrs. Joe Clark.

Mrs. Otto Lehmann and her daughters-in-law, Mrs. Norvell Lehmann of Rule and Mrs. Clancey Lehmann of Old Glory, attended a bridal shower Saturday in Abilene in honor of Linda Perry, bride-elect of Danny Opitz, Mrs. Lehmann's grandson.

Mrs. Cliff LeFevre moved into her newly remodeled home here in Sagerton Saturday. We are happy to have her closer to town.

Mrs. Bruno Kupatt of Fredericksburg came in Saturday to visit with the Fred Kupatts and the J. D. Kupatts and to see her doctor in Abilene.

Mrs. Winston Ulmer and children, Brad, Mark and Paige, of San Antonio are here spending their Easter holidays with Mr. and Mrs. Alvin Ulmer, Mr. and Mrs. Keith Whiteaker and Stacey of Lubbock were also here last weekend.

Rev. and Mrs. Joe Aalbu, C. E. Stegemoeller, Mr. and Mrs. F. A. Limer and Mr. and Mrs. Deibert LeFevre attended the Town and Country meeting at Haskell last Friday night. Mr. and Mrs. Ervin Diers also attended and represented Old Glory.

Mr. and Mrs. Fred Schronerstedt have a new grandson, born March 23 to Mr. and Mrs. Glenn Schronerstedt of Leveland.

Mr. and Mrs. Harvie Jordan are in Ruidoso vacationing. Mrs. John Clark and Mrs. Maude Kitley of Stamford attended the track meet at Jayton Saturday, and Mrs. Kitley

Menus...

School lunch menus for week of April 3-7: Monday and Tuesday: Holiday. Wednesday: Beef and spaghetti, green beans, cabbage slaw, rolls, butter, applesauce, peanut butter and crackers, milk.

Thursday: Fish sticks, mashed potatoes, English peas, tossed green salad, rolls, butter, apricot-pineapple cobbler, milk. Friday: Barbecued beef cubes, French fries, pinto beans,

tomato soup, banana pudding. The Haskell... meeting... for the food... Campbell... Mrs. Arva... record books... club fund... at 7 p. m.

Haskell County History

30 YEARS AGO
 March 27, 1942
 Patsy Pate and Marticia Bledsoe, students in business college in Fort Worth, spent the

weekend with their parents in Haskell.

Wallace Kimbrough from Palestine spent the night with his mother, Mrs. W. A. Kimbrough. He was enroute to Post to assume his duties as county agent of Garza county.

Lt. and Mrs. Hugh Ratliff announce the arrival of a daughter in the Haskell County Hospital on Thursday, March 19. Her name is Betty Gail.

Mr. and Mrs. Sam Conner announce the arrival of a daughter born in the Haskell County Hospital on Tuesday, March 24.

Mrs. Wallace Cox who has served for several years as substitute teacher in the high school, will teach Mr. Kilgore's social science classes the rest of this year.

Pvt. W. B. Harrison, attached to the Air Corps Technical School at Sheppard Field, Wichita Falls, spent the weekend here with his parents, Mr. and Mrs. R. L. Harrison and grandparents, Mr. and Mrs. W. B. Harrison.

40 YEARS AGO
 March 31, 1932

Mr. and Mrs. J. B. Harris and boys called on Mr. and Mrs. Hansford Harris Saturday evening.

Mrs. M. A. Adams spent the past week with her son, Mr. and Mrs. C. H. Adams near Weimert.

Mrs. J. C. Cosstevens, living a few miles west of Rochester, died Sunday. Funeral and burial will be at Tuxedo.

Mr. and Mrs. Henry Smith attended the funeral Sunday of Mrs. Stone at Haskell.

The little folks as well as the big ones of Rochester enjoyed plenty of sport from Friday un-

til last Sunday picnicking and Easter Egg hunting.

Mr. and Mrs. Marvin Medford and children of Josselit spent last Saturday night with Mr. and Mrs. Guinn Medford.

Mr. and Mrs. Q. O. Akins and little son Jack, and Mrs. Bill Woodson of Haskell visited Mrs. Ruth Draper and babies Wednesday.

60 YEARS AGO
 March 30, 1912

Whether man or woman, married or single, you should have a child to care for if your salary exceeds \$20 per week. This is the belief of Dr. Lind-

say Wynekeep of Chicago, mother of four children, who is attending the National Mothers' Congress.

It rained here nearly all day Wednesday, at night, and on Thursday morning it took a new start, and rained a good downpour. The sloven who did not farm his land this year is going to have the blues when he sees his neighbor's harvest.

J. B. Adams, who lives about 30 miles east of the city, was run over by a freight train on the Texas Central yesterday afternoon both legs being cut off. His injuries were so serious that he died soon after his arrival at a local sanitarium. It is stated that he was attempting to board a moving freight and fell under the cars.

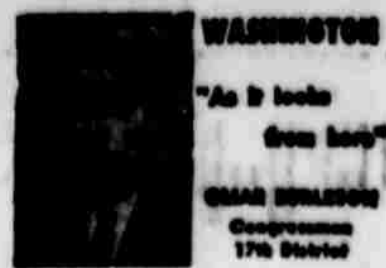

Mrs. Iron Pearsey left Monday night for Abilene where she was operated on for appendicitis.

A. H. Alexander left Monday for Miles, Texas on business. He was in that city all the week.

Rice Knowls of Waco visited his brother, M. E. Park of the northwest side last week.

Miss Glennie Russell, who has been at San Antonio for some time is visiting her brother, T. B. Russell, of this city.

NEW TYPE CLEANER STRIPS for the fastidious secretary. No finger smudges, cleans in seconds. Available at HASKELL FREE PRESS.

WASHINGTON

"As it looks from here" — **OSCAR DEWOLSON** — **Congressman 17th District**

WASHINGTON, D. C.—Occasionally letters are received with only the first name signed. Knowing so many people we are usually able to identify the writer with the postmark of his hometown.

Since the reorganization of the Post Office Department, which for all intents and purposes removed control from Congress, mail is now received with postmarks such as "TX 781". Some may be IA 713 and so on. Sometimes it is a little difficult to identify ole Joe, Bill, Jim or Jane as the writer of the letter. This is because the local postmark is that of the Regional Distribution Center. When complaints have been made to the new post office set-up, they say that anyone in our small towns can still get their local postmark by going to the Post Office but they have to do so at certain hours.

This has the effect of losing the identity of small communities. There is a pride in having our own postmarks and, besides, there is no evidence that improvement has been made in postal service. The complaints are still numerous. As a matter of fact, there exists many doubts as to whether making the Postal Service a semi-public corporation is going to bring about the efficiencies which it was recommended to do.

The organization is subsidized at \$98 million a year, which is supposed to be eliminated by 1985. Of course, this is a lot less than the \$700 Million or more loss before the reorganization but it has yet to be provided.

The Postal Service may get into enough side lines to make it profitable in a few years.

From plans they have, it looks as if the Service may become sort of a variety store. Patrons in Alaska can buy automobile tags at the post office window and Europe-bound travelers can

get passports at the same place. For a special price the Postal Service promises that in the near future they can deliver a letter about 300 miles away in two minutes.

The service, in addition to selling stamps, is now designing more exotic issues to keep collectors busy and money coming in. The bigger offices also carry stamp albums. Even the rogues' gallery will be blown up and likely the pictures will be in color.

Post offices may soon be selling hunting stamps, stock job applications for Federal positions and information on the Federal budget.

Some old-time postal managers deplore the new operations, saying they are gimmicky designed to take the public's mind off the fact that the mail service is not getting any better. The complaints may get louder as more and more over-the-counter transactions are put into effect.

There is still the problem of the delivery of the individual letter across town in a reasonable time. Postal officials have said that "in instances we can get a letter across the country faster by jet plane than a letter can be delivered on the other side of the city by truck." This seems to be one of the hang-ups.

Some officials have plans whereby post offices will become sort of like shopping centers, dispensing goods and services for those who want to pay for it. There are even guarantees of delivering packages within so many hours.

One must wonder if marriage and divorce may eventually be offered over the postal counter.

New Telephone Books In Print

"It won't be too long before all telephone users, residential and business customers alike in the Haskell, Aspermont, Rule and Weimert areas will receive new telephone directories for 1972." Jerry Kehoe, Division Manager for General Telephone Company of the Southwest, announced today.

"Correct initials, names and addresses are necessary to assure complete and adequate representation in the alphabetical section and the Yellow Pages as well," he said.

The final closing date for making changes or adding new

listings to the new telephone directory will be April 28, 1972. Mr. Kehoe urged that all subscribers wishing to make any changes should call the busi-
