Worth

By Nanalee Nichols

Have you ever considered the card table?

Give long and deep thought to this rather bizarre creation of mankind.

To begin with, I'm not sure I've ever actually seen a card table used for the purpose of playing cards.

I've seen them fill in as extra dining tables, for games of dominoes and "42", and as serving tables. Card tables are excellent for displaying garage sale items, for serving as bazaar sales tables, and for bake sales on small-town main streets.

Card tables are wonderful when draped with a big cloth. They can be playhouses, forts, space ships or hiding places for children.

They come in a pretty standard size, but may have flowered, checkered, wood-grain or variously colored top surfaces.

There is one very, very odd thing about card tables.

Have you ever seen a new one? Have you ever seen a sturdy one?

I know that in stores they can be found...in catalogs they abound, shiny and new, and sturdy as can be.

But I have never, ever seen one.

No, the ones I have seen are devious, sneaky, downright possessed with evil!

They have a maximum of three functioning legs...usually only two do what table legs should do.

The other leg (or two) is rigged so that they will NOT lock. Instead they wobble and wait, patiently until at the most inconvenient moment they collapse!

They trap those sitting at them. The hurl food, items and liquids in all directions.

After wrestling them back into table-shape they will stoically sit (or is it stand?) there, biding their time until folks have managed to relax a little. Then, hatefully, they will give a gleeful shudder and WHAM, down they will fall again.

Sometimes some very deft person will manage to grab the collapsing side, holding it up until efforts can be made to stabilize things once more!

As well as this collapse technique, most of the card tables I've known have a nasty habit of pinching fingers. My Grandmother Jeffus, a devotee of "42" had four of these monsters. As a child I could help get ready for a party and end up with blood blisters and bruises from the card table's unexpected "teeth". Sometimes they even managed to wrestle me to the group and pin me down!

But, I digress. Back to my original question...have you ever seen a sturdy, non-collapsing card table? If you happen to actually own one, you are a fortunate soul, indeed! For myself, if anyone tells me they have a reliable card table...well, I'd like just to come visit and take a look at it...cause it's a cinch I've never seen one before!

Area receives Over 11 Inches Of Rain.

Our pools overflowed, our ground no longer craked, our dirt roads are muddy! The rains came down...and down...and down.

After a number of good rains over the past few weeks it settled in to serious water distribution.

From 7 p.m. Monday night, Oct. 18 until Wednesday morning at 7:30 a.m. 11.15 inches of rain fell, according to official weather recording records. This amount will vary slightly from town to town.

Some roads were closed due to high water, and area ranchers no longer have to worry about livestock bogging down at ponds.

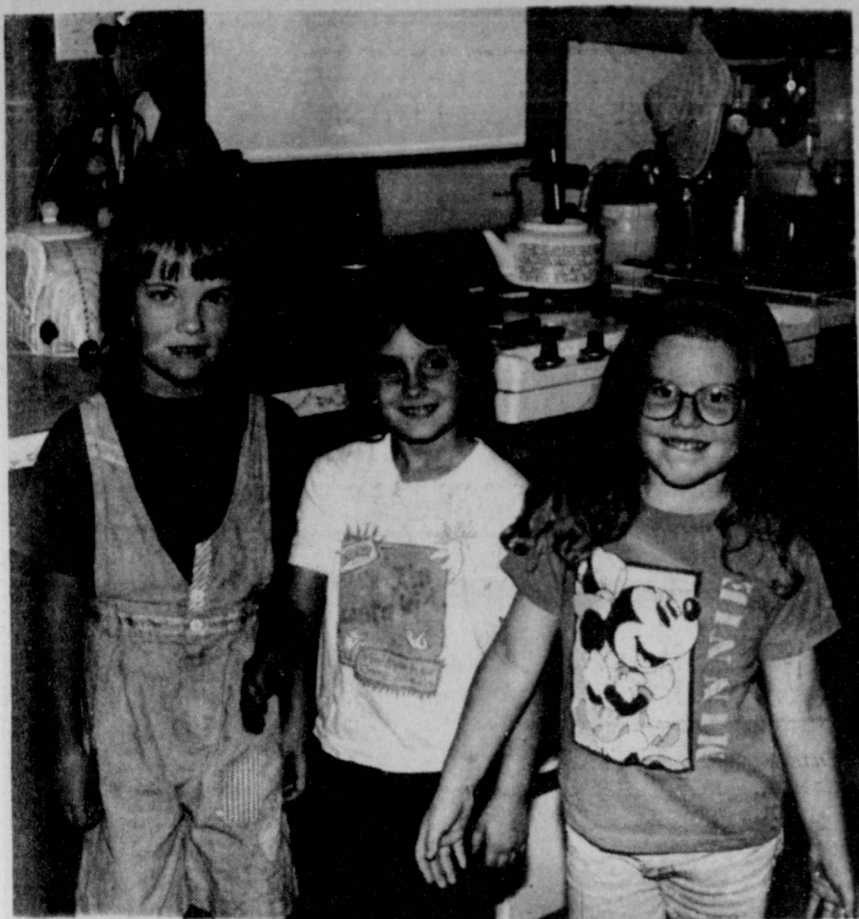

The rains came, and, at last weather report, aren't quite finished yet.

Fund Set Up For George Wolf Family

Financial contributions to aid the George Wolfs can be made by depositing directly to: George Wolfe at the Guaranty Bank-Deport. George has been in ICU in Presbyterian Hospital in Dallas and was to undergo surgery Wednesday for a serious heart condition. However, on Tuesday night, his daughter reported that he had been moved from ICU into a private room. His surgery, however, has been put off while further tests are conducted.

The family is incurring a heavy financial burden with the expense of staying of in Dallas and George being off work.

CLOVER KIDS-Kristi Smith, Rae Ervin, and Dori Somerville are the featured cooks in this

week's cooking column. (Photo by Judy Screws)

Country Cooking

By Judy Screws

This week we are continuing with our Mid-Way 4-H kids. Last week we did the Juniors, and now we have the Clover Kids. The Clover kids who were at the Carpenter residence last week for photographs were Kristi Smith, Rae Ervin, and Dori Somerville. Ashlee Harvey was unable to be there, but we have a little information on her and a recipe. There were two Junior Kids, Leah Martin and Kali Harvey, who didn't make it for the picture, but have since given us their write ups and recipes so we'll be slipping those in as room permits.

Kristi Smith has been active in 4-H for 3 years as a Clover Kid. She is the daughter of Buck and Terri Smith and is in the 2nd Grade at Detroit Elementary. Kristi is an active member of the Detroit First Baptist Church and participates in the summer softball program. She enjoys her family and friends and collects postcards, stamps, and rabbits. The young lady enjoys the Clover projects but looks forward to becoming an older member so she can compete at County and District levels. Kristi gets a lot of encouragement from her sister, Heather. The recipe she is sharing with us is "Dirt".

Rae Ervin is a first grader at Detroit Elementary School. Her parents are Ricky and Amber Ervin. Rae enjoys swimming, riding horses, and roller skating. Her hobbies include reading and playing games with her little sister, Brittney. Her favorite food is pizza and she has been a member of Mid-Way 4-H for 2 years. Rae's recipe will be a Casserole.

Dori Somerville is beginning her 2nd year in 4-H as a Clover Kid. Dori's projects are food and nutrition,

and the dress revue. Dori is a 1st grader at Detroit Elementary. She enjoys riding her bike and playing with sister, Lisa. Dori's recipe is Spider Web Cookies.

Ashlee Harvey is the daughter of Boyd Harvey and Roseann Caddell, and is a 2nd grader at Clarksville Elementary. Ashlee has been a Mid-Way 4-H member for 2 years. Her hobbies are reading and painting. She also enjoys swimming, riding horses and riding her bike, and her favorite food is pizza. Ashlee's recipe will be Super Kiss.

Leah Martin is a Junior whose picture we don't have but we can tell you about her and give you her recipe. She is 11 years old. She likes biking, and going to school and playing outside with her friends. Her favorite food is pizza and this is her 1st year in Mid-Way 4-H. Her recipe will be a Pecan Roll.

Kali Harvey is the other Junior who will be sharing her recipe and a little bit of info about herself so we can get to know her better. I wish we had a photo, but maybe next time around we'll get everybody. Kali is a 5th grader at Clarksville Elementary School. Her parents are Boyd Harvey and Roseann Caddell. Kali enjoys swimming, riding her bike, and spending time with her friends. Her hobby is talking on the phone. Kali has been a 4-H member for 2 years at Mid-Way. Her favorite food is Pizza and the recipe she will be sharing with us is Caramel Roll.

Please note that I am spelling Mid-Way correctly this week. I hope you enjoy the recipes and your week.

A Casserole

by Rae Ervin

- 2 lbs. ground beef
- 1 sweet pepper
- 1 onion
- 1 pack noodles
- 1 can mushroom soup
- 1 can tomato paste
- 1 1/2 cup water
- 1 tsp each salt, pepper, chili powder
- 1 can whole kernel corn
- 1 small jar green olives

Cheese for top
There aren't any instructions but I'm just guessing that you brown the beef and drain it, saute' your peppers and onions. Cook noodles according to directions on package. Mix ingredients together with seasonings. Put in a large casserole dish. Bake for about 30 minutes in a 350 degree oven. Sprinkle grated cheese on top and bake for 10 more minutes. Slice green olives to use for a garnish on top. You could probably put the olives in the mixture before cooking if you'd rather.

Mini Cheesecakes

by Regina Cherry

- 12 vanilla wafers
- 2-8 oz. packages cream cheese softened
- 1/2 cup sugar
- 1 tsp vanilla
- 2 eggs

Line muffin tin with foil liners. Place one vanilla wafer in each liner. Mix cream cheese, vanilla and sugar on medium speed until well blended.

Add eggs. Mix well. Pour over wafers, filling 3/4 full. Bake 25 minutes at 325 degrees. Remove from pan when cool. Chill. Top with fruit. Preserves, nuts, or chocolate. Be creative.

Angel Food Toasties

by Robbie Somerville

- 1 (6.85 oz) Pillsbury Lovin' Loaf
- Angel Food Cake Mix
- 1/2 cup water
- 1/2 cup chopped almonds

Heat oven to 350 degrees. Combine cake mix and water at low speed until moist. Beat 2 min. at high speed. Fold in almonds. Pour into ungreased 9 inch square pan. Bake at 350 deg. for 20-30 min. Turn pan upside down on rack. cool completely. Remove from pan. Cut into 1"x3" bars. Place 2 inches apart on ungreased cookie sheets with long cut side of bars down. Bake at 350 for additional 3-5 min, or until cut sides are toasted. Immediately remove from cookie sheets; cool completely. Store in loosely covered container. 24 bars. For thinner bars use 13X9 in pan

Spider Web Cookies

by Dori Somerville

- 12 chocolate wafers
- 1/4 cup Pillsbury Vanilla Frosting Supreme

For each spider web cookie, pipe frosting on tip side of cookie in spiral pattern starting from center. Using toothpick and starting at center of cookie, draw lines outward through frosting 12 cookies. A resealable plastic sandwich bag is good to use for piping frosting on cookies.

PJC Homecoming Planned For November 5-6

Two days of activities, sprinkled with special events and opportunities to renew old friendships, are scheduled for Paris Junior College's 1993 Homecoming on November 5-6.

The 1943 PJC graduating class will hold its reunion and its members will be recognized. A parade, awards luncheon, basketball games and lots of opportunities to visit old friends will give everyone attending something to do.

Quida Edmiaston Black of Temple, hostess for the 1943 graduating class reunion, said she and co-hosts Dr. Harold Hunt and Dr. Jack Troutt are looking forward to the homecoming weekend.

Kicking off Homecoming 1993 will be a tribute to Distinguished Alumni and President's Club members in the J. Emory Shaw Recital Hall of the Henry P. Mayer Music Building on Friday.

The program was presented by Karen Elliott, a video called "Lean on Limousin". It told about Limousin meat and that it is low in fat and cholesterol.

There being no further business, the meeting adjourned, singing the Baby Shark song. Refreshments were served.

The next meeting will be November 2 at 7 p.m. in the Prairiland High School cafeteria.

The annual Dragon Hall of Fame induction ceremony and reception will be held from 7-9 p.m. in the Harold Hunt Physical Education Center.

Closing out the Friday activities will be a bonfire to be held at 10:30 on the south campus.

Saturday will begin with a parade gathering at 9:30 a.m. in the Hunt Center parking lot and beginning its route to downtown Paris at 10 a.m.

Saturday evening begins at 6 p.m. with the Lady Dragons basketball team playing Carl Albert College in the Hunt Center. The PJC men's game follows. The crowning of Homecoming Queen will be held at half-time of the men's game.

A dance will be held in the Student Center following the game for students. The dance is sponsored by the African American Student Union and the Student Government Association.

Catfish Losses To Nitrites

According to the Texas Agricultural Extension Service there were many reports of large catfish dying from nitrite poisoning in early fall. Nitrite-Nitrogen accumulates when ammonia is oxidized faster than nitrates can be converted to nitrates. Nitrite in the blood of fish interferes with the blood's ability to transport oxygen. The problem is alleviated if

sufficient chlorides are present. Enough chloride to supply a 5:1 chloride: nitrite ratio will prevent nitrite poisoning. Large catfish are more susceptible than small catfish, and centrarchids (bass-blue gill-crappie) are resistant. Adding 50 pounds of salt/ acre foot twice per year to catfish ponds usually prevents the problem.

Elliotts Host Beef Group For Meetings

The Lamar County 4-H Beef Group met with Jack and Karen Elliott on September 21.

Tracy Hicks Denny presented the program on Showmanship, showing a tape of herself and her heifer, Sue, who won the triple crown.

The winner of this month's door prize was Zach Michael, who won a rope halter and matching neck rope.

The October 11 meeting was also held at the Elliott home with the program given by Jack Elliott on Nutrition, Feeding Your Steer or Heifer Correctly. It was a very informative program.

Brad Barrentine was the door prize winner at this meeting.

The next meeting will be November 8 at the Chamber of Commerce in Paris at 7 p.m.

The Beef Group is planning to go to the Texas Limousin Association Limousin Bull Sale in Sulphur Springs on November 6, at 1 p.m. If you are interested, call Jack and Karen Elliott before November 4 so travel arrangements can be made. The group will meet at the store on Highway 19 & 24 at 11 a.m. and will eat the noon meal at the sale site.

On November 29, the group will attend the All Breed Bull Sale at the Paris Livestock Commission. Dr. Bill Turner will be the speaker for this session. This is a good opportunity to learn about other breeds of cattle and to see other breeds.

A conclusion is the place where you got tired thinking.

Sports Report

Mustangs Conquer Patriots, 20-0

By Bill Moseley

Take nothing away from the Chisum Mustangs. The performance Coach Johnny Moss' Red and Gray put forth last Friday night in Pattonville effectively conquered the Prairiland Patriots, 20-0.

At the same time, the Pats can reflect on a performance which, although still proving vulnerable to killer speed and the sudden cross-country score, found them able to play even with Chisum for all of the first quarter, all but nine ticks of the second quarter, and until the last seven seconds of the third.

The Mustangs allowed the Pats into their territory only once throughout the evening, that on the tag end of the first drive of the night. When Stephen Swaim lacked half a foot getting a first down at the Chisum 41, it was all Chisum offensively for the game's remainder.

Though forced to play defense for over 30 minutes during the game, Rick Connot's defense acquitted itself admirably other than the two breakdowns which resulted in the first and third Mustang tallies.

The first quarter ended 0-0, with each team having taken nearly five minutes with its opening drive.

Chisum had extended its first possession to the Patriot 18 at quarter's

close, but Matt Dorries had thrown Kenneth Dority for a three yard loss and the Pats used a fourth down gang tackle to stall the drive at the 15.

When the Pats could not move, the Mustangs set up for business at their own 46. Swaim made an outstanding play to halt Alex Goforth at the 45 and the Pat defenders were vigorously defending and pursuing the line of scrimmage.

Moss called for the halfback option pass and it worked to perfection. As the Pats narrowly missed sacking quarterback Stan Manuel and getting to Dority before he could throw, Andy Preston slipped 15 yards behind the Pat secondary, and when Dority's pass hit him in stride, Preston was a shoo-in for the score. The PAT failed, and it remained 6-0 until the last ten seconds of the half.

Preston was again instrumental as he intercepted Zach Allen at the Chisum 42. In the only sustained drive of the night, the Red and Gray used the hurry-up offense to go to paydirt in 12 plays, the last an eight yard, fourth-down pass from Manuel to Dority. Shon Liles tacked on the two points on a fake placement sweep, and it was 14-0 at half-time.

Again in the third, it was a last second gouge from 65 yards which did in the Pat defense. Goforth erupted for the score on third down after the Red and Blue had stopped the Mustangs cold on first and second down.

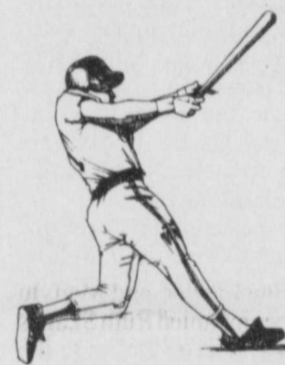

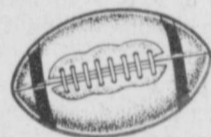

The scoring was over, and the fourth quarter managed to do little for either team.

The Mustangs were not allowing the Pat quarterbacks time to either set up in the pocket or to square the body to the field as they have to do to complete running passes. It was a totally impressive defensive performance when coupled with the fact that they had limited Swaim to less than 60 yards for his rushing night.

Meanwhile, the visitors were content to start from deep in their territory on successive positions with clock killing drives.

Late action in the game finally allowed Ramiro Peralta a showcase for his punting prowess. The Patriot punter boomed a 51 and a 40-yarder, neither of which the Mustangs were able to return.

The cross gets no easier to bear Friday night as the Patriots keep a 7:30 road appointment with the number two ranked team in Class 2A in the state, the Honey Grove Warriors.

Lady Pats On A Roll

On October 13, the Lady Patriots clinched at least a tie for the District 12-2A title and spot in the Class 2A volleyball playoffs with a convincing win over Redwater. The Lady Pat JV defeated Redwater while the freshmen captured a victory.

On October 17, the Lady Pats clinched their third straight district title, second straight in Class 2A, with a victory over James Bowie.

The Lady Patriots improved to 24-2 overall and 7-0 in District with a 15-

2, 15-1 easy victory in a game that lasted less than 20 minutes.

The Junior Varsity posted a 15-3, 15-4 victory and the freshmen took a 15-5, 15-7 win.

Prairiland closes out the season at Paul Pewitt Tuesday.

"They played as intense as possible with a team like that," said Prairiland Coach Frankye Sessums. "They have really done a good job playing intensely."

Plan Ahead For Mailings To Faraway Places

Local postmasters serving the four states of Arkansas, Oklahoma, Louisiana and Texas have a quick quiz for postal customers.

What's the connection between October 1 and Christmas? No, October 1 wasn't the date to start thinking about doing your holiday shopping.

If you're sending a gift by surface delivery, the least expensive way to someone in Australia, Africa or Southeast Asia, that's the date the parcel needed to be in the mail to assure delivery before the holiday.

The October 1 mail by date was the first of a number of deadlines or suggested mailing dates for packages and cards being sent to civilians and U.S. military personnel in foreign countries.

The earliest mail by date for military parcels is October 12 for those going by surface delivery to servicemen and women stationed in Europe, the Far East or Australia.

Other suggested surface mailing dates for military parcels range from mid-October through late November, depending upon the destination. For surface delivery of civilian parcels, the latest date is November 1, to Europe, the Caribbean and Central and South America.

The fastest choice is two-day express mail military service to most

APO and FPO addresses in Alaska, Hawaii, Iceland and the Caribbean. The same rates apply as for domestic express mail service. They start at \$9.95 for up to eight ounces; \$13.95 for up to two pounds and \$15.95 for three pounds, with a 70-pound weight limit.

In addition, regular express mail international service provides expedited delivery in 96 countries.

Postal customers have a choice of several other services that are between express mail and surface mail speed and cost. These include Parcel Airlift Mail-PAL parcels go by air to a gateway airport in the United States, then overseas by air on a space available basis Regular Parcel Post rates are charged, plus an air service fee ranging from 35 cents to \$1.40, based on weight.

SAM packages should be mailed by dates in early and mid-November Regular Parcel Post rates apply.

With Priority Mail, packages weighing from 12 ounces up to 70 pounds receive the same handling as first class mail to any APO or FPO address, suggested mail by dates for both priority mail and civilian International Air Parcel Post range from November 21 to December 9, depending upon the destination.

The men of the Post Oak Baptist Church will have breakfast at the Fellowship Hall Saturday morning and afterwards do some needed repairs on the church building. The ladies are to bring lunch.

Several ladies from the church attended the Ladies Auxiliary meeting of the Red River-Bowie Missionary Baptist Association at West Side MBC in New Boston Tuesday night, Oct. 12. A pounding of groceries and other useful items were brought to the meeting for the supply room at Texas Baptist Institute in Henderson to aid the students attending there.

Mrs. Bonnie Flatt reports that her sister, Mrs. Viola Cooksey in Gardland is not doing well at all.

Mr. and Mrs. Ivy Smith spent the weekend in Arkansas with their daughter, Bro. and Mrs. Pat Spinks.

Mrs. Betty Low was off work last week with a back problem.

Mrs. Cora Lee Ramsey remains in Dallas where she expects to undergo surgery sometime this week to open an artery in her neck.

About six men of the Post Oak Fire Department participated in the Sheep Dog Trials held in Gerald Farmer's pasture Saturday. They helped in order to raise funds for the Fire Department.

The Stevens family held their annual reunion here Sunday. Those attending were Vernon and Evelyn Stevens of Paris, Arvie and Gail Stevens and son, David and Alma Stevens of Blossom, Sue and Dennis Daughtery of Paris; Mr. and Mrs. Glenn Stevens of Irving, Mr. and Mrs. Clyde Champion of Paris, Mrs. Balma Stevens and three children; Joe and wife Lois and Opal and Earl Sherman and son; of Paris, Fred Ramsey of Post Oak. These were all descendants of Mr. and Mrs. Will Stevens. Tom and Pansy Burtis of Lubbock descendants of the former Tellia Stevens who is 102 and in the nursing home in Lubbock, also attended.

Mr. and Mrs. Eldon Chalnor of Deport visited her aunt, Mrs. Louise Cagle, Sunday afternoon.

Voice of Democracy Contest Opens To High School Students

High school students, grades 10-12 have the opportunity to compete for a \$20,000 first place national scholarship Voice of Democracy broadcast script writing competition, according to local Veterans of Foreign Wars chairman and Ladies Auxiliary co-chairman Chester and Myra Kilmer.

For the state winners, there is the broadening experience of a five day tour of Washington, DC and the opportunity to make lasting friendships with the other state winners.

Participants write and then tape

record a three to five minute broadcast script expressing their views on "My Voice in America's Future". The tapes will be judged on the local level at the Post Home in Reno. Tapes have to be turned in no later than November 10. The winner will be judged on the District level in December. For information, contact Chester or Myra Kilmer at 784-0396.

Locally, the Lamar County VFW Post and Auxiliary 3990 offer an award for first, second and third place winners in local judging. School offices have rules and information.

Holiday Bazaar Is Saturday

The second annual Holiday Season Bazaar will be held Saturday, October 23 from 9 to 4.

The special event, sponsored by the Lura Cawthon Preschool Association, will be held at Artistic Endeavors in Paris. A wide selection of unique arts and crafts will be featured with a variety of other merchandise available. Some of the items offered will be Halloween and Christmas items, educational and creative toys, dried swags and arrangements, jewelry, painted shirts, ties and jackets, wood crafts, gift baskets, Golden Gals pralines, tupperware antiques, personalized children's books, keepsake boxes, computer art and much more. A stained glass church is only one of

the many raffle items donated by the exhibitors to benefit the Lura Cawthon Preschool Association.

The bazaar will include a host of delicious baked goods prepared by the members of the club. The Artistic Endeavors Tearoom will have a luncheon available with a variety of soups, sandwiches and desserts with a menu for children also included.

A play area for children will be available, made possibly by the Paris High junior varsity and varsity cheerleading squads. The girls will also be selling chances on an S-10 Chevrolet truck, 200 gallons of gasoline, \$200 worth of groceries, a color television and a smoker. Any donations or sponsorships will be appreciated and may be sent to the high school.

The Lura Cawthon Preschool Association service projects benefit area preschool children through organizations such as Christians in Action, the Paris Public Library, Paris Police Department, Project Head Start, King's Daughters, YWCA, CHANCE, Life Anew, Lamar Opportunity Center, Dragon Park Project, Who, Pediatric floors at the hospitals and local families.

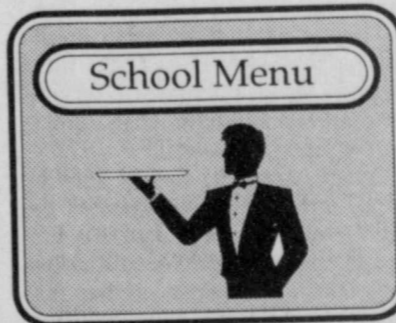

Spaces are still available at \$30.00 each. Anyone interested in a space or more information about the association may call 784-0386.

October Is National Fire Prevention Month

The winds of winter carry one of the deadliest seasons for home fires. Woodstoves, fireplaces and alternative heaters are often necessary to fight the cold, but if not used properly they can become fire hazards. The increase of fires during the winter months is particularly ominous for the state of Texas, which ranks among the nation's top states in fire deaths.

The need for fire safety information is critical. Fire kills close to 5,500 people in the United States every year -- more than all other natural disasters combined. October has been deemed National Fire Prevention Month.

The United States Fire Administration (USFA) has issued the following recommendations to reduce the number of fire-related deaths this winter:

Alternative Heaters
Use space heaters in well-ventilated rooms.

Place heaters where they will not be knocked over easily and away from curtains, furniture and other items that burn.

Plug heaters directly into wall sockets, not into extension cords.

Unplug heaters when they are not being used.

Woodstoves and Fireplaces
Use seasoned wood and protective screens at all times.

Clean interiors, hearths and chimneys yearly.

Sleep Safety Practices
Never smoke in bed.

Use only electric blankets approved by testing labs.

Don't run cords under beds or trap against walls.

Safe Cooking Practices
Don't leave the stove unattended while cooking.

Keep clothing, curtains and other fabrics away from the stove.

Make sure the stove is off and all small appliances are unplugged before going to bed.

USFA also aims to reverse a trend toward a complacent attitude about smoke detectors. "Nearly 86% of homes in the United States have smoke detectors -- the problem is with people maintaining them," said USFA Assistant Administrator James Coyle. "It's tragic to see so many deaths occur in homes where firefighters are able to look right at the wall or ceiling and see the detector in plain view, only to open it and find the batteries missing or wires disconnected."

The best way to ensure the effectiveness of the detectors is to test the batteries monthly and change them at least twice a year. A working smoke detector **doubles** a person's chance of surviving a fire.

USFA has representatives available in the following areas of expertise:

Home heating fires;
Cooking fires;
Wildland fires;
Arson; and

National and local fire death and injury statistics.

Five Texas firefighters were killed in the line of duty in 1992. They will be honored at the National Fallen Firefighter Memorial Service, on the grounds of the National Fire Academy, October 10, 1993 in Emmitsburg, MD. The firefighters are:

- Lupe Guerrero, Menard Volunteer Fire Dept.

- Rebecca Ann McClaire, Brazos County Precinct #4

- Jeffrey G. Osmum, Crowley Fire Dept.

- Tommy A. Parker, Mineral Wells Fire Dept.

- Roberto Valdez, Laredo Fire Dept.

YWCA To Offer A Bit Of Paris' History

The YWCA of Paris and Lamar County, along with Paris Junior College's LeTroupe, will present "Ghostwalk, A Lively Tour of Spirited Places" on October 26-28. Ghostwalk will offer area residents a unique opportunity to learn about some of Paris' history, as guides dressed in period garb will lead tour-goers from site to site where spirited narrators will enact a bit of the site's history.

The tour will begin and end at the old Emberson-Brown Funeral Home, currently the YWCA of Paris and Lamar County. Guides will then lead guests on the 1.8 mile tour, visiting

such landmarks as Culbertson Fountain, Bywaters Park, the Maxey House and the Paris Public Library. At the tour's end, guests will enjoy sharing their new-found knowledge over hot coffee and cider while youngsters are treated to trick-or-treat goodies.

Ghostwalk will be offered at 5:30 and 6:30 p.m. on October 26-28. The tours are designed to be a family event, so bring out your strollers and wagons.

Tickets are \$4; children 4 and under get in free. Reservations must be made in advance, so if you would like to attend, please contact the YWCA, 785-5221, to register.

"Merchant Of Venice" On Stage In Clarksville

The Paris Junior College Drama Department, under the direction of Ray Karrer, will present Shakespeare's "The Merchant of Venice" on October 28 at 7:30 p.m. at the Clarksville High School Auditorium. Tickets will be available at the door for \$5.00 for adults and \$3.50 for students.

The play is presented with careful attention to elaborate costumes and set decorations by the PJC Drama Department.

Proceeds from this event will go towards the restoration of the historic Colonel Charles Demorse Home in Clarksville.

Possible Sighting of Waldrine Melvine Bailey Reported

On Saturday, October 2nd, a white male approached a young lady on a Paris shopping center parking lot, asking for sexual favors. The subject in question is believed to be WALDRINE MELVINE BAILEY. Bailey is believed to be driving a small frame, blue pick-up with a matching camper shell. Previous intelligence has shown that Bailey is in the Northeast Texas and Southeast Oklahoma area. Waldrine Melvine Bailey is currently wanted for the aggravated sexual assault of a child, indecency with a child, and aggravated sexual assault.

Waldrine Bailey is considered armed and dangerous. If you have seen this man or have information as to his location, please call one of the following numbers. They will be answered 24 hours a day. 1-800-252-TIPS (8477) or 785-TIPS (8477)

Stickers To Reduce Theft

The Texas Department of Transportation is issuing a new vehicle registration sticker, for placement inside windshields instead of outside on license plates. The program begins with registrations expiring January 1994.

The sticker is larger and of a different design. Its main purpose is to deter theft, bringing up another important feature.

If the sticker is peeled off the windshield, the word "VOID" appears on it, making it a useless scrap of paper.

In 1992, 568,885 replacement license plates and stickers were issued. TxDOT estimates that 60% of replacement stickers issued were due to theft. At \$5.30 per replacement, replacing the stickers cost the public \$1.8 million and a lot of time and aggravation.

The 72nd Texas Legislature passed a law in 1991 mandating the sticker change to lower vehicle registration theft. Drivers whose vehicles have no windshield will continue using the license plate stickers.

Presbyterian Women Meet With Mrs. Wood

Mrs. Lawrence Wood was hostess for the October 11 meeting of the Presbyterians Women of the Deport Presbyterian Church.

Mrs. Robert Temple called the meeting to order and gave the opening prayer. She reminded the group of the fall meeting of Presbyterian Women's Group to be held in Tyler on October 29.

The Least Coin devotional was given by Mrs. Wood, entitled "Joy of Solidarity", using scriptures from I Corinthians. The offering was collected and dedicated. Mrs. Temple will be hostess for the November 15 meeting.

The Bible study lesson, "Avoid the Arrogance of Wealth" from the book "James and the Integrity of Faith", using scriptures from Jams 4:213-17 and 5:1-6 was directed by Mrs. Tom Foley.

James stressed to us as Christian women that material wealth and attitude toward getting and spending need to conform to God's purpose for the created world an all who are in it.

Refreshments were served from an attractively decorated table carrying out the beautiful fall colors.

Meeting was closed with prayer.
