## Baird Bears Defeat Moran 30-0

Last week the Baird football eleven took on the Moran team in the first of Baird's conference games. At the end of the game the Bears had piled up a 38-0 score, half of which was made in the first plays of the first quarter. The Baird team was extremely fortunate in recovering three kick-offs, two because of fumbles and one a direct miss. J. B. Pitzer, left half on the Baird team, scored three counters, Grover Wiley, Glenn Gibson and Fenton Williams each scored a touch-down. Two extra points were kicked by Williams. It might be added that this was Gibson's first time to play in a football game and to start a record with a score is somewhat unusual.

Today the Bears play a practice game with Merkel that will be called at 3 o'clock.

It is the personal opinion of Coach Bill White that the deciding game of the district will be played when Baird meets Strawn next week on the home ground, but he fails to say how he thinks the score will come out or whether Baird will still be in the running after the count-up, but it is the belief of this writer that Baird can and will take the district this year, though it's rather early in the season to be making any rash predictions.

Starting lineup for the Merkel game will probably be the same as the Moran tiff which was: center, Russell Chatham; ends, Jerald Watts and Arthur Burleson; tackles, Mike Hughes and James Alexander; guards, Louis Hill and Harville Bains; quarter, Clyde Yarborough; full, Fenton Williams; and halves, Gene Finley and J. B. Pitzer. Grover Wiley, Charlie Coats, C. C. Blakely, Paul Scherrubie, James Browning, R. J. Wiley and Troy Robinson will probably be used some time during the game.

## B. H. S. Pep Squad Invited To March With Merkel

The pep squad has received a special invitation from Merkel to march in a pre-game parade today. The parade will begin at two o'clock and the game is called three o'clock. This will necessitate the girls leaving exceptionally early. The Red Battalion, sixty girls strong, with three flag bearers and a drum corps of six should make an impressive array and something Baird should be proud to acknowledge.

A sales force for the school annual has been organized. In each class two annual sales promoters have been appointed. In the freshman class Betty Jane Estes and Johnny White will try to sell annuals, in the sophomore class it will be Ellen Gee Tankersley and Buck Cargal, the junior high-pressure salesmen will be Lula Mae Asbury and Jack Ray. The senior class sales will be taken care of by Helen Fulton and the annual staff, which has as its editor, Russell Chatham, and business manager, Clyde Yarborough. Miss Leona Lowrie and Miss Mary D. Young have been appointed annual sponsors.

## Fire Prevention Week Observed In Baird Schools

Fire Prevention Week in the Baird schools has been observed in more ways than one. This all important span of days set aside by the government for study of fire prevention rules, fire hazards and the danger of them has done a great deal to make school children and adults alike more safety-minded and if all of the efforts put out by the city and the government has helped to prevent one disaster then they feel amply repaid. The school youngsters have been making fire-prevention posters and writing themes on this subject all week but perhaps the most effective means of impressing upon the children the need to curb fire was furnished by the local fire department when they organized a Junior Fire Brigade for youngsters in the fifth, sixth and seventh grades of the Ward school. A committee of firemen asked Principal Hugh Smith to see if a Junior Fire department couldn't be organized in the grammar school. The department should consist of two nozzle squads and a connection group. Carl Yarborough was elected Fire chief and Elwood Goin took the office of Assistant Fire Chief. Billy Frank Alexander was elected captain of Nozzle Squad number one with the following members: Johnny Jo Walker, T. A. White, Junior Poole, Travis Henry, and Dee Thompson. Squad number two has Donald Williams as captain with Junior Dyer, James Maness, Bill Outbirth, Foster Henderson and J. W. Clifford as Nozzlemen. The connection squad is captained by Raymond Livingston with a crew consisting of Cecil West, Don Nurdyke, Laura Mae Windham, Ida Mae Glover, Irma Young, Vernon Avery, Jo Clark, Bobby Stanley, and Julian Lambert.

The Fire department staged a sham fire Wednesday afternoon during activity period and had the brigade function as the department members would in case of an actual fire. The purpose of the exhibition was to acquaint the youngsters with the workings of the fire department and let them understand exactly what takes place when they receive a call.

Besides this the Fire department is offering cash awards to the best Fire prevention posters made in school this week. Winners of that contest have not been announced.

The following awards were made: Jodene Wright, 11th grade, \$1.50.

Elaine Jones, 9th grade, \$1.00.  
Doice Coats, 10th grade, and Helen Burleson, 8th grade, honorable mention.  
Elbert Hunt, 3rd grade, \$1.50.  
Elaine Russell, 6th grade, \$1.00.

## Judge Bowyer Passes 85th Birthday

Judge Otis Bowyer, Baird's veteran lawyer, passed his 85th milestone on life's highway Tuesday, October 18th. Judge Bowyer says there is sadness along with the pleasure of the occasion as he is the last surviving member of a group of young men who were close friends in the early 80's when Belle Plain was the county site of Callahan County.

Mr. Bowyer while confined to a wheel chair following a stroke of paralysis last December, is just as much interested in the events of the day, the happiness of his family and friends as ever. He keeps up with the events of the world and while being compelled to spend much of his time indoors, which is quite different from by gone days, when he took long walks out in the country and enjoy a daily swim in the railroad lake, has not changed his good disposition and broad outlook on life for he finds much pleasure in beauties of nature as is evidenced by a recent article published in The Star when he wrote of the beauties of the hills around Baird. Judge Bowyer enjoys the high esteem of a large circle of friends, many of whom are children and grand children of the friends of his youthful days in Callahan County when he came from his home in Virginia and cast his lot with the plainsmen of the Texas frontier.

Congratulations Judge Bowyer, your life has been an inspiration to many as they travel along life's highway.

## Baird Delphian Club Hostess To Club Institute

On Saturday, Oct. 15, 1938 at 2 p. m., the Delphian Chapter entertained the Callahan County Institute at the Methodist church.

The Institute has grown from a small organization of four clubs to one of ten. The Wednesday club, Junior Wednesday club, Child Study group, Garden club and Delphian Chapter of Baird, Womens Study club, Clyde, Wednesday club, and Junior Wednesday club, Cross Plains, the Study club and Junior Study club, Putnam. The Institute was organized April 30, 1932 with the Wednesday Club of Baird as first hostess.

Guests were greeted at the door by Mrs. Earl Johnson where all were invited to register. Then they were received by Mmes. Carroll McGowen, C. B. Snyder, Jr., R. H. Brison, Bob Norrell, James Ross, E. H. Adams and C. H. Siadous. The church was decorated with baskets of Pampas grass on either side of the altar.

Mrs. T. Baulch of Clyde, president, presided at the meeting. Mrs. Olaf South of Clyde is secretary. Invocation was given by Mrs. E. C. Fulton. The day was designated as "Friendship Day." Mrs. T. P. Bearden made a very interesting talk on the value of organized women's work. She also made a special plea that all women work for peace. Mrs. Carroll McGowen, president of the Delphian Chapter, then introduced Mrs. J. B. Denman, vocalist, and Miss May Branom, both from Brownwood.

Mrs. Denman gave the following numbers first group: The Little Damesee, Ivor Novello; Do You Know My Garden?, John Hayden; Second: The Flower Girl, E. Beognioni; In Rose Time, Frank H. Grey. Mrs. Denman is a coloratura soprano of rare natural ability and fine training. The smoothness and easiness with which she makes her modulations entrances and amazes. Her enunciation is perfect. She sings with genuine feeling and expression. Miss Branom is head of the Dand-Baker music department. She is an accomplished pianist and orchestra director.

Mrs. Frank Estes was there with the parade of her lovely little original dolls which were very appropriate on friendship day, as dolls of all countries were there in happy peace and harmony. Christiana of Norway, Bill the cowboy, the little haughty Greek, May of China and many others. Mrs. Estes, as she presented each one by name, gave a short history and talk about her or his costume. It was very interesting and instructive. All dolls and costumes are original handiwork and authentic in the minutest detail.

There was a short business session. Mrs. Haynie Gilliland was elected delegate to the state convention in Austin Nov. 8, 1938 with Mrs. L. L. Blackburn alternate.

The Institute will be the guest of the Junior Wednesday club of Baird April 8, 1939. After adjournment the guests were invited to remain for a social hour and a bit of refreshment. The room and table were beautifully and appropriately decorated. There were festoons of Mexican gourds in gay colors adorning the background. On the piano was a spray of thistles bearing purple berries. Mexican pottery vases containing yellow daisies were artistically arranged. The table spread with a cloth of white bore a huge basket of plenty, as a center motif, filled with fruit, vegetables, corn and grain. The candles were blue and orange in gourd holders with black Punch was from Mexican beverage so little cakes and sandwiches and nuts were served.

The meeting was enjoyed by all and it is hoped that through these meetings many warm friendships may be formed, and many may receive encouragement in their work and ambitions. All study clubs of the county were well represented, there being near a hundred guests registered.

## AROUND TOWN

With Otto B. Grate

Heigh Ho, Chillun, but it's Friday morning and that means it's time we around Townsners get our heads together for another session on the village green.

Want the low down on where to go and what to do in town this week? If you skate minded you'll want to take in the roller rink that moved in this week, it's a cracker-jack if reports from them as knows are to be taken at face value. Then there's a little matter of a football game with Merkel this P. M. if you care to travel some empty some-odd miles to pitch in your sis booms and razzle dazzles.

Not to be overlooked in the entertainment realm is the Photoplay, "Marie Antoinette" to be shown at the Plaza Sunday and Monday. This has been heralded as the private life of France's most wicked queen, but all of that is sheer build up for what I reason I can't understand. Surely the picture has enough merit to make it worthwhile without that kind of publicity. It is a pulsing, dynamic story of a deplorable era, or perhaps error, in the history of France, when the nobility of the country so oppressed deals with the tragic queen who ruled at that time, her emotions, her loves, and her death. Norma Shearer is lovely as the youthful princess of Austria; sickeningly characterless as the gay dolphin of France; human and real as the queen and tragically pitiful in her death. Tyrone Power as the real love in Marie Antoinette's life is wholesome and fresh and the picture definitely needs more of him. The showing time for this picture is two hours and there will be only one showing each night and matinee.

Russel Warren, at one of the local push-holene stations, can make music with a pencil. On hearing of this one brilliant customer remarked, "That's nothing, you ought to hear my pencil around the first of the month. Wow! Does it whistle a funeral march serenade to my pocket book."

Seriously, Mr. Warren is an entertainer of the first water. He can play "Tukey in the Straw" on a pencil, any song you may request on a French harp, and if you're real real nice he'll play the harp without benefit of hands. (You know, put the harp in one side of his mouth and let the music come out the other). It ought to be only a matter of time before some talent scout picks Russel up and puts him on some radio hook-up—yeah, honest, he's that good.

Third false alarm in so many months—W. Lee O'Daniel wasn't with the Arkansas traveler special that came through here Tuesday. How do we know? This department made a personal investigation and a thorough shake down of the whole delegation didn't yield so much as a Gran'paw Snazzy!

Spotlight of the week goes to Mr. and Mrs. Felix Mitchell, and reason number one, is that I just plain like 'em. Now, that won't do as a reason for giving them the spotlight, newspaper people can't show partiality, so we'll go on to say that Mr. Mitchell is one of the most congenial of officials we have ever met and that his perfect efficiency makes him a boon to the town. Mrs. Mitchell's neighborliness has made her a friend to every person in town. Both Mr. and Mrs. Mitchell deserve honorable mention because—because—wtil, everyone just plain likes 'em.

## On Callahan County Campus

Your Rambling Reporter

Your rambling reporter is still out after the news and this week we hear again from Putnam and get our introduction to the Clyde schools.

You don't need to be told that Putnam's youngsters are fast making a name for themselves for the congenial way they handle visitors and the spirit they show in pushing their school forward. I dropped in on the Putnam school Friday, had a chat with your friend and mine, Superintendent Webb, and had the extreme pleasure of interviewing three of the peppiest youngsters in the school—Miss Mildred King, Mr. Hull, and Mr. Doyle Lee Brown. From Mildred we learned that Putnam has a pep organization of 24 members. The leaders of the cheer club are Zada Williams and our own Mildred King, the flag bearers are Mary Alice Burnam and Sybil Bowers and Jerry Abbath. The uniforms this year are blue flannel skirts with white sweaters. Pep sponsor is Miss Billie McCamey.

From the boy we gathered that the high school has reorganized their Panther club for all letter men and that the officers are as follows: President, Oliver Culwell; Vice President, Benny Williams; Secretary and Treasurer, Doyle "Tommy" Gunn; Reporter, Doyle Lee Brown, and Sergeant At Arms, Buster Robinson. The club is sponsored by Coach Clyde Dean.

Second school for this week is Clyde. Clyde, you know, has for its superintendent, Olaf South, and you don't need me to tell you about him or what a school man and regular fella' he is. Mr. South was more than considerate in giving me information on his school and gave out the dope like a seasoned news writer, with appreciated help on the names and their spelling.

The Clyde school building will be finished sometime this month or next and in the meantime the youngsters move merrily on with school work and class activity. Perhaps a great deal of this commendable spirit is due to the teaching force and since their names should now be in order here they are. In the high school, Olaf South, superintendent and government teacher; Baily Johnson, math teacher; H. B. Lafferity, science; Sara Collins, English and Spanish; Anne Kilpatrick, English and music, and Connor Horton, Commercial and coach. In the ward school, C. E. Bagwell, (principal), Ruby Lee Cockrell, Wilna Pruet, Edgar Lee, Mrs. Ada Wilkins, Marcie Reed, Mrs. C. E. Bagwell, Mrs. Jewell Swanzy, Mrs. Thelma Berry, and Ethel Cook.

Classes in Clyde high school have been organized. In the senior class the officers are: President, C. E. Bernly; Vice President, Paul Dulaney; Secretary, Kathleen Collins, and Reporter, Jack Clemmer. In the junior class, President, Verna Lee Hamrick; Vice President, James Dennis; Secretary, Dane Robinson, and Reporter, James Hayes.

The sophomore officers are: President, Marjorie Bagwell; Vice President, Willie Ferguson; Secretary, Frank Dugan, and Reporter, Hugh Tarrant.

The freshmen elected as President, Glenn Tarrant; Vice President, Opal Marrisset; Secretary, Dewey Tessier, and Reporter, Evalyne Petty.

The school will sponsor a school banquet in one of the buildings in Clyde Oct. 29th. Each class and organization will have a booth and funds taken in by their booth

will go into the class treasury.

The school queen will be selected from the following young ladies crowned at the carnival: senior candidate, Kathleen Collins; junior, Annie Jane Tyler; sophomore, Marjorie Bagwell, and freshman, Opal Marrisset.

## On Baird Campus

Atrelle Estes

Wow, and are the Bairdites getting chesty about the Moran game, and with good reason. Didn't they get hornsogged out of district championship because of losing to that team three years ago? And isn't Moran considered one of the strongest teams in the district! Yea, man bring on the larger hat-bands, the Bears have really done something! Merkel, today, however, is a different matter and here's hoping she goes the way of all other teams who've faced the mighty eleven.

Aba daba and a coupla' goos'. The Junior-Senior classes held a kid party in the gym last Saturday. The students came in kindergarten garb, played hot games and had lunches in paper sacks school-style. A Kuteest Kid Contest was held with the results as following, for the seniors, Jo Ruth "Cuddles" Arvin and Clyde Wallace "Sweetums" Yarborough, in the junior division Jacky Boy Ray took honors with little Nellie Luncheon as co-partner. Hostesses of the party were the room mothers, Mrs. Arvin, Mrs. Lawrence, Mrs. Lonnie Ray, Mrs. Asbury, Mrs. Yarborough, and Mrs. Fetterly.

Pictures for the annual to be published by the school, were made this week—results unknown.

Geewhizz, we almost forgot to include something about the son and heir of the Risinger estate (Mr. Risinger, ya' know is the science teacher). The Risinger hopeful, born Sunday Oct. 16th, has been named John Mack.

Event of the week in the schools was the arrival of the state health department's trailer which dealt with tuberculosis and how to combat it. Youngsters from the sixth grade through the eleventh were taken through with explanations by one of the persons accompanying the exhibit.

Watch the show windows of several of the town concerns for home economics display of children's garments. The young seamstresses are going to exhibit their handiwork sometime this week or next.

The F. F. A. Buy-A-Lamb campaign continues to gain popularity with the citizens of the town. The idea, which originated a few weeks ago, is for individuals or firms to invest a sheep which will be fed and sold by the chapter for the profit. The initial cost is repaid when the lambs are marketed this spring. The sheep that are bought will be fed and tended by chapter members. Each boy is to bring 60 cents or its equivalent in feed, for the upkeep of the sheep. Subscribers to the lamb plan include, Tots Wristen, Houston Food Store, A. B. Hutchinson, C. R. Nordyke, Chester Norvell,

Curtis Sutphen, Irving Corn, Cliff Harville, Ashby White, Earl Johnson, and Robest Estes. The sheep were bought in Eldorado from J. Forest Runge and the Thompson estate and represent the best line of lambs in the state. They average 66 1-2 pounds in weight.

And still more news from the ever-active F. F. A. A new name on the horizon and a new calf to make history in the beef world—Ben Glover's Douglass Corrigan threatens to be the ribbon winner of the chapter's projects. Ben bought the calf from Hugh Ross who selected it from his stock. At the time Ben took the calf its weight was 540 pounds. Now he tips the scales (and government tested scales at that) at 590 pounds—a gain of 50 pounds in fifteen days. Ben is rightfully proud of Mr. Corrigan's progress. There ought to be some pun we could make on what Ben's right way feeding is doing for the famous wrong way Corrigan to make him weigh right, but that's too much of a good thing.

The F. F. A. chapter plans a parent and son banquet sometime in November and later on some kind of affair to recognize the chapter favorites, sweetheart and queen. The queen is Jo Ruth Arvin, favorite, Marion Dyer, and sweetheart, Betty McCoy.

### FLOOR FURNACE

Furnace-type heat for the individual room. Installed in floor. Circulates warmed, fresh air to every nook and corner. Vented to carry off products of combustion, thus eliminating "wall sweating."

Before Winter's First Blast  
**FIND OUT YOUR HEATING NEEDS**

You just can't imagine the healthful comfort of a home completely heated with advanced-type gas equipment until you have lived in one. In it there are no chilling drafts, cold layers of air at floor level nor hot spots—temperature is held even and uniform throughout.

Now check your heating equipment. See if it is adequate to do a thorough, complete heating job. Perhaps just one or two pieces of the advanced-type equipment will be enough to bring it up-to-date. But, whatever your home needs, now is the time to install the equipment—before winter's first blast. Any budget can afford the easy terms that are available.

Set out now on the road to comfort via complete house heating with improved gas equipment

**Methodist Church**  
Hamilton Wright, Pastor

Fourth and last quarterly conference will be held Wednesday evening at 7 o'clock. Dr. C. A. Bickley, presiding elder, will preach. The business session will follow. At this session stewards and a general Sunday school superintendent will be elected upon nomination of the preacher.

This is to be a very important meeting. All members and officials are urged to attend to finish the work of the fiscal year which ends November 16, when the pastor reports to annual conference at Memphis, Texas.

Rev. J. H. Hamblen, pastor of First Methodist church, Abilene, will be principal speaker at a rally to be held in the church on the evening of Nov. 2. Neb Shaw, layman, also will speak.

The pastor conducts the rally for the Clyde Circuit at Eula on the evening of Nov. 1. Rev. Lloyd Mayhew is pastor.

Sunday was a fair day in the church. Sunday school attendance was around 115, with 10 new members. The pastor preached on "The Transfiguration." At the evening hour he discoursed on "The Ministry of the Spirit and Prayer."

The public is informed that evening services now begin at 7 o'clock sharp.

Time is short. All members who have not paid offerings to the benevolences of the church for the missionary, superannuate preacher and other causes are urged to give this paramount attention, leaving givings with Howard Farmer at the First National Bank. If you give just a part of what you expect to spend on pleasure in the next few weeks the church will be taken out of the "red." Our conference benevolences are about half paid in.

The pastor is about to finish up a year of service. Our membership has been kind and considerate for which they have our gratitude. The membership can make it possible for us to face annual conference leaders with a good report. Will you do your part? Just whether in the wisdom of the bishop and his cabinet we shall be returned we do not know; but we hope to be sent back for another year of service among this fine people. But may God's will be done!

The pastor has four more Sundays to preach in Baird before closing the year. He should appreciate the people turning out well for all of them. Start back to Sunday school and preaching services. We'll try to make our messages interesting, inspiring, animated. Your presence aids the preacher to preach. Your prayers magically inject new spiritual life into him and into his messages intended to help you. Your offerings to the work, such as missions, church extension and other lofty enterprises of the church, will bring a dividend. "Will a man rob God?" God himself asks. Read Malachi. Some members of our church have not paid a penny into any enterprise of the church this year. This is to remind you. Do you expect God who gives health, opportunity and wealth, to continue to pour blessings out upon you if you slight his great work? Consider this, and remember it was He who said positively, "Seek ye first the kingdom of God and his righteousness, and all these things (food and raiment) will be added unto you."

**Putnam Panthers  
Defeat Clyde  
Bulldogs**

The Putnam Panthers met the  
Clyde Bulldogs in a conference  
game Friday on the Putnam field.  
The game got off to a blood-  
ingling start when Newt Steen  
of Putnam made the first counter-  
of the day in the sixth play of  
the first quarter. Benny Williams  
added the extra point. The sec-  
ond score was made for Putnam  
when Steen plunged ten yards  
for another counter in the same  
eventful first quarter. Buster Rob-  
erson of Putnam added the third  
touchdown. The team failed to add  
extra points to these counters.  
During the second quarter Newt  
Steen made a thirty five yard  
sprint for a touchdown. At the  
half the score stood with Clyde  
trailing 26-0.

One of the finest runs of the  
game, a 55 yard dash by Doyle  
Gunn, which landed the lad smack  
over the Clyde goal line, was re-  
called because of technicalities.  
Newt Steen retaliated a few plays  
later with a thirty yard run for  
a touchdown but with no point  
added. In the last quarter Doyle  
Gunn scored, Benny Williams  
chalked up another, Steen added  
still another with Roberson mak-  
ing the extra point. At the end  
of the game the score was 53-0  
with the Panthers riding the  
heavy end.

By far the most perfect play  
of the game was ruled out. Put-  
nam's end man, Hull, carried the  
ball from the fifty yard line, or  
thereabouts, to Clyde's ten, com-  
pleting the play with a beautiful  
lateral to Williams before being  
brought down by a Clyde man.

Starting line-up for Putnam  
was: Ends, Hull and Brown; tack-  
les, R. Williams and Sharpe;  
guards, Armstrong and Crawford;  
center, Hammonds; fullback, Rob-  
inson; quarterback, Steen, and  
halves, B. Williams and Gunn.  
Clyde's starting eleven were:  
center, Jack Clemmer; guards,  
Patterson and Dennis; tackles,  
Cotton and Monroe; ends, Dugan  
and Hayes; quarter, Taylor; full,  
Griffin, and halves, Tarrant and  
Evans. Connor Horton is coach of  
the Bulldogs and Clyde Dean is  
the Panther's coach. Officials for  
the game were, referee, Irwin  
De Leon, umpire, Smith, of Cisco,  
and line man, Bent of Cisco.  
Today Putnam meets May and  
Clyde takes on Moran.

**Scabies Eradication**

There was employed in San An-  
gelo District for the month of  
September, one State man, and  
nine county men who spent their  
entire time in an effort to erad-  
icate scabies infection, and a total  
of approximately \$165.00 was ex-  
pended by this department in its  
regular Eradication Program.

Two hundred twenty-two herds,  
and a total of 100,204 sheep and  
cattle were inspected or dipped.  
Eight hundred eighty-one head  
of sheep were classed as exposed  
on account of being imported into  
Texas and dipped to comply  
with Texas Scabies Law.

The Livestock Sanitary Com-  
mission of Texas will continue the  
work in the San Angelo district  
in an effort to protect the live-  
stock in that district from import-  
ed infection, and affording the  
necessary scabies certificates de-  
manded by other states on live-  
stock moving from Texas.

The above work was conducted  
under the supervision of H. H.  
Casper, supervisor of Scabies  
Eradication Work, San Angelo,  
Texas.

NOTE—Nine county-paid in-  
structors were employed in San  
Angelo district which are not in-  
cluded in the above expenditure.

**4-H Club Girls  
Attend Dallas Fair**

On October 10 a most thrill-  
ing incident in the life of our  
4-H club work, Marie Ellis, Lola  
Mae Poindexter and myself ac-  
companied by Miss Brown, Calla-  
han County Home Demonstration  
Agent and Miss Annie Mae Mc-  
Intosh, left Baird at 2 p. m. Mon-  
day. We arrived at Dallas at 8  
p. m. We registered at the new  
dormitory for 4-H boys and girls.  
Miss Jewel Patterson was our  
chaperon. We retired early the  
first night in order to be ready  
to see everything possible the  
next day. We breakfasted at 7 a.  
m. each morning. Immediately af-  
terward we attended a meeting  
at the Hall of State building where  
we received announcements, en-  
tered in group singing, learned  
some new songs and heard reports  
from different clubs of the state.  
We viewed the Allis Chalmers  
tractor display. From there to the  
Agriculture building where we  
saw the new era of farm progress  
which was well represented. The  
Agricultural exhibits were very  
nice. The livestock exhibit was  
well worth seeing, especially the  
2,550 pound cow.

The 4-H boys had some good  
looking cattle too. In the Dallas  
Museum of History the mounting  
of birds and animals was very  
interesting to me. The Texas Hall  
of State indeed is a monument in  
memory of the pioneers who won  
Texas' independence. The names  
and statues of Texas heroes were  
seen here and there throughout  
the building. We went through  
the milling industry building where  
we saw wheat made into flour.  
We also visited the Fine Arts  
exhibit which was very nice. The  
Dallas Aquarium waws a place  
enjoyed by all. Also a large tank  
of turtles among which were snap-  
ping ones.

The Dallas county girls honor-  
ed all 4-H girls with a trip to  
the Farm and Ranch Publishing  
Co., and also through Sears Roe-  
buck and Co.

After three days of sight see-  
ing, we were homeward bound.  
This was a trip that I shall never  
forget. The three 4-H club girls  
from Callahan county won the  
trip by writing a history of their  
club work and completing the  
goals for the year 1938.

We feel that we have been well  
paid for the effort put forth in  
the club work and we are indeed  
grateful to the Texas Extension  
Staff for making it possible for  
4-H girls to attend such educa-  
tional tours.

**Delphian Club**

The Delphian club met Tuesday  
afternoon, October 11th, in the  
home of Mrs. Carroll McGowen.  
Roll call, "Arkansas Treasure  
Chest," was answered by seven-  
teen members. A most interesting  
program on Arkansas was pre-  
sented with Mrs. Adams, a native  
of that state, as leader. Mrs. T.  
P. Bearden, also a native of Ar-  
kansas, told of "The Beauty Spot
