

Owls Have Open Date This Week

The Owls lost their third game of the young season last Friday night at Matador by a score of 22-6, which does not at all reflect a true picture of the game. The Owls have been plagued by illness and injury, and in addition to this, several position changes had been made since last week. There was not one day of practice last week when the entire starting team was there to work out.

Brent Brannon was moved to quarterback for the game, with Randy Clay moving from quarterback to replace Brad Ziegler at runningback. Ziegler had received a bruised back and shoulder in the previous game and was out of action for two weeks. Clay received a bruised knee in the first half, and was replaced by Gary Younger who had damaged a leg in workout early last week. Clay was not able to return to the game until late in the fourth quarter. Ken Sarchet was moved from tackle to strong side guard to play beside Dayne Mayfield, and both of these boys missed school due to illness last week, as did Jace Francis and Jim Wilson, who was still not able to suit up Friday night.

In spite of the handicaps, the Owls looked much better in their last game and the changes look like they are improving the team. Inexperience in the new positions likely was the cause of some of their fumbles, but the boys went to Matador to play ball and that they did. Matador's kicking game hurt the Owls most of all by keeping Silverton in poor field position much of the game.

There wasn't a very large crowd from Silverton at the game—and it was very nice football weather, too—but they were spirited and yelled their encouragement to the team freely. The Pep Squad didn't sit during the game and were on their feet yelling almost constantly. All of these things helped the team spirit and the good showing they made.

The Owls have an open date Friday night, and it is hoped that in the next two weeks they will have time to get well, regroup, and be ready to take their first win in their first district game at 7:30 p.m. at McLean on October 3. They will appreciate your attendance and support at the game.

The Owls opened their game Friday night by kicking off to the Motley County Matadors, holding them to a total gain of eight yards on three downs and forcing a punt which was killed on the Silverton-5. On first down the Owls fumbled and the Matadors recovered on the four. Next play Craig Christian carried the score for the Matadors with 10:04 remaining to be played in the first period. Joe Campbell kicked the PAT and the Matadors held a 7-0 lead.

A first down was given to the Owls on a pass interference call against the Matadors as Danny Perkins went up for a Brent Brannon pass. The Owls drove to the Matador 35 on runs by Randy Clay and Brent Bean. At this point, the Matadors held and the ball went over on downs.

The Matadors made a first down and on the next series of plays, the Owls held them to a three-yard gain and the Matadors punted to the Owl-8. The Owls made a first down on a pass completion by Brannon to Clay, and picked up another on a run by Tommy Lacy down to the Matador 17. Brent Bean ran for three yards before the Owls fumbled and Matador recovered. The second quarter opened on a drive which took the Matadors to about their own 45 before the ball went over to the Owls on downs. Bean picked up one first down and combined with Lacy to be near another before the Owls fumbled and Matador recovered once again.

After getting one first down, Matador fumbled and recovered on two plays, and an incomplete pass on fourth down gave the ball back to the Owls who made two first downs before being forced to punt it away. The Owls were penalized for pass interference just before the half ended with the score 7-0 in favor of the Matadors.

The Owls received the kick which opened the second half and were unable to make a first down. They punted, the Matadors fumbled on their own 44 and Danny Perkins recovered for the Owls. After making a first down on runs by Bean and Younger, Bean took the handoff and ran about 40 yards for an Owl score with 9:03 remaining on the third quarter clock.

Miss Mackenzie Pageant To Be Staged Here Saturday Night

KATHY WILKS, Tulia
MISS MACKENZIE 1974

The second annual Miss Mackenzie Pageant will be staged at 8:00 p.m. Saturday, September 27, 1975 in the Silverton School Auditorium under the sponsorship of the L. O. A. Junior Study Club of Silverton.

Admission is \$2.00 for adults and \$1.00 for students, and door prizes will be given.

Ted Lamham, Silverton Public School Music Director, will be the master of ceremonies for the pageant, and music will be played by Mrs. Wayne McMurtry and Carl Gallington.

Judges will be Virginia Dulin of Woodrow, Ken Snow of KAMR-TV, Amarillo, and Jane Gillet of Wolforth.

A Get-Acquainted Party will be held for the 18 contestants on the day of the contest at 4:00 p.m. in the Pioneer Room of the First State Bank. Century of Progress Study Club will host this event, during which each contestant will have a private interview with the

judges. Eligible to enter the contest were girls aged 16 to 18 who are students in the high schools in Floydada, Lockney, Tulia and Silverton, the cities whose taxpayers built the Mackenzie Dam.

The contestants will open the pageant by singing "Country Sunshine." Theme of this year's pageant is "Miss Mackenzie in Country Sunshine." The girls will model sportswear and formalwear during the pageant, a Miss Congeniality will be announced, and five finalists will be announced. Each of the finalists will be asked a question by the judges.

Two Silverton High School students, Dayne Mayfield and Tommy Lacy, will escort the contestants onstage. Mayors and members of the board of the Mackenzie Municipal Water Authority have been invited as special guests.

The first Miss Mackenzie, Kathy Wilks of Tulia, will crown her successor. A \$50 bond will be pre-

sented the winner by the City of Silverton.

The contestants are:

Bill Gilkeyson Buried Wednesday

Funeral services for William Emmitt (Bill) Gilkeyson, 70, were conducted at 10:00 a.m. Wednesday at McCoy Funeral Home Chapel in Sweetwater.

Graveside rites were conducted at 4:00 p.m. Wednesday in the Silverton Cemetery, with the Rev. Larry Wilson, pastor of First Baptist Church here, officiating.

Mr. Gilkeyson, a former Silverton resident, died at 12:00 noon Sunday in a Sweetwater hospital from an apparent heart seizure.

A retired farmer who lived at Trent, Mr. Gilkeyson came to Silverton in 1918.

Survivors include two brothers, Homer of Dallas and Herman of San Francisco, California.

Don Garrison was taken to Swisher Memorial Hospital in Tulia about 2:30 p.m. Saturday by the Silverton Volunteer Ambulance Service. Flute Hutsell and Jerry Patton accompanied the Garrisons in the ambulance.

The Owls faked a kick, their pass for PAT was incomplete, and the Owls trailed 7-6.

The Matadors took the Silverton kick at their own 5, and made three first downs before punting to the Owl-10. Unable to pick up yardage on their series, the Owls punted, the ball sailed low into one of the Matadors, and the Motley County High crew took possession on the Silverton-10. Christian carried the touchdown, and Campbell added the PAT kick, and the score went up to 14 for the Matadors with the Owls having only 6.

The ball changed hands a number of times in the fourth quarter, and on Silverton's last possession of the game the Owls were backed up to their own goal line, punting out of the end zone with 1:02 remaining to be played in the game. The Matadors made a first down with six seconds left on the clock, and somehow the clock didn't run, and a pass was thrown to Jerry Lee with one second showing on the clock and caught in the corner of the end zone for another score. Joe Campbell ran for two extra points, and the Matadors had iced a 22-6 victory over the Owls.

The Matadors were penalized 55 yards, while the Owls had 25 yards stepped off against them. The Matadors made 12 first downs, as compared with 10 for the Owls.

Cystic Fibrosis Drive Being Held

Saturday, September 20, members of the Silverton Young Homemakers held a drive for cystic fibrosis. The drive will be completed this Saturday morning, September 27. A door-to-door campaign will end this year's drive.

LOSES TEETH IN ACCIDENT

Shane Perkins, son of Mr. and Mrs. Tom Perkins of Amarillo, had an accident on his bicycle near his home last week. He lost three teeth in the accident. He is the grandson of Mr. and Mrs. Bud Perkins of Silverton.

ADULTS INVITED TO REGISTER FOR BASIC EDUCATION COURSE

Silverton Independent School District announces that registration for adult basic education classes will be held at 8:00 p.m. October 2, 1975, in the school auditorium.

Glasses are open to all persons who want to work toward a G.E.D. Certificate. The G.E.D. Certificate is equivalent to a high school diploma and is awarded after the student passes the G.E.D. Test. The classes will include work

on every level from beginning reading, math, writing and speaking up to review and preparation for the G.E.D.

Students may enroll at whatever class level meets their needs.

Classes will meet for three hours one time a week from 7:00 until 10:00 p.m. The only cost is a \$6.00 building use fee.

Detailed information can be obtained by calling O. C. Rampley at the Silverton School, 823-2476.

Historical Marker Dedication Ceremony Held Sunday

W. E. Schott, jr. and his mother, Mrs. Tina Schott, were pictured with the Official Texas Historical Marker which has been erected in memory of William E. Schott, a Briscoe County Pioneer. The marker is located at the Sky High Roadside Rest Area, on the rim of the Caprock canyons, known for many years as Schott Cap because the late Mr. Schott owned land and constructed the first wagon road through the rough escarpment.

The dedication of Briscoe County's newest historical marker, erected at the Sky High Roadside Rest Area in memory of pioneer settler William E. Schott, was conducted at the Pioneer Room of the First State Bank in Silverton Sunday afternoon due to the weather. The dedicatory address was given by Earl Cantwell, minister of the Rock Creek Church of Christ, a long-time friend of the Schott family.

"We are entranced by the labors of such pioneers as Mr. Schott," Cantwell said. "When we stand at the site of the marker, we are awed by the beautiful country and want to sing 'How Great Thou Art.' And a young man in a covered wagon was probably emotionally moved as he crossed the undulating hills and came upon the cap pinnacle. He no doubt said, 'This is it.' He came to build a spread that grew and grew as he and others labored.

"God grant that we can have the same spirit of pioneers such as William E. Schott," Cantwell continued. "His widow, Tina Schott, is a living monument that ties us to his memory."

Guests were welcomed by Mrs. Edwin Dickerson, chairman of the Briscoe County Historical Survey Committee, and three Boy Scouts from Troop 262, Larry Stephens,

Notice To Businesses

Due to a lack of time, not all of the Silverton businesses were contacted in regard to giving door prizes for the Miss Mackenzie Pageant Saturday night. If you were not contacted by the L. O. A. Junior Study Club and would like to donate a door prize, please call 823-2233.

Coye Lee Gallington Dies; Rites Held

Coye Lee Gallington, 37, of Dallas died Saturday, September 13, 1975. The Angel of Silence entered into his life at 4:30 a.m. at Parkland Hospital in Dallas.

He was born to Mr. and Mrs. Joe Gallington July 18, 1938, in Nashville, Arkansas.

In his early life his family moved to Texas. He united with the Macedonia Baptist Church at an early age.

He married the former Miss Pearl Lee Ivory in 1957 in Briscoe County, and a year later they moved to Amarillo where he was employed by Forrester Trucking Company. After residing in Amarillo eight years, they moved to Dallas. He united with the New Samaria Baptist Church. He was employed by Peterman's Tire Company of Dallas until he became disabled.

Services were held September 16, 1975 at 1:00 p.m. at the Community First Baptist Church, with Rev. R. T. Blanton, pastor of New Samaria Baptist Church, officiating.

Burial was held in Laurel Land Memorial Park under the direction of Cedar Crest Funeral Home.

Palibearers were Lonzo Hayward, Ozean Dowd, Marlin Crosslin, William Crosslin, Freddie Ivory and Herbert Simmons.

He is survived by his widow, Mrs. Pearl Gallington; one daughter, Tajuana Gallington of the home; his parents, Mr. and Mrs. Joe Gallington of Silverton; six sisters, Mrs. Zeola Taylor of Quitaque, Mrs. Virginia Clardy of Silverton, Mrs. Viola Black, Miss Edna Gallington and Mrs. Bertha Gallington, all of Dallas, and Mrs. Irene Mayberry of Kansas City, Missouri; two brothers, Ira Gallington of Amarillo and Dennis Gallington of Dallas; 17 nephews, seven nieces and a host of other relatives and friends.

Nicky McJimsey and Wes Fleming, led the pledges to the Texas and American flags. The invocation was given by Rev. Larry Wilson, pastor of the First Baptist Church in Silverton.

State Representative Phil Cates of Shamrock spoke briefly on the pioneers and the cultural heritage of the people in this area.

Cates spoke of the bravery of Schott and other pioneers who were "doers and not just ivory tower thinkers."

Cates continued, "We are indebted to him. The United States is based on men who worked with their hands and embodied strong Christian beliefs."

During the program attention was called to the recently adopted Briscoe County flag which was displayed.

W. E. Schott, jr., son of Mrs. Tina Schott and the late William E. Schott, made acknowledgements and thanked the Briscoe County Historical Survey Committee, the Texas Highway Department and State Representatives for their help and assistance with arrangements for the erection of the Historical Marker. He read the inscription on the marker and said he believed it would have pleased his father very much.

The Protecting LIGHT

This lighted tower is a light shining in the darkness to guide sailors and ships through the night. Our Lord is our light who guides us faithfully through life, even though it be as a stormy sea — He knows the way. His word, as proclaimed in His church, will light your way and bring peace, joy and comfort.

"Thy word is a lamp unto my feet, and a light unto my path." Psalm 119:105.

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Club Opens New Year With A Field Trip

Century of Progress Study Club held its first meeting of the year September 17, 1975, with members gathering in the school homemaking department for the opening of the year's theme, "The American Scene," with the course of study being "Briscoe County 1876-1976, America 1776-1976."

Mrs. F. E. Hutsell, club president, opened the meeting and Mrs. Carl Bomar gave the devotional, "Why They Came." After a short business meeting, the members were invited by the Yearbook Committee to board a waiting bus, to take them on a surprise outing.

As the bus, driven by Mr. O. C. Rampley, was enroute to its destination, Mrs. Hutsell gave a "Howdy Y'all" greeting to the club members and presented each a fun memento that represented her activities and responsibilities in club.

Mrs. O. C. Rampley, chairman of the Yearbook Committee, presented the yearbooks to the club members, and gave "Scouting the Trail," a preview of the year's programs. "Sunshine neighbors" were drawn for the year.

The bus was met at Mackenzie Dam by Mr. Gary Martin, assistant manager, who conducted a tour of the area. The tour ended under some large cottonwood trees where a watermelon feast was served. A watermelon seed spitting contest was held and members signed their brands in the yearbooks.

Most of the members walked down to the trees, enjoying the beautiful scenery, but some decided to ride out with Gary Martin, enjoying the scenery that way.

Members taking part in the outing were Mrs. Carl Bomar, Mrs. Edwin Dickerson, Mrs. Garland Francis, Mrs. L. D. Griffin, Mrs. F. E. Hutsell, Mrs. George Long, Mrs. Wayne McMurry, Mrs. Dee McWilliams, Mrs. Marvin Montague and the hostesses, Mrs. O. C. Rampley, Mrs. John Gill and Mrs. James Davis.

Grandparents are Mr. and Mrs. W. W. Cooper of Turkey and Mr. and Mrs. Willie Tupin of Commanche.

Tickets On Sale For Luncheon, Style Show

All members of the Terra Cotta CowBelles are selling tickets to their annual Style Show and Luncheon to be held at 11:30 a.m. October 8 at the Plainview Country Club. Tickets are \$5.00 each.

Among those who will be taking part as models in the style show are Mrs. Norman Strange and Mrs. Doug Forbes of Silverton, and Mrs. Thetis Rogers of Quitaque. Mrs. Bernice May of Silverton will be commentator for the style show. Deadline for ticket sales is October 1.

The most recent luncheon meeting of the Terra Cotta CowBelles was held September 16 at Losson's in Kress. Mrs. Mary Darnell, president, called the meeting to order, and the invocation was given by Mrs. Thetis Rogers. A Nominating Committee was elected, and plans were completed for the style show.

Dear Charlotte,

The school lunches and the mid-morning milk are wonderful benefits to our school children, but for years these benefits have turned my peaceful house into a chaotic uproar each Monday morning. Have you ever tried to find exactly THIRTY CENTS in your house on a Monday morning at 7:45?—Exactly 30 cents—not 50—not 40! Just one quarter and one nickel, or six nickels, or three dimes, or two dimes and two nickels, or even 30 pennies!

This exact change is to eliminate bookkeeping and change-making for the teachers, and heaven knows, they need help with 30 or more students in each class. But, somehow we never can find exactly 30 cents.

The search starts with father, as he mumbles through shaving cream, "Look on the dresser." His change consists of two pennies, a gold piece, a golf marker, a dollar bill, a ten, and a fifty (Moneybags!)

Then my handbags are turned inside out—from the new leather one to the old red straw I carried five years ago! Yield: a \$2 bill, one Indianhead penny, and six-pence that I wore in my wedding shoe 27 years ago!

Betty Ann's piggy bank would yield 30 pennies, but to break the pig would cause a greater chaos than the one existing.

Bill, jr.'s coin collection would solve all problems, but alas, those coins are real silver, or untouched by human hands, or minted a hundred years ago.

So, as the clock ticks, I write—"Dear Mrs. Smith, I'm so sorry to send this dollar bill (Moneybags!) to school for Betty Ann's milk. I promise it won't happen again."

'Til next Monday,
HB

This was how it looked when Brent Bean (32) took off on a 40-yard run for a touchdown for the Owls at Matador last Friday night. He won the footrace and it was good for six points.

Junior High Owls Win Season Opener 10-6

Silverton's Junior High Owls opened their season with a 10-6 win at Valley Thursday night of last week, and will be hosting the Wheeler Colts today at 5:30 p.m. The Owls received the opening kickoff, were unable to make a first down and punted to Valley. The Patriots fumbled and the Owls

recovered on the Valley 40. Silverton made a first down before seeing the ball go over on downs at the Valley 27.

Valley made a first down on their 37, then went untouched by Owl hands on a run around their left end for a touchdown. The same Patriot attempted the PAT run, failed, and Valley held a 6-0 lead.

Nick McJimsey picked up a first down for the Owls on the Valley 34 and Silverton moved ahead on a 15-yard penalty against the host Patriots for a face mask violation.

The second quarter opened on the Owl ballcarrier being thrown for a loss on the Valley 21 and the ball went over on downs. The

ball changed hands several times in the area of the Valley 25 to 45 yard lines.

The Owls made two more first downs before halftime, and completed two passes, but were unable to put across a score.

In the third period, the Patriots made a first down before fumbling the ball away to the Owls. Again the Owls saw the ball go over on downs, and the Patriots made another first down before seeing the ball go back to the Owls near midfield. Unable to move the ball for a first down on this series of plays, the Owls punted, the ball was

downed by one of the Owls a few inches outside of the goal line, and the Owls were able to tackle

HOCKEY SCORES

And for all you sports buffs, here are the latest high school hockey scores. Monday: Blue Bombers (Sarchet, Robertson, Davidson) beat the Chumps (Clay, Francis, Gill) 8-6; Tuesday: Blue Bombers tied the Chumps 10-10. Each team's record stands at 1-1-1.

a Patriot in the end zone for a safety and Silverton's first points of the game.

Valley had a little trouble with procedure getting off their free kick which followed the safety, and received several five-yard penalties before successfully kicking to their own 24. Silverton fumbled and Valley recovered at the Valley 20.

As the fourth quarter began, the ball went over on downs on the Valley 25, and Silverton drove for a first down on the Valley 15. A penalty against Valley moved the ball to the 10, where the Owls fumbled, Valley recovered and threw four incomplete passes, the last on an attempted punt. The ball went back to the Owls near the Valley 5. On first down, Greg Hill moved the ball about half the distance to the goal and on second down he went into the end zone for the score. Nicky McJimsey added the PAT run, and the Owls held a 10-6 lead.

Valley came back with first downs at midfield and at the Silverton 25. Kelly Comer recovered a Valley fumble near the Silverton 36, the Owls made a first down on a 15-yard penalty against the Patriots, and then punted away to the Valley 47. With 21 seconds remaining to be played, the Owls intercepted a Valley pass at midfield to ice the final outcome.

Quarterbacking duties were shared for the Owls by Paul Brannon and Jeff McCord. The Owls made seven first downs as compared with six for the Patriots. Each team's defensive unit threw the other team for large losses during the game.

In the second game of the double header, Silverton's Junior Varsity Owls suffered a 49-0 loss at the hands of the Valley Patriots, who did not give up a single first down to the visitors. The Patriots made 10 first downs in the first half and led 42-0 at halftime. The touchdowns were all carried by Kenneth Helms and Darrell Dowd, who notched five scores for himself. The Patriots missed on all of their PAT opportunities. Quarterbacking for the Owls were Darrell Reynolds and Kirk Durham.

Next game for the Junior Varsity Owls will be at 7:00 p.m. today when they host the Wheeler Mustangs.

The Owl teams need your attendance and support at their games.

Hale County To have Health Fair

The Hale County Family Living Committee in cooperation with the Plainview-Hale County Health Department will be sponsoring a Health Fair October 4 at the Hale County Agriculture Center from 10:00 a.m. to 8:00 p.m. It has been designed for all ages and income levels for persons in Hale and surrounding counties.

There will be actual screening for vision, hearing, high blood pressure, diabetes, TB, pulmonary function, blood typing, and height/weight. All of this is free, absolutely no charges of any kind.

Texas Tech med students will be operating a film festival continuously during the day on such topics as: "Drugs: The First Decision," "Better Odds for a Longer Life," and "Happy Family Planning." There will be a live drug exhibit and the Bloodmobile will be available.

The Home Demonstration Clubs will have a foods booth as their money-making project if you would like to eat lunch there.

The Health Fair will provide an excellent opportunity for residents of this area to become aware of and take advantage of the many free services available. Everyone is encouraged to attend.

TOWER TALKS

Sex Discrimination

WASHINGTON—New Regulations promulgated by the Department of Health, Education and Welfare (HEW) could mean the end of intercollegiate sports programs as we now know them.

HEW issued regulations last month to enforce the mandate of Title IX of the Education Act Amendments of 1972, which forbids discrimination by sex in our nation's schools, colleges and universities.

The sweeping regulations seek to insure that spending by schools for academic and athletic facilities for students and financial aid to students will be divided fairly between boys and girls, men and women.

Most of the regulations are long overdue. I was a co-sponsor of the bill that made them possible. I feel very strongly that women should be granted equal opportunity and access in academic facilities, including sports activities.

But HEW, in its laudable zeal to guarantee equal athletic opportunities for women, is defeating its own purpose by proposing a rule which will damage the financial base of intercollegiate athletics. This will work to the disadvantage of both men and women students, and to alumni and fans who enjoy watching intercollegiate sports.

I have introduced a bill which would exempt revenue producing sports such as football and basketball from the new federal regulations.

At most colleges and universities today intercollegiate athletics are funded in whole or in part by moneys raised through the sale of tickets or through general fundraising campaigns.

Grave concern has been expressed that the HEW regulations will undercut revenue producing sports programs by its insistence that every dollar that is spent for a sports program for men, such as the football team, be matched by a dollar for a comparable sports program for women.

My bill would exempt from the HEW mandate funds for sports such as football and basketball raised by ticket sales or donations from private individuals. Sports which are subsidized by the school would have to comply with the rules.

Passage of my bill would benefit both intercollegiate athletics and equal opportunity for women in sports.

The impairment of the financial base of the revenue-producing activity threatens not only the continued viability of that activity, but the viability of the entire athletic program. The prospect of such impairment becomes especially significant at the present time when there is such a substantial and justified demand for upgrading athletic opportunities for women.

We should continue to move to expand opportunities for women, but our commitment to equality of opportunity should not encompass massive disruptions of the educational institutions and the financial burdens these institutions will be forced to shoulder unless my bill becomes law.

Plainview District

F. F. A. Has Meeting

The Plainview District of the Future Farmers of America met at the School Cafeteria in Plainview on Wednesday, September 17. District officers were elected as follows: President, Mark Welch from Dimmitt; Vice President, Shanna Igo from Plainview; Secretary, Joe Roeho from Lockney; Treasurer, Bill Smith from Hale Center; Reporter, Jeff Jones from Silverton, and Sentinel, Barton Scott from Abernathy.

Dayne Mayfield and Darrell Reynolds were voting delegates from the Silverton chapter.

Subjects also brought up were (1) Qualities and characteristics of a leader; (2) Conduct and behavior of F. F. A. members while in school and away from school on trips to fairs, shows, etc.; (3) Duties and responsibilities of chapter officers; (4) Dress of members in and out of school while showing animals; (5) Encourage more participation in public speaking and other F. F. A. award programs.

Jeff Jones, Reporter

Mr. and Mrs. Berton Hughes met their children and grandchildren, Rev. and Mrs. Randy Hughes, Amy and Matthew of Fort Worth, in Vernon, Friday evening at the home of Mrs. Hughes' mother and brother, Mrs. R. E. Renfro and Gayle, for a visit through Sunday.
