Science Changes Advertising!
Have you noticed that science has even changed commercials?

Many years ago there was an advertisement for a very well-known hair color.

The slogan was "Color So Natural, Only Her Hairdresser Knows for Sure". It ran for a long time (that was back when slogans lasted longer than a week), and was familiar enough that there was a whole generation of jokes based on it.

I remember reading an article in a doctor's office magazine that the company had vacillated between "Only her hairdresser knows for sure" and "Only her mother knows for sure".

Years later, I think they actually used the "Only her mother" ad, with a young-looking mom with a younger-looking daughter.

Well, this same company has a new slogan.

"Hair So Natural You'd Think My DNA Did It".

DNA did it! While we all know exactly what the ad means, how many years ago has it been that we didn't have a clue about something like DNA?

Hasn't been that long, has it?

That put me in my thinking mode, about how science and technological advances have changed the way we think, live and work.

People plan their lives on

Palm computers, we use the internet to answer questions from the minor to the very significant.

Hard physical labor has taken a back seat to brain power, and medicine keeps us going longer and stronger than ever before!

Ads for internet services and companies probably outnumber all the other ads put together.

Another amazing thing I noticed at the nursery the other day...soils specifically blended to weed, feed and provide defense from pests. Wow!

Anyway, if you will ponder on ads and your life I think you'll come up with several phrases or scenarios which wouldn't have been possible just a few years ago...back when DNA sounded like the initials for a fund raising association instead of the key to our genetic makeup.

160 search for elderly man in Bogata

One hundred and sixty people and nine volunteer fire departments took part in a massive search for a missing elderly man Tuesday afternoon. The man, a resident at Red River Healthcare in Bogata, apparently managed to wander away from the facility. The search began at about 5:00 p.m. and Bogata Volunteer Fire Department set up a command center and began a systematic, ever-widening sweep of the area. As more and more people began to pour in to assist with the search the scope was

increased and the depth of the search intensified until volunteers were going door to door asking if anyone had seen an elderly man in green jogging pants and a red cap, walking with a cane. Soon private citizens and young people on bicycles were looking too.

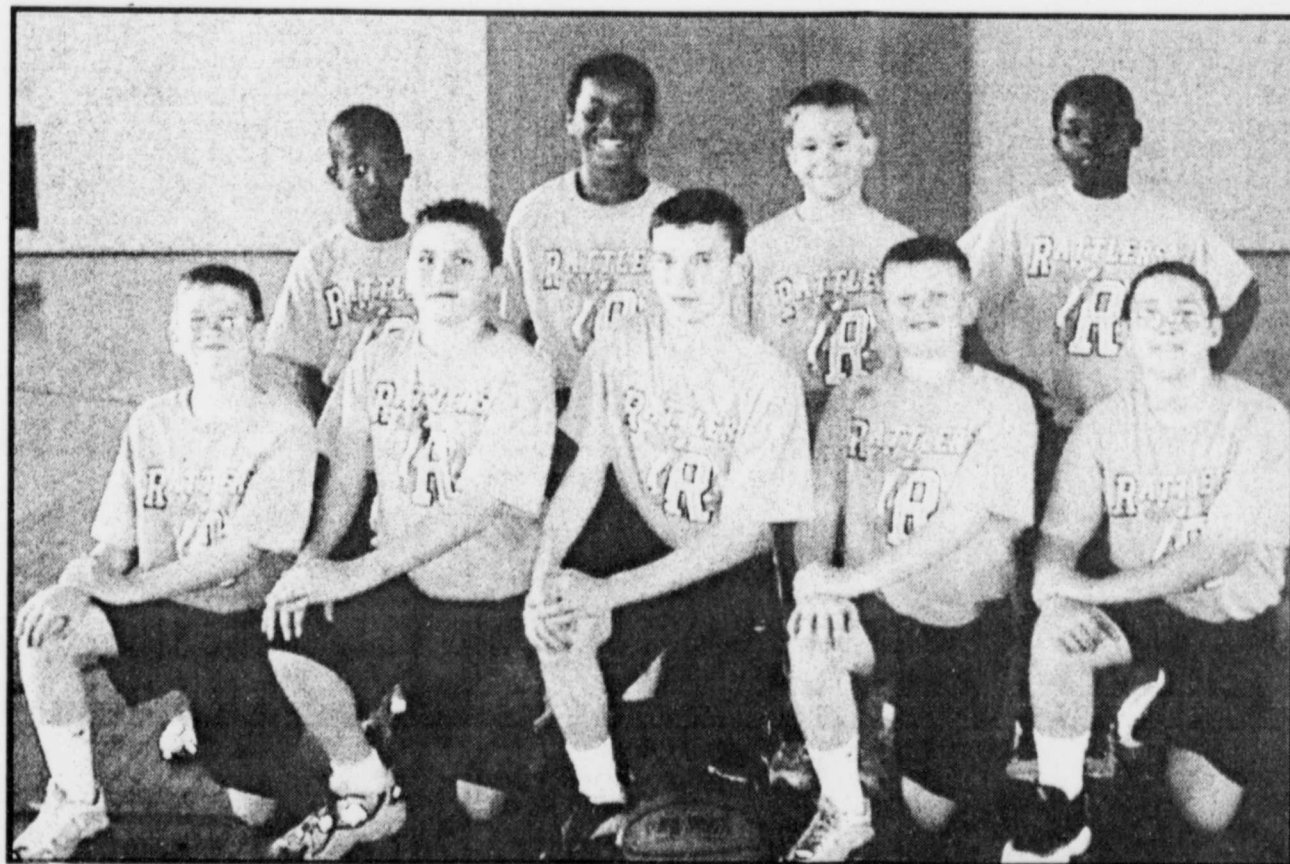

The man was located on Roactown Road and South Main at about 7:30 p.m., cold and wet but apparently not seriously hurt. He was transported to a hospital to be checked over carefully.

Country Cooking

By Liz Irwin

<http://tpp.1starnet.com/>

Our cook this week comes to us from Deport and she is Estelle Cheshire. She is a lifelong resident of Deport and now resides at the housing authority apartments.

She enjoys cooking and attending to her flowers in her small garden around her apartment.

We appreciate her sharing her recipes with us this week and we will see you in the kitchen!

Mandarin-Orange Chicken Salad-using canned chicken, add the mandarin oranges and apples, pecans if you like and it is a great dish!

Apple Sauce Cake-add applesauce to a plain yellow cake mix and you have a moist, delicious cake that anyone would love to eat!

Ham Casserole-chopped ham

combined with egg noodles and sour cream, topped with cheese, a meal in itself!

Chicken-Egg Noodle Casserole-use canned chicken or fresh chicken that is boiled and taken off the bone for a simple, easy-quick recipe!

Macaroni and Cheese-that old standby that everyone likes, but Mrs. Cheshire says to be sure and use Velveeta. It makes it creamy and delicious!

Mexican Casserole-this one is a hit with everybody and not that hard to make!

Pineapple-Apricot Salad-orange jello, crushed pineapple and apricot baby food combined to make a delicious salad for the upcoming warm weather!

COOK OF THE WEEK is Estelle Cheshire of Deport. Mrs. Cheshire enjoys cooking and being outside with her flowers and plants. (Staff Photo by Liz Irwin)

Card of Thanks

Dear Friends,
It would be impossible to personally thank all those who prayed, brought flowers, sent cards, called and offered to assist us in our business during James' hospital stay. Please use this thank you note as a special hug of love and appreciation.

To Dr. Ganguly and his staff, to ETMC Clarksville Hospital and their staff, especially Linda Tabb and to ETMC Tyler, we say thank you. Extra ordinary thanks to Dr. Brooks for his efforts and advise, to our minister Kenny Dickson, your presence and words of comfort always heal and to Neil and Frances Fozell, who always hold our hands through the good and bad times.

Most of all, to anyone who thinks they may have a heart problem, don't wait! Get lucky like us by getting help immediately. Don't put off getting cured by dying.

Our love,
The James Wood Family

Card of Thanks

The family of Gary Lynn Smith would like to thank all the friends, neighbors, and family members in and around the community of Deport for their many acts of kindness during Gary's long illness and recent death.

Maybe you sent flowers, or brought food. Maybe you stopped by to see about Mr. Smith. Maybe you said a special prayer. All these things brought comfort to the grieving hearts of this family.

We will never forget how a whole community stepped forward to comfort us.

Although we are unable to thank each and every one of you individually, we would like to say a special thanks to Mr. and Mrs. Donnie Wright, and Mrs. Kathy Holt, who sat many hours at Gary's side during his long hospital stay.

May God bless each one of you in a special way.

With deepest gratitude,

Heel Spur Surgery

Advances in heel spur surgery have led to fewer complications, less scarring, and quicker recovery times for patients. Heel spurs, bony growths that develop on the heel bone near the foot's arch, are a common cause of heel pain. They can occur due to high-impact exercises like running, excess weight, arthritis and poorly fitting shoes. One new surgery involves removing the spur via a tiny transverse incision on the bottom of the heel just before the arch. The podiatrist then closes the wound and places a dry, sterile dressing on the foot. No stitches, casts, splints or post-operative shoes are required. Patients may choose to insert an orthotic device in their shoe to support the foot after surgery.

Don't despair if surgery is recommended for your heel pain or other podiatric problem. Although the problems haven't changed all that much, podiatric procedures have greatly improved over the past few years. If your feet hurt, there's no advantage to putting it off, see your podiatrist. If you don't have one at this time, we are accepting new patients. Please call us for an appointment, DOCTOR'S FOOT CLINIC, 784-5585.

OFFICE LOCATED AT 3605 N.E. LOOP 286 STE 1800 PARIS, TEXAS

P.S. A recent study found that patients were pleased with, and would recommend, the transverse incisional approach for heel spur surgery.

The 1943 Bogata High School graduating class met for their 58th class reunion on Saturday, April 14 at the Lonesome Dove Restaurant in Deport.

The following members and guests attended: Allene Loven-Hulen, Jimmy and Pat Hulen, Betty Jo Gibson, Joyce Seaman Clark, Mary Jane Deberry Lowry, Mary Fleming East and Glenn, Gaston Puckett and

Roberta, Mervin Childers and Gennety, Betty Ward Terry and Fred, Lawrence Vaughan and Helen, Wm. Burton Conine, Rosalie Petty Legate, Dot Wilson Petty and Mr. and Mrs. Finner Bell.

Dot Wilson Petty reported on several who had sent regrets not being able to attend. The group agreed to present a check to the Bogata Cemetery Fund from the class.

BHS annual homecoming 2001 is now history

The Class of 1950 would like to thank you for the opportunity to be your host. As any host group will tell you, hosting involves lots of effort but there are many worthwhile personal rewards. We want to recognize also that there are many local graduates who year after year contribute selflessly behind the scenes to make the event successful each year.

The Class of 1953 will be host class for the 2002 BHS Annual Homecoming.

The gym was decorated with enough Green and White balloons to make "Bulldogs" proud. The AM visiting time was well attended and afforded the usual relaxed time to meet and greet friends from the past. The noon meal catered by Coleman's BBQ was delicious.

To begin the afternoon program Mervin Childers led the invocation, Charles Wilkerson and D.A. Wims held the American Flag for the Pledge of Allegiance. Michelle Bryson Smith did a beautiful job of singing, then leading the audience in singing "The Star Spangled Banner". Michelle is the daughter of Bill and Linda Bryson and the granddaughter of Howard Ed and Ola Bryson and Imogene and the late Roy Lee Hudson. Thank you, Michelle.

The program followed a classroom format. Martha Kate Stanton Smiley who was the sixth grade homeroom teacher for the class of 1950 was recognized. Virginia Pike pled the school song (music class). Isn't it great to always be able to count on Virginia? Awards were given for greatest distance traveled (geography class) and oldest alumni (arithmetic class).

"Team reports" recognized the members of the 1937-1940 "Dixon Hatcher Championship Bulldogs". Several members of those teams were present: Howard Ed Bryson, Sam Latimer, Jack Pike, Leland Simms, Norman Simms, A.G. Puckett, A.D. Stephenson, Charles Wilkerson, D.A. Wims. These men and their classmates were not just football heroes. They had impressive records of service to their country in WWII and Korean Conflict. Records included POW Purple Hearts, Valor, Honor upon Honor and, in too many cases the "Ultimate Sacrifice". "Hatcher Bulldogs", we love you and we thank you for what you did and who you are. Not just his coaching records have immortalized Coach Hatcher, but also the impact he had on the life of these and other young men he coached.

Our entertainment was a wonderful piano piece very beautifully performed by Ashleigh Hendrex. Ashleigh has deep family roots in Bogata. She is the granddaughter of Lou Beth Hatcher Hendrex, the great granddaughter of Coach Dixon L. Hatcher and Gladys Barnard Hatcher and the niece of Clifford Barnard. Thank you Ashleigh for gracing our homecoming celebration with your presence and wonderful talent.

Dr. George W. Hobbs, "Tudor" to his classmates and friends, gave a review of the history (history class) of the Bogata School system from 1845 to present. This included interesting facts and stories about facilities, faculty and students. This was very appropriate since this fall will mark the first time since 1845 that a school year will begin without a

school in the Maple Springs/Bogata community. We give a big "thank you" to Tudor for helping us remember and honor our roots and community background. Progress demands change but history remains fixed. Bogata Bulldogs are forever, even when "we are no more".

The Class of 1940 paid a very, very special tribute to their classmate, Howard Ed Bryson, who recently was found to have advanced cancer in both lungs. The tribute recounted that Howard Ed was a graduate who chose to stay in Bogata to "seek his fortune, marry and raise his family". It also noted a life filled with family, many varied business enterprises and jobs (frequently simultaneously) and church and civic activities. The class recommended therapy was "...a foot stopping Bulldog Yell". Virginia Pike (resident cheerleader) led "STAND IN THE GRANDSTAND, BEATIN' ON A TIN CAN, WHO CAN, WE CAN...GO BULLDOGS". Howard Ed, Ola, Duane, Bill, Charles and your families...be CHEERED BY RESPECT, HONOR AND GOOD WILL. God bless you.

Finally, Neil Rozell, much to his surprise, was asked to be the presenter of a bouquet to two ladies who the Class of 1950 had chosen to recognize for their service to community, school, and particularly BHS Homecoming. Frances Roach Rozell and Frances Mayes Rozell were also surprised when their names were announced and grandchildren appeared to lead them across the floor. Thank you, Rozell family.

Bulldogs, remember homecoming next year.

Roots.
They don't run any deeper than ours.

In 1917, Lone Star Land Bank made the first Federal Land Bank Association loan in Texas. Since then, we've helped thousands of landowners purchase farms, ranches, country homes and other rural property. Today, Lone Star Land Bank also provides agricultural operating and equipment loans. But we remain the most experienced rural real estate lender in this part of Texas.

At Lone Star Land Bank, our roots are in the land. That's the Lone Star legacy.

Students visit Washington D.C.

During the week of April 9 through the 13th, six members of the Bogata and Talco eighth grades and their sponsor, Mona Pitts, traveled to Washington D.C. and Williamsburg, Virginia.

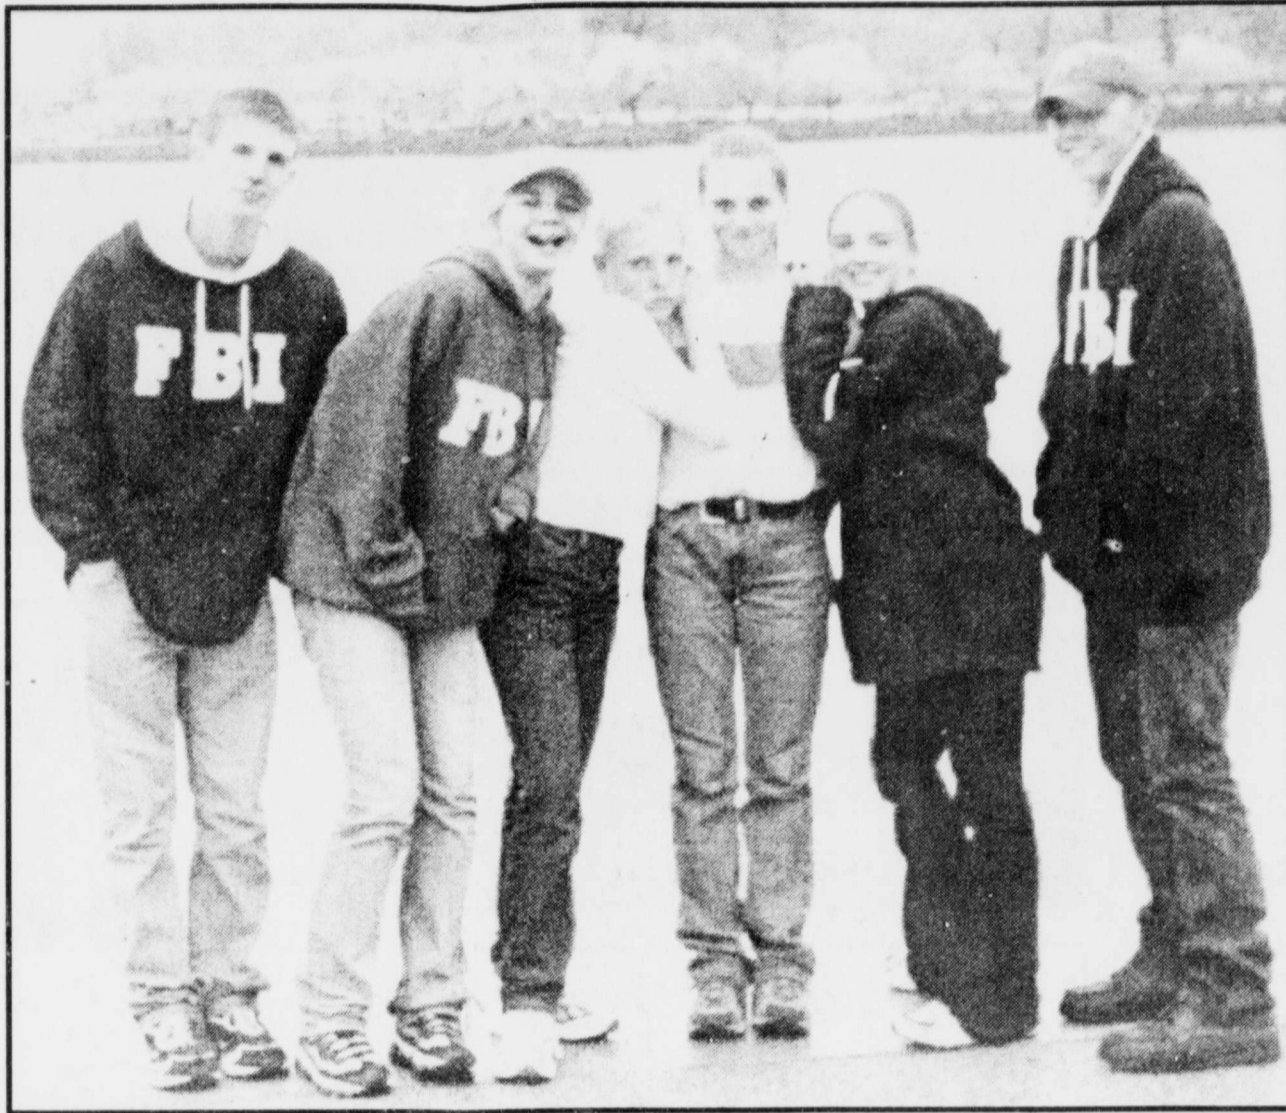

The week began with a visit to Jamestown Settlement. The students watched a glass blowing demonstration, before traveling to the settlement. At the settlement, students saw a Pohowatan Indian camp, replicas of the ships that brought the first English settlers to America and the fort. There were numerous demonstrations of life during the 1600's. After boarding the bus, they traveled to Colonial Williamsburg, Virginia. After a meal at Shields Tavern, the students toured the town. Numerous scenes from everyday life during the

time period were seen. The students also visited the Yorktown battlefield.

The students then traveled to Washington D.C. During their time there, they visited the Capitol, the Smithsonian, the numerous memorials, the Holocaust Museum, Arlington National Cemetery, Kennedy Center, the Newseum and Ford's Theater. They also visited Mt. Vernon, George Washington's plantation.

The students paid for the Washington portion of their trip. Candy, pizza sales and donations helped to pay for the day in Jamestown and Williamsburg.

Those attending were Cassie McCuller, R.C. Pitts, Matthew Ross, Jill Shirley, Kerri Simmons and Dawn Wilson.

PICTURED-standing on the banks of the Potomac River with the Washington Monument in the background are; (from the left) Matthew Ross, Cassie McCuller, Jill Shirley, Kerri Simmons, Dawn Wilson and R.C. Pitts.

Oops!

We would like to offer an apology to those whose local news and some upcoming events that were left out of last week's paper.

The Bogata Locals file on my computer was overlooked and we failed to print it out. Those items will be printed this week and we hope our mistake did not inconvenience anyone badly. Please forgive us for the error.

Thank You,
Nancy Brown and the
Thunder Prairie Staff
