All Around The Town

BY MARY ANN SARCHET

I don't know Henry Norrid, a former resident who lives in Amarillo now, but I am looking forward to meeting him next week. He absolutely MADE my day Monday! I have been recruiting volunteers to help operate a booth on the courthouse square for the American Cancer Society during the parade and barbecue next Thursday, and even though I have been having a good response by volunteers who are willing to assist, Mr. Norrid volunteered and agreed to do some of the very time-consuming chores I had thought I would have to do myself. He was one of two men who have volunteered to help, but his living in Amarillo is the key to the jobs he is going to do for the Briscoe County Unit.

I was needing someone to pick up the helium cartridge, balloons and material in Amarillo, and he being a retired security guard at the helium plant, volunteered to do these things for me. He was planning to come to Silverton that Thursday and again on Saturday for the homecoming, and he was such a nice man to volunteer to help me.

I appreciate it more than he will ever know!

The other man who volunteered to help me is Charles' brother-in-law who lives in Lubbock.

You will notice elsewhere in this issue of the paper a story about a benefit that is to be held Saturday night in Roaring Springs. Proceeds of the program and dance will go to the Motley County School to help with rebuilding the school facilities that were destroyed by a tornado on May 1.

My contempt for the federal government's not declaring Matador a disaster area and helping the school be rebuilt knows no bounds. Their insurance was not sufficient (whose would be?) and there is much that cannot even be begun because of the lack of funds.

We, here in Silverton, need to do all we can for the Motley County School. After all, it could just as easily have been us. And since the government was not willing to give the disaster designation to Matador, it wouldn't have been given to us either, and we would have been paddling the same boat they are in. The school was able to purchase the old hospital building in Matador for \$1.00 from

July Showers Bring Rainfall to 8.84 Inches

Showers which fell on Silverton during July amounted to 1.35 inches, and brought the 1984 rainfall to date to 8.84 inches. These figures were furnished by Fred A. Strange, who keeps the official weather records for Silverton.

Rains during the past week were heavier at Lake Mackenzie, with about an inch measured at Coronado Shores on Friday and

another nice shower on Saturday afternoon.

Bicycle Decoration Contest Planned

A bicycle decoration contest will be held Thursday, August 9, during the Briscoe County Celebration.

All the kids are invited to decorate their bicycles and meet at the corner of Main and Seventh Streets (at the old hotel) at 3:45 p.m. that day. They will have a special place in the rodeo parade and will be placed by the same people who judge the floats. Each contestant will have to pick up a number from the sponsor for identification by the judges.

Prizes will be \$10.00 for first place, \$5.00 for second place, and \$3.00 for third place. First place

winner will also receive three children's tickets to the rodeo, second place winner gets two rodeo tickets, and the third place winner gets one rodeo ticket. Winners will be announced, and prizes will be awarded, during the barbecue which follows the parade.

The contest is being sponsored again this year by the Briscoe County News.

Box Lunches To Be Sold By Study Club

A homecoming box lunch will be served by L. O. A. Junior Study Club. The menu will be smoked turkey, baked beans, cole slaw, cornbread muffins, cake and tea.

Those attending the homecoming may purchase tickets when they register for \$4.00 per lunch, or may buy their box lunch at noon on the courthouse square.

Plan now to continue visiting with friends and classmates as you enjoy a delicious meal.

Farmers Home Office Closed August 1

The Briscoe County Farmers Home Administration office will be closed Wednesday, August 1, as all supervisory personnel will be attending a training meeting from July 31 through August 2.

The office will be open on schedule on August 8.

4-H TO WORK ON FLOAT MONDAY NIGHT

All 4-H members are encouraged to be present at 8:00 p.m. Monday, August 6, at Harris Gin.

The 4-H'ers will be working on their float entry for the parade.

Comptroller's Rep To Be In Silverton

State Comptroller Bob Bullock has announced that Kay Doggett from his Lubbock Field Office will be at the Briscoe County Courthouse on Thursday, August 9, 1984, from 2:00 until 4:00 p.m. to assist local residents.

Bullock urges anyone with problems or questions concerning state taxes to contact Ms. Doggett at the courthouse in person or call the Lubbock Field Office at 806 795-0691. A toll-free number, 1-800-252-5555, is also available to Texas taxpayers.

Senior Citizens To Have Birthday Party

Silverton Senior Citizens will have their Monthly Birthday Party Tuesday night, August 7, at 7:00 p.m. at the Center.

Refreshments will be served.

County Heading and Heeling To Be Held Tuesday Night

There will be a heading and heeling for Briscoe County residents only beginning at 8:00 p.m. Tuesday, August 7, at Wood Memorial Arena. Books open at 7:00 p.m.

The top five finalists Tuesday night will compete at the rodeo Saturday night, August 11. Buckles will be given.

This event is sponsored by the Silverton Young Farmers.

Benefit To Be Held For Motley County School

Football Players Need To Get Physicals

Boys who plan to play football need to be getting their physicals from their family doctors. Some equipment will be issued at 9:00 a.m. on August 8, according to Coach Marvin Self, and the boys need to bring their physical sheets with them that day.

Workouts begin August 13. Junior High boys need to bring physical sheets with them the first day of school.

CLASSES TO HAVE REUNION IN SPUD TIFFIN HOME

The graduating classes of 1954 and 1955 of Silverton High School are invited to a reunion in the home of Mr. and Mrs. Spud Tiffin from 4:00 until 8:00 p.m. Saturday, August 11.

" 'Tis not a lip, or eye, we
beauty call, but the joint
force and full result of all."
Alexander Pope

A benefit for the Motley County School will be held Saturday, August 4, at the tabernacle located on the rodeo grounds in Roaring Springs.

The activities will begin at 5:00 p.m. with a "Gong Show." Entry fee will be \$1.00 and prizes will be awarded for first, second and third places. Entries will be taken from 12:00 noon until 4:00 p.m. at the tabernacle. Both serious and funny acts will provide an evening of entertainment.

A dance featuring Jerry Jay and the Armadillo Band will be held on the dance slab from 7:00 p.m. until 1:30 a.m. Price of the dance will be \$5.00 per person.

Extra activities will be planned for the children. The Texas Ranger baseball team is providing prizes for the children's activities. The famous "Walter Jones Bar-B-Que" sandwiches and cold drinks will be sold.

All proceeds will be donated to the Motley County School to help with the rebuilding of the school and facilities destroyed by the May 1 tornado.

OBITUARIES

WINONA REDIN

Funeral services for Mrs. Winona (Nonie) Redin, 59, of 1005 Holiday in Plainview were conducted at 4:00 p.m. Friday in the sanctuary of the First Baptist Church in Plainview with Dr. Strauss Atkinson, retired director of the Caprock Plains Baptist Area Center, and Dr. Fred Meeks, pastor, officiating.

Burial was in Parklawn Me-

morial Gardens under the direction of Lemons Funeral Home.

Mrs. Redin died at 12:15 p.m. Wednesday, July 25, at Central Plains Hospital in Plainview following a lengthy illness.

The former Winona Tullis, she was born December 8, 1924 in Trinity and grew up in Huntsville and Mineola. She was graduated from Mineola High School and from North Texas State University with a BBA

degree.

She married Harley Redin, a former Silverton resident, on July 2, 1946 in Denton and moved to Plainview. She was employed at Wayland Baptist University in the registrar's office until 1965. She worked for the Baptist District Missionary from 1965 until 1978. She was a member of the First Baptist Church in Plainview, the Junior Service League, Women for Wayland and the Chamber of Commerce. She was a member of the American Heart Association and the American Cancer Society.

She is survived by her husband; two sons, Kenny Redin of San Antonio and Van Redin of Austin; a brother, John Talley of Shreveport, Louisiana; her mother, Mrs. Sadie Talley of Plainview; and two grandchildren, Heather and Jacqueline Redin. She was the daughter-in-law of long-time Silverton residents, Mr. and Mrs. Alvin Redin of Plainview.

The family suggested memorials to the American Cancer Society.

NAOMI VAUGHAN

The nieces and nephews of Mrs. Naomi Vaughan of Santa Barbara, California received word of her death Saturday morning. She was 84 years old February 28, 1984.

She was the widow of Nealey Vaughan, who preceded her in death in 1977.

She leaves two daughters and five grandchildren.

Among her nieces and nephews are Mabel Welch, Elbert Stephens, Homer Stephens, Ollie McMinn, Doyle Stephens, Loyd Stephens, Ewing and Theta Holt, all of Silverton, and Lottie Owens of Quitaque.

Mrs. Vaughan attended the Vaughan reunion for the last time in 1983. She is the last aunt of the Vaughan descendants.

O. E. [GENE] VAUGHAN

Funeral services for Otis Eugene Vaughan, 70, were conducted at 4:00 p.m. Wednesday at the First Baptist Church in Silverton. Officiating was the pastor, Rev. Jerry Miller.

The body lay in state at the Silverton Masonic Lodge from Tuesday afternoon until the time of services.

Burial was in the Silverton Cemetery, with masonic graveside rites under the auspices of Silverton Lodge No. 754 A.F.&A.M. Services were directed by Moore-Rose Funeral Home of Lockney.

Mr. Vaughan died at 5:38 p.m. Monday at Northwest Texas Hospital in Amarillo where he was taken by the Silverton Volunteer Ambulance Service after apparently suffering a heart attack at his home earlier that same day.

Born February 11, 1914 at Erick, Oklahoma, he was the son of the late Sim and Katie De Vaughan. He moved to Briscoe County in 1924 from Tulia.

He married Mrs. Grace L. Cox July 9, 1965 in Silverton. He was a retired farmer, a veteran of World War II, and a member of Silverton Lodge 754 A.F.&A.M.

Survivors include his wife; one daughter, Mrs. Virgal Minyard of Silverton; one brother, Johnny

Vaughan of El Paso; one sister, Mrs. Alice Hughson of Stanford, Connecticut; and two grandchildren, Stacy and Kendal Minyard of Silverton.

Pallbearers were Kent Holt, David Holt, Dwain Henderson, Dewey Estes, Virgil Crow and Fred Arnold.

Mrs. Wade Steele underwent surgery at Methodist Hospital in Lubbock this week to repair some of the injuries she received when she and her husband were involved in a two-car accident in Lubbock last Friday night. Mr. Steele was treated and released at the hospital. Mrs. Steele was

much more seriously injured, having been thrown through the windshield.

Club Has Family Night

July is family month for the Southwestern Extension Homemakers.

J. D. and Lois Nance hosted family night on Thursday, and served a Mexican supper at their home at Lake Mackenzie.

Plans were completed for the club booth at the County Celebration August 9, and also for serving refreshments during the registration period at the Silvertown School Homecoming August 11.

Enjoying the supper were Mr. and Mrs. Oford King, Mr. and Mrs. Elton Cantwell, Mrs. Raymond Teeple, Mrs. Allen Kellum, Mrs. C. O. Allard, Mrs. Wayland Fitzgerald and the Nances.

Gardner Reunion To Be Held Sunday

The Gardner family reunion will be held at the Swisher Memorial Building in Tulia from 10:00 a.m. until 5:00 p.m. Sunday, August 5.

All friends of the family are invited to attend.

Edwin and Claudine May were in Ruidoso, New Mexico last weekend where they hosted a get-together for her brothers and sisters. Eight persons were there Friday, and a sister and brother-in-law arrived in time for breakfast Saturday morning. One brother and one sister were unable to attend.

Six County 4-H'ers To Advance To District Fashion Show

Six Briscoe County 4-H members will advance to the District 4-H Fashion Show competition August 7, at the Civic Center in Lubbock as a result of winning their respective category in county judging Thursday at the Quitaque Community Center.

Vera Pinkerton, daughter of Billy and Margie Pinkerton, won top honors in the daytime non-tailored category.

Winner in the active sports-

wear category was Shadi Mullin, daughter of Ronald and Ginger Mullin.

Genie Seymour, daughter of Mack and Brenda Seymour, received the high score in evening and specialty wear.

Winner of the daytime tailored category is Penni Fogerson, daughter of Stan and Lynda Fogerson.

Melannie Daniels will represent the county in the senior division in evening and specialty wear, and Kristy Fogerson will enter the senior non-tailored category.

Fifteen 4-H'ers modeled garments in the Briscoe County Fashion Show. They constructed their outfits as a part of their clothing project work.

Julie Towe, daughter of Jay and Patsy Towe, was chosen Best Rookie for her first year in the Fashion Show, and Celeste Sperry, daughter of Terry and Jackie Sperry, was selected as Best Model.

Others entered in the Fashion Show were Oleta Lane, Lori Martin, Heather Gray, Samantha Stark, Alecia Weir, Andrea Hinojosa and Audra House.

Presenting awards at the Fashion Show were adult leaders Juanita Gray, Becky Lane, Janinne Brooks and Margie Pinkerton.

Jackie Carpenter, Katie Robison and Mary Peery helped the group with modeling in preparation for the show.

Senior Citizens Attend Dinner Theatre In Amarillo

Nineteen Silverton Senior Citizens attended the Country Squire Dinner Theatre's presentation of "Come Blow Your Horn" starring Patrick and Ethan Wayne, sons of the late John Wayne, in Amarillo Saturday. The group ate at Furr's and enjoyed a trip to a shopping mall while in Amarillo. Those making the trip were Wayland and Flo Fitzgerald,

AS A MAN THINKETH Gerald Beasley INTEGRITY

The poultry marketer had a good day. Only one chicken left. At the close of business a lady ordered a chicken. The man weighed the bird and said, "That will be \$1.36." "Too small," she said, "have you anything larger?" Thinking fast, he returned the fryer to the fridge, paused, fumbled, then took out the same chicken again, laid it on the scales, and said, "\$1.85." "Fine," she replied, "I'll take them both." Aside from being immoral, fraud and deceit are hard to coordinate. One lie introduces us to trouble, and we lie again to try escape. "Bread of falsehood is sweet to a man; but afterwards his mouth shall be filled with gravel" (Prov. 20:17). "Therefore each of you must put off falsehood and speak truthfully to his neighbor" (Eph. 4).

Said the high school prospect to the college coach, "I can run 100 yards with equipment in less than 10 seconds, I scored 18 touchdowns and kicked every extra point, and I was on the honor roll." The coach drooled. "Do you have any weaknesses?" The boy said, "Well, I am inclined to lie a bit." I've read of a "Voice Stress Analyzer" (expensive!) that attached to your phone can automatically reveal when the speaker is lying. Would this make one honest? Of course not. Honesty is "who you are!" "As for me, I will walk in my integrity" (Psa. 26).

McDonald Working In Research Program

Lynn Dale McDonald of Lake Ransom Canyon near Lubbock left July 10 for an approximate five-month stay in North Africa where he will be a hybrid sorghum production consultant for Washington State University, Pullman, Washington. McDonald will be working in Sudan, North Africa, on a USAID project, assisting with the development of techniques and methods for the production of hybrid sorghum seed. He will also be an advisor to the Sorghum Research Program in the development of new hybrids and screening in the Blue Nile River Delta Region, stationed at the Agricultural Research Center at Wad Medani, and will be there for the duration of the crop season from planting to harvest. McDonald is married to the former Doris Estes, and is the son-in-law of Mr. and Mrs. Jack Estes of Silverton. He is the son of Mr. and Mrs. J. H. McDonald of Quitaque.

The letter "f" took its shape from an ancient Egyptian symbol to show a hook. About A.D. 114, the Romans gave it the ef sound we know today.

Fire Department Trying To Raise Money For Equipment

Silverton Volunteer Fire Department will be working hard during the Briscoe County Birthday Celebration to raise money to buy and/or replace equipment. Certain expenses were incurred during two recent rescue attempts, some equipment was damaged and needs to be replaced, and the department always needs new and replacement fire fighting equipment.

The department will be operating the concession stand at the rodeo and will also be operating a dunking board on the courthouse square on Thursday of the parade and barbecue. Several prominent local citizens are expected to sit on the dunking board to benefit the fire department.

Silverton logo caps are being sold by the fire department for

\$5.00 each, and these may be purchased at the City Hall just as soon as they arrive.

In addition, the fire department is taking donations, and one of those persons who donates to the equipment fund will be given a weekend trip to anywhere in Texas that American Airlines flies. The trip is to be arranged by Gay McPherson of International Tours in Plainview, and its value is approximately \$700.00.

Please support your local fire department.

Homer Ragland of Lockney is in room 247 at Methodist Hospital in Lubbock after having been injured in an accident in Lockney on Monday of last week. He is the brother of Mrs. Leona Vardell and the son-in-law of Mrs. Girtha Mae Vaughan.

Mr. Ragland received two broken legs in an accident that happened while he was installing air conditioning at the compress. He underwent surgery on arrival at the Lubbock hospital.

Mrs. Vaughan was visiting in Lockney at the time of the accident, and accompanied family members to Lubbock.

Mr. and Mrs. Charles Sarchet and her mother, Mrs. J. M. Hill of

Tulia, visited Mr. and Mrs. Ken Sarchet, Brandon, Jordan and Molly in Lubbock Sunday. They attended Jordan's second birthday anniversary party in the afternoon. Also attending the party were Mr. and Mrs. Rick Howard and Linden of Amarillo, Mr. and Mrs. J. T. Rogers, jr. of Plainview, and friends who live in the Sarchet neighborhood in Lubbock.

The longest known reign in history was that of Pepi II of the sixth Egyptian dynasty. He became king at the age of six and ruled until he died 94 years later.

Blanching vegetables is a simple—and necessary step—that makes freezing an efficient method of home food preservation. It is necessary to stop or slow down vegetable enzymes. Enzymes cause vegetables to mature. Without blanching, vegetables develop an off-flavor and become discolored and tough. Blanching also softens vegetables, making them easier to pack into containers.

Fruit is an exception. It does not require blanching before freezing because it is packed in sugar or syrup. Sugar combined with the fruit's acidity or added ascorbic acid slows enzyme activity when stored at 0 degrees F. or below.

Most vegetables are blanched by immersing them in boiling water. Start with a wire basket and a large pan with a lid. Bring water to a boil and lower the filled basket.

Start timing when the vegetables are immersed and pan is covered. Blanching time varies with the type and size of vegetables. Check blanching charts for correct times. (Call my office if you need a freezing book, 823-2343.) Cool vegetables quickly by immersing in ice water. After cooling, drain and seal them in air-tight, moisture/vapor-proof containers. Label contents, date and freeze.

Other blanching and cooling methods are recommended for specific vegetables. For example, mushrooms can be sauteed, tomatoes simmered in their own juice and broccoli, pumpkin and winter squash steamed. Corn-on-the-cob requires longer blanching to destroy enzymes in the cob.

All vegetables except green peppers and mature onions should be blanched before freezing. Green peppers frozen without heat are better suited in uncooked foods than blanched peppers. Likewise, some of the characteristic flavor of onions is lost if they are blanched before freezing.

Seeking Donations Cancer Society

The American Cancer Society Briscoe County last year. Donations to the ACS have amounted to far less than that figure, only

about \$1000.00, and for this reason the Briscoe County Unit is having a special event during the Briscoe County Birthday Celebration.

Helium-filled balloons will be sold for \$1.00 each on the courthouse square, and all of the money will be donated to ACS. The helium is being donated by Jack B. Kelly of Amarillo.

About 67 million Americans now living will eventually have cancer, about 30%, according to present rates. Over the years, cancer will strike in approximately three out of four families.

There are over five million Americans alive today who have a history of cancer, three million of them with diagnosis five or more years ago. Most of these three million can be considered cured, while others still have

evidence of cancer. By "cured" is meant that a patient has no evidence of disease and has the same life expectancy as a person who never had cancer.

Shredded Sunflowers Mean More Doves

Early August preparation for dove hunting can pay big dividends in September, John Crowell, district conservationist for the USDA Soil Conservation Service in Silverton, said this week.

"Although most farmers consider sunflowers to be a nuisance, they provide excellent food for dove," Crowell said. "Wildlife biologists rate native sunflower seed as one of the best mourning dove foods in Texas.

Martin Completes Auctioneering Course

After having successfully completed all requirements of the summer session of the Gregg School of Auctioneering, Dana Martin of Silverton is now qualified to cry and completely manage any type of auction sale.

Col. Cecil Rhoades, jr. of Marble Falls assisted Col. Kenneth Gregg in the instruction of all phases in the field of auctioneering, sales management and animal evaluation. The winter session of Gregg School of Auctioneering will be held December 28, 1984 through January 4, 1985.

Sunflowers for wildlife.

One reason is because sunflowers produce seed earlier in the summer than many plants."

Doves are almost exclusively seed eaters. They have been feeding on weed and grass seed produced last fall or this spring. Sunflowers are a fresh food supply, usually beginning in July. But seed in the seedheads are not available to the birds. Shredding can solve the dove's problem.

Crowell said doves do not have feet adapted for climbing or clinging to standing sunflower plants. They are strong fliers, good walkers, adequate perchers, but poor scratchers. This is why dove feed should not be covered with litter, debris and thick vegetation. The birds should be able to walk about looking for seed with relative ease.

Doves can find plenty of open ground to feed in shredded sunflower fields.

"During the first week of August, shred those areas in your sunflower field where most plants have produced seed, because all the plants in the same field do not always produce seed at the same time," Crowell suggested. "If seed production is uniform, shred one-half of the field, up to five acres."

This first shredding will make your field more attractive than unshredded fields. Concentrations of birds will begin using shredded areas. About one week before the opening of dove season, which is September 1, shred the remainder of your field, not exceeding five acres. Unless you're planning for an unusually large number of hunters, 10 shredded acres is sufficient.
