BACK TO SCHOOL

As we enter the first days of August, all signs lead to the beginning of another new school year at Wheeler ISD. We are excited for what this year holds. I am already beginning to see the signs of a new year with teachers in preparation, football workouts, band rehearsals, and cheerleader practices. Our new staff will begin officially on Thursday, August 9th with the rest of the staff reporting on Friday, August 10th. We look forward with anticipation and excitement to the new challenges and accomplishments that a school

year provides, and our hope is to provide the best possible environment for your child’s education. Welcome back to all students, staff and faculty!

As we begin a new school year, I would like to recognize some of the accomplishments from a year ago. Wheeler ISD students garnered many outstanding accolades during the 2017-2018 year. Our FFA had many successes in the show ring across the state as well as the Plant ID team producing a state championship for the first time in school history! Wheeler

Avant Driving School is in Elk City. It was very good. Mr. Avant let me drive on the Interstate to Clinton, Oklahoma and all the way back to Elk City. We went to Foss Lake and drove across the bridge. It was fun, but scary. I didn’t want to pass anyone the first day. The second day I passed six cars and wasn’t nervous. Mr. Avant is a good teacher. Now I love to drive. I need to

Exciting Times
at Wheeler
Public Library
By: Vicki Ferguson,
Librarian

So sad today! The last Summer Reading Program class was this morning for the 6 to 10 year olds! We had a blast which is a normal thing every Monday! Hopefully, I have wetted their appetites for books and visiting the library often. Our theme today was Dinosaurs and with the help of Ms. Rhonda from the Texas Street Floral we had plenty of balloons and helium to create the most unusual Dinosaurs known to mankind, a big Thank You to her! Then we had snacks and they played and checked out books for the week. I'm gonna miss those little faces every week, the questions, answers, imaginations, and ideas about how things in life should really be! I will be very honest with all you folks out there, these were the best behaved kids I've had in a long time, mannerly and kind to other kids. What a refreshing summer it has been!

Tomorrow will be another sad day with the 'Little's' coming in for the last of their Summer Reading Program! You talk about active and the fun they have had is just inspiring. They have been so attentive and willing to listen and learn. Their Mommies have been diligent in checking out books for them to enjoy at home and you can tell they have been read to because they tell you about their books. We have made water balloons, shot paint at paper with our initials in tape and pulled the tape off to see our initial, and oh my

the list goes on and on! This is why we do a summer long reading program and yes it does cost money to provide for the kids but they are worth every penny and the time it takes to prepare. If at any time you would wish to donate to the Children's Program you can take your donation to the City Office or drop it by the library and it will go in that fund.

So now, all you big people we have books that are new, books that are old, books that are donated and books just for you! Things are gonna be so quiet around here without the

children running in and out all the time now is the time for you to step up to the plate and come see us and Read, Read, Read! The Doodle Class is going strong and has all summer so come be involved in that, the time is Thursdays at 4:30 in the Work Room at Wheeler Public Library! You can come and start at any time it is relaxing and the group of ladies and men is very fun!

New books are constantly coming in and all of the 2017's will be headed off the easy access case to the shelves soon to make room for the

new 2019's. We've had lots of positive comments about the easy access shelf as you come in the door, gives everyone a chance to see if they've missed out something from their favorite authors. So better come and check it out before it hits the big floor.

Our Book Fair for children's books is up and will be up until we sell all the books. The funds will go to the Children's Program Literature to ensure

we have up to date reading for them so take a gander and come see what we have. The prices are very reasonable and the kids will really enjoy them. They would make neat Christmas Presents for those of you who love to give the gift that keeps giving! Come in and look this week before they are all gone.

Back (from Page 1)

High School Band attained the Sweepstakes Trophy for the second time in three years. A number of students advanced to regionals and one earned the right to compete at the state level in literary UIL. In athletics, Wheeler High won a bi-district championship in football, had regional qualifiers in both tennis and track, as well as our first ever boy advancing to the state tennis tournament. Thomas Helton Elementary students participated successfully in their first robotics competition and look to expand the program with each passing year. All the while, our student accountability with regards to state testing has continued to improve with scores in most areas well above regional and state averages.

I would like to recognize our summer staff that has been busy in making preparations for the upcoming year. As with most summers, the new coats of paint, refinishing of floors, deep cleaning and other preparations along the grounds are seldom recognized but most assuredly appreciated.

Next, I would like to invite everyone to check out our updated school website, www.wheelerschools.net or follow us on Facebook. We want to keep the community updated on the happenings at WISD, and as always, keep an open

line of communication with parents and the community.

We are excited to be implementing our own "From Good...to Great!" program in the school and our teachers and staff will be promoting not only college from as early as pre-k, but also other careers that could provide our students opportunities that they haven't even dreamed of before. We want to work to grow our own professionals and keep them in our area whether it be via college or trade.

Finally, I would like to welcome our new teachers and staff. I believe we have a great group in place, and they all share a love of children and a vested interest in providing the best possible education to every child. I believe each new employee will complement our current staff, and I am excited to see what is accomplished this year. As always, we welcome all parents to take an active role in their child's education and truly believe that student success is directly related to parental involvement. Wheeler ISD will hold an Open House on Tuesday, September 4th and further details will follow. This is a great way to meet the teachers and make that initial connection.

Welcome Back! We look forward to a GREAT 2018-2019!
Sincerely,
Bryan Markham

State Sales Tax \$2.74 Billion

(AUSTIN) — Texas Comptroller
Glenn Hegar today said state
sales tax revenue totaled
\$2.74 billion in July, 6.9 per-
cent more than in July 2017.

"Sales tax receipts from
almost all major economic
sectors were up compared
with last year," Hegar said.
"The most notable increases
were from oil and gas mining
and manufacturing sectors,
followed by wholesale trade,
restaurants and services.
Recent tax collections have
also been boosted by a tax
amnesty, including more than
\$39 million in delinquent state
sales tax revenue, most of
which was processed in July."

Total sales tax revenue for
the three months ending in
July 2018 was up 10.2 percent
compared to the same period
a year ago. Sales tax revenue
is the largest source of state
funding for the state budget,
accounting for 58 percent of
all tax collections.

practice parallel parking. I just
don't get that. It will be easy
someday. Practice makes
perfect! Mr. Avant said, "Don't
practice until you get it right.
Practice until you don't get it
wrong!"

At church we learned about
parenting. One thing he said
was, "You have to say NO
sometimes, even if your kids
hate you for it. It's better for
them to hate you for a few
days than to hate what they
did for the rest of their lives." I
think sometimes being a parent
is not easy, but it's cool. I
hope I will go with the rules
when I have kids. That's it!

THE ARMADILLOS HAVE EMERGED IN NASHVILLE

The Outlaw phenomenon produced powerful music and everlasting bonds between Nashville and Texas. Willie and Waylon, Bobby Bare, and Kris Kristofferson demanded and got greater creative freedom and the movement was real—not just a marketing term, but a creative flowering, a confluence of art and revelry, whiskey and poetry.

Property Tax Form 50-212

NOTICE OF EFFECTIVE TAX RATE

2018 Property Tax Rates in CITY OF WHEELER
(insert year) (insert taxing unit name)

This notice concerns 2018 property tax rates for CITY OF WHEELER
(insert year) (insert taxing unit name)

It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:	
Last year's operating taxes	\$362,112
Last year's debt taxes	\$0
Last year's total taxes	
Last year's tax base	\$60,538,800
Last year's total tax rate	\$0.5981500 /\$100
This year's effective tax rate:	
Last year's adjusted taxes (after subtracting taxes on lost property)	\$362,112.0000000
+ This year's adjusted tax base (after subtracting value of new property)	\$62,004,340.0000000
= This year's effective tax rate (Maximum rate unless taxing unit publishes notices and holds hearings.)	\$0.5840100 /\$100

In the first year a hospital district collects the additional sales tax to reduce property taxes, it must insert the following lines unless its first adjustment was made last year:

- Sales tax adjustment rate	\$0.0000000 /\$100
= Effective tax rate	\$0.0000000 /\$100

This year's rollback tax rate:

Last year's adjusted operating taxes (after subtracting taxes on lost property and adjusting for any transferred function, tax increment financing, state criminal justice mandate, and/or enhanced indigent health care expenditures)	\$362,112.0000000
/ This year's adjusted tax base	\$62,004,340.0000000
= This year's effective operating rate	\$0.5840100 /\$100
X 1.08 = this year's maximum operating rate	\$0.6307300 /\$100
+ This year's debt rate	\$0.0000000 /\$100
= This year's total rollback rate	\$0.6307300 /\$100

A hospital district that collects the additional sales tax to reduce property taxes, including one that collects the tax for the first time this year, must insert the following lines:

- Sales tax adjustment rate	\$0.0000000 /\$100
= Rollback tax rate	\$0.0000000 /\$100

For a taxing unit with additional rollback rate for pollution control, insert the following lines:

+ Additional rollback rate for pollution control	\$0.0000000 /\$100
= Rollback tax rate	\$0.6307300 /\$100
