## Regarding COVID-19

For your information in regard to COVID-19:

Early evidence suggests that 80 percent of patients have mild disease and do not require medical care. SARS-

CoV-2 is a new pathogen and we are still learning about it, yet we do know that its symptoms are somewhat similar to those of influenza (the flu) with fever, cough, and shortness of breath.

When patients self-diagnose with the flu, most are able to stay home and man-

## STORM REPORT

As Reported by...  
Stormie Meriwether,  
Tenth Grade Student

Dear Friends, Week two. This is the strangest Spring Break ever. First of all, we were supposed to have the big Custer Marker Dedication. That didn't happen because people would come from all over the place and that could spread the Coronavirus. I was disappointed that we didn't have the event. We had everything ready at the museum for the people to come see the museum and eat and visit. Now the museum is closed until this is over. That was on Sunday, March 15. On Monday we went out to eat with Baba and Pop for two reasons. One we are about to be at home and not see anyone for a long time and two they are closing the restaurants

## Kelton I.S.D. COVID-19 Update

Posted Date: 03/18/2020  
 COVID-19 Update  
 Parents, Staff and the Kelton Community,  
 Kelton ISD will be closed starting March 23, 2020, through April 3, 2020, to support our community health care professionals in the ongoing goal of containing the spread of the novel coronavirus, or COVID-19. Additionally, all extracurricular activities, practices and athletic events are suspended while we are closed.

We do not make this decision lightly. We fully realize it presents difficulties to working parents. However, we are hopeful that these measures will better ensure the long-term health and safety of children, staff, and the larger community.

Kelton ISD is finalizing logistics on distance learning options and distribution of food to address children's nutritional needs while school is out. More information and guidance will be made available on our website and our Facebook page by Tuesday, March 24, 2020. We will also take these two weeks to further clean our facilities and buses and restock custodial and nursing supplies.

Additionally, Kelton ISD asks the broader community to take the following reasonable precautions to prevent the spread of the illness:

- \*Don't shake hands.
- \*Wash your hands regularly.
- \*Limit movement within the community, especially avoiding crowded places and maintaining 3 to 6 ft of distance between people (at least an arm's length).
- \*If you are moving around

in the community, don't congregate in large groups.

\*For those who have traveled to areas with known COVID-19 cases--both inside and outside of the country--we ask that you self-quarantine and monitor symptoms. Students who have traveled should plan to stay home for two weeks after arriving home. Please contact your campus to let your principal know, and this will be considered an excused absence.

\*If you suspect you have symptoms of COVID-19, call your health care provider for medical advice.

\*Keep your child at home if he/she feels ill, even if you think it is just a cold.

\*Do not leave the house if you are ill, except to access medical care.

This is a quickly changing situation, and we will continue to monitor information, will assess conditions throughout the following weeks, and will provide the next update via our website and email.

Thank you for your support and cooperation as we ensure that all members of the community, to stay safe and healthy.

Sincerely,  
 Leslie Berry  
 Kelton ISD Superintendent

age the symptoms. With that in mind, we recommend that people who have upper respiratory symptoms and fever should self-isolate, rest, and recover at home, calling your physician/provider, Parkview Hospital, or Parkview Rural Health Clinic for guidance if your symptoms worsen. A test will not change your medical care, may divert resources from others who need them, and may put health care workers and other vulnerable patients at risk. Improved access to testing in the future may help to understand and control the epidemic in the United States, but the reality is that we do not have that accessibility now.

In a chaotic time in our nation, we thank you for your patience and understanding. We are here to help you in any way we can.

story you have that would be of interest to our readers, or a picture you have been meaning to send? Where have you been or what have you done.

— cwe —

With school out and gatherings of large crowds cancelled, there is not much to report. Please help us out.

— cwe —

Are you doing something to help others in this time of "shut down"? We would like to know.

— cwe —

We traveled to OKC and was "shut-in" there. We had planned to travel to Sherman, spending the night with Ronal Wayne and Juanita, and Huntsville and Galveston to see Cathi and Dorcie. Dorcie cannot travel or receive visitors from Oklahoma or elsewhere or she would have been quarantined; she is in medical school.

— cwe —

And now would be such a good time to travel with gas so cheap; it only cost \$7.00 to go to OKC. But cheap fuel is bad for the economy.

— cwe —

As we were traveling to OKC Thursday morning, we ran into some fog; fortunately it was not too bad and did not last for any great distance.

— cwe —

We had to wait to return until we knew if we were going to have to bring Seth to Wheeler or Barbara stay at the city. Seth has somewhere to go.

— cwe —

Our return Monday morning was delayed due to fog, and we did run into some light fog along the way.

— cwe —

Our Monday through Wednesday dinners and cards with the Meriwethers is "off" until this quarantine is over; thus, Dr. Smith will not be joining the game on Tuesday nights.

## Visitation at Wheeler Nursing

As a precautionary measure to protect our residents and in response to the 2019 Novel Coronavirus (COVID-19) visitation at all locations has been temporarily suspended.

At this time, we request that family and friends do not visit the center. Out of an abundance of caution, we are limiting all visitors unless absolutely necessary. We are posting signs on our entryway doors to notify visitors of this policy and actively screening individuals, including staff, who need to come into the building.

We understand that con-

necting with your loved ones is incredibly important, and there are a variety of other ways you might consider communicating with them. These may include telephone, email, text, video chat or social media. If you believe a visit to the center is necessary, we request that you contact the center Administrator or Director of Nursing.

Thank you for your patience and cooperation with these temporary protocols as we work to ensure the safety and well-being of all of our residents, families, and associates.

except for "take out." It is crazy at the stores! All the toilet paper is gone! This really makes me think about all the things I am thankful for. I'm thankful for toilet paper! I'm thankful for church on Face Book. I'm thankful for home cooked meals and time to be with my mom and dad. I am very thankful for my cows and my new cat, Henry. I am also thankful for all the people that help others. I hope that the virus stops and we don't have sick people here. I am thankful for my teachers. They are making lessons for us to do at home.

We are out of school because of the Coronavirus. I am trying to get online for my classes, but my computer is not working. I think I have to do work on paper except for Coach Britt. His class is on Study Island. I can get on that at home on my school computer. It is just sad that I can't log on to do my other classes online. I don't know what we will do for band. That is sad. I miss band and I miss my voice lessons. I am sorry for the OAP, UIL and all the sports. It is hard, but we have to stop the illness!

I am glad all my family is safe and my animals are safe and doing well. I love my cows and babies. I bought seven cows. Three had babies when I got them. Now I have a new baby. I was fixing fence on my lease pasture. My dad and I were looking for the cows. There was a new baby! It is adorable! I can't wait for three more! My mom and dad bought a bunch of cows, but they only have two babies so far. This staying at home life is not too bad when you live in the country and have animals. That's it!

## CLASSMATES

Have you ever been guilty of looking at others your own age and thinking, surely I can't look that ole? Well you'll love this one.

Mary was sitting in the waiting room for her first appointment with a new dentist. She noticed his DDS Diploma on the wall, which bore his full name. Suddenly, she remembered a tall, handsome, dark-haired boy with the same name had been in her high school class, some 30-odd years ago.

Could he be the same guy that she had a secret crush on, way back then? Upon seeing him, however, she quickly discarded any such thought, this balding, gray-haired man with the deeply lined face was way too old to have been her classmate.

After he examined her teeth, she asked him if he had attended Unknown High School. Yes, Yes, I did. I'm a Pony; he gleamed with pride.

When did you graduate? She asked. He answered in 1975. Why do you ask?

"You were in my class!" she exclaimed. He looked at her closely.

Then, that ugly, old, balding, wrinkled faced, gray haired, decrepit miserable, fat, old dentist asked me, "What subject did you teach?"

## Wheeler Schools Closed 3/23-4/3

### WHEELER ISD COMMUNITY

District Leadership has met and made preliminary plans to meet the needs of our students during COVID-19 Emergency Closure. I will list the decisions made thus far, and I will continue to deliver information as it obtained.

Teachers will meet with Campus Principals on Monday and Tuesday, March 23rd and 24th. Teachers please check your email as meetings will be staggered to reduce contact among staff. Packets of instructional material will be prepared to support students while on this extended separation. Students in HS will be using mostly online resources, as they have access to a school laptop. If a student left their computer at the school, we will provide a time for pickup. Grades PK-8 will utilize paper packets for the most part. After lunch on Tuesday, March 24th, I will send out information regarding pick-up times for instructional packets. We will pass them out at some time on Wednesday.

WISD plans to provide meals for ALL students, Free of Charge, beginning Wednesday, March 25th. Meals will be available through a pick-up line at the front of the school. Breakfast will be served from 7:30am-8:30am and lunch will be provided from 11:30am-1:00pm each day. Please remain in your vehicle and someone will be there to assist you and your family. The ONLY stipulation is that the student requiring the meal must be in the vehicle. If you come by needing three meals, you must have three students in the vehicle with you.

All Extracurricular Activities have been suspended by the UIL through May 4th. Therefore, WISD will not have any practices, rehearsals, etc...at least through April 3rd, and probably longer.

Please take care of yourself and WISD will do everything we can to support the educational and food needs of our students.

Please remember that God is Ultimately in Control of this Situation and We Will Put Our Faith in Him!

Sincerely,  
 Bryan Markham  
 COMUNIDAD  
 DE WHEELER ISD

La Dirección del Distrito se ha reunido y ha hecho planes preliminares para satisfacer las necesidades de nuestros estudiantes durante el Cierre de Emergencia COVID-19. Enumeraré las decisiones tomadas hasta el momento y continuaré entregando la información que obtuve. Los maestros se reunirán con los directores del campus los lunes y martes, 23 y 24 de marzo. Maestros, por favor revisen su correo electrónico ya que las reuniones serán escalonadas para reducir el contacto entre el personal. Se prepararán paquetes de material instructivo para apoyar a los estudiantes durante esta separación prolongada. Los estudiantes de HS utilizarán principalmente recursos en línea, ya que tienen acceso a una computadora portátil de la escuela. Si un estudiante dejó su computadora en la escuela, proporcionaremos un tiempo para que lo recojan. Los grados PK-8 utilizarán paquetes de papel en su mayor parte. Después del almuerzo del martes 24 de marzo, enviaré infor-

mación sobre los horarios de recogida de los paquetes de instrucción. Los distribuiremos en algún momento el miércoles. WISD planea proporcionar comidas a TODOS los estudiantes, sin cargo, a partir del miércoles 25 de marzo. Las comidas estarán disponibles a través de una línea de recogida en el frente de la escuela. El desayuno se servirá de 7:30 a.m. a 8:30 a.m. y el almuerzo se proporcionará de 11:30 a.m. a 1:00 p.m. todos los días. Permanezca en su vehículo y alguien estará allí para ayudarlo a usted y a su familia. La ÚNICA estipulación es que el estudiante que requiere la comida debe estar en el vehículo. Si necesita tres comidas, debe tener tres estudiantes en el vehículo con usted. El UIL ha suspendido todas las actividades extracurriculares hasta el 4 de mayo. Por lo tanto, WISD no tendrá prácticas, ensayos, etc... al menos hasta el 3 de abril, y probablemente por más tiempo. Cuidate y WISD hará todo lo posible para apoyar las necesidades educativas y alimentarias de nuestros estudiantes. ¡Por favor recuerde que Dios tiene el control final de esta situación y pondremos nuestra fe en él! Sinceramente, Bryan Markham
