Wheeler's 35th Annual

4th Of July Celebration Updated

So nice to see puddles of water in the Wheeler area as we returned Monday morning. It was much needed.

— cwe —

The 4th of July Celebration continues to grow. Looks like it is going to be very enjoyable.

— cwe —

My chauffeur took me on a tour Thursday. We stopped in Weatherford on the way to OKC and I let Barbara continue to OKC.

— cwe —

William and I went to Hinton, Oklahoma, via way of Old Highway 66. This was my first visit to the Hinton Museum. I was in search of newspaper articles in the Hinton Record in 1956-57. Did not find what I was needing. This means another trip.

STORM REPORT

As Reported by...
Stormie Meriwether,
Tenth Grade Student

Dear Friends, Fathers Day was fun. I couldn't wait, so I gave my dad his presents two days early. We went to church on the square. I miss getting to hug my friends and sit by them. We are still social distancing. I know everyone thinks the virus is over because we don't have any active cases in Wheeler, but it is still spreading and we need to protect each other. Leon cooked hamburgers for everyone at church. They were delicious!

When I was shopping for my Dad's gifts I saw Coach Luna. I was very happy to see him and his family. I miss my teachers.

Yes! It rained! The pastures were getting very dry. I am thankful for the rain to save the grass. I don't like the lightening, but the rain was great!

I had fun hunting artifacts this week. I found some interesting things. I have hunted broken glass since I was four. I think it's interesting to see pieces from different times. From Indian pottery, old bottles, plates and just odd things, I like to image what people used it. The colors of the glass are beautiful. I don't know what I will ever do with it, but it's fun to find.

Happy Birthday, Tom (Fisher). That's it!

<https://www.wheelertexas.org/> Wheeler Chamber's New Web Site

The Wheeler Website has a new look with features that highlight area real estate available (commercial and residential), News & Events, Job Postings, visitor's guide, and local links. There are still a few updates needing to be made, but we are proud of this site and hope it becomes a valued resource for local businesses, residents and visitors. If you see something missing or would like to have something added, please contact chamber@wheelertexas.org. We hope we included everyone, but know it is possible to miss some things. Be sure to check out our Business Directory under the Visitor's Guide for a in depth directory of our local businesses.

Farmer's Market To Open July 8

The Wheeler County Farmers' Market will open Wednesday, July 8 on the east side of the square. It will be open Saturday mornings from 3:00 P.M.-6:00 P.M. On Saturday mornings the market will be on the west side of the square from 9:00 A.M.-12:00 Noon

Local grown produce, and fruit if ripe will be available. For further information, call Patty Crawford at 806-570-4192.

The 35th Annual 4th of July Celebration in Wheeler will take place around the Wheeler Courthouse Square on Friday, July 3rd and Saturday, July 4th. In an effort to support our local businesses, most everything will be moved to downtown.

On Friday, July 3rd, Cornerstone will host "Bring Back the Drag - Red, White and Blue Edition" from 6-8 pm and will be live on Legends 103.9.

WHEELER SPORTS ASSOCIATION

\$5,000 Raffle Is Underway

The Wheeler Sports Association and the Wheeler Lions Club are working together to improve the playing fields and facilities at Tom Britt Memorial Park, a Lions Club property. Through an Amarillo Area Foundation grant and the extreme generosity of local donors, \$75,000 has been received and allocated for electricity and lighting on one or both new fields.

We are still in need of donations for the other expenses associated with the project. Although electricity and lighting represent the largest expenses by far, there are other expenses to be taken into consideration, such as dirt work, fencing, new dugouts, and establishing grass in the outfields, to name a few. The \$75,000 can not be used for purposes other than electricity and lighting, as per the terms of the grant.

If you would like to donate financially, please make checks payable to the Tom Britt Memorial Park account under the Wheeler Area Activities and Improvements Council (you may abbreviate it WAAIC). The check can be dropped off at Charles Kuntz's office or mailed to PO Box 489 in Wheeler. Donations are a tax write-off.

We understand that it is difficult to try to fundraise in the middle of a historic pandemic in which many members of our community may have been furloughed, laid off, or struggling to find work. However, that very situation could also provide us with an abundance of manpower and volunteers to help the project reach completion more quickly. Even if you are unable to donate financially, but would like to donate your time

so be sure to tune in. Grand prize for the most patriotic decorated car on the drag! There will be food, fun, and great DJ style music! (Giveaways and Special guest throughout the party)

At 6:30 pm the Janette Umsted Memorial Scholarship Cornhole Tournament will have signups and the tournament starts at 7:00 pm. The cost is \$25 per player and will be double elimination.

and labor, that would be welcomed also.

UPDATES:

May 8th-10th: all of the fences were disassembled and moved off to prepare the fields for dirt work.

Last week of May- June 18th: Dirt work began to level the fields and increase the useable surface area to allow for the expansion of the playing fields. Progress was halted due to unfavorable weather conditions and will resume when weather allows.

July 4th evening festivities will be held at the Tom Britt Memorial Park and donations will be accepted at the gate.

Small Town At It's Best

A bright, beautiful day in the 80's with a gentle breeze. Children playing on a historic courthouse green, manicured lawn. The fragrant aroma of mouth watering food floating in the air and the buzz of a busy Handmade Market of local and surrounding Artisans selling their labors of love.

In a world where we get lost in the hustle and bustle of everyday life the small town of Wheeler, TX knows how to slow down and appreciate our everyday blessings.

This past weekend our Courthouse lawn was the site of the 1st Panhandle Handmade Market where some bought Father's Day mugs from Luv 2 Play in Clay or custom designed a sign from HL Guest Handmade, CT Crafts or Studio E. Many were delighted by the amazing baked goods of Hadlee's Home Cooking or the delectable lunch provided by Mama Nanny's or Stix food truck. Is there anything better than an impromptu picnic in the shade of the beautiful pecan trees? This is just a small glimpse of all of the goods and good people we had on the square this past weekend.

It wasn't just about the Panhandle Handmade Market, though, our town was alive with visitors from our surrounding areas. Many started their day with an incredible breakfast in some of our favorite local restaurants. Then the adventure continued as locals and visitors spent the day 'shopping small' at our unique stores and flower shops around the square. To wrap up the day many were headed to dinner at local eateries known for their specials.

What a simple yet beautiful day.

We are also looking to host some of our favorite, talented musicians - Mitchell Ford and the Volunteers and JW Lane & CR X will hit the stage. We are looking forward to some

LIVE music on Friday, July 3rd downtown starting around 8pm. They never disappoint!

For the 1st time, we hope to start a new tradition for the community, a North vs South

Silent Auction Added To Celebration; Auction Item Donations Requested

Our 35th annual Wheeler Chamber 4th of July looks a little different this year as we choose to celebrate our freedom and come together to celebrate our community and the wonderful businesses and organizations that make up the fabric of our community.

This year we will host the 35th Annual 4th of July starting at 6 pm on Friday, July 3rd and will end it on Saturday, July 4th with our awesome fireworks show. We would love for your

Jewel of the Summertime, part 2: Last week I spoke about the "jewel of the summertime" as a philosophy that glorifies the summer season. Indeed summer, probably above any other season, is romanticized, and is talked about by many as being essentially as good as things get here on earth. I wonder if the highway construction workers think the same thing. It is apparent to me, though, that one of the primary benefits of summertime is the recess of the academic year, i.e. no school. Put another way, perhaps the principal benefit of summer is to not be subject to a principal. This makes me ponder why the school year is arranged in they way it is. Surely there is a reason, likely originating from centuries past, but I don't know what it is. The recess being during June and July seems like it would work well for wheat and hay harvest crews, as it

provides them access to the school-age labor pool. And it works very well for those school-age people who are interested in such harvest endeavors; some of those teenagers may, through their experience in the summertime, determine they wish to harvest wheat or hay as a career. Some others may determine they have not nearly as much interest in that career as they imagined they did prior to their assisting with the harvest. There are other industries for which the summer months are the busy times, and those also could benefit from the increased availability of labor that results from the schools being in recess.

But there are many industries or occupations for whom the summer months are not the peak times. For instance, cotton harvesters would seem to benefit if that increase in

Joe Rucker

Graveside Rites For Joe D. Rucker

Joe Delner Rucker was born August 23, 1944, in Wheeler, TX, and passed away June 13, 2020. The son of J. D. and Susie Rucker, he grew up by his grandparents Al and Viola Sims in Mobeetie, with whom he developed a close bond that lasted a lifetime.

Joe started elementary school at Mobeetie. When his mother Susie married Verne Lohberger; they moved to the family farm at Allison. Joe attended Allison ISD the rest of his school years and graduated from high school there in 1962.

The many skills he learned growing up on the farm brought out a natural aptitude for mechanics. The ability to work hard certainly served him well in the military. He served in the Air Force during the Vietnam era, making some lifelong friends during that time. When Joe returned home after his time in the service, he worked as a truck driver, hauling oversized loads to all points of the United States, from East Coast docks to Alaska. Joe also worked as a farmer and rancher on the family farm.

He lived very simply, valuing his independence and relationships with family--especially his stepchildren--highly.

Joe was one of those individuals who remained cool in stressful situations. He could be depended on to help friends and family out in a jam and to remain calm when others were excited. Joe lived in a trailer park for a number of years and he made friends with other permanent residents, treating them like family, taking one to doctor's appointments and cancer treatments.

When a niece or nephew needed help with anything electrical or mechanical, he would go by and pitch in to solve the problem. He had a curious mind and he owned an Amarillo library card so he could go research topics of interest. When he moved

Merely (from Page 1) the labor pool were to occur in the fall months, to assist with harvesting and ginning. Late summer (after school has resumed) is also the time when wheat is generally planted in this area, and the labor pool may be beneficial to those wheat planters, were they to have access to it. There are myriad examples, and I do not pretend to know them all, but the point is that the school calendar being the way it is optimal for some, and sub-

optimal for others. I do not believe we need to attempt to arrange things in such a way that everything is optimal for everyone – an obvious impossibility - but I am simply considering things that I had not considered before, and that probably very few have, simply because things are the way they are, and they seem to have always been that way. But why? I believe asking why things are a certain way is a good practice. I do not necessarily mean that we ask

with the objective of obtaining an explanation, although that has benefits, but essentially I mean that in general we ought to probe more deeply and ask why things are the way they are, to see if they conform to the objective, i.e. if they are serving their purpose by being arranged so. There is an objective or a need behind everything, even if it is obscured, but in order to determine whether something is effective or not, the objective must be identified, and then whatever practice or principle is being examined can be assessed in light of how closely it delivers on the objective. The toddlers have it right

when they enter the questioning stage, and "Why?" is their favorite sentence. (Author's note: to all the grammar lords, I understand that a sentence is supposed (as was declared and handed down from generation to generation of grammar lords) to contain a subject and a verb, and "Why?" doesn't appear to contain either, but the subject and the verb are obviously implied by the context within which or in response to

which the question is asked. I have read that a subject or a verb may be implied to create a sentence, but that both cannot be implied to form a valid sentence, but I withhold my assent to that rigid law of grammar because it doesn't make sense in light of the way we talk. If it makes sense, and would not result in any failure of comprehension in dialogue, and punctuation is properly appended, then I do not see why it could not be counted as a sentence.) Adults tend to tire of hearing the question "Why?" asked over and over again by toddlers, but it is the proper question to ask. For what it

is worth, Thomas Jefferson gave instruction to question everything: "Question with boldness even the existence of a God; because, if there be one, he must more approve of the homage of reason, than that of blind-folded fear." The paradox of applying this principle is, to be consistent, one ought to question Jefferson's admonition to question everything. Upon reflection of the contents of this paragraph, you may ask "Why?" did I even write this piece. Indeed, I asked the question myself upon re-reading it. Therefore, as I concluded last week, I now shut my mouth again and say no more, for a time.

From Hinton we went to Okarcho and Kingfisher on an errand for William. I was then delivered to OKC. So nice to have a chauffeur ready to travel.

Well, Sunday afternoon, the air conditioner fan quit working. Thank goodness it had rained and rained again Sunday night; the evening was cooler.

— cwe —
We enjoyed Fathers' Day Weekend. Ronal Wayne, Juanita and Ian arrived in OKC Friday evening and stayed until Sunday morning.

— cwe —
I missed wishing **Ronal Jr. Happy Birthday** in the paper; it was June 16.

— cwe —
William returned Saturday evening and spent the night. Chris Priddy, Jennifer's plumber, came Saturday evening for a visit; he had not seen William for 38 years; the two had worked together at Walmart for a time. William, Chris, Liz and Jennifer became acquainted in Hinton way back when Liz and Jennifer were teenagers. Cards were played later in the evening.

\$5,000 (from Page 1)

We also are hosting a 50/50 Raffle. Tickets are \$100 and will be limited to the first 100 tickets sold. Once 100 tickets are sold, a winner will be drawn and will win \$5,000. Tickets are available at the Wheeler City Hall Office (under the water tower).

— cwe —
After supper Jennifer, William, Juanita and I went to see Liz and John's new home; they had just gotten moved. The new home is located 20 miles straight south of Jennifer. We did not get to play cards this time. John order cards after we left.

Kristen Moudy presented monthly EDC and Chamber updates.

— cwe —
It was Greg's weekend off, so he got to spend Father's Day weekend with Seth.

— cwe —
I told you last week that Jennifer's water heater went out. It was replaced Monday and a leak elsewhere had to be fixed Saturday morning.

Based on recommendation by the EDC board, Carol made a motion, seconded by Tammy, to pay up to \$30,000 to request a change order to run conduit for future lighting for the two blocks of West and East Texas Avenue. The motion carried with 5 in favor, 0 against, 0 absent and 0 abstaining.

— cwe —
The decision was made that pool will open for Summer 2020.

Carol made the motion, seconded by Kendall, to execute an Interlocal Cooperation Contract with PRPC for grant application preparation and potential grant management services. The motion carried with 5 in favor, 0 against, 0 absent and 0 abstaining.

Paul Arganbright presented monthly maintenance updates.

The decision was made that pool will open for Summer 2020.

At 7:00 PM, the motion to adjourn was made by Carol, seconded by Amy. The meeting adjourned with all 5 in favor.

side of 7th Street. The WVFD teams will pick up the fireworks or you can deliver to the fire station by 5pm on Friday. The Pop Off will begin on Friday night after Mitchell Ford and the Volunteers perform and BEFORE JW Lane and CR X start. You should be able to watch from around the square. The winner(s) of the competition will be announced on Saturday after our Awards Ceremony and before the big fireworks show presented by the WVFD. That's 2 nights of fireworks!!!

On Saturday, July 4th starting at 7:30 am we will kick off our 35th Annual Celebration with Breakfast on the Square with Momma Nanny's Food for the Soul. Sibyl will also be set up in the Rogue Theatre on Main with face painting starting at 7:30 for those that might want their face painted for the parade. The Parade starts at 9:00 am and will take a different route this year to be sure and include our Parkview Assisted Living and Wheeler Nursing Home residents, but will end up at the Courthouse Square. Parade forms are available at the Courthouse Square. Parade forms are available at City Hall (under the water tower) or can be requested by chamber@wheelerlertexas.org.

The Opening Ceremonies will begin at 10:00 am around the Courthouse Square. We will have numerous activities and vendors around the Square. We are still looking for volunteers/organizations that would be willing to host some games/activities, please contact chamber@wheelerlertexas.org if you are interested in being a part of the celebration. We will host a turtle/frog race, so you

can be on the lookout for either. We will not be hosting the Firecracker Pageant, the Fun Run, 3 on 3 Basketball Tournament or have bounce houses this year. There will not be a chamber booth to purchase tickets, you will just pay for things as needed per vendor. Some activities that will cost would be face painting, Crafty Shack - Come and Go Kid's Crafts, confetti eggs and water games. If you are interested in being a vendor (food or activity), please email chamber@wheelerlertexas.org for more details on our protocols in place or pick up information packet at City Hall (under the water tower). We will have hand washing and hand sanitizing stations set up around the square.

We will also have Kids and Art Care and Kids at Heart artwork displayed in the Rogue Theatre (406 Main Street) for people to bid and purchase. Money raised goes to various community projects. The next project is to help build the supplies for crafts for our Parkview Assisted Living and Wheeler Nursing and Rehab residents.

There will also be a Silent Auction held in the Rogue Theatre (406 Main Street) with many great options, so be sure to go cool down and check out all the great projects, art and items that would like to donate Silent Auction items, please contact Christie Davis 806.736.0418 or chamber@wheelerlertexas.org. We appreciate your consideration and generosity and look forward to a fun auction.

This year we will host the first "Wheeler's Got Talent" Show that will showcase our talented locals of all ages.

Cash prizes awarded for 1st - 3rd place!! The sign up deadline is Wednesday, July 1st by 5:00 pm and there is no cost to enter. Those that make it to the finals will be the LIVE Entertainment for Saturday evening. Pick up an entry form at Wheeler City Hall (under the water tower) or email chamber@wheelerlertexas.org.

To wrap up the day, we will start at 7pm out at the Tom Britt Memorial Park and finish the night with "Wheeler's Got Talent" Finale, the Chamber "of the Year" Awards Ceremony and our Friends of Veterans will present (14) quilts to our local veterans. We will then announce the winner of the North vs South Fireworks Pop Off Competition then hand it over to the Wheeler Volunteer Fire Department for one of the best fireworks shows around.

Sunday, July 5th, we will have clean up at Tom Britt Memorial Park, the Courthouse Square, the Industrial Park and Wheeler Track field on Sunday morning to beat the heat and for those wanting to go to church. We will start at 7am to pick up the trash and fireworks. Please join us if you are able, the more that help, the faster it will go! Be sure to wear gloves.

Don't forget to send us your nominations for the Wheeler Chamber "Of The Year" to chamber@wheelerlertexas.org. Tell us who you think should be Man, Woman, Teenager, Business, Employee, Volunteer or Pioneer(s) of the Year. Let us know why you think they deserve it!

We are not seeking sponsors this year, as we understand the hardships and complications due to COVID-19, and do not want to put a burden on any business. Our intentions would be that we can bring the community together in a safe and acceptable way while respecting one another and supporting our local businesses and organizations. As a business, please send your hours of operation for Saturday, July 4th to chamber@wheelerlertexas.org, we will get it published.

We look forward to another fun-filled 4th of July Celebration!

Mergatroyd! Do you remember that word? Would you believe the spell-checker did not recognize the word Mergatroyd? Heavens to Mergatroyd!

The other day a not so elderly (I say 75) lady said something to her son about driving a Jalopy; and he looked at her quizzically and said, "What the heck is a Jalopy?" He had never heard of the word jalopy! She knew she was old ... But not that old.

Well, I hope you are Hunky Dory after you read this and chuckle.

About a month ago, I illuminated some old expressions that have become obsolete because of the inexorable march of technology. These phrases included: Don't touch that dial, Carbon copy, You sound like a broken record, and Hung out to dry.

Back in the olden days we had a lot of moxie. We'd put on our best bib and tucker , to straighten up and fly right.

Heavens to Betsy! Gee whillikers! Jumping Jehoshaphat! Holy Moley!

We were in like Flynn and living the life of Riley; and even a regular guy couldn't accuse us of being a knucklehead, a nincompoop or a pill. Not for all the tea in China!

We'd all like to vote for the best man, but he's never a candidate.

~Kin Hubbard~

Young Ranch East: 1600+/- acres with 2 miles of highway frontage on the south side of I-40, 8 miles East of Shamrock. One mile of Elm Creek crosses the ranch and feeds a centralized pond. Other parts of the ranch are watered with 2 wells. There are cliffs, ravines, big trees and brush providing cover for Deer, Hogs, Turkey, Bobcats, Quail and Dove. Some of the ranch could be farmed.

640+/- acres NW of Shamrock: There are many possibilities for this good farm and ranch. It is capable of carrying a high number of cattle, if used for grazing. It could be developed for irrigation farming. Excellent steel working pens are near the center of the place. Water is piped under pressure to two 30-foot steel troughs with concrete floors, less than 5 years old. Extra good perimeter fences and cross fences. Small pond, trees and brush provide cover for substantial numbers of wildlife (Deer, Turkey, Hog, Quail and Dove). 2 RV setups with water and electricity are included, which could be used for hunting camps.

320+/- acres NW of Shamrock: West side of property on Pakan Road. The best recreational, hunting, grazing combination on the market in a long time. Heavy brush, Big trees, Enchanted Forest, 3 wells, and ponds. Super-abundant amount of wildlife: Deer, Turkey, Hogs, Quail and Dove.

300+/- acres West of Shamrock: Located 5 miles West of Shamrock on the North side of I-40. Excellent stand of Plains bluestem grass, city water, good fences. Lots of wildlife: Deer, Quail, and Dove.

Saturday, July 4th – Rogue Theatre, 406 Main Street

Donation Request

Our 35th annual Wheeler Chamber 4th of July looks a little different this year as we choose to celebrate our freedom and come together to celebrate our community and the wonderful businesses and organizations that make up the fabric of our community.

This year we will host the 35th Annual 4th of July starting at 6 pm on Friday, July 3rd and will end it on Saturday, July 4th with our awesome fireworks show. We would love for your business to be represented in our Silent Auction in support of our community. If you are interested in donating an auction item, please get donations to our chamber office (City Hall, under the water tower) or let us know and we will be glad to pick it up. Be sure to include your business card or flyer so we can include it with your donation. We are grateful for your donation, as it will help us this year as we are not seeking sponsorships for this year's celebration.

The Silent Auction will be set up in the Rogue Theatre located at 406 Main on Saturday, July 4th from 7:30 am - 5:00 pm.

THANK YOU IN ADVANCE FOR YOUR SUPPORT !!!!

"Wheeler town of friendship and pride"

Lohberger, Laura Lohberger and Russell Lohberger.

Joe is remembered by family, friends and neighbors for, among other things, his excellent mechanical and electrical skills (Quote: "He could fix anything!", a neighbor said of him), as well as his great generosity. He had a kind heart and always a friendly

greeting for his loved ones. He will be greatly missed.

Graveside service were held at Mobeetie Cemetery at 10:00 a.m. on Thursday, June 18th. Memorials can be made to Mobeetie Cemetery, % Randy McCurley, Happy State Bank, Box 8, Mobeetie, TX 79061.

ANNIVERSARY: Nothing has changed in 50 years for Charles and Margaret Kuntz. They are shown here at their 50th Anniversary at the Methodist Church Parking Lot with Margaret holding her wedding gown and they are about to leave the party in the 1967 Chevrolet Pickup just like they left 50 years ago.
