THE CHURCH FOR ALL . .

ALL FOR THE CHURCH The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read

your Bible daily.

Masses Sundays —

Kathy and Kevin celebrate St. Patrick's Day . . . Kathy wears her green plaid dress, and Kevin his sweater with the emerald stripe. The hats are those we brought home from last night's party!

They don't really know what the day is all about. But they heard Dan singing in the shower, "the wearin' o' the green," and saw the color of the tie he placed on the door knob.

They don't miss a thing! That old saying that actions speak louder than words is certainly true around *our* children. They are regular little copycats.

That's why Dan and I make it a habit to go to church every Sunday with them. We want God and His Church to be a real part of their lives, not just something they have heard about.

Give your children a chance to know God. Go to church and take them with you.

# Deferred Rotation Popular

Considerable interest has been generated in the planning and application of deferred rotation grazing systems, according to Virgil Helm, range conservationist with the Soil Conservation Service in Rotan. As applied to rangeland management, this term means a system of grazing whereby grazing on a portion after seed maturity for purof the land is delayed until poses of revegetation.

The benefits of deferred grazing are numerous but the three primary advantages are: (1) improves the vigor and forage production of the better vegetative species by providing greater leaf area and deeper root penetration. (2) permits the better vegetation to produce seed, and (3) a period of rest to permit seedlings to become established.

There are several variations of the deferred rotation syster. So far, the best results have been obtained from 4 pasture systems. In a four pasture system, one pasture is rested each four months and the other three are grazed. At the end of four months, the livestock in one pasture are moved, and a different pasture is rested the next four months. Thus, each pasture is grazed twelve months, then rested four months. The rest periods fall during a different season each year.

A 25 percent increase is range condition and forage production was obtained from a four pasture rotation system of grazing on the Sonora, Texas Experimental Station as compared to continuous yearlong grazing with the same number of livestock. 1967 results obtained from a fiur pasture rotation system at Throckmorton point out that the calves averaged 10 pounds heavier than calves from continuously grazed pastures. Also, a slightly heavier calf crop percentage was obtained on the rotation pastures (95 percent vs. 90 per cent). The most outstanding fact is that rest periods were applied providing for periods of vegetative improvement in the rotation pastures.

A deferred rotation grazing system is only valuable when the intensity of grazing is adjusted to the ability of the land to produce a grazing crop. The poorer the range condition, the lower the starting grazing rate must be. As the range improves, the grazing rate can be increased. A thorough inventory of forage resources plus help in developing a rotation grazing system on each ranch can be made with the aid of the Soil Conservation Service at Rotan working through the Upper Clear Fork Soil and Water Conservation District.

# Roby Service For Mrs. McCain

化合金 考

Mrs. C. E. McCain, 74, a Fisher County native, died at 1:30 p.m. Sunday in Hamlin Memorial Hospital. She had been a patient there for six weeks.

Services were at 4 p.m. Monday, in the Church of Christ Roby with Wardell Halliburton, minister, officiating. Burial was in the Roby Cemetery under direction of Weathersbee Funeral Home.

She was the former Winnie Taylor, daughter of the late Mr. and Mrs. Jeff Taylor, and was born in Fisher County Feb. 28, 1894. She married Charles E. McCain March 1, 1913 in Fisher County.

She was an early-day school teacher in Fisher County and her husband was a former mail carrier in the Claytonville Community. They also farmed there for many years. He died July 28, 1961.

She was a member of the Church of Christ and was preceded in death by a daughter in 1967.

Survivors include six sons C. M. of Seminole, Bruce of Haskell, Jeff and Dave, both of Odessa, and Dan of Page, Ariz.; four sisters, four brothers and seven grandchildren. Pallbearers were Wes Hardy, Fred Waddell, Zanna Anderson, James Cave, Kermit Terry and Dono Terry.

# McCaulley 4-H Met Feb. 28

The McCaulley 4-H Club met February 28 at the Mc-Caulley School. The meeting was called to order by Annette Cleveland with 10 members and 3 leaders present.

The Club motto, pledge and Prayer was led by Billy Stevens.

A food demonstration was given by Arvinelle Smith and Billy Stevens. They made Pow-Wows and served to the members.

The next meeting will be March 13.

Adult leaders present were: Mrs. Smith, Miss Rogers, Mrs. Cleveland and Mr. Farris.

#### CHRISTIAN SCIENCE SUNDAY SERVICE:

"Man" is the subject of the Lesson Sermon to be read in all Christian Science church-

es this Sunday.

The Golden Text is from Haggai: "Be strong, all ye people of the land, saith the Lord, and work: for I am with you, saith the Lord of hosts."

Mr. and Mrs. Walter Sharpsteen, Ray, Pat and Monica Ann have returned to their home in Wellington, Kansas after a visit here with his parents, Mr. and Mrs. Ray Carter.

Mrs. D. A. Williamson spent Sunday in Sweetwater visiting her daughter, Mrs. Mattie Lou Davis and daughter and husband, Mr. and Mrs. Tommy Montgomery of Dallas.

Mr. and Mrs. Jerome Burrow, Mr. and Mrs. Buster Taggart of Grand Prairie visited their parents, Mr. and Mrs. Ivy Taggart, Mrs. I. J. Templeton and other relatives here last weekend.

Mr. and Mrs. Bob Silver, Odessa; Lloyd West of Sweetwater spent Saturday night with the Lester Hardins. They were snake hunters attending the Sweetwater hunt.

Mrs. Lavera Riley, Mrs. John Ashton, and Mr. and Mrs. W. B. Tillotson attended the wedding of Miss Patricia Riley and Gene Terry in Georgetown Saturday.

Mr. and Mrs. Kenneth Griffith of Grand Prairie are here visiting his parents, Mr. and Mrs. Herman Griffith and her mother, Mrs. Donna Whitby and other relatives.

Mr. and Mrs. Bill Starnes Mickey, Ricky and Debbie spent the weekend at Lake Whitney with their daughter, Mr. and Mrs. M. D. Warren and children.

Mr. and Mrs. Elmer Hardin of Belville, Ohio spent the weekend here with his cousin, Mr. and Mrs. Lester Hardin.

**RHS Girls Review** Latest Fashions

Band Fashion changes from year to year, and some girls find it hard to judge and follow the many styles. These RHS girls will state their definits opinions on the fashions of today. Senior Candy White, a cheerleader, said, "I like the fact that waistlines are supposed to be becoming into fashion, and I love all the colored shoes. I don't like colored stockings that don't seem to match the outfit."

> Freshman Judy Powell's dress is pretty. I think the mini with a sash in the back is the grooviest. The belowthe-knees dresses are out with me, plus the Bonnie Parker style."

Jeanie Tidwell, soph., had this to say: "I like most everything about today's fashions especially the wild hose and the square-toed shoes. The only thing I really dislike is short dresses an girls that don't have the figure for iit.' Sophomore Kaye McKimmey, cheerleader, says, "I love belted dresses and turtle necks. There's nothing I really dislike but I could do without short, short skirts and kneehigh boots."

Brenda Landes, Senior Secretary-Treasurer, believes, "I like the hats that are in style and also the velvet dresses. I don't especially like the wild jewelry and some of the shades of make-up.'

Freshman Becky Sorelle's opinion was, "I love mini skirts and clothes that are think we should stick to mod clothes."

Jasmine Velez, junior. thinks, "My favorite fashions, which will be great for spring, are short tent dresses and cool pant-dresses in wayout colors. Not so great with me are tight skirts which have been cut short and slacks, or pants, which are so tight that they look as if they're going to burst any minute.'

Sophomore Margie Ramirez said, "I don't like the fashons because they are way too short and loud. Lengths above the knees are okay and I like them, but four inches high is just too much. And as

Rural electricity from the member-owned MIDWEST ELECTRIC COOPERATIVE has made the country store pretty much like its city cousin....and has made the rural home as modern and convenient as its city counterpart. As a matter of fact, there is a higher percentage of electric ranges in rural kitchens than in city homes and a far higher percentage of home freezers, electric water heaters and electrically heated homes. So the home town Trading Post sells washing machines....lots of them... instead of wash pots. Living in clean, quiet, rural areas is happier and healthier thanks to a dependable supply of low-cost electricity from the MIDWEST ELECTRIC COOP-ERATIVE that is building a brighter tomorrow and Helping Texas Grow.

14 and at the 77th Continen tal Congress convening in Washigton D. C. April 15 through 19. January is American Liber-

ties Month for Daughters of the American Revolution. In keeping with the annual observances a spceail program was presented by Mrs. Kirby Kinsey, Chairman of the Chapter Committee on National Defense.

Mrs. Kinsey spoke of the destroyers of freedom as "those who will not see". She stressed that all thoughtful Americans should be deeply concerned at this time with National problems and international involvements of our Nation. She reviewed our involvement in Korea and Vietnam. She warned that the instigators of insurrections within our nation are leaders of groups purporting to stand for civil rights, democracy, their words and deeds they

THE TRUTH AND THE TRUE CHURCH -- No. 1

SUMMERS DRUG PHONE 735-2442

PRESCRIPTIONS

This article that appears each week in your local newspaper is dedicated to the proposition "Ye Shall Know the equality, and free speech. By truth" John 8:32. Our Lord said in John 17:17 "Thy word is truth." Therefore we all must be ready always to give an have shown that they are deanswer to ever yman that asketh you a reason concerning the dicated to the overthrow of hope that is in you, yet with meekness and fear." I Peter 3:15. duly constituted government. Many people are what they are religiously because of and the destruction of the human rather than scriptural (truth) reasons. For instance rights of all as defined in our "My mother was a member of that church"; "It is a popular United States Constitution. If church"; "It is a friendly church"; "I married into this we are to continue to live in church"; "I joined the church as a baby"; or "They have a free country, the forces that such a beautiful building". Such reasons are worthless in the are leading our Nation down sight of God and are empty words to people who wish to the path to chaos, anarchy, "know the truth." We must have a "thus saith the Lord". and the communist state must "Not everyone that saith unto me, Lord, Lord, shall enter be firmly opposed. into the kingdom of heaven; but he that doeth the will of my Mrs. Kinsey quoted the his-Father which is in heaven." Matthew 7:21. Notice our Lord said that we must do the will of God to go to heaven. For "Study of History," who this reason we must never trust our feelings or likes in wrote "that of the world's matters of Christianity. We must be willing to "Speak where twenty great civilizations the Bible speaks and remain silent where the Bible is silent." Christ founded the true church. "And upon this rock I will build my church" Matthew 16:18. Therefore it is coln once said, "If destruccertain that no church can be the true church unless it was tion be our lot, we ourselves founded by Christ. In fact Paul gives specific warning against building upon any man, I Corinthians 1:12 and 13. Christ is the only foundation I Cornithians 3:11. "For other foundation can no man lay than that is laid, which is Jesus Christ.' Furthermore, Jesus in speaking of the religions founded distintegration. the downupon the traditions of elders, said, "Every plant which my heavenly Father planted not, shall be rooted up." Matthew 15:13. God had planted the Hebrew religion, and said that other plants were to be rooted up. If God would uproot other plants under that system of worship, will he not do dations of our government. the some under the Christian system? Before Christ could establish his church he had to die on the cross and shed his blood for iit. Acts 20:28 says, "Feed the church of God, which he hath purchased with his eventual acceptance in high own blood." Since Christ purchased the church with his own blood it is His and He is the head of it. Paul speaknig of Christ in Ephesians 1:23 says "and he gave him to be head over all things to the church, which is his body, the fullness pied policy making decisions of him that filleth all in all." Paul further states in Colossians within our nation. There is 1:18 "and He (Christ) is the head of the body, the church that in all things he might have the preeminence." Christ did not intend for men to establish churches and build human denominations. In the apostolic age there was heavels in our country. The only one church (Christ's church), and all Christians were defiance of law and order are members of it, whether Jews or Gentiles. rich or poor, bond part of the plot which brings orfree. All who believed in Jesus as the Christ and confessed him as the Son of God (Matthew 10:32) repented of their our very mist. sins (Acts 2:38 and were baptized (immersion) in water

were saved and added to the church (Acts 2:47). They were all reconciled "in one body" Ephesians 2:16; called "in one body" Colossians 3:15; and baptized into one body I Corinthians 12:13. In the days of the apostles, Christians were not members of different churches. Since their baptism put them into "the one body" of Christ, they were all members of the same church! Denominational churches did not come into existance until several centuries after the apostolic period. This is the truth about the true church.

Signed, Scott Mitchell
