VOLUME 83

NUMBER 41

The first load of new-crop cotton was brought to Johnson's Gin this week by Joe Edd Arnold. It was stripped off a dryland farm. The lint was purchased by the gin for \$1.00 per pound and was ginned free. Derrel Johnson was pictured with the load before it was ginned Tuesday afternoon.

Briscoe County News Photo

Farmers May Opt For Harvest-Aid Chemical Spray

Cotton farmers across the Texas High Plains, confronted with a late-planted and late-developing crop, may want to consider using a harvest-aid chemical to help induce boll opening before a killing freeze occurs, according to the Texas Agricultural Extension Service.

"Although not fully mature, some late-set bolls could contribute to yield if the boll opening process is initiated or occurs before a hard freeze," said Dr. James Supak, Extension Service cotton agronomist.

More than half the High Plains cotton crop was planted or replanted in June. Where moisture was generally adequate and insect damage minimal, the crop fruited up well and retained a relatively high percentage of bolls.

Below average heat units in July and August, coupled with excessive rains and cool, cloudy conditions in September, further slowed crop development. Consequently, white blooms that occurred after mid-August in the northern counties have a low probability of developing into mature bolls before a killing freeze.

Still, those late-set bolls may possibly contribute to yield if they begin to open before the freeze.

If by early to mid-October, the crop has only small percentages of open bolls, and relatively large number of

bolls at five and six nodes above the uppermost cracked boll that are still watery, then the harvest-aid chemical treatment may be economically justified.

If chemical application is decided upon, Supak suggested that treatment be delayed until 14 to 20 days before the normal frost date. This will provide as much time as practical for boll development, and yet allow time for the harvest-aid treatment to initiate the boll-opening process.

Immature bolls also can be forced to open through the use of a plant-growth regulator called Prep. This chemical is a strong formulation of ethephon, which releases the plant hormone ethylene into the plant. Where natural aging isn't conditioning the crop, Prep could possibly be used to force opening of immature bolls to avoid risk of their destruction by a hard, killing freeze.

The use of Prep could save immature bolls; however, two factors need to be considered, including the crop yield potential and the number of bolls that are sufficiently high in moisture to be susceptible to freeze damage.

For more information, contact the County Extension Service at 823-2131.

Go Owls!

Texas Caprock Arts Festival to be Held Soon

Texas Caprock Arts Festival will be held at the Showbarn in Silverton on October 19-20, with a reception to be held Saturday from 7:00 until 10:00 p.m. The show will be open on Sunday from 1:00 until 5:00 p.m. There will be no admission charge.

To vote for the Peoples' Choice Award, you will have to cast your ballot at the Showbarn before 9:00 p.m. Saturday, October 19. The award will be presented at 9:00 p.m.

Dr. Kenneth Wyatt is judge for the show and also will be the guest artist. He will have some of his work on display and also will have some items

for sale.

J. Christopher White of Silverton will offer his books for sale.

A lot of the artwork being shown will be priced for sale.

Thirty-two artists have entered the show and ninety pieces of artwork will be shown. These include Junis Hutsell, watercolors; J. Christopher White, sculpture; Carrie Ann Grabbe, oils; Dale Smith, photography; Chariotte Etgen, oils; Ernestine Payne, oils; Raye Smith, photography; Matthew Kast, pen and ink drawing; Donna Stodghill Majors, oils; Shirlene Rhea Vines, oils; Bryan Donahoo, photography; Carolyn Luckenbach, oils; Christine Brummett, pastels; Randy Stark, photography.

Dr. Wyatt is one of America's foremost artists, and is best known for his western and Christian art. His landscape, still life and character study work is among the best anywhere. He is internationally recognized for his Christian paintings, is the author of several books on art, is known for his numerous books as author, poet and illustrator, and he is one of the most sought-after speakers for after-dinner affairs.

Dr. Wyatt works in oil, watercolor, pencil, pastel, charcoal and sculpture. His work is produced for the public in original form, framed or matted prints, note cards, Christmas cards, jewelry and in limited edition bronze and pewter sculpture.

He has two galleries, his main gallery and studio in Tulia, and his Red River Gallery of Fine Arts in Red River, New Mexico. Both have fine selections of quality paintings, bronze sculptures, fine art prints, collectable pewters and unique treasures from the Wyatt's travels.

In recent years, the Tulia artist gained national recognition when he painted "Offer Them Christ," commemorating 200 years of Methodism in the United States. Following this, Dr. Wyatt painted portraits of the 12 Apostles, Paul and Jesus.

He served as an ordained Methodist minister for 32 years. He also has been involved in farm and ranch life, has worked as a roofer, served with the U. S. Navy, has been a Scoutmaster, is an evangelist for the Methodist Church and is a director of First State Bank in Tulia. His present work is as an artist, speaker and author.

Mark your calendar so you won't forget the Texas Caprock Arts Festival.

School to Be Out Early on Friday

Classes in the Silverton Schools will be dismissed at 1:15 p.m. Friday. The short-day schedule will be used.

The Pep Rally will begin at 1:00 p.m.

Texans' War on Drugs To Sponsor Red Ribbon Campaign Here

The Texans' War on Drugs' Red Ribbon Campaign is coming to Silverton October 19-27, and several special events are planned to focus attention on this observance.

People have a right to live in drug and alcohol-free homes, work in drug and alcohol-free work places, learn in drug and alcohol-free schools, and drive on drug and alcohol-free roads. Since drugs and alcohol continue to be readily available, an effort is being made to increase youth awareness to the serious consequences of substance abuse.

You can be a tremendous influence in the outcome of this worthwhile effort. Please plan now to be a part of this drug awareness campaign.

Plans are being made for a rally of Junior High and Elementary students on October 21.

October 23 is an optional "Wear Red" day, selected to be observed statewide. In Silverton, October 25 has been designated as the official "Wear Red" day of the special week.

An essay contest is being held for students in grades nine through twelve. October 18, West Texas State University students will conduct a Rap Session with high school students in the school auditorium beginning at 2:15 p.m.

October 21 is Decoration Day, and grades kindergarten through five will have a room decoration contest.

Students in grades six through twelve will be involved in a poster contest.

Saturday and Sunday, October 19 and 20, have been designated as Religions Weekend. Clergy are asked to deliver sermons on drug use and its effects on families and initiate drug-education programs for youth. Church activities can include the placing of red ribbons on their doors and the holding of "red candle prayer vigils for those whose lives have been affected by drugs."

Theme of the observance is "Proud to be... Drug Free."

OBITUARIES

ELSIE STAKELY

Funeral services for Elsie Stakely, 71, of Electra were conducted at 8:00 p.m. Tuesday, September 10, at First Presbyterian Church in Electra. Officiating was Rev. Sam Baniqued.

Burial was in the Electra Cemetery under direction of Ferris Funeral

Home.

Ms. Stakely died Saturday evening, September 7, at her home in Electra following a lengthy illness.

She is survived by four sons, including Phillip Hubbard of Silverton; ten grandchildren, including Teddy Hubbard of Lubbock and Stoney Hubbard of Silverton; and one great-grandchild, as well as several nieces and nephews.

Those attending the services from Silverton were Phillip and Kathi Hubbard and Donald and Fay Perkins.

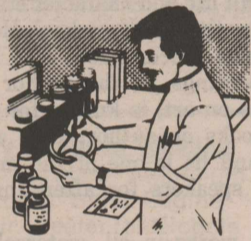

If you need work done on your vehicle, just call 995-3565 during the day, or call 823-2039 (Joe)

OR 823-2498 (Dale) after 7:00 p.m.

They will pick up your vehicle in the morning, drive it to Tulia, make the repairs needed, and return it to you in the evening.

Remember, we're just a phone call away!

Red Ribbon Workshops Are Planned Oct. 26

Red Ribbon Campaign Workshops will be held at Tascosa High School in Amarillo Saturday, October 26, from 9:30 a.m. until 3:00 p.m. There will be workshops for adults, middle school and high school students.

Spirit sticks will be given to schools with the most attendance according to school size. Students and adults will be counted in determining what schools receive this award.

The Red Ribbon Campaign originated when Federal Agent Enrique Camarena, a Drug Enforcement Agent, was brutally murdered in Mexico by drug traffickers in 1985. In response to Enrique's death, the nation wore and displayed red ribbons to develop an attitude of intolerance to the use of drugs. The red ribbon symbolizes a commitment to a drug-free healthy lifestyle . . . no use of an illegal drug, and no illegal use of a legal drug. Texans' War on Drugs (TWOD) is proud to sponsor the 1991 Red Ribbon Campaign in the state of Texas.

One free snack with other snacks at minimal charge will be available. Free lunch will be provided by Pizza Hut and Pepsi.

Registration for attending the workshop is due by October 18, 1991, and is to be mailed to Texans' War on Drugs, 1616 S. Kentucky, Building D,

Aimee Francis was presented as the 1991 Football Queen in pre-game ceremonies last Friday night. She was escorted by Casey Frizzell, and received a bouquet and the traditional football helmet crown.

Briscoe County News Photo

Suite 205, Amarillo, Texas 79102. Students may contact School Nurse Margie Pinkerton for registration forms and other information regarding the workshops.

Address File is Being Updated

Silverton's School Reunion Committee for the 1992 Centennial Celebration is beginning now to update the address file for all ex-students and former teachers.

If you have a current address for any former student or teacher in the Silverton Schools, please contact Pat Fitzgerald, 847-2242, or Betty Tiffin, 823-2352.

An attempt is being made to make a master list to put into a computer. This will facilitate getting the news out to all ex-students, not only for this reunion, but for those to come.

Everyone's cooperation in this effort will be appreciated.

4-H Shooting Sports, Riflery Project Meets

First meeting of the Briscoe County 4-H Shooting Sports and Riflery

Project was held at the Bryan Burson residence Sunday, October 6.

After a safety presentation by Virgil Kidwell, Leaders John Burson and David Reagan led the students in target shooting and metallic silhouette shooting.

4-H members attending were Daniel Reagan, Russell Baird, Donny Burson, Aaron Wederski, Michael Reagan, Ryan Minyard, Tyler Young, Will Hester, Shauna Kingery, Trey Ziegler, Cy Comer, Miles Comer, Trey Wyatt, Lindsey Jennings, Lacy Brunson, Nicky Sumter, Travis Sumter, Samuel Holton, Patrick O'Neal, Wynter Smith and Nathan Francis.

Alzheimer Support Group to Meet Here

An effort is being made to begin a support group for Alzheimer's in this area. There will be a meeting Thursday, October 17, in the Pioneer Room at First State Bank in Silverton, beginning at 7:00 p.m. Guest speaker will be Collene Carpenter, Panhandle Alzheimer's Support Group coordinator from the Panhandle Chapter in Amarillo.

Your help and suggestions will be appreciated. Please plan to come and join to make the group a reality.

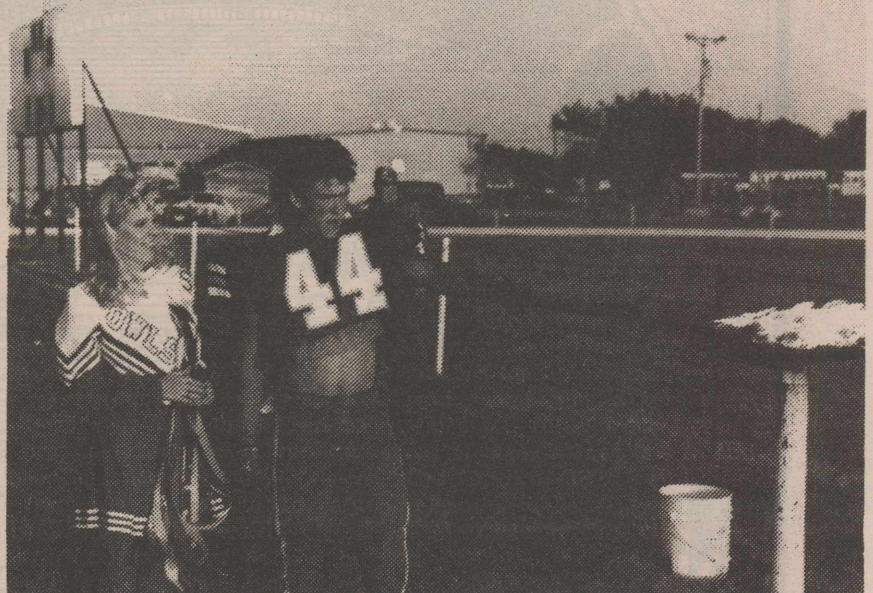

The public is invited to attend the support group and share with others. For more information, call Lois Nance, 847-2582, or Della Boling, 823-2436.

Alzheimer's Association Panhandle Chapter Support Group is a national organization committed to easing the burden and finding the cure for Alzheimer's Disease, Related Dementing Illnesses, and Memory Loss in Later Life. This devastating disease is the nation's fourth leading fatal

disease among adults afflicting four million Americans.

To aid families touched by this disease ADRDA holds monthly support group meetings free and open to the public. Information on the disease, research updates, practical care techniques, and a list of community resources is provided to those who attend. In addition, time is provided for these persons to discuss the frustrations they feel in caring for an Alzheimer's patient. Perhaps you are aware of individuals or families that would benefit from involvement in an Alzheimer's support group. Assisting efforts to reach those families and referring them to an Alzheimer's support group, you are providing a great service to that family.

Go Owls!

Miss and Mr. Flame, Jennifer Grimland and Brian Martin, were pictured as they light the homecoming spirit flame in pre-game activities last Friday night.

Briscoe County News Photo

Silverton Becoming Known as Newest Music City, Texas

Once again, Silverton was the scene of the "best country entertainment" in the Panhandle Saturday night. If you can name anything in this area that is better family entertainment and more enjoyable than FREE, the promoters of Caprock Jamboree would like to know about it—and attend!

Besides the fact that the cloggers put on a great show, and the groups from Flomot, Amarillo, Lubbock, Oklahoma and Clarendon did a good job, our own local talent "showed its stuff". The Hester family, along with Jerry Miller, started off the show with a bang led by Mama Ruby, who gave one of her best performances yet! Even though the Country Sounds were missing Jimmy and Benny, they did a wonderful job of backing Shanna Van Winkle.

Ms. Van Winkle plays on the West Texas Opry and at various other shows, and she says the Country Sounds are one of the best supporting bands she has encountered.

As usual, the local merchants, Tiffin's Dry Goods, Nance's Food Store, Hutsell Jewelry, Jerry's Malt Shop and Ziegler-Miller Pump, supported the musical with door prizes along with individuals who donated handmade items. In case you might wonder HOW the Caprock Jamboree can benefit Briscoe County, other than putting the name on the map, it allows the civic organizations, Boy Scouts, church groups, etc. to make extra money by serving supper. Then they aren't as apt to have to solicit funds in the form of donations from the merchants and private citizens. So you see, not only does a person get three to four hours of good clean entertainment, but by coming and eating you are helping these groups to be self sufficient.

Many, many individuals from out of town that attend the Jamboree say it's the best they've attended. And thanks goes to all of you for telling about it when you go out of town. If you haven't attended a show in awhile, why don't you plan right now to attend in November. You know, if we can all pull together while we've got a good thing

going, it might eventually become another Music City, USA right here in Briscoe County! Who would have thought when it started 2½ years ago that it would become what it is now?

Thanks to everyone who has become part of this effort. Thanks to the Boy Scouts who will be serving supper for the third time in November. They will be serving barbecue on a bun and that will be the standard menu for the winter months. Come and support the Boy Scouts and stay for a little toe-tappin' music in November.

Miss Mackenzie Entry Deadline is Monday, Oct. 14

Deadline for entering the Miss Mackenzie scholarship pageant is Monday, October 14.

Rehearsal for the pageant will begin at 6:00 p.m. Tuesday, October 15, in the Silverton School Auditorium.

A Coke Party and the contestants' interviews with the judges will begin at 5:00 p.m. Saturday, October 19, in the Fellowship Hall of the First Baptist Church.

The pageant begins at 8:00 p.m. Saturday, October 19, in the Silverton School Auditorium. Winner of the pageant will receive a college scholarship.

Contestants will appear in an opening number and in sportswear and formal gown competition.

Kitchens Gets His Kicks By Riding Barebacks

Brandon Kitchens of Pampa is learning how to ride bareback broncs a few seconds at a time. And he doesn't mind the ground-level perspective he gets after each lesson.

"It's kind of a feeling. Some people do drugs to get the ultimate high," said the

Brandon Kitchens

Pampa High School Rodeo Club member. "But I think that first jump out of the chute is an ultimate high."

New to rodeo contesting, the 6-foot-2, 210-pound PHS sophomore talked about his first season competing in Tri-

Brandon Kitchens gets bucked off a bareback bronc in Tri-State High School Rodeo Association action at the Pampa Rodeo Club-sponsored session held at the Top O' Texas Rodeo Arena. At left is Marty McFall and far right is Gary McFall.

State High School Rodeo Association events.

"Canadian (Tri-State rodeo held August 31 in Canadian) was my first ride in Tri-State," said Kitchens. "I bucked off there . . . and I bucked off here (Pampa). Today was my seventh horse I've been on.

"It's a wild experience," said Kitchens as he leaned his large frame against a rough-stock holding pen. "I'm enjoying it so far."

Asked how he became interested in the sport, Kitchens said, "Mainly just from seeing it on TV and always wanting to do it . . . so I gave it a try. My dad (Joe Kitchens) did it when he was younger."

Kitchens' brawny physical stature, not unlike Professional Rodeo Cowboys Association champion steer wrestler Ote Berry, appears more suited to bulldogging than bareback riding.

"Everybody says my size is against me riding barebacks, but I enjoy it and that's all that matters," said Kitchens, who plans to concentrate on barebacks and "hopefully start bulldogging."

The exuberant young man gets in most of his practice while competing at rodeos, but has learned a few lessons "at (Bill) Hext's—the stock contractor in Canadian." Assisting him is "my dad, mainly," Marty McFall, former Tri-State rodeo rough-stock rider; Chad McFall, a saddle bronc rider and Pampa Rodeo Club member; and Gary McFall, father of Marty and Chad and a Pampa club sponsor.

"When I get ready to get on my horse, they're usually there."

Asked how long he's been riding garden-variety saddle horses, Kitchens said, "Not a whole bunch, because I haven't had much of a chance to . . . I had a horse for a while.

"I think everybody has a little more advantage because, for one thing, a lot of people have more experience on horses. But it doesn't really matter to me."

"My mom kind of thinks I'm crazy sometimes, but she told me if that's what I wanted to do, to do it and be the best at it I can be."

"I hope to get better and better over the season . . . over the years."

Kitchens recollected his first bronc ride.

"It was rather short . . . I was nervous, I was listening to everybody say different things. They told me, 'when you get ready, give a big nod'."

"When my horse turned out, I made about two jumps and that was it."

He remembers vividly his ride at

White Deer Rodeo in late July.

"The horse squashed me up against the back side of the chute and pulled me off him. Then he jumped out of the chute and threw me off . . . it shook me pretty good."

Brandon is the son of Joe and Carolyn Kitchens of Pampa and is the grandson of Mr. and Mrs. Louie Kitchens of Silverton. He is the great-grandson of Mrs. Wade Steele of Silverton. He and his family are former Silverton residents.

Carnival is Now Being Planned

Once again the annual Halloween Carnival will be hosted by the Progressive Extension Homemakers. This event will be held at the Briscoe County Show Barn on Saturday, October 26. Committee members for this PEH project are Bena Hester, Lana Burson and Debra Smith.

Reservations for booths are being taken NOW on a first-come, first-served basis. Clubs, organizations, churches or any individuals interested in money-making projects are urged to call a committee member. Booth fees are \$5.00 each. The kitchen at the barn also may be utilized at extra cost.

To reserve a space or if you have questions, call Bena at 823-2093 (after 3:00 p.m.), Lana, 847-2564, or Debra, 847-2646.

Silverton PTA Needs You to Join

Silverton PTA still needs many of you to join! If you are a parent, grandparent, relative, non-relative, business person, student or someone who just cares about the school and children, you are needed in PTA.

Even if you cannot give your time, your act of membership shows you care and is appreciated.

If you would still like to join or have signed up, but haven't turned in your dues of \$2.50, they are needed by Friday, October 11. You may sign up in the school office, or by calling Diane Donahoo, 823-2007. An increase in membership among the junior and senior high parents, faculty and community leaders is needed.

Owls Win Last Non-Conference Football Game By Big 54-6 Margin

Silverton's Owls romped to a big 54-6 victory over the Follett Panthers in their Homecoming game here last Friday night, and fine-tuned their prowess for their first district game at Three Way this week. The Owls knew that Follett was a better team this year than the team they played there last year, and they went out with eyes wide open to stop Greg Frazier, the highly-rated back who has received Amarillo Daily News Player of the Week honors twice this season. Follett had soundly defeated Higgins the previous week while the Owls were trouncing Guthrie.

In pre-game activities, the Owls crowned their queen, Aimee Francis, after presenting her court which included Monica Arnold, Christa Tucker and Josie Vargas.

Mr. and Miss Flame, Brian Martin and Jennifer Grimland, lighted the homecoming flame, and the spirit of the Owls burned brightly throughout the game. The announcement had been made during Thursday night's bonfire of the selection of Mr. and Miss Flame.

The Owls made 12 first downs in the game as compared for three for Follett. Silverton made 203 yards rushing and 119 passing for a total offense of 322 yards. Follett rushed for 38 yards and passed for 24, for a total offensive effort of 62 yards.

Brian Martin opened the scoring for the Owls by running 48 yards into the endzone. The PAT kick failed, and the Owls held an early 6-0 lead.

Later in the first period, Brian West went 34 yards for another score for the Owls, failed on the PAT kick attempt, and brought the score to 12-0.

Frazier carried a touchdown for Follett from four yards out in the second period.

Bryan Breedlove scored on a pass from Josh Brooks, the play covering 27 yards. West kicked the PAT.

Also in the second period, Lyndell Ivory scored on a six-yard run. West kicked the PAT, and the halftime score was 24-6.

In the third period, Martin scored from two yards out, West kicked the

Langdon Reagan was not only in there making the big plays on defense for the Owls last Friday night, he also caught a pass and ran for a first down during the game. He earned Player of the Week honors for himself with his outstanding performance.

Briscoe County News Photo

Reagan is 6-Man Player of Week

Langdon Reagan played a key role at middle linebacker as the Owls defeated Follett 54-6 here last Friday night, and for his performance has been awarded Player of the Week honors by the

PAT, and the Owls moved ahead 32-6.

Ivory plunged into the endzone from one yard out, West kicked the PAT, and the Owls extended their already-large lead to 40-6.

West kicked a 32-yard field goal to bring the score to 44-6.

Breedlove scored on an 11-yard pass from Frank Ramirez in the fourth quarter to end the game under the 45-point rule. There was no PAT, and the game ended with the Owls enjoying a comfortable 54-6 victory which they celebrated at their Homecoming Bash that was held in the school gym following the game.

Langdon Reagan was credited with a fumble recovery and 10 unassisted tackles in the game. The Owl senior has been leading tackler for the team in just about every outing this season, and continues to do a superb job.

Casey Frizzell caught four passes for a gain of 56 yards in the game. Martin rushed for 107 yards.

The Owls will be traveling to Three Way Friday for kickoff at 7:30 p.m. This is a very important game for Silverton because it is the first district contest of the season. It is very important that they take a positive step toward the district championship, and they need all the support of their fans in order to be successful. Their Pep Rally is at 1:00 p.m. Be there and at the game!

Amarillo Daily News.

Reagan, a 5-10, 175-pound senior, made 10 solo tackles and recovered a fumble. Silverton's defense limited Follett to just three first downs and 62 yards of total offense. The Owls also shut down Follett's Gregory Frazier, a running back who has been named Player of the Week twice this season.

"We knew Frazier was a cut-back runner and Langdon was there to meet him," Coach Clyde Parham said. "Our whole defense played well. Everybody

Junior Varsity Owls Take Big Win From Groom

Silverton's Junior Varsity Owls, playing with just six, earned a big 16-13 victory over the Groom Tiger JV here last Thursday. Earlier the Owls had suffered a 19-12 defeat at the hands of the Tigers.

Groom opened the game by kicking off to the Owls, but the Owls lost the ball by a fumble and Groom recovered on the Silverton 33 shortly thereafter. The Owl defense moved the Tigers back to their own 37 on the first play, and on the second try they passed complete to the Silverton 29 where Braden Towe stopped the ballcarrier. Another pass moved the ball to the 33, where Towe again stopped the play. An incomplete pass caused the ball to go back to the Owls on fourth down, and on the first play for the Owls Michael Hill went all the way for a touchdown. Hill also kicked the extra point to give the Owls an 8-0 lead with 3:14 remaining to be played in the first quarter.

The Owls kicked off to Groom and the ball went into the endzone for a touchback. The Tigers completed a pass for a first down on the Silverton 37, where Towe stopped the runner, and another pass moved the ball to the Silverton eight for another first down. Just after the second quarter began, Lance Bradford intercepted a Groom pass near the end zone and carried it out to the Silverton 15. From there, Bradford carried to the 23 and Hill ran for a first down on the 37. A pass from Towe to Matt Francis moved the Owls to a first down on the Groom 26, and with Hill and Bradford alternating in carrying the ball, the Owls moved toward the goal. Bradford carried the touchdown with 1:51 remaining in the first half. Hill kicked the extra point, and the Owls moved ahead 16-0.

When the Owls kicked off to Groom, Zane Henderson dropped the returnman at the 23, and Groom went back to passing again, making a first down on the Silverton 10 where the

See JUNIOR VARSITY OWLS — Continued on Page Nine

did a super job."

Receiving honorable mention this week as Player of the Week were Lance Holt, who made nine solo tackles, and Brian Martin, who rushed 11 times for 107 yards and two touchdowns.

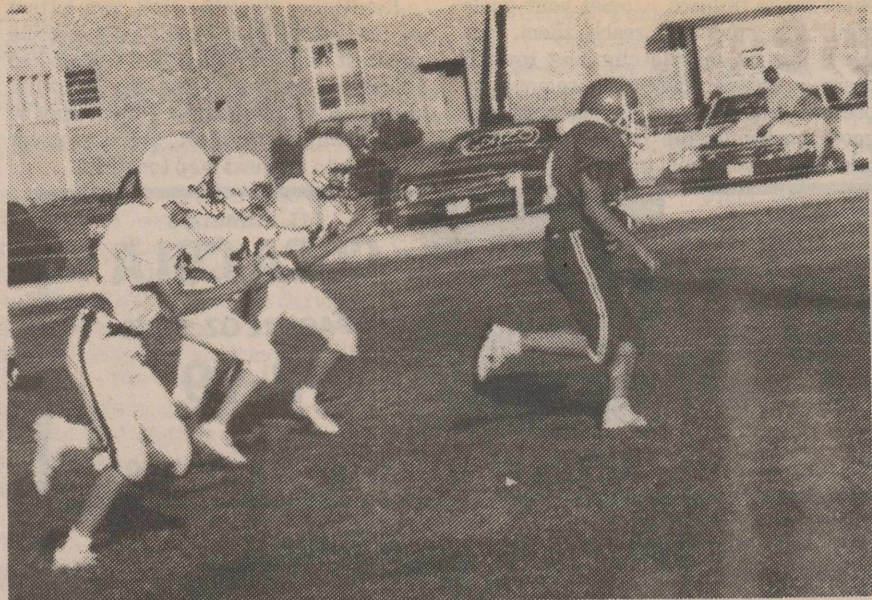

Bryan Breedlove caught a pass and ran for a touchdown for the Owls in their game with Follett here last week. It was a perfect touch for homecoming!

Briscoe County News Photo

Lance Holt is shown on defense making a stop on a Follett ballcarrier in the game last Friday night. He received honorable mention as Player of the Week for his performance.

Junior High Owls Host Three Way This Afternoon

Silverton's Junior High Owls will be hosting Three Way this afternoon (Thursday) at 5:00 p.m. The concession stand will be open, and it is hoped that a good crowd will be on hand to cheer for the boys.

The Junior High lost their game to Amherst last week by a 27-6 margin.

The Bulldogs kicked off to the Owls to open the game, and Jeremiah Brooks ran for a first down on the Amherst 25 on the first play. Anthony Gamble carried to the 15, and then got a first down and a penalty against the 'Dogs which moved the ball to about the one-yard line. After the offense faltered, the ball went over to Amherst on the five, from where they wasted little time getting into the Owl endzone. They carried the conversion, and with 5:04 remaining in the second quarter, Amherst led 7-0.

When Amherst kicked off, the ball

Bryan Breedlove, who was escorted by Jennifer Grimland, was presented as the Pep Squad Beau at the Pep Rally last Friday. The other candidates for the honor were Michael Hill, Stan Gamble and Matt Francis.

Briscoe County News Photo

was downed by Billy Edwards on the 29, and a penalty against Amherst was refused. The Owls were unable to move the ball and Brooks punted to the Amherst one-yard line, the punt rolling dead just perfectly.

On their second play, the Bulldogs ran for a touchdown. Their conversion attempt failed, and with 2:46 showing on the second-quarter clock, the 'Dogs led 13-0.

Amherst's kickoff again was downed by Edwards, and Gamble carried to the Amherst 33 for a first down. The offense once again stalled, and an Owl fumble was recovered by Amherst on the Silverton 37 with 35 seconds remaining in the quarter.

The 'Dogs went for a touchdown on their first play, added a running conversion, and moved ahead 20-0.

The Owls were unable to do very much before the first half ended.

After the Owls kicked off to open the second half of action, Amherst fumbled and Arnold Garza recovered for Silverton on the Owl 39. Zach Baldwin completed a pass to Garza on this series which moved the ball to the 30 and completed a pass to Brooks but the ball went over on downs on the 35 after a penalty.

Amherst topped off their next drive with a touchdown, a pass for PAT, and with 1:11 remaining in the third quarter, extended their lead to 27-0.

Brooks took the kickoff out to the Amherst 33, and Gamble carried a touchdown with 50 seconds remaining in the period, which was called back due to a penalty against the Owls. Brooks carried to the 12 as the fourth quarter began, but the Owls fumbled and Amherst recovered on the next play. The 'Dogs moved steadily downfield until one of their passes was intercepted by Lupe Vargas and this runback plus a face-mask penalty against Amherst moved the ball to the Amherst 22. Brooks carried to the 14 and Gamble scored with 26 seconds remaining to be played in the game. The Owls fumbled on their conversion attempt, and the score was narrowed to 27-6.

The Owls kicked off, and Garza stopped the return at the 38. There was no further scoring in the game.

The Junior High Owls are hosting Three Way this afternoon (Thursday) at 5:00 p.m. The Pep Rally is at 12:20 p.m. in the gym. The Owls need your support. Be there!

Briscoe Clinic Giving Flu, Pneumonia Shots

Vaccines to prevent influenza and pneumonia are being administered at the Briscoe County Clinic in Silverton, according to Nurse Practitioner Shirley Watson.

THE JUNIOR HIGH OWLS—(left to right, back row) 60-Anthony Gamble, 51-Lupe Vargas, 30-Zeb Holt, Coach Clyde Parham; (middle row) 82-Patrick O'Neal, 33-Arnold Garza, 73-Billy Edwards, 77-Cy Comer; (front) 20-Brandon Sarchet, 10-Zach Baldwin, 42-Jeremiah Brooks.

R Photography Photo

Junior Varsity Owls —

play was stopped by Towe. They passed for a touchdown, and with 22 seconds remaining in the first half made the score 16-6. They made no conversion, and the conversion points already began to loom large.

Groom kicked into the endzone for another touchback, and Towe went to work, completing a pass to Francis, which was ruled to have been caught out of bounds, then one to Hill for a first down with eight seconds remaining in the period.

After halftime, the Owls kicked into the endzone again, and the Tigers set up on offense on their own 20. They carried to the Silverton 30 for a first down, and after two incomplete passes and a fumble which they recovered the Tiger passer went past the line of scrimmage before he threw and the ball went over to the Owls on downs on the Silverton 35.

The Owls saw Hill carry to the Groom 30 for a first down, and Bradford go to the 18. Hill picked up a first down on the 12, and Lance Smith carried to the Groom three. The ball went over on downs to the Tigers after the Owls failed to score on fourth down.

Groom punched the ball out to the 32

for a first down, and as the fourth quarter began, made another first down on the Silverton 32. They passed complete for a touchdown with 2:34 remaining in the game, passed for the extra point, and trailed 16-13.

Groom kicked off again and Hill carried out to the Silverton 23. Hill and Bradford continued to alternate in carrying the ball, with Hill picking up a first down on the Groom 34 with 1:14 remaining in the game. Bradford made a first down on the 11, after which Hill went to the four-yard line. As the game ended, Hill carried to near the Tiger goal, but the game ended with the 16-13 score.

The six Owls who played on the Junior Varsity team did a very good job, and are to be commended for playing hard the whole game without any substitutes to allow them to catch their breath once in a while. Next game scheduled for the Junior Varsity team is with Alamo Catholic this afternoon. Whether or not this game will be played will be a last-minute decision, but if it is played the kickoff will be at 6:30 p.m.

Owl Power!

Matt Francis is shown breaking up a pass play in the Junior Varsity game with Groom here last Thursday.

A Voice From the Country

Earl Cantwell
Gems & Allegorys

With animosity toward none, and sorrow for some, I present a bit of challenging satire. I thought of it once as I sat by myself, and I looked at the boxes that stood on the shelf: one so large, one so small, with a contrast so grim, a handbox for me and a mite box for Him . . . I paid for my hat and I paid for my gown and I paid for the luxuries that I purchased in town, and when I returned it was as plain as could be! A mite box for Him and a hand-box for me . . . I tossed in a quarter, but it didn't seem right, I couldn't be pleased with the miserly sight, so I took out my checkbook and tried to be square, for I wanted my giving to be like my prayer.

Give a penny and hear it squeal. Give a quarter and hear it speak, but if you'd hear a real live holler, drop in the plate a silver dollar.

A steward in a certain church asked a member for a contribution, and the member said he had no money to give. The steward said, "Brother, we have only two kinds of members in this church: those who give to this church, and those who the church gives to . . . right now we'll start helping you" . . . Results: a very sizeable contribution.

When the collection plate was passed, the lady began to search through her purse. The nearer the ushers approached, the most frantically she fumbled in her bag. Finally, noticing her plight, a little boy sitting by, slid over and nudged her. "Here, lady," he told her. "You take my dime; I can hide under the seat."

The minister said to the congregation, "This morning we will worship the Lord in silent prayer, followed by a silent offering. But know this: it will be much more silent if you fold it."

If you train up a child to give pennies, more than likely when he is old he won't

depart from it. Finally: whatever we offer to the Lord, broken in His hands and given to the multitude, is sufficient for the need.

We must have long-range goals to keep us from being frustrated by the

short-range failures . . . Set your goals high. You may not reach them, but you'll put on muscle climbing toward them . . . Dear student, despise not your present education. It is teaching you good marksmanship before you really take aim at your goal in life.

Remember this: the first two letters in the word "goal" spell "go", but the greatest thing in this world is not so much where we stand as in what direction we are moving. Now it may be a long way to the goal, but it is never very far to the next step toward it.

Friendship Quilters

by Nina Martin

We are really having fun these days. This past year we've done a dozen quilts. It is Wanda's turn and yo yo's are all around us. She has been making them for several years. This Thursday, Sybil, Wanda, Joy, Ruby, Virginia, Nelda and I worked sewing little yo yo's in a myriad of colors onto a white sheet. It is beautiful.

Nelda was the lucky winner of the September Christmas blocks. Ruby's name was drawn for the October blocks. She has chosen for us to use the same pattern. Everyone is to have two blocks pieced by the end of this month.

It is wonderful having Ruby back. Wanda had to leave early because Fred had a meeting in Amarillo. They will get to watch granddaughter Jessica play volleyball.

Dad and I spent the weekend at Cisco for the Cantwell First Cousin's Reunion. All the cousins were thrilled to see "Uncle Earl".

Don't forget Thursday is our quilting day at the Senior Center. Join us!

Owl Power!

John, Darrah, Marshall and Laura McCammon of Boerne spent the weekend with Virgil and Eudean Crow and attended church here Sunday.

National 4-H Week

OCTOBER 6-12

Sales Tax Permit Fee Is Abolished

"New businesses that are scheduled to open their doors after October 1 and have already paid the \$25 sales tax permit fee, will have their money refunded," State Comptroller John Sharp says. "The same applies to existing businesses that have already filed to have their sales tax permit renewed on or after October 1."

The refunds coincide with the announcement that the annual \$25 sales tax filing fee paid to the Comptroller's Office is abolished, effective October 1.

"Not only will the \$25 fee be abolished, but we're also going to issue a sales tax permit to a business for an indefinite period of time. As long as they are making sales and sending their taxes to the state, businesses won't be required to renew those permits every year, as they are now," Sharp said.

According to Mickey Moore, president of the Texas Association of Retailers, merchants are delighted to see the permit fee abolished. "They felt all along that it was inappropriate to ask them to pay a fee for the privilege of collecting sales tax for the state," Moore said.

"Since it was first enacted by the Legislature in 1987, the \$25 annual sales tax permit fee has generated more mail from angry business people than any issue handled by this agency in the last 20 years," Sharp said.

"Hundreds upon hundreds of business owners were mad that they had to pay a \$25 fee every year to collect taxes for the State of Texas. It didn't make any sense to me either, but that was the law—a law that needed changing," he said.

"While the fee generated substantial state revenue—estimated at \$12.6 million in 1992 and \$14 million in 1993—it also generated more animosity among Texas business people toward state government than you can place a dollar value on," Sharp said.

Also eliminated is the requirement that sales tax permits be renewed annually. Beginning October 1, the permits will only be cancelled if a taxpayer reports no sales or taxable purchases to the state for a year's time, or if the business does not file its sales tax returns and remit the taxes it collected to the state.

In observance of National 4-H Club Week, which is October 6-12, 4-H'ers who entered record books were asked to write paragraphs about their projects.

The following were submitted.

I have been in 4-H for six years and have always had a swine project. I really enjoy this project the best of all. I have a lot of fun buying, raising, and showing my pigs. It is fun, but there is a lot of hard work tending to them all during the six months that I have them. I have had to learn how to care for them in all kinds of weather, how to watch for signs of sickness, and how to feed and water them. —Christine Stephens

My recordbook was done over sheep. Last year was both my first year to do a recordbook and to have lambs. Yes, it was a real experience! But I love lambs and the recordbook was fun, too. I think they were both great! —Wynter Smith

I did swine in the 4-H stock show. It was fun because you get to brush your hogs and win money when you show them and sell them. You have to build pens and sheds for them to stay in. You have to feed and brush them. Before you show them you have to wash them with soap. Swine is just a small part of my 4-H projects. 4-H is a good opportunity for any and all children of any age. —Will Hester

I believe that public speaking is a very valuable asset to have in life. I enjoy giving 4-H method demonstrations. I've learned many new topics and can speak about subjects that I decide upon and find interesting.

I feel more comfortable in front of an audience now. Public speaking has helped to build my self-confidence. —Michael Reagan

Shooting sports really interests me. I've always enjoyed shooting targets with my dad. I'm looking forward to having many 4-H Target Shoots this year and learning about firearm safety and marksmanship.

Hunting is a popular sport and I would like to learn how to become an experienced rifleman and skillful hunter. —Daniel Reagan

As a 4-H member I have enjoyed 4-H for many reasons. One reason is I enjoy the Food and Nutrition Project. In this project, you learn about food, and the proper way to cook the food. In fact you learn how to cook different kinds of foods and many short cuts in cooking and cleaning afterwards. There are other projects in 4-H. I enjoy the Food and Nutrition project the most.

—Cecilia Castillo

I entered my 4-H recordbook in Achievement. The achievement category is two or more projects that 4-H'er has completed.

I enjoyed raising a pig this year. It was hard work feeding and watering the pig but it was fun going to San Antonio to show my pig.

In my food project I learned how to prepare a meal for my family and other people. It taught me how to make all kinds of breads.

The clothing project is for boys, too. I learned what to look for when buying clothes. It was fun making a pair of shorts. 4-H is fun because you get to meet a lot of pretty girls and you get to go to fun camps. —Trey Wyatt

4-H is filled with many different projects. One of them is the recordbook project. This year my recordbook was entered in the Achievement category which explains two or more projects in which you have competed. My projects

were Clothing and Foods and Nutrition.

The Clothing project helped me save money. I saw lots of clothes in stores that were very expensive, but I made them for much less.

In the Food and Nutrition project, I learned to make many different types of dishes and how to serve them attractively.

4-H is lots of fun and helps you learn many things. 4-H also is packed with lots of 4-H'ers who will soon become your great friends.

—Ashleigh Wyatt

This year in 4-H for my recordbook, I entered in Fashion Revue. I told about what I made for the style show and some funny and exciting things that happened. I've enjoyed learning how to save money when I buy clothes by comparing prices.

I have learned what colors and styles look good on me so I will know what to plan on buying when we go shopping.

I'm looking forward to another year in 4-H so I can learn some new and exciting things. —Lindsey Jennings

My recordbook is in Poultry. I have laying hens, capons, and a new project will be broilers. I have to feed, water, gather eggs, and care for all the chickens. I show the capons at the South Plains Fair in Lubbock. I will show the broilers at the Houston Livestock Show.

Some other projects of mine are Horse, Beef, Food, and Clothing. 4-H is fun to me because it gives me opportunities to do the things I like.

—Molly Brooks

My recordbook is in the category of Agriculture. This has three or more subjects combined in it. My favorite subject is livestock because it teaches you responsibility and how to groom the livestock.

Leadership also comes with the livestock project. Taking the pigs and heifers to Houston or San Antonio is a lot of fun for me also.

I have met many people and visited many places since I have been in 4-H and going to stock shows.

—Josh Brooks

My project recordbook this year is in Agriculture. I have enjoyed it this year. I show heifers at the County Show. We are also raising our own Hereford herd. We went to Houston with hogs and did pretty good. I am in the calf scramble this year. I am looking forward to the many activities I will do this year.

—Jeremiah Brooks

I have enjoyed being in the 4-H Horse Club since I was four years old. I learned how to run the barrels and went on trail rides. As I got older I learned harder reining patterns. I also attended a clinic taught by A&M students. The trail rides are the most fun.

—Donny Burson

I have been in the food and nutrition project group two years, and for one year I have had gardening and horticulture and shooting sports. I entered my record book in food and nutrition. I have won second and third place rosettes at district. I like taking part in the 4-H pet shows and other activities. 4-H helps boys and girls make friends, learn things that are not included in their school work and to be able to talk to strangers without being so shy. Everyone is a winner in 4-H!

—Brandon Sarchet

I was in the food and nutrition project and learned how to make several dishes. I entered a fruit salad in the county food show and won a blue ribbon. My 4-

H recordbook was entered in food and nutrition. I took part in the 4-H pet show and in rifle marksmanship. Our club had a party that was fun! I have made new friends in 4-H.

—Jordan Sarchet

No Commodity Distribution Set For October '91

Panhandle Community Services, the agency that administers the commodity program, has informed Briscoe County Judge Jimmy Burson that there will be no commodity distribution for October.

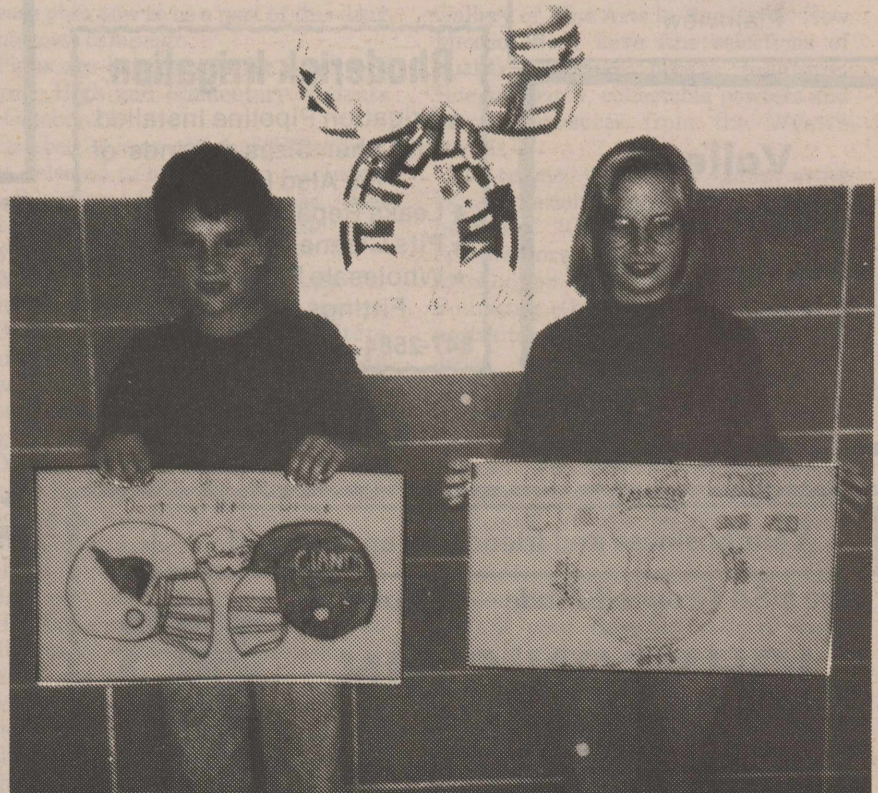

The reason for this is that limited supplies are available. Butter and rice were the only commodities received by the agency, and it was decided to add those to the December distribution.

Immunization Clinics Planned For This Area

Immunization clinics offering vaccines that give protection against several childhood diseases are scheduled in this area for October. Protection is against polio, diphtheria, lock jaw (tetanus), whooping cough (pertussis), measles, rubella, mumps and HIB (haemophilus influenzae Type B).

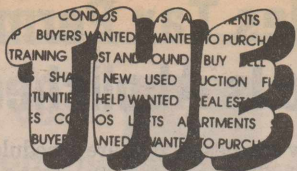

Clinics will be held at the Texas Department of Health Office, 310 West Broadway, Room 115, in Tulia from 9:00 until 11:30 a.m. and from 1:00 until 3:30 p.m. October 2, 9, 16 and 30.

The Texas Department of Health is charging money to help with the cost of keeping the clinics open. The amount of money charged will be based on family income and size, and the ability to pay.

Leland Wood was first-place winner and Shauna Kingery won second place in the Red Ribbon Week poster contest held in the Silverton Schools.

HELP WANTED

HELP WANTED: PART-TIME Meter Readers to read electric meters 2-3 days per month in rural areas around Wayside and Lake Mackenzie. Prefer members of Swisher Electric Cooperative or people who know these rural areas well. Call Swisher Electric Cooperative at 995-3567 or 1-800-530-4344. 40-2tc

CARDS OF THANKS

We would like to thank everyone who has helped out since Anna's surgery: Mark and Brenda, who took on four more kids; Pete and Dorthy, miscellaneous help; J. C. and Stella, for Al's moral support; to Aunt Ethel and Uncle Glenn, for the meals; Mr. and Mrs. Ronnie Miller, for the cake; Lottie Garrison, for the meal, etc.; all the fine folks at the First Baptist Church, and everyone else too numerous to mention. May God bless you. We certainly do thank you from the bottom of our hearts.

Al and Anna Hall and Kids

Silvertown PTA would like to thank all those who participated in the District Workshop. A special thanks goes to David Cavitt, Perry Brunson and Sue Miller for giving their time to serve on our Education Communication Panel, and for doing an excellent job.

Sincerely,
Diane Donahoo
