Immunization clinic to be here Thursday

The Texas Department of Health will conduct an Immunization Clinic at the Community Center/Housing Authority Building in Knox City on Thursday, January 6, from 10:00-11:30 and 1:00-3:00.

Immunizations offered include DTaP, Hib, Polio, Measles, Mumps and Rubella and Hepatitis B for infants as well as all school immunizations. The Td immunization is available for all adults not having one in 10 years.

The Hepatitis series was required for Kindergarten entry this year and will be required for 12 year olds on August 1, 2000. Parents are asked to check their child's immunization record for this series. The series takes four to six months to complete.

The varicella (chickenpox) vaccine is available to anyone age 1 through adulthood that has not had the chickenpox. If a child is in need of this immunization, call the office to reserve a dose as the clinic only brings the amount that is reserved.

Participants are asked to bring immunization records and social security numbers. A parent, adult family member or legal guardian must accompany a minor.

All services provided by the Texas Department of Health are provided on a sliding fee scale but no one is denied services due to an ability to pay.

For more information on any of the immunizations, call 940-574-2159.

VA regional office gets clean Y2K bill of health

By John Gillispie,
Knox County Veterans Service Officer

Area veterans need not worry about Y2K computer problems affecting their benefits payments from the Department of Veterans Affairs (VA) regional office in Waco.

All systems have been "checked, verified and issued a clean bill of health," according to facility acting director Larry Burks.

The regional office at 701 Clay in Waco is open for business. "Computer systems at the facility are performing properly as the New Year begins," Burks said.

"We've checked computer equipment, all electronic systems, elevators and power supplies, heating systems - virtually everything. Veterans can depend on us to deliver their benefits today and for the next century."

"The start of the new millennium should be an occasion for celebration and thanksgiving," Secretary of Veterans Affairs Togo D. West, Jr. said. "At VA, our employees have been working for months to ensure that it isn't a time of apprehension of our nation's veterans."

US 277 Highway Project Update

CHILDRESS - Dwayne Culpepper, TxDOT Environmental Specialist, reports that the environmental study of the US 277 improvement project alternatives for Knox County has been submitted to the TxDOT headquarters for review.

Culpepper stated, "working with our consultant (Carter & Burgess Engineers of Fort Worth) we have performed a comprehensive study of the alternatives discussed at our previous public meetings."

Culpepper anticipates Austin headquarters and Federal Highway Administration review of the study to be complete by March.

"Right now it looks like we will be able to hold a public hearing to discuss the study and alternatives in April. This is later than originally discussed, but this project had many varied issues to study, and we had many public comments and concerns to look into," added Culpepper.

US 277 has been designated as a priority one project for the Texas Trunk System and will be developed into a four lane highway between Wichita Falls and Abilene. Questions or concerns about this TxDOT project should call Dwayne Culpepper, 940-937-7145 or Gary Mizer, Munday Area Engineer, 940-422-4115.

Benjamin news

By Gladene Green, Benjamin Correspondent

Now that the holidays are over and so far no real problem with Y2K, maybe things will settle down. I don't know about you all but I'm read for a "calmer" life for a while. With all the "comings and goings" and too much to eat that's so prevalent this time of the year, I think a slower pace is most welcome.

There's still a good bit of sore throat, coughs and other problems that accompany this flu that's going around. Seems when anyone gets it, it takes a while to recover. Maybe if we could get some really cold weather, it would kill a lot of "what's causing the problem". It is much colder today, Tuesday and saw a few snow flurries north of us up toward Vernon last night but none was staying on the ground. It's winter tho and one of these days, we will probably get it!!

Ball News - Last Tuesday night, we played the Newcastle teams in basketball - Junior High boys and varsity boys and girls. The high school girls won. Can't remember the score but there were several points different in the final tally. Both boys teams lost but all the games were pretty good. Tonight, high school plays Woodson here.

All-State Volleyball Teams Picked - The Texas Sports Writers Association has picked their all-state volleyball team for 1999. Receiving honorable mention honors was Blaine Conner of Benjamin. Blaine is a senior and did

an outstanding job on the volleyball court last fall. Congratulations, Blaine!!

Here 'N There - Still a little more Christmas news - Roger and Betty Bohannon and family had Lonnie Bohannon, Misty Raines and Chance of Abilene and Pam Mosteller and sons of Perryton during Christmas. Then on the New Year's weekend, Lonnie and family returned and Kathy Bohannon and daughters of Amarillo were here and attended the wedding of Jamie Bohannon and Brandon Brumley New Year's Eve night.

Jack and Mary Young spent Christmas with their daughter, Debbie Neil and family in Haltom City. Their grandson, Trevor, returned home with them to spend the rest of his holiday break from school. He returned home Sunday during the holidays were their son Jack Jr. and his wife Cindy of Palestine. They were returning home after spending Christmas with Cindy's mom in Ruidoso.

Wilma Smith spent a quiet Christmas at home. Her only guest was her daughter, Vicki Spence of San Antonio.

Laura McCanlies said they also had a pretty slim crowd. Christmas Day, she Dickie and Jenna had his dad Butch over and she fixed dinner for them all. On New Year's weekend, she said Mike and Imogene House and daughters, Brittany and Ashley of Mansfield visited them.

Debbie Clower and family and

her mom, Dickie Lloyd, spent Christmas with family in Dallas. Debbie said all her family was there coming from Houston, Lexington, Kentucky, Austin, as well as Dallas and Benjamin. After returning home, Bill and Iva Rogers of Loveland, Colorado, and David and Christy Leathers and little two week old son, Josiah of Longview, visited the Clowers. Also, the children, Michael, David and Sarah visited the Culler family in Throckmorton a few days.

Pat Benson had her kids, Sheila Kuehler and family of Shamrock and Billy Carl and family, who lives here during Christmas. Aaron, Seth and Kaitlyn Kuehler stayed a few days for a visit here and with other grandparents, Dale and Gerard Kuehler at Rhineland. Talked to Seth and he said he's liking Shamrock and that's good to hear. We still miss them here.

Dutch Young goes back to see his doctor Thursday to have his shoulder checked. He says it feels pretty good but he still has to be very careful with it. He had surgery for some repair on it a day or two before Thanksgiving.

Jonnie Williams and I attended the graveside rites for Jack Lankford at Knox City Sunday afternoon. Also saw Fred Carver. I extend my sympathy to Jack's family.

Audra Neal is improving but I believe she is still in the hospital in Abilene. Maybe by next week I'll have a little more news concerning her.

Earlene Meizer attended the burial of Ola Mae Nichols at Vera Saturday morning.

Appreciate the kind words of encouragement from friends concerning this news column. These comments are what keep me "plugging away" week after week. Thanks again!

A SPECIAL THANK YOU TO J.C. and JANICE EATON

My heart goes out to you for never turning your back on me when nothing mattered to me but the drugs that led my life for 2 1/2 years. When I turned my back on you and my family, you have always been there for me. With God and a little help from the Federal Government, I was plucked from the influence of drugs and Satan which I have no doubt saved my life. Again, thank you for coming to Florida and spending Christmas with me.

Love,
Jerry C. Eaton

P.S. With God driving now, I should make it home in a few years.
