## Greyhounds looking for District Championship

*This Friday night's game to determine who goes to the playoffs, who stays home*

The Knox City Greyhounds will face their most important game of the season when they host the Paducah Dragons here on Friday night. Not only will the Greyhounds be trying to defeat the Dragons, they have to do so by at least 14 points to remain in the running for a playoff position.

In what is a very unusual way to determine who makes the playoffs, an alternate method was necessary after Aspermont dropped out of the district when they went to 6 man ball this year. The following point system was agreed to by the district coaches: Each team has a maximum of 14 points possible. In the district race, Munday defeated Knox City to give them a plus 14 points and Knox City a minus 14 points. Paducah then defeated Munday and went to a plus 14 points while dropping Munday back to 0 points. If Knox City defeats Paducah this Friday night by at least 14 points, Paducah will drop back to 0 points and Knox City will come up to 0 points. That would mean Knox City, Paducah and Munday would all be even at 0 points, with even district records of one loss each.

The next step, if Knox City defeats Paducah by 14 points or more, would be to have a coin toss by the head coaches from Knox City, Paducah and Munday

after the game. Since all teams would then be at an even 0 points, the coin toss would be to determine who would be odd man out. The team losing the coin toss would be Co-District Champs, but would not advance to the playoffs. The two teams remaining after the toss would advance to the playoffs based on how they had played each other during district. For example, if the two teams left were Knox City and Paducah, Knox City would be District Champs if they beat Paducah. Paducah would be the runners-up. If Paducah and Munday were left, Paducah would be the District Champs since they beat Munday. The Moguls would then be runner-ups.

If Knox City wins the game on Friday night against Paducah, but not by at least 14 points, the Greyhound season would end.

So, after trying to figure out all the ways this could play out, it is obvious that the Knox City Greyhounds will be facing their toughest game of the season. As such, the team needs your support! Everyone is urged to show up for the game and cheer on our athletes as they play this last scheduled district game that could launch them into the playoffs.

The kickoff for Friday night's game is set for 7:30 p.m., here at Greyhound Stadium.

GOING FOR A LOT OF YARDS, Kendrick Green (21) is shown here at the right as he outruns several Motley County defenders last Friday night at Matador. Also shown on the play (from left to right) are Matador Clint Cooper (82), Greyhounds Sedrick Roberson (2) and Justin Casillas (20), and Matador T.J. Christopher (22). and former Knox County residents are invited, as well as all others.

Ex-Students Center. Profits from the lunch will go into the Knox County Veterans Memorial Fund maintained by the KCHC, which is used to keep up the memorial grounds and to add or correct names on the monument.

A number of names have been added since the dedication in November 2000.

## KCHS Greyhounds defeat Motley County Matadors 52-13 last Friday night at Matador

Taking a road trip to Matador last Friday night, the Knox City Greyhound Football Team played a well executed game that provided a 52-13 district win over Motley County.

With Knox City jumping out to a commanding lead of 46-0 before the halftime, Coach Wayne Hutchinson had another valuable opportunity to avoid needless player injuries during the district race as he rotated both varsity and junior varsity players in and out of the game as much as possible.

Knox City brothers Gemile and Sedrick Roberson combined their efforts for four Knox City touchdowns, adding to other touchdowns by Riley Spells, Kendrick Green and Ryne Burkham.

Knox City - O'Brien CISD Superintendent Louis Baty has announced applications for a high school diploma for certain veterans are now available.

The diploma is for eligible World War II veterans or a person acting on behalf of an eligible deceased World War II veteran.

Under the Texas Education Code, §28.0251, an eligible veteran is one who: (a) is an honorably discharged member of the armed forces of the United States; (b) was scheduled to graduate from high school after 1940 and before 1951; and (c) left high school before graduation to serve in World War II.

The implementation of this pro-

gram to award high school diplomas to eligible World War II veterans acknowledges the service of those who left high school before graduation to serve in World War II.

One of the following pieces of documentation must accompany the completed form:

- DD Form 214
- Enlisted Record and Report of Separation form
- Discharge Certificate

The completed form and required documentation must be submitted to the local school district where the veteran was enrolled in high school.

If the veteran's school district no longer exists (e.g., the district

was consolidated into another district), the form should be submitted to the consolidated district which will be responsible for issuing the high school diploma.

If the veteran's high school no longer exists, (e.g., the high school was closed).

The district in which the high school was formerly located is still responsible for issuing the high school diploma.

Supt. Baty will be presenting one diploma to a World War II veteran during the Saturday morning Veterans Day ceremonies to be held in Benjamin.

Forms are available at the Knox City-O'Brien CISD administrative office.

## O'Brien happenings

By Audie Johnston, O'Brien Correspondent

"Back at my high school for the tenth reunion, I met my old coach. Walking through the gym, we came upon a plaque in which I was still listed as the record holder for the longest softball throw. Noticing my surprise, the coach said, "That record will stand forever."

I was about to make some modest disclaimer that records exist to be broken, when he added, "We stopped holding that event years ago."

Here and There - Charlene Brothers recently visited in Hamilton County for a reunion of several of her cousins, of her mother's family, the Daniel and Bertie Smiths. Cousins attending were Marvelene Lancaster and Jean Gibson of Springtown, Mertice Barner of Graham, Sherry Green of Denver Colorado and their uncle Richard Smith and wife Sybil Smith of Hamilton. This is the first time this group had been together since 1977. They all enjoyed visiting very much and plan to do this again next year.

Charlene was in Tuscola recently to attend the Halloween carnival at the Buffalo Gap School

where her grandson, Chase Brothers is a student. They enjoyed the visit very much, only the second Halloween carnival she had attended since her sons were in O'Brien High School.

Then on Sunday of that weekend she was in Azle to attend the 5th birthday party of her great-granddaughter, Emily Brothers of Fort Worth.

The little ones had a very good time at the party, which was held at her parents home in Fort Worth. Attending were also Jerry and Rosie Brothers of Azle, Emily's grandparents.

Grady Murry of Plainview visited with his mother-in-law, Beatrice Ellis, last week while he was on his trip to visit other places.

Bennett and Sue Shortes were in Lubbock over the weekend to visit Bennett's daughters.

My daughter Sammie Roberts and husband Kenneth of Plainview came Sunday night and spent the night with me and did my yards and flower beds get a clean up.

Loretta was in Snyder over the weekend to visit her mother who has had a spell of pneumonia, but

seems to be doing pretty well.

Visiting Ranzy and Adelle Herring over the weekend were David Hewitt of Austin, Gary Hewitt and Terry Hester of Knox City, Kevin Urbanczyk of Goree and Claudia Reid of Rochester.

Dan and Marilyn Talbot will be in Arkansas a few days this week visiting friends and relatives.

Jimmy Johnston will be in Lubbock attending schooling for the city water department.

Nathan Sherman was in Panhandle over the weekend with his wife and children.

Billie Walker enjoyed a vacation with her sister, Mary Beth Seney, niece Pam Baginski and husband Tom. She traveled to Louisiana to her sister's, then they drove to Auburn, Alabama, where Pam and Tom took over and drove them to Tennessee Smoky Mountains and through a bit of North Carolina on the return trip. The leaves were gorgeous.

Billie visited with her brother, Art Cameron and wife in Tyler, sister-in-law Vera League in Farmers Branch and friends in DeSoto and Duncanville.

**SEEDS FROM THE SOWER**  
 Michael A. Guido  
 Metter, Georgia

A brilliant man who excelled in medicine, music and philosophy wondered, "What shall I do?"

While going through his mail, he noticed a magazine that was addressed to his neighbor but had been put in his box by mistake. In it was an article, "The needs of the Congo."

He read it, prayed about it, and said, "My search is over." He went to the Congo, became a great missionary and received the Nobel Peace Prize.

Was it an accident the mailman put the magazine in his box? No, an act of God.

Like the hymn says, "God moves in a mysterious way His wonders to perform."

Researchers at Harvard have known for some time that Down Syndrome patients who survive past 30 tend to develop brain lesions & dementia like Alzheimer's Disease suffers. Downs patients are extremely sensitive to the pupil dilating drug tropicamide, use by ophthalmologists to look inside a patient's eyes. Using the drug on the eyes of Alzheimer's patients found that the eyes of those people dilated 13% vs only 4% for a control group of non Alzheimer's people.

October 29, 2001

Dear Editor,

I am glad to live in the USA. Because I can agree or disagree publicly. I want to talk about the letter last week. It had a few words that were interesting (Investigation, playful dog).

Who INVESTIGATED? Which City Councilmen investigated? Fred Ledesma was the only name I read. Why only his name.

Who is more important? A DOG OR HUMAN LIVES!!!  
The dog did attack an innocent family, walking home. He ran up to them and ran into the lady's leg. The lady and her children were twirling and twirling until help arrived. She fainted.

The Officer Lance Provost, Constable Buddy Curd helped the lady. Made sure she was okay. Even called a friend to take her home, or really to their house to care for her.

This was not the first time they had trouble with the dog. They also witnessed other kids being scared by the so-called playful dogs. The kids are still scared.

The lady and her children were victims, the officer did his job. We don't have the equipment to catch dogs. Maybe we need to get some!

They moved here to a peaceful town called Knox City. They mean no harm to anyone. But the dog did not make them feel WELCOME! We need to step back and look at the WHOLE PICTURE!

/s/ Elda Garcia

P.S. The Officers were RIGHT!

## Benjamin news

By Gladene Green, Benjamin Correspondent

Well, here we are in November heading toward Thanksgiving and Christmas. Can you believe we are almost to the end of another year. The second of the new century! I've said it before and will say it again - my how time is flying!!

Returns from Houston - Dub and Jo' Cartwright got home Thursday after a couple of days in Houston for her to undergo tests and evaluation at M.D. Anderson. She began chemo treatment orally Thursday and so far is not having too many problems with it. I visited her this afternoon and she as feeling pretty well. Had been "doing around" the house - taking care of a few household chores. She goes back to Houston November 16 to see what progress she has made since beginning treatment. And we continue to pray with her and her family for a favorable report.

Others in the community on the not feeling too well list are Betty Bohannon who has not felt very well for several days and will see a urologist as soon as she can get an appointment. Joe Tennyson made a trip to the hospital last Thursday with symptoms of heart problems but he is back home now and feeling pretty well.

Weldon Gideon's sister, Mildred Wynn from Port Arthur,

is here and fell early last week and broke her leg. She has been recuperating at the home of Jane Gideon but if she continues to improve will return to her home this coming weekend. Certainly do wish her well.

Sports - The Mustangs traveled to Harrold Friday night and tho they played pretty well were defeated by 48-28.

A nice crowd made the trip to Harrold to see them play. The cross country girls were in Arlington Saturday for the regional meet. That finished them as they didn't qualify to go farther. But they have had a good year.

Also the volleyball girls are still going. Won the bi-district game against Northside last Tuesday and will play for area tomorrow (Tuesday). That game will be with Fort Elliott and will played at Paducah.

Former resident recognized - Buster Redwine of Lubbock was one of three Lubbock firemen honored recently with Citations of Merit at Fire Station #1 in downtown Lubbock. Buster, along with a fellow fireman, was cited for saving a man from a burning house in May of 2000.

The fire investigation said the heroic actions of these men reflect who they are, who their supervisors are and what the department is. The men were modest

about their award saying any fire fighter in their position would have done the same thing.

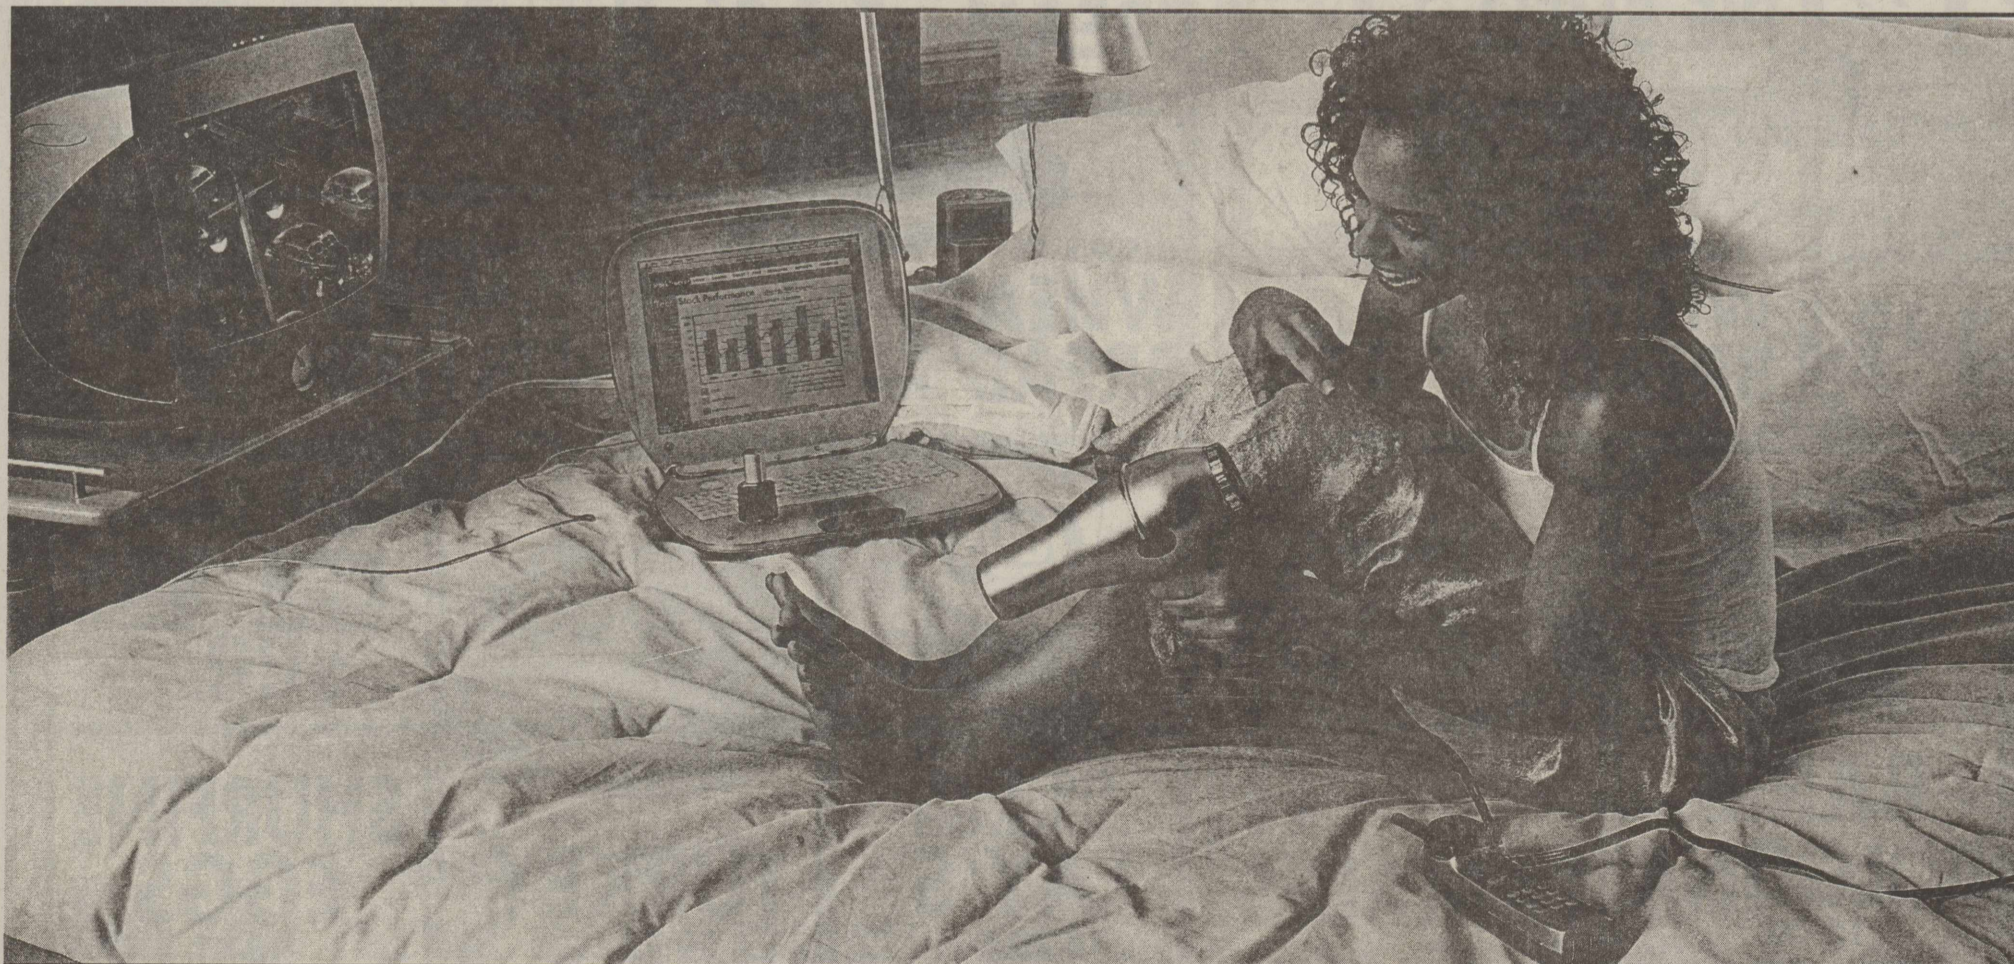

Redwine is a graduate of BHS and is the son of James Redwine and Judie Redwine. He lives in Lubbock with his wife, Angie; and sons, Blaine and Parker. He is the nephew of Bud Conner.

Jr. Football Royalty - During halftime of the Harrold-Benjamin Junior High game Thursday night, Zach Shaw was crowned football hero. Zach is an eighth grade student. Sadie Benson was selected football sweetheart. Sadie is in the seventh grade. Their parents are George and Connie Shaw and Billy Carl Benson and Kathy Benson. Harrold won the game 6-0.

Here 'N There - Dillon Hutson of Childress spent the weekend with his grandmother, Debbie Moorhouse and family. His sister, Randi, came Sunday and stayed until Tuesday.

Betty Martinez of LaCresenta, California, visited Jo and Dub Cartwright during the weekend. Betty is the former Betty Escobar and is a former resident will be remembered by many here.

Jack and Mary Young and Dutch and Imagean Young spent the weekend at their deer lease near Rising Star. No word yet on whether or not they had any luck or not.

We provide electricity, natural gas and communications. But it's not so much what we do, it's what you do with it.

Go, world. Go. TXU

A lady said to a tramp, "Here's a quarter, not because you deserve it, but it pleases me to give it."

"Thanks, ma'am," he said. "But make it a dollar and really enjoy it!"

The Lord has given us two hands - one for receiving and the other for giving. But if you take and never give, you may last for years but you'll never live. And giving is a joy, if you do it in the right way.

Don't ask, "What can I spare?" but "What can I share?"

The Bible says, "Each man should give what he has decided in his heart to give, not reluctantly or under compulsion, for God loves a cheerful giver."
