Historical commission museum fundraiser to be Sunday in Benjamin from 11:30 to 1:30

Knox County citizens, former residents, and friends will be gathering Sunday, February 2, at the Benjamin Ex-Students Building to support a Knox County museum building fund and enjoy a great Knox County barbecue.

Serving will be from 11:30 a.m. until 1:30 p.m. Brisket, baked turkey, sausage, red beans, cole slaw, potato salad, deviled eggs, bread and desserts will come from the hands of Knox County cooks, even the bread is home baked. The delicious menu brought in 450 sup-

porters last year and at least that many are expected this year. Tickets are \$7.00 for adults and \$4.00 for those 12 and under. Take out plates will be available.

Historical displays will be available for viewing including the County Schools quilt, uniforms from the museum collection, photos and a portion of an individual's collection of Indian artifacts.

The obituary notebooks will be available for searching for an ancestor's story. All clippings in

the notebooks are about persons buried in Knox County.

Other Knox County related clippings are located in the KCHC office family files. Anyone who has clippings suitable for either file is invited to bring them February 2.

Drawings of the proposed museum building and other museum information will be available. There will be a drawing for door prizes following the meal, and surplus food will be available for sale.

Johnson Melon Corporation's representative Jennifer Carden was named Texas-Oklahoma Watermelon Queen 2003 at the association's annual convention in McAllen on Saturday, January 18.

Jennifer, a 2001 Munday High School graduate, will compete for the national title in Las Vegas in March 2004 and with her new title received a \$3,000.00 scholarship from the association and a \$1,000.00 scholarship from Tri-

Wall. A Texas Tech University student, majoring in agricultural communications, Jennifer is the daughter of Jeannie and David Turek of Fort Worth and Jimmy Carden of Munday.

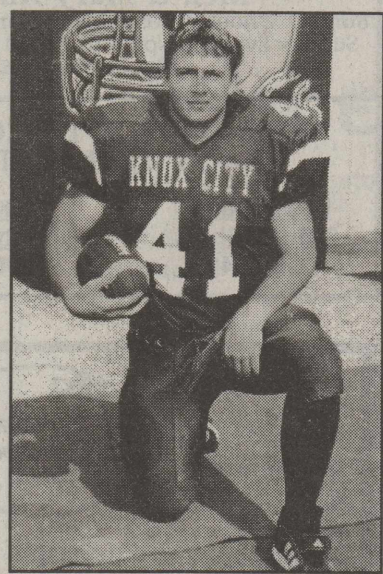

Knox City's Thompson commits to ACU

Scotter Thompson, a dominating force on Knox City High School's defensive unit, has verbally committed to Abilene Christian University in Abilene following a recruiting visit to the campus on Saturday.

Thompson, middle linebacker and defensive team captain for the Greyhounds, totaled 131 tackles, 20 behind the line, 10 sacks, 5 caused fumbles and recovered 3 during his senior year.

Thompson's performance and leadership on the field earned him several post season honors. He was named the Defensive MVP for District 9-A, the small school Defensive Player of the Year for the 'Red River 22' by the *Wichita Falls Times Record News*, the All Big Country Class A Defensive Player of the Year, and a linebacker on the All Big Country 'Super Team' by the *Abilene Reporter News*. The Texas Sports Writer's Association named Thompson as a third team All-State linebacker. He was also on the *Top-O-Texas* magazine's pre-season Defensive Super Team.

Ranked in the top 3 of his gradu-

Scotter Thompson

ating class with a 3.75 grade point average, Thompson was also named as an Academic All State, second team.

Thompson also served as the Greyhounds fullback, rushing for over 500 yards with an average per carry of 5.2 yards. Coming through when his team needed him the most, Thompson scored the winning touchdown in the Area Championship game against Windthorst with just 13 seconds

left on the clock.

Knox City's Greyhounds finished the 2002 season as Regional Champions, winning a pair of playoff games before falling in the Quarter-Final Championship game to eventual state champion Petrolia.

Wayne Hutchinson took over as Knox City's Head Coach following the 2000 season. Knox City went 11-2 last season. Coach Mitch McLemore was Scotter's defensive coach, and Scotter credits much of his success as a linebacker to Coach McLemore. Thompson also praised his teammates, stating: "We had a very successful team this year, every player and coach helped to make each other better."

Thompson is a cousin to former Abilene Christian University All American linebacker Chip Bennett of Denver City, who played for the Wildcats in 1968 and 1969, and was a teammate of Jerry Wilson, ACU's current linebacker coach. Bennett is a member of ACU's Sports Hall of Fame and played for the Cincinnati Bengals from 1970 to 1971.

O'Brien happenings

By Audie Johnston, O'Brien Correspondent

"During the latter stages of my pregnancy, I brought a cushion to work to make my chair more comfortable. One afternoon I returned from lunch to find my chair had been pushed to the far side of my work area.

"Looks like someone's sitting in my chair," I commented to one of my co-workers.

Glancing down at my stomach, she said, "Look's like someone's also been sleeping in your bed."

Here and There - Julie Sanders and Billie Anne Cole of Amarillo visited with Billie Walker. She joined them on a trip to Denton to celebrate Julie's son's birthday. John Sanders and wife Joey enjoyed visiting with John's sister, mother and grandmother.

Jim Duncan of Los Lunas, New

Mexico, cousin of Billie Walker, dropped by for a visit before the group left for Denton.

Spending the weekend with Adelle Herring were daughter Pansy Hines, Julie and Stephanie Keeling of Lubbock and Kevin Urbanczyk of Goree and Tamara McGaughey of Knox City. Adelle and daughter Pansy attended church services Sunday. They also celebrated Pansy and Kevin's birthday with lots of good cakes and other food.

Eddie and Claudia Bryant were in Lubbock over the weekend to visit with their son Jon and wife Lindsey.

Spending Saturday night with C.H., Linda and Reed Underwood were Bro. Milton McManus and wife Rhonda and daughter Lacy

of Caddo Mills. We were blessed to have Bro. Milton preach for us Sunday and hoping he will be moving here soon. We had a delicious meal on Sunday.

Janoma Stephens and Charlene Brothers were in Abilene last week for Janoma's eye surgery and she's doing good.

O'Brien Baptist Church held a funeral for a former member, Lucille Abbott, last Wednesday, January 22. Bro. Bill Trice did the memorial sermon and Zo Felts played the piano and Delbert Lloyd led singing. Our church hosted a great meal for all families and friends of Mrs. Abbott and relatives and friends.

We still have several people that need our prayers. You know prayer really changes things.

Benjamin news

By Gladene Green, Benjamin Correspondent

After a pretty cold week last week, today (Monday) has been better. Not exactly "air-conditioning" weather but temps have been more pleasant. We do need some rain but maybe that will come soon.

Sympathy to the family of Pearl Ryder who passed away yesterday around 4:30 a.m. Pearl had suffered a stroke on Thursday and never regained consciousness. She had been living in Justin with her twin sister for a year or so but Benjamin was always home to her. We have missed her since she's been away and will miss her even more now. I loved her and always appreciated her friendship.

Also sympathy to the family of Norma Sutton who passed away last week. She, too, was a friend.

Seems like our friends in the community who have been having health problems are improving. Jane Gideon seems to be feeling better since her recent hospital stay.

Bobby Hudson is doing pretty well, also. Is out and about and that's an encouraging sign.

Jamie Bohannon Brumley spent a couple of days in Knox County Hospital. If her problem didn't get better she was to go to Wichita Falls today. I haven't heard anything today.

There's still some folks with the flu-like symptoms and respiratory problems. So far, I've missed all that but still know cold, wet days lie ahead and no telling what we may come up with!!

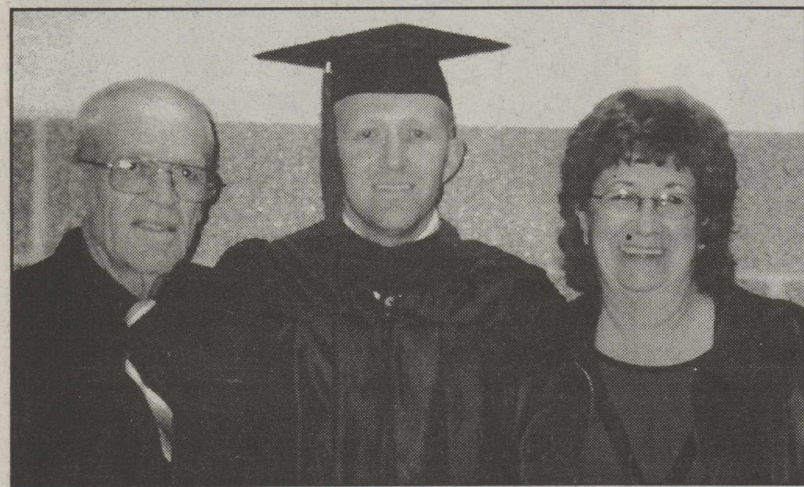

In basketball last week, both

teams defeated Northside by a pretty good margin. We need more final scores like those.

Here 'N There - Dougie Shipman of Wister, Oklahoma, is here for a few days visit with his cousin, Kay Sheedy and family. Kim Moore and a friend, Steve Oliverez of Spur, visited briefly in Benjamin on Saturday.

I talked to Doris Bufkin Wednesday and she said Sonny was doing fine since his melanoma skin cancer surgery. He will have to be checked regularly to see if there's any recurrence of the problem but so far - so good. He was to go back to work today.

Did the Super Bowl go like you wanted it to? It suited me fine - turned out to be a little closer game than it first appeared to be.

HIGHEST ACADEMIC AWARD - Clint Wes Hacker, shown with his parents Clifford and Sherry Hacker, received the Academic Excellence Award for the highest cumulative grade point average throughout the Masters of Physical Therapy Program. The award was presented at an awards banquet for the Physical Therapy Department on Thursday, December 12. Clint was a member of Alpha Phi Honor Society. He graduated from Knox City High School in 1996 and received his B.S. in Kinesiology with a minor in Biology and Psychology from ASU in 1999 and his Master's of Physical Therapy on December 13, 2002, from ASU. This was the inaugural graduating class of Angelo State University's Physical Therapy Program. Clint has accepted a position in the Physical Therapy Department at Covenant Health Systems in Lubbock. He is the grandson of Leroy and Loretta Burns of Floydada.

Rhondi Rodriquez is awarded child care credential

Rhondi Rodriquez of Knox City has been awarded a Child Development Associate (CDA) Credential in recognition of outstanding work with young children. The credential was awarded by the Council for Professional Recognition in Washington, D.C., which represents the early childhood profession.

CDA is the only major national effort to improve child care by evaluation and recognizing the skills of individuals providing care. The first credential was awarded 25 years ago, and now 46 states plus the District of Columbia include CDA in their child care licensing regulations.

Parents who use child care are especially concerned today about their children's welfare. With this in mind, as part of the CDA assessment process, every candidate for the CDA credential is observed working with young children or families by an early childhood professional. In addition, the Candidate must demonstrate the ability to work with families to develop children's physical and intellectual capabilities in a safe and healthy learning environment.

The CDA credential is having a positive effect on the quality of child care. Its impact is evident in center-based care and home visitor programs as well as family child care, the most common form of care for children under five years old.

Child care staff and parents wanting information on CDA should write to the Council for Professional Recognition at 2460 16th Street, N.W., Washington, D.C. 20009-3575, or call (202) 265-9090 or 1 (800) 424-4310.

WANTADS
 Work Wonders!

I just want to give my 'sincerest thanks' to all these beautiful people that gave of their time, and above all, that gave of their love, and helped me with the dinner that was given for my beloved Aunt Celia. I thank Him for this mighty blessing from Heaven. I was deeply touched by how God worked through everyone. He never ceases to amaze me. He (His name) is greatly to be Praised, Honored and Exalted. I thank Him for this. May He always guide your every step, and may 'His Light' (Love) continue to shine through you all.

"The King will reply, I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me."
