THURSDAY, OCTOBER 7, 1993

VOLUME 85

NUMBER 40

There are 6,000 schools in Texas, and 632, including the Silverton School, have been recognized for academic achievement. This puts the local school in the top 11% in the state, of which administrators and faculty members are justifiably proud. Superintendent Frank Kirchoffner (right) was pictured as he presented a certificate of academic excellence to Principal Stan Fogerson. Witnessing the presentation are faculty members, (front, left to right) Sheryl Weaver, Kim Mayfield, Dorcas Garrison, Denise Parham, Juannah Jennings; (second row) Fern Parker, Shelley Brock, Kari Patton, Janice Kirchoffner, Laura Long, Michelle Francis; (third row) Mary Ann Rauch, Nancy Young, Tina Nance, Nancy Wood; (fourth row) Margie Pinkerton, Jane Self, Clyde Parham, Patsy Towe, Paula Garvin; (back row) Sue Miller, Ronnie Miller, Mike Long, Roger Whipkey, Donnie Dutton.

## Church Supports "War on Drugs"

The United Methodist Church supports the efforts of public education and community leadership in the "War on Drugs." Successful drug prevention requires a response from numerous community systems, including the church. The United Methodist Church is committing the morning service to a special Drug Awareness Emphasis on Sunday, October 17, at 11:00 a.m. Pastor Brad Enloe has invited Robert Bell, a Prevention Consultant with Drug Prevention Resources in Dallas, to make the presentation.

Bell is a practicing attorney in Amarillo. He has earned a law degree from Texas Tech University and also holds a B.A. degree from Baylor University and an M.Div. degree from Southwestern Baptist Theological Seminary. He has served as pastor of two churches in Texas.

Bell is married to Cheryl Kay, a registered nurse, and they have twin sons, Patrick and Thomas. In addition to his extensive education, Bell brings with him a tremendous background in Temperament Analysis training,

pastoral experience and family counseling. He is now active in church and denominational work.

"We welcome everyone to come and learn how we can keep this town drug and alcohol free," said Pastor Enloe. "This is especially important for our children and youth. You can do your part by bringing them or encouraging them to be here on October 17."

If there is a conflict of time, Bell will be speaking at the Vigo Park Church at 9:30 a.m. on the same morning. He will be finished in time for you to be back in Silverton by 11:00 a.m.

## It's Fall Carnival Time Again Soon

Progressive Homemakers once again are sponsoring the Fall Carnival, which is scheduled for Saturday, October 30, at the Briscoe County Showbarn in Silverton. Only four booths are scheduled at this time; unless there is

## Mobile Office To Be Here Oct. 12

U. S. Representative Bill Sarpalius' mobile office will be in Silverton on October 12 from 9:30 until 10:30 a.m. at the courthouse.

The mobile office allows the Congressman to bring his office's services directly to his constituents.

"I have always believed that to be an effective public servant you have to go to the people and hear their wants and needs," Sarpalius said. "I was elected not just to represent you, but to serve you. That's why I have this mobile office."

The mobile office will be traveling to each town in the district on a periodic basis. For more information, contact Doug Dodson, community representative, at 806-371-8844.

## Win Owls!

more response, the annual event will be cancelled.

This is an easy way for clubs, civic organizations or individuals to earn a little money. The Fall Carnival is a great place to bring your whole family for a night of games and delicious food for a minimal cost.

Don't let the Fall Carnival die. Call JonEtta Ziegler at 823-2242 to reserve a booth today.

## Committee To Meet October 15

The Silverton Chamber of Commerce Health Care Committee meeting will be held October 15, rather than the regular October 8 date, at 7:00 a.m. in the Pioneer Room at First State Bank.

## Community Flu Shot Clinic Slated

There will be a community flu shot clinic in the office of School Nurse Margie Pinkerton from 9:00 a.m. until 3:00 p.m. on Monday, October 18.

Call Mrs. Pinkerton for an appointment, or leave your name with the school secretary and Mrs. Pinkerton will return your call.

There will be no immunization clinic at the school in October, and the next regular clinic will be Friday, November 19.

Ory and Shawn Johnson were pictured atop the first bale of 1993 cotton produced by Joe O'Neal on Monday of last week. The bale was ginned by Johnson's Gin Company on Tuesday, September 28. Johnson's Gin paid a premium of \$1.00 per pound for the 500-pound bale. Briscoe County News Photo

**Lockney.**

Mr. Curry died Tuesday, September 28, at Methodist Hospital in Lubbock following a lengthy illness.

He was born on April 20, 1923, in Tahoka. He was a farmer and member of College Heights Baptist Church.

He married Dorothy Mae Tippit on December 10, 1941, in Tahoka.

Survivors include his wife; one daughter, Connie Barnett of Lockney; three sons, Wiley Cecil Curry, jr. of Cleburne, Don Curry of Silverton and Tommy Curry of Plainview; two brothers, Jim Bob Curry of Hale Center and Dan Curry of Tahoka; 13 grandchildren and 11 great-grandchildren.

Three brothers, Otis Curry, Pete Curry and Albert Curry, are deceased.

Pallbearers were Billy Carthel, Larry Rollins, Leon Lavy, David Holt, Kim Seago and Don Shannon.

**4-H Makes a Big Difference in Life**

by Daniel Reagan

The difference 4-H has made in my life is by learning many skills needed for everyday life. I've learned to speak in front of an audience and I have learned neat things like rifle and hunter safety. I have also been able to help out in the community. So, 4-H has made a difference in my life.

**Ground School To Be Held Soon**

A helicopter ground school will be held for firemen, EMS personnel and law enforcement officers in Silverton, Quitaque and Turkey at 8:00 p.m. on Tuesday, October 19, in Quitaque.

Mark your calendar now and plan to attend if you are a member of one of these groups.

**Appreciation**

It's about time, once again, that the Caprock Jamboree organizers give sincere thanks to all those who have played a part in making the monthly musical an ongoing success. One of the big attractions over other jamborees, is the generosity of businesses and music fans in donating door prizes. Everyone loves getting something free, whether it be coupons for groceries, gift certificates, handmade articles, home-cooked goodies, craft items or a six-pack of Coca Cola. If you have something you want to donate, you can call or if you bring it to the Jamboree, please ask the Tiffins to give you an extra ticket for each gift brought. We also want to remind Rex and Mary Tiffin how we appreciate them taking care of the ticket giving.

Lane Garvin has been the official sound man for several months, and that really takes a load off the hosts. Since Steve Ulrey left, Rex has been very kind to help Janice Hill with the announcing and that is much appreciated. There are also the men who carry the buckets at "milking time" and we thank them. There are others who do other jobs such as light control, etc., and each gets a great big THANKS!

Thanks to the house band, made up of Cliff and Joy Stodghill, Jimmy Burson, John Francis and Bennie Brown when he can make it. They do a super job of backing those who don't have their own band. Along with their talent is willingness, and these two things are something else that makes the local Jamboree unique.

You would be quite surprised to know how many hours the coordinators put into the Jamboree to keep it going.

With these thanks said, appreciation goes to those who come early and eat with the dinner hosts. The Jamboree gets no part of that, but it helps the county's civic organizations to make much needed funds without having to ask for donations from businesses and individuals. They all say this is their single best money-making project. They

serve mesquite grilled hamburgers, so come and eat with them even if you don't stay for the music. But since you might win a door prize, better stick around!

Last, but certainly not least, the dedicated fans who never miss a show are appreciated VERY MUCH. You are missed when you aren't there. Without your continued dedication to attending and you telling others about the Jamboree everywhere you go, the Jamboree wouldn't be what it is today.

Many, many thanks to all!  
 Submitted by Maebelle Francis

**4-H Difference Is Enormous**

by Michael Reagan

4-H can make a difference in your life. I've learned many things by being involved in 4-H. I've learned about hunting safety, the benefits of a good diet and how to speak in public with confidence. I have become involved in leadership roles and responsibilities and above all, I've learned to become a vital member of my community. The difference 4-H can make is enormous.

# Owls Entertain Homecoming Crowd With 70-26 Victory

Silverton's Owls dazzled the homecoming crowd with a big 70-26 victory over the Follett Panthers here last Friday night, and Lance Holt and Michael Hill earned honorable mention as Player of the Week in the Amarillo Daily News in spite of playing only about half the game.

It took the Owls only a couple of minutes to get on the scoreboard, as they took the opening kickoff and on fourth down Hill carried for a first down after which Lance Holt scored from the 17 with 7:51 still on the clock. Hill kicked the PAT, and the Owls held an 8-0 lead.

The Panthers picked up a first down at midfield, after which defense by Matt Francis and Zeb Holt threw them for a big loss. On fourth down, the punter got a bad snap from center and ran with the ball but didn't make a first down.

Hill scored on the Owls' first play, kicked the PAT, and put the Owls ahead 16-0 with 5:43 still showing on the first-quarter clock.

The Owls kicked off to Follett, and the Panthers went all the way for a touchdown. Their pass for PAT failed, and with 5:33 still on the clock, they trailed 16-6.

Follett kicked off, and it took the Owls just four plays to get the ball in the endzone. Lance Holt picked up a first down on the Follett 14 and scored with 4:04 still to be played in the first quarter. Hill kicked the PAT, and the Owls moved ahead 24-6.

On Follett's third play, Lance Holt intercepted a pass, and four plays later Hill scored with 1:11 still showing on the clock. Arnold Garza stopped the runback at the Follett 29, and after four plays the Panthers punted. Lance Holt took the ball 52 yards for a touchdown. Hill kicked the PAT, and the Owls moved into a 38-6 lead with 9:32 still to be played in the second quarter.

Follett came back to score with 6:37 still in the first half, kicked the PAT, and trailed 38-14. Four plays later, Hill scored with 5:00 still to be played in the period, kicked the PAT, and moved the Owls into a 44-14 lead.

When the Panthers went on offense again, defense by Phil Patino, Zeb Holt

**Jeremiah Brooks (42) quarterbacked the Owls during most of the second half last Friday night, directing his team to a big 70-26 victory over Follett. Brooks, a sophomore, also scored a touchdown during the game.**

*Briscoe County News Photo*

and Arnold Garza held them in check, and on third down, Jon Ivory intercepted a Panther pass with 3:31 still on the clock. The Owls lost the ball via the fumble on the next series, but the Owl defense held and prevented further scoring. Jeremiah Brooks had moved to quarterback, and the starting team was on the sideline.

The Owls kicked off to open the second half, and on second down Lance Holt intercepted a Follett pass on the Silverton 37. Braden Towe passed to Francis for a touchdown with 8:10 still to be played in the third quarter. The PAT failed, and the Owls were ahead 50-14.

Follett scored again with 6:51 on the third-quarter clock, but the Owls blocked the PAT, and the scoreboard reflected a 50-20 lead for the home team.

When Follett kicked off to the Owls, Brooks took the kick and ran all the way for a touchdown with 6:30 remaining in the period. The PAT kick

hit the crossbar and bounced back, leaving the Owls with a 56-20 lead.

Defense by Anthony Gamble, Zeb Holt and Garza kept the Panthers in check, and Brooks returned the fourth-down punt to the Silverton 20. Gamble ran for five yards and Brooks carried to the Follett nine for a first down, which was called back by the referee's whistle, and the Owls concluded the series with a punt. The defense held, with Zeb Holt bringing about a big loss on fourth down.

Garza picked up 12 yards before scoring with 35 seconds remaining in the third quarter. Zeb Holt kicked the PAT, and gave the Owls a 64-20 lead. Zeb Holt kicked off for the Owls, and Garza stopped the runner at midfield. As the fourth quarter began, defense by Patino, Bo Wilson and Pat O'Neal was holding the Panthers in check, but they got a first down on a penalty against the Owls, and then moved in to score with 6:17 still to be played in the game.

Garza blocked the PAT kick, and the Owls held a 64-26 lead.

Back on offense, Garza carried the kickoff to the Silverton 28, and Brooks passed to Ivory for a first down. Garza carried to the Follett 14, and Brooks passed to Wilson for a 10-yard gain. The ball went over on the Follett 14, but defense by Patino, Wilson and Gamble brought the ball back to the Owls on downs on the Follett 26 with 1:52 still on the clock.

Brooks completed a pass to Gamble for a short gain, after which Garza carried to the 14. Gamble made a first down on the 11, and Garza scored with 43 seconds remaining to be played. Zeb Holt's kick was blocked, and the Owls led 70-26 after Gamble's attempt to carry the ball into the endzone failed.

It's a long way to Follett, but the fact that the Panthers scored 26 points in the game was a happy note because they had been limited to about 18 points until this game. The Panthers don't have any seniors on their team, and had a big class of seniors last year who dominated the playing time. The younger boys really didn't get to play much, and are just now learning how. Playing the younger members of the Owls as much as possible should pay dividends in the future for Coach Clyde Parham.

The Owls made 19 first downs as compared with nine for Follett. The Owl offense gained 349 yards, as compared with 210 yards for the Panthers. Follett was penalized 15 yards while the Owls had 65 yards stepped off against them. Each team lost one fumble, and the Panthers had three passes intercepted.

This week the Owls are back on the road again, to open the district campaign at Whitharral. Kickoff is at 7:30 p.m. BE THERE!

## Fall Carnival is Set October 30

Progressive Homemakers would like to remind you to start making plans for the upcoming Fall Carnival which will be held Saturday, October 30, beginning at 6:00 p.m. at the showbarn.

This is an excellent way for clubs, civic organizations, school classes or individuals to earn money.

To make reservations for your booth, you may call JonEtta Ziegler at 823-2242.

**Matt Francis was escorted by Kami Martin and Christa Tucker and presented as the 1993 Pep Squad Beau during the pep rally last Friday afternoon. He was presented a congratulatory kiss by Julie Wilson and a megaphone autographed by the pep squad members. The senior player is having a very good season on the gridiron in spite of having had a shoulder injury earlier.**

*Briscoe County News Photo*

**Arnold Garza (27) was shown breaking out of a tackle by one of the Follett Panthers during Silverton's homecoming ballgame Friday night. Garza, a freshman, scored twice enroute to the Owls' big 70-26 victory.**

*Briscoe County News Photo*

# Junior High Owls Tie Lazbuddie 19-19

Silverton's Junior High Owls traveled to Lazbuddie last week and built a 19-13 lead over the Longhorns which lasted until midway through the fourth quarter. At that time, the 'Horns scored to knot the outcome at 19-19.

There was no scoring in the first quarter, with the Owls kicking off and holding the 'Horns. Lazbuddie got on the board in the second quarter with a touchdown scored from the four-yard-line. Trey Wyatt returned the ensuing kickoff to the Lazbuddie 32, and Trey Ziegler scored from 15 yards out.

When the Longhorns got the ball again, Jackie Cherry intercepted a

Lazbuddie pass on the Silverton 34 and ran 46 yards for a score. Lazbuddie took the after-touchdown kickoff all the way to the endzone.

In the third quarter, Cherry caught a pass and carried it 23 yards for another touchdown for the Owls. Wyatt carried the extra point. In the fourth quarter, Jeremy Holt intercepted a Lazbuddie aerial on the Silverton 30 and returned it to the Lazbuddie 22. The Owls were

unable to score, and the Longhorns scored on a long pass play. The clock ran out of time with the Owls in possession and driving on offense.

This week the Junior High Owls have their first home game with Whitharral. Kickoff is at 5:00 this afternoon. BE THERE!

Julie Wilson, Silverton High School senior, was presented as the 1993 Football Queen in pre-game ceremonies last Friday night preceding the homecoming football game with Follett. She was presented a congratulatory kiss by senior player, Matt Francis, a bouquet of mums, a mum corsage and the traditional football helmet crown.

## Open House at School Attended By Many Patrons

A very successful open house was hosted Tuesday night of last week by the Silverton Schools and PTA. The response was overwhelming and it was exciting to see the number of parents interested enough in the school to take time out of their busy schedules to attend.

After the delicious meal prepared by the lunchroom ladies, everyone was welcomed by Principal Stan Fogerson and PTA President Nancy Young. Every room in the school was open for parents, grandparents and friends to tour at their leisure. There were children in each room demonstrating the new technology and computer skills they are learning, and teachers visited with parents and answered questions.

The 1993-94 membership drive is drawing to a close very quickly, with enrollment down slightly from last year. Anyone interested in joining PTA should get their \$2.50 dues to Nancy Young by Monday, October 11, so it can be forwarded to State PTA by the 15th. You may send your dues to school with your child, and the money will be passed along to Mrs. Young, or mail to her at HCR 2, Box 28, Silverton.

Please consider becoming a member of PTA, whether or not you have the time to devote. Your dues and name on the roll mean a lot to the PTA organization.

The next PTA meeting will be Tuesday, October 19, at 7:00 p.m. There will be a program on "Improving Your Child's Self Esteem." Please make plans to attend, and encourage everyone you see to join the group for this worthwhile parent education program.

## Couple Honored at Wedding Shower

Brad West and his fiancée, Jeannine Hill, were honored guests at a wedding shower on Saturday morning, September 25, in the Pioneer Room at First State Bank in Silverton. Miss Hill was presented a corsage of peach silk

roses.

Guests were greeted by LaQuetta Schott, and presented to the couple. Registration was conducted by Christi McWaters.

Jennifer Rowell presided at the refreshment table which was covered with an ecru lace cloth and held a Southwest arrangement. Crystal and silver appointments were used to serve punch, coffee, assorted muffins, sausage balls and bacon-wrapped water chestnuts.

The hostess gift was the Southwest flower arrangement and a set of Revere cookware.

Attending from out of town was Inez Richardson of Tulia, great-aunt of Mr. West. Special guests included his grandmother, Winnie Smith, and two aunts, Ruth West and Sandy Perkins.

Hostesses were LaQuetta Schott, Mary Lane Younger, Peggy Rowell, Jo Ann McFall, Lee O'Neal, Pat Rice, Shirley Henderson, Tina Nance, Brenda Patton, Rhenda Burson, Sandi Tomlin and Pat McWaters.

## New Arrival

Kirk and Kathey Rice of Pampa are the proud parents of a daughter, Karami Noel. She weighed eight pounds, three and one-half ounces, and was 20 inches long.

Grandparents are Sandra Alewine of Altus, Oklahoma; Alta Rice of Plainview; Tommie and Pat Rice of Silverton.

Great-grandparents are Edith and Roy Conditt of Altus, Oklahoma; Art Green of Flomot; H. A. Cagle of Silverton. Harvey Thomas of Edgewater, Florida is Kara's great-great-grandfather.

Mr. and Mrs. Robert Gragson are proud to announce the arrival of Cortney Michelle, born September 26 at 5:12 p.m. in Las Vegas, Nevada. She weighed six pounds and is 18½ inches long.

Grandparents are Roy and Lou Younger of Silverton and Lawana Cruse of Turkey.

Great-grandparents are A. V. Younger of Harleton and Cora Gragson of Quitaque.

Joe and Ruby McWaters spent Sunday night in Lamesa with their children, Glen, Annis and Glenda McWaters.

## Seminar to Help Businesses Survive the '90's

"Surviving in the '90's" is a seminar designed for local businesses to help them keep their businesses going. Don Taylor of the Panhandle Small Business Development Center at West Texas A&M University will be presenting the seminar, which will be on Monday, October 18, in the Pioneer Room at First State Bank in Silverton, beginning at 7:00 p.m.

The seminar is a shortened version of his workshop entitled, "Co-Existing With Walmart." Those attending the seminar will learn how they, as a small business in a rural community, can co-exist with large chain stores such as Walmart.

Mr. Taylor is an excellent and informative speaker who will provide everyone with valuable information concerning our local businesses.

All who are concerned about the community should plan on attending this free seminar, which is sponsored by the Silverton Chamber of Commerce.

# Save Hot Water Cost Without Cold Showers

A water heater fueled by propane could save the average Texas family nearly \$200 a year compared to the cost of heating water electrically, while at the same time benefiting the environment and creating jobs in Texas.

That's the message of the Railroad Commission's new advertising campaign that kicks off statewide this week. The campaign is part of the Commission's legislative mandate to educate Texans about propane's benefits as an environmentally beneficial alternative fuel.

Commission studies show the initial expense of installing a propane-fueled water heater is no higher than other types, but the return on investment is much faster. According to Chairman James E. (Jim) Nugent, fuel-cost savings recoup the initial purchase price in about two years. "That's about a 50 percent annual return on investment," Nugent said, "which is considerably more than you get at the bank." Assuming typical delivered costs of 82 cents per gallon for propane, savings over the ten-year life of the water heater could total more than \$2,000, Nugent added.

A major reason for propane's economy is its efficiency compared to other methods of energy production. More than two-thirds of the energy generated by oil- or coal-burning electric utility companies literally goes up in smoke, and is therefore lost at the source. Propane, a clean-burning primary fuel, is nearly 2 1/2 times as efficient, delivering 87 percent of its energy directly to the burner tip.

Propane is widely distributed and readily available throughout Texas. "More than a third of the nation's propane comes from Texas," noted Commissioner Mary Scott Nabers. "Texas has a state-wide production and distribution network in place, and the more people take advantage of propane as a domestic and commercial heating fuel, the more jobs that network creates." Nabers added that a new market worth \$65 million a year to the Texas economy would arise if the 60 to 70 percent of all propane-heated Texas households that heat water electrically switched over to propane.

Propane technology also has become more efficient in recent years. Today's propane water heater uses one third less fuel than heaters manufactured as recently as five years ago, which contributes to the fuel's economy. Advanced burner design, energy-saving temperature controls and better insulation make the most of every gallon of fuel.

Texas' environment also benefits from using propane to heat water, according to Commissioner Barry Williamson. "Air pollution concerns all Texans, in both urban and rural areas," Williamson said. "Gallon for gallon," Williamson added, "it takes nearly three times as much fuel, generating nearly three times as much ozone-depleting greenhouse gas, to heat water electrically as it does to heat it directly with propane."

Quick recovery is a primary benefit of propane water heaters. Anyone who has ever run out of hot water in the middle of a shower, especially in cold weather, will appreciate the prospect of having plenty of hot water on tap. In a comparison of the first-hour recovery rates of typical 40-gallon water heaters, the propane model provided nearly twice as much hot water over the same period of time as a comparable electric model.

As part of the Commission's latest educational consumer campaign, look

for ads touting "Pay less per fill up" in 386 weekly newspapers across the state and statewide radio commercials illustrating the economic and environmental benefits of propane water heating. For more information, call the Texas Railroad Commission's Alternative Fuels Division at 1-800-64-CLEAR.

Preliminary collection totals from Wednesday's Waste Pesticide Collection Program in Hereford indicate the effort was a resounding success, according to Lubbock-based Plains Cotton Growers (PCG). The program is sponsored by the Texas Agricultural Extension Service, the Texas Department of Agriculture and is funded by the Texas Natural Resource Conservation Commission.

The program, operated on a "no questions asked" basis, allows producers and other non-commercial users of agricultural chemicals, to dispose of waste pesticides and herbicides in an environmentally-safe manner. During the one-day collection effort, producers brought in 85 to 90 tons of old, unusable chemical for disposal.

"This collection program is of real benefit to the cotton producers here on the High Plains," says Donald Johnson, PCG Executive Vice President. "The environmental responsibility of farmers and ranchers is illustrated by the tremendous response this program has generated since it began."

In addition to turning in the chemicals themselves, participants also were given the opportunity to bring in empty chemical containers for recycling.

The Hereford collection program was the last chance for producers to bring in their waste chemicals in 1993. It is hoped that additional programs can be arranged in 1994 to provide High

Plains producers with more opportunities to safely dispose of these unusable and unwanted products.

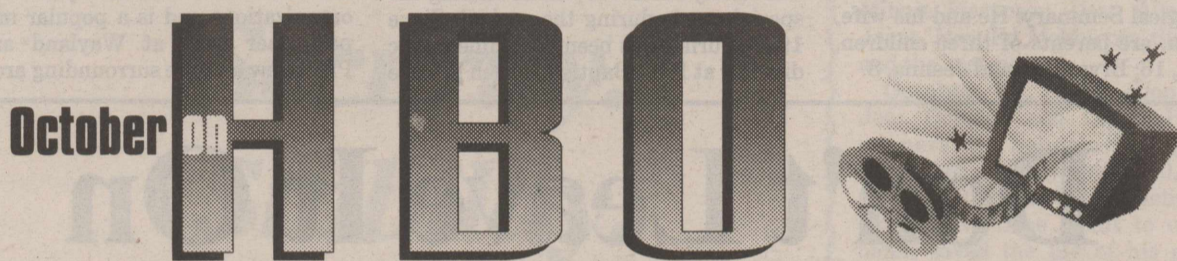

### MARK YOUR CALENDAR: TEXAS FARMER-STOCKMAN SHOW SET OCTOBER 12-14

The first annual Texas Farmer-Stockman Show will make its debut appearance on the High Plains October 12-14. The show will include more than 200 exhibitors and final preparations are underway.

The show site is located approximately 1 1/4 miles east of Loop 289 on the Buffalo Springs Lake Road (East 50th).

PCG encourages everyone to come out and help make the show a success. PCG also will have an exhibit at the site and producers are encouraged to stop by and visit throughout the show.

# Baptists Set Fall Revival Services

First Baptist Church Fall Revival Services are planned Sunday through Wednesday, October 10-13, with continental breakfast and morning studies at 7:00 a.m. and evening services at 7:00 p.m.

Paul Blizard, pastor of Reidland Baptist Church, Paducah, Kentucky, who also has been pastor of FBC, Fairdale, Kentucky and associate pastor of First Southern Baptist Church of Greater Louisville, will be the evangelist for the meeting. He was a member of Texas Conference of Southern Baptist Evangelists and served as seminar and conference leader and Cult exit counselor/deprogrammer.

He is a graduate of Howard Payne University and Southern Baptist Theological Seminary. He and his wife, Patricia, are parents of three children, Robert, 16; Bryan, 15, and Jeanna, 8.

In his statement on belief, Rev. Blizard says, "Our family was converted to Christ from a Jehovah's Witness background. Our conversion was dramatic and life changing. Since then we have committed our lives to ministry for our Lord Jesus Christ. I believe that the Bible is free from error, therefore, should be believed, preached and practiced as it truly is: God's Holy Word to humankind. I believe each member of the church has received spiritual gifts to be used for the building up of the church as well as to share Christ."

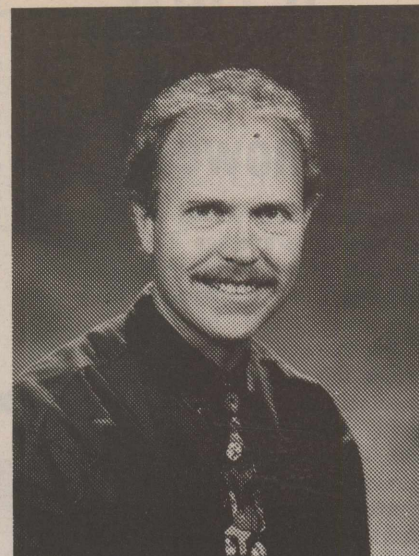

Eddie Turner is in his 18th year at Wayland Baptist University, where he currently serves as director of purchasing and manager of the University Store. He will be leading the special music during the revival. Since 1977, Turner has been part-time music director at First Baptist Church in Hale

Paul Blizard

Center, where he also is a deacon.

Turner was born in Sweetwater, and after graduating from Hale Center High School, he completed a bachelor of arts degree at Wayland, then earned the master of science degree from Houston Baptist University. He is a member of several professional organizations and is a popular musical performer both at Wayland and in Plainview and the surrounding area.

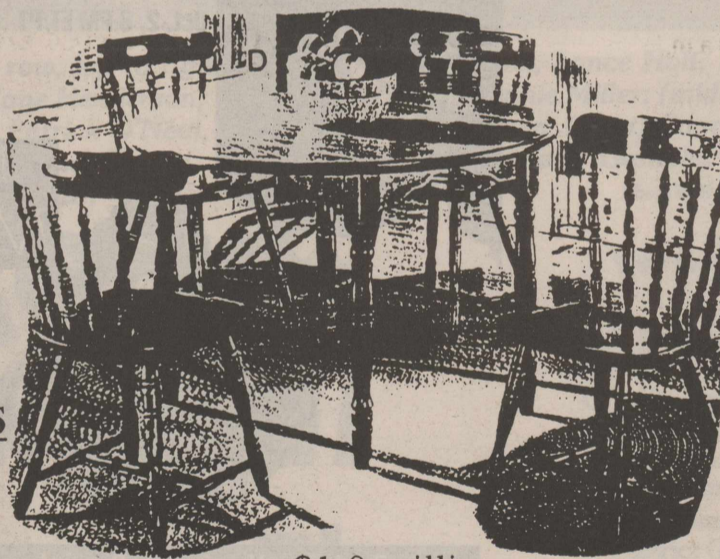

Eddie Turner

Turner and his wife, Sue, have two daughters, Erin, 14, and Andrea, 11.

First Baptist Church would like to invite everyone in the community to join in these revival services. Special services include a Hot Dog Supper for elementary-age kids at 6:00 p.m. Monday and a supper for all Junior High and High School students Wednesday evening at 6:00. The pastor, Bryan Donahoo, said, "We look forward to worshipping with you."

## Benefits of Direct Deposit Outlined

by Mary Jane Shanes  
Social Security Office Manager  
Plainview, Texas

Social Security is trying to increase the number of beneficiaries who use direct deposit. Research conducted for the Social Security Administration indicates that beneficiaries who have their monthly checks deposited directly into their bank accounts are 16 times less likely to report problems with their benefits than those who are receiving paper checks.

When you use direct deposit:

- ★ You won't need to worry about your checks being lost, stolen, or misplaced;
- ★ You can be away from home without the worry of a check sitting unprotected in your mailbox; and
- ★ You won't have to make a special trip to your bank or stand in line to deposit your checks.

Currently about 20 million Social Security beneficiaries take advantage of direct deposit. But that represents only about half of all current Social Security beneficiaries. One of our goals is to ensure benefits are delivered on time and to the right place, and direct deposit helps us do that.

For more information about how to begin direct deposit of your monthly Social Security check, call Social Security's toll-free number, 1-800-772-1213, any business day between 7:00 a.m. and 7:00 p.m. When you call, have your Social Security number and your checkbook, bank statement, or any papers that show your bank account number handy. You also can ask about direct deposit where you bank and the bank's service representative can help you enroll on the spot.

# FAITH SAYS A HANDICAP IS A CHALLENGE TO OVERCOME IT

Physical handicaps come in many forms, and so do the opportunities for overcoming them, even in sports. There are blind skiers, as well as one-legged skiers and mountain climbers. Those confined to wheelchairs have many chances to join in athletic events. Moreover, there are other avenues of achievement for the handicapped besides sports. Everyone knows of the incredible accomplishments of the paralyzed young woman artist who learned to paint beautiful pictures with a brush held in her teeth. Handicapped employees are dedicated to their work, determined to be worthy of the trust placed in them. God gave man the ability to perform to his fullest potential, with an added boost if he has a handicap to overcome. So let us thank Him for this extra love He confers, wherever it is needed.

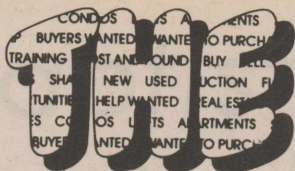

*Although the world is full of suffering, it is also full of the overcoming of it.*  
—Helen Keller

*"God was with him, And delivered him out of all his afflictions."*  
—Acts 7:9,10

**CARD OF THANKS**

Silverton PTA would like to thank  
the Silverton Schools and faculty for  
opening their doors and hearts to us  
and every interested member of the  
community. Your gracious welcome  
was most uplifting. We are truly  
blessed with a wonderful school and the  
most caring faculty around.

Thanks for all the prayers from  
churches and individual friends, calls,  
visits, food and every expression of  
encouragement.  
We love you,  
Shorty and Ruth West

Thanks to all of you who made our  
Open House such a delightful occasion.  
We do appreciate each and everyone  
who came by to wish us well. We  
already love living in town, and will try  
to obey all the "rules" of city living.  
We'll always be "country folk", but  
maybe you can tolerate our countrified  
ways as we learn from one another. Our  
dear Lord has blessed us again, by  
allowing us to be part of Briscoe County  
and we welcome any of you, at anytime.  
(Well, ALMOST anytime. We sleep till  
8:00 a.m. and from 12:30 - 1:30 p.m.)  
Sincerely,  
John and Maebelle

The family of John Curtis Wimberly  
wishes to thank our dear friends in  
Silverton for the telephone calls, cards  
and memorials you sent. All of you  
"long-time friends" are very special to  
us.

With Christian love,  
Rosalie Wimberly  
John II, Richard and Mark Wimberly  
Freda and Harold Seefeldt

When you lose someone as special as  
"Pops" was to us, it is felt deeply. Your  
love, concern and prayers have helped  
to ease the sadness and remind us of the  
many friends who also share in our loss.

The beautiful cards and flowers, plus  
phone calls and delicious food mean so  
much.

God bless you all.  
Dorothy Curry  
W. C. and Helen Curry  
Don and Arlene Curry  
Mike and Jan Curry  
Tommy and Darlene Curry  
Lanny and Connie Barnett  
Leigha Wood

Thank you for your kindness, phone  
calls and cards while I was in the  
hospital and since I've been home.

Fred Brannon

Thanks to everyone for the prayers,  
visits and food, the churches for their  
prayers, and all words of  
encouragement.

Myrt Edwards

**LIST OF DELINQUENT TAXPAYERS  
TO BE PUBLISHED**

Following a discussion of the delinquent tax roll, the  
Board of Directors of the Briscoe County Appraisal  
District have elected to publish a list of delinquent  
taxpayers in both newspapers, with the first listing  
to be published in October and subsequent lists to  
be published in May or June (before accounts are  
turned over to the delinquent tax attorneys).  
Accounts which are being paid on monthly will not  
be listed. Delinquent taxpayers are encouraged to  
make arrangements with the appraisal district staff  
to pay their taxes.
