HASKELL, HASKELL COUNTY TEXAS, THURSDAY, NOV. 29, 1934—8 PAGES

FORTY-NINTH YEAR

## INDIANS MEET TIGERS AT ANSON THURSDAY

Morning Game Will Be Called Promptly at 9:30 Thursday

### Lions to Banquet Haskell Indians

In appreciation of the excellent record made by the Haskell Indians during the football season, the Haskell Lions Club will honor the team with a banquet on Tuesday evening November 11th. At the regular meeting of the Lions Club Tuesday at noon, T. J. Arbuckle, H. S. Leon and Dennis P. Ratliff were appointed as a committee on arrangements.

Every Indian player will be included in the invitation, regardless of whether he made the team this year or not. The program for the entertainment is being arranged by the committee and promises to be one that the boys will remember, especially those who will play their last high school conference game with Anson today.

### Seymour Minister To Hold Revival At Local Church

Rev. E. C. Cargill, pastor of the Presbyterian church of Seymour, Texas, has been announced to open a meeting Sunday night at the local Presbyterian church. He comes with the record of a long and successful pastorate in Seymour and of many fruitful revivals in various places.

He has conducted four meetings in Rochester, one of which was for a sister denomination, which shows that he does not bring up disputed doctrinal points that would repel those of different convictions, local church leaders point out, so his coming promises to be a benefit to the entire town.

The hours for services through the week have been announced as 10 a. m. and 7 p. m.

### Owners of Turkey Flocks Should Vaccinate Fowls Now

LUBBOCK, Texas.—Owners of turkey flocks should vaccinate their fowls against hemorrhagic septicaemia, a form of blood poisoning, advises Dr. F. G. Harbaugh, veterinarian and instructor in the Division of Agriculture at Texas Technological College.

### Appeals Court Affirm Sentence Hidalgo Killers

Mexicans Who Slew Claude Kelley in March, 1929 To Serve Life

Life sentences assessed Julian Ybarra and Mateo Cuellar for their part in the alleged political murder of Claude Kelley in Hidalgo county were affirmed last week by the court of criminal appeals at Austin.

Ybarra and Cuellar were tried in Hayes county on a charge of venue. Kelley was the son-in-law of Ed Couch, leader of a faction that was engaged in a bitter political controversy. Kelley was struck over the head with a sharp instrument the night of March 18, 1929, as he slept in a bedroom in Couch's home. One of the state's theories was that the assault was planned on Couch and that Kelley was inadvertently slain.

### Indians Scalp Roscoe Friday

Marked by stellar playing throughout the entire game, Haskell Indians eked out a 6 to 0 win over the powerful Roscoe Plowboys Friday afternoon, at Roscoe, defeating that team's hopes for the district championship, after their loss to Snyder and the defeat at the hands of the Indians.

Seemingly evenly matched, both teams threatened to cross the goal several times, with Haskell successful in the third period following a powerful march down the field which the Plowboys were unable to stop. Kimbrough plunged over for Haskell's counter, but was unable to convert for the extra point.

### Penny Carnival at Weaver Schoolhouse

On Friday night, Nov. 30th, a penny carnival will be given at the Weaver school house for the purpose of buying song books and other items for the pastor's salary. The public is invited to attend. There will be plenty of amusement for all who attend.

## HASKELL-SEYMOUR POST SEASON GAME SLATED FOR DEC. 7

Proceeds From Night Game Will Be Used To Buy Players' Sweaters

The Haskell Indians will play the Seymour Panthers in a post-season game here on Friday night December 7th, according to announcement made by local high school officials today. The game promises to be one of the best of the season if past records of the two teams may be considered. Seymour has had a successful season in District 5B this year. During the past few years Haskell and Seymour have played two pre-season games, winning one each according to records obtainable here.

The proceeds from the game will be used to buy sweaters for the Indians, and the public is urged to show their loyalty to the team by buying their tickets in advance. Tickets will be placed on sale several days in advance according to present plans.

## George Mahon To Be Visitor Here

Congressman-elect George Mahon will be a visitor in Haskell next Monday according to word received here today. Mr. Mahon was recently elected as Congressman of the new 19th District by one of the largest popular votes ever accorded a new man for office. He has many warm friends here who will be glad to see him before he goes to Washington to enter upon his new duties.

## Small Residence Destroyed by Fire Sunday Afternoon

Fire caused from the explosion of an oil stove destroyed a small residence occupied by A. Dunn and family Sunday afternoon at 2:30 o'clock. Located one and a half miles west of town, the local fire department was unable to render any assistance after making a run to the fire. Practically all the household effects were lost in the blaze. Insurance in the amount of \$300 was carried on the house, with \$500 on the furniture.

## COURTNEY HUNT IS CHOSEN NEW LION PRESIDENT

Courtney Hunt was elected president of the Haskell Lions Club at the semi-annual election of officers held at the Tonkawa Hotel Tuesday afternoon.

Alfred Pierson was elected first vice president; Hill Oates, second vice president; D. H. Persons third vice president; F. L. Daugherty, secretary-treasurer; Dennis Ratliff, lion tamer; and Server Leon, tail twister. The following directors were also elected: French Robertson, Dr. T. W. Williams, C. B. Breddlove, J. M. Crawford and H. C. King.

According to the constitution and by-laws of the organization the above officers will serve until July 1, 1935.

John A. Couch, acting vice president, presided at the noon meeting. The Lions Club became inactive here about two years ago when the two local civic clubs were merged into one organization under the name of the Haskell Service Club. Recently the club voted to again affiliate with the international organization of Lion's Clubs and begin operation under the old charter which had never been cancelled by the Lion's International.

Mr. and Mrs. French Robertson are announcing the arrival of a daughter on Monday November 20 at the Knox City hospital. The little miss weighed seven pounds and one ounce and has been named Mirinda French.

Mrs. Bert Welsh and sons Collins and Billy Bob spent Monday and Tuesday in Dallas with the former's mother and father, Mr. and Mrs. J. C. Chrisman from Oberlin, La., who were in Dallas on business.

Mr. and Mrs. W. G. Forgy are spending the week with relatives and friends in Chillicothe and points in Oklahoma.

Mrs. Sallie Fields of Rochester was a Haskell visitor Monday.

## FDR ENDORSES XMAS SEAL SALE

President Roosevelt, in a letter written at Washington November 27, endorses the nationwide Christmas Seal Campaign that is conducted from Thanksgiving Day to Christmas by the 2,000 affiliated tuberculosis associations of the United States. The letter addressed to Dr. Kennon Dunham, president of the National Tuberculosis Association, is as follows:

"The approach of the holiday season brings to our thought the annual sale of Christmas Seals to aid the nationwide fight against tuberculosis for another year. Although in recent years the death rate from tuberculosis has been halved, this disease still ranks first as a cause of death between the age of 18 and 40, and it still causes nearly 75,000 deaths in the United States annually.

"Not by one thing alone, but by many means of attack, both direct and indirect, tuberculosis must be fought. Fifty years ago Doctor Trudeau pointed the way to successful treatment. Sanatorium care is still indispensable. Hence we need commendous special and general hospitals for tuberculosis patients.

"For those with early disease, I believe the sanatorium is best for cure; and patients with advanced disease also need a resourceful hospital. More beds are needed, especially for tuberculosis children. But prevention is even more important. To protect infants and young children and to avoid the infection of adolescents and adults, the resources of every community are taxed.

"The task before us is more than a medical problem. Physicians, nurses, and hospitals are only a part of the great defensive force, which must include the heads of all families, governors and mayors, educators, social workers, scout masters, volunteer workers, charity organizations, pure food experts, and the forces of the United States Government. The National Tuberculosis Association and its local branches give competent leadership.

"By wise arrangement, the responsibility for the sale of Christmas Seals is a local one. The money is spent locally by and for the residents of each city, town, or county. It is part of wisdom for each locality to assume its due share of relief and responsibility.

"The need is urgent; the cause most worthy."

The Seal this year commemorates the fiftieth anniversary of the beginning of the sanatorium movement in this country. The one room cottage it depicts was the first American sanatorium for the modern treatment of tuberculosis. It was constructed in 1884 by the late Dr. Edward Livingston Trudeau, "father of the sanatorium movement," and was the forerunner of the 600 institutions in the United States today.

## Rehabilitation Checks Issued

AUSTIN, Texas.—Counties participating in the rural rehabilitation program received November allotment checks totalling \$236,000 last week. It was announced by J. E. Stanford, head of the rural rehabilitation department of the Texas Relief Commission.

These checks will cover rehabilitation needs in 76 counties of the state, other counties having enough rehabilitation funds on hand from previous allotments to take care of their needs for the remainder of the month.

Most recent count reveals 3,400 houses on sustenance plots leased by rural supervisors for rehabilitation families. Approximately half of these houses already have been occupied by clients, Stanford said.

## LOCAL LEGION TO SPONSOR PROGRAM FOR AUXILIARY

Vice President of the State Auxiliary Will Be A Speaker Here

American Legion members and war veterans, together with their wives, have been invited to attend a meeting of the Legion Auxiliary, to be held at the local Legion hall on Friday night, December 7th, at which time Mrs. John Lee Smith of Throckmorton will be the principal speaker on a program dealing with the women's part in the American Legion. Mrs. Smith is vice president of the State organization.

The Auxiliary is a branch of the American Legion with membership eligible to wives, sisters and mothers of veterans of the World War. Following the forthcoming meeting, if possible a local organization will be formed, sponsored by the Press Rogers Post.

## Methodists Plan Thanksgiving Service Tonight

A Thanksgiving program will be given at the Methodist church tonight (Wednesday) with all the churches of the city co-operating in the service. Rev. H. R. Whatley, pastor of the First Baptist Church will preach the sermon. The general public is invited to be present and take part in the program.

## 10,033 Bales Cotton Ginned In County Prior To Nov. 15th

According to the census bureau's shipping report there have been 10,033 bales of cotton ginned in Haskell county prior to November 15th. The majority of the crop has been gathered in this section, however, some of the cotton men estimate that there will probably be another thousand or fifteen hundred bales ginned in the county if a killing frost does not appear for another 10 days.

## Former Resident Buried Friday

Funeral rites for Thomas G. Williams, a former resident of Haskell who died Tuesday at his home in Mineral Wells, were held here Friday afternoon at 1 o'clock from the Presbyterian church.

Rev. L. O. Cunningham of Eliasville, Texas, officiated, assisted by Rev. C. A. Tucker, local pastor. Arrangements were under direction of W. O. Holden of Jones, Cox & Co. Interment was in Willow cemetery.

Survivors are his widow; Haley of Mineral Wells, and Mrs. Ben Johnson of Los Angeles, Calif.; two sons, Robert Williams of Fort Worth, and Jim Williams of Mineral Wells, and four grandchildren.

Mr. Williams came to Haskell in 1905, and continued his residence here until about 1918. While here he engaged in the real estate and oil lease business. He also took an active part here in religious and civic affairs.

Pallbearers were John Tubbs, Jno. Ellis, R. C. Montgomery, Calvin Frierson and Felix Frierson.

Mrs. Willie Chapman and children of Arp, Texas, are here visiting relatives.

## DICK SKIPWORTH IS GRANTED NEW TRIAL

9-Year Old Child Injured By Car

Tommy Davis, 9-year old son of Mr. and Mrs. Tom Davis, sustained slight injuries late Monday when he was struck by an automobile while crossing a street near his home on an errand for his mother. Thought possibly seriously injured at the time, attending physicians state the boy's injuries consisted mainly of bruises and severe shock, and he is rapidly recovering at his home.

Mrs. Hut Pitman, driver of the car which struck the child, stopped immediately and carried him into a nearby residence and summoned a doctor.

## Joe A. Jones Now Representative For F.P.C. Loans

We are in receipt of a letter from Martin McCain, secretary-treasurer of the Stamford Production Credit Association, in which he states: "Since my connection with the association, we have had a number of applications from Haskell county, and to save farmers the trouble and expense of a trip to Stamford, we have arranged with former county judge Joe A. Jones of Haskell to serve us as representative in Haskell county. He is equipped to take applications for farmers desiring to get loans."

## Municipal Band To Sponsor Play

On Friday night, Dec. 14th the Haskell Municipal Band will give a play at the High School auditorium. The presentation will be a comedy entitled "The Dreadful Twins," and plenty of laughter and wholesome entertainment is presented throughout, the sponsors declare.

Purpose of giving this play, members of the organization state, is to raise money with which to purchase music for the band. The Haskell Band is improving rapidly, and will soon be in hard winter training, during which time the organization will work up several new numbers.

"Remember," one member of the Band states, "we are always at your service when you need us. Now we need and want your help, which you can give by attending our play on Dec. 14th."

## Corn-Hog Program Ready for Farmers

COLLEGE STATION.—A corn-hog program for 1935 has been definitely decided upon by the Agricultural Adjustment Administration, and the contract and other forms are being prepared now, according to E. M. Regenbrecht, Extension swine husbandman. "Farmers will be invited to sign these contracts either late in December of this year or early in January 1935.

"The 1932-1933 base already established will be used again in carrying out both the programs. Farmers will be invited to sign these contracts either late in December of this year or early in January 1935.

"The 1932-1933 base already established will be used again in carrying out both the programs. Farmers will be permitted to produce hogs up to 90 per cent of the established base, and benefit payments will be figured at \$15 per head for the 10 per cent not produced. Another feature of the 1935 hog program is that it permits the unrestricted purchase of feeder pigs by contract signers from contract signers.

"An outstanding feature of the 1935 corn program lies in the fact that the exact amount produced is optional with the farmer within the limits of 70 per cent to 90 per cent of the established base. Benefit payments will be made at the rate of 35 cents per bushel on the appraisal and adjusted yield.

"Regulations as to what contract signers may plant on all land kept out of corn production will be liberal. The only restriction is that they may not increase the amount of land planted to any other base commodity.

"Exact details of the corn and hog programs are not yet available, but it is hoped that they will be announced some time through the next 30 days." Mr. Regenbrecht said.

Mrs. Sam A. Roberts and daughter Audra Gayle spent last weekend in Wichita Falls.

## 7-Year Sentence in Trial At Aspermont Is Set Aside by Judge

### NEW EVIDENCE CLAIMED

Attorneys Contend That Additional Evidence Has Important Bearing

Motion for a new trial filed by Defense Attorneys Tom Davis and J. P. Cox of Sherman from the 7-year sentence assessed against Dick Skipworth in Aspermont district court Nov. 9, was granted by District Judge Clyde Grissom this week.

Skipworth was convicted of the murder of Herschel Melton, O'Brien farmer, whose death occurred last December. He was one of four persons charged jointly with Melton's murder, and the case was tried at Aspermont on a change of venue from Haskell. In a previous trial here of Sam Jay, also charged with the crime, a mistrial resulted, and Skipworth was next to face trial.

Defense contention for a new trial was based upon additional evidence purportedly brought to light since Skipworth's trial, and the allegation that statements to the jury by the prosecution were inadmissible and prejudicial to their client.

Second trial of Skipworth has been set for the February term of court at Aspermont.

### SUBSCRIPTION AGENT

Ed Thornton, Fort Worth Star-Telegram agent for Haskell county is authorized to accept clubbing rates with the Haskell Free Press. In an article last week Mr. Thornton's name was omitted from the list of authorized agents through an error in this office.

## FARM CENSUS IN 1935 TO FURNISH IMPORTANT DATA

### Will Aid Governmental Plans In Behalf of Farmers

Among the important governmental activities undertaken primarily for the benefit of the farmer is the Census of Agriculture, which will be taken beginning January 2, 1935. The Fifteenth Decennial Census Act, approved June 18, 1929, directed the Census Bureau to make this farm enumeration in 1935. The reports will be for the calendar year 1934.

The accuracy of the information procured will be directly reflected in the statistical work carried on in the farmers' behalf. Intelligent business methods must be applied in the successful operation of farms in this day and age and these methods will fail unless farmers and farm organizations have accurate knowledge of actual conditions in various sections of the country. For example, it is useless to increase the production of any crop if the figures show there is overproduction of that crop.

Every farmer and rancher should write immediately to the Bureau of the Census, Washington, D. C., for one of the sample schedules so that they will have an opportunity to study the questions and be prepared to give full and accurate information when the enumerator calls at their home in January.

## City To Require Tagging of Dogs

Conforming to an order passed at a recent meeting of the City Council requiring the payment of a tax on all dogs owned within the city limits, a supply of tags has been received by the City Secretary, and dog owners are requested to secure them immediately. Fee for the tags will be 50c for male and \$1.00 for female dogs. Tags bought now will be good for the balance of this year and all of 1935, it was stated.

According to the Council's order, all dogs on which a tax is not paid may be impounded and killed as strays.

### PRIMARY HONOR ROLL OF THE ROSE SCHOOL

Names of the following pupils in the Rose school appear on the honor roll for the first semester: Beginners—Nelo Hall. Primary—Dorothy Dean. First Grade—Vida Mae Hilliard. Second Grade—Patsy Nell Starks, Jimmie Joe Smith. Third Grade—Estelle Patterson, Monroe Means, Jack Hilliard.

# The WOMAN'S Page

### Methodist Missionary Society

On Monday November 26th the women of the Methodist Missionary Society met to observe the annual "Week of Prayer." This took the form of an all day meeting. The meeting was opened at 10 a. m. by a short organ-violin program rendered by Mesdames Patterson and Foster Davis. Mrs. Kenneth Thornton was leader for the morning session. Mrs. R. C. Montgomery led in the afternoon. Lack of space forbids a write-up, such as this program deserves, but will give the program as rendered.

Opening song, "I Am Thine, O Lord."  
 Scripture Reading—Portions of Psalms 34, 33 and 28, by Leader.  
 A Sentence Prayer, led by Mrs. Sowell, concluded with a poem read by Mrs. Shriver.  
 Song, "Let the Lower Lights Be Burning." The history of this song was very interestingly told by Mrs. Fields.  
 Scripture Reading Luke 4th chapter, 4th verse, by leader.  
 Poem—Mrs. Cahill.  
 Scripture Reading—Mrs. Irby.  
 Prayer—Mrs. O. E. Patterson.  
 Song, "Sweet Hour of Prayer."  
 Paper, entitled "Moving Forward Through Prayer"—Mrs. Persons.  
 Institutions That Benefit by the Week of Prayer Offerings — Mrs. Leon.  
 Song, "Beautiful Garden of Prayer"—Mesdames Cahill, Harrison and Lewis.

At this time we assembled around the altar and deposited our offerings.  
 We were dismissed for the noon recess by the reciting of the Lord's Prayer in unison.  
 We were invited to the dining room where a delicious luncheon of sandwiches, pie and coffee was served to the 23 who were present for the morning program. During this hour, a Thanksgiving "Love Feast" led by Mrs. Montgomery, was enjoyed, after which all joined in singing "Blest Be The Tie That Binds."  
 At 1:30 all assembled in the auditorium where we listened to another beautifully rendered organ-violin program.

Mrs. R. C. Montgomery was leader for the afternoon.  
 Song, "Must Jesus Bear the Cross Alone."  
 Prayer—Mrs. E. Martin.  
 Scripture Reading—Part of 25th chapter of Matthew, by leader.  
 Song, "Rescue the Perishing."  
 Prayer—Mrs. Breedlove.  
 Poem—Mrs. John Wilson.  
 Responsive Reading — Mesdames Montgomery, Graham, Shriver, Raley, Josslet and Goetze.  
 Prayer—Mrs. Irby.  
 Song, "Lord Speak To Me."  
 Missionary Story — Mrs. Kimbrough.  
 Song, "Open My Eyes."  
 Our Schools In The Foreign Fields—Mrs. Odell.

Special song, "Take My Life and Let It Be"—Mrs. Mack Martin. During the singing of this song, all assembled at the altar where we left our afternoon offering and were dismissed with a prayer by Rev. Carter. All left the church feeling that we had indeed been on "Holy Ground." Thirty were present.  
 We meet next Monday afternoon in our annual Harvest Day program with Treasurers Sowell and H. M. Smith in charge. An interesting program is being arranged.

### O'Brien H. D. Club.

O'Brien H. D. Club met Thursday November 22 in the home of Mrs. Tom Link with nine members present. Officers for the new year were elected as follows:  
 President—Mrs. Urban Trimmer  
 Vice President—Mrs. W. B. West  
 Secretary and Treasurer—Mrs. J. P. West.  
 Reporter—Mrs. Birdie Dickson.  
 Mrs. Dave Vannor was appointed wardrobe demonstrator and Mrs. R. P. Barnard pauper demonstrator.

### DON'T NEGLECT YOUR KIDNEYS!

IF your kidneys are not working right and you suffer backache, dizziness, burning, scanty or too frequent urination, swollen feet and ankles; feel lame, stiff, "all tired out" ... use Doan's Pills.

### KC BAKING POWDER

Same Price Today as 44 Years Ago  
 25 ounces for 25c

You can also buy  
 A full 50 ounce can for 50c  
 25 ounce can for 25c

Double-Tested — Double-Action

MILLIONS OF POUNDS HAVE BEEN USED BY OUR GOVERNMENT

Those present were Mesdames J. P. West, W. Hitchcock, W. B. West, R. P. Barnard, C. M. Walsworth, I. B. Grissom, Urban Trimmer, Tom Link, Birdie Dickson. After a very pleasant social hour we adjourned to meet with Mrs. J. P. West on Dec. 13th.

### Harmony Club.

In spite of the downpour of rain on November 21st, we had a good attendance. The ladies seemed glad to avail themselves of the opportunity to wade the mud and rain.  
 As Mrs. Herren, our delegate to the federation, was ill and unable to be with us Mrs. Hawkins gave the report on the convention.  
 The Texas Federation of Music Clubs of First District opened a two day meeting at the Woman's Club, Fort Worth, Nov. 15-16, with Mrs. Harley F. Goble, Wichita Falls, district president, presiding.

Some of the things stressed in the address were: Music and Its Relation given by Mrs. Goble, were for all clubs to use collect at every club meeting. Keep club rating before the club; observe Music Week; organize Junior clubs and to secure music for the mass chorus to be given at the State meeting in San Angelo April 4, 5, 6.  
 Mrs. I. D. Cole, president Texas Federation Music Clubs in her address on "Know the Federation" stressed: To know the history of the national, state and district. To insist upon the re-establishment of music in schools to a position of equality with the other subjects in the curriculum.

American composers and American Artists "Service to Humanity".  
 Special State Projects:  
 A—Music for the Texas Centennial.  
 B—Music for the State Conventions.  
 C—A Young Artists, Students and Junior Contests.  
 District Projects: Every member a reader of the Music Club Magazine and Texas Music News.  
 Keynote of the State Administration:

A—The individual club member.  
 B—Making possible a network of organizations doing their part to pave a musical highway of Texas leading into a musical America.  
 Mesdames Goble and Cole are very dignified and capable speakers.  
 Mrs. Carl Power gave a report on the Midnight Frolic; there was much color to her report.

The four music clubs of Fort Worth furnished music for the tea and lunch hours, and also took part on the various programs.  
 The ladies report that the "Sacred Music Hour" was the finest they ever heard, and they were all of one accord in their praise for Fort Worth's hospitality. One lady said that the Fort Worth people didn't seem to mind being up all night as they never retired until the "wee, small hours of the night." We do not understand all we know about that, as the convention was only in session one night and they were there three, so it will take a better mathematician to figure that out than we are.  
 The Federation will meet in Mineral Wells next year and we can all go, provided we have the cash, as there will be no more free entertainment. In the absence of Mrs. Welsh Mrs. Martin directed our cantata rehearsal.

Reporter.

### Sunday School Members of City in Joint Meeting.

On Monday evening August 6, 1934, at 8 o'clock, sixty-one young ladies from the Sunday School classes of Haskell met at the First Methodist Church for a lovely program and social hour. It was arranged by the following ladies from the different churches: First Methodist, Mrs. Frank Williams and Miss Ola Bell Kennedy; First Baptist, Miss Betty Lee Barton; Presbyterian Church, Miss Betty Ann Hancock; Church of Christ, Mrs. Otta Johnson.

All agreed that regular socials should be given. At the close of this meeting an invitation was accepted from Mrs. A. J. Brooks to meet at the First Baptist Church one month from that evening.  
 The second meeting was held Monday evening, September 3, at 8 o'clock at the First Baptist church. A very delightful program on "Youth" was directed by Mrs. A. J. Brooks and a social hour was enjoyed by fifty-one guests. At the close of this meeting Miss Betty Ann Hancock extended an invitation to all guests to meet at the Presbyter-

ian Church the following month.  
 On Monday evening, October 1, a delightful program and Halloween party was enjoyed by fifty-four guests at the Presbyterian church. This meeting proved to be a very interesting one, as it was rather "spooky" and much fun was enjoyed. At the close of this meeting an invitation was accepted from Dr. Josephine Morrison of the Church of Christ to meet at her home on Halloween evening.

This fourth meeting, which was held on the lawn at the home of Dr. Morrison was a Halloween party, complete in every detail. Nothing was left undone to make it a very "spooky" night.  
 Mrs. John L. Tubbs added much fun to this party, by asking the guests to take a trip through the haunted barn at her home. This invitation was readily accepted and was enjoyed by thirty-seven guests.

The next Inter-Denominational meeting will be held on Monday evening December 3, at 7:15 o'clock in the basement of the First Methodist Church. A very interesting program is being planned, as well as a delightful social hour. We are to hear some out of town artists who will appear on the program and we feel sure they will be very interesting and will add much to our program. Our local people who are to take part on this program are also very talented artists.

Mrs. T. R. Odell and members of her Sunday School class will direct the social hour. The program will be directed by Mrs. Frank Williams. There are several young ladies from the different churches who have not yet attended one of these meetings. We feel sure if you will come one time, you will not miss any of these meetings.  
 A prize will be given to the leader, or teacher having the largest number of your pupils present. This will apply to the teachers and leaders who have been taking part in these meetings.

### Family Reunion in J. P. Wheatley Home.

A dinner was given at the home of Mr. J. P. Wheatley Sunday Nov. 25 honoring his seventy-fifth birthday, which was Nov. 23rd.

Guests brought covered dishes and the dinner was served picnic style. Everyone present enjoyed the occasion very much.  
 All of the seven children were present. They were: Mr. and Mrs. J. D. Wheatley, Haskell; Mrs. Mary Sullivan, Glen Rose, Texas; Mr. and Mrs. A. F. Force, Haskell; Mr. and Mrs. J. P. Wheatley, Brownfield, Texas; Mrs. Lola Massie, Haskell; Mr. and Mrs. T. C. Cobb, Haskell; Mr. and Mrs. E. L. King, Post, Texas.

The grandchildren present were:

Mr. and Mrs. Eimer Wheatley, Mr. and Mrs. Alford Force, Mr. and Mrs. Alvin Wheatley, Mr. and Mrs. Leonard Force, Mr. and Mrs. Erman Whitaker, Mr. and Mrs. Willie Arend, Mr. and Mrs. Carl Wheatley, Mr. and Mrs. J. P. McFaddin, Miss Claudie Mae Massie, Miss Evelyn Cobb, Mr. Perry Force, Miss Faye King, Miss Pauline Wheatley, Miss Joy Cobb, Miss Helen King, Freida Wheatley, Roy, Clyde, and Leslie King; Virgil, Fern, Toxie, Ernestine and Wynell Cobb, and Joe Wheatley.

The great-grandchildren present were Genetha Wheatley, Tommy and Johnnie Wheatley, Wenonah and Maxine Wheatley, Benny Arend, Joetta McFaddin and Ruth Wheatley.

Others present were Mr. W. A. Sandlin, San Antonio, Texas; Mr. J. A. Mapes, Mr. Clyde Bland, Mr. J. R. Roberts.

### Half Moon H. D. Club.

Mrs. Earl Daniels entertained the members of Half Moon Home Demonstration Club in her home Thursday afternoon.

Singing and playing games was the main diversion of the evening, with prizes being given to Mrs. Walter Viney and Mrs. Earl Daniels.

Each one present remembered Mrs. Walter Viney with a gift. Sandwiches and hot chocolate were served to visitor, Mrs. Glenn Merchant, and members: Mrs. M. O. Field, Dick Andrews, Pink Mullins, Walter Viney Leroy Brite, Earl Daniels, Misses Laverne Andrews, Willie John Field, Bonnie Brite, Lola Beryl Viney.  
 The club will meet with Mrs. Lewis Marr on Dec. 13th.

### 4K Klub Meets With Mrs. Jno. V. Davis.

Mrs. Jno. V. Davis was hostess to members of the 4K Klub Saturday night at her home. At the end of the usual games of contract bridge, Mrs. Davis served a delightful refreshment plate to Mesdames Roy Killingsworth, R. L. Lemmon, Ralph Duncan, Courtney Hunt, Oscar Oates, Misses Ermine Daugherty and Madaline Hunt.

### Center Point H. D. Club.

The Center Point H. D. Club met in the home of Mrs. W. T. Morgan Thursday at 2:30 p. m., with seven members present. We will have a Thanksgiving social and Christmas

Tree. We elected officers the first of November as follows: President, Mrs. W. E. Johnson; vice president, Mrs. A. B. Corzine; secretary-treasurer and reporter, Mrs. T. M. Patterson; parliamentarian, Mrs. H. D. Bland; council member, Mrs. W. T. Morgan.

### Consider Health on Thanksgiving Day

AUSTIN, Texas. — Dr. John W. Brown, State Health Officer, has asked all citizens of Texas to give some thought to health, both personal and public, on this Thanksgiving

Day. The original Thanksgiving was held by the Colonies for the purpose of giving thanks for their health.

Great advances in the treatment and prevention of disease have been made since the first Thanksgiving. Yellow fever, plague, and cholera have practically ceased to exist. Smallpox, diphtheria, and typhoid can be eliminated as a cause of death if a person will have himself and children immunized. Malaria and many other diseases can be controlled if the public would demand that the government furnish such protection.

Due to the advancement in knowledge of disease, concerning its pre-

vention and cure, fifteen years have been added to the expectation of life. This means that a child now can be expected to live fifty years longer than he would if he been born fifty years ago.

We have a great deal more to be thankful for now, even with a depression, than did our Pilgrim fathers; so let each one in Thanksgiving pledge to assist in furthering the work being done to improve health conditions in Texas.

**Correct Definition**  
 The flu, it is said, is both active and negative—sometimes eyes have it and sometimes nose.

# LADIES, ask your Santa Claus

## for a Gas Refrigerator

CHRISTMAS hints are dropping like plums these days . . . now is your chance to do some campaigning for a Gas Refrigerator. You might mention appetizing salads and desserts that would freeze themselves in these ELECTROLUX trays. You could bring in the fact that fish and meats keep at top form in these "below 50" shelves the year around. Don't forget to say that the Gas Refrigerator runs for much less cost than any other method. That ought to please your Santa Claus.  
 We're getting gift orders now, for delivery in time to freeze the Christmas dinner cranberry sherbet.

Silent as a snowbank

Stamford and Western Gas Co

New Buildings Proposed for C. I. A.

Preliminary studies of the first of four buildings authorized under a \$1,000,000 grant by PWA officials to be erected at Texas State College for Women (CIA). The dormitory (above), replacing the present Stoddard Hall, is a four story fire proof building, concrete frame and face brick housing 200 students. The infirmary (below), a concrete and brick structure of colonial architecture, provides accommodations for 15 patients with increased possibilities of 28.

Popular Fruit Cake Recipe Is Now In Demand

DENTON, Texas. — Dark fruit cakes are best after they have been allowed to ripen for from one to three months. Since it is possible to find the special ingredients in the local markets as early as the first of October, it is a good plan to do one's Christmas baking early. In the home kitchen it is impractical to make more than 12-15 lbs. of fruit cake at one time as this is the largest amount capable of being baked in family sized bowls and lined in the average oven. Pans with straight rather than flaring sides mold the cake into a firm which is easily stored. Loaf pans are especially desirable for storage and because they may be decorated more attractively and to better advantage.

the flour. Mix the fruit in the rest of the flour and add to the cake a small portion at a time. Add nuts last. Line the pans with waxed or oiled paper and bake in a slow oven (300 degrees F.) or steam for 3-4 hours.

If cakes are to be steamed, several layers of waxed paper or greased manila paper should be tied over the tops of the pans to prevent condensation of moisture on the surface of the cake. After the cakes have been steamed, remove the paper covering the tops of the pans and dry the cakes in a very slow oven (250 degrees F.) for 45 minutes to one hour. Remove from the oven and cool in the paper in which they were baked. A stone crock or tin box makes an ideal storage container. Weight of the baked cake is about sixteen pounds.

Eradicates Bermuda Grass

MOUNT VERNON, Tex.—There's not a tuft of bermuda grass on the entire 28 acres of my land that was thoroughly sodded in 1932," M. D. Reynolds of the Glade Springs community in Franklin county told V. O. Teddie, farm demonstration agent. After an absence of 13 years, Mr. Reynolds moved back to his old home place and found it completely sodded with bermuda grass and resin weeds. As a result of his effort to kill the grass and cultivate the land, he raised a bale of cotton per acre in 1933. This year there has been the worst drouth the county has ever known, but Mr. Reynolds has harvested 20 bushels of corn per acre, 15 loads of peanuts on four acres, five loads of peavine hay, five loads of sorghum hay, and has made one-third of a bale of cotton per acre.

The Problem

An Irishman, who was an eligible bachelor, visited a widow in his district every evening and had tea with her. A friend suggested that he should marry the lady. "I have often thought about it," he said, "but where should I spend my evenings then?"

Fruit Cake

1 lb. butter, 1 lb. sugar, 1 1/2 lbs. flour, 12 eggs, 5 lbs. seeded raisins, 1/2 lb. currant jelly, 1 lb. cinnamon, 1 lb. dried currants, 1 lb. candied cherries, 1 lb. pineapple, 1 lb. blanched almonds, 1 lb. shelled pecans, 1/2 watermelon citron or 2 c. strawberry preserves, 3/4 lb. nutmeg, 1 t. allspice, 1/2 t. cloves, 2 t. rose water, 1 c. logan berry juice or grape juice, 1 lb. lemon extract, 1/2 cup molasses, 1 t. soda.

Making of Fruit Cakes

Soak almonds in rose water over night and fruit in logan berry juice for same time. Cream butter and sugar, add well beaten yolks of eggs then spices and jelly. Next add the beaten whites of eggs and part of

Volume 1 By Haskell High School Students No. 8

### THANKSGIVING

Thanksgiving is near, but don't let this mean we are not thankful all the year. I hope we are, for really we have much to be thankful for. We know the story of our forefathers and if they could be thankful surely we can. We should show our thanks not only to the Great God above but to our teachers, schoolmates, and friends. Wouldn't a smile, a cheery word, or a polite "thank you" show in some way our thanks for the good they do us every day? Let's remember this and make every day a day of thanksgiving. (And now, don't eat too much turkey!)

### SOUTH WARD PRESENTS ASSEMBLY PROGRAM

We want the South Ward teachers and students to know that we surely did enjoy and appreciate the program which they gave for us in assembly last Wednesday. We especially appreciate their effort to come when it was pouring down rain. The High School students admire their ability to work up such a treat for us.

### GIRLS' COAT-ROOM PROVIDED BY GYPSY RAMBLERS CLUB

In our last regular meeting the club voted to go forward with our plans for a coat room, and last week end the necessary carpentry was done. We now have a partition cutting off the south end of Room 8 and a new door leading into the hall. This gives us a room of considerable size, which is to be furnished neatly and provided with racks for coats. We hope to avoid the unsightly appearance of coats hanging on locker doors and piled on bannisters. Basket Ball girls will be privileged to use it as a dressing room, and we hope that it will prove a convenience to every girl in school. Club Reporter.

### PERSONALS

Eva Belle Pippen was absent from school Monday because of illness. We are very glad to have Miss

Davis back in school again. Geraldine Norris visited relatives in Wichita Falls Monday. Jack and John Kmbrough were absent from school last Monday. We certainly have missed Leon Highmore and we hope that he will be back in school soon. Jerry Hunt made a trip to Abilene Friday afternoon.

### CAMPUS WISDOM

Be wiser than other people—but do not tell them so.  
 Trifles make perfection—but perfection is no trifle.  
 There are always two sides to every question—the wrong side and our side.

### SENIORS RECEIVE RINGS

"The thrill that comes once in a lifetime!" It came to the Seniors a few days ago when, after long days of expectant waiting, they received their rings. Better than Santa Claus—better than a dream come true it seemed, when each Senior's name was called and each received his own. Of course we think they are the prettiest of any class rings we've seen, because they are ours; and of course we are very proud of them because they are a token of our accomplishments of eleven years.

### BASKETBALL FLASH

Our girls' basket ball team is doing some excellent training for our comeback game with Rochester, which is scheduled for Tuesday night at O'Brien.

### LEAVE OR BELIEVE

Marjorie Wright and Maydell Barnett friends who live in the same town, and attend the same school were both carried to the same hospital the same day by the same ambulance. Both girls had the same cases, measles and appendicitis. Both were operated upon the same day and occupied the same room. Of the numerous pot plants and bouquets received by both girls not one was received by one girl that the

other did not receive an identical one from the same person or persons. Both girls have birthdays August 1st.

### SOPHOMORE'S "KNOW-IT-ALL"

Dear "Know-It-All":  
 Where is Venice located?  
 Perplexed,  
 Mr. Mason.

Dear Mr. Mason:  
 On the map of the world,  
 Know It All.

Dear "Know-It-All":  
 Who does A. G. R. go with?  
 Uninformed,  
 Brantley Massey.

Dear Brantley:  
 If you don't know by this time it wouldn't do you any good to be told.  
 Know It All.

Dear "Know-It-All":  
 Why does Hamlin beat the second team in football?  
 Ignorantly,  
 J. D. Tidwell.

Dear J. D.:  
 They make more scores than you do.  
 Know It All.

### CLASS ROOM CLASSICS FROM KAIGLER'S STUDIO

1. "Hold, as 'twere, the mirror up to nature—there is speech in their dumbness, language in their very gesture."—Shakespeare.

2. "It is the seeing eye that looks deepest into nature's heart, and the hearing ear that catches her simplest and most delicate tones."—S. S. Curry.

The Haskell High School studies the S. S. Curry system of expression and for the benefit of those who do not know who S. S. Curry is we will explain that he is the founder of "The Boston School of Expression" and which before thirty years ago was called "The Boston School of Elocution."

Mr. Curry's was the first school in the United States to change the name to expression. The class room classics that this department uses are taken from the Curry text books and are at the beginning of the lessons studied and discussed in class.

Mr. Curry teaches, as the two classics above indicate, that naturalness is the best expression and that a trained eye and ear can enjoy all of nature. He also stresses that a source of correct pronunciation is the dictionary, and that enunciation is pronouncing every syllable distinctly. Simple, isn't it?  
 Reporter.

### ON GRIDIRON AND BLEACHERS

"Hand car, push car, engine full of steam. Hurray for Haskell's winning team!"

And Haskell's team was really an engine full of steam last Friday. Possessing a "hand shoved and pushing driver" with a line full of energy and pep when they carried the old pig skin down the Ploowboys' furrow for one mighty touchdown.

Here's a toast to them for the way they pushed those Ploowboys around and added another star to our crown of victories. We have come to the conclusion that when things look bad for us we can depend on the Indian Braves to pull us through with another victory.

By the way, did you hear a "noise" that sounded like a Pep Squad? Here's a surprise for you—it was the Pep Squad, cheering with heart and soul for "dear old Haskell High School!"

Haskell was certainly well represented at Roscoe Friday. Some of our ex-Seniors from school's nearby journeyed over to see their former school's team wrestle the victory from Roscoe. Let's hope they are as proud of them as we are.

We are sure we can speak for the Indian Braves that they appreciated the large attendance from Haskell to see the Indians bring home the victory for our Haskell High School.

### IS EVERYBODY THANKFUL?

You bet!—Or at least the most of us have something to be thankful for.

Wodrow Frazier is thankful that a certain girl in the seventh grade is passing so far.

Covell Adkins is thankful for his ability to make love.

Alberta Orr is thankful for that Rochester "gent."

Bob McAnulty is thankful that he is not in love.

George Fouts is thankful that the boy with the big long car hasn't made any more attacks.

Winston Watson is thankful for the grocery man's daughter.

Louise Mc is thankful for her blond hair because it makes a hit with the boys.

Anita Joe Simmons is thankful for her football hero.

Odell Williamson is thankful that we don't have the low-down on her yet.

John E. Fouts expresses his thankfulness for all of the surrounding towns.

Maydell Barnett is thankful for Stamford—mainly the "gents."

Mary Ben Chapman is thankful

for Munday and the M. System truck (the driver mostly.)

Gerry Fouts is thankful for her "little football hero" of Olney, Texas. Gerry, how heavy was the sack you were left to hold last Friday?

Billy Williams is thankful for the "blonde" from Stamford.

Fred Sanders is thankful for Electro.

Harvey Simmons is thankful he got away last Friday afternoon.

Leta Burson is thankful for Rule.

And Marjorie Wright is thankful for her ex-Senior.

### SENSE AND NONSENSE

"My boy, do you attend a place of worship?"  
 Woodrow Dishongh: "I'm on my way to her house now."

Traffic Cop: "Use your noodle, lady! Use your noodle!"  
 Jerry Hunt: "My goodness! Where is it? I've pushed and pulled everything in this car."

Elsie: "Are all good looking boys conceited?"  
 Winston: "I'm n'o't!"

Mr. Mason: "How are census taken in Scotland, Weldon?"

Weldon: "The census taker rolls a penny down the street and counts the people as they run after it."

### Jossett Club Honors Former County H. D. Agent

Complimenting Mrs. Cecil Mason, who was before her marriage, Miss Johnnie Reed, Haskell county home agent, members of the Jossett H. D. club presented her with a lovely luncheon cloth following the regular meeting Tuesday in the home of Mrs. Holt Eastland. Refreshments of pecan pie, topped with whipped cream and coffee were served to Mesdames Fred Monke, C. A. Lewellen, Cecil Mason, John L. Grindstaff, Thurman Bynum, Bill Swartz, Gene Lancaster, C. B. Cagle, Lynn Tolliver, C. A. Thomas, E. B. Callaway, J. B. Edwards, Jesse Jossett, W. C. Norton, Frank Spencer, J. L. Tolliver, Allen Adams, Paul Josse-

lett, C. W. Bledsoe, John Thomas, W. E. Taylor, Leon Gilliam, S. G. Perrin, Holt Eastland, Pauline Jenkins, Misses Maurine Norton, Mae Cothron, and visitors, Mrs. Paul Thomas and Miss Bonnie Brite.

### Says An Old Timer—

Ah, those were the good old when you could kiss a girl taste nothing but girl.

A GOOD PLACE TO TRADE

## Thanksgiving—Time Is—Here Again

And we have many things to be thankful for; you have also. We all sometimes think we have an awful load to carry, but if we just look about us we will find many less fortunate, and we should be most grateful.

We are thankful for our many satisfied customers, because by their co-operation and confidence we are able to carry on and strive to render better service each year.

Farmers & Merchants State Bank

**Josselet**

Mr. and Mrs. Burwell Evans of Nevada, Texas, were visitors in the home of Mr. and Mrs. W. E. Stanford and Mr. and Mrs. Jim Stanford last week.

Mr. W. E. Taylor and son J. E., and Mrs. Lynn Tolliver visited Mr. and Mrs. L. B. Taylor of the Sayles community Sunday.

Mrs. Hughes Gilliam, who teaches English in the McAdoo High School, spent Wednesday night with Mr. and Mrs. Leon Gilliam. She was en route to spend Thanksgiving with her husband, who is a chemist for the Universal Laboratories in Dallas.

Mr. and Mrs. Frank Lewellen of Parkerton visited Mr. and Mrs. Lynn Tolliver Sunday.

Mrs. Leon Gilliam and son Bob and little daughter Annie Bess, spent Thanksgiving with relatives in Tyler, Texas.

Mrs. J. C. Lewellen of Roberts visited Mrs. E. B. Callaway Monday.

Mr. and Mrs. Jack Rich of Roberts are spending the week with Mr. and Mrs. E. B. Callaway.

Everyone enjoyed the party in the home of Mr. and Mrs. W. C. Norton Saturday night.

Mr. and Mrs. Cliff Lewellen spent Sunday with Mr. and Mrs. J. C. Lewellen.

John Paul Perrin has returned from a visit on the plains.

**Gauntt**

Our community was blessed with a good rain last week. The farmers are all wearing smiles again.

We had thirty-eight present at Sunday School Sunday morning, and also a nice crowd at B. Y. P. U. and church Sunday night.

Mrs. Odell Gardner of Haskell spent several days of last week with her parents, Mr. and Mrs. Jess Miller, while her husband was away on account of the death of his brother.

J. H. Holloway and children, Reagan and Ma Mae of Jonesboro, have returned to their home after spending a few days visiting the former's brother, T. S. Holloway and family.

Mr. and Mrs. W. J. Carrigan of Rose spent the week end in the W. E. Fowler home.

The party in the home of Mr. and Mrs. Nat Foster Saturday night was enjoyed by a large crowd.

T. S. and J. H. Holloway celebrated their sixty-second birthday Sunday in the home of the former. Those who enjoyed this occasion were: Mr. and Mrs. T. S. Holloway, J. H. Holloway, Mr. and Mrs. L. L. B. P. and S. O. Holloway, and their families; Leslie Holloway, Gladys and Angus Campbell, Dixie Fowler and Reagan and Ma Mae Holloway.

**Josselet H. D. Club Elects Officers**

Election of officers was a feature of the business session of the Josselet H. D. Club meeting held Tuesday in the home of Mrs. Hot Eastwood. Mrs. W. C. Norton was named president; Mrs. Frank Spencer, vice president; Mrs. Allen Adams, secretary, and Mrs. C. A. Lewellen treasurer. Mrs. Leon Gilliam was appointed parliamentarian; Mrs. Gene Lancaster, council member, and Mrs. E. B. Callaway, reporter.

**Want-Ads**

LOST—Jade ring, set with small diamond. Reward. C. V. Payne.

GOOD FARM 4 miles southeast Weibert for sale or trade cheap. If interested see Lewis Ashby, Weibert. 2c

FOR SALE—Used piano; in good condition. See Miss Jaunita Morgan, Rule, Texas. 2tp

## THANKSGIVING DAY

How the observance of a day of Thanksgiving by the Pilgrims after their first harvest in 1621 was the beginning of what has become a national custom is well known. The story of how this custom gradually became widespread has also been frequently told.

But few of this generation know that the establishment of a uniform date for Thanksgiving Day was brought about by a woman, Mrs. Sara Josepha Hale, born in Newport, N. H., in 1788. Left a widow with five children she took up writing as a means of support, and was editor of a women's magazine from 1828 until 1877.

She founded the first Seaman's Aid Society in Boston, raised a large sum in aid of the Bunker Hill monument and was active in many movements for the advancement of women. When in her early forties, Mrs. Hale began her long campaign for making Thanksgiving Day a national holiday and its celebration on the same date throughout the country.

For about twenty years she wrote editorials in her magazine, and bombarded presidents and governors with personal letters in support of the idea. Finally President Lincoln adopted her suggestion in 1864 and designated the fourth Thursday of November as a day of national Thanksgiving. Since then his example has been followed by all succeeding Presidents.

While it will seem to many that they have little in the way of material blessings for which to be thankful this year, we may be mindful of the spirit of sympathy and practical helpfulness which has greatly developed during the trying times through which we are passing. Never before has such interest been shown in the plight of the unfortunate, nor more earnest and sacrificing efforts made for their relief. For these manifestations we may be thankful, as well as for the indications that conditions have begun to improve, that our faith in our national future is fully justified.

## HASKELL'S DESTINY IN HANDS OF ITS PEOPLE

Campaigns for the encouragement of buying at home have been carried on in various communities with varying success for many years and while nearly everyone admits the sound economics of the principle, still too many people fail to put it into practice when it comes time to buy. They know that as local business prospers they also will prosper proportionately, but they prefer to let someone else pull their chesnuts out of the fire by doing the buying at home while they buy where they please.

But the buy at home idea doesn't work out so well unless everyone in the community practices it. The prosperity of a community depends upon everyone in the community, not upon what a few of the leaders may do. Patronizing home businesses may enable them to expand and increase their payrolls, build up increased taxable wealth, and in many ways contribute to the progress and general prosperity of the community. Every dollar spent in the home community stays in that community, traveling an endless circle and figuring in transactions amounting to hundreds of dollars, but the dollar spent outside the community is gone forever. These are trite and self-evident facts which have been put forward time and time again, yet many otherwise good citizens deliberately contribute to the upbuilding of nearby or distant cities at the expense of their own towns and counties.

The policy of buying at home would do more for Haskell and Haskell county than all the commercial organizations and boosters' clubs combined could possibly accomplish. These organizations are needed, of course, but they can only provide the leadership and the success of any community enterprise in the final analysis depends upon the support and co-operation of all the citizens of the community.

## WHERE THINGS WEAR OUT

It is really remarkable that the American people got along at all before a benevolent Uncle Sam, through the medium of his many departments and bureaus, hit upon the scheme of regulating their lives by a perfectly marvelous series of advisory bulletins.

A few of these amazing screeds were enumerated by Senator Pat Harrison in a facetious speech ridiculing them in his characteristic style. He mentioned among others, government bulletins on "Utilization of Calcium in Spinach," "Lamb As You Like It," "Bringing Up Bobby," "Reindeer Recipes," "Principles of Window Curtaining," "How To Dress for a Sun Bath," and even "Love Adventures of the American Bullfrog."

Hundreds of other bulletins and pamphlets of about equal absurdity are issued by the Agriculture, Labor, and Commerce Departments in Washington and the cost of preparing and printing them is borne, of course, by the patient taxpayers who may or may not need this enlightenment. One other bulletin for the edification of the faithful housewife deserves special mention. It is entitled, "Where Sheets Wear Out." If she reads this bulletin she will know without ever taking the trouble to examine her bed linens. We wait eagerly for a treatise on "Where Pants Wear Out," and possibly in the course of human events the bureaucrats may have material for a more practical dissertation on "Where the Taxpayers' Patience Wears Out."

"In their state convention, the Republicans of Oklahoma refused by an overwhelming majority to go on record as condemning the New Deal and specific phases of the NRA and AAA. Leaders ordinarily hostile to any Democratic plan contented themselves merely with the criticism of 'waste' and the expenditure of relief funds. This is just another evidence of the hold the President has on the country."—Richmond, Va., Times-Dispatch.

When these lines are printed, we'll probably be "on the bounding main," getting the benefit of a week's vacation through haunts of reputable nature. However, said "Main" will not be composed of water, but the main of our "automobile." When we informed one Hollis Atkinson that we were to take a vacation, he wanted to know "from what?" as he didn't know we had been working. Nevertheless, it takes WORK to hit that crack, Mr. Atkinson.

Maybe when we return we will be able to give you reliable information as to the extent of the rain which covered West Texas last week. As you recall, newspaper reports gave the rainfall as "general" over West Texas—which embraces a territory extending from San Antonio north to the Red River. Starting near the latter point, we notice that the Brady Standard values the fall in McCulloch county at \$100,000,000,000—whether in post-war German marks, Russian kopecks or good old United States greenbacks was not elucidated. We believe Haskell county needed the attention of J. P. Puvius equally with any other West Texas dominion, so it's up to Alfred Pierson and Joe Cooper to properly evaluate the monetary consideration involved in the 3.12 precipitation received here. . . . Any way it rained . . . and rained . . . and to an East Texas boy the sight Thursday of a group of farmers from the Irby community east of Haskell coming into town via a wagon pulled with a team of four mules reminded us of the East Texas thoroughfares when we were a youngster.

Then there's the Haskell man who was blessed with a dainty heir early in 1934 who is accustomed to have his wife and youngest care accompany him back to his place of business after the noonday meal. Wednesday the aforesaid fortunate with his youngster had just reached his car when a herd shower began—snatched by the vocal outburst of his frightened offspring. And no wonder, as the baby's mother remarked—it was the first time the child had ever witnessed the phenomena!

Our sympathy to the farmer who expended thirty-five good dollars for a brand new sheet-iron tank last week in which to transport water from Haskell to his place of abode several miles from town. Substantially built in anticipation of a continued drought, he proudly conveyed it full of the precious fluid to his home Saturday, and Lo! following the rain the contraption will require a caterpillar tractor to be extricated from the mire into which it has sunk.

The West Texas editor who was recently involved in fistfights with the town's leading bootlegger, following an editorial utterance, must have either been among the few in Texas who fail to patronize the illicit gentry—or among the many who are dissatisfied and disillusioned after they do. Anyway he stood pat on his expressions, and gave a blow-by-blow account of the encounter in the following issue of his newspaper.

## About Boy Scouts

We attended a special meeting of men interested in Boy Scout work recently, and heard Ed Shumway, of Abilene, executive chairman of the Chisholm Trail Council explain the "cubbing" and "Lone Scout" program which will be inaugurated soon in Haskell county, and although, like many others, we have taken very little interest in Boy Scout work in late years, we became instantly interested in the idea, as outlined by Mr. Shumway. Boys below the scout age limit will be given an opportunity in the cubbing program, and boys living in rural sections, who are not near an organized patrol, will have explained to them how they may become scouts and the program they will be expected to follow.

As usual, attendance at the mentioned meeting was not well attended by Haskell business men, but, as Mr. Shumway explained, they perhaps do not realize how important it is that boys be given a program, and how doubly important it is that Haskell men take an active part in furthering the cause of scouting. Even though not the father of a boy, many Haskell men should figure the matter out similar to the Abilene man, who, according to Mr. Shumway, volunteered his services, even though he had no son. Asked why he was interested, the Abilene booster replied that he had three daughters and was very much interested in seeing that the right type of husbands were handy when his girls decided to marry. Most generally, Boy Scouts make fine citizens.

Haskell county can either have a wonderful scout organization, or it can have a poor one. It is up to the men of Haskell county to decide. More than money is needed, and from what we can learn, it will do a lot of Haskell men good to place themselves in a position whereby they may understand youth—and youth's desire to get into a closer relationship with the older generation.

# -CURRENT COMMENT-

## IT PAID TO ADVERTISE

(Dallas Morning News)

Detroit's results in civic advertising to speed up delinquent tax collection are summarized in Printer's Ink for Nov. 15. With \$49,000,000 in unpaid tax bills on its books, Detroit invested \$10,700 in direct advertising, which offered specific inducements to pay up. The bulk of the expenditure was made in newspapers, four insertions in seven dailies, two insertions in fifty community and foreign-language journals, one insertion in thirty-eight church organs. Additional advertising included forty-eight illuminated and sixty unilluminated outdoor bulletins, one announcement a week for six weeks on six radio stations, slides on motion picture screens and folder distributions. A later campaign ran the total advertising cost to \$29,000.

Before advertising, Detroit was forced to issue \$10,000,000 in scrip to meet its pay rolls.

After advertising, Detroit finds it necessary to borrow but \$3,000,000 to balance its books.

Seventeen million dollars was obtained in delinquent payments for the \$29,000 spent. Detroit is confident that it pays to advertise.

Detroit is not alone in experience with advertising results. Dallas county in the last year has used direct newspaper advertising to bring home to the delinquent taxpayer the advantage offered him in concession for payment by a certain date. It is doubtful whether the possibilities in direct advertising of this nature have been fully exploited anywhere. A certain amount of news space is always open to the tax collecting authorities but direct display gets better results.

If taxing authority co-operates by fixing permanent collection policies, with which the Legislature will not interfere, the judicious use of advertising to educate the public on forestalling interest and penalty will prove its permanent value.

## Head Man of Oil Industry Comes to Texas

The head man of the petroleum industry, Secretary of Interior Harold Ickes, oil code administrator, came to Texas last week to attend the annual national A. P. I. convention in Dallas. He is pictured here in center with E. G. Seibert, president of the Standard Oil Co. of Indiana, left, and E. B. Reiser, president of the Barnsdall Oil Co., right. Ickes told the oil men that unless something is done about control of production, the oil industry may be made a public utility. (Texas News Photos.)

not it needs to be terraced. If it does, terrace it during the spare hours in November, and then wait until January to plant the trees. "In the meantime, catalogues from reliable nurseries in the vicinity make interesting and worthwhile reading, and give an unlimited realm for imagining the harvest that is to come. "Extension bulletin number B-73 has just been revised and gives charts of varieties suitable for planting in various localities. Do not make the mistake of trying to grow fruits that are not adapted to your locality," Mr. Rosbrough warns. "West Texas farmers will have to be satisfied with grapes, cherry plums, and in some of the sandy areas a few apples may be added. In the upper gulf coastal region such fruits as figs, plums, grapes, and berries are safer than peaches. For central and east Texas orchards, peaches should predominate, and plums, grapes and berries will also thrive."

### Vontress

Everyone enjoyed the good rain Sunday night and Monday. Those of this community who attended the "42" party last Tuesday night in the home of Mr. and Mrs. Roy Sorenson were: Mr. and Mrs. Oldham, Mr. Leon Stewart, Mrs. Lealand Sorenson, Misses Willis Stewart, Ila Stewart, Margaret Paulie Hoyal, Connie Hoyal, Ruby Oldham, Opal Oldham, Mrs. Roy Fobas and daughters, Mrs. and Mrs. Judie Ann of Paducah, Texas, spent last week in this community visiting relatives. Mr. and Mrs. Tom Bruggeman and children spent Sunday with Mr. and Mrs. Bill Arend of Roberts. Mr. and Mrs. Albert Arend spent the week end in the home of her parents, Mr. and Mrs. W. L. Johnson of Cottonwood. Almost everyone of this community attended the singing at Roberts Sunday night. Miss Margaret Oldham was honored on her tenth birthday last Saturday afternoon with a birthday party in the home of her parents, Mr. and Mrs. John Oldham. After many games were played and prizes were given to Misses Ruby Lee Sorenson, Ila Hoyal and Mr. Earnest Merrett and B. H. Hoyal. Refreshments were served to the following: Thomas Johnson, Earnest Merrett, B. H. Hoyal, Curtis Bruggeman, Misses Paule and Ruth Hoyal, Joe Free, Ruth McGuire, Mrs. Boring, Reba and Loretta Ruby Lee Sorenson, Doris Hoyal, Jimmie Lee and Ruthie Hoyal, Billie Lois Bruggeman, Doris Fobas, Theo Johnson, Opal Oldham, Ruby Oldham, Mrs. Tom Bruggeman, and to the honoree, Miss Margaret Oldham. Miss Iva Mae Coursey, who was injured in a car wreck and taken to the Stamford hospital, has returned and is reported to be improving.

### Mitchell

The drought looks like it is broken for more. Guess everybody was glad to see the rain. Health in our community isn't so good as at present. Mr. Walter Robertson is in Minner Wells for his health. Mr. Carl Carver was bitten by a snake Saturday evening and is real ill from the poison. Master J. D. McGregor was struck in the face by a swing last week and his face has set up, causing him to be real sick Sunday. Mr. and Mrs. R. B. Carver and Mr. and Mrs. Jess Brothers were in Haskell and Stamford Sunday of last week. Mr. and Mrs. Charlie Collier visited at Needmore Sunday. Mr. and Mrs. Edd Gore of Needmore spent Saturday night with his mother, Mrs. J. W. Carver. Two or three around here have received their plow-up checks. Mr. Melvin Bearden of Rochester spent the week end with his sister, Mrs. Roy Carver. Mr. and Mrs. Condy Talley visited at Needmore Sunday. Miss Ruby Farmer of Munday has been a recent visitor in our community. Mrs. Maggie Lefils spent Saturday night and Sunday with her mother, Mrs. E. V. Nance of Knox City.

### Center Point

Health here is good and everyone is rejoicing over the fine rains we have had recently. Wheat is coming up nicely. Mr. and Mrs. Buck Bland of Brady spent the week end with relatives here. Mr. Yater Benton and family of Tanner Point attended the singing school here Sunday and took dinner with T. M. Patterson and family. Miss Dana Perry of Tanner Point attended singing here Sunday night. Mr. Omer Jeter and family of Old Glory visited his father, W. J. Jeter and sons Sunday. F. A. Patterson and family of Rose visited relatives here last week end. Mr. and Mrs. Ivy and Lunsford Ivy and family of Jud, Mr. and Mrs. Corzine of Rule spent Sunday with A. B. Corzine and family. Mr. and Mrs. Boyd Burge of Gauntt attended singing Sunday. Rev. Sam Morris of Stamford preached to a small crowd here Sunday evening. We had 71 in Sunday School Sunday. Let's boost our Sunday School and make it 100 real soon. Singing was also well attended Sunday night. Next Sunday is our regular preach-

ing day. Don't forget and let's have a large crowd. Rev. McMillan will be here. Mr. and Mrs. Corzine and Tony Patterson were in Abilene Wednesday on business. Mesdames J. R. Tidwell, W. C. Storrs and T. M. Patterson were shopping in Stamford Friday. Mr. and Mrs. T. P. Morgan made a business trip to Abilene Tuesday. W. T. Morgan and sons, T. P. and Fred made a business trip to Alvord Thursday. Mr. and Mrs. W. E. Bland and Mrs. Miller visited Mr. and Mrs. J. H. Bland of Sayles Sunday night. The H. D. Club met with Mrs. W. T. Morgan Thursday with seven members present.

### Rochester

The Rochester country was visited last week with a fine rain which put a fine season in the ground. A few wheat fields are greening up. Most of the crops were gathered and housed before the rain. Everyone is planning a good Thanksgiving. A program at the high school building will be given Monday, beginning at 8 o'clock, staged by the students of the high school. The piano and violin students of Mrs. Warren's class will also be presented in a short recital. Rev. Otis Gatewood will lead the devotional. The minstrel given at the school auditorium last Thursday night was a decided success in every particular. The performance was under the direction of Mrs. Chas. Kay. The attendance was wonderful. The funds go to help re-paper the Methodist Church. Rev. Preston Florence and family left last Tuesday for Seminole, where they will reside on their farm next year. Rev. Florence was pastor of the Rochester and O'Brien Methodist churches this year, but at the annual conference last week, he asked for a sabbatical leave for a year. He and his family left many friends here. Messrs. John and Urban Trimmer had business in Houston last Thursday. Mr. and Mrs. O. D. Pool were shopping in Haskell Saturday. Mr. R. L. Gray of Midland was called last week to his father's bedside. Dr. Gray is no better at this writing. Mr. Ben Bearden and family of O'Brien visited Mrs. Bearden's parents here Sunday. Mr. and Mrs. Wilson Brown.

### Irby

Mr. and Mrs. William Brannan and family returned home Sunday from Kilgore where they attended the bedside of the latter's sister, who was very low after an operation. Last report she was much improved. Mr. Albert Klose, who has been taking treatment at Dr. Baker's hospital in Laredo, Texas, returned home Friday.

### Sayles

Mr. and Mrs. Claude Bland and sons of Sagerton spent Saturday night in the home of Mr. and Mrs. J. H. Bland. Mr. and Mrs. Hardy Jones of Rochester visited Mr. and Mrs. H. B. Haddaway Sunday. The rain which fell last week was surely appreciated by everyone in our community.

### Rose

The health of this community is good at this writing. Miss Gladys Crume spent the week end with homefolks of Cottonwood. Omah Faye Watson of Post spent a few days with her sister, Mrs. Eal Treadwell last week. Mr. and Mrs. Slover Bledsoe and Mr. Clyde Crume of Cottonwood attended singing here Sunday night. Mr. and Mrs. V. Henry had relatives from Rochester visiting them Sunday. Mr. Chester Carrigan of Boulder, Nevada, spent Sunday with his father and family, Mr. Will Carrigan. Mr. and Mrs. W. J. Kendrick accompanied by Mr. and Mrs. E. L. Stodghill were shoppers in Stamford last Friday. Mr. and Mrs. Gordon Larned and family spent Sunday visiting in Stamford. Ouida and Jimmy Treadwell spent Saturday night and Sunday with Omah Faye Watson of Post. Quite a few from Howard attended singing here Sunday night. Mr. and Mrs. P. G. Kendrick of Haskell spent Sunday afternoon with the former's father, Mr. W. J. Kendrick. Mr. and Mrs. W. A. Carlisle of

Haskell spent Sunday with their daughter and family, Mr. and Mrs. W. B. Stark. The "84" party given in the home of E. L. Stodghill Saturday night was enjoyed by several couples. Mr. and Mrs. Taylor Aivis are spending a few days with the former's father and mother, Rev. and Mrs. I. N. Aivis of Haskell. Mr. and Mrs. Gene Lancaster, accompanied by Mr. and Mrs. Jess Jousselet of Jousselet attended singing here Sunday night. The Rose H. D. club is putting on a program here Friday night, Nov. 30. No admission—free for everybody. Frank Patterson spent Thursday night with Robert Dickson of Stamford. Mr. and Mrs. Alfred Bland had relatives spend Sunday with them. Mrs. Lawrence Mapes spent the week end with homefolks at Cottonwood.

### Achievement Day Meet Held By the Rose H. D. Club

Members of Rose H. D. Club met Tuesday, November 20th for the observance of "Achievement Day," with Mrs. W. J. Kendrick, club pantry demonstrator and Miss Ruby Stodghill, 4-H club pantry demonstrator acting as hostess of the group. The house was called to order by the chairman, Mrs. Frank Patterson and an achievement program was carried out. Mrs. Kendrick told the story of her wardrobe and all saw the closet which she built for \$1.75. She won third in the contest and we all felt like she had achieved lots by the addition which she needed very much. Ruby Stodghill's story was then heard by the group. She won first in club work and had a nice display of canned goods to show proving that she had really worked to accomplish so much. Her sister, Florine Stodghill also won second in club work. Ruby will do second year pantry work another year. Mrs. Kendrick then told of her pantry work and had a full pantry with shelves and cans labeled well. She and Mrs. E. L. Stodghill have ground chicken standardized and Mrs. Stodghill also has boned chicken standardized. Our past secretary, Mrs. Frank Patterson then gave an incomplete statement of what the club as a whole has achieved. We have canned 3,258 cans of vegetables, fruits, meats, pickles and other things; cured 2,150 pounds of meat, made 30 pounds of cheese; added and labeled 30 feet of shelves; added 109 feet of tiling to gardens; 24 non-club members helped; made 23 foundation patterns and made 182 garments by them. Our club has 7

### Capitalization of New Charters Drops

AUSTIN, Texas.—Capitalization of new charters granted to Texas corporations during October declined sharply, but a moderate increase occurred in the number of corporations, according to the University of Texas Bureau of Business Research. Capitalization of new charters granted during October totaled \$1,190,000, a drop of 36 per cent from September and 44 per cent from October last year. The number of charters granted, 111, was 11 per cent above September and 3 per cent above October, 1933. Charters granted to out-of-State corporations totaled 32, a drop of 11 per cent from September but an increase of 46 per cent over October last year. Corporations with less than \$5,000 capital increased to 49 from 36 in September and the same number in October, 1933, a gain of 36 per cent. On the other hand, there were only two charters granted to corporations with more than \$100,000 capital, as against 44 in September and six in October last year. Out of Season A Canadian farmer ordered a bathtub from Chicago. It was promptly shipped but went astray. On its arrival the farmer refused to accept it. "I ordered that bathtub three months ago," he wrote, "and now winter is coming on and the bathing season is practically over. You can exchange it for a wood stove or keep it. I have no use for it."

### Dark meat in poultry contains twice as much iron as white meat, according to dietitians.

### Check Soil Now While Planning for An Orchard

COLLEGE STATION.—"Now is the time to check up on your soil, if you are interested in planting peach trees, plum trees, apple trees, and pear trees in the farm orchard," J. F. Rosbrough, Extension horticulturist says. "Begin by pulling up some of the weeds that grow where you want to plant your trees and examine them to see if they have tiny, bead-like knots on the roots. These knots give definite warning not to plant trees there," he continued, "because they are caused by tiny worms which are too small to be seen with the naked eye but will kill the trees. "When you have found some sandy soil that does not show evidence of nematode inhabitation, go over the land carefully to see whether or

## ANNOUNCEMENT

I will be at the REID DRUG STORE Wednesday forenoon DEC. 5th, from 8 a. m. to 11:30 a. m. and the First Wednesday each month. Please notice change of time from afternoon to forenoon.

### BE CAREFUL

- If any laxative is dipetic (makes you thirsty).
- If it affects your appetite.
- If you need more today than the first time you took it.
- If it drains the system (by too watery a movement).
- If a bad "burning" is felt.
- If there is severe griping.

If you have children who are occasionally constipated, you should know this.

If you are "not yourself" because of a constipated condition, don't blame it on your blood condition, or your age, but first try this treatment that safely relieves sluggishness in children or adults.

The Proper Treatment

You can't safely relieve the bowels with any medicine if you can't regulate the dose. To regulate dosage, you should have a liquid laxative. When necessary to repeat, you can gradually reduce the dose. And that is the secret of safe relief from a sluggish, constipated condition at any age.

A liquid laxative can be measured. Its action can be thus controlled. If properly made, of such natural laxative elements as senna and cascara, it forms no habit—even in the youngest child. And such a laxative will help the bowels to help themselves.

Dr. Caldwell's Syrup Pepsin is an approved liquid laxative containing herbs, active senna, and cascara, and is the one widely used. You can always obtain it at any drug store. Why not make the "liquid test" which has attracted so much attention of late? It helps nearly everyone who tries it. It may make you feel better overnight. The children will like it, too; Syrup Pepsin has a delightful taste.

If you will risk sixty cents to discover the safe, pleasant action of Dr. Caldwell's Syrup Pepsin, we believe bowel worms will be over for your household.

NOTICE TO TRAPPERS

We will buy your furs, paying the highest market price possible, beginning Dec. 1st. Haskell Poultry & Egg Co., Hallie Chapman, Mgr.

Need Building Up?

James W. Duffy of 618 Western Ave., Shreveport, La., said: "Being in poor health I tried different tonics but found nothing benefited me to speak of except Dr. Pierce's Golden Medical Discovery. I am glad to know there is a medicine that benefits a person when other remedies fail."

Men's Class of First Christian Growing Under New Officers

The Men's Bible Class elected new officers recently. Mr. Lynn Pace was elected President; Mr. Courtney Hunt, vice president; Mr. George Fielda, secretary-treasurer. Judge Ratliff is teacher.

The best attendance of the year is reported for last Sunday. However, the new officers are not satisfied and say that they'll "double attendance in three months time."

The Girl Scouts of America have a membership of over 315,000.

THE CHURCH OF CHRIST

Bible Study and Class Work—9:45 a. m. Sermon and Worship Hour, 11 a. m. Young People's hour for Work and Study, 6:30 p. m. The Baby Class, taught by Otta Johnson, is also at 6:30 p. m. The Ladies Bible Class, Sermon and Worship Hour, 7:30 p. m.

Monday, 3 p. m., Prayer Meeting and Bible Study, Wednesday 7:15 p. m.

The sermon subject for the morning hour is to be: "Ingratitude." Why suffer from ingratitude? Why go on, paying the penalty of ingratitude? Thankfulness, is indeed a joyful thing. Try it out for yourself. Look for your benefactor. Seeing Him will help you to become and be grateful. Look up! Where do your blessings come from? COUNT THEM. Read this: "And one of them when he saw that he was healed, turned back, and with a loud voice glorified God; and fell down on his face at his feet, giving Him thanks; and he was a Samaritan." (Luke 17:15, 16) But Where Are the Nine?

For the evening hour, the sermon subject is to be this: "Jesus and the Man Blind From Birth." Jesus to him said: "Go wash in the pool of Siloam." He did and was healed. What healed him? Was it the water? Was it the going? Was it the clay? The power in Christ, you say. Yes, but when did the power in Christ do it? The blind man said: "Now we know that God heareth not sinners; but if any man be a worshipper of God, and doeth His will, him he heareth." (St. John 9:31) Did the blind man know what he was talking about? Where did he get the thought? Is the thought from Heaven? Is it from the underworld? Truth will make free.

COME! COME! COME! COME!

PRESBYTERIAN CHURCH

Rev. E. C. Cargill, of Seymour, will begin a series of evangelistic services here Sunday night. Every one who has heard him is rejoicing over the news of his coming to Haskell. It is expected that all of the church members will attend regularly for the assistance that they may be and for the restoring of the joys of their salvation. It is hoped that our many unregenerated friends will accept our cordial invitation to hear the Gospel presented in an unoffensive manner, and that thus they shall find that greater peace and larger liberties for which they long.

The regular services will continue as usual, with Sunday School at 9:45, sermon by the pastor at 11 a. m., Young People's Vesper Service at 6:15. Then the opening sermon of the meeting by Rev. Cargill, C. A. Tucker, Pastor.

Some people begin to talk when they run out of something to say.

CARD OF THANKS

We cannot find words to express our heartfelt thanks to our neighbors and friends who were so kind and thoughtful during the extended illness and death of our husband and father. We also want to thank those for bringing and sending flowers, for they made the sorrow easier to bear. Our prayer is that when death comes your way you will find just as true friends as we did.—(Signed) Mrs. J. R. Dinsmore, Ruby and William; Mrs. Hoyt Perry and family; Mrs. Dee Liveness and family; Mrs. Marvin Wheatley and family.

Mr. Clay Smith is recuperating at his home here after a tonsillectomy and an ear operation performed at Wichita Falls last Wednesday.

Contract Bridge Club.

Mrs. B. C. Chapman was hostess to members of the Contract Bridge Club Tuesday afternoon at her home. After a number of games of contract Mrs. Chapman served individual pumpkin pies, topped with whipped cream, salted nuts and coffee to Mesdames Roy A. Sanders, Theron Cahill, Clay Smith, Hollis Atkinson, Barton Welsh, McClendon and H. K. Henry. Mrs. Clay Smith won high score prize for the afternoon.

Sacred Harp Singing at Ballew Sunday

There will be an all day Sacred Harp singing at Ballew schoolhouse Sunday December 2nd. All lovers of good music and singers are invited to be there and enjoy the day together.

Very Much Improved After Taking Cardul

"I have suffered a great deal from cramping," writes Mrs. W. A. Sewell, Sr., of Waco, Texas. "I would chill and have to go to bed for about three days at a time. I would have a dull, tired, sleepy feeling. A friend told me to try Cardul, thinking it would help me—and it did. I am very much improved and do not spend the time in bed. I certainly can recommend Cardul to other sufferers." Thousands of women testify Cardul benefited them. If it does not benefit YOU, consult a physician.
