

ON HAND TO Greet Open House guests Friday during calling hours at the Knox County Sheriff's new offices were, from left, Sheriff James E. Redwine, Susan Jones, and Jan Carver.

Sheriff's Open House Well-Attended Friday

A good turnout was noted Friday at the Open House held to let Knox County and area residents tour the new offices recently completed for Knox County Sheriff James E. Redwine.

In addition to his and the dispatcher's office, a booking area was added in order to comply with a new law. According to Texas Jail Standards, the new law requires that the booking area be separate from the sheriff's office.

The new booking area opens from the outside and may be opened from within the dispatcher's office by an electric lock release. A speaker identifies the law of-

licer at the door to the dispatcher, and Redwine explained that if the voice is unfamiliar, a window is nearby where the dispatcher can request that the official look through for identification.

The booking area opens into the jail proper and also into the sheriff's office.

The sheriff's office is paneled in dark woodtones and carpeted. A counter divides the working area from the visiting area, and a large restroom, also paneled, adjoins the offices.

One feature of which the sheriff is extremely pleased is a large map detailing all of the county roads as well as the areas of Baylor, Throckmorton, Haskell, Stonewall, King, Cottle and Ford Counties. Sheriff Redwine said the map is very useful and a spotlight focuses on it.

A teletype puts the office in touch with Washington, D.C., Austin, or any state in the United States and Hawaii. If records are needed, such as a driver's license check or car registration check, messages can be sent and be back in the Benjamin office within a matter of seconds, Mrs. Carver said.

Three county radios receive calls from various police officials, ambulances, and other emergency vehicles, she explained.

Mrs. Carver is a certified deputy sheriff and a certified jailer. She also is a dispatcher and records clerk. She and Sheriff Redwine are assisted by Mary Tom Jones, who is night dispatcher and Susan Jones, who is employed by the County Attorney and is relief day dispatcher.

Sales Tax Rebate Above Last Year's

AUSTIN, Tex.—State Comptroller Bob Bullock Friday said October payments to cities levying the optional one-percent city sales tax brings the 1980 total rebates to more than \$446.8 million.

He said payments of \$28.2 million were made to cities for the month of October.

Bullock said the October payments bring rebates to Texas cities this year within \$20.2 million of total moneys returned to cities during all of 1979, and with two months remaining in the year, 1980 payments should go well over last year's.

Knox City's net payment for this period is \$3,470.06 as compared to \$2,644.51 last year. The 1980 payments to date are \$48,623.87, a 33 per cent increase over last year's total for the year to date of \$36,355.53.

Munday's net payment for this period is \$2,417.06, as compared to \$2,031.52 for this period last year. Payments to date for 1980 are \$37,522.01, a 21 per cent increase over last year's \$30,848.93.

Monthly totals were not listed for Benjamin, Goree, O'Brien, Rochester, Rule, or Weinert.

Other area towns and their payments for this period include Aspermont, \$1,845.55; Haskell, \$5,654.16; Seymour, \$4,571.34; and Stamford, \$6,218.34.

The one-percent city sales tax is collected along with the state's four percent tax by merchants and businesses and returned monthly in the cities where it is collected by the Comptroller's office.

AREA OIL NEWS

D.D. Strange of Wichita Falls staked well No. 3 on 200 acres of Tom Campbell Lease, 890 feet from north line and 3,529 feet from east line of J.A. Fanning Survey, A-31, to go to 2,400 feet four miles northwest of Knox City.

Glenn W. Cooper of Seymour staked well No. 70-2 on 160 acres of P.V. Cartwright Lease, 1,650 feet from north line and 220 feet from west line of Sec. 70, Blk. 45, H&TC Survey, A-1394, to go to 1,900 feet two miles northeast of Goree.

Operator also staked well No. 73-1 on same lease and survey, 1,650 feet from north line and 990 feet from west line, to go to 1,900 feet one mile northeast of Goree.

Roddys Sell KC Business

W.J. Roddy announced this week that he had sold Roddy's City Cafe and Motel.

The new owner is Natu Patel, and Cornelia Tolleson has leased the cafe, effective Monday of this week.

Mrs. Tolleson said that she intends to add a variety of foods to the menu and also plans to open the drive-in window. She is encouraging those customers who desire to call in their orders. She said she will strive for better and faster service and will be open seven days a week from 6:00 a.m. until 9:00 p.m. On Fridays, however, she plans to remain open after the home football games.

As will be noted in her ad in this week's News, she is inviting everyone to come by and visit her in her new location at the eastern edge of town on State Highway 222.

Girl Scouts To Organize

An organizational meeting for Brownies and Junior Girl Scouts will be held next Tuesday afternoon October 21, at 3:00 for interested girl scouts and their mothers at the City Park.

Ilene Turner, leader, asks that all girls from first through sixth grade who are interested to come and bring their mothers.

To 4-H Conference

Boone Selected National Delegate

Kelley Boone, son of Mr. and Mrs. Joe Boone, has been selected to attend National 4-H Conference as a Texas 4-H delegate in April, 1981. Kelly will be one of six 4-H members from Texas attending the National program along with two 4-H leaders and two Extension Staff members. Selection for this National training program is based on a good 4-H program which included a balance of projects and strong leadership development, according to Jim Mazurkiewicz and April Werley, Knox County Extension Agents.

Boone will assist in the development of two national publications which will be utilized nationally and by each state and United States territory in the development of 4-H programs.

The first publication will be the result of the reports of various consulting groups at the Conference. Each consulting group will consist of 4-H members from several states, plus volunteer leaders from several states. Each group will have an Extension Staff member as a coordinator. Topics are pre-assigned to each group and results or recommendations are developed from the knowledge and expertise of the 4-H members and leaders in each group. Topics from the 1980 National Conference included Does 4-H Make a Difference; 4-H Volunteers Expanding Numbers and Ef-

fort; 4-H Career Programs; 4-H Energy Programs; and 4-H Citizenship Education. The information in each display is then used to develop a "4-H Idea Book" that is available to all states. The third major area of involvement was as a member of a National Concern Reaction Committee. In these sessions each group was asked to develop recommendations for the National 4-H Staff in areas such as "Should the Extension Service develop a system to elect National 4-H Officers", and "Is there a need for concern with the decline of 4-H enrollment and the growth of special interest 4-H groups".

These programs were interspersed with site seeing in the Nation's Capital, meeting the President of the United States, visiting with their own Congressmen and Representatives and getting to know 4-H members from over 50 states and territories.

Kelley will be representing Knox County, the District and all of Texas at National 4-H Conference. The Conference is the only national event where 4-H'ers actually have a chance to give leadership to the National 4-H program, and leadership is what 4-H is all about.

County 4-H Banquet Set October 21

It is that time of year again for the 4-H year to come to a close and start over once again. The 4-H Banquet is set up to recognize all those achievers of the past year and give incentives for others to become more involved and also encourage more youth to join 4-H in Knox County.

The Knox County 4-H Banquet will be held October 21 at 7:00 p.m. in the Benjamin Memorial Building. According to county extension agents Jim Mazurkiewicz and April Werley, this is considered a formal occasion as this is the highlight of the 4-H year in Knox County.

For those persons who plan on attending the banquet, they are asked to contact either agent at (817) 454-2651 or write the Extension Office, P.O. Box 167, Benjamin, TX 79505.

Hounds Vs Hounds There Friday

KC Soundly Defeats Jayton

By DAVID COUNTS

Football is a game of execution, and execute the Knox City Greyhounds did Friday night in Greyhound Stadium as they soundly defeated the Jayton Jaybirds, 40-15.

There was never any doubt as the Hounds took the opening kickoff and moved to the four inch line before coming to a halt on the fourth down.

The Hound defense allowed the Jaybirds only four yards on three running plays forcing a punt. Glen Hedgecock led this defensive stand.

Tim Roberson made an excellent run around the left side on the first play for 31 yards and a touchdown. Ricky Gonzales kicked the first of his four extra points for the night.

After the kickoff, the Jaybirds were shut down with four yards in three plays. Andy Barnard made a big play in this defensive series.

The Hounds took over following a punt on their own 22 yard line. The Jayton team was penalized 15 yards. Jay Rutherford ran for seven yards. Tim Roberson ran 55 yards for a touchdown. The extra point was good and the score was 14-0.

David Flores continues to

lead the specialty team on kickoff coverage. He either made the tackle or assisted on almost every one of the Hounds' seven kickoffs for the night.

Again, the Jaybirds could gain only four yards on three plays and were forced to punt.

Ricky Gonzales ran for two yards, then 18 yards setting up a 25 yard run by Tim Roberson for an apparent touchdown but the play was called back for a penalty on the Hounds. Jay Rutherford passed 30 yards to Adam White on the next play for the touchdown. Extra point was good and the score was 21-0 as the first quarter ended.

The Jaybirds made their only first down of the first half on a pass play that covered 16 yards. On the next play, the ball was jarred loose and James Stafford recovered the fumble for the Hounds.

Jay Rutherford passed to Ricky Gutierrez for 52 yards and a touchdown. The play brought back memories of days past. Ricky's brother caught a pass on this same play to defeat Haskell two years ago. The extra point try was good and the score was 28-0.

Ricky Gutierrez recovered a Jaybird fumble on the kickoff. The Hounds' offensive unit then moved to the Jayton one yard line. On fourth down, a pass from Rutherford to White was ruled incomplete in the end zone. Some question was made on the call since White had controlled the ball before having it stripped from his hands.

The Jaybirds came out

passing in the second half so Rance Hacker intercepted for the Hounds to set up a fourth down pass from Jay Rutherford to Tim Roberson for 26 yards and a touchdown. Try for the extra point was no good. Score was 34-0.

The Hound defense forced a punt to set up a 49 yard run for Tim Roberson for the last score for the night. This was Tim's fourth touchdown and he had one called back.

The Greyhounds' second units entered the game with 5:08 remaining in the third quarter. Some good plays were turned in by the second offense.

The second defense gave up a few yards, a few first downs and two touchdowns but they did so very reluctantly. David Flores intercepted a pass to stall one Jaybird drive. Steve Rutherford made several hard tackles.

The Jayton scores came on a 45 yard pass play and the extra point made it 40-7. Then a blocked punt set up the Jaybirds for a 13 yard pass and a run for the two points. This ended the scoring for the night at 40-15.

The Greyhounds were very impressive. The offensive line was a thing of beauty to football lovers. The blocking was excellent, both on the line and downfield.

The defense speaks for itself. They gave up only two first downs, 21 yards rushing and 33 yards passing before giving way to the second unit. A good night's work.

This Friday night, the Greyhounds travel to Throckmorton to take on another bunch of Greyhounds. Game time is 7:30 p.m.

Browning Rites Held October 9

A former resident, Mrs. Myrtle Browning, died Tuesday, October 7, in Christian Axtell Hospital in Newton, Kansas.

Mrs. Browning, who broke a hip July 1, had been a resident of a nursing home in Newton for several weeks.

Services were held Thursday, October 9 at 2:00 p.m. in Downing and Lahey Mortuary in Wichita, Kansas.

Dr. Frank Kik, Eastminster United Presbyterian pastor, officiated, and entombment was in Mission Chapel Mausoleum in Wichita.

Born in 1890 in Martin Mills, Texas, Mrs. Browning taught in the Knox City Schools in both elementary and high school during the 1930s and 1940s. She had resided in Wichita, Kansas since the late 1940s.

Survivors include a daughter, Mrs. Oliver (Constance) Witterman of Wichita; two sisters, Carlye Wallace of Canton and Mrs. Russell (Ila) Boyd of Knox City; and a brother, R.W. Wallace of Martin Mills.

Adkins Rites Held Sunday In Rochester

Funeral services for Rochester resident Ace Wilburn Adkins were held Sunday afternoon, October 12, at two o'clock in the Rochester Church of Christ with Owen Aiken, minister, officiating. Burial was in the Rule Cemetery with Smith Funeral Home in charge of arrangements.

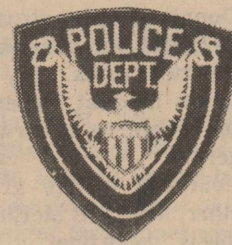

Mr. Adkins, 80, died Friday, October 10, at 3:25 p.m. in the Knox County Hospital following a lengthy illness.

Born November 18, 1899, in Moody, he moved to Haskell County in 1919 from Hill County. He married Mary Miller on August 29, 1919, in West. He was a retired farmer and a member of the Church of Christ in Rochester.

Survivors include his wife, Mary of the home; two sons, Wilburn Thomas of Rochester and Eddie of O'Brien; a daughter, Joyce Turner of Rule; two brothers, James Adkins of Haskell and J.D. Adkins of California; 10 grandchildren and 13 great-grandchildren.

He was preceded in death by one grandson.

CHIEF'S NOTES

By DAVE THOMPSON
KNOX CITY CHIEF OF POLICE

There have been several incidents that have been reported lately that involve criminal damage to city property. By bringing this to the attention of the residents of Knox City in this column, I hope that we can all work together to eliminate these problems.

The garbage dump that is utilized by the City is becoming a favorite target of people who would easily destroy something that stands in their way. The dump is located south of Benjamin and is locked with a chain and padlock in order to govern its operation. It is a very simple matter for someone who wants into the dump site to stop in at City Hall and pick up a key. Instead of doing this, some people are doing things such as cutting the chain, cutting the padlock, gumming up the lock, and most recently, pulling out one of the poles that is cemented into the ground. To some, this may not seem very important, but to the city workers, it means time spent on repairs that could be and is usually needed in some other area of city work. The repairs are costly and since it is a city expense, the ultimate burden of the expense is left up to the tax-paying citizens of Knox City.

This dump is locked in order to control what types of items are placed there. Any person that needs to place something at the dump can come into City Hall and sign a key to gain entrance. During the weekend, there is no one at City Hall so this seems to be the time to tear up the property to gain entrance. If a key is needed for weekend use of the dump, it can be picked up on Friday and returned on Monday. Several keys are available for this reason. Our city workers who

discover the damage have been instructed to recover any items in the trash that are left during these incidents that can be traced back to the person that left them there. It is a very simple matter to trace the items down and have the police look up the people who were responsible for the damage. This has been done on recent occasions and will continue whenever damage is reported. Payment for the damage or repairs made is the only alternative to legal charges being filed.

There have been many other incidents of Criminal Damage to City Property reported, most of them coming from the area of the City Park. There seems to be those who delight in knocking down the stone wall on the south side of the park, as well as those who feel it necessary to tear down the tables located there. The building has been spray painted in the past and windows have been knocked out.

This park is city property. It is in operation solely for the benefit of the residents of Knox City and their guests. It is a place where many community gatherings are held. It is a park to be proud of and to take care of. Things would be different for many people

and groups if there were no park to meet in, if there were no park for people to go to visit and relax or play sports. Most of this damage seems to be associated with juvenile acts and most seems to be occurring at night. We will be patrolling this area and trying to apprehend those involved. Again, as with the garbage dump, since this is city property, the time spent on repairs and the repairs themselves can be very costly to all of us. We here at City Hall would greatly appreciate calls from those who happen to observe this type of vandalism occurring.

FROM SEAGRAVES

Recent visitors of Mrs. Sammie Carpenter and Mrs. Alma Culwell were Miss Alyne Jones and her brother M.W. Jones of Seagraves.

Montgomery Services Are Held Friday

Services for Roy "Cowboy" Montgomery were held Friday morning, October 10, at ten o'clock in the Foursquare Gospel Church with the Rev. and Mrs. Floyd Bailey officiating. Burial was in the Truscott Cemetery with Smith Funeral Home in charge of arrangements.

Mr. Montgomery, 84, died Thursday, October 9, at 2:30 p.m. in the Brazos Valley Care Home after a lengthy illness.

Born December 14, 1896, in DeLeon, he moved to Knox City from Amarillo in 1960. Mr. Montgomery was a retired ranch hand.

Survivors include a son, R.L. Jr. of Tulsa; a daughter, Mrs. Louise King of Tye; two brothers, C.H. of Knox City and John D. of Three Rivers, Michigan; three sisters, Mrs. Lou Fana Eubank of Munday, Betty Montgomery of Knox City, and Mae Baucum of Lubbock.

Pallbearers were Barney Arnold, Walter Thomas, Joe Marion, Hershell Tankersley, Sterling Lewis, and Bud Carver.

Houndettes Suffer First Loss Of Season

By Dale Wainscott and Steve McIlhane
Last week, the Houndettes suffered their first loss of the season when they travelled to Harrold. The Houndettes won the first game of the match by a score of 15-9. Harrold came back to win the next two by a score of 13-15 and 12-15. The team had chances to win both these games as we were serving with the score tied 12-12 in each game but we just could not get the points needed to win.
Each time the girls had things going our way, we always made an error which seemed to haunt us all night. The team committed 72 errors for the night which is too many to make in order to win. Our serving percentage was low which prevented us opportunities to score. That plus poor spikes just made the night long for the Houndettes.
Mary Albus led the team in spikes with 14 of 15 with Min-

dy Hutchinson contributing 14 of 20. Kay Howell was the leader in serving with 13 of 13, followed by Mary who had 16 of 17 and Karae Beason with 13 of 14. Chayo Garcia led in sets with 22 while Kay had 21.
The Houndettes will face Harrold again for bi-district November 10 at a time and site yet to be determined. It should prove to be an exciting match since both have won matches against each other on their home courts.
In the junior varsity match, the Houndettes won the last two games after losing the first game. The scores were 7-15, 16-14, and 15-13. These girls showed great poise and concentration for their comeback win.
The junior high team won their match to even their record to 1-1. They also won their last two games after losing the first. Their scores were 15-17, 15-9, and 18-16.

STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness." (1 John 1:9)
When sin is in your mind and life, you carry a heavy burden. And since sin adds sin, the weight can break you. In fact, many people live needlessly ineffective lives, being unhappy, full of fear and with little love for others, because they won't let go the weight of sin.
But this relief-giving promise tells us that if we freely confess to Him our wrong doings and sincerely ask for forgiveness, Jesus Christ will give new life to us. He is faithful and just and will cleanse us from all evil.
The Word says, "Keep thy tongue from evil, and thy lips from speaking guile." He that keepeth his mouth keepeth his life, but he that openeth wide his lips shall have

INTS FOR HOMEOWNERS

Winterize Your Home With Greenery

The first brisk fall breezes are a signal to most homeowners that the time has come to prepare the house for winter. But come the caulking gun, the weather-stripping, the storm windows and extra insulation. There's another important energy-saving step you can take to insulate your home against chilling winds and your wallet against high fuel bills.
According to the American Association of Nurserymen (AAN), the location of windbreaks is the key to their effectiveness. Most cold winter winds throughout the country come from the north and the west, so windbreaks should be located on those sides, with an extension on the eastern side wherever space permits. The south side should be left open to permit the sun to shine through.
Experiments have proven that the maximum wind reduction occurs at a distance of from four to six times the height of the windbreak. This means that

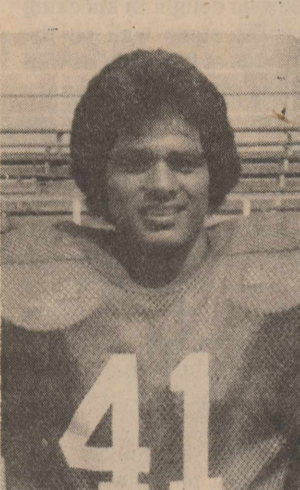

if you have a 20-foot house, your optimum energy-savings would be achieved with a windbreak of tall evergreens located 80-120 feet from the north side of the house.
Don't confuse windbreaks with hedges. Hedges are usually planted in a straight line, but trees in windbreaks and screens should be staggered and two or three rows deep. Also, while hedges tend to be more solid plantings, windbreaks should be open, designed not to block the wind but rather diminish its force and deflect it up and over the trees. That is why living plants make a better wind-barrier than a wall or fence.
Usually windbreaks require larger, stronger trees than hedges. Black pines and black spruces are good choices for this purpose.
Using dense evergreen shrubs, such as junipers or yews, as foundation plantings on the north and west

One final point the AAN's Green Survival people make about the energy-saving benefits of plants relates to vines. Evergreen species like English ivy, they say, are effective on sunless north surfaces where their persistent foliage deflects wind in winter and their stems have an insulating function. Be careful, though, if your walls are wooden. Clinging vines hold moisture and may cause the wood to deteriorate. Use trellises instead, which may be swung away from the walls when they need painting and then pulled up in place again.
When winterizing your home this year, don't overlook the energy-reducing benefits of plants, properly placed in your landscape. Besides saving you money on your home heating bills, they make attractive additions to your yard.

LIMIT CALVING SEASON FOR HEAVIER CALVES

A definite calving season can increase herd average weaning weights and conception rates, resulting in more profits for cattlemen, Jim Mazurkiewicz county agent with the Texas Agricultural Extension Service, Texas A&M University System, says.

Also, a definite or limited calving season enables producers to perform management practices more effectively because the herd is in the same production stage during the year. Castration, weaning, feeding, dehorning, record keeping, pregnancy and fertility examinations, marketing and herd health programs can be coordinated and conducted more efficiently.

Cows calving from late January to April don't really need supplemental feed even

though their requirements are high because of milk production. Lush spring pastures will generally provide plentiful forage for lactation, rebreeding and calf growth, Mazurkiewicz explains.

Calving out of season or at the wrong time of year can cost producers an extra \$50 in feeding bills plus as much as \$50 in reduced weaning weights. It can also lower the next year's calf crop by 10 percent.

According to research by the Texas Agricultural Experiment Station, major differences in weaning weights and conception rates exist between calving seasons due to natural forage quantity and quality. In the studies, calves born from February through April averaged 478 pounds while those born from November through January averaged 466 pounds. Calves born from May through July averaged 430, and those born from August through October averaged 415 pounds.

Conception rates were also affected by the time of calving season. The highest conception rates in the study, about 95 percent, were for cows calving from December through May, while conception rates averaged only 83 percent for cows calving from June through November.

The best calving season, notes Mazurkiewicz, allows cattle to take advantage of the greatest forage quality and quantity in spring and early summer.

SERVICES OF THE CHURCH OF GOD IN CHRIST

The Lord gloriously blessed the anniversary services held in Knox City in behalf of our pastor and wife, Overseer and Mrs. A.C. Bennett.

Elder Bennett has pastored the Knox City Church for 28 years. He and Sister Bennett have laboured faithfully here these years.

Thursday night, Elder H.E. Brown preached from Genesis 16: 7, 8, "Where Did You Come From And Where Are You Going?", a great message.

On Friday night, Elder Vernon Session preached from St. John 8: 31, 32, a stirring helpful message.

On Sunday evening, Elder George Blue preached powerfully.

We were thankful to have Missionary Patricia Lowery and her children to visit with us on Sunday.

The Bible Band Joint Meeting was held at the Goree Church the first Monday night in this month under the supervision of the President, Sister Manuel.

We were blessed in the round table discussion brought by Missionary Wilson from Joshua Chapter 1.

Windfall Profit Tax Consideration Asked

Attorney General Mark White has advised the News office of the telegram he sent to President Carter last week urging him to consider an important problem which he said needs immediate attention. White said that the Windfall Profit Tax which was intended to be a tax upon the major producers of oil has instead fallen heavily on the small royalty owners. "There are estimated to be two million royalty owners in the United States - nearly 700,000 of them reside in Texas. Statistics show that three-fourths of these royalty owners average less than a quarter of a barrel of oil a day which means that the average income to a royalty owner is less than 200.00 a month. The Windfall Profit Tax is a regressive tax that takes an inordinate amount of

dollars out of the pocket of the small landowner, the "Mom and Pop" farm operation, and retired persons on Social Security," White said.

White pointed out that this is not a regional issue but one of importance and national impact. Although one-third of these royalty owners live in Texas, another one third live in Pennsylvania, New York, Ohio, Indiana, Michigan, Illinois, Kentucky, and Arkansas. The other one third live in California, Louisiana, Oklahoma, Kansas, and New Mexico.

He said exemption of royalty owners will not materially or adversely impact plans to utilize the proceeds of the Windfall Profit Tax but will enable persons with a small independent income to exist without further reliance on federal assistance.

Home Pickling... Relish The Thought

Relish this... a colorful melange of fresh vegetables, picked and pickled by you for year-round eating enjoyment.

Because they add texture, flavor, color and tang to any meal, relishes have a special place on picnic tables, at backyard barbecues, on holiday menus and at family gatherings.

And CELERY RELISH is no exception, particularly when it's made with the "vinegar of choice," Heinz Distilled White.

CELERY RELISH

- 2 cups Heinz Distilled White Vinegar
- 1/2 cup water
- 1-1/4 cups granulated sugar
- 2-1/2 tablespoons salt
- 2-1/2 tablespoons mustard seed
- 1/2 teaspoon ground turmeric
- 2 quarts sliced celery (about 2 pounds)
- 3 cups chopped onions (4-5 medium)
- 1-1/2 cups chopped green peppers (2-3 medium)
- 1-1/2 cups chopped sweet red peppers (2-3 medium)

Combine first 6 ingredients in saucepot; heat to boiling. Add vegetables; simmer 3 minutes. Continue simmering while quickly packing one clean, hot jar at a time. Fill to within 1/2 inch of top making sure vinegar solution covers vegetables. Cap each jar at once. Process 5 minutes in boiling-water bath. Makes 5 pints.

CELERY RELISH is one of more than 40 kitchen-tested pickling recipes included in the popular HEINZ GUIDE TO SUCCESSFUL PICKLING. This 32-page booklet also features processing methods, altitude charts, storage suggestions and weight/measures table.

It's available with one label from any gallon or quart-size bottle of Heinz Distilled White, Apple Cider or Apple Cider Flavored Vinegar. Send name, address and label to: HEINZ GUIDE TO SUCCESSFUL PICKLING, P.O. Box 28, D-91, Pittsburgh, Pa 15230. Please allow 4-6 weeks for delivery.

Additional 4-H Names Released

Additional Knox County 4-Hers who have been interviewed for Gold Star and Silver Awards have had their names released by Jim Mazurkiewicz and April Werley County Extension Agents.

Those added were Lori Griffith and Amy Griffith, both of Benjamin; Kelley Boone, Kristi Boone, and Leah Boone, all of Knox City; and Shannon Ryder, Stasia Ryder, Sulynn Oxford, and Shane Spinks, all of Benjamin.

4-H is open to all youth ages 9 through 19 regardless of race, color, creed or national origin.

Benjamin News

By GLADENE GREEN

NEW ARRIVAL

Randy and Dorothy Hibdon proudly announce the arrival of Arville Ross Hibdon II. He arrived October 10 at 8:27 a.m. He weighed nine pounds, nine and three-fourth ounces and is 23 inches long. He has a sister, Crystal, who is two and one-half years old, who will do her share to spoil him. His maternal grandmother is Lois Golden of Benjamin and paternal grandparents are the A.R. Hibbons, who live in Idaho.

FOOTBALL NEWS

It was another victory Friday night when the Mustangs defeated Weiner 40-20. The younger team got to play a good bit which is very good experience. After all, they are the next team

coming in.

This week's game will be with Patton Springs.

HERE 'N THERE

Oretta Kilgore of Abilene was a Benjamin visitor one day last week.

Kay Lindsey and Mitzi spent the weekend with Kay's parents in Aspermont.

Gladene Green, Diane Green, and Cody and Becky Stamps attended the Yeager family reunion at Lake Leon near Ranger Saturday and Sunday.

Dee Stamps of Graham visited briefly in the Rick Stamps home Saturday.

Mr. and Mrs. Oscar Olson of San Rafeal, California, visited Leola Isbell last week. Mrs. Olson is the former Ava Nell Ward and was born and

reared in Benjamin. She enjoyed visiting with lots of old time friends.

RETURN FROM TRIP

Lucille Moorhouse and Julia Propps, joined by Mabel Moorhouse and Ann Allen of Amarillo, have returned from a foliage tour through New Mexico and Colorado. They visited Mr. and Mrs. Putt White in Santa Rosa, New Mexico, and Shopped in Santa Fe, New Mexico. They also visited Mr. and Mrs. Lonnie Morgan in Los Alamos, New Mexico. They then drove to Pagosa Springs, Colorado, over "Wolf Creek Pass" and over LaVeta Pass to Walsenburg, Colorado. According to the ladies, the aspen, willows and oak were in full color and mingled with pine, blue spruce, pinon, Russia olive and cedar which made the sides of the mountains very beautiful. All came home with ristras of red chilies to hang at the door. They all reported a very nice trip.

FFA NEWS

Last week, the classes reviewed and took six week tests. Ag II built cement forms for some sidewalks, mineral feeders and later poured the cement. Ag I and II helped to build the forms. Ag IV finished up the work on the cement.

Decorating Your Home

PATTERNS THAT SPELL SUCCESS

A rich, romantic floral fantasy adapted from an 18th century print, the Cluny design for today's sheets and towels makes a fashion statement that evokes the sensuous spirit of the past.

If you're planning to decorate your home or apartment but haven't been able to find the right combination of fine fabrics and tasteful design, here's some good news for you. Now, for the first time, Americans have an opportunity to obtain some Clarence House designs created especially for Cannon Mills. Each pattern is sophisticated, successful, yet distinctly different.

Up until now, fabrics by Clarence House were available only through interior designers and a select few home furnishings sources. In the past, they have decorated The White House, the country's best museums and the homes of numerous socialites, superstars and celebrities. This opens up a home furnishings source for people who appreciate fine fabrics.

Beautiful linens are not only luxurious but can have an important effect on your mood, influencing your entire outlook on life. At times you wish it to be tranquil; at others, stimulated; and at still others, inspired and romantic so you can feel more creative.

To help you define the exact feeling you want, and build home environments that express your look of success, Cannon keynotes a special collection by the noted fabric design source, Clarence House, of Royal Family towels and Comfort-cale sheets.

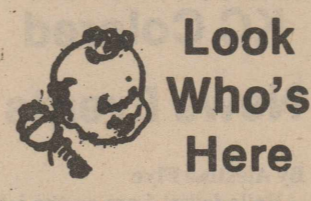

An infallible color sense and strict attention to quality are characteristics of Clarence House designs. Summer Quince from Cannon, for instance, captures the flowering of spring and summer in an airy array of quince boughs floating on pale, earthy fields. It's especially well-suited for the relaxed, social lifestyle.

One of the most popular patterns in the bed linen market today is Cluny. This

particular design happens to typify the Clarence House look. Cluny combines with four important new dusty solid-colored sheets and towels, affording numerous mix and match possibilities. The solids are the focal point around many of the Cannon Royal Family Collection. It allows for maximum flexibility in mixing patterns with solids and solids with solids.

The unique Cluny design is coordinated in the towel, sheet and comforter ensemble. Liberal use of fabric has always been a hallmark of the decorator. Now, the person who is his own decorator can use sheeting to accomplish the same look.

The look of success can be seen not only in your possessions, but especially in the way you decorate your home. It is here that you can truly express your own idea of what it means to be successful.

Look Who's Here

Joe and Barbara Barnard of Lubbock are the proud parents of a baby boy born Sunday, October 12, at 3:25 a.m. in Methodist Hospital in Lubbock.

The young lad has been named Joseph Braxton and he weighed in at six pounds, twelve ounces and measured 20 inches in length.

Helping welcome the baby home was big sister, Melissa, who is 21 months old.

Maternal grandparents are Mr. and Mrs. John Wallace of Rotan, and Mr. and Mrs. R.P. Barnard of Knox City are paternal grandparents.

Dick Dicksons Are New KC Residents

Carol and Dick Dickson became new KC residents when they moved here from Electra in August. They are residing at 104 Avenue H.

Carol, the daughter of Mr. and Mrs. A.A. Cox of O'Brien, is teaching through the Haskell-Knox Consortium in Benjamin. She taught at Henrietta last year.

Her husband, Dick, is teaching shop at Goree.

IN ALICE

Ruth Underwood of O'Brien, Blanche Corley of Rochester, and Marie Sherley of Hico have returned from a five-day trip to Alice in south Texas where they visited Ruth's sister, Mrs. Fred Copps, who is in a nursing home there.

While there, her daughters took them on a sightseeing trip.

News Notes from the Brazos Valley Care Home

By Laura Ivie

Sunday was a very active day at the Care Home. There were twelve attending Sunday School and Ozelle Stephens taught Acts 27th Chapter.

Jack and Vernelle Tankersley led the Sunday morning singing assisted by Brenda Singleton on the piano.

The Sunday afternoon church service was held by the First Baptist Church. Ben Singleton brought the message, the subject was Nicodemus. St John Chapter 3 was read and discussed to the 24 residents attending the service.

The Ronnie White family sang a beautiful song, "Heavenly Sunlight", assisted by Vernelle Tankersley on the piano. Another lovely song "There's Coming A Day" was sung by Jack Tankersley and his brother.

Last Thursday, the staff held a "Welcome Back" party for our bookkeeper Annette Evatt. Annette is feeling well and looking great after her surgery in Abilene. We're glad she's making a speedy recovery and it is great having her back.

Saturday afternoon Louise Finley had a reading class for the residents. They sent greeting cards to two former residents of Brazos Valley. Mrs. Georgia Keck, now in Crystal Lane Nursing Center, Liberty, Missouri, and Mrs. Fannie Hughes, now residing in Snyder Oaks Home in Snyder.

Hazel and Waynell Clark spent last weekend in San Angelo with her daughter and son-in-law, Nina Lee and L.B. Baty. I'm glad they enjoyed their trip.

Meet the man who wears this cap.

He just might be one of the most helpful people you've ever met. He's the area's new Lindsay dealer! An irrigation specialist. A man who can help you plan an irrigation system to meet the needs of your crop operation. With a Zimmatic® irrigation system you can be assured your crops will get the proper moisture they need. Years of research and testing have shown that farmers and ranchers all across the country have increased their yields and crop income through the use of automated irrigation systems. And Lindsay is a recognized leader in the industry. Offering a wide variety of systems to meet different field conditions, crop needs and soil compositions.

And Lindsay offers more! Your new Lindsay dealer is professionally trained to custom-design a Zimmatic irrigation system to match the specific needs of your farm. Lindsay's custom-design concept allows you to couple different pipe sizes, span lengths and Zimmatic components. It gives you the most efficient system for your farm—no more and no less. Your Lindsay dealer can show

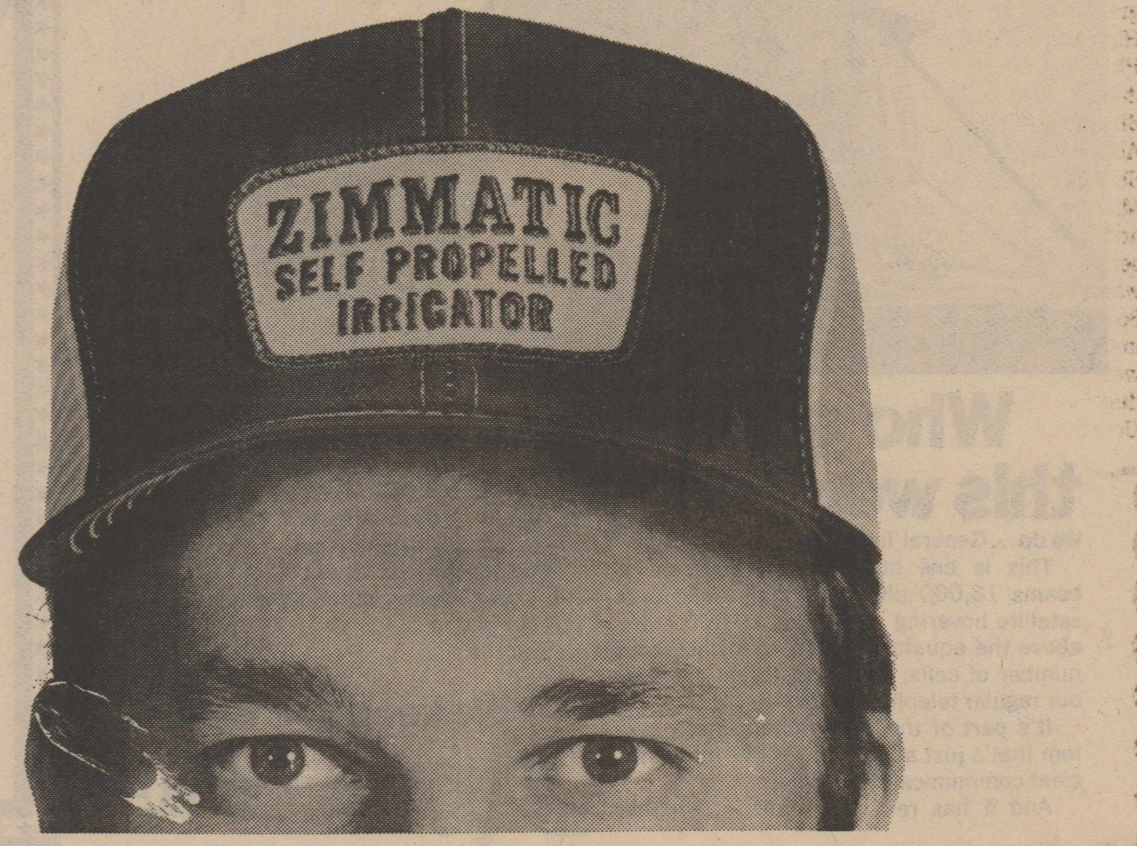

you how the custom-design concept takes into account such variables as length of system, friction loss, gallons per minute, pump horsepower, hours of operation and soil conditions to give you the most energy efficient system possible.

Stop in and get acquainted with the area's new irrigation expert. He can further explain the benefits of the Lindsay irrigation systems—the Zimmatic Center Pivot, Zimmatic Lateral Move™, Zimmatic Corner Pivot™ and the Mobile Pivot.

When you've met the man who wears the Lindsay cap... you've met the man who knows irrigation.

Duke To Receive Company Recognition

James H. Duke of Throckmorton, son of Mr. and Mrs. H.M. Duke of Benjamin, has been selected as one of 23 accredited technicians who will be nationally recognized at a meeting in Scottsdale, Arizona, according to Albert J. Carvelli, president of the Frigidaire Parts and Service Company, a division of White Consolidated Industries, Inc.

"Approximately 1500 service technicians across the country have been accredited by Frigidaire this year," Carvelli said.

Duke will be attending the 1980 Accredited Technician national meeting, to be held from October 22 through 25. He has been a service technician with the West Texas Utilities Company in Throckmorton for nine years. Duke has been a Frigidaire accredited technician since 1972 and a master accredited technician for the last six years.

"Frigidaire accredited technician ratings are awarded for one-year periods," Carvelli said, "and to maintain their ratings, accredited technicians must re-qualify

annually in a rigid test program. For example, a single customer complaint can disqualify any entrant."

Frigidaire rates the technicians on strict standards, such as appearance and good work habits. To qualify, a technician must have a minimum of two years experience with a Frigidaire dealer servicing major appliances. He must also complete a Frigidaire designated service training program, including customer relations training.

Duke and his wife, Carol, have a son, Randy, and a daughter, Mrs. Sheri Morrison.

"Service technicians must demonstrate the highest standards of service excellence," Carvelli said, "if they are to hold an accredited rating from Frigidaire."

FROM BOWIE

Boycé and Cynthia Hill, Cody and Brandon of Bowie visited several days last week in the home of her parents, Mr. and Mrs. Frank Smith.

IN HODGES HOME

Mary Stephens of Lubbock and Helen Stephens of Dallas were weekend guests in the home of Mr. and Mrs. George Hodges.

UMW Continue Biblical Study

The United Methodist Women continued their study on "Biblical Understanding of Missions" in their meeting Tuesday, October 7. Cindy Robertson gave the devotional and led the group in this study. She was assisted by Ruby Robinson, Emma Watkins and Allene Waldrip.

The ladies voted to send a box of Christmas gifts to the Vernon Center before December 1. Reports were given on cookbooks ordered and on committees appointed to take charge of the Bazaar on November 15. Additional funds and a box of materials have been sent to the Doris Stewart Orphanage in Recife, Brazil.

FROM MIDLAND

Mrs. Vicki Stevens, Mrs. Ginny Branham, Tammi, Traci and Laura, all of Midland, were weekend visitors in the home of Mrs. Truman White and the C.W. Berrymans.

MR. AND MRS. GORDON ARTHUR GINGRICH
...the former Karen Elaine Finley

Former Resident Weds Saturday In Tulsa

Karen Elaine Finley and Gordon Arthur Gingrich were united in marriage Saturday, October 11, at half after four in the afternoon at Harwill Mansion in Tulsa, Oklahoma.

The Rev. Larry Wallace performed the ceremony.

Decorations consisted of greenery and ivory bows draping the staircase and arrangements of Sonya roses and spider mums in the foyer. A large arrangement of Sonya roses was placed on the grand piano and flanking the fireplace were two 15 spiral candelholders entwined with Sonya roses, greenery and bows which also draped the mantle. A kneeling bench was placed between the candles.

The bride is the daughter of former Knox City residents Mr. and Mrs. H.E. Finley of Tulsa, Oklahoma, and Mr. and Mrs. Jerry Gingrich, also of Tulsa, are parents of the bridegroom.

The bride wore a candlelight chiffon gown with Queen Anne collar and full bishop sleeves. She carried a bouquet of Sonya and bridal roses set in ivy and gypsophila.

Attending the bride as maids of honor were Kelly Finley and Karla Finley, both of Tulsa, Oklahoma. Their gowns were of long blue chiffon in Southern Belle style. They carried bouquets of tiger lilies.

Best men were Gary Gingrich of Oklahoma City, Oklahoma, and Greg Gingrich of Dallas.

Marcy Gingrich was flower girl and wore a long blue and white chiffon dress. Eddy Finley was ring bearer.

Ushers were Mike Kampen of Dallas, Steve Taton of Tulsa, Oklahoma, and Curt Carmichael of Oklahoma City, Oklahoma.

The bride's parents hosted the reception at Harwill Mansion following the ceremony. Reception assistants were Mmes. Faye Reed of Knox City, Sandra Reed of Denison, and Evelyn Phillips of Pointsville, Kentucky.

The bride received her bachelor of music degree from Tulsa University and graduated from Levelland High School. She was Kappa Phi Omega Sweetheart during 1974-75 at Hardin-Simmons University in Abilene, was a princess in H-SU's Queen Court in 1976, was Miss Tulsa State Fair in 1979, and was a Miss Oklahoma semi-finalist also in 1979. She was also a member of Delta Social Club at H-SU from 1974 until 1977 and she is presently working on her master's degree in voice at Tulsa University.

ENGAGEMENT ANNOUNCED -- Mrs. Betty Foster of Marietta, Oklahoma, is announcing the engagement of her daughter, Martha Denise Brantley, to Alan Keith Rowan, son of Mr. and Mrs. Ivan Rowan of O'Brien. Martha is also the daughter of the late Dick Brantley. The bride-elect graduated from Lubbock Cooper High School and is presently attending Tarleton State University in Stephenville. The bridegroom graduated from O'Brien High School and is also attending TSU. The couple plan to be married December 20 at the First Baptist Church in Amherst.

Leah Boone Wins First At State Fair

At the American Paint Horse Association Show held at the State Fair in Dallas, Leah Boone of Knox City showed her mare, An Apache Beauty to first place in western horsemanship and third in youth halter mares, western pleasure and showmanship in the youth division of the show.

The annual show held in conjunction with the State Fair was Saturday and Sunday, October 11 and 12.

More Items Needed For Thrift Shop

According to members of the Knox County Hospital

Auxiliary's "Pink Ladies", the newly-opened thrift shop is going "full speed ahead" and is in need of more items.

Good usable items are requested and can range from anything including baby beds, dishes, bedspreads, clothes, and other merchandise.

Hospital Auxiliary Meets Monday Night

Members of the Knox County Hospital Auxiliary are reminded that the monthly meeting will be Monday night, October 20, at 7:30 o'clock, in the hospital dining room.

Everyone is encouraged to be present and all interested persons, whether members or not, are invited, according to the spokesman.

Indian Summer Extends Picnic Time

There's no cut-off time for enjoying nature and good eating. Many Americans are reluctant to give up the out of doors they so dearly love so they extend their outings to those wonderful Saturdays and Sundays during Indian Summer. This is the time for enjoying football or hockey, soccer, hiking or driving to nearby picnic areas for a view of the fall foliage. The air is invigorating and appetites are hearty so take along an easy to prepare vegetable-pasta casserole made from broccoli and canned beef ravioli in rich tomato sauce. It's bound to please the cook and satisfy those Indian Summer appetites.

EASY RAVIOLI VEGETABLE CASSEROLE

- 2 packages (10 oz. each) frozen chopped broccoli
- 2 tablespoons grated Parmesan cheese
- 1/2 cup finely chopped onion
- 1 medium clove garlic, crushed
- 1/4 cup red or green chopped peppers
- 1 tablespoon butter or margarine
- 2 cans (15 oz. each) Chef Boy-ar-dee (R) Beef Ravioli in Beef and Tomato Sauce

Cook broccoli according to package directions; drain well. Add Parmesan cheese and mix well. Saute onion, garlic and peppers in butter until lightly browned; combine with broccoli. Place Ravioli in saucepan over low heat; stir occasionally until thoroughly heated. Add half of the broccoli mixture to Ravioli; serve half for garnish. Arrange in shallow or 1 1/4 quart serving dish. Garnish edge with the remainder of the broccoli. Serves 4-6.

Study Club To hear Mrs. Watson

The Knox City Study Club will meet Thursday, October 16, at 2:30 p.m. in the Community Center with Mrs. Jan Watson presenting the program on "Home Life" with emphasis on the kids.

According to a spokesman for the group, all members are urged to attend the meeting and bring a guest.

IN BEASON HOME

Visiting in the home of Mr. and Mrs. Leo Beason was their son and His wife Mr. and Mrs. Lynn Beason and children Laura and Bill, from Lubbock. Another son, Ray Beason, from Fort Worth was here for the weekend. Karae Beason from Knox City also visited.

LIKE YOU, THEY'LL HAVE ALL OF THE NATURAL GAS THEY'LL NEED.

Just as you do today, your children will have a dependable supply of natural gas for their homes — if they're served by Lone Star Gas Company.

In other words, we aren't about to run out of natural gas. The facts are strong and very reassuring.

Our supply is based on purchase contracts for the gas from more than 19,000 wells in Texas and Oklahoma. And because no well lasts forever, we prepare for your future needs by steadily buying new long-term reserves.

The fact that we're well established in Texas and Oklahoma also works in your

favor. Nine basins in these two states are estimated to contain 50% of the nation's remaining onshore gas reserves.

And Lone Star's pipeline system gives us excellent buying opportunities in eight of them.

Producers drilled thousands of wells in these major basins last year. They're drilling more this year. And we'll be shopping hard, just as we always have, for the best energy values for your future.
