Earmarked For Water Supply System

Knox City High School Library

Grant Of \$307,921 Awarded City Of KC

Knox City was among several Big Country towns awarded Community Development Block Grants as announced by Gov. Mark White last Thursday. The state received 461 applications and 118 grants were made.

The money is provided to local governments for use on

public facilities and housing projects that principally benefit people of low and moderate incomes.

Knox City's grant, earmarked for water supply system and fire protection, was for \$307,921.

The direct benefit will be to the area bounded by Central

Avenue, North Fifth Street, "L" Avenue, and North Second Street. The low/moderate income families will be provided with increased water supply capacity for both domestic use and fire protection. Indirectly, the entire town will benefit from better supply capacity.

The need for these improvements was documented by the city through its daily operation of the existing system and the complaints received from its customers. The extent of need was for either upgrading the existing inadequate sized lines with larger new lines or installing larger new lines which loop

the smaller existing lines. There also was a great need to install valves at various locations throughout the city to provide installation and repair capabilities without the necessity of shutting down the entire town's water supply.

With the grant, it will be

possible to install 19,260 feet of new six inch water line at the various locations mentioned along with 100 six inch and ten inch valves and five fire hydrants. The installation of the lines, valves, and fire hydrants will resolve the need for eighty-five low/moderate income families.

Indirect benefits to the community will be improved fire protection, improved water supply capacity, and improved service during water system maintenance and repair.

After studying the problems, city officials employed an engineering firm to

look at the existing problems and to help with the application process.

Knox City rated second out of 31 applications in the region, and the application was scored on severity of need and how many would benefit from the grant.

Salvation Army Nets \$1,313.50

A total of \$1,313.50 has been raised as of September 19 in the Knox City Salvation Army Service Unit Fund Drive. The announcement came from chairman David Perdue that Knox City is over its goal of \$1,150.00. Perdue commented that he is very proud of Knox City and the surrounding towns of Benjamin and O'Brien for responding to this need. Donations were received from as far away as Palestine and Lubbock. A big thank you for being interested in helping was expressed.

Donations will be used during the current fiscal year for emergency welfare aid to needy families and individuals. Also, through the Service Unit Committee, the community participates in the statewide Salvation Army programs such as summer camp for boys, relief in disaster situations, and aid to families of prisoners and alcoholics.

Again, chairman Perdue along with Bertha Driver, secretary-treasurer, expressed thanks for this overwhelming response.

As of this date a total of 61 area persons have been given food, medical aid, clothing, gas for trips to the doctor, and Christmas. Of the 61 persons served, 47 of these were children. Five transients were given food and gas. Three of these were children.

Hightower Fun Day To Be Saturday

Jack Hightower Fun Day will be held Saturday, September 29, at 6:30 p.m. in Vernon's Wilbarger Auditorium.

The campaign fund raising event will feature food, entertainment, and the opportunity for area residents to visit with Congressman Hightower.

A buffet will be served and musical entertainment will be provided by Jake Miller's Red River Ramblers. Congressman Hightower will speak after the dinner.

Tickets may be purchased at the event. Cost of the tickets will be \$10 each and will be a campaign contribution. Gene Tyra of Vernon is the chairman of Fun Day.

All area residents are invited to attend.

Calendar Sales To End Saturday

Greyhound Band calendar sales will come to an end Saturday, September 29.

Persons wishing to purchase calendars or list birthdays or anniversaries are asked to please contact Toby Whisenhunt at 658-3842.

AS AN EAST BOUND pickup truck makes waves while passing through Canal Street in front of Skiles Exxon Station Tuesday morning, it was obvious that the unexpected rain brought a lot of water to Knox City in a very short time. The fast moving cold front dropped temperatures rapidly while bringing 1 and 3/10 inch of badly needed moisture to the Knox City area.

Firemen Overcome By Chemical Fumes

By Ken Lawson

On Tuesday, September 18, at 2:32 p.m., Knox City firemen were called to the Riverside Chemical plant south of Knox City where ammonia was escaping from a large tank. Roland Marion and Rob Harrison were the first firemen on the scene and due to a wind shift were overcome by the fumes before

they could put on their Scott Air-Pac's. They were taken to the hospital but were back at the station before the equipment was secured, still feeling the effects of the fumes.

The firemen want to thank the local police, also county, Monday police and fire departments and DPS for their assistance. This could

have been a lot worse if the wind had been constantly out of the southeast.

Firemen have had a fairly light summer as far as fire calls which is unusual due to the dry conditions.

The last call to a fire was July 21 at 2:24 p.m. to the Sid Richardson farm, eight miles west of Knox City. Rubbish and weeds were on fire close to some farm equipment. Four firemen and one truck responded and there was no damage.

Firemen are planning on having a booth at the chili cookoff but fire extinguishers will be on hand for the "4 Alarm" chili tasters.

Tax Goes On Subscriptions On October 2

As will be noted in an ad in this week's News, the state sales tax goes into effect on newspapers Tuesday, October 2.

Individual paper sales will increase to 35 cents which will include the two cents tax, while subscription prices will remain the same except for the additional tax.

Readers may renew their papers before October 2 and save the price of the sales tax. There is a one year limit on subscriptions and renewals.

Information Day Set In Benjamin

October 8 has been set for the annual Knox County Extension Service Information Day to be held in the general assembly room of the Knox County Courthouse.

The program will include a luncheon at 11:30 a.m., sponsored by the Knox County Program Building Committee and the Citizens State Bank of Knox City.

Attendance Critical In October

The State of Texas has changed the method of funding public schools. A four-week period beginning in October could be used to determine the amount of State Funds the Knox City-O'Brien school district will receive. A similar attendance count will be held in the Spring at a time to be designated by State Board of Education. The best of the two periods will be used.

Funding will be determined by a 20-day period instead of the best five of six six-week periods. A student's attendance during this four-week period will earn the district over \$100 each day. Likewise, a student who is absent during this period will cost the school district over \$100 each day.

Officials are hoping for exceptionally high attendance, and everyone's cooperation will be appreciated.

'Sand Castles' Set Sunday At Baptist

A Film of Hope for the Families of America, "Sand Castles" will be shown Sunday, September 30, at 7:00 p.m. at the First Baptist Church in Knox City.

"Sand Castles" tells the dramatic story of Larry and Meg Morgan and their two children. They are achievers of the American dream where owning things seems far better than owning a positive, communicating relationship with each other. They have listened all too closely to the influences of a materialistic society and the result is a slow crumbling of their relationship. Part of the Morgan's tragedy exists in their children. Though young and innocent, they are all too aware of their parents problems.

"Sand Castles" is also the story of Cathy and Bob, the Morgans' Christian neighbors. They too, have deep struggles to face. The difference? Jesus Christ, integrated into their lives, to offer hope and peace during such times of hardship.

"Sand Castles" is also about the four of them together, struggling to be honest in their relationship as friends, and struggling to be honest in how their faith, or lack of it, affects their marriages.

BEST AT THE FAIR -- Winning honors in the art show held last week at the West Texas Fair was former Knox City resident Ceissia Zeissel of Abilene. Ceissia won first in amateur landscaping as well as the overall Best of Show. She is the daughter of Mr. and Mrs. Willard Skiles of Knox City.

Tigers Squeak By Greyhounds 20-19

By Lyndol Cypert

The Greyhounds lost a hard fought contest Friday night to the Anson Tigers, 20-19, but the Hounds looked much improved. Each week, the Greyhound offensive and defensive units have been better at executing their plays. You are looking good, Hounds, keep it up!

Andy Correll teamed up with George Rocha for two touchdown passes, one for 11 yards in the second quarter and one for 67 yards in the fourth quarter. Adam Garcia returned a punt 45 yards for the Hounds' other touchdown.

Shane Lewis kicked the extra point after the first touchdown. The Hounds went for two points and the win after the last touchdown, but the pass fell incomplete.

The Tigers received the opening kickoff and drove the ball down to the Hounds' 12 yard line where Rocha recovered a fumble and the Hounds took over. Two plays later, the Hounds fumbled the ball to the Tigers at the Hounds' eight yard line. A great defensive effort by the Hounds led by Oudems, Reece, Lewis, Robinson, Rocha and Daniel as well as a host of Hounds did not allow any yardage and four downs

later, the Hounds took over the ball at their own eight yard line. The Hounds moved the ball behind running of Robinson to the 18 yard line before the second Greyhound fumble. This set up the first Anson score when Tollerson passed to Solis for a 17 yard touchdown. The extra point failed and the Tigers led, 6 to 0.

Knox City took the kickoff and drove the ball to the Anson 10 yard line before the Tiger defense stopped the Hounds. Robinson carried for 32 yards and Oudems carried for 22 yards in this drive. Anson made one first down this series before having to punt. The Hound defense of Walaski, Robinson, Agraz, Oudems, Rauch, Daniel and Rocha did a super job. Two plays following the punt,

Correll's pass was picked off by an Anson defender. Thompson made a super hit on the tackle but Anson owned the football. The Hound defense again held the Tigers and forced a punt. Robinson returned the punt on a brilliant run for 38 yards and was stopped by the last man between him and the goal. Again, the Anson defense stopped the Hounds deep in their own territory. Anson completed a pass for 45 yards; however, the next play, Rocha intercepted and returned the ball 43 yards to the Tigers' 25 yard line. Four plays netted only two yards and the Tigers defense had held again. But the Greyhounds were not to be denied. Anson tried three passes but a good pass rush by Reese helped all throws to miss their mark and Anson punted to the Hounds' 43 yard line. There was less than a minute and half when the Hounds started this drive. Correll passed to Rocha for 46 yards. With only seven seconds to go in the half, Correll passed to Rocha again for 11 yards and the touchdown.

a memorable one, according to Janice Tolson, co-chairperson of the event for Knox County.

Those attending the meeting last Monday were Evelyn Balis, Jessie Roberts, Ernie Eaton and Ms. France.

P.T.O. PICNIC NEWS

According to a spokesman, the annual P.T.O. Picnic held last Monday night, September 17, was a big success. Many parents, teachers and friends joined in for an evening Picnic on the football field, then a business meeting to follow. Supt. Grill explained the new rules on absenteeism and limits of extra curricular activities plus other school news.

The annual Halloween Carnival was also discussed. It was agreed there would be a carnival and coronation, but there would not be a program as there has been in the past.

Janice and Buddy Tolson are chairman of the Bingo committee. Their committee members are David and Sue Oxford, Raul and Reyes Barrientz, Dickie and Laura McCanlies, Homer and Jan Ralston, Kerry and Martha Cash and Rick and Myra Busby. Janice said, (tho it's not sure yet) that instead of going to all the business places for donations this year, that they would like to contact each family in the school district for donations. So be thinking and if they call on you, be ready to help out. Bakegoods, cash, homemade crafts, anything will be accepted and appreciated.

The other Halloween Carnival committees will be announced later. Most of you know which one you are on, but if you have a doubt, watch this column for your name.

Area Folk Give To Cattleman's Roundup

Knox City and area residents joined others in making contributions of both cattle and money to aid the 25th annual Cattleman's Round-Up for Crippled Children Monday at the Abilene Auction sale barns.

The Round-Up is one of several fund-raisers for the West Texas Rehabilitation Center, a favorite charity of many Knox Countians.

Lee Smith, local chairman, and Togo and Tom Moorhouse of Benjamin, have served this area in behalf of the Rehab for a number of years. Smith said this year they had more cattle donated but prices were lower than previous years. However, he said a number of persons came through with cash donations.

Total receipts in Abilene Monday were \$203,609.

Among donors were Jo and

Dub Cartwright, Julia Propps, Mrs. J.B. Moorhouse, Mr. and Mrs. Collins Moorhouse, Mr. and Mrs. H.T. Melton, Arlin Kinnibrugh Ranch, Mr. and Mrs. Van Green, Leroy and Gloria West, Bud and Yvonne Conner, Aliene Groves, Nancy and Fred McGregor, Mr. and Mrs. J.W. HOUNDS

From Page One

Lewis kicked the conversion and the Hounds led at the half, 7-6.

The Greyhounds took the second half kickoff and moved the ball down to the Tigers' 36 yard line before punting. Correll punted to the six yard line and the Greyhound defense went to work. Walaski, Daniel, Rocha, Agraz and Lewis allowed only nine yards in three tries and Anson punted. Robinson returned the ball to the Tigers' 35 yard line; however, the Hounds were unable to make a first down and Correll again punted and Thompson made a great hit on the returner at the four yard line. This time Anson picked a first down before the defense of Oudems, Driver, Walaski, Daniel and Rocha forced a punt. Garcia of the Hounds fielded the ball at the Tiger 45 yard line and behind good blocking broke into the clear and outraced the defenders into the end zone for a touchdown.

The extra point was blocked and the Hounds led 13-6 with only 17 seconds to go in the third quarter. The KC defense of Rauch, Garcia, Reece, Agraz, Oudems and Walaski forced a punt by the Tigers. The Tigers got a big break when a Hound touched the ball and the Tigers recovered at the Hounds' nine yard line. It took Anson three plays to score when Tollerson carried over from the one yard line. The extra point was missed the Hounds still led, 13-12. The black cloud continued to hang over the Hounds' heads as Anson allowed only one yard and the Hounds fumbled the snap from center on the fourth down play and the Tigers took over at the

Hounds' 28 yard line. Agraz and Daniel applied the pressure defensively holding the Tigers. On fourth down, Torres raced 24 yards on a draw play into the end zone for a touchdown and the lead. Tollerson ran the extra points and the Tigers led 20-13. It took the Hounds just 17 seconds to get the score back as Correll passed to Rocha for a 67 yard run and pass play that brought the Hounds to within one point of Anson. The Greyhounds went for the lead rather than a tie and tried the two point conversion. Correll's pass fell incomplete and the final score read Anson 20, KC 19.

This Greyhound team is a much improved team from last week. The Hound defense was hitting hard and the offensive line was doing a much better job blocking. Keep up the good work, gang. This week, the Hounds travel to Hawley. Game time is 8:00 p.m. See you there.

STREAMS IN DESERT PLACES

By OZELLE STEPHENS

O Lord, so many are against me. So many seek to harm me. I have so many enemies. So many say that God will never help me. But Lord you are my shield, my glory, and my hope. You alone can lift my head, now bowed in shame. (Psalms 3:1-2-3).

David being a devout Son of God he cried out to God, and God heard Him from his Temple in Jerusalem. He lay down and slept in peace and woke up safely, for the Lord was watching over him. And David then said, "And now, although ten thousand enemies surround me on every side, I am not afraid. I will cry to him, Arise, O Lord. Save me, O my God. With faith in God, he said, "And He will slap them in the face, insulting them and breaking off their teeth. For salvation comes from God. What joys he gives to all his people. When you meditate in its beauty and enduring truth, you will surely grow in grace and in the knowledge of the Lord."

In studying the prayers of David, we learn so very much about praying the prayer of faith, and how to live daily in His divine presence.

Booster Club Meets Each Tuesday

K.C. Booster Club now meets every Tuesday night at the high school at 7:30 o'clock.

Film of the game is shown and the coaches give reports on football and volleyball. Door prizes will be given away.

The Booster Club is planning a raffle on October 19 and also will be sponsoring a pancake supper before the Valley game here that night. More details will be announced later.

Isn't it rather ironic that some business people will get up in the morning...

- clean their teeth with an advertised brush and advertised toothpaste...
- wash with advertised soaps and shampoos...
- put on advertised underwear, innerwear, outerwear and footwear...
- sit at the breakfast table and drink advertised tea, coffee or orange juice...
- read an advertised newspaper...
- drive to work in an advertised car...
- answer calls on an advertised telephone system...
- and turn down advertising on the grounds that advertising doesn't pay.

Think about it for a while

Then call the Knox County News at 658-3142 for all your advertising needs.

This has been another exciting week for the Freshmen at Knox City High School. We have been busy with our studies, football, volleyball and Band. Marching at the football games has been a new and enjoyable experience for the freshmen band members. We are looking forward to the new shows we will be learning for the rest of the ball games.

As we become more adjusted to the changes of high school life, we find that we are enjoying school more every week.

PEP CLUB NEWS

By Chris Rodriguez
Hi! Football season is here! So it's time for the pep club to get busy (which we have) with decorating halls, electing officers, ordering shirts. I'd say we've been busy. This year's officers are President: Vera Sweat, Vice President: Paula Chambers, Secretary-Treasurer: Christi Clayton, and Reporter: Chris Rodriguez. If you happen to hear a lot of yelling and screaming don't be alarmed, it's just the pep club, cheering for the Hounds!

Attention Given County Hospital Fetes In Child Welfare Auxiliary Members

As the number of reported cases of child abuse continues to climb across the state, increased attention is being given to the problem in Knox County.

At the local office of the Department of Public Resources, Caseworker Sammy B. White called attention to Abilene's grim statistic of between 15 and 20 cases each month of a child sexual abuse alone in 1984. White pointed out that in numbers Knox County in no way compared to Abilene, but that Knox County had escaped none of the problems of child abuse felt throughout the state. A firm believer in education being the key to preventing such abuse he was quick to praise the Knox County Commissioners Court for establishing a Child Welfare Board here. According to White, one of the responsibilities of the board will be to help spread the word that abuse of our children must be stopped.

Governor Mark White, in a statement September 5 said, "Child abuse is no longer a family problem, but a community problem," recognizing that child abuse, unheeded, can result in an extremely abusive adult, compounding the original problem.

The Child Welfare Board, created earlier this year, will address these problems in Knox County, and if given the support needed, will take the necessary steps to prevent the growth of the problem here.

Chairman of the Board is Jerry Atkinson of Goree. Other members are Cindy Thompson and Dr. Dale Selzer of Munday, Ann White and Patsy Gonzales of Knox City, and County School Nurse Lu Rose Schumacher, Bertha Driver, Sarah Meinzer, and Linda Griffith of Benjamin. County Judge Homer T. Melton and caseworker Sammy B. White are ex-officio members of the board.

The Knox County Hospital honored members of the Knox County Hospital Auxiliary at the annual awards banquet held Monday night in St. Isabel's Hall.

Tables were decorated with bouquets of pink tiger lilies and gypsophila.

Barbecued brisket, three bean salad, potato salad, cottage cheese and pineapple, hot rolls, cherry cobbler, and iced tea were prepared and served by the dietary staff and other hospital personnel.

Hospital administrator Brenda Muncrief served as master of ceremonies and expressed the hospital's appreciation and her personal appreciation for the many invaluable services provided by the Pink Ladies.

Tommy Kent entertained the guests with several songs.

Auxiliary president Lena Tackitt thanked the hospital for the lovely banquet and gave a report of the year's activities. She told banquet guests that the auxiliary had completed payments on the color TVs for patient rooms, had purchased and had installed an ice maker, purchased two small electric vacuum sweepers for use in patient rooms to keep down the noise made by the larger sweepers, and had purchased a smaller rug shampooer.

She also expressed her appreciation to everyone who donated to the \$1556.39 freight expenses for delivering the hospital furniture donated by the 6666 Ranch. Total purchases by the auxiliary this year have been \$12,236.86, she reported. In closing, she encouraged others to join the auxiliary with "Try it - you'll like it!"

Hospital board president take this time to thank the commissioners for helping Ruby, Virginia, and myself since we are new at the nutrition centers and special thanks to Philip Homer for guiding us right. Remember - have you done a good deed for someone today? See you all next week.

ANN EELLS
...top honor

Vernal Zeissel addressed the guests and expressed appreciation in behalf of the board and himself to the Pink Ladies for their good will, hard work, and all the equipment for the hospital.

Melba Pharr, RN, along with Mr. Zeissel presented pins to auxiliary members. New member pins went to Mary Stone, Jo Maddox, and Sandra Bateman.

Pins representing 100 hours were awarded Ruth McElroy, Arnell Denton, Mary Frances Shannon, Margaret Siecke, Ozelle Stephens, Agnes Myers, Thelma Lewis, Vera Mae Carter, Louise Finley, Jack Maddox, Jo Maddox, and Mary Stone.

Receiving 150 hour pins were Glenda Huff, Jean

White, and Aree Booe. Pins for 350 hours were awarded Odell Harbert and Ervalene Beason. Receiving awards for 400 hour pins were Stella Carver, Mary Thomas and Jerry Smith. Peggy MeGaughey and Kate Wheeler received pins for 450 hours, Stella Ferguson and Lena Tackitt for 550 hours, and Ann Eells for 850 hours.

Senior Citizens Report

By JANIE WILKINSON

Coma esta? How about that? I've learned some new words. The students are learning Spanish, so I've learned them from Missy - proud of myself! ha.

Hope past week has been a good one for ya. I want to report on our Bean and Cornbread supper. We made \$170.50 all clear profit, since everyone donated and the volunteer help was wonderful. I have worked with lots of different people planning and serving dinners, but I believe this one was the easiest, and went the smoothest, I have ever helped with. I want to say thank you to everyone because if it had not been for you, our dinner would have

had the opening ceremony led by Knox City Chapter President Missy Lewis and officers.

We went from the auditorium, where opening ceremony was held to one of the two workshops. After the first workshop we had refreshments and switched workshops.

Sheri Evatt, Area IV Vice President of Projects, held her workshop over the "Planning Process". She discussed the steps in planning programs for chapter activities.

Selwa Choncair from Munday, Area IV Vice President of Encounter, had the other workshop. Her workshop was over the importance of Encounter. There was a good outcome this year and we are looking forward to next year's workshop.

been a 'flop'. Brownie Tackitt, Bro. John, Jo Ann, Orvill played country western music last Thursday. Jo Ann taught crochet Thursday evening. Monday we played tape by Tommy Kent, Tuesday the Dennington sisters brought the music and we sure enjoyed them. Please come and be with us each time you come to Knox City. We have lots of guests, and a couple or three new family members. We are proud of our family and the closeness and concern of each other.

The site managers in the other towns are working on our October 13th Saturday night. We appreciate each one of them and their volunteers and the report I get you're doing a super job at the nutrition centers. I know the Senior Citizens are proud of you too. We're going to start having musicals once a month - just as soon as it's all lined out we will let you know in the KC paper. So keep watching.

Our game night will be soon. We want to let everyone vote on what night, so we will keep in touch. We want to
