

## Numerous Olton Women Counteract "Spoiled American Wife" Label

There is often a rash of articles in both magazines and papers expounding the fact that the modern-day woman differs greatly from her forebears in that she is a pampered, lazy, parasitic, extravagant female—the end product of prosperity, modern conveniences, and too much leisure time.

Not disputing the fact that there may be a few of these modern-age products on the scene, many an Olton woman can give concrete evidence that she, like her pioneer counterpart, can "pitch in when the going's rough." And at harvest time on the South Plains, it's a sign of the season when men and women are hustling and bustling—with many a house-

wife doing jobs that do not come within the confines of home chores.

Social activities, such as leisurely chit-chats over the coffee cup and an afternoon of bridge, are for the most part marked off the calendar until the season is over. For quite a number of women are out driving grain trucks, delivering cotton trailers, hauling bracers, running errands for the men—fulfilling whatever needs arise at this hectic time of year.

Household chores and children don't wait, either; they clamor for attention regardless of season or circumstance.

A few, and just a few, of these Olton women who have taken on such full-time duties—and it's an old story to most of them—are Mesdames Melvin Hines, Wayne Hair, W. T. Hall, Jr., Bill Smith, Lee Simmons, Gilbert Roberson, Lowell McGill, Earl Jackson, Mitchell Haddad, Cecil Gallaway, Elmer McGill, and Tom Ross.

On an occasion when one might see one of these smartly coiffured, manicured women dressed in fashionable feminine attire—looking every inch the lady—one comes up with a start as a vision recalled of the hard-working, blue jeans woman that was laboring "beyond the line of duty" perhaps that very afternoon.

Credit they're due, and credit we'll give them!

## Local Airman Returns To States

Airman 1st Class James W. Thurman, son of Mr. and Mrs. Fred L. Thurman, Olton, Texas, has returned to Palm Beach Air Force Base after a tour of duty in Greenland and Iceland with the 1371st Mapping and Charting Squadron.

This Squadron is a part of the 1370th Photo-Mapping Group. Operating on a world-wide basis the group is correcting the world's geography. Heretofore, maps, charts and globes have been compiled on the basis of ground surveys, from data in ships' logs, explorers' estimates and similar sources. Spurred by a pressing military and civilian need for more accurate charts to permit precise navigation as required by today's high speed aircraft, this organization employs modern electronic devices to measure and position accurately land masses.

The project in which Airman Thurman has just participated will provide new and highly accurate data for use in Arctic navigation. Completion of this project will also place the Greenland Ice Cap in an exact global position since measurements of this US Air Force unit permit an error of not more than 15 feet on flights measuring hundreds of miles.

## Mrs. Rucker Enjoys First Cotton Gin Tour

Mrs. Annie Rucker, 79, mother of Russell Rucker of Olton Bakery, visited a gin for the first time recently and exclaimed, "Well, whoever invented that gin is a pretty smart man."

Having moved to Olton from East Texas several years ago, Mrs. Rucker said she had seen corn ground but had never seen cotton ginned.

Mrs. Rucker was taken on her belated tour by Mrs. Ethel Morris, a neighbor, and Herman Howard, Mrs. Morris' son-in-law. Mrs. Morris remarked that they got as much enjoyment out of Mrs. Rucker's reactions and exclamations as she did out of her visit.

## Christmas Mail Schedule Is Announced

Surface Christmas mails destined for civilians in Alaska, Hawaii and Puerto Rico should be mailed by postal patrons by very early December. Postmaster I. B. Holt said today.

This is necessary, he explained, because of available ship schedules from the port of dispatch, as well as possible delays due to bad weather frequently encountered at this time of year.

Mr. Holt urged postal patrons to send holiday surface mails for Alaska and Hawaii according to the following schedule: resident of Olton and surrounding area, not later than Dec. 1, 1956. Mail for Puerto Rico should be sent by Dec. 3, 1956.

These, of course, are deadline schedules the postmaster pointed out. Postal patrons are being advised that even earlier mailings will be an aid to the postal service, as well as provide an additional measure of insurance of delivery by Christmas.

## What puts the Mark of Tomorrow in the new kind of FORD?

Here's what puts the Mark of Tomorrow in the new kind of Ford!

It's the sculptured look. You'll see it the moment you let your eyes wander over this fine car. In a '57 Ford you belong . . . anywhere. It's the long, lean lines. There's a greyhound grace to the new Ford. No useless "fat," no showy "padding." Ford is as trim as a jet fighter. It's the hardtop styling. Fairlane sedans have the hardtop look of Victorias! Superthin center pillars are smartly concealed to give hardtop beauty when doors are closed.

It's the freedom of choice. Colors? Fabrics? Accessories? Far more! Ford gives you a choice of two new, bigger sizes . . . longer, lower, roomier! It's the ride that stays gentle. With a new frame that rides sweeter and lower, new springs, new suspension all around, even the roughest roads can't ruffle the poise of the new Ford.

It's the Thunderbird power. Ford celebrates its Silver Anniversary of V-8's leadership with the biggest selection of V-8's in Ford history.\* In addition to all this Thunderbird GO, there's a new and more powerful Mileage Maker Six.

"Six or V-8, the going is great!"

Just looking at this Fairlane Club Sedan is a special kind of fun!

It's the record-breaking performance. On the Salt Flats at Bonneville, Utah, a '57 Ford traveled 50,000 miles in less than 20 days . . . an average speed of 108.16 mph, including all pit stops! Another Ford averaged over 107 mph. Altogether, 458 national and international performance records were smashed as Ford rewrote the record book.

It's the big dollar value that lasts and lasts. Styled for tomorrow, a new Ford keeps its value longer. And wonder of wonders, all this extra strength, extra beauty, extra length is yours at low Ford prices!

\*Included is a special 270-hp Thunderbird 312 Super V-8 engine available at extra cost. Also, an extra-high-performance Thunderbird 312 Super V-8 delivering up to 285 hp.

**CLASSES TO DISMISS**

According to announcement by Supt. Carl Macon, the Olton Public Schools will dismiss classes Nov. 28 for Thanksgiving and the annual convention of the Texas Teachers Association. Classes will resume Monday, Dec. 3.

The band will be working very hard this month to prepare for the Interscholastic League marching contest to be held the night of Nov. 27, at Jones Stadium, Lubbock. Let's see some of the student body there! It will be a great show with approximately 25 bands competing!

It seems that T. J. Smith really thinks a lot of Charlotte Gibson. As we all know, T. J. is a dedicated FFA member and recently he remarked to one of his friends, "Next to my pigs, I think Charlotte is the greatest!"

**LOCAL LIONS ARE GUESTS AT HART**

Attending the Hart Lions Club meeting Monday night were four Olton Lions, including Basil Sherman, president; James Hall, treasurer; Andy Stroebel, tail-twister; and C. W. Grant, zone chairman.

The Olton Lions Club is co-sponsoring with Kress the Hart Lions Club which has been recently organized.

Grant stated they feel that "Hart is going to be a strong club for the Lions organization."

**SUNDAY IN LOCKNEY**

Attending a birthday dinner for Mrs. J. M. McAnally, mother of Bro. Russell McAnally, Sunday in Lockney were Bro. and Mrs. McAnally, Danny, and Mrs. W. F. Smart, Mrs. McAnally's mother. The celebration took place in the home of Mrs. James Landtroop, McAnally's sister.

**WEEK-END VISITORS**

Mrs. W. F. Smart, mother of Mrs. Russell McAnally, and Miss Kay Biffle of Anton visited with the McAnally's over the week-

end. Mr. and Mrs. Jerry Biffle and daughter Jorelle came over Sunday to pick up Kay, remaining to attend evening church services at the Methodist Church.

**Learn The Latest OLTON TEEN-AGE NEWS BY MARY SCRIBNER**

There is so much excitement in the Huff home this week with all the preparations for Yvonne's wedding that Barbara just couldn't find the time to write any news! So I'm going to try to fill in for her! I want to pause right here and offer Yvonne and Arvin Don best wishes for a very happy future!

Although we were disappointed that we didn't win Friday night we can be proud of the showing made by the team, cheerleaders, pep squad and the band. Let's show more of the same spirit from last week and really run over Dimmitt Friday night!

A new couple seen around OHS these days is Janice Campbell and I. A. Webb.

A couple seen together frequently over the week-end was Judy Moore and Kent Wozen-craft.

The National Honor Society had a very beautiful ceremony installing new members Friday morning. The ceremony was candlelight and the girls were dressed in formals and the boys in dress suits. Members performing the installation were Donald Mason, Jerry Edmonson, Janice Ford, LaQuita Huckabee, Yvonne Pinkerton, Essie Sluder, Barbara Jones, Frances Morris, Evelyn Critchfield, Douglas Smith, Sammie Thomas, Jerry Davis and David Price. Mrs. Ford is sponsor.

Have you been wondering why Joyce Nicholas is so happy? It is because her fiance, Don Hardy, is visiting her! He is in the US Army and is stationed in El Paso.

Does anyone know why Ivin Wozen-craft is so interested in the eighth grade? Maybe Gayle Clark is the answer!

### County Scout Council Makes Final Plans

To formulate plans for joining  
 the Caprock Council—expected  
 to be chartered Jan. 1—and to  
 determine the use of money re-  
 maining in the county council  
 treasury, the Lamb County Girl  
 Scout Council met in Littlefield,  
 Thursday evening, Nov. 1, at the  
 scout house.

Attending from Olton were  
 Mesdames C. S. Silcott, Roye  
 Aikman, Leo Ross Bryant, and  
 Paul Burrus. Others present  
 were Mesdames Glen Gatewood  
 and J. B. Harper, Sudan; E. C.  
 Clayton, Earth; and Leonard  
 McNeese and C. H. Colvert, Lit-  
 tlefield.

Before dissolution of the coun-  
 cil, funds on hand, amounting  
 to approximately \$200, are to be  
 allocated to county scout troops  
 for the purchase of books to  
 complete their permanent work-  
 ers' kits. Any surplus amount  
 will be used for camping equip-  
 ment.

It was announced that this  
 money on hand represents pro-  
 ceeds from cookie sales through  
 the years.

After formation of the new  
 council, Mrs. Leo Ross Bryant,  
 neighborhood chairman, will be  
 "Mrs. Scouting" from the Olton,  
 Springlake and Earth area. The  
 council will be divided geo-  
 graphically into neighborhoods.

### DEN 3 PRACTICES

 practiced on their pack stunt  
 Thursday afternoon as they met  
 in the home of Mrs. Jim Fite,  
 den mother. Mrs. Melvin Hines  
 assisted and Mrs. W. T. Hall,  
 Jr., served refreshments.

All eight den members were  
 in attendance, including Richard  
 Hall, Dennis Givens, Jerry Smoot,  
 Billy Roy Smith, Johnny Myers,  
 Stephen Smith, Topper Maxey,  
 and Mike Fite.

### Teachers To Hear TSTA Director At County Meeting

Sam B. Culpepper, Director of  
 Field Service of the Texas State  
 Teachers Association, will be  
 the guest speaker at a dinner  
 meeting of the Lamb County  
 Teachers Association to be held  
 in the Littlefield High School  
 at 7:30 p. m., Nov. 19.

A graduate of Howard Payne  
 College and Baylor University,  
 Culpepper has had a rich back-  
 ground of experience in public  
 school work.

He has served as a classroom  
 teacher, principal, superintend-  
 ent of schools, deputy state  
 superintendent in the State De-  
 partment of Education, and  
 director of the Division of Health  
 and Physical Education for the  
 State Department.

Having served in his present  
 capacity as Director of Field  
 Service since 1950, Culpepper  
 has been active in the affairs  
 of TSTA for a number of years.

Culpepper is a member of the  
 Texas Association of School Ad-  
 ministrators, the American As-  
 sociation of School Administra-  
 tors, and is a life member of  
 the Texas State Teachers Asso-

### Thanksgiving Dinner Slated For Masons

A Thanksgiving dinner with  
 all the trimmings is scheduled  
 for members of the Olton Ma-  
 sonic Lodge Thursday (today) at  
 7:30 o'clock in the Masonic Hall.  
 This is the regular meeting  
 night of the Lodge.

W. A. Cure is in charge of  
 meal preparations.

### AT BOYS RANCH

Mr. and Mrs. Albert Jeffrey,  
 Mrs. W. C. Herndon, Becky Her-  
 ndon, and Mrs. T. C. Measles and  
 children, Joyce and Leroy, from  
 Tulla, recently spent the day at  
 Boys' Ranch in Amarillo. They  
 took a basket lunch and visited  
 with Buddy Herndon who lives  
 at the ranch.

### RETURN FROM TRIP

Mr. and Mrs. W. C. Herndon  
 returned last Thursday from a  
 three-weeks' tour to New Or-  
 leans, La., and Houston. While  
 in New Orleans, they visited  
 with their daughter and family,  
 Mr. and Mrs. Fred Cormack. In  
 Houston they visited with their  
 son and daughter, J. D. Herndon  
 and Mrs. W. B. Hinkle.  
 The Herndons reported that  
 the highlight of their trip was  
 a boat ride in the Gulf while  
 in New Orleans.

## New Task-Force 57 Chevrolet Trucks!

They "flattened" Yukon mountains  
 with the most modern truck V8's of all!

Rated G.V.W. of these payload-carrying heavyweights goes all the way up to 32,000 pounds!

New V8-powered '57 Chevrolet trucks, heavily loaded,  
 made one of the world's toughest roads look easy! In a  
 straight-through test run, they rolled over the famous  
 ALCAN Highway to Alaska—in less than 45 hours  
 (normally a 72-hour run). Here's proof-in-action of  
 power that'll handle your toughest jobs—and keep  
 coming back for more!

Whatever your job, there's an Alcan-proved Chevrolet Task-  
 Force truck ready right now to save you time and money!

Six new Task-Force huskies made the run. And six ultra-  
 modern Chevy engines proved their power and perfor-  
 mance—with gas mileage up to 18.17 miles per gallon! Two  
 of the engines were not stopped once, and they hummed  
 along at peak efficiency the entire 1,520 miles!

Chevy's big V8's—including the new 283-cu.-in. Super  
 Taskmaster—turned in top performance jobs. They hauled  
 typical loads up and down towering grades and through  
 washouts that sucked wheels into hub-deep mud. They  
 roared on through miles of heavy dust that narrowed  
 visibility to a few hundred feet. And in spite of the varying  
 altitudes and temperatures, not a single truck was  
 forced to drop out or turn back! Stop by and see them soon!

Alcan run supervised, certified by the AAA.

Proved on the Alcan Highway  
 Champs of every weight class!

## Marriage Vows Of Doris Grodigier And Dick Hooper Read In Recent Ceremony

Mr. and Mrs. V. A. Grodigier of Austin are announcing the marriage of their daughter, Doris, to Dick Hooper, son of Mr. and Mrs. Roy Hooper of Olton.

With the Rev. Albert Brown, pastor, officiating, the marriage took place Friday, Nov. 9, in the Central Baptist Church of Austin. Graduating from Webster High School in Austin, the bride attended Durham Business College in Austin and is now employed in the Office of Control in the Capitol building.

The groom is a 1949 graduate of Olton High School and received the degree of Business Administration in 1953 from the University of Texas. For the past year he has been employed with Payne and Wiley Real Estate Company of Austin, but at present is self-employed.

The couple is at home at 1602 Newfield Lane in Austin.

Expectations are that the shortage will be made up in the near future.

Board members canvassed the business sections of town Friday and Saturday to obtain financial backing for the \$2,000 purchase price of a five-acre tract of land to be utilized as a FFA chapter and 4-H club project. Also required is approximately \$1,200 for the installa-

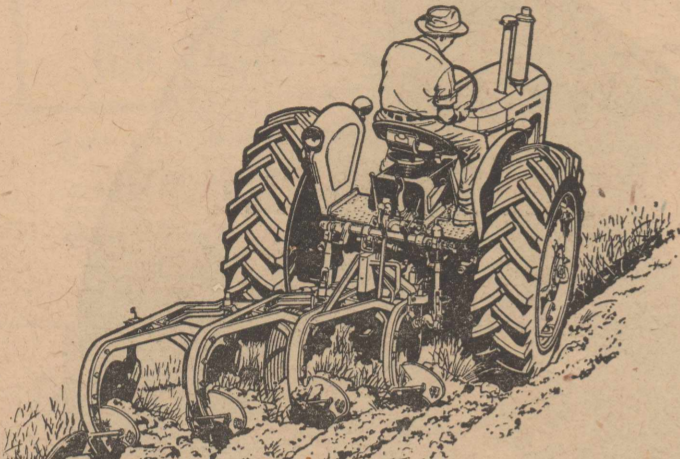

tion of a fence to surround the property.

Initial work on getting the land ready for use, such as leveling the land and digging the drainage ditches, will get underway within the next few days. The existing fence will be torn down and a complete new fence will be erected.

Brigance declared, "If we missed giving anyone a chance to donate, we're sorry, and would appreciate his contacting one of the board members."

If you haven't already visited school this week, try to make it today or Friday. This is American Education Week, you know, and an excellent opportunity for you to see your child and his teacher at work together.

"Schools for a Strong America" is this year's theme; very appropriate, it seems to me, especially with so many issues concerning our public schools in the forefront right now.

Of course, you can't expect the children or the teacher to behave normally when there are visitors observing, but you may

become enlightened and "educated" in various ways yourself, and may be able to solve some problems as a result of your classroom experience.

Frankly, I can't imagine a parent NOT being interested enough in his child's teacher and his child's experiences at school to devote just one day to observing.

*i-t-o*  
What are we going to do about this Thanksgiving Holiday?

Understand Texas schools are recognizing the holiday during the last week in November, while banks, post offices, other businesses, are closing on the 22nd, which is the day officially designated all over the country.

Why do Texans have to be different on simply EVERYTHING.

*i-t-o*  
Just outside Amarillo there is a sign, "Drive-In Milking

Parlor." Well, one of these days, our curiosity is going to supersede our hurry, and we're going to drive in and see what a milking parlor is. The only vision I can get is of customers driving in with their own milk buckets and bottles, and securing their own milk directly from the animal.

????  
Anyone ever been to a drive-in milking parlor?

*i-t-o*  
Say, if you're up a stump about what to get those friends who've moved away, or those relatives who used to live in Olton, for Christmas, do as Lena Carson has done and send them The Olton Enterprise for a year.

Then next year, when it expires, there's your Christmas gift situation solved again!

*i-t-o*  
Can't help but note the con-

trast as Thanksgiving Day approaches, between 19th century and 20th century celebration of this holiday.

Remember, "Over the river and through the wood, To grandfather's house we go; The horse knows the way To carry the sleigh Through the white and drifted snow..."

*i-t-o*  
Of course, it's Lydia Maria Child's "Thanksgiving Day."

We may go "over the river and through the wood," a bit now, but if we do it's probably to a Turkey Day football game and our "horsepower" has no difficulty finding the way through the very-often mild and summer-like weather!

### Church Conference Held Here Sunday

Attending the semi-annual meet of the district conference of the Reorganized Church of Jesus Christ held here Sunday were approximately 150 people from over the district.

Bro. Raymon Carson, pastor of the Olton church, was re-elected district president, as the group

voted a new slate of officers for 1957.

Guests addressing the conference were Apostle D. Blair Jensen from Independence, Mo., and Missionary Wallace A. Jackson from Oklahoma City.

In the afternoon service four were ordained to priesthood prior to the afternoon service. A basket lunch was held in the Legion Hall for those attending the all-day meeting.

Present for the conference meet were delegates from Roswell, Stanton, Lubbock, Amarillo, Pampa, Borger, Clovis, Artesia, and Carlsbad.

The proceeds will apply on the new building fund, I believe.

### Mrs. Walthall To Leave For Calif.

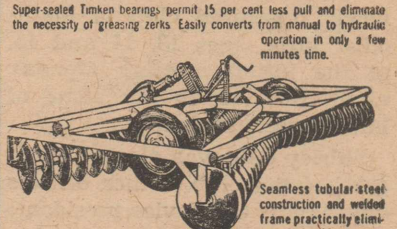

Mrs. Dora Walthall is planning to fly to California on Nov. 27 to visit with her five children whose homes are in various parts of California.

Upon landing at Los Angeles Mrs. Walthall will be met by her daughter, Mrs. Jewell Dodson who resides in Anaheim.

She expects to spend the week prior to the Christmas holiday, visiting with her other children who are E. E. Walthall of Sar Bernardino, G. W. Walthall of Fontana, Mrs. Otis Hively of Fresno and Loyd Walthall of

Richmond. Mrs. Walthall's last visit in California took place last May.

No Shortage Here

There's little danger that little Miss Kay Jeannine Granbery, born to Mr. and Mrs. Roy Bartlett Granbery on Nov. 7, will ever suffer from lack of attention, for she came into this world abundantly blessed with grandparents. They number ten, to be exact—five on the maternal side and five on the paternal side.

Making up this welcoming group are the baby's great grandparents, Mr. and Mrs. L. E. Silcott, Olton; L. D. Bartlett Mrs. Portwood, Lubbock; Mr. and Mrs. Hillard, Mullin, and the grandparents, Mr. and Mrs. Roy Granbery, Olton; and Mr. and Mrs. Dan Portwood, Lubbock.

Of coincidence was that the baby was the eleventh great grandchild of L. E. Bartlett while her grandmother, Mrs. Granbery, was his seventh child—and Kay Jeannine was born on the seventh day of the eleventh month.

Kay Jeannine, weighing eight pounds, was born in West Texas Hospital at Lubbock. Her father is a life insurance salesman and has been attending Texas Tech

Brilliantly new in Beauty...Brilliantly new in Performance!

Represented above are the most significant advancements we have ever been privileged to present to the motoring public.

This is Cadillac for 1957—entirely new in design and engineering . . . and bringing to the world's highways a wholly new standard of motor car quality and excellence.

Cadillac's renowned stylists have created a new Cadillac beauty . . . majestically graceful of line . . . wonderfully exciting in spirit . . . and with a new balance of chrome and glass and steel.

Cadillac's master coachcrafters have brought a new measure of luxury to the car's interiors . . . with gorgeous new fabrics and leathers . . . with new colors and patterns . . . and with marvelous new appointments on every hand.

And Cadillac's world-famous engineers have introduced a sensational new concept of automotive performance . . . with two great new engines . . . with an even smoother, more responsive Hydra-Matic Drive . . . with greatly improved power steering and power braking . . . with a

revolutionary new frame design . . . and with a host of other vital engineering advancements.

These dramatic Cadillac achievements are being presented for 1957 in ten individual body styles, including the breath-taking Eldorado series. Each is a Cadillac masterpiece . . . a brilliant tribute to the men who design and build the Standard of the World.

We invite you to see . . . to inspect . . . and to drive the brilliantly new 1957 Cadillac at your very first convenience. You'll be welcome at any time.
