What's this about Laquita Huckabee going to Hale Center so much? Could she have certain interests over there??

John Jefferies seems to be getting teased about someone called Debra. What about this, John?

Sue Sullivan received a "diamond" for Christmas from Waylan Hukill, so I suppose wedding bells will be ringing in the "not-too-distant" future.

Krueger Johnson is still interested in Cotton Center, I understand!

What's this about Betty Bryant and R. L. Graham of Littlefield?

Seems like Max Morris of Littlefield also has interests in Olton. Could her initials be S. H.?

Martha Johnson has been seen with someone from Halfway, lately.

Charlie Shelley sorta' made the rounds here during the holidays—he's back at Rice Institute now.

Wynne Lee Young and Weldon Schaefer seem to be getting along fine.

Janice Ford and Jack Hy-singer are still seen together a lot.

Everyone is all dressed up in new dresses, shirts, and skirts and blouses with pretty earrings and bracelets they received for Christmas.

I would like to extend sincere sympathy to Deloyce Breland and her family, for the loss of her grandmother, who passed away Tuesday.

Barbara Jones and Donald Powell, as usual, are together a lot.

Bobby Johnson and Alisse Smith are still going "strong."

Well, guess that is all except for a belated "Happy New Year."

### Notes To You

BY NELDA ROACH  
(Springleake Teen-ager News)

At long last the band has finally moved into the new band room! The Band Booster Club has ordered new music stands but they haven't come in. Having a hall where it is decent to practice, makes all the difference in the world! It makes you want to play better, and have a better attitude, as a whole, toward the club. We are very proud of the new band room, and must treat it accordingly.

Virginia Roberson has up and surprised us all by getting a beautiful diamond ring for Christmas. Jack Stark is the lucky guy for Virginia. Jack is in the US Air Force, stationed at Lackland Air Force Base at San Antonio. Congratulations to you both!

Barbara Lynn McCaskill is the next victim of engagement rings. Doug Lewis gave her the ring Saturday afternoon, but don't think anyone was too surprised! The ring is beautiful, Barbara, and congratulations!

Bob and Tracy Angeley were certainly surprised and shocked to find their Christmas present in an envelope on the tree. The envelope contained the keys to a beautiful '56 Ford. We know that you two won't have any trouble in making good use of the car.

Bob Green came home for a few days leave during the holidays. Kay Haberer helped to make Bob's Christmas a very happy one. Kay and Bob were seen most every day of Bob's leave. He is stationed at Ford Ord, Calif.

**SHORT GRASS**  
By G. P. T.

A New Year's resolution which probably would be a good one for many of us to adopt would be to take more time to rest. This is a fast-moving age, and people seem to be trying to do more and more, faster and faster. We seem to forget that everything must rest. Animals rest instinctively. Our soil will eventually quit producing unless it is allowed to rest. Even the machines we build require rest periods. Fruit-bearing trees require rest.

And so it is with people. When we overtax our mental and physical strength, we reduce our output and our efficiency. It's a kind of behavior which is almost certain to impair our health and shorten our lives.

We are not suggesting an end to hard work, but simply that adequate amounts of the right kind of rest should be coupled with hard work. Rest, of the right kind and at the right times, will restore our mental and physical energies and greatly enrich our lives.

Put a circle on your calendar around Saturday night, Jan. 21. That's the date of the annual Mustang football banquet, and it promises to be a dandy. The speaker will be Slightly Sammy Baugh of Hardin-Simmons University, and those who have heard him say Baugh is well worth hearing. Tickets will be \$2 each, and they'll go on sale right away.

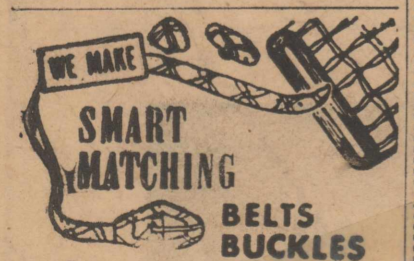

I was interested to note in a recent bulletin of the Texas Retail Grocers' Association that price is well down on the list of what a customer wants to find in a grocery store.

According to survey, the following things are those important to the grocery store customer, listed in the order of preference:

1. Cleanliness
2. Friendliness and courtesy
3. Self-service
4. True quality
5. Freshness in perishables
6. Price
7. Honest weight
8. Variety
9. Fair dealing
10. Guarantee of merchandise

It's our prediction that Olton will grow even more during 1956 than during the year just ended.

...but it's the '56 Chevrolet!

THE NEW BEL AIR SPORT COUPE

Who wouldn't mistake this new Chevrolet for a high-priced car!

It looks strictly "upper bracket" with its bold new Motoramic styling . . . its longer, lower hood . . . its proud new full-width grille.

But, even beyond the costly appearance of its beautiful Body by Fisher, Chevy gives the high-priced cars a run for their money. It brings

you lightning acceleration for safer passing. Horsepower ranges up to 205! All engines now have hydraulic-hushed valve lifters.

Besides, you get safety door latches in all models. You can also have seat belts, with or without shoulder harness, and instrument panel padding at extra cost.

Come highway-test a Chevrolet!

## "Saunter With Sue"

by Sue Macon

HAPPY NEW YEAR! Here's my New Year's wish for you: that if you slip on a banana peeling and fall that no one is around to see you and laugh at you; that you will accidentally overhear someone saying something nice about you; that your landlord suddenly decides the rent you are paying is too high and cuts it in half; that the next time you have your hair dyed it will cover the grey hairs.

That your mother-in-law decides she can't come visit you this year; that you don't become a "pick-pocket," bank robber, the owner of a snake and skunk farm; fat, bald-headed, or have to buy false teeth; that your husband or boy-friend remembers your anniversary or birthday; and that if you are past forty, everyone forgets how old you really are!

# Dodge presents... The TEXAN

Choice of this dashing Lancer Hardtop or the big, rangy 4-Door Sedan

The Texan by Dodge!

A handsome, rugged car big as all outdoors, with the surging power of a quarter horse, sweeping lines of a gull in flight, the relaxed touch of push-button driving!

Plenty of special features, too... specially designed interior trim, special paint combinations, jaunty twin exhaust pipe, and other smart touches. The Texan's name is proudly blazoned on both rear fenders. And the brave crossed flags of the Lone Star State are right up front where your fellow-Texans can admire them!

Best of all, the Texan is priced right down with the so-called "low-priced three." Yet it's big and powerful and luxurious... rivaling cars costing as much as a thousand dollars more! Visit your nearest Dodge Dealer now and drive the Texan!

The Texan is built for Texas driving. It skims swiftly along the big broad highways, it rips over hills like a hungry cougar, it takes the bumpiest, ruttiest, sandiest road and comes back for more. Powered by the mighty engine that busted the AAA record book wide open at Bonneville Salt Flats, it gives you the same superior engineering and design that made Dodge the greatest sales-gainer in the industry in 1955.

**To Occupy New Implement Bldg. About Feb. 1**

Thompson Bros. Implement Co. will occupy its modern new building on Highway 70 approximately Feb. 1, it was announced this week by Ed Thompson.

Among the outstanding features of the new structure will be a terrazzo floor. Small chips of black and variegated green marble will be set in cement and polished, according to Mr. Thompson.

Lindsey Dennis is constructing the building.

Following the move of the John Deere agency into its new building, the present Thompson Bros. Implement Co. building will be demolished, and a modern Thompson Chevrolet Co. building will be erected on the same site, Mr. Thompson has previously explained.

**Roque Puento Is Ordained As Minister**

SPRINGLAKE—Rogue Puento was ordained as a Christian minister in an ordination service at the Springlake First Baptist Church recently.

Rev. Puento is pastor of the Mexican Baptist Mission, Springlake.

Rev. John T. Williams was moderator and Ernest Baker was clerk of the presbytery which was made up of ordained preachers and deacons.

Ordination prayer was said by Rev. Wayne Perry of Sudan and Rev. Smith of the Littlefield Mission questioned the candidate. The District Missionary presented Rev. Puento with a Bible as a gift from the church.

The ordination sermon was given by Rev. Glen Godsey of Olton and Rev. Mayfield of Rocky Ford gave the closing prayer.

Ken Bush directed the song service and Billie Jean Watson accompanied the singing on the piano.
