School pre-registration, scheduled here Friday morning, Jan. 20. is of extreme financial importance to the Olton Independent School District, Supt. Carl Macon pointed out this week. Each child enumerated at that

session, Macon explained, makes this district eligible for per capita state aid, which this year averages about \$71 per child in this school district.

"We urge that all children the Olton community. who will be six years old before Sept. 1, 1956, enroll for school identified the pair as J. W. Lee, on Friday morning, Jan. 20, at 21 years old, Olton farmer, and the Olton primary building," Mr. R. F. Glover, also 21, itinerant Macon said.

The Texan by Dodge!

A handsome, rugged car big as all outdoors, with the surging power of a quarter horse, sweeping lines of a gull in flight, the relaxed touch of push-button driving!

The Texan is built for Texas driving. It skims swiftly along the big broad highways, it rips over hills like a hungry cougar, it takes the bumpiest, ruttiest, sandiest road and comes back for more. Powered by the mighty engine that busted the AAA record book wide open at Bonneville Salt Flats, it gives you the same superior engineering and design that made Dodge the greatest ales-gainer in the industry in 1955.

Plenty of special features, too . . . specially designed interior trim, special paint combinations, jaunty twin exhaust pipes, and other smart touches. The Texan's name is proudly blazoned on both rear fenders. And the brave crossed flags of the Lone Star State are right up front where your fellow-Texans can admire them!

Best of all, the Texan is priced right down with the so-called "low-priced three." Yet it's big and powerful and luxurious . . . rivaling cars costing as much as a thousand dollars more! Visit your nearest Dodge Dealer now and drive the Texan!

Spain Becomes Sole Owner Of Farm Supply

Don Spain now is sole owner Olton Farm Supply.

Spain bought Paul Edwards' interest in the business, effective the first of this month. Olton Farm Supply had been operated as a partnership business by Spain and Edwards since Dec. 18, 1951.

Mr. and Mrs. Edwards and their young daughter moved from Olton this week to make their home at Hagerstown, Md.

Postal Volume Tops \$20,000

Postal receipts here for 1955 otaled \$20,002.52, the largest in Olton's history, it was announced this week by Postmaster I. B

The 1955 postal volume topped 1954 receipts of \$19.292.30 by 3710.22. Each month of 1955 showed a gain over the corresponding month in 1954 with the exception of October, which showed a sharp drop, Mr. Holt explained.

"October was off because the late cotton crop and the reduced number of transient laborers, who normally transact a big volume of postal business," the postmaster said.

December postal business was \$3,841.25. "It was the biggest postoffice month in history here," Mr. Holt said. "And despite the heavy volume of traffic, things went off more efficiently than ever before. Postal personnel want to extend their sincere thanks to the public for their cooperation in preparing packages properly and in separating mail for local and out-oftown delivery. The cooperation was excellent, and it helped tremendously in prompt handling of the Christmas mail."

Cecil Máddox, 1955 graduate of Olton High School, has signed a professional baseball contract with the Plainview Ponies, it was announced this week.

ABOUT INCOME TAXES

By Bill Thomas

Farm and ranch operators have until February 15. 1956 to file their 1955 Income Tax Return. The previous deadline for filing the reports was January 31.

However, a farm and ranch operator may extend his filing date to April 15, by filing an Estimate and paying his estimated tax on or before January 15.

For the first time this year farmers will have to pay self-employment tax. Farmers who are operators of the farms are subject to this tax. Rents received from a farm cannot be counted as self-employment income. A sharecropper or a person who receives a crop as part pay for his labor is subject to this self-employment tax.

Farmers reporting income on the cash receipts and disbursements basis have an option of figuring their net earnings from farm self-employment for Self-Employment tax purposes only.

If their gross income for the year from farm selfemployment is \$1,800.00 or less, they may report one-half of their gross farm income instead of their actual net earnings from farming. If their gross income from farm self-employment is more than \$1,800.00 and their actual net earnings are less than \$900.00, they may report \$900.

Self-employment tax is reported on the same form and at the same time income tax is paid.

Social Security taxes on an employe are due on or before January 31. This tax must be reported on Form No. 943.

ACCORDING TO THE WORD OF GOD-WHAT ARE THE AGES OR DISPENSATIONS OF THE BIBLE?

ACCORDING TO THE WORD OF GOD-the AGES OR DISPENSATIONS of the Bible cre:

THE PATRIACHAL AGE. The PATRIARCHAL AGE began with Adam and extended to the giving of the Law on Mt. Sinai. In this age of family religion the fathers or heads of families (patriarchs) were in charge of the worship and offerings (Gen. 4:3-5, 6, 7; 8:20-22) and it lasted for about 2500 years.

THE JEWISH AGE. THE JEWISH AGE was in effect from the giving of the Law on Mt. Sinai (Ex. 20) to the crucifixion of Christ (Col. 2:14), which was an age of the national religion for about 1500 years. The worship in the JEWISH AGE included the tabernacle, temple, and the synagogue. All Jews were to keep the law of Moses (Deu. 27:26; 28:15; Jer. 11:1-4). "The Law is become our tutor to bring us to Christ" (Gal. 3:24; Mat. 5:17; Col. 2:14).

THE CHRISTIAN AGE. THE CHRISTIAN AGE began on the first Pentecost after the resurrection of Christ (Acts 2) and will last until the end of time. Christ is the mediator of the CHRISTIAN AGE (Heb. 1:1, 2; 9:15; 12:24). When the Law (to the Jews only) ended, the GOSPEL to all peoples of the earth began (Mk. 9:4, 7; Heb. 10:9). We who live now are under the law of Christ and are not under the Law of Moses (Gal. 3:10, 24, 25; Eph. 2:15; Heb. 17:18, 19). The first four books of the New Testament cause us to have faith in Christ (John 20:31). The book 'Acts of the Apostles" gives the history of the early church and how people became members of the church.

THESE ARE IMPORTANT PEOPLE IN YOUR LIFE

Dear Triends

The people in the picture in this advertisement are Humble researchers on their way to work in Humble's Houston Research Center.

They are important people in your life, because their studies and their constant experimentation have only one purpose: to supply your increasing needs for oil and natural gas.

At the Houston Research Center, they pool their efforts to make the finding and production of oil and natural gas more efficient. And since they are top people in their different fields, their work has met with notable success.

It has helped to make the Humble Company not only the largest but also one of the most efficient producing companies in the country.

The new ideas, new methods and new practices developed by Humble researchers have resulted in the discovery of new reservoirs of a valuable natural resource; in making these reservoirs more productive; and in prolonging their life for your future benefit.

Sincerely

HUMBLE OIL & REFINING CO.

If you buy a new truck after looking at only one make, it's like making a deal in the dark. You can't be sure of getting the most for your money.

A smarter way to buy is to "spotlight" real truck value-weigh and compare competitive claims with these Dodge truck facts:

- * Most standard V-8 horsepower of all leading makes—½-ton through 3½-ton range. You'll get faster trips—more work done with DODGE.
- * Shortest turning radius. You'll park more easily, wheel through traffic quicker with DODGE.
- ★ Biggest cabs, with biggest wrap-around windshield. You'll enjoy roomier comfort, safer vision with DODGE.
- ★ Highest payload capacities . . . pick-ups providing up to 22% more payload than others. You'll haul bigger, more profitable loads with DODGE
- Prices down with the lowest. Comparative facts show that, feature for feature and dollar for dollar, the real value is

Next truck you buy, don't deal in the dark. Turn a bright light on the facts—see Dodge before you buy.
