Silverton Owl Camp To Be Held Here Soon

The Silverton Owl Basketball Camp will be held in the Silverton School Gym July 29-August 2 with Coaches Donnie Dutton, Joe Crabb and Clyde Parham in charge of the activities.

Boys and girls between the ages of 9-14 (1995-96 3rd-8th graders) may attend the camp and will receive personal instruction and attention. Offensive and defensive fundamentals will be taught. Campers will be divided into age groups for daily practice and competition.

Each camper will receive a camp T-shirt. A clinic session and games will be featured Friday night of the camp.

The cost is \$40.00 per camper.

Receive Honors at State FFA Convention

Jon Ivory and Anthony Gamble, seniors in Silverton High School, have been in Houston this week to attend the Texas FFA's 68th annual convention in the Astrodome.

Both Ivory and Gamble received their Lone Star Farmer degrees Tuesday afternoon. The degree is the third in a four-tiered degree scheme based on individual achievement in the organization.

To reserve a spot in the camp, a deposit of \$10 is requested by July 15, although the entire amount may be paid when reservations are made. All payments and correspondence is to be directed to Donnie Dutton, P. O. Box 287, Silverton, Texas 79257, telephone 806-823-2086.

The reservation is to be accompanied by an authorization form from the parents and the permission slip must be signed by a parent.

The primary purpose of the Silverton Basketball Camp is to improve the fundamental techniques of basketball and challenge each camper regardless of present abilities. Even though the coaches want the campers to have fun and to enjoy good fellowship, the emphasis is still on hard work so that campers will improve the skills that will make them become better competitors.

Relatives and friends of the campers are invited to attend, see drills and activities demonstrated by campers on Friday evening. They will be divided according to age and ability to play in team competition.

The Chamber Need You!

"Dr. Joe" Foust and his family were honored at an ice cream party Monday night at the courthouse shelter, and he was presented a plaque acknowledging his outstanding contribution to the community through his service as a physician's assistant at the Briscoe County Clinic. The party was sponsored by Silverton Chamber of Commerce, and the plaque was presented by Jess Little on behalf of the organization's members.

Incident Command System Class Is Planned at Quitaque

The City of Quitaque Volunteer Services would like to invite all area law enforcement officers, volunteer fire departments and EMS personnel to a two-part class dealing with how to effectively handle emergency incidents.

The Texas Forest Service Incident Command System (SCS) is a nine-hour course that describes the main features which constitute the ICS. Collectively, these features identify the unique quality of the ICS as an incident or event management system. It provides an introduction to terminology, organizational structure, and the main facilities used in conjunction with ICS. It describes the planning process at an incident and describes the stages of resource management. The class is broken up into lecture, video tape and table top simulation exercises.

The final test is a simulation exercise in which the students put the ICS into practice on a simulated incident.

The class does provide nine CEU hours for most services. The class is tentatively set up at the Quitaque Catholic Center July 26th and 27th (Friday, 7-10 p.m. and Saturday, 8-3). Please call Quitaque City Hall for reservations.

There is no fee to be charged for emergency personnel to attend this course.

Workouts for the game are being held July 8-13 at Monterey High School in Lubbock. The All-Star game will be played at 2:00 p.m. Saturday, July 13, at Monterey. Dedra will be playing on the West Team.

Jeremiah Brooks will be playing in the All-Star Football Game during the 1996 Texas Six-Man Coaches Association meeting in Lubbock. The All-Star football game will be played at 8:00 p.m. Saturday at Lowrey Field in Lubbock. Brooks is the son of Bill and Janinne Brooks and has been a standout player for the Owls.

It will be appreciated if teachers will tell the school office or Briscoe County News what things they will be asking their students to bring when school starts.

Kellum Enjoys Youth Trip of a Lifetime

Desley Kellum says he'd always wanted to check out Australia and New Zealand, and this summer he has gotten an opportunity to do it while traveling with People to People, a student ambassador program.

He left from Lubbock along with 21 other students and their sponsor to fly to Dallas to join the rest of their group on June 24 to begin the three-week experience.

Desley was graduated from Plainview High School this spring and plans to work in the agricultural field. He figured that seeing how other countries accomplish work in the agricultural area will help him in the future.

People to People is a 30-year-old program created by President Dwight D. Eisenhower. More than 75,000 American sixth through twelfth grade students have traveled to 25 countries throughout the world.

Wayne and Beverly Bennett of Weatherford, Oklahoma announce the engagement of their daughter, Amy Michelle, to Kirk Lynn Towe, son of Greg and Judy Towe of Bonham, Texas. The couple will marry August 17, at the First Baptist Church in Weatherford. The couple are students at Southwestern Oklahoma State University. Kirk Towe is the grandson of Addlene Towe and Doyle and Merlene Stephens, all of Silverton.

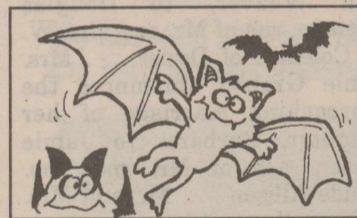

Desley's 21-day trip took him to New Zealand, where he stayed in a family home. He took Plainview information to share with his New Zealand "family".

In Australia, Desley traveled to Sydney and snorkeled at the Great Barrier Reef.

The trip cost about \$4,000, \$2,000 of which he had already saved from his earnings while working on his grandfather's ranch.

He is the son of David and Denise Kellum, former Silverton residents, and has received his Eagle Scout badge this spring.

Mrs. Boyce's Ninetieth Birthday To Be Celebrated at Reception

The children of Dorothy Doleta Seay Boyce: Alvie Boyce, Crestone, Colorado; Lottie Garrison, Silverton; Icy and Dave Bornschein, Anchorage, Alaska; Harve and Marie Boyce, Lubbock; Harold Wayne and Linda Boyce, Las Vegas, Nevada, invite relatives and friends to help honor their mother on the occasion of her ninetieth birthday

at a reception between 2:30 and 4:00 in the afternoon on Sunday, July 14, 1996, in the Pioneer Room at First State Bank in Silverton. It has been requested that there be no gifts, please.

Riley and Loretta Seay's eleventh child, Dorothy Doleta, was born July 17, 1906, near Pancake in Coryell County, Texas. Mr. Seay moved his family

to a 320-acre farm eight miles southwest of Silverton in Briscoe County in the fall of 1908 after their twelfth child was born. Two children died with whooping cough at a young age in Coryell County.

Doleta's six sisters, Madge Lee, Lela Wallace, Icy Ellis, Hattie Ziegler, Leona Holt and Birdie Williams, and her three brothers, Glen, Dewey and Riley Seay, all have passed on. The Seay family lived in Silverton while their farmhouse was being built by Mr. Seay and his three sons. Doleta attended school at Rock Creek, Francis and Silverton. She had a talent for playing the organ so her parents tried to give her music lessons, but after one lesson she decided her way was okay.

Doleta married George Harold Boyce on November 6, 1921 in

Silverton. They lived on the R. W. Thomas place south of Silverton. Harold worked for Warren Thomas. Later he rented land from Henry Mercer where he and Doleta farmed, raising cotton, maize and wheat. All six of their children were born southwest of Silverton in Briscoe County. Their fifth child, Lillie Leona, died of pneumonia when she was three weeks old.

Harold and Doleta celebrated their fiftieth wedding anniversary in 1971 in the home of a nephew and his wife, Wayne and Ellen McWilliams, in Center, Colorado, where they had lived for 33 years, farming potatoes, grain and alfalfa, and raising

sheep. When Doleta and Harold retired, they moved back to Silverton in 1972.

Harold passed away March 9, 1979. Doleta still lives alone at her home in Silverton. Her neighbors, Brenda and Jerry Patton, see that she gets to their basement when there is a tornado warning. Her daughter, Lottie, and others check on her often.

Doleta's family has grown to include 17 grandchildren, 38 great-grandchildren, 14 great-great-grandchildren. One granddaughter, Raye Garrison Smith, is deceased, along with two great-grandsons, Shane Smith and Bart Maddock.

FREEDOM WILL PREVAIL AS LONG AS OUR FLAG CAN FLY

When looking upward to the sky
We still can see our banner fly,
And fill us all with confidence,
Because of what it represents:
The freedom which we have enjoyed,
That no aggressor has destroyed.
It signifies our sacrifice
And willingness to pay the price,
That all throughout our history
Combined to keep our nation free.
Since laws of God have set the tone
Of those adapted for our own,
Through faith our flag has come to be
The symbol of our liberty;
So let's resolve to take a stand,
And keep it waving in our land.

CARDS OF THANKS

The Silverton coaches would like to thank all of the kids that played Little League baseball this season. We had a great group of kids this year. We also would like to thank all of the parents, grandparents and fans for making this year a great success. Thanks for a fun season; see you next year.

Silverton Little League
Coaches

We would like to thank Bena, JoDee and Dale for taking care of Magan and for taking her to the hospital after her accident. We would also like to thank everyone for the phone calls, cards, balloons and gifts sent to Magan at the hospital. Thanks also for all the calls to Mom's asking about Magan. This is still the best place to live and visit.

Fred, Scotti, Lindsey,
Magan and Travis
Leo and Peggy

We would like to thank everyone that made a donation to the Silverton Little League this season. Donations were made by Fleming Well Service, Silverton Oil Company, Amy's Beauty Salon, The Plum Thicket, Estes & Estes, Gerald Smith, Brown-McMurtry, Briscoe County News, First State Bank.

A special thanks goes to Johnson's Gin Company for sponsoring our Little League team. Your support is always greatly appreciated.

Silverton Little League
and Coaches

I want to thank you again for the beautiful cards that were sent to me while I was staying in Amarillo taking treatment. Also the flowers, phone calls, prayers and food while I have been home. It meant so much to me, to hear from home.

May God bless you all,
Sybil and Grover Thomas

We deeply appreciate all the flowers, food, memorials, lovely cards of sympathy and words of comfort in this time of sadness. Friends and neighbors are so wonderful at a time like this. May you never change, and God Bless.

Jo and Winston Hamilton

Thank you to all the firemen and others who assisted in putting out our CRP grass fire and especially to Eric and JoDee for locating and reporting the fire.

Putt and Nelda

We wish to express our thanks for the phone calls and kindness shown to us during our medical emergency.

To Connie Smith, Emilio Cruz and Dale McWaters "thank you" seems inadequate to express how much your kindness and special

care have meant. Though the words are simple, hope you know the gratitude they represent.
