THURSDAY, OCTOBER 3, 1996

VOLUME 88 NUMBER 40

The family of Pauline Jarnagin will be honoring their mother on her eightieth birthday anniversary and are inviting their friends and relatives to join them for the party in the Pioneer Room at First State Bank in Silverton from 2:00 until 4:00 in the afternoon on Sunday, October 6. They request that there be no gifts.

Backers of the boll weevil recall effort decided Monday night to launch an aggressive campaign to dissolve the High Plains eradication zone, using mailings, personal contacts and advertising to reach growers in the 30-county area.

I don't understand why this group of people who don't want to support a weevil eradication program are working so hard to try to change the minds of the people who are for it. I do understand that they are probably farmers who are able to pay for the spraying of their own crops who don't want to have to pay any for the spraying of other farms. It doesn't work just that way, though. If you let the pests overwinter on the farm next to yours, they'll be ready and eager to pounce on your crop when it begins squaring. All your hopes and dreams for your crop will go out the window when the weevils come in.

I also understand that for a good many years, the boll weevil diapause program has been operated successfully on the South Plains. It wasn't until the cotton growers statewide attempted to extend the range of the program that all the controversy began.

You can find out plenty about the boll weevil and what it means to farmers below the Caprock by talking to people like O. R. Stark about it. He has said for years that if the farmers don't continue to fight this pest, it will eliminate cotton as one of our cash crops.

It's true that my cotton farming interest is very small, but it is important to me and it would be a shame (1) to let the weevils have their way and force people to discontinue raising cotton and (2) to deprive people like me who love wearing denim and other cottons from being able to enjoy this wonderfully breathable, naturally comfortable fabric.

We have to draw the line somewhere or the boll weevil will migrate and eat its way to the boundaries of cotton production. We've drawn the line at the Caprock in the past, but now we are having to fight them on the Plains as well. I understand there are people in Gaines and Dawson counties talking about switching crops because of the weevil. What are they going to switch to that will be as profitable as cotton?

Plains Cotton Growers is currently conducting a limited

## Rock Creek Church of Christ to Celebrate 80th Anniversary

The church at Rock Creek first assembled at the schoolhouse in the northwest corner of the J. L. Francis ranch in 1916, even though earlier records show they

met in 1913. At one of the first gospel meetings, Louis Francis and his brother, Hollie, were baptized. After three years of meeting at

the Rock Creek School, they moved to the present location seven miles west of Silverton. Bro. Steve Cantwell, father of the late Earl Cantwell, donated the land for the church building site. The congregation grew steadily until it reached about 100 members in the 1950's. The building has been remodeled several times, the last being in about 1972. The congregation now numbers about 65.

Some of the earliest families to worship at Rock Creek were the Tom Crass family, the W. E. Redin family, the C. S. Brooks family, the Massey family, the J. R. Steele family, the Cantwell family, the R. N. McDaniel family, the Cross McDaniel family, the J. L. Francis family, the P. D. Jasper family, the Stark family, the Browns, Prices, Chambers, Spears and Smiths.

Elders were first ordained in 1931 by Bro. J. T. Corder. These were Wade Steele, John Lee

## Jamboree Set Saturday Night

Saturday, October 5, the Caprock Jamboree will again go on stage at the Briscoe County Showbarn in Silverton for the pleasure of music lovers from across the Panhandle. Show time is 7:00 p.m.

Briscoe County Historical Committee will begin serving mesquite-grilled hamburgers with all the trimmings at 6:00 p.m. While eating you can enjoy a preview of the music to be on the program while the entertainers are warming up during the jam session.

Winners of the "Band of the Month" award for September were Tim and Kandi Zuber. Each month the audience votes for their favorite group to receive the \$50 prize.

Door prizes are provided by area businesses and loyal fans each month. A \$25 prize is drawn for at the end of each show, at approximately 10:00 p.m.

Bring a folding chair or use one of those at the showbarn, but be sure to make plans now to attend the Caprock Jamboree Saturday night.

## Jack Sutton Inducted Into Western Swing Hall of Fame

Jack Sutton was recognized for a musical career spanning 50 years at the Western Swing Hall of Fame's 15th annual induction

ceremony in Sacramento, California.

Although Sutton's health has declined, he is still able to pound out the western swing selections on the piano.

Jobs were hard to find in 1929 when three-year-old Jack Sutton's

## Foliage Festival Plans Continuing For October 19

Plans for Quitaque's fourth annual Fall Foliage Festival are well underway as the city and Caprock Canyons State Park Trailway begin preparations for the day of activities on Saturday, October 19.

New to the Fall Foliage Festival this year is a Hot Sauce Taste-Off. Fresh homemade hot sauces will be judged and tasted by the people in town for the festival. People wishing to enter their homemade hot sauce may do so by contacting Mike Knezek at Caprock Canyons State Park.

Motorized tours of the trail have proven very popular and will be available again this year so everyone will have the opportunity to view the scenic canyons and beautiful fall foliage. Everyone is reminded that this is a prime time of year for bicyclists because usually the weather is perfect for trail riding. This tour has been highlighted in "Texas Highways" magazine and should be seen by all in the Panhandle-South Plains area.

After participating in the morning trail tours or before leaving for the afternoon tours, a Soup and Salad luncheon will be served beginning at 11:00 a.m. Homemade fall desserts will be a feature of the luncheon.

Other highlights of the day will be a flea market, health fair, bike race and bike parade.

spraying operation with the money it has on hand. The alternative is to shut the program down and turn the weevil loose. Do we really want that?

## Faculty to Play a Benefit Ballgame Here

The Silverton School faculty will play a benefit basketball game beginning at 6:30 p.m. Tuesday, October 8, in the high school gym.

Proceeds will go to the cheerleaders and pep squad who will be operating the concession stand. Cokes, candy and popcorn will be sold.

Admission is \$1.00. Two athletic passes to all 1996-97 home games will be given away in drawings. Don't miss it!

## Dinner to Benefit Valley Cheerleaders

A dinner to benefit the Valley Varsity Cheerleaders will be served from 11:30 a.m. until 2:00 p.m. Sunday, October 6, at the Catholic Center in Quitaque.

The event will be sponsored and catered by Roye Pigg. The menu will consist of roast beef, gravy, potatoes, green beans, homemade rolls, cobbler and tea.

Admission will be \$5.50 for adults and \$3.00 for children eight and under. Take-out orders are welcome.

The Valley Cheerleaders are attempting to raise enough money to accept an invitation to participate in the Hula Bowl activities in Hawaii. The girls chopped cotton this summer and have held numerous other fundraisers.

**THE SENIORS HAVE IT!** Senior Arnold Garza was the co-captain who presented Senior Football Queen Teri Chitwood with the traditional helmet crown, flowers and a congratulatory kiss in pregame activities Friday night. Garza was presented as Pep Squad Beau at the Pep Rally earlier that afternoon.

## Jack Sutton Inducted Into Western Swing Hall of Fame

Continued From Page One

family moved to Clarendon and his father found work with the Fort Worth & Denver Railroad. By the mid-1930's, the Suttons were living near Goodnight on a parcel of land.

"We ran a half mile from the cotton patch to the house every day so we could listen to the Bob Wills Show on KVOO from

Tulsa," said Sutton, who preferred western swing to the traditional blues of Jimmie Rodgers.

Three sons of another family in Goodnight joined Sutton and his brothers in a band of six who launched their careers at a school program. The performance was so popular that the band received a standing ovation, Sutton said. But when asked for an encore, the six musicians couldn't give one because they didn't know any more songs.

At the age of 16, Sutton began playing for dances in the area, including the popular Opera House in Clarendon. The first and last dances he played were in that town.

When America entered World War II in 1941, 21-year-old brother Delbert joined the army. His brother Howard became a sailor in 1942. Jack was called to the navy in 1944.

Although Jack had learned to play the piano, the company dance band had no opening, so Jack joined the navy marching band as a snare drummer. He held that position until he was assigned to a ship's crew.

When he came home in 1946, Jack got a job as the piano player with Windy Wood's Sons of the West band, where his brother Howard was playing fiddle.

"Jack always showed up, always sober and always grinning," said Wood, a resident of Claude and a Hall of Fame inductee.

This year's inductees include Jody Nix, whose father Hoyle played with Wills and wrote "Big Ball's in Cowtown." Floyd Domino, who played piano with Asleep at the Wheel, is another Texas performer to join the 1996 Hall of Fame.

Sutton and his wife, Teresa,

live near Silverton, "almost 15 miles to the nearest loaf of bread," she said.

Although the onset of Parkinson's disease ended Sutton's active career in 1976, he continued to play "on the good days" for community groups for several years.

Whether strumming a mandolin at small get-togethers during the Depression, beating a snare drum for a military march during the war or sharing news of the nightclub circuit in the heyday of western swing, Sutton brought pleasure to thousands of listeners across the Panhandle with the music that sounded like home.

## Photographs To Be Offered Here On October 11

# Rock Creek Church of Christ to Celebrate 80th Anniversary

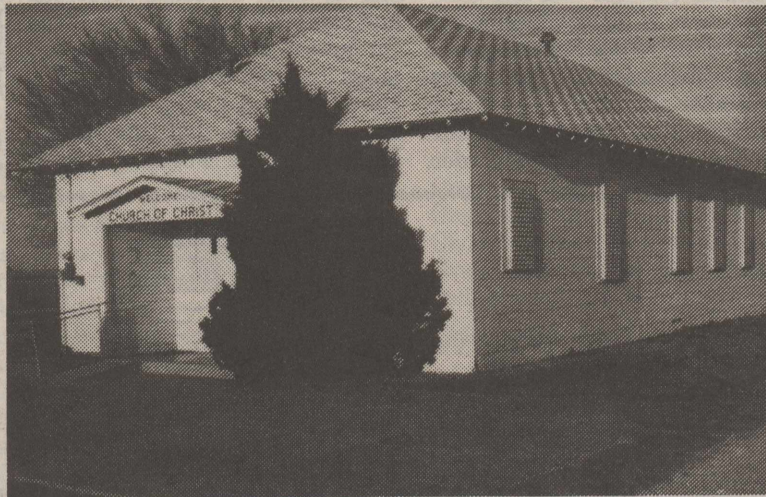

Francis and P. D. Jasper. Others who have served as elders have been Lee Davenport, Earl Cantwell, Aubrey Rowell, Fred Arnold and John Francis. Deacons were first appointed in 1969. They were Edwin Crass, Elton Cantwell and John Francis. Others serving as deacons have been Wayland Fitzgerald, Alvie Francis and Ashel McDaniel. Although this congregation has never had a salaried minister, Bro. Earl Cantwell served in a ministerial capacity from 1926 until his retirement. In recent years, Bro. J. D. Nance has assumed much of the ministering to the aged, sick and bereaved, in addition to being a regular preacher of the Word.

Some of the early preachers were Bro. Ashbury Thurman, Bro. Alva Johnson, Bro. Charlie Watkins, Bro. J. T. Corder, Bro. Frank Copeland, Bro. Charlie Graves and Bro. J. H. Nall.

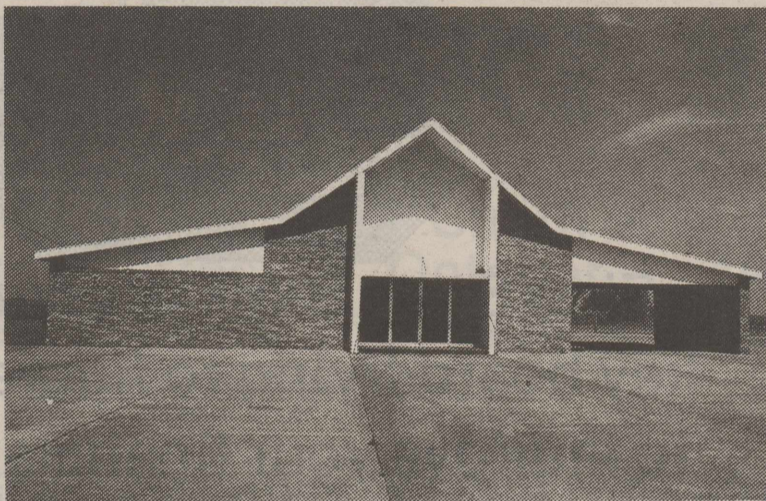

Through the church's efforts in missionary work, souls have been brought to Christ around the world. Rock Creek has helped support workers in this nation as well as in India, Malawi, Kenya and Mexico.

The church congregation invites all to come help them celebrate this anniversary. All activities start Sunday morning, October 6, with a gospel meeting at 10:30 a.m., followed by a catered meal, and singing at 2:00 p.m. Sunday evening services will begin at 6:00 p.m. and Monday through Wednesday services begin at 7:30 p.m.

A warm welcome is extended to all to come and help celebrate this grand occasion at the Rock Creek Church of Christ.

## OBITUARIES

### DELTON EUGENE FISHER

Services for Delton Eugene Fisher, 66, were set for 3:00 p.m. Wednesday at the First United Methodist Church at Baird with the Rev. Ricky Carstensen officiating. Burial was to be in Belle Plains Cemetery by Parker Funeral Home.

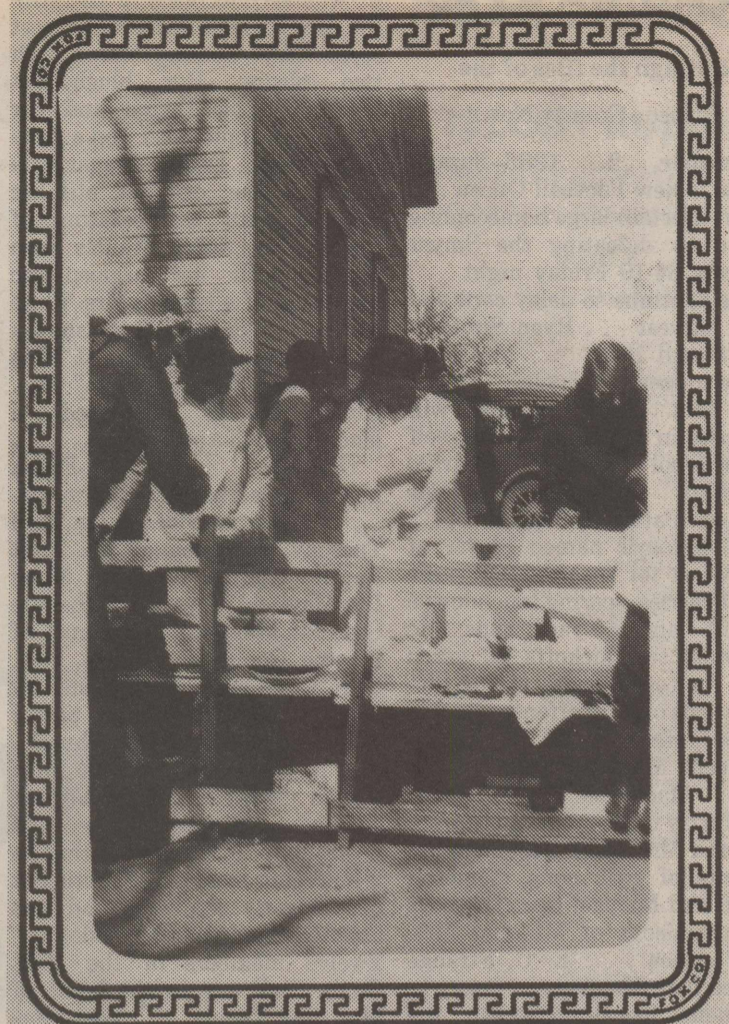

Mr. Fisher died Monday, September 30.

Born in Brownfield, he was the son of a former pastor of Silverton United Methodist Church, Marvin Fisher, and his wife, Ruth. Delton Fisher was graduated from Aspermont High School, McMurry College and Perkins School of Theology. He married Rose Davis in 1950 at Quitaque.

He followed in his father's footsteps and pastored several churches, including ones at Clarendon, Halfway, Anton and Baird. He also was pastor at 10th Avenue United Methodist Church in Amarillo and Grace Methodist Church in Abilene.

He enjoyed Cowboy Camp meetings that he held for several years on his ranch south of Baird.

Survivors include his wife, Rose; two daughters, Jeannie Gilley of Clyde and Jan Van Hoose of Abilene; his mother, Ruth Fisher of Baird; four grandchildren and two great-granddaughters. He was the brother-in-law of Maebelle Francis of Silverton.

# Owls Lose Game To Tough Guthrie Team

Silverton's Owls dropped their homecoming game 16-12 to the tough Guthrie Jaguars here Friday night, in spite of their coming back to play a pretty good second half.

The Owls kicked off to open the game and Leland Wood brought down the Guthrie returner on their 25. Defense by Trey Wyatt and Jack Cherry held the Jags short and forced a punt which Arnold Garza controlled at the Silverton 23.

Anthony Gamble ran for nine yards after which runs by Jeremy Holt and Garza netted a first down. Garza ran to the Guthrie 38 and Gamble carried, was grabbed by the face mask and the Owls moved ahead on the penalty. Cory Chandler passed to Cherry for a touchdown with 6:20 remaining to be played in the first stanza. There was no PAT, and the scoreboard reflected a 6-0 lead for the Owls.

The kickoff to Guthrie carried to their 19, after which the Jags picked up a first down at midfield, stopped by Holt. Defense by Garza and Billy Edwards held the Jags in check, and the ball went back to the Owls, who lost the handle on the

ball on the first play and it was recovered by Wyatt. On fourth down, they punted to the Guthrie 30.

Defense by Cherry controlled

the Jaguars on their next series, and on fourth down, needing one yard for a first, Garza came up with the loose ball. The Owls were unable to move the ball and punted away as the second quarter began.

Guthrie was stopped twice by Wyatt before making a first down, then had Wyatt as the defender twice more before moving to a first down on the Silverton 38. They finished their next series by punting to the Silverton 12.

Guthrie was stopped twice by Wyatt before making a first down, then had Wyatt as the defender twice more before moving to a first down on the Silverton 38. They finished their next series by punting to the Silverton 12.

Runs by Trey Ziegler and Garza moved the Owls to a first down, but they were unable to link two

together and punted to the Guthrie 33. This time the Jaguars came back with a first down on the Silverton 35, in spite of defense by Wood, Wyatt and Cherry, and passed complete for another first down. They scored with 16 seconds remaining in the first half, kicked the PAT, and moved ahead 8-6.

Garza took the kickoff which opened the second half to the Silverton 15, but the Owls were unable to get a first down and punted to the Guthrie 28. The Owls held the next Guthrie series, and went back on offense. Runs by Gamble and Garza picked up a first down on the Silverton 29, after which Holt and Gamble picked up another on the Guthrie side of midfield. The Owls saw the ball go over on downs, but the Jaguars were unable to move the ball and punted to the Silverton 30.

Garza took the handoff and ran all the way for an apparent touchdown, but the referees whistled him back to the point where he had gone out of bounds and the Owls were unable to move the ball once again.

The fourth quarter began as Guthrie went on offense once again. They made a first down at midfield, but punted for a touchback. The Owls moved for a first down after a call of unsportsmanlike conduct against the Jaguars, and runs by Garza picked up another first down on the 10. Gamble carried to the one, and Garza went over for the touchdown with 6:07 remaining on the game clock. There was no PAT, and the Owls had moved into a 12-8 lead.

Guthrie came back, passing for a first down on the Silverton 17 and picking up another first down before going into the end zone with 3:06 still to be played in the game. They kicked the PAT, and moved into a 16-12 lead.

The Owls were unable to convert their one remaining opportunity, and the game ended after the Jaguars made the last first down on the Silverton 12.

Both teams showed better defenses than offenses in the game. Guthrie always fields a good team and makes it hot for most of their competitors.

## Junior Varsity Team Loses at Whitharral

After watching the Junior High Owls finish up their game on a beautiful sunny afternoon, the Junior Varsity Owls couldn't possibly have believed what Mother Nature had in store for them during their game. Sunny skies turned cloudy and dark, and eventually lightning and a steady downpour drenched them as they played to the end of regulation time.

Jordan Sarchet kicked off for the Owls and stopped the runback on the Whitharral 35. The Panthers charged the line for a three-yard gain, stopped by Chris Justice and Bert Garza, and their next play was stopped by Charlie Bomar. They picked up a first down, after which defense by Justice and Matt Martin held them. The Panthers scored with 2:33 still on the first-quarter clock, kicked the PAT, and moved into an 8-0 lead.

They kicked off to the Owls, and runs by Garza and Bomar netted a first down on the

Silverton 35. Whitharral intercepted Nathan Francis' pass on the 35, and went back on offense. Time ran out in the first quarter as they scored another time. There was no PAT, and the Panthers moved into a 14-0 lead.

Whitharral kicked off and Garza took to the Silverton 36. Bomar and Garza carried for a first down, but the Owls got a holding penalty which moved them back to their 36, and the Owls were forced to punt on fourth down.

Whitharral brought the punt back to their 35, after which they scored on the next play. They kicked the PAT, and with 2:03 still to be played in the first half, they held a 22-0 lead.

Whitharral kicked off once again, and Garza controlled the ball on the Silverton 20. The Owls lost the ball via the fumble route on their first play, and two plays later the Panthers scored again.

They ran for the PAT, and moved into a 29-0 lead.

Bert Garza was on his way to paydirt for the Junior Varsity Owls, at Whitharral Thursday night.

The Owls had a good offensive effort going for them as the first half ended. Francis completed two passes to Bomar and another to Jason Cherry as time expired on the clock.

The Panthers kicked off to open the second half of play, and David Gamble ran for a first down. Garza picked up 10 yards to the 28, then ran for a first down on the 36. The Owls lost the ball on a fumble with 3:40 remaining in the third period. Whitharral wasted no time scoring again. The Owls blocked the PAT, and saw the Panthers move into a 35-0 lead.

Garza ran for another first down after the Owls controlled the kickoff, and Gamble added a first down on the Whitharral 10. Garza scored with 12.1 seconds remaining in the third quarter, but there was no PAT and the Owls held the short end of the 35-6 score.

Justice stopped the kickoff runback at the Whitharral 27, and with lightning popping overhead the Panthers made first downs on the 40 and Silverton 20. Defense by Justice and the other Owls stopped them short of another first down, and with 5:17 still on the clock, the Owls had another offensive opportunity which came up short. The Panthers went for a first down on their 35, and lost the ball via the fumble on their 30. The Owls were unable to move the ball, and the Panthers got it back before the game ended.

# Junior High Beats Panthers

Silverton's Junior High Owls drove to Whitharral Thursday afternoon to try the Panther Cubs, and came home with a big 32-19 victory.

Whitharral opened the game by kicking off, and Issac Garcia returned the ball to the Silverton 25. Clint Ivory took the handoff from Vance Chandler and went all the way for a score for the Owls. Adrian Ramirez carried the PAT, and with 5:38 still showing on the clock, the Owls held a 7-0

lead.

The Owls kicked off, and Whitharral returned the ball to their 35 where they were stopped by Ismael Alvarez. The team-tackling Owls stopped the first play after an eight-yard gain, and gave up a first down on their 15 on the next down, stopped by Chandler.

Two plays later, Chandler intercepted the Panther Cubs on the Silverton ten, but on the second play for the Owls

## BRISCOE COUNTY NEWS

Whitharral recovered a miscue and went back on offense. They scored three plays later, with 1:47 still on the first-quarter clock. They carried the PAT into the endzone, and knotted the score at 7-7.

Whitharral kicked off to the Owls, and Ivory brought it out to the 33. He carried a touchdown on the next play, but Ramirez failed to get into the endzone for the PAT, and the Owls held a 13-7 lead with 1:26 still to be played in the first quarter.

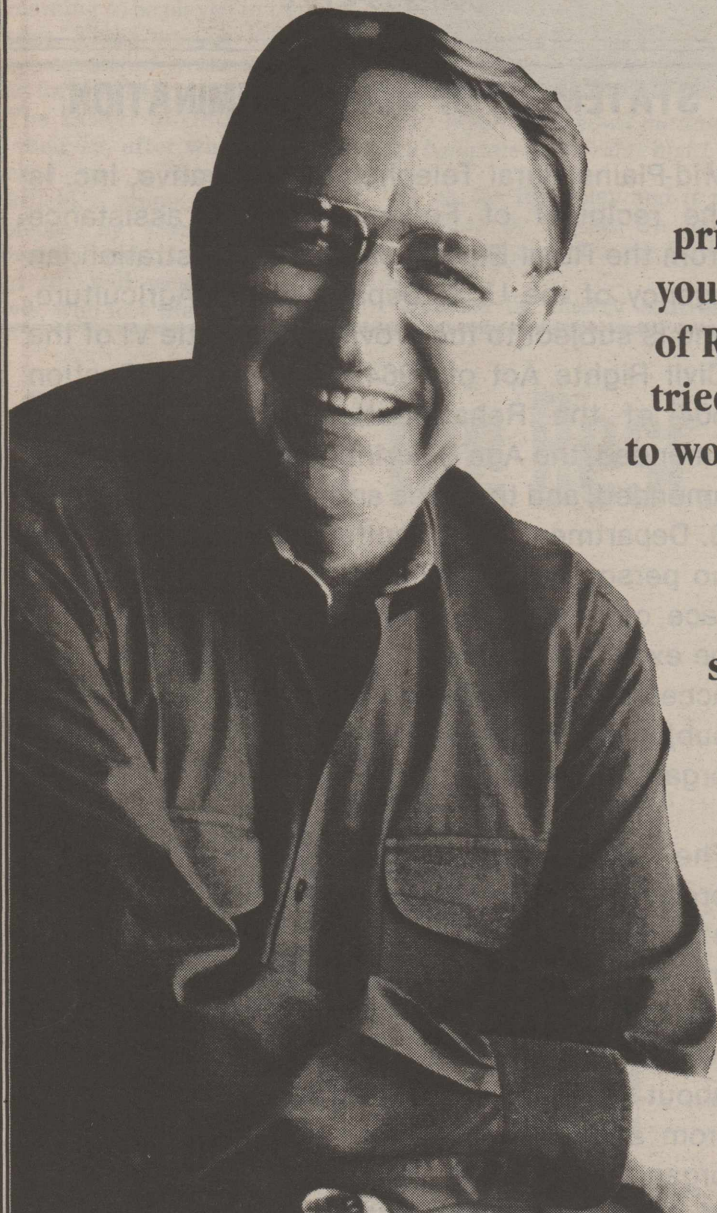

The Owls kicked off again, and Whitharral carried it to the Silverton 31. They received a penalty back to their 25 before being thrown for a 12-yard loss on their first play. The Panther

Cubs lost the ball via the fumble on their next play.

The Owls were unable to move the ball, and it went back to Whitharral as the second quarter began. They passed complete to their 18, but were forced to punt on fourth down. Ivory returned the punt to midfield where the Owls went back on offense.

Ivory and Ramirez combined talents to move the ball to the Whitharral two. Ivory scored with 2:20 remaining in the first half to bring the score to 19-7. The PAT pass fell incomplete.

The Owls kicked off once again, and Chandler held the runback at the Whitharral 24. The Panthers were unable to move the ball, and on fourth down Ivory returned their punt to the Whitharral 15. Chandler completed a pass to Ramirez which moved the ball to the four, and Ivory scored with 1.4 seconds remaining in the half. Ramirez carried the PAT, and the Owls moved into a 26-7 lead.

The Owls kicked off and Whitharral brought it out to their 16 to open the second half. Defenders on the play were Ivory, Ramirez and Chandler. The Owls threw the Panthers for a loss on the next down, but the referees whistled them for being offside, and stepped yardage off against the Owls. Matt Strange stopped the next play after a four-yard gain, but the Panthers picked up a first down on their 33, stopped by Ramirez. Martin Younger, Ramirez, and Daniel Castillo provided the defense which kept the Panthers in check and brought the ball back to the Owls on downs.

Ivory made a first down after which Ramirez ran to the 17 where the ball went back to the Panthers on downs. The Panthers picked up a first down as the fourth quarter began, in spite of defense by Strange and Younger. The Panthers continued to a first down on the one, and scored with 2:34 remaining to be played in the game. There was no PAT, and the Panthers had narrowed the score to 26-13.

Whitharral recovered their inside kick, but defense by Ivory, Ramirez and other Owls held them in check, and the Owls got the ball back. Jimmy Castillo carried a touchdown with 39.0 seconds remaining to be played in the game. There was no PAT, and the Owls held a 32-13 advantage.

The Owls kicked off and Castillo prevented a touchdown at the Silverton 10. Whitharral passed for a touchdown with 24.3 seconds remaining. There was no PAT due to defense by Nicholas Vargas and other Owls, and they narrowed the score to 32-19.

Whitharral kicked off once again, and Alvarez carried to midfield before the game ended.

The Owls will host the Lazbuddie Longhorns this afternoon (Thursday) at 5:00 p.m.

## School to Turn Box Tops Into Extra Bucks

To help raise money for their school, students in Silverton Elementary School are participating in a unique program from General Mills, maker of popular cereals like Cheerios and Wheaties, called Big G Box Tops for Education.

The school will receive 15c for every qualifying General Mills cereal box top collected between now and March 31, 1997. A qualifying box top is the top flap of any General Mills cereal box that has the 1996/1997 "Big G Box Tops for Education" symbol.

Students are excited about the program and have set a goal of

300 box tops. They are collecting box tops from many Big G cereals.

Principal Sheryl Weaver says, "This is an opportunity for parents, teachers, students, and even senior citizens to join together to raise money for the elementary programs. It only takes a couple of seconds and the kids will really benefit." She added, "All you have to do is look for the Box Tops logo, cut out the entire top of the box and send it to the school. It's that easy."

The students encourage families and friends to pitch-in and collect box tops for the good

### BRISCOE COUNTY NEWS

of the school. Anyone interested in donating box tops can send them to school with any elementary student.

This program is open to all accredited K-6 public, private, parochial and military schools in the United States.

Eligible cereals that families should look for include the many varieties of Cheerios, Wheaties, Total, Kix and Oatmeal Crisp cereals as well as Basic 4, Lucky Charms, Trix, Clusters, Fiber One, Golden Grahams, Count Chocula, Frosted Cheerios, Multi-Grain Cheerios, Raisin Nut Bran and selected others.

### Weatherization Can Make Home Comfortable

The Texas Department of

Housing and Community Affairs provides services to make homes warmer in the winter and cooler in the summer through the Weatherization Assistance Program of Panhandle Community Services. Other grants are leveraged with these funds and could assist in repairs such as caulking, weather stripping, insulation, repairing/replacing doors/windows, plumbing, roofing, etc.

These weatherization services are for low-income families. Each eligible applicant's house is assessed on a prioritized basis for allowable repairs.

For the Week Ending Sept. 24

A decline in domestic mill use barely caused a ripple in the market as it ended mostly higher this week, fueled by a combination of inopportune weather events and world-wide production worries.

The cotton market appeared to be virtually unaffected by USDA's latest consumption report which revealed a second consecutive month-to-month decline in domestic mill use. Despite a slight decrease, the August report was considered by some analysts to be neutral. In fact, one market observer said the report was almost a non-event as lower domestic mill use figures were expected.

According to the National Cotton Council (NCC), U. S. textile mills in August used cotton on a seasonally adjusted annualized rate of 10.7 million bales. Slower business for mills and lower retail sales were cited for the decline. Although the August number is substantially lower when compared to the revised July figure of 10.8 million bales and May's 11.1 million bale rate, it is still slightly higher than the 10.6 million bales used by U. S. mills in August of last year.

Cotton futures rose early this week on an estimate made by a major cotton marketing firm. The firm pegged U. S. cotton production at 17.1 million bales, considerably lower than USDA's most recent production figure of 17.9 million bales. The reduction was attributed to losses caused by Hurricane Fran in the Carolinas and delayed crop maturation in West Texas. Despite the market's reaction to the company's estimate, many analysts disagree with the number. In fact, some in the industry feel the crop is coming off better than expected.

At the same time, market attention was drawn to West Texas once again as observers watch closely for weather developments, particularly low night-time temperatures, at a time when warm weather is needed for proper crop maturation.

"A few nights with temperatures around 64 degrees are not bad," said James Leser, a Texas agricultural extension entomologist based in Lubbock. "That temperature would run about 15 heat units, which is enough to keep the cotton crop from shutting down." Below-normal heat unit accumulation is the most serious obstacle the cotton crop faces at this time of the year. However, cotton market observers will be on the lookout for other threats, including prolonged wet, cloudy weather and an early freeze.

# NOTICE NOTICE NOTICE

Jack Strange and Kyle Smith are happy to announce that effective October 1, 1996, Goen & Goen Insurance of Floydada will purchase the William J. Strange Agency.

Goen & Goen represents all of the Companies that the Strange Agency represented, as well as other Companies that offer a wider range of business than previously available (wood shingle roof houses, unsupported tenant dwellings, lower value dwellings, and hard-to-place commercial lines among others).

Goen & Goen will make the transition as easy as possible for you. If you have questions, please contact Kyle Smith, Pam Bennett, or Elaine LaBaume (formerly of Silverton) at 1-800-288-2865 or David Tipton at 823-2426.

Jack Strange wishes to thank all of his clients for their past business and hopes they will continue to be clients for Goen & Goen.

# IS THE GRASS REALLY GREENER ON THE OTHER SIDE?

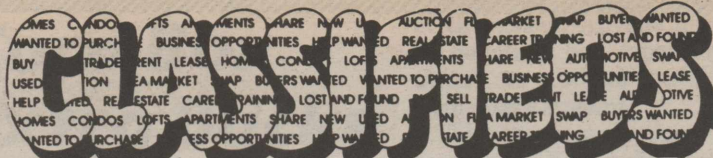

We went to dinner with some friends a few nights ago and after we all had ordered and were served, one of the members in our party remarked that maybe he should have ordered the same meal as one of the other guests because it looked better than his. Whether it's the dinner, the neighbor's grass, or your friend's car, we should try to be content with what the good Lord has blessed us with. It is perfectly natural to admire someone else's possessions or attributes and a sincere compliment to them is a nice gesture; however, there is a great difference between admiration and jealous coveting. Covetousness is a deep desire to have something that belongs to someone else, and it is a sin against God. Every day we can read in the newspaper of crimes committed by people cheating and stealing from others. We should pray for God's grace to help us realize how green our grass truly is.

Thou shalt not covet thy neighbour's house,  
thou shalt not covet thy neighbour's wife. ...  
nor anything that is thy neighbour's.

KJV Exodus 20:17
