

1985 Proposed Budget Reviewed

Commissioners May Hike Taxes To Satisfy 1985 Budget

Fisher County Commissioners got their first look at the proposed budget for fiscal year 1985 last Monday morning and from first reactions it appears that commissioners will have a struggle in trying to make ends meet financially next year.

Fisher County is faced with an oil valuation loss of approximately 30 million dollars which at the 1983 tax rate of .30 cents per

\$100 valuation converts to \$90,000 in lost spendable dollars.

This \$90,000 loss converts to an approximate 9% loss in total 1983 revenues received of \$837,379.39. Commissioners are contemplating raising the .30 cent per \$100 valuation tax computation base to .31 cents and hopefully generating an additional \$30,000 in order

to satisfy the projected 1985 budget of \$882,673.86.

Fisher County Judge Marshal Bennett, in discussing the first draft of the budget with commissioners, said the first draft of the budget kept everything (total expenditures for all departments) pretty close to what it was last year. He said no salary raises were figured in the first draft but that salary

adjustments may be looked at in 6 months.

Bennett assured commissioners that the county could live with the proposed 1984 and .1 cent hike from .30 cents per \$100 valuation to .31 cents per \$100 valuation. The hike will bring an additional \$30,000 into the county treasury. He said he didn't feel the budget could be cut enough to

make-up the \$90,000 loss in revenue expected from declining oil valuations.

Commissioner Jay Hendon was verbal in criticizing the first draft indicating that the county may need to eliminate paid trips for county employees to attend schools and seminars and picked apart the Sheriff's budget indicating his disapproval in particular of a \$12,000 new automobile for Sheriff Counts'

department.

The actual 1983 county budget was \$837,379.39. The actual first-half 1984 budget (Jan. 1 to June 30) amounted to \$429,879.04 and the proposed 1984 budget is \$882,673.86 according to figures on the first draft presented last Monday.

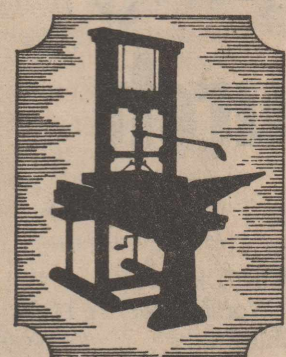

Commissioners are expected to study the first draft proposal and will no doubt spend several hours

adjusting proposed budget entries before the final 1984 budget is passed and approved.

In other items discussed last Monday by commissioners, Joe Dickson, Fisher County Juvenile Officer, requested that Fisher County enter into an agreement with the Criminal Justice Department to provide a juvenile community work program. This was approved after a

motion by Commissioner Jimmy Wright and second by W.A. Cross.

The only other item discussed Monday was the hospitalization program review. No action was taken since commissioners are to meet again on Wednesday to further study proposed hospitalization plans.

Rotan School Board Members Hire Girl's Basketball Coach, May Move 5th Grade

Rotan School Board members hired a girl's Head Basketball Coach, special education teacher and accepted a bid on the sale of school owned lots at their board meeting last Monday night.

Board members voted unanimously to hire Gregory Gillis to serve as girls basketball coach. Board members present at this meeting were Leo Long, James Carter, Donald Gruben, Pete Fowler. Coach Gillis is a graduate of Angelo State University, and has taught history and basketball at Glenn Jr. High in San Angelo for the past three

years. The board hired Donna Moffat to serve as a special education teacher.

Board members accepted a bid from Renda Alls for \$1,300 on lots 1 & 2 on block 249. The bid that Alls submitted was the only one and met the minimum bid requirements set by the board. The board entered into executive session at 7:40 to discuss personnel and reconvened at 8:00, there was no action taken by the board after the executive session.

Superintendent Jerry Dickson brought before the board for discussion the possibility of restrict-

ing the 5th grade class to one room teaching as in elementary school. According to Dickson most schools in the area use the one room practice. Dickson wanted to know how the Board members felt and asked that Principals Marshall Hill and Donald Bryan express their opinions. As for space, according to Hill and Bryan there would not be a problem with confining the 5th grade to a single class room in either the Elementary or Junior High buildings.

Board members opinions seemed to be split on the change although most said

that they are speaking strictly for themselves due to the fact that they had

not been addressed by the public on the change. Hill continued to page 2

Roby School Hires Audit Firm

Members of the Roby School Board met last Monday night and approved the hiring of an accounting firm for the 1983 audit; approved the 1984-85 lunchroom milk supplier and hired bus drivers and lunchroom personnel for the coming school year. The auditing firm of Davis Kinard & Co. of Sweetwater was approved to perform the 1983-84 school audit, according to Superintendent Jimmie Laurie.

Preston Milk Company was the successful bidder to supply milk to the school cafeteria for the 1984-85 year. Board members re-hired the bus drivers-they include: Edith Langford, Frances Morgan, Norma

Lou Parks, Alvin Seaton and Ricky Williams (1/2 time).

Roby School Board members also approved the hiring of lunchroom personnel for the coming year. They include: Edith Langford, Manager; Mae DeLosSantos, Zelma Mauldin and Minnie Rivas. The board discussed HB72 and the impact it would have on Roby High School, talked about HB246 dealing with course studies in an attempt to measure the impact on the local school and in final action agreed to hold the August school board meeting on August 20th instead of the regular time of August 13th because of the pending audit report.

Rotan Loses Opening Game Of Tournament

The Rotan Little League All-Star squad suffered an opening game tournament shut-out at the hands of Snyder last Monday night. Rotan was blanked 10-0 by the Snyder All-Stars.

The Snyder All-Stars scored a total of 6 runs in the bottom of the 4th inning. Winning Snyder pitcher Tommy Lane gave up only 3 hits. He pitched the full 6 innings for Snyder. Lane was credited with 7 strike-outs and 3 walks.

Teammate Randy Morris was 1 for 1 at the plate and had 2 RBI's to help both Lane and Snyder savor the win.

Rotan's Herman Zavala and Junior DeLosSantos each had singles in the game and Brandon Alls was credited with a double to account for all the Rotan hits.

In the other game played last Monday night Hamlin defeated Stonewall-Kent by the score of 13-6 with P.D. White the winning pitcher coming into the

game in relief and finishing out the final 4 innings. White helped the Hamlin cause by going 3 for 5 at the plate and getting credit for 2 runs-batted-in.

Phil Ponder and Mike Ford were both 2-4 at the plate with 2 RBI's each. Hamlin scored 8 runs in the 4th inning after falling behind to Stonewall-Kent 5-4 at the start of the 4th inning.

Bubba Edwards was 1-2 with 1 RBI and Jason Dunham was 1-3 with 2 RBI's for the losing Stonewall-Kent All-Stars.

Hamlin and Snyder played Tuesday night with Rotan and Stonewall-Kent opening the 2nd round of tournament play with the 6:00 p.m. game.

The loser of the Hamlin-Snyder game plays the winner of the Rotan-Stonewall-Kent contest on Thursday at 8:00 p.m.

The winner of the above contest plays the winner of the Hamlin-Snyder game on Friday night.

Winners Named In 4-H County Fashion Show

The Annual Fisher County 4-H Fashion Show was Thursday, July 5 in the Community Center in Rotan, according to Alice Ballenger, County Extension Agent.

Winners in the Senior Division and the categories they are in include:

Appraisal Board Hearings Set

According to Ginger Green, Chief Appraiser for the Fisher County Appraisal District, Appraisal Review Board hearings have been scheduled for July 18th, 19th and 20th, 1984 at 10:00 a.m. in the Commissioner's Couthroom, Fisher County Courthouse, Roby, Texas.

Taxpayers who wish to protest their 1984 appraised values, should contact the Fisher County Appraisal District at 776-2733 before the July 18th deadline.

Non-tailored Day Wear, Michelle Burk; Tailored Daywear, Evette Gruben; Sportswear, Mary Lee Hicks, Evening and Specialty Wear, Charla Wiley.

Other winners included: Intermediates Carye Gruben; Juniors, Jessica Moore.

These six 4-H'ers will participate in District 3 4-H Fashion Show in Paducah July 24.

Cotton Award Winners were Evette Gruben, Jan Posey and Jessica Moore. The Cotton Awards sponsored by Farmers Gin in Rotan, Farmers Union Co-op Gin in Roby and Terry's Inc. in Roby are presented to the high scoring garment made of 50% cotton or more.

Other Fashion Show participants and ribbons won

were Jennifer Kincaid, blue; Audra Lewis, blue; Lori Garcia, blue; Cecilia Hernandez, blue; Denise Weise, blue.

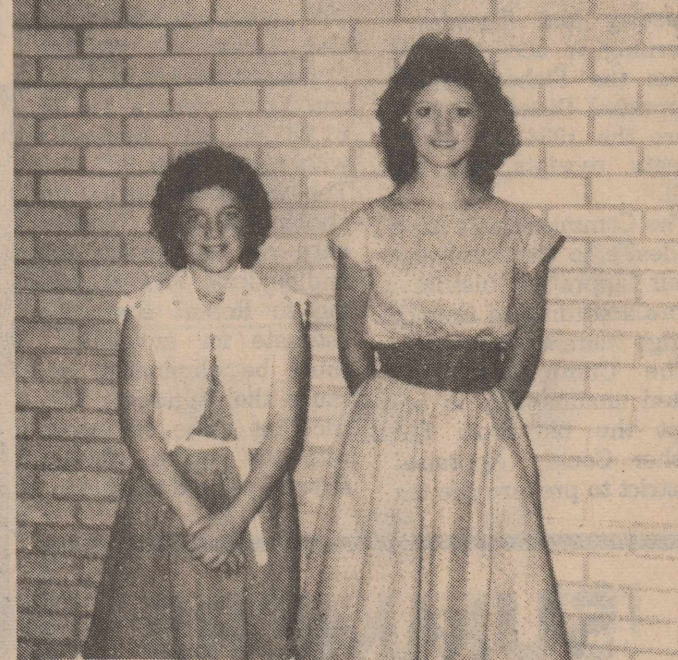

Fisher County Extension Homemakers presented each participant sash in the form of strawberry's. Mrs. Bill Hardy, Council Chairman made the presentations.

High point awards to the six top scoring 4-H members were donated by H.L. Davis & Co. in Rotan; Roby Flower and Gift; Wiley Insurance Agency in Roby; Mrs. Leland Hicks, Roby; D & J Farms in Rotan and Delta Commodity in Rotan.

The Rural Wren's Extension Homemakers Club prepared a salad luncheon for participants, judges and guests.

FIRST PLACE WINNERS: The above 4 girls won First Place at the County 4-H Fashion Show Senior Division. L to R: Charla Wiley, Mary Lee Hicks, Evette Gruben and Michelle Burk.

FIRST PLACE WINNERS: L to R: Jessica Moore, Junior Division and Carye Gruben, Intermediate Division were First Place Winners at the County 4-H Fashion Show.

COTTON WINNERS: The above 3 girls were Cotton Winners at the County 4-H Fashion Show. L to R: Jessica Moore, Jan Posey and Evette Gruben.

Kiker Attends Auction School

Alan E. Kiker, Rotan, Texas, son of Mr. and Mrs. E.J. Kiker, has just returned from Kansas City, Missouri, where he successfully completed the course in Auctioneering and Auction Sales Management at Missouri Auction School.

He received his diploma and the honorary title of Colonel along with men and women auctioneers

from throughout the United States, Canada, Australia and South Africa.

The concentrated two week course was held at the world's largest auctioneer training center in the Kansas City Stockyards. His training included lectures and workshops featuring prominent auctioneers from throughout America.

He participated in selling

numerous public auctions in Kansas City and nearby communities in Missouri and Kansas.

Subjects covered included antique auctions, livestock, furniture, business liquidations, real estate, rare coin, auto, machinery, general merchandise, all types of estate auctions, and the rapid fire chant of the tobacco auctioneer.

FINISHES SCHOOL: Alan Kiker, son of Mr. and Mrs. E.J. Kiker, completed a course in auctioneering at Missouri Auction School recently.

New Procedures Implemented On Traffic Violators

According to G.J. Matthews, Captain, Texas Highway Patrol, The Texas Department of Public Safety has implemented a new procedure for arresting persons who choose not to contact the courts on traffic citations.

The process involves a "Warrant Data Bank". Captain Matthews said, "Information of an outstanding traffic warrant

is entered into a computer in Austin and when that person comes in contact with a police officer again, a routine check will reveal a "wanted status." Many traffic warrants are being served when persons come in to renew their drivers license," Matthews said.

This procedure is proving much more successful

than the old method of having an officer attempt to manually locate an individual who fails to respond to a traffic citation. "with this new process, we wait until we routinely come in contact with them such as a traffic stop or drivers license renewal.

The DPS began entering warrants into the compu-

ter last September. For the period, January through May of this year, 2132 warrants have been added to the list from the Abilene communication facility. More than 990 warrants have been served during this same period. At present, there are more than 2100 active warrants on file at the Abilene

facility.

Captain Matthews stated, "It is just routine to

check on all persons with whom out troopers come in contact with. It is to the

violators advantage to respond to a citation by contacting the court to answer the charge." Persons who ignore the ticket normally have a separate charge of failure to appear filed against them. "It might be a very inconvenient time for the individual,

but the warrants will be served," Matthews said. Persons desiring to determine if they have an outstanding DPS warrant should inquire in person at the DPS office since this information will not be released over the telephone.

Letters to the Editor

To Whom It May Concern, My husband and I were flying our plane over your town a few weeks ago and we ran into some bad weather, so we had to land at your airport. It was the best thing we could do.

Because we met some beautiful people in the town of Fisher County. We met two nice men at the airport and at the restaurant, also the motel and the druggist.

I just wanted to tell each and every one of you folks Thank You and tell everyone else what a great town

you have and how good everyone is. It's great to know there still is some good people yet in this world. Could you please put a thank you in your newspaper, so that all these people who were so good to us will know how much we appreciated their help because we didn't get to know their names.

Thank you, every one of you and God Bless each one of you.

In Jesus Name
Mr. & Mrs. Thomas Mendenhall

Rotan Nursing Center

We had a good 4th of July. We started our evening with watermelon on the front porch. It turned into a water fight. Somebody with the initials of K.A. started the water battle by spurring J.Z. and some others, it ended up with K.A. getting soaked after work by J.Z. Everyone had a lot of fun and a little water didn't even stop some residents from eating watermelon.

T.J. Slusher won the seed spitting contest. I don't know who ate the most hot dogs but there were a lot that went somewhere. Ernest put away about 5 cups of homemade ice cream. Everyone enjoyed the fireworks display and we would like to thank Laurence and Gary Dickson and their families for doing the fireworks display for us. We enjoyed the visitors that came by for the 4th.

We are making plans for our community and family council covered dish luncheon on the 18th of July at 12 o'clock noon, so mark that date on your calendar, bring your covered dish and come join us.

Visiting in the home lately were Austin and Empress Bagwell and Jamie Bagwell of San Antonio and Lori Bagwell of Abilene. Gaines Smith's sister, Vida Alsobrook of Loraine was here to visit with him.

Visiting Romie Kersh was Mr. and Mrs. Grover French and son of Tyler. Inez Purser was here to visit her mother Maude Gruben. Maurine Mitchell's granddaughter and her new husband, Mr. and Mrs. Paul Elam was here from Seminole. Emily Garrett had company this week, she had two nieces to visit her. Alta Nores from Lamesa and Marie Lewis from Decator. Maxine Warner was here to visit Helen Warner this week and told her that her brother-in-law, Dwain Cunningham, had passed away. We wish to express our sympathy to Helen and her family.

Lora Cleveland

Rotan I.S.D. To Participate In 11th Annual National Summer Institute

One school Administrator from Rotan I.S.D. will be among the 500 participants in NOVA University's 11th annual National Summer Institute July 22-28 in San Antonio, Texas. Participating Administrators will be: Donald E. Bryan, Elementary Principal, Rotan I.S.D.

The Institute entitled "Education USA" will focus on resources for improving education. Sessions in the Institute will include indepth studies of 20 recent reports on the nation's schools, field visits to educational institutions and foundations in the San Antonio area, discussion of films relating the specific roles of education to the development of a growing city and talks by leading educators in the nation. Participants will meet regularly in small-group national clusters to react, discuss, evaluate

well as mastery of eight and pose problems.

NOVA University, based in Fort Lauderdale, Florida offers an Educational Doctorate program which, reequires attendance at two summer institutes as: educational leadership

study areas. Educational leaders participating in the Educational Doctorate program are required during their three to four years of study to develop, implement and evaluate three major proposals for improving education in their local settings.

Chris Ivey Visits Soap Opera Stars

Chris Ivey recently visited her penpal, Linda Dennison, in Calif. While there Chris was honored to be escorted by Josh Taylor (Chris Kositchek) from "Days of Our Lives" to sit in and watch a dress rehearsal. She met Don Craig, Dr. Neil Curtis, Pete Jennings, and Tass Jennings. She was on the set from 12:30-3:30 P.M.

"Red Desert Penitentiary" Filmed In Sweetwater

Cameras began rolling last Friday in Sweetwater (actually 27 miles south at the Getty Oil lease near Maryneal) on a feature film entitled "Red Desert Penitentiary" and from preliminary indications, Fisher County residents should follow the production since no less than four local residents have direct ties with the production of the movie.

Filmmaker George Sluizer, director of the feature film "Red Desert Penitentiary" is producing the film based on a story of the same name written by Tim Krabbe. One unique as-

pect of the production between Sluizer's MGS Films of Amsterdam, and the citizens of Sweetwater, acting through their Auditorium Board.

The Dutch company, which produces dramatic features as well as documentaries has provided a director, small crew, equipment and script. Sweetwater, for its part, is furnishing actors and actresses from the Sweetwater Little Theatre and putting up an assortment of services which range from hairdressing and catering through costume making, electrical work, accommodations, and transportation.

Director George Sluizer, in an interview with local media at the site last Friday, said "the reason we're here is plain and simple it's Tom Henderson." Henderson and Sluizer gave birth to an unusual friendship several years ago when Sluizer produced a documentary on the Sweetwater Rattlesnake Round-Up. This friendship grew, dreams were traded and Henderson made the comment "wouldn't it be great if we could make a film in Sweetwater with the money going to restore, maintain and preserve the Sweetwater Auditorium, home of the Sweetwater Little Theatre productions."

The friendship between Henderson and Sluizer grew and because of that association Sweetwater is the base for the production of a full length film and four Fisher County people are to play important roles in the production of the film.

Bertha Warren of Rotan, a member of the Sweetwa-

ter Little Theatre, is the assistant local producer for "Red Desert Penitentiary". She has an active part in the production of the film and hosted area media representatives for the press interviews last Friday.

Kathy (King) Terry formerly of Roby and daughter of Mr. and Mrs. Cecil King, an employee of "Cut-Above" hair salon in Sweetwater has been selected to fill the roll of hairstylist for the actresses. She works closely with Catherine Bessell, New York actress and holder of the lead female roll and other actresses in creating unique hair designs of the various periods portrayed in the film.

The Family Of Allie Newhouse Holds Reunion

The family of the late Mrs. Allie Vera Newhouse, who lived in Fisher County during the 1920's and 1930's held a family reunion in Clarendon, Texas at the home of Bright and Cloe Ann Newhouse. The reunion was held on June 29th and 30th and was attended by 98 people.

The families of the five widowed daughter-in-laws and the two widowed daughters made up the group. There were four generations of Mrs. Willie McDonald Newhouse family at the reunion. States represented were: Oklahoma, Tenn., Arkansas, Illinois and Texas. Cities represented were: Houston, Dallas, Abilene, Snyder, Dumas, Dimmet, Amarillo, Temple, Honey Grove, Snyder and Austin.

Bob Terry of Roby, owner of Roby Aero, Inc., although not actually involved in production has supplied one of his classic automobiles to be used in the film. Terry has provided a black 1952 Chevrolet with red interior that will be the center focal point of numerous scenes in the film.

The final Fisher County tie with "Red Desert Penitentiary" is former Roby resident Charlotte Rainey, mother of John and Greg Moesch, now a resident of Snyder. She is to hold an acting position that features her as a barmaid in a saloon scene that is scheduled for shooting next week.

"Red Desert Penitentiary" tells the story of a Hollywood movie crew which is making a Western starring Dan McMan, often called the Gray Cowboy. McMan, hero and "loser" of a hundred other B-movies takes a dislike to the scriptwriter Chet Kofman who knows the lead actor's weaknesses only too well. The relationships within the crew are further complicated by the isolation of the desert location, a romantic triangle which develops with the leading lady at its apex, and the unexpected appearance of old Gagan, who wrote the original book from which the film takes its title.

Noting industry trends back to westerns "with a difference" Sluizer and Henderson are aiming for a winner at the box office. They are relying on a lively story, fresh performances by an unspoiled cast and the work of a top notch professional crew attracted from several countries

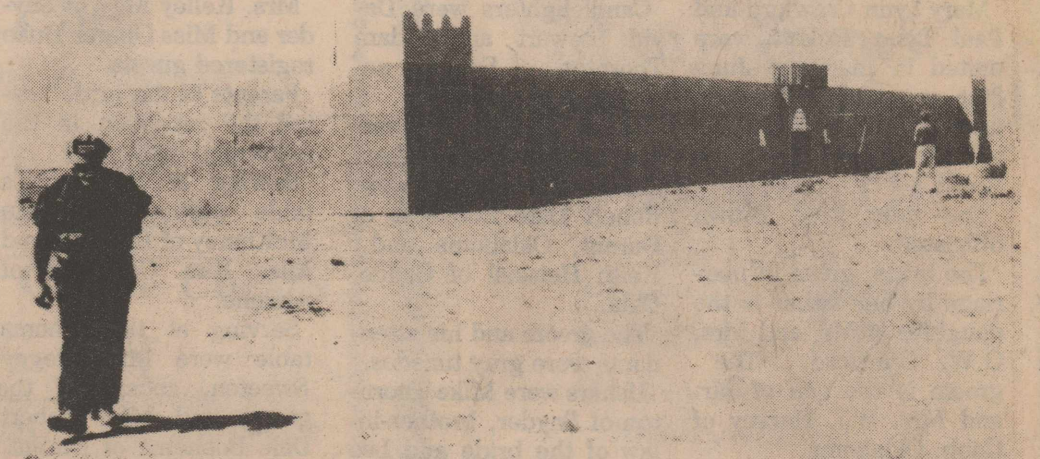

to work voluntarily on the project. European distribution arrangements are already under discussion and inquiries have begun

to come in from American releasing companies. Proceeds from the film will be used to refurbish a magnificent Sweetwater land-

mark, the Municipal Auditorium, whose design has, ironically enough, been described as "Hollywood Spanish".

MOVIE DIRECTOR: George Sluizer, director of the movie being shot in the Sweetwater area, "Red Desert Penitentiary" paused during a press briefing to explain the plot and leading characters to an area television station cameraman.

THE PENITENTIARY: The "Red Desert Penitentiary" erected some 27 miles outside Sweetwater is a gypsum board facade, painted to look stucco and is the center point of the movie.

Golden Haven Nursing Home

We want to welcome Alma Bailey and Addie Seibert to our home. Visiting Eva Chapman-Nanie Keating and Bertha Carlile of Sweetwater. Visiting Bill Allen-Norma Maberry and Jiggs Roberts of Sylvester. Visiting Alma Bailey and Addie Seibert-Brenda and Shandi Martin of Lamesa, Sonya and Mendi May, Melvin and Marie Matthies, Rotan Leverton all of Rotan, Phillip Matthies

Final Rites Conducted For V.M. Early

Mr. V.M. "Mutt" Early, 72, of Snyder, and former Sylvester resident, died at 9:50 A.M., Sunday at Methodist Hospital in Lubbock. Funeral services were 3 P.M. Tuesday, at First Baptist Church in Roby. Officiating was Rev. Ken Brannon, pastor of the First Baptist Church in Snyder. Burial was in the Roby cemetery under the direction of Weathersbee Funeral Home.

Mr. Early was born April 19, 1912 in Fisher County and was the son of the late Mr. and Mrs. Randolph Early. He farmed in the Sylvester area until his retirement. He and Addie Lucille Sluder were united in marriage January 12, 1931 in the Pledger Community of Fisher County. They moved to Snyder two years ago. He was a member of the First Baptist Church of Snyder.

He is preceded in death by a son, Freddie Dwain, in 1937; and 5 brothers and 2 sisters.

He is survived by his wife; two sons, Tommy and Bill, both of Snyder; two brothers, Leroy of Sweetwater and George of Perris, California; eight grandchildren and ten great grandchildren.

Card of Thanks

The family of Herman Foreman wishes to express their thanks and appreciation to the many friends who were so kind and helpful during his last illness and death. They want to thank all those who called, brought food, and were so thoughtful and supportive.

To all of you, this is a special heartfelt "thanks!"

What's 10 years old and has middle age spread?

Could be your roof.

Ten years is a long time for your roof. Past middle age when you realize a roof usually lasts about 15 years.

A roof check can tell if there are any loose or missing shingles, dried out caulking or rusted flashing. It could mean extra years of service for your roof.

Finding a potential leak before it starts could save you hundreds of dollars in repairs to your home.

Call us. We'll be glad to check your roof and make any needed repairs reasonably. When it's time for a new roof let us tell you why the best roof is your best buy.

Dry Planting Season And PIK-Reduced Acreage

Dry planting conditions early in the season failed to discourage Texas producers from increasing planted acres for most field crops to levels above last year's PIK-reduced acreage.

Texas Upland cotton acreage is expected to total 5.40 million acres, an increase of 35 percent from a year ago, according to figures released by the Texas Crop and Livestock Reporting Service.

Based on June 1 conditions, cotton planting is continuing across the High Plains, and the recent moisture should help growing conditions in many areas of the state.

Sorghum planted acreage for the state is projected at 4.10 million, 19 percent above last year's record low. Despite the increase, the 1984 corn acreage is expected to total 1.55 mil-

lion acres, up 35 percent from last year.

"Corn fields on the High Plains are making good progress following the recent showers," Findley explained, "but some fields in South Texas are in fair to poor condition, because the rain came too late to help the crop."

Texas wheat producers have planted 7.40 million acres for the 1984 harvest, down 5 percent from a year ago. Harvested acres, however, are up 11 percent to 5.10 million.

Statewide wheat harvest is ahead of schedule, because hot, dry weather during the spring caused the crop to mature earlier than normal.

Rice acreage along the Texas coast, at 420,000 acres, is 31 percent above last year, while peanut acreage increased 2 percent to 235,000. Texas soybean acreage is expected to total 450,000 acres, down 2 percent from a year ago.

Nationally, Upland cotton acreage is estimated at 11.25 million acres, up 43 percent from last year. Corn acreage, at 79.9 million, increased 33 percent from last year, when U.S. planted acres were the lowest on record.

U.S. sorghum acreage is up 38 percent from a year ago to 16.2 million, Findley noted.

Winter wheat acreage for harvest is expected to total 51.1 million acres, 7 percent above the last year.

Mrs. Paul Lynn Hokett

Mary Lynn Crawford & Paul Lynn Hokett Are United In Marriage

Mary Lynn Crawford and Paul Lynn Hokett were united in marriage June 30th at two o'clock in the afternoon in the First United Methodist Church of Rotan.

The Rev. Fred Brown officiated.

The bride, given in marriage by her father is the daughter of Mr. and Mrs. G.W. Crawford. The groom is the son of Mr. and Mrs. B.J. Harvey of Cobb, Oklahoma.

The bride's floor-length white satin and lace dress had a sweetheart neckline accented by white satin motifs that were trimmed with seed pearls. The chapel length train was trimmed with lace and seed pearls.

The tiered net veil was attached to a white lace caplet. The bride's bouquet was of white rose buds and tiny carnations.

For something old, the bride wore a wedding ring that had belonged to her great great grandmother, Mrs. G.L. Loper. She borrowed a white lace handkerchief from her Aunt, Mrs. Odell Crawford. It had belonged to her Grandmother, Mrs. J.I. Kersh.

The garter was blue and she had a penny in her shoe.

The bride's attendants were Mrs. Eddie Stewart and Mrs. Mike Thornton of Snyder, sisters of the bride and Mrs. Tim Seaton of Jayton. They wore floor length lilac dresses and carried long stemmed yellow roses.

Flower girl and ring bearer were Katie Thornton and Joshua Stewart of Snyder, niece and nephew of the bride.

Candlelighters were David Stewart and Adam Thornton, of Snyder, nephews of the bride.

Rickey Hokett of Sherman was his brother's best man. Groomsmen were Robert Dale Boeheme of Durant, Oklahoma and Keith Heiskell of Caddo, Okla.

The groom and his attendants wore gray tuxedos. Ushers were Mike Thornton of Snyder, brother-in-law of the bride and Lee Scott Smith.

Mrs. Bob Womack, organist, of Snyder played traditional wedding music. Walter Miers sang "I Can't Begin To Tell You", accompanied by the bride's Uncle, Odell Crawford of Odessa.

Mrs. Jerry Marshall sang "The Lord's Prayer."

Card of Thanks

I want to thank everyone for being so kind and considerate to my parents during the time my father was ill and at the time of his passing.

Every courtesy was extended us at the nursing home, hospital, and last week at the funeral services. Also, we appreciate the food brought to the house, those who came by to offer help, and the many condolences given.

I know my Dad had many friends in Rotan, and for this I am thankful.

May the Lord Bless you all.

Extension Homemakers

The Extension Homemakers Club met with Hazel Aldridge July 5.

Eda Bickerstaff presided. Oma Long led in recreation.

Hazel Aldridge called the roll.

Gaynell Henry reported on the council meeting July 3.

Our subject for the day was preparation for the county fair. Plans were

made for the fair.

Refreshments were served to Effie Murphree, Wanda Floyd, Lois Sparks, Mary Posey, Eda Bickerstaff, Oma Long, Beatrice Hargrove, Ardell Floyd, Gaynell Henry, Dollie Curry, Louada Posey, Hilda Rollins and our hostess, Hazel Aldridge. The next meeting will be with Lois Sparks.

Mr. and Mrs. Craig Driver of San Angelo are the proud parents of a son, Cody Allen, born June 25, 1984 at Angelo Community Hospital.

Grandparents are Mr. and Mrs. Jimmy Driver and Mr. and Mrs. Bill Hook both of Sweetwater.

Great grandparents are Mr. and Mrs. A.A. Polk of Rotan, Mr. and Mrs. Raymond Driver of Roby and Mr. and Mrs. Ed Hicks of Eldorado.

The groom graduated from Caddo High School, Caddo, Okla. and Merigold School of Aeronautics, Merigold, Mississippi.

After a wedding trip to Lubbock, the couple will live in Snyder where the groom is employed by Holcomb Well Service.

Hustling Around Hobbs

By Joy Walker

Well, it's still very dry and has it been hot here? Some days were over the 100 degree mark, and we are badly in need of some moisture, anything would help, but we would sure welcome 2 or 3 inches so that the tanks would get some water in them, and the pastures would green up. Think maybe it's too late now for the cotton.

Mrs. Bea Hardin went to Divide on Tuesday and visited with Mr. and Mrs. Joe Hardin and family. She stayed there for the 4th of July holiday, and they had lots of company and sure enjoyed the day. Mr. and Mrs. W.B. Hardin visited in Divide on the 4th and they all came back home together that night.

Don and Larry Phillips from Post spent the night on Friday with their grandmother, Mrs. Opal Phillips. On the 4th, Opal went to a supper at the home of Mr. and Mrs. C.J. Thornton. All the family were there to celebrate the 4th, and they also celebrated Janet Porter's birthday. She is the little daughter of Mr. and Mrs. Terry Porter. After supper

they watched a firework display.

Congratulations to Cindy Williams and John Hooser who are to be married Saturday, 28th July, at the United Methodist Church in Rotan. Cindy is the daughter of Mr. and Mrs. Dave Williams of our community.

Mrs. Eunice Arp from Roby spent all day Sunday visiting with the J.D. Kincaids. We were sure

pleased to have her visit us at church on Sunday.

Lealon Wilburn is still in the hospital at Sweetwater and all of the Wilburn family have been there visiting with him. We wish he would soon begin to feel some better.

Jim and I spent the 4th in Abilene, and there was sure a big crowd down there. Thursday I attended the Fisher County 4-H

Fashion Revue which was held at the Community Center in Rotan. Both of our granddaughters had made outfits and were in the Fashion Show. We all enjoyed the delicious salad lunch which was prepared by the Rural Wren's Extension Home Club. The dress revue was so good and all the girls are to be complimented on their sewing abilities.

Saturday I attended a bridal shower for Cindy Williams and John Hooser which was given at the home of Mrs. Joe Dickson in Rotan. Then I visited with Mr. and Mrs. Andrew Williams that evening; Andrew is in the Fisher County hospital and he isn't feeling too good. We hope that he will soon begin to feel very much better. I also visited with Randy Williams from Tyler who was there visiting his folks. Was sure good to see him again.

Well, not too much this week; everyone has been staying close to home in the cool.

See you next Thursday.

Changes Concerning SSI Checks

This is a special reminder to persons receiving supplemental security income (SSI) checks! A change in your monthly income or your address may affect the amount of your SSI check. These changes must be promptly reported to the Social Security office by telephone (698-1360) or in person at our office located at 142 S. Pioneer in Abilene.

Other events that must be reported include marriage, divorce, death and

changes in the number of people who live in your household. If you own checking or savings accounts and the balance added together exceeds \$1,500 (\$2,250 for a couple) on the first day of any month, you should report this immediately.

Prompt reporting of changes will help us pay you the correct amount of SSI and prevent underpayments or overpayments.

Failure to promptly report changes may result in a penalty deduction of \$25 from your next SSI check.

Fisher County Nursing Home

Another week has gone by and we have not got any rain.

We have two birthday's this week, Rector Brown on the 8th and Martin Warren on the 11th. Everyone wishes them a Happy Birthday.

Out of town visitors were Mr. and Mrs. Willis Ogden of Kosse; Paul Ogden, and Jennie Smith of Irving visiting Maebell Ogden. Neta Hendrix of Midland visited Martin Warren; Mollie Valverde and family of Mineral Wells visited Susie Soliz. Jim and Carolyn Hargrove of Austin have been visit-

ing John Cox. Addie Maberry of McCaulley and Dosa McCain of Sylvester visited Neda Kiser. Cora Roberts of Sylvester visited throughout the home. Bingo winner was Thadde Wilson.

We appreciate everyone who has come to visit, held a service, brought things, etc. The residents would like to see everyone's shiny faces.

We would like to welcome Mrs. Lonita Moore and also Mr. Bacilio Almanza to our home, they are new residents in our home.

"I was surprised how quick the variety was ready to graze."
 "In fact, some of my neighbors tried to rent my pasture when they saw how much better established it was than others all around us."
 Pioneer® variety 2157 gets off to a fast start, quickly establishing the kind of healthy, vigorous growing stand so necessary for good pasture. Its upright growth habit helps provide maximum available grazing.
 And because 2157 has proven to be such a good yielder, you can count on it to deliver top-quality wheat at season's end.
 If pasture is part of your wheat program, new 2157 should be, too.

New Wheat Variety 2157
 Superior Yield • Excellent Standability • Outstanding Grazing

"When I pulled my combine into the field, I knew for sure this wasn't an ordinary wheat crop."
 "That 2157 was standing out there good and straight. And when I moved down the rows, I could hear the cylinders running full."
 Farmers who've seen this impressive new high yielding variety like its standability and tolerance to dry growing periods and severe weather. It has excellent resistance to leaf rust, stem rust, fungal leaf blights, soil borne mosaic virus and the Hessian fly.
 In side-by-side comparisons, Pioneer® brand 2157 wheat has consistently out-yielded other popular varieties. And it has shown consistently high test weights.
