Sesame Field Day Scheduled At Muleshoe

MULESHOE, Sept. 10—Texas Sesame Growers, Inc., will hold its second annual Field Day and barbecue here September 17 for

the Sesame and grain farmers of the High Plains. Special guest for the program will be Dr. L. M. Pultz, Beltsville, Md., Chief of the Oilseed and Industrial Crops Research Branch of the US Department of Agriculture.

The Field Day will begin at 10 AM with an inspection of USDA's Regional Sesame yield tests which are being conducted here in cooperation with the Sesame production and marketing organization. Farmers attending the Field Day and barbecue will see results as USDA's comparative yield tests with Sesame, as well as fertilizer, row and plant spacing and other tests with more than 200 individual strains of Sesame.

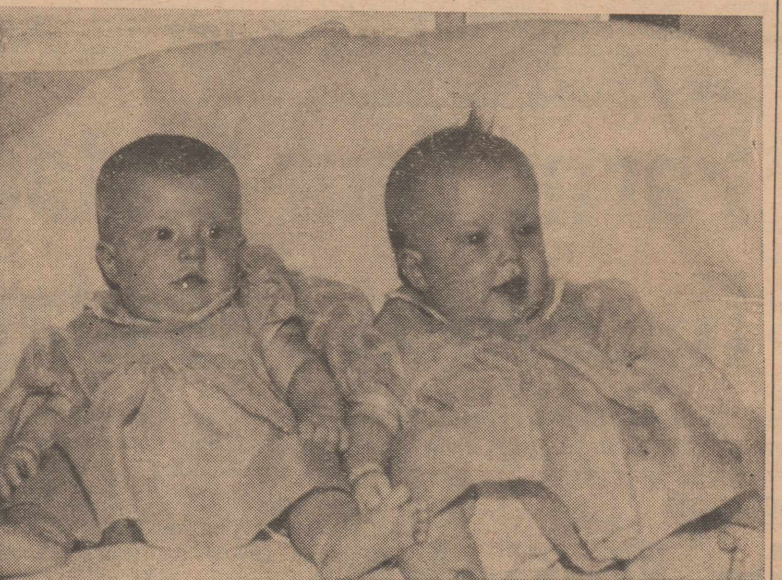

Texas Sesame Growers, Inc., Sesame and grain handling and storage facilities will also be open for inspection to show expansion and progress made within the last year, Robert L. Parker, executive vice-president, announced. More than 85 percent of the nation's commercial Sesame is produced in the irrigated areas of the Panhandle, and a large portion of the crop is processed through the facilities here at Muleshoe. The organization's grain elevator and grain storage warehouses provide an additional service to the farmers of the area. A barbecue luncheon will be served to Field Day guests at noon at the plant.

Vega, Texas, Man Reports— 42-bushel Average on 165 Acres of Wheat

Kenneth Robinson, successful young West Texas farmer, says: "I have been using Phillips 66 Ammonia for three years on wheat, and for that period my average is 42 bushels per acre. I've watched these yields carefully, checking each year's yield against the amount of ammonia applied. I'm raising my rate of application from 65 pounds to 100 pounds of Phillips 66 Ammonia on my wheat, in order to further increase my yields. "My grain sorghum has responded profitably to Phillips 66 Ammonia, too. Last year, my yield average was 4,800 pounds per acre, with one field running 6,000 pounds."

Others successful Southwestern farmers have discovered that they make more profit per acre, using Phillips 66 Ammonia. They get more cotton that classes higher at the gin . . . yields of sorghum grain or ensilage are increased . . . profits on wheat and small grains are increased through higher grain yields and improved forage . . . more marketable vegetables are harvested. Phillips 66 Ammonia can be easily applied either by you or your distributor. See us today about Phillips 66 Agricultural Ammonia . . . it gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

Prayer Pals Of Class To Be Revealed Soon

Members of the Esther Sunday School Class of the First Baptist Church will serve lunch Monday at the church. Guests are to be their families and the song leader and pastor for the revival.

The members of the class met Tuesday night at the church for a social. Mrs. George Bohner led the opening prayer, and Mrs. Bob Worley led the group in singing. A devotional on prayer was given by Mrs. L. B. Cowart.

Plans were made by the ladies to reveal prayer pals by cards. A round-table discussion was held during the refreshment hour. Muffins topped with whipped cream were served by Mrs. Roy

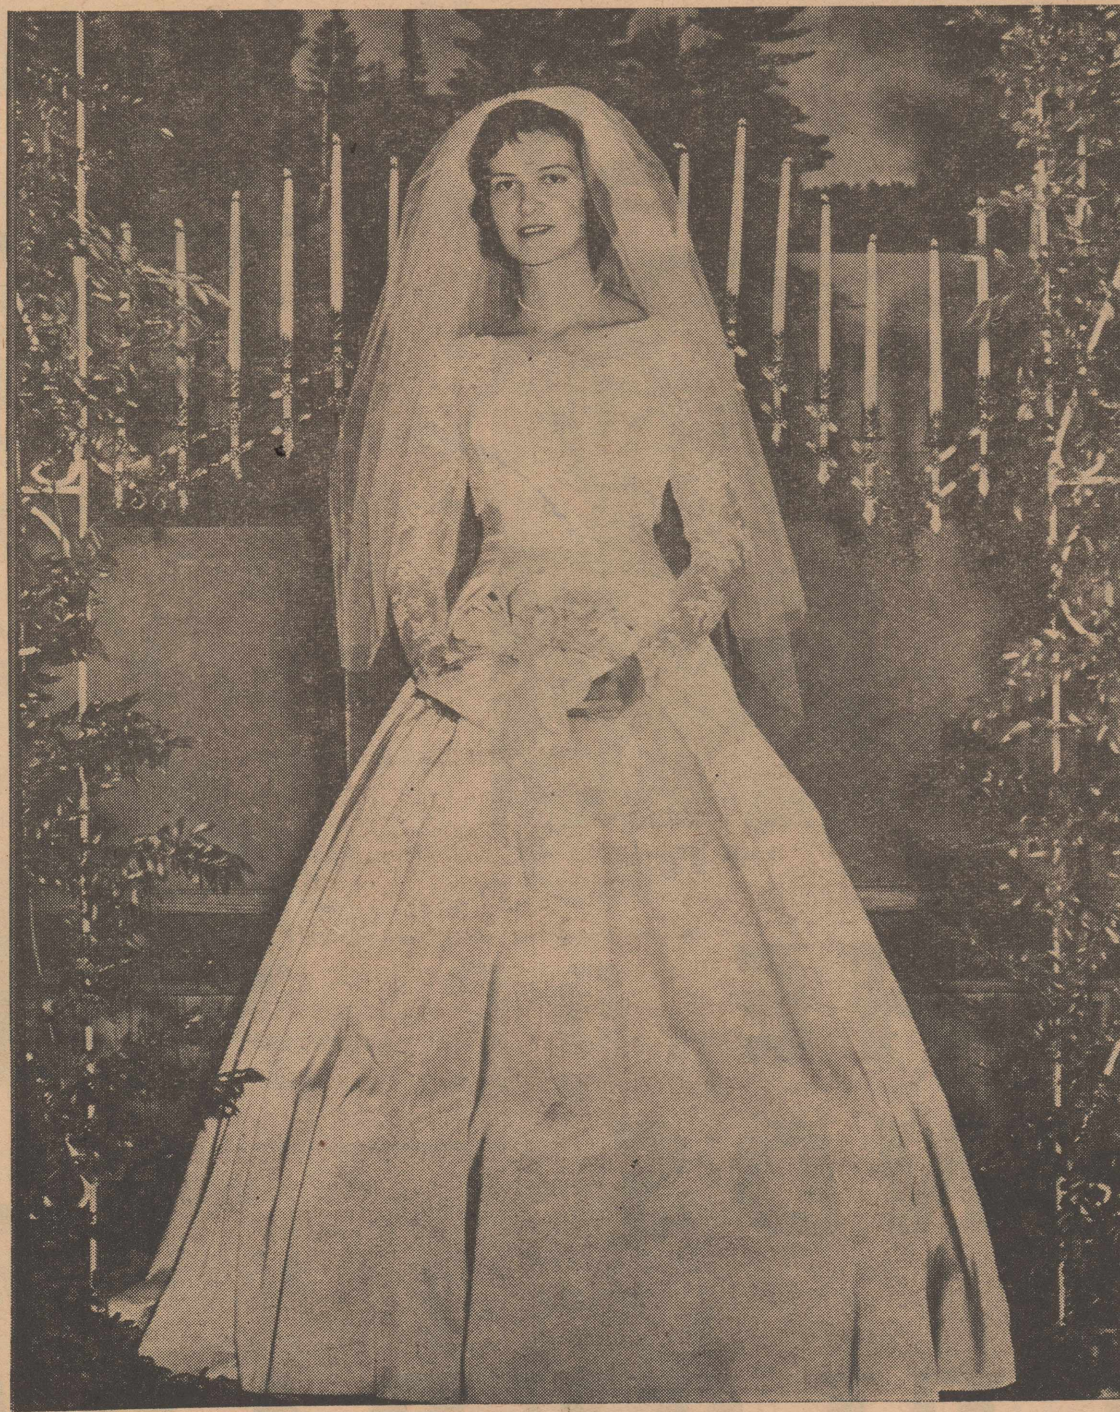

Roberts, Mrs. R. A. Burgess and Mrs. R. G. DeBerry. Present for the social were Mesdames D. C. Eby, J. B. Kemp, R. W. Malone, D. W. Pinson, Tom Smith, W. E. Smith, Jr., and those named.

Young Ladies Bible Class To Meet Mon.

Young Ladies Bible Class of the Main Street Church of Christ will resume meetings Monday.

Mrs. D. M. Granbery, teacher, will lead the lesson on the "Christian Home."

The class is to meet at the church at 2:30 P.M.

Mrs. Terry Don Allen

Miss Cobb, Terry Don Allen Say Nuptial Vows In Athens, Ala., Church Of Christ

Miss Joe Ann Cobb, daughter of Mr. and Mrs. Robert Cobb, Athens, Ala., and Mr. Terry Don Allen, son of Mr. and Mrs. Sidney Allen, Olton, were married in a double ring ceremony Aug. 27. Mr. Burl Grubb read the ceremony in the Northside Church of Christ in Athens, Ala.

Vows were repeated as the couple stood beneath an arch entwined with huckleberry greenery. Baskets of white gladioli flanked the arch. Seven candelabra completed the nuptial scene.

The musical program was presented by Miss Sue Cobb, soloist, and Misses Judy Rollings and Gwen Creel, and Mr. Bobby Williams, and Mr. Gerald Robison.

Given By Father
Given in marriage by her father, the bride wore a floor-length gown of slipper satin and Chantilly lace. Fashioned by the bride's mother, the gown featured a princess bodice, accented with the full-length lace sleeves which terminated in points over the wrists. The dress was styled with a scalloped neckline.

The veil of illusion was held by a headpiece of lace and satin. The bride wore a single strand of pearls. The bridal bouquet of a white orchid was carried atop a white satin Bible. Stephanotis and feathered carnations completed the creation. Honor attendant for the bride was her sister, Miss Sue Cobb, Athens, Ala. Bridesmaids were Miss Linda Cobb, sister of the bride, of Athens, Ala., and Mrs. Morris Reagin, Decatur, Ala. The attendants wore identically fashioned dresses of pastel pink satin and taffeta. Bouffant skirts and scooped necklines were features of the dresses. Each attendant wore a headpiece of pink velveteen with very short pink veils. The attendants' bouquets were of white carnations.

Sidney Allen attended his son as best man. Ushers were Robert L. Cobb, Huntsville, Ala., and Charles L. Cobb, Houston, both brothers of the bride. Candles were lighted by Bobby Allen, Olton, brother of the groom, and Johnny Cobb, brother of the bride, Athens, Ala. Miss Robin Cobb, niece of the bride of Huntsville, Ala., was flower girl, and Craig Cobb, nephew of the bride of Houston, was ring bearer.

Both mothers of the couple wore white orchid corsages. Mrs. Cobb's dress was of pale blue lace over blue shantung. She wore matching accessories. The dress of Mrs. Allen's was of light blue lace over taffeta, worn with matching accessories.

Reception At Church
A pink and white motif was used in the serving table for the reception which was held at the church. The feminine attendants' bouquets were featured on the table.

Mrs. James Cobb, Mrs. Bob Cobb, Jr., Mrs. Luther Cobb, and Mrs. Charles Cobb presided at the bridal table. Those assisting with the reception were Mrs. Margaret Blankenship, and Misses Janet Flemin and Wanda Hodges.

For the wedding trip to points in Florida, Mrs. Allen wore a dress of pink cotton and silk cupini, fashioned along sheath lines. Her accessories were of white, except for a pink feathered hat.

Both Mr. and Mrs. Allen are graduates of Lubbock Christian College. She is also a graduate of Athens Bible School. He was

graduated from OHS, and is now attending Texas Tech, Lubbock. The couple are at home at 2321 14th, Lubbock.

Out-of-town guests at the wedding were Mr. and Mrs. Sidney Allen and Bobby, Olton; Mr. and Mrs. L. J. Cobb, Paducah, Ky.; Mr. and Mrs. James Cobb, Lubbock; and Mr. and Mrs. C. L. Cobb, Houston.

Methodist Women To Have Study Group

A group of women met Tuesday afternoon at the First Methodist Church to organize a study circle.

Named president of the circle was Mrs. Jeff Smart. Other officers are Mrs. Bob Coen, secretary and treasurer; and Mrs. Don Spain, study chairman.

The women plan to meet the second and fourth Tuesdays of each month. Meeting time and place are 3:00 P.M. at the Methodist Church, respectively. A nursery will be provided. "Christian Family Living" is the title of the study scheduled to begin at the first meeting, Sept. 22.

Present were those named and Mesdames Earl McClain, Dwayne Wilks, A. J. Spain, Allen Johnston, Clifford Carlisle and Garland DePrang. Nursery keepers were Mrs. Dick Cade and Miss Willena Gordon.

Classroom Teachers Have Meeting Mon

Members of the Classroom Teachers Association voted Monday to sponsor a Science Fair sometime this year.

The action was taken as the organization met in the Home Economics Cottage for the first meeting of the year.

Misses Johnny Beth Crawford and Koenia Schenck entertained the group with a song. Miss Terry Gail Hooper gave a reading.

A get-acquainted party was led by Mrs. Jim Williams, program chairman. Soft drinks and cookies were served to over 30 teachers.

President's Tea Is Given Tuesday For Mrs. Andy Stroebel

Mrs. Andy Stroebel was named honoree at the 1956 Bykota Study Club President's Tea Tuesday night.

The tea was held in the Fellowship Hall of the Methodist Church. Guests were greeted by Mrs. Basil Johns.

Miss Koenia Schenck sang "The Lord's Prayer," accompanied by Miss Wyona Cox. A reading was given by Miss Terry Gail Hooper.

Special guests were the members of the New Century Study Club, and their president, Mrs. Frank Struve.

Mrs. Don Waldrup and Mrs. Edd Lynn Burrus served from a table laid with a white lace cloth over damask. Bronze chrysanthemums and tapers decorated the table. Silver coffee service was used.

Approximately 20 women attended the affair.

Hostesses were Mesdames Billy Smith, Max Malone, Joe Hall, Basil Johns, James Martin, Edd Lynn Burrus and Don Waldrup.

Recent Bride To Be Honored At Shower

Mrs. Coy Carlisle, nee Glenda Hall, will be the honoree Saturday afternoon at a kitchen shower.

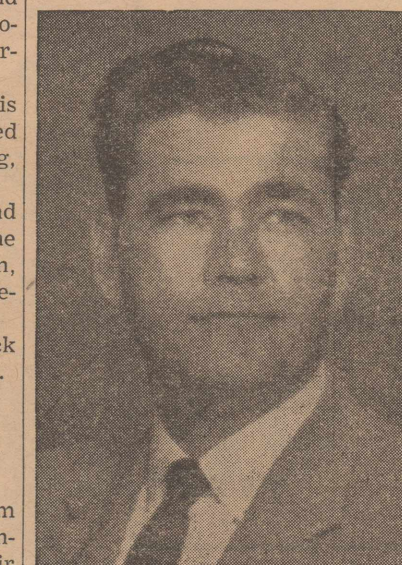

Calling hours are from 3 to 5 o'clock. All high school girls are invited to attend the affair at the Jim Gregory home.

The Gregory home is 1 1/2 miles south of Olton on the Anton highway, and 2 miles east on a dirt road.

WMU Members Study On Christian Home

Mrs. C. W. Phillips was in charge of the Bible study at a meeting of the WMU Monday afternoon at the First Baptist Church.

Lesson was "The Christian Home", and the group studied together.

Opening song and prayer were led by Mrs. C. W. Leathers and Mrs. W. C. Gunter, Jr., respectively. Closing prayer was given by Mrs. A. C. Brigrance.

Present were Mesdames J. G. Estes, C. B. Turner, Brent Burrow, R. G. DeBerry, R. A. Burgess, Milford Lambright, Gene Cade, Garner Ball, Troy Martin, and those named.

Mrs. Copeland Given Birthday Party Sun.

A party in the Plainview Park honored Mrs. Cassie Copeland on her eightieth birthday.

Present for the occasion Sunday were her eight children. They are five sons, Roy of Plainview; Jay, Earl, Derwood and Ray all of Olton; three daughters, Mrs. H. C. Bell of Plainview; Mrs. Jack Weathers of Arizona and Mrs. Roy Roberts of Olton.

Also in attendance at the party were twenty-four of Mrs. Copeland's grandchildren, and eleven great-grandchildren.

Mr. A. J. Malone, Olton and Mrs. Daugherty, Plainview, also attended.

CLUB TO MEET

PONIES UNDERDOGS IN TILT WITH FLOYDADA

Mustangs Tangle With Mighty Winds

Olton's Mustangs will be out to beat the experts by beating the Whirlwinds Friday night at Olton Memorial Stadium. Kickoff time is 8 o'clock.

The Ponies definitely will be underdogs when they take to the gridiron against Floydada.

The Whirlwinds deploy from a double wing and T formation.

They sport such standouts as Vickers, Teague and Gilliam and strapping 230-pound Shipley a hefty lineman who plays tackle.

The Whirlwinds literally swamped Abernathy last Friday night tripping the Antelopes to the tune of 20 to 0. They did this in spite of the fact that they had one touchdown called back.

Olton will be out to avenge last years' trouncing at the hand of the Winds. Floydada beat the Mustangs 28 to 6 in their last encounter.

Probable starters are Freddie Riney, Larry Timmons or Roy Moss at left end, Bobby Brown or Eddie Loveless at left tackle, Tommy Wilson at left guard, Phil Neinst at center, Kenneth Hooper at right guard, Harold Feathergill at right tackle, and Robert Duncan or Jimmy Moss at right end. In the backfield will be Randle Buchenau at left halfback, John Wayne Hair at right halfback, Robert Priest at fullback, and Freddie Riney or Johnny Schenck at quarterback.

Coach Joe Turner said his boys have come through this week's practice in fine shape and are eager to chalk up another win.

have seven members. The committees will meet with Doane representatives at 9 o'clock next Thursday morning in the vocational agriculture department at Olton High School.

Present plans call for the cotton, vegetable, beef, swine and special crops committees to spend the morning with Doane representatives.

The linear program committee will meet with Doane representatives at 1 o'clock Thursday and spend the afternoon on this phase of the survey.

General Meeting
The general meeting will be held in the auditorium Thursday night. Efforts have been made to secure the presence of area news media such as television, radio and newspapers.

Representatives of national farm publications have been invited as well as a representative of The Wall Street Journal.

Olton Chamber of Commerce & Agriculture has a limited number of books on the Doane report. The ones now on hand are being sold at \$5.00 each. Books from the second printing will go at \$8.00 each.

First Bale—

(Continued From Page One)

about 9 o'clock Monday morning and the pulling was completed at 12:20. Mr. Cox said he paid \$2 per hundred for pulling.

Turnout was about 27 percent. It was white cotton and gin manager Luis Hair said it probably would grade middling cotton.

The gin company processed the bale free of charge and paid \$100 for the seed. Olton merchants, through Olton Chamber of Commerce & Agriculture, gave a premium of \$300.00 in cash and merchandise.

This was Mr. Cox's first year on the farm. He moved here from Greenville.

Olton's first bale last year was brought in by Drexel Lawson, August 27.

In the meantime, the first load of the 1953 milo crop already has arrived at a local elevator although milo harvest still is some time away.

Cucumber harvest is drawing to a close. Allen Johnston, with Sanders-Paris Company, said harvest of early beans is almost complete. Corn is being harvested this week.

flux of people into Olton for the harvest this fall.

In other action, the council set fees for dumping of private haulers at the city dumping ground.

A fee of \$5.00 was set for semi-trucks, \$2.50 for bobtail trucks and \$1.00 for pick-up trucks and similar vehicles. The rates become effective Oct. 1.

Councilmen pointed out that maintaining the dump ground in sanitary condition is expensive and that those who use it should help maintain it.

Mrs. Krugler is the sister of Mrs. Fent and the daughter of Mrs. Margaret Nafzger.

—:— The Cracker Crumbs —:—

By Celia Waldrip

Wonder if anyone else has the childishly insane desire upon arriving home from a much too prolonged absence to shout "Home again, home again, jiggy jig," bound from the shimmering chasis of the trusty old car, sling open the cobwebbed door of the house too long closed up, and peer into every nook and cranny of the tired old clapboard devouring all that lies therein with adoring eyes.

Such is my feeling everytime I come home . . . even if my vacation has been marvelous. (Meaning of course, that we were able to rescue the baby from the lake successfully, that we spent only a meager few hundred dollars too much, that our once flaming backs have now toned down to a sick salmon hue, that we still have one good tire left anyway, and that The Father finally shaved off that abominable beard!) What a nice restful vacation we had, but what a great feeling it is to be home!

I can certainly understand why musicians and poets expound upon "Going home, going home" . . . "Home is where the heart is" "Home sweet home" and all the other fond words of the world-where which I had formerly considered so much rot. It really and truly is a fact, smaltzy as it may sound.

The day I arrived home from a peripatetic cross-country jaunt, my home looks to me much the way I looked to myself after coming home from the hospital with a new baby. I stood before the mirror and surveyed myself from all angles, thinking how slim I finally was and how wonderful I looked and felt proud as a peacock because I could find no fault with myself. However that feeling of well being pervaded only until I attempted unsuccessfully to don my pre-maternity clothes. Then I began grousing and grumbling about just how it was possible for a body to become such an ungainly slob in a short nine months.

This same feeling is parallel to the one that hits me upon returning to the house I haven't seen in a few months. The place looks absolutely beautiful . . . it's in such gorgeous taste, why I'd be happy here the rest of my natural life. The chairs are just as I left them and just at the exact angle to compliment the room. The furniture, though a bit dusty, is just exactly what I would choose if I had it all to do over. Everything is perfect and could not be improved upon a whit. This over-powering emotion of perfect content begins to wane a bit a day or so later when I find that the plumbing has been leaking all summer and has left a sizable puddle under the kitchen sink. Then that good feeling is lost to me forever (at least until I come home from another long trip) when I discover that lovely dining room window is still the same old one it's always been, rattling when the wind blows and showering the furniture with dust.

I discover to my dismay that the precious little pink room of the baby's is still somewhat overcrowded (rocking horse on top of tricycle) and that the rug still doesn't fit (one might assume that with a whole summer sitting there with nothing to do, it might have corrected itself!) Then that same grouchy grumbly feeling permeates my cheerful soul and I am once again my charming complaining little self.

Nevertheless, I contend that coming home, no matter to where or to what, is the greatest feeling in the world to a woman, especially a mother, especially a woman-mother whose husband is a confirmed nomad and even though she puts on that superficial smile and tags along, is definitely a lethargic home loving stay-at-home, recluse.

OHS Newspaper Editors Named

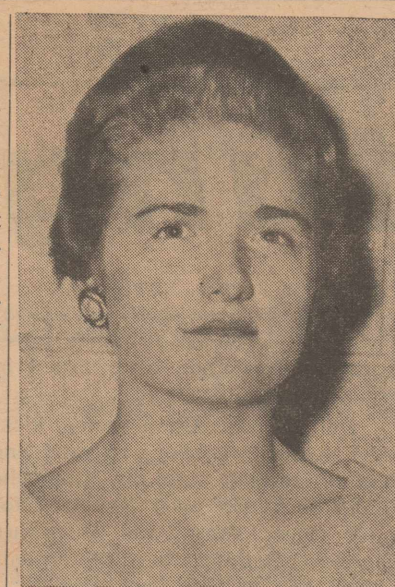

Gayle McAnally and Gayle Machen were named co-editors of the Olton High School newspaper at a meeting Monday. Nancy Critchfield was named assistant editor.

Winifred Hair is business manager. Gayle Machen and Jimmy Moss are in charge of sports.

Club news will be handled by Johnny Beth Crawford. Donna Whittington will write class news. David Morrison will be art editor and exchange editor is Elaine Jones.

Fashion features will be handled by Prissy Bostick and Doris Cruce. Gayle McAnally, Doris Cruce, Gayle Machen and Judith Chester are in charge of faculty news and typing.

Photographers for the paper are Judith Chester and Jerry Mathis. The staff is presently considering a new name for the paper, but no choice has definitely been made.

WYONA COX

Olton Senior Named Lions Sweetheart

Miss Wyona Cox has been named Lions Club Sweetheart. She was announced for the honor Tuesday morning at the Lions Club members held a breakfast.

The new Sweetheart is the daughter of Mr. and Mrs. Lester B. Cox. She was appointed by a committee composed of Lions Joe Harper, James Hall and Lynn Fite.

Miss Cox is an OHS senior. She is pianist for the choir, and is an officer in both the FTA and FHA.

Davises Have New Granddaughter

Mr. and Mrs. W. R. Davis of Olton are grandparents of a new baby girl born to Mr. and Mrs. L. T. Davis of Plainview.

She was born at the Medical Center Hospital at 3:10 PM Monday, weighing 8 lbs., 1 oz.

The father is employed at Plain-Tex Steel. Maternal grandparents are Mr. and Mrs. F. E. Harwood, Plainview.

IN HOSPITAL

Mrs. Jerry Dennis underwent surgery Friday at the Plainview Foundation and Clinic. She returned home Tuesday after five days in the Clinic. She is at the home of her parents, Mr. and Mrs. I. V. Fent. Linda has been advised to rest for at least two weeks.

L. D. Smith is in a Plainview Hospital being treated for a blood clot.

Construction Is Under Way On Church Building

Construction of a new Cumberland Presbyterian Church building is underway. Members hope it will be completed in time for occupancy before Christmas.

The building is being constructed to seat 250-300 persons. It will contain a large nursery, study and library, primary classrooms, rest rooms and an entrance foyer.

A new feature in the Presbyterian Church will be the choir stall. Choral music will be under the direction of Mrs. Jerry Thomas.

Mrs. Thomas has studied with several noted religious directors and is a very capable musician. She will also direct a children's choir which will be presented each Children's Day.

Sunday worship schedule is as follows: Sunday School 10 AM, worship hour 11:00 AM, evangelist hour 7:00 PM. Prayer meeting is conducted each Wednesday at 8:00 PM.

Broom Sale Successful

Olton Lions Club grossed \$32 in sale of brooms, mops and kitchen gadgets sold through the Caravan of the Blind Tuesday.

The club held a Tuesday morning breakfast at Legion Hall instead of the usual luncheon. They divided into six groups for the sale and canvassed house to house.

Chairman of the sale was Howard Hall. He said the club was well pleased with the results. Proceeds will be used to finance club projects.

Mustangs Win Season Opener 7-6

Olton's Mustangs, thrown off balance by loss of one of their backs around whom much of their attack had been built, took to the air Friday night to win their season opener.

The Ponies nudged Petersburg a scant 7 to 6.

Most spectators agreed that, given the breaks, the Olton team could have widened the margin. The Mustangs fumbled once near the 10 and a 71 touchdown run by Rande Buchenau was called

back for a rule infraction. Gary Duncan was an Olton standout on defense. James Lovelless, a freshman, also turned in a fine game.

Phil Neinast, Olton center, kicked to the Petersburg 25 yard line in a second kick off after the Mustangs had been penalized for off sides. There was no return and the Buffaloes began to operate first and 10 from that point.

The Buffs moved the ball to a first and 10 on the 36, aided by

a penalty against Olton. Petersburg again ran through the Mustang line with apparent ease went to the 47 in three plays.

Two plays later the Buffs were hitting the Mustang line for another first and 10. This time they were planted on the 36 yard line, deep in Mustang real estate.

The Buffs moved the ball two yards and then their hard-running fullback, Magahan carried to the Olton 25 before being jarred loose from the ball. Olton recovered

and staved off the first Buff scoring threat.

Short Gains
The Mustangs were able to make only short gains through stubborn Buff defenses. The Olton crew was forced to punt from their own 29.

Buchenau got off a booming punt to the Petersburg 27 but another Mustang off side brought the ball back and Buchenau kicked from his 24. This time he punted to the Buff 47.

Three plays later found the Buffs with a new lease on life on the Mustang 41. Magahan picked up yardage to the 32. On a fourth down try with a yard to go the Buffs were off side bringing about a fourth and six situation.

A pass complete to Magahan again put the Buffs in business on the Olton 25. Petersburg hit Olton's line three times to grind out another first and 10 on the Olton 15.

At that point the first quarter ended scoreless.

The Buffs needed all four downs as the Mustang defense tightened at the goal line. Petersburg combined running and a fourth down pass play to set up shop on the Pony three.

First play from scrimmage found several Mustangs crashing through to throw the Buffs for a yard loss. On the next play the Buff fullback found running room through the Mustang line for a

Petersburg TD.

Bad Center
A bad pass from center was costly for the Buffs. The prospective kicker tried to pass but the pass was broken up by John Wayne Hair's alert defensive playing.

With 9 minutes, 21 seconds left in the first half, Olton trailed 6-0. This must have been the medicine the Mustangs needed because they came roaring back with the winning combination in short order.

They took the Petersburg kick on their own 33 yard line.

Buchenau, playing tailback from a single wing, hit John Wayne Hair with a pass. Hair churned down field, almost broke into the clear, and packed the ball to the Petersburg 36.

It appeared as though the Mustang scoring threat was about to be broken up by a stubborn Buff line. Olton faced a third down and still needed 10 full yards of real estate.

Olton Scores
The ball was centered through Quarterback Johnny Schenck's legs to Fullback Robert Priest who tossed a long one down field to Buchenau.

Standing in the clear, Buchenau was not to be denied. He flashed across the double stripe for the tally. Rande made a great catch which was even more spectacular than his scintillating 71 yard run later in the ball game.

The score was all tied up with 7:20 left in the first half. Hair held and Buchenau sent the ball

sailing straight through the up-rights for the winning point.

Neinast's kick was taken on the Buff 30 and the carrier was brought down immediately. The Buffs picked up a first down on their own 43 and then plunged into Mustang territory. An offense holding penalty put the home team back on their own 38. An incomplete pass brought up fourth down and 18 needed.

Petersburg kicked to Olton's 25. The ball was picked up by Hair who returned it to the Mustang 42. There was 4 minutes left in the first half.

Facing third down and 8 yards to go, the Mustangs again relied on the pass combination with Priest tossing to Buchenau for a first down on the Buff 47 yard line.

Gains Yardage
Priest picked up 6 yards in two plays into the line and with 40 seconds left the Mustangs again took to the air. There was time for one more play. The ball was centered to Priest in the fullback slot. He couldn't find a receiver and had to run. He made it to the Buff 30 and was brought down as the half ended.

Petersburg took Neinast's kick on their own 18 and returned it to the 33. With five needed the Buffs were forced to kick a few plays later and Hair returned it to the Mustang 31.

Priest and Hair moved the ball to the 41. From there "Speedy" Buchenau invaded Buff territory

carrying the ball to the Buff 34.

John Wayne Hair hit for two yards but a penalty moved the ball back to the 39. Priest made a yard and Buchenau from the single wing tossed incomplete to Freddie Riney. A personal foul against Petersburg put the Mustangs on the Buff 23. The Mustangs fumbled away a chance to score and lost the ball on the Buff 25.

The Buffs marched downfield. In three plays they were on the 44 with a new lease on the ball. In two more plays the attack had rolled to the Mustang 45. Magahan went to the 40 on a cut back play. Buffs were in motion on the next play and the ball was moved back to the 45.

Passing and running put the ball on the Mustang 29 in two plays. The Buffs went to the 28 and then were penalized back to the 43 for clipping. It was second down with 24 needed. Two completed passes moved the Buffaloes to the 32 yard line with 58 seconds left in the third quarter. Another pass on fourth down fell incomplete and the Mustangs took over on their own 32 yard line.

John Wayne Hair moved to the 38 on a quick opener and Buchenau went on to the 40 but an off sides put the ball back on the 33.

From the single wing Buchenau passed to Hair. It was incomplete and left Olton with nine needed on fourth down. The Mustang punt was partially blocked and the Buffs took over on the Olton 42 yard line.

A pick up of four yards to Olton's 38 ended the third quarter.

Petersburg's Magahan picked up a first down on the 31 yard line. The quarterback kept and went to the 29, tried it again and was thrown for a loss to the 39. Quarterback Grubbs kept again and went back to the 29. Hair broke up a fourth down pass and the Mustangs took over on the 29.

Rande Buchenau electrified Olton fans at that point. On the first play from scrimmage on a quick opener he pranced 71 yards for a touchdown. An illegal motion penalty brought the ball back to the 24 and nullified the score.

Buchenau carried back to the 29. Priest went to the 34 after doing some fancy dribbling of the ball because of a low center. A pass from Buchenau to Hair fell incomplete and the Mustangs were forced to kick.

Petersburg took over on their own 39.

After three running plays, the Buffs were faced with a fourth down and less than a yard needed. Playing catch up ball, they picked up a first on the 46.

The Buffs invaded Olton territory to the 49 but were penalized 15 yards for offensive holding. The ball went back into play on the Buff 31. They picked up 9 yards to the 40 but after two incomplete passes were forced to punt. Olton got the ball on their own 38. Olton fumbled but a Mustang fell on it to save the day.

Short gains by Neinast, Priest and Buchenau brought up a punting situation with Buchenau kicking to the Petersburg 24. The Buff ball carrier was tackled immediately by end Gary Duncan.

The Buffs picked up four yards to the 28. A jump pass was knocked down by Olton's forward wall. Buchenau intercepted a Buff pass on the Petersburg 41 to give Olton possession.

There was only 2:11 left on the clock at this point.

Buchenau went around right end to the 34 yard line. John Wayne Hair picked up needed yardage to the 31 and the clock was

ticking away.

Clock Runs Out

The clock was the fifth man in Olton's backfield as Hair stalled for time. Hair gave a long count before handing off to Priest who plowed to the 29. Priest went through again to the 27. Petersburg got wise and began calling times out. Schenck came into the quarterback slot for Olton and again Priest carried, this time to the 22. There was only 13 seconds left in the game.

Hair who had again entered the game kept and went around left end to the 10 yard line, almost in the clear. Priest carried to the 8 yard line as the game ended in an Olton victory.

Flying Farmers To Attend Field Day At Halfway

Flying Farmers of Texas, Oklahoma and New Mexico have been invited to the third field day of the High Plains Research Foundation to be held at Halfway, the afternoon of Thursday, Sept. 24. Steve Taylor, member of the executive committee of the board of Trustees, extended the invitation to the Flying Farmer organization for the Foundation.

Chairman Homer Garrison and the aviation committee of the Plainview Chamber of Commerce are making arrangements for transportation from the Hale County airport at Plainview to the foundation farm at Halfway for the tour and barbecue.

The National publication of the Aircraft Owners-Pilots Association has announced the field day in the "Places to Fly" section of its news letter. Mr. Taylor has also sent invitations to the New Mexico, Oklahoma and Texas Flying Farmers and Ranchers.

CARD OF THANKS

We wish to express our deepest appreciation for the beautiful flowers, cards and sympathy, and the many other acts of thoughtfulness extended during our recent sorrow. Please accept our heartfelt thanks.

Will There Be Something In Olton For Your Boy When He Grows Up?

Probably Not Unless We Build Olton.

Cub Scouting is a fine program for youngsters. Olton has a fine Cub Scouting program. A boy's future is just as important as his present. If we build our town, these youngsters can look forward to remaining here when they grow into men. If Olton stagnates, then they must look to industries and business far away to support their families when THEIR little boys become Cub Scouts. And we can help Olton grow and help assure their future by always shopping

The choices offered apply only to junior high and high school students. Choices are offered to make meals more pleasant and acceptable to the advanced students. It is impossible to offer choice to the younger students as we feel it would take too long for the lines to be served, also it gives the younger students some thing to look forward to as their school work progresses, so shall their eating habits.

Lane Accepts Position In Friona School

J. C. Lane has moved to Friona.

Friends here this week said Mr. Lane has accepted a job as vocational agriculture instructor there. Mr. Lane was vocational agriculture instructor here for several years. During his tenure in that capacity the Olton FFA chapter gained state-wide recognition.

The Lanes had farmed north of Olton for the past two years.

Attention Farmers!

New Law Effective September 1 Affects You If You Use Butane, Propane, And Deisel Or Kerosene. Taxes Will Be Collected Generally At The Wholesale Level By Suppliers Under The Terms Of The Law.

Points of the law (Chap. 10, House Bill 11, Third Called Session of the 56th Legislature) that affect use of these special fuels:

● Every person who delivers special fuel (a) into fuel supply tanks, or (b) in bulk quantities for redelivery into fuel tanks or motor vehicles must secure a permit as a supplier, dealer or USER.

● **UNLAWFUL TO SELL**—Except for tax paid deliveries into fuel supply tanks of motor vehicles it will be unlawful after Sept. 1, 1959. To make bulk sales of special fuels to any person who (1) is not a licensed supplier, or (2) is not a licensed dealer or user or (3) who does not furnish a signed statement that none of the special fuels purchased tax free from date of such purchase to the end of the calendar year, will be delivered or permitted by him to be delivered into the fuel supply tank of a motor vehicle. **ONLY ONE STATEMENT FOR THE CALENDAR YEAR NEED BE FURNISHED.**

● The Supplier may sell tax free to non highway consumer, including farmers, when the purchaser signs the above statement that none of the special fuel purchased tax free will be delivered into fuel supply tanks for taxable use. **A TAXABLE USE IN VIOLATION OF SUCH PROMISSORY STATEMENT WILL FORFEIT THE RIGHT TO PURCHASED SPECIAL FUELS TAX FREE FOR ONE YEAR.**

● **BONDED USER**—Whose use of special fuels is predominantly off the highways—with lesser quantities used in motor vehicles owned or operated by him on the highways—must furnish bond and secure a users permit and pay taxes directly to the State on the highway use only. He will keep accurate records and report all uses, whether taxable or not.

● **NON HIGHWAY USERS**—Including farmers, who will use all of the special fuels off the highway, may purchase tax free without securing a users permit by furnishing the signed statement described above, that none of said product will be delivered into fuel supply tanks or motor vehicles.

● If such user owns or acquires a pickup or other highway vehicle propelled with special fuels he must either (A) have his highway vehicles serviced elsewhere by retail dealers who will issue him an invoice showing the date, quantity, highway license number and speedometer reading on each fill-up, or (B) he must secure a bonded users permit to use special fuels purchased tax free in such highway vehicle and pay taxes on the highway use only, as provided in paragraph above.

● **UNLAWFUL OPERATIONS**—After September 1, 1959, it will be unlawful (A) to transport special fuels in a cargo tank which has a connection by pipe, tube, valve or otherwise with the carburetor, or fuel supply tank of the motor vehicle transporting said products, or (B) to operate with special fuels any motor vehicle licensed for highway travel, on which a speedometer is not kept at all times in good operation condition to correctly measure and register the miles traveled by such vehicle.

● **NEW APPLICATION AND BONDS**—The bond fixed by law at not less than three times the amount of taxes that will accrue during any month, but never less than \$1000 if piped by a supplier, nor less than \$500 if filed by a dealer or user—must be executed and filed with the Comptroller as soon as possible and not later than September 1, 1959.

1. If you are a user of butane, propane, or diesel you must sign a blank promising that you will not use any of these fuels delivered to your tank for highway purposes in any vehicle licensed for highway travel; or

2. Post \$500 Bond with the Comptroller and keep record of the amount used for highway travel and pay taxes directly to the State.

This information published in your interest to inform you about the new law. Blanks for signing the promissory statement are available at any of the following Suppliers and Distributors . . .

We had thought that by Tuesday or Wednesday of next week we'd be interviewing the Wolf of the Steppe, Kruschev himself. Seems like that is not to be.

We applied for accreditation to represent Texas weekly newspapers. The Senate majority leader's office has notified us that this is well and good if Kruschev visits Texas. However, no visit to Texas, no accreditation and it appears that Nicky is going to give the Lone Star State a wide berth.

Olton was in a furor this week. Tax statements were put in the mail Wednesday. We're on the equalization board this year, along with Bill Thomas, Louie Mack Hardy, and never since we had the misfortune to mistake a hornet's nest for the hand grip on a step ladder at the age of 10 have we run into such trouble.

We are in accord that everyone should serve once in a life time on the board of equalization and we're firmly serving notice right now that we've served our turn for this lifetime.

Seriously, we believe that most folks are going to be happy with the tax structure as soon as the smoke clears away. The city has spent a lot of money trying to see that everyone pays his fair share of city tax and no more. We hope that this is accomplished.

Anyway, the board of equalization meets Sept. 18 at city hall to hear those not satisfied with their city tax assessment.

Olton's fortune teller, a self-styled Cherokee Indian, says she has foreknowledge that Olton will rip Floydada in football Friday night. She would not give out any scores, however.

Boosters Will Give Trip To Sugar Bowl

Members of the Booster Club are selling membership cards. In hopes that they might encourage the membership of both men and women this year, they are selling cards for \$1.50 per couple. Single membership cards will be sold for \$1.00.

Membership is lagging behind that of last year. Anyone interested may get in touch with Howard Buchenau, president, or Charles Polk, vice-president.

Don Waldrip, project chairman, announced that four tickets to the Sugar Bowl game and \$250 in expense money will be given away.

Tickets for this project will be sold for \$1.00 per ticket or a book of twelve for \$10.00.

The Sugar Bowl game is to be played on New Years Day in New Orleans, La. Winner of the South Eastern Conference will play a chosen team. South Eastern Conference favorites are Auburn and LSU.

Enrollment Tops Thousand Mark

Enrollment reached 1,046 in Olton Public Schools this week. This information came from Joe Harper, school superintendent.

Mr. Harper said this figure is 21 students more than last year at this time. He said crowded conditions exist in the third, fifth and sixth grades. This represents a teacher shortage rather than lack of class room space, he reported.

He said an enrollment of about 1,250 is expected at harvest peak. "We have more resident students here this year than last year," Mr. Harper declared.

Reserve Seats Not To Be Used Without Ticket

Reserve section seating will be strictly enforced at football games this year, according to School Supt. Joe Harper.

Reserve seat tickets are on sale with members of the Olton Booster Club. Persons not holding reserve seat tickets will not be allowed to sit in the reserve section even though there are vacant seats in the section.

He said reserve tickets will be sold at the gate, but a 10-cent penalty will be charged.

Mr. Harper asked that people cooperate in parking at football games. There will be men on duty to direct parking. Parking is prohibited on the north side of the football field.

Reactions were varied last Friday night as the Mustangs opened their season against Petersburg. If they were varied, they were extremely intense. In the panel at left Coach Joe Turner is shown emphatically explaining a play to Larry Timmons. In the righthand panel the coach nervously nibbles grass as he and his quarterback, Johnny Schenck watch the

action unreel on the field. In the lower panel are from left, Mrs. G. H. Buchenau and Mr. and Mrs. Herman Meyer. The picture was snapped as Mrs. Buchenau's son, Ramdee headed for the double stripes on a 71-yard run. Seconds later Mrs. Buchenau was distraught as her son's fine run was called back because of a rule infraction.

Paul Montgomery, Robert Priest, Robert Duncan, Barry Prestridge Are Presidents

OHS classes elected leaders for the school year Thursday afternoon in class meetings at the school.

Listed below are the officers of the four classes, and the faculty sponsors.

Montgomery Named

Paul Ray Montgomery was named to head the Senior Class of 1959-60. Vice-president is Roy Neal Jones.

Run-offs were needed to determine the winners for most of the offices.

Pat LaFrance was re-named treasurer of the class, and was chosen by acclamation. She served in this position last year.

Joyce Gray will serve as secretary of the class, with Joyce Curtis and Gary Lobaugh holding

the positions of reporter and sergeant-at-arms, respectively.

Student Council representatives for the Seniors are to be David Morrison and Terry Gall Hooper.

Class sponsors are Don Waldrip and Mrs. Joe Harper.

Juniors Choose Priest

Robert Priest defeated Ronnie Fancher and Harold Featherngill for the presidential position of the Junior Class.

Featherngill was named vice-president.

Other officers include Nancy Critchfield, secretary; Kay Gregory, treasurer; Ronnie Kidd, sergeant-at-arms; and Bobbie Campbell, reporter.

Faculty sponsors are Mrs. John Campbell and Clifford Curry. The class will be represented

on the Student Council by Gayle Ann Parsons and Ronnie Fancher.

Duncan Succeeds

Robert Duncan was named by the Sophomore Class to succeed Gary DeBerry as the class president. DeBerry served in the office during the freshman year of the class.

James Caley and David Howton are faculty sponsors for the class.

Reporter for the class is Ronnie Smith, and Student Council representatives are Nancy Bryant and Jimmy Lawson.

Larry Jordan, Geneva Curry and Marilyn Jones are the other officers of the class. Their positions are vice-president, secretary and treasurer, respectively.

Prestridge is Prexy A. R. Bostick and Charlie Rand

are faculty sponsors for the class which is making its debut in high school this fall.

Chosen president of the Freshman Class was Barry Prestridge. He will be assisted by Billie Beasley.

Tommy Witten and Darleen Langford are holding the offices of secretary and treasurer, respectively.

Reporter is Sammie Clark. Representatives to the Student Council are Elaine Averitt and Bennett Worley.

VISITS BROTHER

Mrs. Joe Lewis of Altus, Okla., visited in the home of her brother, Mr. and Mrs. S. E. Whittington, this past weekend.

HART CAMP

BY MRS. BLANTON MARTIN

Revival services are in progress at Hart Camp Baptist Church this week. Rev. John Jenkins of Woodrow Baptist Church is preaching and Gerald Qualls, Fieldton, is leading the singing. Rev. Jack Moore, pastor, is assisting.

Mr. and Mrs. James Ball of Wilcox, Ariz., are parents of a new son born Sunday afternoon. The young man weighed 7 lb., 4 oz., and has been named James Kent. The Balls' have another son, Scott.

Ivy Thompson attended a Thompson reunion over the weekend at Cross Plains. One hundred and fifty-six of his kinsmen were present.

Mr. and Mrs. H. V. Lynch and Mr. and Mrs. Blanton Martin and Suzanne spent last week at Raymond, Colo.

Kerwin Oliver led the singing at Fieldton Baptist Church Sunday. Kerwin served in the absence of Gerald Qualls, who was assisting with the revival services at Hart Camp.

Visiting in the community over the weekend were Mr. and Mrs. Preston Mason of Houston. Mrs. Mason is the former Phyllis Worley.

Mrs. C. M. Osthuis is in the Methodist Hospital in Lubbock. Visiting at Hart Camp Baptist Church Sunday morning was Miss Cleota Chapman from Henrietta.

Among the parents who attended the Teachers' Reception last week at Olton were Mrs. E. P. Oliver, Mrs. Doe Leonard, Mrs. Roy Hendrick and Mrs. Elma Burleson.

Mrs. Frank Roberts has been hospitalized at Muleshoe since Wednesday of last week. She expects to return home Thursday. Her son-in-law, Pearson Adams of Bovina, is in West Texas Hospital in Lubbock, recovering from a heart attack. Adams is a former resident of this community.

Beauty School Grad Working In Amarillo

Miss Mary Lou Limbocker, OHS graduate, is now employed at Amaryliss Beauty Shop in Amarillo.

Miss Limbocker was graduated from San Jacinto School of Beauty at Amarillo, the latter part of July.

THE HART BEAT

WILL PLAY AMHERST FRIDAY IN FIRST HOME GAME

Myrick Shines As Hart Rolls Over New Home

Hart Longhorns scored twice in the first quarter and once in the second quarter to win their opener at New Home, 19-0.

New Home's Leopards took the opening kick-off and moved to the Longhorn's 3 yard line, where the Longhorns held and took over. The second offensive play for the Longhorns was a pitchout to speedy

halfback J. D. Myrick, who went 85 yards for a touchdown, untouched. Quarterback Larry Lee threw the key block that set him on his way.

Late in the first quarter, Lee pitched to Myrick again, and Myrick ran 35 yards for the second TD.

In the second quarter, the Longhorns drove 78 yards for their third touchdown; with Gene Varner carrying the ball for the last four yards. Connard Riddles kicked the extra point.

In the third quarter, New Home drove to the Longhorns' 8 yard line, but the Longhorn defense stiffened and held.

Boys seeing action were Ralph Myrick, Gene Johnson, Eufemio Rubalcaba, Orville Hughlett, Mike Morrison, Lonnie Wall, Johnny Mousner, J. T. Stanton, Gene Varner, J. D. Myrick, Larry Lee, Con-

nard Riddles, Johnny Kittrell, Ray Clark, Mike Reed, Alfonso Gonzales, Don Sharp and Richard Figueroa.

Hart plays host to Amherst at Longhorn Stadium Friday night. Kick-off time is 8:00 P. M.

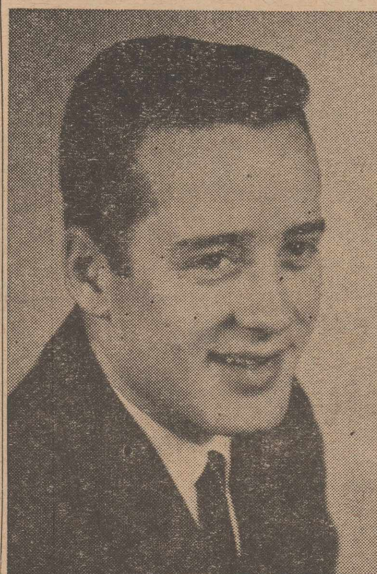

Revival Series Begins Friday

Revival services at the First Baptist Church begin this Friday evening, and will continue through September 20.

Guest evangelist will be Rev. Jessie R. Leonard of McLean. Directing music will be Donnie Adams of Wayland College, Plainview.

Services this Friday night only, will begin at 6:30 P. M. Subsequently, they will begin at 8 P. M. and at 9 A. M. each day. Next Tuesday night has been designated as Men's Night; Thursday, as Young Adults' Night; and Saturday, as Youth Night.

Phillips Takes Boot Training

JERRY PHILLIPS

Jerry Phillips left last week for Fort Ord, Calif., where he will undergo basic training in the Army.

Phillips, son of Mr. and Mrs. M. E. Phillips, left from Amarillo Wednesday. He is a graduate of Hart High School and received his BS degree from Wayland College in Plainview. He taught and coached in Kress public schools last year.

See Rodeo At Boys Ranch Sunday

Several Hart persons attended the rodeo at Boys Ranch Sunday afternoon.

Included were Mr. and Mrs. T. R. Davis; Mr. and Mrs. Tump McLain; L. J. Rice, Danny and Scott; Jack Smitherman, Joe Bob and Billy Frank Sanders; Dennis Derryl and Susie McLain; Mr. and Mrs. Ray Bennett and nephew; and Mr. and Mrs. Bob Compton and Bobby Nell of Post, and Mr. and Mrs. Arnold Gilcrease, Amarillo.

Hawkinses Win Tube Setting Contest Here

Robert Hawkins and W. A. Hawkins III were winners in the irrigation tube-setting contest staged here recently by the Hart American Legion.

Robert Hawkins won a \$25.00 cash prize for a time of 31.9 seconds in the senior division. He competed against 13 other men. In the junior division, W. A. III was awarded \$7.50 cash for a time of 64 seconds.

Just one-tenth of a second behind Hawkins in the senior division was Connie Mae English, who received \$15 for a time of 32 seconds flat. Joe Hart was third for \$10 with 36.2 seconds.

Second place prize of \$5.00 went to Mike Reed, for 70 seconds, in the junior division. Harvey Sullivan came in third with 76.6 seconds and received \$3.00.

The contest is staged annually by the American Legion Post.

First Milo Is Received Here

A. W. Shelly, south of Hart, brought in Hart's first load of milo August 31. The test was 1507, and it was received at Lindsey Gin.

Farmers Grain Co., received their first load September 1 from Harvey Davis, northeast of town, with a test of 1462.

Lions To See Atom Movie

"Our Friend the Atom" is the title of a film to be shown at the Hart Lions Club Monday.

Program chairmen for September are T. B. and Claude Cox. Lunch Monday will be prepared by members of the Zealot Club, with Mesdames Glen Reed, Boots Rogers, Joe Edd Carson and Paul Armstrong as hostesses.

Veterans Hear Representative

All veterans and wives are invited to be present next Tuesday at the American Legion Hall for a meeting.

A representative of the district will discuss social security and pensions of disabled veterans, and widows and orphans of veterans.

Building Is Now Going Up

Construction of a new business building on Hart's Broadway Street is underway.

Miss Rue Smitherman is owner. The structure is 25x50, cement tile with brick front, and will be divided for two separate businesses.

Also on the "Hart is growing" list is Hart Tractor Supply, to be operated by Mr. and Mrs. Elmer Gray of Olton, on Ave. E and 7th Streets.

Mr. and Mrs. Z. D. Miller will open a cafe on Broadway Street next door to the Longhorn Barber Shop.

Legionnaire Will Speak At Convention

Several members of the American Legion Post 311 of Hart will be in Dalhart this weekend for the 18th District convention.

Willis A. Hawkins Jr., will speak at the convention on "The Emblem of the American Legion." 1960 officers will be installed. Ed Bennett will be installed as commander of Post 311, and Cecil Ray Jones as post adjutant. All officers who have not been installed at the zone meetings, stated Bud Steiret, will be installed at the convention.

The state commander and adjutant and several division commanders will be present for the meetings. Steiret also states, "If the Hart Post can acquire the new membership quota by the end of this week, they will be presented by the new post commander."

The Hart post ranked fourth in the state last year.

will have our first frost 60 days from that time, which will be October 3. Some of this feed and cotton may have to have fire or a cover at that time.

Have you noticed some new people in our town? Have you introduced yourself and told them you were glad to have them here? Not only do we have new school teachers, but some new businesses for Hart. Are You Glad That You Are a Hart-ite?

The remodeling and redecoration of homes, new business buildings and new businesses from other towns can only spell one thing: GROWTH. Let's all back our ears and put OUR HEART into HART and watch it grow.

It seems if I could just print

this little poem handed me not long ago that Jimmie would know. Death is so real, and it leaves such an empty feeling in our hearts. If time did not heal the wound of death, how terrible it

 Memories are treasures
 No one can steal;
 Death leaves heartaches
 Nothing can heal;

 In silence you suffered,
 In patience you bore;
 Until God called you home
 To suffer no more.

HEARTS OF HART

Lanny Lloyd Davis was 6 years old on his birthday, Aug. 31. Lanny was football mascot for the Longhorns in 1958. He has a pony named Jerry which he loves to ride. He is the son of Mr. and Mrs. Lloyd Davis of Hart and the grandson of Hubert Lilley of Sunnyside and Mrs. Alene Lilley of Dimmitt. He also is the grandson of Mr. and Mrs. Judd Davis.

3 to 4 lb. pork roast
 Soak roast overnight in the following: ¼ cup Worcestershire sauce, 2 T. prepared mustard, 2 t. salt, 1 t. pepper, ½ cup wine vinegar, one-third cup lemon juice, 2 T. smoke (optional). The following morning put roast in baking pan and bake at 350 degrees for 3½ hours. Baste occasionally with the sauce you soaked the roast in.

Cinnamon Apples
 Peel and quarter 6 to 8 medium sized apples, cook in small amount of water until done. Add sugar to taste and 1 small package of red hot, heat until red hot are dissolved. Put in refrigerator to cool until time to serve. These are pretty as a garnish for any pork meal.

Since pork is such a rich food, a very light dessert is best to serve with it. We like jello salad made as it was several years ago when we could not get fruit cocktail. I use cherry jello, oranges, bananas, grapes and marshmallows.

Old-Fashioned Sour Cream Cookies
 ½ cup soft shortening
 2 eggs
 1 cup thick sour cream
 1 t. vanilla
 2¼ cups sifted flour
 ½ t. soda
 ½ t. baking powder
 ½ t. salt
 Two-thirds chopped pecans

Combine shortening, brown sugar and eggs and mix thoroughly. Stir in sour cream and vanilla. Sift together flour, soda, baking powder and salt and add to first mixture. Mix well, add nuts. Chill for 2 hours and drop by teaspoonfuls on ungreased baking sheet. Bake at 400 degrees for 8-10 min. Frost while warm if a frosting is desired.

Frosting
 2 cups powdered sugar
 ¼ cup soft oleo
 2 T. cream
 1 t. vanilla
 Blend all ingredients well and beat until smooth.

OPTOMETRY: The Art and Science of Visual Care

The odds ARE against her

Through 12 years of public schooling, your child must read and understand an average of 432 books. With such great demands on her reading vision, the odds are against her completing these years without developing a visual problem.

She begins life very farsighted, seeing only form and motion. By the time she starts to school, it is assumed her focusing and eye coordination are developed and equal to the task. If they aren't, then seeing problems can develop.

Professional optometry can determine if she is "visually ready" to start to school. EYESIGHT IS NO GAMBLING MATTER.
