Fine Crops Displayed As Lamb Farmers Tour

Approximately 60 Lamb County farmers and Olton FFA boys saw some of Olton's finest crops in a farm tour Tuesday morning. The tour was sponsored by the county agent, Soil Conservation District and Olton FFA Chapter. Directing the tour were Calvin Horn and Max Malone, vocational agriculture instructors. Aboard two school buses, the group stopped first at the Frank Mandrell cotton field at the eastern edge of Olton. County Agent Bill Kimbrough discussed cotton varieties at that stop. He recommended Aug. 20 as the proper cut-off date to be followed in irrigating cotton. Some of the farmers on the tour believe that the Mandrell cotton could yield a bale and a half per acre or possibly more under ideal conditions. The party stopped at the FFA plot just south of town to see hybrid grain sorghum variety tests. Don Spain of Olton Farm Supply and Wendell Garner of Merrill's Farm and Ranch Store talked on grain sorghum at that point. The group visited the E. C. Jones farm east of town for a look at 20-inch rows and 40-inch rows. Mr. Jones told the farmers that the narrow rows last year had a yield of from 1,000 to 1,500 pounds per acre greater.

Fire Damages Breland Home Friday Morning

Fire last Friday morning did an estimated \$4,300 in damage to the Marcus Breland home about 9 miles northeast of Olton. Mr. Breland discovered the fire about 7:50 o'clock. He believes it was started by a wall heater. "It was probably already in the attic when I found it," Mr. Breland declared. He tried to call the fire department in Olton but had trouble with the telephone. Finally he called Don Williams here in Olton and Don notified the fire department. "They got here in 12 minutes," Mr. Breland declared. "I never saw better cooperation," he said. "Everyone knew just what to do." He said firemen had the blaze under control within 15 minutes after they arrived. "It would have been a total loss without the fire department," Mr. Breland concluded.

Swine breeders schedule meet next Thursday. A general meeting of Olton people interested in swine breeding will be held at 7:30 o'clock Thursday evening of next week. Purpose of the meeting is to discuss a swine sale which will be held here Oct. 31. The sale is sponsored by Olton Swine Breeders association of which Gene Cade is president.

Would Form Flying Club

An effort is being made to organize a flying club in Olton. Anyone interested should contact Morris Gene Brown or Leo Smith. Proponents of the club hope to open a small air field somewhere in the community in the future.

Rites Tuesday For Infant

Funeral services for Diane Uranga, month old daughter of Mr. and Mrs. Jimmy Uranga, were held Tuesday afternoon in Trinity Baptist Mission. Officiating was Rev. Glen Godsey, pastor. Burial was in Olton Cemetery under direction of Parsons Funeral Home. The baby died Monday in a Plainview hospital.

Olton Teacher Authors Article

Calvin Horn has authored an article which appeared in the September issue of The County Agent-Vo. Ag. Teacher. It deals with how to teach subjects related to agriculture.

Bumper Cucumber Harvest Completed In Olton Area

MORE THAN 100 ENTRIES THIS YEAR

Muleshoe Shetland Judged Show's Top

Butch Green of Muleshoe exhibited the champion stallion as more than 100 entries turned up for the third annual Olton Shetland Pony Show Saturday.

It was a great day for Olton small-fry who thronged the show barn for the display of fine horse flesh in miniature.

Prelude to the show was a parade featuring Shetland ponies, miniature conveyances of the old West and Olton's Mustang marching band.

Quality, if not quantity, of the parade thrilled the little folks. Anticipation of the children for the parade was aptly summed up by the small grandson of Jesse Watson who told his granddad, "Kevin is sure gonna' have fun Saturday."

Exhibiting the reserve champion stallion of the show was L. A. (Continued On Page Five)

Man Unhurt In 12-Foot Fall At Olton Gin

Robert Williams escaped with only minor injuries Monday in a fall at Olton Co-Op Gin, where he is employed.

He was working on some gin machinery at the time. He fell about 12 feet. The attending physician said he suffered minor back injuries. He was treated at Community Hospital.

Smith Grain Firm Changes Hands Sept. 1

A well known financier has purchased Ben F. Smith Grain Company here.

He is Billie Sol Estes, who once farmed near Springlake. Mr. Estes, Pecos millionaire, purchased the Olton elevator from the Ben F. Smith estate.

The company now is known as the Olton Elevator of United Elevators. The firm has two elevators in Plainview and one at Providence in addition to Olton Elevator.

The deal which brought about the change in ownership became effective Sept. 1.

Associated with Mr. Estes in the elevator business are Wayne L. Cooper and Jerry Harder, both of Plainview. Mr. Cooper is manager of United Elevators.

Manager here is Dan Gregory. Mr. Cooper said Mr. Gregory will move to Olton at some time in the future.

Billie Sol Estes already is somewhat of a legend in the financial world. He farms several thousand acres at Pecos, is engaged in fertilizer business both at Pecos and at Plainview, has a concrete mixing plant at Pecos, operates a farm implement company at Pecos and has wide-spread oil interests as well as several grain (Continued On Page Five)

Yields Soar Far Above Average; Producers Gross About \$200,000

Cucumbers gave Olton a quarter-million-dollar shot in the financial arm this summer. Farmers cashed in on more than \$200,000 for their share and Brown & Miller, packing and shipping company, unfolded another goodly roll of bank notes for hauling and handling here.

Clovis Poteet, who worked at the cucumber processing shed, said Olton shipped 9,514,000 pounds of cucumbers from 377 acres. This was about 25,236 pounds or 500 bushels per acre.

Equalization Board To Hold Meeting Friday

Olton's city board of equalization will hold its public meeting Friday.

The board will convene at 10 o'clock Friday morning and adjourn at 5 o'clock Friday afternoon.

City officials said there will be no further adjustments in city taxes after the board has held the public meeting. People who believe there are discrepancies in their taxes should meet with the board.

Only the board can make tax adjustments, authorities pointed out, and it will disband after the public meeting.

The board will not disband, however, until it has conferred with all those who want a hearing.

Remodeling Under Way On Kelley's

Remodeling was underway this week at Speer Drug building, future home of Kelley's Men's Store.

The store will open here some time before Oct. 10, according to Mr. Kelley who visited in Olton Tuesday. Mr. Kelley will continue to operate the store on Ash Street in Plainview. It will be managed by Bill Lee.

The Kelleys plan to move back to Olton.

In the meantime, work was in progress on a new office building on Main Street to house Speer Real Estate. The building, a masonry structure, is being erected between the home of Mrs. Dora Walthall and Lanning Radio and TV.

Cucumber men say 300 bushels per acre is a good crop. Olton cucumbers averaged about 200 bushels per acre better than this.

Last of the cucumbers were shipped Thursday night of last week bringing down the curtain on a highly successful season for the cucumber business here.

\$500 An Acre "It was not unusual for some planters to receive as much as \$500 gross per acre," Mr. Poteet said.

Prices received by farmers were \$5 per hundred weight for number one cucumbers, \$2.25 for number two, \$1.00 for number three and 50 cents a pound for number four.

Lacy Armstrong was reported to have had the highest yield per acre. Largest planter was Irvin Lee with 65 acres. Lowell Ray farmed 40 acres of cucumbers this year.

Cucumber production did double duty. It provided work for hundreds of pickers and ready cash for growers during summer month when money is usually tight.

Boosts Business Downtown merchants came in for their share of the benefits. Several Olton merchants have reported increased retail business this summer in spite of late crops and (Continued On Page Five)

Vandals Pilfer Autos At Friday Football Game

Vandals and pilferers created havoc last Friday night during the football game.

Six fire extinguishers were taken from school buses. Several cars were ransacked. Two insurance policies were taken from automobiles.

Olton Police Chief, Floyd Cavin, believes the thefts was the work of vandals rather than of someone stealing for gain.

FRIDAY GAME TOUTED MOST IMPORTANT OF SEASON

Ponies Renew Cat Feud Friday Night

Olton's game of the year comes up Friday night. The Mustangs will tangle with their arch-rival, the Littlefield Wildcats. Olton's football feud with the Littlefield eleven is one of long standing dating back more than a score of years. Kickoff will be at 8 o'clock in Olton Memorial Stadium. Olton gridmen have held their own against the Wildcats in recent years. However, the Mustangs Friday night will be out to avenge a stinging 41 to 6 defeat handed them by the Wildcats last season. Coach Joe Turner is worried about Friday night's encounter and makes no effort to hide his anxiety. Littlefield tripped Plainview 20 to 14 last Friday night while Olton lost 42 to 0 to Floydada.

Small Boy Is Injured When Stool Falls

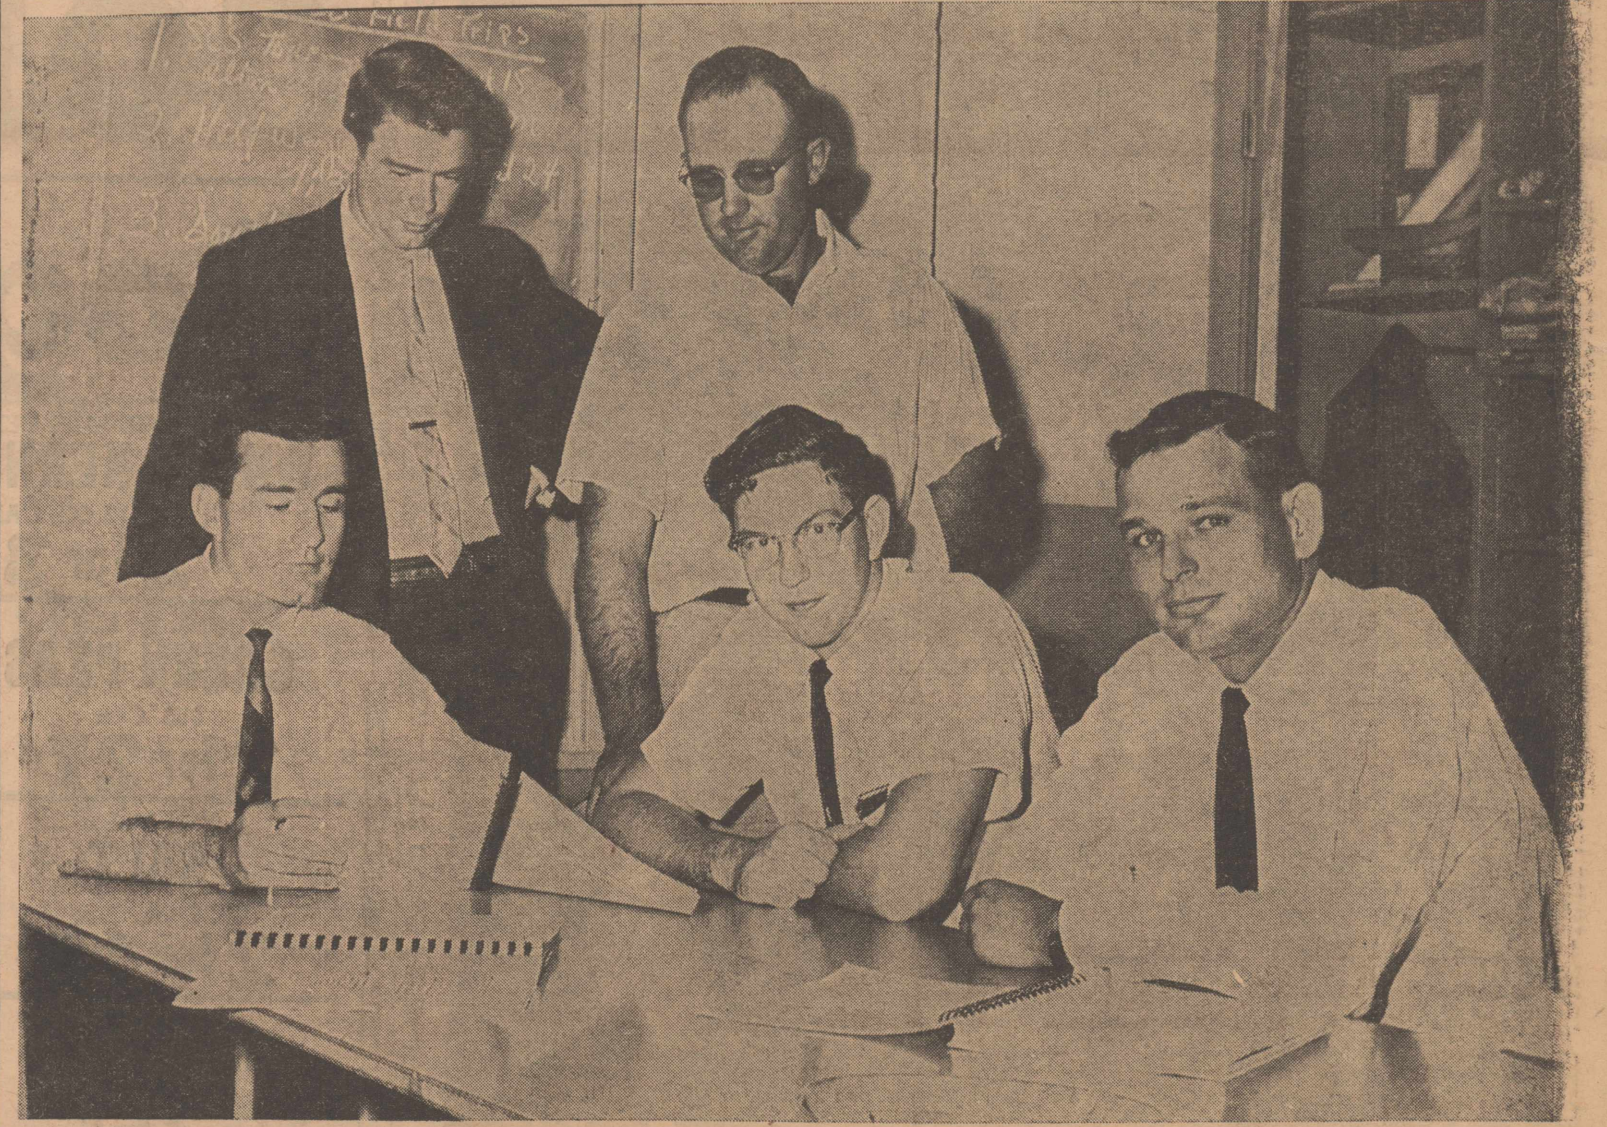

Allan Williams, son of Mr. and Mrs. Robert Williams, suffered a gash in the vicinity of the left eye Monday at the Williams home. The little boy is 2 years old. He was injured when the piano stool fell on him. Four stitches were required to close the wound.

Death Takes Father Of Olton Woman

Mr. J. S. Shelley, father of Mrs. E. Lee Stanford, died Wednesday morning in his home at Plano. Mr. Shelley had been ill since suffering an heart attack in the latter part of August. Rev. and Mrs. Stanford left Wednesday morning for Plano. Funeral services are tentatively scheduled for Friday.

"We hope we have improved some since last Friday night," declared Coach Turner. "We know we'll be playing way out of our class Friday night and we'll have to play heads up ball to win." Coach Turner has announced some changes in his line up for the forthcoming Littlefield game. John Wayne Hair will quarterback and Fred Riney will be on at end. Larry Timmons has been looking good in practice and will (Continued On Page Five)

Peruvian Praises American Research

FROM LIMA

Humberto Castro looks over a group of DeKalb grain sorghum heads he selected for exhibit at the Tri-State Fair DeKalb booth. Humberto is from Lima, Peru. (STAFF PHOTO)

Humberto Castro of Lima, Peru stopped off in Olton Monday to chat with Don Spain and admire some of the fine grain sorghum in the area.

Humberto only a short time ago went to work for DeKalb, distributors of DeKalb hybrids. He and his American wife and son live in Lubbock. Humberto is amazed at the amount of money American private enterprise is able to spend on research.

Humberto is a graduate of Missouri University and holds a masters degree in agriculture from that institution.

Son of a retired farmer, Humberto declares that South America is fraught with opportunity. He said American capital is welcome in his country and Americans are treated well there.

He said his father farmed 300 acres in Peru's coastal region and concentrated on raising cotton, sugar cane and corn.

Humberto will go back to South America as soon as his training period with DeKalb has been completed. He said DeKalb plans to introduce its hybrids on the other American continent.

Humberto will represent the American hybrid firm in various parts of South America. He said DeKalb may even go into Europe with seed and chicks.

"I never dreamed that a private company could spend so much money on research," Humberto declared referring specially to DeKalb's experiment farm near Lubbock.

"I feel that this kind of grain will help South America," he said.

Humberto came to Olton to help Don Spain pick out some heads of grain sorghum for display with DeKalb's exhibit at the Tri-State Fair in Amarillo.

Ray Slattens Have Baby Granddaughter

Mrs. Ray (Margie) Slatten was absent from her duties at the school lunchroom last week to welcome into the world a new granddaughter.

The baby, daughter of Mr. and Mrs. Jack Slatten of Baker, Okla., was named Jill Marzelle. She was born September 5 at 3:15 in the morning.

The parents have one other child, a son, Jake. He is ten months old. The mother and premature baby are reportedly in fine condition.

Margie left for Baker via bus September 7 and returned September 12. Mr. Slatten and daughter, Pat Choate, and children met her in Amarillo.

CARD OF THANKS

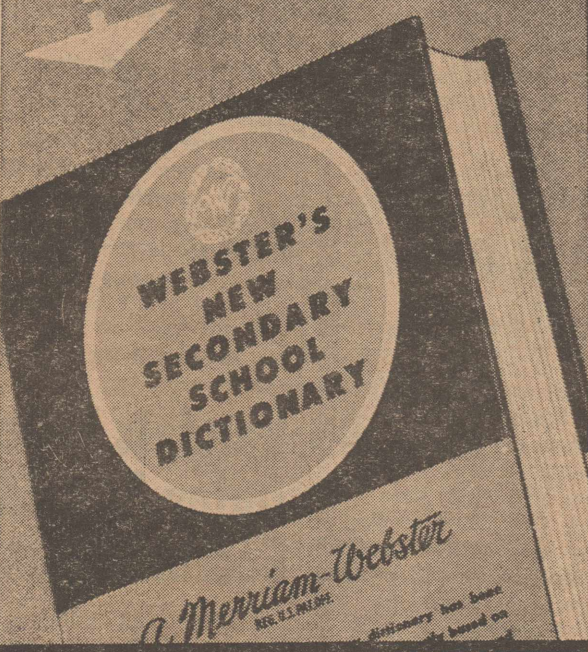

We are deeply grateful to the Olton Fire Department and our friends who helped us so much in saving our home and furniture from being destroyed by fire. We could not have saved it without your help. We thank you from the bottom of our hearts.

HART CAMP

BY MRS. BLANTON MARTIN

Mrs. Walter Brian, Alamogorda, NM, is visiting in the home of her daughter, Mrs. Roy Osthus. Rev. Brian is currently holding revival services in Tucumcari.

Mary Scribner of Olton spent Thursday afternoon in the Blanton Martin home. Mary, accompanied by her parents and brother, went to Denton Saturday, where she will attend North Texas State College.

Revival services at the Baptist Church ended Sunday night. Rev. John Jenkins, Woodrow Baptist Church, was the evangelist and Gerald Qualls, Fieldton, led the singing. Mrs. Jenkins, district Girls' Auxiliary director, and her three children attended church Saturday night. Gerald's parents, Mr. and Mrs. Marvin Qualls, also attended services during the meeting.

Mrs. Frank Roberts returned home Friday after a week's stay in the hospital. Her son-in-law, Pearson Adams, returned to his home in Bovina Saturday after being hospitalized all week in Lubbock.

Mr. and Mrs. Louis Ball spent the weekend visiting their children, Mr. and Mrs. Billy Pierce and baby, and Mr. and Mrs. Richard Atterbury, of Odessa and Guadalupe. Their grandson, Scott Ball, accompanied them on the trip.

Mr. and Mrs. Duane Field are parents of a little girl, Charlesie Lou, born recently in Littlefield. The Fields have two other daughters, Tina and Sinda. Mr. and Mrs. Jude Muller are

Doris Cruce Will Head Annual Staff

Doris Cruce was chosen editor of the 1959-60 Mustang at a meeting of the annual staff. Each student competing for the honor set up a dummy annual. Competitors were judged on the basis of their general outline of a yearbook.

Koenia Schenck and Prissy Bostick were named associate editors. A junior, Gayle Ann Parsons, was chosen assistant editor.

The rest of the staff was chosen by the journalism class. Roy Neal Jones and Prissy Bostick were named business managers. Phil Neinast, Gayle Machen and John Wayne Hair will edit the sports news.

Doris Cruce and Gayle Ann Parsons are in charge of school activity features.

Personalities editors are Johnny Beth Crawford and David Morrison, and class news will be handled by Koenia Schenck, Elaine Jones and Charlene Taylor.

Winifred Hair and John Burrow will be in charge of advertising. Gayle McAnally will be copy edi-

tor. Photographers for the annual are Judith Chester and Jerry Mathis.

The Mustang is composed in journalism class by the students taking that subject. Members of the staff are presently selling ads for the annual which will be delivered next spring.

Dramatics Club Formed In OHS

Officers for the newly formed OHS dramatics club were named Monday afternoon in an organizational meeting.

Sponsored by Mrs. Joe Harper and Clifford Curry, the club's charter officers are as follows: Terry Gail Hooper, president; Harvie Jordan, vice-president; Judith Chester, secretary.

Barbara White, treasurer; and Gayle McAnally, reporter.

A name has not been selected by the club, whose membership will be limited to thirty students. The limit is placed because of the many activities planned by the club. Interested students may try-out for the club.

Members of the club at the present time all participated in some speech activity this past year.

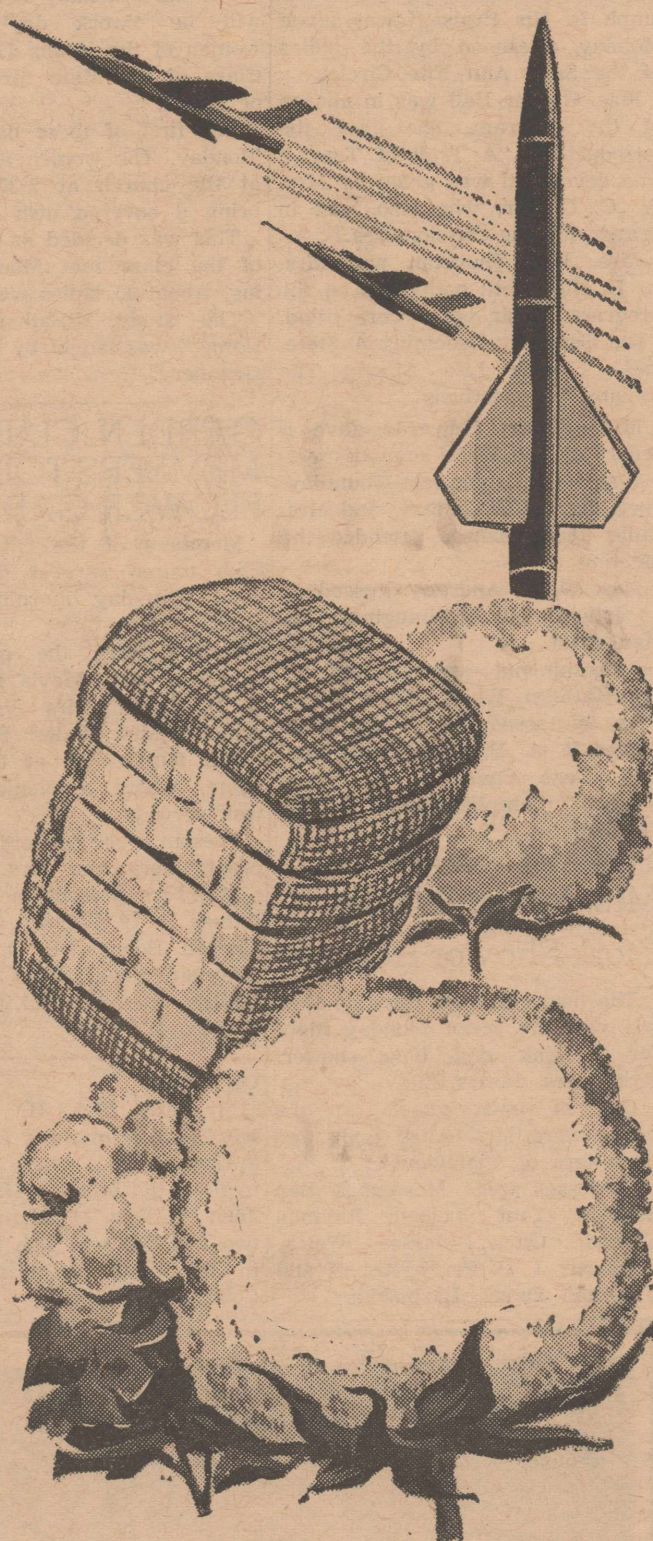

The group hopes to establish membership in the National Thespian Troop, an organization of amateur actors and actresses.

A rules and regulations committee will meet Monday at 6:00 PM in the high school library. This committee is composed of the club officers, Judy Pinson and Jarold Simmons.

Each member must attend at least six meetings of the club during the school year. Members must also notify the secretary of the reason why they are unable to attend. Missing three meetings

of the club without good reason will dismiss a student from the club.

Meetings are to be at 7:00 PM the second Monday of each month in the Home Economics Cottage. Four members will be hosts for each meeting.

Girl Scouts Name Officers Recently

Girl Scout Troop 177 has met twice recently, electing officers during their first meeting.

Named president was Mary Roberts. Other officers are Dianne Thompson, vice-president; Paula Jones, secretary-treasurer; Cherri Langford, reporter and Sharon Low, song leader.

Patrolman Mullins of the Highway Patrol spoke on bicycle safety as the troop met for the second time. After the talk, the troop journeyed to the Roadside Park for a sack lunch.

Potet Home Scene Of Shower For Mrs. Terry Don Allen

Mrs. Terry Don Allen, the former Miss Joe Ann Cobb of Athens, Ala., was the honoree Thursday, Sept. 10, at a post-nuptial courtesy.

The shower was in the home of Mrs. Lee Potet. Approximately 50 women called during the hours of 2:00 to 4:00 PM.

Guests were greeted and registered by Mrs. Glen Exter and Mrs. Arthur Wood, respectively.

Mrs. Allen was given a set of cookware by the hostesses, who also gave her a pink carnation corsage for the shower. Special guest at the affair was Mrs. Sidney Allen, mother-in-law of the honoree.

Mrs. George Kidd and Mrs. Arthur Couch served punch and cake. A pink and white motif was used in the serving table decorations.

The table was laid with a white cutwork cloth over pink, and pink roses centered the table.

Hostesses for the affair included Mesdames Exter, Clovis Potet, D. M. Granbery, Andy Powell, Kidd, J. W. Huckabee, Couch Bill Bennett, M. G. Brown, Lloyd Hardy, Doyle Davis.

Don Williams, Euel Jones, Tom Carlisle, Willie Gene Green, Lee Potet, Wood and Bill Smith.

Project Committee Plans Discussion

Two guests were present Tuesday noon at the Women's Division of the ORC, as they met for a salad luncheon.

The women met at the First Methodist Church Fellowship Hall.

Guests were Mrs. Rex Chitwood and Mrs. Morrison Asman.

It was announced that the project committee, composed of Mesdames A. D. Melton, G. H. Bley, R. V. Allcorn and Fred Thompson, are to meet with other members of the ORC to discuss possible projects.

Twelve members of the club were present.

Danny Smith Feted At Recent Gathering

Danny Smith was the honoree at a chicken barbecue Sept. 5 at the Bill Walden home. Danny was home on leave from California.

Attending were Mr. and Mrs. A. A. Smith, Mr. and Mrs. G. T. Sides, Mr. and Mrs. Bill Walden and children and Mrs. Danny Smith of Amarillo.

Coffee Introduces Mrs. Rex Chitwood

A coffee introducing Mrs. Rex Chitwood was held Tuesday in the home of Mrs. Elmo Bryant. Guests registered from 9-11 AM.

Silver and crystal appointments were used. Fresh flowers decorated the party rooms.

Mrs. Lewis Botkin and Mrs. Glen Exter presided at the silver coffee service.

Hostesses for the affair included Mesdames Bryant, Botkin, Exter, W. M. Smith, Lem Roberson and Richard Roberson.

Mr. and Mrs. Chitwood and family have recently moved here from Lewisville. Mr. Chitwood has taken over Thomas Insurance. The Chitwoods have two children.

Tournament Planned Tuesday For Women

A points for Putts tournament will be held Tuesday morning at the ORC Golf Course.

Points will be based on one putt, five points; two putts, three points; and three putts, one point.

Mrs. Major James has announced that the ladies entering the tournament do not to have a previous game card to enter.

Ladies Auxiliary Into Two Circles

Ladies Auxiliary of the Cumberland Presbyterian Church has been divided into two circles to study the nature and mission of the church.

A meeting of the Ruth Circle was held recently in the home of Mrs. G. A. Bodkin. A joint meeting of the two circles was held in the church auditorium. Mrs. Merle Snyder was in charge.

Mrs. Daugherty Hosts Breakfast For Vloss'

Mr. and Mrs. Gerald Vloss were the honorees Monday morning at a breakfast. The couple are from Louisville, Ky.

Mrs. Frank Daugherty was hostess. Present were Messrs. and Mesdames B. C. Daugherty, Raymond Carson and Frank Daugherty.

Revival Set At Trinity Mission Church

Revival services will begin Monday night at Trinity Baptist Mission. Evangelist will be Rev. Lazaro Hernandez of New Braunfels. Services will be held at 8 o'clock each evening. The revival will continue through the following Sunday.

Methodist Class Will Hold Supper

The Methodist Homebuilder's Class will have a covered dish supper Saturday night. Mrs. A. J. Spain announced it will be held in the Fellowship Hall of the church and will start at 8 o'clock. All members of that class are invited to attend. Each member is asked to bring a covered dish.

Speech Course To Be Offered At Night Here

An extension course in business and professional speech is being offered in Olton. The three-hour Tuesday night sessions will earn the student three hours of college credit. Classes will be held until the end of the first semester of school. Dr. Sylvia D. Mariner, Texas Tech, is teaching the course. The fee is \$30.00. The group meets each Tuesday in Room 13 of the high school building, from 6:30 to 9:30 P.M. About ten more persons are needed, however, to fill the enrollment quota.

For details, or for enrolling in the course, persons may appear at classtime next Tuesday evening, or call Mrs. Barton Prestridge, Mrs. Mardema Ogletree or Mrs. E. R. Spain.

Colored Church To Be Dedicated

Area Negro congregations of the Church of Christ will help the Olton Colored Church of Christ dedicate its building Sunday. Singing, preaching and lunch on the grounds has been scheduled. The Olton congregation has held services twice each on the previous two Sundays.

New Bowling—

(Continued From Page One) completion may be done. Hardwood needed for construction of the alleys should be here sometime this week, according to Jesse Watson, proprietor. The bowling alley will have eight lanes and will include also a fully equipped snack bar. In addition to the bar there will be tables and chairs installed for the relaxation of bowlers. Mr. Watson will carry a complete line of bowling equipment, including shoes, bags and balls. Locker facilities will be available for the use of the bowlers. The bowling alley is being constructed under the supervision of Jesse G. Watson, his cousins, L. G. and Earl Watson, and his son-in-law, Kenneth Henson, who are all interest holders in the concern. Most of the night bowling leagues have been filled. However, a few vacancies may be available. All interested should contact Mrs. Frank Struve, league chairman. Also those interested in forming morning or afternoon leagues may receive information concerning them from Mrs. Struve.

Band Parents Meeting Slated Tuesday Night

Plans for the new school year will be made Tuesday night by the Band Parents. The group will meet in the High School Auditorium at 7:00 o'clock. Election of officers will be done at this time. All parents who have children that are band students in the fifth grade and on up are urged to attend.

The Ford Falcon, first of America's new-size cars, represents a "breakthrough" in automotive design that may materially alter the future of the automobile industry. The Falcon Fordor shown here is more than two feet shorter and three-quarters of a ton lighter than a standard 1959 Ford. Yet, the Falcon is a six-passenger car, with interior roominess approximating that of standard models.

see considerable service. Robert Duncan has moved into the backfield and Coach Turner confided that he probably will be playing halfback from now on. Bobby Brown has been moved to right end and Phil Neinst will play end part of the time. The Wildcats have two extremely fast backs in the persons of Max Ball and Jerry Koller. Some other standouts are Bo Roberts, who does a fine job at guard, and Marsh at end. Coach Turner said Littlefield's average team weight is 170 pounds per man.

hail which would ordinarily tend to discourage spending. Brown and Miller representatives have expressed satisfaction with the cucumbers produced here and have indicated that considerable acreage will be contracted in the Olton area again next year. Olton cucumbers this year were shipped to Texarkana, Detroit, Texas, as well as to Mississippi and New Orleans.

Smith Grain—

than the wider row crop. Mr. Jones also discussed his recharge well. He pointed out that he has reclaimed the land from a lake as well as saving much valuable water. He said the lake bed is now some of his most fertile soil. Next stop was at variety test plots on the Don Spain farm west of town. There the group saw a new variety of hybrid grain. On the Spain farm, the group also saw tests of Gibberellin plant growth substance. It was being used on cotton and observers believe it may have helped to set more bolls.

The group also saw a sesame plot on the Spain farm and then went on to the Brent Burrow place for a look at double and single row soy beans. Brent says he believes the 20-inch rows will out-lead the standard row crop. The group was informed that nodules on the soy bean plants will fix from 30 to 50 pounds of nitrogen per acre, worth \$2.00 to \$2.50.

At the Dewey Moses place southwest of Circle the farmers saw permanent pasture.

From the Moses place the group continued to the Drexel Lawson place. Members of the party took a look at the three steers and a heifer, which constitute the FFA projects of Gary and Jimmy Lawson.

Drexel showed a patch of cotton on which he put 20 ton of burrs per acre. He watered a part of it twice but only watered every other row. The remainder he watered only once. The cotton watered only once appears to be the better.

Congratulations To

Mr. and Mrs. Jose Cordero, Olton, on the birth of a daughter, Teresa, weighing 8 lbs., 2 oz., at 10:43 P.M. Tuesday, Sept. 8, in the Community Hospital and Clinic. Teresa is the first child of the couple.

Smith of Hale Center. Grand champion mare was shown by Tommy Lewis of Olton and Holland Pony Farm of Perryton showed the reserve champion mare.

Holland Pony Farm of Perryton showed the Grand Champion Registered Stallion. Parade results included Gary Dickenson first place for best groomed pony and boy rider and Ben Akin was second. Marland May took first place for best groomed pony and girl rider and Chesna Dickenson was second. L. A. Smith was first for best horse-drawn vehicle. William DeBerry placed second. Olton Band was the best represented organization.

Spectators and exhibitors came from all over the area and some from as far away as Perryton in Ochiltree County.

"Growing from 65 to 101 entries, Olton's non-professional pony show still is making strides through the efforts of a few club members," declared Archie May, show chairman. "These members have a desire and see the need for a 'poor boy's' show where the country boy and his kids can exhibit their ponies without competing with millionaires. Olton boasts the only strictly non-professional show in this area and club members credit a big part of its success to Olton's merchants and community support."

Hi-Plains Board Meets Next Week

The board of trustees of the High Plains Research Foundation will hold their annual meeting at McGrath's dining room in Plainview at 11 o'clock the morning of Sept. 24th. The dinner meeting will precede the annual field day that afternoon at the research farm at Halfway.

At this meeting, the board of trustees set the research program for the Foundation for 1960 and decide the budget for the 1960 operations. Mr. Harold Hinn, chairman of the board of trustees, announced today. This will be the first meeting of the board of the new Foundation since its creation in May 1959 following the separation from the Texas Research Foundation. Prior to that date, the research station was operated as the High Plains Station of the Texas Research Foundation.

At this meeting, the board of directors and executive committee will be selected to serve during 1960. Committees for the various activities of the Foundation will be appointed at this annual meeting. These committees will be composed of members of the board of trustees and additional members outstanding in the various fields of activity in which research is being conducted at the foundation at Halfway.

Following the annual meeting, the members of the board of trustees will be host to the large number of visitors who will tour the Foundation farm during the annual field day Thursday afternoon.

Members of the board of trustees from Olton are D. M. Granbery, I. B. Holt, Louie Mack Hardy and Cleo Smith.

Medallion Homes On Display Sunday

BY—CELIE WALDRIP
A rise in the popularity of the Medallion Homes in Olton may be witnessed by the fact that there have been four such homes recently completed here.

Three bronze Medallion homes have been completed. The bronze medallion signifies that the house is semi-electrical. The gold medallion denotes that electricity is used throughout. The Cleo Smith home is a gold medallion home. Bronze medallion home owners are the Elmo Bryants, Charles

McClains and the Garrett Bleys. The Bley home will be open for public viewing Sunday from 2-5.

While none of the family is overlooked in the design of these new homes, the builder has taken cognizance of the fact that the kitchen is the heart of the home and the area in which the homemaker will spend the majority of her time.

To make homemaking more pleasurable, all electric kitchens have been installed in each of these new homes . . . ovens,

ranges, dishwashers and waste disposers. The kitchens are very large and in some cases include also a dining area and den.

McClain Home
One of the first homes completed was that of Norma Lee and Charles McClain. It is a large white brick with pink casts. Norma Lee and Mrs. Quentin Redinger drew the floor plans. The carpenters were Elbert Hooper, Joe Hall and Bill Lunsford. Bricklayers included Clyde Truelock and James Martin. Higginbotham-

Bartlett furnished the building supplies.

House painters were H. B. Maxey, Jr. and Bobby Daugherty. Cabinet tops, tiles, all appliances, carpet and furniture came from Parson's Furniture.

Drapes for the entire house were made by Mrs. Joe (Betty Jo) Hall. The appliances in the McClain home are all Frigidaire. The heating and cooling system is central and electric.

Norma Lee and Charles' home has three bedrooms, two baths, a living-dining, and kitchen combination separated by a large tiled bar, a utility room and double garage. It is furnished in modern style. The entire house is carpeted with a highland tweed carpet in colors of brown, black and beige. Unique woven curtains in the living room are of pink wool yarn.

Charles A. and Debbie, the McClain children, have rooms of their own furnished in styles of their own choosing. Charles A's room is furnished in a rough-textured limed-oak with the massive pieces resembling the ranch oak style of furnishing.

Debbie's room is furnished in modern maple. Her colors are aqua and beige and her accessories are light, feminine and typically little-girlish.

The children share a large, well-lighted tile bath with built-in dresser and mirror covering an entire side of the wall. The other bath is smaller with built-in mirror and shelves and is adjacent to the master bedroom.

The warm brown tones of the entire home are relaxing and subtle. The large living, dining kitchen area is tastefully decorated and adequately proportioned and furnished for family livability.

G. H. Bley
The G. H. Bley home, a large Hackberry brick home with peach tone facade, is nearly completed, but not yet occupied.

The Bley home has a kitchen and dining area of birch and parana pine, separated by a built-in electric range and bar. It also contains two large bedrooms, two and 1/2 baths, living room, family room, study, and entrance foyer. It has a double garage, a patio, a cellar, and a general storage room connected with the garage.

The house has central heating and cooling, touch plate light switches and two water heaters. All appliances are built-in and electric.

Carpenters for the Bley home were Gordon-Stevens. Painter was H. B. Maxey Jr., and bricklayer was Clyde Truelock. All plumbing was done by Ed Truelock. The contractor was Higginbotham-Bartlett.

Garrett and Lora's new home is furnished with contemporary to modern furniture and the predominant color is an antique or "Maxey" white.

Rose-brown and green tones are used throughout the house, with the exception of their daughter, Carmen's, bedroom and bath which are done in pale blue, pink and lavender. Carmen planned her own room and bath and they are built to her specifications. The entire house is carpeted with a sugar-maple brown wool carpet.

An Arizona stone fireplace is the dominant feature of the family room. The fireplace is wood-burning and is accented by the modern area lighting of the room. Six foot folding doors separate the family room from the patio.

Garrett's study is paneled in a warm brown tone and includes a built-in desk, bookcases and two large closets. It has an outside entrance as does the master bedroom.

The master bedroom contains two large closets, one of which is lined with cedar and both of which contain built-in chests and drawers. It is done in white, beige, brown and green.

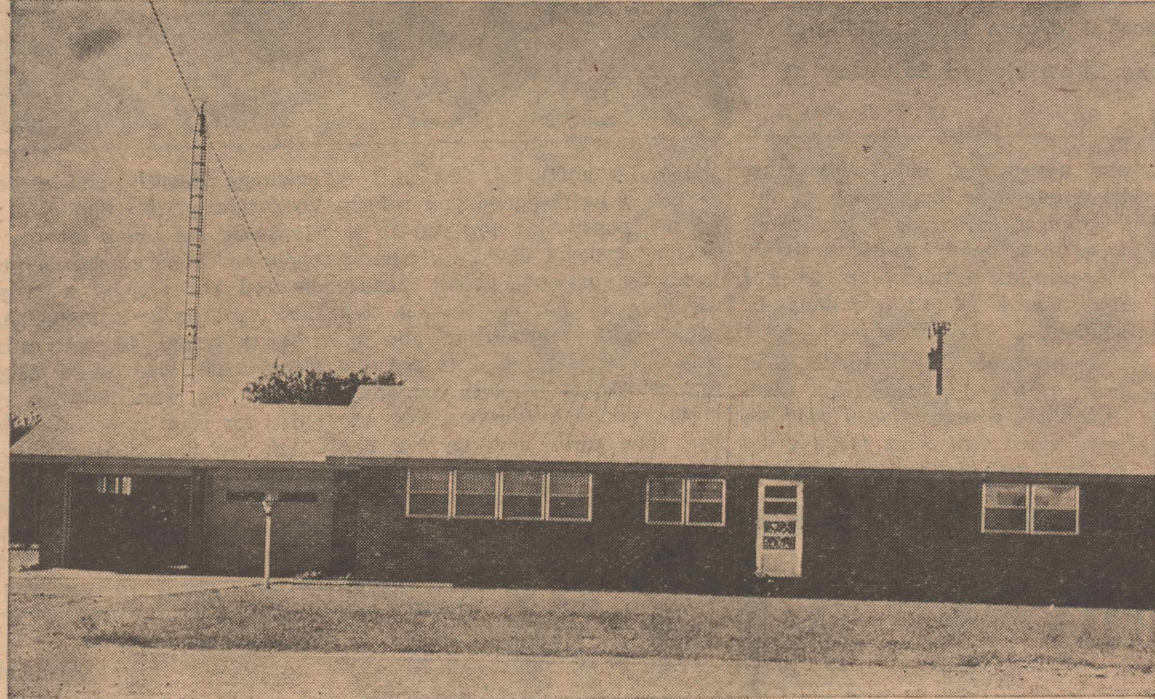

This is a lovely, restful home with subdued coloring in furnishings. It includes every convenience a homemaker as well as the rest of the family could wish for.

Cleo Smith
The Cleo Smith family has recently moved into its new gold medallion home. It is a very large beige brick with a little darker trim. The outside of the house is accented by the wide mahogany doors and gold attachments.

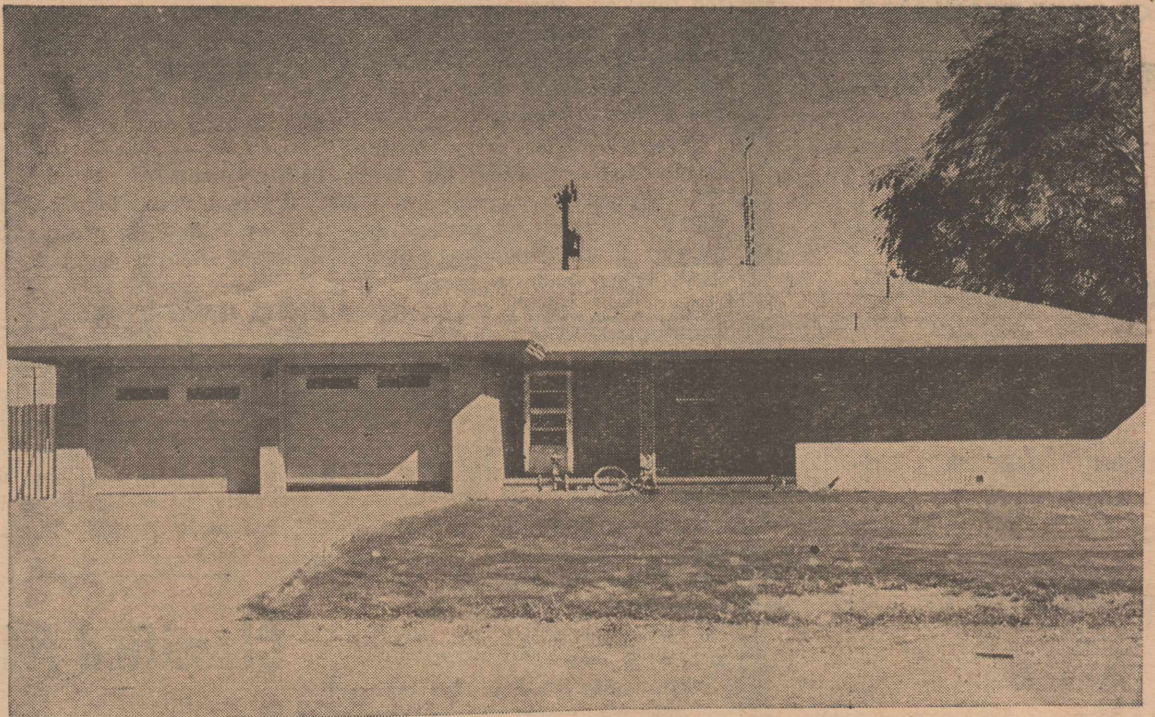

The Smith home contains three bedrooms, a living and den combination, a kitchen and family room with a dining area, three tiled baths, a double garage and a patio which runs the entire length of the house and is accessible by sliding glass doors. It also has a basement which will be made into a playground for the three Smith children.

Elbert Hooper was the builder of this beautiful home. Bricklayer was Clyde Truelock and painter was H. B. Maxey, Jr. The supplies

well-planned and beautifully designed both inside and out to provide charm and comfort for its owners.

The medallion, a symbol of modern building and living presented by the Southwestern Public Service Company, is an example of the growth of the housing industry. The manner in which such an industry serves the community and the nation is gauged by its growth. The maturity of this industry has played a major part in making the United States the best-housed nation of the world.

The homes of this city, built under the auspices of the Southwestern Public Service, may very well speak for themselves as to the comfort, livability and beauty the Medallion symbol offers.

Mr. and Mrs. Bley will hold open house in their new home Sunday afternoon from 2-5 PM. People of the Olton area are invited to inspect the home during this time.

Saturday's Shetland Pony Day parade was enjoyed to the utmost by both the kiddies who participated and by those who saw it from the sidewalks. In the first panel a segment of Olton High School's high stepping Mustang Band is shown on parade. In the second panel is a part of the old West in miniature. The old-time conveyance is drawn by a shetland pony. The little girl in the picture at extreme right seems to be enjoying her Shetland ride immensely. All was a prelude to Olton's annual Shetland Pony Show staged Saturday at the FFA show barn.

The Cracker Crumbs

By Celia Waldrip
 This time of the departure of our young people to embark upon college careers of their own, recalls to my mind my first impression of college life. I vividly remember that day when I watched my little array of green-

stamp samsonite and thundered off to that glorious never-never land of college. All thoughts of the redundancy of my lackluster high school days were left behind as I careened the overloaded car around the last curve and headed for the city of the magic words—dorms, dates, UB conclaves, parties, convertibles, Greek letters and especially new and exciting male faces (reportedly all like Malborough ads.)
 Soon enough I learned the city was teeming with magic words alright, but they came fuming from the cauldron of the old witch who shouted "Bubble, bubble, toil and trouble." Books, fees, profs, grades, check-ins, check-outs, and Dean of Women were some of the

many epithets I learned. Other inevitable factors I discovered were that all college men did not look like Malborough ads; one needs to attend class at least once a day; one never, never has enough sweaters; and one is always, always over-drawn. Also I learned from experience that pink slips bearing grades must not be taken home to parents; house mothers may not be cajoled into adding an extra fifteen minutes to lights-out time; and semester-long parental permission is the most wonderful thing in the world, but available only to orphans or girls with less Victorian parents.
 Upon the event of my being invited to a fraternity week-end party during one of my first months at school, I received a letter from my mother which at the time I considered very narrow

and nauseating, but which must have left some impression on my recalcitrant mind as I have kept it to these many years, probably to serve as a model for those I may have to write to my daughter someday.
 At any rate I will quote it in part, as I now consider it a jewel of advice, though once I wouldn't have given two cents for a gross of them with the author included.

Dear Daughter,
 Yes, I have signed and returned the permission for you to go on the weekend Jag . . . what a lovely expression! . . . not because we approve for we do not, but because we realize that our approval or disapproval is not the immediate concern with you, simply the signed permission. We realize that from now on we can act only in an advisory capacity, if at all. All we can do is offer our ideas and the small amount of knowledge we have gained by experience, and hope you will try a few of them on for size, and find some of them to fit.

Frankly, I think you are too involved with out of town trips, dates, parties, fraternity la-de-da, and boys, to really anticipate, appreciate, or enjoy any of them. You are spreading yourself too thin, and that may mean the difference between a pancake and a crepe-suzette. For a steady diet the corn meal hoe cake will stand you in better stead.
 Personally I am very short on information concerning the Signa-Phi-Nothings in general and one Bill Smith (such an unusual cognomen) in particular. Although I don't know the chaperones . . . (oops! . . . there's that verboten word again. Even now that you've reached the age of . . . shall we say . . . unaccountability, we are still apt to let that horrible word crop up now and then) it is somewhat of a comfort to know that there will indeed be some!

I know you think we make an issue out of everything, but that has been the wail of children since the beginning of time . . . so be patient with us, we certainly are with you.
 Concerning your grades we received: we were delighted that you made an A in English, but couldn't possibly see any reason for you not having done so as you have been speaking that language fluently and sometimes vociferously for eighteen years. However, the blank for the grade opposite Theory seems to be covered entirely by a large ink blot . . . or is it tears? At any rate it would be interesting to learn what was there originally as well as what became of the cards for your other five subjects.
 Am sending you some more money in case you see something you need as we cannot possibly know what articles of clothing one carries on a JAG! Don't blame us too much if we hope you have a miserable time and never want to go on another one!

Love, Mother

THE HART BEAT

Maroons Fall 28-12 Before Amherst Squad

Amherst Bulldogs defeated the Hart Longhorns by a score of 28-12 in a non-conference clash at Longhorn Stadium. The first quarter saw a Longhorn drive stopped short of the goal, on the five yard line where they lacked inches making a first down.

In the middle of the second quarter, a blocked punt by the Bulldogs gave them the ball on the Longhorn three yard line. Three plays later, halfback James Breeshears went over for the TD. Edwards ran the extra point. Late in the same quarter, Breeshears caught a pass and went over for another score. At half time, the score was 14-0 Amherst.

Longhorns received the second half—and didn't relinquish the ball until fullback Connard Riddles had scored on a three-yard jaunt.

In the fourth quarter, Amherst scored with Edwards going seven yards. After receiving the kick-off, Hart attempted two passes which were incomplete. With third down and still ten to go, quarterback Larry Lee rolled out around

right end for 80 yards and a touchdown.

Amherst came back with less than a minute to play, and scored with Ray Edwards going 17 yards. Breeshears ran the extra point.

Connard Riddles, Orville Hughlett, Gene Johnson and Gene Varner played outstanding defense for the Longhorns.

Other Longhorns to see action were Larry Lee, J. D. Myrick, Ralph Myrick, Lonnie Wall, J. T. Stanton, Mike Morrison, Johnny Mousner, Donald Ray Clark, Eufemio Rubalcaba and Richard Figueroa.

Hart plays Lakeview at Longhorn Stadium Friday night at 8:00 o'clock. Coach Shelby said all the boys were in good shape except J. D. Myrick, who may see only limited service, if any at all, due to injuries.

Hold Longhorn Pep Rally Friday

Hart pep squad demonstrated school yells last Friday at a pep rally in the block south of Farmers State Bank.

Supt. Paul Kennedy and several teachers gave pep talks as did some of the students. Pep talks were given by Casey Jones and Norlan Dudley.

Bud Steiret Receives Award As Outstanding Commander In District

Bud Steiret was named outstanding post commander of the American Legion 18th District at a convention in Dalhart Sunday.

Steiret, out-going commander, received a state award in connection with the honor. Concurrently, Hart's Post 311 turned in the largest number of members in the 18th district, and ranks fourth in the state. There are 60 local members.

Membership goal for 1960 in Hart is 87 members.

361 Enrolled In Hart School

School Supt. Paul Kennedy announces an enrollment in Hart schools of 361 students.

This number is lower than last year's enrollment at the same period, but Supt. Kennedy states it is possibly a "more permanent enrollment."

Students in the first three grades are served lunches for 30 cents each, with milk in the afternoons at 2 cents per glass. Lunches in other grades are 35 cents, with 5 cents for extra milk.

Scarlett Beeson Is Annual Editor

Scarlett Beeson has been selected editor of the Hart High school Annual.

She will be assisted by Patsy Curry as assistant editor. Other staffers will be Betty Stone, art editor; Gene Johnson, photographer; Allen McLain, sports editor; Tommy Lancaster, feature editor; and Vera Irons, copy editor.

Annuals will go on sale September 21 for \$3.50 each.

Lions Enter Castro Parade

Deputy District Governor Har- der of Tullia spoke to the Hart Lions Club Monday on Lionism.

At the same meeting, Earl Brock of Southwestern Public Service Co., Dimmitt, presented a film entitled, "Our Friend, the Atom." There were 28 present, including guests, Jim Height, Jesse Leonard, Glyn Reed, Gene Ivey, Walter Walker and Stanley Shaeffer.

It was decided that the Hart Lions enter a float in the Castro County Fair parade this week.

Boys Unhurt When Auto Strikes Calf

Five Hart boys escaped injury Saturday night when the car in which they were riding hit a calf and overturned.

Driver of the car was David Irlbeck. Riding with him were Bobby Ward, Clifford Rowland, Wayne Curry and Dwayne Brown, all of Hart.

They were driving along a country road at the time of the accident. They were trapped in the car, but kicked out the windshield and escaped.

High School the preceding Spring? In the case of 1959 grads, 75 percent of them can be found in classes of higher learning. Four of the remaining five will be farming.

Here is a run-down on Hart students who are enrolling as college freshmen this month:

Tea Favors Future Bride Tuesday

Miss Jonalyn Alldredge, bride-elect of Weldon Jones, was honored at a shower Tuesday afternoon in the home of Mrs. C. O. Burt.

The honoree's chosen colors of bronze and white were used throughout the house. The serving table was laid with a white and gold linen cloth. Appointments were of milk glass, and the center piece was of bronze Fall flowers, accented with wedding bells in gold and white.

Guests were greeted by Mrs. Burt and presented to Miss Alldredge and the bridegroom-elect's mother, Mrs. Worth Jones.

Assisting with hostess duties were Mesdames Willis Hawkins Sr., T. B. Cox, Roland Shepard, Lloyd Farris, D. L. McLain, Ed Harris, Homer Hill, Buford Hayden, Furche Riley, C. B. Martin Jr., and Charley Sanders.

More than 30 guests were registered, including out of town guests Mesdames George Rousser, Claud Jones, R. V. Fields, Grady Rousser, Bence Jones and Ernest Jones.

Pink And Blue Fetes Mrs. Smyth

An informal layette coffee September 8 honored Mrs. Aubrey Smyth, in the home of Mrs. Edd Bennett.

Assisting Mrs. Bennett were Mrs. Theron Morrison and Mrs. David Nelson. Guests included Mesdames Bob Bennett, T. U. Smith, Paul Armstrong Jr., Earl Jones, Lee Crouch, Willis Hawkins Jr., Dudley Aven, Ernest Lee Brooks, Rex Bell, E. E. Foster, L. J. Rice and Wamon Foster.

Miss Harris, J. E. Anthony To Marry

Mr. and Mrs. Lee Harris, Hart, announce the engagement and approaching marriage of their daughter, Sharon Sue, to Jesse Edward Anthony.

The prospective bridegroom is the son of Mr. and Mrs. J. E. Anthony, Vernon.

The wedding will be solemnized Sept. 19 at 7:00 PM in the Second Baptist Church, Vernon.

Miss Harris was graduated from Lockett High School, and has been employed by hospitals in Vernon and Frederick, Okla. She attended Wayland Baptist College, Plainview.

Mr. Anthony was graduated from Vernon High School, and served two years in the United States Army. He is presently employed with the Baggett Glass Shop in Vernon.

EVENING CIRCLE ORGANIZED BY METHODIST LADIES

The first meeting of the evening circles of Methodist WSCS was held September 7 as an organizational coffee.

Mrs. Paul Kennedy was elected chairman of the new group, and Mrs. Wamon Foster was appointed recording secretary. Other officers will be named at the next meeting, September 21.

It was decided that regular meetings will be held the first and third Monday nights at 8 PM. Unless a specific invitation is given the group to meet in the home of a member, meetings will take place in the church fellowship hall.

Mrs. Ed Harris will be hostess for the next session, with the program to be presented by Mrs. Theron Morrison.

At the first meeting, Mrs. Darris Egger led a discussion on the purpose of the WSCS, in both community and worldwide levels. A zinnia centerpiece was arranged by Mrs. Homer Winnett and zinnia corsages were presented to guests.

Present were Mesdames Lee Crouch, Darris Egger, Bonnie Davis, Lanny Tucker, J. V. Wescott, Ernest Lee Brooks, Aubrey Smyth, J. D. Murray, Bill McCarley, Joe Bailey, Paul Kennedy, R. C. Bailey, Earl Jones, Bill Bell, Clarence P. Drake, Fred Lilly, Theron Morrison, Ed Harris, Wamon Foster and Edd Bennett.

A joint meeting of both the new evening and the regular day circles is slated for 4 PM today. It will then be decided when the joint monthly business meeting will be scheduled.

Miss Alldredge, Mr. Jones Repeat Vows Saturday Afternoon In Dimmitt Chapel

Mrs. Weldon Jones

An archway entwined in greenery and bronze satin bows, flanked with baskets of bronze mums and burnt orange gladioli, formed the setting for the marriage of Miss Jonalyn Alldredge, Dimmitt, and Mr. Weldon Jones, Hart.

Rev. Lyman P. Wood, Pleasant Valley, read the double ring ceremony in Dennis Chapel, Dimmitt, Saturday afternoon.

A duet, "Walk Hand in Hand With Me," was sung by Miss Joy Walker and Mrs. Truman Touchstone, accompanied by Miss Judith Clevinger at the organ. The two also sang "The Wedding Prayer" as the couple knelt on the prayer bench draped with white and bronze satin.

Bride Wears Satin
Given in marriage by her father, the bride chose a gown of ivory satin, styled with a princess waistline. The bodice was of lace, and the sleeves were of bracelet length.

The veil was fashioned with a headband of lace and pearls with tulle veiling. The veil was designed by the bride.

The bride carried a cascade bouquet of white orchid and stephanotis on a Bible, which was the gift of the bridegroom.

Omata Bradley was maid of honor. She wore a burnt orange taffeta dress designed with a full skirt and high belt. Her feathered hat matched her dress. She carried a fan with gold bronze pom-

pom mums.
Sister of the groom, Jeton Jones, was flower girl. Her dress was of brown polished cotton with a burnt orange sash.

Mrs. Morman of Allenreed, wore a blue wool dress and a corsage of gold bronze mums. Mrs. Morman is an aunt of the bride.

The groom's mother, Mrs. Jones, chose a brown wool dress. Her corsage was also of gold bronze mums.

Best man was Kinny Hill. Ushers were Gerall Alldredge, brother of the bride, Thurman Clay, and Clinton Hollaman.

The reception was held in the home of Mr. and Mrs. Ralph Smith. The bride's table was covered with a brown linen cloth, with an arrangement of garlands of gold pom-pom mums and silver candleabra on a mirror edged with burnt gold, ruffled with lace.

Charlotte Mears registered the guests. Mrs. E. C. Cawdle, and Mrs. Weldon Talley, Lawton, Okla., sister of the groom, served cake. Misses Nelda Bagwell, Joy Walker and Mrs. Truman Touchstone poured punch.

Members of the houseparty were Mesdames Weldon Bradley, Kim Howe, Ivor Bagwell, Gene Ivey, Cecil Curry, S. T. Newman, Bruce Wooddell and Ralph Smith.

The bride's going away costume was a blue knit suit, with navy and white accessories. The corsage was a white orchid.

After a short wedding trip to New Mexico, the couple will be at home on a farm west of Hart.

Parents of the couple are Mr. John Alldredge, Dimmitt, and the late Mrs. Alldredge; and Mr. and Mrs. Worth Jones, Hart.

Mrs. Jones is a graduate of Dimmitt High School, and attended West Texas State College, Canyon. She has recently been employed in Amarillo. Her husband is a graduate of Hart High School. He also attended WTSC. He is now farming near Hart.

Students To Hear Driving Discussed

Students of Hart High School will hear a lecture on automobile driving this morning (Thursday) at 11 AM.

This will be the first of a two-part directed by Vernon Gayle, of the Texas Farm Bureau Safety Department. Sponsored by the Castro County Farm Bureau, the lecture is open to the public, as well as to students.

Carl Nafzger Top Cowhand At Plainview

Carl (Bugs) Nafzger of Olton was judged best all round cowboy of the Plainview Rodeo September 5-6-7. His winnings included a saddle and two silver belt buckles.

Nafzger was entered in three events, bareback riding, bull riding and ribbon roping.

In bareback riding competition he won first place and in bull riding he split first place with

Pete Toliver of Plainview. Buddy Nicholson, also of Olton, won fourth place in bareback riding and split a fourth in bull riding with Red Doyle, Happy, and John Billy Koonsman, Snyder. Nicholson's winnings amounted to \$90.00 in cash awards.

To be eligible to compete for best all round cowboy the contestant must be entered in three events. The cowboys are rated by a point system.

Two judges mark the horse or bull from 60-80 points the cowboy's ride from 1-20. After totaling their combined ratings the judges determine the best cowboy of the

Imagine a truck ride so smooth and cushioned that fragile loads can travel the worst "wash-board" roads with ease. Imagine a truck ride that virtually eliminates shimmy and wheel fight, cuts side sway on curves, makes steering far steadier and easier, keeps drivers far fresher. Imagine a truck ride that permits higher safe cruising speeds, more trips per day with all kinds of cargo over every type of road surface. Imagine a ride that keeps up to 78% of all objectionable road shock and vibration from ever reaching the driver and cargo, a design that sharply reduces twisting and fatigue forces on chassis, cabs and bodies, that keeps trucks young for extra thousands of miles. / Soon you won't have to just imagine such a ride. You can try it for yourself in the trucks that do the next best thing to paving every road in America—new Chevrolet trucks for 1960. You'll see what happens when Chevy's truck engineers design a whole new line of trucks around a whole new kind of torsion-spring suspension. These trucks are new from the ride on up—with wonderfully roomier cabs, braunier frames, style that's fresh as sixty and more! Don't decide on any new truck till you see the newest of all.

Floydada Wins Over Mustangs

Floydada's Whirlwinds hit gale-strength here last Friday night as they roared over the Olton Mustangs 42 to 0.

Randee Buchenau was again Olton's standout player looking good even in crushing defeat. The Mustangs won the toss electing to receive and defending

the south goal. Phil Neinst returned the ball to his own 34 before being brought down. On the first play from scrimmage quarterback Fred Riney fumbled the ball for a yard loss. Buchenau on a quick kick sent the ball to the 37. There was no run back. The Winds operating from their

own 37 opened their offensive game in quick order with Vickers on a pitch out around right end to the 43. Fullback Gilliland went through the center of the line to the 47 for a first down. Floydada was off side on the next play bringing up first and 15 from the 42. Vickers went

through the center of the line to the 45. A pass try from Teague to Vickers was incomplete. The Winds punted to the Mustang 20 where the ball was taken by Buchenau and returned to the 36. Priest picked up a yard and then Olton again lost the ball on a fumble.

Vickers went around right end to the Mustang 27 where he was tackled by Bobby Brown and John Wayne Hair. Pierce was off left tackle to the 24 for a first down. He was hauled in by Tommy Wilson. Teague on a keeper laterled to Vickers to the 20. Illegal motion penalized the Winds back to the 29 where it was first and 15. Pierce went over left tackle to the 19 where he was tackled by Tommy Wilson. Vickers went over right tackle to the 18 and was stopped by Brown at that point. Teague kept and went around right end to be pulled in by Priest at the 15.

It was fourth and 1. Teague made it to the 10 on another keeper. Kenneth Hooper and Hair brought him down. Vickers was over right tackle to the 7 and was pulled in by Priest and Hooper. Pierce went around left end to fumble at the 12. Bobby Brown made the recovery for Olton.

Priest went into the center for a yard and then Buchenau pounded out three more. Floydada intercepted an Olton pass but both teams were off sides nullifying the play. Buchenau kicked out to the Floydada 35.

Vickers carried to the 49, a Floydada pass to the 39, Pierce to the right side for 5 to the 34, and then Vickers down the right side line to the 30 plus a no gain carry by Pierce rounded out the first quarter 0 to 0.

As the second quarter opened Vickers went through the center of the line to the 6, brought in by Buchenau. It was first and goal to go. Pierce went around left end and was tackled by Wilson at the three. Vickers went through the center for the TD. It was the first of five touchdowns for this varsity Whirlwind back. The try for extra point was stacked up by Riney, Hair and Brown.

Neinst made a 14-yard runback from the 20 and then Olton lost the ball on its third fumble of the evening. Floydada returned the favor fumbling on the first play from scrimmage on the Pony 23. Hair picked up four, Priest one and then a fumble on the next play set the Ponies back on the 24. But it was fourth down and an impossible 9 needed so Buchenau kicked to the 50 and Vickers packed it back to the Olton 29.

Gilliland made to the 20 where he was tackled by Duncan. Pierce raced to the 10 over right tackle. He was downed by Buchenau and Hair. Floydada was off sides and was penalized back to the 25.

Vickers picked up a first down to the 19. Pierce went over the right side of the line to the 15 where he was brought down by Brown. Pierce hit the left side to the 14 and was stopped by Hair.

Feathergill threw Teague for a loss of four yards bringing up fourth and 9. Vickers went around the right side and was pushed out of bounds on the 12, short of a first down with 5:07 left in the first half.

The costliest of many Olton fumbles came at this point. Floydada recovered on the 11 yard line and in less than two minutes punched out another score with 3:01 left in the first half.

Vickers kicked to Neinst on the 15 and Phil ran it back to the 30. Johnny Schenck in at quarterback handed off to Priest who lost to the 29. Schenck on a keeper went to the 34 and Buchenau rammed to the 36. With fourth and four needed Buchenau's kick went to Vickers at the Wind 35. He ran it back to the 42 with less than a minute left. Vickers on a pass-run option decided to run and went around left end to the Olton 42 where he was hauled in by Wilson and Moss.

Vickers was shaken on the play and left the game. A pass completion to the Mustang 25, an incomplete pass and a completed pass put the ball on the 6 yard line with :02 to go.

Teague on a keeper cut back for the touchdown as time ran out. Shipley kicked the point and the half-time score was 19 to 0 in favor of Floydada.

Floydada's Vickers again kicked for the Winds, taken this time by Buchenau on the 15 and returned to the 24. A pass from Buchenau to Moss was incomplete. Riney kept but went nowhere. Buchenau passed to Hair and was complete to the 49. Hair was in the clear but stumbled and fell running hard after the catch.

Hair went around left end but was thrown for a two yard loss. Another fumble handed the ball over to the Winds on the 47.

Floydada's Gilliland went to the 43 and was pulled down by Brown. Pierce made to the 39 and Gilliland went through the center to the 30 where he was hauled in by Wilson and Buchenau. It was first and 10.

Vickers went to the 27 and was tackled by Duncan and Priest. Vickers carried to the 22 and was brought down by Hooper. Gilliland went over the right side to the 17 where Brown put the stopper on him.

Pierce picked up a yard and then Vickers went through the right side of the line for a touchdown. Pierce went around left end for the point and the score was 27 to 0 with 6:00 left in the third quarter.

Vickers kicked to Neinst on the 10. Neinst handed to Buchenau and Randee went to the 42. Olton was penalized 15 yards for clipping. From a single wing, Buchenau passed to Riney incomplete but the Winds were penalized 15 yards for defensive holding. This set the Mustangs up with a first and 10 on the 44. Priest went over the left side to the 47. From the single wing again Buchenau's pass was intercepted by Teague and gave the green clad crew the ball on the 39.

Marler punched to the 41 and then Christain carried for no gain. Christain made it to the 48 on the next play. A keeper by Teague put the ball on the 49 and gave the Winds a new lease on life. Teague kept again and went to the 44 and from there Marler went around left end for another first on the 32.

Christain carried for no gain and then Gilliland cracked the line to the 27. The same boy carried to the 24 and then was stacked up on the 23 short of a first down.

Hair went around left end to the 24 and Buchenau faked a pass from the single wing and ran 76 yards to score only to find that a clipping penalty had nullified the score. Olton had the ball on the Wind 35. Priest bored to the 32 as the quarter ended.

Buchenau went around right end to the 20 for a first down. Priest was stopped at the line. Schenck kept was tackled and laterled

to Buchenau who picked up a yard to the 19.

A pass by Priest was incomplete. On a fourth down with 9 to go from single wing Buchenau attempted a pass but was thrown for a loss to the 22 and Floydada took possession.

Seconds later the Winds scored and the score was 34 to 0.

Vickers kicked to Neinst who took it on the 10 and ran the ball to the 28. There was 7:28 left in the game. Schenck carried to the 33 where a fumble handed the ball to the Winds.

Floydada made the final score of the game with 5:06 left in the game. The final score was 42-0 in favor of Floydada. Vickers had enjoyed a field day at the expense of the hapless Mustangs.

Leading Southwestern Farmers Say— Plow Down Ammonia in the Fall

One High Plains farmer said: "I prefer to plow down Phillips 66 Ammonia in the fall on my maize land. The ammonia helps rot down residues, makes the soil easier to work. And I get high, profitable yields."

Other successful Southwestern farmers prefer to apply Phillips 66 Ammonia early on crop residues. Its 82% nitrogen stimulates soil bacteria, the bacteria rot down the residue, and return extra plant food to the soil. Phillips 66 Ammonia resists leaching . . . any unused nitrogen remains in the soil to

boost yields and profits for your oncoming crops. Another benefit of fall plow down of ammonia is getting this important task out of the way ahead of the big spring work load.

If you haven't plowed down ammonia before in the fall, talk to your Phillips 66 Ammonia distributor. He can give you names of farmers in your area who have profited through fall application of Phillips 66 Ammonia. And he'll be glad to work out the right amounts and the best time to apply the ammonia.

Order Your Supply of Phillips 66 Agricultural Ammonia Today!
