VOLUME 33

OLTON, LAMB COUNTY, TEXAS, THURSDAY, OCTOBER 8, 1959

NUMBER 35

## FIRST BALL

Maxine Struve rolls the first ball in Olton's new bowling alley. Looking on are Mr. and Mrs. Jesse Watson who operate the firm. Mrs. Struve took a leading part in organizing leagues for play in the new bowling alley.

## League Bowling Gets Under Way At Olton Center

Olton Bowling Center opened Monday morning. The eight lane bowling alley is complete and has already been put to use by several early bowlers.

Mr. and Mrs. Jesse Watson are on hand to aid bowlers and assign lockers. They also have a wide assortment of bowling equipment for sale. This equipment includes shoes, bowling bags and other items.

A completely equipped snack bar has been installed in the bowling center. All equipment is modern and attractive.

The alley opened for League Bowling Thursday morning. Leagues are set up as announced in last week's Enterprise. Mrs. Frank Struve is chairman of the league committee.

## Tickets Sell For Ham Supper At Homecoming

Tickets for the P-TA ham supper preceding the homecoming football game here October 16 are now on sale.

Prices are \$1.00 for adults and 50 cents for children. The menu will include baked ham, potato salad, brown beans, salad, dessert and a drink. Deadline for purchasing tickets is next Thursday morning.

Mrs. W. B. Dickenson Jr., is ticket sales chairman. The ducats are on sale in the high school office, at various business houses downtown, and by individual P-TA workers.

The supper will be served during the hours 5:30 to 8:00 PM in the school cafeteria. Proceeds will be used for P-TA work and the year's project.

## Earth Man Is New Leader Of County Group

Bruce Higgins of Earth was named president of Lamb County Farmers Union Tuesday night as that group met in Olton Legion Hall.

Mr. Higgins succeeds Wilton Bodkin as head man for the County Farmers Union organization.

Tom Carlisle of Olton was elected vice-president and Doug Shelby was named secretary.

Lamb County Union issued a policy change. The vice-president will assume many of the duties formerly carried out by the president. The president sits on the state Farmers Union board of directors.

Alex Dickie and Richard Alexander will attend a meeting at Earth next Tuesday night. Mr. Dickie is state president and Mr. Alexander is head of the insurance division. General state policies for the coming year will be discussed.

## 1960 Fords On Display Here

The 1960 Fords were to be on display in the Hall-Sides Motors show room Thursday.

The firm had announced plans to serve coffee and doughnuts throughout the showing.

Of special interest was to be the unveiling of the Ford Falcon, a small economy car designed by Ford. Standard lines also were to be shown.

## COFFEE EXPECTED TO PERCOLATE IN HIGH STYLE

# Dimmitt Heavy Favorites As Mustangs Meet Cats

Olton's remarkable Mustangs challenge the touted Bobcats of Dimmitt Friday night.

The game will be played here at Olton and kick-off time will be 8 o'clock.

Both Olton and Dimmitt have downed a common foe, Hereford, but the Bobcat victory was much more impressive than that racked up by the Mustangs of Olton.

Olton's rivalry with Dimmitt is an old one going back through the history of both schools.

The Bobcats will be heavily favored to chew up the Mustangs. While Olton was winning by a one-point margin over Hereford last Friday night, the Bobcats were humiliating a Muleshoe

eleven 30 to 12.

The Dimmitt squad is unbeaten and untied for the season. The Cats have trampled Perryton, Lockney, Abernathy and Hereford as well as Muleshoe.

The Bobcats are rated as among the top four teams of the state and are classed along with such AA titans as Floydada and Stamford.

Dimmitt's big gun, of course, is Coffee, the fullback. He tips the scales at 184 pounds and is an outstanding schoolboy football player.

Carlos Barnes, the quarterback, is another star in the Bobcat line-up. He is reported to be a

# Olton Chamber To Elect Directors; Date Set For Christmas Program

## WE WILL BURY YOU!

Nikita Krushchev has gone home and how the little fat man must be laughing at what he saw here.

He saw great America spending itself into socialism just as his forebear, Lenin, said the capitalistic system would. He saw the American people working more than a third of their time to pay confiscatory taxes to a powerful central government that is already close kinfolk to a socialistic system.

He saw a people determined to treat him coolly but so scared of him that they covered when he snarled because he didn't get to see Disneyland.

He saw a country maintaining a large Army and a large Navy that it doesn't need, principally to give a bunch of generals, admirals and bureaucrats jobs and prestige.

He saw a country—built on free enterprise—that no longer encourages free enterprise. He saw government supported agencies openly competing with that free enterprise which is the country's life blood.

He saw a country where the individual is slowly being sacrificed for the herd, where economy is frowned upon and even ridiculed as conservative, reactionary and a word that sticks in our throats.

He sneered at a so-called world leader that is unable to protect its nationals abroad, whose President, in fact, asked Krushchev to intervene in protecting American soldiers illegally enslaved in Red China.

It is not too late yet, though the sands are running out. There IS something we can do if we act now.

We can demand economy in government where there has been extravagance. We can demand at least a trend back toward free enterprise which made our country great.

We can demand that people and corporations who use government services pay for them so that such agencies as the Post Office Department do not show a deficit to the detriment of the tax payer.

We can demand that huge publications, such as Life Magazine, (and little publications such as The Olton Enterprise) pay the freight when they go into the Post Office.

We can demand that such undertakings as railroads and air lines pay their own way or go out of business. We can even the score for these methods of transportation by demanding that truckers and truck lines, busses and bus lines pay for the use of our highways. This would put railroads and air lines back on a competitive basis.

We can demand at least a trend toward the law of supply and demand. Our country flourished on it for generations.

We can demand the unification of our armed forces to the extent that our high commands are not constantly bickering among themselves and losing ground and prestige for America.

We can save billions on the Defense Department and actually improve our position.

We can demand that racketeers be taken out of positions of labor leadership with at least a 10 year minimum jail sentence for anyone who has ever been convicted of a felony to hold an office in a labor union. This one law would solve a great deal of our union difficulties right now.

We the people can begin to work for the interests of our country as a whole, rather than for the interest of some pressure group to which we happen to belong.

It is not too late, yet. We can get some of these things done, if we act now because WE ARE THE PEOPLE AND THE GOVERNMENT STILL BELONGS TO US. Tomorrow may be too late.

If we do not act, and soon, Nikita may well make good his boast that "We will bury you." If this should happen, all man's scientific research since the world began will go for nothing because the suns of a million galaxies will not light the darkness into which this globe would plunge under Godless Communism.

Mr. McMorries' firm ran an evaluating check on the city of Olton recently.

School officials emphasized that the district is not trying to raise

## Community Clinic Scheduled Here Early Next Year By WT Chamber

Election of directors for Olton Chamber of Commerce and Agriculture has been set for Oct. 29.

The election will be held at a general meeting of the membership. Three farmer directors and three merchant directors are retiring from the board this year.

Directors are elected for periods of two years each. Tentative date for the third annual Chamber of Commerce

banquet is Jan. 28. Speaker for the occasion will be Jack Lacy, Sr., executive vice-president and general manager of the Amarillo Chamber of Commerce.

**Christmas Program**  
Date for Olton's annual Christmas program has been set for Dec. 12. The Chamber already has street decorations. Complete program for the occasion will be announced in the near future.

**Community Clinic**  
Olton Chamber of Commerce and Agriculture is planning a community clinic as soon after the first of the year as possible.

"This is a service of the West Texas Chamber of Commerce and should be of great value to our community," declared Wayne Cooper, Chamber manager here.

Meetings will be held with professional people, retail merchants, farmers, housewives, high school seniors and with the general public in an effort to acquaint the community with the functions of Olton Chamber of Commerce.

At the same time an effort will be made to learn what the public thinks of current Chamber projects and to get grass roots suggestions for future projects.

Conducting the clinic will be Ralph Duncan of the West Texas Chamber.

**Doane Survey**  
In other activity here this week, elected officers of the Olton Agricultural Development Association met Thursday morning to discuss progress being made.

The Chamber has made about a dozen market contacts to date through the Doane confidential market survey.

Market contacts include possible markets for crops presently being grown and for those which could be grown profitably with favorable market connections.

Officers of the Olton Agricultural Development Association are Calvin Horn, president; Bill Walden, vice-president; Tom Carlisle, secretary-treasurer; G. T. Sides, cotton committee chairman; Clovis Poteet, beef; Don Spain, special crops; Gene Cade, swine; Owen Norfleet, linear programming; and Cleo Smith, vegetables.

## Cold Front Chills Olton As Harvest Resumes

Olton shivered in a cold snap Thursday, but the weather was dry.

Cotton and grain harvest was rolling again in spite of muddy fields. Olton's ginnings crept above the thousand bale mark with a promise of frenzied activity during the next week, if the weather holds.

Hands are still needed. Ginnings said farmers have encountered a shortage.

The weatherman at Lubbock had heartening news for area farmers. He said no freeze is expected with this cold spell. Maximum temperatures are scheduled to range up to 82 degrees by Saturday and minimums down to 40 degrees.

Another cold front is slated to pass through the area Sunday afternoon or Monday.

## Doug Sopher's Father Dies

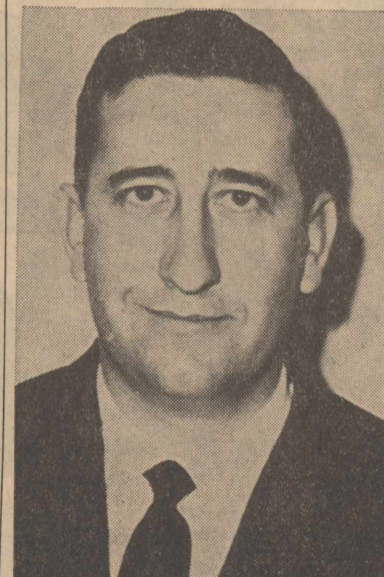

Carl Frank Sopher, 60 years old, Oklahoma City, Okla., father of Doug Sopher of Olton, died recently in Oklahoma City.

He was ill only about 10 days. He was stricken with a virus, according to his son.

Survivors include the widow, the son and a grandson.

Mr. Sopher was a frequent visitor here. He made the trip to Olton only about a month before his death. He was a telegrapher and was employed by Wilson Company.

## STORE OWNER

Bill Kelley

## Kelley's Open For Business This Week

Kelley's is again open for business in Olton.

The firm occupies the building which formerly housed Speer Drug and Real Estate. In the same building with Kelley's is McKinzie's, operated by Mrs. A. C. McKinzie.

Mr. Kelley will continue to operate his Plainview Store. It will be managed by Bill Lee.

Mr. Kelley said he will move his family back to Olton in the very near future. The Kelleys lived here, before moving to Plainview several months ago.

## Fire Prevention Being Observed In Grade School

Fire Prevention Week is being observed in the Olton primary grades, according to Fred Gordon, principal.

Children in several grades are making posters to exhibit in the halls of the primary building. Children in the upper primary grades are writing stories about fire prevention and safety.

Fire drills will be carried out in the grade school during Fire Prevention Week. Children will be instructed as to the fastest and safest way to evacuate the building.

Olton's Firechief, Tom Smith, has consented to visit the grade school and talk to the children on the importance of fire prevention. He will also inspect the building and suggest safety precautions that should be initiated.

## More Floats Needed For Homecoming

More floats are needed for the Homecoming Parade. The parade will be held October 16, at 5 o'clock in the evening. The parade will precede Olton's homecoming game with Muleshoe.

All business, clubs, and organizations are invited to enter a float in the parade. First, second and third place trophies will be awarded by the Student Council. Kenneth Prestridge, president of the Student Council is in charge of trophies.

Entries in the parade to date include National Honor Society, Dramatics Club, Choir, FHA, FTA, Pep Squad and Olton Auto Supply. Those who wish to submit entries should contact Sue Witten, Gayle Machen, Nancy Critchfield, Nancy Bryant or Sammie Clark, Cheerleaders.

## Death Takes Mrs. Long's Dad Monday

Thomas O. Downey, 77 years old, Amarillo, father of Mrs. Garland Long of Olton, died Monday in Amarillo.

He was a retired farmer and minister. He retired 12 years ago and had preached since 1910. He served a number of pastorates.

He was ordained by the Congregational Methodist Church in Coleman County in 1881.

He moved to West Texas in 1928. At the time of his death he was a member of the San Jacinto Church of the Nazarene.

Survivors, other than Mrs. Long, include the wife; two other daughters, Mrs. Pearl Creek and Mrs. Fern Vaughn, both of Amarillo; six sons, Ray and A. L., both of Amarillo, Obed of Norman, Okla., John of Albuquerque, NM, George of Lubbock and David of Hereford; and 33 grandchildren and 14 great-grandchildren.

He was a member of the San Jacinto Church of the Nazarene.

## MANY BOYS MAY NOT GET TO BE CUBS

# Den Mothers Needed By Olton Cub Scouts

Many Olton boys are being denied the privilege of becoming Cub Scouts, because no den mothers are available.

This information came to light Monday night at an organizational meeting in Olton High School Auditorium. Presiding was Cubmaster Melvin Hines.

Several 8-year-old boys interested in becoming Cub Scouts registered. They include Jason Latimer, Danny Lee Sides, Mike Gullett, Monty Roberson, Steve Dodd, Jimmie Williams, Lynn Campbell, Monty Botkin, David Earl Godsey and Jimmy Galloway. These boys will be placed on a waiting list and as soon as a den mother and an assistant are available, the boys at the top of the list will form a den. The others must await their turn.

Parents of any boy interested in Cub Scouting should contact Melvin Hines. Any adult interested in helping with the program also should contact Mr. Hines.

Cub Scouts are sponsored by Olton Fire Department.

Den mother pins were awarded Monday night. They went to Mesdames O. T. Patterson, Melvin Hines, Gene Ball, Fred Thompson, Bill Kemp, Elmer Gray, Elmo Hall, Gene Trotter, Albert Gabehart, Charlie Riggan and Jim Townsend.

Billy George Kemp received a three-year pin and was advanced in rank. Jimmy Ferguson received two silver arrow points. Roger Thompson, Don Mitchell and Jerry Kemp were awarded two-year pins. Bobby Turner received a one-year pin.

## Mustang Wins Third Place

Olton High School's annual—The Mustang—won third place in West Texas competition last weekend.

The annual was judged at a meeting of the West Texas High School Press Association held in Lubbock.

David Howton was sponsor of the 1958-59 Mustang. Mary Scriber was editor and her assistant was Judy Moore.

Members of the annual staff were Charla Beth Granbery, Judy Ogletree, Ellen Jones, Gayland Graham, Doris Cruce, Jerry Meyer, David Hamm, Paul Ray Montgomery, Gayle McAnally, Nell Smith, Barbara Roberts, Koenia Schenck, Charlie Giles, Carol Bostick and Ann Follis.

## David Price Makes Dean's Honor Roll

David Price is still racking up scholastic honors at West Point on the Hudson.

David, who is in his third year at the Military Academy, was on the dean's honor roll again this semester for the second consecutive semester.

He has no grade point less than 2.2. Grade point of 3.0 is perfect. David is the son of Mr. and Mrs. Duward Price. He was an outstanding member of the Olton High School football team while attending school here.

## Former Olton Resident Dies In Amarillo

Walter O. Dye died Friday morning of last week in Amarillo. He formerly lived in Olton and was father of Jack Dye.

Funeral services were held Monday in Amarillo. Officiating was Dale Pearson, minister of South Lawn Church of Christ. Burial was in an Amarillo cemetery.

Mr. Dye had made his home at Amarillo for the past three years. He was a retired farmer.

Several Olton people attended funeral services.

Survivors, other than the son, Jack, include the wife, a daughter, two other sons and three grandchildren.

## Jack Wimberly Suffers Leg Injury Monday

Jack Wimberly suffered a deep leg bruise Monday in an accident at Hall-Sides Motors where he is employed.

The car on which Mr. Wimberly was working was struck from the rear by another vehicle driven by T. E. Tolleson. The car Jack was working on pinned him against a work bench.

He was taken by Parsons Funeral Home Ambulance to the office of Dr. Lynn F. Fite, where he was treated.

### Booster Club To Rescue As Lad Is Injured

Joe Pool suffered a leg fracture Monday while playing at school. He was playing touch football with some other boys at the time of the mishap. He was taken to the office of Dr. Lynn F. Fite and then to a Lubbock hospital by junior coach, Carl Moore. He was treated by a bone specialist, whose services were paid for by the Olton Mustang Booster Club. The lad stayed over night in the hospital and was returned home in a Parsons Funeral Home Ambulance.

### Kansas Couple Are Parents Of Daughter

Mr. and Mrs. Melvin Armstrong, Weeling, Kan., are the parents of a baby daughter, born Oct. 1. The young miss was named Leisa Ann, and weighed 7 pounds, 2 ounces at birth. Leisa Ann has a sister, Rebecca Jan, four; and a brother, Clark Stewart, two. Grandparents are Mr. and Mrs. Alva Miller, Stafford, Kan., and Mr. and Mrs. M. L. Armstrong, Olton.

### ATTENDS GAME

Mr. and Mrs. Charlie Rand and daughters were in Lubbock Saturday. He attended the professional basketball game and she visited relatives.

### Congratulations To

Mr. and Mrs. Mike Garcia, Kennedy, on the birth of a daughter, Patsy Dalia, weighing 7 lbs., 9 ozs., at 8:58 PM Sept. 28, in Community Hospital and Clinic. The Garcias are parents of nine other children.

Mr. and Mrs. Billy Roberts, Plainview, on the birth of a son, Derek Wayne, weighing 6 lbs., 12 ozs., at 8:27 PM, Sept. 29, in Community Hospital and Clinic. The Roberts have two other children.

Mr. and Mrs. James Abbe, Earth, on the birth of a son, James Davey, weighing 7 lbs., at 4:52 PM, Oct. 2, in Community Hospital and Clinic.

Mr. and Mrs. John P. Guana, Olton, on the birth of a daughter, Rebecca Sue, weighing 7 lbs., 11 ozs., at 11:23 AM, Oct. 3, in Community Hospital and Clinic. The couple are parents of two other children.

### P.T.A. Leadership Course Slated For Monday PM

A parent-teacher leadership course will be held Monday night at 7 PM in the high school library.

The course, which will be taught by Mrs. Melvin Hines, is required of all P.T.A. officers and chairmen who did not take the course last year. There is no charge.

This class is not to be confused. Mrs. Hines explains, with the parliamentary procedure course, which will be offered at a later date.

### Science Fair Planned Here Next Spring

Director of the regional science fair, a Mr. Johnston of Plainview, will speak at the Class Room Association at 4 o'clock next Tuesday afternoon.

Mr. Johnston will give Olton teachers some advice on a science fair to be staged in Olton schools next spring. He also will talk about science fairs at an elementary level.

Mr. Johnston will show the teachers some slides. He is in the chemistry and physics department of Plainview School System.

James Caley, head of Olton High School science department, is chairman for the science fair to be staged here.

### Cub Scout Troop Tours Olton Gin

Cub Scout Den 5 toured Olton Co-Op Gin Tuesday afternoon.

Seven Cubs and two den mothers were shown through the gin by Gin Manager Lloyd Graham. Den mother is Mrs. Albert Gabehart. She was assisted by Mrs. Charles Riggan.

Boys who made the trip were G. A. Grimes, Steve Spain, Dale Gabehart, Coy Riggan, Joe Lee, Larry Green and David Stackhouse.

# News Of Interest To Women

Mrs. Richard Lee Garrett

## Mary Lou Limbocker, Richard Garrett Are Married In Amarillo

Miss Mary Lou Limbocker and Mr. Richard Lee Garrett were united in marriage Saturday, September 26.

The single ring ceremony was read in the parsonage of the Paramount Baptist Church, Amarillo, by the Rev. Chester O'Brien.

The former Miss Limbocker is the daughter of Mr. and Mrs. Ira C. Limbocker, Olton, and her husband is the son of Mr. and Mrs. Joe A. Garrett, Tucumcari, NM.

For the wedding, the bride wore a dress of light-blue rayon linen. Chrysanthemum petals and blue and white satin streamers com-

posed the bridal bouquet. Mrs. Limbocker, mother of the bride, wore a two-piece light grey suit, with which she wore brown accessories. The mother of the groom wore white and black accessories with a navy-blue suit.

The couple are at home at 2203 Apt. B, Tyler Street, Amarillo. She is a graduate of Olton High School and San Jacinto Beauty School, Amarillo. Mrs. Garrett is employed by the Amarillis Beauty Shop in Amarillo.

Mr. Garrett was graduated from Tucumcari High School and is employed by the Safeway Grocery Co.

Guests at the wedding were Mr. and Mrs. Charlie Cook, Amarillo; Mr. and Mrs. Joe A. Garrett, Tucumcari, NM; Mr. and Mrs. Ira C. Limbocker, Patricia, Sharon and Kenneth, Olton.

## Supt. Harper Speaks To Large Group Of Parents, Teachers At Night Meeting

More than 125 fathers, mothers and teachers attended the second monthly meeting of the Olton Parent-Teacher Association Thursday evening in the school cafeteria.

School Supt. Joe Harper spoke to the group on the subject, "Education—Whose Responsibility?" In answering the title question, Supt. Harper stated it is the responsibility of "parents and teachers to be informed about the policies of the local school."

He pointed out some of these specifically, as they pertain to Olton schools.

"We have changed the curriculum now, as it should have been done about 20 years ago," he explained. "For instance, we have seven periods a day in high school, offering five solids and two co-curricular courses. We have added courses we think will help the students through life. We now have facilities to teach physical education, and in these classes students learn the fundamentals of various sports, as a means of learning cooperation."

Furthermore, Supt. Harper continued, we must be dead sure the minds of our children are kept free to think. That is why we have certification laws to assure better teachers and better teaching.

We need to spend more time, the educator added, in providing guidance programs to combat juvenile delinquency. He stated local participation in the Federal Education Act aids in building better schools, and ultimately, a better civilization.

"It is necessary," Supt. Harper concluded, "that we provide the best possible environment for our boys and girls. This requires that parents and teachers cooperate with each other and with the school. The only way you can know (how your child is being taught) is to visit the school system. Then, be willing to work."

Special music was presented to the P-TA group by the OHS Choir, under the direction of Mrs. Joe Harper. The group sang two audience-participation numbers, and then performed in chorus.

Merrill Brigance served as program leader. Rev. J. W. Douglas gave the devotional. The room attendance banner was presented to Mrs. Jim Williams, whose room

had the greatest number of parents present.

Mrs. Frank Struve, membership vice-president, reported a total membership now of more than 250. A membership tree is on display in the cafeteria, and each member is to be represented on the tree by a colored fall leaf.

A friendship hour arranged by the hospitality committee followed the program.

## Volunteer Firemen, Wives Entertained

Progressive "42" and bridge were played Thursday night week at the Volunteer Firemen Game Night.

Mrs. Percy Parsons was awarded the high score "42" prize.

The group met in the Fire Station. Hostesses were Mrs. James Hall, Mrs. Bill Kemp and Mrs. Tommy Burrows.

Punch, coffee and cookies were served.

Present were Messrs. and Mesdames Joe Chester, Lynn Fite, Bob Gullett, James Hall, Bill Kemp, David Maxey, Truitt Sides, Charles Polk, Percy Parsons, Tom Smith, Marshall Stone and Mrs. Johnny Schenk.

## Enterprise Employees Enjoy Party Sept. 30

Several members of the Enterprise staff held a party in the home of the Russell Grimes, Sept. 30.

Coffee, rolls and cookies were served.

The group played dominoes and "42".

Present were Mr. and Mrs. Troy Martin, Mr. and Mrs. Carol May, Mrs. Eleanor Sudduth and Mr. and Mrs. Russell Grimes.

## Mrs. Don Spain Will Direct Study Program

"Husband and Wife" will be subject topic Tuesday morning as the Methodist Women's Study Group meets.

The program is from the study book entitled, "Christian Family Living." Mrs. Don Spain will be in charge of the program.

Time of the meeting is 9:30 AM. A nursery keeper will be provided.

## Epsilon Delta Votes Four Into Membership

Three Olton teachers attended a called meeting of Epsilon Delta Chapter of Delta Kappa Gamma in Sudan Sept. 28.

The meeting was called to submit nominations for new members. Four persons were accepted for membership.

Those attending were Mrs. Joe Harper, Mrs. Murray Snyder and Mrs. Fred Gordon.

## Program On Home Presented Monday

"The Wife In The Home" was the theme of the program for the Young Ladies Bible Class Monday morning.

Mrs. Gene Harral and Mrs. Robert Williams presented the program.

The women met at the Main Street Church of Christ.

Present were Mesdames D. M. Granbery, Harral, Williams, Bub Holt, Harley Don Bryant, Elmer McGill, Bill Kemp, Morris Gene Brown, Ed Thompson, Jack Thomas and Tom Carlisle.

## Methodist WMS Discusses UN

Workings of the United Nations was discussed at the weekly meeting of Methodist Women's Society of Christian Service Wednesday morning.

Mrs. Owen Norfleet presented the business and gave the devotional. Prayer was given by Mrs. E. Lee Stanford.

Reports on various agencies of the United Nations were given by Mesdames Truitt Sides, Bill Collins, Stanford, W. T. Whitaker, Norfleet, Don Waldrip, Rex Chitwood and Dick Cade.

A program on Women and the United Nations will be presented at the next meeting, October 14.

## Mrs. Garrett Is Honoree

Mrs. Richard Garrett, nee Mary Lou Limbocker, will be honored with a bridal shower Monday from 2-5 o'clock in the afternoon. The shower will be at the home of Mrs. Wyman Blackwell. The public is invited to attend.

## P-TA Sponsors Get-Acquainted Coffee Parties

Dozens of primary mothers were guests of the Olton P-TA last week at Get-Acquainted coffees in the school cafeteria.

Coffees were held Tuesday, Wednesday and Thursday mornings, for mothers of first, second and third-grade students, respectively. The affairs were informal and staged solely for the purpose of acquainting the mothers with each other and with P-TA.

Mrs. Gilbert Roberson, room representative chairman, directed the planning. She was assisted by her committee, as well as by the room representatives from each of the classes in the first three grades.

First grade room representatives are Mesdames Loyd Blackwell (chairman), Hoover Crowder, Cleo Smith, Leon May, A. C. Light Jr., William Neinst, Owen Jones, Roy Howard, Tom Carlisle, Ray Culwell and Romero.

Room representatives for the second grade classes are Mesdames K. Y. Givens (chairman), Glenn Phillips, Ancel Miller, F. B. Coleman, Earl Robertson, Sam Kendall, D. R. Leonard and Joe Hysinger.

Third grade room representatives are Mesdames S. K. Flatt (chairman), L. L. Thompson, Bill Walden, Paul McFadden, Louis Botkin, Randall Ball, Tom Carlisle and A. E. Cade.

Similar social hours are being held this week for fourth and fifth grade mothers, and next week on Tuesday, Wednesday and Thursday for mothers of sixth, seventh and eighth-graders.

Schedule for the coffees is as follows:

- 4th Grade—Thursday morning
- 5th Grade—Friday morning
- 6th Grade—October 13
- 7th Grade—October 14
- 8th Grade—October 15

## Mrs. Daniel Hostess To Wesleyan Guild

Wesleyan Service Guild began the study on Africa Tuesday night as the women met at the First Methodist Church.

Mrs. Leslie Gordon was in charge of the study. Mrs. R. R. Daniel was hostess.

Present were Mesdames Earl Robertson, Bailey Hair, E. Lee Stanford, Percy Parsons, Gene Trotter, Marshall Stone, Louie Mack Hardy, Gordon and Daniel.

## Mrs. Smith Is Shower Honoree

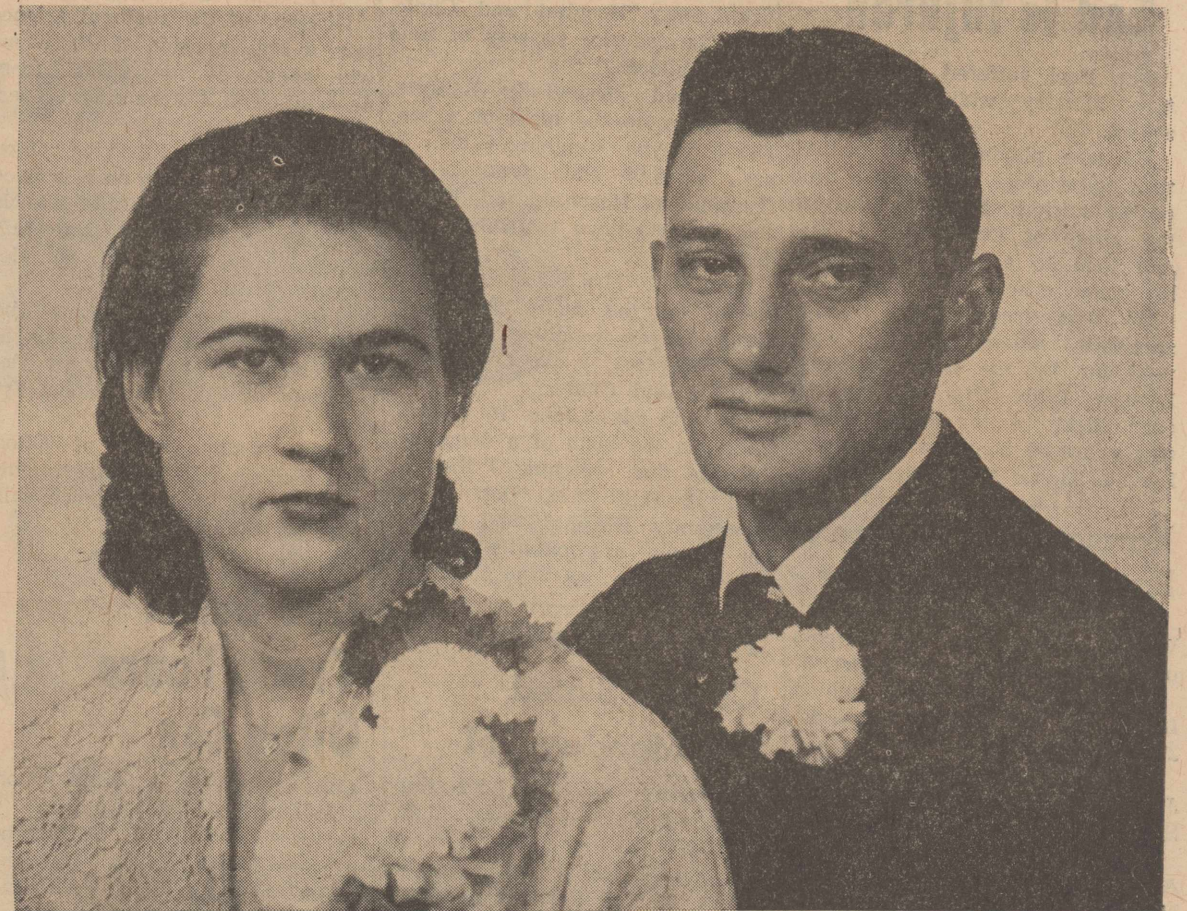

A pink and blue shower honoring Mrs. Landon Smith will be held October 15 from 2:30 until 5:00 in the afternoon.

The shower will be at the home of Mrs. Sam Clark, six miles east of Olton, two and one-half miles north on farm to market road 2284.

The public is invited to attend.

## ORDER OF RAINBOW FOR GIRLS CEREMONIES INSTALL LILA LEE McFADDEN WORTHY ADVISOR

Colors of the Rainbow were used in the decorations for the ceremony installing Lila Lee McFadden as Worthy Advisor of

MR. AND MRS. BOB BALLARD

## Bob Ballards To Make Home In Dimmitt Following Wedding Trip To New Mexico

## Muleshoe, Hereford Friendship Nights Attended By Olton

Several members of the Order of Eastern Star, Olton Chapter attended Friendship Night programs in area towns Tuesday night week.

Guests of the Muleshoe chapter were Mesdames L. L. LaDuke, Sonny Low and Fred George.

Several Grand Officers were present at Hereford. Olton members visiting there were Mr. and Mrs. A. A. Smith, Mrs. Leslie Gordon, Mrs. Ira Foster, Mrs. Era Maye Walthall and Mr. and Mrs. T. B. Cox, Hart.

## Mrs. Carol May Is SS Class President

Officers of the Golden Circle Class of the First Baptist Church were chosen Friday morning.

Mrs. Carol May is president of the class. She is to be assisted by Mrs. Elmo Hall, vice-president; Mrs. Garner Ball, secretary; and Mrs. W. E. Andrew, assistant secretary.

The women met in the Jack Estes home. Coffee and cake was served to those present.

Attending were Mesdames Ball, Andrew, Hall, May, Denver O'field, Gene Reynolds, Charles Polk, Jerry Parker and Estes.

## Mrs. Martin To Be Hostess To Bykotas

Mrs. Basil Johns will relate to the 1956 Bykota Study Club of their constitutional rights Tuesday night.

The club will meet in the home of Mrs. James Martin. Roll call will be answered with "Who's Who in Washington."

Rev. John E. Lewis read a double ring ceremony uniting Miss Pat Peterson and Mr. Bob Ballard, Dimmitt, Sept. 30.

Nuptials were exchanged in the Olton First Baptist Church at 10:00 AM.

Mr. and Mrs. G. L. Peterson, Olton, and Mr. and Mrs. C. D. Ballard, Dimmitt, are parents of the couple.

The bride wore a light-blue street-length dress of lace. With it she wore white accessories and a white carnation corsage.

After Oct. 10, the couple will be at home in Dimmitt. For the wedding trip to Albuquerque, NM, the bride wore a black suit with black accessories.

Mrs. Ballard was graduated from Olton High School in May. Her husband was a 1951 graduate of Dimmitt High School. He attended Alpine College two years.

At the present he is engaged in farming near Dimmitt.

## WMU Devotional Is Given By Mrs. Hipp

Mrs. Robert Edwards, president, directed a business meeting of the WMU, First Baptist Church, Monday afternoon.

The women decided to continue meeting at 3:00 PM.

Mrs. Gene Cade led the opening song, and Mrs. Milford Lamb-right gave the prayer.

A devotional on the mission study emphasis, "By All Means", was given by Mrs. R. L. Hipp. Mrs. C. W. Leathers gave the call to prayer.

Present were Mesdames Glen Gipson, Garner Ball, Lacy Armstrong, R. A. Burgess, C. W. Phillips, Cade, Hipp, Leathers and Edwards.

## Mrs. Allcorn Hostess To Olton Study Club

Members of the Olton Study Club were presented a program on the Constitution of the United States of America Monday night.

Origin and summary of the document was given by Mrs. Jack Straw. The Bill of Rights, the first ten amendments to the Constitution, were explained by Mrs. Marshall Stone.

Roll call was answered with each member reciting the preamble to the Constitution.

Opening prayer was led by Mrs. C. S. Silcott.

Hostess to the club was Mrs. Jack Allcorn. Those attending were Mesdames Jim Williams, Bill Yates, Ray Slatten, G. T. Sides, Roye Aikman, G. H. Bley, Paul Burrus, Basil Sherman, H. B. Carson, Mardema Ogletree, Raiford Daniel, Jim Fuller, D. M. Granbery, and those named.

DEPARTMENT GETS FINE NEW EQUIPMENT

## Olton High School Has Excellent Science Lab

BY—CELIE WALDRIP  
"Far-sighted school administrators have done an outstanding job of providing atmosphere, leadership and facilities to bring about a vast improvement in the science program", stated James Caley, science instructor.

"Last year at this time the science lab contained a dozen test tubes, three beakers and far too few tables." The most tragic thing about this, said Mr. Caley, was the fact that he had fourteen very interested and intelligent students.

According to the science instructor, these good minds were suffering because of lack of equipment. Previously the science budget for the entire school was \$300.00 annually. Considering the drastic need for equipment, this amount was not nearly adequate to present a modern up-to-date program.

**NDE Program**

In order for Olton High School to participate in the National Defense Education Program, the science budget was increased to \$2000.00 a year. This program makes it possible for the school to gain nearly twice as much equipment as they could normally gain for the amount of money they spend.

Under this program, each dollar the school spends on equipment for science, foreign language, mathematics and guidance will be matched by the federal government. This includes only material that is not expendable.

Mr. Caley stated for the \$2000.00 the school will spend this year for science equipment, they will receive material valued at approximately \$3500.00.

**New Equipment**

Much of this new apparatus has already been received by the science department. More is scheduled to arrive in the next two weeks.

"It is important the students get a practical knowledge of science by doing experiences", stated Caley. This can be accomplished only by having laboratory facilities in sufficient quantities for use of all the students.

With the aid of the new equipment, science students will be able to work in groups of two in an organized manner. Formerly half of the class was meeting in the lab while the other half met in the classroom to read science texts.

Mr. Caley stated with this new material, "Olton High School will be equipped to do any laboratory experiment in general chemistry." He said the school will have "as fine a chemistry course as anyone in the Panhandle."

New apparatus ordered for the science department includes two standard microscopes; one bacteriology-medical microscope that will magnify things 1000 times and will show finer details of bacteria; a micro-projector which will enable the teacher to project a picture of an animal the size of a pin head and entirely cover the wall with the magnified image. In this way all members may study the picture at the same time.

**Aquarium**

The science department will also have an aquarium for biology students. Mr. Caley stated he had purchased a pair of hamsters for experiments in biology, genetics, etc. He anticipates building interest with these living experiments in the laboratory.

For the biology and general science classes, Mr. Caley has purchased a plastic head and torso model of the human body. This model has removable organs that will make it possible for the class to examine them closely.

Other improvements in these two basic courses will be a complete microscope slide library. This will include slides of everything studied in biology.

**Advanced Courses**

Future plans for the science department include an advanced course of study offered to students who have completed all other science courses. Electronics

research, and radioactivity will be studied.

If the equipment is made available to them, Mr. Caley hopes to introduce radio isotopes by using a geiger counter to measure radio activity in animals.

The department will receive a Wilson Cloud Chamber, which devices a fog in which radioactive particles will leave traceable tracks. In this way, the instructor will introduce radioactive processes to students.

Mr. Caley stated he is very pleased the students are learning how and when to operate the valuable new instruments. He said they are taking very good care of them.

Administrators are satisfied that the science department is being brought up to date and the latest developments in science are being taught by actual experimentation rather than reading.

**Improved Program**

The Junior High is sharing this improved program. It now possesses two completely equipped portables. The younger students will also enrich their experience by "seeing and doing."

Science kits are being placed in the elementary buildings. These will contain general equipment and can be used to perform simple experiments.

With the continuation of this improvement, Mr. Caley hopes an expansion program can be worked out to enable all students to have access to all facilities in the science department. Presently, there are about seventy students who do not have access to the lab, because of lack of space.

The science instructor stated in his opinion "the science department is better organized and a 100 percent better job is being done in teaching science in all grades."

**VISIT RECENTLY**

Mr. and Mrs. Travis (Bud) Rector, Tulla, visited recently in the Jeff Smart home. Bud taught in Junior High last year, and Mrs. Rector was high school secretary.

**VISIT LUBBOCK**

Brother and Mrs. Raymon Carson were dinner guests of Ed White in Lubbock Monday evening. Mr. White is manager of the Avalanche Journal in Lubbock.

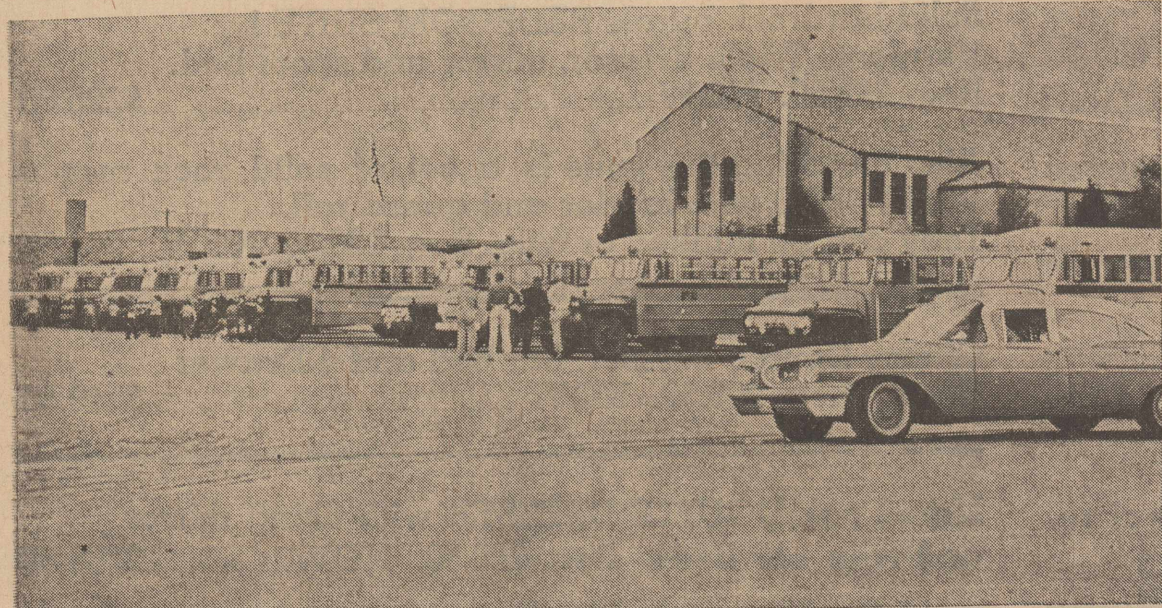

**HOLDS MEETINGS**

Raymon Carson held business meetings of the Reorganized Church of Jesus Christ of the Latter Day Saints last Sunday.

Sunday morning he conducted a business meeting in Phillips. Brother Carson was also in charge of a meeting in Pampa Sunday evening.

He was accompanied by Mrs. Carson and Billy.

## Your Children Go To School In Olton

Every morning school busses travel the far-flung area of Olton Independent School District picking up your children and bringing them to school in Olton. Your child spends at least a third of his time in Olton. Improving Olton is, therefore, important to you. Better Water, sewer and paving is important to you and your children. These services depend to a great extent upon the growth and prosperity of the town. Many community activities are made possible by merchants of Olton. Development of our community is important to us all because its where we live and you can help Olton grow by always shopping.

Observes Birthday

Mrs. R. G. Ball

LIVED IN OLTON THIRTY YEARS

# Mrs. R. G. Ball Observes 85th Birthday At Reunion

Mrs. R. G. Ball was honored with a party, open house and family reunion on the event of her 85th birthday October 4, in the Legion Hut.

Members of Mrs. Ball's family held open house from 2-4 P.M. during the birthday celebration. Area friends of the honoree attended.

The party table was laid with a lace cut-work cloth accented by flower arrangements in fall colors. Arrangements were gifts of the Extension Department of the First Baptist Church of Olton. Mrs. Ball's daughters alternated at the silver coffee service and the birthday cake.

The Reverend Fred Ball, son of the honoree, gave the birthday greeting and the welcome to the guests. Rev. John Lewis offered a prayer.

After the departure of the guests, the family had dinner together and spent the evening showing films, opening gifts and

singing songs. The singing was directed by Durwood Price, former director of music at the First Baptist Church.

Mrs. Ball was born Frances Bell Lewis, October 1, 1874 in Gainesville, Tex. She was married to Robert G. Ball in 1890. Mr. and Mrs. Ball celebrated their 50th Wedding Anniversary in the Legion Hut in December of 1940.

Mr. Ball died in 1945. Mrs. Ball has been living in Olton some thirty years.

Fourteen children were born to Mrs. Ball, eleven of which are still living. All surviving children were present at her birthday celebration. Mrs. Ball also has twenty-eight grandchildren, twenty-eight great-grandchildren, and 1 great-great-grandchild.

The occasion was the first time the Ball family has been together, as several of Mrs. Ball's children were married, before some of the younger children

were born.

Children of the honoree who were present at the party and reunion included, Joseph S. Ball, Foster, Okla.; Dora Muse, Amarillo; William Robert Ball, Olton; Devey Ball, Olton; J. D. Ball, San Francisco, Calif.; Carmen Alsup, Phoenix, Ariz.; Beulah Measles, Tulsa; Eula Hyman, Kermit; Lewis E. Ball, Hart Camp; Rev. Fred Ball, Dalhart; and Katy Alexander, Olton.

Mrs. Ball remarked she was "very tired, but very, very happy".

**SUNDAY GUESTS**

Sunday dinner guests in the Tom Smith home were Mr. and Mrs. Jack Anderson of Hale Center; Mr. and Mrs. Bobby Johnson of Canyon and Mr. and Mrs. Billy McAllister of Olton.

# Mustangs Mud To Win Over Herd

Olton's Mustangs mudded to a 13 to 12 win over the AAA Hereford Whitefaces Friday night.

About 700 wringing wet fans sat through the ball game until the final whistle. That's as soon as the contest was decided because the Herd was a definite threat until the head linesman tossed the ball into the air to signify the end of the game.

The game was played on a wet field in a downpour. Mustangs prowess on the field denoted coaching to a razor blade edge. The Ponies capitalized on every break and this gave them the victory.

**Good Coaching**

A Hereford punt was blocked by Harold Feathergill. Instead of following the ball, Feathergill threw a key block for Robert Priest, who was on top of the pigskin.

Priest grabbed the ball and, his nearest opponent put out of commission by Feathergill, scampered for the double stripe.

More than one spectator made the remark that 75 percent of the time a high school player would have fallen on the blocked punt instead of picking up the ball and running with it.

Play in the rain soaked game unreels as follows:

Phil Neinstak kicked to the Whiteface 25 from where it was returned to the 37 before Kenneth Hooper made the tackle. The home team picked up a first down at the 47, needing three plays to do so. Two plays later on a roll out Robert Duncan brought down the Whiteface quarterback at the Olton 36 yard line which was enough for a first down.

Facing fourth down and three yards needed the Hereford eleven picked up a first on the 20 yard line. Robert Duncan fell on a Whiteface miscue at the 19 yard line.

**Through Center**

Priest carried through the center of the line to the 22 yard line. The Mustangs were off side on the next play and were penalized back to the 17 and on third down John Wayne Hair quick-kicked to the Whiteface 25 yard line.

**Yards Needed**

Four plays later the Whiteface eleven needing 6 yards for a first down kicked to Hair at the Mustang 39 yard line, who returned the pigskin to the 46. James Loveless carried into the left side of the line for a yard loss. Priest hit through the center of the line to the 48 yard line on third down Hair quick-kicked to the 23.

Using a combination of power and running plays the Whitefaces picked up first downs at the 33, 44 and again at the Mustang 45 yard lines. At this point the Mustang defense tightened and on fourth down Feathergill broke through to block the Hereford punt. Playing heads up ball Priest picked up the pigskin, aided by Feathergill, who threw a good

block on the Hereford punter, and went the distance to the double stripe for the first score of the game. A pitch out to Hair around right end was short for the 2-point attempt and the Mustangs led 6-0.

Neinstak's kick was taken at the 23 back to the 35. The fired-up Mustangs yielded but 3 yards and Hereford kicked to the Olton 27. Hair hit right tackle to the 31 yard line. Priest on an option lost 4 yards back to the 27. The Mustangs were penalized 5 yards for off side back to the 22 and on third down Priest's pass to Hair was good combined with some fine running by Hair, to the Whiteface 44 for another first down. In two plays Priest carried to the 33 yard line for another first down as the first half of play ended. Olton 6-Hereford 0.

**Run Back**

Opening up the second half of play Neinstak kicked to the 20 as the run back was good for yardage to the 35. The first play from scrimmage Hereford combined good running and blocking to tie the score with a 65 yard scoring jaunt around right end. A quarterback sneak failed to pick up the extra two points and the game was tied at 6-6.

The Whiteface kick was taken by Hair at the 20 and returned to the 37. Priest hit left tackle and cut back to the 42. A Whiteface player was off side on the play and the Mustangs elected to save a down and took the penalty good for yardage to the 41.

Priest ran through the center of the line to the 43. Priest's pass to Riney was complete for a loss of a yard. Hair's pass to James Loveless fell incomplete.

Priest faked a hand off, hid the ball behind his left leg, and picked up another first down at the 34.

Priest on a fullback spinner hit right tackle good to the 30. Hair tried right tackle picking up 4 yards to the 26. On an attempted end run around the left side Hair was thrown for a loss at the 28 and on fourth down Priest's pass to Duncan was incomplete as the slippery ball fell from his

arms on a well executed play.

**No Gain**

Hereford running from their 28 hit the Mustang line for no gain. The Mustangs were penalized to the 33, because of an off side infraction and on second down, after carrying through the Mustang line to the 39, the Whitefaces were penalized 15 yards back to the 24 for offensive holding. The next play saw Kenneth Hooper fall on a Whiteface fumble at the 28.

Priest running hard picked up yardage to the 19 and on second down he hit right tackle for a first down at the 12. From this point Hair ran wide around right end to score the winning touchdown. Priest's kick was good and the Mustangs led 13-6.

Neinstak's kick was taken at the 20 and returned to the 35. The Whitefaces picked up steam and marched 65 yards using a total of 10 plays and four first downs to score their second touchdown of the game. Playing catch-up ball, they attempted to run around right end for two points, but the alert Mustang defense threw the ball carrier for a loss and the Mustangs still led by a score of 13-12.

**Plows Through**

Hair returned the kick from the 20 to the 27. Priest plowed through left tackle to the 30 and carried around left end to the 33. Priest tried right tackle for a loss to the 32 and kicking on fourth down a slippery ball caused Priest to fumble and he was unable to get the kick away.

The Hereford eleven took over deep in Mustang territory at the 20 yard line and on the first play was thrown for a loss at the 24. Fourth down found the Mustangs holding Hereford short of the yard needed for the all important first down and Olton took over at the 11 yard line, as the rain really started to come down.

Priest carried over right tackle to the 13 and on second down Hair quick-kicked to the Whiteface 46. Hair made the tackle as the kick was returned to Olton's 45. Hereford was forced to kick

after picking up just one yard on three downs and the punt rolled dead at the 24 yard line.

Priest carried into the line to the 25 and around left end to the 27. Third down attempt by Priest around left end lost yardage to the 25 and Hair's kick rolled dead at the Whiteface 40.

With four minutes remaining in the game, the Whiteface fullback picked up yardage to the 42 and on second down a pitch out play around right end was good for 58 yards and what looked like might be another Hereford touchdown, but a clipping penalty cost them the score and they were operating from their 40 yard line. At this point the Mustang defense tightened and they took possession of the ball at their own 35, with only seconds more than two minutes remaining to be played.

Olton was penalized 5 yards for taking too much time in the huddle back to the 40 yard line. Priest carried off right tackle to the 36 yard line. Hair swept left end to the 31. Priest lost 3 yards attempting to run around the left side to the 34 yard line.

Facing fourth down and needing 9 yards Priest's kick sailed into the end zone and Hereford took over at the 20 yard line with 1:13 remaining in the game.

**Hair Intercepts**

On the first play Hair intercepted a Hereford pass at the 36 yard line. Priest attempted to run around left end and couldn't hold onto the slippery ball as Hereford gained possession with 0:49 remaining on the clock.

Hereford was playing against the clock. A pass fell incomplete. Hereford hit the center of the line to the 41. The Whitefaces were penalized 5 yards back to the 36 for delay of the game and on the last play of the game an attempt around left end was good to the 40 yard line.

Final score was Olton 13-Hereford 12.

## Announcing!

# A WONDERFUL NEW WORLD OF FORDS FOR 1960

**FINEST FORDS OF A LIFETIME**

This new Ford Galaxie, like all the new, beautifully proportioned 1960 Fords, is styled from a new viewpoint. Traditional automotive elegance combines with modern design in the style of a new decade!

In 1960, for the first time in history, your Ford Dealer presents not one, not two, but three new lines of Ford cars . . .

1. The 1960 Fords—The Finest Fords of a Lifetime, beautiful from any Point of View, worth more from every Point of Value!
2. The 1960 Falcon—The New-size Ford, the world's most experienced new car and the easiest car in the world to own!
3. The 1960 Thunderbird . . . The World's Most Wanted Car!

Introducing the New-Size Ford . . . the 1960 Ford **FALCON**

Meet the New-size Ford—the Falcon! Here's a car with plenty of room for six big adults and all their luggage. It's sized to handle and park like a "small" car . . . powered to pass and climb like a "big" car . . . and built like no other car for savings!

It gives you up to 30 miles per gallon on regular gas. Aluminized mufflers normally last twice as long as ordinary kinds. A Full-Flow oil filter lets you go 4,000 miles between oil changes. Even insurance can cost you less! And this Falcon is the world's most experienced new car. It was driven over every mile of numbered Federal Highway in EXPERIENCE RUN, U.S.A.—a grueling demonstration climaxing Ford's 3 years of development and testing.

The Falcon has the features that American car buyers expect. Its gearshift is on the steering column—not on the floor. Its engine is located *up front* for greater stability and safety. Best news of all is the Falcon's low, low price. See it at your Ford Dealer's . . . and see the difference!

Now you can see them—the Finest Fords of a Lifetime! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. A breath-taking new Sunliner convertible and a brand-new hard-top model, the flashing Starliner. Then there's a whole new world of Station Wagon Living, too. It all adds up to 15 glittering variations of the world's newest, most elegant styling theme!

And Ford sets the new trend in power. Ford's Thunderbird 292 V-8 and 352 V-8, like the famous Mileage Maker Six, bring a new world of smoother, hotter performance—on regular gas.

To top it all, the Finest Fords of a Lifetime are priced for savings. Ford is still priced to outvalue all comparable models of its major competitors.

Ford savings, however, only begin with a low price. You save still more with engines that thrive on regular gas and save up to a dollar on every tankful . . . a Full-Flow oil filter that lets you go 4,000 miles between oil changes . . . Diamond Lustre Finish that never needs waxing . . . aluminized mufflers that normally last twice as long as conventional types . . . new, safer, Truck-Size brakes that are the biggest ever in Ford's history . . . and new soft-tread, Tyrex cord tires that run quieter, last longer.

In every way these are the Finest Fords of your Lifetime! See them at your Ford Dealer's!

### The Cracker Crumbs

**By Cello Waldrip**  
After visiting with friends all morning and having a cup of coffee . . . or two . . . or three . . . of four . . . with each of them, I began to wonder . . . why coffee?

Nobody urges "Come over for an ounce of ovaltine" or "Do drop in for a draught of drinking-water", it's always "Come for coffee!"

Why this build-up of the bitter breakfast bean?

I survived nearly twenty-two years absolutely detesting coffee and never touching the stuff. However, I learned to drink it in self defense, for I found that in our society, one drinks coffee or one goes thirsty.

After a couple of years of constant consumption of coffee, I am now addicted to it . . . like sixty million other "coffeeholics".

Did you know that the average American imbibes far over five hundred cups a year? If each person in the United States was a coffee-drinker, at the present rate of consumption, he would be drinking twelve pounds of coffee annually! It's a wonder that we don't all die of consumption!

How did this coffee craze start? With poor gullible gluttonous goats . . . that's how . . . and we have been following their herd-thinking ever since. Make you feel a little sheepish?

When goats got the coffee urge back around 300 AD, they didn't sit down at the samovar and utter "Cream please", "Sugar, please", or "Helen, dear this is simply de-vine brew!" They liked coffee for "coffee's sake" . . . in fact they ate it "pressure packed" right off the bush!

The story goes that some shepherds were overcome one night to see their flock of goats gamboling in the moonlight . . . when all good little lambs should be asleep. They watched this strange occurrence for several nights and traced the source of their wakeful charges to an unfamiliar bush. The goats were eating the berries from this bush . . . so the shepherds, feeling somewhat bushed themselves, tasted these berries too. They experienced a long and lonely sleepless night.

By the 15th Century Mohammedans were gulping gallons of "coffee bean brew" so they could stay awake through the lengthy religious services.

The coffee habit quickly spread from Arabia to Constantinople (or Istanbul, or what ever it's called) to Venice, then to England, France and other countries of Europe. In 1652 the first coffee-house was established in London. In fact these houses became so popular that Charles II attempted to suppress them, calling them "Seminaries of sedition." (Sedition indeed! It's obvious he never took a gander at his own palace courts!)

In France coffee became so

popular that restaurants became known as "cafes" . . . the French term for coffee. Cafe au lait (coffee with cream) became an established color in the high fashion houses of Paris.

During the reign of Louis XV, the old monarch himself would prepare pot after pot of steaming coffee in the cozy kitchen of Madame Du Barry. There they would chat and giggle until the coffee boiled over. Over a period of years of Louis became more and more fond of coffee . . . and of Madame Du Barry's apartment. It must have been delicious brew!

Coffee has grown in popularity until there must be coffee-bush conservation or we shall surely run quite dry. I can't imagine spending the last sixty years of my life without one drop of that limicolous liquid! The thought is

absolutely appalling! In spite of doctor's warnings, dizzy spells, coffee nerves, heartburn, wakeful nights spent counting the flowers on the wallpaper, and 89 cents per pound, we continue to consume craters of coffee. Is this wholesome, healthy, economical or even intelligent? Who

knows? . . . How about a cup? . . . it's toasted, roasted and the flavor's locked in!

Acknowledgment: One cup of strong black coffee to one Roger Conger from whose writings I obtained this startling information!

new and different things  
IN THE **1960 Chevy!**

**!new!**  
*easy loading  
luggage compartment*

New convenience has been built into Chevy's big, vacation-sized luggage compartment by lowering the loading height.

**NEW**  
*spaciousness inside*

Inside you'll find room and more room. There's room to sprawl in, room to sit tall in—and the roofline has a respect for hats. A new flatter transmission tunnel is a boon to the middle man. Here is the kind of space that invites the family.

**THRIFTIER**  
*!!!new!!!*  
**VS POWER**

Under the hood thrift is accented in a new standard V8, engineered to deliver up to 10% more miles for every gallon while giving you more zest at normal speeds. Or you might choose its teammate—Chevy's Hi-Thrift 6—the engine that starts saving the moment you flip the ignition switch.

**NEW QUIET AND COMFORT**

Thicker, newly designed body mounts insulate you from road shock and noise, insuring an almost cocoon-like quiet. Full Coil spring suspension melts bumps as no other suspension system can. Oil hushed hydraulic

valve lifters reduce engine noise to a whisper.

**!NEW!**  
**refinements for the driver**

Everybody will want to be the driver when he sees the kind of pleasure a turn at the wheel brings. The driver finds Chevy has further cushioned him from engine impulses by an improved clutch linkage system. He'll also find a convenient new parking brake that automatically returns to normal height after application.

## Hart Longhorns Fall Prey To Anton Bulldog Eleven

Hart Longhorns fought valiantly before falling to the heavier Anton Bulldogs on a rain soaked field Friday night. Final score was 30-8.

Giving 25 pounds per man, the Longhorns were trailing only 14-8, with less than less than five minutes left in the ball game. A fourth down pass was just inches short of a first down, and the ball went over to Anton. The Bulldogs covered 56 yards in five plays to score again, and ran the conversion to make it 22-8.

Taking the kick-off, the Longhorns moved in the air on the strong arm of quarterback Larry Lee, deep in Anton territory. With 20 seconds left in the game, Lee threw to Connard Riddles, only to have the pass intercepted and returned 76 yards for another Anton TD. Bulldogs ran the extra points to make it 30-8.

Hart stopped the Bulldogs through the first quarter, only to have them score on a 46 yard pass play in the second quarter. At the half, Anton led 8-0.

Early in the third quarter, Anton recovered a fumble deep in Longhorn territory and turned it into a touchdown. Later in the same quarter, Lee intercepted a Bulldog pass and returned it 46 yards for Hart's lone tally. Riddles ran the extra points to make it 8-14.

J. D. Myrick, the Longhorns' hard-running little halfback, was carried from the field in the first quarter, with a badly sprained ankle.

Other boys who saw action were Ralph Myrick, Gene Varner, J. T. Stanton, Eufemio Rubalcaba, Gene Johnson, Mike Morrison, Orval Hughlett, Lonnie Wall, Johnny Mousner and Richard Figueroa. Friday night the Longhorns travel to Whitharral.

### Longhorn Cafe Stages Opening

Approximately 130 persons registered Saturday at the formal opening of the Longhorn Cafe. Rodney Smith received a prize of four steak dinners. Coffee, donuts, bubble gum and balloons were given to the guests.

### Church Slates Open House For New Additions

Open house for the new classrooms at the Hart Church of Christ will be held Sunday, October 11, announces Fred Butler, minister.

Speaker for the occasion will be Bob Ware, director of the Church of Christ Bible Chair at WTSC in Canyon. Following the address there will be congregational singing.

The new educational wing consists of six classrooms. In addition, the auditorium of the plant has been remodeled. Mr. Butler states seating capacity has been increased more than 50 percent. An invitation is extended the public to attend the open house.

### Fire Truck Ride In Store For First-Graders

Fire Prevention Week observance in Hart will be brought to an exciting climax next Tuesday afternoon.

Following the presentation of winners in the grade school poster contest, the Hart Volunteer Fire Department will take first-graders for a ride on the truck through downtown Hart.

The Hart Lions Club will present first, second and third prizes in the poster contest. School Supt. Paul Kennedy offers \$1.00 for the

### Rainfall Heavy During Week

Hart has received more than four inches of rain since Tuesday of last week.

According to government rain gauges, 1.38 inches fell Friday afternoon in a deluge that lasted about 25 minutes. Small hail also dotted the city of Hart.

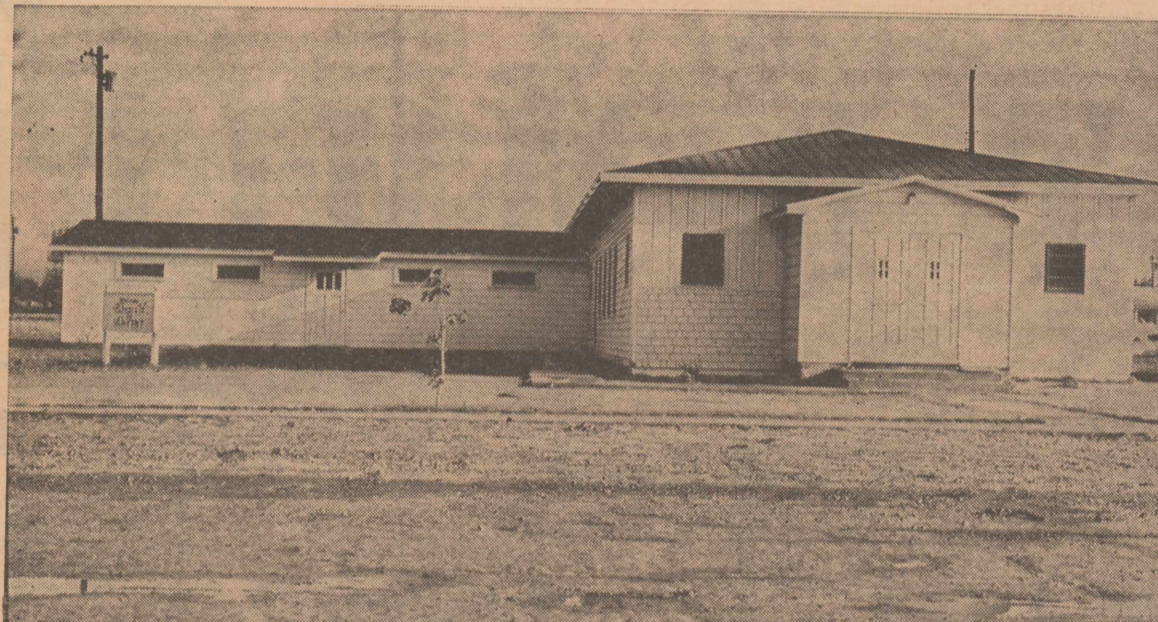

### SENIORS RECEIVE CLASS RINGS

Class rings were distributed last week to 17 students of the Hart High School Class of 1960. Scarlett Beeson, treasurer, presented the rings. They feature a ruby stone with initials, HHS in the center, and the owner's initials flanking the stone.

Best poster in the primary grades, and \$1.00 for the best in fourth through eighth grades.

The public is invited to attend the judging Tuesday.

### CHURCH ADDITIONS

Shown above is a view of the new educational wing at the Hart Church of Christ. Open house will be held for this addition and the remodeled auditorium October 11. (STAFF PHOTO)

### Last Rites For W. D. Taack Said Thursday

Funeral services for W. D. "Pete" Taack of Dimmitt, formerly of Hart, were held Thursday afternoon in Hart Methodist Church.

Mr. Taack, 51, died at 5 PM September 29 in Plainview Hospital and Foundation, following heart surgery. Rites were conducted by Rev. Lee Crouch, pastor, assisted by Rev. Lyman P. Wood of Amarillo. Burial was in Littlefield Cemetery, under the direction of Dennis Funeral Home of Dimmitt.

Mr. Taack, a farmer, was born in Kilgore Oct. 23, 1907. He had lived in Plainview, Littlefield and Hart, before moving to Dimmitt in 1952.

He is survived by his wife, Dean; and a daughter, Katherine Bell, of Dimmitt; his father, J. H. Taack, of Morton; a brother, Roy, of Hart; and two sisters, Mrs. Bill Cape, Littlefield, and Mrs. K. M. Hart, Stinnett.

Pallbearers at the memorial rites were W. O. Hampton, Littlefield; Floyd Thomlinson, Canyon; H. A. Anderson, Roy, NM; Hugo Beyer, Dimmitt; J. F. Clark and Roland Shepard, Hart.

Honorary pallbearers were F. C. Beyer, Littlefield; L. J. Rice, Hart; John Dorsey, Buck Powell, Jene Seelye and J. A. Ramsey, Dimmitt.

### Orval Hughlett Heads Seniors

New officers for this term of school have been elected in the Hart High School student body. They are as follows:

**Seniors**  
Sponsor, Easton Wall; president, Orval Hughlett; vice-president, Janice Bass; secretary, Connie Irons; treasurer, Scarlett Beeson; reporter, Janis Sharp; parliamentarians, Bettye Stone

### P-TA Meeting Is Monday Nite

"An Aid To Education," is the title of a skit to be presented at the Hart P-TA meeting Monday evening.

Also on the agenda is a musical selection. The skit will be presented by teachers, pupils and parents.

The meeting will begin at 8 PM.

and J. D. Myrick.  
**Juniors**  
Sponsor, Lanny Tucker; president, Patsy Curry; vice-president, Conard Riddles; secretary, Freddie Sue Popejoy; treasurer, Jo Ann Lacy; reporter, Jerry Felder.  
**Sophomores**  
Sponsor, Mr. Watson; president, Ralph Myrick; vice-president, Jack Witten; secretary, Judy Sanders; treasurer, Eufemio Rubalcaba; reporter, Vivian Shive.  
**Freshmen**  
Sponsor, Bill Shelby; president, Don Sharp; vice-president, J. T. Stanton; treasurer, Richard Figueroa; secretary, Mike Reed; reporter, Johnny Kittrell; social chairman, Freda Davis.

### Lions Entertain Plainview C Of C

Plainview Chamber of Commerce members were guests of the Hart Lions Club at a breakfast Saturday morning. Auctioneer Raymond Aiken of Plainview auctioned a paper bag hat belonging to Sherd Davis. Proceeds of \$20 were given to the Hart Lions Club.

Cooks for the 75 members and guests were Sherd Davis, Glen Reed, Edd Bennett and Ed Harris.

### Glen Wilson To Farm Here

Glen Wilson, son of Mr. and Mrs. A. L. Wilson, received an honorable discharge from the United States armed forces at Fort Leonardwood, Mo., recently. Wilson, who is a graduate of Slaton High School and a '58 graduate of Wayland Baptist College, Plainview, will farm with his father west of Hart.

### WSCS Meeting Held Thursday

Reports were made by committee chairmen Thursday at the regular WSCS meeting. Present were Mesdames E. E. Foster, Ed Bennett, R. C. Bailey, Bill Bell, Lee Crouch, C. B. Landers and Bill Swindle.

### This & That

BY MYRT LOMAN

Sunday, October 11—Attend the church of your choice  
Monday, October 12—Producers Co-Op Gin; Lions Club; Hart P-TA

Mr. Lanny Tucker, ag teacher, and the FFA boys met with Mrs. E. H. Bowden, Mrs. T. B. Cox and Mrs. H. E. Loman Tuesday of last week and worked most of the day, cleaning, burning and hauling away weeds and trash.

We are ever so grateful to Lanny and the boys for their help, for without them, we ladies would not have the job done. THANKS BOYS. Have always found when a worthwhile job or project is started in Hart, you will always find a willing worker. If you were not able to help and you appreciate what was done, you might make a donation to the Hart Cemetery Fund, as we need it so badly to pave the road out there. Mr. Tucker says he and the boys will trim the trees in the spring.

When we pull up or cut grass and weeds why not put them in our car and bring home and burn, then they will not blow over on other graves or lots.

There are still FAIRIES I believe, as I came home not long ago and there were two real nice pumpkins at my back door. Then, last week a lady gave me one of the most delicious watermelons I ever eaten. Have also had given me cantaloupes and both sweet and hot peppers for which, all in all, I am grateful.

Heard this morning the FAIRIES had been calling on some of the school teachers, also, and they were very pleased.

Sure glad I missed it on the frost for Saturday night, as I most surely almost got into serious trouble with some of the farmers. You know I often wonder if any one reads my news sometimes, but if I make a mistake, I very quickly find out. They at least read that part.

Pretty hard some Mondays to find news and without your cooperation, we would have none, so won't you please try to remember to get in touch with me on Sunday afternoon or at noon on Monday, as that is about the only time I can promise you to find me at home.

Hart is still growing. We had a formal opening last Saturday of a new business in Hart. Watch the newspapers, for I know of at least two more. Are you proud to be

### Hearts Of Hart

This young fellow is Kelley Mike Davenport, 17 months old, son of Mr. and Mrs. Howard Davenport of Hart. Grandparents are Mr. and Mrs. J. W. Davenport of Hart and Mr. and Mrs. W. H. Duke of Floydada.

### HART CAMP NEWS

BY MRS. BLANTON MARTIN

Mr. and Mrs. Ray Montgomery of Olton visited the Hos Lynchs Sunday afternoon.

Hart Camp mothers attending the "Mothers' Teas" last week at school were Mrs. L. A. Smith, Mrs. Dick Cade, Mrs. Junior Muller, Mrs. D. R. Leonard and Mrs. Blanton Martin.

Mr. and Mrs. Jude Muller have returned from a trip to California. Enroute there, they visited the Claude Parkeys at Bullhead City, Ariz. Little Kathy Langford returned home with them from Artesia, NM.

Celebrating birthdays the last few days were Kerwin Oliver, Larry and Jerolyn Timmins and little Bonnie Moore.

Hart Camp WMS met Monday afternoon for a period of Bible Study with Mrs. R. S. Moore leading. Present were Mesdames E. P. Oliver, Jack Moore, H. V. Lynch, C. E. Timmins, Bobbie Sageser, L. W. Sullivan, Blanton Martin and Elma Burleson.

Devey Parkey and Larry Timmins will begin sponsoring a Royal Ambassadors chapter for boys this Wednesday night at the Baptist Church.

2 eggs  
1 cup thick sour cream  
1t. vanilla  
2 1/2 cups sifted flour  
1/2t soda  
1/2t. baking powder  
1/2t. salt

Two-thirds cup chopped pecans  
Combine shortening, brown sugar and eggs and mix thoroughly. Stir in sour cream and vanilla. Sift together flour, soda, baking powder, and salt and add to first mixture. Mix well, add nuts. Chill for two hours then drop by teaspoonfuls on ungreased baking sheet. Bake at 400 degrees for 8 to 10 min. Frost while warm if a frosting is desired.

**Frosting**  
2 cups powdered sugar  
1/2 cup soft oleo  
2T cream  
1t. vanilla  
Blend all ingredients and beat until smooth.

Since the sugar was left out of the cookie recipe, I will repeat the recipe this week.

**Old Fashioned Sour Cream Cookies**  
1/2 cup sour shortening

### KITCHEN KORNER

BY LELIA GALLION

MENU

Glazed pork roast  
Baked sweet potatoes  
Buttered peas with mushrooms  
Whole cranberry sauce  
Hot rolls

Apple dumplings  
Sweet potatoes are quite plentiful right now, and so are a good buy. Apples are also more plentiful and less expensive this year. There are many ways to prepare the apples and they are certainly a very healthful food.

To add a little variety to your next pork roast, try fixing it with a glaze. Rub roast well with salt, pepper and a little sage, then bake as usual. About 30 minutes before end of roasting time, spoon syrup from cinnamon apples over the roast, do this two or three times during the last 30 minutes.

**Apple Dumplings**  
Pastry  
2 cups flour  
2 t baking powder  
1 t. salt  
Two-thirds cup shortening  
1/2 cup milk

Mix as for pie crust; roll out to 1/4 inch thick and cut in squares. Pare and cut in eighths, 6 medium-sized apples; add 1 1/2 cups sugar; 1/4 t. cinnamon, 1/4 t. nutmeg. Mix well. Put about 1/2 cup apple mixture on square of pastry. Fold corners together in center and pinch together. Bake in 350 degree oven for 35 minutes or until apples are done. Serve warm with cream.

**Lamb County Land Added To Water Dist.**

The High Plains Underground Water Conservation District is larger by 1,062 acres of land. M. C. Street of Littlefield in Lamb County is the first landowner to have land annexed to the District that was not originally included.

He owns six labors of land in southern Bailey County. The land adjoins the original Water District boundary. Mr. Street asked the Board of Directors of the Water District, by petition, to include his land in the District and to levy the maintenance tax of 5 cents on each \$100 valuation.

Because there were no other landowners involved in this transaction, the District Board at their regular meeting September 4, did, on their own motion, pass a resolution which brought Mr. Street's land into the District. Mr. Street has two small irrigation wells that were drilled on the land prior to its being annexed to the District. The wells were drilled in accordance with the well spacing rules of the High Plains Water District.

Mr. Street states that he believes in conserving water and that the benefits of the High Plains Water District are evident, and that he wants to become a part of the organization to help foster water conservation and actively support efforts designed to maintain control of ground water in Texas on the local level.

**Resort Shooting Season Starts On Upland Birds**

The hunting of pleasant and quail on Texas shooting resorts began October 1, according to the director of law enforcement of the Game and Fish Commission.

There are a number of such shooting resorts scattered throughout the State which are permitted under the law to raise and release game birds for fee hunting. Some of these places have been in operation for several years. However, within the last two years there has been an increase in the number of shooting resorts in the State, according to the director.

Some of these resorts are operated on a club basis, while others charge a fee for the day's shooting. On some of them dogs are furnished, and on others shooters must provide their own dogs. Under the statutes, a shooting resort is defined as an area not less than 600 acres contiguous to each other, on which pen-raised fowl and/or imported game birds are released. They must be banded and marked. The bag limit on the shooting resorts is unrestricted on banded birds.

"The following optometrists have been approved for membership in the South Plains Optometric Society and the Texas Optometric Association. They are voluntarily pledged to a rigid Code of Ethics and to the protection of the Visual Welfare of their patients.

**OPTOMETRY: The Art and Science of Visual Care**

**The odds ARE against her**

Through 12 years of public schooling, your child must read and understand an average of 432 books. With such great demands on her reading vision, the odds are against her completing these years without developing a visual problem.

She begins life very farsighted, seeing only form and motion. By the time she starts to school, it is assumed her focusing and eye coordination are developed and equal to the task. If they aren't, then seeing problems can develop.

Professional optometry can determine if she is "visually ready" to start to school. EYESIGHT IS NO GAMBLING MATTER.

THIS MESSAGE PRESENTED IN THE INTEREST OF BETTER VISION BY

SOME OLD FILM CLASSICS ON MENU

# OHS SENIOR CLASS TO SPONSOR MOVIES

Olton High School Senior Class will sponsor several movies as part of their money making projects this year.

These movies have been carefully selected by Audio-Visual experts. They were popular box-office hits of past years, and are of excellent educational value.

Two football films, **Knute Kockne-All American**, a biography of the famous Notre Dame coach and his Four Horsemen; and **Crazylegs**, the rags to riches story of athlete, Crazylegs Hirsch, will be included in this series of films.

**I Dream Of Jeanie**, the life

of composer Stephen C. Foster; **The Great Gilbert And Sullivan**, film of composer of light-opera; and **A Song To Remember**, an excellent film of the life of Chopin, will be of interest to musicians.

Civic-minded citizens will be interested in **All The King's Men**, a parallel of the life of Huey P. Long, once governor of Louisiana. This was an Academy Award winning picture of recent years.

Basketball enthusiasts will like **The Harlem Globetrotters**. Those who appreciate sheer drama will enjoy the classic **Death Of A Salesman**, a contemporary play by Arthur Miller. This film also

received an Academy Award.

The only comedy included in the series is an old classic, **You Can't Take It With You**.

Proceeds of two films will go to high school clubs. The Science Club will sponsor **The Story Of Louis Pasteur**. The Spanish Club, will sponsor **The Brave Bulls**.

The public is invited to attend all movies. Admission for each film is 25 cents.

Time of day for each film showing is not yet designated. This information may be obtained by contacting Don Waldrip, at his high school office.

Show dates for the films are as follows:

- October 14—**Knute Rockne All American**
- October 23—**Crazylegs**
- November 11—**A Song To Remember**
- November 25—**All The King's Men**
- December 9—**The Harlem Globe-**

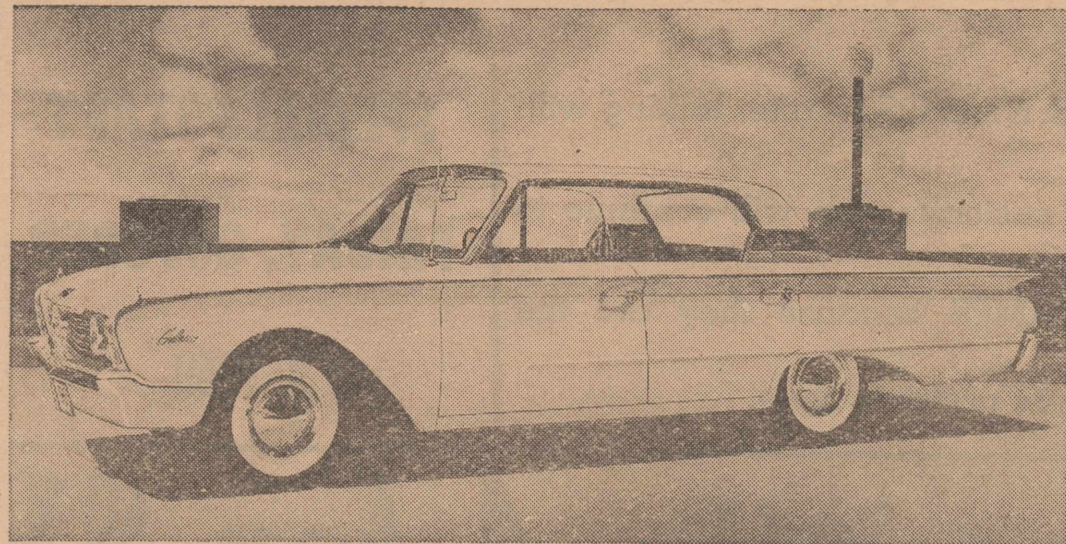

## Yearbook Recognized With Recent Honor

The Mustang, OHS yearbook, has been named third in competition by the West Texas High School Press Association.

The book was judged in a class consisting of schools with about the same enrollment as Olton.

Announcement was made at a banquet of the association Saturday afternoon in Lubbock.

- trotters
- January 6—**I Dream Of Jeanie**
  - January 27—**The Story Of Louis Pasteur**
  - February 10—**The Brave Bulls**
  - March 2—**The Great Gilbert And Sullivan**
  - March 23—**Death Of A Salesman**
  - April 19—**You Can't Take It With You**

This 1960 Ford Galaxie Town Victoria shares the all-new styling characteristics of the other Ford models, yet bears unmistakable resemblance to the elegant Thunderbird profile. The new Galaxie is one inch lower than the 1959 model, but has more interior room for six big persons than ever before. The Galaxie also is available as a two- or four-door sedan. All Fords for 1960 have the slim-line, forward sloping front roof pillar that eliminates the "dog leg" for easier entry.

**TO FORT WORTH**  
Coach Turner's sister, Mrs. R. H. Fanning, of Fort Worth is still critically ill after suffering an heart attack last week. Coach Turner left Saturday to join his wife, at the bedside of Mrs. Fanning.

**SPRINGLAKE NEWS**

BY MRS. ERNEST BAKER

Mrs. B. B. Burrow Sr., of Tulia visited her daughter, Mrs. James Sanderson, last week.

**Two Students Attend WTHSPA Meeting Sat.**  
Gayle McAnally and Doris Cruce attended the West Texas High School Press Association meeting Saturday in Lubbock.

Miss Cruce, editor of the annual, heard a discussion on yearbooks. Miss McAnally, co-editor of the paper, attended a discussion of newspapers.

Miss McAnally attended a banquet of the Association Saturday afternoon, at which announcements of awards were made.

Mr. and Mrs. Don Ketman of Minnesota visited recently in the Jack Loftis home.

Funeral services were held Sunday at 2:30 PM in the Church of Christ for Mrs. H. L. Bridge. She died suddenly Friday night at the Rest Home in Amherst, where she and Mr. Bridge have resided the past few years. They lived in Springlake for

several years and at Olton for a year. She is survived by her husband and several children. Interment was in the Springlake Cemetery.

Mr. and Mrs. Ronald Chastain of Plainview visited her brother, Bro. and Mrs. Clifford Jester, Sunday.

Bro. Clifford Jester returned home Sunday evening from Portales, NM, where he had conducted a 10-day revival.

Mrs. Leslie Watson was a patient in the Littlefield Hospital Friday through Sunday morning.

Mrs. Richard McCaskill and Judy of Denver City spent Thursday through Sunday visiting her mother, Mrs. Almon Whitford.

Mrs. James Sanderson, Stephen, Mrs. James Busby, Steve and Cynthia were Lubbock visitors Friday.

Mrs. Robert Huckabee and Mrs. F. W. Bearden visited Mrs. Elmer King Wednesday afternoon.

Billy Wayne Clayton spent Wednesday in Crosbyton.

Mrs. Ernest Baker and Mrs. Clayton visited Mrs. James Packard Wednesday.

Leslie Watson was injured Wednesday. He suffered a broken left arm and lost three teeth, when his foot slipped and he fell from a building. He received medical care at the Littlefield Hospital and was returned home.
