Scouts Annual Blue And Gold Banquet Friday

More than 40 badges will be presented to cub Scouts at their annual Blue and Gold banquet Friday evening at 7:30 in the School Lunchroom.

Approximately 165 persons are expected to attend the covered dish affair, which is staged for the entire family of each cub. Guests will be committeemen from the Olton Volunteer Fire Department, the organization which sponsors the cubs.

Presiding will be Cubmaster Vernon Britton. He will also make the following award presentations:

Bobcat Pin: Mike Ogletree, Stephen Fitts, Steve Exter.
Wolf Badge: Joe Lee, Stephen Henley, G. A. Grimes, Dale Gabehart, Jimmy Hall, James Crosby. (Continued on Page Five)

Haul Gravel To Improve Parking Area

Gravel for improvement of parking area at Olton Municipal Recreation Center will be hauled Friday afternoon, according to Dr. Lynn Fite, head of the committee in charge.

He requested that anyone with a dump truck who would volunteer to haul gravel for the project meet at 1 o'clock Friday afternoon at Higginbotham-Bartlett Co.

The gravel will be hauled from Bull Lake, he said.

Olton Merchants To Sponsor Free Saturday Movies

Sixty-three Olton merchants have contributed to sponsoring of a free show each Saturday afternoon.

The first show will be held at Roxy Theater at 1:30 o'clock Feb. 21. The show will be free to children under 12 years of age and there will be a charge of 25 cents for those who are older.

The free show will run 13 weeks and, if it proves successful, it probably will continue another 13 weeks.

Merchants who have not been contacted and would like to participate should get in touch with Charles Polk, Basil Sherman, Ira Foster or Virgil Gray.

Mothers March Is Scheduled Monday Night

Bykota Study Club's Mothers March for the March of Dimes will be staged next Monday night.

This information came this week from Mrs. Billy Smith, club reporter.

Members of the club have divided the town into sections and will knock on doors.

The club will sell coffee and doughnuts at Sherman Food Feb. 18. Mrs. Don Waldrip is in charge of the march.

Judy Price Wins National In Scholastic Achievement

A 17-year-old Olton High School girl has won national recognition as an honor student.

She is Judy Price, daughter of Mr. and Mrs. Duward Price, a senior at Olton High.

Miss Price was commended this week by the National Merit Scholarship Corporation for outstanding performance on a nation-wide test on educational development.

"Had she been located in any of the smaller states," said High School Principal Don Waldrip, "she would have gotten any number of free scholarships." The tests result in only a limited number of scholarships per state and Texas is a large state.

"We're certainly proud of Judy," declared Mr. Waldrip. "She is in the top 1 1/2 percent of the students in the nation." All Judy's grades on the test were 98 or better. She took the test the latter part of last school term.

Judy plays the organ at First Baptist Church. She also is a pianist and hopes to make music education a career. She has a brother, David, who is in his second year at the Military Academy at West Point. He has won scholastic honors there repeatedly.

Judy has been sent a letter of commendation by National Merit Scholarship Corporation. John M. Stalnaker, president of NMSC, believes that the 10,000 students who received the commendation rank in the top two or three percent in ability of the senior students in their respective states and should be given every encouragement to continue with their

The show will be staged Feb. 26, 27 and 28 this year.

Vocational Agriculture Instructors Calvin Horn and Max Malone said Olton boys have many fine animals this year and this season's show promises to be a good one.

Stock Show Board Sets Breakfast

Members of the FFA Stock Show board of directors will hold a "kick off" breakfast at 7:30 o'clock next Tuesday morning at Ideal Cafe and leave from there to begin raising money for promotion of this year's show.

B. C. Cooner, board president, said all ex-directors are invited to the breakfast.

The show will be staged Feb. 26, 27 and 28 this year.

Vocational Agriculture Instructors Calvin Horn and Max Malone said Olton boys have many fine animals this year and this season's show promises to be a good one.

Work Under Way On New Home For Olton Enterprise Plant

COMMERCIAL PRINTING BUSINESS PURCHASED BY WAYNE O. MOORE

Construction began Monday morning on a new brick and tile building for The Olton Enterprise. The new structure will be located just south of the American Legion Hall and just across the street from the Senior High School.

BULLETIN

John Lynn Burrow's lamb placed third in the El Paso Show, according to word received here Thursday morning. More details on that show next week.

Howling Wind, Sand Batters Olton Area

Howling gale winds literally filled the air with real estate Monday afternoon.

Damage ran into thousands of dollars. Plate glass windows were smashed, awnings were ripped and many buildings were unroofed by winds reported to have reached the vicinity of 100 miles an hour in gusts.

Southwestern Public Service Company reported some power trouble but no major power interruptions. There was some interference with telephone communication, especially long distance.

Plate glass was smashed at Two Brothers Store, Higginbotham Bartlett, Ed Thompson Implement Company and possibly elsewhere.

The elevator shaft at Jarvis-Paris-Murphy Company was toppled. Roof damage was reported at Hall-Sides Motors, Bryant Implement Company and elsewhere.

The television antenna at Rileys TV was knocked down by flying

Doane Survey Representative Here Next Week

Olton farmers and businessmen will learn more about a proposed Doane agricultural survey for the Olton School District at a meeting Friday night of next week in the High School Auditorium.

Russell E. Kruezman of the Doane Research Division will be on hand for the meeting which will be held at 7:30 o'clock.

He will discuss the advantages of the survey, cost of such a survey and methods to be used in completion of such a project.

Doane recently conducted a survey at Stratford in Sherman County. A group of Sherman County people were here last week and their line of discussion encouraged Olton people to go ahead with a survey here.

The survey deals primarily with farm management and creation of markets for crops already being grown as well as for recommended new crops.

Contractor on the job is H. L. Dennis. Mr. Dennis says he is the man who supplied the name for Olton's newspaper when it was founded by the late L. L. Kyle in 1927.

Beginning of construction on the new Enterprise building was somewhat of a coincidence. The newspaper begins its 33rd year of publication this week.

The Enterprise is published by Mr. and Mrs. Troy Martin. The Martins moved to Olton in 1952 and purchased half interest in the paper from F. L. Burrow. It was operated for two years as a partnership with Royce L. Vernon.

The Martins assumed full ownership in 1954 and it was then that

Mustang Club Studies Bid On New Fence

Olton Mustang Club is studying a bid of \$4,460 on a proposed cyclone fence for Memorial Stadium.

The proposed fence would be six feet high and be of 11 gauge steel.

Members of the club were told that a price increase is expected about June 31.

Several committees were named to contact schools in the area which have erected such fences in recent years. An estimate will be requested from another firm.

The club will meet again at 7:30 o'clock the night of Feb. 23 in the high school study hall.

Retail Trades Group Names Sub-Committees

Olton Chamber of Commerce Retail Trades Committee sub-committees were appointed this week at a called meeting of that group.

The meeting also served to acquaint members with the committee's program of work for the year. Eight sub-committees were formed with three or four members for each sub-committee.

Chairmen of these committees include Charles Polk, special retail promotion; Basil Sherman, securing of a dentist and optometrist; K. Y. Givens, welcoming committee; James Hall, annual community recognition day; Percy Parsons, dollar day; Ira Foster, study of trade territory as to buyers' needs; Tom Smith, strengthening business and agricultural ties; and Bob Duncan, retail trades budget committee.

City Dads Scan New Water Line Proposal Here

Olton city council is studying plans for laying a six-inch water main to the northwest corner of the town section.

The city also plans to place a fire plug in the vicinity of Olton Delinting Plant. Residents of the residential section at the western outskirts of Olton on Highway 70 have expressed a desire for city water.

Residents of that area will lay line from the six-inch main to their homes.

Cleo Smith, who is building a home in that area, appeared before the council Tuesday night to request the water main.

In other action Tuesday night, the council named Howard Hall election judge for the April city election. His assistant will be Frank Cornelius. Election clerks will be Mrs. Alton Cure and Mrs. Marshall Stone.

Olton Horses Are Tops In Cowtown Show

An Olton father and son team of quarter horse exhibitors swept halter judging for mares recently at the Fort Worth Stock Show.

Curley Daugherty of Olton showed Pandarita Hill, an aged mare, to the grand championship and his son, J. Frank Daugherty, also of Olton, won the reserve championship with his Panzarita Hill, also an aged mare.

Pandarita came out of the aged class to win the crown and Panzarita was second in the same class.

Winning is nothing new to the Daughertys. They have a room full of trophies at their big ranch home just southwest of Olton.

Their mares only recently took championship and reserve championship at the Amarillo show. Pictures and further details will be published at a later date.

DON WILLIAMS

Olton Man Win Honors As Top Salesman For Company In 1958

Don Williams was named "Man of the Year" of the American Founders Life Insurance Company for the third consecutive year at the company's annual convention banquet held at the Westwood Country Club, Austin, last Friday.

Williams led the company in production and also in premium income and was awarded a trophy by Morton T. Utley, vice-president and agency director of the company.

In addition to "Man of the Year" honors, Williams was named to the Million Dollar Club, the Top Ten Club and the President's Club. Formerly a band leader in the Olton Public Schools, he has been with the company three years. He has consistently won honors and now has \$3 million of life insurance in force.

Mrs. Williams accompanied her

Elmer Moore Named To Head ORC In Annual Membership Meeting

Elmer Moore has been named president of Olton Municipal Recreation Center.

Mr. Moore was elected Monday night at an ORC meeting held in Olton school cafeteria. Mr. Moore succeeds C. A. Cox as head of ORC.

Mr. Moore is a schoolman and farmer here. He has been very active in affairs of ORC, having served as that organization's vice-president for the past year.

He has been in charge of membership and has seen the membership grow to well over 200.

During the tenure of Mr. Cox as president, the Recreation Center became the pride of Olton and the envy of the South Plains area.

The Center boasts a nine hole golf course, pro shop and home for the pro as well as a swimming

pool and concession stand. Holdings of the club are valued at more than \$65,700.

The swimming pool was open

Hart Cagers Victorious

Hart girl basketball team triumphed over Lazbuddie Tuesday night of last week.

The girls smashed to a 70-35 victory after taking the lead in the opening period of play. Sandy Johnson hit the hoop for 37 points and scoring honors.

Thursday night of last week, the Hart girls fell before Happy 64-44. Sandy Johnson again led with 11 points.

As if to make up for the girls' loss, the boys took the lead from Happy in the first quarter and the Cowboys were an easy mark for the Longhorn cagers.

Hart won 60-37 in that encounter. Ronnie Farris scored 21 points for scoring honors in that final home game of the season.

Church Women Hold Quilting

This & That

BY MYRT LOMAN

Calendar of activities for this next week:

February 16—Methodist Revival Services, daily at 7:30 AM and 7:30 PM.

February 17—Home Demonstration Club meets and meeting of American Legion Post at the Legion Hall.

What has happened that we have no BOY SCOUT activities this year? Seems as the leaders were elected and no boys attended the meetings. To me that would be an essential with my SON, if I had a boy.

The boys learn so much good and so much good comes from the boys who are active members. All my life I have heard of the good deeds done daily by a scout. That would be a good lesson for everyone. The world would be a much better place to live if we did One Good Deed Daily. Our Town Would Be Better And So Would You and I.

It is so easy to put off until tomorrow the things we should do today, as to tell someone how much we Love and Appreciate Them! It is not necessary to leave home to do that. Our companions know we love them, but do we take the time to tell them? Our families bring us many hours of happiness and pleasure. Let's try to Love each other more.

If you don't like the Texas weather wait a little while and we will have a change. No better place to find that out than in the Panhandle and South Plains. Within a week we have had several kinds.

More new business for Hart and more new people, then we must have places for them to live. Hart is Growing. Are you not Proud to be a Hart citizen?

Hart Beat is almost a year old, and have you done your part on giving the news? Please call 2591 and give me your news. The name Hart Beat was suggested by a man in Plainview by the name of Lowell Sitton.

The Seniors of Hart High School will soon be calling on you for your subscription. Keep the Hart Beat Beating.

Charley Sanders Claimed By Death Last Thursday

CHARLEY SANDERS

Funeral services for Charley Sanders were held Saturday afternoon in Hart Baptist Church with Rev. Jack Johnston, pastor, officiating, assisted by Rev. Lyman Wood, pastor of Hart Methodist Church.

Mr. Sanders died suddenly about 3:30 o'clock Thursday afternoon at his home northeast of Hart. He was 40 years old.

He was born Feb. 13, 1918 at Wellington. He moved to Hart with his family in 1924. He was a veteran of World War II.

Mr. Sanders was a member of Hart Baptist Church and a member of the Hart American Legion Post. He was married June 5, 1948 to Miss Polly Smitherman.

He was a charter member of the Hart Legion Post having served it as an officer on several occasions. He was vice-commander in 1949 and was re-elected in 1950. He was sergeant-at-arms in 1953 and flag bearer in 1955. He again served as vice-commander in 1958 and was re-elected in 1959.

Burial was in Hart Cemetery under direction of Lemons Funeral Home of Plainview. Pallbearers were T. C. Ray, L. J. Rice, Glyn Reed, Rodney Smith, Olen Burt and Ralph Futrell. Honorary pallbearers included members of the Hart Legion Post.

Survivors include the wife; four sons, Joe Bob, 9; Billy Frank, 6; Charles Brent, 3; and Brad Smitherman, 2; the parents, Mr. and Mrs. Frank Sanders; three brothers, Robert of Lubbock and W. T. and Dean, both of Hart; and a sister, Mrs. Furchie Riley of Springlake.

GOLDEN WEDDING

Floyd Colemans To Observe Golden Wedding Anniversary With Open House

Mr. and Mrs. Floyd Coleman will be honored with an open house at their home from 2 o'clock until 6 o'clock the afternoon of February 22, upon the occasion of their Golden Wedding Anniversary.

Their home is located 4 miles east of Olton on Highway 70. The public is invited.

Mr. and Mrs. Coleman were married Feb. 21, 1909 in Hardeman County. He was 21 at the time and Mrs. Coleman was 14.

"My mother thought I was pretty young," Mrs. Coleman remembers, "but not too young. I don't think she cared a lot for me getting married."

When they were first married, the Colemans lived in a half dugout. He farmed with teams and worked about 100 acres of land.

"If we made a living we were doing good," he declared. "I don't know if I'd have lived or not if it hadn't been for C. W. Furr," Mr. Coleman continued.

He was referring to the Furr who established the Furr Food chain of groceries.

"He kept us in groceries for about four years after we were married," Mr. Coleman said.

The Colemans moved from Hardeman County to Brownfield in 1921, shipping their stuff by train.

They lived at Brownfield about

Bykotas Plan Annual Style Show Feb. 21st

Bykota Study Club will stage its annual style show a week from Saturday night in the school cafeteria.

Members of the club will act as models for the affair.

Members who were not present at this week's meeting of the club should get into contact with Mrs. Douglas Owen to find out when and where they are to be fitted with dresses for the show.

The Bykotas met Tuesday night in the home of Mrs. Max Malone. Hostess was Mrs. Billy Griffith. Co-hostess was Mrs. R. V. Allcorn. Topic was travel and roll call was answered with a favorite recipe. Mrs. Dan Quigley talked to the club on her trip to Europe sometime back.

Present were Mrs. Don Waldrip, Mrs. Quigley, Mrs. Basil Johns, Mrs. Jim Brown, Mrs. Billy Griffith, Mrs. Edd Burrus, Mrs. J. P. Nafzger, Mrs. Andrew Stroebel, Mrs. Fred Stockdale, Mrs. Billy Smith, Mrs. Max Malone, Mrs. R. V. Allcorn, Mrs. Douglas Owen, Mrs. James Martin, Mrs. Robert Meinecke and Mrs. Harley Don Bryant.

Next meeting of the club will be Feb. 24. Mrs. Jackson Dodd will be hostess. Topic will be home department with a talk on interior decoration by Mrs. Stroebel. Roll call will be answered with first aid remedies. Co-hostess will be Mrs. Billy Griffith.

Girl Scout Father and Daughter Banquet will be held Tuesday night at the school cafeteria. Every registered Scout is urged to come and bring her father to the affair, which will start at 7:30 PM.

Each troop will put on a skit and the senior Scouts are sponsoring the speaker, Phil Sterrett of Abernathy. Mr. Sterrett is Camp Development Chairman of Rio Blanco Girl Scout Camp near Crosbyton. He will show slides taken at the campsite and will talk about the camp that is to be used for the first time this year.

This is the first year that such a banquet has been staged and the Scouts are expecting at least 200 persons to attend.

HONOREES

These three women were among the honorees attending the Founders Day Tea of Olton PTA Thursday afternoon of last week. They are from left Mrs. Raymon Carson, Mrs. George Bohner and Mrs. C. M. Owen.

Past-Presidents Honored By Parent-Teachers Association At Founders Day Tea Last Thurs.

Past-presidents were honored last Thursday at Founders Day Tea held by Olton Parent-Teachers Association. The tea was held in Olton High School Auditorium.

Among those present was Mrs. George Bohner, first Olton P-TA president.

Other past-presidents honored were Mrs. I. V. Fent, Mrs. Wilton Bodkin, Mrs. Raymon Carson, Mrs. H. B. Carson, Mrs. Bob Duncan, Mrs. C. S. Silcott, Mrs. D. M. Granbery, Mrs. Paul Burrus and Mrs. C. M. Owen.

"Education—Inclusive or Exclusive" was the subject of a panel discussion. Members of the panel were Mrs. Mardema Ogletree, Mrs. Carl Hooper, Mrs. John Campbell and Mrs. Owen Norfleet.

Mrs. Hooper defined the purpose of education as . . . "enabling each individual to achieve his own highest potential in a free and democratic society."

Division of children according to their abilities to learn was discussed by Mrs. Campbell. She told of the encouraging results in several schools where a more

challenging program is given the gifted.

The problems of recognizing the gifted and the need for more teachers was discussed by the group.

Mrs. Norfleet told the group that she and others think there is a need for more emphasis on academic subjects.

The program was concluded by Mrs. Ogletree's asking the following questions: Do the Olton Schools provide the kind of education that will enable each child to achieve his own highest potential? What are we doing to provide educational facilities for the mentally retarded and the physically handicapped? Are we letting old racial prejudices exclude colored children from acquiring the best education possible? Is the language barrier excluding many Latin American children from an education? Are the gifted children being challenged or frustrated? Are we willing to pay the extra cost of special teachers?

Olton Woman Tells Of Capital Trip

(Editor's Note: The following is an account written by Mrs. H. B. Carson, who, with her husband and Mr. and Mrs. J. D. Murry of Hart, has just returned from a trip to Washington, DC.)

On Friday, January 23, at 5:00 AM, a group of 39 Texas men and women left Wichita Falls in a chartered bus to represent the Farmers Union in Washington, DC. The bus was chartered and paid for by National Farmers Union headquarters in Denver, Colo., for the Texas State delegation.

We went the northern route, spending a night in Rolla, Mo., in Columbia, O., and traveling on through Pittsburg, Penn. into Washington. We arrived at the Continental Hotel, near the Capitol, about 7:30 PM January 25, feeling very much like a large family of 39.

Three other chartered busses from Montana, Minnesota and North Dakota, arrived at the Hotel the same night.

The purpose of the trip was to see and find out first-hand information about Congress and the leaders of our nation, and to relay to them first-hand information from the farmers and to discuss our problems and viewpoints with the people who represent us.

Several meetings and many discussions were attended in order to gain information and ask questions. A meeting was arranged for the four groups of delegates in the agricultural building auditorium, at which time Mr. Ezra Benson, our agricultural secretary, was to speak to us.

Mr. Benson failed to show up.

(He also failed to show up for the four States who met the week before.) He sent an undersecretary and a panel of six men to discuss problems. This proved unsatisfactory.

We then visited the State Department and listen to a talk by an undersecretary of State, sent by Mr. Dulles. This talk was very informative and educational.

Our Texas group visited in the office of Sen. Lyndon Johnson of Texas, Senate Majority Leader. Mr. Johnson talked to our group about 20 minutes and listened to anything we had to say. Mr. Johnson said there was only one thing he found wrong with the Farmers Union. He said, "You need more members."

Upon leaving, he presented each of the group a pencil with his picture on it and walked to the steps of the Senate office building for a picture with the Texas group. We each received an autographed picture of the group at our hotel the next day.

We visited in the very crowded offices of Sen. Ralph Yarborough, where we were treated royally. He talked about 20 minutes, stressing very emphatically keeping up the school lunch programs and food for underprivileged children, for orphans and retarded children, as a means of consuming surplus food, as well as building strong bodies for our future generations.

Mr. Yarborough also posed on the Senate office building steps for a picture with our group.

The group then visited in the office of Sam Rayburn. He made us feel as much at home as if

we were in our own living room.

Mr. Rayburn has a farm two miles out of Bonham, Tex. He talked on the problems facing the farmer. He also is very much in favor of keeping the REA interest rate at two percent and insists the farmers will be in a dilemma if the proposed raise of four or five percent should go over, as some leaders are pushing it. He also made the statement that he had pushed farm to market roads. He said that a man had been in with a big road project and he would not back it unless 30 percent of it was ear-marked farm to market roads, as was his usual procedure.

The Texas group was turned loose on their own to visit their own representatives and any other representative we cared to visit if we could get in. Our group visited George Mahon. Mrs. Mahon greeted us and talked until Mr. Mahon could finish a conference. Mr. Mahon talked, asked questions and visited with us about 30 minutes. They both made us feel very much at home.

We visited in several other offices and were treated nice. All agreed they liked to talk to average people.

We then got passes to the Senate and House galleries. The next day we sat in on a session at the Senate and also in the House of Representatives.

This was all very informative and educational, as several bills concerning agriculture were being presented. A group of lawmakers from farm districts made a careful study of these bills and decided the Metcalf Bill, presented by Lee Metcalf (a Democrat from Montana) was a fair bill to all concerned. The bill provides for farm program goals, parity farm income deficiency payments, national security and safety reserve, farm processing and marketing loans, expansion of farm exports, balancing market supply with demand and research for expansion of industrial uses of farm products.

The group also approved Public Law 480 presented by Rep. Poage of Texas, dealing with distribution of farm products in foreign countries as loans or gifts.

From the standpoint of the purpose for which we were sent, we feel like much was accomplished.

While in Washington, the group took guided tours through the Capitol building, the White House, the Supreme Court building, the facilities of the FBI, the Library of Congress, the Smithsonian Institute, the Botanical Gardens and Christ Church in Alexandria, Va., where George Washington attended church regularly. Regular church services have been held there continually since that time. We visited Mount Vernon, Washington's home place; The Tomb of the Unknown Soldier in Arlington Cemetery; the Washington Monument; the Lincoln Memorial; the Jefferson Memorial; and saw the Pentagon building.

We left Washington at 5 AM

WASHINGTON TRIPPERS

A group of Farmers Union Washington trippers are shown here with Senator Ralph Yarborough. Mr. and Mrs. Herschel Carson are standing in the third row behind Mr. Yarborough and slightly to the Senator's right.

Friday, January 30, for home. We returned south on the Virginia mountain ridge route, then through Tennessee. We spent a night in Knoxville, Tenn., and in Little Rock, Ark., and arrived at Wichita Falls Sunday, February 1, about 5 PM. All the bus group parted feeling they had made some very close and dear friends.

We feel the trip with a group is a wonderful experience. We enjoyed every minute of it and wish to say "thank you" to the ones who made this trip possible for us.

Little Damage In Collision Here Wednesday

A two car collision near the school Wednesday morning involved the drivers training car and another vehicle.

There was some property damage but no injuries.

Operating the drivers training car was Joe Turner. Driver of the other vehicle was Rev. B. C. Beard, pastor of Hopewell Baptist Church.

Investigating officers said Turner was traveling east and Rev. Beard was in the process of making a left turn on the roadway when the accident occurred. Officers estimated damage at a little more than \$300.

Bohner Demons Lose Bid In District Play

Olton's Bohner School basketball team lost its bid for state honors Saturday as it lost to Levelland in the first round of the district tournament at Anton.

The Demons dropped that all-important game 38 to 34. They had beaten Levelland—and badly—in three previous games this season. "It was just a bad day for us," said Principal B. T. Graves. "Our boys just couldn't seem to hit the basket."

The Demons also lost to Slaton 44 to 40 in the consolation round. They had beaten several teams which had defeated Slaton. "It just wasn't our day," Graves remarked sadly.

Mustangs Kick Mules In Cage Tilt Friday

In their most impressive game of the season, the Olton Mustangs Friday night blasted the Mules of Muleshoe 67 to 53.

The Mustangs grabbed an early lead and clung tenaciously to it until the final gong. The Mustangs led 18 to 15 at the end of the first quarter and 40 to 30 at the end of the half. At the end of the third quarter Olton was ahead 53 to 40. Wendell Scribner racked up scoring honors with 25 points. Arno Hall with 19 was not far behind.

The Olton girls lost their game 62 to 20. Sharron Dennis scored 7 of Olton's points.

AT MULESHOE Gene Cottrell is in Muleshoe Hospital this week, relatives here report.

Folks here said it was one of the worst sandstorms to strike this area in the past 10 years.

Work Under Way—

(Continued From Page One) plans were laid for building The Enterprise building. Miss Leabelle Sluder conducted a subscription campaign in the summer of 1955 and the proceeds were used to purchase two 25-foot lots just south of the Legion Hall.

Management of The Enterprise has added considerable new equipment over the years to keep the newspaper abreast of the growth of Olton and development of its trade territory.

Most notable in recent years was the addition of a press which won for the Olton newspaper first place in general excellence among Texas newspapers last year.

Probably one of the most significant additions was that of an electronic engraving machine and complete photographic department. Only three short years ago, The Enterprise seldom if ever boasted more than three pictures in one edition. Many times the newspaper went to press without a single picture on its pages.

Then in 1957, a photographic department was added. Only five months ago, The Enterprise added an electronic engraver and now runs from 15 to 30 local pictures each week.

The Enterprise also has installed an electronic typesetting device which provides more economical production of type for news stories.

The new Enterprise building will be 25 feet by 70 feet. It will house only the newspaper plant. Completion is expected by mid-April.

Martin announced this week that The Enterprise job printing department has been sold to Wayne O. Moore and it will be operated henceforward as a separate business.

Blaze Sweeps Blackwell Shop Monday Night

A \$13,000 fire swept the Lloyd Blackwell garage in East Olton Monday night.

their home. The garage was a corrugated frame structure. It was the second corrugated frame building fire here within the past few days. Fire almost destroyed the building at Olton Delinting Plant the night of Jan. 31. It also was a corrugated frame building.

Firemen battled that blaze hampered by inclement weather. The ground was covered with ice and snow then.

"I want to thank the fire department," declared Mr. Blackwell. "They saved my house. If they hadn't gotten there just when they did my house would have been gone too."

How To Grow
2 Bale Cotton

I started my fertilization program, using 0-20-0 at the rate of 200 pounds per acre. Each year I increased the rate until I was applying 600 pounds per acre but was never able to produce over 1 1/4 bales of cotton per acre.

Then I switched to Mathieson's water soluble Ammo Phos 13-39-0 at the rate of 150 pounds and got a yield of 1 1/3 bales per acre. The more I used, the more cotton I made. Until in 1958, I used 800 pounds 13-39-0 plus 35-40 pounds of nitrogen and made 2 bales per acre on 408 acres.

I use soil analysis to guide me in my fertilization program. I break my land from 8-11 inches deep every year, get ready early and plant between the 20th and 25th of April. My first fruit is set and held by using Mathieson's insecticides, starting at the four leaf stage and repeating as often as necessary to control the insects. In 1958 I used 6 applications of insecticides. I irrigate the first time when the crop starts fruiting and the last time between August 15-20th. This program saves the bottom crop and hastens maturity.

I am well pleased with the results I get.

Good Cotton Demands Good Seed

The seed you plant for your 1959 cotton crop will be vitally important—more important than in many years. In 1958, there just wasn't enough healthy cotton seed with a high germination. With a year behind us, when LEAF BLIGHT took such a toll by lowering so many grades—why gamble?

Plant Only Wet Acid Delinted Cotton Seed

Wet Acid Delinted Cotton Seed can be depended upon to put more money in your pocket year after year. That's why each year more and more Wet Acid Delinted Seed are planted.

OPTOMETRY: The Art and Science of Visual Care

Can YOU really see at night?

Some people cannot. They avoid driving at night because they feel unsafe and unsure. Their vision actually changes after dark.

Night vision can be improved in some cases where special lenses are required. If you are troubled with night blindness, consult a professional optometrist.

And if it can not be improved, he will advise you to:

- * Drive slower
- * Never take your eyes off the road
- * Watch the edge of the highway
- * Don't look at approaching headlights

"While the students receiving this commendation did not quite reach the finals of the 1958-59 Merit Scholarship competition each of them has demonstrated highly superior ability and outstanding promise to benefit from college training," declared Mr. Stalnaker.

"I hope that every one of them will make a special effort to obtain a college education. With further education, these young people can play a vital role in our nation."

The annual National Merit Scholarship competition offers the largest system of privately financed scholarships in the United States. The program is open to all high school seniors in the United States

and its possessions.

More than 478,000 high schools entered the 1958-59 competition, which began with the National Merit Scholarship Qualifying Test on April 29, 1958. Another group of about 10,000 students—the highest scorers in each state, prorated by population—were announced last October. These students, who have since been retested, are now Finalists in the competition, and

the Merit Scholars of 1959, to be chosen from this group, will be announced about May 1.

The students receiving Certificates of Commendation are the next highest scorers, after the Finalists, in each state.

NMSC was established in 1955 through grants of \$20.5 million from the Ford Foundation and the Carnegie Corporation of New York. About 75 companies, foundations

and other organizations channel their scholarship funds directly through the Merit Program. A total of \$12 million in scholarship funds has been officially committed in the past three annual programs.

Finalists and Commended students receive many scholarships apart from the Merit Program. NMSC estimates that over \$5 million in scholarships for the

freshman year alone will be awarded these students in addition to the regular Merit awards.
