

Snake Collector

STEVE HOLT, OHS science student, shows how easy it is to handle a snake. This one's a four-foot-plus Sonora King Snake which is being kept alive in the high school science lab. The other photo (inset) was taken a few minutes later, after the snake had wrapped itself around Steve's arm. It must have been a funny feeling, because Steve is grinning.

## Fire Chief Offers Fire Protection Tips To People

In connection with the observance of Fire Prevention Week, Oct. 9-15, Olton Fire Chief Tom Smith this week listed some pointers in case of fire.

"Pre-planning is important for the protection of your family," Smith said. "Fire spreads so quickly there is no time to figure out what to do."

The fire chief said every family should make sure that everyone, including the children, knows exactly what to do in the event of fire.

He listed these pointers:  
1. Carefully figure out at least two routes to the outside from every room in the house, especially bedrooms. Allow for blocking of a hall by fire.

2. Particularly for nighttime fires, remember that closed bedroom doors will hold back flame and smoke, allowing more time for escape.

3. Pick an outside assembly point where the family will meet, and be sure everyone understands the rule "once out—stay out." Plan for fire department notification by neighbor's phone, as quickly as the house is clear of people.

And most important, said Smith, "Keep your home free of fire hazards by regular check-ups."

## P-TA Get-Acquainted Party Set Tuesday

P-TA Get-Acquainted Coffee for the parents and teachers of high school students will be Tuesday in the school cafeteria at 8:45 a.m. All parents of high school students are urged to attend and get acquainted with the teachers and each other.

## Citizenship Study Will Be Discussed

C. L. Kay of Lubbock Christian College will discuss Tuesday plans to offer to Olton people a course designed to awaken the public to the growing Communist threat.

Kay will speak at a regular meeting of the Olton Lions Club Tuesday at noon in the American Legion Hall.

The LCC professor met with representatives of the Chamber of Commerce and Agriculture and other interested persons here last week to discuss offering the course.

After that meeting, the Chamber, Lions Club and Parent-Teachers Association began efforts to have the course presented here.

Kay also will speak at a high school assembly program Tuesday afternoon.

The course, "Business and Industrial Education", is designed

## Wanted... Live Snakes

"Bring 'em in alive."

That's the request of James Caley, Olton High School science teacher, who needs animals and reptiles for a permanent school collection.

He is particularly interested in obtaining snakes, turtles, frogs and toads for the collection.

"Turtles and non-poisonous snakes can be brought in bottles, jars or sacks," said Caley, adding that

if the animal or reptile is small and the person not too squeamish, "a pocket will do just as well."

Frogs and toads should be kept moist and provided with air holes, the science teacher said.

According to Caley, there are about 44 different kinds of snakes, turtles, toads and frogs in this area.

Although Caley prefers live animals and reptiles for the collection, dead ones also will be accepted.

Caley also states, "Even if we have plenty of one particular kind of animal, we hope to trade with teachers in other areas of the state and nation and try to build up a large collection. Two horned lizards already have been sent to a teacher in Pennsylvania. In return he plans to send us some specimens that he picked up along the Atlantic Coast."

If animals are brought in dead, they should be received within a few hours after being killed or they will be decayed too much to preserve, he said.

Don't kill a snake to bring it in, he asked, unless it is a rattlesnake believed to be the only poisonous snake in this area. Caley is interested in receiving dead rattlesnakes only.

In giving advice about catching other varieties of snakes, James gave these instructions, "A snake may be handled safely by pinning"

## Bub Holt Edges Out Five Others For Contest Prize

Six fans tied for the top spot in the Enterprise football contest last week, and when all the tie-breaker counting was done, Bub Holt emerged as the winner.

Holt and five others had 15-2 records. All of them missed one game besides a tie between Mississippi State and Tennessee.

Second place for the week went to Laus Hair. Third Place was won by Dan Quigley. Holt will receive \$15, Hair \$10 and Quigley \$5.

The three others with 15-2 records who narrowly missed the prize money were Don Nafzger, R. V. Allcorn and I. B. Holt, father of Bub.

Fans may enter this week's contest by getting a copy of the Sept. 29 issue of the Enterprise, selecting the winners and turning their entries in to any of the merchants sponsoring the contest.

# City Council Grants Telephone Rate Hike

## OK's Increase Of 15 Per Cent

Olton city council Wednesday granted a local rate increase of almost 15 per cent to General Telephone Company of the Southwest.

The action came in reverse order of the usual procedure and without wrangling.

In a letter mailed Tuesday, the council answered General's rate increase request with the 15 per cent proposal.

General Telephone's district manager, Bob Saunders of Littlefield, then met with the council Wednesday afternoon and told council members the proposal was acceptable.

Ordinarily a telephone company tells a city what it needs first, and then the city governing body tells what it will give.

This time, however, General came to the city with an "open-ended" request, meaning it asked no specific increase. As it turned out, it was the council which proposed definite figures.

The increase is effective with the November billing, Saunders said Thursday.

Here are the old and new rates, respectively:

One-party business, \$9.00 to \$10.50 per month; two-party business, \$7.50 to \$8.75; business extension, \$1.75 (same); one-party residence, \$5.50 to \$6.25; two-party residence, \$4.75 to \$5.50; four-party residence, \$4.00 to \$4.50; residence extension, 90 cents to \$1.00.

The increase figures at a little more than 15 per cent on business telephones and a little less than 15 per cent on home phones.

Last rate increase here was in 1954. Rates prior to the latest increase were granted at that time.

In 1954, General Telephone sought increases to \$12.50 for one-party business; \$10.50 for two-party business.

## 595 BALES GINNED HERE

Cotton ginnings at the four gins in the Olton community totaled 595 bales at noon Thursday, slightly off the pace of 1959.

Through Oct. 1, 1959, the four gins had ginned 607 bales. At the same time in 1958, 1,934 bales had been ginned.

The harvest continued to move slowly early this week, but picked up toward mid-week as the sun came out and stayed. A shower Monday left about .20 of an inch of moisture.

Ran Out Of Gas

THIS WAS the Senior Class entry in the homecoming parade, a model T driven by Clifford Curry, senior class sponsor. The sign reads: "We're saving our money for the senior trip..." And they were... the auto ran out of gas and had to be pushed the last 100 yard of the parade. See other parade pictures, page 1, section 2.

Homecoming Queen

LONNA MAY, 17-year-old daughter of Mr. and Mrs. Leon May, reigned as queen of Olton's homecoming last Friday night. See story at bottom of page.

## In Gridiron Clash

# Exes Of Springlake, Olton Vie Saturday

Olton Memorial Stadium will be the scene Saturday night of a football game pitting Mustang Exes against former Springlake grid-ers. Game time is 8 p.m.

Proceeds from the game will go to the OHS senior class to help finance the annual senior trip.

Line-up for Olton Exes will include Lonnie Smith, R. V. Allcorn,

Delmer Givens, Arno Hall, A. J. Givens, Carl Hooper, Clovis Pootee, Archie Souter, Walter Bryan, Bobby Copeland, Gerald Allcorn, Clifford Curry, Jim Baldwin, Deryl Machen, Billy Hair, Clinton Billingsley, Kenneth Harper, Robert Diza, Max Malone, Pat Blessing, Charles Polk, Conner Parsons, Tommy Sluder, Joe Hall, Wally

Stewart, James Hyatt and Randall Small.

R. V. Allcorn, an outstanding player in high school was honored as "All American", "All Southern" and "Super All-State" in 1953. Also in 1953, his classmate, Souter was named "All Regional Full-back". Souter played football four years at West Texas State College, Canyon.

Delmer Givens played in the 1939 Oil Bowl at Wichita Falls.

On the Springlake team are Max Goforth, Wayne Davis, Kenny Watson, Frank Starkey, Fuzzy Watson, Jimmy Herring, Doug Higgins, Donnie Clayton, Carol McDonald, Bobby Measles, Bobby Murrell, Bobby D. Green, Olon Fennell, Richard Moore, Victor Neinst, Richard Green, Jerry Tunnell, Jess Starkey, Jodie Mohon, Danny Smith, Cecil Maddox and Harold Britton.

Highlighting the halftime entertainment will be the coronation of the queen, an ex-student of Olton High School. The queen will be crowned by two senior students, Lonna May, daughter of Mr. and Mrs. Leon May, and Kay Gregory, daughter of Mr. and Mrs. Jim Gregory.

Candidates for the queen contest and their sponsors include Mrs. Charles Sullivan, Jack's Texaco; Mrs. E. C. Jones, Sherman Food Mart; Mrs. Uil Gunter, Cashway Food Store; Mrs. Clifford Curry, Botkin Food Store; Mrs. Jerry Dennis, Smith and Struve; Mrs. Leo Ross Bryant, Bizzell's Children Shop.

Mrs. Dan Quigley, Jeanne's Dress Shop; Mrs. Bill Walden, S & S Hobby Shop; Mrs. Owen Norfleet, J. C. Jones Company; Miss Latrell Stewart, Whittington's

## Float Winners Named

# Miss May Queen Of Homecoming

A 17-year-old Olton High School beauty was named homecoming queen and the Olton Mustangs eked out an 8-0 victory over Hereford Friday night to climax what observers called one of the most successful homecomings in history here.

Lonna May, daughter of Mr. and Mrs. Leon May, was crowned queen of the celebration in ceremonies at half-time.

Almost in tears as she walked off the field with Mustang Captain Robert Priest, Lonna was besieged by a host of well-wishers as she reached the queen candidates' platform.

The football game capped a day filled with activities, including a parade witnessed by hundreds and a ham supper attended by more than 500 persons.

Lonna was named homecoming queen from a list of five candidates. Others were Becky Hall, daughter of Mr. and Mrs. W. T. Hall Jr.; Cecilia Galloway, daughter

of Mr. and Mrs. Cecil Galloway; Gayle Ann Parsons, daughter of Mr. and Mrs. Conner Parsons; and Nancy Critchfield, daughter of Mr. and Mrs. Tom Critchfield. All are 17-year-old seniors.

Winners of trophies for the best floats in the parade were Future Teachers of America, school club division; Parsons Furniture, commercial division; and Bykota Study Club, civic club division.

The FTA float featured models of teachers and the dress they wore in the 1800's, the 1920's and the present. Judges' comment: "The theme was outstanding."

Parsons Furniture showed a living room suite on its float and the judges lauded the firm's "spirit and loyalty."

The Bykota float, which carried a theme of "Orchids To Olton" and "Onions To Hereford," was praised for its "beauty and originality."

# 'Comfortable Living' Describes Dwayne Wilks Home

By JOLINE WARREN

The Dwayne Wilks' home is designed for comfortable living and easy entertaining. Located on 3rd Street, just across from the First Methodist Church, the exterior of the attractive and well-planned home is finished with dark red

brick. Mr. and Mrs. Wilks and their three daughters, D'Lyle, 7½, Teresa, 6½, and Nan Neta, 19 months old, moved into their new home in June.

Sandalwood beige paint is used on the interior walls of the house, combined in some rooms with ash panelling.

Comfortable furniture, plus a rock-faced brick fireplace, wall to wall beige carpet and a TV set make the family room into a very "liveable" place. Sliding picture doors, adorned with rose-beige drapes, open onto the patio.

The brick fireplace serves as a divider between the family room and the dining area.

Bricks form the wall for the dining area which is given a pleasant air by dainty printed curtains and a cherrywood dining room suite. Right off the dining area is a utility room equipped with washer and dryer and other time-saving devices.

All electric appliances, a dish washer, refrigerator and built-in oven and surface units are included in the compact U-shaped kitchen. It has plenty of storage space, good light, formica cabinet tops and a cobblestone pattern of inlay flooring. The cabinets are made of ash.

The combination radio-intercom system is located near the table level snack bar. Formica forms

Just The Right Size For Santa

THE FIRST QUESTION Teresa, to the left in the picture, asked when she first saw the Wilks' new home was, "Is the fireplace big enough for Santa Claus to come down and bring our presents?" Teresa and her sisters, Nan Neta, center, and D'Lyle, to the right, were very glad to hear that the fireplace was just the right size for Santa.

Children's Bedroom

ONE OF THE MOST cheerful rooms in the Wilks' home is the bedroom belonging to D'Lyle and Teresa. Shown on one of the twin beds is part of a collection of dolls shared by the two girls.

the top of the bar, which is ideal for most meals as well as snacks.

Central heating and ample closet and storage space are some of the other special features of the house.

Sliding wooden doors lead into the living room, which also has beige carpet on the floor. Furnishings include a turquoise divan, walnut finished end tables and coffee table, and occasional chairs. Three adjacent windows treated as one window, are curtained with sandalwood beige drapes which blend with the color of the walls.

Three large color pictures of Teresa, D'Lyle and Nan Neta, made when each girl was one-year-old, decorate a wall of the living room.

Coral and beige are the colors used in the decor of the master bedroom, which is located at the front of the house. Two walk-in closets are in the master bedroom.

In connection with the master bedroom is a bath with white

fixtures, oatmeal pattern tile and a shower.

The nursery, Nan Neta's "play and dream land" has curtains with a pink background, brightened with pictures of story book characters such as "The Three Bears". A youth bed, chest and other furniture complete the nursery.

Coverlets of orchid and pink floral patterns transpose Teresa's and D'Lyle's room into a cheerful and feminine room. Matching curtains and ruffles of the bedskirt are made of orchid material. The twin beds, night stand and double dresser are in gray.

The girl's bathroom is done in beige with pink tile and white fixtures and tub. White curtains at the windows give a clean and freshly scrubbed appearance to the room.

Jane says that she likes her kitchen and the added space more than any other feature of the house. All in all, the spacious home is a perfect setting for a very nice family.

# Thompson Chevrolet To Show '61 Regular Line, Corvairs Here Friday

Scheduled for display at Thompson Chevrolet Co. here Friday is the 1961 line of Chevrolets, which include a broadened range of passenger cars.

Twenty freshly styled conventional models, nine Corvairs including new passenger and commercial models and the spirited two-place Corvette are being introduced by Chevrolet.

Complete new body styling, which provides easier loading for both passengers and baggage and establishes new heights in motoring comfort and convenience, is featured in the regular line of passenger cars.

The entire body, from floor to roof and grille to rear bumper, is all new. Prime design emphasis has been placed on functionalism with thrift.

High on the list of advantages of the all-new body are:

1. Easier entrance to passenger compartments.
2. Large, more accessible luggage space, with the trunk loading level lowered as much as 10.5 inches.
3. Improved chair height and over-the-hood visibility which will increase the ease of parking and add to driving safety.
4. Other safety items include improved brakes, overlap electric windshield wipers, and a new

placement for the fuel tank which protects it from road hazards such as hard bumps and flying stones.

Although the conventional cars are shorter, narrower and slightly lower, the interior roominess remains about the same or better than comparable 1960 models. Riding comfort is improved.

From a styling standpoint, the new models feature gentle curves and smooth lines and a generally cleaner and airier appearance from all angles.

The Corvair models to be unveiled Friday also blossom out into a complete line of passenger and commercial vehicles. They include:

Passenger cars — Club coupes, four-door sedans and a new Lakewood Station Wagon in the "500" and "700" series, plus the deluxe Monza Sport Coupe and the new Greenbrier Sports Wagon.

Commercial — Corvan, Rampside and Loadside trucks.

Basic mechanical features of the Corvair — the air-cooled engine, combination of transmission and axle at the rear, and frame-body integration — are continued. So is the basic body styling, although exterior ornamentation provides a fresh appearance and the interiors are completely new.

Significant engineering improvements have been made, however, which will greatly improve luggage space, engine performance and

fuel economy. Other innovations include a 14-gallon fuel tank; a manual choke and more precise fuel metering to the carburetor; a new pattern of air circulation in the engine compartment to quicken warmup; an increase in engine displacement to 145 cubic inches; an optional 98-horsepower engine and a four-speed transmission.

The spotlight in the Corvair field is expected to center importantly on the new Lakewood Station Wagon and the Greenbrier Sports Wagon.

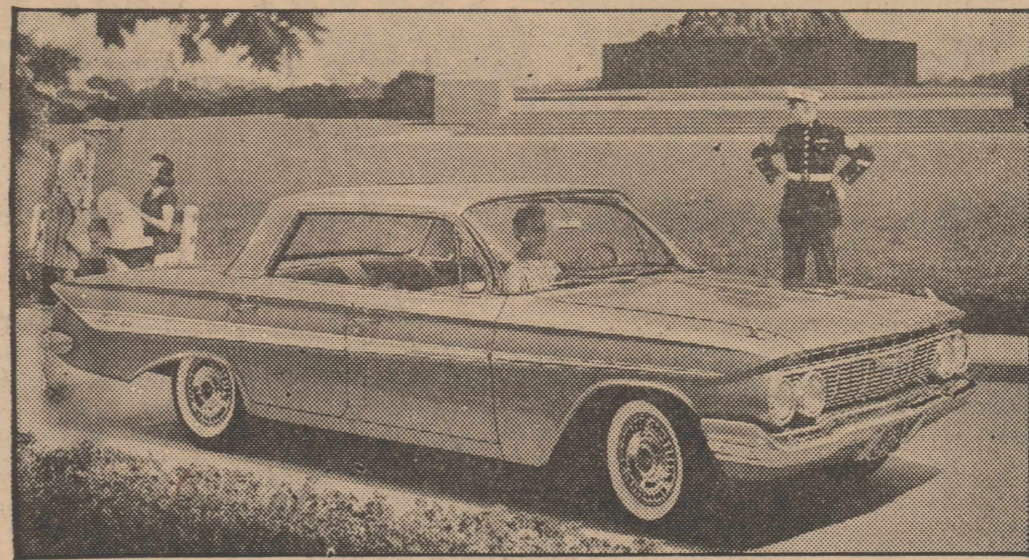

Equipped with six doors and rated for a 1,600-pound payload, the brand new 95-inch wheelbase Greenbrier can readily be converted from a nine-passenger bus to a wide assortment of duties. It can carry six passengers and a 700-pound cargo or, with an optional third seat, nine passengers and 250 pounds of cargo.

The Lakewood Station Wagon is a four-door, conventional type six-passenger model. But, with the second seat folded down, it offers 68 cubic feet of cargo capacity. One exclusive feature is the 10-cubic feet of lockable storage space under the hood.

Revised styling of the Corvair reflects the influence of Chevrolet's recently displayed XP-700 experimental vehicle, especially in its streamlined rear quarters. A new underbody which slims down the transmission hump, better engine cooling and use of an aluminum transmission case are some of the other features.

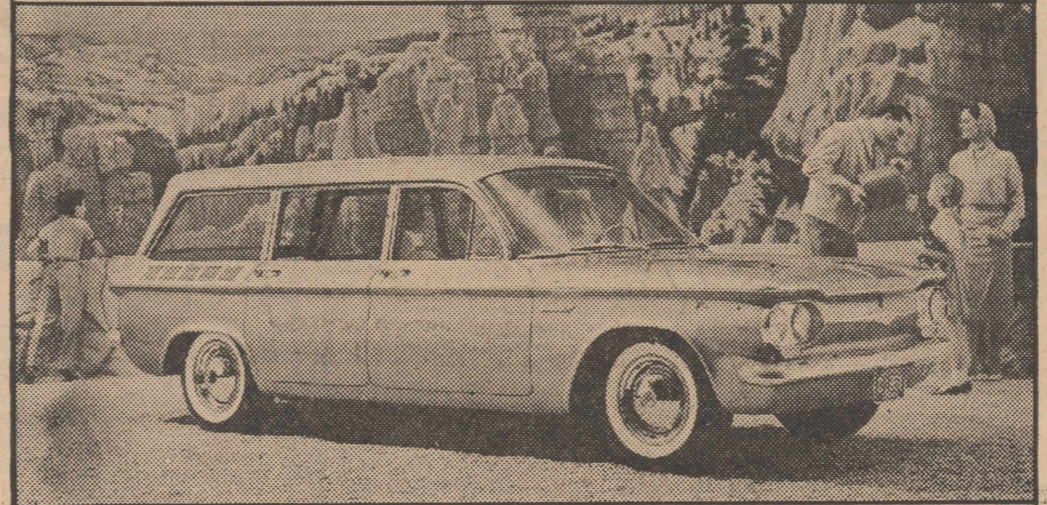

As in 1960, the lineup in the conventional-size passenger cars will be offered in the Impala, Bel Air and Biscayne series. But, they have been expanded to include an Impala two-door Sedan not previously available.

The station wagon series also has been expanded so that there is a choice of either six or nine-passenger accommodations in each

New Chevrolet Introduced

THE SLEEK IMPALA, above, and the Corvair Station Wagon, below are just two of a long list of new autos introduced by Chevrolet for 1961. Thompson Chevrolet will show the new line here Friday.

of them — the Nomad, Parkwood and Brookwood.

Reversal of the trend to longer, wider bodies also is noted in the fact that the new passenger cars are 1.5 inches shorter and 2.4 inches narrower. Overall length is 209.3 inches and overall width is 78.4 inches.

Distinctive design effects are achieved by matching exclusive roof contours of body types. Particularly noteworthy is the elimination of small, triangular windows at the rear of four-door sedans and station wagons. Also, the rear corner pillars of sport sedans have been widened to create a slightly hooded effect.

**Aluminum Engine in New Rambler Six**

A handsomely restyled grille and new hood lines distinguish the 1961 Rambler Classic station wagons, available in three-seat and two-seat models. Fresh sculptured side styling accents the compact Rambler's new front-end design. Engines in the

Classic series include the new lightweight aluminum six-cylinder engine rated at 127-horsepower and the V-8 engine developing 200 horsepower. Also available are four-door sedans. A ceramic-armored muffler and tail pipe are standard.

**1961 Rambler American Unveiled**

A four-door station wagon has been added to the newly styled Rambler American line for 1961, along with a two-door convertible. Other models are two-door station wagons and two-door and four-door sedans. All are built on a wheelbase of

100 inches. Although the 1961 offerings look longer than past models they actually are 5.2 inches shorter and three inches narrower. Styling of the Rambler American will be unchanged for several years to protect the owner's investment.

**Miss Whittington Feted With Shower**

Miss Donna Whittington, bride-elect of Phil Neinst, was honored with a pre-nuptial shower last Thursday at the Kenneth Moss home.

Guests were received by the hostesses, Mrs. Coy Carlisle registered the 60 guests and 130 gifts also were registered.

The serving table was covered with a white cloth. Wedding bells formed the theme for the serving table which was decorated in the bride elect's chosen colors of blue and white. The centerpiece was a large wedding bell and an arrangement of white carnations. Blue streamers, with the names "Donna" and "Phil" written in glitter, accented the centerpiece.

Misses Nancy Brown, Nita Gae-de and Joyce Curtis presided at the serving table.

Four place settings of sterling silver were presented to the bride-

elect from the hostesses. White carnation corsages were presented to the honoree, her mother, Mrs. S. E. Whittington, and the mother of the prospective groom, Mrs. Lonnie Neinst of Olton.

Soft organ music was played by Mrs. D. L. Givens during the calling hours.

Hostesses were Meses. Hugh Alexander, J. C. Hines, Moss, Tommy Ballard, Maude Funderburk, H. R. Curtis, J. C. **Mr. And Mrs. Bob Norfleet Observe 50th Anniversary**

Guests from all over the area and out-of-state turned out Sunday afternoon for the Golden Wedding Anniversary Celebration of Mr. and Mrs. W. T. "Bob" Norfleet. Scene for the occasion was the John Norfleet home.

All seven of the Norfleet children were present for the event,

which also was the first time in seven years that the entire family had been together. The children are Mrs. L. T. Campbell, Amarillo; Mrs. Nathan Reed, Carlsbad, NM; Mrs. J. E. Montgomery, Sanders, NM; Mrs. D. C. Herrington, Levelland; Robert Norfleet, Westville, Okla.; Owen and John Norfleet, Olton.

Two hundred and seventy persons were registered in the guest book. Members of the immediate family registered guests and presided at the serving table.

White net over white satin covered the reception table which was adorned with a crystal punch service and silver appointments. Arrangements of golden chrysanthemums formed the centerpiece for the table and also decorated the reception rooms of the house. Also decorating the table was a white tiered cake and napkins symbolizing the couple's 50 years of marriage.

Norfleet and the former Miss Fannie L. Norris were married Oct. 5, 1910, at a ranch in Hockley County where the town of Levelland now is. They still live in the same house where they moved soon after their marriage.

Although the Norfleet's live in Hale County, their children were educated at Olton Schools. Mr. and Mrs. Norfleet are members of the Hart Church of Christ.

The pioneer couple have seen Olton grow from its earliest stages into the town it is today. They think the growth of Olton has been remarkable.

### School Board OK's Routine Business

Olton school board members approved monthly bills and routine monthly reports at a regular meeting Tuesday night.

On hand for the session were board members Owen Jones, Fred Hicks, Gilbert Roberson, Ed Thompson, Roy Roberts and Lloyd Graham; Joe Harper, superintendent; and Dorman Thomas, business manager. Absent was J. C. Miller Jr., board member.

The trustees approved, with little discussion, a budget progress report, and reports on transportation, enrollment, lunchroom, school health and athletic finances.

Final enrollment figures show 225 students in high school, 279 in junior high, 631 in elementary and 133 in Bohner School.

### Castro Meet Set On Sugar Beets

A Sugar Beet Promotion Meeting, sponsored by Castro County Chamber of Commerce, will be held in the Dimmitt High School Auditorium at 8 p.m. Tuesday, according to Steve Taylor, president.

Representatives of the Texas Sugar Beet Association will give a report of the work being done to get necessary legislation passed in Washington, D.C., to get acreage for the Hereford, Friona, Dimmitt, Earth, Littlefield, Tulia, Plainview and Muleshoe areas.

Sugar Beet farmers from these areas will be available to give firsthand information on growing sugar beets.

Some sugar beet growers in this area have said they would trade their cotton allotment for sugar beets on the basis of 3 acres of cotton for 1 acre of sugar beets. Approximately 2,000 acres of sugar beets are growing in this area this year.

# Olton Protects Unbeaten Record

By BILL TURNER

Olton's unbeaten Mustangs have an open date Friday night and, ordinarily, the fans wouldn't like it.

That's not particularly true this week.

It'll take a couple of weeks for most fans to "get over" a tension-packed, hard-fought homecoming football game here last Friday night.

Olton won over a scrapping, never-say-die Hereford football team, 8-0, in a game that waited until the final whistle for a decision.

It took a four-yard plunge by 190-pound Fullback Robert Priest to get the game's only touchdown, which came with 2:57 left in the half. Priest also ran the extra points.

Through the rest of the game, Olton was able to move, but four fumbles, all recovered by Hereford, ruined scoring chances.

Perhaps the only thing that sav-

d Olton's homecoming day was some tremendous defensive work by the Mustangs.

Shining brightly on the defense was Co-Captain Bobby Brown, whose last-minute, lunging tackle of a touchdown-bound Whiteface kept Hereford from scoring in the final 12 seconds.

Brown, Priest, Linebacker Robert Duncan, Tackle Kenneth Hooper and Guards Larry Timmins and Harold Feathergill were leaders in an Olton defense that allowed Hereford only five net yards on the ground the last half and only 33 during the game.

Hereford, which was 0-10 in 1959, showed it won't be a pushover for anyone this year. The Whitefoaces had three starters out with injuries.

"I feel like we should have had a couple more touchdowns," Mustang Coach Walter Bryan said after the game. "But the way things worked out, we were awfully lucky to win."

Bryan added: "That makes

Muleshoe look awfully rough, doesn't it."

The Ponies meet Muleshoe in their 2-AA opener at Muleshoe Oct. 14. Muleshoe and Hereford battled to a 6-6 tie two weeks ago at Muleshoe.

Hereford looked like it would run the Mustangs out of the park during the first quarter.

After the opening kick-off, which Whiteface Fullback Curtis Ritchie returned to the Hereford 37, the Whitefoaces began a drive which carried to Olton's five-yard line.

Halfback Mack Cansler, one of the best ballcarriers Olton has seen this year, keyed the drive with a 30-yard run to the Olton 30.

After a penalty against Olton put the ball on the Mustang 20, Cansler sped 10 yards for a first down at the 10.

Ritchie got two, Cansler one and then Ritchie added two to give Hereford one more try from the five.

Hereford Quarterback Jim Collier was rushed hard on the fourth

down try, and he fumbled as he was hit by Olton's Timmins.

The Mustangs took over at the six. Two successive penalties gave the Mustangs a first down at the 16. Three plays netted only five yards and the Ponies' Rande Buchenau punted 44 yards to the Hereford 35.

Hereford couldn't move the ball on the next series and on fourth down, Cansler punted to the Olton 30.

The Mustangs found themselves in the same situation three plays later, as the Hereford defense allowed only six yards. Priest booted to the Hereford 40, where Ritchie hauled it in and returned the punt to the Olton 49.

The quarter ended four plays later when Ritchie lost a yard on a fourth-down try at the Olton 42. Linebacker Charlie Burrus and End Fred Riney stopped the play.

Olton then moved into Hereford territory for the first time, aided by a 15-yard penalty against the Whitefoaces when they performed a little extra-curricular activity on Mustang Quarterback Johnny Schenck following a pass attempt.

Priest carried the ball three straight times, netting only two yards to the Hereford 48. But the big fullback came through on fourth down with a burst to the Hereford 45. It was only the second first down of the game for the Mustangs.

Priest and Buchenau alternated on the next four plays for a first down at the Hereford 32.

Priest then gained seven and Buchenau two, before Priest came back for two yards and a first at the 21.

After Frankie Miller gained two

to the 19, the slender halfback lost five to the 24. On fourth down, Miller was hit hard and fumbled, with Hereford's all-state guard and captain, Edwin Thomas, recovering at the 25.

Two successive penalties sent the Whitefoaces back to their 10. Facing first and 25, Cansler quick-kicked 44 yards to the Olton 46.

It was from that point the Mustangs began a six-play drive that

brought the only score of the night.

Buchenau started it with a four-yard gain and Miller chipped in a three-yard pickup to the Hereford 47.

Then Priest, who had been going up the middle most of the night, took a pitchout from Schenck and started wide.

The big fullback turned it into an off-tackle play, got some timely blocking and raced to the Hereford

seven before he was run out-of-bounds.

Schenck gave the ball to Priest again and the 190-pounder obliged with a yard gain to the six. Then Schenck kept the ball and got two yards to the four.

Priest bulled all the way into the end zone on the next play and Olton led, 6-0, with 2:57 left in the half.

After a penalty gave Olton a

second chance when Buchenau's kick was wide, Priest plunged for two extra points.

Hereford moved back to the Olton 45, getting two first downs in the process. With time running out, Collier went back to pass on third down. He was smothered by Duncan, Riney and Timmins for an eight-yard loss.

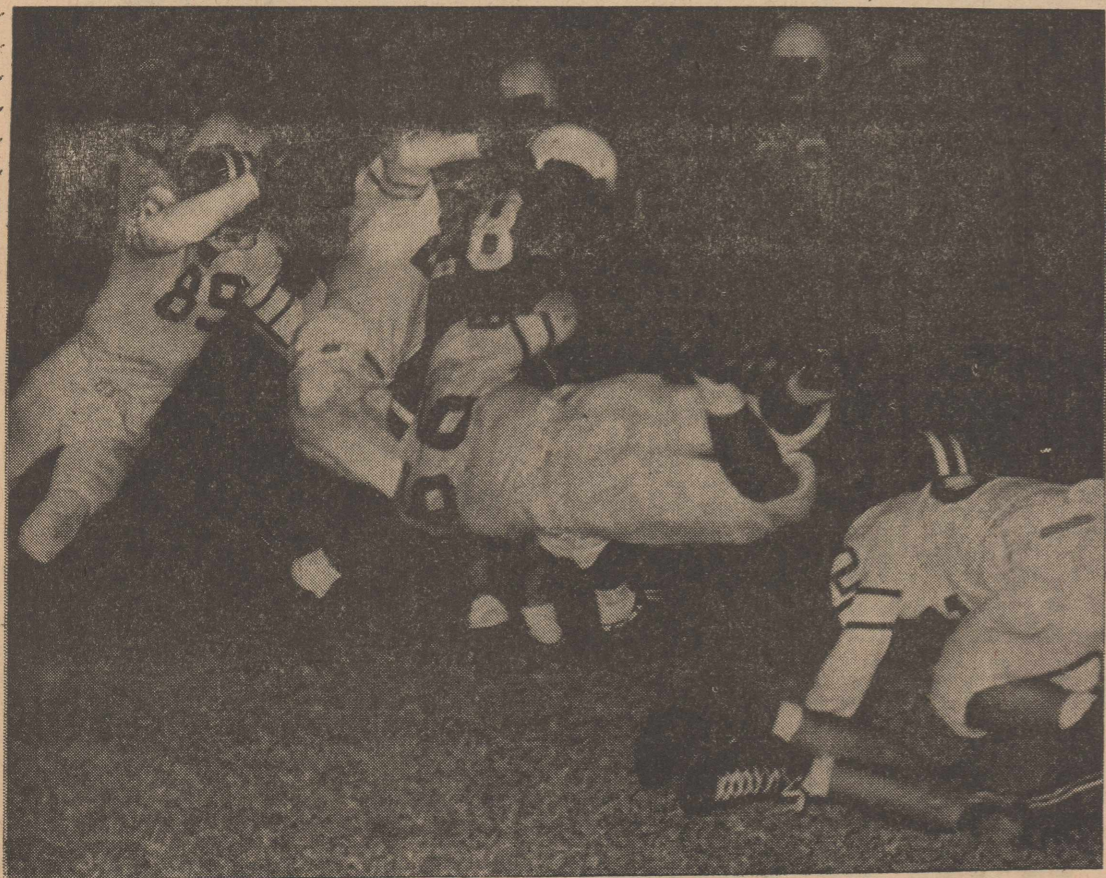

After the Whitefoaces punted,

OLTON'S ROBERT PRIEST (38) gets away on a 40-yard run that carried to the Hereford 7-yard line and set up the only touchdown of the ball game. Priest outran Hereford End Wesley Poarch (82) and got assistance from Bobby Brown (74) in the long dash. Two plays later, Priest scored from the four to give Olton a 6-0 lead.

## FRIDAY! THE GREATEST SIXTY-ONEDERFUL CHEVROLET

Here's the car that reads you loud and clear—the new-size, you-size '61 Chevrolet. We started out by trimming the outside size a bit (to give you extra inches of clearance for parking and maneuvering) but inside we left you a full measure of Chevy comfort. Door openings are as much as 6 inches wider to give feet, knees, and elbows the undisputed right of way. And the new easy-chair seats are as much as 14% higher—just right for seeing, just right for sitting.

Once you've settled inside you'll have high and wide praises for Chevrolet's spacious new dimensions (in the Sport Coupes, for example, head room has been upped as much as 2 inches, and there's more leg room, too—front and rear). Chevy's new trunk is something else that will please you hugely—what with its deep-well shape and bumper-level loading it holds things you've never been able to get in a trunk before.

Yet, generously endowed as this car is with spaciousness and clean-etched elegance, it holds steadfastly to all the thrifty, dependable virtues Chevrolet buyers have come to take for granted. Your dealer's the man to see for all the details.

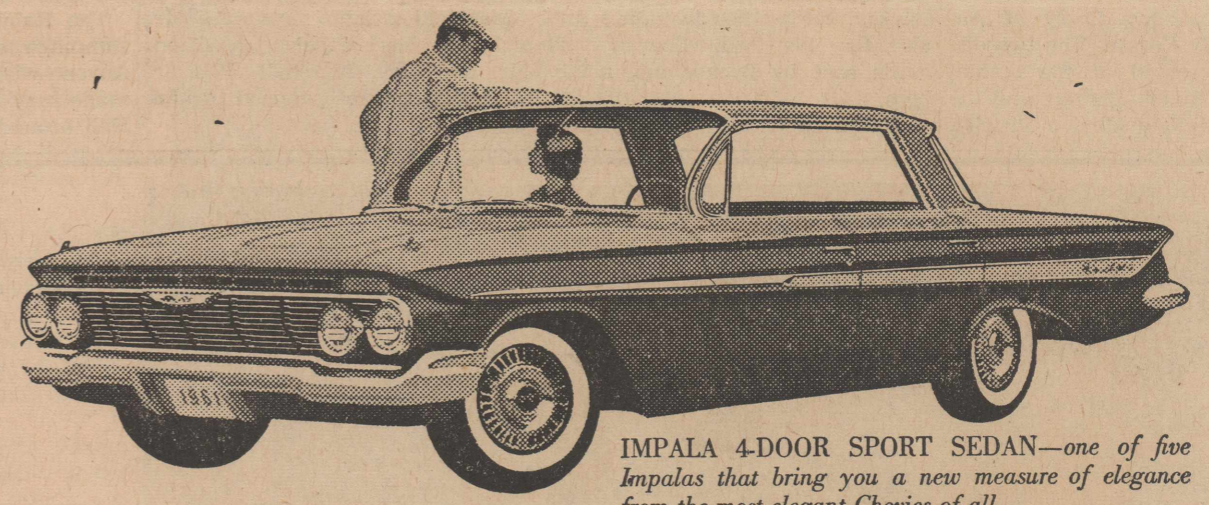

There's never been a trunk like it before! The floor's recessed more than half a foot and the loading height is as much as 10 1/2 inches lower.

# Ponies Edge By Hereford, 8-0

Schenck ran out the clock on two keeper plays.

The Mustangs took time during half-time to crown a homecoming queen, Lonna May, 17-year-old daughter of Mr. and Mrs. Leon May.

The third quarter was a see-saw battle which saw Olton stalled by two fumbles as the two teams traded punts.

Neither team was able to penetrate the other's territory until 5:18 remained.

Cansler hauled in a Priest punt at the Hereford 40 and returned it to the Olton 39.

There the Mustangs rose up to drive the Whitefaces back into Hereford land.

On first down, Timmins was in there to nail QB Walker Parris for a six-yard loss.

After Parris connected with HB Dennis Hodges on a pass play that carried five yards, the Hereford signal-caller went back to try more of the same.

This time, Duncan floored him at the Hereford 39, a loss of 15 yards.

Olton took the ball at the Mustang 31 after Cansler punted out of bounds.

The Mustangs worked their way to their own 49, thanks largely to a fine, 11-yard run by Schenck, with 1:47 left in the quarter. A penalty killed any notions the Ponies had, and a play later Schenck fumbled, the Whitefaces recovering at the Olton 35.

It was a fine break for Hereford but the Whitefaces failed to capitalize on it. After Cansler gained two, Parris faded to pass and Line-

backer Duncan again "red-dogged" him, bursting through to nail the Hereford back for a five-yard loss.

The Whitefaces' fourth-down try, coming on the first play of the last quarter, failed as Olton's Brown stopped Ritchie at the Olton 36.

Buchenau broke through on a 16-yard run to the Hereford 48, but the play was called back as the officials noted a holding infraction by the Ponies.

It made little difference, because Buchenau got off on a 24-yard jaunt on the next play, to the Hereford 45.

Then Miller chipped in with a 12-yard gainer to the Whiteface 33, and it looked as though Olton might go all the way.

Buchenau got nine to the 23 and Priest made it a new series at the 21. Schenck added two more and Priest ran seven to the Whiteface 12.

Priest's run was nullified by a penalty, however, and the Mustangs owned the ball on the 34, second and 22 to go.

Schenck threw to Miller to get the penalty yardage right back, the play covering 15 yards. Then Buchenau drove to the nine.

Priest moved the ball to the four on two carries, but there the drive ended. A Schenck-Buchenau hand-off went awry, and Hereford recovered at the five.

Hereford had five minutes left to square matters, and the Whitefaces went right to work.

With Hodges doing the damage, the Hereford team moved to two straight first downs, getting to the Whiteface 35.

Three plays gained eight yards and Hereford gambled on fourth down, sending Cansler into the line. The Mustang forward wall rose up to stop him for no gain. Olton had a chance to move from the Hereford 44, but the Whitefaces had other ideas. After three plays gained only

five yards, Buchenau kicked, the ball sailing off his foot and going out of bounds at the Whiteface 26.

Hereford now had 1:24 left and got a break when Olton was penalized on a roughing infraction. That set the Whitefaces in business at the Olton 46.

Three plays gained only one yard as Duncan and Priest shined on defense.

On fourth down, the Whitefaces' Collier faded back and found Cansler in the clear at the left sideline. The pass connected and Cansler appeared to be long gone.

He would have been, except for Bobby Brown.

The Olton co-captain chased Can-

sler about 25 yards before he made his move. As the Hereford back crossed the 10, Brown dove and brought him down at the seven. Twelve seconds remained.

On first down, Duncan, Schenck

and End Jimmy Lawson nailed QB Collier for no gain. The clock showed 0:04.

Ritchie got the ball on the last play of the game, and the entire Mustang line was in to drive him back to the 14.

Priest was Olton's top ballcarrier with 97 yards in 23 carries, while Buchenau had 52 in 10. Schenck had 26 in nine.

For Hereford, Cansler was top with 64 in 12 tries, while Hodges had 32 in 11.

## NEW '61 CHEVY CORVAIR

More space . . .  
more spunk  
and wagons, too!

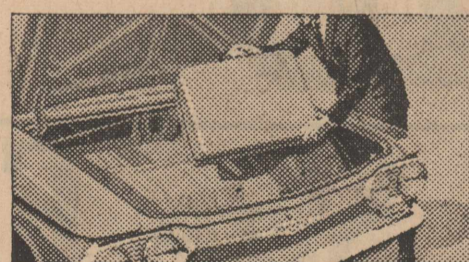

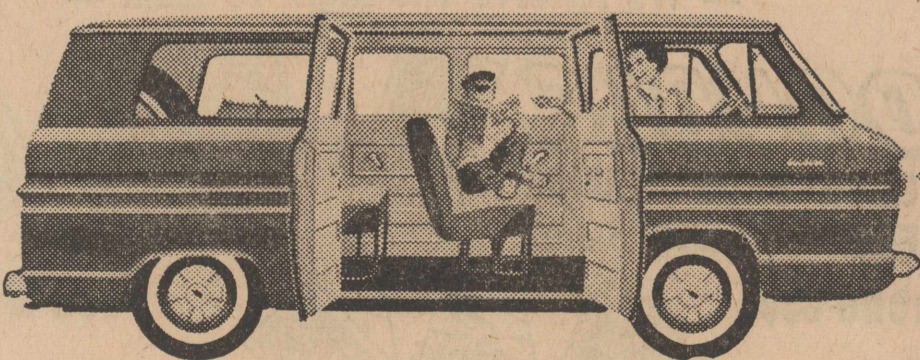

The newest car in America: the CORVAIR 700 LAKE-WOOD 4-DOOR STATION WAGON.

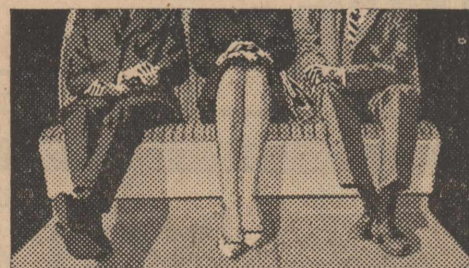

CORVAIR 700 CLUB COUPE. Like all coupes and sedans, it has a longer range fuel tank.

CORVAIR 700 4-DOOR SEDAN. Provisions for heating ducts are built right into its Body by Fisher.

Spare tire is in the rear in coupes and sedans—leaving more luggage space up front.

Even middle-seat passengers sit pretty, thanks to Corvair's practically flat floor.

Now in production—the GREENBRIER SPORTS WAGON with up to twice as much room as ordinary wagons (third seat optional at extra cost).

Here's the new Chevy Corvair for '61 with a complete line of complete thrift cars.

To start with, every Corvair has a budget-pleasing price tag. And Corvair goes on from there to save you even more. With extra miles per gallon . . . quicker-than-ever cold-start warmup so you start saving sooner . . . a new extra-cost optional heater that warms everyone evenly. Riding along with this extra economy: more room inside for you, more room up front for your luggage (sedans and coupes have almost 12% more usable trunk space).

And our new wagons? You'll love them—think they're the greatest thing for families since houses. The Lakewood Station Wagon does a man-sized job with cargo, up to 68 cubic feet of it. The Greenbrier Sports Wagon you're going to have to see—it gives you up to 175.5 cubic feet of space for you and your things.

Corvair's whole thrifty lineup gets its pep from a spunkier 145-cu.-in. air-cooled rear engine. Same rear-engine traction, same smooth 4-wheel independent-suspension ride. See the polished and refined 1961 Corvair first chance you get at your Chevrolet dealer's.

**7th Grade Team Tops Hale Center; 8th Grade Loses**

Olton's 7th Grade football team racked up a 6-0 victory over Hale Center here Tuesday night, but the Mustang 8th Graders were beaten 22-8 by Hale Center's club.

Joe Priest scored in the second quarter to lead the 7th Graders to victory. Ronnie Digby, Rocky Farrar and Priest were outstanding on defense.

Leon Kendall scored Olton's only touchdown in the 8th Grade game. He also ran the extra points. Fine runs by Richard Hall helped set up the touchdown.

Olton 7th and 8th Grade elevens will play teams from Kress next Thursday night at 6:30 at Olton.

**Olton Resident Hurt In Mishap North Of Town**

An Olton resident, Bill Billingsley, suffered a foot injury Wednesday about 10 a.m. in a car-trailer accident about 3 1/2 miles north of Olton on FM 168.

Billingsley was taken to Community Clinic by Parsons Ambulance. He later was transferred to a Lubbock hospital.

The Olton man was a passenger in a car driven by Donald Lee Lunsford of Basorobles, Calif.

The trailer, which carried a farm spray rig, was being pulled by a pickup driven by Buddy Floyd Copeland of Amarillo.

Officers said the vehicles were traveling north and the crash occurred when Copeland attempted a left turn as Lunsford was passing. The auto hit the left rear of the trailer.

Neither Lunsford or Copeland was injured.

# Olton Puts On A Homecoming Parade

One of Olton's most successful Homecoming parades was unreel'd last Friday afternoon as a feature of the annual festivities for ex-students.

Pictured starting with the photo at top left and going in clockwise rotation are varied scenes of the parade.

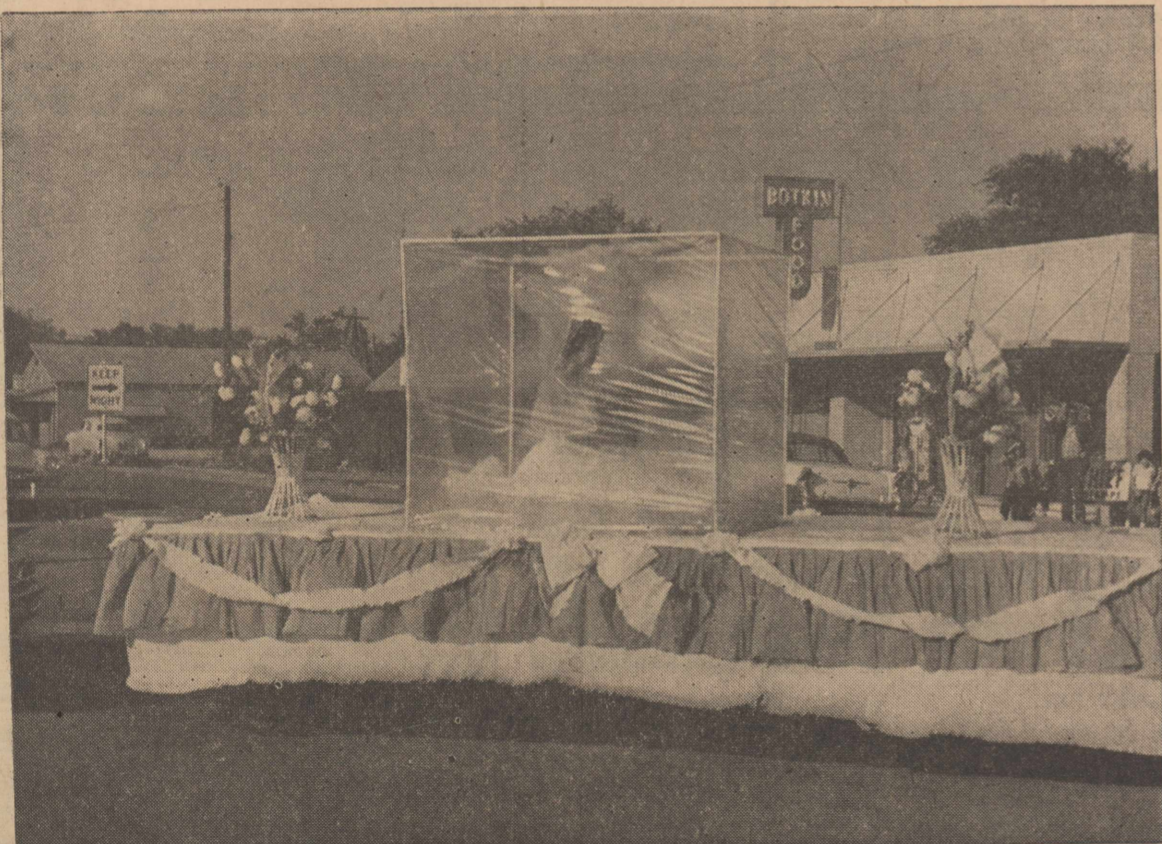

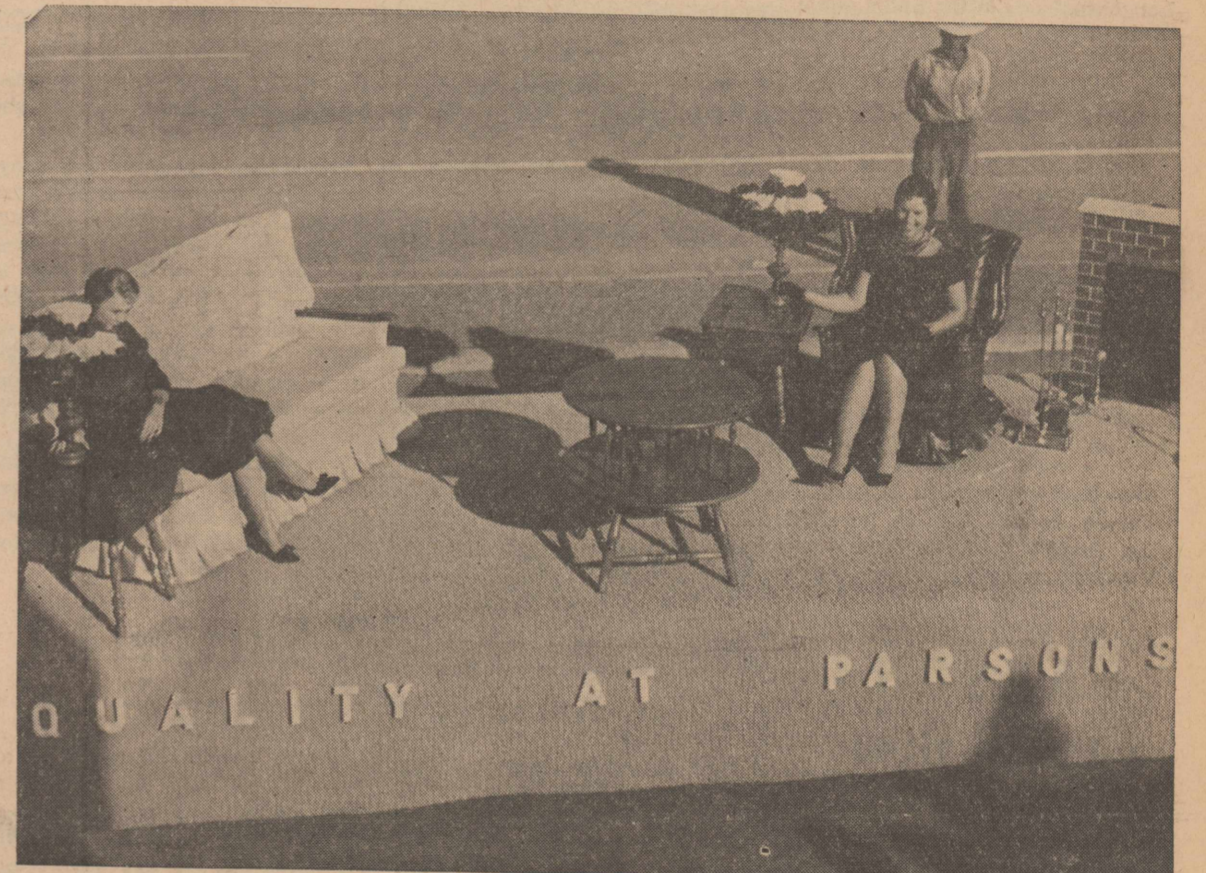

In the first picture is the parade as it began, led by a jeep flying the U. S. flag and the American Legion colors. Next is a photo about midway in the parade, showing the Senior FHA float at right.

Third photo is a scene near the end of the parade. At right is the Bykota float, winner of the civic club division. Olton Mustang band is in the background.

Next picture shows the Parsons Furniture float, winner of the commercial division. Under that picture is one presented by the Future Teachers of America, winner of the school club division.

Along the bottom of the page, from right to left, are a Cub Scout float, Classroom Teachers float and Junior FHA entry.

Last two pictures show the Bykota float at close range and the Student Council float, carrying the five candidates of Homecoming queen.

# THE HART BEAT

## Hart Longhorns To Meet Unbeaten Whitharral 11

Hart's Longhorns, all even for the season after five games, play host to the unbeaten Whitharral Panthers Friday night.

The Longhorns' record for the year was 2-2-1 after a 28-8 loss to powerful Anton last Friday night.

While Hart was absorbing its loss to Anton, Whitharral was edging Cooper, 14-13, last Friday night for the Panthers' fifth straight victory of the year.

Hugh Barnett, a 220-pound Anton halfback, was the thorn in the Longhorns' side in the Anton game.

Barnett ran the opening kickoff back 75 yards for a touchdown. The Panthers failed on the extra point try and Anton was ahead, 6-0.

Late in the first quarter, Barnett intercepted a Joe Rubalcaba pass and sped 70 yards for a score. Barnett kicked the extra point to make it 13-0.

The Longhorns then came to life with fine runs from Larry Lee, Connard Riddles and Billy Farris. The trio moved the ball to the Anton 15, but lost the pigskin on a fumble just before the half.

In the third period, Carl Taylor blocked a Larry Lee punt and pounced on the ball in the end zone. Barnett then ran for the extra points and Anton was ahead 21-0.

Lee and Farris sparked a Hart drive to the Anton 31 early in the fourth period. There Lee took the ball and went all the way for Hart's only score. Rubalcaba then passed to HB J. T. Stanton for the extra points, making the score 21-8.

Hart stopped an Anton drive to the 10-yard line in the fourth period. It was the third time the Bulldogs pushed inside the 10.

However, late in the fourth per-

iod, Anton capped the scoring for the night when Taylor took a pitchout from Barnett and raced 40 yards for a score. Barnett kicked the point to make it 28-8.

With time running out, Hart drove to the Anton 10, where the clock caught up with the Long-

horns. First downs were 12 for Hart and 10 for Anton. Taylor and Barnett led the Anton attack. Outstanding for Hart were Mike Morrison, Jack Witten, Farris, Johnny Kittrell and Louis Valadez.

### Holland Child Home After Surgery Resulting From Accident In 1958

Little Pam Holland, 4-year-old daughter of Mr. and Mrs. W. P. Holland Jr., Amherst, has returned from Dallas hospital where she had surgery on her lips.

Two years ago Pam was playing with an electric extension cord and put it in her mouth, electricity burning the upper and lower lips. She was taken to a specialist in Dallas and told to wait two years and come back for surgery. At that time the doctor thought she might require at least three operations, but now the family has hopes of this the only one.

Her mother is the former Lillian Hamm of Hart. Grandparents are Mr. and Mrs. Fred Hamm of Hart and Mr. and Mrs. W. P. Holland Sr. of Amherst.

### Mrs. Jones Leads Sunday School Class Of Baptist Church

The Eve Sunday School Class of First Baptist Church met last Wednesday for a regular meeting at the Casey Jones home. Mrs. Jones is teacher of the class.

Election of officers was held at the meeting. President is Mrs. Ray Clark and Mrs. Jack George is first vice-president. Other officers are Mrs. Darrell Lee, second vice-president; Mrs. Lloyd Davis, third vice-president; and Mrs. Weldon Davis, secretary. Five group captains also were elected.

Those present were Mmes. Weldon Davis, Lloyd Davis, Carol Davis, George, Lee and the hostess.

A combined business session and social will be held at the next meeting of the class. It will be held later this month at the Casey Jones' home.

### BAKE SALE PROCEEDS

The Ladies Auxiliary of the Hart Firemen cleared \$36 last Saturday from sale of cakes and pies. Sunday the group cleared \$11 from sale of candy and pop at the Trap Shoot held south of Co-Op Gin.

### Mrs. Mousner, 55, Dies In Dimmitt Wednesday After 3-Year Illness

Funeral services are pending for Mrs. T. G. Mousner, 55, who died Wednesday at 9 a.m. in the Castro County Hospital, Dimmitt, after an illness of three years. She had entered the hospital Aug. 8.

Born Hassie Jeanette McCurry April 8, 1905, in Georgia, she was married to Thurman George Mousner Nov. 5, 1927, in Wapanucka, Okla. They moved to Hart in 1959 from Hereford, where they had lived three years.

Survivors include the husband; six children, Billy Thurman, serving with the Air Force in Germany; Mrs. Ed Jones, Gallup, NM; Stanley, Durant, Okla.; Nanette, Johnny and Carol, all of the home; five brothers and two sisters and four grandchildren.

Mrs. Mousner was member of the Hart Methodist Church.

Burial will be in Wapanucka, Okla. under direction of Lemons Funeral Home, Plainview.

### Post-Nuptial Shower Honors Mrs. Ed Rogers

Mrs. Ed Rogers of Kress was complimented last Friday with a post-nuptial shower at the T. U. Smith home. She is the former Barbara Beeson of Hart.

Names of the guests were registered in the bride's book by Mrs. Jimmy Sharp. Approximately 40 gifts also were registered.

A centerpiece of white gladioli and carnations decorated the serving table, which was laid with a white hemstitched cloth. Other decorations of the house included arrangements of white dahlias and roses.

Those presiding at the serving table were Mrs. Milton Sharp, Mrs. Eldon Shives and Mrs. John Rice.

The hostess gift, a steam iron, was presented to the honoree by Miss Judy Sanders. Mrs. Rogers also was presented with a white carnation corsage from the hostesses.

Ladies sharing hostess duties were Mmes. Perry Van Vliet, Rice, Milton Sharp, Shives, W. T. Sanders, Irons, Myrtle Bradley, Lenora Smith and Pierce.

### CANCER CONTRIBUTIONS

Contributions for the Cancer Research Fund may be left at Farmers State Bank with Mrs. Bill Rich.

### Hart FHA Members Work For Fair Trip

Each member of the Hart FHA is working to earn money to attend the State Fair which will be held Oct. 14, 15, and 16 at Dallas.

Group projects to earn money for the attendance of the fair have been completed. These projects include a pie bake and cookie sale. Eighty-five pies and 150 dozen cookies were sold last week.

"Hobo Day" is scheduled for Saturday and each girl will be working. Anyone needing work done, contact any FHA member.

### Hart WSCS Meets, Begins New Study

Introduction to the study, "Into the World Together" was led by Mrs. C. B. Landers at last Thursday afternoon's meeting of the Women's Society of Christian Service meeting. The meeting was held at the fellowship hall of Hart Methodist Church.

**This & That**

By MYRT LOMAN

Now is the time of year to clean out your clothes closet and get out the fall and winter clothes. There is a desperate need of used clothing in our community. Mr. Kennedy will be happy to have them at the school house and distribute them as, and where needed. You may think the clothes are not of any value, but where a child has none and is draped in a cup towel, your clothes are of a great value to him or her.

Give and it shall be given unto you. The pleasure is not all the receivers.

Have you shared your garden this year with a neighbor? We have a number of new people who were not here early enough to plant a garden, and there are no better vegetables than those home grown.

TLEF encourages the entire state to pay tribute to all Texas Peace officers, during Law Enforcement Appreciation Week from Oct. 4-10.

GRANVILLE MARTIN

Our Peace officers include our own deputy sheriff, Granville Martin. He is a most wonderful friend to each of us. His job is not only to protect us from those who are not law-abiding citizens, but he watches the storms for us and will warn us (as well as our local Firemen do) that it is time to go to the cellar. If you have appreciated his many sleepless nights, that we might have protection, why not tell him so this next week.

Money is a necessity, but so is friendship, and we all love to be complimented on a job well done, or at least one we try to do well.

Granville, my family thanks you for your many deeds of kindness shown to us in illness, death and the protection you give us at all hours of the day or night.

We are deeply grateful to you and your family. HART is very fortunate to have you as our deputy sheriff.

Harold Smith and Bill Hill of Hart this week reported good yields and a market available for all produce processed at their plant west of Hart. They planted 11 box car and 17 truck loads of seed potatoes this year on 750 acres. They lost 50 due to rain.

Wish to thank each of you again for your cooperation in making our Hart Beat, BEAT. Without you, there would not be any news. Keep sending your news items. Let's have the best weekly paper in Texas. Thanks also for passing your paper to your neighbor, for we are selling more and more subscriptions. Call 2591, please, and give me your news.

**INJURED IN FALL**

**VOTE FOR TEXAS**

RICHARD M. NIXON, candidate for President, is a Californian, but he thinks the Texas way. Richard Nixon stands for:

- A strong national economy and defense so that America will not have to apologize to Khrushchev for anything;
- A sensible farm program that will attack and solve the present problems.
- Texas retaining its tidelands, and a tax policy favorable to Texas.
- Local control of our schools.

If you will read and compare Nixon's platform to that of his opponent, you will agree that a vote for Nixon is a vote for the best interests of Texas.

### LETTERS to the EDITOR

Dear Editor:

As I have retired, I want to thank the people of the Olton community and the patrons of the Post Office for their friendliness, tolerance, kindness and helpfulness in every way while I have been working in the postal service.

Also I want to thank my co-workers, P.M. I. B. Holt, Clerks, B. M. Holt and Ollie Smith, and rural carrier, Bailey Hair, for their presentation of a liberal gift certificate at Kelley's Men Shop.

Too, I wish to express my appreciation to our Editor, Bill Turner for his part and his willingness to pass this note of thanks on to you.

Truly, I can say it has been both a privilege and a pleasure to know you.
