Exes' Queen

MRS. RICHARD ROBERSON, Class of 1952, was crowned Queen of the OHS Exes at halftime of the Olton-Springleake Exes game here last Saturday night.

Storm Brings Hard Hail, 1½-Inch Rains To Area

SW, NE Of City Is Hardest Hit

Olton area farmers surveyed damage in their fields this week after a storm Tuesday night brought heavy hail and rains of about 1½ inches to parts of the territory.

However, most farmers were relieved when they got their first daylight-look at crops.

Said one farmer: "The bark was worse than the bite."

Areas southwest and northeast of Olton apparently were hardest hit. There were no reports of hail-outs, but many farmers feared grades and yields will be hurt as a result of the storm.

Farmers living in town wouldn't have been surprised to see the damage much worse. The city itself apparently got the worst of the storm.

Heavy, marble-sized hail beat out a tippy-tap on housetops, cars and windows. Hard winds blew at one point and the rains sent water running over curbs.

FM 168 was flooded for about 250 yards south of town, near United Elevators. Highway 70 had water over the road both east and west of town. The underwater section was about 200 yards long near Olton Grain, Inc., and about 300 yards long just west of Olton Co-Op Gin.

Police Chief Emmett Burrow, patrolling the area, said he suspected a tornado for a time, but "it rained so dang hard, I couldn't see anything."

The storm left fields muddy and slowed the already-slow cotton harvest. Through Thursday at noon, 1,360 bales had been ginned at the four Olton gins, compared with 1,887 this time last year.

Here are the reports from Olton area farmers:

Marlin Edwards, a mile northeast — "It strung some cotton out a little, but if most places are no worse than mine, it's not bad enough to cry over." He figured he lost 200-300 pounds of feed per acre.

Glen Peterson, 2 east and 1 north — "We got about an inch and a half of rain. Damage to cotton was about 40 per cent," said Mrs. Peterson.

Bud Huckabee, 5 northwest — Light and medium hail on Nixon place farmed by Huckabees. No damage at home place, where just a few hail stones fell in the yard. "We got about an inch of rain. It could have been much worse and we're glad the damage is no worse than that is."

Harley Miller, 1 north and ¼ west — "Inch and a half of rain. Feed hurt a little, but cotton hurt more than anything."

Anil Miller, 1 west and ½ north — "Cotton was 'pretty well defoliated by the hail,'" said Mrs. Miller. She reported an inch and a half of rain, with both Miller farms (the other 1 west and 1 south) "pretty badly hit."

Murray Snyder, 2½ west — "It hailed quite a bit on us on the south side of the farm. It beat the crops up quite a bit but we can't tell about damage until it dries up." He reported 1.7 inches of rain.

Leo Smith, 5 north and 2 east — "It was pretty bad hail, but it (Continued On Page 8)

'Good Old Days' For Ex-Gridders Bring Fun, Pain

The "good old days" returned to Olton Saturday night in the form of an Exes' football game, and the old gang got together again on the gridiron.

A lot of them spent the next few days recuperating. The Olton Exes won over former Springlake footballers, 32-20, before a good crowd that sometimes found humor in the proceedings.

Members of both teams appar-

ently "lost" to Old Man Time, however.

R. V. Allcorn, one of Olton's all-time greats on the gridiron, told his wife before the game to get out the epsom salts and liniment for use the next day. He knew he'd need them.

Jodie Mahan, one of Springlake's stars, commented after the game: "Man, I was sore."

Female exes also had a big night. Mrs. Richard Roberson, 1952 OHS grad, was crowned Exes Queen at half-time. She was sponsored by Olton Bowling Center.

From the sidelines, ex-cheerleaders found plenty to cheer about as the Olton team racked up four touchdowns and eight extra points. Ex-twirlers and bandsmen also performed.

A team physician, Dr. Lynn Fite, kept an eye on the proceedings from a Model T. He was dressed in early-day regalia.

The scoring went like this: For Olton, Arno Hall made the first touchdown, catching a pass from R. V. Allcorn good for 30 yards. Walter (Jo Jo) Bryan, Olton coach, got the second Olton TD on a four-yard plunge.

Bryan passed 30 yards to Bobby Copeland for the third Olton score. Archie Souter got the last touchdown when he ran off right tackle in form reminiscent of the "good old days." It was a 35-yard run.

Mahan got two of Springlake's scores on short plunges into the line. He passed 35 yards to Harold Britton for the other Springlake TD.

Cecil Maddox, an Olton Ex now coaching at Springlake, helped set up Mahan's touchdown plunges with some good gains.

Mahan said Thursday that Springlake Exes are lining up a rematch with the Olton team. Arrangements are being made for a game at Springlake the night of Oct. 29, Mahan said.

"I don't know when I've had so much fun," Mahan said about the first ball game. "And I don't think (Continued On Page 8)

At Council Meet

Water Meter Policy Debated

City councilmen Tuesday night temporarily denied a request from an Olton woman who asked to have her water charges changed from metered service to the city's flat rate.

The council pointed out that a few years ago a policy was set prohibiting changes from metered service to the flat rate, once the resident chose the meter.

Mrs. E. D. Wickware, the woman making the request, said her water bill ran about \$25 last month. She told Mayor M. T. James Jr. she was not questioning

the accuracy of the bill, but wanted to return to the city's flat rate of \$6 per month.

The city is now billing on about 65 meters. The rest of the city's residents are on flat rates.

Councilmen pointed out that the policy set some years back was made because the city did not want people changing back and forth from meters to flat rates every few months.

For that reason the city has kept the policy, councilmen pointed out. They explained that if they made an exception on one request, then all other residents with meters would have the same privilege. That could result in back-and-forth changing which would mean additional expenses to the city, they said.

The council left the door open, however, for a future change in the policy.

In "temporarily" denying Mrs. Wickware's request, the council said it would discuss, at some future meeting, the idea of letting people who chose metered service go back to flat rates after a year's time with meters.

Only other action taken by the council Tuesday night was approval of monthly bills and minutes of the previous meeting. The council tabled a request from Pioneer Natural Gas calling for a 10 per cent "across the board" increase in gas rates here.

Olton 4-H Club Has First Meeting

The first meeting of the year for the Olton 4-H Club was held Thursday Oct. 1 at 7:30 in the Legion Hut.

Richard Hall was elected president; Danny Cade, vice-president; Laura Akin, secretary; Dennis Givens, reporter and J. Curtis Hall, council delegate. W. T. Hall Jr. was elected adult group leader.

Forty persons attended including W. H. Helbig, assistant county agent, and Lady Clare Phillips, county home demonstration agent. Next meeting will be Tuesday, Nov. 10.

GAIN IS SHOWN IN BANK DEPOSITS

Total deposits in the Olton State Bank showed a slight gain over figures of a year ago as the bank reported its statement of condition as of Oct. 3.

Deposits as of Oct. 3 were \$3,063,306.42, compared to \$2,989,799.21 at the end of the third quarter in 1959.

Loans and discounts as of the latest call were \$2,030,436.15, compared to \$1,875,437.34 a year ago.

'Old Pros' Fall To Youngsters In Grid Contest

Looks like the "old pros" will have to start taking lessons from the youngsters if they want to win the Enterprise's weekly football contest.

The old-timers had little luck this week as a college freshman, a high school junior and a young farmer took top honors in the contest.

Winner of the contest was Jerry Mathis, a college freshman who picked 16 of the 18 games correctly. He wins \$15.

Second place went to Robert Duncan, high school junior and center on the Mustang football team. Robert picked 15 games right and wins \$10. His dad, J. R. Duncan, previously was a winner in the weekly contests.

R. V. Allcorn, 24-year-old farmer, took third place and \$5. Allcorn guessed correctly on 14 games and beat out six other contestants when he came nearest on the tie-breakers.

Allcorn was the first contestant of the season to be among the winners of the weekly contests a second time.

Deadline for turning in entries is 4 p.m. Friday. It's easy to enter, simply pick up a copy of the Oct. 6 issue of the Enterprise, circle the winners and turn in the entry to any of the merchants sponsoring the contest.

Olton Meets Mules In District Opener

Olton's Mustangs, after taking last weekend off, travel to Muleshoe Friday night to open defense of their 1959 District 2-AA championship.

At the same time, unbeaten Floydada will journey to Lockney and Morton will trek to Abernathy to get the district wars into full-scale action.

The Mustangs and Floydada will be favorites in their district openers, but not by much. Both Muleshoe and Lockney have proven they can be tough and the district scramble could turn into a three or four-team race, Morton and Abernathy, at this stage, appear to be also-rans.

Olton stands at 5-0-0 for the season, while the Mules are 1-2-2.

The Mustangs whipped, in order, Petersburg, 44-20; McCamey, 12-8; Springlake, 32-13; Hale Center, 26-6; and Hereford, 22-2.

Muleshoe won over Friona, 32-6, last Friday night in a game that spoiled Friona's homecoming celebration. The Mules previously tied Hereford, 6-6, and Clovis, 22-22.

The two Muleshoe losses were to Dimmitt, 44-0, and Littlefield, 28-0.

The Mules are led by a fleet halfback, Jim Young and Gary Pierce. Pierce scored twice a-

Crop-Sprayer Unhurt As Plane Crashes In Field

A crop-spraying airplane crashed in a grain field here Wednesday afternoon about 5:30, but the pilot walked away from the rubble unscratched.

Thom Rorabaugh, a California pilot flying for A. N. McDonald of Olton, was shaken up, but unhurt as he crawled from the wreckage after the crash.

Witnesses said a wing-tip struck a cotton trailer and the plane spun into the ground. The craft plowed about 150 feet in a grain field after hitting the ground.

Rorabaugh was defoliating cotton for Frank Mandrell in an adjacent field when the mishap occurred. Mandrell farms on land adjoining the town section just east of Olton.

Rorabaugh told witnesses he was making his last pass on the cotton field when the accident occurred. About two feet of the wing-tip caught the cotton trailer. McDonald, owner of the plane, said it would take about \$1,000 to repair the aircraft. Wings were ripped from the fuselage and the fuselage itself was broken.

It's Not That Serious, Coach!

OLTON EXES Coach Joe Turner looks seriously at the cameraman during last Saturday night's game with the Springlake Exes. The former Olton Mustang coach, now high school principal, got back into harness for one more game. His comment afterwards: "It felt good to win another one."

11 Nominated For Six Posts On C-CA Board

Names of five businessmen and six farmers have been placed in nomination for six posts on the board of the Olton Chamber of Commerce and Agriculture, Manager Dick Whiteley said Thursday.

Six new directors — three businessmen and three farmers — will be elected at the C-CA's annual membership meeting. Date for the annual meeting will be set at the next session of the directors Nov. 1.

Nominees are Dr. Basil Johns, Bill Turner, Louis Botkin, Glenn Singletery and Allan Johnston, businessmen; and Frank Struve, Roy Roberts, James Cowart, Hubert Waldrop, Elmer McGill and Dick Cade, farmers.

Going off the board this year are Emmett Harper, W. T. Hall Jr., and Eldon Franks, farmers; and Herman Meyer, Joe Harper and Fred Thompson, businessmen.

Whiteley pointed out that the list of nominees may be amended by nominations from the floor at the annual membership meeting.

Dr. Mattox Warns Of Socialist Advance

Dr. F. W. Mattox, president of Lubbock Christian College, warned of the "rapid trend" toward socialism in the U.S. in a talk before members of the Olton Lions Club Tuesday.

He said America's biggest threat "is a lack of concern over Communism. Communists in this country are working for the establishment of socialism."

Dr. Mattox was here in the interest of LCC's citizenship course, a six-week study of the American free enterprise system in contrast to the Communist and Socialistic ways of life.

Leaders of the Olton Chamber of Commerce, Lions Club and P-TA are making an effort to see that the LCC course is offered to Olton residents.

Wage Findings Set On Cotton Pulling

The Texas Employment Commission announced this week wage findings effective Oct. 7 for Lamb County.

Workers will receive \$1.50 per hundredweight on first pulling for irrigated cotton. A rate less than \$1.55 for pulling is not applicable to Mexican contract workers.

Sharon Smith Is Recipient Of DAR Award

Miss Sharon Smith, daughter of Mr. and Mrs. Leo Smith, has been selected to receive the annual Daughters of American Revolution award. She is eligible for state and national competition.

The Senior Class selects three girls for the honor and the faculty members make the final decision about who is to receive the award.

A senior in Olton High School, Sharon is president of the National Honor Society and treasurer of her class. Sharon is an active member of FHA and the Pep Squad. She also participates in activities of the Thespian Troupe, the high school dramatics club.

Olton Woman Feted On 80th Birthday

Mrs. Dora Walthall was honored with an 80th birthday celebration Sunday afternoon at her home. Hosts and hostesses for the event were members of Mrs. Walthall's family.

Guests were registered by Mrs. Era Maye Walthall, wife of the late Albert Walthall. Seventy-five names were entered in the guest book.

The reception table was laid with a white crocheted cloth over orchid. An arrangement of white and pastel dahlias with a pink candle on either side of the arrangement decorated the table. Also adorning the table were crystal and silver appointments.

Two cakes, a white-tiered cake and a cake shaped similar to a Bible, centered the table. The cake

shaped like a Bible was divided into pages with the verse John 3:16 inscribed on one page. "Happy Birthday, Mother" was written on the other page.

Misses Linda and Charlene Walthall of Littlefield, granddaughters of Mrs. Walthall, presided at the crystal punch bowl and served cake to the guests.

Mrs. Walthall and the late A. T. Walthall were married Jan. 4, 1898, at Cryer Creek and made their first home at Emhouse. Twelve children were born to the couple. The Walthalls first moved to Olton in 1925. Mrs. Walthall has been a member of the First Baptist Church since that time. Her husband served as a deacon in the church.

Eight of the 12 Walthall children are now living. They are Mrs. Floyd Dodson, Hale Center; Mrs. Odie Hively, Fresno, Calif.; Dale Walthall, Littlefield; Tilden Walthall, Odessa; Johnny Walthall, Dallas; George Walthall, Fontana, Calif.; Arthur B. Walthall, Richmond, Calif.; and Elmer Walthall, San Bernardino, Calif.

Mrs. Walthall has 28 grandchildren and 55 great-grandchildren.

Although Mrs. Walthall says that times have changed since she and her late husband began rearing their family, she is an active woman who has a keen zest and interest for life.

HOME FOR WEEKEND

Charlotte Loveless visited last weekend in the home of her parents, Mr. and Mrs. Everett Loveless. Charlotte is attending college at Abilene Christian College.

Donna Whittington, Phil Neinast Are Wed In Double Ring Ceremony

Miss Donna Whittington became the bride of Phil Neinast Sunday afternoon at the First Methodist Church, Olton. The Rev. Russell McAnally of Lockney read the double ring ceremony as the couple stood before an archway entwined with greenery and blue mums. Baskets of blue and white mums decorated either side of the archway.

Mr. and Mrs. S. E. Whittington of Olton are parents of the bride. Parents of the bridegroom are Mr. and Mrs. L. H. Neinast of Springlake.

Escorted and given in marriage by her father, the bride was attired in a gown of chantilly lace. Featuring a scalloped-edged scoop neckline and long sleeves ending in points at the wrists, the bodice of the gown was fitted. The bouffant skirt of chantilly lace over taffeta was composed of three tiers and formed a chapel train.

The bride's shoulder length veil fell from a tiara of seed pearls. Her bouquet was of white gardenias.

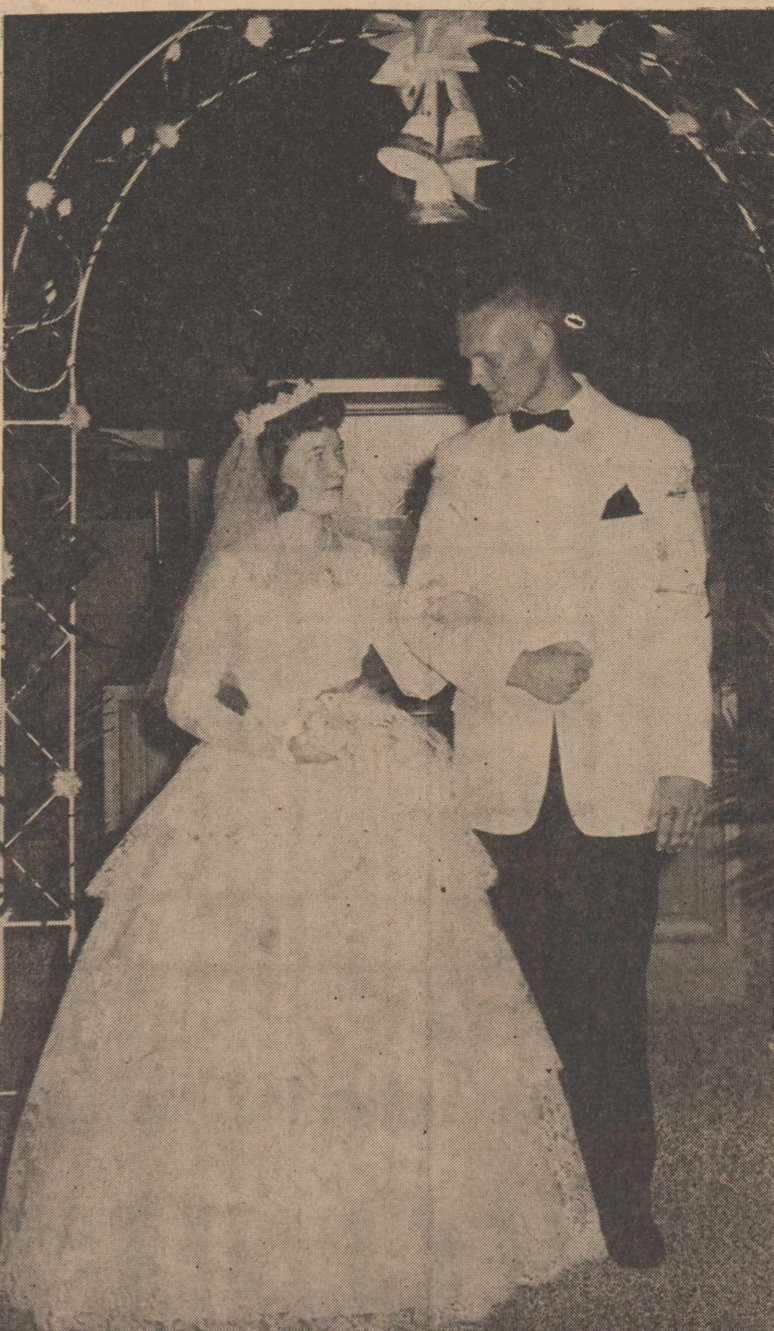

To complete her ensemble, the bride chose "something old, something new, something borrowed and blue". Her mother's wedding band was something old and something new was a strand of pearls, a gift of the bridegroom. Something borrowed was a handkerchief belonging to the groom's grandmother, Mrs. W. P. Neinast. The bride wore a bridal garter of blue.

Furnishing nuptial music was Miss Gayle McAnally of Canyon, organist, and Miss Joyce Curtis, soloist, who also served as maid of honor. Nuptial selections included "Whither Thou Goest", "The Lord's Prayer" and "The Wedding Prayer".

Bridesmaids were Mrs. Coy Carlisle and Miss Nancy Brown, both of Olton.

The maid of honor and bridesmaids wore dresses of heavenly blue organza styled with scoop necklines, puff sleeves and full skirts. They carried bouquets of blue and white mums.

Miss Melody Carlisle of Olton, niece of the bride, and the groom's cousin, Miss Vicky Neinast of Olton were candlelighters. Flower girl was the groom's cousin, Miss Cindy Neinast of Hart Camp. Their dresses of heavenly blue organza were made similar to the maid of

MR. AND MRS. PHIL NEINAST

honor's and bridesmaids' dresses. Ringbearers were Mike and Pat Trotter of Olton, nephews of the bride.

Jerry Wells of Hart Camp served his cousin as best man. Ushers were Coy Carlisle of Olton and Larry Timmins of Hart Camp.

A black silk suit with black accessories was chosen by Mrs. Whittington for her daughter's wedding. The groom's mother, Mrs. Neinast, wore a cobalt blue wool dress with black accessories. Both ladies had corsages of white carnations.

Fellowship hall of the church

was the scene of the reception following the wedding ceremony. A bouffant-skirted net cloth covered the bride's table. The table was centered with the attendant's bouquets.

Miss Kay Gregory, Olton, presided at the punch bowl. Slices of wedding cake were served to the guests by Miss Myra Dell Wells of Hart Camp, cousin of the bridegroom.

For a wedding trip to Colorado, the bride selected a navy sheath styled with a Puritan collar. Her accessories were red and she wore

Jim Williams' Home Scene Of Meeting For Wesleyan Guild

The Jim Williams' home was the scene Tuesday night for a meeting of the Wesleyan Service Guild of First Methodist Church.

Mrs. Gene Trotter presented the devotional. The first lesson of "Heritage and Horizons in Home Missions" was taught by Mrs. Joe Harper. An appropriate story was given by Mrs. W. F. Gaede.

Those present were Mrs. Mmes. Raiford Daniel, Roye Aikman, Bailey Hair, Roy Granbery, Marshall Stone, Gaede, Billy McAllister, Gerald Bizzell, K. Salman, Trotter, Harper and the hostess, Mrs. Williams.

God Reachers Class Elects New Officers

Election of officers for the God Reachers Class of First Baptist Church was held Oct. 4. The Cleo Smith home was the scene of the meeting.

Officers include Mrs. J. Frank Daugherty, president; Mrs. Dan Williams, vice-president; Mrs. Joe Edd Carson, secretary; and Mrs. Elmo Hasha, treasurer.

Those present included those already named and Mrs. A. C. Light, C. S. Slicott, Lenville Hines and the hostess, Mrs. Smith.

Girl Scout-Brownie Pow-Wow Conducted

Darlene Langford was mistress of ceremonies at the Girl Scout and Brownie Pow-Wow Tuesday night in the gym.

Each of nine troops presented a part of the entertainment. Dressed in Indian Costumes the girls sang, danced and played the lemmys sticks.

Two new Brownie Troops were welcomed in to the area.

The group concluded the program with a song ceremony.

Olton P-TA Has Regular Meeting; Rev. Gaede Talks

Olton Parent-Teachers Association met last Thursday night at the school cafeteria.

Invocation was given by G. B. Stanley, minister of Main Street Church of Christ. Providing music was the high school stage band, "The Blue Notes", directed by Dick Bentz.

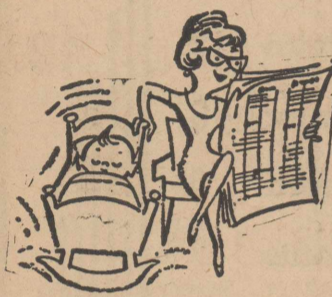

Mrs. Rex Chitwood was in charge of the program. Appearing on the program was the pastor of First Methodist Church, the Rev. W. F. Gaede, who chose "Family Living" as the topic for his speech. Mrs. K. Y. Givens, enlistment chairman, announced that the membership goal of 300 has been reached and passed. There now are 335 members in the P-TA.

Delegates were elected to attend the P-TA State Convention at Austin with Mrs. Garland Long, president. They are Mrs. Lacy Armstrong and Mrs. Bob Worley with alternates, Mrs. S. K. Flatt and Joe Harner.

Mrs. Long urged members to attend the P-TA Workshop which will be held Tuesday at Sudan.

Coffee was served by the hospitality committee to approximately 50 members and guests.

advertising advice

BY A BANKER
 IN
 AMERICAN BANKERS' MAGAZINE

"No business man in any town should allow a newspaper published in his town to go without his name and address being mentioned somewhere in its columns. This does not mean you should have a whole, half or even a quarter page ad in each issue of the paper, but your name and business should be mentioned, even if you do not use more than a two-line space.

"A stranger picking up a newspaper should be able to tell what business is represented in a town by looking at the paper. This is the best possible town advertising. The man who does not advertise his business does an injustice to himself and the town. The man who insists on sharing the business that come to town, but refuses to advertise his own, is not a valuable addition to any town. The life of a town depends on the live, wide-awake and liberal advertising man."

Plains Cotton Growers Reports On Early Cotton Fiber Qualities

LUBBOCK — Fiber qualities on the first bales harvested of an anticipated two-million bale cotton crop on the Texas High Plains were released this week by the Plains Cotton Growers, Inc. in the first of a series of bi-monthly quality crop reports.

Early ginning on the Plains, according to PCG statistics, show a longer staple on cotton produced, an increase in light spotted cotton and less white cotton as compared to early statistics on the 1959 crop for this same period, George W. Pfeifferberger, Executive Vice President said.

The report shows white cotton accounted for 68.4 per cent of the crop with 65 per cent Middling White and above for this year. This compares with 84 per cent and 82 per cent respectively for the same period in 1959.

Light spots this year total 30.6 per cent with 30 per cent being Middling light spot and above as against only 15 per cent for 1959, indicating nearly double the per cent of light spots this year at this stage. Full spotted cotton is still less than 1 per cent, similar

to the same percentage a year ago.

The average staple length this year is 31.3 thirty-seconds inch compared to only 30.8 thirty-seconds at the first report last year. Staples one inch and longer total 35.7 per cent of the crop this year as against only 31 per cent last year.

The micronaire average this year is 4.5 with nearly 100 per cent being above the tenderable limit of 3.5. In 1959 the average was only 4.2 at this date with 95 per cent above 3.5.

Pressley fiber strength (zero gauge) averages 79,000 pounds per square inch this year with about 73 per cent above 75,000 pounds. Last year's average was only 75,000 pounds at this time.

Cotton Production May Hit All-Time High On Plains

LUBBOCK — An all-time new cotton production record for the Texas High Plains appears to be in sight for the 1960 cotton year as officials of the Plains Cotton Growers, Inc. and the Lubbock Cotton Exchange today announced an October crop estimate of 2,038,000 bales for the 23 counties on the Plains.

Veteran cotton observers say that condition of both dryland and irrigated cotton is in good to excellent shape and if October weather continues with warm, sunshine and the first frost does not come before the average frost date of around November 5 for the Lubbock area, the new production total could easily be reached this year.

Receipts at the Lubbock Cotton Classing office, including totals for the Lamesa and Brownfield offices, as of today total approximately 100,000 bales. Records show this is approximately 50,000 bales

less than was classed in 1959 on this date, indicating the area cotton crop this year is a week to 10 days behind harvest of the 1959 crop.

If the 1960 crop estimate of 2,038,000 bales does materialize, it would top the now existing record production of 1958 when 2,025,000 bales were harvested and the other high year of 1956 when 1,650,000 bales were produced.

The 23-county by county production estimates are:

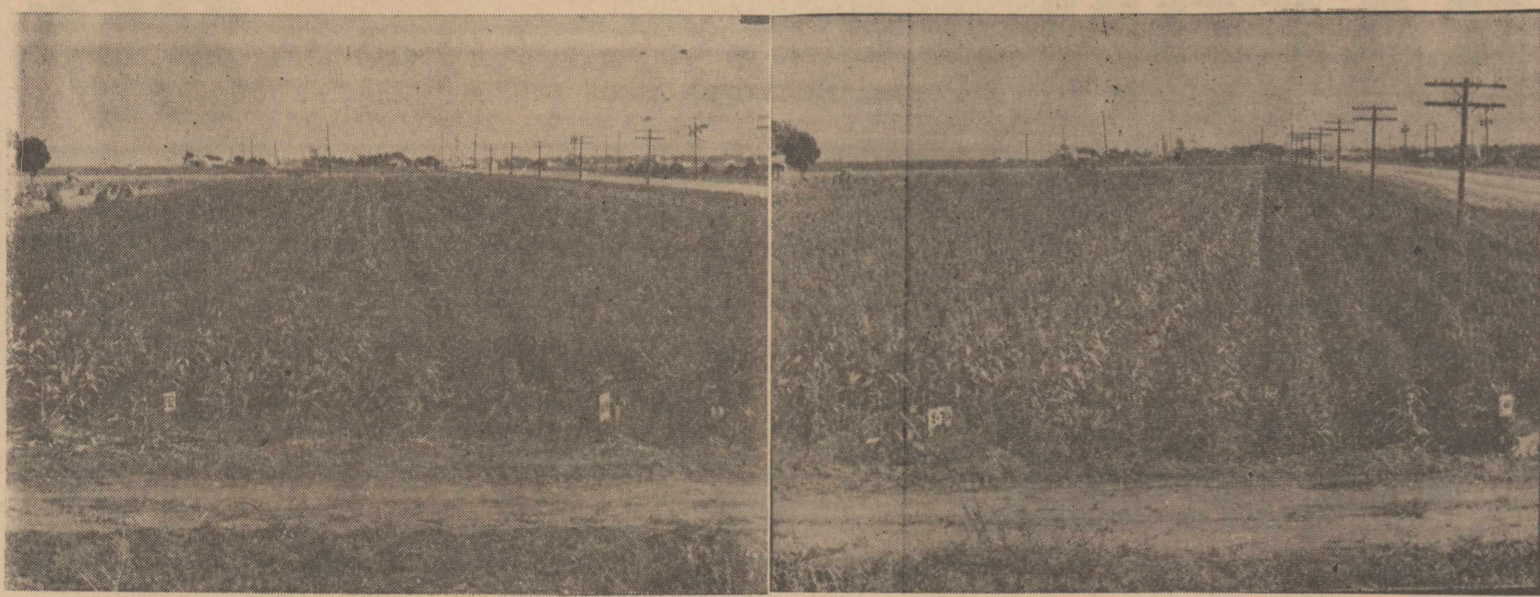

County	Estimated Bales
Bailey	90,000
Borden	12,000
Briscoe	30,000
Castro	60,000
Cochran	55,000
Crosby	125,000

FHA Announces New Regulation On Farm Loans

Farmers who have regular off-farm employment, if otherwise eligible, may obtain farm operating and development loans from the Farmers Home Administration, under recently revised regulations of the agency.

Truman J. Jones of Littlefield, Farmers Home Administration supervisor for Lamb County, said the new regulation went into effect Oct. 1. Previously, except in rural development counties, a farmer

had to spend most of his time farming in order to qualify for a loan.

Experience gained in rural development counties has shown that many farmers who are regularly employed off the farm can profitably use the Farmers Home Administration's credit facilities to increase the farm portions of their total incomes.

The regulation, which had limited credit assistance to farmers who spend most of their time farming, prevented some from obtaining the maximum income from their farms and from taking advantage of opportunities for industrial and other off-farm employment. Other eligibility requirements remain unchanged.

Meeting Planned Here To Discuss Sugar Beet Drive

Olton's Chamber of Commerce and Agriculture will set up a meeting here soon to investigate the possibilities and interest in sugar beet acreage for the Olton area. That announcement was made Wednesday by C-CA Manager Dick Whiteley after he and C-CA President Emmett Harper attended an area-wide sugar beet meeting at Hale Center recently. Several interested farmers from the Olton area also attended the meeting.

At the session, spokesmen for the Texas Sugar Beet Growers Assn. said that it's "very possible" that an additional sugar beet acreage quota for the High Plains may be obtained in the near future.

About 230 persons attended the Hale Center meeting to hear reports on efforts to obtain a larger sugar beet acreage for this region.

The group contributed more than \$1,200 to help finance future efforts aimed at obtaining a sufficient sugar beet acreage to justify the location of a refinery on the Plains.

The unmistakable stamp of Greatness!

In commerce, as in art, it is rare indeed that a creation emerges so inspired in concept and so flawless in execution that it is destined, from the very beginning, for certain greatness.

And yet, it seems not too soon to say that the Cadillac car of 1961 will take its place among the most memorable of the peak achievements of the automotive craft.

Its clean, classic form introduces a new look for the world's motor cars to emulate. There's a new proportion of glass to steel... a new "oneness" of contour and shape... an entirely new relationship of interior to silhouette.

Inside, the story is equally remarkable. Here is new roominess in every dimension. Head room, seat

height, and entrance room, for example, have been notably increased with impressive results in greater comfort and luxury.

And as its beauty is... so its performance does—incredibly nimble and quick... smooth and floating... quiet and obedient in operation.

Cadillac's new engine is the very essence of controlled power... steering is feather light and sure... and its new ride seems to make the roadway vanish beneath the wheels.

This is one car you must see and drive for yourself. The facts are simply too numerous and too exciting to accept second hand.

It's the 1961 Cadillac—and we know you'll agree that greatness is written all over it.

Keep Cotton Dry, Loose And Clean As Possible, County Agent Advises

The final grade of lint in a bale of cotton is determined by the condition of the seed cotton when it reaches the gin. For this reason, cotton should be produced, harvested and handled so that it reaches the gin as dry, loose and clean as possible, Lamb County Agent Bill Kimbrough of Littlefield says.

Picking early in the morning or late in the afternoon when cotton is very moist should be avoided. Loss of color associated with delay in ginning of high-moisture seed cotton accounts for a large part of grade difference between cotton harvested during high-moisture periods and dry periods. To get the best possible prices for cotton, the farmer should harvest it dry and keep it dry, the agent points out.

Small capacity transport vehicles have no place in the cotton field, Kimbrough continues. Four-wheel, large-capacity, wood-slatted or wire-sided trailers are recommended.

Another quality reducer, which is closely associated with small transports, is tramping the seed cotton in the trailer. Even the most elaborate and expensive ginning systems cannot remove all of the small "pin and pepper" trash that is ground into the cotton by tramping.

Seed cotton should be harvested as clean as possible to permit the use of less gin machinery in obtaining a good grade. Pickers should be cautioned not to allow green leaves, excessive trash, dirt, colored rags, grass and other foreign objects to be mixed in seed cotton.

"Remember," Kimbrough concludes, "You can help maintain quality in cotton by harvesting seed cotton when it is dry and by keeping it loose and clean."

Martha Singleterry To Be In ENMU Play

Dr. R. Lyle Hagan, director of the University theatre at Eastern New Mexico University, has announced a cast of 17 for "Romanoff and Juliet", a comedy about international diplomatic relations.

Miss Martha Singleterry, daughter of Mr. and Mrs. Glen Singleterry of Olton, will appear in the play as the ambassador's wife.

"Romanoff and Juliet" is set in "the smallest nation in Europe" (too small to be found on any map) and concerns the American ambassador's daughter and the Russian ambassador's son who create a crisis by falling in love.

The play, written by Peter Ustinov, distinguished British actor, will be presented in the University theatre Oct. 20, 21, and 22.

Entries Being Sought For 1961 Plains Maid Of Cotton Contest

The search is on for the 1961 South Plains Maid of Cotton.

The South Plains Maid of Cotton Committee of the Lubbock Chamber of Commerce in cooperation with the National Cotton Council is searching for the 11th consecutive year for a young lady who will represent this area as an automatic entry in the national contest in Memphis, Tenn.

This is an opportunity for some young lady between the ages of 19

and 25 - at least five feet, five inches tall - who has never been married - and must have been born in a cotton producing state - does not wear glasses - and have her home residence in one of the following South Plains counties:

Bailey, Borden, Eriscoe, Castro, Cochran, Crosby, Dawson, Deaf Smith, Dickens, Floyd, Gaines, Garza, Hale, Hockley, Howard, Lamb, Lubbock, Lynn, Motley, Parmer, Swisher, Terry, Yoakum.

James Moss, chairman of the South Plains Maid of Cotton Committee, emphasizes in announcing this year's contest, that this is by no means just a beauty contest or pageant, but, as a representative of the South Plains cotton industry and area, this young lady must be beautiful, intelligent, have poise - have an excellent personality and background, as she will have a tremendously important public relations job to accomplish as a representative of the South Plains - and, as the National Maid of Cotton.

Entry forms may be obtained from any member of the board of directors of Plains Cotton Growers, Inc., local chambers of commerce, county agents - and in the case of college students, from the Dean of Student Life - in any of the counties listed. There also will be a supply of these entry forms at the Lubbock Chamber of Commerce, 902 Texas Avenue, Lubbock.

Entry forms together with glossy photograph must be submitted to the South Plains Maid of Cotton Committee, P.O. Box 561, Lubbock, or delivered to the Chamber of Commerce, 902 Texas Avenue, not later than 12 midnight, Nov. 8, 1960.

I've ever played in a cleaner ball game."
The wives also had quite a few comments to make on the game.
Mrs. Alene Allcorn had seen her husband, Gerald, play in many football games while in high school. She said she "enjoyed the game and thought the boys had a big time."
Asked what she would think about Gerald playing football if there was a game this coming Saturday night, Alene replied, "It wouldn't bother me, but I think he (Gerald) might not like it."
It was the first time "Flo" Malone had seen her husband, Max, play football. She commented: "I thought it was kinda funny."
Gayle Allcorn, wife of R. V., said: "I just kept my fingers crossed and hoped R. V. wouldn't get hurt." She had seen R. V. play in many football games while they were attending high school and college.
Another loyal Mustang fan, Mrs. Delmer Givens, also enjoyed the game.
She told about a conversation between her husband and their son, Dennis, an eighth grader.
After the game, Delmer asked Dennis if he had learned how to play football after seeing his father in action Saturday night.
Dennis, who watched from the sidelines, replied: "I learned how to sit down — and I learned how to lay down. That's all I learned."

didn't ruin us like it did some of them." Smith figured about 25 per cent damage to his cotton, with wind doing more damage than the hail. He had about an inch of rain.
Mrs. W. W. Bearden, about 2 north — Hail broke the rain gauge at the Bearden farm and the Bearden's weren't able to gauge the moisture.
Royce McFadden, 2½ east — Mrs. McFadden said, "More damage was done to cotton than anything else. We had most of the maize cut. A lot of the white cotton is on the ground."
James Cowart, 3 north — "It beat the leaves off my cotton, but there's not a whole lot of damage. The hail might have injured the bolls, but you can't tell by looking." The Cowart farm had 1.3 inches of rain.
Roy Howard, 3 northwest — "We got about an inch and two-tenths of rain and quite a bit of hail. We can't tell now about damage to the crops, but the hail bruised bolls pretty badly and worse damage may show up later on."
Fred Long, 5½ north, ½ east — "We lost about 300 or 400 pounds of maize to the acre. What was left of my cotton was damaged. Our cotton was pretty well hailed out before in August. We had 1½ inches of rain."
Gene Cade, 4 west and 3 south — "It hailed pretty hard for about 20 minutes and we got two inches of rain." Bolls were knocked off, with Cade finding a boll on the ground about every six or seven feet. "His was early cotton, and he felt the damage would have been more had it been late cotton."
H. B. Carson, 5½ north, ½ east — "The hail knocked out about 800 pounds of maize to the acre and we had about two-thirds defoliation on our cotton." The Carsons received 1.1 inches of rain, with large hail. Carson figured he would have lost all his cotton had the wind been high. Hail covered the ground around the Carson home. "I thought it was our worst hail in 30 years. The wind not being

Which Democratic Platform?

Which do you prefer: the socialistic, anti-Texas platform of Kennedy — or the Nixon platform that more nearly conforms with Texas principles and ideals as expressed in the State Democratic platform?

The Kennedy platform is against nearly everything Texans are for — it is for nearly everything Texans are against.

What will be your choice? It is between a party label and the best interest of Texas and the Nation.

Allan Shivers says:

"I'LL TAKE TEXAS. I accept the Texas Democratic platform and will work for it. I repudiate the other — the Kennedy platform. I will join with my fellow Democrats to work and vote for men of maturity, experience, responsibility, and a fearless dedication to this country's best interests. I will vote for Richard M. Nixon and Henry Cabot Lodge."

YOU HEAR STRANGE THINGS ABOUT CATHOLICS

Yes, you do hear some strange things about Catholics.

You hear it said that Catholics believe all non-Catholics are headed for hell . . . that they believe non-Catholic marriages are invalid.

Some think Catholics believe the Pope is God . . . that he can do no wrong . . . that they owe him civil allegiance and that he should have the political power to rule America.

It is said that Catholics want religious freedom only for themselves . . . that they oppose public schools and separation of Church and State as evils which should be destroyed.

The claim is made that Catholics pay the priest for forgiveness of their sins . . . that they must buy their departed relatives and friends out of Purgatory . . . that they adore statues . . . are forbidden to read the Bible . . . use medals, candles and holy water as sure-fire protection against loss of job, lightning or being hit by an automobile.

But what is worse, some say, Catholics corrupt the true teachings of Jesus Christ with the addition of pagan superstitions and practices that are nothing less than the inventions of the devil.

If all these things or any of them were true, it would be a pity. For at least one out of every four Americans is a Catholic and it would be a national tragedy if one-fourth of all Americans entertained such erroneous ideas.

If you have heard and believed any of these false claims, and want the truth, we will gladly send you a free pamphlet explaining the true teachings of the Catholic Church. This free literature will be sent with the compliments of the Knights of Columbus of this area.

Two extra points in the third period proved to be Hart's downfall in the Whitharral game.

The Panthers' Milton Morrow crashed over for the winning points in the non-conference Class B game.

Morrow's conversion run came after Don Stafford had passed 27 yards to Terry Sires for a touchdown to give Whitharral a 12-6 lead.

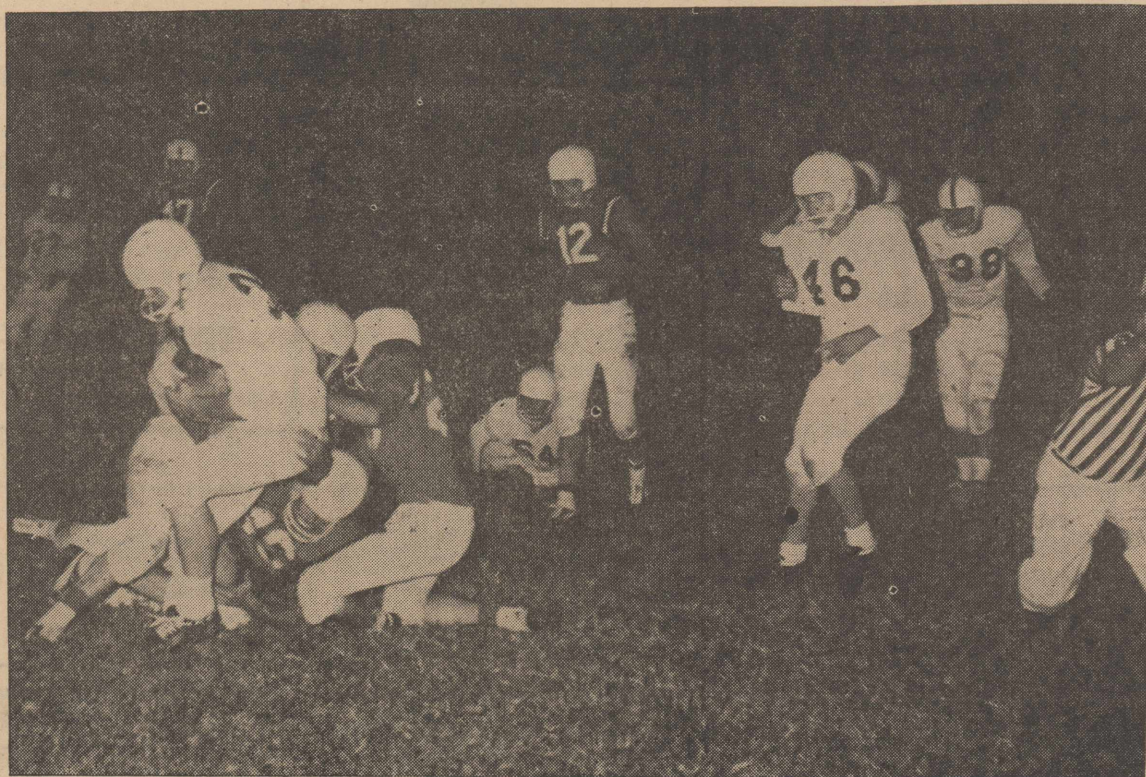

Whitharral scored first in the

ball game, getting a touchdown early in the first period when R. C. Cheek blocked a Hart punt and recovered it in the end zone for a touchdown. The extra point try failed.

Midway in the second period, Larry Lee scored from eight yards out to tie the score at 6-6.

The Panthers then marched to the winning touchdown, with Morrow adding the game-deciding extra points.

Hart launched a 60-yard scoring drive with Quarterback Joe Rubalcaba sneaking across the double-stripe from the two-yard line. An attempted running try for the extra point, which would have tied the game, failed.

Lee Tallies For Hart

AN OFFICIAL (right) waves a touchdown for Hart as Fullback Larry Lee crosses the goal carrying Whitharral players with him. Lee scored on an eight-yard run that put Hart into a 6-6 tie with Whitharral. Whitharral won by 14-12.

Castro Grain Sorghum Group Meets, Maps Plans For Financial Program

Directors of the Castro County Grain Sorghum Producers Association met last Friday and heard John Vedde of Denmark, representing the Feed Manufacturers and Importers of Feed Grain, discuss some of the problems connected with importing of grain sorghums.

Two main items discussed were quality of grain sorghum received and an educational program for the acceptance of grain sorghum.

The directors also endorsed a financial program for the Grain Sorghum Producers Association, stating that farmers would be asked to participate at the rate of two pounds per 1,000 pounds of their production.

Hart elevator operators will donate one pound for each 10 pounds the farmer donates.

Activities of the organization also were discussed as to domestic research, foreign export, advertising in foreign countries and general promotion of grain sorghum.

Members of the county executive committee are Wes Anthony, president; C. B. Martin Jr., vice-president; Ed McLeroy, secretary. Directors are Otto Dinwiddie, Leo Witkowski, Ed Jones, Bill Waldrop and Ray Joe Riley.

T. B. Cox, Wife Narrowly Escape Death From Gas

Mr. and Mrs. T. B. Cox of Hart narrowly escaped death from gas fumes last Friday night at their ranch near Portales, NM.

Mrs. Cox awoke about midnight Friday and found herself dazed by the fumes.

She woke her husband and both managed to crawl slowly from the room out to a porch. After a few minutes' fresh air, the Coxes attempted to drive to a doctor. After a few miles, however, Cox was unable to continue.

The Coxes were found later in their vehicle and rushed to Roosevelt Hospital in Portales, where both were put under oxygen.

They were reported in good condition Saturday and were released from the hospital. They returned to Hart Saturday evening.

The escaping fumes were from a gas refrigerator at the Cox ranch home.

Hart Gun Club Sets Trap Shoot For Saturday

The Hart Gun Club will hold a trap shoot Saturday at 1 p.m. a half-mile north of the Hart Producers Co-Op Gin.

Many prizes will be awarded, including a top prize of a single shot 12-gauge shotgun. About 75 persons turned out for the last trap shoot sponsored by the Club.

Henderson and family, Mr. and Mrs. Cliff Henderson and son, all of Hart, Mr. and Mrs. Hershel Williams and children of Canyon, and Mr. and Mrs. Elbert Stewart and children of Big Spring. Mrs. Stewart is the former Lola Henderson. Her husband is in the army and is to leave for Alaska in December.

One-Fourth Of Hart's Grain Crop In; Cotton Harvest Off To Slow Start

Approximately 1,444,000 bushels of grain have been harvested in the Hart community, according to reports this week from local elevators. The total is figured to be about one-fourth of Hart's grain crop. On the cotton front, ginners reported a total of 79 bales ginned through Monday at noon. Due to weather of recent days, cotton is opening slowly, ginners said.

Four Hurt In Car

HERE IS THE CAR in which four persons were injured last Friday night in three-car accident at the intersection of FM 168 and State 194 in Hart.

Five Injured In Three-Car Smash At FM 168, State 194 Friday Night

Five people were injured, one seriously, in a three-car collision Friday about 7 p.m. at the intersection of FM 168 and State Highway 194 in the city limits of Hart. A Negro woman, Mrs. Lillie Davis, 32, Route 1, Hart, was taken to the Castro County Hospital where she was reported to be suffering from head and face injuries and shock. Her husband, Houston Davis, 41, and three children, Lonzo, Joseph, 13, and Josephine Springer, 10, and Ted Cox, 56, of Vici, Okla., who was riding in a pickup involved in the accident, were also taken to the hospital.

The accident occurred when a pickup driven by Dennis Dale Salisbury, also of Vici, Okla., was going east and apparently attempted to turn north onto the farm to market road. An automobile driven by Davis was going west and struck the left fender of the pickup, causing it to spin around and hit a car driven by Lloyd Oakley of Dimmitt. Oakley and three passengers in the pickup, Robert Salisbury, Mansell Jones and Fred Carlond were not injured. Cox, who was thrown from the pickup, was reported to have internal injuries. Davis was treated

for broken ribs. Joseph Springer was believed to have a broken leg and dislocated ribs and Josephine Springer suffered a broken arm. The youngest son, Lonzo Springer, was not injured. Traffic was heavy at the time of the accident, which occurred just before a football game.

Dimmitt Men Speak At Meeting Of Hart Lions

Three Dimmitt men, Ewing Mathis, Charles Hottel and Dr. J. E. Wohlegmuth, were guest speakers at Monday's meeting of the Hart Lions Club. Scene for the meeting was the American Legion Hall.

The speakers discussed the work being done in the High Plains to secure beet acreage allotments for this area. They also invited members of the club to attend a sugar beet meeting which was held Tuesday night at the Dimmitt High School. Sixteen members of the Lions Club attended the regular meeting of their organization.
