He Won Again

BUB HOLT, who became the first contestant to win the Enterprise football contest a second time this year, looks over the schedule for this week as he gets ready to enter the competition again. The contest is easy to enter: just pick up a copy of the Oct. 13 Enterprise, circle the winners and turn in the entry to any of the sponsoring merchants.

## Bub Holt Tops Football Entries A Second Time

After seven weeks of guessing, the Enterprise football contest has been won by someone a second time.

Bub Holt this week became the first contestant to take first place more than once. He guessed correctly on 15 of 18 games in a week filled with upsets.

How did he win a second time? "Just plain lucky, I guess," says Bub. "I may have to slow down, though, because I'm beating my boss every week."

The boss is Bub's dad, Postmaster I. B. Holt.

Bub narrowly won this week. Another contestant, J. R. Duncan, also guessed 15 out of 18, but Duncan wasn't as close on the tie-breakers.

Third place went to Truitt Sides, who picked 14 of 18 and nudged out several others when his tie-breaker guesses were closer.

First prize in the weekly contest is worth \$15. Second place nets \$10 and third place \$5.

# Crop Hopes Up As Sun Returns

## Wet Spell Leaves 5 Inches Of Rain

The return of sunny skies brought the color back into farmers' faces Thursday.

Farmers, gripped with sickening weather the past week, hoped they were past the crisis Thursday morning after they narrowly missed an early freeze Wednesday night.

The mercury dropped to 38 degrees during the night and a beneficial frost was reported.

A hard freeze, with crops still wet from more than five inches of moisture since Saturday, would have spelled doom for this year's crops.

As one ginner put it: "If we'd had a freeze, the highways would have been jammed." He meant that everybody would have been going the same direction—away.

"If we can just get about 10 days of sunshine," said another ginner, "it'll make a world of difference." Most of the Olton area's cotton would be open with just a few days of warm, sunny weather.

Most farmers were counting their blessings as freezing weather held off. Said one: "It sure would have been a mess if we'd had a freeze."

Estimates of damage were hard to come by Thursday.

Most farm observers feel that grades will be hurt, but no one will know how much until some cotton is ginned. Gins have been idle since last Saturday morning.

Rain gauges checked by Pioneer Natural Gas here showed 5.20 inches of rain since Saturday morning. A total of 1.7 was recorded for Saturday, 1.3 for Sunday, 2.0 for Monday and .20 for Tuesday.

Hail struck again last Saturday morning, the second time in five days.

Farm observers say they have heard of no crops wiped out since the bad weather started.

Several said that damage seems to be worst on some farms east of Olton and some others south of Circle.

On the Cecil Keasler farm three miles east and one north of Olton, Mrs. Keasler reported: "Since Saturday morning, we got almost six inches of rain, and quite a bit of hail Saturday morning."

"We don't really know how much our crops have been damaged, because we haven't had our

cotton adjusted yet. The hail probably hurt the grade of cotton more than anything.

"My husband thinks it probably thrashed out 800 to 1,000 pounds of feed per acre."

Mrs. Keasler said she thought the hail was "a little worse" on the Frank Farrar farm which the Keaslers work three miles east of town.

## GINNING HALTED BY WET WEATHER

Total cotton ginnings in the Olton community stood at 1,653 Thursday, far behind the normal pace.

No cotton has been harvested since last Friday and the four local gins have been idle since Saturday morning, when rains began to fall.

Total ginnings as of Thursday, Oct. 13, were 1,360, meaning less than 300 bales were ginned in the two days prior to the wet weather.

## General Election Absentee Voting Gets Under Way

Absentee voting for the Nov. 8 General Election opened Wednesday and will continue through Nov. 4, County Clerk Charles Jones announced this week.

Qualified electors who expect to be absent from the county of their residence on the day of the election may vote absentee in one of two ways:

At the office of the county clerk in Littlefield by appearing at the clerk's office and filling out an application form. Voters must present poll tax or exemption or make affidavit if they have failed to bring such credentials. Then they may mark their ballot, seal it in an envelope and leave it with the clerk.

By mail postmarked from a point outside the county. The ballot and forms are then mailed to the voter, who must go before a notary public to mark and sign his ballot.

If a voter is ill and unable to appear personally before the clerk or a notary public, a statement by a physician to that effect must be obtained. The person who is sick must ask or direct someone to obtain the certificate for him.

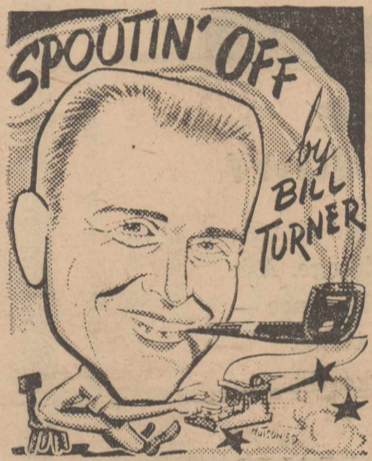

To vote in Texas, one must live in the county six months and in the state one year prior to the election, and pay the poll tax or obtain an exemption.

## Olton Group To Meet With Mahon On Beets

Olton representatives will meet with Cong. George Mahon in Lubbock Tuesday to discuss the area's effort to acquire sugar beet acreage and quotas.

Olton Chamber of Commerce President Emmett Harper, Manager Dick Whiteley and Fred Thompson are scheduled to make the trip to Lubbock about 9:30 a.m. Tuesday, Whiteley said interested farmers are invited to go with the group.

THE POLITICIANS are bombarding the Enterprise and every other paper in the state with daily press releases nowadays. We don't ordinarily print them because most of them fall into the category of advertising.

If a fellow's having a hard time making up his mind how to vote in this year's election, reading these releases can confuse him even more.

The more I read, the less decided I become. I guess I'm really not a Democrat or a Republican. Or, if I am either one, I'm not a good one, because I'm not ready to go along wholeheartedly with either party.

The story's going 'round that once Liberal Kennedy's elected, he'll really be a conservative. And the Democrats are saying that Nixon, while he leans toward the conservative faction during the campaign, will turn out to be a liberal, if he's voted in.

JOHN KENNEDY's being a Catholic doesn't bother me a bit. I really, honestly don't believe the Pope would, or could tell him which way to jump if he were president.

What draws me away from Kennedy is the Democratic platform which promises just about every pie-in-the-sky deal a platform could. The Republican platform is almost as bad.

Take education, for instance. The Democrats say they want to use federal money to build schools, give teachers raises, and to provide college scholarships and student loan funds.

The Republican want to continue college housing loans, but they don't say anything about scholarship aid. They say they're against teacher salary aid, but for federal aid in school construction.

As far as I'm concerned on that particular point, the Republican stand is bad and the Democratic stand is worse. I think federal aid to education will result in federal control of schools. It's the trend toward socialism that bothers me.

I'VE CONSIDERED, seriously at times, voting for a third party. But I'm afraid that's a vote thrown out the window.

I do think a third party will come to the front in the next four years, unless the Democratic and Republican parties return to the people, instead of the unions and other pressure groups.

Lots of people say the most important issue at stake in the Nov. 8 election is the world situation and how Kennedy or Nixon will stand up to Khrushchev.

Maybe that is the most important issue. I think either man

# Running Ponies Try Passing Morton 11

Olton's Mustangs travel to Morton Friday night to meet their second District 2-AA foe, a pass-happy crew of Indians.

"Morton throws a lot, more than they run with the ball," Mustang Coach Walter Bryan said this week as he sent his Ponies through their paces.

Passes have spelled trouble for the Mustangs all year long, Bryan pointed out. He expects Morton to be tough, for that reason. Despite a 1-5 season record, the Indians have been able to score

well. They've averaged 13 points a game and no one has shut them out.

The Indians failed to bag an Antelope last Friday night as they lost to Abernathy, 37-6.

Morton won over Whiteface 29-8 early in the season as Quarterback Steve Middleton passed for three touchdowns and four extra points.

Left End Tommy Morrison has been Middleton's favorite receiver. Best running backs for the Indians have been Halfback Johnny Van-

derverter and Fullback Wilburn Zuber.

Morton's leader in the line is Tackle J. R. Wilson, a 175-pounder described by his coach as "probably the best lineman in the district." Morton's starting line averages 170 pounds, slightly heavier than the Olton forward wall.

The Indians lost squeakers to Sudan, 22-14, and Sundown, 22-16, and fell hard to Farwell, 30-8, and Idalou, 32-6.

Other District 2-AA action Friday night finds Muleshoe at Floydada and Abernathy at Lockney.

Here are the standings:

SEASON STANDINGS	
Olton	6 0 0 157 69
Floydada	6 0 0 118 27

# Springlake Exes' Homecoming Set

Four Springlake School exes will be vying for the title, "Ex-homecoming Queen", at the seventh annual homecoming of ex-students and teachers at Springlake Friday.

They are: Mrs. Bonnie Clayton Henderson, representing the class of 1950; and Mrs. Jenna V. Brock Keller from the class of '60, both of Earth; Mrs. Louise Wright Strickland, Lubbock, a 1940 graduate of Springlake School, and Mrs. Sena Winningham Stevens, Muleshoe, representing the class of 1930.

The chosen queen will be crowned at half time of the Springlake-Kress football game.

All candidates will ride onto the field in a horse drawn wagon filled with hay. Their costumes will carry out the pioneer theme.

J. J. Coker, ex-student association president, will crown the queen. Assisting will be Joan and Jimmy Coker, 4-year-old twins of the J. J. Cokers. They also will be dressed in pioneer fashion.

A Springlake High School football queen and king have been selected and will be crowned before kick-off time at the homecoming football game.

Chosen queen from a field of five girls was Linda Sanderson, 17-year-old senior who is the daughter of Mr. and Mrs. R. J. Sanderson.

To be crowned King of the Springlake Wolverines is Larry Tunnell, son of Mr. and Mrs. E. O. Tunnell. Larry is also a 17-year-old senior at Springlake School.

On the agenda preceding the game is a special program, "Secrets of the School Board", to be held at 5 p.m. in the auditorium. Several ex-students and teachers will receive special recognition and a mock school board meeting will be conducted.

## OUT OF HOSPITAL

Kent Coe, son of Mr. and Mrs. Uil Gunter of Olton, was dismissed Thursday from the Methodist Hospital at Lubbock. Mrs. Gunter said Thursday that Kent seemed to be in good condition. Kent, 6, is in the first grade.

# J. G. Cole, 74, Resident Of Olton 30 Years, Dies After Heart Attack

John Garlian Cole, 74, a resident of Olton the past 30 years, suffered a fatal heart attack at 2:45 p.m. Tuesday at the home of his son, John F. Cole of Olton. Cole had been in ill health the past few months.

Last rites were held this afternoon at the First Baptist Church with the Rev. John E. Lewis and the Rev. Glen Godsey of Plainview officiating.

Burial was in Olton Memorial Cemetery with Parsons Funeral Home in charge of the arrangements.

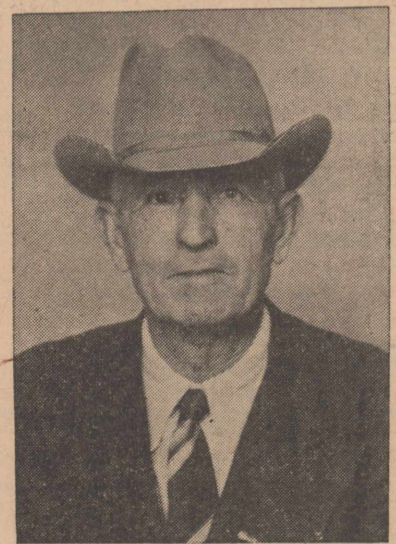

He was born Feb. 1, 1886, in Hot Springs County near Arny, Ark., and moved to Ladonia, Texas, with his family when he was 12. The family moved to Rule when he was 18.

Cole and the former Myrtle May Pemberton were married Jan. 19, 1908, in Stonewall County, Texas. Five children were born to the couple. Mrs. Cole died in 1940.

He was ordained into the ministry Dec. 3, 1912, by the Grandview Baptist Church in Stonewall County. In 1914, the family moved to Garza County near Post, where he was active in the organization of new churches in that area during the pioneer days. The family made the trip to Post in a covered wagon.

Cole organized the first Sunday School and Church at Wolforth, after he and his family moved to Lubbock County in 1921. He also organized the Lone Star Church and served as pastor of both these churches.

He came to Olton in 1930 after retiring from the ministry. During the past 25 years, Cole

J. G. COLE

taught a men's Sunday School Class at the First Baptist Church here.

Active in community affairs, Cole held offices as city judge and justice of peace here. He also had farming interests.

Pallbearers were Vernon Jefferies, Basil Sherman, I. V. Fent, D. L. Givens, Bill Yates and D. C. Eby. Honorary pallbearers were George Bohner, L. O. Langley, C. T. Mason, E. C. Herndon, L. S. Kennedy and S. L. Knox.

Survivors include a daughter, Mrs. Pauline Johnson, Lubbock; four sons, John F. Cole, Olton; Homer Cole, Los Lomas, NM; Rae-man Cole, Earth; and Richard Cole, Lubbock; two brothers, R. D. Cole, Lubbock; and F. R. Cole, Abilene; two sisters, Mrs. W. C. Smith, Rule and Mrs. Maggie Duncan, Toledo, Ohio; 15 grandchildren and 10 great grandchildren.

# Cotton Acreage Increase Expected In Lamb County

Lamb County apparently will get a boost in cotton acreage allotment in 1961 as a result of Agriculture Secretary Ezra Benson's order increasing the nation's cotton acreage, L. D. Aten, manager of the county ASC office, said Thursday.

"I really expect an increase," Aten said. "We are in the picture for a boost for the next five years because of our history."

The ASC manager said he expects to receive an official announcement of the 1961 allotment about Nov. 1.

He explained that the approximately 1,000,000-acre allotment increase ordered by Benson is broken down for states and in turn for counties. County allotments are awarded on the basis of five-year acreage histories.

Lamb County's 1960 allotment of 180,738 acres is based on acreage history between 1954 and 1959. About 203,000 acres were planted this year, with the extra acreage under the B plan.

The increase ordered by Benson amounts to about 12 per cent over base acreage allotments, over the nation as a whole. If Lamb County's base acreage is increased accordingly, the county's allotment for 1961 would be up about 22,000 acres.

Class Favorites

FAVORITES at Olton High School this year, from front to back, are Tommie Covington, and George Jones, freshmen; Sammie Clark and Jimmie Curry, sophomores; Becky Bearden and Jimmie Lawson, juniors; and Lila Lee McFadden and Billy Bryant, seniors. They were selected by popular vote at class meetings.

**LETTERS to the EDITOR**

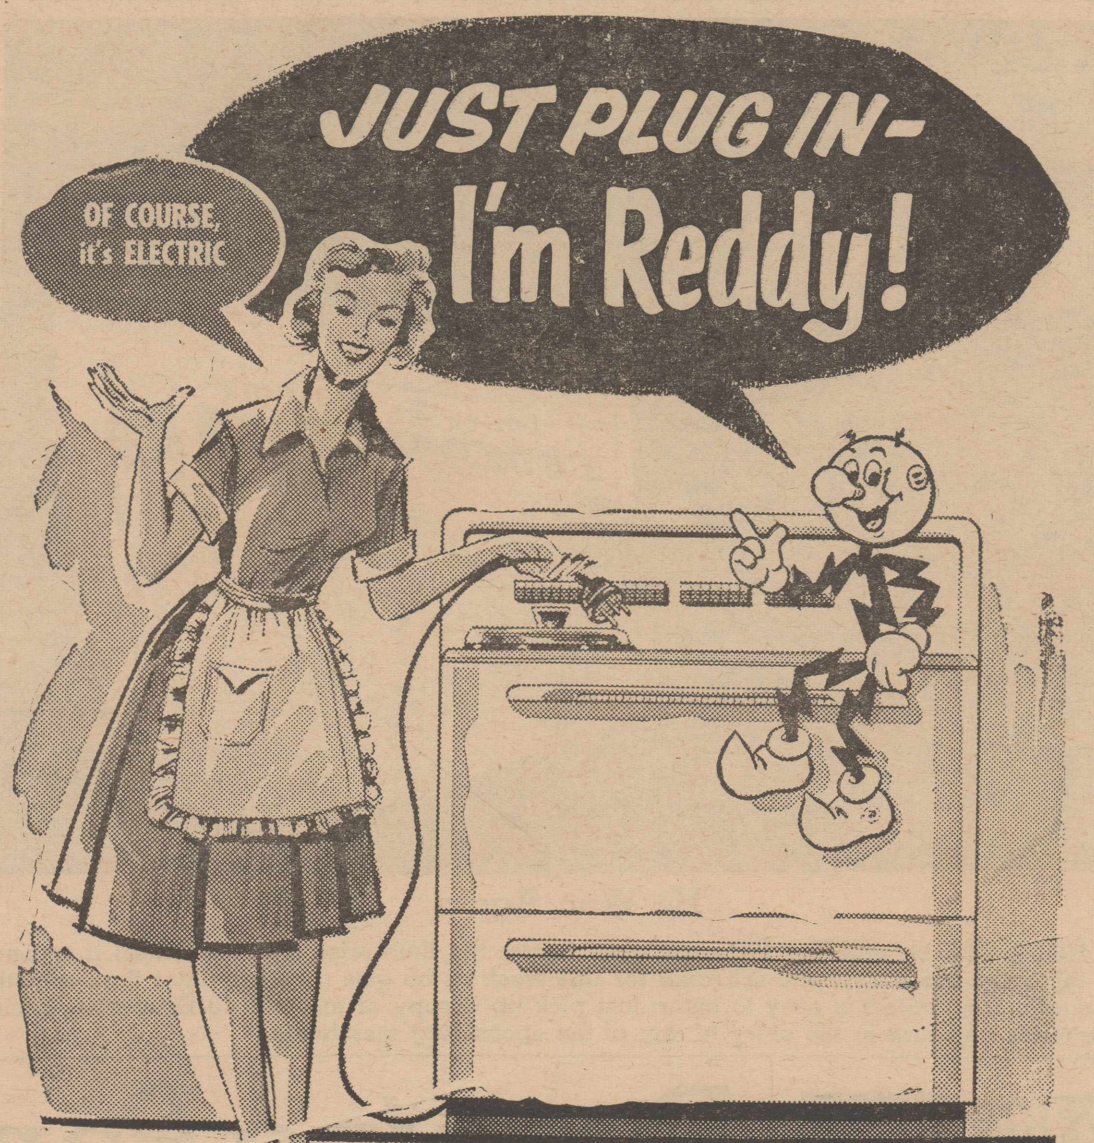

Dear Editor:  
 I have been following the presidential campaign with much interest. I will vote for Mr. Kennedy for these reasons:  
 I believe he has a combination of talents that are best for this country. His family loyalty is both heartwarming and inspiring. Loyalty to his church and loyalty to his conscience and his country make me feel that here is a man that is master of himself under God.  
 I have been following the UN meeting with as much interest as the campaign. I believe Mr. Kennedy was right in saying that he would apologize to Mr. Krushchev. Mr. Eisenhower was to meet with Mr. Krushchev to discuss disarmament. We allow a flight at that time that would leave every indication of a lack of sincerity for a meeting to discuss disarmament. Mr. Nixon has said many times we must do what is right in every act for this country to survive. If we were sincere in wanting to discuss disarmament an apology was in order. Thus, the right thing to do, I am of the belief that it was not an act of aggression on the part of the U.S. but a show of strength, we do not need this kind of show.  
 Yesterday after reading the adjournment of the UN for that day, I was heart sick. Who is so afraid of Mr. K. that his angry words would so upset a thinking person to the extent that they would adjourn the session? U.S. Sen. Wayne Morse of Oregon, in explaining Communist and Mr. K's actions said and I quote, "I think it was because we have bared their most sensitive nerve."  
 The delegate from the Philippines had said in commenting on the Soviet Colonial proposal, they would demand freedom for all countries under Soviet domination as well. Mr. K. went wild. What does the assembly do? They get so upset at his actions, Mr. Boland calls for an adjournment. Instead of holding him to the line and making him face up to facts, they show another front of false strength and adjourn. Where is your victory?  
 I was anxious to read this morning's paper to see what would happen about the debate on the U. 2 incident. Again I was heart sick.  
 This was another show of false strength. That debate would have been an excellent opportunity to bring out in the open Mr. Krushchev's deceit and treachery. We could have let the world know of his many spy incidents. Where is your victory? Now Mr. K. is saying that if you want war you will get war.  
 In quoting from an article titled, "The Sickness of Inflation", this writer says the deterioration of our international position might shock us into action. Mr. Kennedy has been pointing that out to us. This man also says that too many people don't care or like a little inflation to be much disturbed by fluctuations in our international balance of payments. They will follow the jingle of money in their

cash registers and in their pockets until the dollar has lost the confidence of our people and of people abroad.  
 Mr. Nixon is more intent on a show of strength than in using his head. I am confident that if Mr. K. meets with Mr. Kennedy and I sincerely hope he does, Mr. K. will face a few facts and Mr. Kennedy will not get so upset when he goes wild that he will leave the conference table but will hold him to the line so closely that if there is any walking out done it will be Mr. K.

Sincerely,  
 Mrs. Jethro Pinkerton

# Kirkpatrick Home Has Roominess, 'Easy To Keep'

Teenager's Room

BARBARA is shown here in her bedroom—a room that was planned and furnished with a teenager in mind. The cedar chest was a Christmas present last year to Barbara from her parents.

By JOLINE WARREN  
The C. D. "Cass" Kirkpatrick family are the proud owners of a modern pink, rose and beige brick home located one half mile west of town on Highway 70. Mrs. Kirkpatrick says "I like our house because it is so easy to keep and we have plenty of room for company."

The Kirkpatricks have two daughters, Brenda, 11, and Barbara, 16, a junior in high school. Brenda is a sixth grade student.

Floor of the entry hall is laid with brown tile squares, outlined in white. Conveniently located in the entry hall is a closet to hang the guest's coats.

Early American furnishings and fixtures add warmth and set the atmosphere for the living room and combined kitchen, family and dining area. The rooms are painted a soft beige tone.

Beige nylon carpet covers the living room floor. The living room suite is made of rose beige material and is complimented by maple Early American style tables. Other eye-catchers in this room are the tailored drapes with matching valance of printed material and two lamps with brown ruffles.

Sliding French doors open into the cheerful and well-planned kitchen, family and dining area where the Kirkpatricks spend most of their time.

The kitchen's birch cabinets are stained with maple finish and have plenty of storage and cabinet space. Equipped with electric appliances such as a refrigerator and built-in dishwasher, electric oven and counter top burners, the kitchen is designed to make cooking tasks pleasant.

Beige vinyl is used to cover the cabinet tops and above the working space for easy keep and speedy cleaning. The round shaped snack counter also is covered with vinyl.

Inlaid linoleum of beige and corresponding colors are used on the floors of the kitchen and family room.

Handsome captain chairs made of maple and a round dining room suite are ideally near the kitchen area to make the serving of company meals easier.

In the family room, built-in maple stained bookcases fill an entire wall and also provide a center of interest. Also included in the arrangement is a built-in desk and a place for a TV set.

Two comfortable lounging chairs are arranged around the book case wall for TV viewing at its best

or for just relaxing. Other furnishings include chairs and glass top tables with black wrought iron trim.

The two large panel windows in the family room are curtained with neat and trim drapes of printed material on a solid background. House plants add a bright touch of green to the room.

Brenda's bedroom is just right for a girl her age and the twin beds make it extra nice when a girlfriend spends the night with her. The beds are made of oak, which will mellow with age. A record player and TV set also are in her room.

Light turquoise is the color of the walls in Brenda's room and her off-white curtains have a valance at the top of the window. A table in the room is decorated

### Boy Scout Banquet Tickets Are On Sale

Tickets for the annual Haynes Boy Scout District Recognition Banquet may be purchased from Mrs. Fred Thompson. Price of the tickets is \$1.75 per person.

The banquet will be held at 7:30 Monday, Oct. 24, at Estacado Junior High School in Plainview.

Little Girl's Room

BRENDA poses happily for a picture with just a few of her stuffed animals and dolls. Her mother says that she has collected dolls and animals practically all of her life.

with a set of milk glass lamps and other ornaments. Brenda also has a collection of dolls and stuffed animals.

Closets and storage space a plenty has this house — especially in the long hall adjoining the bedrooms where a cedar closet and large storage closets are included. The hall and the bedrooms are all carpeted with beige nylon carpet.

The walls in Barbara's room are painted an off-white shade and orchid, blue, pink and white stripe curtains brighten the windows. She

### Gayle Machen Named H-SU Dorm Officer

Officers of the Hardin-Simmons University Behrens' Dorm Council have been elected. Gayle Machen of Olton is among those chosen to serve on the council.

The daughter of Mr. and Mrs. J. M. Machen of Olton, Gayle is sports editor of the college paper, "The Brand" and was also elected reporter of her class.

Gayle is a 1960 honor graduate of Olton High School. She was employed as reporter at the Enterprise this past summer.

has a Hollywood style bed and a maple cedar chest. Shelf drawers and a chest are built into the large walk-in closet which has clothes bars on one side for blouses and skirts. The other side of the closet has a place to hang dresses and coats.

Beige walls and turquoise drapes with matching valances are

### Oltonites Attend Gem-Mineral Show In Lubbock

The first Gem and Mineral Show of the year was attended by approximately 1500 persons, including several from Olton. It was held Oct. 8 and 9 at Lubbock.

Those attending from Olton were Mr. and Mrs. George Bohner, Mr. and Mrs. Lewis Schreier, Mr. and Mrs. Harry Thomas and family, Mr. and Mrs. Bill Thomas, Mr. and Mrs. James Cowart and family, Mr. and Mrs. R. L. Hipp and family, Mrs. Lillian George, Mrs. Ann Blythe, Mr. and Mrs. Roscoe Thomas, Mr. and Mrs. L. B. Cowart and Mr. and Mrs. Walter Schreier.

The Lubbock Gem and Mineral Club meets the first Tuesday night of each month at the Community Building located on 50th and Slide Road. Meeting time is 7:30.

Plainview's newly organized club meets at 7 p.m. the first Thursday of each month at the Chamber of Commerce building.

Visitors or persons wishing to join either club are welcome. Information about these clubs may be obtained from the Roscoe Thomases, the L. B. Cowarts or Walter Schreiers.

### G. T. Sides To Be Olton Cubmaster

G. T. Sides will take over as cubmaster Monday, Oct. 24, at the next meeting of the Cub Scouts. He succeeds Charlie Riggan, who moved to Lubbock.

Bobcat awards will be presented to the boys who have registered in the two new dens.

The meeting will be held at 7:30 p.m. at the cub scout house.

### Graveside Rites Held For Bell Infant

Graveside rites were conducted Friday afternoon for Morris Douglas Bell Jr., infant son of Mr. and Mrs. Morris Douglas Bell Sr. of Olton.

The Rev. James Moore, pastor of Bohner Chapel, officiated at the services.

Interment was in Olton Memorial Cemetery with Parsons Funeral Home in charge of the arrangements.

Survivors other than the parents include the maternal grandmother, Mrs. Essie Lee Dotson, a cousin, Marie Dotson, both of the home and the paternal grandmother, Mrs. Mary Roberts of Earth.

### Springlake Woman's Father, 79, Dies

Last rites for James F. Childress, 79, who died in a rest home in Lubbock will be announced by Johnson Funeral Home of San Angelo. He was a resident of Ballinger.

Rix Funeral Home at Lubbock transferred the body to San Angelo.

Among his survivors other than his wife is a daughter, Mrs. M. B. Baldwin, Springlake.

Kirkpatrick Kitchen

LOTS OF CABINET space, attractive inlaid linoleum, built-in appliances and a convenient snack counter—all of these are found in the kitchen of the Kirkpatrick home. Mabel is standing in front of the counter-top electric burners.

used in the master bedroom. A king-sized maple bed with headboard and a chest are some of the other furniture in the room, which also has double closets with sliding doors. The walls of the ad-

joining bathroom are painted an off-white and the fixtures, including the bathtub are white.

Other special features of the house include central heating, electric heaters in the three bath-

rooms, a service porch and pantry and a large basement. These features combined with the special planning of the house make it a very nice and enjoyable place to live.

# Olton Wins 2-AA Opener, 35-22

Most football games are never "in the bag" until the final whistle.

Olton's Mustangs were reminded of that old, but true theory last Friday night at Muleshoe, where the Mustangs picked up a 35-22 victory over the Mules.

The Ponies raced to a 21-0 lead early in the ball game and it appeared they were on the way to a rout. But the Mules rose up rudely and changed the complexion of the game.

And for the better part of two quarters, the Mules roundly out-

played a seemingly complacent Mustang crew. Muleshoe, in fact, outscored Olton in the last 29 minutes of the game.

In the first 19 minutes, the Mustangs appeared to be on their way to a lop-sided victory.

Led by bull-dozing Robert Priest at fullback, the Ponies marched 55 yards for a touchdown the first time they had the ball. Priest got the score on an eight-yard run.

The very next time the Mustangs came into possession, they went 49 yards for a score, with Priest again doing the honors on a six-yard scamper.

And the next time the Ponies got the ball, they drove 80 yards for a touchdown, with Quarterback Johnny Schenk carrying the last four yards for the score.

It was at that point that Muleshoe decided to play ball. And for the next 29 minutes, the Mustangs more than had their hands full.

The Mules got touchdowns in the second and third quarters to bring the score up to 21-14.

And late in the third quarter, the Mules appeared to be on the way to tying up the ball game. They advanced to the Olton 33 before a pass interception ruined the drive.

The Mustangs came back to life in the fourth quarter to score two touchdowns, one a 15-yard scamper by Halfback Rande Buchenau and the other a three-yard blast by Priest. Muleshoe got its last tally with a minute to play.

Priest was the big gainer on the

First Touchdown

MUSTANG FULLBACK Robert Priest crosses the goal line all alone as he races for Olton's first touchdown against Muleshoe. The big fullback scored three times and gained 182 yards in 23 carries for the night as Olton beat Muleshoe 35-22, in the District 2-AA opener for both teams.

first Mustang touchdown drive. He started it with a three-yard gain and Buchenau then ran 12 yards for a first down at the Muleshoe 36.

Schenk picked up three and then Priest rammed 19 yards to the Muleshoe 14.

The big fullback then ran three straight times, going over from the eight. Buchenau's kick was no good and it was 6-0, Olton.

Muleshoe moved to one first down after the kick-off, but with fourth down and four to go at the Mule 49, Olton stopped the Mules.

After Buchenau picked up three yards, a 15-yard penalty against the Mules put the ball on the 28-yard line. Priest gained three and then Buchenau slipped loose on a 19-yard jaunt to the six.

Priest carried it over on the next play and then ran the extra

points to make it 14-0, Olton. Then came one of the night's surprises. On the kickoff, Buchenau advanced on the ball and his foot missed the pigskin. It appeared as though he were trying an onside kick.

Muleshoe's alert 180-pound center, Bob White, scooped up the ball and ran to the Olton 28 before he was stopped. The Mules were unable to take advantage of the break, however.

Guard Harold Featherngill stopped the Mules' Jim Young for no gain on the first play.

Another running try, and then a pass attempt, failed and the Mules faced fourth and five. White attempted a field goal from the Mustang 29-yard line, but the kick was short.

With the game only a minute deep in the second period, the Mustangs took over at the 20 and promptly moved 80 yards for a

score. Halback Frankie Miller made it: Priest picked up three and then a first down with a gain of eight.

# Priest Leads Ponies Past Mules

Hey, There He Goes

THESE THREE Mustangs, Bobby Brown (74), George Jones (35) and Charlie Burrus (30), had to reverse their fields to find the Muleshoe ballcarrier, Rex Miller (at far left), on this play.

Working from their own 33, the Ponies again called on Priest and the bull-dozer delivered. He raced 48 yards to the Mule 19 before he was hauled down by Muleshoe's Curtis Walker.

Charlie Burrus, subbing for Priest, picked up two yards, but then Buchenau was dropped for a three-yard loss. A third down pass try went incomplete and the Ponies faced fourth and 11 from the 20.

Schenck got the first down and then some as he rolled out to the left side and headed for the sidelines. He was knocked out of bounds at the one.

The Pony quarterback sneaked across on the next play, but a penalty rubbed out the score.

Working from the six, Schenck sent Burrus into the line for a two-yard gain. Then Schenck pulled his keeper play again and ran wide for the touchdown. Priest's kick was good and it was 21-0, Mustangs.

Muleshoe took the ensuing kickoff and drove 66 yards for a touchdown. Young picked up nine yards

on two carries but the Mules' Rex Miller was stopped for no gain on third down.

Needing less than a yard, Mule Quarterback Billy Gilbreath sneaked just about that far and Muleshoe's fourth down gamble paid off.

Young made four yards and then Walker gobbled up 12 yards to give the Mules a first down at the Olton 40.

Miller promptly picked up 14 more yards to the 26, before the Mustangs got tough and held their own for two plays. On third down Young gained 11 yards to the Olton 15.

After Miller picked up three, Walker ran left end to the one. Miller scored on the next play. The extra point try failed and it was 21-6 at the half.

Perhaps it was the homecoming celebration, crowning of the Mules' queen at halftime or a strong pep talk in the dressing room, but Muleshoe came back with fire in its eyes the last half.

The Mules scored on their first possession in the third period. Taking over at their own 37, the

Mules drove the distance in 13 plays. Miller started it with a four-yard gainer, then added seven for a first down at the Mule 49.

Walker gained to the Olton 47 and then Young scampered for 11 yards to the 36. A 15-yard penalty against Olton helped out at that point and the Mules had a first down on the Olton 21.

After Young made two, Miller gained eight more for a first down at the 11.

Olton toughened its defenses with Bobby Brown leading the Ponies. After two downs, Muleshoe was still 12 yards away from paydirt.

Then came a five-yard penalty against the Mustangs, putting the ball on the seven. Walker then swept left end, getting to the one before he was knocked out of bounds. An official got in his way, or he might have scored.

On the next play, the quarterback, Gilbreath, sneaked across for the touchdown. He pulled the same play for the extra points and it was 21-14, Olton, midway in the third period. Muleshoe kicked off and stopped

the Ponies. Priest punted, the Rick going 21 yards and out of bounds at the Muleshoe 37.

The Mules got a total of five on two carries by Young and Miller, and then Walker flipped a pass to Young, the play gaining 23 to the Olton 35.

Three tries netted Muleshoe only two yards and Young went back to pass on fourth down.

Olton's Buchenau then took a long gamble. Instead of batting the ball away and giving the Mustang's possession at their own 33, he intercepted Young's pass.

The interception luckily paid off as Buchenau scampered back to the Olton 38.

Three plays got the Ponies nowhere and Priest got off a 47-yard punt. Muleshoe took over at the Mule 22.

After the Mules found they couldn't go, Walker punted and Olton's Schenck returned the ball to the Mule 44. Five plays later the Ponies had a touchdown.

Olton picked up seven yards in three carries and on fourth down Priest bulled to the 25. An infrac-

## SCORING SUMMARY

OLTON — Robert Priest (8-yard run, 6-yard run, 3-yard run); Rande Buchenau 1 (15-yard run); Johnny Schenck 1 (4-yard run). Extra Points; Priest 4 (2 by running, 2 by kicking); Buchenau 1 (by kicking).

MULESHOE — Rex Miller 1 (1-yard run) Bill Gilbreath 2 (1-yard run, 1-yard run); extra points, Gilbreath 2 (by running); Jim Young 2, (by running).

tion by Muleshoe back upfield moved the ball to the 15. With a first down at that point, Buchenau sliced off tackle and ran all the way for the score.

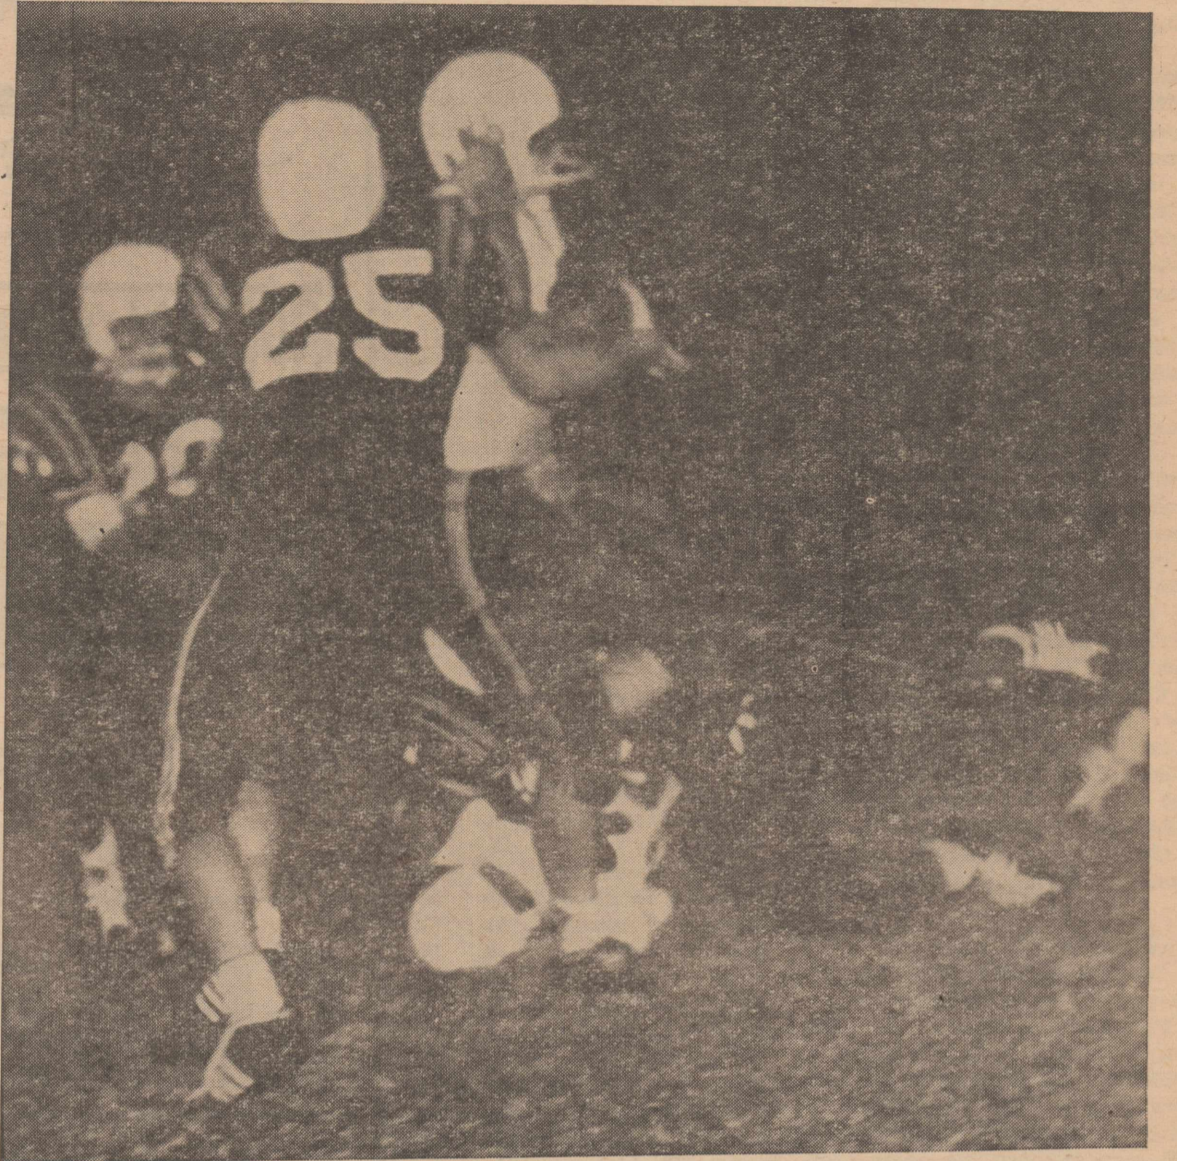

Priest kicked the extra point and it was 28-14, Olton, with seven minutes left in the game.

After the kickoff, Muleshoe had first down at its own 30. Walker gained nine yards on the first play, but on second down the Mules' Miller fumbled, with Olton End Jimmy Lawson recovering at the Mule 39.

On first down, Olton's Frankie Miller gained six to the 33, but an official detected a rules infraction and Olton was penalized back to the Mustang 48.

Priest promptly ran 20 yards to the Muleshoe 28 to give Olton a first down from that vantage point.

The Olton fullback ripped off 12 more yards to the 16 on the next play. After Priest gained to the seven, Schenck lost three to the 10. Priest gained five to give Olton a first down at the five. Two plays later, Priest bucked across from the three, Buchenau kicked the extra point and the Ponies were ahead 35-14, with 2½ minutes left

Priest Scores Again

MULESHOE defenders were all over Pony Fullback Robert Priest on this play, but Priest scrambled across the goal line for Olton's fifth touchdown. Olton won over the Mules, 35-22, in the district opener for both teams.

She said her husband estimated loss of about 1,000 pounds of feed to the acre from Saturday morning's hail.

"I believe we might have had a small twister that morning," said Mrs. Patterson. "The wind whipped from the west, shifted to the east and back to the west."

Although the hail was severe, Mrs. Patterson said she did not think the cotton crop was damaged heavily, because it was mature.

Emmett Harper, who farms 3 1/2 miles east of Olton, said he received about 5 inches of rain and we had enough hail damage to defoliate cotton."

At the J. A. Welch farm 1 1/2 miles south of Circle, Mrs. Welch said: "We got quite a bit of hail, and it damaged cotton and feed. This makes twice on this crop — we got another hail in August. I'm sure am glad to see the sun shining again and I hope it keeps up."

Circle Gin reported other farmers in that area receiving hail were Dewey and John Moses and Green Butler. The gin also reported a light frost Wednesday night which thawed before morning.

Cotton across from the gin was back Thursday morning.

Some people can't understand the indecision about this year's presidential race. They say to vote Democratic if you're a Democrat and Republican if you're a GOP. I can't see it that way, because that's the easy way out.

That way you don't have to figure out what's best for you and the country. You just pin a label on yourself.

And you might get stuck.

**One Person Injured In Two-Car Crash**

One person was injured in a two-car crash on U.S. 385 four miles south of Springlake Wednesday about 4:45 p.m.

Investigating officers said Sammie Lee Richardson, 23, Corona, Calif., was hospitalized with cuts, bruises and broken ribs.

A small foreign car driven by Miss Richardson was hit from the rear by a 1956 model auto driven by Clayton R. Graef, 22, Dimmitt, officers said. Both cars were headed south.

The impact sent the foreign car 116 yards into a bar ditch. The vehicle jumped a 4-strand barbed wire fence as it overturned, throwing out Miss Richardson and a passenger, John S. Fiveash of Walker AFB.

Graef and Fiveash were not injured.

**GRAY HOSPITALIZED**  
H. V. Gray of Olton was rushed to the Taylor Hospital-Clinic, Lubbock, about 1 p.m. Thursday by Parsons ambulance. He is the father of Virgle and Elmer Gray, both of Olton.

Traveling Science Teacher To Visit Olton High During Week Of Oct. 31

Wendall Norman Spreadbury Jr., one of 26 specially trained science teachers participating in a 10-state traveling science demonstration lecture program during the 1960-61 school year, will spend one week in the Olton High School beginning Oct. 31.

While at OSU he was issued a station wagon completely equipped with supplies and lecture-demonstration apparatus, much of which he constructed and assembled himself. He was selected by a committee of scientists because of his outstanding qualifications.

Wendall Norman Spreadbury Jr., tin, Tex. His hobbies and interests include sports cars, hi-fi, electric trains, rock collecting and flying.

Spreadbury, 28, was born in Pennsylvania but received his public schooling in the Panama Canal Zone. He holds an associate degree from Canal Zone Junior college and BA in geology from University of Texas, and has done additional work at Southwest Texas State Teachers college.

His primary teaching field is biology and he also teaches physics, chemistry, general science and algebra. He is a member of Delta Psi Omega, NSTA, Texas State Teachers Association, Elks and Alpha Phi Omega. He is single and now makes his home in Aus-

Yes! We Have Heard "Strange Things" About Catholics

Catholics admit that we do hear strange things about them. Is this an admission that the doctrines of Catholicism are "strange?" Does this mean that these doctrines are "strange" (unknown) to Biblical teachings? When Catholics say "You have heard strange things about Catholics" do they mean "things" not taught in the Scriptures? Are these "strange things" true concerning Catholics? Let us take a look at these "strange things" and ask Catholic writers, historians, bishops, and popes, if they are true or false.

- 1. "You hear it said that Catholics believe all non-Catholics are headed for hell..."
2. "That they believe non-Catholic marriages are invalid..."
3. "Some think Catholics believe the Pope is God..."
4. "That he can do no wrong..."
5. "They owe him civil allegiance..."

- 6. "It is said that Catholics want religious freedom only for themselves..."
7. "That they oppose public schools..."
8. "The claim is made that Catholics pay the priests for the forgiveness of their sins..."
9. "That they must bury their departed relatives and friends out of Purgatory..."

- 10. "That they adore statues..."
11. "Are forbidden to read the Bible..."
12. "Use medals, candles, and holy water as sure-fire protection against loss of job, lightning or being hit by an automobile..."
13. "What is worse, some say Catholics corrupt the true teachings of Jesus Christ with the addition of pagan superstitions and practices that are nothing less than the inventions of the devil..."

Where did Christ teach the use of beads? "The use of beads among the pagans is undoubtedly of greater antiquity than their Christian use."
Note: "We need not shrink from admitting that candles, like incense and lustral water, were commonly employed in pagan worship and the rites paid to the dead. But the Church from a very early period took them into her service, just as she adopted many other things indifferent in themselves which seemed proper to enhance the splendor of religious worship..."

### WSG Continues Study On Basic Christian Beliefs

"Basic Christian Beliefs" was the program subject at last Monday night's meeting of the Wesleyan Service Guild at Hart Methodist Church.

Mrs. Lanny Tucker continued the study with a discussion of "Beliefs in Christ" taking scripture references from John 14:1. She also discussed the Apostle's Creed which comes from the second century and was used at Baptism for the Christian profession of faith.

Members present included Mesdames Robert Brooks, Earl Jones, Ed Harris, Wamon Foster, Theron Morrison, E. H. Bowden, Lee Crouch, Ed Bennett, Paul Kennedy, Ernest Lee Brooks and Tucker.

The guild will meet Monday, Oct. 24, at 7:30 p.m. at the church to continue the study.

predicted a dismal season for the Longhorns. The Horns have won three games, lost three and tied one.

Their latest victory was a 20-6 win over Bovina at Hart last Friday night. It was the District 2-B opener for both teams.

That leaves Happy, Lazbuddie and Vega on the Hart schedule. The Longhorns travel to Happy Oct. 28 and to Lazbuddie Nov. 4, then return home for the final game of the season with Vega Nov. 11. Lazbuddie is the district favorite.

Against Bovina, it was the running of Connard Riddles and Larry Lee that sparked the Longhorn attack. Riddles scored twice and Lee got the other Hart touchdown and two extra points.

The Longhorns broke a 6-6 tie at the half when Riddles ran left end for a 43-yard touchdown. Then Lee applied the clincher in the fourth period with a 35-yard run around right end. He also ran the extra points after the third Hart touchdown.

The biggest crowd ever to see a football game in Hart watched

the underdog Longhorns grab a first quarter touchdown on Riddles' 26-yard sweep at left end.

Bovina's Don Caldwell tied it up in the second quarter with a one-yard plunge.

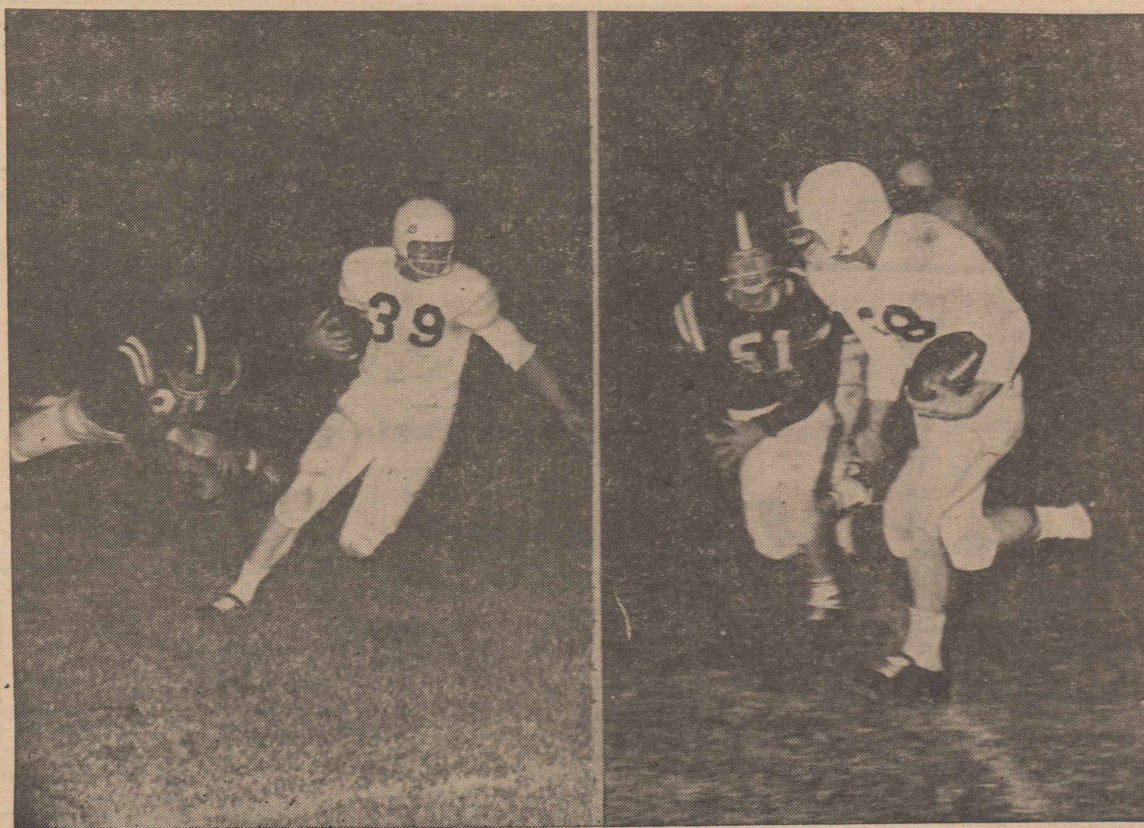

Caldwell's brilliant punting, which sent the ball out of bounds on the Hart 10 and 5-yard lines, kept Hart from scoring again before the half.

Outstanding players for Hart were Eufemio Rubalcaba, Jack Witten and Riddles and Lee. Standouts for Bovina were Caldwell, Bill Strawn and Don Crumpton.

Touchdowns For Hart

LARRY LEE, Hart fullback, is shown as he nears the goal line on a 35-yard touchdown run against Bovina. A last-gasp effort by the Bovina tackler failed. At right, Connard Riddles, Hart halfback, gets away on a 43-yard touchdown scamper. The Longhorns won over Bovina, 20-6.

## Hail, Winds Rip Hart; Rainfall Tops 5 Inches

Rainfall in Hart topped five inches during the past week.

Through Monday at 5 p.m., Hart's official rain gauge showed 5.10 inches in less than a week.

Hail was reported Saturday, along with strong winds. Reports said a few snow flakes fell Saturday.

The hail, ranging from golf ball to pea-size,

left considerable damage to grain and cotton crops, farm observers reported. Damage apparently is heavier north of Hart.

Several tree limbs were broken and TV antennas damaged during the weekend storm.

The heavy rainfall sent water over FM 168 at Running Water Draw and another draw just south of Hart. Some farmers reported hogs drowned as water flooded low areas.

## Honor Roll For Hart Junior High Is Announced

Names of Hart Junior High School students who are included on the honor roll have been announced.

### Mrs. Claude Ray, New President, Leads WMS Meet

Mrs. Claude Ray, new president of the WMS, was in charge of program Thursday afternoon at a meeting in the Fellowship Hall of the Hart Baptist Church.

Theme of the installation service was "Your Higher Calling". New officers were installed by the pastor, Rev. Denzil Leonard. After reading scripture, he gave each officer her new responsibilities. Officers include:

President, Mrs. Ray; vice-president, Mrs. Howard Mitchell; secretary-treasurer, Mrs. O. C. Kittrell; prayer chairman, Mrs. Georgia Henderson; mission chairman, Mrs. Denzil Leonard; community chairman, Mrs. Harvey Davis; publication chairman, Mrs. Jimmy Ray Davis; enlistment chairman, Mrs. Howard Mitchell; and GA counselor, Mrs. Denzil Leonard.

Mrs. Harvey Davis and Mrs. Weldon Davis gave special music. Guest speaker was Samuel Arande of Nigeria, who was introduced by Slim Mason. Both are students at Wayland Baptist College in Plainview.

Samuel spoke of living conditions and Christian work in his native land. He was dressed in native dress. After finishing his education in Wayland he will return to his homeland.

Refreshments of cake and punch were served to approximately 25 ladies and the three men present.

### Hart Now In Plains' 'Heritage Program'

Hart is now included in The Plains American Heritage Program for 1960-61.

The program consists of posters and essay contests in the schools, special projects in the junior highs, a coordinating committee of directors from the participating communities, and observance of American Heritage week.

It is sponsored by Wayland Baptist College under direction of the American Studies Program head, Dr. Edward McMillan. Other cities in this program are Dimmitt, Kress, Olton and Lockney.

### KITCHEN KORNER

BY LELLA GALLION

This fall brings us an abundance of good cooking and eating apples at reasonable prices. It is a good time of the year to freeze apple pies for later use. There are many ways to prepare apples to give us a variety in our meal planning.

#### FRIED APPLE RINGS

Wash and core six large apples. Do not peel. Cut in circle slices, fry in skillet with small amount of shortening, having heat fairly low. When the apples are almost tender sprinkle with a few grains of salt and one heaping tablespoon of sugar.

You can safely soft or hard boil a cracked egg if you first wrap it in aluminum foil.

#### TWO-CRUST APPLE PIE

Use your favorite pie crust recipe, make enough for one pie. 2 lb. tart cooking apples.

1 T. lemon juice  
2 T. flour  
½ cup brown sugar (firmly packed)  
Dash of salt  
½ cup granulated sugar  
3-4 t. cinnamon  
¼ t. nutmeg  
2 T. butter or margarine  
Mix above ingredients well, put in pie shell, cover with top crust. Make a few gashes in center of top crust. Brush liberally with cream and sugar which have been mixed together. Bake at 350 degrees about 50 minutes or until apples are tender.

Keep your sponges nice and clean by tossing in the washer with a load of clothes. (Be sure not to use bleach).

#### APPLE-PINEAPPLE PIE

1½ lbs cooking apples  
1 small can crushed pineapple  
3-4 cup granulated sugar  
2 T. flour  
2 T. butter

Prepare your favorite pie crust, fill with above filling cover with top crust slash and brush with cream and sugar topping. Bake until apples are well done. The combination of these two fruits makes a delicious pie as well as something just a little different.

#### HAM APPLES

6 large apples  
1½ lbs. ham loaf uncooked  
Wash and core the apples, cutting the center hole just a little larger than usual. Place apples in baking dish, fill center of each apple with

### Danny Dean George Has Birthday Party

Danny Dean George was honored with a birthday party last Friday afternoon at the home of his parents, Mr. and Mrs. Jack George. Mrs. George was hostess for the event. Danny was five.

Games were played by the children. Cake and ice-cream were served.

Guests present included Dean, Terry and Kent Hill, Lynn Myers, Harley Joe Malone, Kirk Davis, Marlon and Gary Hart, Linda Jo Constant, James, Dana and Carey McLain, Shelly Bitner, Debbie Hansen, Beverly Hill, Brent Lemons, Danny and Sharla Carson and Randy Seipp.

ham loaf. Bake in moderate oven until well done.
