JOE TURNER WINS WEEKLY GRID CONTEST

Persistence paid off this week for Joe Turner, Olton High School principal.

Turner won the Enterprise football contest by a nose and will receive a \$15 check. The former OHS coach has been entering the contest regularly, but his win this week is the first time for him to place in the money.

Turner guessed correctly on 15 of the 18 games, but he had a real battle on his hands. So did eight others. But Joe was closest on the tie-breakers.

Second place, worth \$10, went to Dan Quigley and third prize, worth \$5, was won by A. A. Smith.

Contestants may enter the latest contest by picking up a copy of the Oct. 20 Enterprise, circling the winners and turning entries into one of the sponsoring merchants.

Harvest Coming To Life

OLTON-SPRINGLAKE EXES PLAY AGAIN

Springlake — The Springlake Exes and Olton Exes will meet in a return engagement Saturday at 8 p.m. in Wolverine Stadium.

Springlake will be seeking revenge for a 32-20 loss suffered at the hands of Olton Exes Oct. 8. Admission will be \$1.00 for adults and 50 cents for students. Proceeds will go to the building fund for the Wolverine Field House.

Earth and Springlake merchants are sponsoring a queen contest in connection with the ball game.

"The Seven Wonders"

KEY TO OLTON'S offensive strength this season has been this sharp-blocking line. They've been dubbed the "Seven Wonders, because they've managed to open holes against several heavier lines. Left to right are End Jimmy Lawson, 155-pound-

'Traffic Jam' At Gins Seen

The Olton area's cotton and grain harvests, given a break by the weatherman this week, showed signs of coming to life.

About 850 bales of cotton were ginned at the four local gins during the week, bringing the season's total to 2,503. The total is roughly 3,500 bales behind the pace last year and far behind the normal pace.

The grain harvest, which was almost complete by this time last year, is now at the halfway mark, one grain man reported.

Farmers and ginners alike wore smiles Thursday as warm weather and drying winds prevailed.

Earlier in the week, combines bogged down in grain fields and tractors were used to pull them as the harvest continued.

Evidence that the harvests were picking up was seen everywhere this week. Cotton pullers were in fields throughout the area.

Cooler weather was predicted for this weekend, but farm men held out hopes that it will be dry.

If good weather prevails, ginners anticipate one of the biggest "traffic jams" in the area's history as cotton starts rolling in.

The harvest of cotton is later this year than any other year old-timers can recall.

"It's going to be one big mad rush," said one ginmer.

Grades of cotton brought in since the rains seem to be holding up better than some expected. Most grades are strict low middling and middling light spot, worth about 29 cents a pound.

Before the rains, much of the cotton was strict middling, worth about three cents more.

"We'll still have a lot of middling cotton (31.51) and maybe better if we get some more good weather," said one ginmer.

Carnival Slated Halloween Night

Frightening fun for all ages is on tap at the annual Olton High School Halloween Carnival Monday at 7:30 p.m. in the high school building.

And, for the first time, OHS will crown a Halloween King and Queen.

All sorts of booths will be available to visitors. Spooks will run wild, probably unnerving many

contestants in various events planned for the night.

The hair-raising, fund-raising carnival is sponsored by the OHS Student Council, under the leadership of David Howton.

Senior students will have a booth called "Talent Show," while Juniors plan an up-to-date "Beatnik House."

The old-fashioned ball throw will be sponsored by the freshmen. Then, too, there'll be a fortune teller, sponsored by the Spanish Club.

A Pie Walk is planned by the Senior FHA, or if the visitor prefers cake, he can take part in the Cake Walk, sponsored by the FTA.

Side Shows are scheduled by the Science Club, while the Junior FHA will sponsor a Fishing Pond.

Candidates for Halloween King and Queen are Bobbie Campbell and Fred Riney, seniors; Nancy Bryant and James Lobaugh, juniors; Billie Beasley and Leo Hyman, sophomores; and Barbara Fancher and Gaines Stanley, freshmen.

Penny votes will be cast for the candidates Monday and the king and queen will be crowned at 9:30 Monday night.

OHS Honor Society Holds Installation

Induction and installation services of the Olton Chapter of the National Honor Society were conducted Tuesday. Mrs. Clyde Smith is sponsor.

Inducted into the society were nine juniors and seniors. They are Nancy Critchfield, Harvie Jordan, Geneva Curry, Sandra Cox, Janice Galloway, Joanna Lewis, Alice Bryant, Lana Hair and Donald Oursborn.

Installed as officers were Sharon Smith, president; Harvie Jordan, vice-president; Lonna May, secretary; Janice Galloway, treasurer and Nancy Critchfield, reporter.

Jim H. Capehart Dies; Last Rites Conducted Here

A longtime resident of Olton, Jim Harrison Capehart, died at 9:15 a.m. Tuesday at his home here after a heart attack. Capehart, 72, had lived and farmed in this area 34 years, until he and his wife moved into Olton about one and a half years ago.

Capehart was born Dec. 5, 1888, in Alabama.

Last rites were conducted Thursday afternoon at the Main Street Church of Christ with G. B. Stanley, minister of the church, and F. M. Manchester, Odessa, officiating.

Serving as pallbearers were Clyde Davis, O. B. LaFrance, I.D. Grimsley, R. L. Alkman, Lefty Hollingsworth and H. R. Keeter. Honorary pallbearers were Walter Rose, Earl Hysinger, Lem Roberson, D. M. Granbery, Raymond Cooper, Jack Edwards, Dick Thomas, L. D. Smith, Walter Malone, Bill Yates and Len Irvin.

Parsons Funeral Home was in charge of the arrangements and interment was in Olton Cemetery.

Capehart is survived by his wife; two sisters, Mrs. Jessie C. Lucker, Jacksonville, Fla.; and Mrs. Maida Alaj, Washington, D. C. He was preceded in death by two sons.

Ponies Host Lockney

Turnabout's fair play. And that's just the score Olton's Mustangs hope to settle with the Lockney Longhorns here Friday night in a District 2-AA football game.

Coach Walter Bryan's crew will go after revenge for an 8-6 whipping by Lockney last year.

Lockney has proven to be one of Olton's toughest foes year in and year out. Two years ago, the Mustangs won an 18-14 squeaker here.

Defensive drills occupied most of the Mustangs' time this week as they prepped for the Longhorns.

The Longhorns have shown they can score: Lockney 26, Tulia 6; Lockney 20, Hale Center 0; Lockney 24, Slaton 6; Lockney 14, Floydada 20; Lockney 8, Ralls 8; Lockney 6, Dimmitt 22.

Something happened last Friday night that has area grid fans guessing: Abernathy 34, Lockney, 6.

Either Lockney was below par or Abernathy, Olton's foe Nov. 4, has risen up like a sleeping giant. Most observers believe it was a little of both.

After the Abernathy humiliation, Coach R. L. Rhoten's Longhorns should be fighting mad. Olton could catch the Horns on a strong rebound.

Lockney's line weight average is 169 pounds per man. Olton's line averages 165.

Given that similarity, Coach Bryan figures his Mustangs will

be able to move the ball against the Longhorns. But with the concentration on defense, he apparently figures Lockney may be able to move too well.

Olton's ground attack has been the reason for the team's unbeaten slate this year, and backbone of the attack is the "Seven Wonders" line, which has only one heavyweight, 200-pound tackle Ken Hooper. Hooper's size beefs the average up to 165.

"They've been our bread and butter all year," says Coach Bryan, a back in his college and pro football days. "Our backs have been able to go, but it's up to those boys up front whether we move the ball or not."

The Lockney club is similar in experience to Olton's. Of 13 lettermen who returned to action this fall, seven were seniors.

All the starting backs are returning lettermen. Quarterback is Johnny Belt. Other backs are

Fred Gant, Bill Mangold and Joe Allard.

Belt has been a slick ball-handler and sharp passer all season. He, Gant and Mangold have done most of the Horns' scoring.

Annual Meeting Of C-CA Members To Be Scheduled

Directors of the Olton Chamber of Commerce and Agriculture will meet Tuesday at 6:30 a.m. at the annual meeting of the membership.

The board also is expected to schedule the C-CA's annual banquet.

At the annual membership meeting, which probably will be held in mid-November, C-CA members will elect six new directors—three farmers and three businessmen.

Nominees for the posts are Louis Botkin, Dr. Basil Johns, Bill Turner, Glenn Singletary and Allan Johnston, businessmen; and Frank Struve, Roy Roberts, James Cowart, Hubert Waldrop, Elmer McGill and Dick Cade, farmers.

Second Annual Weaning Pig Sale Slated Saturday At FFA Show Barn

Olton's second annual weaning pig sale will be staged Saturday at 12:30 p.m. at the FFA Show Barn.

Approximately 200 head of barrows of all major breeds will be auctioned at the sale. In addition, a few weaning-age boars and gilts will be sold.

Grand champion barrows at Hereford and Muleshoe were sold here last October and barrow winnings in the spring of this year point to the quality of pigs which will be on sale Saturday. Pigs on sale were farrowed in August.

Among barrow winnings in the spring of 1960 were: reserve grand champion junior Duroc barrow at San Antonio, grand champion bar-

row of Lamb County Fat Stock Show, champion Duroc and Chester White barrows at San Antonio, reserve grand champion barrow at the Houston Fat Stock Show, champion and reserve champion Duroc barrows at Amarillo, and reserve champion Berkshire at Plainview and Lubbock.

Funeral Services Are Conducted For H. J. Gabehart

Henry Jackson Gabehart, 82, a resident of Olton the past 13 years, died at 7:15 a.m. Tuesday at West Texas Hospital in Lubbock. He had been hospitalized there the past six weeks.

Gabehart moved to this area in 1948 from Binger, Okla. He was a retired farmer.

Final services were held Thursday afternoon at the First Methodist Church with the Rev. W. F. Gaede officiating. He was assisted by the Rev. Paul Burch, Lubbock, pastor of Hopewell Baptist Church.

Pallbearers were Vance Estes, J. A. Welch, Archie May, J. A. Stiles, John Moses and Drexel Lawson.

Interment was in Olton Cemetery with Parsons Funeral Home in charge of the arrangements.

Survivors include his wife, three son, Fred, Binger, Okla.; Raymond and Albert, both of Olton; two daughters, Mrs. Mabel O'Brien, Anadarko, Okla.; Mrs. Helen Reed, Amarillo; eight grandchildren and seven great-grandchildren.

Olton Farmers Union Will Select Officers

Olton Farmer's Union will meet Wednesday, Nov. 4, at the American Legion Hut to select officers for the coming year. Time for the meeting is 7:30 p.m.

E. G. Clark is out-going president and A. E. Cade is outgoing secretary-treasurer.

Junior High Grid Queen

JAN GEORGE, daughter of Mr. and Mrs. Leon George, has been selected as junior high school football queen by the eighth grade football team. She was escorted by Leon Kendall, son of Mr. and Mrs. Sam Kendall. The queen was crowned Tuesday at a junior high school pep rally. Other candidates and their escorts included Pam Hair and Darrell Glover, Coye McGill and Eddie Smith, Cherry Langford and Richard Hall, Oleta Smith and Dennis Givens.

Paving Project Plans, Specs Up For Approval

Plans and specifications for Olton's paving program will be up for approval at a special meeting of the city council here Monday at 7:30 p.m.

The council met in special session Tuesday night and approved an ordinance listing blocks where paving will be sought. Hopes are that approximately 80 blocks will be paved.

When plans for the project are approved, the council will call for paving bids. Once a bid is accepted by the city, exact costs to the property owner, per front foot, can be figured.

Plans for the paving project have been drawn by Bill McMorries, city engineer.

Voters approved the paving program in an \$80,000 bond election here Sept. 17.

Timetable for the program calls for it to move into construction stages next February.

The city will bear approximately 20 per cent of the costs of the paving project.

Drive For CROP Set Sunday Night

Young people of the various churches in Olton will knock on doors here Sunday night to collect money for the annual CROP "Trick-or-Treat" program. The program was established to aid the needy overseas.

The youth will meet at the First Methodist Church at 8:30 p.m. They may be identified by the milk cartons which they will be carrying and also by appropriate CROP stickers. Also, they will hand to a person at each home they visit a card for further identification.

Traveling Science Teacher Program To Begin Friday

Olton High School has been granted the services of the Oklahoma State University Traveling Science Teacher Program. Wendall Spreadbury, demonstration-lecturer, is scheduled to present the program in the school and community Friday and Monday through Wednesday.

Spreadbury will present a variety of science and mathematics topics to the students and civic organizations at no cost to the school. The program is supported by the National Science Foundation and operates over a 10-state area.

While receiving intensive training at Oklahoma State University, Spreadbury made much of the demonstration equipment which will be used with the lectures.

All teachers, students, school patrons and residents of Olton are encouraged to participate by attending the lectures whenever possible. Here is the schedule:

TANE Officials To Speak Sunday At Baptist, Methodist Churches

The Rev. Raburn R. Holton, minister of the gospel and administrative Associate of Texas Alcohol-Narcotic Education, Inc., will speak at the First Baptist Church here Sunday at 11 a.m.

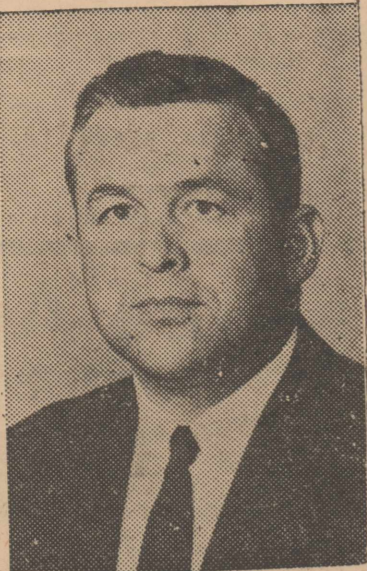

A native of Ennis, Texas, Rev. Holton served three years in the United States Air Corps. After several years in the business world, he was called to the ministry and graduated from Wayland College at Plainview. He took his graduate work at Southwestern Theological Seminary in Fort Worth. He has studied at the Institute of Scientific Studies for the Prevention of Alcoholism at Loma Linda, California and at Louisville, Kentucky.

TANE carries on from the home office in Dallas a year-round statewide program of alerting, educating and organizing individuals and groups for Christian abstinence and effective action against the liquor and narcotics traffic. With the cooperation of 19 Christian denominations, TANE works mainly through churches, schools, local option movements and the State Legislature.

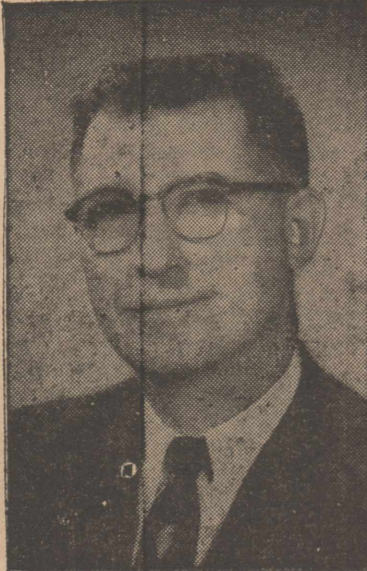

All are welcome to attend the service, according to the pastor of the host church, the Rev. John E. Lewis.

VISIT STATE FAIR

In Dallas recently for the State Fair were Mr. and Mrs. O. B. LaFrance.

REV. RABURN R. HOLTON

DR. ALBERT TUCKER

Dr. Albert F. Tucker, executive secretary of Texas Alcohol-Narcotic Education, Inc. will speak at the First Methodist Church here Sunday at 10:55 a.m.

After serving pastorates in Texas and New Mexico for 21 years, Dr. Tucker became the first President of the New Mexico Temperance League. Later he assumed his present position as the Executive Head of TANE.

The speaker holds certificates of special training from the University of Denver, Yale University, and the Institute of Scientific Studies for Prevention of Alcoholism, at Loma Linda, California.

The TANE organization from its headquarters in Dallas directs a statewide program which seeks to alert, inform, and organize groups for Christian abstinence and effective action against liquor and narcotic traffic. A staff of fulltime workers present the program through Texas schools and colleges. During 1966, TANE speakers presented their message in 2,684 churches. At Austin an office is maintained under the direction of Rev. O. F. Dingler, to represent the temperance cause at the State Legislature and give aid and counsel to precinct and county groups in local option movements.

All who are interested in the temperance cause are welcome to attend the service, according to the pastor of the host church Rev. Wilbur F. Gaede.

LETTERS to the EDITOR

Dear Editor:

In listening to the many reasons why we should vote for Mr. Kennedy or for Mr. Nixon and reading the newspapers and various articles on the subject I think the individual needs to stop and clear a few things for himself. I have been told so many times that "God gave me a brain so use it".

So many people will not vote for Mr. Kennedy because they say he and his advisors lean too much to Socialism or the welfare state and centralized government. Both party platforms offer about the same thing on these issues. In promising Federal Aid to schools, Mr. Kennedy says the money will be appropriated to the States to be used where it is needed, either for school construction or for teachers salaries. You will notice the word, needed. Is there any law that says we have to accept the money if we do not need it? Some people will say the standards will be set by the government and if we do not accept the money we make our own standards. Mr. Nixon would probably say that was muddled thinking. To me it is just common sense. Mr. Nixon has not made it clear to me how he is going to offer Federal Aid but Federal is Federal Aid no matter how it is offered. Mr. Kennedy says he is NOT in favor of Federal aid to Parochial Schools. Mr. Lodge says he IS in favor of Federal Aid to Parochial Schools.

Parochial schools are grammar schools. It is a name used for a school conducted and supervised by a religious group. We usually think of it as a Catholic School, but there are many Parochial schools that are not Catholic. Some will say if one school gets Federal Aid they all should have it.

In this country our Constitution provides for religious freedom. If a religious group feels they want to provide Parochial schools that is their right but because we do not all belong to the same religious group we must have public schools and private schools.

This is one method of keeping church and state separated. The method of tax supported schools is considered fair since all persons benefit from education from all others. My information tells me no other country has so large a proportion of its young people in proportion of our youth in schools than any other country in the world does not mean we have all our youth in schools and as Mr. Kennedy says we must move forward to using all the talent we have available.

I will continue to support Mr. Kennedy because he presents a platform to me that I can accept. Mr. Roosevelt told us we had nothing to fear except fear itself. The United States is not founded on fear but on courage. We have faced the facts that we know we must make a change regardless of which man is elected.

TRI-COUNTY CO-OP GIN

WE WOULD LIKE TO STRAIGHTEN OUT SOME COFFEE SHOP
RUMORS—

1. That Tri-County Co-Op is not a true Co-Op.
Answer—Tri-County Co-Op is a true Co-Op with a state charter exactly the same as all co-op gins in this area.
2. That Tri-County Co-Op will never pay a dividend.
Answer—Tri-County Co-Op Gin paid a dividend of \$1.00 per bale last year, and due to a bad year, we only ginned 2,500 bales. We guarantee that this year we will pay a minimum of \$1.00 per bale, regardless of how many bales we gin. If we gin 3,000 bales, we will pay a cash refund of \$1.50 per bale, 4,000 will be \$2.00 per bale, etc. 50c cash refund will be paid for every thousand bales ginned. This is in addition to your regular equities in the gin profits and dividends from the Plains Co-Op Mill at Lubbock, which last year issued stock dividends which amounted to approximately \$3.00 per bale. This gin is able to do this because it is financed by an individual and not the Houston Bank of Cooperatives.

Olton Record Still Unblemished

yards to the Morton 40 and then Buchenau and Priest alternated on carries that moved up seven at the 14. Miller picked up seven at that point and the Ponies had the ball with first down at the seven.

The Mustangs needed only one play, however, as Priest ran all the way for the touchdown. Schenck ran the extra points and it was 30-8, Olton, with six seconds left in the third quarter.

Morton came tromping right back as Halfback Glenn Kuehler returned the kick-off 52 yards to the Olton 28 before he was stopped by the Mustangs' Burrus.

Johnny Vanderventer sparked the Indians' drive, gaining 15 yards in three carries. After Kuehler carried to the 5 for a new first down, Vanderventer gained four. From the one, Vanderventer

got the Indians' second touchdown. Middleton passed to Morrison for the extra points and the Olton lead was cut to 30-16. DeBerry rolled out on a quarterback keeper and raced to the 13 and the Ponies were in business, or so it seemed. Two plays later they fumbled and Morton recovered at the nine.

Three pass tries by Middleton went incomplete, but on fourth down, Middleton passed to Zuber and the Morton fullback went way for the touchdown. A running try for the points failed and it was 30-22, Olton.

Morton's onside-kick-off try was hauled in by the Mustangs' Brown at the Indian 47.

With the "Stormtroopers" back in the game, Priest gained eight on his first try, then picked up 16 to the Morton 23. It was Buchenau's turn and the Mustang back hit off tackle and raced all the way for the touchdown. Schenck's pass to Miller for the extra points was good and Olton led by 33-22.

IN TEXAS YOU PAY 90¢ TAX ON TEN GALLONS OF GASOLINE!

HOW DID YOU VOTE?

No matter how you voted, these facts on gasoline taxes are important to you:

- Everywhere in Texas, car owners pay 90¢ tax on every 10 gallons of gasoline they buy!
- Gasoline taxes across the nation amount to a 50% sales tax—and that's five times as high as the tax rate on luxuries like diamonds and mink coats!
- Since World War II, there have been three increases in the Federal gasoline tax alone. This brought the Federal tax to 4 cents a gallon, in addition to the State tax of 5 cents a gallon!
- In the last ten years gasoline taxes have skyrocketed 51%—yet the price of gasoline itself has risen only 5.5% during the same period!
- Each year the average motor vehicle owner in this state pays \$78 for gasoline taxes alone. That's just a few dollars less than the average week's pay for most people!

HIGHWAYS AND GASOLINE TAXES

Your gasoline retailer, naturally, favors construction of the roads that the motoring public needs. He believes in fair and reasonable taxation for this purpose but feels that taxes on gasoline have now reached unreasonably high levels. He also believes that all special taxes on the motorist should be used only for highway purposes. Yet last year, out of every automobile tax dollar collected by the Federal Government from highway users, more than 40 cents went for non-highway purposes. If these automotive tax revenues were dedicated for highway purposes, there would be no need for the latest increase in the federal gasoline tax.

The Gasoline You Buy Is Taxed Too HIGH!

Mustangs Scalp Indians 38-22

Olton's Mustangs racked up their second straight win of the District 2-AA campaign and their seventh consecutive victory of the year last Friday night at Morton, 38-22.

Led by line-busting fullback Robert Priest, the Mustangs rolled to a 30-8 lead after three periods and coasted in for the victory.

Priest got two touchdowns, Randy Buchanan got another pair and Gary DeBerry picked up the other Olton score.

Morton, led by the sharp passing

of Quarterback Steve Middleton, scored twice in the fourth period to bring the count up to 30-22.

The tallies came against an Olton line-up made up mostly of freshmen and sophomores. With the score getting a little too close for comfort, Coach Walter Bryan sent in his "Stormtroopers", as one Morton press box wit tabbed them.

The "troopers" got a touchdown in three plays to put the game out of Morton's reach.

For the night, Olton chalked up

449 net yards rushing, with Priest getting 192 of that on 26 carries. Buchanan added 100 yards on 11 tries. Frankie Miller got 46 yards on 10 carries and Charlie Burrus picked up another 41 on six tries.

Morton relied mainly on Middleton's passing. The slender quarterback threw 24 times and connected on 13 tosses for 180 yards.

The Mustangs appeared to be on their way to a touchdown as they drove with the ball after the opening kick-off.

Taking over at the 20, the Mus-

tangs used a nifty 17-yard run by Buchanan to put the ball in play at the Olton 46. Then, with Buchanan, Priest, Miller and Johnny Schenk alternating, the Olton 11 moved to the Morton 14.

On a third down try, the Mustangs fumbled and Morton's Mike Holland landed on the ball at the 10, spoiling the Olton drive.

After Morton failed to gain, Middleton punted to the Morton 43.

From there, the Mustangs drove to a touchdown in six plays. Priest carried the first three plays, gaining 2, 11 and 6. Then Buchanan added 6 more yards and Priest got 4 more to the 14.

Schenk then called the option play, wheeling out toward the right side. The Pony quarterback met with opposition just inside the 10 and he lateraled to Buchanan. Randle sailed into the end zone untouched.

Priest kicked the extra point and Olton led, 7-0, with 1:57 remaining in the first period.

After the kick-off, Middleton uncorked a pass play to End Bob Pyburn that covered 17 yards to the Indian 46. Then Wilburn Zuber came up with an 18-yard run to the Olton 36. Olton stopped the march at the 27 when Middleton's fourth down pass completion to Pyburn lacked a yard getting a first down.

Olton charged right back down the field for a touchdown, the drive covering the 73 yards in 10 plays.

Priest carried the ball two straight times for a total of 27 yards and a first down at the Morton 46.

Miller gained one, Schenk picked eight more and then Priest, came up with a five-yard pickup that gave the Mustangs a new series at the 32.

After Priest gained seven to the 25, Buchanan ran for five and a first down at the 20. Priest took over again and made six and then Schenk got a yard to the 13. Priest hit the middle for the touchdown on the next play.

Buchanan kicked the extra point and Olton led by 14-0.

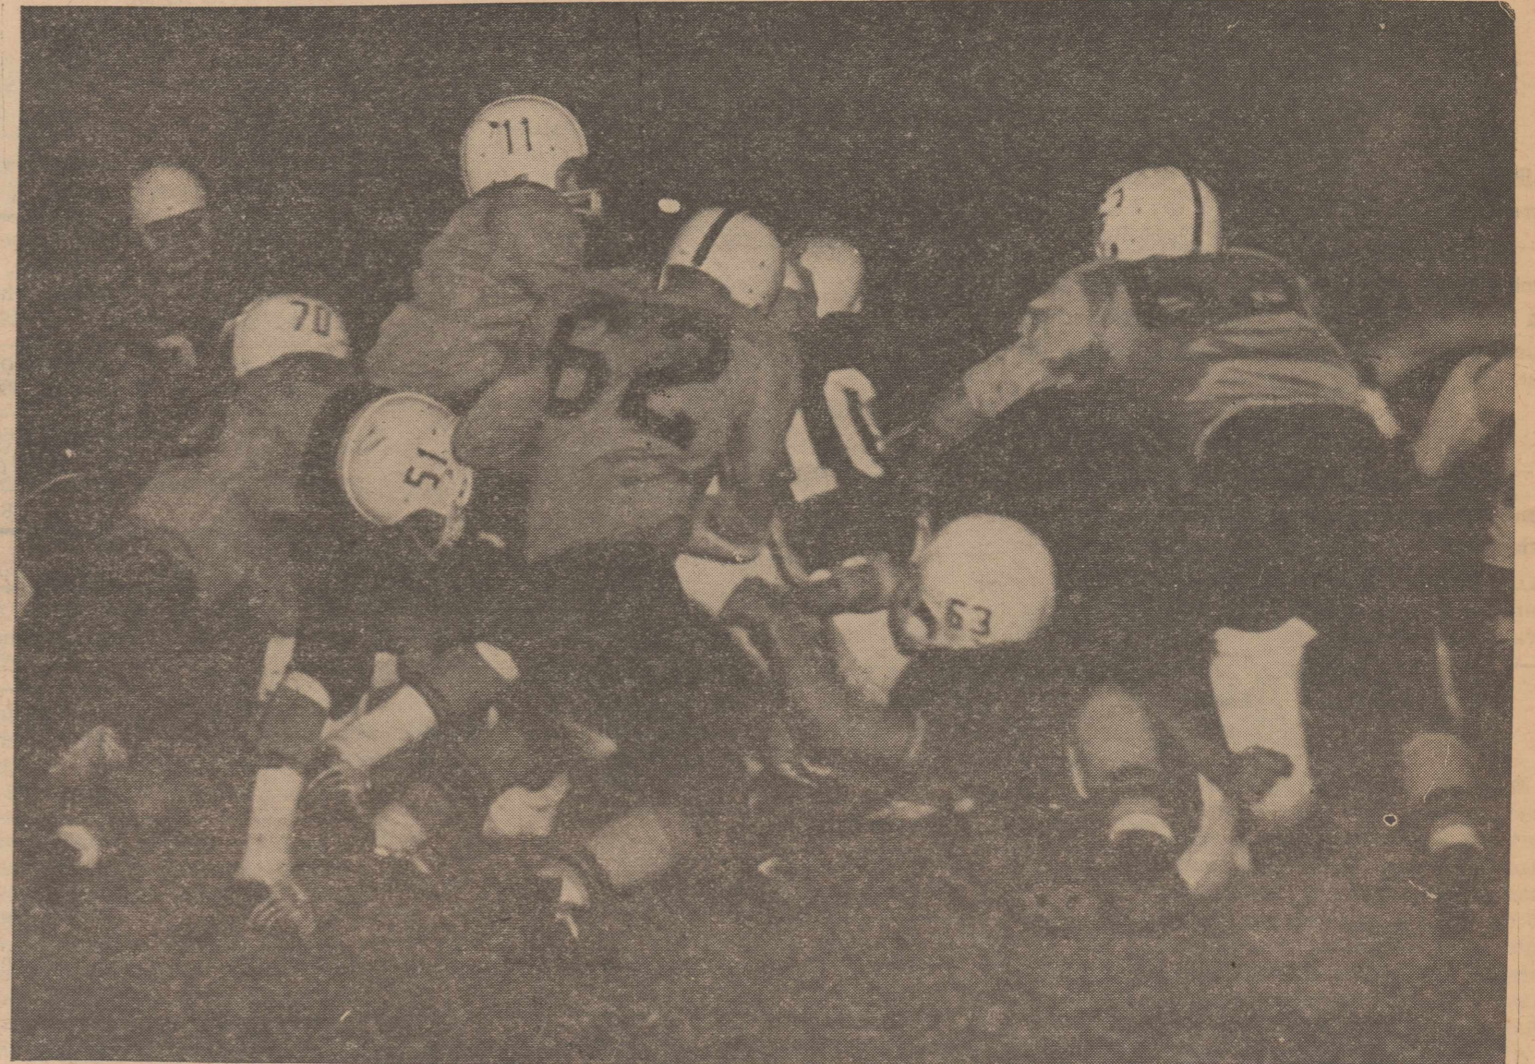

On the kick-off, Buchanan's boot sailed into the leg of a Morton lineman, bounced off and Olton recovered at the 50.

With the second unit operating and DeBerry at the controls, the Mustangs moved to a touchdown in 10 plays, despite a 5-yard penalty.

Burrus sparked the drive with a 17-yard gainer to the Morton 38.

George Jones picked up a new first down at the Morton 25 with a nifty eight-yard run. Then Burrus made three, Miller got four and Burrus ran for a new first down at the 14.

Miller hit for nine yards to the five, then picked up a first down at the four. The slender halfback

Goal Line Action

GARY DEBERRY, Olton's second unit quarterback (10), pushed through this maze of humanity for the Mustangs' third touchdown last Friday night at Morton. Center Robert Duncan

(51) and Guard Harold Feathergill (63) led the way for DeBerry, who scored from one yard out.

gained three more to the one and then DeBerry carried it over for the touchdown. Jones ran the extra point to put Olton out front by 22-0 with 2:39 left in the half.

Morton came right back with a touchdown drive. After the kick-off, Middleton got away on a 21-yard run to the mid-field stripe.

Then the Morton quarterback connected on a 12-yard pass play to Pyburn. Working from the Olton 38, Zuber ran 11 yards to give the Indians a new first down at the 27.

After Zuber picked up three more, Middleton hit End Tommy Morrison with a 14-yard pass and the Indians set up shop on the Olton 10, with less than 10 sec-

onds remaining in the half. Lester Dupler, a 137-pound half-back, ran for a touchdown as time ran out. Middleton passed to Zuber for the extra points and the Indians were behind by 22-8.

Morton took the second half kick-off and drove 79 yards to the Olton 10 before the Ponies stopped the advance. Middleton hit on four yard - eating passes during the drive. The key play for Olton came when Bobby Brown dropped Middleton for a five-yard loss on a third-down try at the 10. Middleton's fourth down pass try went incomplete and the Ponies took over.

The Mustangs drove out to their own 44, but a 15-yard pen-

alty stopped the move. Buchanan and on second down, Middleton got off a beautiful 65-yard punt on fourth down, the ball rolling dead at the Olton 30. Schenk returned it to the 44.

Morton didn't like the situation. On first down, Priest raced 16

NOW FOR '61 2 TOTALLY DIFFERENT TYPES OF CHEVY TRUCKS!

1. REAR-ENGINE CORVAIR 95's—THE TRUCKS THAT BEGAN WITH 4 WHEELS AND A FRESH IDEA!
 Here are high-capacity haulers that offer the most accessible load space you ever saw. Think of up to 1,900 pounds of whatever you haul riding on a highly maneuverable 95-inch wheelbase. This design's a beauty. Features 4-wheel independent suspension, integral body-frame build, thrifty air-cooled rear engine—all kinds of fresh new ideas about truck efficiency and economy.

2. TORSION-SPRING CHEVROLETS—WORTH MORE BECAUSE THEY WORK MORE!
 You actually feel the advantages of independent front suspension in the almost total absence of I-beam shimmy and wheel fight. The driver rides easy, the load's better protected, tires take less abuse, the whole truck is subjected to far less damaging road shock and vibration. Efficiency goes up. Profits follow. Look over the whole line—both types of Chevy trucks.

Missionaries To Brazil To Speak At Baptist Church Sunday Night

Mr. and Mrs. J. A. Lunsford, who have devoted the past 31 years to religious work in Brazil, will be guest speakers at the First Baptist Church Sunday, at 7:30 p.m.

The couple's past 11 years have been spent in Belo Horizonte in South Brazil where he is executive secretary of the State of Minas and pastor of a Baptist Church. Mrs. Lunsford works primarily with a church clinic for mothers and babies.

Previously the Lunsfords had been 20 years in North Brazil. Every five years they return for a year's furlough in the United States.

Their son, James Alan, is a student in Wayland College and their daughter, Mrs. Jane Tidwell, and two children reside in Klondike, Texas. The Lunsfords also have adopted a 6-year-old Brazilian girl.

In addition to speaking at the church service, the Lunsfords will show slides to the adult, intermediate and young people's training department Sunday night at 6:30.

Olton First Baptists To Attend Church's General Convention

Members of Olton First Baptist Church will be among the 7,500 persons from virtually every city in the state expected to attend the 75th anniversary meeting of the Baptist General Convention of Texas Monday, Oct. 31 to Wednesday, Nov. 2.

Messengers from the state's 3,887 Baptist Churches will meet to conduct the business of the 1 1/2 million-member convention, hear inspirational messages by some of the nation's leading Baptists and honor outstanding leaders in the state.

A record world missions Cooperative Program budget will be considered during the annual business session. Other business will include the election of convention officers and 225 trustees and directors for 25 Baptist institutions, adoption of resolutions and reports of institutions and agencies.

Theme for the convention, "Found Faithful", will be carried out with dramatic presentations each session.

Patrol Covers 9 Rural Mishaps In September

The Highway Patrol investigated nine rural accidents in Lamb County during the month of September, according to Sergeant D. S. Lawson, patrol supervisor of this area.

These wrecks have accounted for eight persons injured, and a property damage of \$9,045.

This brings the total for the year in this county to five persons killed, 42 injured and a property damage of \$47,066.

"Darkness hides danger," Sgt. Lawson said. That is the reason traffic accidents increase during October's shorter days and longer nights. At sundown, long shadows and fading light make it increasingly difficult for drivers to spot traffic hazards and stop in time. Make it a habit to turn on your driving lights at the first hint of dusk and always use them properly.

With winter approaching, it is important that all owners of automobiles have their cars safety inspected at one of the approved inspection stations to determine that all parts are in top condition," the sergeant stated.

Lamb County ASC Selected As Top Office On Plains

Efficient functioning of a government agency has brought outstanding honor to Lamb County and West Texas.

The Lamb County Agricultural Stabilization and Conservation Service, of which Lamar D. Aten Jr. is manager, has been selected "as the ASC county office most outstanding in effective and efficient operation of agricultural stabilization and conservation programs" in a 16-county group covering a wide area of West Texas.

In earning the much sought award Lamb County was in competition on with the following counties:

Bailey, Briscoe, Castro, Cochran, Crosby, Floyd, Garza, Hale, Hockley, Lynn, Lubbock, Parmer, Swisher, Terry and Yoakum.

The high standing of the Lamb County Office is further exemplified in the fact that it is "one of the first five counties in Texas in work load".

The achievement of the Lamb County office was observed with a dinner in Littlefield at which Dale Carter of Plainview, head of the 16-county district, was guest of honor and principal speaker.

The Lamb County office was nominated for the award by Carter and approval of the suggestion came through G. F. Osborn, State administrative officer, with headquarters at College Station.

Cotton Bowl Tickets Can Be Acquired By Mail

Ticket applications for the 1961 Cotton Bowl Football Classic on Jan. 2 will be accepted by mail only during the period between now and Wednesday, Nov. 2.

The Cotton Bowl Classic is the official Southwest Conference postseason bowl game, and the conference champion automatically becomes the host team. This will be the 25th annual Cotton Bowl game, the Silver Anniversary of the famous gridiron classic.

There will be no limit on the number of tickets that can be ordered. As usual, after all applications have been received, a drawing will be conducted to determine the allocation of the 25,000 available tickets. Tickets will be mailed and unfilled applications and checks will be returned to the senders shortly after Dec. 1.

The price of tickets for the 1961 Cotton Bowl Classic is \$5.50 each, and a 25-cent mailing fee should be added to each ticket order. Checks or money orders must accompany all applications.

Applications should be mailed to arrive during the period specified, now to November 2, to Cotton Bowl Athletic Association, P.O. Box 7185, Inwood Station, Dallas 9. Envelopes must be postmarked not later than midnight, November 2.

Weekly Bible Survey Continues At Hart

An average of 85 has attended the weekly Bible Survey of the Hart First Baptist Church each Wednesday night at 7:30, the Rev. Deniz Leonard, pastor, announced this week.

The public is invited to attend the meetings each week, the pastor said.

At a recent meeting of men of the church, plans were made for evangelistic services for men and boys to be held Nov. 28.

The group voted to have the Brotherhood - sponsored revival next April. Roy Wilburn brought the sermon at the recent meeting.

LONGHORNS VIE WITH HAPPY IN 2-B GAME

Hart's Longhorns, fresh from an open date last Friday night, journey to Happy Friday night for a District 2-B encounter.

The Longhorns got into the contest with a 3-3-1 season record and a 1-0-0 mark in district play.

Happy downed Bovina last week, 20-12. The Longhorns won over Bovina the previous week, 20-6.

Friday night's contest, with Happy enjoying a home field advantage, is rated a toss-up.

Freshmen Elect Halloween King, Queen Candidates

Candidates for Halloween queen and king of Hart High School were selected by the freshman class at a recent meeting. Betty Gaylon is the candidate for queen and candidate for king is David Irons.

Money raising projects for the Halloween Carnival were discussed.

Dennis McLain heads the freshman class as president and James Mitchell is vice-president. Other officers are Treva Pigg, secretary-treasurer and Konnie Bowden, reporter. John Blocker is class sponsor.

Class favorites also have been selected. They are Betty Gaylon and Billy Joe Farris.

District Junior High Champs

HERE ARE Hart's Shorthorns, who last week won the district junior high championship by defeating Vega. The championship was the first in the history of the school.

Hart Junior High Gridders Capture First District Crown For School

Hart's Shorthorns captured the first district championship in the history of the junior high school last week by whipping Vega, 22-16. Hart took a 14-0 lead in the first quarter. Cruz Chapp went 22 yards for the first touchdown and Gene Gobble ran 15 yards for the

second. Harvey Sullivan ran 40 yards for an apparent touchdown for Hart in the first period, but the play was nullified by a penalty.

Chapp went 80 yards for a touchdown in the third quarter to get Hart a 22-0 lead. Vega scored twice in the final period.

Hart WMS Study, Luncheon Are Held

The Women's Missionary Society met last Thursday for a study and luncheon at Hart Baptist Church. The prayer chairman opened the meeting with the reading of the prayer calendar and led in the prayer. A devotional entitled "Duty" was given by the president.

Mrs. Glen Sutton of Angleton gave a study about the Woman's Missionary Society Manual. She was presented with gifts on behalf of the members.

Members attending were Mrs. George Henderson, Mrs. Howard Mitchell, Mrs. O. C. Kittrell, Mrs. Claude Ray, Mrs. Roy Wilburn and Eric. Special guests were Mrs. Sutton and her children, Martha and Marcia.

Olton, Hart Schools Will Take Part In Plains American Heritage Series

Olton and Hart are among 11 area public schools who will participate in the Plains American Heritage Program sponsored by Wayland Baptist College's American Studies Division under the direction of Dr. Edward McMillan. Others are Plainview, Hale Center, Cotton Center, Abertamy, Petersburg, Dimmitt, Kress, Lockney and Tullia.

To launch the program some 60 school administrators attended the kick-off dinner at Estacado Junior High School, Plainview, Oct. 18 at which Dr. Charles F. Mathews, Plainview superintendent, and Mrs. Eleanor Griffin, Cotton Center teacher, spoke on the benefits derived last year from the pilot program.

Both speakers commended Wayland highly for projecting this program to awaken interest in the American Heritage on the part of school children.

On Nov. 7 at a dinner meeting at McGrath's in Plainview, the newly appointed steering committee of 11, with 15 alternates, will set up criteria for the poster and

essay contests which will again be conducted and decide on other types of participation which may be desirable, according to Dr. McMillan. Plans will be completed for a meeting of some 100 teachers of the area in late November.

Acceptances of the appointments to the steering committee have been received from: Mrs. Polly Gilbert, Ray Murphy, Lockney; Mr. and Mrs. S. T. Newman, Miss Bernice Littlepage, Dimmitt; Willis Hedges, C. L. Curry, Olton; Leroy Roberts, Walter Edwards, Tullia; Tella Walker, C. W. Pittman, Abertamy; Bill McDowell, James Bentley, Kress; James Langford, Wayne Bannister, W. G. Akin, Hale Center; Mrs. Eleanor Griffin, Cotton Center; I. L. Whitfield, James Bottorff, Mrs. A. B. Cox, Plainview. Other appointments will be made including those from Hart and Petersburg.

Dr. McMillan also announced that visual aids such as flannelboard presentation on Communist brainwashing, films on Communism, Socialism and Capitalism are available for use by schools. Wayland is also making available a 10 to 20 minute book review of J. Edgar Hoover's "Masters of Deceit", which discusses Communism in America and a short presentation with posters of "America's Free Enterprise System."

Others who attended the kick-off dinner include: Noel Johnson, Howard Humphrey, G. B. Adkisson Jr., Abertamy; Mrs. Avis Smith, Dyer, Roy Lowe, Dimmitt; Willie Crossland, H. B. Byerley, Hale Center; M. M. Hastings, Wayne Webb, Johnny Mason, Mrs. A. E. Johnson, Kress; Troy Lemley, R. L. Rhoten, Bobby Davis, Mr. and Mrs. Henry Ford Jr., Mr. and Mrs. George Arthur, C. H. Cheaves, Lockney; Jeff Smart, Walter Bryan, Mrs. Larry Witten, Mrs. Jewell Campbell, Elmer Moore, Olton; Gordon Gatewood, E. N. Howell, J. C. Lusk, Frank Khut, Tullia.

And from Plainview: Mrs. O. M. Ellison, Mrs. Genevieve Stinnett, Andy Gardenhire, Mrs. Roscoe

Former Hart Baptist Pastor Writes Of Work As Missionary In Mexico

EDITOR'S NOTE—The Rev. and Mrs. Dale West, missionaries in Guadalajara, Mexico, recently mailed the following diary to Hart, where he formerly was pastor of the Baptist Church. It offers a sample of some of the Rev. West's work in Mexico.

Dear Friends:

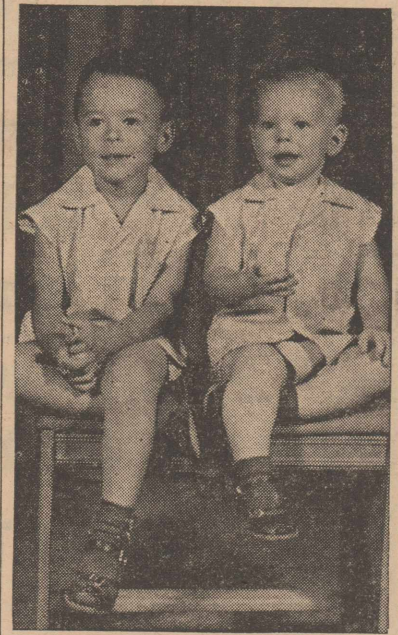

Since my last letter in the form of a diary was so well received, I thought I would write another exactly one year later.

Friday evening — I am at the present time in Santa Maria del Oro waiting for some horses to go to the Huichol Indian country. Bro. Roman Diez, our missionary from Calvary Baptist Church in Guadalajara, has 8 Indians ready to be baptized and four of us are going from here for the service. We came this far by car but from here on it will be by horseback as there are no roads.

Saturday night — This finds us on the bank of the Santiago River. As we could not secure horses yesterday we spent the night in Tepic. We spent several hours this morning trying to get horses for the trip and almost never found horses for evangelical missionaries. We had to be satisfied with three horses for five of us counting the son of Roman Diez who met us to guide us to his village. So we took turns walking and riding. We ran out of water (because of so many coffee drinkers) and are now boiling water from the muddy river for tomorrow. Bro. Roman Diez will meet us here for the service tomorrow morning and then we will go to his village tomorrow afternoon. We had a good swim in the river and brought the canoe to this side as we will need it tomorrow to carry the saddles and cargo across as the horses will have to swim. It promises to be

a good night for sleeping on the sand with mosquitos and fleas by the millions!

Sunday night — We had a good night last night except the sand was hard sleeping and it got cold without cover. This morning after a refreshing swim in the river, we had a wonderful breakfast of sardines and onions. At 9:00 o'clock the Indians came and we had a

service on the banks of the river and then baptized 8 Huichol Indians. I say you, for I baptized one of the women (my first in Mexico) and it was a real blessing. Then we loaded our horses and started on the 4 hour trip up the mountain (nearly straight up) where the Indians live. My heart ached as I realized that those people had come 7 or 8 hours by foot for this service, some with small children and one woman about 7 months pregnant. I pray that the Lord will help us to be willing to spend and be spent for Him. I am writing this as I lay on a patati (a straw mat that serves as a bed) that belongs to Bro. Joe Grimes, a Wycliffe Translator. I am in El Mango, the village of Bro. Roman Diez. After arriving at 4:00 o'clock, we were fed a meal fit for a king—boiled chicken, beans, sweet tamales, onions, tomatoes, chiles, tortillas and for desert, baked pumpkin. Then we went immediately to the thatched temple for a service. There were 65 people present — all but 4 or 5 of the whole village. All but a very few in the village have accepted the Lord and they have services every day. We plan to spend the day here tomorrow resting the horses (and ourselves) before the trip home. Time to turn in.

Monday afternoon — As I have spent some 20 hours in El Mango, I have had some impressions I would like to share with you. Bro. Roman Diez is Moses in this village and what he says goes. The people seem very happy and eat a lot of their meals together. They have their own homes (straw shacks) and belongings but their is a spirit of oneness that blesses

your heart. Their living conditions are a little better than terrible as they still live like their ancestors hundreds of years ago. The buildings, the clothes, the food, the way they farm, in fact everything except a few buckets and plates that have been brought in from the outside world give you the impression that you are in the 18th century. Just 10 years ago there were no Huichol Christians, not one book of the Bible in Huichol. In fact, there was no written language and now they have nearly all the Bible and among 7000 Huichols there are some 35 to 40 Christians.

Monday night — Praise the Lord for His mercy and grace for saving two young Indian men in the service this afternoon and for letting us be here to witness it. But it makes your heart heavy to realize that there are still so many who have not heard of the Lord Jesus. Even with the Bible in their language there remains the gigantic task of teaching them to read and write, and preaching the Gospel to the scattered villages all over the mountains. Pray for laborers in the vineyard. The trip home tomorrow nears and we will have to get up early so will sign off til I get home.

Tuesday night — Arrived about 10 o'clock after a rugged trip of 10 hours walking and riding horseback down the mountain. Then the trip from Tepic home proved eventful as we hit a bull going about 45 miles an hour. The only thing that saved us was that someone else had already hit it and it was lying in the road and we were able to go over it with little damage. Only His grace and mercy kept us from turning over.

Hart's "Mammy"

MRS. TOMMIE SIMPLER, 75, is affectionately called "Mammy" in Hart where she spends many hours on the porch enjoying the sunshine. Mrs. Simpler, who has been crippled with arthritis the past 10 years, lives with her daughter and her husband, Mr. and Mrs. Miles Cox. The Coxes and Mrs. Simpler moved to Hart from Lipan several years ago.

THE ELECTRIC CO-OP

Owned by Those we Serve

Most of us borrow money at interest to buy homes and we pay off our mortgage over a period of years. So long as we keep up these payments we "own" our homes. If we fail to make our payments, the lending institution can foreclose.

The Electric Cooperatives of Texas were built in exactly the same fashion. Members borrowed money at interest to build their own electric systems and they are paying back principle and interest while enjoying the blessings of electricity. There isn't a single cooperative in the state in arrears on its payments. Many of them have made payments in advance.

The Electric Cooperatives are owned by the people who borrowed the money and who are paying back their loans with interest.

That is why these member-owners can proudly say the Electric Cooperatives are OWNED BY THOSE WE SERVE.
