Robert Akin and Archie May. Annual Robert Struve of Olton was C-C Vote Is Dec. 2

The annual meeting of members of the Olton Chamber of Commerce and Agriculture will be held Friday, Dec. 2 in the high school auditorium. Time for the meeting is 7:30 p.m.

One of the purposes of the meeting will be to select seven new directors, including one to enlace Sidney Allen, who recently resigned.

Four farmers and three businessmen will be selected. Nominees for the posts are Frank Struve, Roy Roberts, James Cowart, Hubert Waldrop, Elmer McGill and Dick Cade, farmers: and Dr. Basil Johns. Louis Botkin, Bill Turner. Glenn Singleterry and Allan Johnson, businessmen.

13 Turkeys Won At Shoot

An FFA- Turkey Shoot was held Saturday in Olton, the first event of its kind to take place here. Another FFA shoot is planned Dec. 10.

Thirteen turkeys were won by men showing the best marksmanship. Total proceeds netted in the project were \$42.

Plans are being made by the FFA to have turkey shoots here annually before Thanksgiving

CITYTAKES PAVING BIDS

City councilmen opened nine bids on Olton's paving project Tuesday afternoon and began

Underdog Ponies The long process of going over the figures in detail. Councilmen were to meet Tuesday night to continue study of the bids. Councilmen were to meet Tuesday night to continue study of the bids. Councilmen were to meet Tuesday night to continue study of the bids. Councilmen were to meet Tuesday night to continue study of the bids.

Spain Sesame Crop Among Tops On Plains

yields on the South Plains this year has been turned out by Parker of Paris, executive vice-president of Texas Sesame Growers, Inc., reported Mon-

Yield at the Spain farm was 1,284 pounds per acre, Parker reported. Anything over 1,000 pounds per acre is considered exceptionally good, he added.

Parker pointed out that No. quality seed will sell for 10 1/4 cents per pound. Price farms near Lockney. and Christmas. for No. 2 quality is about 7.8

about 95 per cent No. 1 quality," Olton farmer Don Spain, Robert | Parker said, "but Don's looks like it is even better, probably 97 per cent."

With these figures, it can

be seen readily that Sesame of 1958," Parker said. can gross about \$125 per acre, Parker said. Costs are about equivalent to 5,000-pound milo. Only one reported yield has topped Spain's. The top reported yield to date is 1,307 pounds

Ironically, Spain considered

per acre by Fred Carthel, who

"Most field are coming out field had enough skips in the rows for him to think about it. Combine run weights of sesame so far show individual yields across the Plains "to be the best since the bumper crop

> Approximately half the area's total expected output has been harvested.

> "We had hoped that the earlier hail and rain loss on shocked sesame would be small," Parker said. "But when yields

Deadline Set On Birthdays For Calendar

Clovis Poteet; and Barbara Kirkpatrick, daughter of Mr.

Deadline for persons wishing to have their birthdays listed on the Olton Mustang Band's annual birthday calendar is Monday, W. T. Hall Jr., president of the band parents' organization, announced.

Those wishing to add their birthdays to the calendar should contact Eva Smith at 5651, Jean Hall at 2973 or Billie Norfleet

Proceeds from the calendar will go to replacement of band members' uniforms.

Regional Tilt At Brownfield

"We're gonna lick you Thurs- | field. day, you know," came the con-

fident voice over the telephone. The speaker was Tom Rice, sports editor of the Denver City Press, and for him, it was merely a repeat performance of last year, when he confidently predicted a Denver City victory.

Rice was so right last year. Denver City beat Olton, 50-6, in a regional game at Little-

Area FFA **Teams Win** At District

An FFA District Leadership Contest for chapters in the Littlefield district was conducted Saturday afternoon at Muleshoe. Schools participating were Springlake, Friona, Farwell, Hart, Dimmitt, Sudan, Olton, Lazbuddie, Amherst, Bovina, Pep and Muleshoe.

Hart placed first in the junior chapter conducting division. On the team were Jack Witten, Mike Morrison, Mike Reed, John Smith, Larry Lee, Eufemio Rubalcaba, Johnny Kittrell, Jerry Felder, Ralph and William Myrick.

Fourth place was won by Olton's junior chapter conducting 8.5 yards per try. team. Members of the team were Billy Carson, Lendrel Howard, Jerry Meyer, David Kersh, H. L. May, Larry Stovall, Humberto Leyva and Paul Hernandez.

Springlake won second in senior chapter conducting with Hart placing third. First place was copped by Springlake in the junior farm skills.

In senior farm skills, Springlake took second place. Members of the Olton team, which took fifth place, were Jimmy Tollett, Donald Ousbourne and

Larry Jordan. Another fourth place was taken by Olton in the FFA quiz. Boys on the team were Jimmy Bennett, Raymond Powers, Darvin

Cox and Keith Berry. The contest was attended by approximately 225 Future Farmers of America and vocational agriculture teachers. Calvin Horn accompanied the Olton boys on the trip to Mule-

This year, a band of underdog Olton Mustangs hope to prove him wrong in a class AA regional game with the powerful Denver City team.

But their task is a big one. Olton will go into Thursday afternoon's game a four to five touchdown underdog.

The big show gets under way at Brownfield, Denver City's choice of a neutral site, at 2:30 p.m. Thursday.

Despite all the raves about the fine Denver City ball club, Olton's Mustangs expressed a certain air of confidence this

Said Tri-Captain Robert Priest, 190-pound fullback: "They (Denver City) may be surprised."

And Olton Coach Walter Bryan said, matter-of-factly; "We'll Back to meet the Olton team

again is last year's Denver City star --- 190-pound Bert Gravitt, converted to quarterback this year.

If you don't think he's good. . . .look at these statistics:

Forty touchdowns, 22 extra points and one field goal for a total of 265 points. . . . 191 carries for the year, 1,638 net yards gained, an average of

"He runs the 100-yard dash in about 10.2 and has a terrifi change of pace," beams Sports Editor Rice.

Gravitt is joined in the lineup by his brother, Bill, an allstater last year. Bill is a 205pound tackle.

One of Denver City's top threats may be a converted guard. Last week, Marcel Dorethy, a 190 - pounder, stepped into the backfield and gained 131 yards in 23 carries.

Denver City has rolled up 552 points while allowing only 67 in winning 11 straight games this year. Olton's record also is 11-0-0, but the Mustangs have scored about half as many, 294, and have allowed twice as

many, 138. Common opponents were Abernathy and Dimmitt. Denver City whipped Abernathy, 64-12, and Dimmitt, 31-12. Olton topped

(Continued on page 2.)

Final Grid Contest Taken By James Hall

James Hall copped the Enter- | Blackwell, third. prise's last football contest of the year last week, beating Garner Ball, second; J. R. the rest of a big field by guess- Duncan, third. ing correctly on 16 of the 18 games in the contest.

The closest anyone could come third. to Hall's mark was 14-4. Seven contestants racked up that total. First prize is worth \$15.

Bobby Turner won second

was top man on the tie- third. breakers. Third place, worth \$5, was won by Eldon Franks. Dan Quigley, second; A. A. Others who posted 14-4 and barely missed the money were Alcorta of Abilene, Dick Ball, third. Whiteley, Pat Blessing, and Mike Phillips of Hart.

A check of the records reveals that A. A. Smith and Bub Holt were the year's big money winners. Each collected \$30 for his efforts, Holt winning two firsts and Smith taking a first, second and third.

Here's a summary of each week's winners, by dates: Sept. 8--W. G. Finney, first; Wayne Hair, second; L. H.

McAdams, third. Sept. 15-- A. A. Smith, first; R. V. Allcorn, second; M. T.

James Jr., third. Sept. 23-- G. T. Sides, first; P. A. Nafzger, second; Wyman Jr.

Sept. 29--Carroll Cox, first; Oct. 6--Bub Holt, first; Lauis Hair, second; Dan Quigley,

Oct. 13--Jerry Mathis, first; Robert Duncan, second; R. V. Allcorn, third.

Oct. 20-Bub Holt, first; J.R. place, worth \$10, because he Duncan, second; G. T. Sides, Oct. 27-- Joe Turner, first;

Smith, third. Nov. 3--Henry Mathis, first; Gene Varner of Nazareth, Joe A. A. Smith, second; Garner

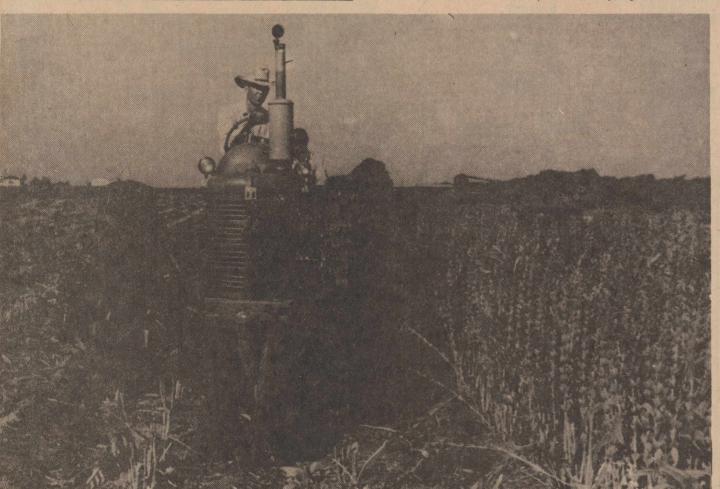

Nov. 10-- Mrs. Jeff Smart, first; Carroll Cox, second; Bill Kelley, third. Nov. 17--Deryl Ray Machen,

first; Bill Kelley, second; R. V Allcorn, third. Nov. 24-- James Hall, first; Bobby Turner, second; Eldon

Franks, third. 4-H Meeting Set

A meeting of the Lamb division of Olton 4-H is scheduled Tuesday at 7:30 p. m. at the Legion Hut.

Slides and films will be shown, according to W. T. Hall

THIS PICTURE, taken a couple of weeks ago, shows Kenneth Harper at work on the Don Spain farm, using a rig to harvest sesame. Spain's crop is reported at among the best on the

entire South Plains. Only one other reported yield, at Lockney,

WORKERS AT THE Spain farm stand by sesame just harvested. Yield on Spain's crop was 1,284 pounds per acre, with 1,000 pounds usually tops.

Hart Residents Attend Reunion

Mrs. Ted Cox and her mother, Mrs. Tommie Simpler, both of Hart went with Mr. and Mrs. Ray Jones of Plainview to Lipan and Weatherford last Wednesday to visit sisters of Mrs. Jones and Mrs. Simpler.

The five sisters, Mmes. Jones, Simpler, Allie Barnard of St. Augustine, Fla., Rom Means and Laura Herrin of Weatherford, had a reunion in Weatherford.

Mrs. Cox, Mrs. Simpler and Mrs. Jones returned Saturday.

Thanksgiving Dinner Given At Offields'

Mr. and Mrs. Denver Offield were host and hostess Thursday night for a Thanksgiving dinner honoring the Young Adults' Department of the First Baptist Church. The Thursday afternoon as the dinner was given at the Of-

occasion were Mrs. Gene Rey-

Uill Gunter, Johnny Hodges, Wayne Carson, Roy Thurman, and the host and hostess. Games of "42" were played following the dinner.

WSCS Study Is Continued

The study, "Into all the World Together," was continued last members of the Women's Society of Christian Service met Members present for the at the Hart Methodist Church.

Those appearing on the pronolds, Messrs. and Mmes. El- gram were Mrs. T. D. Murray, mer Lewis, Charles Lewis, Mrs. R. C. Bailey and Mrs. Jerry Parker, W. D. Holley, C. B. Landers.

Birthday presents were presented to Mrs. E. E. Foster, Mrs. Hubert Maples and Mrs. Landers. Cake and coffee were served to Mmes. Lee Crouch, Foster, Murray, M. L. Aven, Bailey and Willis Hawkins Sr. The next meeting will be held Dec. 1 at the church. Meeting

Agriculture Is Still Our Basic Industry

BY JOHN G. MCHANEY

Texas Extension Service The land area of Texas covers 168,648,320 acres. According to the 1954 Census of Agriculture, 86 percent of the land area was in farms and ranches.

still the basic industries in Tex-

In 1959, cash receipts from farm and ranch marketings amounted to \$2,281,531,000. Texas ranked third among other states in cash receipts.

More than 250 different soil types are found in Texas.

The annual average rainfall in Newton county on the Louisiana border is about 56 inches. The annual average rainfall in El Paso county on the border Farming and ranching are of Mexico and New Mexico is about 8 inches. The growing as even though manufacturing season in Texas from north to and the production of oil play south extends from fewer than a major role in the State's 180 to more than 330 days.

> Texas has ranked first among the states in the total number of cattle and calves on farms for more than 100 years. On January 1, 1960, there were 9,276, 000 cattle and calves on the farms and ranches of Texas. This is 9 percent of the nation's total. Cattle are produced in all counties of the State, with the heaviest concentration in the southern and eastern parts.

Texas ranks first among the other states in the production of sheep and wool and goats and mohair. On January 1, 1960, there were 6,174,000 sheep and lambs on farms and ranches. This was 18 per cent of the nation's total. Sheep and goats are produced mostly on and around the fringes of the Edwards Olateau grazing area.

Texas produced 46,726,000 pounds of wool in 1959. This was 18 percent of the nation's

In 1959, Texas produced 23,512,000 pounds of mohair, or 97 percent of the nation's

In 1959, Texas ranked sixth in the number of chickens on farms. The 10-year average number on farms on January 1 is 20,003,000 head, or about 5 per cent of the nation's total.

In 1959, Texas ranked fifth among the states in the production of commercial broilers. This industry is growing In 1959, Texas ranked sixth

among the states in the production of turkeys. The 10-year average number on farms and ranches on January 1 is 480, 000 head, or 10 percent of the nation's total.

In 1959, Texas ranked eleventh in the number of milk cows and heifers on farms. The 10year average number on farms on January 1 is 1,005,000 head.

In 1959, Texas ranked twelfth among the other states in the number of hogs on farms. The 10-year average number on farms on January 1 is 1,343, 000 head, compared with 11, 186,000 head in Iowa.

Approximately 136 crops are grown in Texas. Forty are of sufficient commercial importance to be reported by the U. S. Department of Agriculture. Crops of major importance are cotton, feed grains, rice, wheat, small grains, vegetables and citrus fruits.

In 1959, Texas ranked first in the production of cotton lint. The 10-year average production is 3,937,000 bales, or 28 percent of the nation's total.

In 1959, Texas ranked first in the production of sorghum for grain. The 10-year average production is 96,256,000 bushels, or 58 percent of the nation's total.

The 10-year average pro duction of corn is 41,525,000 bushels; 23,852,000 bushels of 120 14; 43(0)3 1:1:(1)(+:1:4:4)

> The lineman above is "re-planting a tree." It will have insulators instead of limbs and wires will replace foliage. But where this tree once spread its leafy comfort to a few square feet of the forest, it now will help carry electricity and a new life of comfort to one million Texans.

> 25 years ago, when this tree was still a switch, fewer than 10% of Texas farms and ranches had electricity. Today more than 95% of them have a steady, dependable electric service, thanks to the electric cooperatives.

> Rural people borrowed money to build their own electric systems and they are paying back principle and interest on their loans. And with each new pole that is "planted" in rural areas, the memberowners of the 77 electric cooperatives in Texas are helping to furnish their friends and themselves with Partnership Power For Progress.

New Century Club Meets At Moores'

A passport to Germany, "The Heartland of Europe," was the theme of last Wednesday's New Century Study Club meeting. Scene for the meeting was the Elmer Moore residence. Mrs. Moore, hostess, was assisted by Mrs. Don Spain, who served as co-hostess.

Members answered the roll call with the name of a German scientist, poet or musician and told something about the person they named.

A devotional was given by Mrs. Murray Snyder.

Mrs. Elmo Bryant presented a speech, 'Germany, Overall Country and Industry.' Another speech entitled "Berlin and how her People Live" was given by Mrs. Rex Chitwood.

Those attending were Mmes. Wilton Bodkin, J. C. Brown, Bryant, Chitwood, Glen Exter, E. C. Jones, Owen Jones, Gilbert Roberson, Snyder, A. J. Spain, Frank Struve, Ed Thompson, the hostess and co-hostess.

Falcon-Salas Are Wed Friday

Emma Falcon and "Jack" Silverio Salas, both of Olton, were married last Friday night at Plainview. The wedding ceremony was performed by a justice of the peace.

The bride chose a black and gray suit for her wedding attire. Her accessories were black and white.

Their first home is at Olton, where the groom is employed by Olton Bowling Center. The bride was employed at Duncan's 5 and 10 before her marriage.

The children were at camp and their parents were having a quiet Sunday breakfast. "Gosh, I miss them already,"

the mother sniffle. "Me, too," the father retorted. "Why don't you knock my coffee over and rub jam in my hair?"

An open house celebration will | and Paschal were married Dec. A native of the same state,

For 43 years, Mr. and Mrs. Paschal made their home in Calling hours are from 3 to Cannon County and they lived in Texas the other seven years of their married life. They lived The former Miss Rosa Nell in Lockney for four years and

Paschal recalls making a trip to Olton in 1928 with the late Tom Perry who later moved here. The two men ate at a small cafe which was located in a building at the present site of K. Salman's Department Store. There were no other buildings here at that time. He also remembers that there were no farm lands here at that time and that his part of the country was mostly thought of as a "prairie."

Mr. and Mrs. Paschal have children's mothers. Refresh- one child, Mrs. Tom Ross of Copper Center, Alaska. They also raised Frank Hayley, who day cake was decorated with now lives in Nashville, Tenn. The couple have one grandchild, Elisa Ann Ross, who with her written with green icing carried mother now is visiting the Pas-

Olton Cagers In Tournament Here Dec. 1-3

Stiff competition can be expected from the Olton High boys and girls "A" basketball teams Dec. 1, 2 and 3 when they participate in a tournament which will be held at the Olton High School gymnasium.

Teams from Nazareth, Muleshoe, Hale Center, Sudan, Friona, Springlake, Lockney and Floydada will be in the tournament.

The games will start at 3 p.m. and continue until 9:30 p.m.

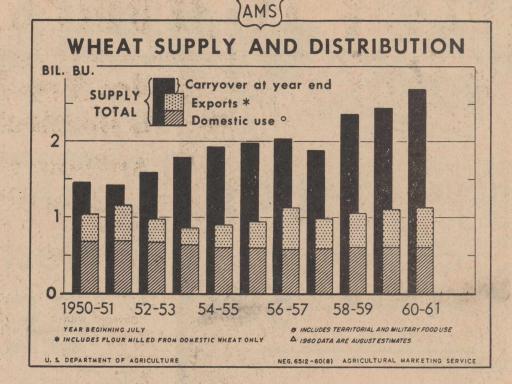

The "B" girls' basketball team of Olton High School was defeated by Tulia here Monday night. Final score was 32-5. Geneva Curry made three points for Olton.

Science Club Talks Projects

Olton Science Club met Tuesday, Nov. 15 in the science lab to discuss ideas for science fair projects. The group also discussed a trip to a Lubbock television station to be taken

Those present were Bitsy Maxey, Sandra Cox, Lana Hair, Nicky Redinger, Sammie Kendall, Billy Cox, Dickie Hudgens, Robert Priest and sponsor,

Record Supply Of Wheat OHS Graduates Home

The carryover at the end of the 1960-61 marketing year may be about 1,550 million bushels, 235 million above July 1, 1960 and the largest in our history. A further increase is in prospect July 1, 1962, since yields at the average of recent years would result in a larger crop in 1961 than would be used for domestic requirements and exports.

Supplies in 1960-61 are at an all-time record high of 2,682 million bushels. Exports are expected to total about 525 million bushels, 17 million above the high level in 1959-60 and within 25 million of the record in 1956-57. Domestic disappearance is estimated at 610 million bushels, about the same as last year.

The theme for the week is

Each person will be given an

their experience with Ameri-

LACKLAND AFB, Tex. --Airman David Jesus Munos, grandson of Mr. and Mrs. Apolonio Luera of Box 452, Olton, has been assigned to a unit of the Air Defense Command at Otis AFB, Mass. for training and duty as an Air Policeman.
Airman Munos graduated

from Olton High School.

Airmen assigned directly to a duty station from basic training at Lackland will receive on-the-job training under highly-qualified technical specialists. Airmen are selected for these assignments on the basis of their interests, aptitudes, and the needs of the Air

Hearing Checks Given At School

Miss Leta Bell, school nurse, reports that tests to check students' hearing were given last week in the Olton Elementary School. Vision screening tests were completed in those grades last week.

Recent illnesses suffered by some of the students included several cases of stomach virus, sore throats and one case of

P-TA Meeting Slated Dec. 1

The next meeting of the Olton PTA is scheduled for Thursday, Dec. 1, at the school cafeteria. Time for the meeting is 7:30 p.m.

A devotional will be presented by the Rev. Raymon Carson.

Special music will be presented by the high school choir. A friendship hour will close the activities of the evening.

Do Your Tillage Tools

Have That Worn-Out Look?

DON SPAIN, left, and George Redinger are shown comparing sweeps used on the Redinger farm east of Olton. Both these sweeps were the same--eight-inch sweeps--at the beginning. The sweep at left had been used over about 500 acres and had been reduced to uselessness. The other, an Adams hard-faced, heat-treated sweep, has been over about 900 acres and still has its sharp point, along with a long life ahead. Adams tillage tools have distinct advantages over ordinary tools: They're self-sharpening, because the Adams hard metal remains as soft base metal wears away. Adams products hold their shape, withstanding even the heaviest use, and pull easier because they stay very sharp. Adams tillage tools last three to five times longer than conventional tools.

Check Your **Tillage Tools** Today!

THE MOLDBOARD in Don Spain's right hand is gapped beyond repair. The other moldboard appears to be new, but it isn't. It was almost worn out before Mr. Spain turned it over to Adams Hard Facing Co. for a reconditioning job. Adams' hard-facing, heat-treating process turned a useless tool into one ready for a long life of work. Check your tillage toofs today. If they have that wornout look, try Adams' reconditioning process and watch your tillage costs go down,

Buchenau 3 (2 by running, 1 Against Dimmitt, Olton was out-first downed and out-DIMMITT--Junior Coffey 2 gained, but the Mustangs had what it took in the clutch.

approached Coffey's perfor- turned in a key defensive cat 32. mance, but all of them turned in a steady game.

Fullback Priest, although he suffered a deep, painful gash above his left eye in the middle of the fray, spearheaded Olton's ground attack with 79 yards in 20 carries. Frankie Miller added 45 yards in 10 trips, Schenck had 35 in 13 and Randee Buchenau got 28 yards in

The key to the victory was Olton's play in the clutch. While Coffey ran wild at

times, the Mustang forward wall stopped him on two crucial fourth down plays in the last 13 minutes of the ball game. And Mustang Charlie Burrus

maneuver in the last minute of the tilt, intercepting a Coffey

Dimmitt's last chance to win. The Mustangs scored the first time they got the ball, using a 14-play, 61-yard drive that took seven minutes to

Priest started the march with a 4-yard pick-up to the Olton 43 and then Schenck raced to a first down at the 50.

Priest banged for 11 big yards on the next play, giving Olton a new first down at the Dimmitt 39. After Priest was stopped for no gain and Schenck picked up a yard, Miller worked his way six yards to the Bob-

Schenck sent Priest bulling into the line on fourth down, and the big fullback gained five pass at the Olton 10 to spoil to the 27.

> Buchenau picked up five more to the 22 and Priest gave the Mustangs a first down with a five-yard blast to the 17. Little Schenck then turned

in a key gain, rolling out and racing to the Bobcat 5. Priest gained a yard, Schenck

added three and then Priest scored from the one. Buchenau's kick was good and Olton led 7-0 with three minutes left in the first quarter. Dimmitt came back with a 69

yard drive to the Olton 19, but that move ended with some fine | 44, using runs by Priest for one

defensive work by the Mustangs. | first down and a pitchout to Coffey turned in runs of 8, Buchenau for another.

5, 4, 3 and 33 yards to move Then Schenck dropped back to the ball to the Olton 38. Two throw, but his pass was intermore runs of three and seven cepted by Dimmitt's Stan Nelson yards by Coffey and a pickup and the Bobcats were back in of three by QB Stan Nelson business at the Olton 47.

gave Dimmitt a first down at Dimmitt got a fine 12-yard run by Donnie Nelson to move. to the Olton 28, but there the gill led a swarm of Mustang Bobcats fumbled and Guard tacklers to stop Coffey at the Larry Timmins pounced on the 23 and then End Jimmy Lawson | ball for the Mustangs.

After a penalty rubbed out a 10-yard gain by Priest, the Mustangs got nowhere and fourth, Linebacker Robert Dun- Priest punted to the Dimmitt

Easy way to do your new-car sampling—

Drive Chevy once around the block at your Chevrolet dealer's one-stop shopping center!

Just drop in and take a drive in one of the 30 spanking new '61 models your Chevy dealer now offers under the same roof. With every drive, your dealer is giving away free Dinah Shore Christmas records while they last. So hurry! And you'll find that here's the easy, one-stop way to shop for the car you want. There's a model to suit almost any taste or need-at a price to suit almost any budget. There's a whole crew of new Chevy Corvairs, including four family-lovin' wagons. New Biscaynes—the lowest priced full-size Chevrolets. Popular Bel Airs. Sumptuous Impalas. And America's only true sports car—the Corvette. Come on in and pick your new car the easy way—on a one-stop shopping tour!

there are good reasons why 97% OF ALL

Gas goes to work instantly, with no warm-up wait. Gas is faster by far, reducing drying time to a minimum. Its low heat, high air-flow principle makes short work of even difficult-to-dry shag rugs and bedspreads, yet is ever-so-gentle on even the daintiest synthetics. And as for economy, a Gas Dryer operates for about 1/9th the cost of the other kind. When Gas drying rates first with those who know, wouldn't it be best for your family, too?

SEE YOUR GAS APPLIANCE DEALER NOW FOR THE YEAR'S BEST DRYER BUYS!

fuel for a growing empire Pioneer Natural Gas Company

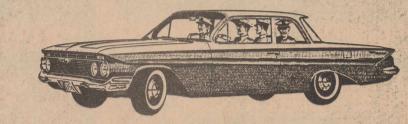

New '61 Chevrolet IMPALA SPORT SEDAN

You'll see five models in the '61 Impala series—the most elegant Chevies of all. They're sensationally sensible from their more parkable out size to their remarkably roomy in size. And note that trim new roof line.

New lower priced '61 CORVAIR 500 CLUB COUPE

See what Corvair's got in store for you in '61! Thriftier sedans and coupes with nearly 12% more room up front for luggage. That rear engine's spunkier, too, with a gas-saving new axle ratio to go with it.

New '61 Chevrolet 2-DOOR BEL AIR SEDAN

These beautiful Bel Airs, priced just above the thriftiest full-size Chevies, bring you newness you can use. Roomier dimensions reach right back to the easier loading trunk that lets you pile baggage 15% higher.

There's room for almost everything but antifreeze in these new one-and-only 6-passenger Lakewoods. And they're the only wagons with lockable trunk under the hood. Be sure to see the new Greenbriers, too.

New '61 Chevrolet 2-DOOR BISCAYNE 6 NOW—Big-Car Comfort at Small-Car Prices

These new Biscayne 6's*—the lowest priced full-size Chevrolets-let you save money in a big way, yet give you a full measure of Chevy's new roominess—such things as higher easy chair seats, larger door openings, more leg room in front, more foot room in the rear.

took in the clutch, stopping periment will be continued on drying the leaves and reducing grain ten to fourteen days ear-Coffey on the extra point try. grain sorghum in the Rio the moisture in the head. Olton still led, 7-6, with 9:30 left in the third period.

After the kick-off, Olton got a first down at the 147 following a 9-yard run by Miller. On the next play, however, Priest fumbled and Dimmitt's Jimmy Chavers recovered at the Olton 49.

Dimmitt, as usual, gave the ball to Coffey and the big fullback broke between right guard and tackle to go the distance and put Dimmitt in a 12-7 lead. The extra point run by Coffey vas no good and Dimmitt nursed a five-point lead with 7:25 left in the quarter.

After the kick-off Olton, using rans by Priest and Buchenau, moved to the Dimmitt 35, but a fourth down try from that point failed.

The Mustangs pulled the same mick on Dimmitt four plays later, stopping Coffey for a yard-loss on a fourth down try at the mid-field strip. Brown and Timmins put the stopper on the play.

Schenck picked up one and then Miller raced for five, using a fine block by Tackle Kenneth Hooper. Buchenau got a first down at the 38 with a five-yard

After Miller picked up three and Priest added two, two Musang passes fell incomplete, ending the drive.

The Bobcats moved back to the Olton 39, but Duncan stopped Coffey at the 36 on third down and Hooper nailed him for no gain on the fourth down try. Behind 12-7 with only seven

minutes left, Olton used a fouryard pickup by Buchenau to get to the 39.

On third down, Schenck faded to pass, spotted Riney at the Dimmitt 35 and threw.

Riney took the ball at full speed at the Bobcat 30 and raced into the end zone to give Olton a 13-12 lead with 6:04 left in

the game. Buchenau took a pitchout for the extra points and Olton had

its 15-12 margin. It appeared as though Olton might go for another score right after the kick-off, as Guard Ron Rogers pounced on a loose

football at the Bobcat 36. The Mustangs moved to the

By Ted Kesting

If you plan to visit our 50th state and enjoy the hunting opportunities the islands have to offer, do NOT take your sporting dog along. Leave him at home and plan to hunt with some friend's dog; or else ship your dog to Hawaii months in advance of your visit, states Henry P. Davis, Sporting Dogs Editor of Sports Afield Maga-

The reason? All dogs entering Hawaii must, by law, be confined in the Animal Quarantine Station in Honolulu for a period of 120 days or longer, as the State Veterinarian shall deem necessary. This is quite a hardship on the sporting dog enthusiasts in the islands who want to purchase trained gun dogs from owners living on the mainland. Yet it is considered a highly desirable measure as a preventative against rabies and other diseases.

The quarantine station in Honolulu is located in a beautiful spot, with plenty of shade. Each dog has his individual kennel and exercise pen, which is kept scrupulously clean. Fresh drinking water is on hand at all times and the dogs are well fed. On arrival, and periodically thereafter, each dog is given a thorough physical examination.

All of the diseases revealed by these examinations are reported to the owner or the owner's designated veterinarian. Treatment of sick dogs is the owner's responsibility, and sick animals may be removed to approved small-animal hospitals for treatment at the discretion of the State Veterinarian.

OHS Handbooks Distributed

your name, He marks--not that you won or lost-but how you played the game." This is the Mustang Code

of Ethics, one of many items appearing in "The Mustang," a new handbook recently distributed to students at Olton High School.

The word "Mustang," according to the handbook, is associated with the Sixteenth Century Spanish wild pony and means untamed, unconquered, always full of pep, and ready at any time for a contest. This well describes the spirit of the past and present "Mustangs" of Olton High School.

The first school in Olton was organized in 1903. It was a one-room school and was located about one and one-half miles from the present site. Changes and improvements have been made since the days of the one-room school, and the modern buildings on the campus resemble very little the school in 1903.

Clubs and activities afford each student an opportunity to participate in some phase of interest. Each year new courses and clubs are added to the curriculum to meet the needs of the school, the handbook points

"For when the One Great for the students to make the Scorer comes to write against most of their high school days. School work programs should be planned by the students so a one year scholarship for the they might take full advantage highest ranking senior boy or of the opportunities offered in Olton High School.

Other facts pointed out in the handbook include:

Olton High has a total of 47 credits offered to its students, for the highest ranking boy and 22 of which are required to graduate. Eighteen of these Honors will be determined by credits must be solid, but the averaging the student's grades other 4 may be electives or a for his senior year. combination of both. Solid credits are those in which a class are sponsored by the minimum of 1/2 credit per semester may be earned.

One diploma is offered upon graduation but two types of curriculum, pre-college and vocational, are offered. Precollege curriculum is designed for those who plan to enter college. Vocational curriculum is designed for students who plan to enter some vocational field immediately after graduation from high school. The Olton High School library

volumes including fiction, biography, and reference books, and the latest issues of 47 magazines are also available for students and faculty.

The school cafeteria provides a lunch which consists of a meat, a choice of two Phone 385-5114 "Primary aim of the school vegetables, salad, bread, milk is to train for effective citizen- and dessert which may be

each year to deserving students. The State Legislature provides girl. The graduate may choose the state college or university he desires to attend. The Texas Council of Church Related Colleges also provide a scholarship girl in each graduating class.

Two boys from the junior Lions Club and American Legion each year to Boys State, which is held at Austin each

June. Boys are selected on the Honors and awards are given basis of scholarship, leadership, character, loyalty and in-

terest in this type of work. A senior girl is selected each year for the Daughters of the American Revolution award. Selection is made of these qualities: dependability, service, leadership, patriotism and scholarship.

Other awards are made by faculty committees in these departments: Science Agriculture, School Publications, Athletics, Band, Homemaking, Dramatics, Citizenship, Best-All Around Girl, Best-All Around Boy, Best Citizen-Girl

Be Cautious When Buying

Be cautious when you're buying gilts to breed for next spring's pig crop. Dr. C. M. Patterson, extension veterinarian, warns that you should study the disease record of the herd very carefully before buying. Remember that even FOR LEASE--160 acres, 4 mi. healthy appearing animals may carry a disease, and new stock could bring on a disease which would result in abortions or inferior pigs at farrowing time.

At least four chronic diseases are serious, and other diseases are important. Leptospirosis and brucellosis are serious diseases which are not usually batteries. Price Wrecking. recognized until they cause 23-tfc abortions. Two other serious diseases are atrophic rhinitis and virus pneumonia, both of which are not usually recognizable until the pigs are several weeks old. Enteritis and chronic 27-tfc erysipelas are also common diseases Patterson continues.

Even if there is no record or evidence of disease in the herd, it's still a good idea to have the gilts tested for leptospirosis and brucellosis. Hogs can carry either of these diseases without showing symptoms, and both diseases can be transmitted to humans. 36-12tp

The only way to detect atrohpic rhinitis is through a physical examination, and this is not always easy or reliable. Dr. Patterson says to be alert for signs of atrophic rhinitis. Crooked snout, sneezing and stunted growth are indicators of the disease.

Chronic pneumonia has been an increasingly serious problem in swine for several years. A specific virus is the cause of much of this lung trouble. There is neither a reliable test or treatment for the disease. It seldom causes death, but it does cause unthriftiness and increased susceptibility to other lung infections. Be extremely careful to avoid bringing it into a herd, the special-

IF IT'S such a small world . . why does it cost so much

'61 Cotton Allotment Breeding Gilts Program Is Explained

In response to questions 1961 upland cotton allotments, B.P. Davenport Jr., chairman. Texas Agricultural Stabilization and Conservation Committee, this week explained the difference between the 1961 program and the one in effect for the past two cotton

He pointed out that the 1961 national allotment of 18.5 million acres compares with the "regular" 1960 allotment of 16.3 million acres. This 1960 figure was increased to 17.5 million acres under Choice (B) elections. In 1961, there will be only one upland cotton allotment, whereas for the past two crops growers had a choice between the "regular" farm allotment and the 40-percentlarger (B) allotment. All eligible growers in 1961 may receive the full available price support on their cotton, whereas in 1960 the eligible (B) growers received lower support but a larger acreage allotment.

LET US FORD DEALERS

With all of its flash and T-Bird dash, the new Ford is so maintenance-free it can save you hundreds of dollars in operating costs alone and end most bothersome servicing.

Distinctively and authentically styled, Gas Lights cast a soft glow that bids "welcome"

to guests . . . serves as a silent deterrent to nighttime trespassers.

PIONEER NATURAL GAS COMPANY

Imagine, Ford's new Truck Size brakes adjust themselves automatically Normally you could drive around the world before you'd need a chassis lubrication. And 4,000-mile oil changes. Ford's Diamond Lustre Finish stays beautiful without waxing, too.

Remember, too, each part of '61 Fords, except tires, is dealer warranted against defects in materials or workmanship for 12 months or 12,000 miles, whichever comes first. Normal maintenance service or routine replacement of parts such as filters, spark plugs, condensers, ignition points are not covered. Ask your dealer for details.

BEAUTIFULLY PROPORTIONED TO THE CLASSIC FORD LOOK This medal was presented by the international fashion authority Centro per L'Alta Moda Italiana, to the 1961 Ford for functional expression of classic beauty.
