

1,057 Are Enrolled At School

Enrollment in Olton Public Schools at Wednesday noon totaled 1,057, an increase over last year.

The total will probably go higher as some students may still register.

The first day of school elementary enrollment was 555 with 20 more registering Tuesday and Wednesday. Elementary enrollment on Sept. 1 last year was 552.

Junior High enrollment on the first day of school this year was 256. No new students were registered through Wednesday. Last year's enrollment on the first day of school was 270.

High school students registering the first day of school this year numbered 226. No new registrations were taken Tuesday or Wednesday. Last year's first day total was 221.

Free Supper For Farmers Set Sept. 7

You just can't beat something for nothing—especially when it's good food.

That's what Olton merchants are offering all local farmers and their wives at the "Farmers-Merchants" Dinner here Sept. 7.

City businessmen will give each area farmer and his wife a free barbecued chicken supper in the school cafeteria at 7 p.m.

The affair is the first annual "Farmers - Merchants Day" sponsored by the Olton Chamber of Commerce and Agriculture.

"Every farmer and his wife in the area is invited," Dick Whiteley, manager of the Chamber of Commerce and Agriculture said this week.

"They don't have to have tickets," he added. "Merchants do, but farmers don't."

"There will be no entertainment, just a good old get-together. This will last until about 9 o'clock so if you're not there at 7, please come on anyway as soon as you can. It will be an informal affair. You can come and go as you like."

Cotton, Milo Could Be 'Best Ever'

Most area farmers described their crops this week as "the best ever" and "ahead of last year."

O.E. Patterson, who farms four miles east of here, said his cotton crop was "the best crop in the whole country."

"I'll have a pretty early crop," he added. "It's ahead of last year's and loaded good. No bugs."

He also added that his grain looked really good and he had had a nice cucumber crop this year with a good price. He expected to pick one more time.

Most farmers were not watering their cotton now.

D.L. Givens, who farms three miles south and two miles east, said he was watering now but was about through.

He said he had a good cotton crop, ahead of last year. "This was a real good year for cucumbers," he said. This is the last week for them."

He described his grain as "looking good, about as usual."

Over the area it looks like a top crop year for farmers. Most crops are developing in to what should produce bumper yields.

Bill Langford, who farms southwest of Olton, reported his cotton as loaded good. He had finished watering the cotton and had started watering grain this week.

John Smoot, five miles north and two east, reported good crops for both his cotton and grain.

Raymond Cooper, who farms two miles west, said he would probably have his first bale of cotton about the first of November. He was one of the few farmers who did not expect an early crop.

OLTON'S FIRST LOAD OF GRAIN—O.J. Lee, center, delivered Olton's first milo for 1961 Tuesday afternoon. Looking on with Lee are Allen Johnston, left, of Sanders-Paris Co., and Don Spain, right, DeKalb dealer. Lee got the first load with DeKalb C-45.

Texas' New Sales Tax Starts On 'Blue Friday'

When you go into a store Friday and start dipping into your pocket for pennies for the new sales tax, don't moan too loud.

All you, as a buyer, have to do is pay it.

Sure, it takes time and it's irritating, but consider the poor merchant.

He not only has to pay it. . . he has to collect it.

The plight of Olton merchants was summed up this week by one local business man when he said:

"It's a confused situation."

"Most of us," he added, "just don't know enough about it. We know one thing for sure. It's going to mean a lot of extra work and record-keeping. Especially for a small business where you don't have a machine to help you."

The big problem seems to be what items are taxable and what aren't. For example the law says the tax shall not be collected on food except restaurant meals. But the law also says the 2 percent levy will be imposed on candy and chewing gum, bottled and canned drinks, diluted fruit juices or powder.

Farmers won't have to pay the tax on seed and fertilizer but you will if you want to use such items on your yard.

One merchant commented: "I don't suppose its going to be as bad as it seemed at first. I still think it would have been better to have had a straight 1% tax. It would have prevented a lot of this confusion."

Most merchants are asking for patience on the part of the customer. A number commented that it was going to take time to get adjusted to the new tax and expressed the hope that their customers would be understanding of this.

Many think that stores are going to be the worst hit by the tax.

For example, you won't pay a tax on the steak you buy but you will on a box of soap or a can of shoe polish.

One local grocer said he planned to mark the prices on his items in different colors. One color will be used for taxable items and another used on nontaxable merchandise.

"This would make it easier for the customer to understand," he said.

"It would also speed things up," he added, "if the customer would sort the taxable and nontaxable items before he gets to the checkout counter."

Another problem one grocery man mentioned was mothers sending children in to buy items.

BANK TO CLOSE

Olton State Bank will be closed all day Monday in observance of Labor Day. The bank will resume regular hours Tuesday morning.

"This could present a problem because they may not remember to send the tax pennies."

Most merchants reported this week that they had had no increase in purchases to beat the tax.

One furniture dealer said, however, that he had sold a number of large items to people who wanted to buy before Friday.

"Actually, the tax won't pose too much of a problem for us," he stated.

"Before, we had a 3% tax on radios and television sets. Now it will be just a straight 2%."

Some People have been wondering about the exemptions. For

example, what's going to keep a clerk from saying he's a farmer if he happens to want a bag of fertilizer. Nothing if perjury doesn't bother him.

Stores will have exemption forms that a customer can sign saying he is exempt from the tax. Probably it won't be worth it if you aren't though just to save a few pennies.

One bit of discouraging news was revealed this week for persons having items on lay-away. The tax will have to be paid unless complete payment is made before Friday. The law says a sale is not complete until title passes.

All in all, it's going to be a blue Friday, but we'll all live through it.

ORC Invitation Set; Pro-Am Is Underway

A new golf tournament, the Pro-Amateur, got underway this morning at the Olton Recreation Center.

This was a one-day tournament for all area amateurs and pros, both men and women, who have handicaps.

Team play was used in the tournament with a pro and three amateurs composing each team. Pros could choose one of the amateurs on his team and the other two were assigned.

Another new tournament, the ORC invitational tournament, is scheduled to begin tomorrow. This contest will run Friday,

Saturday and Sunday. Entry fee for this tourney, which is open only to men, is \$15. Deadline for entering is tonight at 6 p.m.

There will be \$284 in prizes given in each flight. Each flight winner will receive a \$145 set of irons and a trophy and each runnerup will be awarded a \$104 set of woods, while each consolation winner will get a golf bag.

Match play will be used in the tourney, with opponents paired in flights according to their handicaps. In the finals 36-hole medal play will be used.

Olton's First Grain Of 1961 Is Delivered

O.J. Lee Kicks Off Harvest

Olton's first load of grain for the 1961 season rolled in Tuesday afternoon and signaled the start of what most farm observers call the "most promising crop season" in years.

O.J. Lee, who farms the Truman Meinecke place two miles east of town, delivered the first 1961 load about 5:30 p.m. Tuesday to Sanders-Paris Co., Inc.

Lee brought in 8,000 pounds of DeKalb C-45 which he harvested off an acre and a half. Moisture content of the milo was 14.61 per cent, "real good for this early in the season," Allen Johnston of Sanders-Paris said.

The elevator paid the government loan price of \$1.80 per hundred, plus a 25-cent per hundred premium, for the first load.

In addition, Sanders-Paris will buy Lee a new hat, said Johnston.

Lee planted his C-45 on May 5, putting down six pounds of seed to the acre on 40-inch rows. He watered the crop one time and cultivated once.

This year's first load for Olton came about a week earlier than last year's. R.W. Huckabee delivered the first load last year on Sept. 5.

Lee expects his grain to yield more than 5,000 pounds per acre. He had 80 acres in grain sorghums and plans to feed the milo to his cattle.

Last year's first bale of cotton for Olton came on Sept. 6. It was delivered by Royce McFadden.

A good year for cotton and grain would come on the heels on another banner year for cucumbers.

With another week left to go on the cucumber harvest, prospects are good that this year's harvest will top last year's.

Clovis Poteet, manager of Brown-Miller Company's processing shed here, said farmers had been paid about \$253,000 for their cucumbers so far this year, harvested off about 480 acres.

Last year the company paid a total of \$263,000 over the entire season, Poteet said.

PTA Meet Set Tonight At 8

The Olton PTA meeting date has been changed to tonight at 8 p.m. in the school cafeteria according to Mrs. Garland Long, president.

The regular meeting date for the PTA was set for Sept. 7. The first meeting of the year will be a reception for teachers. Yearbooks will be given at the meeting.

Bufs Revenge-Minded

Mustangs Battle Petersburg '11'

Olton's Mustangs, who handled 11 straight opponents on the gridiron last year, Friday night start a schedule jammed with foes who want revenge.

First on the list is Petersburg, a team the Ponies trounced 44-20 here last year.

Coach Walter Bryan's griders travel to the land where the Buffaloes roam this time. Game time is 8 p.m.

Olton is voted the team least likely to succeed in District 2-AA this year.

Coach Bryan, an old pro with the crying towel, says he hopes "we stay on the field with them."

But he admits he likes being picked for the cellar for a change. Last year, Olton was the favorite and the Mustangs came through with an 11-1-0 season, losing to Denver City in regional.

The Mustangs have three starters back from that team—Captains Robert Duncan, center, and Jimmy Lawson, end, and Quarterback Johnny Schenck.

Olton will be depending on a couple of juniors and a senior to fill the shoes of Fullback Robert Priest, Halfback Rande Buchenau and Halfback Frankie Miller, the departed ground gainers.

Starting with Schenck in the backfield will be Charlie T. Burrus, junior fullback, James Loveless, junior halfback, and Gary Johnson, senior halfback.

Scheduled to see a lot of action is sophomore Halfback George Jones.

Burrus, Jones and Loveless earned letters last year, while Johnson is a senior playing his first year.

At the ends will be Lawson, 160-pounder, and Roy Moss, a 145-pound senior. Moss is a returning squadman.

Starting tackles are George Phillips, 180, and Joe McKnight, 190. Phillips saw action at guard last year, while McKnight is up from the B-team.

Guards will be Gary Bizzell, 170, and Jimmy Bennett, 180. Bizzell is a senior playing his first year and Bennett is a sophomore.

Duncan, who weighs 180, will be in the starting line-up at center.

Petersburg has eight starters back from 1960. One of them is Fullback Don Pegram, who ran well against the Mustangs last year.

Other starting Buffalo backs will be speedy Stanley Self and

Troy Fox at halfbacks and Gary Loyd at quarterback.

Starting in the line will be Ken Roberson, 148, and Bobby Pearson, 145, ends; Dwight

Bearden, 180 and Terry Scarborough, 185, tackles; Mike Featherstone, 150, and Arthur Miller, 165, guards; and Charles Boyd, 145, junior.

Here's Easy Way To Make Money

Wanta make an easy 10 bucks?

It isn't hard. All you have to do is pick the winners of football games.

And if you're good enough at it to win, The Enterprise will shell out \$10 if you win first place, \$6 for second and \$4 for third.

Friday's the last day to enter the contest for this week. All you need to do is get a copy of the August 24 Enterprise, circle the teams you think will win and turn in your entry to one of the merchants sponsoring the contest by 4 p.m. Friday.

Two tiebreaker games are listed, Olton vs. Petersburg and Hart vs. New Home. On those you guess what the scores will be.

Be sure you get the Aug. 24 issue of the Enterprise, because it carries the games of this Friday night. The contest in today's issue carries the games of next week, and you have a full week left to enter that one.

Remember, 4 p.m. Friday is the deadline on this week's contest.

Church Sets Up Own Radio Station Here

A non-commercial, part time radio station will begin broadcasting in Olton Sunday morning with the services of the Main Street Church of Christ.

Owned by the church, the station will only reach a five mile radius around Olton, according to Alfred White, minister.

Both Sunday morning and evening services will be broadcast. Weekday broadcasting will begin Monday morning at 7 a.m. Each morning the station will be on the air from 7 to 9 and each evening from 7 to 9.

The station is something new in the field. It requires no license to operate and no antenna. The beams will run on electrical and telephone wires.

"We are not in competition with any radio station," White said this week, "and it will cause no interference."

Some of the things the church plans to include in the broadcasts are devotionals, Bible

study, religious music, possibly other types of music, Spanish sermons and if desired programs of school assemblies and football games.

"We will not be trying to influence anyone to our belief," White added.

"We are adding the station as a community service. It will only be for Olton and we feel it can serve a definite purpose here."

Location of the station radio dials will be announced later.

Reserve Seats For Football On Sale Here

Ticket sales for reserve seats at home football games continued this week with "plenty of seats left," according to Dorman Thomas, school business manager.

Selling for \$7.50, tickets may be purchased from any member of the Quarterback Club. Tickets are for the five home games with the first home game scheduled Sept. 8 when the Mustangs will play McCamey.

First game of the season will be at Petersburg tomorrow night.

Those who had reserve seats last year will be given first chance to buy the tickets for the same reserve seats this season.

Two Teachers Resign Here

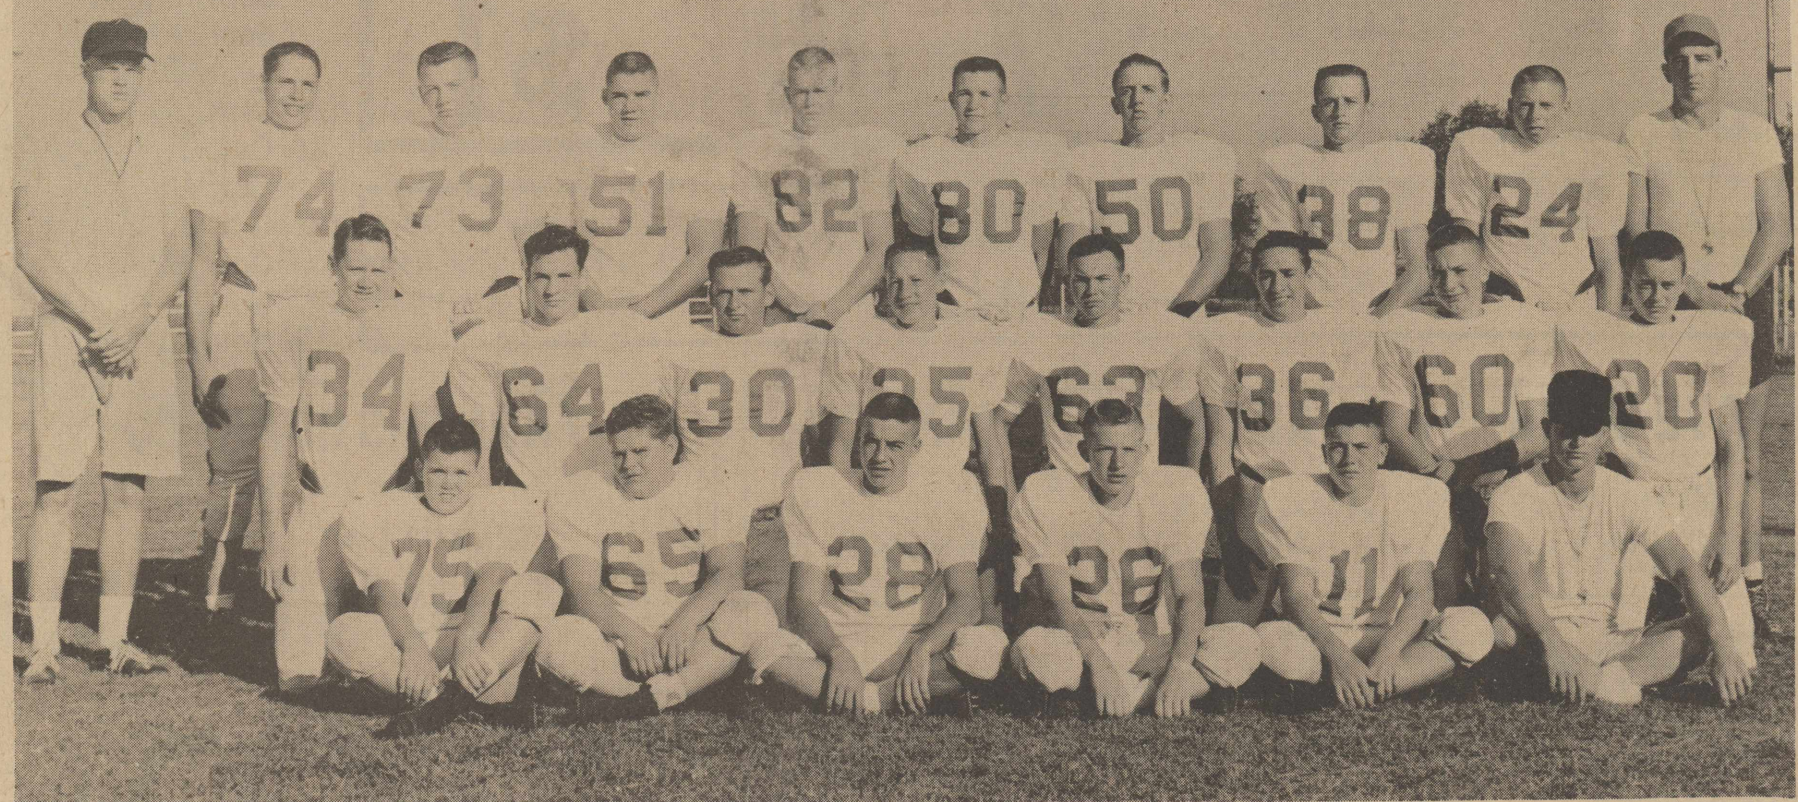

Mr. and Mrs. Willis Hedges, both teachers in Olton schools, resigned this week leaving two more teacher vacancies.

Hedges taught seventh and eighth grade social studies here last year and was to have taught physical education this year.

Mrs. Hedges was a second grade teacher.

They have accepted positions with the Plainview schools.

Their resignations brought the total number of teachers now needed to four. Two teachers are needed at Bohner School.

OLTON MUSTANGS FOR 1961—From left, front row, Billy Cox, Jimmy Bennett, Johnny Schenck, Lyndrell Howard, Clyde Galloway and Coach Pat Blessing. Middle row: Rusty Sherman, Johnny Conder, Charlie Burrus, George Jones, Gary Bizzell, James Loveless, Robert Struve and Ronnie Parsons. Back row: Head Coach Walter Bryan, Larry Fancher, Joe McKnight, Robert Duncan, Jimmy Lawson, Roy Moss, George Phillips, Johnny Moses, Gary Johnson and Coach Robert Nickerson.

Longhorns Tackle New Home Friday

Hart's Longhorns, rated a contender for the District 2-B title this year, take on New Home Friday night in a non-district battle at Hart.

Last year's Longhorns took a 16-8 victory over New Home, with Connard Riddles and J.T. Stanton scoring the touchdowns.

Riddles isn't back this year, but Stanton is along with hard-hitting Larry Lee, the 'Horns' 200-pound fullback who runs the 100 in about 10 seconds.

Also back are Quarterback Joe Rubalcaba and Scatback Billy Farris.

Longhorn captains this year are Lee, End Johnny Kittrell and Guard Eufemio Rubalcaba.

In all, fourteen lettermen are back from the team which won four, lost five and tied one last year.

Bovina and Happy, along with Hart, are rated the top three in contention for the district title this year.

Teaming with Kittrell at end is another veteran, Felix Rodriguez, a freshman letter winner last year.

David Irons, a letterman last year, and Royce Talley, a squadman, will man the tackles.

At guards will be Eufemio Rubalcaba and Mike Morrison, while the center will be Jack

Witten.

Game time is 8 p.m.

The Longhorns, coached by John Blocker and John Cotton, meet Springlake there in their second game Sept. 8.

Hart To Hart

Mrs. Max Stephens and Elizabeth were in Artesia, N.M., most of this week visiting friends.

Claudine Ellis of Lockney spent the weekend with Linda Cole.

The Everette Cole's visited in Lockney Sunday afternoon.

Mr. and Mrs. J.E. Anthony and Lee Ann from Vernon visited in the home of Mrs. Anthony's parents, Mr. and Mrs. Lee Harris, Thursday of last week.

HERE IS PART OF THE CROWD which attended the annual field day of the Running Water Soil Conservation District Tuesday at Hart. This free meal was sponsored jointly by Farmers State Bank of Hart and First State Bank of Dimmitt.

75 Farmers Out For Annual Conservation Field Day At Hart

About 75 farmers turned out Tuesday for the Soil and Water Conservation Field Day in Castro County.

Headquarters for the event

was the Hart American Legion Hall. The event is held annually in the Running Water Soil Conservation District.

Pretty weather prevailed for a field tour held during the afternoon.

It followed talks by conservation specialists during the morning and a free noon meal sponsored jointly by Farmers State Bank of Hart and the First State Bank of Dimmitt. Wade Mills, an outstanding conservation farmer who lives near Hart, was program chairman for the day.

Speakers for the morning session included Jack Douglas, agronomist with the SCS; Dave Sherrill, Extension Service Specialist; and James Valiant, water engineer from the High Plains Research Foundation at

Halfway. The tour included various farms west of Hart, with emphasis on sound water conservation practices, and the establishing and management of permanent pasture.

HART PRESENTS—Debbie and Dee Anna Bailey, daughters of Mr. and Mrs. Joe Bailey. Grandparents are Mrs. R.B. Bailey of Petersburg and Mrs. Fred Johnson and W.O. Winningham of Ottumrue, Iowa.

Church Of Christ Buys Radio Unit

The Hart Church of Christ has purchased a small radio unit and will begin broadcasting Monday from 6 to 8 a.m.

The broadcasts may be picked up on radios in Hart and five to ten miles out in the area surrounding Hart according to Glenn Crowe, minister of the Church of Christ.

FOOTBALL CONTEST

WEEKLY PRIZES!

CONTEST RULES

Winners selected in each ad must be circled in ink or pencil. Tie-breaker winners must be circled and scores printed in the spaces made available for them.

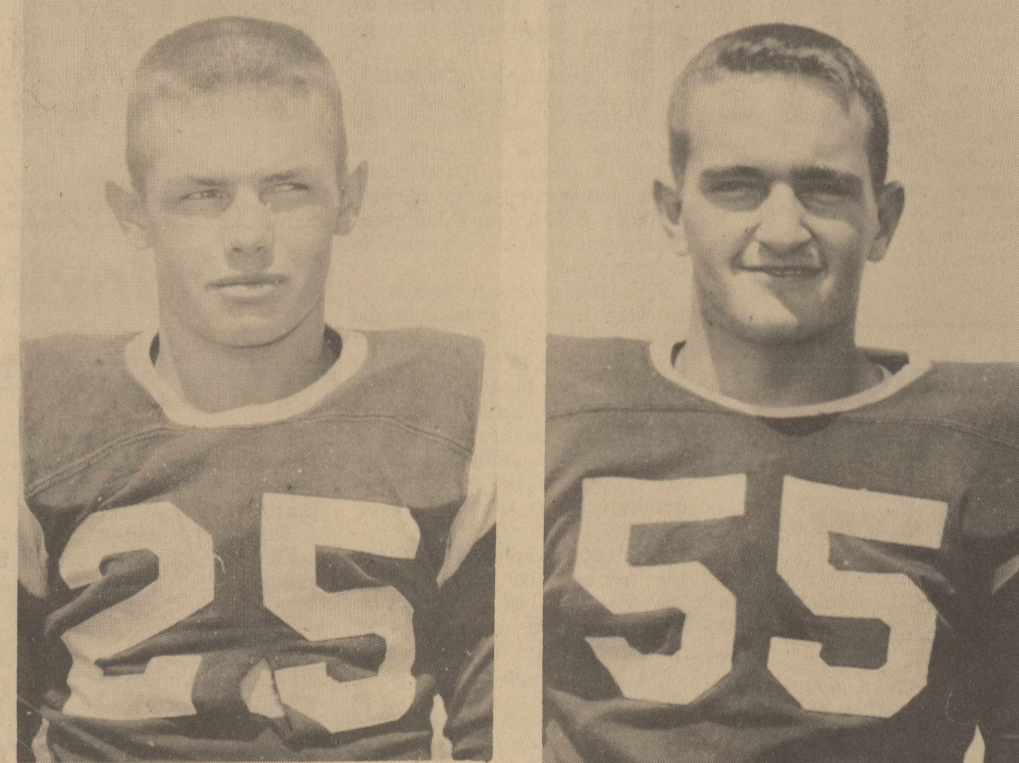

Each week's entry must be turned in to one of the merchants sponsoring the contest. Contestants are given a week to prepare and turn in their entries. When they receive their paper on Friday, they have until the next Friday at 4 p.m. to turn in their entries.

Sponsoring merchants may accept mailed entries, but none mailed directly to the Enterprise will be accepted. All late entries will be discarded.

In case of ties, a coin will be flipped to determine the winners. Anyone may enter except employees of the Enterprise or their families.

LAST WEEK'S WINNERS

Top three winners each week will be listed here. See how often your name can be listed.

Pigg Delivers First Hart Maize

Hart's first load of grain for the 1961 season was delivered Monday about 6:45 p.m. to the Hart Grain Co., Inc. Henry Pigg of Hart brought in 14,200 pounds of milo to the elevator.
 The grain, from DeKalb F-62a, was harvested from 2 1/2 acres off the Green Henderson place two miles west of Hart. Hart Grain Manager Wister Clevenger said Pigg was paid the loan price of \$1.78 plus

a 25-cent per hundred premium for the first load.
 The company also will buy new hats for both Pigg and Henderson, Clevenger said.
 This year's first load came about a week ahead of the first load in 1960, which was delivered Sept. 3, 1960, by Edgar Varner.

Hart FFA Buys Champion Boar

Wilburn Brooks of Hart FFA Chapter purchased the Champion Hampshire boar at the recent Southwest Fair Show in Lubbock. The boar was consigned by Buddy Winters of Idalou.
 Brooks also purchased the two top gilts.
 Jerry Felder was high individual in the livestock judging contest and received a billfold and plaque.

'Irrigation Rodeo' Set For Saturday

The Senior and junior "Irrigation Rodeo" will be held at Hart Saturday at the American Legion grounds.
 The "Irrigation Rodeo" was an annual event in Hart until 1959.

Entrance fee this year is \$2 and people from surrounding towns are invited to enter.
 Prize money in the senior division will be first, \$25; second, \$15; third, \$7.50.
 Junior division prizes are first, \$15; second, \$10; third, \$7.50.

The first "Irrigation Rodeo", sponsored by the Hart American Legion, was held in 1954 with 30 men entered in the preliminaries.

The contest started as an outgrowth of banter between the young farmers who were members of the American Legion.

Clear plastic tubes are used in the contest so that bubbles and stops can be readily seen.

Water level is kept static so that all will have equal opportunity.

Contestants place the tubes in each row with no part of the tubes touching the water. They then start setting the siphon tubes as a time keeper records the amount each contestant takes to start his tubes. When finished the time keeper reports the time to the "bubble judge."

Time is added for any stopped tubes or bubbles in the tubes.

All contestants must try to set each tube.

Mrs. Mable Aven Is Honored At Birthday Party

Mrs. Mable Aven was honored on her 70th birthday with a lawn party at her home Aug. 11.

Mrs. Aven was born at Brownwood Aug. 11, 1891, moved eight miles west of Plainview in 1916 and came to Hart in 1931.

All of Mrs. Aven's children attended Hart School and she now has great grandchildren in the Hart School.

Those attending the party were Mr. and Mrs. Bacon Jones and family of Lubbock, Mr. and Mrs. Helery Aven and family of Hereford, Mr. and Mrs. Houston Carson and family of Sunnyside, Mr. and Mrs. Buster Aven, Mr. and Mrs. Dudley Aven and family, Mr. and Mrs. Joe Edd Carson and family, Mrs. Melvin Aven and children, Mr. and Mrs. Earnest Lee Brooks and family, all of Hart and Duane Brown of Dimmitt.

Ronnie Gardner and Judy Sanders were in Lubbock Aug. 13 to 17 attending the school for the annual staff.

Mr. and Mrs. Bill Rich were in Petersburg Sunday for a turkey shoot.

MRS. MABEL AVEN

Hart Has New City Clerk

H.E. Loman resigned as city clerk Monday night at the regular meeting of the Hart City Council.

The resignation is effective Sept. 1 when Bobby Reed will take over the position.

Reed stated that payment of water bills may be mailed directly to him at Box 272, Hart or may be left at the Ed Harris Lumber Co.

Bill Sharp To Enroll In School For Blind

Bill Sharp will enroll in the school for the blind at Kerrville Sept. 1. Mr. Sharp lost his eye sight from Anhydrous Ammonia several months ago. This school will last three months.

He is being sponsored by the Hart Lions Club.

Facts About Your Coming City Bond Election

1. Will it raise your taxes?
Answer: Yes
2. How much will it raise your taxes?
Answer:

You can best answer this yourself by using the following: Take your tax receipt from last year, and take the amount your property was valued out for taxes by the City. Multiply this amount by 20% and add to last year's value. This would be your new tax value on your property. Take the new figure and multiply this by \$1.50 per hundred or \$15.00 per thousand. This would be your new tax. Now compare this with what you paid last year and this will be the increase.

Example: Based on a Property Valued at \$10,000.00.
 10,000.00 Old Value

.20%
 2,000.00 Property Value Increase
 10,000.00 Old Value
 12,000.00 New Valuation

12 x 15 equals \$180.00 your tax last year would have been \$135.00 so your new tax would be \$45.00 greater.

3. Where will the sewer lines go?
Answer:

The best way to satisfy yourself on this is to go by the Bank, or City Office and look at the map. This map will show the proposed sewer lines and all property to be covered.

4. If you have other questions, they are invited by your City Board. We will be happy to try to answer them.
5. Know what you are voting on and then vote as you see fit.
6. It should be considered that on the Water Improvement Proposition that these bonds are revenue bonds and will in no way affect your property tax. Too, these bonds are not to be sold now, but at a future date when they may be needed to serve the needs of the City.

Two Plainview Boys Located At Hart Sunday

Two run-a-way boys from Plainview, both 13-years-old, were picked up in Hart Sunday night about 9 p.m. by Deputy Sheriff Granville Martin.

The boys were reported to have left home Friday night and to have been in the Olton area most of the time. They had had nothing to eat except what they had found in gardens near the highway. They said they had had a few tomatoes and peaches to eat Sunday and had slept in a field near Olton Saturday night.

Deputy Martin said he saw them when they got out of a pickup with some Mexicans who had given them a ride from Olton to Hart.

The Plainview police, who had had calls out trying to locate the boys since Friday night, were notified

American Legion At Hart Elects Post Officers

Election of Post officers for the Hart American Legion was held at a regular meeting in the American Legion Hall last Tuesday.

Officers of the previous year were re-elected to the same posts. They are as follows: Jimmie Davis, post commander; Bud Steiert, post adjutant; Ed Harris, post service officer; Ralph Futrell, first vice-commander; Theron Morrison, second vice-commander; T.C. Ray, child welfare and Claude Ray, sgt. at arms.

Also re-elected were Rodney Smith and Ed Bennett, color bearers; Rev. Denzil Leonard, post chaplain, and Bud Steiert and Ed Harris, hospital equipment.

Saturday, September 2, was designated for the Irrigation Tube Setting Contest. Committees for the year were appointed as follows: building committee; Jimmie Davis, Bud Steiert, Rodney Smith, Ed Bennett, Ralph Futrell and Willis A. Hawkins Jr.; finance committee; Bud Steiert, Rodney Smith, Jimmie Davis and Ed Bennett.

Music Students Have Recital

Students of the Rozanna's School of Music were presented in recital at the First Baptist Church in Hart last Thursday.

The students were under the direction of Mrs. A.F. Denton and Miss Houerhea Denton.

Classical numbers, folk songs, duets and novelty skits were presented by the piano, voice and accordion students. The following students took part in the program: Carol, Rebecca and Bruce Futrell, Rosemary Lee, Margaret Swindle, Sharon Rogers, Harold, Ricky and Sandy Bennett, Mike and June Leonard, Gayle and Nancy Reed, Tona Clevenger, Sharon Boss, Brenda Armstrong, Cindy Dyer, and Cheryl and Terry Neuman.

Also on the program were Debbie, Barbara and Kirk Hanson, Gaylene Hawkins, Paul, David and Ruth Harris, Allene Vannliet, Veronica Cox, Jerry McAdams, Beverly Harrison, Linda Adams, Patricia Richberg, Suzanne Constant, Vickie Hawkins, Irene Cox and Debra Hardy.

Pancake Supper Set At Hart

Football fans will eat flapjacks at the Hart American Legion Hall Friday prior to the Hart-New Home grid game.

The Hart Lions Club is sponsoring a Pancake Supper from 6 to 8 p.m. Proceeds will go to Lions Club community activities.

Hart Schools Enrollment Is 407

An enrollment of 407 for the 1961-62 school year was reported this week by the Hart Schools.

Enrolled in the first grade was 64; second, 57; third, 50; fourth, 39; fifth, 51; sixth, 25; seventh, 27; eighth, 29; high school, 66.

Rev. Dinzel Leonard gave the invocation at the opening assembly Monday and a welcome was given by Paul Kennedy.

C.G. Graves, the new elementary school principal, introduced the teachers in junior high school and elementary school. High school teachers were introduced by Malcolm Atwood.

RISKY RESCUE—These pictures show the steps taken by several Olton men who rescued Glenn Singleterry from the loft of a huge grain storage bin last Thursday. Singleterry was spraying grain in the high bin with poison, to kill bugs when he was overcome by the fumes. A worker at the elevator who found Singleterry said he had been in the bin about 45 minutes. The spraying usually takes Singleterry only about 15 minutes. In the first photo, Dr. Basil Johns and Frank Cornelius are ascending the steel ladder to give oxygen to Singleterry,

who was unconscious. The second picture shows firemen extending a ladder to Percy Parsons. The third photo shows Singleterry shortly after he regained consciousness, and came out on the small platform to get some fresh air. The fourth scene pictures Singleterry being lowered to the ground by a handline. In the final picture, Singleterry is being loaded into the ambulance on a stretcher. He was released from Community Hospital after an examination.

VISIT ADAMS

Visiting in the A.D. Adams home last weekend were Mr. and Mrs. W.V. Adams, Mrs. M.L. Bradford, Joetta, Debbie and Sharon, all of McCamey.

RUIDOSO VACATION

Vacationing in Ruidoso, N.M., over the weekend were Mr. and Mrs. J.M. Machen and Gayle.

VACATION IN DENVER

Mr. and Mrs. D.W. Thomas and family and Mrs. Thomas's parents, Mr. and Mrs. E.B. Cornell of Crane, vacationed in Denver, Colo., recently.

VISITS MRS. KNIGHT

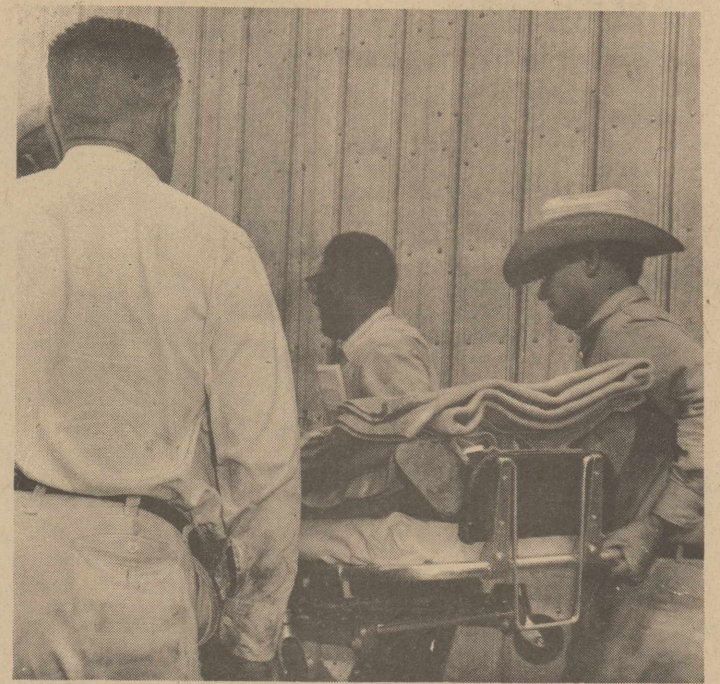

Dale Parsons, son of Mr. and Mrs. Percy Parsons, is visiting his aunt, Mrs. Bob Knight of Woodward, Okla., this week.

OUT OF HOSPITAL

Mrs. Louis Clark of Olton was dismissed from Plainview Hospital and Clinic Thursday after a 15-day stay.

IN THOMAS HOME

Mr. and Mrs. Theo Bell of Corpus Christi visited last Wednesday and Thursday in the home of Mr. and Mrs. D.W. Thomas and family.

**A More Prosperous Community
Doesn't Guarantee**

Happiness

...but it helps

Buy... where your trade reinforces the material foundations of your own happiness

The recipe for true happiness calls for various ingredients to satisfy different people... just as cakes are baked with a variety of frostings and flavorings to please different palates. But... with cakes... the basic ingredients are always about the same... flour, sugar, shortening, etc. Much the same thing is true of happiness.

No matter what type of trimmings each of us may prefer on our individual happiness, the fundamental elements are about the same for all... good health, a good job or a prosperous business, ade-

quate schools for our children, strongly supported churches in which to worship... and many good neighbors, friendly and secure.

These latter things... call them the material essentials to happiness, if you will... can be assured by a substantial and ever-growing trade volume in our community. Which we, ourselves, can create if all of us spend our money here... where we live and make our living. Spending away from home strengthens the foundations of our city neighbors' happiness, and weakens our own.

**SPRINGLAKE NEWS
Donnie Clayton Has
First Load Of Milo**

Donnie Clayton brought in the first load of E56 milo, for Clayton Bros. of the season. It was brought in Aug. 24 at 5:15 p.m. to the Springlake Elevator. The milo moisture test was 16.05 and weighed 5980 lbs. It made 45 lbs. off the bushel and was cut off approximately two acres of dry land.

Mrs. Myrtle Clayton and Mrs. Ann Kelly and girls, Donita, Annita and Connie, visited in Clovis Wednesday with Mrs. Clayton's uncle, Seburn Chitwood. He is 92 and has been seriously ill, and is now convalescing in the home of a son, Andrew Chitwood.

Mr. and Mrs. Ernest Goforth toured northern New Mexico and parts of Colorado from Tuesday until Saturday.

Mr. and Mrs. Randy Ward and twin daughters, Sharon and Karon, moved from Colorado last week to the Jess Watson home.

Jimmy Lee Packard was admitted to the Methodist Hospital Wednesday for tests and treatments. He was dismissed Saturday morning. Further tests will be made this week because he had bronchitis and they could not be made.

Mrs. Crumpton and children from Providence, Ala., left Tuesday for their home. They have been visiting with Mrs. Johnnie Busby.

WEEKLY PRIZES!

CONTEST RULES

Winners selected in each ad must be circled in ink or pencil. Tie-breaker winners must be circled and scores printed in the spaces made available for them.

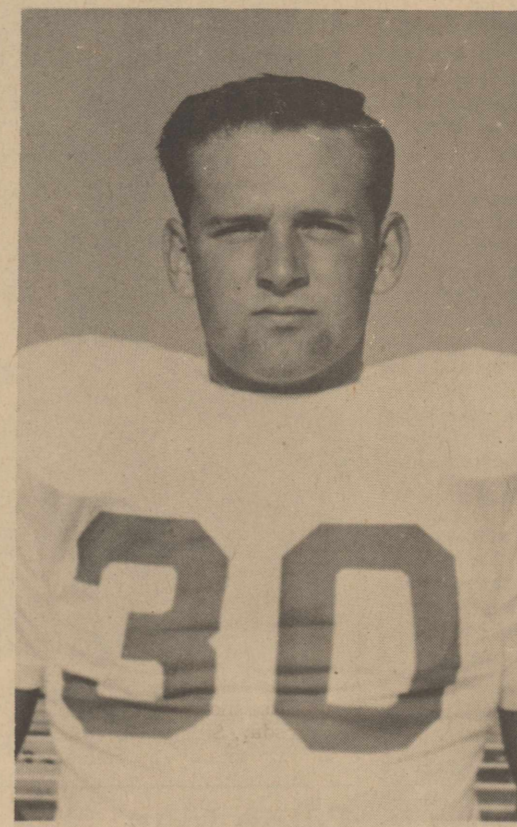

Each week's entry must be turned in to one of the merchants sponsoring the contest. Contestants are given a week to prepare and turn in their entries. When they receive their paper on Friday, they have until the next Friday at

4 p. m. to turn in their entries.

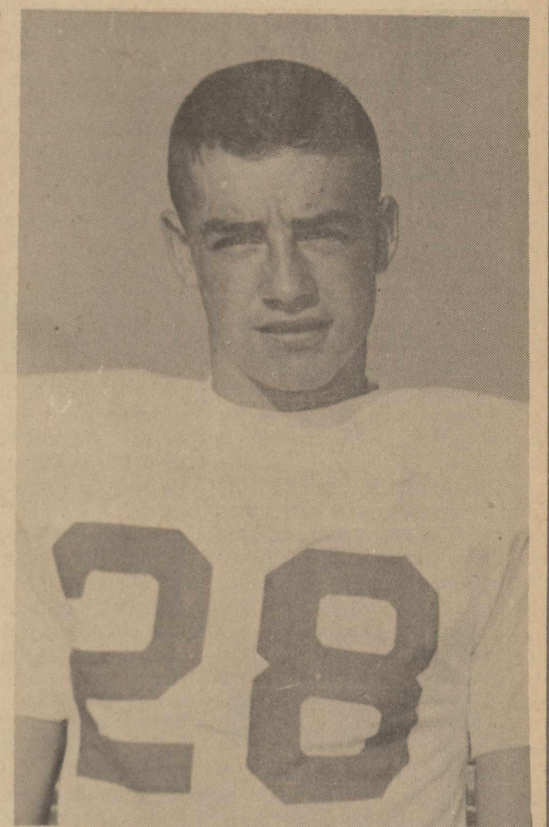

Sponsoring merchants may accept mailed entries, but none mailed directly to the Enterprise will be accepted. All late entries will be discarded.

In case of ties, a coin will be flipped to determine the winners.

Anyone may enter except employes of the Enterprise or their families.

Emmitt Harper Describes 'Hair-Raising' Experience

What would you do if you found a strange car in your front yard with a man slumped in the seat?

Just what Emmitt Harper did, most likely. . . get scared to death!

It was bedtime in the Harper home last Thursday night, and the family was getting settled for the night. Suddenly the silence was broken by a scream as Rita Harper raced into her father's bedroom and cried that someone was in the front yard, shining his carlights through her window.

"Now anybody knows that people just don't go around parking in other people's yards," Emmitt thought, quite amused at his young daughter. However, Emmitt forgot his amusement upon investigating the situation, and finding it to be true.

After excitedly telling his wife, mother-in-law and other daughter, Jeanavon, to stay calm, he eased out the front door quietly and began to inch his way toward the car.

As Harper approached the car, he saw no sign of life. He mustered his courage and reached for the car's right door handle, only to find it locked.

His first impulse was to run back into the house, but he decided to try the other door. Upon reaching it, he noticed the glass was down.

As Harper edged nearer, he got the scare of his life. He saw a man slumped down in the seat, lifeless. He reached for the door handle, then hes-

itated. "No telling what's wrong with this guy," Harper thought. Harper decided it would be better to let the law investigate, and upon returning to the house, he called County Deputy V.L. Smith at Olton.

After Officer Smith looked over the situation, he realized that it was out of his jurisdiction because Harper lives in Hale County. So he suggested that Harper call Plainview officers.

It was only a matter of minutes before officers from Plainview arrived on the scene, which was becoming quite hectic.

It only took the officers a minute to smell the reason the mystery man seemed lifeless. . . he was drunk, and soon on his way with the officers.

After an excited discussion of the experience, the Harper home returned to its normal routine, and the lights clicked off for the night.

And the Harpers were soon asleep. However, the incident had brought one change in the Harper household--Jeanavon and Rita decided one twin-bed was large enough for both of them.

VISIT BRIGANCES

Miss Jane Russell of Cameron spent Wednesday in the home of her grandparents, Mr. and Mrs. A.C. Brigance. Miss Russess who attends Howard Payne College, Brownwood, was accompanied by five other Howard Payne students. The young people were returning from Glorietta Baptist Encampment.

THEY'RE OLD COWHANDS--Talking over the situation after the weighing of cattle in a demonstration here Monday are, from left, Owen Norfleet, Eldon Franks, Dick Whiteley, John Shaw and C. E. Bley, standing.

Olton Man Named To Board At LCC

Buddy Ray Hedges, an American Founders Life Insurance salesman of Olton, has been named to the Advisory and Development Board of Lubbock Christian College in Lubbock.

Dr. F.W. Mattox, LCC president, said that the selection of Advisory Board members is based on the candidate's active interest in Lubbock Christian College, participation in volunteer campaigns for the college, and leadership in the local community.

As an Advisory Board member, Hedges will represent LCC by contacting prospective students, by keeping potential donors informed about the college's progress, and by attending Advisory Board meetings.

Hedges, who is a member of the National Association of Life Underwriters, is a graduate of Olton High School and he has attended Texas Tech.

Highway Department Sends Check

The Texas Highway Department has sent Lamb County a check for \$11,571.26 for right of way payment.

The money is partial payment for the state's share of the cost for land need on U.S. Hwy. 84, between Amherst and Hockley county line.

While county and state share the cost of the right of way, the Texas Highway Department bears the cost of title insurance and pays the entire cost of appraisal work ordered by the Department. Checks for these items have already been forwarded from the Texas Highway Department to the parties concerned.

JOHNSONS VISIT HERE

Mr. and Mrs. Bobby Johnson and daughter, Jolissa, of Austin will be visiting for the next two weeks in the homes of Mr. and Mrs. Tom Smith and Mr. and Mrs. J.A. Johnson.

Cattle Weighing Is Held Here Monday Morning

A cattle weighing here Monday morning in Olton's first self-feeder cattle demonstration showed the cattle had gained 3.221 pounds per head per day.

This was the third weighing in the demonstration which got under way here July 3.

The 20 Whiteface heifers, owned by Allen Johnston, showed an average weight of 612.25 pounds on July 31, date of the second weighing.

Average weight of the heifers to start was 547.35.

The cattle have been on Purina's cattle feeding program for a total of 56 days. Feed cost over the second 28-day period was 16.006 cents per pound of gain.

The demonstration is sponsored jointly by Olton Farm Supply and the Ralston Purina Company.

Efficient, fast-gaining cattle feeding is the goal of the project, which could open up more interest in cattle feeding in this area.

Members of the weighing committee are Bill Kimbrough, Lamb County agent; Lloyd Graham, Owen Norfleet, Calvin Horn, Bill Turner, Art Nafzger, Elmer McGill, Truitt Sides and Dick Whiteley.

Next weighing date is Sept. 25. The public is invited.

Soil Test Costs Texas Farmers Two Dollars

College Station - During the months of May and June, Texas farmers submitted 1,149 soil samples to the Agricultural Extension Service Soil Testing Laboratories, reports William F. Bennett, extension soil chemist. The largest number of samples was submitted to the laboratory at College Station, the second highest to the High Plains laboratory, and the least to the Baylor County lab.

Bennett points out that the Extension Service maintains these laboratories for Texas farmers to use in determining their fertilizer and limestone needs. Even though soil tests have some limitations in determining fertilizer needs, Bennett says the \$2 spent on a soil test is the most important money spent in a fertilizer program.

The chemist closes by saying that farmers who are planning fall crops should submit their soil samples now. This will insure receiving the analysis in time to apply the needed fertilizer.

VISIT ROSS HOME

Sunday visitors of Mrs. Tom Ross, Tommy and Lisa were Mr. and Mrs. W.T. Ross of Flomot.

VISIT PASCHALS

Guest in the Hoyte Paschal home last Sunday was Mrs. Margaret Paschal of Lubbock.

Whether your crop is standing or down

HESSTON ROW CROP SAVER

SAVES MAIZE

Up to 8 bu. per acre in standing crops
Up to 90% if crop goes down

A Hesston Row Crop Saver can easily be your most important equipment investment! The Hesston makes you money by increasing yields--up to 8 bushels per acre in standing or leaning milo/maize. It saves up to 90% of your crop if it goes down because of drought or storm damage. Hesston gets under down-stalks and lifts them up where rotating belts can get hold of them for delivery to the platform. There is no reel shatter nor "slobber."

The Hesston is the original Row Crop Saver and has harvested more maize than any attachment of its kind. Available in 2-, 3-, and 4-row units, adjustable for rows 24" and up. Sealed bearings, single round-belt drive, positive delivery with slip clutch protection give trouble-free operation. Fits 56 S-P and pull-type combines.

There's nothing like a Hesston!

NEW TEACHERS in the Olton Public School system are from left: Charles Choate, Mrs. Kathryn Cope, Jimmy Priest, Thomas Rawlins, Robert Nickerson, Miss Gayle Scott, Bobby Fred, Mrs. Ester Graham, Miss Sandra Meadows, Mrs. Elmer Moore and Grady Cope. Classes began Monday in the Olton schools.

12 New Teachers On Olton School Faculty

Twelve new teachers have assumed duties for the first time at Olton Public Schools this fall, according to Supt. Johnny Clark.

New members of the high school faculty are Robert Nickerson, Charles Choate Jr., Miss Sandra Meadows, Miss Gayle Scott, Bobby Fred and Jimmy Priest.

Joining the junior high staff is Thomas Rawlins.

New instructors in elementary school are Mr. and Mrs. Grady Cope, Mrs. Esther Graham and Mrs. Elmer Moore.

Miss Peggy Swazy is the new Bohner School music teacher.

Nickerson, 24, and his family moved to Olton about two weeks ago from Spur, where he taught drivers education, algebra I and business math,

and served as assistant football coach last year in the high school.

Prior to that he taught a semester at Yoakum High School, after graduating from Abilene Christian College in 1960 with a BS degree in secondary education.

He will join the high school staff here as assistant football coach, boys' basketball coach, and a high school history teacher.

Nickerson and his wife are members of Main Street Church of Christ here. They have one child.

Fifty-six-year-old Choate, who will teach high school mathematics here, made his debut

as a teacher in 1926 at Henry Chapel at Jany.

After leaving there in 1928, he taught a year at Gasaline. In 1933 he taught the seventh, eighth and ninth grades at Padgett.

He then taught a year in Titus and in 1945 took his first job as a high school teacher at Bryson, where he taught algebra I and II and plain geometry. He continued teaching high school mathematics in 1946-47 at Olney.

After leaving there, he taught 12 years in Andrews High School until 1959, when he moved to Graham, where he has taught math the past two years.

He was graduated from Graham High School in 1923 and attended John Tarleton State College two years. He resumed his college education at North Texas State Teachers College, where he received his BS degree in education. In 1958 he received his MS degree in education from Sul Ross College, Alpine.

Miss Meadows, an Irving High School graduate, was graduated from Texas Christian University, Ft. Worth, in 1957 with her BS degree in physical education. She received her MS degree from North Texas State Teachers College this summer.

After teaching P.E., biology and coaching basketball four years at Castleberry High School, Ft. Worth, she will coach girls' basketball here and teach girls' physical ed-

ucation.

Miss Gayle Scott will teach home economics in high school. A graduate of Samnorwood High School, she attended Amarillo Junior College and received her BS from West Texas State this year.

She practiced teaching at Tascosa High School at Amarillo this year.

Bobby Lewis Fred, 26, will teach high school English. A graduate of Morton High, he received his BA from Wayland Baptist College this year.

Jimmy Priest, 24, will be the new band director. A graduate of Olton High School in 1955, he graduated from ENMU at Portales, N.M., in 1959 with a major in music.

He has taught at Carlsbad, N.M., the last two years at Alta Vista Junior High School. The band won sweepstakes both years he was there.

When in Olton High School, he was All State, first chair trombone his senior year, as well as being honorable mention for all-state in football.

Thomas K. Rawlins, 31, is the new junior high science teacher. A graduate of Leveland High School, he received his BS from Sul Ross State College, Alpine, in 1957, and his MA from Sul Ross in 1958.

He taught last year at Childress High School.

Mr. and Mrs. Cope will teach

THE 1961 FORD COSTS LEAST TO OPERATE

The American Automobile Association says it costs the average driver almost 4 cents a mile for gas, oil, tires and maintenance.

Car Operation Costs Going Up

NEW YORK—With many Lamb County families away on vacation jaunts in their cars and others getting ready to go, the matter of how much the trip will cost is one of prime consideration.

Another question that a driver asks himself, especially when having such a trip is: "How much am I spending a year to operate it?" Few of them have more than a rough idea.

According to the American Automobile Association, which has just released figures on the subject, it costs more to run a car today than it did two years ago, when a similar report was issued.

The typical driver of a standard-size sedan is the popular price range, which is averaged a year, which is averaged, now spends \$1,203 annually for maintenance and operation, compared with \$1,178 in 1959.

In Lamb County, under these normal driving conditions and on the basis of the 5,560 passenger car registrations, local residents are spending an estimated \$10,298,000 a year. A breakdown by the AAA shows that a car costs \$2.21 a day, or \$807 a year, even when it is not being used.

The largest part of this fixed charge is depreciation, which amounts to \$645 a year.

In addition, there are the non-fixed charges—for gas, oil, tires and maintenance—which come to 3.96 cents a mile, according to the AAA.

All told, for 10,000 miles a year, the cost is \$1,628, bringing the rate down to 8.1 cents a mile.

For those who go only 5,000 miles a year, however, it shoots up to 20 cents per mile.

Studies show that operating costs have little effect on the extent to which cars are used. In Lamb County last year, filling stations receipts came to a healthy \$2,060,000, compared with the 1959 total of \$1,920,000.

Local Golfers Enter Muleshoe Tournament

Olton golfers entering the Muleshoe golf tournament last weekend were Carroll Cox, first flight; T.J. Roberson, third flight; Leroy Hackler, fourth flight; R.V. Allcorn, fifth flight; Bob Copeland, fifth flight; Herb Owen, sixth flight.

In Friday's play, John Renner of Friona defeated Cox 1 up. Dick Garner of Plainview defeated Roberson 2 and 1 and A.S. Stovall of Muleshoe defeated Hackler 3 and 2.

Allcorn defeated Don Lamar, Morton, 2 and 1. Bob Copeland defeated A.H. England, Clovis, N.M., 2 and 1 and Owen defeated Allen Gardner, Leveland, 4 and 3.

Saturday in the consolations, Cox defeated Gary Middleton, Morton, 4 and 3 and Roberson defeated H.L. Barbour, Muleshoe, 4 and 3. Hackler was downed by Shorty Burkett, Clovis, N.M., 2 and 1.

In other play Saturday, Robert Hoffman, Slaton, took Allcorn, 2 and 1 and Bill Bovell, Muleshoe, defeated Copeland 1 up. Owen was downed by Neal Rose, Morton, 4 and 2.

Sunday in the consolation semi-finals, Cox defeated Smokey Stover, Clovis, 1 up but was downed in the finals by Eugene Bentley, Midland, 5 and 4.

Roberson was defeated in the consolation semi-finals by Bob Maxwell, Tulsa, 4 and 3.

NO TALL TALE—This one is for real as shown by Stephen Busby, 9-year-old son of Mr. and Mrs. J.H. Busby of Springlake. Stephen caught the fish, one of the "Granddaddy" Rainbow Trout at Red River, N.M. last week. The fish is 15 1/2 inches and weighs 1 1/4 pounds. Stephen is the grandson of Mr. and Mrs. J.C. Hood of Olton and Mrs. J.E. Busby, Springlake.

Graveside Rites Are Held For Sweat Infant

Graveside services were held Sunday at 2:30 p.m. in the Olton Cemetery for the infant daughter of Mr. and Mrs. Lloyd Sweat of Olton.

The infant was stillborn in the Medical Arts Hospital, Littlefield.

Father Cocorhan of Muleshoe Catholic Church officiated.

Survivors, in addition to the parents, include two brothers, Gregory and Mike, and two sisters, Bernie and Debra, all of the home; maternal grandparents, Mr. and Mrs. Harold Hays of Saranac, N.Y.; and paternal grandparents, Mr. and Mrs. T.G. Sweat of Colorado City.

Burial was under the direction of Parsons Funeral Home.

Harlan Carsons Become Parents Of First Child

A son, Kody Chad, was born to Mr. and Mrs. Harlan Carson last Thursday in Plainview Hospital and Clinic.

The little man weighed 8 lbs., 2 ozs., at birth at 6 a.m.

Maternal grandparents are Mr. and Mrs. Tom Witten of Olton. Paternal grandparents are Mr. and Mrs. H.B. Carson of Olton.

Mrs. E.F. Witten and Mr. and Mrs. J.E. Smith, all of Plainview, are maternal great-grandparents. Mrs. J.L. Carson Sr. of Olton and Mr. and Mrs. J.L. Gentry of Holdenville, Okla., are paternal great-grandparents.

Davis Expected Here Saturday

Archie Davis, ORC golf pro, and his 16-year-old son, Michael, who were injured in an auto crash near Houston about three weeks ago, were reported to have been dismissed from the hospital last Saturday.

Davis was in a Houston hospital. His son was in a Baytown hospital.

Davis is expected to return to Olton Saturday. Michael will remain in Baytown and attend school there until mid-semester.

The pair were in route to Baytown when the mishap occurred.

Long, Charlotte Brigance, Barbara Cowart, Jane Ann Duncan, Brenda Thurman and Linda Bruton.

Annual Staff Starts Yearbook

Members of the Olton High School Mustang Annual Staff are making preparations this week for the 1962 yearbook, according to Lana Hair, editor.

Assignments to sections of the book were made Monday by the editor and David Howton, sponsor.

Preliminary layouts of the individual sections are being completed this week and pictures will be made next week by the photographer, Joe Price.

Sammy Clark, assistant editor, is also assistant to Kenneth Blades, sports editor.

Other section editors include: Joanna Lewis, organizations; Billie Beasley, assistant organizations and art editor and Judy

GA Has Meeting Wednesday Night

Girls Auxiliary of the First Baptist Church held their weekly meeting at the church Wednesday night, Aug. 23.

Theme of the program was "Christmas in August." Christmas decorations were used about the room. Each girl brought a gift to be sent to a missionary. Also the girls brought an offering to buy G.A. manuals for the Mexican Mission.

Those attending the meeting were Cindy Cross, Terri Miller, Deanna DeBerry, Brenda Hyatt, Laquita Small, Nancy Brigance, Sandy Wells, Betty Long, Charlotte Wells, Jodie Whittle, Linda Waldrop, Jerri Cross, Bennie Long, Janice

First Baptist Plans Revival

Fall Revival Services will be held at the First Baptist Church here Sept. 10-17.

Class Meets Wednesday

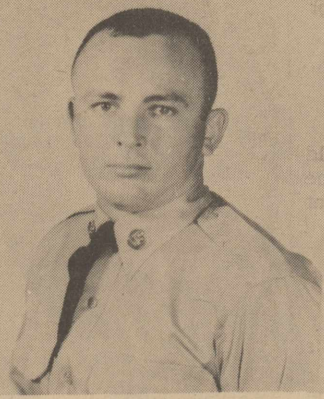

Alfred White, minister of the Main Street Church of Christ, taught the Ladies' Bible Class meeting Aug. 30 at the church. Topic of study was the 18th chapter of Matthew. Ladies attending the meeting were Meses. W.M. Armstrong, R.A. Lewis, D.Y. Ray, J.H. Capehart, C.M. Owen, T. Combest, Loyd Thomas, Sidney Allen, J.C. Dear, G.W. Locke, C.E. Hysinger, W.M. Smith, J.C. Scruggs, L.D. Smith, Fred Hicks, H.B. Maxey, D.R. Davis, Bill Bennett and M.R. Cavett.

LC Wheat Producers Vote 'Yea' In Quota Election

Lamb County wheat producers voted "yea" in an election last Thursday to determine whether or not wheat marketing quotas would be in effect on the 1961 wheat crop. Out of a total of 60 votes, 49 voted for and 11, against. Ballots were cast in Olton, Earth and Littlefield. In the Olton box, 11 voted for and 6, against. At Earth 31 voted for and 4 against. Seven voted for at Littlefield and 1, against.

Farmers eligible to vote were those who had produced more than 13.5 acres of wheat in either 1959, 1960 or 1961, except those who have a feed wheat exemption in effect for the 1961 crop.

Since the voters favored quotas, cooperators are eligible for full 1962 wheat price support. Although the level of support has not definitely been determined, it will be higher than the present level of \$1.79 per bushel if proposed legislation now before Congress becomes a law. Secretary of Agriculture Orville L. Freeman has said that the national average support for wheat would likely be in the neighborhood of \$2 per bushel.

PVT. DAVID MILLER

David Miller Is Stationed In South Carolina

FORT JACKSON, S.C., Aug. 24--PVT David Miller son of Mr. and Mrs. Henry R. Miller, Plainview Rd., Olton, has been assigned to Company B, 2d Battalion, 1st Training Regiment of the U.S. Army Training Center, Infantry, at Fort Jackson, S.C., where he is undergoing eight weeks of Basic Combat Training. He has been taught rifle marksmanship under the U.S. Army's TRAINFIRE program. In this program, most of his training consisted of firing his rifle at pop-up targets at unknown distances on terrain which duplicates combat areas. Other highlights of his training include squad tactics, bayonet and hand-to-hand combat, and crawling the infiltration course while machine gun fire is popping overhead. Many of his instructors are combat veterans of World War II and the Korean War. During his seventh week of training, he will live in the field under conditions similar to those in the forward areas of a battle zone. He will move over rough terrain on foot and in tactical vehicles and participates in numerous combat situations of a realistic nature. He will learn the practical applications of the skill and knowledge.

Featherngill Gets Degree From Texas Tech

Edward Featherngill received his B.A. degree from Texas Tech Aug. 26. His major was accounting. Featherngill will be employed by the Peate-Marwick-Mitchell Accounting Firm in Dallas beginning Sept. 5. Mr. and Mrs. Featherngill and Linda will move to Dallas next week. Featherngill is the son of Mr. and Mrs. Paul Featherngill and Mrs. Featherngill is the daughter of Mr. and Mrs. Basil Sherman.

L.G. Janzens Have Baby Boy

Mr. and Mrs. Leonard Gene Janzen of Pomona, Calif., are the parents of a new son, Dale Gene, born Aug. 22 at the Pomona Valley Hospital. Janzen is a Radarman 2/C in the U.S. Navy. Maternal grandparents are Mr. and Mrs. John C. Wimberly of Olton and Mr. and Mrs. Albert Janzen of Marion, Kansas, are paternal grandparents.

TEACHERS

CONTINUED FROM PAGE 9

She has taught commercial subjects in high schools at Overton, New London and Rosenberg.

Mrs. Ester M. Graham is a new fifth grade teacher at the elementary school. She attended Bula and Morton high schools and received her BS from Bethany Nazarene College in 1946. She has taught at Three Way High School and at Olton Elementary. Mrs. Graham taught in the Olton schools from 1948 to 1951.

Mrs. Elmer Moore is a new fourth grade teacher at the elementary school. She attended Texas Tech 2 1/2 years and WTSC one summer. For the past four years she has attended Texas Tech part time but has changed her major from business to elementary education and lacks about one semester graduating.

She has substituted as a teacher here and at Shamrock. She was school secretary at Shamrock for ten years.

Miss Swatzev will teach elementary music at Bohner School. She was a member of the music staff at Greater Corinth Baptist Church at San Antonio last year.

A 1953 Phillis Wheatley High School graduate, San Antonio, she attended Alamo Technical College there and was graduated from Trinity University in 1961 with her BS degree in music.

She has taught private piano lessons at Swatzev's School of Music and kindergarten in San Antonio.

Kenneth Hooper Is Reported As Improving

Kenneth Hooper was reported Wednesday to be slowly improving. Mrs. Bailey Hair told the Enterprise that Kenneth was improving, but that he had a kidney infection last week. Hooper, son of Mr. and Mrs. Elbert Hooper, remains in Methodist Hospital, Lubbock, where he was confined about ten weeks ago, after being injured in an automobile accident.

Dan Huckabee Hurt In Fall From Pick-Up

Dan Huckabee, 13-year-old son of Mr. and Mrs. Bud Huckabee, was injured last Thursday when he fell off the back of a moving pick-up. Dan suffered a concussion and was taken to Methodist Hospital, Lubbock, where he spent two days. He is home now and was reported Wednesday to be doing fine.

Lions' Annual Broom Sale Set Here Wednesday

Household items a-plenty will be offered for sale to Olton housewives at the Olton Lions Club's annual broom sale Wednesday.

Brooms, mops, pot holders, ironing board covers and about 25 other items will be included in the sale.

A stand will be set up in front of Howard Hall Insurance and salesmen will go from house to house.

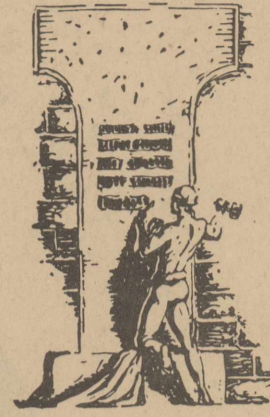

Bill Kelley, Lion finance chairman, is in charge of the sale.

RED RIVER VACATION Mr. and Mrs. A.J. Spain returned recently from a vacation in Red River, N.M.

VISIT OWENS Guests in the C.M. Owen home this week are Mr. and Mrs. Doug Owen, Steve and Tim of Stillwater, Okla. Owen is working on his Ph.D. at Oklahoma State University.

VISIT CURRYS Lt. Commander and Mrs. W.J. Wagner, Billie, Teresa and Debora of Corpus Christi visited recently in the C.C. Curry home. Wagner is a doctor in the U.S. Navy. Mrs. Wagner is the daughter of the Currys.

VISIT GRANBERYS Sunday guests in the D.M. Granbery home were Mr. and Mrs. E.C. Jones, Scotty, Paula and Ellen; Edd Burrus, Kristi and Kelli; Mr. and Mrs. C.M. Owen; Mr. and Mrs. Deryl Machen, Wade and Vandi; Mr. and Mrs. Doug Owen, Steve and Tim of Stillwater, Okla.; and Charlie Burrus.

The Story of Life Insurance

One night in ancient times, three horsemen were riding across the desert. As they crossed the dry bed of a river, out of the darkness a voice called "Halt."

They obeyed. The voice then told them to dismount, pick up a handful of pebbles, put the pebbles in their pockets and remount.

The voice then said, "You have done as I commanded. Tomorrow at sun-up you will be both glad and sorry." Mystified, the horsemen rode on.

When the sun rose, they reached into their pockets and found that a miracle had happened. The pebbles had been transformed into diamonds, rubies, and other precious stones.

They remembered the warning. They were both glad and sorry—glad they had taken some, and sorry they hadn't taken more. . . .

And this, my friend, is the story of Life Insurance.

The Purina Way: Cattle Gain 3.2 Lbs. A Day In 28-Day Period, Feed Cost 16¢ Lb.

Twenty head of whiteface heifers in the Allen Johnston Self-Feeder Cattle Demonstration were weighed here Monday morning. Results showed the cattle gained 3,221 pounds per head per day at a feed cost of 16.006 cents per pound of gain.

This was the third weighing of the cattle and covered a 28-day period. The cattle have been on Purina's cattle feeding program for a total of 56 days.

The 20 heifers showed an average weight of 612.25 pounds on July 31, date of the second weighing. After 28 more days on a Purina Check-R-Mix cattle fattening ration, the cattle weighed an average of 702.45 pounds.

The figure possibly could have been a little higher, because one of the heifers was out for a period of seven days after getting loose when the feed lot was moved from Sanders-Paris Co. to the rear of Olton Farm Supply.

The cattle are on full feed and will be fed 30 to 60 more days. Date of the next weighing is Sept. 25. The weighings are conducted by a committee of local farmers and businessmen, in cooperation with the Chamber of Commerce and Agriculture.

THE FACTS ON WEIGHTS

Aug. 28 Weighing (28-day period)	14,049 lbs.
July 31 Weighing	12,245 lbs.
Total Gain	1,804 lbs.
Average, Aug. 28 Weighing	702.45 lbs.
Average, July 31 Weighing	612.25 lbs.
Average, Total Gain Per Head	90.20 lbs.
AVERAGE GAIN PER HEAD PER DAY	3.221 LBS.

THE FACTS ON FEED COSTS

Total Pounds Feed Fed	12,960 lbs.
Total Cost of Feed	\$288.75
Average Cost Per Cwt. Of Feed	\$2.228
Average Daily Consumption	23.14 lbs.
Average Daily Feed Cost Per Head	51.555¢
Pounds Feed Per Pound Gain	7.183 lbs.
