

Ice Can Be Beautiful.

THIS SCENE, snapped early Wednesday, catches a lot of beauty formed by weather conditions here. But the ice also brought with it power failures, disruption of phone service and a halt to the cotton harvest, as shown below. A half-inch coat covered this cotton plant.

Icy Weather Plagues Area, Halts Harvest

Power Fails As Ice Snaps Lines

The sun peeped through overcast skies here Wednesday giving a brief respite before a second cold front which was expected to hit the area Thursday.

Freezing drizzle and scattered snow which started here Monday morning caused power failures, disrupted telephone service and brought farming activities to a halt.

Temperatures dropped to a low of 27 degrees here Tuesday with ice loading down power lines and tree branches. Trees were bent low under the weight and some branches were reported falling.

Power failures Tuesday night caused some rural families to be without heat or a way to cook. Reports continued to come in Wednesday from families out of electrical service.

No long distance telephone service was available out of Olton Wednesday and some local telephones were reported out.

Southwestern Public Service, Lamb County R.E.A., and General Telephone linemen worked most of Tuesday night trying to keep area service going. Linemen were kept busy through Wednesday as reports continued to come in.

John Schenk, Southwestern Public Service, was injured Tuesday night when he was working on lines. He was cut just below the eye when he was accidentally hit by a board.

Ice caused at least one wreck here Tuesday. Ice on the windshield was listed as the cause of a "fender bender" when a car driven by Larry Fancher hit a parked car owned by John Moses. The accident occurred on Avenue H west of the high school building Tuesday afternoon.

Firemen fought a blaze Tuesday night in freezing weather at the home of Billy Patillo, seven and one half miles north, on the Hart highway. The house is owned by Jake Mitchell.

Fire Chief Tom Smith reported the house a total loss. A transformer was reported to have caught on fire at Cashway Food Wednesday morning. No damage resulted.

Gins were at a standstill Wednesday with none reporting any ginning done since Monday. Total ginnings stood at 6,390 bales ginned, far behind last year's total of 10,183 at this time.

Moisture for Monday and Tuesday was measured at .60 of an inch by James Gallagher, Pioneer Natural Gas. Gallagher pointed out, however, that the actual moisture was probably higher due to the difficulty of measuring blowing snow and rain.

Total moisture for the month stood at 1.77 inches. With the cotton harvest less than half completed, many farmers were forced to stand by and watch their open cotton being dragged to the ground by ice.

When they would be able to get back in the fields was the big question. Snatches of sunshine gave little hope in view of weather forecasts.

"We may be ginning in February if this keeps up," one ginner commented.

Opportunities for greater markets and acreage, and a plan by which cotton growers can achieve them, will be discussed tonight (Thursday) at the Olton School Cafeteria.

Farmers nominated are George Redinger, Delmar Givens, O.J. Lee and Owen Jones.

Businessmen nominated are Laus Hair, Basil Sherman, Lester Thompson, Rex Chitwood, Ed Thompson, Dan Gregory, Ezra Whittington and Glen Singletary.

Only One Contest Is Left For Olton Grid Guessers

Football guessing last week was fit only for women and children.

All the "old pros" faltered as Inez Gordon took the top prize and a couple of kiddos, Bill Jordan and Donnie Gullett, won second and third in the weekly Enterprise football contest.

All three of the top contestants missed three games each. Everybody else missed four or more.

Mrs. Gordon came closest on the tie-breakers, missing by 61 points. Jordan was only a couple of points behind, while Miss Gullett was 89 points off.

First place is worth \$10, second \$6 and third \$4.

Last contest of the year is under way this week. Contestants may enter by picking up a copy of the Nov. 9 Enterprise, filling out the entry blank and turning it in to any of the sponsoring merchants.

C-CA Group OK's Plans For Christmas

Christmas street lights are scheduled to go up in Olton Nov. 24, according to Dick Whiteley, manager of the Olton Chamber of Commerce and Agriculture.

At a meeting Wednesday morning, the Christmas committee also decided no prizes would be given this year for decorated homes.

Whiteley said the Chamber would encourage the decoration of homes and businesses, however, and would select first, second, and third winners for both homes and businesses.

Santa Claus is expected to make his visit to Olton Saturday, Dec. 9. He will be in town during the afternoon and

Pioneer Gas Plans Move

Pioneer Natural Gas announced plans this week to move their office to the building formerly occupied by K Dept. Store.

The company will have the north half of the building and plan to be in the new office by Nov. 28.

Thanksgiving Union Service Is Scheduled

A union Thanksgiving service has been scheduled for 7:30 p.m. Sunday in the First Baptist Church.

The service is sponsored by the Olton Ministerial Alliance and is the second to be promoted by the Alliance. The first was conducted last year at the First Methodist Church.

Music will be furnished by the combined choirs of the participating churches and will be directed by Bud Lovell of the First Baptist Church, accompanied by Harold Carson and Mrs. Duane Harrod.

The sermon will be delivered by the Reverend R.J. Palser. Special music to be presented by the choir will include "America the Beautiful" and "The Battle Hymn of The Republic."

The Reverend John E. Lewis, First Baptist Church, will give the invocation and the announcements and the offertory prayer will be given by the Reverend Wilbur Gaede, First Methodist Church.

Scripture lesson will be presented by the Reverend John F. Kennedy, Presbyterian Church, and the benediction will be given by the Reverend J.W. Douglass, Church of God.

Larry was crowned and presented a gift by Drum Major Bobbye Tollett. Alice Ross was crowned and presented a gift by Drum Major Barry Prestridge.

The band chose the Duke and Duchess from a field of six senior candidates. Other candidates were Bitsy Maxey, Sandra Cox, Dan Long and Kerwin Oliver.

Bizzell's To Observe Anniversary

Bizzell's will observe its ninth anniversary Friday and Saturday with a special sale and promotion.

The store was moved to its present location in June of 1959. Before that time, Bizzell's had been a maternity wear and children's store located across the street from Sherman Food.

Now featuring a complete stock of ladies' ready-to-wear and children's clothing, the store will cut prices on many items to be offered for the special anniversary event.

"This is our way of saying thanks to all of our many friends and customers," Mrs. Mabel Bizzell, operator of the store, said this week.

Mrs. Bizzell and her husband, Gerald, have lived in Olton since 1952. They have two boys, Gary and Gail.

Councilmen Hear TV Cable Request

City councilmen Tuesday night heard a request for a TV cable franchise here---the second such request in recent weeks.

This one came from Steve Boruk, Olton theatre owner, at a regular meeting of the council.

As they did after the first request several weeks ago, councilmen tabled Boruk's proposal until City Attorney Gene Owen has had a chance to investigate such matters.

Boruk proposed to establish the cable, "including but not limited to pay television," and operate it through Mustang Theatre here.

Such a set-up would allow him to pipe televised movies into homes, along with news and special sports events.

"It's a coming thing," Boruk said, "but I am not sure

how long it might take before it could be put in here."

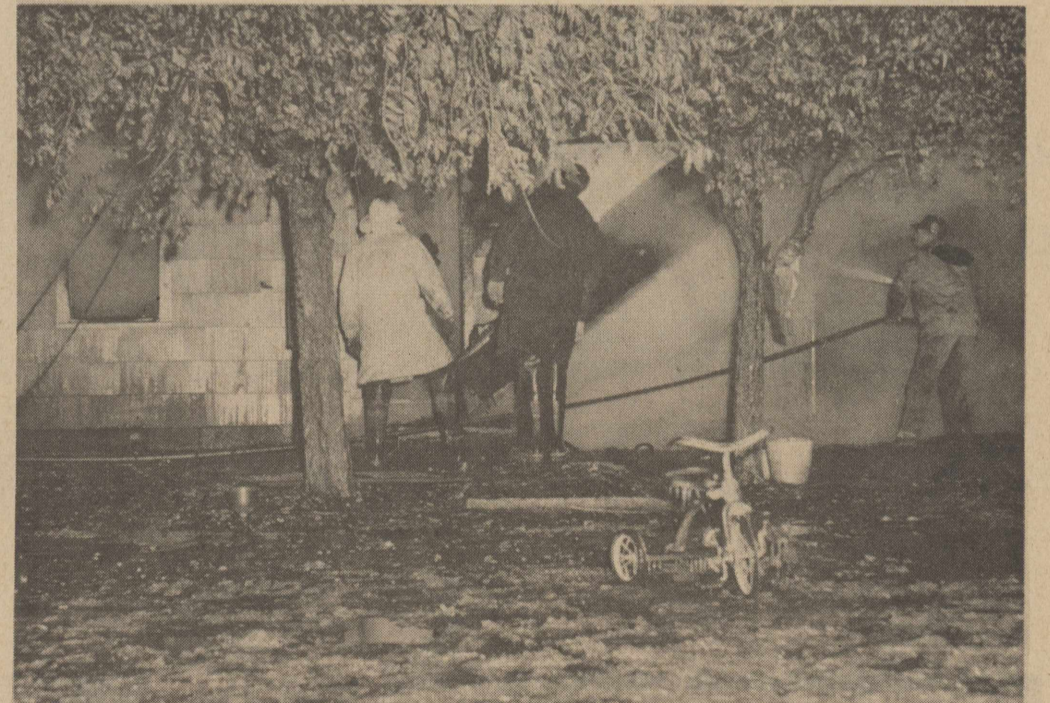

Along that line of reasoning, Boruk's proposal called for him to commence construction sometime within the next five years.

He asked for a 25-year franchise, with monthly rates to subscribers not to exceed \$10 and a tie-in fee not to exceed \$100.

In return for the city's grant of the franchise, Boruk said he would pay the city two per cent of the operation's gross receipts, once it were set up.

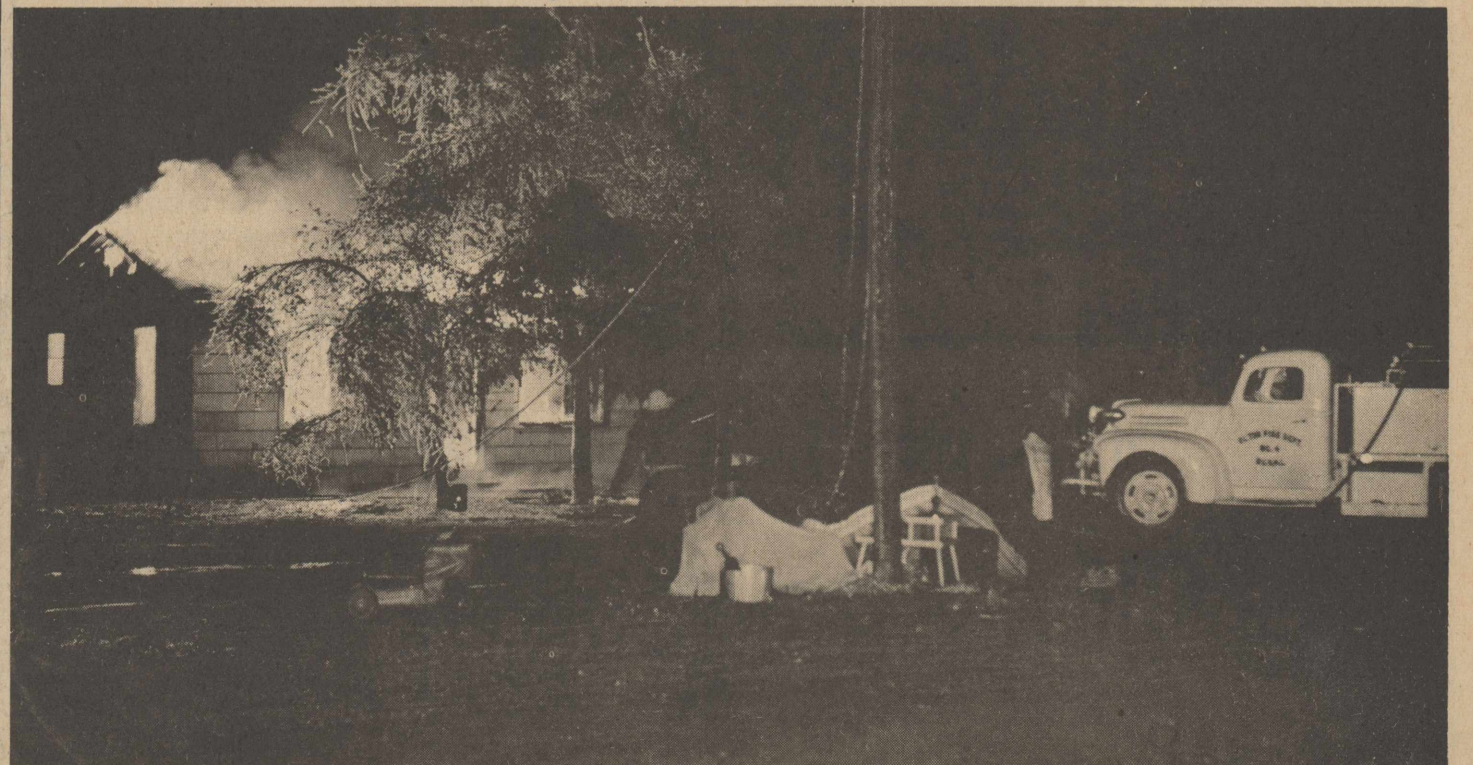

The request the council heard several weeks ago was from two Denver City men.

In other action at Tuesday night's council meeting, the group voted to sponsor a Firemen's Banquet in 1962 for both volunteer firemen and their wives.

. . . .But It's No Fun At A Fire

VOLUNTEER FIREMEN from both Olton and Hart battled this blaze 7 1/2 miles north of Olton Tuesday night in 27-degree weather. It was so cold that not even the heat of the blaze seemed to melt ice a few feet away. The home, residence of Mr. and Mrs. Billy Patillo, burned to the ground, despite efforts of the firemen.

Farm-City Week

Special weeks, ranging from the sublime to the ridiculous, come and go with the turning of the calendar, most of them drawing no more notice than the turning of that calendar page.

From time to time a specially-designated week comes along that is worthy of closer examination, even an extra effort to make it a week of special significance. Such a week is National Farm-City Week, Nov. 17-23.

This is a time when our friends and neighbors on both sides of the fence—the city-dwellers and our farmers and ranchers—can get together, air their problems and learn and respect their individual aims and goals.

Agriculture remains an integral part of our area's economy and with the mass of information and misinformation we all receive about both our rural and urban populations, there are a few facts worth remembering about this nation's agricultural

economy. Less than 10 per cent of our population is now actively engaged in agriculture. Yet this 10 per cent produces sufficient food and fiber to meet the demands of an exploding population, and in some instances a considerable surplus.

This enables the remaining 90 per cent of the nation's working force to turn to other industries, which in turn has enabled this nation to produce the highest standard of living, with the healthiest and best-clothed population, the world has ever known.

So before we criticize the farmer or the rancher too severely for the problems of surplus crops piling up in the nation's storehouses, let us remember that if it were not for the industry and the know-how of the American farmer and rancher, our way of life and our standard of living might well be much closer to the level of many of the less fortunate people in the world, too many of which go through life hungry.

Recipe Of The Week Men Only...

"Only a man can do it" is the thought expressed by Charles McClain this week when he supplied the Enterprise with his recipe for Peanut Brittle.

"The dogs won't even eat it when my wife makes it, so I always make the Peanut Brittle around here," he said.

2 cups white sugar
 1 cup white Karo syrup
 1 teaspoon butter
 1 tablespoon water
 2 cups all goobers (peanuts)
 1/2 teaspoon vanilla
 1/2 teaspoon soda

Put sugar, syrup, butter and water into medium sized pan. Bring it to a boil and cook at a low boil until it will form a hard ball when dropped from spoon into a cup of cold water. Put in the peanuts and bring back to a boil. Add vanilla and soda.

Pour into a greased pan, let

it cool and then eat it. "I sometimes foul this up," McClain commented. "Be sure and cook it long enough."

Olton's share of the 1962 budget is \$1,331. The total budget for the eleven and one half county council is \$41,141.

Formula used to determine the community shares is based on the 1961 quotas with an increase or decrease of not more than ten percent, depending on the number of girls active in scouting.

There are 154 active girl scouts registered now in Olton.

The budget is arranged to finance the organization of additional scout troops, to provide training for volunteer leaders, to maintain the new camp east of Crosbyton, day camps and to provide professional staff assistance to volunteers and the facilities of a council office.

Leaders of the Scout troops and members of Olton Study Club are conducting the campaign. Tables will be set up at Olton State Bank and various places over town to receive contributions.

Flying Queens Will Play Here Friday At 8

PLAINVIEW, Nov. 16 (spl.)—Olton will be the site of the opening game for the 1961 National Women's AAU Basketball Champions, the Hutcherson Flying Queens of Wayland Baptist College, according to Harley J. Redin, Wayland Baptist Director.

Redin, who also is coach of the Flying Queens, announced that the game with the Boosters of Topeka, Kans., will be played in Olton Nov. 17 because of conflicting homecoming activities in Plainview. The same teams will play in Plainview Nov. 18.

With four members of his championship team missing, Redin will have his team facing one of the two teams that upended the Plainview team in the 1960-61 season. Topeka, in the first meeting of the two teams, won by 13 points, although the Wayland squad took the next four meetings. The Hutcherson Flying Queens will place a 16 game winning streak on the line against the big Boosters and it could be a close match. Back to lead the 1961-62 team are four seniors, five juniors, three sophomores. Add to this number two freshmen who are available for action, and the Flying Queens should be set.

Several area basketball stars will be featured. Playing for the 1961 AAU Champions from Plainview will be Margie Guinn, former Abernathy cager who was honorable mention All-American last season; Gay Ivey, senior co-captain guard from Pettit; Glyna Masten, 6-0 All-American guard from Sudan; and Opal Bogard and Carol Cooke, former stars for Bula High School.

Thanksgiving Transition

The very first Thanksgiving Day was celebrated in Plymouth Colony for quite a simple reason. Colonists and friendly Indians shared that first feast in gratitude for a bountiful harvest after a winter of great hardship.

Now, three centuries and forty years later, we are thankful for the growth of our Nation. We are thankful for its great strength which stands as a fortress of protection for free people in a world filled with tyranny and oppression.

Let us, as good Americans, express these thanks and rededicate ourselves to preserve and maintain this spirit of freedom.

GENERAL TELEPHONE COMPANY OF THE SOUTHWEST

OLTON'S JOHNNY SCHENCK (28) is downed after returning a Floydada punt 10 yards to the midfield stripe in last Friday night's game. Shown trying to give Schenck

some assistance is Johnny Moses (38). The Mustangs lost a 7-0 battle to the heavily favored district champions.

Floydada Edges Fighting Ponies

Olton football fans got a look at the future here last Friday night and they must have liked what they saw.

The Mustangs, playing mostly with boys who'll be back next year, went down to defeat, but they turned the big Floydada Whirlwinds into a light breeze.

The game goes down in the record books as a 7-0 loss for Olton against an unbeaten district champion team which was favored by at least four touchdowns.

Just a few inches the other way on two different occasions might have meant a victory for the Mustangs. It would have been the upset of the year in South Plains football.

Floydada, winner of 10 straight, now goes against 1-AA

champion Dalhart Friday at 7:30 p.m. at Canyon in bi-district play.

The Mustangs closed out the season with a 3-7 record. They were 1-4 in district play.

Floydada got the game's only touchdown midway in the second quarter, after Guard Max Rucker recovered an Olton fumble at the Mustang 21.

It took the Whirlwinds a full eight plays to score with their star quarterback, Rodney Teague, directing the attack.

Charles Hernandez, a hefty fullback, got the touchdown from the one-yard line on a close fourth down play.

There was doubt about whether Hernandez made it until, after a moment's wait, one official raised his arms to signal the score.

Halfback Charles Christian kicked the extra point and it was 7-0, Floydada.

The touchdown play was one of the two occasions where a few inches might have made a big difference.

The other time was when Olton brazenly marched 45 yards to the Floydada 5, and a fourth down try missed by less than a yard. That drive ended with five minutes left in the game.

If the ball game had ended in a tie, the Mustangs would have won it on yards gained rushing, for penetrations were tied at 1-1 and first downs were deadlocked at 8-8.

The Mustangs gained a bare yard more on the ground than the Whirlwinds, 126-125.

Floydada dominated the play for a quarter and a half, then the Mustangs knocked again and again at the touchdown door, only to find it locked by a stiffening Floydada defense, a fumble or a Whirlwind pass interception.

The Whirlwinds started like they would blow the Mustangs right out of the park. Behind the running of David Barnhart, Christian and Hernandez, Floydada moved 40 yards to the Olton 25.

On a play from that point,

however, the Mustangs' George Jones tackled a Floydada ball-carrier with such force that the ball popped loose and Olton recovered.

After an exchange of punts, Floydada got the break that sewed up the ball game, the recovery of a Mustang fumble at the Olton 21.

With five minutes left in the first half, Olton moved to the Floydada 25, using a fine 14-yard run by Johnny Schenck for one first down and a Jones-to-Charlie Burrus pass for 22 yards to get another.

At the 25, however, Floydada's Barnhart intercepted a Jones pass to kill that Mustang threat.

It was all Olton in the second half.

After the kick-off, the Mustangs marched 49 yards to the Floydada 31, with Schenck's pass to James Loveless for 11 yards the longest gain of the drive. A fumble recovery by Floydada's Bruce Julian stopped the threat.

Neither team threatened again until early in the fourth period, when Olton started its march down to the Floydada 5. Loveless and Johnny Moses sparked the early going, with Moses running nine yards at one point to give the Mustangs a first down at the Whirlwind 24.

On the next series, Schenck picked up enough yardage for a first just inside the Floydada 15.

Two plays picked up seven yards and a third down try

gained nothing. Jones' fourth down carry missed the first by less than a yard.

Floydada took over at the five, but Olton held and took the ball at the Wind 33 after a short Floydada punt. The Ponies moved to the 25 with 2:27 left in the game, but there the Floydada defense again came to the front.

The Mustangs got some fine defensive play from Jones, who intercepted two Floydada passes. Moses, Loveless, Jimmie Lawson, Robert Duncan, Billy Carson, Larry Fancher, Leon Kendall. . . in fact the entire line-up.

The Ponies lose only three boys from Friday night's starting line-up—Duncan, Schenck and Lawson, all seniors. They'll have Ronnie Parsons, end; Joe McKnight and Larry Fancher, tackles; Jimmy Bennett and George Phillips, guards; Leon Kendall, center; and backs Jones, Moses, Loveless and Burrus back with plenty of experience next year.

Other seniors who closed out their careers with the Floydada ball game were Guards Gary Bizzell and Dickie Hudgens and Halfback Gary Johnson.
