

HERE'S a little story that sort of hits all of us, because most of us have had some part or another in making the situation that now exists across the nation.

I don't know who originated this one, but it is almost as funny as it is tragic:

A young man lived with his parents in a public housing development. He attended public school, rode the free school bus and participated in the free lunch program. He entered the army, then upon discharge retained his National Service Insurance. He then enrolled in the state university, working part-time in the State Capitol to supplement his G.I. education check.

Upon graduation, he married a public health nurse and bought a farm with an F.H.A. loan and then obtained an R.F.C. loan to go into business. A baby was born in the county hospital. He bought a ranch with the aid of the Veterans Land Program and obtained emergency feed from the government.

Later he put part of his land in the soil bank and the payments soon paid out his farm and ranch. His father and mother lived very comfortably on the ranch on their Social Security and Old Age Assistance checks.

The county agent showed him how to terrace his land; then the government built him a fish pond and stocked it with many fish. The government guaranteed him a sale for his farm products at highest prices.

Books from the public library were delivered to his door. He banked money which a government agency insured. His children grew up, entered public schools, ate free lunches, rode free school buses, played in public parks, swam in public pools. The man owned an automobile so he favored the Federal Highway Program.

He signed a petition seeking federal assistance in developing an industrial project to help the economy of his area. He was a leader in obtaining the new post office and federal building, and went to Washington with a group to ask the government to build a great dam costing millions so that the area could get "cheap electricity."

He petitioned the government to give the local air base to the county. He was also a leader in the movement to get his specific type of farming special tax write-offs and exemptions! Of course, he belonged to several farmers' organizations, but denied that they were pressure groups.

Then one day, he wrote his congressman: "I wish to protest the excessive governmental expenditures and attendant high taxes. I believe in rugged individualism. I think people should stand on their own two feet without expecting handouts. I am opposed to all Socialistic trends and I demand a return to the principles of our Constitution and the policies of States' Rights."

A WEEK OR SO ago, Eldon Franks told me he wanted to show me his Spelt crop, but I figured he was pulling my leg.

I hadn't heard of any crop called Spelt, and Eldon is known for pulling practical jokes, so I guessed that he was trying to fool me.

"I'm afraid that'd be like going on a Snipe hunt," I told Eldon. "I'd better not go."

Well, Eldon kept insisting. He'd talk real serious for awhile, then I'd start grinning at him, and he'd grin, too. The more he grinned, the more I figured that I had guessed right. . . this was a Snipe hunt.

After awhile, I got the idea that every time I made him grin, it made him about half sore, because here he was, trying to tell a true story, and there I was, not believing a word of it.

To make a long story short, I went out with Eldon, but I was still doubtful about his story.

Then he showed me that wav-

## NEW SUPERINTENDENT

### Couldn't Lick 'Em So He Joined 'Em

"If you can't lick 'em, join 'em!"—This could well be the motto of Olton Public School's new superintendent, Johnny Clark, 33.

Olton had proven its worth in double measure to Clark and his wife Tommie, who are moving here from Wilson, before they even planned the move. They each had an experience of being "second best to Olton."

At the District Lions Convention this year, Clark was a member of the Wilson Lions Club that came in second to the Olton club, that was chosen the outstanding club in the district.

"Olton put a second place off on us at the Lions convention, but now we've put a superintendent off on them," a Wilson resident jokingly remarked to Clark, after learning of Clark's intentions to move here.

Mrs. Clark also had a taste of Olton defeat at the Sudan volleyball tournament last year. She was a member of the Wilson team that was defeated for the women's championship title at the tourney by the Olton Post Office team.

The Clarks and their three children, Johnny, 11, Jimmy, 9, and Joy, 7, will move here sometime this weekend. Clark was employed as superintendent in May to replace Joe Harper, who took a similar position at McKinney. Clark's duties as superintendent officially begin here July 1.

A 1946 graduate of Magnolia High School, Clark received his BA from Harding College, Searcy, Ark., in 1949. He earned his MA from Sul Ross at Alpine in 1951 and is now working on his Ph.D. at Texas Tech.

Mrs. Clark was graduated from Del Rio High School and attended Harding College two years.

A member of the Lions Club and Masonic Lodge, Clark and his family attend the Church of Christ. Raising registered quarter horses is Clark's hobby. Also sports minded, Mrs. Clark likes bowling and water skiing.

After graduation from college, Clark served as a teacher and elementary school principal at Langtry two years. He then moved to Ozona, where he was junior high principal four years.

Clark then stepped up to the superintendent's job at Ackerly for three years. In 1958 Clark was employed as superintendent of Wilson schools.

"I have always heard a lot about Olton, not only its school, but other activities as well. . . it has made quite an outstanding name for itself," said Clark.

"We had wanted to come here for several years and are real enthused about moving here," he added.

After spending a few hours in Olton, Mrs. Clark remarked that she likes the town "real fine."

## Rains Slow Paving Job In Olton

Rain stopped work on paving in Olton early this week, but work resumed Wednesday and Mayor M.T. James announced that asphalt paving will begin next week, if weather permits, and the project should be completed in three weeks.

Mayor James said a total of 68 blocks of paving is under construction. The city council started with a tentative plan by approving 40 blocks for paving in March. The total was raised to 52 blocks in May and the final figure to 68 this month.

Hodges and Tierney Co., Lubbock contractor, has completed curb and gutter work and about 20 blocks have been prime coated.

Olton voters authorized \$80,000 last September to be used for the project. Authorities said the city hopes to have enough money left to buy road equipment. Cost of the entire program will run about \$300,000. The city will bear about \$65,000 of that cost, or about 20 per cent.

Total paving expense will be submitted to the city council by the contractor in the near future.

The final units were released by the city council to the contractors for paving May 15. Blocks being paved are in all sections of town. The city made three unit releases to the contractor.

# Hail Batters Crops Southwest Of Town

## Some Crops Total Loss

Angry storm clouds hurled deadly hail stones that chopped off young crops this week, as tornadoes threatened and heavy rains soaked the Olton area, hindering farming activities.

Most Olton farmers' crops had escaped the icy pellets, which have plagued the area, until Sunday, when several farms southwest of here received heavy hail damage. No hail was reported other directions from town, where rains gave young crops a needed boost.

Dale Chitwood, Fred Smith, Billy Smith, W.O. Roebuck, L.L. LaDuke and John Adams, who farm near Springlake, all reported hail damage to their crops.

Heavy rains curbed most area wheat harvesting and prevented hail damaged crops from being replanted.

More than 5 1/2 inches of

rain were reported, since the thunder storms began a week ago Wednesday night. It rained between 2 and 3 inches last Wednesday night in the area. Cloud bursts dumped another 2 inches in the area Sunday and added 1/2 inch south of town Monday night.

Mrs. Fred Smith, 9 miles west of town, said their cotton was a total loss after the hail.

"There was nothing left of our cotton, but my husband thinks the feed will come back out," said Mrs. Smith.

"It looked like somebody turned an ice crusher upside down, when it hailed," she added.

The Smith farm received 2 1/2 inches of rain Sunday and 1/2 inch Monday night, according to Mrs. Smith, who commented, "It is just floating out here."

Mrs. Smith said her husband commented that crops on the L.L. LaDuke farm "looked like a complete loss." She said south of Springlake on the Littlefield highway, the "fields were just leveled" by hail.

Smith said it is too late to replant his cotton, but he may replant some feed.

A complete loss of cotton due to hail also was reported on the Dale Chitwood farm, 2 miles south and 1 east of Springlake.

"It sure did some funny things when it started hailing. . . it hailed from one direction awhile, then another," said Mrs. W.O. Roebuck, who lives 12 miles southwest of Olton.

She said the hail at their farm "was light," but did some damage to the maize. Crops just south of our farm "look pitiful," added Mrs. Roebuck.

"Our crop looks pretty sick. . . we can't tell yet if it'll come back out," stated Mrs. Billy Smith, whose husband farms 7 miles west and 2 1/2 south of Olton.

The Smith farm got 2 1/2 inches of rain Sunday and 1/2 inch Monday. Mrs. Smith said it hailed about five minutes, stopped, then hailed again.

East of Olton 3 1/2 miles, "just a sprinkle and no hail" were reported by Mrs. E.D. Harper. She said wheat har-

ARCHIE DAVIS

## Archie Davis Hired As ORC Golf Pro

Forty-five-year-old Archie Davis, who has played with many prominent golf pros, was to officially take over today as golf pro at Olton Recreation Center.

Davis, who served as golf pro at Laramie, Wyo., this past season, has played with some American greats such as Ben Hogan and Sammy Snead, while on the pro circuit.

He was employed Monday to replace Glen Miller, who resigned the ORC post June 9.

During his career as a golf teacher, Davis instructed television comedian Fred MacMurray and his famous wife, June Haver, for a week at Phoenix, Ariz.

Davis will inaugurate a junior program for youth in addition to adult golf lessons at the ORC course. He plans to aerify and top dress greens.

"To make a better base so golfers can get a better stop on the ball."

The work on the greens would give them a softer texture, according to Davis. He said golfers would be able to tell

the difference in the greens in a week after the top dress.

Prior to working in Wyoming, Davis was assistant pro to Willie Low at Phoenix Country Club in Arizona. He also has spent a season at Town and Country Club, Miles City, Mont., and Dickinson Country Club at Dickinson.

Five years he was assistant pro at Texaco Country Club, Houston. Several driving ranges have employed him as driving range pro. He has been active in YMCA and junior golf programs.

While in the PGA tournament circuit in 1949, he shot the only hole in one in the Texas open tourney. Davis said he shot his best round on Memorial Park course in Houston, when he tallied a score of "4" on 18 straight holes.

Davis will be accompanied to Olton by his two sons and daughter-in-law. His 18-year-old son, Sherman Lee, is married. His younger son, Michael Wayne, 16, will be a sophomore in Olton High School.

## Public School Equalization Board To Meet

Olton Public School's Board of Equalization committee will meet next Tuesday and Wednesday, June 27 and 28, from 9 to 4 p.m. in the high school.

The meeting announcement came this week from Dorman Thomas, school business manager.

Members of the committee are H.B. Carson, Frank Cornelius and J.W. Johnson Sr. Truitt Sides is alternate.

## Brown Youth Remains Critical

Robin Brown, two-year-old son of Mr. and Mrs. M.G. Brown, who was injured here June 3 when hit by a car, remained unconscious Wednesday at Methodist Hospital in Lubbock.

He remained in critical condition and was undergoing medical tests for head injuries received in the accident, according to Mrs. Dub Granbery, who sat up with the lad Tuesday night.

## Friendship Ambassadors To Arrive Here Tuesday

Olton residents will get a chance to find out first hand what people from foreign countries think of this area and the United States in general, when the six "Ambassadors For

Friendship" arrive here next week.

Four foreign students are included in the six college men who will visit here Tuesday through Thursday, while on tour that will take them through various areas of the U.S.

Foreign students are Ravinder Kumar Batra, 20, of Punjab, India; David Blair Knight, 20, formerly of Scotland; Bert Campbell, 18, Luxembourg City, Luxembourg; and Gerhard Wessler, 28, of Germany. The two American tour leaders are Dick Johanson, 20, of Cedar Falls, Iowa; and Lyle Dykstra, 21, of Madelia, Minn.

Batra is studying pre-engineering at Macalester College in St. Paul, Minn. He was graduated from Government High School in Rohtak, India, and attended the Government Degree College at Rohtak.

His father, Shri Ramchandra Batra, is a lawyer in Punjab and his mother is a member of the Red Cross. Ravinder has a brother who is a research assistant in the department of plant genetics at the University of Minnesota.

Knight, who was educated in New Zealand at John McGlashan College, and Madras College in St. Andrews, Scotland. He plans to be a geography teacher.

A professor of Old Testament at McCormick Theological Seminary in Chicago, Ill., George A.F. Knight, is young Knight's father.

Campbell's father is a translator for European Coal and

Steel community. He has two brothers studying in Bonn, Germany.

Campbell was graduated from International High School in Luxembourg, Germany, and came to Hamline University at St. Paul, Minn., on Pan American Travel and Hamline University scholarships.

He plans a career in journalism or politics.

Wessler plans to be a minister after graduation from McCormick Theological Seminary in Chicago, Ill. He participated in the "lay movement in the German Protestant Church," while working in an industrial factory six months.

He was graduated from the German Gymnasium, attended the University of Bonn, the University at Basel, Switzerland.

Two and a half inches of rain fell Sunday night at the Travis Bundick farm, 7 miles north of Olton. Mrs. Bundick said her husband would begin wheat harvest as soon as the fields dried.

On the Ralph Roper farm, 9 miles north and 1 east, 3 inches of rain fell Sunday. Mrs. Roper said their crops looked good and they expect to finish wheat harvest this weekend.

A half inch of rain fell Sunday at the A.L. Miller farm, 2 miles northwest.

Mrs. Jack Allcorn, 2 miles south and 3 east, said their crops "look pretty good." Her husband stopped wheat harvest due to the rains.

# Spanish Church To Open Meeting Here Sunday

A series of meetings will be conducted June 25 through July 2 at the Spanish Church of Christ, according to Ronald Davis, minister.

Leonel Cortez of Alice will be the speaker for the meetings. Cortez is a junior at Ahilene Christian College.

The messages will be in Spanish at 8 p.m. each night at the church. All Spanish-speaking people in the area are invited to attend.

land, and completed study for the ministry in the Reformed Church.

Two of Wessler's brothers are pastors of the Evangelical Church in Germany. He has four sisters, a teacher, physical therapist, home economist and physician.

Johanson, whose father manages a motor truck branch, attends Macalester College, where he was president of his freshman class, worked on the college community council and was president of Inter-Varsity Christian Fellowship.

He was graduated from Cedar Falls High School. In 1962 he will be the college's representative to Nigeria, Africa. He plans to be a missionary. Dykstra, who has an outstanding record at Macalester College, was president of a campus religious organization and vice-president of the student government.

His field of study was history and philosophy. He plans to enter the seminary. Dykstra's father is a business man and salesman and his mother is an elementary school teacher.

While in Olton the group will stay in the Jim Speer and Robert Meinecke homes. A delegation of the ambassadors also visited here last year, and recommended Olton so highly, that the group asked to come here this year.

Harry Morgan, a graduate of Rutgers University, who founded the student organization, co-sponsors the summer tours, with the Reader's Digest. The purpose of the tours is to stop false images that foreign students have about the U.S. and give them an incite to the actual American way of life.

The group left St. Paul, Minn., June 13 and will make stops in Missouri, Arkansas, Louisiana, and parts of Texas, before arriving here. From Olton the tour will go to the Grand Canyon in Arizona for a camp-out.

They will continue across the U.S. and end their tour July 30, when they leave Aberdeen, S.D. for St. Paul, Minn.

# Opening Little League Game Goes Extra Inning

Olton State Bank nosed by Olton Co-Op Gin 10-9, after playing an extra inning Monday night to break a 9-9 deadlock as Little League play opened here.

After six inning of play the teams were tied 9-9, but the bank's team broke lose in the seventh to score the winning run. Danny Collins walked, then stole around to third base. In an effort to tag Collins, the third baseman, Mike Trotter, missed a throw from the catcher and Collins ran home to win the game.

Bobby Thomas rapped a home run with the bases loaded in the bottom of the fifth to send four runs across and narrow

the bank's lead to 9-8. He also picked up a single.

Danny Sides ran out two singles for the winners, while teammates Roger Thompson and Bobby Black each got singles.

Bobby Turner bombed away at the ball as he let fly for a triple, a double and two singles, while scoring three runs for Co-Op Gin. Two runs were scored by Steve Collins as he hit a double and a single.

Jimmy Schreier, Eddie Hooper, Garland Hugley and Mike Trotter each scored one run for the losers. Schreier picked up a double and single; Hooper hit a single; Hugley, a single; and Trotter, a double and a single.

# Cabrera Child Dies In Lubbock

Funeral services were pending Wednesday at Parsons Funeral Home for Elanor Cabrera, 6-month-old daughter of Mr. and Mrs. Thomas Cabrera Jr. of Olton.

The child died Tuesday in a Lubbock hospital, after undergoing surgery.

Rites were to be conducted in St. Peter's Catholic Church with a Dimmitt priest officiating. Burial was to be in Olton Cemetery.

Other than the parents, survivors include the maternal grandparents, Mr. and Mrs. Dorotes Cardera Jr. of Olton, and paternal grandparents, Mr. and Mrs. Thomas Cabrera of Bishop.

Members of the Co-Op's team are Eddie Hooper, catcher; Jimmy Schreier and Garland Hugley, pitchers and first base; Bobby Turner, second base; Mike Trotter, third base; Johnny Lewis, short stop; Danny Phillips, left field; Stevie Collins, center field; and Glen Loveless, right field.

The bank's squad is composed of Lonnie McClain, Kenneth Moss, Danny Collins, Danny Sides, Donnie Fancher; Wayne Venable, Roger Thompson, Tom Black, Ken Parker and Bobby Thomas.

# LETTERS To The Editor

Dear Editor:

I want to take this opportunity to tell the Olton people how money they have invested in Girl Scouting will pay big dividends in the future.

In March when the Girl Scouts held their annual Father's Banquet, girls showed their dads some of the things they had been doing in scouting. The girls presented a program that displayed some of the things they had learned.

A skit about foreign countries was given by one of the troops--this is merely an evidence of how Girl Scouts learn about people of other countries.

Behind all this, the scouting programs teach girls to love one another with honesty and loyalty. Girls also learn to follow, as well as to be good leaders.

Scouting prepares girls to be better adjusted individuals. Their imagination and initiative is channeled to areas of service. This helps them to use all of their leisure time.

"Love of God, love of country and service to others," is the Girl Scout motto. Their creed is "A Way of Life that Christ Taught." I feel both of these are instilled in the hearts of girls through scouting activities.

I say it is well worth everything we give to see happy girls, who are being mentally and physically trained to take their place in the adult world.

Olton more than met the quota required to remain in the Girl Scout Cap Rock Council, which means our scouting program is one of the best in our area.

You can't measure the character building of Girl Scouts by "dollars and cents," but you can see the end results, as the girls grow into maturity and take their places in society.

So I salute you Olton people for supporting our Girl Scout program. That is just one evidence of your desire to make Olton and our United States a better place in which to live.

Mrs. Paul Burrus Girl Scout Troop Leader

# Cotton Better Crop Than Grain On Sloping Land

Grain sorghum planted on benches produced a higher yield than the same amount planted on sloping land in the water conservation study conducted by James C. Valliant, water engineer at High Plains Research Foundation.

None of the water was wasted on benched acres, which had a total irrigation application of 16.9 inches. A yield of 5,795 pounds of grain sorghum produced a gross return of \$81.71 on the bench. Pumping costs, at \$9 per acre-foot, totaled \$12.69, giving a net return of \$69.02.

Two slope areas were tested in comparison with the benched area. Number one slope had the same irrigation treatment as the bench. There was a loss of 2.5 inches through run-off, which amounted to 15 percent. The net return on 3,900 pounds of grain sorghum was \$42.30. Slope No. two had 24.5 inches of irrigation water applied at a pumping cost of \$18.36.

The run-off pounds per acre, which gave a net income of \$30.99 per acre. Each plot had the same fertilizer treatment of 80 pounds of nitrogen and 40 pounds of phosphate. The crops were cultivated twice with a sweep cultivator and twice with a flame cultivator.

One benched and two sloping areas were planted in cotton on May 5th and replanted on May 26th, in an irrigation comparison test at Halfway. These tests followed the same plan as that used on grain sorghum.

Ten and nine-tenths inches of irrigation water was applied to the benches and the number one slope. Seventeen and nine-tenths inches of irrigation water was applied to slope No. two. The re-run was not on the bench, 2.7 inches per acre on slope No. one and 5 inches per acre on slope No. two. Twenty-five per cent of the water was wasted on slope No. one and twenty-eight per cent on slope No. two.

Net return from the benched area on 720 pounds of lint was \$175. On slope No. one, with 790 pounds of lint cotton per acre, the net return was \$188.77

On slope No. two, the yield was 894 pounds of lint cotton per acre. Net return was \$203.16. The results from these tests indicate that cotton is a much better crop to plant on sloping land than grain sorghum. The irrigation test will be continued, to give further data on the most efficient management of sloping land.

AT PETERSBURG Mrs. James Caley and children are visiting with her parents, Mr. and Mrs. T.A. Cocks, in Petersburg, while her husband is attending summer school at the University of New Mexico in Albuquerque, N.M.

# People Buy More In The Summer Than In Most Other Months Of The Year!

As Most People Think... **THEY'RE NOT AWAY ON VACATION**

You can find 94% of the people at home at any time during June, July and August--still shopping at a fast rate. Still buying newspapers. Still buying the things they read about.

# BUSINESS IS THERE - SALES HOT AS THE WEATHER

Summer business is the most neglected, the most under promoted areas in our whole merchandise system. There is no excuse for reduced sales effort. The business is there if you go after it--all summer long.

People spend more money on merchandise in June, July and August than in most other months--the Dept. of Commerce survey shows. Are you taking advantage of this? Are you planning special summer promotions?

# UNTAPPED OPPORTUNITIES USE NEWSPAPER ADS

It's just a matter of recognizing untapped selling opportunities. And it depends on how actively stores go after business during the summer months. Make your big promotion and advertising plans now!

The Department of Commerce survey shows that 26% (46.8 Billion dollars) is spent during June, July and August. Smart retail merchants are capitalizing on this. There is no replacement for the newspaper to promote sales. People buy and read newspapers all summer long.

A SUPPLEMENT TO THE OLTON ENTERPRISE

## Castro Gains Top National Cash Title

Castro County citizens have proven that farming pays. The county, located in the heart of the irrigated farm belt, has the highest average household income in the U.S. That's quite a record considering there are over 3,000 counties in the U.S.

What's more, the average spendable household income of \$11,173 in Castro County is nearly double the average income of other Texas counties and that of the nation as a whole.

These striking figures computed during 1960 on the agricultural rich South Plains county have been released by the Standard Rate and Data Service, Inc., a reputable survey and statistical organization.

The county had an average gross income of \$42,762 per farm annually. The number of farms showing a sales income of over \$10,000 leaped from 27 in 1940 to 643 in 1959.

The county's average household income in 1960 soared well above the national average of \$6,417 and the Texas average of \$5,869.

Besides this, the figures revealed that 186 Castro County farms had sales of more than \$40,000 in 1959.

The average farm in the county could boast a building and land value of \$135,307 in 1959.

The prospering farmers plant about 103,454 acres annually in wheat, about 175,893 acres in grain sorghum, and about 60,408 acres in cotton. In the past decade, grain sorghum acreage has increased threefold and cotton acreage has increased by fourfold.

Population in the county has risen 64 per cent in the past 10 years, with the number of residents soaring to a total of 8,894. The rural population was set at 5,917. The number of residents of Dimmitt, the county seat, has more than doubled since 1940.

The overall South Plains area leads all areas of the state

in average spendable household income, with a figure of \$6,172. The state average is \$5,869 per year. The national average spendable income is slightly higher than the average of the South Plains area.

## WSCS Officers Are Installed By Methodists

### OWGA Women Dress In Comical Attire

"Dress-Up Day" was the theme observed at the monthly Olton Women's Golf Association luncheon Tuesday at ORC club house.

The ladies "dressed up" alright, but not in formal attire, rather, in everything from bloomer-type shorts to patched overalls, accented by a Mexican sombrero.

Each lady packed a sack of old clothes and took to the luncheon. The sacks were numbered, and after drawing a sack number, each woman put on the funny apparel in the sacks that corresponded with her number.

Approximately 55 women attended the luncheon.

The Flubber-Dubber golf tournament was conducted before and after the affair. After play last week, the Flubbers were ahead in the four-week tourney, 60 points. Next Tuesday will be the final day for the tournament.

The "Can You Take It" tournament, scheduled July 18 by the women's golf organization, has been changed to a Medal Play tourney, according to Mrs. Charles Loveless.

### VISIT HALLS Mr. and Mrs. Ira Hall of Cross Plains visited in the James Hall home last Wednesday through Saturday.

## Lamb County Rated Strong Market On National Level

(Special to the Enterprise)  
NEW YORK—Lamb County stood out as a stronger market than most during the past year, with a level of income and spending above that found in most parts of the United States.

Its relative position, in terms of business activity, is brought out in a new, copyrighted "Survey of Buying Power," produced by Sales Management. The 762-page survey reveals, for every county in the nation and for many of its cities, what their earnings and their retail sales amounted to in 1960.

It shows that consumer spending in Lamb County, despite the half year of business slump that prevailed generally, was on a big scale. Local retail stores, as a result, had a sales volume of \$28,787,000.

For a community of its size, this was more than might have been expected. Retail business locally should have amounted to .0122 percent of the national, on the basis of population. It exceeded that quota, however, producing .0131 percent of the total.

The economic conditions that existed during a large part of last year had its effect on the consuming public. It was noted in the way they altered their spending pattern.

There was a shift away from

hard goods and in the direction of soft goods and services. The survey suggests that the trend also indicates a change that is occurring in family needs, what with the post-war baby crop now reaching the teen years.

The bigger spending in Lamb County stores is attributable to the fact that local residents had more money available to them.

The report shows that the community's effective buying income, which is the money remaining in consumer hands after payment of all Federal, state and local taxes, amounted to \$38,428,000 in 1960.

This total, divided arithmetically by the number of households in the county, gives \$6,309 as the average net income per household.

Just how well individual communities compare with others in business vitality, taking into account population and rate of consumer buying, is shown through an "index of sales activity."

Lamb County is given an index rating of 107, or 7 percent higher than the national average.

### Last Two Games Split By Ponies

Olton Pony Leaguers split their last two games, as they lost to Hart 22-7 there Saturday night, and romped over Earth 16-7 there Tuesday night.

Joe Priest gave up five hits while pitching for Olton in the Earth game. He picked up one hit and scored three runs for his team.

A total of 18 hits were tallied by Olton players. Billy Smith and John Stiles each had two runs on one hit; and Eli Anzaldua scored twice, while ganging out four hits. Dennis Givens added two of Olton's score on three hits; Rocky Farrar gained two runs on two hits; and Darrell Glover had three hits and one run.

Richard Hall and Doyle Meadows each scored once, while Hall got one hit and Meadows rallied for two.

Three errors were committed by Olton in the 7 inning game.

In the Hart game, Anzaldua, pitching for Olton, gave up the 22 runs. Olton had eight errors and eight hits in the 7 inning game.

Farrar and Glover led Olton's scoring with two apiece.

TEXAS STYLE—Lion Boss Ralph Glover is shown leaving Tuesday for Atlantic City, N.J., where he will attend the International Lions Club Convention. All Texas delegates to the convention wear the traditional uniform that Glover is wearing.

Priest, Givens and Hall each added one run.

Bub Holt is coaching the Pony League squad. Olton's next game is here Friday night at 8 against Sudan.

AMBULANCE CALL

Parson ambulance made an emergency run to Earth Saturday to pick up Woodrow Powell and take him to Methodist Hospital in Lubbock.

### First Box Supper At ORC Is Held At Club House

Approximately 55 people attended the first ORC Box Supper Friday night at the ORC club house.

W.B. Dickenson Jr. was auctioneer as box supper prices ranged from \$3 to \$8.

One of the boxes which drew attention and chuckles, was wrapped by Sue Hair. It was an old brown box wrapped with a piece of funny paper and a ribbon, and lettering on the outside read, "You can't judge a book by its cover!"

Those attending played card and domino games. Chairman for the affair was Mrs. Roy Thurman.

## OHS Graduate To Compete In College National Rodeo

A former Olton man, Ed Workman, of Lubbock will be one of five representatives from the Southern Intercollegiate Rodeo Association to compete in the National Intercollegiate Rodeo at Sacramento, Calif., in August.

Workman, "Best All-Around Cowboy" is the S.I.R.A. this year, won two of the five event titles, Steer Wrestling and Saddle Bronc Riding.

A cowboy must be champion of one of the five events in the southern association before

he can compete in the national rodeo. The S.I.R.A. includes colleges in Texas, New Mexico and Oklahoma.

The five events are Tie-Down Calf Roping, Saddle Bronc Riding, Bare Back Bronc Riding, Bull Riding and Steer Wrestling.

Workman, who was named "Best All-Around Intercollegiate Cowboy" in the nation last year at the national rodeo, has won the "Best All-Around" title in nine of the eleven collegiate rodeos he has entered this year.

Workman, who was graduated from LCC in June with a major in agriculture economics, will be accompanied to the national event by Sue Shuerbet of LCC who won the "Best All-Around" girls title in the S.I.R.A.

The son of Mr. and Mrs. C.A. Workman of Olton, Ed was graduated from Olton High School in 1952. He served two years in the U.S. Army.

## Clovis Poteet Re-Elected To Red Cross Board

Clovis Poteet of Olton was re-elected to the board of directors of the Lamb County Chapter of the American Red Cross Friday night at Littlefield.

The two other board members whose terms expired, Mrs. Bonnie Haberer, Pleasant Valley, and Roy B. McQuatters Jr. Spade, also were re-elected. Charlie Jones of Littlefield was elected to fill the remainder of the term of William Brune, Littlefield, who resigned from the board.

Chairman of the board is Truitt Sides of Olton. Another Olton man, Howard Hall, also is a board member.

The Lamb County Disaster Plan was revised at the meeting. Gray Ladies who helped with Red Cross work the past year received stripes. Mrs. Leo Tech of Littlefield is chairman of Gray Lady work.

The Lamb County Red Cross handled 375 cases last year. Eighty-four of the cases were for servicemen, 259 were veterans, and 32 were civilians. Financial aid was given in 34 cases and three families received financial aid after their homes burned.

Next scheduled meeting of the Red Cross chapter is Friday, July 7, in the County Court room at Littlefield.

Other board members are James P. Arnold, Sudan; Mrs. Lester LaGrange, Amherst; Pat Boone Jr. and J.E. Chisholm, both of Littlefield; Mrs. Dora Terry and Ross Middleton, both of Earth; and Billy B. Braden, Springlake.

## Letter Urges Sugar Production

A letter written by the Olton Chamber of Commerce and Agriculture, requesting assistance for immediate legislation increasing sugar production, and allowing new areas developed the past 15 years to participate, is being signed by local residents.

Dick Whiteley, C-CA manager, has asked that as many people as possible from this area come by his office and sign a copy of the letter. The letter will be sent to government officials for their immediate attention.

Whiteley said the letter must be sent before the legislature adjourns. He said he hopes to get at least 500 signatures

on the letter from the Olton community.

**VISIT IN CLOVIS**  
Mrs. Howard Buchenau, George and Nancee visited over the weekend in Clovis, N.M. with Mrs. Buchenau's parents, Mr. and Mrs. A.D. "Bill" Miller, and her aunts, Mrs. R.E. Cressell of Arlington and Mrs. D.F. Rainwater of Fort Worth. Visiting Sunday were Mr. and Mrs. Rande Buchenau of Olton and Mr. and Mrs. M.C. Ledbetter of Morton.

**RECOVERING FROM ATTACK**  
Mrs. I.V. Fent suffered an heart attack Friday night and is recovering in the Plainview Hospital Clinic and Foundation.

## Olton Golfers Top Winning List At Littlefield

Olton golfers did it again--- only this time, women.

Three local lady golfers, Mrs. Bill Nichols, Mrs. Gene Cottrell and Mrs. Roy Thurman, took all the top awards in the Third Flight at the High Plains Ladies Golf Association tournament June 14 at Littlefield Country Club course.

Mrs. Nichols won low gross, low putt and low net in the Third Flight and low net in the whole four-flight tournament with a score of 69. Mrs. Thurman and Mrs. Cottrell tied for second low net in the Third Flight with a 70.

A score of 105 on 18 holes with a 36 handicap was shot by Mrs. Nichols. The other two top Olton golfers were close behind, both shooting 106 with a 36 handicap.

A miniature golf ball and golf club, attached to a charm bracelet was awarded to Mrs. Nichols. A charm bracelet was given to Mrs. Cottrell and Mrs. Thurman.

A low net score is the total score less the handicap. Lowest score shot without subtracting the handicap is low gross.

Approximately 55 women entered the four flights, Championship, First, Second and Third.

Local women entering were Mmes. Cottrell, Thurman, Nichols, Jack Straw, Roye Alkman, Henry Mathis, Howard Buchenau, Bill Weaver, Elmer Moore, Frank Cornelius, Roy Copeland, Derwood Copeland, Sam Clark and Howard Hall.

**CARSONS HAVE VISITORS**  
John Clayton and Cynthia Dawn Carson visited over the weekend in the home of their grandparents, Mr. and Mrs. Raymon Carson. Their parents, Mr. and Mrs. John Carson of Friona visited Sunday and took the children home.

## Olton Nabs Ten Trophies In County Golf Tourney

Ten trophies rode home with Olton golfers after the County Golf Tournament last weekend at Littlefield Country Club course, as Olton and Littlefield golfers swept top awards.

All three Olton women who entered the tourney captured a trophy. It even took an Olton golfer to stop Mrs. Bill Weaver in the First Flight. She received a runner-up trophy after being downed by Mrs. Robert Edwards 4-3 for the championship spot.

Mrs. Howard Buchenau of Olton came out with a consolation trophy in the stiff Championship Flight, after beating Maurine Giles of Littlefield 3-2.

"I played the best game of my golfing career," Mrs. Buchenau remarked.

R.V. Allcorn won the lone Olton men's flight championship trophy by defeating Deryl Machen 4-3 in the Fifth Flight. Max Malone took the consolation trophy.

T.J. Roberson was nosed out 2-1 by David Keithley of Littlefield for the top trophy in the First Flight. Carl Keeling of Littlefield won consolation.

In the Third Flight C.A. Cox, Olton, was defeated 1 up for the top spot by Jarold Giles, Littlefield. Two other Olton golfers battled it out for consolation, as G.R. Clark downed H.B. Carson.

Runner-up in Fourth Flight

**UNDERGOES SURGERY**  
Debra Kay Sweatt, daughter of Mr. and Mrs. Lloyd Sweatt is doing nicely after undergoing surgery in the Medical Center Hospital in Odessa.

She is expected to return home about July 1.

**SMITHS VISIT**  
Mr. and Mrs. Tom Smith visited in the Bill Struve home near Dimmitt, Sunday afternoon.

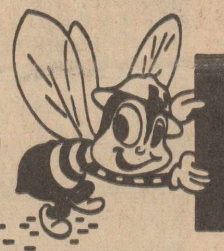

was Herb Owen, Olton, who was beaten 1 up by James Goldston, Littlefield. W.L. Hackler, Olton, won consolation.

Littlefield golfers reigned in the Championship and Second Flights, as Alvin Webb defeated Rhenard McCary 4-3 for the Championship Flight title and Carl Rushing won over J.T. Brown 5-4 in the Second Flight.

J.R. Chamberlain, Littlefield, won consolation in the Championship Flight and A.T. Hedgepepper, Littlefield, stopped Bob Perry, Olton, 6-5 for the consolation award.

Approximately 48 area golfers entered competition in the annual tourney, which was at Olton last year. There were about 20 entries from Olton this year.

ANOTHER BIG REASON BEHIND THE BIG BOOM IN FORD SALES:

Galaxie styling is inspiring more admiration (and imitation) than any other car on the road!

This is Galaxie styling—inspired by the fabulous Thunderbird! Many cars have tried to copy the incomparably beautiful 1961 Galaxie. No car has succeeded.

And styling is only part of Galaxie's distinction. This is the car that's beautifully built to take care of itself. The '61 Ford goes 30,000 miles between chassis lubrications... 4,000 miles between oil changes. Brakes adjust automatically.

Wouldn't it make sense to STOP spending money on an old car that can never do for you what a new Ford can do?

SWAP right now while your Ford Dealer's sales are booming—and the swapping is easier than it's ever been before.

SAVE with the car that makes saving a pleasure.

Today is the day to STOP...SWAP...SAVE

# Four Cars Involved In Traffic Crash

Three traffic mishaps occurred here last week, involving six cars and slightly injuring one Olton man, as U.S. highway 70 turned into a "danger zone."

Four cars were involved in an automobile crash last Thursday here as a 1961 Mercury driven by Albert H. Owen, Plainview, collided with a 1960 Chevrolet, then sideswiped a parked auto, knocking it into the rear of another car.

The accident happened about 2:30 p.m. at the intersection of Highway 70 and Main.

Driver of the 1960 Chevrolet, Charles H. Jones, 16, Hart, and Owen, 64-year-old president of Wayland Baptist College, were uninjured. Owen's wife was not given medical treatment here, but investigating officer Bill Angel said she was bruised, and planned to get medical attention after returning to Plainview.

Officer Angel of Littlefield said the Mercury was traveling west on Highway 70 and Jones pulled into the highway from Main in front of the oncoming vehicle. The Chevrolet struck the left rear of Owen's car, causing it to sideswipe a 1952 Ford, which rammed into the back of a 1953 Chevrolet, parked in front of it, according to Angel.

The Mercury continued westward down the highway and spun around facing east coming to rest 121 feet from the first point of impact.

The 1953 Chevrolet had been parked in front of a Fina station by Gerald Duncan, 17, and the 1952 Ford belonged to Ray Green, 17. Duncan said he and Green "had just parked our cars there and gone into the station."

Patrolman Angel estimated damages to the Mercury at \$500, the Ford, \$175, the 1960 Chevrolet, \$15 or \$20, and \$10 to the bumper of the 1953 Chevrolet.

Jones was given a ticket for failure to yield the right of way and Owen received a ticket for exceeding the safe speed.

The Mercury, which had both rear fenders smashed, had only 95 miles registered on the speedometer. The 1960 Chevrolet's left front fender was bent and the left rear fender and bumper of the Ford were smashed.

"I heard something go 'bang' and thought someone blew a tire. I looked up and saw the Mercury hit the Ford and slide back across the road, and turn around facing east. I thought at first he (Owen) was coming on in the front window. . . it was wet and he slid every-which-a-way," said Elmer Houston, parts manager at Thompson Chevrolet.

Duncan said he saw the cars hit and watched the Mercury "hit Green's car and slide sideways down the road and turn around."

An Olton man, C.D. Tanner, 51, was slightly injured June 14 when the 1959 Chevrolet pickup he was driving overturned at 3:30 p.m. two miles east of here on U.S. 70.

Tanner was pulling a trailer load of hay which began to sway, and slipped off the edge of the pavement and went into a skid. The pickup and trailer skidded about 120 feet, then the trailer came lose and overturned.

The pickup skidded back onto the pavement, overturned, and came to rest on its wheels, according to investigation Highway Patrolman, Sgt. D.W. Lawson.

Tanner was treated for bruises and a slight shoulder injury by Dr. Lynn Fite.

Lawson estimated damage to the pickup at \$600 and \$25 on the trailer. No ticket was issued.

Auto mishaps continued to plague the area Friday as the 1960 Chevrolet pickup driven by James Lee Giles of Garland went off the left side of the highway and struck a utility pole dead center just east of here at 4:30 a.m.

Giles, who was injured, apparently went to sleep while driving and went off the road into the ditch and continued 150 yards. The pole was broken off and the front end of the vehicle received heavy damage.

Officer Angel, who investigated the accident, estimated damage at \$600 on the pickup and \$100 on the pole, owned by General Telephone Company. Giles was given a ticket for failure to control speed to avoid collision.

## Olton Woman's Sister Killed In Auto Crash

Funeral services were conducted Saturday in the First Christian Church at Plainview for Miss Vina Ross Gould, 39, Plainview, sister of Mrs. David Maxey of Olton.

Miss Gould was killed in an auto crash, in which three persons died, last Thursday on Farm Road 400, near Lubbock. Five others were injured in the mishap.

Miss Gould had been a Plainview resident 20 years.

Parson Funeral Home was in charge of arrangements. Burial was in an Abernathy cemetery. Officiating at the rites was the Rev. Arthur Digby, pastor of the church.

Survivors include her mother, Mrs. Margie Gould, Lamesa; four sisters, Mrs. Maxey, Mrs. John Easter, Lubbock; Mrs. A.W. Fish, Plainview; and Mrs. Nolan Sweett, Lamesa; a brother, Otho Gould, Plainview; and her grandmother, Mrs. N.J. Singletary, Holliday.

MUDDY TROUBLES—Linda Williams, 5, needed a push and a pull to help her out of the mud, after rains turned parts of Olton into a muddy mire last weekend. Shown giving her a helping hand, is Johnny Lewis, left, 10-year-old son of the Rev. and Mrs. John Lewis. A little extra "heave" was added by Linda's 3-year-old brother Alen. Linda and Alen are the children of Mr. and Mrs. Robert Williams.

## Commencement Concludes VBS At Baptist Church

Commencement exercises for the Baptist Vacation Bible School classes were conducted June 14 at the church.

Open house for the display of students' handiwork was held preceding the program. Each department gave Bible readings, recited books of the Bible or sang songs that they had learned during the week. The school had an average attendance of 230.

Department heads were: Intermediate, Mrs. Garner

Ball; Junior II Mrs. W.E. Andrew; Junior I Mrs. Owen Jones; Primary III Mrs. Vernon Britton; Primary II, Mrs. Royce Collins and Primary I Mrs. A.E. Cade.

Others were: Beginner II, Mrs. R.L. Hipp; Beginner I, Mrs. Fred Long; Nursery, 3 year olds, Mrs. Robert Edwards; Nursery, 2 year olds, Mrs. Charles Lewis and Cradle Roll, Mrs. Cora Wozencraft and Mrs. Florence Speers. Principal for the school was

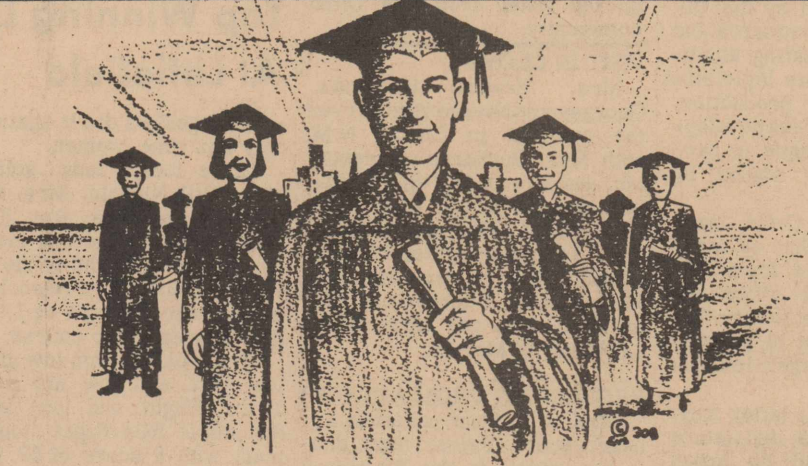

the Rev. John Lewis and secretary and pianist was Joanna Lewis.

## Methodist Junior Camp To Be Held

Junior Camp for fifth and sixth graders of the Olton Methodist Church will be July 3-7 at Ceta Canyon.

Attending from the Olton church will be Steve Spain, Steve Collins, Mike Trotter and Melody Carlisle.

# Prime Products of Our Talent Farm

Every year . . . at great expense in time, money and love . . . we turn out another fine crop of young men and women . . . trained and schooled and ready to take their places in the adult world. And every year the big cities get most of them . . . because we haven't enough jobs for them to do.

- It's very generous of us to go to all of this trouble and expense to furnish high grade personnel for city use.
- Of course, we'd like very much to keep them here near us because we love them. And we could use nearly all of them if we should develop a real selfish streak some day and decide to wean the big cities we have been helping to support.
- The money we spend out of town every year, if most of it was spent here, would provide many more job and business opportunities for our young people.
- It would make the grass a good deal greener for most of us older citizens, too.

### Foreign Tour Is Taken By Area Minister

The Rev. M.B. Baldwin, pastor of Springlake First Baptist Church, returned recently from touring several foreign countries. He conducted evangelistic services in Glasgow, Scotland, and went on to tour London, England; Italy, Switzerland, Greece, Egypt, Lebanon, and various cities in the Holy Lands. In Egypt he saw the pyramids and the Sphinx. He toured Baalbeck, "City of the Sun," and saw Damascus, Jerusalem, Bethlehem, Jacob's Well, the Jordan River, Jericho and many other well-known cities.

### Sonny Adam's Are Parents Of Baby Girl

Mr. and Mrs. Sonny Adams of Olton became the parents of a baby girl, Wynona Ruth, Tuesday in Castro County Hospital at Dimmitt. The little girl weighed 5 lbs., 11 oz., at birth. She has one brother, Sonny Bill. Maternal grandparents are Mr. and Mrs. Rex Jenkins, who live in the El Paso Natural Gas Camp north of Springlake. Paternal grandparents are Mr. and Mrs. John Adams of Olton.

### Recipe Of The Week

This recipe for "Creamy 3-Nut Candy" is a favorite of the family of Mrs. Bill Langford at Christmas time or any time. "It is quick, easy and so delicious," says Mrs. Langford.

3 cup sugar  
1 pint cream  
1 cup white syrup  
2 cups walnut meats—in large pieces  
2 cups pecan meats—in large pieces  
2 cups brazil nuts—in large pieces

Cook all ingredients until mixture reaches the soft ball stage; remove from heat and stir until creamy. When mixture begins to stiffen, turn into buttered pan, pack down with spoon, let harden, remove from container and wrap in aluminum foil where it will keep indefinitely. When ready, slice and serve. Makes 4 1/2 pounds.

**ELKINS VISITORS**  
Visitors in the L.G. Elkins home this week were sisters of Elkins, Mrs. Neva Richardson, Mrs. Benny Barting of Fort Worth and his niece Mrs. Bill Sitton of Midland.

**VISITS IN ARIZONA**  
Mrs. L.G. Elkins spent last week visiting with her daughter, Mrs. D.W. Stockham Jr. and family in Tucson, Ariz.

**TOURS WEST**  
Mrs. Lavelle Elkins spent ten days recently vacationing and visiting friends in El Paso, Tucson, Ariz.; San Diego, Calif. and other points of interest on the west coast.

**Out on a limb for meals?**

Then get down to earth — but with out-of-this-world meals — by buying a home freezer or refrigerator-freezer now. You save money and stop wasting food. Left-overs become planned-over or TV meals when you have a freezer compartment. You serve them later and save money — and improve appetites. Buy now — the economy is instantaneous.

**FREE WHILE THEY LAST**  
Five durable plastic bowl covers in assorted sizes for just seeing a freezer or refrigerator-freezer demonstration from your Reddy Kilowatt Dealer. You don't have to buy — but you'll want to.

**SOUTHWESTERN PUBLIC SERVICE COMPANY**

Air conditioning—an extra-cost option that gives you fingertip temperature control. Try it.

**YOU'LL FIND JUST THE CAR YOU'VE GOT IN MIND AT YOUR CHEVY DEALER'S ONE-STOP SHOPPING CENTER**

Thirty-one models to pick and choose from! Jet-smooth Chevrolets, fleet-footed Corvairs, the one-of-its-kind Corvette—just name your pleasure. Then stop in for a pleasant visit with your Chevrolet dealer. For full-sized fun, take a look at Chevy's budget-lovin' Biscaynes, ever-popular Bel Airs and always-elegant Impalas. (A tip for top-downers: The Impala Convertible is the liveliest, love-liest ever.) For king-sized wagon fans there are six happy-hauling, vacation-minded Chevrolet wagons. And, for a thrift-car treat, don't miss the nifty selection of easy-handling Corvairs—sedans, coupes, Monzas, and Lakewood and Greenbrier wagons. Take your pick—the easy way. Just one stop at your Chevrolet dealer's does it.

**New Chevrolet IMPALA SPORT SEDAN**  
One of five delightful Impala models with just about everything anyone could want in a car. Here's top-of-the-line luxury—at a sensible Chevy price.

**New Chevrolet BEL AIR 2-DOOR SEDAN**  
Like all Chevrolets, this family favorite brings you Body by Fisher craftsmanship . . . and it's priced just above the thriftiest full-sized Chevrolets.

CHEVY'S traditionally high resale means it costs less in the long run  
Because these people-pleasing Chevies keep on bringing more trade-in money, it's almost like having your cake and eating it, too. One more reason for going Jet-smooth Chevrolet. Happy motoring. And many happy returns!

Based on prices in the National Automobile Dealers Association official USED CAR GUIDE, recent-model Chevrolets are now bringing a higher percentage of their original price than any other full-sized car in their field.
