

"The Golden Gate To The Golden Road"

OLTON, LAMB COUNTY, TEXAS, THURSDAY, NOVEMBER 8, 1962

NUMBER 40

OL' ART NAFZGER pretty well gets me told in a letter to the editor in this week's paper.

Art says I called him a Republican, period, last week. No two ways about it, I guess, that he's an American first, and that no party rates before his country or his state.

Thanks for setting the record straight, Art.

It makes me feel a whole lot better to know there's another fellow around who'll vote with his country or his state uppermost in mind, not his party.

I DON'T know what to make of the results of the elections in some of the other states. Nixon was whipped in California Romney won in Michigan and Rockefeller held on in New York.

Some political observers are saying now that Rockefeller has the best chance for the GOP nomination in 1964.

If it's a Kennedy-Rockefeller battle in 1964, the conservatives will be left out in the cold.

Because President Kennedy, compared to Rockefeller, is a real conservative!

If the Kennedy-Rockefeller race does develop, it could be the thing that will force conservatives into forming a third party.

MY SON Kenneth, almost 5, is beginning to pick up bad habits. He's acting like me... real absent-minded.

The other day, after Sunday School, he was telling his mother about the class he'd just come from.

"The teacher said we should say our prayers after dinner, too," he told his mother.

"But there was one thing she told us never, never to forget."

"What was it?" Amy asked. Kenneth's brow wrinkled at the question and he replied: "I forgot."

We've had some of the durndest luck lately. For two weeks in a row, our type-setting machines have broken down on Wednesday.

Getting out a newspaper, usually a pretty pleasant job for me, has turned into a nightmare both weeks.

Ordinarily, we can get the job done by 3 or 4 o'clock on Thursday afternoon, so that subscribers can pick up their copies at the post office that afternoon.

We've missed that deadline the last couple of weeks and subscribers have let us know about it. We're sorry it happened, but we're glad to know that folks don't like it when their Enterprise doesn't show up at the right time.

We're doing our best to see that it doesn't happen again.

Gifford-Hill Western Sets Open House

Gifford-Hill-Western announced this week that their newest lock-seal plant is now ready for production at Plainview.

Plant tours will be conducted showing visitors how lock-seal is manufactured and how it is installed on the farm.

A \$1,000 lock-seal irrigation pipeline, installed, will be given away to some farmer.

Gifts will be given to all who attend.

Refreshments will be served and free rides will be available for children.

Mark Wilson, from CBS "Magic Land of Allakazam" will appear.

BANK TO CLOSE

Olton State Bank will be closed Monday in observance of Veterans' Day, Nov. 12. The bank will resume normal banking hours Tuesday morning.

LITTLE STEVIE Bryan, son of Coach and Mrs. Walter Bryan, gets in plenty of exercise when his dad takes him to the school gym. Here Stevie is shown swinging on a rope at the gym. And you can tell from his expression that's he's having plenty of fun.

263 Are Out For Make-Up SOS Clinic

Approximately 263 persons turned out here Sunday afternoon for a make-up SOS clinic, bringing the total number taking the Type II vaccine in Olton to about 3,000.

Contributions at the make-up clinic totaled \$83.

The vaccine is given free but donations are accepted. Workers at the clinic Sunday in the school lunchroom included Dr. Lynn Fite, Ed Thompson, Mrs. Fred Long, Gene Trotter, Melvin McReynolds, Jim Huggins, Fred Shaw and Edzie Hackler.

The clinics are being sponsored here by the Olton Chamber of Commerce and Agriculture.

Type III vaccine will be given at the next clinic. Definite hours for the clinic will be announced at a later date.

JUNIOR HIGH FOOTBALL QUEEN---Valda Jones, daughter of Mr. and Mrs. Owen Jones, is shown as she was crowned Olton Junior High football queen here Tuesday afternoon. Doing the honors is Jimmy Ivins, Colt footballer. For other photos taken at the coronation, see inside today's Enterprise.

Cox Leads Olton Voting As Connally Wins Lamb

Democrats Roll Up Impressive Totals

Olton voters--as expected--gave Republican gubernatorial candidate Jack Cox a slight majority in Tuesday's general election, but their choice was lost in a landslide victory for Democrat forces.

The new "man of the hour" is Democrat John Connally, who pulled steadily away after close early tabulations.

Precinct one voters also favored the GOP's Des Barry in the Congressman-At-Large race, but it was Democrat Joe Pool who scored a resounding victory over the state.

Otherwise, local voters pretty much followed the state trend which found Democrats winning easy victories in what was expected to be the "year of challenge" by the GOP.

Coming in with easier-than-expected victories were Bill Clayton of Springlake in the state representatives race, J. B. Davis of Rocky Ford in the county judge election and C. Roy Stevens in the race for county school superintendent. Clayton rolled up a 7,887

to 4,559 lead over the five-county district, leading in four of the five counties. In Olton, the vote was 453 to 219, Clayton.

Final tally by counties: Clayton, 3152 to 1,217 in Lamb 1,298 to 434 in Castro; 1,098 to 753 in Bailey; and 1,170 to 841 in Farmer; Ford, 1,314 to 1,169 in Deaf Smith.

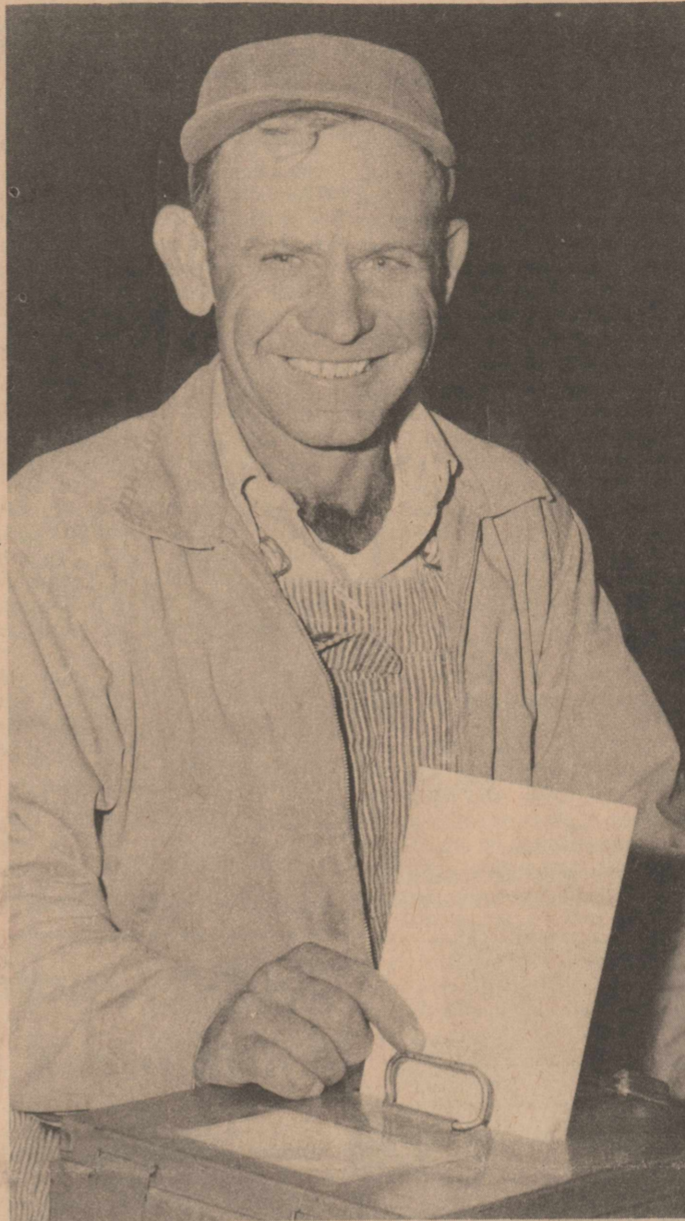

Davis took a 2-1 victory over Keeling and Stevens' win over Mrs. D.F. Eaton in the county superintendent's election was about the same.

George Mahon was an easy winner over Dennis Taylor for congressman, 19th district. He led in the Olton box by 418 to 256 and in Lamb County by 3,055 to 1,323.

Scoring victories in about the same proportions were Preston Smith for lieutenant governor, Waggoner Carr for attorney general, and Andy Rogers for state senator.

Here are county-wide results, in addition to those from Olton, Hart Camp and Springlake:

OFFICE Candidates	Olton	Hart Camp	Springlake	County
GOVERNOR Connally	306	29	110	2,513
Cox	367	27	75	1,718
Carswell	3	0	0	18
LT. GOVERNOR Smith	431	41	129	3,012
Hayes	241	18	59	1,335
ATTORNEY GENERAL Carr	474	48	137	3,246

CONGRESSMAN-AT-LARGE Pool	322	38	111	2,667
Barry	347	23	73	1,670
CONGRESSMAN, 19th DISTRICT Mahon	418	43	133	3,055
Taylor	256	19	58	1,323
STATE SENATOR, 30th DISTRICT Rogers	452	45	136	3,149
Zahn	219	16	53	1,717
STATE REPR., 91st DISTRICT Clayton	453	47	150	3,152
Ford	219	15	40	1,415
COUNTY JUDGE Davis	409	38	135	2,966
Keeling	268	23	54	1,415
COUNTY SCHOOL SUPT. Stevens	389	44	119	2,930
Eaton	277	17	68	1,418

DUB HALL grins wide as he casts his ballot in Tuesday's general election voting. Dub was one of 684 persons to vote in the Olton precinct.

MRS. WILLIAM DEBERRY gets a word of advice from her son, Darrell, 3, as she votes in the general election Tuesday. Voters took their time with the long ballot.

Olton C-CA Sets Meeting Top 3 In Contest

Plans for a general membership meeting of the Olton Chamber of Commerce and Agriculture were approved Tuesday morning at a regular meeting of the board of directors.

The board set the meeting for Friday, Nov. 29.

At that time, members of the Chamber and other interested persons will pool their ideas to form the C-CA's program of work for 1963.

In addition, four new members will be elected to the board of directors for three-year terms.

In the past, terms of directors have been two years. Terms of six of the 12-man board expire this year, and two of the six necessarily must be holdovers.

Directors whose terms expire are James Hall, president of the C-CA; James Cowart, Bill Turner, Elmer McGill, Basil Johns and Ed Thompson. The group will determine among themselves who will be the two holdover directors.

They also will form the nominating committee for new directors. Cowart is chairman of the group.

In addition to the nominees suggested by the committee, nominations will be accepted from the floor of the general membership meeting.

In other activity Tuesday morning, the board named Johnny Clark Jr. as banquet committee chairman. The annual C-CA banquet will be held in January or early February.

Top 3 In Contest Miss Only 2 Games

Three contestants far outdistanced the rest of the field in the Enterprise football contest last week.

The three---J. E. Fuller, Howard Hall and C. A. Cox---missed only two ball games each. Everybody else missed three or more.

Fuller took first prize of \$10, with Hall winning second place money of \$6 and Cox getting third money of \$4.

The first two missed the Sudan-Kress upset and Cox failed on Snyder and Brownfield. All three missed the Level land-Phillips tie.

Fuller was closest on the tie-breaker with a 14-7 guess favoring Muleshoe in the Olton-Mule contest. Hall guessed it 20-13, Muleshoe, and Cox had it 26-20, Mules.

There's still time to enter the contest for this week. Just fill out the entry blank in the Nov. 1 Enterprise and turn it in to one of the sponsoring merchants before 4 p.m. Friday.

Board Okays Annual Audit

Olton school trustees approved an annual audit of funds, okayed monthly reports and appointed a textbook committee at a regular meeting Tuesday night.

Adoption of the audit came after a lengthy and detailed presentation by Williams and Merriman, certified public accountants, Muleshoe.

In a letter of transmittal, the auditors pointed out that books and records did not follow in all respects the methods and procedures required by the State Board of Education.

As a result, they said in the letter, "We are assisting in setting up journals and a general ledger that will comply with all state requirements."

The auditors also recommended checking and bringing up-to-date of delinquent tax rolls; a bond of \$50,000 on the tax assessor-collector, and other changes.

The statement of cash receipts and disbursements for the school district, which is carried inside today's Enterprise, shows the district had an opening cash balance of \$17,142.66 and an unencumbered closing cash balance of \$20,220.00.

After approving the audit the board heard reports on lunchroom finances, attendance and transportation. Latest enrollment figures show a total of 1,230 white

Farmer Union County Meet Set At Earth

Lamb County Farmers Union has scheduled its next county-wide meeting Tuesday, Nov. 13 at 7:00 p.m. in the community building at Earth.

Two main items of business on the agenda for the evening will be the election of delegates and the adoption of resolutions from the county to the state convention, which will convene in December.

All members, including the ladies, throughout the county are urged to attend and any other interested farmers are invited to attend.

At a recent county meeting attended by farmers from Amherst, Earth, Littlefield, Olton, and Springlake, Ed Dawson and Orville Cleavinger, both of Springlake, were elected president and vice-president, respectively, and Doug Shelby of Earth was re-elected secretary.

The membership voted to establish a board of directors of eight members, one from each school district or farm community in the county, to serve with these officers as an executive committee for the county organization.

The nominating committee appointed by outgoing county president, Bruce Higgins of Earth, which recommended this

(CONTINUED ON PAGE 6)

Winners Named In Annual Punt, Pass And Kick Event

WINNERS in the Punt, Pass, and Kick Contest sponsored by Hall-Sides Motors were announced Wednesday following competition among about 60 boys at Memorial Stadium Tuesday night.

FIRST PLACE winners in the five age groups were: Johnny Lewis, 11; Joe Schenck, 10; Johnny Hayes, 9; Gary Rogers, 8; and Tim Givens, 7.

SECOND PLACES were won by Jason Latimer, 11; Tony Miller, 10; Russell Tanner, 9; Phillip Waldrop, 8; and Jay Daughtrey, 7.

THIRD PLACE winners were Mike Gullett, 11; Keith Neinast,

10; Mike Parsons, 9; Max Moss, 8; and Don DeBerry, 7.

THE BOYS will be presented awards at halftime of the Olton-Friona football game here Nov. 16. First place awards are warm-up jackets. Football helmets and autographed footballs are second and third prizes.

TOTAL scores, based on distance and accuracy of their punts, passes and kicks, determined the winners.

THE OLTON youngsters were competing with boys across the nation for places among the 70 regional winners who will compete at Dallas later this year.

The Olton Enterprise

Published each Thursday at Olton, Texas.

Subscription rates: \$3.00 per year in Lamb and neighboring counties; \$5.00 per year elsewhere.

Entered as second class matter at the post office at Olton, Texas, under the act of Congress, March 3, 1897.

TOUCHDOWN---Muleshoe Quarterback Ken Heathington sails into the end zone for Muleshoe's first touchdown against the Mustangs at Muleshoe last Friday night. Going down from a

block is Larry Fancher. Other Mustangs are Johnny Moses (38) and Jimmy Bennett (65).

two-ON-ONE---A pair of Mustangs drive into Mule QB Ken Heathington to stop him at the Olton 25 in this photo. Making the tackle were Darrell Glover and Johnny Moses.

Other Mustangs are Leon Kendall (55), Billy Carson (64) and Jimmy Bennett (65).

Little Patients 'Dig' School At Hospital

Some of the children entering Texas Scottish Rite Hospital for Crippled Children in Dallas have one bright spot. At least they'll get out of going to school. That's what they think at first, anyway.

But not for long. Attending class is as much a part of life at the hospital as surgery, casting and therapy.

The newest addition to the hospital is indicative of the interest hospital officials have in helping their young patients keep up as much as possible with their education as well as their physical well-being.

Two big school rooms were added this summer at the west

end of the hospital at a cost, according to hospital president John McKee of Dallas.

The hospital auxiliary furnished the rooms and all school supplies except the children's books. The books are their own which they bring from their home schools.

McKee, prominent Texas civic and business leader, said two teachers are employed from the Dallas Independent School District. One teaches students from homes in the district and the other teaches the students from outside the Dallas district.

The latter group is by far the largest. During the 1961-62 school year, there were 152

patient-students from outside Dallas and 37 from Dallas. A few of the cities represented by present patients include Abilene, Austin, Midland, Littlefield, Big Spring, Dimmitt, Lubbock, Big Lake and Sunray, high in the Texas Panhandle.

All school age children scheduled to be in the hospital for more than two weeks are provided for. Grades one through 10 are taught.

Miss Sewell noted that officials are "gratified to hear from patients back in the hospital for check-ups that when they first went back to their schools they were sometimes ahead of their 'regular' classmates. Most of the time they are up with their classes."

While the hospitalized youngsters have special problems in keeping up with their education, Miss Sewell accentuated the positive.

"Many things strike you as being most stimulating.

"These children adapt so well. It is marvelous in most cases how they adapt to their handicap. They are courageous and brave in the face of surgery, casting and treatment. These things are probably more traumatic in the lives of older people than they are to the children.

"The children take things in stride so beautifully."

Another thing she mentions is their "pleasant disposition and friendliness. They are ahead of the normal child in that, I suppose it's because they've had to be around so many doctors, nurses and strangers."

Although the positive side was stressed, there are difficulties in teaching youngsters under medical treatment. Their class schedules may

be interrupted by periods for operations, for putting on casts, for physical or occupational therapy.

As much as possible, the children are grouped by grades, but more often than not, they get individual treatment. "Their learning levels are different and they have varying degrees of physical disability," Miss Sewell pointed out.

However, she said the individual attention called for by these and other factors may be the reason their hospital education is so effective.

A question if their confinement to the comparatively close quarters of a hospital might not contribute to more homework getting done brought a negative answer and a big smile from the teacher.

"Now there they're life normal children. They have normal study habits. They can always think of something else to be doing rather than studying."

"They do have a required 'study hall,' that comes after their evening meal. This is usually for an hour. Like normal children, the little patients get homework--'as much as they can do.'"

She commented that the education of such children, who may remain disabled all their lives, is equally as critical as their treatment.

"The important thing with crippled children is that they must make their way in this world with their minds because they can't do it with their bodies."

Cotton Quota Announced

The U.S. Department of Agriculture announced on October 15 a national marketing quota of 14,367,000 bales and a national acreage allotment of 16 million acres for the 1963 upland cotton crop. December 11 was set as the date for grower referendum on 1963 marketing quotas.

The announcement also said an additional 310,000 acres would be available as a national reserve to be used for establishing minimum farm allotments. It was further stated that it is not anticipated that this will be the final national acreage authorized for 1963 since new legislation is to be recommended to Congress by the President.

Muleshoe Horse Collars Ponies With 13-0 Loss In District Play

Olton's Mustangs went scoreless for the first time this year Friday night at Muleshoe as the Mules won a 13-0 verdict to set up Dimmitt-Muleshoe battle for the District 3-AA crown.

The Ponies never were able to get their offense moving consistently as the Mules took advantage of a pass interception in the second period for the only touchdown they needed.

However, Muleshoe added another score in the waning moments of the game to rack up its second district victory against no losses. The Mustangs, no 91-2 in dis-

trict play and 4-5 for the year, take this week off, before meeting Friona here Nov. 16 in the final game of the year.

Last Friday night's action left Muleshoe and Dimmitt with 2-0 records and both Olton and Morton with 1-2 marks. Friona is 0-2.

Action tomorrow night pits Muleshoe against Friona and Dimmitt against Morton. Both loop leaders are favored to win and advance unbeaten to their championship-setting match on Nov. 16.

Mustang Quarterback Joe Priest was unable to get his passing arm cranked up, completing only one of seven for five yards. In addition, the Mules picked off two of his throws.

Only heavy penalties against Olton saved the Ponies from a worse defeat. The Mules were penalized eight times for a total of 110 yards.

However, Olton made a close game of it and actually might have won if the Mustang offense could have clicked at the right times.

Late in the first quarter, the Mustangs started a drive that carried 66 yards to the Muleshoe 24. The longest run of the drive was a 10-yard scamper by Ronnie Parsons.

It appeared the Mustangs had run out of gas at the Mule 42, but a roughing-the-kicker penalty gave Olton a first down at the Muleshoe 26.

Three plays gained only two yards and Priest's fourth down pass went incomplete.

A few moments later, after Olton had stopped a Muleshoe

series, the Mustangs were moving from their own 24. A Priest arrival was intercepted by Muleshoe's Ronnie Johnson and returned to the Olton 32.

The Muleshoe eleven rolled to a touchdown from there. They had one apparent tally called back on a holding penalty, the ball going back to the Olton 22.

However the Mules needed only two more plays, with Jerry Gilbreath racing nine to the 13 and then QB Ken Heathington going in for the score. Ronnie Heard kicked the extra point and Muleshoe led, 7-0, with 3:10 left in the half.

In the third quarter, the Mustangs came out running strong, again driving deep into Muleshoe territory. Another roughing-the-kicker penalty gave the Mustangs a first down at the Mule 34, but on the next series Olton narrowly missed a first down at Muleshoe's 24.

Olton's best scoring chance of the night came midway in the third period when Mustang Jimmy Bennett recovered a Muleshoe fumble at the Mule 13.

Fullback Johnny Moses hit the line twice to the Mule seven, but on third down Priest was felled at the 10, George Jones' fourth down field goal try was low and short.

The next three times the Mustangs got the ball, they were deep in their own territory and couldn't mount a drive.

With six minutes left in the game Muleshoe took the ball distance for a second touchdown.

Heathington got off on a key run, carrying 14 yards to the Olton 17. After a five-yard penalty set the Mules back to the 22, the Mule QB passed to Gary Ratliff for the touchdown. Olton's Charlie Burrus blocked

the point-after attempt. That made it 13-0 with 2:20 left in the game.

Outstanding on defense for the Mustangs were George Jones, Jimmy Bennett, Billy Carson, Richard Hall and Leon Kendall.

DIP INTO REAL DRIVING CONFIDENCE

...the kind that results when you give your car adequate protection. It's as simple as regular use of Shamrock Motor Oil. Shamrock Motor Oils come in different categories as engines do. Your Shamrock dealer will recommend the right one for your car. You'll notice a strong family resemblance in Shamrock's new motor oil cans! There's an even stronger one in their quality...quality you can measure by your car's performance.

BYRD & ROPER OIL CO.
 Your Shamrock Dealer In Olton

THANK YOU

I would like to take this means to express my appreciation to the voters of Lamb County for the confidence you have shown in me. I pledge my best efforts to give you the kind of representation you want in county government.

J. B. DAVIS
 COUNTY JUDGE

I would like to take this means of personally thanking everyone who supported me in Tuesday's General Election for County School Superintendent. I shall never forget your expression of confidence. I also want to thank my opponent for a very clean and courteous association during the race.

WEEKLY PRIZES!

CONTEST RULES

Winners selected in each ad must be circled in ink or pencil. Tie-breaker winners must be circled and scores printed in the spaces made available for them.

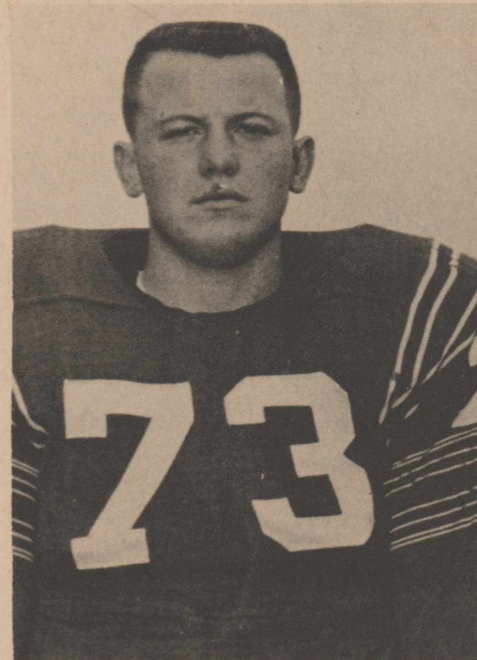

Each week's entry must be turned in to one of the merchants sponsoring the contest. Contestants are given a week to prepare and turn in their entries. When they receive their paper on Friday, they have until the next Friday at

4 p. m. to turn in their entries.

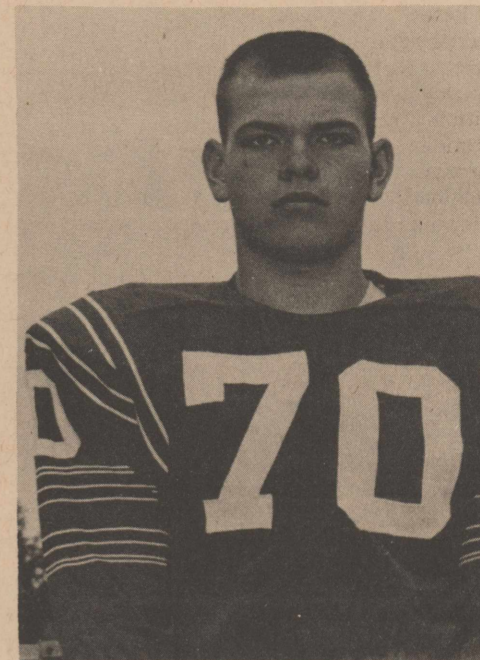

Sponsoring merchants may accept mailed entries, but none mailed directly to the Enterprise will be accepted. All late entries will be discarded.

In case of ties, a coin will be flipped to determine the winners.

Anyone may enter except employes of the Enterprise or their families.

Income Statistics Released

On a nationwide scale, Internal Revenue's Preliminary Report for 1960 indicates the vast change in taxpayers' adjusted gross income over the past decade. In 1950 only 14 per cent of the returns had income over \$5,000. By contrast, of the 61 million individual returns filed for 1960,

42 per cent showed income above the \$5,000 level.

Taxable income nationally reflected the over-all rise in the level of income received by taxpayers in 1960. Taxable income of \$171.6 billion represented a \$5.1 billion increase over 1959, with the result that income tax liability rose to \$39.5 billion -- over \$800 million higher than in 1959.

Texas taxpayers reported \$13.6 billion adjusted gross income on the 2,873,000 Federal income tax returns filed for 1960, Ellis Campbell, Jr., district director of Internal Revenue, said this week.

Income statistics, after allowance for deductions and exemptions, showed taxable income in Texas of \$7.17 billion resulting in income tax liability of \$1.69 billion.

Both items represent increases over the income year 1959 -- an increase of 0.3 per cent on taxable income (\$7.15 billion in 1959) and an increase of 0.2 per cent in income tax liability (\$1.69 billion in 1959).

Internal Revenue reports that Texas tax returns showed an increase in 1960 over the previous year in salaries and wages, dividends, interest, and combined other income and loss. Largest increase reported was the 14.1 per cent rise in interest with \$213 million reported in 1960 as against \$187 million in 1959. Dividends were 8.3 per cent higher with \$321 million in 1960 and \$297 million

in 1959. Combined other income and loss reported in 1960 was \$2,284 million in 1960 as compared with \$2,376 million in 1959, an increase of 0.3 per cent.

Salaries and wages showed the largest dollar amount increase, with \$10,658 million reported in 1960, an increase of 0.8 per cent over the \$10,575 million in 1959.

This information is available in the Preliminary Report, Statistics of Income -- 1960, Individual Income Tax Returns, prepared by the Internal Revenue Service. This publication is available from the U.S. Government Printing Office, Washington, D.C., for 20 cents.

More detailed data for Texas and each of the other 49 states can be obtained from the Statistics Division of the Internal Revenue Service, Washington, D.C., or local Director of the Internal Revenue Service. Data available would include number of returns, selected sources of income, exemptions, taxable income, and tax.

Olton Band To Appear At Tech

Entries in the football halftime show Nov. 20 in Jones Stadium at Texas Tech will include the Olton band in Class 2-A and the Springlake band in Class B.

More than 2,600 students will participate in the competition with bands from 37 area high schools. Beginning at 1 p.m., bands will perform their colorful shows every eight minutes.

Judges will include band directors Frank Pierson of Iowa State University; Jim Jacobsen, Texas Christian University; and Dr. Ted Crager, West Texas State College.

VISIT KENNEDY

Mrs. Ruth Gautier of Lubbock visited last weekend with her parents, Mr. and Mrs. L.S. Kennedy.

Farmers Union

(CONTINUED FROM PAGE 1)

type of county organization was composed of Wilton Bodkin, chairman, and H.W. Walker, both of Olton; J.A. Littleton Jr., Earth; and Vic Reynolds, Amherst.

The resolution committee, consisting of J.A. Littleton, Jr., Earth, chairman, Raymond Cooper, Olton; Vic Diersing, Pep, Paul Lewis, Littlefield; and Vic Reynolds, Amherst, met in Earth last Monday night and prepared a slate of resolutions to present at the next county meeting. Subjects discussed ranged from commendation of Secretary of Agriculture Freeman for a job well done under adverse conditions to condemnation of the report of the Committee on Economic Development for its suggested solutions to the problems of rural America. Other resolutions pertaining to farm labor, pricing of cotton, feed grain legislation, pricing of natural gas for irrigation, private utility regulation, taxation of cooperatives, and REA rights were included in the discussion.

A Note Of Appreciation . . . TO GRAIN FARMERS OF OUR AREA

At the end of another grain harvest, we want to say "Thank You" for making this season another successful one for us. We are now ready to handle your corn.

JUNIOR HIGH ROYALTY--Candidates for football queen at Olton Junior High are shown with their escorts at Tuesday's event. Left to right are Jimmy Schrier, Brenda Kirkpatrick, Jimmy Ivins, Valda Jones, Donna Smith and Jerry

Kemp. Below, the winner, Miss Jones, is congratulated by junior high cheerleaders. The annual event is a high point of the year at the junior high school.

Electric Rates Compared

NEW YORK, Nov. 1--What is the cost of electricity in Olton? Is it higher or lower than in other cities around the country? How much current is consumed locally per year by the average family?

The answers are provided by the Edison Electric Institute and by the Federal Power Commission, which has just issued a report listing the electric rates in effect in 5,649 communities throughout the United States, as of the beginning of this year.

The average monthly bill in Olton for 100 kilowatt hours of electricity, which is the quantity normally used for small-scale lighting, appliances and refrigeration, amounted to \$4.62.

This compares with an average of \$4.06 a month in the rest of the cities.

For families that consume 250 kilowatt hours a month, which is a more usual quantity, the typical bill locally was \$7.88. Elsewhere in the nation, the cost was \$7.48 for this amount.

For households that use electricity for lighting, water heating, refrigeration, cooking and appliances, consuming 500 kilowatt hours a month, the typical bill locally was \$10.53, as

against \$10.66 in the other cities.

The Federal Power Commission states that it has made no attempt, in presenting these typical bills, to determine the reasonableness of the rates. Such an evaluation, it explains, would involve consideration of the many factors that go into the production and distribution

of current.

The demand for electric power in the United States continues to rise at a rapid pace, the Edison Electric Institute reports. It has been doubling every 10 years, far exceeding the rise in population.

The industry, to keep abreast, has had to add to its generating equipment each year, with

the result that America's power capacity now constitutes a third of the world's total.

In the overall area embracing Olton, the use of electricity for residential purposes has been on the increase. The figures show that the average family consumed 3,786 kilowatt hours last year, compared with 3,341 in 1958, when a similar study was made.

'63 Chevrolet Trucks

THEY'VE ALWAYS BEEN TOUGH BUT NEVER STRONGER THAN NOW!

You can be sure that new engines, frames, suspensions that licked Mexico's Baja* Run will work for you long, faithfully and at traditionally low Chevrolet cost.

A Chevrolet truck has always been a sound investment because of its quality construction. This is what makes it give you an honest day's work every day at very low cost and—when you are finished with it—return more resale money to your happy pocket.

This year stronger frames, engines that can pull more, and practically tailor-made suspension systems make Chevrolet trucks a better buy than ever. If you're in the market now, we'd welcome the chance to tell you about, and let you drive, the new trucks. Just give us a call.

See the "New Reliables" now at your Chevrolet dealer's

WHO'S NEW

No pink, 2 blue

WHO'S NEW

Christopher Loren, born Oct. 23 in the Littlefield Hospital and Clinic. He weighed six pounds. His parents are Mr. and Mrs. Don Taylor.

The Taylor's have two other children, Bryan, four years old, and Donnie, two years. Paternal grandparents are Mr. and Mrs. M.E. Taylor of Olton and maternal grandparents are Mr. and Mrs. Raymond Thompson of Lubbock. Paternal great-grandfather is J. M. Taylor of Olton.

WHO'S NEW

Mark Allen, born Nov. 1 in the Porter Clinic, Lubbock. He weighed eight pounds and eight ounces. His parents are Mr. and Mrs. Max Malone. They have one other child, Monte. Paternal grandparents are Mr. and Mrs. R.W. Malone and Dr. and Mrs. J.W. Axtell of Lubbock.

care commensurate with the situation. It has been recognized in a number of cases that more than normal is required of a driver traveling through smoke which limits his visibility.

It is the duty of the operator of a car to drive it at such a rate of speed that he can bring his car to a standstill within the distance that he can plainly see objects or obstructions ahead of him. If he continues to proceed when he is unable to see because his vision is obscured, he is negligent. When the situation on a highway is such that one's vision is completely obscured, it is his duty to slow down or even stop until the cause of such obscured vision is at least in part removed.

Superintendent Of Boys Home To Speak Here

Jack Sikes, superintendent of Westview Boys Home at Hollis, Okla., will speak here Wednesday Nov. 14 at the Main Street Church of Christ.

The talk will begin at 7 p.m. The public is invited.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

TEXAS PRESS ASSOCIATION

AUSTIN, Tex.— A statewide drive is underway to raise \$950,000 for a "Cerama Star" shrine at Washington-on-the-Brazos, where the Republic of Texas was born.

Campaign was announced by Gov. Price Daniel after meeting with Mrs. Mary Moody Northern of Galveston, Robert L. Thornton of Dallas and Gus S. Wortham of Houston, who co-chairman the project.

"Cerama Star," as visualized by designer Clyde E. Gray of Woodville, will be a star-shaped concrete building covering five acres of ground at the historical site near Brenham.

It will contain more than 6,000 square feet of ceramics, tracing Texas history.

Shrine is to perpetuate the memory of the 59 courageous early Texans who met at Old Washington on March 2, 1836 and declared their independence from a tyrannical Mexican government. They set in motion a course of events which saw, within 50 days, the fall of the Alamo, the massacre at Goliad, and the decisive victory at San Jacinto which secured the freedom of Texas.

Back in 1956 the Texas Press Association joined with the Texas Independence Day Organization to encourage construction of such a memorial.

Building is to be shaped like the Lone Star, with a tower rising from the center, topped by a powerful searchlight known as the "Light of Texas Freedom."

An elevator will take passengers to the top.

TOURS FOR THE TAKING—Scouts for the Texas Highway Department's Travel Division, always on the look-out for interesting things for tourists to see, have uncovered 324 tours that Texas industries offer in 70 cities.

Information came from queries as to what plants would spread the welcome mat for visitors.

Replies were compiled into an easy-to-read booklet entitled, "Visitor Tours of Texas Industry."

Copies can be obtained through the Travel Division's Austin office, or at any of the eight State Tourist Bureaus.

SUBTERRANEAN CENTER—Texas Department of Public Safety plans to go underground to handle disaster relief operations.

Col. Homer Garrison Jr. reports that ground has been broken for a \$630,000 underground state emergency operating center.

SUBTERRANEAN CENTER—Texas Department of Public Safety plans to go underground to handle disaster relief operations.

Col. Homer Garrison Jr. reports that ground has been broken for a \$630,000 underground state emergency operating center.

Garrison said the present disaster communications center, located in the basement of the department's headquarters, lacked facilities to handle major disasters—such as Hurricane Carla—at peak efficiency. The new 12,000-foot center will facilitate uninterrupted operation for 30 days.

Designed to withstand the effects of air blast, thermal radiation, residual radiation (in-

cluding fallout) and chemical and biological agents of warfare, the safety center will be manned around the clock from the time it's completed. It will accommodate about 120 persons, and be equipped with an independent water supply, fuel supply and auxiliary utility power.

PLANS FALL THROUGH—Those water-color illustrations of a \$1,500,000 lodge on Lake Texoma in Eisenhower Development Corporation, financing the lodge, told State Parks Board executive director Bill Collins that the finance company, holding a \$350,000 note against the marina, had filed for repossession.

Lamplighters Inns, Inc. of St. Louis, Mo., which had agreed to operate the lodge, withdrew when it became apparent that the proposed \$500,000 marina won't be completed in time for the tourist season.

Frather said his group still is interested if it can find a backer, but the Parks Board figures it is under obligation to no one at this point.

AUTO TAX BACKED—Assessing automobiles for city and school taxes, without assessing "all other personal property on an equal and uniform basis," has been upheld by the Austin Court of Civil Appeals.

Court reversed a judgement of the Hays County District Court which had denied the City of San Marcos and San Marcos Independent School District judgment against F.W. Zimmerman for delinquent taxes on three motor vehicles.

Suit was for back taxes for 1956 through 1959.

SECURITY BIDS—State Securities Commissioner William M. King reports five applications for permits to sell \$4,562,890 in securities in Texas.

Applicants include four Texas companies: FNC Investors, Inc., Houston, \$618,840; Medalion Stores, Inc., Dallas, \$814,050; Texstar Securities, Inc., San Antonio, \$30,000; and Texas Fund, Inc., Houston, \$3,000,000.

SYSTEM CHALLENGED—The "place" system of electing two or more state representatives

from Texas' larger counties has been challenged in Austin's 53rd District Court.

Houston attorney Robert W. Hainsworth seeks a declaratory judgment that the present method of apportionment of representatives in the larger counties is unconstitutional.

His petition attacks the 1961 reapportionment act of the 57th Legislature.

Act assigns representative by the place system to 17 counties now allocated more than one representative; Jefferson, Galveston, Harris, Nueces, Hidalgo, Cameron, McLennan, Bell, Dallas, Travis, Tarrant, Bexar, El Paso, Wichita, Taylor, Lubbock and Potter.

DRAFT STATUS—In time of crisis, men worry about their draft status.

President Kennedy's arms quarantine on Cuba has brought a flood of calls to State Selective Service headquarters, in Austin, from men concerned about their "obligation."

If you were born before August 30, 1922, you don't have any, says SSS headquarters.

If you were born after August 30, 1922, you legally are required to be registered, unless you are not yet 18 years old.

Any man past 35 is no longer liable for military service. But he still is obligated to inform his draft board of any change of address.

BASKETBALL PROBE CONTINUES—House Speaker James Turman and members of the House general investigating committee have been issued subpoenas to appear in Austin before the Travis County grand jury.

Their appearance is desired in connection with a hearing on Contempt-of-the-Legislature charges.

Three witnesses balked at answering the committee's questions during the probe of possible fixing in Southwest Conference basketball games.

Citations charging Milton (Duck) Mallard of Bryan, Enoch 9sig) Dickson of Dallas and M.C. (Sonny) Pearson of Austin were received from Turman by District Attorney Tom Blackwell of Austin.

SUCCEEDS FATHER—Doyle Taylor of Tuscola has been appointed by Governor Daniel to membership on the State Finance Commission. He will fill the unexpired term of his father, the late Walter Taylor of Coleman.

Term expires in February of 1965.

WORLD'S FAIR COMMITTEE—Governor Daniel has picked a 25 member advisory committee to consider a Texas exhibit for the 1964 World's Fair in New York City. He has asked the committee to prepare a recommendation by January, for Legislative approval.

MORE POLIO—Harris and Hidalgo counties each have reported a new case of paralytic polio. This brings the 1962 total to 234 cases. Of these, 178 are paralytic, 56 non-paralytic.

At this time last year the total was 70 cases.

Lunch Menu

Nov. 12-16, 1962 (Subject to Change)

Monday—Chicken fried steak cutlets, cream gravy, mashed potatoes, celery sticks, strawberry jello, cake, rolls, and milk.

Tuesday—Pizza pie, corn, tossed green salad, pineapple chunks, doughnut, french bread, milk.

Wednesday—Beef roast and gravy, candied sweet potatoes, green beans, dill pickles, banana pudding, rolls and milk.

Thursday—Chicken pot pie, french fried potatoes, buttered broccoli, peaches and cookie, rolls and milk.

Friday—Hamburger, brown beans, lettuce, tomato, onion one-half apple, milk.

PLAN TO MOVE
Leroy Hackler has accepted a managerial position on a farm near Wolforth. They plan to move by the first of December.

Teacher Of Mathematics Likes To Be Of Service

By Bobby Tollett
 "My ambition has always been to be of service."
 Albert Bostick has been of service to the public as a teacher for 35 years. He has taught mathematics and general science in the Olton schools for

Albert Bostick

six years. He says he has always wanted to teach mathematics and enjoys it very much. After teaching many subjects and many students he insists that they must "learn by doing". "You just can't expect perfection without practice," he explains.

Bostick attended high school in Stephenville. He attended North Texas State University and Texas Tech, where he received his BA Degree in mathematics. He received his MA in education at West Texas state.

His hobby is puzzles because he enjoys putting things together or trying to figure them out. Mr. and Mrs. Bostick have three sons. One is a mechanical engineer in the potash mines in Carlsbad; the second son is in the army in Southeast Asia; and the third is a consulting engineer in the defense department of General Electric.

When asked for a message to today's youth, Bostick replied: "Just do what you yourself know is right".

Hart Camp Happenings

Mrs. Glenn Leggett and Preston and Gene Riney visited in O'Brien Saturday and Sunday with Mrs. Leggett's brother and family, Mr. and Mrs. Grady Ellis and children. Visiting also with them was a sister and brother-in-law, Mr. and Mrs. Bill Domy of Hamlin. Mrs. Leggett attended a Homecoming Saturday at Rule High school.

Visitors in the Jack Moore home Saturday were his sister and brother-in-law, Mr. and Mrs. Lee Wade of Levelland.

Mrs. Floyd Prentice received word Tuesday of the death of her uncle, E. L. Mosher of Austin, following surgery in a Harlingen hospital. Funeral services will be held in Austin Wednesday afternoon with

graveside services Thursday afternoon in Cordell, Okl.

Mr. and Mrs. Prentice and children will attend the services in Cordell, Okla. and Mrs. Prentice and the children will accompany her mother Mrs. Elsie Dural to her home in Lowell, Ark. for a visit.

Mr. and Mrs. L. A. Smith, Mary Bess and Helen Ruth attended a gathering Sunday in the home of George Gushwa in Dora, N.M.

Mr. and Mrs. Les Rosamond and daughter of Fort Worth visited in the home of Rev. and Mrs. Jack Moore and family Monday and Tuesday. Mrs. Rosamond is a niece of Jack Moore.

Mr. and Mrs. M. W. Wheeler and granddaughters, Judy and Sharon Wheeler of California who are visiting here, visited in Lubbock Sunday afternoon with Mr. and Mrs. Sammie

Wheeler and family.

Debbe Oliver visited in Littlefield Saturday afternoon with Pat Muller.

The ladies of the W.M.U. meet Monday afternoon for a Bible Study Program. Following a business meeting Mrs. R. S. Mogre had charge of the program. Present for the meeting were Mrs. Jack Moore, Mrs. L. W. Sullivan, Mrs. H. V. Lynch, Mrs. Blanton Martin, Mrs. Dewey Parker, Mrs. Edwin Oliver and Mrs. R.S. Moore.

Mr. and Mrs. Harvey Jones and family were guests Sunday in the home of her brother and family, Mr. and Mrs. Jimmy Robinson of Fieldton.

Mrs. K. W. Mahaffey visited in Burk Burnett this week with a sister.

Mr. and Mrs. J. C. Muller and son, Junior Muller are visiting at Corpus Christi and other points of interest this week.

The home of Mr. and Mrs. Willard Loman was the scene Monday night of a surprise birthday supper honoring two sons, Wayne and Gene Loman. Guests present for the occasion were Mr. and Mrs. T.S. Tyler, Mr. and Mrs. H. J. Loman, Mr. and Mrs. Fred Martinez, Littlefield, Mr. and Mrs. Kippy Cuthaw and family, Littlefield, Mr. and Mrs. James Goldston Littlefield, Mr. and Mrs. Herbert Synatsch, Anton, Mr. and Mrs. Wayne Loman, and family Littlefield, Mr. and Mrs. Gene Loman, Fieldton, Judy Hurt of the home and Odessa Kesey of Anton.

Mr. and Mrs. Don Muller, Donna and Bryan visited Sunday afternoon in Littlefield with her parents, Mr. and Mrs. Bruce Porcher.

Mrs. Sam Tindal, Spade, visited Sunday evening with Mr. and Mrs. Paul Hukill.

Mr. and Mrs. J. A. Talburt returned home recently following a trip of ten days visiting relatives in Wichita Falls, Olney and other points. While they were in Wichita Falls, a sister of Mr. Talburts, Mrs. Martha Estes of Olney passed

away and they attended funeral services for her in Olney.

The men of the Baptist Church met Monday night for their regular monthly meeting. Following the business meeting a message was brought by Rev. A. L. Swagerty, pastor of the Fieldton Baptist Church. Refreshments of cookies, cocoa and coffee were served following the program. Men who were present were Rev. Jack Moore, Rev. A. L. Swagerty, Don Muller, Dewey Parkey, Edwin Oliver, D. R. Leonard, L. W. Sullivan, Fay Moore, Blanton Martin, H. V. Lynch, Bill Johnson and Paul Teal.

Mr. and Mrs. K.W. Mahaffey returned home Friday from Carlsbad, N.M. where they visited their son and family.

Mr. and Mrs. Henry Cowan and family, Plainview, visited in the Willard Loman home Sunday. Mrs. Cowan is a sister of Mrs. Loman.

IN HOUSTON

Mr. Ira Foster went to Houston to bring home Mrs. Ira Foster who has been visiting their daughter, Mr. and Mrs. Hallie Earthman and family.

LUBBOCK VISITORS

Mr. and Mrs. Max Dodson and girls and Mrs. Alma Dillard, all of Lubbock, visited with Mrs. B.A. Dodson.

IN FORT WORTH

Mrs. Cora Wozencraft spent last week in Fort Worth visiting with Mr. and Mrs. Hubert Smith.

IN LUBBOCK

Mr. and Mrs. Homer Worley visited in Lubbock with Mrs. Zona Cuffey. They also visited in Wolforth with Mr. and Mrs. Claude Roper.

VISIT WORKMANS

Mr. and Mrs. Ed Workman, from Lubbock visited in the home of his parents, Mr. and Mrs. C.A. Workman.

VISIT WORKMANS

Mr. and Mrs. Claude Workman and Linda of Heckville visited in the home of Mr. and Mrs. Bobby Workman.

IN KRESS

Mrs. Dora Walthall visited in Kress with Mr. and Mrs. Arnold Gilcrease, Cindy and Tammy.

FROM HALFWAY

Mr. and Mrs. Charlie Black and family visited in the home of Mrs. E. E. Wagner last weekend.

VISIT TURNERS

Visiting in the home of Mr. and Mrs. Joe Turner this week is Mrs. Turner's mother Mrs. Ruby Apperson, and her sister, Mrs. R. R. Kirsch. They are from Fort Worth.

VISIT IN OLTON

Mr. and Mrs. Richard Coffman and children visited in Olton with his mother, Mrs. Steinackle. They also visited in the home of Mr. and Mrs. Delmer Givens.

IN HOSPITAL

Vernon Carlisle, Jr. is in Methodist Hospital following an accident last week.

VISIT FANCHERS

Ronald Fancher of Olton and Tommy Moseley of Seagraves, both students at West Texas State College, visited in the C. B. Fancher home Sunday.

VISIT FANCHERS

Jimmy Lawson, student at West Texas State College, visited in the C.B. Fancher home Sunday.

VISIT FANCHERS

Ray Caviness of Carlsbad visited in the C.B. Fancher home Sunday.

IN HALLSVILLE

J.D. Lancaster, minister of the Main Street Church of Christ, will be in Hallsville Nov. 15 to attend a lecture-ship.

AMBULANCE CALL

James Mullis of Earth was taken to West Texas Hospital in Lubbock this week by an ambulance from Parsons Funeral Home.

OHS TWIRLERS---The pretty girls who step out in front of the Olton Mustang Band each week are, from left, Phyllis Hair, Cheryl Potet and Lana George.

EARTH ELEVATOR FIRE---Damages were estimated at more than \$150,000 after fire struck the Earth Elevator last Thursday morning. Firemen from Olton joined volunteers from Littlefield, Muleshoe, Springlake and Earth to control the blaze. An automatic alarm sounded at 6:45 a. m. and firemen rushed to the scene. By 9 a. m. the blaze was under control, although the elevator continued to smoulder until Thursday night.

PUNT, PASS & KICK WINNERS—These 15 boys were the top three winners in each of the five age groups of Hall-Sides Motors' Punt, Pass and Kick Contest staged Tuesday night at the football field. Left to right, back row, are Johnny Lewis, Jason Latimer and Mike Gullett, top three among the 11-year-olds; Joe Schenck and Keith Neinst, who along

with Tony Miller (inset) were tops among the 10-year-olds; Johnny Hayes, Russell Tanner and Mike Parsons, winners in the nine-year-old class. In front row are Gary Rogers, Phillip Waldrop and Max Moss, winners in the eight-year old division; and Tim Givens, Jay Daughtrey and Don DeBerry, tops in the seven-year-old group.

Hints Offered On Care Of Game

COLLEGE STATION, Nov. 1—What kind of reception do you receive, 'Mr. Hunter,' when you take home your bag of game? Does your wife throw up her hands in disgust?

If she does, says Ed Cooper, extension wildlife specialist, the fault may rest with the hunter. The mishandling of game after the kill often makes impossible a tasty preparation job in the kitchen, and the putting of mean on the family table as you would like it.

Immediate and proper bleeding of game animals is most important in improving meat flavor, points out Cooper. The same is true, he adds, for ducks and geese and most other game species. This practice will do much, Cooper says, to remove the strong, gamey flavor which some people dislike.

The specialist recommends field dressing immediately after the kill especially if the weather is relatively warm. The sooner the animal is dressed the better for immediate dressing means fewer chances for meat spoilage or undesirable flavor or odor.

Keep the game clean, advises Cooper. Avoid letting hair, feathers, dirt or other trash or debris come into contact with the meat. Before the blood dries, wipe the body cavity clean with either a dry or slight moistened cloth rather than by washing with water, explains the specialist.

If the weather is warm, game should be put into cold storage as soon as possible. If it is held just above freezing for several days, the meat will become more tender and have less of the undesirable 'gamey' flavor.

DRAFT STATUS—In time of crisis, men worry about their draft status.

President Kennedy's arms quarantine on Cuba has brought a flood of calls to State Selective Service headquarters, in Austin, from men concerned about their "obligation."

If you were born before August 30, 1922, you don't have any, says SSS headquarters.

If you were born after August 30, 1922, you legally are required to be registered, unless you are not yet 18 years old.

Any man past 35 is no longer

liable for military service. But he still is obligated to inform his draft board of any change of address.

SECURITY BIDS—State Securities Commissioner William M. King reports five applications for permits to sell \$4,562,890 in securities in Texas.

Applicants include four Texas companies: FNC Investors, Inc., Houston, \$618,840; Medalion Stores, Inc., Dallas, \$814,050; Texstar Securities, Inc., San Antonio, \$30,000; and Texas Fund, Inc., Houston, \$3,000,000.

THANK YOU

Let me take this opportunity to say **THANK YOU** to all who supported and worked for me. Words can never express my gratitude and appreciation for your help.

To all the people of the 91st. District--- It will indeed be a pleasure and honor to serve as your State Representative and anytime I can help you in anyway please call on me.

BILL CLAYTON

Olton Residents Have Big Home Investment

Residents of Olton have a huge amount of money invested in their homes.

Their equity in these dwellings, representing market value minus outstanding mortgage debt, comes to a healthy \$2,299,000.

This refers solely to non-

farm dwellings which are occupied in whole or in part by their owners.

Locally and elsewhere across the country, Americans have built up vast assets for themselves over the years by acquiring their own homes.

Nationally, the value of these holdings is placed at more than

\$400 billion, subject to mortgages of \$117 billion.

The facts and figures come from the recent Census of Housing and from studies made by the University of Michigan's Survey Research Center.

In Olton, there were 383 such home-owner dwellings, some new and some old, listed as of

1960. Their value, based on the median asking price, is placed at \$8,500 per unit.

It adds up to a grand total of \$4,106,000 in market value locally.

The total has been growing, year by year, in line with the general rise in realty prices. How much would local home

owners be able to realize from their property, if they were to sell it? In other words, what is its net worth? The amount of mortgage debt is the key.

The housing census shows that there are mortgages on 55 percent of the non-farm dwellings in the region encompassing Olton.

The average debt per mortgaged home in the area is about six percent smaller than the average in the rest of the United States.

Taking these findings into

account locally, the amount of outstanding mortgage debt on such housing within the city is estimated at \$1,807,000.

It leaves \$2,299,000 as the net asset value, which is the equity that local home owners have in their property.

Spurring the increase in home ownership in the United States in the last 10 years were Government-backed loans. They enabled many people to buy homes with small down payments.

ATTEND OPEN HOUSE—Above are two scenes at the open house staged here last Sunday by Parsons Funeral Home. The event was held following completion of a new building.

Above, Mr. and Mrs. Basil Sherman register as Charles Polk, left, and Velma Kemp, second from right, look on. Below, a group is leaving after touring the facilities.

LETTER TO THE EDITOR

Dear Editor and Readers,
 Last week it was stated in the Olton Enterprise that I am a Republican, period. Through this letter I wish to explain my stand.
 I want to say that I am a thankful citizen of America, and so first of all consider myself an American. I am also proud to be a Texan, and am now a Republican for the following reasons:
 I find that the present "Democratic" party has within the past years veered from the former democratic party principles. I believe it is now a socialistic-labor party according to the platform they have adopted and also according to the laws which our present administration is trying to force upon us. It is sad that some of our present leaders believe our constitution is out-moded. Through these laws that they are trying to force upon us, they imply that we ordinary citizen are no longer able to take care of our own affairs. They propose that they are better able to do so by taking our money in taxes and then returning part of it back to us in hand-outs, federal aid. Don't be misled, if they give us so called "federal-aid" controls of necessity follow which lead to dictatorship.
 I have found that the new Republican party still believes in Constitutional Government and believes that our constitution is NOT out-moded. It believes we can better take care of ourselves by promoting private enterprise and individual freedom rather than through a federal bureaucracy. It believes that government is the servant of the people and not its master.

HD Club Meet Held

Home Demonstration Club met in Mrs. Don Adair's home. Meeting was opened with singing "It Isn't Any Trouble To Smile."
 Roll call was on house hold hints.
 Plans were made for Thanksgiving dinner Nov. 19 at 7 p.m. in Mrs. Tom Smith's home.
 A coffee Nov. 27 at 2 p.m. will be held in Mrs. Z.D. Miller's home to plan a Christmas party and invite new members.

Mrs. G.H. Bley and Carmen attended a wedding of a friend in Groom Saturday night. Becky McCoy married Jimmy Finley of Claude.

VISIT BURROWS

Mr. and Mrs. Max Kennedy of Clovis visited in her parent's home, Mr. and Mrs. Brent Burrow.

FORD "BLUE" HAS FARMERS TALKING

Farmers in this area are seeing for the first time the new Ford tractors, which have just gone on display at the local Ford tractor and implement dealership. Most noticeable feature is the new Ford Colors, although the 14 models in the new Ford line have more than 120 mechanical improvements. The tractors are in four series—"2000", "4000", "5000", and "6000"—and have power ranging from 30 to over 60 PTO horsepower.
