

CO-CAPTAINS---Olton Mustangs co-captains for 1962 as announced at the football banquet Monday night are George Jones and Jimmy Bennett. At left is Coach Walter Bryan, while Robert Nickerson, line coach, is pictured at right. Both boys will be seniors and were mainstays on this year's eleven.

WT'S KERBEL IS SPEAKER

Olton Gridders Honored

West Texas State's Joe Kerbel, one of Texas' winningest and toughest coaches, laid it on the line for Olton footballers, their parents and fans here Monday night.

"Give me three things in a football player," Kerbel said, "a funny bone, a wish bone and a back bone."

The WT coach, who herded his Buffaloes to the Sun Bowl on Dec. 31 with an 8-2 record this year, explained his thoughts this way:

"He needs a sense of humor, that's the funny bone. He has to take, grin about it, and come back ready to play."

"He needs to be a dreamer, somebody who has a goal and aims to do his best to get there."

"And most of all," Kerbel said, "he needs a backbone--the determination to make his wishes come true."

Kerbel's talk highlighted Olton's annual football banquet, at which George Jones, unanimous all-district halfback, and Guard Jimmy Bennett were named the Mustang co-captains for 1963.

Coach Walter Bryan earlier had recognized the other all-district Olton gridders, Halfback Ronnie Parsons and Tackle Larry Fancher, along with End Charlie Burrus and End Robert Struve, both of whom were honorable mention.

Burrus and Fancher were the Pony captains for 1962. Bryan also introduced all members of the freshman and varsity teams for 1962, along with their dates.

Invocation was given by Supt. Johnny Clark and the welcome was by Delmer Givens, Quarterback Club president.

Burrus and Fancher presented gifts to the coaches, Bryan, Robert Nickerson, Pat Blessing and Gene Riddle.

Kerbel brought along four of Buff stars to the banquet, including Tackle Bob Petrich, Guard Stu Johnson, Quarterback Jim Dawson, and Halfback Jerry Logan, the nation's leading scorer this year.

Speaking directly to Olton gridders, Kerbel said:

"Do everything you can to be as good as you can be... a champion is one who has excelled in doing the very best he can."

The WT coach said that "no where can a young man learn competitive spirit as well as he can on a football field."

"Football instills competitive spirit--the American spirit. It (competition) is the very life blood of our American system."

Keep those "Letters To Santa" coming, kiddos!

Dozens of Santa letters poured into the Enterprise this week as the community's children got ready for Christmas.

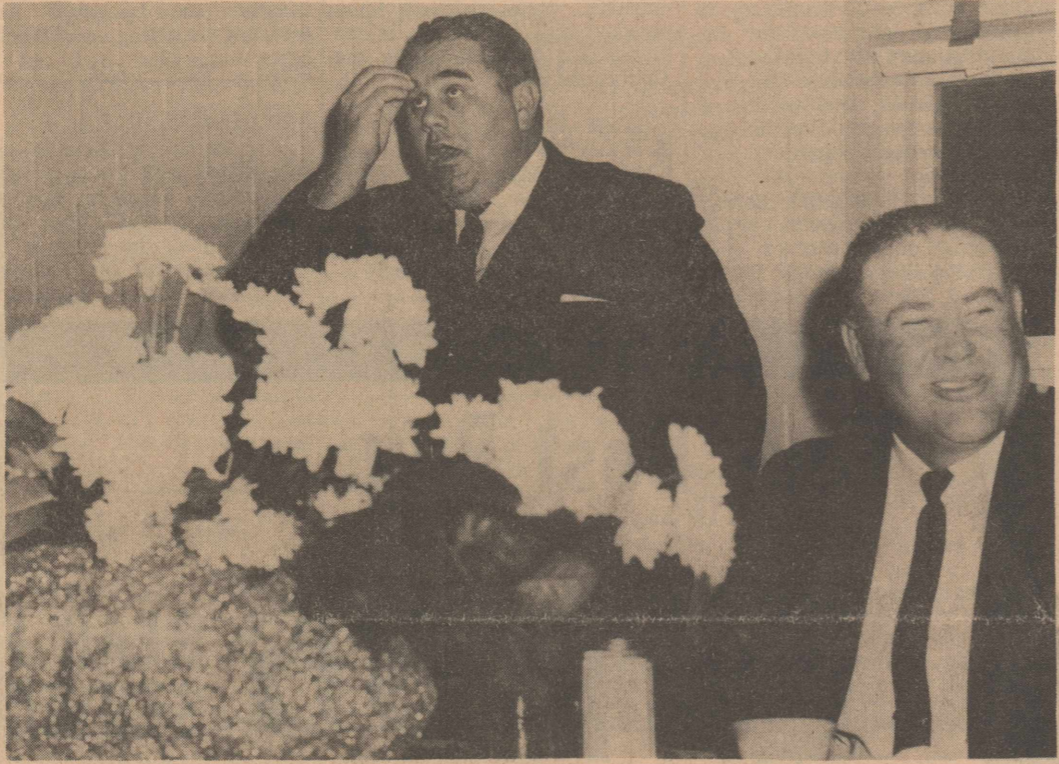

All will be printed in the Enterprise between now and Christmas.

Coat Anyone?

Baby, it's cold outside!

Particularly for some local lady who is minus one coat. The coat in question was left at the senior play.

It is now in the high school principal's office and will be handed over to the first chilly lass who comes by and describes it.

KERBEL WINDS UP---Delmer Givens, right, Quarterback Club president and toastmaster at the football banquet, gets a kick out of a story told by Joe Kerbel, West Texas State's top-notch coach who was speaker at the event.

County Museum Sought, Possibly Located Here

A museum for Lamb County, possibly in Olton, was one of the main topics of discussion at a meeting of the county Historical Survey Committee held here last Friday.

Any individuals or civic or social clubs interested in the project are asked to contact Mrs. Paul Burrus, chairman of the Olton committee.

Charles W. Reynolds, Brownwood, spoke to the group about the organization of the county. Reynolds helped to build most of the first public buildings here. The old union church

building, built at that time for all denominations to worship in, is still standing and in use by the Catholic Church.

Proceeding the meeting, the group ate lunch at the school cafeteria.

Mrs. E. N. Burrus spoke on the early history of the county. She and her husband arrived in Lamb County in 1899.

Olton people present were Mr. and Mrs. L. B. Cowart, Mrs. Bert Thomas, Mr. and Mrs. Geo. E. Bohner, Mrs. Margaret Nafzger, Mrs. Mar-

garet Fent, Mrs. Harry Thomas, Mrs. W. A. Schreier, Mrs. C.M. Owen, Mrs. D.M. Granbery, L. E. Silcott, Mrs. E.N. Burrus, Mr. and Mrs. G.T. Galloway, Mrs. Lindsey Dennis, Mr. and Mrs. C. S. Silcott, Mrs. C. B. Turner, Mrs. H. G. Walker, C. T. Mason and Elmer Moore.

Attending from out-of-town were Mrs. Guy Willis, Mrs. C. A. Joplin and Mrs. Norman Frey, all of Littlefield; Mrs. Roy B. McQuatters Sr., chairman of the state Historical Survey Committee; Mrs. D.H. Allen, and Mrs. H. C. Miller, both of Spade; Mr. and Mrs. M. E. Kelly, Earth; Mr. and Mrs. Lester LaGrange, Amherst; Mr. and Mrs. Simon D. Hay and Mr. and Mrs. L. E. Slate, all of Sudan; Charles W. Reynolds, Brownwood; Mrs. J. C. Dear and Mrs. J. T. Gipson, both of Springlake; and Mrs. G. W. Robertson, Plainview.

Friona, 32 against Hart, 44 against Vega and 22 against Abernathy.

Tommy Witten picked up 16 against Friona, 9 against Hart and 23 against Abernathy.

Gladys Thomas led in rebounds in three games, getting 9 against Hart, 10 against Vega and 13 against Abernathy. Deanna Farrar got five against Friona to lead in that ball game. Linda Price rang up 10 in the Abernathy contest.

The Mustangs lost their tournament games to Hart, 52-33, and Friona, 47-21. Darrel Glover got 10 points, George Jones 9 and Joe Priest, 6 in the Hart game. Daniel Rey led Olton scorers with 6 in the Friona contest.

Against Littlefield, Ronnie Parsons, team captain, bucketed 20, while Jones and Glover each had six.

The Olton B team dropped their contest at Littlefield, 45-31. Glover led scorers for Olton with 13 markers, while Jerry Smoot picked up seven.

Area Cotton Rush Hits Halfway Point

Bale Count Is 23,245

The Olton Community's cotton harvest is just about half over--almost before it got a good start.

Delayed for weeks by weather, the harvest roared from a standstill to the halfway mark in less than a week.

Last Friday was one of the heaviest harvest days on record.

Some 1,360 bales of cotton were weighed in at Olton Co-Op Gin that day, topping the gin's previous one-day high of 1,285.

Gin yards were loaded late Wednesday and most gins in the area had several days of future production already across the scales.

Olton Co-Op estimated more than 3,000 bales of cotton on the yard Wednesday night.

Ginnings at the six gins in the area totaled 23,245 bales Wednesday evening.

At this time last year, ginnings totaled about 25,000. On Dec. 20 last year, the actual count was 30,884.

Many observers expect the 1962 crop to fall short of the record 47,000 bales of last year, but only slightly. That total was ginned by the six gins in the area--Olton Co-Op, Jack Straw Gin, Farmers Gin, Smith Gin, Circle Gin and Thompson Gin.

Strippers rolled at a maddening pace throughout the past week, following two weeks of snow, rain, drizzle and fog.

As the big rush started last Friday, more than 40 farmers took time out to harvest the cotton crop of Mrs. Eva Smith, whose husband, Cleo, a widely known and respected Olton farmer, died last summer after a heart attack.

A farmer described the scene of the 40-plus strippers rolling across the field this way: "It was quite a sight to see."

About 90 trailer loads of cotton were harvested in about a half day's time from the Smith farm.

The pace of the harvest was expected to slow down somewhat this weekend, because many farmers have filled every available trailer.

When this year's cotton crop is in, it will be the nearest completely mechanically harvested crop on record.

This fall the wet weather came at a time when hand pulling would have been in order.

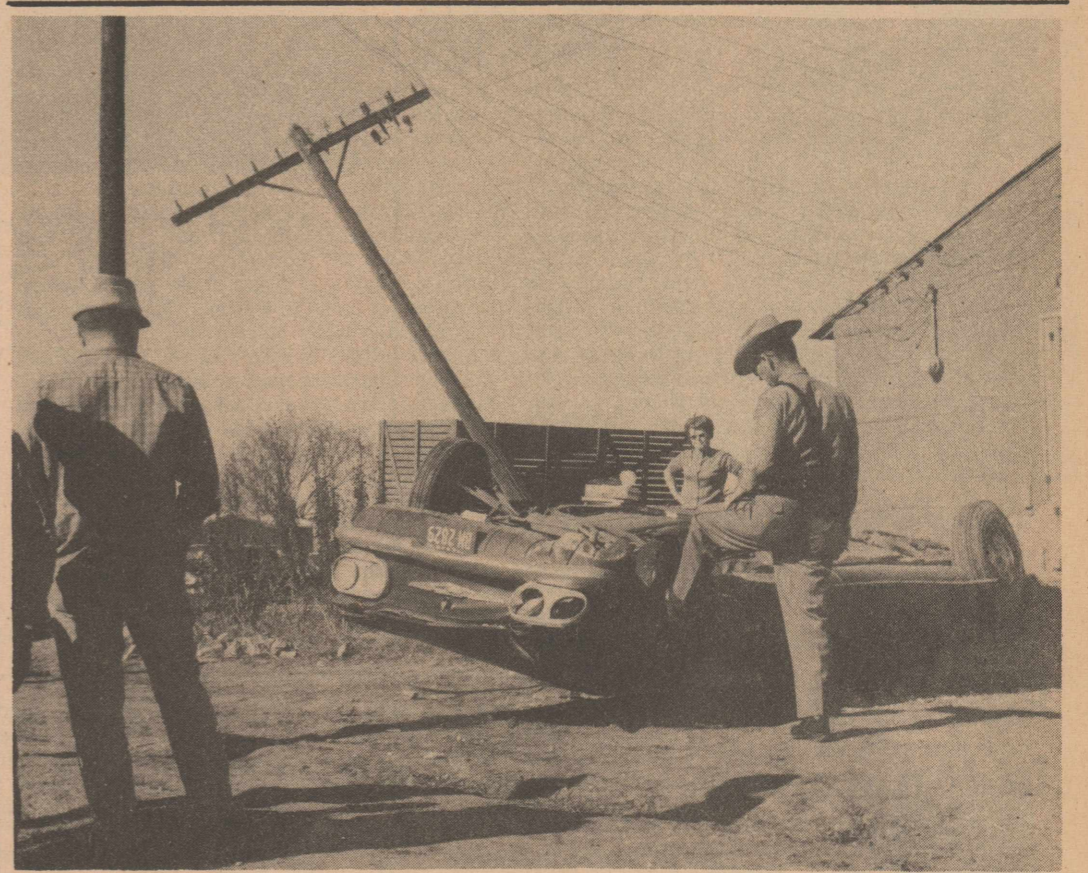

The status of the harvest varied greatly from farm to farm this week.

As of Wednesday, Norris Sampler, eight miles north and four west, was doing gathering his crop, and E.D. Harper, 3 1/2 miles east, hadn't been able to start. Hall had made Harper's crop late.

James Cowart, 3 1/2 north, was about half through on his crop.

Elmer McGill had just started on his crop three south and 2 1/2 west, while Frank Struve, five west and a half south, and O.E. Patterson, four east, were just about through.

Randall Roper, 7 1/2 north and one east, was almost through and averaging from a bale and a third to a bale and a half per acre on his crop.

THIS IS THE CAR in which Eugene Boswell, Olton piano teacher, was injured seriously in a mishap on Highway 70 east of town last Saturday. Boswell is in an Abilene hospital with a brain concussion, broken vertebra and an injured hand.

Piano Teacher Injured Seriously As Car Flips

Eugene Boswell, Olton piano teacher, was in an Abilene hospital Wednesday after he was injured in an automobile accident here Saturday.

Boswell was described as in serious, but not critical, condition. He was said to have a serious back injury, brain concussion and injuries to his left hand.

According to Highway Patrolman R. C. Dunn, Plainview, Boswell, in a 1960 Chevrolet Corvair, was driving east when

he attempted to pass a cotton trailer pulled by a vehicle driven by Marcus Breland.

Dunn said Boswell's auto hit a hole, veered into a six-inch thick concrete culvert, turned over, hit a telephone pole, then came around and hit another pole.

The car was described as a total loss.

Mrs. Henry Diaz, cooking in her home on the F.B. Coleman farm, said she heard a loud noise, ran to the door and heard Boswell calling for help.

"I was scared to death. I heard the poor man calling for help and I didn't know what to do," she said.

Mrs. Coleman called an ambulance from Parsons Funeral and Boswell was taken to Com-

munity Clinic here. He was then transferred to a hospital in Hamlin. This week he was taken to the Abilene hospital.

Breland said he was traveling behind another cotton trailer when Boswell passed him. The driver of the other trailer apparently was not aware of the accident and kept on going.

It was not known Wednesday when Boswell would be able to return to his work here. School officials were checking into the possibility of getting someone to take some of his students for a time.

Fred Thompson Resigns Council

Fred Thompson, long-time Olton city councilman, turned in his resignation last Thursday night at a regular council meeting.

Thompson recently moved into a new home outside the city limits. In a letter of resignation, he pointed out that fact, which made him ineligible for duty on the council.

Thompson's term would have expired next April, the month in which the annual city election is held.

The council, meeting five days earlier in the month than usual because of the busy holiday season, accepted the resignation, then turned to discussion of whether to hold a special elec-

tion to fill Thompson's post.

It was pointed out that if a successor to Thompson was elected, he could serve only about a month or two, and then the term would expire.

While in agreement that such a vacancy ordinarily is filled as soon as possible, the council deliberated over the costs of a city election, which would run more than \$100.

The discussion was tabled. In other activity at the meeting, the group:

1. Approved plans to improve drainage on Avenue A.

2. Set closing dates for the city hall from Saturday, Dec. 22, at noon until Wednesday, December 26, at 8 a.m.

SANTA CAME TO TOWN---Olton youngsters are shown as they gathered around Santa here Saturday afternoon. Old Saint Nick showed up for his usual pre-Christmas visit in Olton and handed out candy to the youngsters. He arrived via plane this time.

Look For It In Olton..

"Trade at home" editorials often fall upon deaf ears, and it is not our intention to belabor a point.

But we have said it before, and we will say it again, that Olton merchants deserve to have you look their wares over before leaving town to do your Christmas shopping.

Out-of-town shopping siphons money out of this community which otherwise would remain to circulate and re-circulate and make the local economy strong.

Those who have never been engaged in retail business have no idea how many times, during the course of a year a merchant is called upon to contribute to local causes. The business people are expected to contribute heavily to all of the charity drives, the other activities that make this community a more desirable place in which to live.

By way of contrast, the Lubbock or Plainview merchant who calls the people out in the area as part of "his territory" is never called upon when the hat is passed for local projects. They support Lubbock or Plainview projects, yes, but not those of other communities which serve them on the outside.

There are times when certain items cannot be purchased locally and must be brought elsewhere. Certainly there is apt to be more of a selection of goods in a larger store---and the reason there is a larger selection is because there are more customers to spend money there and enable the merchant to lay in a bigger stock of merchandise.

Dollars that are kept at home circulate and multiply. It is said that a dollar that comes into the community from the outside circulates at least three times before it comes to rest in a bank. This means that a hundred dollars spent here creates three hundred dollars in retail sales. This enables the merchants to pay salaries, pay taxes, buy ads in school yearbooks, purchase tickets to club projects, give to churches and help finance all sorts of community activities during the year.

A dollar spent at home goes from the dry goods store to the grocery store to the drug store to the service station to the car dealer and on around and around, generating buying power for each merchant through whose hands it passes.

This cannot help but benefit all of us.

DEERE DEALERS HONORED—Among the 125 John Deere dealers honored by Deere & Co. recently at Moline, Ill. were Ed Thompson of Olton, on the right and his two brothers, Ray Thompson, dealer in Silverton, and Joe Thompson, dealer in Abernathy. Ray is shown at left and Joe, second from right. They are pictured with William A. Hewitt, Deere president. The three brothers each qualified for the trip through an outstanding sales record this year.

Junior High Gets....

BY JERRY CADEL

IF YOU'RE ONE of those cool cats who wants to hear some weird sounds, don't forget the annual Christmas concert in the

that of the person memorialized. Thus, the theater itself will incorporate within its structure, symbols of the history which will be dramatized on the stage.

The script of the drama with music to be produced in the theater is well on the way to completion, according to Paul Green, author, who has fashioned numerous similar productions, some having run as many as 19 years. Isaac Van Grove, Hollywood composer, is collaborating with Green on the score.

"We are urging those interested in making donations for memorials," Mrs. Harper said, "to get them in before December 30th, since they are tax deductible. And with the monies in hand, in January the building committee will be able to determine how much of the original plan can be completed this spring. We don't want to borrow." Building is progressing much faster than anticipated according to R.C. Neely, building committee chairman.

High School Auditorium. Put it down in your notes: that's Sunday, Dec. 16.

WELL, BRUCE, did you get tired serving Curtis Hall and Coach Nickerson their tea at the Football Banquet Monday? And by the way, I heard there were quite a few funny noises coming from the kitchen. I guess that large seventh grade football team finally came in handy as waiters.

THE BASKETBALL TEAMS are gradually building up to the scores of those first games—Seventh grade girls won their game 22-19. The other three teams just couldn't seem to get into the swing of things with a loss of 33-22 for the seventh grade boys and 29-21 for the eighth grade girls. In case some of you parents went to Dimmitt for the games, they were here so the coaches could get through in time for the banquet.

AS WE PROMISED, here's that list of seventh grade basketball players:

BOYS—Larry Green, Bobby Turner, Kenny Moss, Lanny

McClain, Garland Huguley, Donald Fancher, Pat Bodkin, Gary Shawn, Ricky Smith, James Rogers, Steve Spain.

GIRLS—Doniece Gullett, Vickie Neinst, Shirley Johnson, Sandie Gregory, Sue Church, Carol Hicks, Sandra Skelton, Linda Blackwell, Mary Vella, Mickey Parsons, Robbie Langford, Sharron Schreier, Jane Ann Duncan, Lynn McGill, Barbara Cowart, Conny Price, Sherry Moss, Janice Long, Diane Maynard, and Alice Lock-ebey.

REMEMBER we play Mule-shoe next Monday—Boys here, Girls there, 6 p.m. Let's everyone turn out.

THE OLTON JUNIOR HIGH SCHOOL wants to thank Mrs. Howard Hall for the use of her lights and decorations for the Christmas tree.

DECEMBER 21 at 9:00, Mrs. Scribner's 6-3 will have a Christmas Play, "Once Upon a Christmas Eve"; Mrs. Harkey's 8-3 will have a one act play "Shock of His Life". Everyone is invited to the Program.

Elementary Team Believes Reading Is Major Key

BY BOBBYE TOLLETT

"It is good to share together the work for a better future for our students of tomorrow."

These are the words of Mr. and Mrs. Fred Gordon.

Mrs. Gordon has been teaching 30 years and is presently teaching the third grade here.

Gordon has taught 23 years and has been elementary principal for a number of years.

"We still believe in the freedoms our country was based on. The youth of today are our citizens of tomorrow. We believe that, and that is why we teach to guide them to a good future."

"To today's youth, we urge you to hold on to the good things you have learned to help serve as a guide toward becoming good citizens for a good future."

The Gordon said that it had been interesting to see the community grow and to see many young people make their places as citizens in this community as well as in other communities.

"We try to teach in a way that is most impressive on the student," they said adding that each child must feel some degree of success.

"He must work on a level at which he can best succeed. He must feel that he is important as a member of the school group."

They noted that they believe in children working independently and thinking for themselves and feel that every child should be given every opportunity for his full development.

"We believe in fairness to all."

The Gordons added that they think that if a child is going to reach these goals he must master the Language Arts (reading, spelling, and language).

Past To Live In Memorials

"I'd like folks to know that granddaddy helped to pioneer this land." These words accompanied a check from a cattleman to the Texas Panhandle Heritage Foundation for a memorial to be placed in the outdoor theater in Palo Duro Canyon, the first phase of which is nearing completion, according to Mrs. Ples Harper, president of the symphonic drama project.

"These words are representative of the feeling of many descendants of the founders of

the Panhandle," Mrs. Harper said, "and in response to it a uniquely stable and enduring plan has been formulated to commemorate the memory of those first comers."

"On the blueprint of the theater-of which, incidentally, five rows of the concrete seating platform have already been poured—a handsome entrance promenade is designated, which everyone must use in passing from the ticket office to the seating area. This promenade is flanked by a huge map of the Panhandle, marked with historical sites and cattle brands. On other great tablets will appear the memorial names, by county, with the occupation of the person memorialized and the year in which they settled

there. "In addition to these memorials, which will represent a gift of \$500 many other gifts or memorials of greater or lesser amounts may be donated," Mrs. Harper said. "A garden club or group of people from one area interested in gardening, might wish to underwrite all or part of the cost of landscaping the approaches to the theater, others the building of the concession stand, dressing rooms, lighting or what have you. Also, there will be seats, each costing \$200, on which a donor may wish to have his name or that of one of his forebears inscribed. Plaques will be permanently attached to each unit donated, with the name of the donor or

Land Bank Lowers Interest

The Federal Land Bank of Houston has announced that effective Jan. 1, it will reduce temporarily to 5 percent the interest rate on all outstanding loans which presently bear a rate in excess of 5 percent. The contract rate on new loans will continue to be five and a half percent but interest on loans closed on and after Dec. 1, 1962, will be billed temporarily at five percent until further notice by the bank.

In making the announcement, Hal Weatherford, president of the bank, said that of its \$260 million of loans outstanding more than \$100 million bear contract rates in excess of five percent and that the savings to Texas farmers and ranchers by this action will be more than half million dollars in the year 1963 alone. Weatherford said

this is the fourth time the bank has voluntarily reduced the interest on its outstanding loans. The Houston bank makes long-term farm and ranch loans through 73 Federal Land Bank Associations located throughout Texas. The one serving this area is the Federal Land Bank Association of Plainview, Truman E. Price is the manager and the other officers and directors are W. T. McEachern, president, Plainview; Louis Cummings, vice-president, Plainview; Ernest E. Jones, Hart; Jason Allen; Cotton Center, and Graddy Tunnell, Plainview.

The bus was already crowded when the fat woman entered. She stood for a moment glaring at the seated passengers. "Isn't some gentleman going to offer me a seat?" she asked. One exceptionally small man arose. "Well," he said rather shyly, "I'm willing to make a contribution."

PART OF THE COTTON which was harvested for Mrs. Eva Smith by more than 40 Olton farmers last Friday is shown here, the last of about 90 trailer loads which was gathered in half a day. "It was quite a sight to see," exclaimed one farmer who described the sight of seeing more than 40 strippers roll across the Smith fields.

The Brotherhood members met Monday night for a regular meeting with the WMU bringing "The Lotte Moon Christmas offering story." The program was opened with the group singing "Joy to the World" led by Bill Clayton and the Brotherhood pianist, Steve Sanderson accompanying on the piano. Mrs. Dorothy Washington, WMU prayer chairman read the calendar of prayer. She pointed out each country that the missionary was serving in by having a map of the country on the globe. Then another song was sung. Mrs. Betty Matlock and Mrs. Thelma McClanahan were the narrators of the program. A revolving color wheel shone on Mrs. Herbert Miller who portrayed Lottie Moon. She was dressed in her 1888 dress.

An old fashioned light was placed on the desk beside a Bible and letter writing material. The narrator stood on either side of a table with a Christmas centerpiece on it arranged by Bonnie Green. A challenge to the group was brought by Dorothy Washington, after the program. Herbert Miller gave the closing prayer. Others present were Earl Parish, Les Watson, Ernest Green, Arnold Washington, James Sanderson and James Washington, president.

Mrs. Betty Matlock and Mrs. Dot Matlock and Hoby visited Tuesday in the home of Joy Avery, Muleshoe.

BRANSON, MO., LEADER: "Quoting Thomas Jefferson from memory. 'That government is best which governs least.' So Jefferson probably wouldn't be overly enthusiastic about our government today. His was one of the strongest voices in opposition to centralization of power in the federal government in the early years of the United States. Even the Hamiltons of that era would be appalled at the monster now reaching for the last freedoms left to Americans."

GREAT FALLS, MONT., LEADER: "There is one thought that may not have occurred to you in regard to the recent thalidomide scare. The drug originated and was freely used in just two nations, England and Germany. These are the two nations which have the oldest and most deep rooted systems of socialized medicine...It just goes to show that under the crushing burden of nationalized medicine neither doctors nor scientists can exercise caution that is required in testing new drugs."

spect all meat and meat food products of any cattle, calves, sheep, goats or swine that are offered or exposed for sale in the City of Olton or that may be brought into the City of Olton for sale for human consumption. However, no inspection shall be required for meats that have been previously inspected and approved by Federal authorities. State shall have the right to appoint an assistant to assist him in the performance of such duties.

SECTION 3. INSPECTION FEES
The City shall collect as inspection fees for the inspection of carcasses as follows, to-wit: The sum of \$.50 per head as inspection fee for inspection of each carcass. The City Secretary shall be such methods as may be deemed best, provided for the time and manner of the collection of said fees, and the sum or sums so collected shall be paid into the hands of the City Treasurer who in turn shall pay the inspector as the City Council may direct.

SECTION 4. SANITATION OF SLAUGHTERHOUSES.(a) There shall be abundant light, both natural and artificial, of good quality and well distributed, and sufficient ventilation for all rooms and compartments to insure sanitary conditions.

(b) There shall be an efficient drainage and plumbing system for the establishment and premises, and all drains and gutters shall be properly installed with approved traps and vents.

(c) Hot water for cleaning rooms and equipment shall be delivered under pressure to sufficient convenient outlets and shall be of such temperature as to accomplish a thorough cleanup.

(d) The floors, walls, ceilings, partitions, posts, doors, and other parts of all structures shall be of such materials, construction and finish as will make them susceptible of being readily and thoroughly cleaned. The floors shall be kept watertight. The rooms and compartments used for edible products shall be separate and distinct from those used for inedible products.

(e) The rooms and compartments in which any product is prepared or handled shall be free from dust and from odors from dressing and toilet rooms, catchbasins, hide cellars, casing rooms, inedible tank and fertilizer rooms, and livestock pens.

(f) Every practicable precaution shall be taken to exclude flies, rats, mice, and other vermin from slaughterhouses. The use of poisons for any purpose in rooms or compartments where any unpacked product is stored or handled is forbidden.

(g) Water closets, toilet rooms and dressing rooms shall be required for employees and such rooms shall be entirely separated from compartments in which carcasses are dressed, or meat or meat food products are stored, placed, handled or prepared. Such facilities shall be properly supplied, lighted, ventilated, and kept in a sanitary condition.

(h) Rooms, compartments, places, equipment and utensils used for preparing, storing, or otherwise handling any product, and all other parts of the establishment, shall be kept clean and in sanitary condition. There shall be no handling or storing of materials which create an objectionable condition in rooms, compartments, or places where products are prepared, stored, or otherwise handled.

(i) No employee or other person shall be permitted to expectorate on the floor but cuspidors shall be provided which shall be kept sanitary.

(k) Conveyances in which meat or meat food products are delivered shall be so constructed, closed or covered that the contents shall be kept clean.

(l) Butchers and others who dress or handle meat products shall thoroughly cleanse their hands. Implements used therefor shall be thoroughly cleansed. The employees of the

establishment who handle any meat product shall keep their hands clean, and in all cases after visiting the toilet rooms or urinals shall wash their hands before handling any product or implements used in the preparation of product. Aprons, frocks and other outer clothing worn by persons who handle any product shall be kept clean and made of material that is readily cleansed.

SECTION 5. SLAUGHTERING MUST BE DONE AT ABATTOIRS;
From and after the passage of this ordinance, it shall be unlawful for any person, firm, corporation, association or butcher to erect, establish, re-form, maintain and/or operate any abattoir or slaughter house where animals are slaughtered, to be used as food or offered for sale or sold for food within the limits of the City of Olton, where such abattoir or slaughter house is not constructed, maintained and operated in accordance with all the provisions in this ordinance and any violation of same in any way shall be deemed a misdemeanor or on conviction of same in any court of competent jurisdiction, such person, firm, agent or employee of any corporation or association or any butcher shall be punished by fine of not to exceed Two Hundred (\$200.00) Dollars, and each day's violation shall be deemed a separate offense and punishable as such.

SECTION 6. VALIDITY AND CONSTITUTIONALITY. If any section or provision of this Ordinance shall be declared to be void, ineffective or unconstitutional for any cause whatsoever, such declaration or holding shall not affect the validity of the remaining Sections and provisions of this Ordinance.

SECTION 7. ORDINANCES REPEALED. All Ordinances or parts of ORDINANCES in conflict herewith shall be and are hereby repealed.

SECTION 8. EFFECTIVE DATE. This ordinance shall take effect immediately after its due passage and publication according to law.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF OLTON, TEXAS, at a regular meeting, at which meeting a quorum was present, this the 13th day of November, 1962.

Judge Bill's Retirement Climaxes 50 Years Service

District Judge E. A. (Andy) Bills, Littlefield, will retire Jan. 1 as presiding judge of the 154th Judicial District.

This district comprises Lamb, Parmer and Bailey counties.

He will be succeeded by Pat Boone Jr., Littlefield.

Judge Bill's retirement will climax a public career of more than 50 years.

He came to Littlefield in 1924 from Cisco, where he had served as district attorney.

He established a law office in Littlefield and continued in private practice until Jan 1, 1950. He was then elected to the judgeship.

Prior to entering the legal profession, he studied at North Texas Teachers College, Denton, and Junior College, Cisco. At one time he planned to follow the teaching profession and for relatively short periods, served as a math instructor at Cisco High School and Britain Junior College. He was also a teacher and superintendent of schools in Eastland County.

He passed his bar examination in 1912 and entered private practice in Cisco. Bills, first president of the Littlefield Rotary, is a charter member of the club. He is a past president of the Littlefield Chamber of Commerce.

He has served as an elder of the Presbyterian Church since 1914 and, for a period, was Moderator of Presbyterian Brotherhood of Presbytery.

He has been president of both the county and district bar associations.

Plans Underway For Banquet

The Senior F.H.A. banquet has been set for Feb. 2 at 7:30 p.m. in the Olton High School cafeteria. Committees were appointed to make plans. Phyllis Hair is chairman of the decorating committee. Others on the committee are Betty Harrod, Doris Jefferies, Nelda Rucker, Joyce Howard, Sharon Armstrong, Jonelta Moss, Margaret Schaefer, Maxine Schaefer, Vickie Ogletree, Pam Hair, Carolyn Bley, Deanna McKnight, Tanya Bryant and Cherry Langford.

Entertainment chairman is Cheryl Foteet. Other members of the committee are Tommy Witten, Coye McGill, Joy Cole, Janice Moses, Patti Little, Carmen Bley and Elaine Averitt. Menu committee chairman is Sammie Clark. Members serving on the committee are Billie Beasley, Linda Frazier, Judy Kemp and Georgeanne Redinger.

Program committee chairman is Gladys Thomas. Iona Tanner, Bobbye Tollett, Joyce Curry, Sue Mitchell, Dana Speer, Jan George and Brenda Roberts are members of the committee.

The Christmas card program was said to be a success. Approximately 300 Christmas cards were collected. The cards have been sent to the Veteran's Hospital in Amarillo.

The project of a Christmas tree to be given to a needy family will be under way this week.

Mahon To Speak At Meet Here

Congressman George Mahon, Lubbock, will speak here Monday night at 8 p.m. in the high school auditorium.

The question and answer session, sponsored by the Olton Young Farmers, is open to the public.

Willie Gene Green, president of the organization, expressed hope that people from throughout the area would attend the meeting.

Mahon, is accepting the invitation, said:

"I think it would be good to invite everyone in the area to be present at the meeting, regardless of whether or not they are interested in agriculture."

Hankins Honored
Hayden Hankins, son of Mr. and Mrs. W. T. Hankins was elected vice-president of Kappa Pi, an honorary art fraternity at West Texas State College.

CARD OF THANKS

We would like to express our thanks to all of you who sent flowers, cards and called during my surgery and stay in the hospital. Also a big thank you to the ones that finished gathering my crop.

There is no greater treasure one can hold, than the love and friendship of those around us. Clarence and Evelyn Mason

Medulla Waves

By Elaine Averitt And Bobbye Tollett

AFTER MANY weeks of practice, the Seniors (or shall we say "first graders") presented their fine, outstanding, extraordinary, super-colossal, comedy, "Take Your Medicine." We certainly hope the audience enjoyed it as much as the participants did. Friday night there was quite a bit of ad libbing on the part of Charlie, Barry, and Ronnie which added to the laughs of the play.

When the play was over, the play cast and several other seniors went to Tanya's for refreshments and games. Don't you think the play should be presented again?

WE'VE NOTICED that the Student Council has begun to decorate the halls of OHS. This is to help give the Christmas spirit to everyone. Be merry and let's get the true meaning of Christmas into our hearts.

THE ANNUAL Christmas concert will be presented Sunday at 2 featuring the Beginner's Band and the Cadet Band, the Choir, and the Mustang Band. We hope to see you all there. Such music as "Rambling Rose", "Patricia", "A Swinging Safari", "The Wayward Wind", "Mexico", "The Magnificent Seven" will be played.

CONGRATULATIONS TO: Tommy Witten, Cheryl Poteet, Phyllis Hair, Pam Hair, Jan George, Tanya Bryant, Jonelta Moss, Carolyn Rogers, Vicki Ogletree, Linda Frazier, and yours truly for being the Calendar Girls for this year.

THE MUSTANG CAPTAINS for 1963 were announced at the Football Banquet Monday night. We are very happy for George Jones and his co-captain, Jimmy Bennett. We know they will lead the team to a wonderful year.

RADISHES to all the football boys who didn't take dates to the banquet. THE HOME EC IV girls are treating their mothers to a "Holiday Supper" Thursday night at 6. Such goodies as turkey, potatoes, and fruit cake will be served. This group is sponsored by Miss Gayle Scott.

MEMBERS OF THE FTA WENT to Lubbock Saturday to a District Meeting. Billy Carson is now District Parliamentarian for the coming year. Congrats, Billy.

A CHRISTMAS TREE is being decorated in the Homemaking cottage. All wishing to contribute an ornament are welcome to do so. After the 21st it will be given to a needy family in Olton.

CAN YOU IMAGINE.....? Sammie Clark being loud and noisy? Judy Dennis not being late to band?

Deanna Farrar paying attention in English class? Sharon Brigance walking pigeon-toed all the time? Bennett Worley winking with ONE eye? Rita Harper with long blond hair? The basketball girls not interested in basketball?

Darwin Cox as professor of chemistry in OHS in 1970? Clyde Galloway being reserved and serious for one minute? Mr. Murphy chasing all the students with a broom and reciting "Macbeth"?

Everybody looking the same as everyone else. Strict uniformity? A Senior Class without spirit? A Junior Class not wanting to get rid of the Seniors?

THERE WAS a big crowd at the football banquet Monday night, and everyone seemed to have a very enjoyable evening. We were very honored to have Coach Joe Kerbel and four of his West Texas Buffaloes--- Jerry Logan, Stu Johnson, Bob Petrich, and Jim Dawson there. Coach Kerbel gave an extremely interesting talk and we thank him very much and wish his team good luck in the Sun Bowl.

The decorations showed a lot of hard work on the part of some mothers, and Delmer Givens supplied the fine entertainment.

COUPLES SEEN at the party at Poteet's house after the banquet were Curtis Hall and Sherry Caddel; Terri Miller and George Jones; Charlie Burrus and Tommy Witten; Tanya Bryant and Clyde Galloway; Judy Miller and Billy Carson; Gary Johnson and Cheryl Poteet; Vicki Ogletree and Johnny Moses; Leon Kendall and Rita Harper; and Mr. and Mrs. Joe Turner. Several others attended.

AFTER SEEING the film of the band at contest Tuesday, all the band kids and director are feeling pretty cheated. It was the best we had ever done in fact it was just about as close to perfect as it could possibly be, yet we still got a II rating. We are beginning to wonder what the judges expect Olton to do to get a I. (Maybe we could get a maroon and white uniform and pretend we're from Abernathy, then it wouldn't matter how we marched. Or maybe we could all march off the field on our hands.)

THERE WILL BE a Thespians meeting Thursday night at 7:30. All members be sure and come because we might have refreshments.

CONGRATULATIONS to the basketball girls who won Consolation in the Happy Tournament last week end. We were all real proud of you. Good luck also in the Abernathy tournament.

IN HOSPITAL Mark Boone, son of Mr. and Mrs. Keith Boone was in San Anthony's Hospital in Oklahoma City, Okla. recently. Grandparents are Mr. and Mrs. Bud Andrew of Olton.

IN LITTLEFIELD Mr. and Mrs. Bill Turner, Kathy, D'Andrea and Ken visited in Littlefield Sunday Dec. 9 with Mr. and Mrs. Wendell Tooley, Brad, Keith, Carla and Wendy.

VISIT BOWERS Mr. and Mrs. Glenn Bowers of Mullinville, Kan. recently visited in the home of Mr. and Mrs. C. L. Bowers.

POLICE ACADEMY William Meadows, son of Mr. and Mrs. Otis Meadows, recently started to school as a police officer at Amarillo Police Academy.

VISIT BLACKWELLS Mrs. M. W. Lambert of Purcell, Okla. visited in the home of Mr. and Mrs. L. A. Blackwell recently.

Olton Men Attend Plains Heritage Meet

PLAINVIEW, Special---- Teaching materials available to public schools through the Plains American Heritage program were demonstrated at the recent December meeting of social science teachers from the 11 participating cities.

Among the 54 persons attending were three from Olton, Clifford Curry, R. E. Murphy and C. S. Choate. Present from Hart were H. L. Cheatham and G. C. Graves.

Excerpts were played from two long playing recorded history lectures by Samuel Eliot Morison, noted historian, following the dinner session. Ten records by Morison are available on such subjects as the founding of America, causes of the Civil War and Allied strategy in World War II, according to Lyle Brown, program director who is assistant professor of history and political science at Wayland Baptist College.

Brown also displayed the Fictograph on "What Everyone Should Know About the U. S. Constitution." Those present were given booklets on the Constitution and Congress. They were also given lists of materials available through the program and of books in the Wayland library which are helpful in teaching American government and history.

Also shown at the meeting was "Korematsu vs. the United States", one of five educational films for use of the schools. Brown and Dr. Eugene Jones, chairman of the Division of Social Sciences at Wayland, Social Sciences at Wayland, explained the background of the Supreme Court decision involved in the case of relocation of a Japanese American during World War II.

Other films are available on such subjects as the Constitution and its relationship to voting and employment standards and the story of the Jazz Age.

Thirty filmstrips entitled "Pageant of American Series" may also be borrowed. Wayland is the coordinating

institution for the program in which other participating schools are Abernathy, Cotton Center, Dimmitt, Hale Center, CKress, Lockney, Petersburg, Plainview and Tulia.

ALBERT LEA, MINN., TRIBUNE: "The United States government recently conducted a study of recreational habits in this country. It was the biggest study of its kind ever made. The government wants to know how best to plan to meet the recreational needs of this country. The answer to the question? Get ready for a surprise, for the major recreational activity of people in the United States is not swimming, walking, riding bikes or even baseball. It's riding around in the family car."

Heavy animals such as elephants always keep two or three supporting feet on the ground.

Credit unions currently hold only 0.5 per cent of the money saved by the U. S. Public.

Wide and short-legged animals like weasels waddle along in a trotting walk.

The average share account of the 12,838,888 credit union members in the U. S. is \$434.

Five to ten per cent of Texas' population are credit union members.

Break up those hard-shelled seedbeds with a brawny

John Deere Disk

Hard-shelled soils tame fast when you hit them with a husky John Deere Disk. So do cloddy plowing, heavy cover crops, and tough trash. Great strength with deep, aggressive blade action and plenty of clearance quickly shows your problem fields who's boss.

An example of the wide line of John Deere Disks is the brawny RWA, shown above. Tubular and channel-steel backbone and main frame have beef and rigidity without excess weight. On-the-go depth adjustment speeds crossing wet spots. Clearance is excellent. Blades (regular and heavy-duty types, 8 1/2-inch spacing) are tempered and hardened for toughness and durability. See your John Deere dealer soon for full details--and ask about his confidential credit plan.

CHEVROLET... on the road every day!

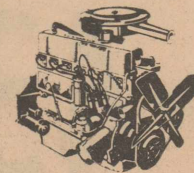

ITS RELIABILITY COMES FROM ITS QUALITY

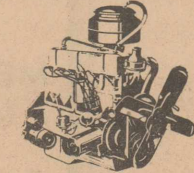

A nutshell description of Chevrolet trucks could be "Trucks That Work". It's not exactly earthshaking but it says a mouthful. It's what Chevrolet trucks are best known for—their reliability. Ready to work, day after day, whenever you are.
You can't build trucks that perform like this if you don't put quality into engine, chassis and

body. Chevrolet does: double-wall construction, insulated cab, select-wood body floor, chain-supported tailgate, ladder-type frame, the careful attention to upholstery and finish. It's this kind of quality that makes any Chevrolet truck—from pickup to heavyweight tandem—worth more on the average at trade-in!

Letters To Santa

Dear Santa,
I want a radio and a pretty purse.
Thank you!
Love, Kathy Turner

Dear Santa,
I would like a chemistry set and a Jimmy Jet. I am eight years old. Do't forget the others. I am a good little boy. My name is Joe Bob Daugherty.

Dear Santa,
What kind of toys are you making this year? I am five years old and I am a pretty nice boy.
I would like to have an electric racing car and a pops-a-ball.
Santa, you write to me. I don't write good.
Love,
Scott Roberson

Dear Santa,
My name is Bonnie Offield. I am 8 years old. I think I have been pretty good. I want a magic bottle and a magic drawing board. Plus a big bone for my two puppies.
Thank you very much,
Bonnie Offield

Dear Santa.
My name is Robert Offield. I think I've been a good boy. I am 4 years old.
I would like a football set and a machine gun with caps.
Thanks,
Robert Offield
P.S. Bring my two puppies a rubber bone.

Dear Santa,
Please bring me a Robot, and black board, game and maybe an army gun. Please remember everyone else.
Thanks,
Johnny Brent

Dear Santa,
I am a boy 7 years old. I would like guns like Paludan's and some other toys, and some thing new to wear. I would like some candy, nuts, and fruit.
Love, Carl Bley
