

All Around The Town

By Mary Ann Sarchet

Our hearts have been united in prayer for Tanner Young since he received a head injury in the junior varsity football game here last Thursday afternoon. He was treated by the Silverton EMS who summoned the Aero Care helicopter to transport him to Lubbock, where he later underwent surgery. His condition has been very serious and the hearts of everyone who knows him and/or his family are keeping them uppermost in their thoughts and best wishes.

We met a nephew of Ronnie Miller at the football game Friday night. He lives at Guthrie and was here to scout Chillicothe. He told us that Sue Miller had broken her leg in a fall a couple of weeks before then and had been in the hospital in Lubbock. We had seen her and her daughter-in-law at a restaurant in Lubbock about a week before then, but had no idea she had had an accident.

The National Cowboy Symposium and Celebraton will be held at the Lubbock Memorial Civic Center September 5-8, 2002. Jimmy Burson will be emcee for the music program from 11:00 until 11:30 a.m. Friday, September 6. The Double Diamond Ranch chuckwagon will be competing in the championship cookoff Saturday, September 7. This is the largest chuckwagon event in the United States. The competition is for thousands of dollars in cash and prizes. Cooks begin serving about noon. Tickets for the meals are priced at \$10 each. This will be the largest gathering of chuckwagons since Charles Goodnight invented the chuckwagon in 1868.

The Circle Dot Ranch chuckwagon of Joe and Virginia Taylor also will be in the cookoff competition.

Caprock SWCD is still taking orders for fruit trees. No extras will be ordered, because there is no minimum order required. If you want fruit trees for fall planting, now is the time to order. Fall is the best time to plant most fruit trees. Also available for order will be a limited variety of other trees and shrubs. Variety and price lists are available now at the NRCS office. Deadline for ordering is Friday, September 27. Go by or call 823-2431, Ext. 101 for more information.

Elzora Gallington called to tell us about the community reunion they had at Quitaque over the weekend. They also had a big parade. Thirty-seven were guests in Elzora's home while they were here for the reunion.

Owls Open Season With Big Win Over Chillicothe Eagles

It was a beautiful night in Silverton for the first game of the season that saw the Owls hand the Chillicothe Eagles a 52-0 beating. As usual Sara Craiker did a beautiful job of singing the national anthem before rejoining the other cheerleaders.

Chillicothe kicked off and the Owls started on their 30. Red Ivory carried for a 12-yard gain before picking up a first down, then the handoff went to Clifton Baker, who went all the way for a touchdown with 8:57 still remaining in the first quarter. Ivory kicked the PAT, to give the Owls an 8-0 lead.

After taking the kickoff on their 35, the Eagles lost a little due to the team tackling of the Owls. The Owls grabbed an Eagle fumble on third down, and were back in business again. Ivory made a first down on the 12-yard line, after which he carried a touchdown with 6:17 remaining in the first quarter. He added the PAT kick to give the Owls a 16-0 lead.

Eric Minyard kicked off, and Chillicothe started on their 35. After losing yardage on every play, the Eagles punted on fourth down. Ivory fielded the punt and ran to the Chillicothe 25.

Marcos Patino ran all the way into the endzone on the next play, the PAT kick failed, and the Owls moved into a 22-0 lead.

When the Owls kicked off, Patino stopped the runback on the Eagle 30. After giving up five yards, Ivory broke up and almost

intercepted a Chillicothe pass. The Eagles made a first down on the Silverton 20, after which the Owls shut down the Eagle offense and the ball went over on the Silverton 25.

Colt Smith passed complete to Chase Comer, who did a little blocking for himself enroute to scoring with 23 seconds remaining in the first quarter. Ivory kicked the PAT, to give the Owls a 30-0 lead.

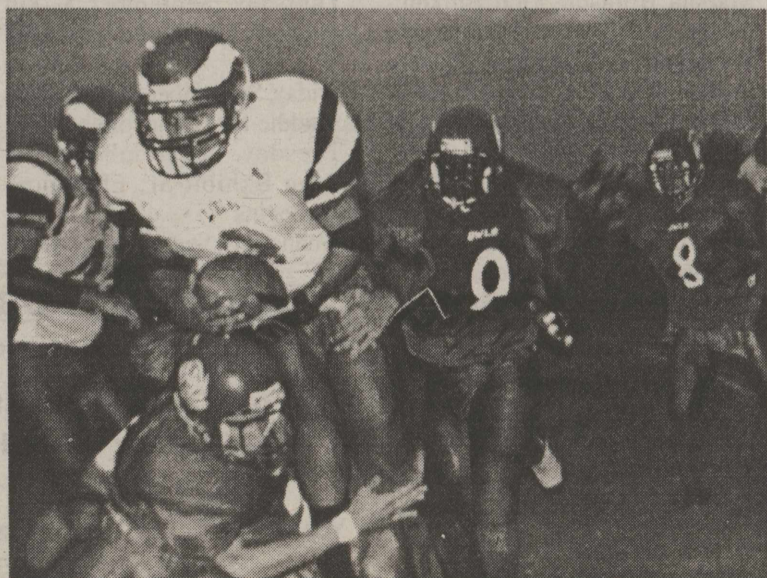

Minyard kicked off for the Owls and the ball carrier slipped and fell as the first period came to a close. This series was concluded with a short punt which gave the ball to the Owls on the Chillicothe 25. Baker carried the 56-yard touchdown with 7:51 remaining in the second quarter. Ivory kicked the PAT, and the Owls moved into a 38-0 lead.

Minyard kicked off again, and Chillicothe gained to their 10-yard line, stopped by Smith and Patino. The Eagles punted short on fourth down, and the Owls started on the Chillicothe 25.

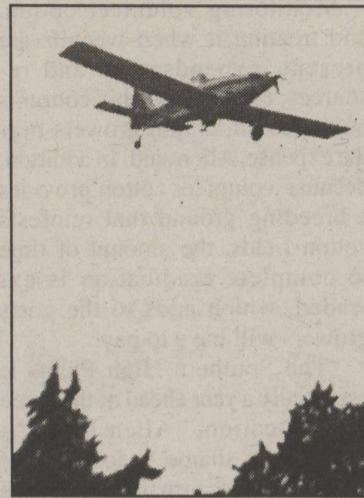

On third down, Dustin Hale intercepted a Chillicothe pass on the Eagle 9, and Caleb Francis scored with 6:59 remaining on the clock. Ivory kicked the PAT, to move the score to 46-0.

On Chillicothe's next series, Galen Smith recovered an Eagle fumble on the 25 with 5:59 remaining on the clock.

Ivory passed complete to Hale for a touchdown. The PAT failed,

New Farm Bill Benefits Make A Difference

Figuring out how much the Farm Security and Rural Investment Act (FSRIA) of 2002 will mean on the turn row has been a topic for speculation ever since the Bill was signed into law May 13 of this year.

Recently released projections from the U. S. House Committee on Agriculture, however, indicate that overall the FSRIA program will indeed deliver a significant increase in federal agriculture assistance to rural communities in 2002.

Estimated 2002 program payments have not been computed for all counties in the Plains Cotton Growers service area at this time.

Economists with the U. S. House Committee on Agriculture, however, have computed estimated payments for several High Plains and Rolling Plains counties.

The analysis estimates the new program provides as much as 65 percent more assistance to producers than they would have received under the old Farm Bill.

Even though the analysis has only been completed for a small area at this time, it clearly illustrates just how much the new Farm Bill is going to mean to producers and rural communities.

Probably the most important aspect of the chart is that overall payments to growers under the old Farm Bill (Freedom to Farm) would have been considerably lower than payments estimated to be made under the FSRIA. The difference is an impressive \$150.132 million dollars more under the FSRIA program.

Some may argue that the chart isn't a true comparison since it doesn't estimate any extra payments that might have been part of the ad hoc economic, or Market Loss Assistance, package.

It is important to note that MLA payments were not included mainly because there was never a guarantee that such assistance

would have been approved for 2002.

The bottom line in the analysis is that the new Farm Bill is "Apples-to-Apples," 65 percent better in terms of total dollars paid to producers.

Upping the payments estimated under the old Farm Bill to reflect an additional MLA payment rate would only halve the percentage by which the new Farm Bill increases payments.

This is good news to producers who had, through no fault of their own, come to depend on the combination of legislated payments plus ad hoc market loss assistance to survive.

Volunteer Cotton Costly to Growers

That cotton growing in ditches and coming up in fields that were formerly planted in cotton threatens the progress of eradication in the Southern High Plains, said Charles Allen, program director for the Texas Boll Weevil Eradication Foundation.

"Boll weevils will find cotton plants capable of providing them with food and a place to reproduce," Allen said. "These plants are a source of continuing reinfestation in the zone."

Allen said that when foundation employees discover volunteer cotton, it has to be trapped and monitored. If weevils are found to be reproducing, then the cotton will have to be sprayed.

The best solution is for growers to remove any volunteer cotton in their fields or on their property.

"We understand that removing or killing these scattered plants is often difficult and costly," Allen said. "But doing this is critical to the success of boll weevil eradi-

cation." Monitoring volunteer cotton, and treating it when weevils are present, expends time and resources, but because this cotton is not assessed, cotton growers bear the expense, Allen said. In addition, because volunteer cotton provides a breeding ground that reinfests cotton fields, the amount of time to complete eradication is extended, which adds to the costs growers will have to pay.

"The Southern High Plains is essentially a year ahead of the game in eradication," Allen said. "It would be a shame to lose any of that ground because of the presence of volunteer cotton in the zone."

The Texas Boll Weevil Eradication Foundation is a nonprofit, grower-initiated and funded organization dedicated to eliminating the cotton boll weevil from the state in the most cost-effective and environmentally responsible manner possible.

Molly Bomar is Honored at Bridal Shower

A beautiful Saturday morning, August 24, occasioned a miscellaneous bridal shower honoring Molly Dorn Bomar, bride-elect of Justin Roberts. The bridal shower was held in the home of Marsha Brunson who also greeted and registered guests. The bride attended with her mother, Paula Wood of Amarillo, and her fiance's mother, Donna Reese of Abilene.

The refreshment table was graced with a tall rustic candleabra and ecru candle accompanied by a matching cross amidst fresh ivy and asparagus fern. A plum chiffon runner atop an ecru crocheted cloth overlaid the brocade cloth which covered the table. Fresh grapes adorned the arrangement.

Leslee Weaks and Kara Kingery, friends of the bride, served white grape punch from a crystal bowl with crystal appointments. Refreshments included fresh fruit, cheesecake bars, sausage balls, miniature cinnamon rolls and assorted cookies.

Special guests honoring the bride with their attendance were her grandmothers, Norma Birdwell and Dorothy Bomar, a great aunt Roberta Griffin, and her sister-in-law Joni Bomar.

Out-of-town guests included Betty Devin and LaNelle Montague of Tulia; Martha Millhollon of Snyder; Twila Baldwin and Sally Campbell of Claude; Wendy Wood from Amarillo; Julie Towe, Brandi Brunson and Lacy Brunson from Lubbock, and Jennifer Gilbreth of Clovis, New Mexico.

Gifts were displayed throughout the Brunson home and included special gifts, China place settings from the late Dorn McMurtry and crystal pieces from the late Nannie Bomar. The hostess gift to the couple was a red KitchenAid mixer.

Hostesses for the occasion were Marsha Brunson, Deb Burson, Ramona Martin, Jane Self, Jeannetta Bradford, Patsy Towe, Dorothy Martin, Tina Nance, Mary Lane Younger, Juannah Jennings, Sheryl Weaver, Mary Jo Brannon, Lori McGinty, Gail Wyatt, Cathey Weaks, Kathy Kingery, Janinne Brooks, Paula Garvin, Merlene Stephens, Shannon Weaver, Vanessa Barbour and Cindy Comer.

Gunshot Hails Those Attending Briscoe County Celebraton

Those attending activities at the Briscoe County Courthouse during the county birthday celebration were alerted with a gunshot and told to gather around the county jail by Briscoe County's first sheriff Minor Crawford (dressed in 1800's style and played by great-grandson John Burson) and Minor's wife (portrayed by Trena Burson). Mr. and Mrs. Crawford and two of the children (played by True Burson and Cody Daugherty) told the crowd about the jail's history and construction. Soon after, county founder T. L. Anderson (played by Bill Smith) yelled at the crowd from atop the courthouse steps to gather everyone for an account of the building and functions of the county courthouse.

Mr. Anderson then directed everyone to Mrs. Braidfoot (portrayed by Paula Garvin) wife of a county founder, who explained what the area looked like when she and other pioneers first arrived atop the caprock and how the Silverton townsite developed.

The Silverton Chamber of Commerce extends a special thanks to these volunteers for making the celebration more meaningful historically. The Chamber also appreciates the efforts of Lana Burson and Betty Kirk for photos reproduced and displayed at the barbecue and on the courthouse lawn. If you missed it, come to the celebraton next year to learn county history "first hand" from others involved in the progressive efforts to settle and develop Briscoe County.

Junior Varsity Owls Defeat Plainview Christian 20-12

Silverton's Junior Varsity Owls defeated Plainview Christian Academy 20-12 last Thursday afternoon, but at a very great price to the Owls. One of the Owls' outstanding players, Tanner Young, was injured in the second quarter after playing an outstanding game until then. He was airlifted to Lubbock where he underwent surgery.

Tanner had kicked off for the Owls to open the game and stopped the return.

Plainview picked up seven yards on their first carry, stopped by Jeronimo Garcia, were penalized on the second down and picked up ten yards on their next try, stopped by Zack Burson and Yance Forbes. On fourth down, needing 40 yards, Plainview carried a touchdown, which was called back due to a penalty. The yardage they gained was good for a first down. The Eagles made five yards after which James Tiffin and other Owls threw them

for a three-yard loss. Tiffin got the ball back on a fumble recovery, setting up the Owls for their first offensive plays.

Yance Forbes ran for a ten yard gain, after which Jeronimo Garcia carried. Gid Mayfield's pass fell incomplete, after which Mayfield hit Young for a first down. Young ran for a ten-yard gain, and Mayfield passed to Max Comer for a touchdown with 58 seconds remaining in the first quarter. Young kicked the PAT, and the Owls led 8-0.

Young kicked off again, and Thor Patton and Yance Forbes led the Owls in stopping the runback. The Eagles picked up five yards, and on second down, Jacob Francis and Garcia threw them for a five-yard loss. The second quarter opened with Fobes holding the Eagles to a two-yard gain, and when Plainview punted, the ball went straight up and came down short with no runback.

Young carried short and Garcia

ran for a touchdown with 6:28 remaining before halftime. Young kicked the PAT, which was blocked by the Eagles. This gave the Owls a 14-0 lead.

Young kicked off and Plainview carried the ball all the way for a touchdown. The Owls blocked the PAT kick, and the Owls continued to lead 14-6.

Plainview kicked off and Garcia ran to the Silverton 10. Young picked up four yards, after which Forbes added an 11-yard run. The ball went over to the Eagles on fourth down, but the defense, led by Francis, Young, Forbes and Joe Olivas held, and the Owls got the ball back on their 22 yard line.

Forbes picked up six yards, after which Young made a first down at midfield. The first half ended without further scoring.

Garcia fielded the kickoff that opened the second half, Mayfield passed complete to Max Comer for a first down, after which Garcia ran to the Plainview 38. Mayfield hit Comer with another pass before the ball went over on downs.

Plainview punted into the endzone to end the next series, and an Owl pass was intercepted by the Eagles. Plainview moved the ball to Silverton's 10, after which an effort to score was stopped by Tiffin and Comer.

The teams traded possessions a couple of times, after which the Eagles came back to score with 5:00 remaining in the fourth quarter. The PAT kick failed, and the Owls continued to lead 14-12.

When Plainview kicked off, Forbes took the ball all the way for a touchdown, to give the Owls a 20-12 lead. There was no PAT.

The team travels to Lazbuddie with the 8th Grade team today with

Each month during the school year a boy and a girl will be selected as outstanding students of the month. A boy and girl will be selected from high school, junior high and elementary school. Nominations will be based on character, leadership, attitude, sportsmanship and scholarship. From the list of nominees the teachers will select the Silverton student who best meet these qualifications.

kickoff at 5:00 p.m. Next games will be Thursday, September 12, with the 7th, 8th and JV teams playing at home with kickoff at 5:00 p.m.
