Game Warden Clint Hunt stopped by our office last week to remind us that pheasant season will open December 13 and continue through January 11. Bag limit is two birds.

In Operation Game Thief, Texas' Wildlife Crime-Stoppers Program, you can make a difference by reporting illegal hunting and fishing activity. Up to \$1,000 may be paid for information leading to the arrest and conviction of poachers.

### BITS & PIECES OF NEWS

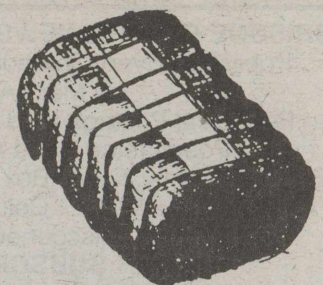

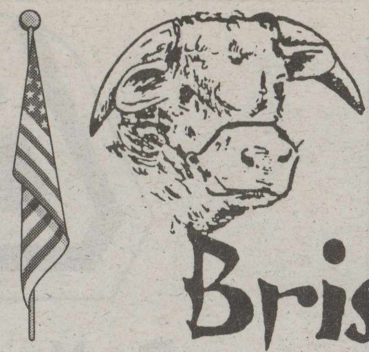

from Lataine Dillard

Patricia McJimsey, Rose Mary Perkins, Eudean Crow, Betty Ruth Williams and Peggy Garvin attended a gospel concert Saturday night in Plainview. They enjoyed dinner, shopping and the concert. They said it was very good, especially the group from Lubbock.

The list of those attending the last Silverton Chamber of Commerce meeting was incomplete. These also were at the Chamber meeting: John and Trena Burson, Rick Hutsell, Rick and Jana Beesinger, Lane Garvin, Kathy Kingery, Kay Hartfelder, Sandi and Emmett Tomlin, Kyle Fuston and Deb Burson. Join these folks who are striving to make Silverton a better place to live.

## Silverton Post Office Receives Award

Thursday, Nov. 13, the Silverton Post Office was presented a plaque from the Fort Worth district office in recognition of outstanding performance in customer satisfaction. Each post office across the nation is audited through a series of customer surveys and a mystery shopper program. The surveys and programs indicate how well each office is performing with a maximum score of 1000 points given within the parameters of how well that particular post office meets the needs of the customer and the service provided.

Silverton Postmaster Hoot Barker said, "This pretty well goes along with what we've tried to accomplish since I became postmaster here in 1999. There are so many aspects as to what we try to do to provide better service to our customers and this award speaks well of our post office here in Silverton. We work hard to be

consistent with box up times and route delivery. And, it helps when you have such a great group of employees who care about their jobs and the service they provide for this community."

Mr. Barker said that he was proud of the employees of the Silverton Post Office in reaching this goal. "We have the opportunity to interact with our customers everyday and see first hand how we're doing. It's nice to be recognized from the district office on what we feel we should be doing every day."

# What Is God's Plan?

The first chapter of Ephesians tells us that God understands us and knows what is best for us at all times. His reasons for sending His son, Jesus Christ, into the world was that when the time was right, He will gather us all together from wherever we are, in heaven or on earth, to be with Him in Christ, forever. In this troubled world, it is difficult for us to understand how this will happen, that all creation will someday be in harmony where there will be no evil, prejudice, animosity, or hatred.

Perhaps, when Christ does return, it may be likened to a classroom of little children where some are running around and being disruptive when the teacher is out of the room; but, as soon as the teacher returns, they quickly settle down and behave as expected.

No one really knows when our Lord and Savior will return; however, we are told that we should believe and trust as little children. And although it takes enormous courage and faith to believe as a child, those who trust in the Lord will never be disappointed.
