Charlie and I and our grandchildren spent several days in Ruidoso last week, and had a wonderful time! I mentioned after our return last year about the bears that go through the dumpsters, and this year we witnessed a scenario in which the "actors" were people from Abilene who parked their vehicles too near the dumpster. At about 12:30 a.m., the bears turned the dumpster over, and the Abilene people wanted to scare them away before they damaged their SUV and pickup. While the rest of their group were running around in their night clothes, one of the men ran out, jumped into his pickup and turned on the headlights. Those of us watching from our cabin were amazed at how BIG the bear was that ran through the headlights! The people who run the camp where we stay had told us that the troupe of bears included a mother with two cubs, but we didn't see them. The bears returned about 5:30 a.m. and went through the contents of the dumpster which included take-out boxes that Meredith and Molly had brought from a Ruidoso Italian food restaurant. The bears thoroughly enjoyed the take-out boxes that were in the garbage!

Our grandson, Brandon, completed requirements this summer for his MBA degree magna cum laude from the Jerry Rawls School of Business at Texas Tech University. He is working as an industrial engineer for Saia Motor Freight, flying to work by commercial plane to the places where he is needed.

2004 PROPERTY TAX RATES IN THE CITY OF SILVERTON

This notice concerns 2004 property tax rates for the City of Silverton. It presents information about three tax rates. City Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's "Effective" Tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's "Rollback" rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

2004 PROPERTY TAX RATES IN THE

BRISCOE COUNTY

This notice concerns 2003 property tax rates for **Briscoe County.** It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's "Effective" Tax rate would impose the same total taxes, as "Effective" Tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's "Rollback" rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

The Briscoe County Treasurer certifies that Briscoe County has spent \$1178.00 in the previous 12 months beginning July 1, 2003, for the maintenance and operations cost of keeping inmates sentenced to the Texas Department of Criminal Justice. Briscoe County Sheriff has provided information on these costs, minus state revenues received for reimbursement of such costs.

Here are answers to questions you may have about applying:

> 1. Who can get free or reducedprice meaks? Children in households receiving Food

Stamps, TANF and most foster children can get free meals regardless of household income. Also, if your household income is within the limits on the Federal Income Chart, your children can receive free or reduced-price meals.

2. Will my information be checked? Yes. We may ask you to send written proof of the information you give.

3. What if I stop receiving Food Stamps or TANF? If your children qualify because you listed a Food Stamp or TANF case number, you must tell the school when you no longer receive Food Stamps or TANF.

- 4. What if my household size or income changes? If your children qualify for free or reduced-price meals based on your income, you must tell us if your household size goes down or if your income goes up by more than \$50 per month (\$600 per year). Call us at 823-2476 to update your application.
- 5. If I don't qualify now, may I apply again later? Yes. You may apply at any time during the school year if your household size goes up, income goes down, or if you start receiving Food Stamps or TANF. If you lose your job,
- your children may be able to receive free or reduced-price meals during the time you are unemployed. 6. What if I disagree with the school's decision about my application? You should talk to school officials. You also may ask for a hearing by calling or writing to: Jerry Birdsong Box 608 Silverton -823-2476 .
