THE HOUNDS AND FM 95

With the arrival of another Knox City High School football season, there have been many who have asked why non of the Greyhound games have been broadcast on the radio yet. Apparently many thought that the game with Munday last Friday night at Greyhound Stadium should have been aired since it was picked as the game of the week by the Abilene newspaper.

After some checking into the matter, some facts have been revealed that just might be of interest to Knox City football fans. It seems that our fans weren't the only ones who wanted the game to be broadcast, so did the sports crew at radio station KVRP in Haskell. As a matter of fact, the game was on their sports calendar and plans had been made way back in pre-season to air the game.

With this in mind, why was there no broadcast? The answer to that question is both simple and complicated at the same time. According to Interscholastic League Rules, the superintendents from both school districts involved in any game to be aired have to agree to the broadcast. With reference to the Munday game, the ruling meant that even though the game was played here in Greyhound Stadium, the Munday School District still had to agree to it. That is the complicated part of the answer, the simple part is that the Munday School District did not agree to the game.

KVRP General Manager and sports broadcaster Gary Barrett received a letter from the Munday School District dated September 7, 1983, stating that the school board had passed a broadcasting policy that would allow only two games to be broadcast. Station KSEY in Seymour could broadcast when Munday played Seymour and KVRP could only broadcast when Munday played Haskell. Since KVRP FM 95 had planned its broadcast schedule before the season started, this new policy by the Munday School Board canceled the station's plans to air the Knox city-Munday game and the sports crew aired the Anson at Haskell game as a backup to fill the sudden vacancy in its schedule. In pre-season planning, KVRP officials felt that the Knox City-Munday game would be a good contest to air because of the well known rivalry between the two schools. The station was able to have a representative at the game to observe and call in a report following the game.

READY FOR TOURNEY -- These Knox City Houndettes will be ready Saturday to compete in their own volleyball tournament at the high school gym. The first Houndette game will be 9:00 a.m. against Weinert with games following every hour. Houndettes, from left, are Rita Ramos, Michelle Bateman, Cindy Hernandez, Daveine Holcomb and Marilyn Benson. The consolation match, third place match and first place match will be played at 5:00, 6:00 and 7:00 p.m. respectively. Teams participating include Hawley, Holliday, Chillicothe, Weinert, Aspermont, Burkburnett, Vernon and Knox City.

Greyhounds End Four Years Of Frustration

By DAVID COUNTS

The Knox City Greyhounds ended four years of frustration Friday night in Greyhound Stadium by defeating a previously unbeaten Munday Mogul team, 15-12.

At game time, the weather was perfect for a football game. The overflow crowd enjoyed a nice cool breeze from the south. By the middle of the first quarter, the temperature was steadily rising. The Hounds, who were underdogs, were making their presence felt.

The Moguls received the opening kickoff. Starting at their 20 yard line, the visitors made three quick first downs before an alert Wayne Hutchinson intercepted a pass at the Hound 12 yard line.

The Hounds then mounted a nine play drive before an incomplete pass stopped it at the Mogul 21. The drive featured a 52 yard run by Otis Lockhart and excellent line play by the Hounds.

The Moguls, starting on their own 21, were greeted by Kevin Eaton and Chad Whitley for a three yard loss on a very good Munday runner, Quincy Adams. After a Mogul first down, Lockhart made a great tackle for no gain before Adams on the next play picked up 16.

Eaton and Lupe Rios combined to stop Adams on first down. The Moguls made six on the next play. On third down, Joe Paul Flores made an outstanding tackle for a one yard loss for Adams. On fourth down needing four yards, the Hounds held and took over at their own 23 yard line.

As the first quarter ended Lockhart broke for 13 yards and a first down at the Hound 36.

Both teams moved the ball well during the first quarter but no scores were recorded.

On the second play of the second quarter, Hutchinson passed 35 yards to Joe Paul Flores. Steve Oudens ran for 14 yards up the middle through a gaping hole made by James Evatt, Kevin Eaton and Chris Whitaker.

Hutchinson then passed to Flores for 14 yards to the Mogul four yard line. Flores caught the ball with a Mogul hanging on his back. Lockhart carried in for the first score of the night two plays later. On the extra point try, the snap was fumbled. Lockhart, the holder, picked up the ball and ran around the right side for two points.

On the kickoff, David Thompson welcomed Mr. Adams to Greyhound football with a crushing tackle at the Mogul 32. Whitley trapped the Mogul quarterback for a seven yard loss forcing a punt which Lockhart returned 16 yards to the midfield strip.

The Hounds, unable to move, had to punt.

On the second Mogul play, Adams broke around left end and raced 79 yards for a touchdown. Thompson made a great effort to catch the runner but ran out of field. A try for a two point conversion failed when Rios and Oudens tackled the runner.

Following the kickoff, Hutchinson ran for six yards behind a wall of blockers. Then Lockhart ran for seven, four and five yards before Hutchinson passed 23 yards to George Rocha to the Mogul 40. Lockhart ran for 11 yards to the visitors' 29 but the drive stalled when Hutchinson was hit while trying to pass causing a fumble which Munday recovered.

With less than a minute left in the half, Munday completed a 63 yard pass for a touchdown. A pass attempt for two points was no good.

The first half came to a

close with the score 12-8 in favor of the Moguls.

The Hounds had controlled the game with exception of two plays. A great effort. The Hounds were showing signs of fatigue but so were the Moguls.

The second half opened with the Hounds' receiving the kickoff facing the south and what wind there was.

Hutchinson ran for seven and six yards before the drive stalled. Having to punt was O.K. Hutchinson punted 42 yards into the wind with no run back.

The Hounds held after a roughing the passer penalty and again great defense.

Lockhart ran for 16 yards and Hutchinson passed seven yards to Jerry Gutierrez before having to punt the ball away to the Munday 19 yard

GTE Representatives To Visit September 22

General Telephone's special service and study teams will be in Knox City on Thursday, September 22, to analyze telephone service in Knox City and the surrounding area and visit with customers, according to Eric Boren, local manager for the company.

"The company has arranged for employees to be on hand from 10:00 A.M. to 4:00 P.M. at the Knox City Community Center to discuss telephone service issues with customers on an individual basis. In addition, a few em-

ployees will be visiting with local businesses regarding their telephone service." Boren added, "We invite anyone to drop by the Community Center or call 658-5059 should they have an individual telephone service concern. This will enable us to isolate and correct any particular problem areas."

Boren concluded, "Occasionally we like to go into a community and meet with customers on a one-to-one basis as we know this will result in improved customer satisfaction."

Area Receives Tax Rebates

AUSTIN -- State Comptroller Bob Bullock has sent checks totaling \$4.1 million in local sales tax payments to the 974 cities that levy the one-percent city sales tax.

"Last September, we were

reporting the biggest allocation based on a single month's tax collections in the history of our state," Bullock said. "This month, with sales tax receipts running about one percent behind last year,

shows us just how fast things can change."

September checks were for taxes collected on sales made in July and reported to the Comptroller by the end of August.

Thrift Shop Sets Workday Next Monday

During the regular meeting night of the Knox County Hospital Auxiliary Monday night, members set next Monday, September 26, as a workday in the downtown Thrift Shop.

In other action, members elected Jo Ann Maddox as the new secretary replacing Barbara Watson who has moved.

A report was given on the status of the indebtedness for the color television sets purchased for use in the patient rooms of the Knox County Hospital. No charge is made for the use of the TVs, but patients who can afford to are asked to make a donation to the auxiliary at the time they are dismissed to help with this huge purchase. According to Peggy McGaughey, 16 payments have been made on the TVs totalling \$5,892.83. Amount owed is \$7,133.97. Balance in the auxiliary account is now \$529.57. Mrs. McGaughey said.

Two members, Odell Harbert and Stella Carver have completed the handmade quilt which is to be given away at 4:00 p.m. on October 16 at the Knox City Golf Course during a golf tourney benefitting the auxiliary.

Members also agreed to purchase a glass enclosed bulletin board for the hospital in memory of one of its faithful members, Jewell Lea, who died last month.

Lockhart Again 'Player Of Week'

Otis Lockhart was once again named to the "Player of the Week" honors in Class A football by *The Abilene Reporter-News*. This time, the award was for his defensive efforts that helped the Greyhounds defeat Munday, 15-12.

The son of Mr. and Mrs. Manuel Fuller, the Knox City safety gained 143 yards on 18 carries, scored a touchdown and threw for the winning touchdown in addition to his outstanding performance on defense.

THIS BEAUTIFUL quilt, handmade by Odell Harbert and Stella Carver for the Knox County Hospital Auxiliary, is being admired by Mildred Draper, left, and Joyce Crowover. The quilt, in colors of rust, brown, and white, will be given away on October 16 at 4:00 p.m. at the Knox City Golf Course during a tourney for the auxiliary. The auxiliary members have the quilt on display at Family Boutique. Donations are being accepted by the Pink Ladies for the quilt.

City Council Raises Rates

In a regular scheduled meeting of the City Council, held on Tuesday, September 13, Knox City Council members took action to increase revenue for the city in several areas. Present for the meeting were H.E. Wall Jr., Larry Staggs, Greg Kuehler and Elaine Lewis. City Clerk Teri Anderson took the minutes.

After the meeting was called to order by Mayor Pro-Tem Wall, the minutes of the last regular and special called meetings were read. Councilwoman Lewis objected to the wording of one entry in the last minutes that specified job description and responsibilities. After discussion, the minutes were amended to read that the council governs all city policies. The minutes were approved by unanimous vote following the amendment.

Water deposits were also raised after a lengthy round table discussion by the council. Staggs made the motion to raise the deposit rate for the city water service from the current \$25.00 to \$40.00. Kuehler made a second to the motion and the vote to carry the motion was unanimous.

A letter from one of the Girl Scout leaders was read to the council, permission was asked for the Girl Scouts to use the Community Center as their meeting place. Discussion among the council indicated that all felt the girls should be allowed to use the building. Greg Kuehler made a motion to that effect and all voted in favor after the second to the motion by Staggs.

The next scheduled agenda item was approval of the tax

Williams they felt the Fire Department was doing an excellent job and Wall thanked the Fire Department for its contribution to the city.

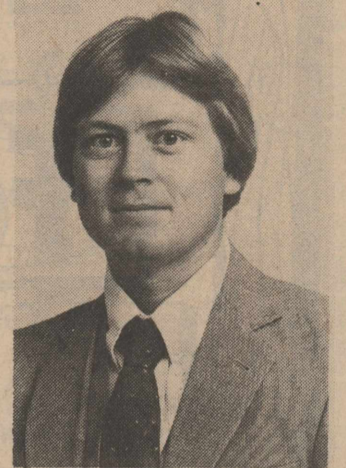

The next item on the agenda was the annual nomination for the Tax Appraisal Board. Kuehler made a motion to reappoint the two members presently representing Knox City on the board, Clyde Voss and Bud Carver. A second to the motion was made by Staggs and all voted in favor.

The price of cemetery lots was discussed and it was pointed out that the price of the lots had not been increased in many years and that most surrounding cities do have higher rates. Kuehler made a motion to increase the price of the lots from \$15.00 to \$50.00 per grave site. Staggs made a second to the motion and all voted in favor.

Water deposits were also raised after a lengthy round table discussion by the council. Staggs made the motion to raise the deposit rate for the city water service from the current \$25.00 to \$40.00. Kuehler made a second to the motion and the vote to carry the motion was unanimous.

KELLY ROBINSON
...assistant director

Robinson Is Asst. Sports Info. Director

LUBBOCK -- Texas Tech University Athletic Director John Conley has announced that Kelly Robinson has been chosen as the school's Assistant Sports Information Director. Robinson replaces Alfred White who is leaving to work for the National Collegiate Athletic Association.

Robinson, who graduated from Texas Tech last May with a Bachelor of Science Degree in Physical Education, served three years as a student assistant in the Sports Information Office at Tech before being named to his current position.

A 1977 graduate of Knox City High School, Robinson is the son of the late John H. Robinson and Mrs. Kay Logston of Stamford. He is the grandson of Knox City resident Mrs. Guy (Ruby) Robinson and Bert Davis of Snyder. His wife is the former Shelly Tucker of Idalou. "I am really looking forward to the challenge that exists for me at Tech," said the 24-year old Robinson. "Tech is where I have learned the tools of the trade and obviously I am a faithful supporter of the Red Raiders. I appreciate the opportunity and hope to make the most of it."

Cattlemen's Round-Up Is Nearing

Abilene -- Trailers are fanning out throughout Texas picking up cattle and other livestock for the 24th Cattlemen's Round-Up for Crippled Children.

Jim Alexander of Abilene, general chairman of the Cattlemen's Round-Up, stated the time is now for a great deal of worry and concern. The drought has been broken in some spots but is still very distinct in other segments of Texas and the Southwest.

Plans Underway For Chili Cookoff

Plans are underway for the Chamber of Commerce's first annual Fall Festival and Chili Cookoff to be held Saturday, November 5.

The first 50 teams will be accepted to participate and interested persons may contact the Chamber office at (817) 658-3442. More information will appear at a later date, according to Doris Crowover, Chamber secretary-manager.

Toni Hewitt, student at Western Texas College in Abilene and Vicki Daniel of Abilene visited their parents, Coy and Loretta Hewitt, over the weekend.

J.D. and Ethel Ellis of Lewisville spent a few days last week with Grady and Bea Ellis. J.D. and Grady are brothers.

Houndettes Win First In Volleyball

By Coach Waincott
Hawley Varsity Volleyball Tournament Championship goes to Knox City Houndettes. It's been a long time since the Houndettes won a tournament. It would be nice if we could win our own this weekend, but we'll have to wait and see.

Clyde Bulldogettes were the Houndettes first foes. This was at 10:00 a.m. In the past we have never played well in the early mornings. Saturday proved this group of ladies were strong and ready to play. I believe the Friday night victory against Munday had a little to do with it.

Later in the day, 4:00 p.m. to be exact, the Houndettes played Aspermont Hornets, a district foe, and won the championship. Aspermont can be tough and will be tougher when we play them for district.

Saturday, the Houndettes will play Weinert at 9:00 a.m. in the KC Varsity Volleyball Tournament. Play will continue all day and we invite you to the gym for some exciting matches.

Seymour LVN Class Begins

The Seymour Hospital Authority School of Vocational Nursing for 1983-84 has fourteen new members.

Amelia Taylor R.N. of Wichita Falls is the director.

Class members are Dorothy Stafford, Patricia Rutledge, Delores Killian, Virginia Crespin and June Gillig of Seymour; Kathleen Morgan, Kay Wilde, and Penny Phillips of Munday; Brenda Brown, Jackie McKinney and Jean Logsdon of Knox City; Carlene Harlan of Goree, Inez Chavez of Vera, and Barbara James of O'Brien.

Officers are Virginia Crespin, president; Dorothy Stafford, vice-president; Inez Chavez, secretary-treasurer and Penny Phillips, reporter.

Donna Childre and son Mat of Waco visited in the home of Mr. and Mrs. E.E. Underwood and Anne Saturday.

On Sunday, Ruth Underwood and Betty Poe accompanied them to Graham where they attended a housewarming for Pete and Johnnie Ford.

They returned home Sunday afternoon with Sharon Morrow.

Beauchamp Celebrates 80th Birthday

H.R. Beauchamp observed his 80th birthday last Friday, September 16, and those who were here to help him celebrate were Steve Beauchamp of Fort Worth and Debbie Howard of Hillsboro who came in Friday night. Then on Saturday Glen and LaVaughn Beauchamp of Killeen, Fannie Ballew of Abilene, Lady Diamond of Waco, and Elsie Creel of Anson came. On Sunday, the family enjoyed the main birthday dinner and those joining H.R. and Myrtie and all the group were Elrene and Phillip Essary, Russell, Donna, April, and Heather, all of Wichita Falls, Cecil, Janet and Lisa Beauchamp of Anson, Tammy Butler of LaGrange, Walter and Lois Speck of Rochester, and the Rev. John Gillispie, Peggy and Kim of Knox City.

Sunday afternoon visitors were Ben and Georgia Faye Bingham of Knox City, P.G. Beauchamp of Rule, Jim and Juanita Beauchamp, Larry, Frankie, and John Beauchamp, all of Rochester.

The Beauchamps reported that it was a most enjoyable weekend for all. "The meals were all delicious and abundant as each family brought their specialties," they said.

FROM LUBBOCK

Randy and Ann Egenbacher of Lubbock visited his parents, Mr. and Mrs. John Egenbacher over the weekend. They also visited Randy's sister and her family, Sue, Butch, Scott, Stefani and Suzanne Stephens in O'Brien.

We had two calls last week, both on Tuesday, September 13. The first at 3:20 p.m. to a grass and weed fire at the former Bill Lankford farm, five miles northwest of town. This fire threatened the house and several outbuildings. One truck and seven firemen responded. The second call came in at 5:55 p.m. to a pickup fire belonging to Dale Bloxham, four and one-half miles east of Knox City. Firemen were stopped and told it had been extinguished.

The KC VFD had a very successful convention here on September 11 with very few mishaps and again, we want to thank everyone for their help. Somehow, however, two firm names did not get on the list of donors, Allsup's and Deering Exterminating Service. We regret this as noted in an ad in this week's paper. We had everything from mouse traps to a new bicycle donated for door prizes.

Last week in Dave's "Shootin' Straight", he stated that it seemed to him like the ladies had better times in hose races. They sure did, but they had some advantage of working with smaller hose and nozzles. For example, in the six man hose races, Archer City was first with 23.86 seconds. The ladies from Archer City were first with 18.73

Ex-Resident Dies In North Carolina

Word has been received by the News office of the death of a former resident, Georgie Pearl Kruse, in North Belmont, N.C.

Services were held at 2:00 p.m., Sunday, August 14, in Goshen Presbyterian Church in North Belmont with interment in Memorial Park there.

She moved from here in 1937. Surviving are Mrs. Hazel Clark of Knox City, Verla Kruse, and several nieces and nephews.

Olney's Crowell Branch Celebrates Opening

Crowell - Olney Savings Association has announced the grand opening of its new branch at 200 North Main in Crowell.

In celebration of the grand opening, Olney Savings is giving away an all expense paid weekend in Dallas. This exciting trip includes round-trip airfare from Wichita Falls, hotel accommodations for Saturday and Sunday nights, passes to the State Fair of Texas, and tickets to the Dallas Cowboys/LA Raiders football game Sunday evening, 8:00 o'clock at Texas Stadium.

Registration is now through September 30. The winner will be announced on Monday, October 3 at 10:00 a.m.

The public is invited to drop by and enjoy some refreshments, get acquainted and have some fun.

Patsy Bachman, branch manager will be on hand and commented, "We are excited about the opportunity to serve the citizens of Crowell. We

hope everyone in the area will come by, see our new offices, and register for the exciting trip to Dallas."

Olney Savings is a \$500+ million state chartered savings and loan association with branch offices in Olney, Seymour, Jacksboro, Nocona, Azle, Weatherford, Graham, Archer City, Bowie, Brownwood, Wichita Falls, Vernon, Holliday, Decatur, Boyd, Throckmorton, Anson, Albany, Cisco, Coleman and Bridgeport.

Mansfields Celebrate Sixtieth Anniversary

Weldon Mansfield and Renella Watson hosted a 60th wedding anniversary reception for their parents, Ethel and Herschel Mansfield, at the Community Center, Sunday, September 18 from two until five o'clock in the afternoon. Granddaughters Gerri Krause and Zoe Doan served cake and punch.

Attending the reception were Weldon and Ruth Mansfield, Bentley and Lyndol Mansfield, Paul, Zoe, Melissa and David Doan, and Kenneth and Connie Reeves of Amarillo; Patsy, Kim, Kera and Laura Silverfoote, and Bill Lee of Martinez, California; Gerri Krause of Radcliff, Kentucky; Wayne and Renella Watson of Knox City; L.V. and Flora Reeves of Bradshaw; Mary and Melvin Jones of Clovis, New Mexico; Phyllis, Rueban and Allen Talley of Albuquerque, New Mexico; Herman and Hylene Reeves of Anson; Laverne and Cecil Edgemon of Fort Worth; Byron and Ruby Douglass of Littlefield; Theda and Felton Jackson, Janet Benge and Magerite, and Angela Gray of Goree; Edwin and Nelta Reeves and Ida and Willie Farrell of Weinert; and Jimmy and Joann Reeves of Odessa.

Marvin Herschel Mansfield and Ethel Elizabeth Reeves were married September 8, 1923 in Parker County. Their 60 years of married life began with a "cotton-picking honeymoon" in Collin County to make money to set up housekeeping. They had 19 cents and used that to buy stamps to let their families know they were all right.

After two months they rented a farm near Poolville and moved into the house. Their friends shivareed them one night, shooting guns, ringing cow bells, and beating on plows. But the couple was not surprised. They had heard about it that morning from a bachelor friend who didn't know it was to be a surprise. They opened the door and invited everyone in for a can-

dy breaking party. In the fall of 1925 Ethel and Herschel moved to Weinert. They bought a "hoopy", a one-seated affair with a little bed similar to a pickup truck, for \$27.50 to make the trip. Their household goods were shipped by rail in a box car.

They settled on a farm close to the railroad tracks. Many people traveling camped nearby. In the spring of 1928, a man with two small children (their mother had died the year before) camped near their house. The children spent the night with them and two weeks later, Ethel and Herschel adopted them. E.B. was seven years old, and he now lives in Martinez, California. Louise was five years old, and she now lives in Kenai, Alaska.

The Mansfields moved to a farm near Knox City in 1933. At this time they also had a son, Weldon, who now lives in Amarillo. Later a daughter, Renella, was born and she now lives in Knox City with her husband, Wayne Watson.

Sixty years has included many laughs, a flood in Weinert, coyotes in the house, a car that wouldn't "whoa" when told to, the move to Knox County, family illnesses, buying a farm, selling cotton for 5 cents a pound, building a new house, pet dogs, cats, squirrels, raccoons, family reunions, grandchildren, developing a recreational park, great-grandchildren, and writing poetry, short stories, and a family history prompted by many memories.

The Mansfields are now looking forward to their 70th wedding anniversary.

THE KENNEL

SENIOR NEWS

By Sarah Jones
On Monday, September 12, some members of the senior class and their sponsors got together after school to decorate the halls and make the run-through sign for the Monday game. Their efforts were rewarded when the Greyhounds crashed through the sign proclaiming "GREYHOUNDS ARE 'BAD' ENOUGH!" and defeated the Moguls 15-12. What a game!
The seniors that led the Hounds to victory are the same ones that you've been hearing and reading about: Kevin Eaton, James Evtatt, Joe Paul Flores, Wayne Hutchinson, Otis Lockhart, Lupe Rios, Chris Whitaker, and Chad Whitley. The injured seniors that are also doing their part are Jesse Agraz, Steve Rutherford, and Dwayne Watkins. You're doing great guys!
Also making their presence known (in Volleyball, no Football!) are the varsity Houndettes, seven of whom are seniors: Michelle Bateman, Marilyn Benson, Cindy Hernandez, Daveine Holcomb, Rita Ramos, and managers Amber Berryman and Lou Ann Weatherall. Congratulations on your first place win in the Hawley Tournament!

SOPHOMORE NEWS

By Danny Balis
As you all know, the Dogs broke a four year losing streak to the Moguls, Friday night, winning 15-12. Sophomores playing in that varsity game were guards Rudy Agraz and Mark Daniel, ends Michael Rauch and Danny Balis, quarterback Rick Wupperman (who is out for three weeks with a scraped knee), running back George Rocha, flanker Jerry Gutierrez, and tackle David Thompson.
The Junior Varsity squad stomped Monday too. Those Sophomore JV's are Brian Blackman, Charles McCreary, Cliff Hacker, Michael Albus, Tracy Carter, Robert Espinosa, Ray Hernandez, and B.B. Eddington. Congratulations to Tammy

and Christi as varsity cheerleaders, Jenny Vasquez and Sheri Evtatt as twirlers, and Leah Boone and Paula Chambers as members of the Scarlet Belles Drill Team.

FRESHMAN NEWS

By Ila Gross
I would like to correct a mistake that was in last week's paper. In last week's article we welcomed all the Freshman newcomers. In doing this I classified Brian Blackman as a Freshman but he is classified as a Sophomore. I hope he will forgive me for this mistake. We would still like to welcome all Knox City High School newcomers. We hope you like it.

GREENHAND NEWS

By J. Emerson
This week, the Greenhands have been getting started working on the quiz and leadership teams along with getting started with projects. This has been a very busy week.

JV Wins Second At Hawley Tourney

By Ila Gross
The Junior Varsity played two exciting games at Hawley to win second place Saturday, September 17.
In the first game, we played Clyde and won both matches. In the second game, we played Moran in a slow but steady fight with Moran winning and putting us in second place. Let's keep fighting Houndettes.

JV's Defeat Burk In Volleyball

By Ila Gross
The Houndettes did it again, beating the Burk Burnett Bulldogs in Volleyball on September 12. It was a tough game but the Houndettes pulled it off. Scoring the points for our team are Leah Boone, scoring 14 points, Becky Underwood 4 points, Latricia Stewart 4 points, and Stacy Eddington 2 points. We want to congratulate the Junior Varsity in their win. Way to go Houndettes, keep up the good work!

Houndettes Progressing

By Coach Waincott
The Houndettes are progressing. They played two hard matches last Monday with Burk Burnett. Winning the last match again and battling for the first but losing. The scores were 12-15, 15-4, 13-15 and 16-14, 12-15, 16-14. Their record stands at 4-4.
This week as a team serving was down to 84 percent. This hurt because those missed were at key points. Even so Paula Chambers led in percent with 100 percent with 4/4. Vera Sweat led the most with 29/32 for 90 percent. Michelle Bateman was behind her with 22/24 for 91 percent. Daveine Holcomb led in sets with 44 while Rita Ramos had 34. Tammy Rogers and Kathy Hernandez led in the spiking column.
This past Saturday the Houndettes traveled to Hawley for their Varsity and JV Tournament. The team, also, went to Hawley Monday for a regular playing day.
Next outing will be the Knox City Tournament on September 24 then we travel to Burk Burnett on Monday, September 26.

Governor's Committee Won't Visit This Area

Dozens of school districts with primarily agriculture tax bases in the South Plains and Panhandle region have another common denominator now; they won't be seeing the Governor's Select Committee on Education in these areas any time soon. The sites that the Select Committee has chosen to visit include the Houston, El Paso, and Dallas-Fort Worth areas, but neglect the school districts north of (eastwest running) Interstate 20.
"We feel that the needs of our school districts here in this area are as acute as any perhaps more so" says Bill Baker, superintendent of the Knox City-O'Brien ISD.

How then can we expect these same taxpayers to turn around and support statewide proposals by the Select Committee when they have not even been consulted?"

Baker, also longtime president of Texans for Equitable Taxation, continues "The need for improvement in our education system is universally agreed upon, but the financing of this improvement should be a prime consideration. There are now many of our rural school districts in Texas that will have a hard time paying bills because of declining agricultural values, drought conditions, and/or the recent Supreme Court ruling on the taxation of Federal bank stock. Local property tax payers will be looked upon to help their school districts, and this help is going to come through a property tax increase in quite a few places.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS
SPECIAL ELECTION
NOVEMBER 8, 1983

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 91 proposes a constitutional amendment which requires a county with a population of 30,000 or more to be divided into not less than four nor more than eight justice of the peace precincts. A county with a population of 18,000 or more but less than 30,000 shall be divided into not less than two nor more than five justice of the peace precincts. A county with a population of less than 18,000 shall be designated as a single justice of the peace precinct or, upon a finding of necessity by the commissioners court, shall be divided into more than one justice of the peace precinct but not more than four. The amendment provides further, that in any precinct in which there is a city with a population of 18,000 or more, two justices of the peace shall be elected. The amendment allows a justice of the peace, constable or commissioner to continue in office until the expiration of his term, although a change in precinct boundaries results in the officer no longer being a resident of the precinct for which he was elected or appointed and allows a justice of the peace or constable to continue in office until the expiration of his term even though a change in precinct boundaries results in the abolition of the precinct or more than one justice of the peace or constable serving the precinct. Vacancies in the office of justice of the peace or constable that result from a precinct boundary change shall be filled by the commissioners court until the next general election. The amendment would take effect on January 1, 1984, and counties with populations of less than 30,000 and with more than four justice of the peace and constable precincts would have until January 1, 1987 to comply with the amendment.
The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing fewer justice of the peace and constable precincts in counties with a population of less than 30,000 and providing for continuous service by justices of the peace, constables, and county commissioners when precinct boundaries are changed."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 105 proposes a constitutional amendment which would limit a homestead in a city, town or village to a lot or lots amounting to not more than one acre of land, together with any improvements on the land. The constitutional requirement that, at the time of

designation, an urban homestead not exceed ten thousand dollars in value without reference to the value of any improvements on the land would be eliminated.
The proposed amendment will appear on the ballot as follows: "The constitutional amendment replacing the limitation on the value of an urban homestead with a limitation based on size."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that authorizes the Legislature to enact legislation that permits representative associations of agricultural producers to collect refundable assessments on their product sales to be used solely to finance programs of marketing, promotion, research and education relating to those products. It provides, further, that adoption of the proposed constitutional amendment will bring into effect Senate Bill 607, Acts of the 68th Legislature, Regular Session, 1983, with rejection of the amendment resulting in Senate Bill 607 having no effect.
The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment providing for the advancement of food and fiber production and marketing in this state through research, education, and promotion financed by the producers of agricultural products."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 30 proposes a constitutional amendment which authorizes the Legislature to enact laws to provide for the succession of members of the Legislature in the event of enemy attack and allows the suspension of procedural rules imposed by the Constitution in the event of, or immediate threat of, enemy attack. The amendment empowers the Governor, after consultation with the Speaker of the House and the Lieutenant Governor, to suspend the constitutional requirement that the Legislature hold its sessions in Austin and allows the suspension of procedural rules by the Governor issuing a proclamation in which the House of Representatives and Senate concur by resolution approved by a majority of the members present. Suspension of the constitutional rules may not exceed a period of two years under a single proclamation; however, the Governor may renew the suspension by issuing a new proclamation concurred in by the House of Representatives and the Senate through a resolution approved by a major-

ity of the members present.

The amendment will appear on the ballot as follows: "The constitutional amendment authorizing statutory provisions for succession of public office during disasters caused by enemy attack, and authorizing the suspension of certain constitutional rules relating to legislative procedure during those disasters or during immediate threat of enemy attack."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 12 proposes a constitutional amendment that authorizes the Legislature to enact legislation providing for the use of the permanent school fund and income from the permanent school fund to guarantee bonds issued by school districts. The amendment provides, further, that the Legislature may appropriate part of the available school fund for administration of the permanent school fund or of a bond guarantee program established pursuant to the amendment.
The constitutional amendment will appear on the ballot as follows: "The constitutional amendment authorizing use of the permanent school fund to guarantee bonds issued by school districts."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment which would permit the Legislature to provide for the garnishment of wages to enforce court-ordered child support payments. The garnishment remedy would not be available for other purposes.
The proposed amendment will appear on the ballot as follows: "The constitutional amendment allowing the Legislature to provide for additional remedies to enforce court-ordered child support payments."

PROPOSITION NO. 7 ON THE BALLOT

Senate Joint Resolution 14 proposes a constitutional amendment that authorizes the Veterans' Land Board to provide for, issue, and sell general obligation bonds of the State of Texas in an amount not to exceed \$800 million to provide financing to veterans of the state. The amendment requires that three hundred million dollars of the state bonds be dedicated to the Veterans' Land Fund. The Fund is to be used to purchase land to be sold to veterans under such terms, rules and regulations as may be authorized by law. The amendment creates the Veterans' Housing Assistance Fund and requires that \$500 million of the state bonds authorized by the amendment be dedicated to the Fund. The Veterans' Housing Assistance Fund will be utilized by the Veterans' Land Board for the purpose of making home mortgage loans to veterans for housing within the state and for the administrative

costs of administering the fund and issuing the bonds.

The amendment provides, further, that if there is not money in either the Veterans' Land Fund or the Veterans' Housing Assistance Fund available for payment of principal and interest on the general obligation bonds issued pursuant to the amendment, then money coming into the Treasury in each fiscal year is appropriated in an amount sufficient for payment of principal and interest due in that fiscal year.
The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment for financial assistance to veterans and to authorize the issuance of \$800 million in bonds of the state to finance the Veterans' Land Program and the Veterans' Housing Assistance Program."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that authorizes political subdivisions to exempt veterans' organizations from ad valorem taxation on their property. The amendment requires that the veterans' organizations be chartered by the United States Congress, be composed of members or former members of the United States Armed Forces, and be organized for patriotic and public service purposes. The amendment provides, further, that political subdivisions may exempt fraternal organizations from ad valorem taxation on their property. The amendment requires that the fraternal organizations be organized to perform and be primarily engaged in charitable or benevolent functions. The Legislature would be authorized to enact laws that prescribe eligibility requirements for fraternal organizations to benefit from the exemption and to pass legislation limiting the types or amount of property owned by a fraternal organization which may be exempted from ad valorem taxation.
The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to authorize tax-exempt status for veterans' and fraternal organizations."

PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 70 proposes a constitutional amendment to authorize the Legislature to provide, by local or general law, a method by which judges of statutory courts with probate jurisdiction may be assigned to any other statutory court with probate jurisdiction and to any constitutional county court in any county in the state.
The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for assignment of judges of statutory probate courts to other statutory county courts with probate

jurisdiction and to county courts."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 17 proposes a constitutional amendment that authorizes the Legislature to enact laws which would allow a city or town to expend public funds to relocate or replace sanitation sewerage laterals on private property if done in conjunction with the replacement or relocation of sanitation sewer mains serving the property. The amendment requires that the law authorize the city or town to affix a lien on the private property, with the consent of the owner, to cover the costs of the replacement or relocation of the sewer laterals on the property. The lien may not be enforced until five years have expired since the date the lien was affixed. The amendment provides, further, that the law require that the costs of the replacement or relocation of the sewer laterals on the private property be assessed against the property with repayment to be amortized over a period not to exceed five years and at an interest rate provided by law.
The proposed amendment will appear on the ballot as follows: "The constitutional amendment to permit a city or town to expend public funds and levy assessments for the relocation or replacement of sanitation sewer laterals on private property."

PROPOSITION NO. 11 ON THE BALLOT

Senate Joint Resolution 13 proposes a constitutional amendment that would change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and would eliminate the Governor's power to revoke paroles. The Legislature would be authorized to establish the Board of Pardons and Paroles and to require it to maintain records of its actions and the reasons for its actions. The amendment would empower the Legislature to enact parole laws. Constitutional language specifying the qualifications and terms of office for members of the Board of Pardons and Paroles is eliminated. The constitutional language governing the composition of the Board of Pardons and Paroles and the manner of filling vacancies on the Board is eliminated.
The proposed amendment will appear on the ballot as follows: "The constitutional amendment to change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and to give the board power to revoke paroles."

PROPOSITION NO. 12 ON THE BALLOT

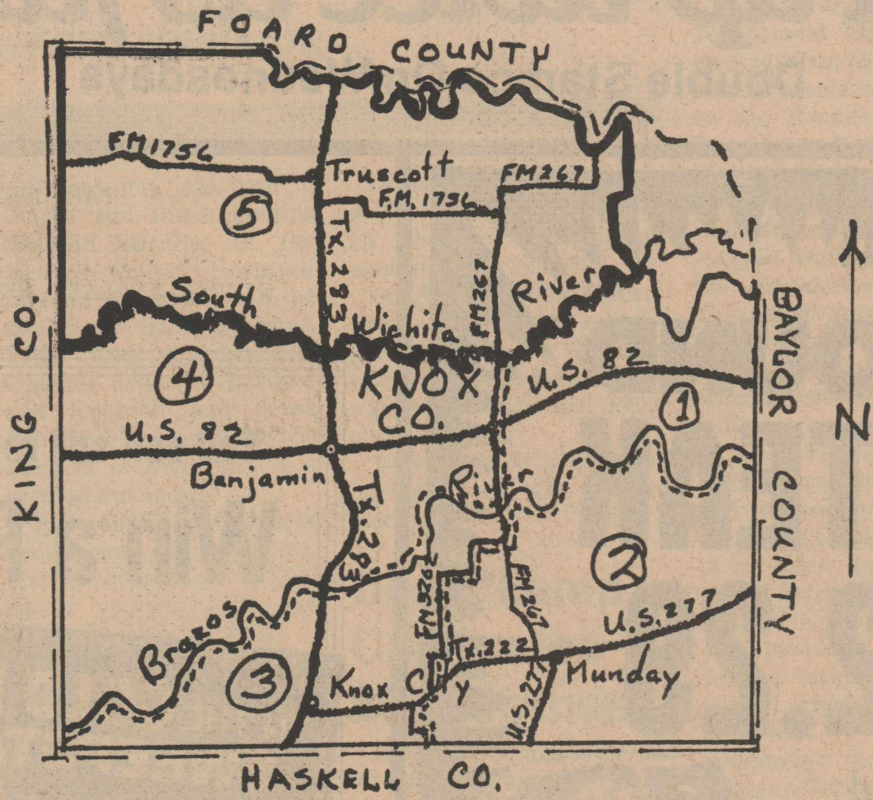

House Joint Resolution 70 proposes a constitutional amendment to authorize the Legislature to provide, by local or general law, a method by which judges of statutory courts with probate jurisdiction may be assigned to any other statutory court with probate jurisdiction and to any constitutional county court in any county in the state.
The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for assignment of judges of statutory probate courts to other statutory county courts with probate

**SWCD To Hold
Director Election**

An election for a director to serve in Zone 5 on the Wichita-Brazos Soil and Water Conservation District Board is scheduled for October 4, 1983, at the Gilliland Community Center in Gilliland, Texas, Lonnie Offutt, chairman of the board, announced. The election will be held at 10:00 a.m.

State law decrees that to be eligible to vote in a soil and water conservation district director's election, a person must own agricultural land within the sub-division where the election is being held. The person must also live in a county all or any part of which is in the district and the voter must be 18 years old.

Legal qualifications state that a candidate for the office of a soil and water conservation district director must own land in the zone he represents, be 18 years of age and be actively engaged in farming or ranching. He must also live in a county all or part of which is in the district.

Zone 5 of the district includes an area from a line beginning at the South Wichita River in Knox County, north to the North Knox County boundary and taking in the following area: land in Knox County north of the South Wichita River.

Current members of the board of directors of the Wichita-Brazos SWCD are Lonnie Offutt, chairman, Munday; C.H. Cornett, V. chairman, Knox City; Charles Griffith, secretary, Benjamin; Louis Baty, member and Billy Kinbrugh, member, Vera.

The purpose of the Wichita-Brazos SWCD, with headquarters in Knox City, Texas is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The district board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

All conservation programs managed by the district are of a voluntary nature to the landowner or operator.

**Thompson-Gutierrez
Married August 24**

Dr. and Mrs. W.F. Thompson proudly announce the marriage of their daughter, Lisa to Dante Gutierrez. The couple exchanged wedding vows August 24.

Parents of the bridegroom are Mrs. Ofelia Rosas of McAllen and Fernando Gutierrez of Reynosa, Mexico.

Lisa, a May graduate of Knox City High School, is employed by the Knox County Hospital.

Dante, who is a senior student at Knox City High School, is employed by Quality Lite Manufacturing in Knox City.

**SERVICES OF THE
CHURCH OF GOD
IN CHRIST**

The Lord blessed us with a wonderful Convocation held here six nights of last week.

The first night of the meeting Missionary Wilson conducted a program with each of the attending churches being represented.

Ass't. Overseer Ward preached a wonderful message that night from Matthew 5:43 and other scriptures.

On Tuesday night the YPWW Department did a good job under the supervision of President Blue. Sister Beverly Ward conducted a beautiful program during the YPWW time and Elder Blue preached from Matthew 24:36,39, a stirring message.

On Tuesday night also we were blessed with two great messages coming from Mother Alberta Williams of El Paso and Overseer Harrold of Abilene.

Mother Williams spoke from Jeremiah 18 and Overseer Harrold preached from Matthew 13:44, "Sell All You Have And Buy That Field".

Wednesday night was the Sunday School departments night under the supervision of Supt. Leon Ward and Sister Hilda Ward.

Minister Sammie Smith preached greatly that night from the book of Matthew exhorting the church to let our lights shine and to live holy.

Thursday night the Evangelist department did a good job under the leadership

of Elder R.L. Williams and Missionary Melinda Robinson.

Missionary Vera Williams brought a great message that night from Col. 3:1,6.

Friday night was District Missionary Ward's night and the women's department did a good job.

Missionary Patricia Ward conducted an institute and the theme was "The Desire Of The Flesh", with four classes.

District Missionary Nettie M. Ward brought a blessed message that night from Phil. 3:13,14, and Luke 9:62, "Put Forth Every Effort To Meet God".

The Purity Class and Sunshine Band departments conducted seminars on Saturday during the day under the supervision of Sister Mae Dell Young and Sister Shirley Burnett. Their program Saturday night was beautiful with the young people performing.

Overseer A.C. Bennett preached a powerful official message on Saturday night from Matthew 14:1,5.

Sunday School morning service and YPWW were held here Sunday.

By OZELLE STEPHENS

John was on the island of Patmos. He said, "I am exiled on this island for preaching the word of God, and for telling people what I know about Jesus Christ." (Rev. 1:9b).

While he was looking on the Holy City, the New Jerusalem, he heard the voice of the one sitting on the throne say, "I am making all things New," and then he said to me, "Write this down, for what I tell you is trustworthy and true. It is finished. I am Alpha and Omega, the beginning and the end. I will give to the thirsty, the springs of the water of Life-as a gift."

Everyone who conquers will inherit all these blessings, and I will be his God and he will be my son. But the cowards who turn back from following me, and those who are unfaithful to me, and the corrupt, and the murderers, and the immoral, and those conversing with demons, and idol worshipers, and all liars, their doom is in the lake that burns with fire and sulphur. This is the second death.

Next week we will look on the wondrous City, the Holy Jerusalem descending out of the skies from God, which is filled with the glory of God.

Shootin' Straight

From Page One

To further complicate its efforts to broadcast Knox City, KVRP was also denied permission to air the game between Seymour and Knox City. That decision by the Seymour School District was given with the explanation that the press box was not big enough for crews from two stations and Seymour station KSEY had already been given the go ahead to air the game.

Keeping in mind that the fact that their game broadcast schedule was planned some time ago, KVRP has had to scramble and do some adjusting as they continue their efforts to air the Greyhounds. Gary Barrett advised that the Knox City-O'Brien Independent School District and Superintendent Bill Baker have cooperated fully in the attempts to broadcast the KC games. If current plans hold without any problems, KVRP FM 95 will air the October 28 game between Aspermont and Knox City in Aspermont.

Barrett further explained that if the station is able to broadcast a football game, the air time is sponsored by local merchants with their advertisements. The station sends sales representatives into the respective towns to sell the ads, and that is no easy job when you consider the current tight economy. The broadcasting of a game is an expensive undertaking for any smaller radio station. Many who listen to the games are not aware of the procedure involved in actually getting a game on the air. The station has to have a separate telephone line installed in the pressbox where the game is to be played. The station is charged by the phone company for the installation and for the air time of the broadcast at long distance rates since the play by play action is transmitted over the telephone line to the station in Haskell where it is aired live. To put this in proper perspective, look at your last long distance phone bill and imagine what it would be for several hours of non stop talking. Now that's what ya call reaching out and touching someone! Then, there are transportation charges and expenses, plus the wages of the broadcaster at the station and the two at the game.

Carrying live action of high school football games is done by the station as a feature service to its listeners. Quite often, the station will lose a lot of listeners during that time period because not all will be interested in each game. Some listeners don't care for football at all and will listen to music simply by changing to another station.

Last year KVRP went with the Hounds to the playoffs. Both of this year's game announcers, General Manager Gary Barrett and Program Director David Wayne, have

indicated to SHOOTIN STRAIGHT that they will follow the same policy as last season. If the Haskell team goes all the way, the station would carry those games since Stereo 95 is a Haskell based operation. Should the Haskell team have a short season and Knox City advances to the playoffs, every effort will be made to broadcast the Hounds.

Hope that this has shed some light on a subject that many here in Knox City have been discussing recently. If readers have any additional questions, comments or compliments about station operations, feel free to call either Gary or David at KVRP in Haskell - (817) 864-8000.

HOUNDS

line.

The Moguls mounted their only drive of the night. The Hounds gave ground grudgingly led by Flores, Willie Robinson and company. Thirteen plays later using an aroused defense, the Hounds took over on fourth down and the Moguls needing 19 yards for a first. Evatt, Rios, Whitley, Eaton and Flores led the charge.

The Hounds revived from a slow third quarter and a great defensive stand took control of their own destiny.

Starting on their own 24, Hutchinson ran for one yard, Lockhart ran for 13 and was hit out of bounds. A 15 yard penalty was added on, moving the ball to the 50, when Lockhart ran for 16, George Rocha ran up the middle behind the interior offensive line that opened a lane four yards wide for 11 yards to the 23 of Munday.

The offensive line was working like a well oiled machine even though they had played almost 40 minutes in the heat and humidity.

Hutchinson ran for two, Lockhart for two. On third down, needing six, Hutchinson pitched to Lockhart, who had been eating the Moguls' lunch, running wide started to his right but was met by an angry mob of Indians. Turning around and running backwards to his left, Lockhart passed back to Hutchinson who ran into the endzone for the score that was to be the winner.

Hutchinson caught the ball. Lockhart threw the ball but the entire team had to be very disciplined to make this play work so perfectly.

The linemen could not move downfield. The play

took several seconds for Lockhart to run right, then backwards, then pass and the ball be caught before any one of the interior linemen could move downfield. A super play, executed by the entire team.

The Moguls tried to make a comeback but David Thompson, Chris Whitaker and the rest of the Greyhound team put a stop to that thought stopping them on fourth down needing two yards.

The Hounds then ran out the clock to end the game.

A great team effort. A well thought-out game plan, well executed by a group of dedicated Greyhounds.

Several players made outstanding plays. Everyone did his job.

I cannot see everything that each player does on each play but I know when the passer has time to pass, the blockers are blocking. When the runners make yards running, the other players are paving the way.

I would like to make an observation: The Hounds are learning. They are playing each game better as a team. Some players stand out on some plays. That is not to say that everyone else is not doing his job.

The schedule up to now has the Hounds with two wins and one loss. This was fun. Now the part that counts is about to start. With continuous work, getting in a little better condition, continued improvement by the younger players, no serious injuries, the 1983 Greyhounds will make their presence felt in district this year.

Congratulations on a very successful pre-season.

rate. Since a formal approval by the council was needed, Kuehler made a motion to approve the rate. Staggs made the second and all voted in favor.

The city financial statement was presented. Kuehler suggested that the council members take the statement sheet home with them and study it prior to the next meeting.

A letter from the State of Texas was read concerning the operation of Knox City's sewer plant. The state had a violation noted that the operator of the plant needs to hold a current license from the state. Greg Kuehler suggested that the discussion be postponed until the next council meeting to allow members time to study the matter. Wall then suggested a letter be sent to the state explaining the situation.

Salaries for city employees were discussed. Wall suggested that the council would really be going out on a limb to have any pay raises now while the city was striving to hold the budget. Since the council had already decided to study the financial statement for the next meeting, Larry Staggs made the motion to table any discussion of pay raises until the next regular meeting. Mrs. Lewis made a second and all voted in favor.

Wall informed the council that three city employees had resigned earlier in the day. Charlie Flye, Charlie Spencer and Andy Hernandez had submitted their resignations to Mrs. Railsback. No discussion was necessary on the matter since the City Secretary had already accepted their resignations prior to her leaving office. Wall suggested that the city adver-

tise in area newspapers for the open positions and asked clerk Anderson to do so.

Following the end of previously scheduled business, Buddy Angle was given the Oath Of Office and sworn in as Mayor by Mayor Pro-Tem Wall. Angle talked with the council briefly after being sworn in.

Just prior to the end of the meeting, Wall suggested that the city send a letter to Faye Railsback thanking her for her many years of service. All present agreed with the suggestion and further stated that the city should advertise the vacant City Secretary-Maintenance Supervisor job in area newspapers.
