Shootin' Straight

By Dave Thompson

Before reading through this week's column, stop for just a moment and think back to football or basketball games that you have attended in the past. As you reflect on the different games, try to concentrate your memory on the sidelines and what you remember of the activities taking place there. Do you remember of the activities taking place there. Do you remember the group that performed together as they led the crowd with cheers in support of the Greyhound teams?

That very same group of hard working cheerleaders is the subject of this week's Shootin' Straight. The girls who make up the Knox City High School cheerleading squad work long and hard in their efforts to back the Hound athletes and they are due more attention than they normally receive. Most people only think of the cheerleaders when they actually see them leading cheers and performing before the home team audience. Those brief moments spent before the crowds actually represent only a small portion of the long hours and effort required of high school cheerleaders.

Our current Greyhound cheerleading squad is made up of two senior girls and two sophomore girls. The seniors are Michelle Bateman (who is head cheerleader), daughter of Sandra and Charlie Bateman, and Sarah Jones, daughter of Peggy and Henry J. Jones. The sophomores are Tammy Rogers, daughter of Kay and Jimmy Rogers, and Christi Clayton, daughter of Sue Clayton, and Paul Clayton of Henderson, TX. Along with the beauty and good looks that are abundant throughout the squad, there is also a total of thirteen years of previous cheerleading experience among the four girls.

A popular misconception of cheerleaders is that they are chosen for the position just because they are good looking and cute. In reality, the process of choosing a cheerleader involves a lot more than just good looks. Being cute and attractive is a definite asset to the squad, but the actual choosing of the girls takes place by way of an election held during May of the previous school year. The student body votes for the girls they feel will best represent the school and the Greyhound sports teams.

After the election and being named as cheerleaders, the new squad had a lot of work ahead of them before appearing together as a team this year. They attended a cheerleading seminar at Hardin Simmons University in Abilene during the first week of June and quickly learned that their summer "vacation" would include a lot of hard, physical work. The training session had our Greyhound cheerleaders going through drills and exercises for a solid week. The girls were sharing rooms on the top floor of the dormitory, that meant long walks up and down three flights of stairs after all the other scheduled physical activities. Two hours were allotted for lunch, but to keep up their superior rating the girls spent at least one of the lunch hours every day with more practice. Nightly evaluation sessions honored our squad with superior ratings every night but one, and that night brought an excellent rating. The girls on the squad were awarded superior ribbons at the end of the week.

Returning home after the camp did not mean an end to work for the squad. They also

Hounds Stomp Hornets

By DAVID COUNTS

The Knox City Greyhounds stomped the Aspermont Hornets on their own ground last Friday night, 40-12, making it five in a row for the Greyhounds in District 3-A.

Otis Lockhart opened the scoring in the first three minutes of the game with a 21-yard TD run. Wayne Hutchinson kicked the PAT and one minute later, Hutchinson scored on a 41-yard run, upping Knox City's lead to 13-0.

On the ensuing kickoff, Hornet Glover Miller brought the Aspermont fans, though few in number, to life by returning it 97 yards for a TD. Gilbert Castenda booted the PAT.

Pre-Game, Halftime Activities Scheduled

Pre-game activities for the Coming Home Game Friday night will begin at 7:15 o'clock at Greyhound Stadium when the KC Greyhounds host the Jayton Jaybirds.

School officials said that pre-game activities are designed to introduce the young students who have provided leadership and half-time entertainment throughout the year.

Cheerleaders for the varsity are Michele Bateman.

Special Election To Be November 8

Voters are reminded of the special election coming up next Tuesday, November 8, with the outcome for eleven proposed amendments to the Texas Constitution as submitted by the 68th Legislature to be decided upon.

Absentee voting will continue through Friday, November 4.

Those wishing to cast their ballots on the day of the election may do so at the following polling places: Benjamin Courthouse, Truscott Community Center, Gilliland Community Center, Goree Community Center, Munday Community Center, Knox City Community Center, and in Vera at the Methodist Church.

All registered voters are urged to participate in this Texas Constitutional Amendment election by casting ballots to voice their preferences on the issues.

The Hounds upped their halftime lead to 27-7 with a 22-yard TD by Lockhart and 45-yard pass from Hutchinson to Dwayne Watkins. Hutchinson and Watkins each kicked one PAT.

In the third period, George Rocha added another Knox City TD on a 25-yard run and Hutchinson converted.

During the last quarter, Watkins caught a 37-yard scoring pass from Hutchinson, then Miller got another Aspermont TD on a nine-yard run.

Lockhart, Kevin Eaton, and Chris Whitaker all suffered injuries during the first half and were unable to return to the game. Even

though Lockhart played in the first half only, he carried eleven times for 98 yards.

Coach Tommy Sloan said that his players' injuries were not as serious as he had feared and that he believed the Hounds would be able to return to the field for Friday's important game with Jayton.

Knox City fans are to be commended for their tremendous support for the Hounds. It was obvious at Aspermont Friday night just how much support the KC fans offered.

Most of the second half saw the second team in action, and outstanding performances were turned in by James Evatt both on offense and defense, Jerry Gutierrez, Tracy Carter, Mark Walaski, Mark Daniel, Jesse Agraz, Ricky Wupperman, Bryant Wupperman, Bryant Johnson, Danny Balis, and Ray Hernandez.

Fans are encouraged to be on hand Friday night when the Hounds host Jayton's Jaybirds, who are also undefeated in district play. It should prove to be a very good game and the Hounds will need to be playing good ball to come away with the district win. This is what we all want for the Greyhounds!

Christi Clayton, Tammy Rogers, and Sarah Jones. Junior varsity cheerleaders are Michele Pierce, Kim Gillispie, and Temple Fritsche.

Drill team members are Daveine Holcomb, Amber Berryman, Cindy Hernandez, Paula Chambers, Leah Boone, Tanya Averitt, Vera Sweat, and Angie Norton.

Twirlers are Peggilee Wupperman, Sherri Evatt, and Jennifer Vasquez.

Half-time activities will include the crowning of both the band sweetheart and beau and the crowning of the football sweetheart.

Band sweetheart candidates are Michele Bateman, Becky Smith, and Peggilee Wupperman.

Candidates for band beau are George Espinosa, Wayne Hutchinson, and Greg Skiles.

Football sweetheart candidates are Michele Bateman, Daveine Holcomb, and Tammy Rogers.

Municipal Airport To Receive Grant

In a telephone conversation with Senator Ray Farabee's office last week, the News office was advised that the City of Knox City is one of six towns in the senator's district to receive an allocation for repairs to the local airport.

The \$50,000.00 allocation will include sealcoat on the 3200'x50' runway, aprons, and taxiway, restripe the taxiway, and install medium intensity runway lighting.

KC Woman Is Artist Of Month

The art work of Bobbie Dene Harrison is on display in the lobby of the Citizens State Bank during the month of November. Included are drawings and paintings in various mediums of pencil, ink, pastels, conte' and watercolor.

On display are drawings that recently received second place ribbons in their respective classes in the professional division of the West Texas Fair Fine Arts display in Abilene. These are a conte' drawing "Hopi Indian Pottery" and an ink drawing "Chilled Share." A watercolor "Hill Top Barn" also received a second place ribbon in the Abilene show. "Pink Poppies", a watercolor, received a second place in the professional division at the Haskell County Fair art show in September.

Last weekend at the Spur Art Guild Homecoming Show both the "Hopi Indian Pottery" and "Chilled Share" received first place ribbons while the watercolor landscape "The Broken Fence" received an honorable mention. Western Artist Paul Wylie of Morton judged the show.

Studying watercolor exclusively to improve and develop her own technique, Mrs. Harrison has attended work shops under Judy Hayes of Graham, Gloria Lee of Spur, Vanita Smithy of Houston and is presently enrolled in an extension art course instructed by John Gibson of Western Texas College, Snyder.

UIL Realigns District

Munday and Archer City were two area teams to move down a notch in classification the next two years as a result of Texas University Interscholastic League district realignment announced Saturday.

Both Archer City and Munday move down from Class

2A to Class A, and join Aspermont, Bryson, Chillicothe, Crowell, Knox City, Motley County, Spur, Throckmorton, Valley, and Windthorst in District 3-A.

The UIL enrollment cutoff marks were: Class 5A, 1,305-above; Class 4A, 650-1,304; Class 3A, 275-649; Class 2A,

135-274; and Class A, 134-under. Schools with fewer than 90 students may play six-man football.

With 12 teams in District 3-A, it was necessary to zone the district.

After a Monday morning meeting here in Knox City, area high school football coaches from the recently reformed District 3 announced new changes for schools in the district. The changes will be effective with the 1984 football season and last for a two year time period.

New schools have been added to the district and the expansion has resulted in a division of District 3-A schools into two zones, a west zone and an east zone.

Knox City will play in the west zone of District 3-A with Aspermont, Valley, Crowell, Spur and Motley County. The east zone includes Munday, Chillicothe, Windthorst, Throckmorton, Bryson and Archer City.

The 1984 Greyhound football season will consist of ten games, five each in non-district and district games. Knox City will open the non-district games on September 7 with Albany. Following will be games with Seymour, Anson, Hawley and Munday. The district lineup for the Greyhounds will be Aspermont, Valley, Crowell, Spur and Motley County.

'Camp Meeting' To Begin Sunday

A "Christian Camp Meeting" is scheduled to begin Sunday, November 6, and continue through Wednesday, November 9, at First United Methodist Church in Knox City, beginning at 7:00

each evening. According to the Rev. Doug Stenberg, a nursery will be provided and the entire community is invited to attend.

On Sunday evening, Cyle Clayton will be preaching and music will be by the Jimmy Tankersley family and Denise Beal.

Leon Ward will be preaching on Monday evening with music by "Faith" and Brian Burgess.

Tuesday's message will be by Jimmy Rogers with music by the Ronnie White family and the Goree group.

On Wednesday night, Paul Chambers will be bringing the message with music by the Jerry Underwood family.

Congregational singing will be led by Red Shipman with Pauline Myers at the piano.

Senior Citizens To Hold Sales Nov. 4-5

The Senior Citizens are sponsoring a garage sale and bake sale Friday afternoon, November 4, and Saturday, November 5, until noon.

Area residents are reminded to visit the Aging Center at 608 East Main in Knox City for some good bargains and homebaked goods on these dates.

Haunted House 'A Big Success'

The Haunted House project held for Halloween by the Knox City Jaycees and the Law Enforcement Explorer Scouts ended on Monday night with the work considered a big success for both organizations.

Working together in this joint effort project, the Jaycees and the Explorer Scouts provided a lot of entertainment and scares for the

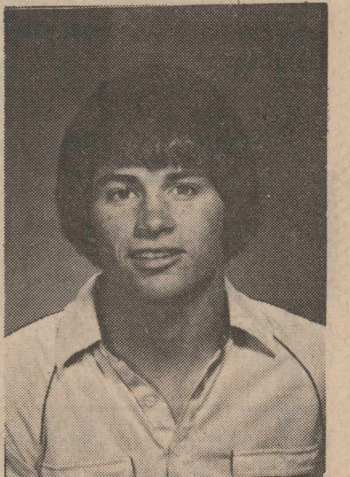

large group that went through the "Haunted House" at 600 South 4th Street. Held on both Saturday and Monday nights, the house attracted approximately 500 visitors.

Many young people and a surprising number of adults toured the house to view the scary scenes and madness provided by both actors and victims from both organizations. Spooky sound effects and a lot of blood curdling screams greeted those taking the guided tours through the house that was provided for use by Dr. W.F. Thompson.

The project was staged as a fund raising event for both the Jaycees and the Law Enforcement Explorer Scouts, and the proceeds will eventually be returned to the community as other projects are held.

Recent community service projects held by the Jaycees include a free Fourth of July Swimming Pool Party and free hot dog giveaway to the kids attending, the Maines Brothers Lubbock Opry to help the Senior Citizens Center, installation of windows in an elderly person's home, and area cleanup projects. The Explorer Scouts also helped with the Opry project as they provided assistance to a large number of persons attending the event.

The Knox City Jaycees are also beginning a renovation of the old railroad depot building that was presented to the city by the railroad when service to this area was discontinued. The building will become the future home of the local Jaycee chapter.

had work activities planned to help defray the expense of their uniforms. Each girl had to come up with approximately \$200.00 in addition to the portion of cheerleading camp fees not paid by the school. The cheerleaders have a combination of different uniforms that include six skirts, four sweaters, four varieties of socks, a pep rally suit and shoes. Some of the uniforms have been handed down from previous cheerleaders, and all uniforms now revert back to the school at the end of the year.

The cheerleaders are also involved in selling mums for the school, making posters to promote school spirit and decorating the gym for the many different pep rallies and basketball games. During the football pre-season, the girls' had two a day workouts and training sessions, then came the start of school and practice both before and after school to insure the squad's performance for the start of football game appearances. Like other students in a smaller school system, these girls are also involved in many other school activities. All are members of the band and march with the band during halftime at Greyhound football games. Some are members of the volleyball team, and that also takes up a lot of their time.

All things considered, it is obvious that our Greyhound cheerleaders have worked long and hard to proudly represent Knox City High School. After all their effort, nothing is really guaranteed to the girls. Since two of this year's squad are sophomores, they will still have to be elected by the student body all over again if they wish to serve on the squad for the next school year. The main thing that the girls look forward to, and something that they all stressed in conversations with me, is their friendship and team spirit. Head Cheerleader Michelle Bateman stated it best when she said, "We are a team, and like any other team we are good friends at the end of the season."

Some other comments from this year's squad when asked how they felt about being a cheerleader: "It's a blast!" "It's fun!" "We have a good time!" and "It's more exciting being down on the field with the guys, we get to see the action!" The girls were also proud of the stunts they do, stating, "There are more stunts than in past years." As the cheerleaders kidded each other during the interview, there was a lot of good natured joking about who was better at certain stunts. In talking with this very close group of girls, it was obvious that what Michelle had stated previously was the way it is, they are all very good friends!

These cheerleaders really enjoy their roles of promoting spirit for the Hounds, but when asked if they had plans to continue cheerleading in college they all replied that it was doubtful.

The next time that you have the occasion to watch our cheerleaders, remember that a lot of hard work, effort and dedication is behind the appearances that the squad makes before the home team stands. Our Knox City Greyhound Cheerleaders are proud to represent their school and city. We should all feel that same pride towards the girls and take the time to let them know it!

My thanks to the squad for taking a brief time out to talk with me. Good luck in the future!

Gas dryers maintain one's appearance for less.

Saving money is important. For everyone. That's why natural gas dryers are the preference for those who know.

They cost less to operate than non-gas models. In fact, high-efficiency gas dryers dry about three loads of wash for the cost of drying

one in a non-gas dryer. And gas dries clothes faster. And it makes them feel soft and fluffy.

So get more for your money and get a gas dryer for your home. Today. After all, in these times, looking one's best for less is something everyone can appreciate.

Organization Eases The Work Load

Does "messy" describe the state of your home? If so, don't worry—you're not alone. Millions of people are afflicted with the "messies."

- Get organized! Handle things only once, but don't try to do too much at once. For example, clean out and organize one drawer or closet a week.
- Never leave a room empty-handed. Always take anything with you that belongs somewhere else.
- Vacuum rugs and carpets thoroughly once a week to prevent accumulation of dirt and grime which can wear down carpeting.

VISIT HERE

Mrs. Terri Carnes of Lubbock and daughter Courtney spent several days last week in Knox City visiting her sister, Kelli Whitten, while her parents were out-of-town. Also visiting the girls on Saturday were Tim Whitten and his son Jeremy of Seymour.

TUG-OF-WAR losers at the Pep Rally held prior to last weeks Greyhound football game against Aspermont were (Left to Right) Band Director R.L. Wupperman, two student members of the school band and High School Principal Don Fritsche. Members of the football team won three different gugs as they had little trouble pulling their opposition across the white line in this fun filled event. The wins occurred despite the fact that the football players were required to have their shoes off while some of the opposing team left their shoes on for better traction on the slick gym floor. Another victory for the Hounds!

Farabee Explains Last Six Amendments

Austin - Senator Ray Farabee of Wichita Falls continued to remind voters that eleven constitutional amendments will be on the November 8 ballots, and said that all eleven propositions make positive changes to the Texas Constitution.

"We need to remember that even though there are not any major statewide races this year, there are important issues to decide. The voters have an opportunity to make changes in the way pardons and paroles are granted; child support orders are enforced; and financial assistance is offered to veterans, in addition to other constitutional matters."

"While all the amendments are important, I am especially interested in the child support and pardons and paroles board changes. I authored these amendments in the Senate this past session, and feel that these changes would be particularly beneficial to the state," Farabee said.

The Senator focused his remarks on the final six amendments, having commented on the first five a few weeks ago. He explained that:

★Proposition 6 would give the state stronger endorsement powers over court-ordered child support. This change would make delinquent parents—rather than the state—responsible for the support of their children;

★Proposition 7 would allow bonds to be sold to financially aid the Veterans' Land and Veterans' Housing Assistance programs;

★Proposition 8 would allow taxing units to exempt certain fraternal organizations that perform charitable and public service functions from their property tax. Local communities would be able to decide whether the organization's activities deserve tax relief;

★Proposition 9 would allow the development of a system to assign judges of statutory courts to serve for other statutory court judges or for judges of constitutional county courts. Unnecessary delays, caused by inability of the regular judge to perform his duties, would be eliminated;

★Proposition 10 would allow a city or town to use public funds to assist in the relocation or replacement of sanitation sewer laterals on private property. The town could pay for the initial cost and allow the property owner to pay back the amount within a 5-year period; and

★Proposition 11 would expand the Board of Pardons and Paroles from three to six members, but would streamline the parole process by ending the current practice of gubernatorial review of paroles. Governor White is in support of this proposition.

STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"I will send my angels and they will separate out of the Kingdom every temptation and all who are evil, and throw them into the furnace and burn them. There shall be weeping and gnashing of teeth." (Matthew 13:41-42).

All through the Bible we find Hell described as "The unquenchable fires", "eternal fires that never stop burning." "The eternal fires that burn with lime and brimstone." All the wicked leave behind them is shame and disgrace like the dirty foam left alone on the beach by the wild waves. They wonder around looking as bright as stars, but ahead of them is the everlasting gloom and darkness that God has prepared for them.

If your eyes are full of sin and you don't do something about it, you will see the fires of hell where the worm never dies. Isaiah said, "Those who live with hate in their heart and hypocrisy shall dwell with the devouring fires with everlasting burning."

Remember God loves you. He sent His Son to die for your sins regardless of what you have done. He wants to put his arms around you, comfort you, and give you joy and everlasting life. Just obey His call and come unto Him and He will give you everlasting life.

CONSTANT COMMENTS

By DAVID & EUNICE BIGELOW

Here's an idea for something deliciously different to serve family and guests this holiday season—after-dinner teas. Also fondly called "cappu-tea-nos," they're a tea-based alternative to after-dinner coffees and cappuccinos.

Made with "Constant Comment" tea and liqueur favorites, "cappu-tea-nos" combine the elegance of fine spirits with the satisfaction of dessert. They're perfect for the tea-lover.

Homemakers Send Out Invitations

The Knox City Circle Extension Homemakers are busy preparing for their first annual Arts and Crafts Bazaar to be held in Knox City on Saturday, November 19, and invitations have been sent to more than fifty-five clubs, businesses, and individuals to join in the event.

The bazaar will be held in the Knox City American Legion Hall next door to Allsup's between the hours of 10:00 a.m. and 5:00 p.m.

Individual booths will be available and profits from each booth will go to that particular organization or individual. Booths are limited to six feet by three feet.

Entry deadline has been extended and interested persons should call committee chairwoman Becky Baker at 658-3328 or homemaker president Marlene Siepel at 658-3625.

The event is something new for Knox City and officials are hoping that the bazaar will draw good participation.

More details will appear in a later issue of the News.

TREATING THE VOLUNTEERS - The Brazos Valley Care Home treated all volunteers to a pre-Thanksgiving feast last Tuesday night in the fellowship hall of the First United Methodist Church. An abundant variety of food including turkey and dressing, fruit salads, Mexican salads, vegetables of all kinds, along with desserts of all kinds was served to approximately 100 persons. Following the meal, certificates were handed out by Care Home administrator Doyle Graham to persons for their many hours of volunteer services to the patients. A musical program was provided by the Jimmy Tankersley family, Brownie Tackitt, JoAnn Maddox, and Mutt Logsdon in a group, a quartet made up of Peggy Guinn, Mary Jo Lankford, June Tankersley and Pauline Myers, and last but not least, the Ronnie White family.

STRESS!

FREE BOOKLET
By Dr. Mary Manz Simon
Learning how to cope with stress can result in a healthier and happier you.

When dealing with stress, relax. Even God the Creator set aside one day of the week for rest.

- If given a choice, remember that you don't have to enter a situation which has the potential for producing stress, such as office politics.
- See things in perspective. Six months from now, what difference will this situation make in your life?
- Have patience with yourself.
- Set priorities and plan realistically.
- Relax. Even God the Creator set aside one day of the week for rest.
- Say no. "If I don't do it, no one will" isn't always the correct response to a situation.
- Eliminate needless worry. It's a non-productive use of time that doesn't help anyone and could hurt you.
