VOTE TO SAVE \$60,000.00 During the next four years, under the present administration, \$60,000.00 will be spent on the UNNECES-

SARY office of COUNTY SUPFRINTENDENT in Callahan County. It is possible to abolish this office as has been done in many counties in Texas.

HAROLD GARRETT promises when elected COUNTY SCHOOL SUPERINTENDENT:

- (1) To close the office as soon as legally possible.
- (2) To refuse the \$9,174.00 annual salary now being paid.
- (3) To reduce the \$7,422.00 annual secretarial costs to a minimum while the office is in the process of being closed.
 - (4) To start the process of abolishing the office under laws set up by the State Legislature.

OTHER THAN ELECTING HAROLD GARRETT, THERE IS NO MEANS OF PREVENTING YOUR \$60,-000 FROM BEING SPENT. NO OTHER ACTION CAN BE EFFECTIVE BEFORE 1967.

Closing this office will in no way affect the Common School Districts except to increase their local control. HAROLD GARRETT is legally qualified to handle this office, being a graduate of Texas A. and M. College with a degree in Education.

The office of County School Superintendent was established when there were many inexperienced teachers in one room schools throughout the country. No longer do the local school superintendents depend upon this office for their guidance. This office has obviously outlived its usefulness. In spite of this, the cost of maintaining the office HAS GONE UP until the 1961-1962 School Year County Superintendent Budget stands at \$17,646,07.

FOR RESPONSIBLE LEADERSHIP FOR TEXAS **VOTE FOR**

JOHN B. CONNALLY

JOHN CONNALLY For Governor

We know that all of you resent, as we do, the unfair tactics being used by Mr. Connally's opponent in his quest for Texas' Highest Office; and we believe that you will join the swelling tide of voters who will go to the polls Tuesday to voice that resentment. We believe that it would be a grave mistake to entrust the office of Governor of Texus to one who uses such tactics.

We urge the defeat of the opponent of John Connally, whose only interest in the office for Governor is to carry out his personal vendetta against high Washington officials. We believe the office of Governor of our state is on a higher level than that - that the office of Governor of Texas should be filled by a man with higher aims and ideals.

John Connally is a man of unquestioned character and ability. He is better qualified to serve Texas and Texans. He deserves your support.
