Mary Everett and daughters of Hobbs, N. M., spent the Easter holidays with Mark, Ollie and Gayle Burnam.

Mike and Stella Hughes and daughters of Rankin spent the holidays with Burette and Johnny May Ramsey.

Joan Collinsworth and daughter spent Saturday night and Sunday with Burette and Johnny May. The Collinsworths live in Jacksboro.

We had a pleasant surprise Sunday afternoon, Ray and Bettie Burton and boys of Andrews, Texas, came by to visit a while. I wasn't home so they went on down to Burrettes and of course I was there, was good to see them, wish they would come and stay longer. Bettie is the daughter of our brother, Milton Ramsey, who passed away seven years ago. The Burtons spent the Easter holidays in Mount Vernon, Texas, with Rays mother.

Retha and Bill Brown visited over the week end with the Mark Burnams.

I am a little late with my write up of the 100th birthday celebration of Mrs. Annie Park, which was March 27. I wanted to go so bad but had found out I would not get to go, so on Tuesday morning Mr. Bentley came out to repair some fence for me. I was down where Mr. Bentley was working, showing him what I wanted him to do when up drove a car, it was my good friend, Gertrude Jones. She said say how about going to Arkansas. I said OK, I am ready, she said I mean it, no fooling. I said I mean it too, that was about 10 o'clock so from there we called John May Ramsey and Dink Pruet. We all got ready and by three o'clock we were on our way we had a very enjoyable trip down, spent the night in Texarkana and arrived in Eldorado, Arkansas about 10 o'clock Wednesday, March 27, got our room, primped up a bit then went on over to where all the guests were. We all visited and talked and visited, I don't know how many were there, was good to see everyone. Then we went back to our room and rested until time to dress for the grand celebration at three, which was in the very lovely home of Mr. and Mrs. Ruben Brooks home. I will not go into detail of the decoration as it has already been in the Baird Star. The loveliest sight when we walked in was Mrs. Annie Park and her sweet and lovely sister, Mrs. Dove Gunn seated in a beautiful love seat in the spacious living room. When I greeted Mrs. Park she heard my voice and said oh, it is Veda, as Mrs. Park doesn't see too well she recognizes those she knows mostly by their voice. I have known Mrs. Park since 1902. She was our neighbor most fifty years. She and Mr. Park were our very good neighbors and friends. When my mother passed away in 1908 and I being the oldest of six children and I with my dad had to take care of them, she never will know how much help she was to me,

she would help me sew and tell me what to do and how to do and help me as she would come to see how we were getting along. Mr. Park would also come by. When Mr. and Mrs. Park moved to Moran, we bought their farm and that still made our friendship still closer. I feel and know Jims and my lives have been much fuller and greater by knowing and being so close to these two good people. Uncle Dick and Annie Park and their sweet family. I grew up with their sweet children, many was the time they have helped me when I was young and knew not what to do. I love them very much and thank them for what they meant to us through all these years and I hope Aunt Annie, you have lots more happy years. We visited with the guests until seven in the evening then went to the lovely home of Chesley and Elizabeth Pruet to a very delicious buffet dinner in honor of Mrs. Park. Chesley is the grandson of Mrs. Park. Chesley, we enjoyed being in your very beautiful and lovely home so much, you and your lovely wife Elizabeth and very sweet daughter, Paula and Ann are very gracious host and hostesses.

Letha, we enjoyed the lovely tea in your very beautiful and lovely home, it was most gracious of you and your husband, Ruben, your lovely daughter, Gloria and cute and sweet son,

Ronnie, to have us in your home. May God bless and keep all of you and may you have many more years with your sweet mother.

John and Roma McIntyre spent part of the Easter holidays visiting in Levelland with Mr. and Mrs. E. E. Stagner.

John, Roma and I visited in Abilene Wednesday night with Mr. and Mrs. Randall McNiece and boys, also Johns mother, who is recuperating from surgery in the home of her daughter, Mrs. McNiece, and family. Glad to say Mrs. Mc is doing fine and came to her home in Clyde last Friday.

Fay Wood, of Cisco, and daughter, Mary Allen, and family of Clyde visited with me a while Saturday morning.

Mr. Carter Baren of Arlington visited a while Saturday afternoon with John and Roma McIntyre. Carter is a nephew of Gerald Carter.

## Registration For Camp Starts

Mrs. Eugene Black today announced that registration will open Monday, April 15, for Girl Scout Camp Wood Lake, the Heart of Texas Girl Scout Council's resident camp located in the 36th Division State Park on the shores of Lake Brownwood. Three local Scouts attended Camp Wood Lake last year and it is anticipated that an even larger number of Baird Girl Scouts will be active in the program of Camp Wood Lake this coming summer. Girls age 7 thru 17 are eligible to attend Camp Wood Lake.

Mrs. Black stated that camp sessions will begin on June 16 and continue through July 26. Brownies and other younger girls will camp in six day sessions while older Scouts and other girls will participate in the longer session of twelve days. A new

feature in the camping program this year will be the Outpost Unit for older Intermediate and Senior Scouts. This Unit will convene simultaneously with other camping sessions but will be organized separately with the aim of preparing Scouts for Council, regional and national camping events that are becoming an increasingly important part of Girl Scouting.

She is as happy and as jovial as before.

Teams entered in the Baird Belles Relays report that the meet here Friday was the finest they had ever attended. Congratulations to the hosts Baird team and school officials.
