R. V. Robertson, 69, Early-Day Haskell Merchant, Dies

Robert V. Robertson, 69, longtime resident of this city, died at 4:45 p. m. Wednesday at the family home here.

Born July 26, 1883, in Baird, he moved to Haskell with his parents, the late Mr. and Mrs. S. L. Robertson, in 1890. He married the former Frankie Plants of Seymour on June 27, 1906, in that city.

Mr. Robertson was an early day merchant here in the dry goods and grocery business. However, in recent years he had been public accountant.

Funeral arrangements were incomplete Thursday morning, and will be announced from Holden Funeral Home.

Survivors include his wife; two daughters, Mrs. Henry S. Wilson of Amarillo and Mrs. Herbert H. Decker of New Braunfels; two brothers, Wiley L. Robertson and Frank Robertson, both of Wichita Falls; and two grandchildren.

Highway Project May Be Finished This Month

Favorable weather which prevailed during the entire month of January enabled contractors to make rapid progress on the improvement project on U. S. Highway 277 through Haskell County resident highway department engineer Morris Monroe said this week.

Contractors may now be able to complete the project by the end of February, members of the engineering staff said, if weather continues favorable.

Work on the project, which includes widening the highway to 24 feet and resurfacing the entire roadway on the 32 mile stretch through Haskell County, was started early in October. Cost of the improvement program is approximately \$1,000,000.

Remaining work to be done includes the placing of two machine courses on six miles of the highway from Stamford north, and two machine courses on a similar stretch of the highway between Weinert and the Knox County line. Also, widening of the highway from a point about one mile north of Weinert to the Knox County line, a distance of about five miles, remains to be done.

Work of grading up the highway shoulders is about 85 per cent complete on the south stretch of the highway from Haskell to Stamford, and approximately 60 per cent complete on the north end of the project, engineers reported.

Highway maintenance crews have been placing the painted stripe on the new highway as rapidly as the final surfacing course is laid, as a convenience to motorists.

Curve markers and highway signs will also be placed by the highway department as soon as the work is completed.

Milwhite Mud Co. New Oil Industry Concern Here

New oil industry concern locating in Haskell this week is the Milwhite Mud Company, with headquarters in Houston, and branches in several West Texas cities and towns.

In charge of the Haskell branch warehouse will be Kenneth Johnston, who has been associated with the company in their Sweetwater establishment.

Mr. and Mrs. Johnston moved to Haskell this week and are at home at 1207 North Avenue K.

The Haskell branch warehouse will serve the oil industry in this section of West Central Texas where considerable oil development has been under way for the past several years.

Milwhite Mud Company is one of the major companies of its kind in the Southwest, having been founded in 1931. In expanding their markets for clay, the company entered the drilling mud field in the middle 1930's.

S. N. Reed Will Be Speaker at Baptist Brotherhood Meet

S. N. (Sam) Reed of O'Brien, president of District 17, Baptist Brotherhood which will be held speaker at the monthly meeting of the Haskell First Baptist Brotherhood which will be held in the annex of the First Baptist Church in this city Tuesday evening, Feb. 10, at 7:30 o'clock.

District 17 is composed of Haskell and some 11 or 12 area counties, Reed, well known in the work of Baptist Laymen in this area, is also president of the Texas Cotton Ginners Association and vice-president of the National Cotton Ginners Association.

Subject of his talk will be "What Will Jesus Make of Us, If We Follow Him?"

As a special feature of the evening program, the Ladies Harmony Sextet of O'Brien will accompany Mr. Reed to the Haskell meeting and will have a part on the program.

The public is invited to attend the program.

Final plans have been made for the annual Steer show to be held in Weinert Saturday, Feb. 7. The arrangement committee composed of Wayne Josselot, chairman, Lester Hutchinson and Durwood Wheatley have everything in order and are ready for the steers to arrive.

The show is open to all 4-H and FFA boys in the county with steers to show.

The finance committee, Willard Medford, chairman, Bob Hutchinson and M. C. Josselot announced that the ribbons have arrived and that suitable cash awards have been received. One major donation was made by the Haskell Chamber of Commerce which donated \$100 to the show.

The steers will be weighed as they arrive and will be divided into light and heavy classes. After placing the steers, the judge will classify them as to finish. Blue ribbon steers will be prime, red ribbon steers will be choice, and white ribbon steers will be good. All blue ribbon steers will receive the same prize as will all red ribbon and white ribbon steers the same.

The grand champion will be selected from the winners in light and heavy classes, and a reserve champion will be selected. The grand champion will receive \$10 extra prize and reserve champion \$5 extra prize. Both steers will receive rosettas.

The best two steers fed by one boy will be the final class. Rosettas and cash awards will be made in this class.

Gerald Hanson, assistant county agent at Abilene, will judge the show. Judging will start promptly at 1:00 p. m.

The following boys will show steers and the breeders of the steers are given: John Gannaway, one steer bred by R. A. Brown of Throckmorton; Christy Royall, one steer bred by Matthews Ranch of Albany; Larry Wheeler, two steers bred by Tom Donnell of Eliasville; Durwood Wheatley, two steers, one bred by Tom Donnell and one bred by J. D. Donnell of Eliasville; Wayne Josselot, two steers bred by Tom Donnell; Lester Hutchinson, two steers, one bred by Tom Donnell and one bred by J. D. Donnell; Jerry King, one steer bred by J. D. Donnell; Dub Sims, two steers bred by Brown & Davis of Stamford; and Bill Thomas, one steer bred by Andrew Josselot of Haskell.

One steer for each boy showing will be selected to go to the Wichita Falls show on Feb. 18. The other steers will be shown in Abilene on March 9th.

Boys exhibiting steers, and their families will be served the noon meal in the Weinert school lunch room.

\$796 Raised In Dimes March, Campaign Extended 2 Weeks

Haskell County people have responded generously to the March of Dimes campaign, particularly in view of prevailing conditions resulting from the drought, county chairman Sam P. Herren reported today.

Jane Holt, March of Dimes chairman, reported a total of \$796.23 contributed to date, with several communities yet to turn in reports.

Although no definite quota has been set for the county, an intensive campaign is being carried out, Herren announced Thursday that the March of Dimes would be continued two weeks in order to permit raising as much as possible in the fight against polio.

Contribution envelopes were distributed last week, and response has been good in this phase of the campaign, Herren said. He urged all who had not returned their envelopes and contributions to mail them to Miss Holt, treasurer, as early as possible.

In announcing the \$796.23 total Wednesday, Miss Holt said that among major contributions making up this amount was \$192.35 brought in by A. C. Knippling from the Sagerton community \$26.23 from Bunker Hill and \$9.32 from Vernon communities, with Thurman Rice reporting for the two areas.

Other major donations included \$54.72 from Paint Creek, a net of \$26.07 from Mattson, while the Haskell Harmony Club donated \$25 to the March of Dimes, the treasurer reported. Haskell school also have raised a substantial sum, she said, although all of the school donations have not been tabulated. The O'Brien community has turned in \$13.00, with possibly more to be raised there.

Miss Holt said that a complete tabulation of contributions with credit to each community, school or other group, would be announced at the close of the campaign.

Merlin Jenkins Is Named to Band Director's Post

The appointment of Merlin Jenkins of Toledo, O., as band director in Haskell High School was announced today by Supt. S. H. Vaughter.

Jenkins will succeed former director Bill J. Dean, who recently accepted a position as assistant band director in Odessa high school.

Mr. and Mrs. Jenkins are moving from Toledo to Haskell this week and he will assume his position Monday, February 9, Supt. Vaughter said.

Recognized as an outstanding instructor in music, Jenkins received his Bachelor of Music degree and Master's degree in Music Education from the music department of North Texas State College, Denton.

A native of Texas and veteran of World War II, he has been working professionally with symphonies, stage bands, and teaching private classes in Toledo, for several years. In 1952 Jenkins assisted Prof. McAdow, NTSC band director, in band clinics during the summer months, and has been engaged in that capacity for the coming summer.

As school band director, he will be instructor of the 85-member HHS Indian Band, recognized as one of the outstanding school bands in West Central Texas.

Since the resignation of former director Dean, Carroll Nunez of Port Arthur, a graduate of NTSC has served as substitute director of the Indian Band. He expects to be called into military service at an early date.

White, Mullins, Win Regional Gloves Titles

Two Haskell fighters, Jimmy White and Jimmy Mullins, won championship titles in the Open Class finals of the Abilene Regional Golden Gloves tournament in that city Monday night, to earn trophies and a berth in the State meet at Fort Worth.

Also winners in the finals were Den Alred of Haskell who TKOed Billy Kelly of Hamlin in 45 seconds of the third round in their bout in the flyweight division and Joe Rodriguez, Haskell, who defeated Bob McClure of Roby in the 85-pound Peewee Division.

White, who lost out in a very unpopular decision to H-SU's Cotton Fowler in last year's welterweight finals, gained revenge by battling to a popular decision in a good exhibition of both slug and boxing. The Haskell fighter received the unanimous nod of judges.

In the flyweight division, open class, Jimmy Mullins defeated Tommy Staples of Lubbock for the regional title.

Fifth Haskell fighter in the Abilene finals, Jimmy Brock in the 85-pound Peewee division, lost the decision to Allen Leonard of Hamlin in their top-notch three round bout.

Income Tax Man To Visit Haskell February 17th

J. Grady Green, Internal Revenue Agent for this district, will be at the Chamber of Commerce in Haskell Tuesday, February 17 for the purpose of assisting taxpayers in the preparation of their income tax returns for the year 1952.

The preparation of individual income tax returns usually presents some problems to the average citizen with which assistance is desired. For this reason, the internal revenue agent has scheduled his visit here to assist citizens with their income tax problems.

Mr. Green's advice and assistance will be extended purely as a courtesy and without cost to any citizen.

Firemen's Fight Card Re-Set For Friday Night, With 20 Bouts To Be Presented

Second in a series of amateur boxing bouts sponsored by the Haskell Fire Department will be presented Friday night in the Clifton Building east of the square. The program originally announced for Thursday night, was re-set for Friday night in order to accommodate fighters sponsored from neighboring towns, sponsors explained.

A regulation arena was built and additional seats have been erected since the first program was staged two weeks ago. The initial event attracted an estimated 650 fans, who were well pleased with the 21 bouts reeled off in the opening show.

Assisting firemen in staging the program is Lon McMillin, former Golden Glove State Champion, who is serving as promoter and director of the events.

McMillin said today that fighters from Hamlin, Weinert, Munday, Knox City and Seymour had accepted invitations to take part in the program, in addition to a number of Haskell fighters.

At least 20 bouts will be presented on Friday night's program, and as an added attraction McMillin has tentatively matched four local Negro boxers in two bouts.

The full schedule of matches will not be made up until Friday when the list of entries from neighboring five towns is completed, McMillin said.

However, one of the headline bouts will match Jerry Mullins of this city against Don Kelley of Hamlin or Kenney Chavez of Munday, it was announced.

Also assured Friday night, are several bouts in the Peewee Division between young boxers who have made a hit with fans of this section.

Friday night's program will start promptly at 7:30 o'clock.

Strawn Sand Discovery Completed In Sojourner Field; Five Tests Spotted

Completion of a Strawn sand discovery, and spotting of five new locations marked oil development activity in Haskell County this week, as this area remained in the spotlight of West Central Texas oil play.

Mid-Continent Petroleum Corp. No. 4 L. F. Taylor, Section 31 Block 1, H&T Survey, has been completed as a Strawn sand discovery well in the Sojourner field.

Location is three miles north-west of Haskell.

No. 4 Taylor had a daily potential of 216 barrels of 40.7 gravity oil. Completion was on a 20-64 inch choke with packer set on the casing and 225 pounds tubing pressure. Production is from 72 perforations at 5,022-35 feet in the Strawn, treated with 200 gallons of acid. Casing is set at 3,132 feet and the hole bottomed at 5,330 feet. Ratio of the gas-oil was 327-1.

No. 4 Taylor is a southeast offset to the firm's No. 3 Taylor, a Burson Sand discovery for the field.

Mid-Continent Petroleum Corp. is to drill No. 5 L. F. Taylor as a 5,600-foot rotary project. Drilling (Continued on page 12)

Wichita Falls Businessmen Visit Haskell Today; Guests At Lions Club Meeting

A three-day visit was made by a group of businessmen from Wichita Falls, in tour through the trade area, visited Haskell today and met with the Lions Club at their regular meeting and luncheon.

The purpose of the visit was to distribute the annual "Buyer's Guide" to the city, and to renew acquaintance with Haskell people.

Chairman of the civic committee of the Wichita Falls Chamber of Commerce, C. C. Burnham, C. C. executive vice president of the Wichita Falls group, and J. C. Porter, manager of the agricultural department of First National Bank, Wichita Falls, introduced Mr. Kring as speaker.

Kring climaxed a humorous speech with a brief explanation of the purpose of the Buyer's Guide, emphasizing that it is not intended to lure trade away from area towns but to supplement hometown business. Businessmen in the group, none of them retailers, came from the ranks of wholesale, manufacturing, wholesaler service and transportation enterprises of Wichita Falls.

Presiding over the luncheon was Dr. Wm. J. Kemp, president of the Lions Club.

Following the luncheon, members of the Wichita Falls group visited briefly with Haskell stores and business establishments. They were to visit in Stamford and other area cities in completing Tuesday's tour.

Tonkawa Hotel Is Purchased By Lee M. Slaughter, Former Hotel Man At Temple

Purchase of the Tonkawa Hotel properties in this city by Lee M. Slaughter, well known hotel operator of Temple, Texas, was not disclosed.

The Tonkawa, one of the best known hotels in this section, was built in 1925 by the Haskell Hotel Company.

The hotel was named for the first known inhabitants here, a tribe of Tonkawa Indians who had a permanent camp at Rice Springs when the first white men came to this section. Name of the settlement was later changed to Haskell.

Mr. Kemp, farmer-stockman and a former Sheriff of Haskell County, became operator of the hotel in December, 1942, when he purchased the hotel furnishings and fixtures from E. E. Messmer and Ed Day who had operated the establishment for a number of years. In 1946 Mr. and Mrs. Kemp purchased the two-story hotel building to become owners of the entire properties. Long-time residents of this city, Mr. and Mrs. Kemp plan to continue making their home here and he will

Chisholm Trail Council of Boy Scouts Observing 33rd Anniversary This Month

From Feb. 7-13 over three million American boys will be celebrating the 33rd anniversary of Scouting.

However, in the Chisholm Trail Council it will be the 33rd birthday as it was in 1913 that the Abilene Council was chartered. In 1924 the council boundaries were extended to the present area of Jones, Haskell, Shackelford, Callahan, Taylor, Coleman and north half of Runnels counties.

The early leaders of the Scouting program were Dr. R. A. Maddox, first area council president; Judge C. M. Caldwell and Rev. E. B. Surface. These three men for many years administered the affairs of the growing council.

Scouting has grown from a small group of boys to over 2800 boys and men now active in the program.

The present Council is divided into three districts: The Northern District comprising Haskell, Jones and Shackelford counties; Central District comprising Taylor and Callahan counties and the Southern District of Coleman and north Runnels counties. Each district has a district committee whose responsibility is to carry out the program in Scouting in their territory. The administrative responsibilities of the council are carried out by the executive board made up of 52 men from over the council.

Present officers are Nib Shaw, Abilene, president; Harry Dobyn, Abilene, 1st vice president; A. M. Turner, Haskell, 2nd vice president; and A. K. Blackberry, Coleman, 3rd vice president; V. E. Behrens, Abilene, treasurer; Dr. Tom Bunkley, Stamford, commissioner; Roy Arledge and A. C. Humphrey of Stamford, national council representatives.

An important phase of the Scouting program of the Council is Camp Tonkawa, located near Abilene State Park. Here each summer thousands of boys, leaders and parents enjoy the fine camping program. Not only is the camp used by the Cubs and Scouts, but outside youth organizations are allowed to use the camp when not in use by the Scouts. During 1932 over 6,000 persons used the camp. Ben Sell-

Soil Conservation To Be Discussed At Sweetwater Meeting

Supervisors of five Soil Conservation Districts and business men of 14 towns will meet at the Bluebonnet Hotel in Sweetwater Feb. 19 at 9 a. m. for discussion intended to create better understanding among the business men of the districts' programs. The meeting is being sponsored by the Sweetwater Board of City Development and the West Texas Chamber of Commerce.

The Upper Colorado, Mitchell County, Upper Clear Fork, California Creek and Middle Clear Fork districts will be represented by members of their boards of supervisors.

Towns to be represented are Lueders, Stamford, Anson, Rule, Haskell, Rochester, Reby, Hamlin, Retan, Roscoe, Sweetwater, Colorado City, Snyder and Abilene. Business men invited include bankers, chamber of commerce presidents, managers and agriculture committeemen. WTCC directors of the respective towns and other interested business men J. C. Porter, Wichita Falls chairman of the WTCC Soil Conservation committee, will preside. He is the agricultural director of the First National Bank of Wichita Falls. Spokesmen will be present from the Texas Association of Soil Conservation District Supervisors and the State Soil Conservation Board. R. M. Fielder, Abilene WTCC Agriculture and livestock committee chairman, and Loyal H. Walker, its agriculture and livestock department manager, will take part.

Farm Bureau Directors Meet Tuesday Night; Plan Organization Activities

Directors of the Haskell County Farm Bureau met Tuesday night in a business meeting, at which time H. H. Sego, president of the farm organization, announced committee appointments on several important panels and presided for a discussion of plans for immediate activities of the Farm Bureau.

C. H. Herren gave a brief report on the Bureau's insurance program, and Mrs. Gene Tonn, secretary, discussed the Blue Cross group policy.

President Sego urged all directors and all others who could, to attend a meeting of leaders and service agents at the Windsor Hotel in Abilene today and Friday.

Directors voted to give \$25 to the Haskell County 4-H Club Girls to be used as prizes to sponsor the girl winner to the state meeting at Texas A&M College. A similar sum of \$25 was voted for FFA and 4-H Boys, to be used in providing prizes at the annual Club Boys show in Weibert.

Plans were outlined for holding a Farm Bureau community meeting at the Bethel Lutheran church in Ericsdahl on Monday evening, February 16 at 7.30. E. W. Carlson will be director in charge of this meeting, first of its kind to be held in the Ericsdahl section. District State director L. S. D. Barbour of Iowa Park will preside at the meeting. Refreshments will be served, and all members and non-members in that area are urged to attend the meeting.

In a brief talk, President Sego gave his personal message to the board of directors, urging loyalty and continued strong membership to further "our own business of agriculture."

Committee assignments announced by President Sego included the following:

Membership Committee—Ed F. Fouts, chairman; Fred D. Brown, M. S. Walker, E. W. Carlson.

Legislative—A. C. Knippling, chairman; Shelly Royall, Joe B. Cloud, Ford Waldrip, C. H. White, Pete Mercer, Coyt L. Hix, Thurman Rice, Vernay Howard, Jewel Day, Ernest Peiser, Gene Wheeler, M. S. Walker, J. H. Cooke, E. W. Carlson, Fred D. Brown, Jerry M. Harrell.

Service Committee—C. H. White, chairman; Coyt L. Hix, Jerry M. Harrell, C. H. Herren, H. D. Gammill.

Resolutions—Shelly Royall, chairman; Joe B. Cloud and Gene Wheeler, co-chairmen; and 50 members to be selected from the Bureau membership.

In addition to President Sego, Secretary Mrs. Gene Tonn, and Clinton H. Herren, agent, the following directors were present at the session: J. D. Hicks and J. H. Cooke, Goree, E. W. Carlson, Lueders; C. H. White, Rochester; M. S. Walker, Pleasant Valley; Jerry Harrell, Foster; Pete Mercer, Matson; Thurman Rice, Plainview; Ernest Peiser, Ivy; A. C. Knippling, Sagerton; Mrs. E. W. Carlson, Lueders.

First Christian Church Planning Improvement

An all-church dinner in the basement of the First Christian Church Wednesday evening, Jan. 28, was the kick-off event for a "Finish the Basement" campaign an improvement program that will cost approximately \$2,000 which has been approved by the congregation.

Added purpose of the dinner was to stimulate greater interest and attendance in the Bible School contest now underway between the Haskell church and Cole Park Church, Dallas, and the First Christian Church at Rylie.

In discussing the planned improvement program for the basement of the church building, John Barry, minister, announced that \$500 of the amount needed has already been subscribed. He expressed the belief that money needed could be readily raised in meeting the May 1 deadline in the campaign.

In a brief talk, Dennis Ratliff, Bible School superintendent, stressed the need of attendance cooperation and effort of the entire congregation in meeting the challenge to greater work of the church and Sunday School.

Approximately 100 men, women and children attended the dinner, which had been prepared by women of the church.

Rule City Council Grants Rate Hike To Lone Star Gas

The Lone Star Gas Company's application for a rate adjustment affecting approximately 430 residential and commercial customers in Rule was approved by the Rule City Council at its meeting on Tuesday night, Feb. 3. The increase to the average residential user (family unit) will amount to less than 3 cents a day, it was pointed out by H. D. Smith of Stamford, manager for the gas company. He stated that similar rate revisions have been sought throughout Lone Star's operating territory in Texas and Oklahoma.

Mr. Smith expressed appreciation to the Rule City Council for "consideration of the gas company's application," pointing out that the "new rate makes it possible for us to continue to maintain our standard of service on the plane desired and expected by our customers."

The gas company manager emphasized that residential and commercial rates charged by Lone Star have not been increased generally within the last 25 years but, conversely, the rates were reduced ten cents per thousand cubic feet in May, 1942. He said the new rate is only three cents per thousand cubic feet higher than the rate charged by Lone Star prior to the 1942 reduction.

"Under the new rate," Mr. Smith said, "the increase per customer (family unit) will average 77c per month or less than 3c a day. Of each additional 77c paid by the customer each month, 41c will go to various taxes, thus leaving the company only 36c."

"The Lone Star Gas Company has taken a great deal of pride in the fact that we have been able to furnish a good, adequate and dependable fuel service to our customers at the lowest possible price conducive to good business and sufficient earnings," he continued. "Our application for the rate revision here represented only the most essential and absolutely minimum increase consistent with present economic conditions. We believe it highly conservative."

"The additional revenue," he said, "is required to meet losses in net income due to increased taxes, cost of gas in the field, rising costs for gas exploration and development, wages and salaries and numerous other items. We are confident that our customers as well as regulatory bodies understand our situation because all businesses and individuals, too, have had to wrestle with the problem of rising cost."

\$2,500 In Awards Offered FFA In Unique Contest

Austin, Jan. 19—Nearly one-half of the Future Farmers of America chapters in the state of Texas are participating in a unique contest in which the target for a share of \$2,500 in prizes are projects involving control of insects in stored grains.

Of the 800-odd FFA chapters in Texas, 367 chapters filed entries in the contest, which is under the supervision of Texas Vocational Agricultural instructors. The contest is in the nature of demonstrations by the various participating FFA chapters in the control of stored grain insects with the use of Pyrethrum Grain Protector, a powdered insecticide which protects grains against insect infestation.

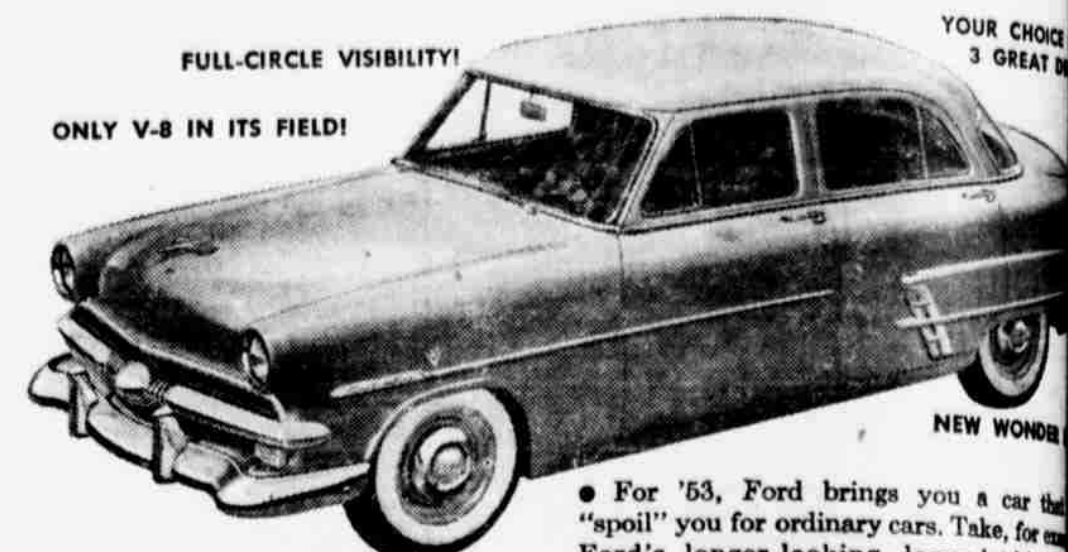

The competition for the cash prizes, offered by Southwest Sprayer & Chemical Co., of Waco, one Pyrethrum Grain Protector treatment demonstration per chapter shall constitute the chief basis for the purposes of judging and awarding prizes. This chapter demonstration is limited to unshucked or shucked ear corn in bulk storage, and to shelled corn and combined or threshed sorghum grain in either bulk bin or sack storage.

A chapter demonstration shall consist of the treatment of between 50 and 150 bushels of corn or grain sorghum, with an additional nominal quantity of similar grain left untreated as a check against the treated grain. Contest rules stipulate that while corn and sorghums are suggested as contest grains, any other grain for which the material is recommended may be used for treatment. These include rye, barley rice and other small grains.

Coming up this year... 50th Southwestern Life's Birthday

TWO fiftieth birthdays, as a matter of fact. The first historic day will arrive in March. It was on March 10, 1903, that the State of Texas issued a business charter to the Company.

The second milestone will be reached on July 4, 1953. On Independence Day in 1903, this Company issued its first life insurance policy. That policy was purchased by a Texan, naturally.

Southwestern Life has been doing business with Texans, growing with Texas, ever since. Today, more than a quarter million Texans are providing a measure of future financial security for themselves and their families through their investment in Southwestern Life Insurance.

In a half century Southwestern Life has become

what the people of Texas have chosen to make it. Their faith and support have caused it to become the largest life insurance company in the Nation which does business only in its home state. And, in the year ended December 31, 1952, Texans purchased more Southwestern Life insurance than in any previous year.

For records such as these we give grateful thanks to the policyowners who made them possible.

In the years ahead Southwestern Life, believing in the modern private enterprise concept of profit through service, fully expects its business progress closely to parallel the development of growing, expanding Texas.

 "Especially for You"

For Modern Living

All of the light, utility, cross-ventilation, convenience, and comfort that can be offered in a small five room home is shown in this house plan.
 The kitchen-workroom combination is especially convenient. The closet and lavatory in the workroom will provide a place in which the field hands can wash up and leave their outside wraps. If modern equipment is used, the laundry can be done and the family meals prepared at the same time. The four windows offer an unusual amount of window space making the kitchen very light and cool. There is 16 feet of counter space in addition to the table. The table arranged by the two large corner windows will provide an especially nice place to serve the family meals.
 The bedrooms are very conveniently located—each with corner windows, thus leaving plenty of wall space for attractive furniture arrangement. Two large closets in each bedroom provide ample storage space; also the linen closet in the hall.
 By arranging the living and dining area together, the effect of a very large room has been achieved and the space permits an attractive arrangement with the largest amount of furniture. The large fixed window, which opens onto the entrance, could be replaced by ordinary window units

or by use of glass block—either is very attractive.
 The screened porch on the back has an outside door and gives easy access to the living room; yet it is away from the entrance drive and barns. Hence the greatest possible amount of comfort and privacy is provided. A door opening into the adjoining bedroom could be easily arranged if it is desired.
 The plans on this house show a hipped roof; however, the house would be equally attractive with a gable roof if the pitch on the rafters was not steeper than 5 inches rise per foot of run.

Haskell County Unit Of TSTA Meets In Rochester

Members of the Haskell local unit of Texas State Teachers Association met in a regular meeting Monday night in the Rochester school gym.
 Program for the evening was opened with group singing led by Mr. Davis of Rule, followed with a book review by Mrs. Carol D. Bledsoe of Haskell.
 A trio of Paint Creek High School students, composed of Lorene Jarman, Shirley Griffin and Marie Rosenquist, accompanied by Barbara Summers, gave four numbers.
 Three little Rochester girls, accompanied by Jim Alvis, also a Rochester student, entertained with twirling routines.
 A short business meeting was followed by the showing of an educational film, "The Blessed Gift."
 Miss Irene Stuart, superintendent of Sagerton schools, is president of the Haskell County TSTA unit, and she presided over the business meeting. Maxine Hamilton, chairman of the program committee had charge of the entertainment.
 Approximately 125 members compose the Haskell unit. Next meeting will be held at Rule school auditorium March 2 at 7 p. m., with a banquet as the highlight.

Giles Marion Kemp Geology Student At Sul Ross

A Haskell student, Giles Marion Kemp, is among forty-one students majoring in geology at Sul Ross College, Alpine, according to the college news service, which reports that this department of the college is being rapidly enlarged.
 Few colleges and universities in the world are as favorably situated for teaching geology as Sul Ross. The vast West Texas area centered by this institution is truly a geologist's paradise. The Marathon Basin, Davis Mountains, Guadalupe Mountains and the Big Bend are regularly scheduled field trips.

Paul H. Fischer To Represent Feed Concern In Area

Paul H. Fischer of Haskell has been appointed representative in Haskell and Throckmorton Counties of the Oelwein Chemical Company, manufacturers of Occ Mineral Feeds.
 Appointment of Fischer as Occ Service Man for this area was announced by James Elliott, sales manager for the company.
 Mr. Fischer, who lives on Route 3, has resided in this community for 39 years. Elliott said, in announcing the appointment, that Fischer had been selected for this important post because of his wide knowledge of feeding problems in this area, and because of the recognition he has received from so many feeders.

 You are cordially invited to join in worshipping our God and Lord and studying of His will and ways.

FALSE ECONOMY
 You wouldn't think of buying a car that required a special fuel for good operation and try operating it on a cheap fuel that would barely run the motor. Yet you are asked to buy Television sets with antenna systems which are insufficient for good operation in this section.
 Sure the COST is less but so is the SERVICE. Be sure to get what you pay for, for you will never get more.
 A substandard installation is money thrown away as it will have very little trade-in value.
 Money spent on a good tower with rotor and a good high gain antenna system is not wasted as it will always be needed here for the best performance.

The biggest in town!

Five cents worth of electric service... it's the biggest nickel in town... and it buys lots of service... comfort and entertainment. For example, here's what 5¢ worth of electric service can do for your family:

- A penny's worth makes toast for all your family for three meals...
- Another penny swishes clean three tubs of laundry
- A cent's worth of electric service vacuums six large rugs...
- Then there is enough left out of the nickel to furnish refrigeration for the family's food for hours

• AND
 • Bring you and your family an evening's radio or recorded entertainment!

Where else could the average family get so much value for one small nickel... a nickel that's now worth only 52% of its 1939 value, but a nickel that buys 17% more electric service than it did 14 years ago?

Let your local electrical appliance dealer show you how easy it is to put electric servants to work for you.

Rochester News

By MRS. JAMES A. GREER

Funeral services for John Bynum Turnbow, age 89, were held Sunday afternoon at the Rochester Baptist Church at 3 o'clock with Rev. Cecil Meadows, pastor of the local church, assisted by Rev. C. W. Drake, pastor of the Rochester Church of God.

Mr. Turnbow died Saturday morning, Jan. 31, following a heart attack suffered last Thursday.

Deceased was born February 8, 1863 at Dublin, Texas, a son of the late Mr. and Mrs. Andrew Turnbow. He was married to Miss Lizzie Johnston of Miles county, May 4, 1893.

He had lived in Haskell County

26 years, having moved here from Big Spring.

He was a member of the Baptist Church. Deceased is survived by his wife, who is 78, and two sons, Vernon Turnbow of Big Spring and Joel Turnbow of Abilene, and one daughter, Mrs. Mertie Hayes of Rochester; also several grandchildren and great-grandchildren. Two brothers, Landon Turnbow of Eldorado, and Lee Turnbow of Gustine, and two sisters, Mrs. Beckett Johnston, Buffalo Gap and Mrs. Caroline Wise of Big Spring, also survive.

Interment was made in the Rochester Cemetery with Mansell-Smith Funeral Home in charge.

Mrs. Charlie Harper and Wanda of San Antonio spent Thursday night and Friday of last week in the home of Mrs. Grace Harper and children.

Mrs. J. H. Cooper and Mackie spent the week end in Austin with their son and brother, Joyce Cooper and family.

Seaman Jimmy Joe Hester, son of Mr. and Mrs. Lewis Hester is spending a leave here with his parents. Jimmy Joe is just back from Korea and has also been in Japan and Pearl Harbor.

Mr. and Mrs. Edwin Lott and children of Levelland spent last week end here with Mrs. Lott's mother, Mrs. L. Leggett.

Davis Paul, son of Mr. and Mrs. Paul Melton of Rochester has enlisted with the U. S. Air Force and will leave Thursday for Amarillo and from there will go to Lackland Air Base at San Antonio.

Mrs. Maud Adkins and Mrs. D. Gregory visited their children on the Plains over the week end.

Mr. and Mrs. Frank Tve of Amarillo visited with their uncle and aunt, Mr. and Mrs. W. E. Watkins Sunday.

Carolyn Smith and Sharon Reid left Sunday for Abilene where they enrolled in Hardin-Simmons University.

R. B. Townsend, who recently enlisted with the U. S. Air Force is now stationed at Lackland Air Base at San Antonio.

Neil Tibbets, son of Mr. and Mrs. F. E. Tibbets of Rochester received his B. S. degree from Texas Tech at mid-term and left for Cleburne where he is to be assistant county agent of Johnson County. He visited his parents before leaving for Cleburne.

Mr. and Mrs. Fred Hicks and Freddie Carol Olton spent a while with Mrs. J. M. Hicks here Monday. They were en route home from a visit in Dallas with Adelaide and John E. Hicks and also visited the Fat Stock Show at Fort Worth.

Mrs. E. L. Carver, who has been visiting her daughter, Mrs. Audie Verner and family of Rule, has returned home and will spend a month here with Mr. and Mrs. Vestus Alvis.

Mr. and Mrs. Roy Hicks and son, Don, of Tahoka spent the week end here with his mother Mrs. J. M. Hicks. Other children spending Sunday with Mrs. Hicks were Mr. and Mrs. Marvin Goodson of Knox City and Mr. and Mrs. M. H. Hicks and baby of Rochester.

Attending the Haskell - Knox Baptist Workers Conference at Knox City Tuesday night of last week from Rochester were Mrs. Hob Smith, Mrs. Vestus Alvis Mrs. J. M. Hicks, Mrs. W. J. Bragg Mrs. E. E. Acree and Rev. Cecil Meadows.

They report a most inspirational program. L. D. Wood, State Mission Coordinator of San Antonio and Bro. Thomas, Associational Missionary of Munday gave interesting and instructive discussions on their work. Supper was served at the church at 8 o'clock.

Mr. and Mrs. Elton Corley of Athens spent a day or so here last week with her parents, Mr. and Mrs. Mack Bell.

Mrs. R. A. Shaver Jr. and Marsha went to Lubbock Friday of last week to visit Mrs. Shaver's brother, Clarence Church who underwent surgery in a Lubbock hospital. Mrs. Shaver reports her brother's condition as satisfactory. Returning to school at Texas

March Draft Call To Be Heaviest In Two Years

The biggest state draft call in two years—calling for the induction of 2,989 men in March—has been announced by State Selective Service headquarters.

Brigadier General Paul L. Wakefield, state Selective Service director, said that more than 6,800 men also would be examined in March to keep the state ready to fill future calls.

Local board quotas for the March induction call will be figured and placed in the mail on or about February 10, the state draft director said. The March quotas for physical examinations are scheduled to be sent to local boards Tuesday.

Gen. Wakefield said that local boards will be authorized to induct men in March down to the age of 19 years and 9 months and examine men down to the age of 19 years and 4 months.

Not men ymen below the age of 20 will be inducted in March according to prediction of the state Selective Service director. Local boards will be advised to fill March calls to greatest extent possible with men 20 years or older.

"I believe only a very small percentage of those inducted in March will be below the age of 20," General Wakefield commented. "Latest available figures from our local boards show only 536 men below 20 who are examined each acceptable. Of course this number will grow between now and March."

The state draft director said that present inductees for the armed forces are replacements for drafted men who are now getting out after two years of service.

Texas has inducted more than 52,000 men since beginning of hostilities in Korea and has examined more than 125,000 during the same period.

WILL JOIN HUSBAND IN SAN FRANCISCO, CALIF.

Mrs. Mamie Easterling left Tuesday for San Francisco, Calif., to be with her husband, Kenneth R. Easterling, who entered the Navy last September and is now stationed on Treasure Island, attending classes in radar. Mrs. Easterling will visit friends in Los Angeles and Monterey, and will arrive in San Francisco Saturday.

Tech. Lubbock, after spending the mid-term holidays at home with Onroe Bell, George Mullino, Wm. Porter, Dan Michaels and Dan Smith.

J. E. Mansell, who suffered an attack of flu and was hospitalized last week, is at home again and back at his place of business.

Rev. James Price, pastor of the Rochester Methodist Church, left Tuesday for Dallas to attend a pastors school at Southern Methodist University.

The Young Peoples' Sunday School class of the Rochester Methodist Church, enjoyed a party Wednesday night in the Fellowship hall of the church.

Games of dominoes and canasta were played and a delicious supper was served to members and their teacher, as follows: Fern Strickland, Lois Ann Huntsman Shirley Whiteside, Zada Ann Hester, Verna Lou Tibbets, Mary Frances Turner, Edith Strickland Betty Sue Mitchell, Eileen King Mrs. Earl Alvis, Reagan Butler Duane Strickland, Jimmy Alvis Donald E. Wade, Sam Carothers, Willis Cox and the teacher, Mr. Simmons.

At the regular meeting of the Rochester Rotary Club Monday night, S. H. Vaughter, supt. of the Haskell Schools was guest speaker.

Supper was served to members and guests.

Mrs. William Perkins and daughter, Becky of Abilene, who have been spending a while with Mrs. Perkins' parents, Mr. and Mrs. Vestus Alvis, while Mrs. Perkins was recovering from a recent surgical operation, returned home Sunday with Mr. Perkins, who came for her.

Members of the WSCS met at the Methodist Church Monday afternoon to conclude the study of "Toward Understanding the Bible" with Mrs. Bess Porter, study leader, in charge of the lesson.

The president, Mrs. R. A. Shaver Jr. called the house to order and the program began with recordings of the Hallelujah Chorus from the Messiah, by Handel.

Mrs. James Price gave the devotional. Jimmy Alvis discussed "God as a Living God."

Regan Butler discussed "God as a Great Creator."

Mrs. Porter discussed the devotional topics, "God as a Judge," "Think of God as a Father," and "The Christian's View of God."

Rev. James Price gave the closing prayer.

Members present were Meses Bess Porter, R. A. Shaver Jr., Tom Murphy James Price, W. Z. Wadcock, Pete Huntsman, F. E. Tibbets, Jas. A. Greer, Rev. Jas. Price and two young people, Jimmy Alvis and Regan Butler.

Mr. and Mrs. Taylor Sego, Ina Bud Clark, Herman Hearn, Howard Reese and E. L. Hollar, attended the boxing matches at Reese Field House in Abilene Monday night. J. T. Sego, son of Mr. and Mrs. Taylor Sego, was in the final bout in which he knocked out Don Jay of Lubbock in the third round.

The first county home demonstration agent appointed in Texas was Mrs. Edna Trigg. The year was 1912 and the county, Milam.

"It's all here but I don't know what to say."

Supt. S. H. Vaughter presented the District 8-A championship football trophy to Coach Smith on behalf of the team, pep squad, and Haskell citizens who helped make the winning team possible.

Indian scabbard Bill Thomas proved that he was versatile on and off the football field, singing "Indian Love Call" and "Red Wing." He was accompanied on the piano by Miss Diane Clare.
The excellent dinner menu of fried chicken and ending with pecan pie, was prepared by the efficient lunchroom staff of the Primary School.

The profits from the plays and food will be put into the Senior Class fund for the Senior trip. Mrs. W. C. Taylor is the sponsor of the class and is in charge of the plays.

Mother of Haskell Woman Dies In California

Funeral rites for Mrs. T. P. Curtis, 66, of 7216 Vassar Ave., Canoga Park, Calif., and mother of Mrs. Raymond Burson of Haskell, were held at the Little Country Chapel of Valhalla in North Hollywood, Calif., Monday afternoon (Jan. 26) at 2 p. m. with Rev. Ed Morgan, Baptist minister officiating. Interment was in Valhalla Memorial Park. Pierce Bros. of Van Nuys were in charge.

Mrs. Curtis died at 2:30 a. m. on Jan. 22 in her home at Canoga Park. A native of Alabama and a member of the Baptist Church, Mrs. Curtis had lived in California for 14 years. She had been on an extended visit with her children and friends in Tennessee and with her daughter and family in Haskell, having returned to her home in California only two days before her death.

Survivors include her husband and three sons, Warren of Encino Calif.; Cecil of Loretto, Tenn.; and Lt. Andrew Curtis with the Air Force in England; three daughters, Mrs. C. H. Pennington and Mrs. J. B. Hand, both of Lawrenceburg, Tenn.; and Mrs. Raymond Burson of Haskell; 11 grandchildren, two brothers and one sister.

Three U. S. Presidents, Wilson, Arthur and Cleveland, were preachers' sons.

Circle W. Palomino Is Winner At Fort Worth Show

Sinney's Joy, 2-year-old double registered Palomino owned by Dr. T. W. Williams Circle W. Stables in this city, won third place in the Palomino stock horse class at Southwestern Exposition and Fat Stock Show in Fort Worth last week.

The Circle W. Stables' entry was in competition with horses entered in this class from a number of States. The animal was shown by Scott W. Greene, manager of the local stables. Sire of the Haskell Palomino is Sinney by Royal King.

Cpl. Robert Duncan Veteran of Korea, Receives Discharge

Cpl. Robert Leo Duncan of this city, who recently returned to the States after almost a year's combat service in a heavy artillery unit of the U. S. Army in Korea, received his discharge last week at San Antonio and has returned home.

The Haskell man entered the Army in 1951, and went overseas to the Far East Command in January, 1951. He is the son of Leo Duncan of this city and grandson of Mr. and Mrs. W. A. Duncan.

The young veteran plans to resume his studies at Texas Tech at an early date. He attended Tech two years before entering the Army.

One-half mile southeast of Mid-Continent No. 4 Taylor, Meredith Drilling Co. of Wichita Falls, No. 1 C. G. Burson was spotted. Contracted 5,300 feet with rotary site is 1,650 feet from a h. e. south and 330 feet from the west lines of the southeast quarter in Section 34, Block 1, H&TC Survey. The lease is composed of 80 acres.

Fox-Witherspoon Drilling Co. & R. E. Ransdell No. 1 Mary O. Welsh, Section 32, Block 1, H&TC Survey, set pipe at 5425 and was preparing to run tubing today to test saturated sand at that depth. The test is three locations northeast of the recent Mid-Continent No. 3 Taylor, discovery from a new pay for the Scourner Field.

Ab-TeX Drilling Co., Abilene, is to drill No. 1 Russell Rainey as a Haskell County wildcat one and one-half miles southwest of Weinert.

Location for the 4,700-foot test is 5,867 feet from the west and 1,400 feet from the north lines of D. T. Woodlief Survey.

A 5,200-foot rotary wildcat is to be drilled four miles southwest of Weinert. It was spotted by Co-operative Refining Association Midland, as the No. 1 D. H. Perrin.

Location is 330 feet from the south and east line of the Perrin 130 acre lease, and being 5,589 feet from the south and 330 feet from the east lines of E. J. Parker Survey 3, A-663. It is three miles southeast of the West Weinert Field.

Bridwell Oil Co., Wichita Falls announced location for a wildcat 15 miles southeast of Haskell as No. 1-C. T. G. Hendrick Estate. It will be a 5,300 foot test 124 feet from the north and 330 feet from the most westerly line of J. Fenner Survey A-582.

HASKELL VISITOR

Mrs. Rudolph Braune of Creedmore, Texas, was a visitor in Haskell several days this week with her sister and family. Mr. and Mrs. Lee M. Slaughter, new owners of the Tonkawa Hotel.

WICHITA FALLS NEWSMEN HERE WEDNESDAY

J. I. Berry of the circulation department, and W. E. Rutledge circulation manager of the Wichita Falls Daily Times and Record-News were visitors in Haskell Wednesday.

Tonkawa Hotel—

devote his time to his farm interests.

Mr. Slaughter, in taking over the properties this week, announced that a number of major improvements to the hotel property were planned in the immediate future. Among the first improvements to be made will be new carpeting and installation of venetian blinds, the new owner said.

Slaughter began his career in the hotel business in 1924 with the Baker Hotel in Dallas. The following year he went to Austin where he was manager of the Stephen F. Austin Hotel for three years, then was manager of Baker Hotels in Beaumont and Port Arthur for 12 years. Later he was connected with The Cortez Hotel in El Paso, and Hotel Clovis in Clovis, N. M., before going to Temple as manager of the Kyle Hotel in 1944.

In Temple, Mr. and Mrs. Slaughter were active in civic and community affairs. Both are members of the Masonic fraternities, and he is a past president of Temple Kiwanis Club. MOST ADVANCED HYDRAULIC SYSTEM IN ANY TRACTOR

NEW FORD TRACTOR

Now, in the new Golden Jubilee Model, Ford Tractor engineers have carried a time-proved hydraulic system to a new high in speed of response, lifting power, dependability and wide usefulness.

This Live-Action hydraulic system gives almost instant action at all times when the tractor engine is running. It handles larger implements and heavier loads. And, with Hy-Trol, it acts even faster when desired. Also possible is an almost unlimited variety of remote cylinder* operations. In addition to all the time-proved advantages of the Ford Tractor's built-in hydraulic system, you get a choice of hydraulic speeds, quick hook-up, smooth operation of remote cylinders* and the ability to handle bigger loads.

The more you learn about the new Ford Tractor the more you will find that it can bring new ease and speed to your farming—new economy, too. Come in—look it over!
